*A lot of this shit happened.*

*Most of it is on tape.*

FADE IN:

EXT. ROOSEVELT HOTEL - DAY, 2006

An inferno of paparazzi. Cameras flash haphazardly.

Under the strobing lights is LINDSAY LOHAN (20, clearly past her *Mean Girls* glow and desperate for a friend.) She dodges past the crowd to her car.

INTERCUT WITH ARCHIVAL FOOTAGE OF THIS EVENT.

**SUPER: HOLLYWOOD, 2006**

PAPARAZZI RAT

Hey, Lindsay! You wearing underwear tonight, Lindsay?

ANOTHER PAPARAZZI

Partying with Paris tonight?

LINDSAY LOHAN

Paris is a cunt.

*Gasps.* Lindsay casually slides into her BMW. As she stares back at the cameras, a wicked grin overtakes her face.

PAPARAZZI RAT

I'm sorry-- What did you say?

LINDSAY LOHAN

Just kidding!

Lindsay hangs her greasy head out the tinted window.

LINDSAY LOHAN (CONT'D)

I love Paris Hilton!

Paparazzi thrust their hands into the car. Lindsay giggles. Then panic floods over her face.

BITCHY PAPARAZZI

Why's Paris a cunt?

LINDSAY LOHAN

(convincingly)  
I never said that.

PAPARAZZI RAT

We got it on tape.

BITCHY PAPARAZZI

Like when you wore the see-through  
top to the homeless shelter!

LINDSAY LOHAN

*Paris is my friend.*

PAPARAZZI RAT

Do you normally show up 5am and  
hide in your friends' bushes?

LINDSAY LOHAN

She's my friend. I love her.

BITCHY PAPARAZZI

Sure, Lindsay.

PAPARAZZI RAT

We're your friends, too.

ANOTHER PAPARAZZI

Why won't you smile for your  
friends?

PAPARAZZI RAT

Just show us you love us, like you  
love Paris!

LINDSAY LOHAN

Paris is my friend. You'll see.

Lindsay drives away. Determination pierces her hangover.

**INSERT TITLE CARD: FREEMY**

INT. NICOLE RICHIE'S MANSION - NIGHT, 2004

**SUPER: NICOLE RICHIE'S MANSION, TWO YEARS EARLIER**

A party. Everything is French-themed: there are balloon  
Eiffel towers, macarons, even drunk socialites wear berets.

Guests head into an elaborate:

MOVIE THEATER

A packed audience watches PARIS HILTON on all fours. A  
dirtbag penetrates her in HD. The rich kids snicker.

RICH BITCH

Well, it is a French-themed party.  
And that's definitely the most  
famous film about Paris.

SLUT SHAMER

Skinny bitch's got a wiiide pussy.

**A STILETTO FLYS over their heads and pierces the screen.** It hits the dirtbag's groin. Dangles in front of his dick.

All eyes turn to the real PARIS HILTON, (23, the cold, calculated, 2000s style-icon.)

You'd think she's too calm to be the culprit. If she weren't missing a pink Louboutin.

Whispers ripple through the crowd. NICOLE RICHIE (22, the Microsoft to Paris' Apple) stands. The color drains from her face. Paris shoots her a grin.

PARIS HILTON

Nicki! I was wondering why I didn't get an invite to your big party.

NICOLE RICHIE

It's...not a big party.

PARIS HILTON

Well, thought it'd be empty. Who'd show up to your shitty condo unless I was there?

This house could make Gatsby feel poor.

NICOLE RICHIE

Wait--

PARIS HILTON

As usual, everyone came to see me.

NICOLE RICHIE

Paris, come back--

Paris storms out to the:

EXT. COURTYARD - CONTINUOUS

The pool is lined with gold and littered with alcohol. Rich skanks give each other head under cabanas.

Nicole chases Paris outside.

NICOLE RICHIE  
 (saccharine)  
 I just didn't think you'd mind! Who makes a sex tape for no one to see?

PARIS HILTON  
 I didn't make it.

NICOLE RICHIE  
 Don't be humble. The title "One Night in Paris?" Brilliant. You're the only one smart enough to come up with something so on-brand.

PARIS HILTON  
 We're the same brand, Nicki.

NICOLE RICHIE  
 No, you're waaaay more famous now. You don't even need me.

Realization strikes Paris.

PARIS HILTON  
 That's why you did this.

NICOLE RICHIE  
 What?

PARIS HILTON  
 You want me to kick you off *The Simple Life*, don't you?

NICOLE RICHIE  
 I would never--

PARIS HILTON  
 Why? So you can play a hooker on CSI, maybe - if you're lucky - overdose on SVU?

NICOLE RICHIE  
 OMG, it was just a joke, Paris.

Paris grabs a cocktail off a ledge and gulps it.

PARIS HILTON  
 Why didn't you just ask? You're my friend.

NICOLE RICHIE  
 (rolling her eyes)  
 Friend? You only have pets!

On cue, Paris' Chihuahua, TINKERBELL, pops out of her Hermes purse and Laps up booze.

NICOLE RICHIE (CONT'D)  
And, your pets...look at that  
thing, it's a fucking accessory!

PARIS HILTON  
Tinkerbelle is a her, not an it.

NICOLE RICHIE  
It's greasier than a slice of pizza  
before someone dabs it with a  
napkin.

Paris is VERY insulted.

PARIS HILTON  
Well it's a good thing I don't need  
to be your friend to play her on  
TV. Unlike you, I actually can act.

NICOLE RICHIE  
Then act like you don't know me.

PARIS HILTON  
Nicki--

NICOLE RICHIE  
I'm really sorry, Paris. I just  
don't hang out with sluts.

Tinkerbelle vomits on Nicole, who screeches.

NICOLE RICHIE (CONT'D)  
My Juicy velour!

PARIS HILTON  
You were going to get vomit on it  
anyway, Nicki. Next time, I won't  
be there to hold your hair back.

She throws her glass into the pool and marches away.

NICOLE RICHIE  
Where are you going?

PARIS HILTON  
To recast you, bulimia for brains.

EXT. CHINESE THEATER - NIGHT, 2004

Lindsay (now, 17 and perfectly PG) finishes up a red carpet interview. She glows in a knee-length dress and pearls.

LINDSAY LOHAN

I am so happy being able to play roles for people my age. Once you do something really mature there is no turning back. I'm just glad to be I'm so close with the rest of the cast...

Behind her are the posters for 2004's MEAN GIRLS plus RACHEL McADAMS and AMANDA SEYFRIED, who no one cares about. Gosh, why did they even get their names capitalized?

RACHEL McADAMS

(whispering)

I'm just glad Lindsay's people were freaked that playing the "mean girl" would screw her reputation.

AMANDA SEYFRIED

Isn't that Mommy and Daddy's job?

They snicker. Lindsay overhears. She speed-walks to a HANDLER, embarrassed.

LINDSAY LOHAN

I'm ready, if that's okay.

HANDLER

Of course, Ms. Lohan.

The HANDLER walks her to a row of roped off seats.

HANDLER (CONT'D)

I hope this is enough for all of your friends!

LINDSAY LOHAN

My mom's only 5 minutes away!

Lindsay grimaces.

MATCH CUT TO:

Lindsay grimaces on-screen. The audience is half-way through MEAN GIRLS.

GRETCHEN WEINERS

(onscreen)

Make sure you check out her mom's  
boob job. They're hard as rocks.

The real Lindsay sits in an aisle of empty seats. Her real eyes dart around the room, ashamed.

Lacey Chabert (who plays Gretchen) mouths every line. The guy who played hottie Aaron Samuels is getting handsy with Damion, who played the fat gay kid with the pink shirt.

Alone, Lindsay holds back tears.

I/E. LIMOUSINE - NIGHT

Surrounded by bodyguards, Paris ugly-cries. Her DRIVER lowers the partition.

DRIVER

Do you need anything, Ms. Hilton?

PARIS HILTON

My best friend not to be a  
backstabbing bitch!

DRIVER

Um...anything else?

PARIS HILTON

For you to fucking drive, Derek.

The partition shoots up. Tinkerbell licks the heiress' tears. Paris cradles the pup as she snorts cocaine.

INT. BATHROOM, CHINESE THEATER - NIGHT

Lindsay walks in. Inside, a BRUNETTE snorts also cocaine.

BRUNETTE

OMG! You're like, I-- Freaky Friday  
fixed my relationship with my mom!

LINDSAY

Wow! That's amazing.

Lindsay pulls out her pink razor phone. There's a text from **Wilmer <3**. She calls him.

BRUNETTE

OMG! I'm so rude. You want a line?

WILMER VALDERRAMA

I meant the show. I'm giving up a lot for you Linz. You can't spend an evening with me?

LINDSAY

...See you soon.

She leaves the stall. The brunette gives her a pitying look.

EXT. LOBBY, CHINESE THEATER - NIGHT, 2004

Lindsay leaves the bathroom. Movie's over. It's a smash.

AUDIENCE MEMBER ONE

We wear pink on Wednesdays!

AUDIENCE MEMBER TWO

That's so fetch!

Reporters crowd Rachel, who stands beside her glowing mom.

RACHEL MCADAMS

I'm just so glad to have such a supportive family that came out--

This sight stabs Lindsay. She ducks through the theater. Opens up a side door to the:

EXT. RED CARPET, CHINESE THEATER - NIGHT

Devoted fans wait outside. The second the crowd spots Lindsay, they hurl into a frenzy.

Relieved Lindsay signs autographs. Crazy fans grab her hair, hands, dress, anything they can.

I/E. PARIS' LIMO - NIGHT

Paris drives by the red carpet. The car slows in traffic.

PARIS HILTON

What's taking so long?

She pulls down her window. Spots Lindsay in the clutches of rabid fans.

LINDSAY

Guys, not all at once!  
(fans yank her hair)  
OW! Thank you--

The out of control admirers have all the control. Fans trample down the protective guards and invade the red carpet.

Watching how easily Lindsay is bossed around, a twinkle swells in Paris' heavily made-up eye.

EXT. RED CARPET, CHINESE THEATER - NIGHT

Paris' bodyguards charge through the crowd. One snatches Lindsay. He carries her to a LIMO at the curb.

Tinkerbell trots on the ground. Another armed guard picks up her shits with a Louis Vuitton pooper-scooper.

Paris rolls down her window.

Lindsay's POV: *A manicured finger beckons her to the car.*

I/E. LIMOUSINE - NIGHT, 2004

Lindsay gets in. Paris extends a hand to her.

PARIS HILTON

I'm Paris--

LINDSAY

I know who you are.

The car speeds away.

INT. PARIS' PATIO - DAY, 2020

**SUPER: PRESENT DAY**

**Title Card: Paris Hilton, Reality Star & Actress.**

Paris (now 38, with her face, wardrobe, and attitude frozen in 2004) sits for an interview around her elaborately groomed dogs. She knows her angles perfectly.

PARIS HILTON

It was my mistake. Not even Oprah could save Lindsay Lohan.

CUT TO:

OPRAH, ON HER JET, SHRUGS AND EATS HER LOBSTER.

INT. STUDIO - DAY, 2020

Lindsay (now 33, puffy and desperate to look put-together) also sits for an interview.

LINDSAY LOHAN

I wish I watched the movie. Then I would've recognized Regina George's backseat.

**Title card: Lindsay Lohan, Actress & Reality Star.**

LINDSAY LOHAN (CONT'D)

I figured Paris could be like a big sister who taught me how to party. But I already had one. My mom.

I/E. HOOTERS - DAY, 2020

Oh yes, we're interviewing DINA LOHAN (56, Long Island trash who starts fights in Bagel Boss.) She eats wings.

DINA

Are ya guys doing title cards? Mine's gotta say Former Radio City Rockette. I was a person before I was Lindsay Lohan's mother.

**Title Card: Dina Lohan, Lindsay Lohan's Mother.**

INT. ROCKETTES' PRACTICE STUDIO - DAY

A clean cut, ultra-twink DANCE COACH looks to camera.

**Title Card: Baruch Witter, Radio City Spokesperson**

DANCE COACH

The Radio City Rockettes have no record of a Donata Melina Nicolette Lohan.

I/E. LIMOUSINE - NIGHT, 2004

**SUPER: HOLLYWOOD, 2004**

LINDSAY LOHAN

Oh my god. You're-- why are you here?

PARIS HILTON

I was asking myself that. That's why we're leaving.

LINDSAY LOHAN  
 Wait, can you make a stop? My  
 boyfriend is at the--

PARIS HILTON  
 I'm not picking up the old dude  
 from That 70s Show.

LINDSAY LOHAN  
 He's only 24.

Paris hands Lindsay a drink.

PARIS HILTON  
 You legal?

LINDSAY LOHAN  
 (turning it down)  
 17.

PARIS HILTON  
 Look at you, Disney kid. I remember  
 when Britney was like that.

LINDSAY LOHAN  
 You know Britney Spears?!

PARIS HILTON  
 Who doesn't know Britney Spears?

LINDSAY LOHAN  
 No-- I mean-- Are you guys friends?

PARIS HILTON  
 (defensive)  
 Um, are you kidding? Of course! How  
 could I not be? I thought you knew  
 who I was.

LINDSAY LOHAN  
 That's so cool!

PARIS HILTON  
 No, *that's hot*.

LINDSAY LOHAN  
 Who else are you friends with?

EXT. PARIS HILTON'S MANSION - NIGHT

KIM KARDASHIAN (23, with significantly less plastic surgeries  
 and followers) carries shoe boxes to the limo.

Lindsay gets out. A Gatsby-level party is raging.

KIM KARDASHIAN

Paris, you didn't tell me you were going out! I totally would've come to make sure the Olsens weren't--

PARIS HILTON

Shoes.

Paris extends her feet (she's still missing a stiletto from the screening.) Kim gets on her knees and changes Paris' heels like a handmaid.

KIM KARDASHIAN

Those were your, uh, Manolos, right? I can call Jerry to go--

PARIS HILTON

No.

KIM KARDASHIAN

You're right. We can't trust Jerry. I can go to the party and get them myself, so they're in the hands of someone you trust, because everyone knows you trust me.

PARIS HILTON

I need a car at Wilmer Diorama's--

LINDSAY

Valderrama--

PARIS HILTON

--house. Bring him here.  
(to Lindsay)  
Happy?

Lindsay nods in shock.

KIM KARDASHIAN

That's hot.

PARIS HILTON

What did I say?

KIM KARDASHIAN

Sorry. That's cool.

There's a moment of silence. Kim rushes back into the house. Lindsay stares at her enormous butt.

PARIS HILTON

I asked my contractor to make my doorways smaller so her fat ass can't fit through.

INT. PARIS' BACKYARD - NIGHT

Paris leads Lindsay through the real life Barbie dream house. An Olympic-size pool overlooks the beach. Teen queens in low-cut jeans and graphic tank-tops crowd the patio.

They pass by ASHLEE SIMPSON (21, emo for a rich pop star), who fixes the eyeliner on Fall Out Boy's PETE WENTZ (27, every scene kid's crush.)

PARIS HILTON

You know Ashlee, right?

Lindsay nods, tense.

ASHLEE SIMPSON

Paris, we're so hungry.

PETE WENTZ

We have hunger. Can you hear it?

He puts his ear to Ashlee's stomach.

ASHLEE SIMPSON

I want to be hearing Toxic. You said Britney was coming!

PARIS HILTON

*She said she was coming.*

PETE WENTZ

Aren't we all coming and going or going to be coming?

ASHLEE SIMPSON

We're gonna dip.

PETE WENTZ

Heh. Cumming.

PARIS HILTON

Wait one second. It'll be so hot.  
(to Lindsay)  
Tell Kim we want Pizza.

Kim appears practically out of the bushes.

KIM KARDASHIAN

I already called it, Paris. I'm  
always thinking about you, Paris.  
You know, Paris?

Lindsay shifts her weight, uncomfortable. Paris rolls her  
eyes. Suddenly, a gust of wind hits them.

PETE WENTZ

MY BANGS!

A HELICOPTER flies in and airdrops pizza on parachutes. The  
crowd chases the goods like kids after a broken piñata.

Lindsay holds back with Kim.

LINDSAY LOHAN

Hey Kim, what's the deal with Paris  
and Britney?

KIM KARDASHIAN

Paris really needs a BFF and she  
really wants it to be Britney.

LINDSAY LOHAN

It doesn't sound like Britney is  
all that reliable a friend.

KIM KARDASHIAN

You don't have to be when you're a  
superstar.

LINDSAY LOHAN

Isn't Paris one?

KIM KARDASHIAN

Well, Paris is famous.

LINDSAY LOHAN

There's a difference?

KIM KARDASHIAN

Cause Britney's a star, she can  
fuck up without being a fuck-up...I  
guess Paris is like that. Sort of.  
But not really.

LINDSAY LOHAN

What are you talking about?

KIM KARDASHIAN

She's famous because she fucked up.

Jolted by Kim's assessment, Lindsay heads back to Paris.

LINDSAY LOHAN  
Thank you so much for saving me.

Paris taps haphazardly on her Blackberry.

LINDSAY LOHAN (CONT'D)  
I don't know what I'd have done  
without you!

PARIS HILTON  
Shhh...I gotta get a hold of  
Britney.

Paris calls. She's sent to voicemail. She calls again,  
helpless. Desperate. Consumed.

Ignored, Lindsay goes into a silent panic.

LINDSAY LOHAN  
You want me to get you some pizza?

PARIS HILTON  
Do I look like I eat pizza?

Lindsay grabs Paris' phone.

PARIS HILTON (CONT'D)  
Do you have a death wish?

LINDSAY LOHAN  
You aren't going to get Britney's  
attention this way.

Paris snatches back her Blackberry.

PARIS HILTON  
Shut up. You don't know her.

LINDSAY LOHAN  
Of course I know her. I am her. You  
said it yourself.

Paris looks up.

LINDSAY LOHAN (CONT'D)  
I'm a traumatized Disney star cut  
from the same sequin cloth.

PARIS HILTON  
Yeah right.

LINDSAY  
Right? With Disney, you're never  
right.

(MORE)

LINDSAY (CONT'D)  
Mickey Mouse wouldn't let me get a  
cat because I'm "a hamster person!"

PARIS HILTON  
Britney went through that?

LINDSAY LOHAN  
Worse, I'm sure.

PARIS HILTON  
Okay.

LINDSAY LOHAN  
Okay?

PARIS HILTON  
Spill. What do I need to know?

Lindsay glows.

LINDSAY LOHAN  
Brit never chose her clothes  
growing up. The thought of getting  
dressed alone probably gives her  
the runs.

PARIS HILTON  
Do you dress yourself?

LINDSAY LOHAN  
You think I picked this out?

Paris takes in Lindsay's dress. It's so sweet...the last  
thing a horny 17-year-old starlet wants to look like.

PARIS HILTON  
Perfect. I'll get her the best  
stylist in North America!

LINDSAY LOHAN  
What? No. You're Paris Hilton.  
Everyone wants to be styled by you.

Paris likes hearing this.

PARIS HILTON  
You hear that Nicole?

LINDSAY LOHAN  
My god, is she here too?!

PARIS HILTON

No. She's never coming here again.  
Unless she sneaks in with the dogs.  
Think Britney likes dogs?

LINDSAY LOHAN

I dunno. Dogs are a luxury. Like  
vacations. Halloween, Christmas,  
Amusement Parks, camping...that's  
for unemployed kids.

PARIS HILTON

Wait, you've never been camping?

LINDSAY LOHAN

I've been on 9-5 since I was three.

PARIS HILTON

If I'm going to be seen with you,  
you need to be able to act normal.  
(calling out to the pilot)  
Ravi, how much gas is left?

EXT. REDWOOD FOREST - DAWN

In a helicopter, Lindsay and Paris fly through the trees.

INT. CABIN - DAY

Rustic nature views are in every direction. Lindsay sits with  
a live BABY BEAR crawling in her lap.

Paris roasts a marshmallow in the fire place.

LINDSAY LOHAN

Look, you don't need to make up for  
my non-existent childhood.

PARIS HILTON

No, your parents do. What do they  
do, anyway?

LINDSAY LOHAN

Well, my dad's in finance.

CUT TO:

INT. JAIL - NIGHT

Lindsay's dad, MICHAEL LOHAN (40, douchebag) masturbates to a Calvin Klein ad. His CELL MATE peers over.

**Title Card: Michael Lohan, Lindsay's (Alleged) Father**

CELL MATE

Isn't that your daughter?

MICHAEL LOHAN

I'm looking at the other one!

CUT BACK TO:

INT. CABIN - CONTINUOUS

PARIS HILTON

So, are you like your Dad? Break any laws lately?

LINDSAY LOHAN

...Well, not...lately.

PARIS HILTON

I knew you were no Britney. She snorts her coffee because it takes less time than drinking it.

Paris loses interest. She turns on the TV. Lindsay squirms, desperate to keep Paris interested.

LINDSAY LOHAN

Well, actually...I broke into a sound stage once after hours with this producer--

PARIS HILTON

KINKY! What did he look like?

INT. STUDIO - DAY, 2020

Lindsay's eyes are bloodshot.

LINDSAY LOHAN

He wasn't cute but he told me I was and that was enough.

INTERVIEWER

What did you guys do?

LINDSAY LOHAN  
Listen, Vice ranked every famous  
dick I've sucked. This didn't even  
make the list.

INTERVIEWER (O.S.)  
Is that what happened?

LINDSAY LOHAN  
No. I-- I didn't-- It was my first  
time.

INTERVIEWER (O.S.)  
How old were you?

LINDSAY LOHAN  
13.

INTERVIEWER (O.S.)  
How about him?

Lindsay sips her water.

LINDSAY LOHAN  
What am I supposed to say? Some old  
rich guy did something shitty to me  
and it's fucked me up for life?  
Congrats, you've met an actress.

BACK TO THE CABIN:

PARIS HILTON  
That's not funny, Lindsay.

LINDSAY LOHAN  
It's not like it was rape or  
anything.

PARIS HILTON  
That's almost worse.

LINDSAY LOHAN  
What?

PARIS HILTON  
Not worse, but, like, there's no  
word for it-- Sometimes I wish that  
stuff had a gross name like rape.  
That way people would know how  
fucked up it is.

LINDSAY LOHAN  
Paris can we--

PARIS HILTON  
 You know what happens instead?  
 Everyone blames you for "letting  
 some asshole take advantage of you"  
 like you were supposed to fucking  
 know! And then...and *THEN*--

Paris catches her breath. A baby bear swats at Tinkerbell.  
 She growls back. The bear scuttles away.

LINDSAY LOHAN  
 ...I've never seen the sex tape.

PARIS HILTON  
 Quit sucking up.

LINDSAY LOHAN  
 Paris--

PARIS HILTON  
 I don't like liars.

LINDSAY LOHAN  
 I don't lie to my friends.

The air is tender.

PARIS HILTON  
 (wiping her mascara)  
 Well, you also don't make a sex  
 tape for nobody to see, right?

LINDSAY LOHAN  
 I'm nobody.

PARIS HILTON  
 No...You're not nobody anymore. Not  
 with me.  
 (looking at a clock)  
 Shit, we're late!

LINDSAY LOHAN  
 For what?

PARIS HILTON  
 Your bat mitzvah.

INT. SYNAGOGUE - NIGHT

The cast of *Fiddler on the Roof* does an elaborate dance  
 routine at the entrance of the temple. A bald, irritated old  
 man sits at the podium by the Torah.

Paris hands Lindsay a prayer book.

LINDSAY LOHAN  
Is that Larry David?

PARIS HILTON  
Adam Sandler was on set in Hawaii.

LINDSAY  
Paris, I'm not Jewish.

PARIS HILTON  
Aren't you from New York?

The two are lifted onto chairs, encircled by the hora.  
Everyone raises glasses.

CUT TO MONTAGE:

- GLASSES RAISED AS LINDSAY AND PARIS PARTY ACROSS TOWN
- THEY DANCE ON A YACHT
- THEY DRINK ON A PRIVATE PLANE
- THEY CRY IN A CLUB
- THEY VOMIT IN A VIP SECTION, EACH HOLDING EACH OTHER'S HAIR

LINDSAY LOHAN  
(sobbing and puking)  
Paris, you're the best friend I've  
ever had!

INT. PARIS HILTON'S MANSION - NIGHT

Lindsay lays her head in Paris' lap. Tinkerbell sleeps in hers. She's on the phone with Wilmer.

LINDSAY LOHAN  
I'm sorry, Wilmer-- I told you we  
were having a girl's night.

WILMER VALDERRAMA (O.S.)  
Well, I love girls.

Lindsay gets another call from her AGENT. She hesitates.

LINDSAY LOHAN  
Baby, I need you to hang up.

WILMER VALDERRAMA (O.S.)  
Why?

LINDSAY LOHAN  
 Because you told me that it's  
 disrespectful to your manhood when  
 I hang up first.

WILMER VALDERRAMA (O.S.)  
 No, I said that *Ashlee* wouldn't  
 disrespect my manhood by--

Paris grabs the phone, hangs up on him, and answers the call.

PARIS HILTON  
 Have fun at the senior citizen  
 home!

LINDSAY LOHAN  
 Paris!

PARIS HILTON  
 (taking the call)  
 Yeah, she's right here!

Lindsay takes her hot pink razor.

LINDSAY LOHAN  
 Hello?

AGENT (O.S.)  
 Your co-star Meryl Streep's gonna  
 need more enthusiasm.

LINDSAY LOHAN  
 What? WHAT!

AGENT (O.S.)  
 Rob Altman called. You're his Lola!

Looking at *her* phone, Paris SQUEALS.

AGENT (O.S.) (CONT'D)  
 How could he not cast you? You're  
 on the cover of the New York Post  
 every three days. Whatever you do,  
 keep doing it in public and as  
 drunk as possible, you hear me?

The call ends. Lindsay presses the phone to her chest, in  
 bliss. Paris is beaming.

LINDSAY LOHAN  
 Can you believe it?

PARIS HILTON  
 No, I can't.

She holds up HER phone. On it is a text from Britney--  
**Hey bitch. Need help picking a dress 4 Grammys. U down?**

PARIS HILTON (CONT'D)

You, Lindsay Lohan, are a fucking genius. Britney hasn't picked out a dress since she was seven, just like you said.

LINDSAY LOHAN

Oh...that's amazing, Paris. I'm so happy for you.

PARIS HILTON

Me too!

LINDSAY LOHAN

I'll miss you so much when I'm shooting in Atlanta--

PARIS HILTON

OMG, what if we wear matching snakeskin? US Weekly will--

EXT. ATLANTA - NIGHT

Hot, sweaty, ready to snatch off your wig if you try something. Georgia.

INT. LINDSAY'S TRAILER - NIGHT

Lindsay paces in a cowboy hat as Dina sips spiked sweet tea.

DINA

Lemme fix ya a drink to calm down.

LINDSAY LOHAN

Mom, I don't need a drink. I need a break. It's been months since I've seen someone my age and if I have to learn another script I'll--

DINA LOHAN

If ya don't want the part, I'll call Fox.

LINDSAY LOHAN

You're kidding.

DINA LOHAN

Of course not. There's nothing I won't do for ya, Linz.

LINDSAY LOHAN  
OMG, thank you so much mom--

DINA LOHAN  
I've already given up my career,  
not just an ordinary one, but as a  
Radio City Hall Rockette. I've  
neglected my husband and other  
children, who don't even know who I  
am. So, what's another 7 million  
dollars?

LINDSAY LOHAN  
(pleading)  
Mama...I love you.

DINA LOHAN  
I love ya, too. Would I give ya all  
this attention if I didn't?

LINDSAY LOHAN  
...I need some alone time to  
rehearse.

DINA LOHAN  
(calling out)  
TOMMY! Whatever my baby needs, ya  
get.

TOMMY (21, and the only assistant fucked up enough for this  
gig) stands at attention as Dina leaves.

LINDSAY LOHAN  
You really think this will work?

TOMMY  
Bitch, with enough of this, you'll  
memorize scripts that haven't even  
been written yet.

LINDSAY LOHAN

Trust me, this part isn't even written. I've done Disney Channel originals with more mature themes.

She hovers over the cocaine. Could she really?

TOMMY

Paris does it all the time.

Lindsay snorts.

Paris?

PARIS HILTON

This is what you get for trying  
blow without me.

Lindsay laughs hysterically, but her giggles slide into sobs. Paris climbs into the hospital bed.

They eat the ice cream and snort a snowman of cocaine.

INT. PARIS HILTON'S MANSION - DAY

The next morning. Lindsay wakes up with her head inside the empty ice cream tub. She's a mess. Paris is gone.

Paris puts down the pig and grabs Lindsay's shoulders.

PARIS HILTON  
Lindsay, that creep is  
embarrassing.

LINDSAY LOHAN  
Maybe for you. But no one else  
would be seen with me.

PARIS HILTON  
I will. Eventually, maybe Britney  
will too.

Lindsay sniffles, hopeful.

PARIS HILTON (CONT'D)  
 As soon as I get back from my book  
 tour we can--

Lindsay's face drops.

LINDSAY LOHAN  
 That's not enough.

PARIS HILTON  
 What?

LINDSAY LOHAN  
 I need...love. You don't know what  
 it's like to be in a relationship.  
 If you did, you'd understand.

PARIS HILTON  
 I've dated more guys than you.

LINDSAY LOHAN  
 Sure, dated. But you've never had  
 something as serious as Wilmer and  
 I do.

PARIS HILTON  
 At least I can afford underwear.

Lindsay storms off. She then comes back and steals the pig.

PARIS HILTON (CONT'D)  
 Do not get back with him!

INT. PARIS HILTON'S MANSION - NIGHT, 2005

PARIS HILTON

(on the phone)

Thanks, Diego. I don't think you need to slash his tires, but do it just for fun.

I/E. LINDSAY'S CAR/SUNSET BLVD - NIGHT

CU on Lindsay's tires, which move at a glacial speed.

Paparazzi cars blockade her path. Some get out to take photos. She smiles and theatrically HONKS.

It...works.

The car in front of her moves. Just as she's about to drive away, she sees it pull up in front of and block another clearly famous person's car.

Not any famous person. The most famous person.

It's Britney, bitch.

BRITNEY SPEARS

(rolling down her window)

Guys-- guys-- I have to pee like a pregnant horse.

PAPARAZZI RAT

Pee on me, Britney!!

The cameramen swarm like teenage girls to their first push-up bra. Britney glows under camera light.

Entranced, Lindsay lets go of her brake.

BUMP! She smacks her car into the van blocking Britney.

LINDSAY LOHAN

SHIT!

Stunned, the cameramen snap photos of Lindsay again, who basks in the flashing lights.

Britney sprints into Lindsay's passenger seat.

LINDSAY LOHAN (CONT'D)

What about your--

BRITNEY SPEARS

I'll get another one. Just get me to a can!

They speed away.

INT. LINDSAY'S HOUSE - NIGHT

Lindsay paces back and forth. We hear the WHIZZZZZ of a pop princess urinating.

IN THE BATHROOM

Britney sighs with relief.

BRITNEY SPEARS

Thanks for saving my bladder! I can't believe you'd do that for someone you don't even know.

LINDSAY LOHAN

(from outside)

Well...we've all been there, right?

BRITNEY SPEARS

One of these days, those paps are gonna drive me over the edge.

LINDSAY LOHAN

No, never.

CUT TO:

BRITNEY, WITH A SHAVED HEAD, SWINGS HER UMBRELLA AT A REPORTERS' FORD EXPLORER LIKE KING ARTHUR WIELDING EXCALIBUR.

BACK TO:

INT. LINDSAY'S HOUSE - NIGHT

Britney, still on the toilet, wipes.

BRITNEY SPEARS  
I can't hear you. Come here!

Lindsay obeys and stands over the queen on the can.

BRITNEY SPEARS (CONT'D)  
You know that feeling when you hold  
your pee in so long that when you  
finally go, it feels better than  
being fucked?

LINDSAY LOHAN  
Um, well..sure, absolutely!

BRITNEY SPEARS  
I've been doing that A LOT.

LINDSAY LOHAN  
How does K-Fed feel about that?

Britney rolls her eyes.

BRITNEY SPEARS  
He feels weird about having sex  
with the mother of his children.

LINDSAY LOHAN  
That motherfucker.

Britney pulls up her pants.

BRITNEY SPEARS  
I wish. Speaking of motherfuckers,  
I can't believe Wilmer hasn't  
begged for you to come back.

LINDSAY LOHAN  
Why would he do that?

BRITNEY SPEARS  
Like, who paid attention to him  
before you did?

LINDSAY LOHAN  
Mandy Moore, Jennifer Love Hewitt--

BRITNEY SPEARS  
Um, he's a human nipple piercing.  
No one would notice him unless he  
was in some hot girl's tits.

(MORE)

BRITNEY SPEARS (CONT'D)  
 (off Lindsay's look)  
 Kevin and I are different.

LINDSAY LOHAN  
 I get it. You have a baby--

BRITNEY SPEARS  
 Meh. Olga has a baby. It's  
 just...I've done the whole power  
 couple thing. Every time I got  
 something shiny he didn't, he  
 pissed himself and cried. Talk  
 about an a infant.

LINDSAY LOHAN  
 Don't take this the wrong way, but  
 you peed a little on my car seat.

BRITNEY SPEARS  
 So? I'm sure that's not a first for  
 your BMW. I've seen you party.

LINDSAY LOHAN  
 Not up close.

BRITNEY SPEARS  
 OMG! Let's fix that.

INT. CLUB - NIGHT

Britney sips a shot glass out of Lindsay's cleavage. They're  
 so drunk they don't see people filming them on their phones.

BRITNEY SPEARS  
 Where have you been all my life?!?

LINDSAY LOHAN  
 LONG ISLAND, MOSTLY!

INT. STUDIO - DAY, 2020

Now, Lindsay's breasts are faker yet somehow saggier.

LINDSAY LOHAN  
 That's when she asked me to be her  
 date at the Grammys.

She takes a drag of a cigarette.

LINDSAY LOHAN (CONT'D)  
 Cunt.

INT. CLUB - NIGHT

Lindsay and Britney flop in drunken bliss.

But all eyes are on Brit. Everyone's desperate to dance with or at least near her.

Lindsay is acutely aware of this. She drinks. And drinks. And snorts. Until she pathetically grinds against a chair.

Then, a man notices her. Finally.

Flip phones remain up as Lindsay makes out with STAVROS.

INT. NAIL SALON - DAY

The next day. Paris reads a story about *herself and Stavros* in a tabloid while getting a pedicure.

BUZZ. A Text:

**You won't believe who Lindsay was with last night.**

Paris gets a VIDEO MESSAGE.

She slams the phone down and shoves off the manicurist.

She glances back down at her phone, outraged.

ONSCREEN: It's Lindsay & Britney dancing like BFFs.

Paris stands. This is war.

INT. STAVROS' BED - DAY

Lindsay wakes up undressed and next to Stavros. Her eyes make it clear she has no clue how she got there. Stavros reaches for her chest.

STAVROS

I can't believe these are real--

Lindsay jolts away.

LINDSAY LOHAN

Get the fuck off me.

STAVROS

Sorry, the fuck already happened inside you. BOOM, ROASTED!

Trembling, Lindsay shoves him off. Throws on her party dress.

LINDSAY LOHAN  
(peering out the window)  
I don't see any paparazzi.

STAVROS  
You want me to call some?

LINDSAY LOHAN  
You kidding? You're Paris'  
boyfriend!

STAVROS  
She's friends with a lot a boys.

He gets up and kisses her neckline from behind.

LINDSAY LOHAN  
Shit. SHIT! This never happened,  
you hear me?

STAVROS  
What's your problem?

LINDSAY LOHAN  
You! Obviously.

STAVROS  
Well, you're a bitch in morning.

LINDSAY LOHAN  
And you're a mistake.

She hightails out of there.

EXT. SNOOTY STREET - DAY

Lindsay hobbles to the curb, whining into her phone.

LINDSAY LOHAN  
Yeah, okay. I get that you quit.  
But could you just grab me--

The phone cuts off.

LINDSAY LOHAN (CONT'D)  
Dick.  
(dialing)  
Tommy...I need a ride. No. I can't  
call a cab!

INT. THE POLO LOUNGE - DAY

A restaurant with tables reserved just to make sure non-famous people don't sit there.

Tommy (the drug-delivering assistant from before) brushes Tinkerbell while talking on the phone.

TOMMY

I don't work for you anymore,  
Lindsay.

INTERCUT AS NEEDED.

LINDSAY LOHAN

Apparently no one works for me  
anymore. What the hell is going on?

TOMMY

It top secret.  
(beat)  
Paris poached us!

LINDSAY LOHAN

Why?

EXT. THE POLO LOUNGE - DAY

Lindsay, after wobbling there on foot, walks inside. The HOST (40s, beefy but very flamboyant) pulls her back.

HOST

Private event, miss.

LINDSAY LOHAN

You know who I am.

HOST

Raggedy Ann?

LINDSAY LOHAN

In five minutes, TMZ will be dying  
to report that I'm here.

HOST

I think "Lindsay Lohan thrown out  
of The Polo Lounge" is a better  
headline. Honestly, the monkey that  
started the AIDS crisis is  
embarrassed for you.

LINDSAY LOHAN

The fuck's your problem?

HOST

Parent Trap convinced my parents to get back together.

LINDSAY LOHAN

That's great!

HOST

Bitch, I wanted two Christmases!

LINDSAY LOHAN

I'm...sorry? Just let me in. I'm with Paris.

HOST

Password only.

LINDSAY LOHAN

Oh. Tinkerbell, right?

The bouncer considers and then lets Lindsay pass.

INT. THE POLO LOUNGE - DAY

Lindsay shuffles to the Paris' heavily guarded table. Paris spots her and nods. Her bodyguard blockades Lindsay.

LINDSAY LOHAN

Paris, just let me explain.

BODYGUARD

Miss Hilton requests that you leave the premises.

LINDSAY LOHAN

Please.

He stares back at her, dead eyed.

LINDSAY LOHAN (CONT'D)

(whimpering)

Can you just tell her I was blacked out and had no idea it was Stavros?

BODYGUARD

Miss Hilton is not looking for an explanation, she would like you...

(checks notes)

To have a painful cyst seal your freckled ass cheeks together.

Lindsay's face cracks like a plate.

LINDSAY LOHAN

Paris! Please, Britney just invited me to the Grammys and I need you--

Paris sits up straight. She glides over to Lindsay.

PARIS HILTON

I misheard you. What did you say?

LINDSAY LOHAN

I ran into Britney. We really hit it off so now she wants to take me to the Grammys as a fuck you to Kevin. I'm going to put in a good word for you so--

PARIS HILTON

I don't need the praise of a 22-year-old has-been.

LINDSAY LOHAN

I deserve that. You're my best friend and what I did was...I didn't even know I was doing it.

Paris rolls her eyes.

LINDSAY LOHAN (CONT'D)

Stavros found me so wasted--

PARIS HILTON

I always felt bad for you. But my pity is reserved for cute animals. Skunks, not skanks.

LINDSAY LOHAN

I-- I didn't-- fuck you.

PARIS HILTON

Actually, you fucked my boyfriend instead.

She walks off.

LINDSAY LOHAN

Paris, please. You... you said-- I can't be nobody again--

Paris looks back at Lindsay, incensed. The bodyguard drags Lindsay away.

TOMMY

Didn't you dump Stavros because his dick smelled like shakshuka?

PARIS HILTON  
I'm just giving her enough rope to  
hang herself.

EXT. THE POLO LOUNGE - DAY

Lindsay walks to the curb. She holds her stomach. Gags.

INT. HYDE NIGHT CLUB - NIGHT

Paris cozies up next to BRANDON DAVIS (26, has enough oil in his hair to join OPEC, which is ironic because he is the grandson of an oil tycoon.)

She looks up at him through her fake eyelashes. Brandon laughs. Presses a finger to her lips.

INT. YACHT - DAY, 2020

Brandon Davis (now 40 and still wearing Ed Hardy) has an Instagram model on his lap.

**Title: Oil Heir Brandon "Greasy Bear" Davis, Smells Like Pee**

BRANDON DAVIS  
I'm not some misogynist. Lindsay  
Lohan is just a bitch who can't  
take a joke!

EXT. HYDE NIGHT CLUB - NIGHT, 2005

THIS IS REAL FUCKING FOOTAGE. INTERCUT IT AS NEEDED.

A swarm of PAPARAZZI stampede after Brandon. He's sandwiched between Paris and her sister.

Hiding behind her Blackberry, Paris whispers to Brandon and giggles. He takes a drag of his cigarette.

BRANDON DAVIS  
Lindsay Lohan has the stinkiest,  
fucking sweaty, orange vagina  
anyone has ever seen.

Paris doubles over in laughter.

BRANDON DAVIS (CONT'D)  
I haven't seen it. She wants me to  
see it, but it shits out freckles.

A HONK of a laugh escapes from Paris. She skips forward. Hysterically cackles as security guards rush her ahead.

Paris' PR man, ELLIOTT MINTZ (40s, would be a personal injury lawyer if not doing this) hovers ahead.

INT. PR OFFICE - DAY, 2020

The PR goon sits proudly and calmly at his desk.

**Title: Elliott Mintz, Paris' Publicist**

ELLIOT MINTZ

It is unfair to characterize  
Brandon's statements as being  
reflective of Paris' feelings about  
Lindsay.

INTERCUT HIM INTO THIS MESS, TOO.

EXT. HYDE NIGHT CLUB - NIGHT, 2005

We jump cut between insults, excuses, and Paris snickering.

BRANDON DAVIS

Lindsay tastes like my Turkish  
father's ass.

Snickers.

ELLIOT MINTZ

We're dealing with two different  
people.

BRANDON DAVIS

Lindsay Lohan's clitoris is 7-feet  
long!

Snickers.

ELLIOT MINTZ

I'm sure it's nothing personal.

BRANDON DAVIS

I hear she's worth about 7 million,  
which means she's really poor. It's  
disgusting.

Snickers.

ELLIOT MINTZ

It was BRANDON who was speaking.

Snicker.

ELLIOT MINTZ (CONT'D)  
Of course there are moments when  
Paris was laughing, but she never  
said anything.

PAPARAZZI RAT  
Paris, are you and Lindsay still  
friends?

BRANDON DAVIS  
Yeah, really good friends.

Snicker.

PAPARAZZI RAT  
Would you like to say anything  
about Lindsay, Paris?

Brandon leans over and kisses Paris on the cheek.

INT. LINDSAY'S BATHROOM - NIGHT

PARIS HILTON (O.S.)  
I love you, Brandon.

Lindsay wipes her tears as she watches the paparazzi tape.  
She wets her razor and takes it to her crotch.

INT. LINDSAY'S HOUSE - DAY

The next morning. The paparazzi swarm like never before.  
Lindsay peers out of the curtains. She's blinded by flashes.  
Bzzzzzzz. Lindsay picks up her phone.

BRITNEY SPEARS (O.S.)  
I'd love to see you, but I can't  
wait any longer!

LINDSAY LOHAN  
They won't let me leave! Any chance  
you could come here?

I/E. BRITNEY'S CAR - DAY

Britney drives with her baby in her lap. He's dressed like a  
pimp who isn't making a lot of money.

BRITNEY SPEARS

You don't fly in a giraffe to get people out of your petting zoo.

LINDSAY LOHAN (O.S.)

I've had this on my calendar for weeks! Just go to the cafe. I'll find a way to get there.

BRITNEY SPEARS

Fiiiine.

She hangs up. Feeds gummy worms to herself and the baby.

I/E. PARIS' LIMO - DAY

Paris sits next to Tommy, dressed to kill.

PARIS HILTON

Are you sure this is the place?

Tommy examines LINDSAY'S CALENDAR, which is loaded on his bedazzled hot pink razor.

TOMMY

It says so right here in her calendar. Unless this is part of a plot. What if our plot is part of her plot? DRAMA!

Paris gets out of the car to a cafe. She spots Britney waiting for Lindsay, and smirks.

INT. LINDSAY'S BEDROOM - NIGHT

Lindsay needs a shower, badly. It's clear she hasn't left the house in days. She's on the phone.

DINA (V.O.)

Sorry Lindsay, Ali's working on her Christmas album. I just don't have time for ya drama.

LINDSAY LOHAN

Just come by for an hour? Please?

DINA (V.O.)

Call ya Dad. He's got time.

LINDSAY LOHAN

You can't call an inmate. They have to call you!

DINA (V.O.)  
It's like showbiz! Ya can figure it  
out, kiddo.

Lindsay dials Paris. The number is disconnected. Shit.

INT. STUDIO - DAY, 2020

Lindsay continues her confessional.

LINDSAY LOHAN  
I needed to reach Paris somehow.

INT. DA SILVANO RESTAURANT - DAY

Upscale, unlike Lindsay, who sits in front of a ELLE REPORTER (30s, a stylish vulture) in a wife-beater and a microscopic pair of Limited Too denim shorts.

INT. ELLE MAGAZINE OFFICE - DAY, 2020

The Elle Reporter has pictures of the Kardashians plastered all over her desk.

ELLE REPORTER  
Lindsay needed a good manicure and  
an even better therapist.

INT. DA SILVANO RESTURANT - DAY, 2006

Lindsay eats a cucumber. That's it.

ELLE REPORTER  
It seems that when somebody famous  
starts dating someone unknown,  
there's an immediate feeding frenzy  
among young Hollywood girls.

LINDSAY LOHAN  
Um yeah, they're like vultures!

ELLE REPORTER  
Those Greek shipping heirs, for  
example, seem to be popular now. I  
wonder....

LINDSAY LOHAN  
You mean Stavros?

The reporter shrugs. Of course that's who she means.

LINDSAY LOHAN (CONT'D)  
He's not being fought over. I would  
never fight with a girl over a guy.

ELLE REPORTER  
Then why did Paris--

LINDSAY LOHAN  
They say I date all these people,  
that I'm a slut. But I would never  
steal anyone's boyfriend.

ELLE REPORTER  
Can you really deny that men who  
are dating are more appealing than  
available guys? Don't you think....

Lohan glances outside and notices that the paparazzi are  
shoving mammoth lenses on the windows.

LINDSAY LOHAN  
Sorry, they're so distracting.

ELLE REPORTER  
Wanna move to a table in the back?  
They can't photograph you there.

LINDSAY LOHAN  
(adjusting her shirt)  
No...I can handle it.

CUT TO ELLE MAGAZINE OFFICE:

ELLE REPORTER  
She fucking needed it.

BACK TO RESTURANT:

ELLE REPORTER (CONT'D)  
This Brandon Davis video....

LINDSAY LOHAN  
I still have not seen it. I will  
never see it.

She sips her wine.

LINDSAY LOHAN (CONT'D)  
But obviously, Paris' very  
comfortable making videos.

INT. PARIS' PATIO - DAY, 2020

Paris rolls her eyes.

PARIS HILTON

Lindsay wanted me to call up and yell at her.

INTERVIEWER

Did you?

PARIS HILTON

I was too busy getting ready for the Grammys with Britney to care.

She smirks, proud of her answer. We wait a beat too long, and see doubt crawl onto her face.

EXT. SET OF BOBBY (2006) - DAY

Lindsay radiates in her 1960s costume. She's in the middle of a scene. ELIJAH WOOD (25 and not a leading man yet) co-stars but all are eyes on Lindsay, who dazzles.

ELIJAH WOOD

I can't help but think I'm taking something away from you. Something sacred...

LINDSAY LOHAN

Look, I'm okay with this.

(darting to his arms)

I'm okay with it. In my heart and in my head. And you're not talking anything away from me. This is my choice--

DIRECTOR

CUT!

Lindsay drops, deflated.

LINDSAY LOHAN

Is something wrong?

DIRECTOR

Yes. Elijah, you need to keep up.

Lindsay glows.

DIRECTOR (CONT'D)

Linz, you go grab some food. You look like you can use a sandwich.

LINDSAY LOHAN  
Oh, thank you.

DIRECTOR  
No. Thank you.

LINDSAY LOHAN  
(whispering)  
...I can't wait for people to see  
what we're making.

DIRECTOR  
Oh, honey. If you wanted people to  
see you on screen, you shoulda kept  
workin' with talking cars.

Lindsay grimaces and flutters away. She dips into the:

CRAFTY TENT

Lindsay doesn't eat. Instead, she sips a wine too expensive  
for a screenwriter to know off the top of her head.

A PRODUCTION ASSISTANT gives her a phone.

PRODUCTION ASSISTANT  
You have a text, Ms. Lohan.

Lindsay reads.

**This is an automated message from Chase Bank to let you know  
your balance is below your designated \$75.**

The PA holds back laughter. Lindsay downs her drink. She peers  
at the TV. E! News is on.

A picture of Paris and Nicole pops up on the screen. Lindsay  
turns up the volume.

E! NEWS  
While Paris and Nicole feud,  
producers are scrambling to save  
the new season of *The Simple Life*.  
The girls refuse to shoot together.  
Sources close to Hilton say she's  
on the search for a new cast-mate  
who will make her life more simple.

INT. NICOLE RICHIE'S KITCHEN - DAY, 2020

Nicole Richie (now 37 and a mom) packs gluten-free lunches.  
**Title: Nicole Richie, Paris' Former Best Friend**

NICOLE RICHIE

Lindsay and I used to be on this no solid food diet together, so she gave me a call. She asked me to do the show with her instead of Paris.

INT. SPEAKEASY - NIGHT, 2006

Lindsay waits. Chews on ice. In the darkness, she spots a blonde starlet strut to the table.

Nicole--no, prettier-- taller-- PARIS.

Lindsay freezes as Paris sits down.

PARIS HILTON

(ordering)

One Cosmo. She'll have water.

LINDSAY LOHAN

Paris...I--how are you?

PARIS HILTON

Aren't you waiting for someone very important?

Lindsay quivers.

PARIS HILTON (CONT'D)

I have to thank you, Nicole and I haven't spoken in so long. Who knew you'd bring us back together?

LINDSAY LOHAN

What do you want?

PARIS HILTON

I have what I want. This is about what you want.

LINDSAY LOHAN

I was just throwing around an idea.

PARIS HILTON

It's a brilliant one. You, replace me on my show? Genius. The new blood would really amp up the viewers. Plus, you'd have no problem shooting with Nicole.

LINDSAY LOHAN

...I could use a new friend, okay? Nicole could be--

PARIS HILTON

You think Nicole could be anyone's friend? Look what she did to--  
 (collecting herself)  
 Nicole didn't tell me about your little scheme because she likes me. It's because she hates poor bitches like you.

LINDSAY LOHAN

You use that word like you know what it means.  
 (off Paris' look)  
 I can barely pay people to hang out with me anymore.

PARIS HILTON

Who's fault is that? Try showing up to set instead of partying.

LINDSAY LOHAN

You party all the time.

PARIS HILTON

Because it's my job. Apparently yours is stealing people who don't belong to you.

LINDSAY LOHAN

...You're right. What I did with Stavros was so fucked up, but I was FUCKED UP. I don't even remember what happened, I just woke up the next morning and got the hell out. You-- you-- I--

Lindsay whimpers. Paris spritzes her with branded perfume.

PARIS HILTON

Don't do that.

LINDSAY LOHAN

What do you want me to do?

Paris doesn't have an answer.

LINDSAY LOHAN (CONT'D)

Can I at least apologize? I'm sorry. I'm so sorry. I'm everything they write about me. I'm a whore--

PARIS HILTON

I don't need that.

She hands Lindsay a napkin.

PARIS HILTON (CONT'D)  
Stavros is a whore, not you.

LINDSAY LOHAN  
What do you mean?

PARIS HILTON  
I can't stand that idiot.

LINDSAY LOHAN  
But all of this--

She motions between the two of them.

PARIS HILTON  
You're the one who said a boy  
wasn't worth being fought over.

LINDSAY LOHAN  
...Then why are we fighting?

PARIS HILTON  
Come on.  
(off Lindsay's shock)  
You know what Britney means to me.

LINDSAY LOHAN  
What?

PARIS HILTON  
You just swooped in and charmed--

LINDSAY LOHAN  
No, what? As in, are you serious?  
You ruined my life cause I hung out  
with Britney Spears without you?

PARIS HILTON  
You got in close so you could take  
your best shot at me. Like everyone  
else in this fucked up town.

The waiter delivers Paris' Cosmo. She takes a long sip.

PARIS HILTON (CONT'D)  
Too bad you missed.

Lindsay stares in disbelief. Paris pets Tinkerbell.

PARIS HILTON (CONT'D)  
Just so you know, I'm doing Season  
4.

(MORE)

PARIS HILTON (CONT'D)  
Then Britney is taking me to the Grammys. We're better friends than you and I ever were.

Lindsay sneers.

LINDSAY LOHAN  
Because she knows SO much about you.

PARIS HILTON  
And you do?

LINDSAY LOHAN  
Now who's playing dumb?

PARIS HILTON  
This was an arrangement. I got...too generous. Your job was to get me close to Britney. Now I am, just like you promised.

Lindsay stands.

LINDSAY LOHAN  
Promise me something?

PARIS HILTON  
Like what?

LINDSAY LOHAN  
Remember when you told me that the second it hurts when I pee, I need to see a doctor?

PARIS HILTON  
God, you've had so many UTIs.

LINDSAY LOHAN  
Promise me you'll stop hiding what's really wrong until it can't be treated.

INT. FOX STUDIOS - DAY

Paris sits in front of an EXECUTIVE. *The Simple Life's* poster hangs behind him.

EXECUTIVE

(chewing gum)

Okay, so we're thinking that you and Nicole will strap on 35-pound pregnancy suits and then help each other give birth. We have the electric shock and--

PARIS HILTON

I can't.

EXECUTIVE

We could do without the shock.

PARIS HILTON

No, I can't shoot with her.

EXECUTIVE

Whatever check I need to write for you to get over your girl drama--

PARIS HILTON

No.

EXECUTIVE

Paris--

PARIS HILTON

I'm not just a perfume line, okay? I have boundaries!

EXECUTIVE

...Okay.

PARIS HILTON

The mom thing, that's hot. We can rotate being mother figures for the same families. See who's a better housewife.

EXECUTIVE

Wait. That's actually a really good pitch. You're pretty smart when you're emotional.

PARIS HILTON

You're not.

INT. BATHROOM, LINDSAY'S HOUSE - DAY

Lindsay's new assistant JEROME (20s, chubby and not in a cute way) piles box dye on her head. She sits on the toilet.

JEROME

I don't think this is smart. Sure you don't want to go to the salon?

LINDSAY LOHAN

The bleach is seeping in to my brain cells and killing them.

She grabs the bottle and dumps all the dye on her head.

Lindsay washes her hair out. Brown dye splashes down.

Brown-haired Lindsay puts on her robe.

LINDSAY LOHAN (CONT'D)

Jerome, get me my ceviche!

It's oddly quiet.

LINDSAY LOHAN (CONT'D)

JEROME? JEROME!

Lindsay trots downstairs. Jerome throws on his jacket.

LINDSAY LOHAN (CONT'D)

Are we out of ceviche?

JEROME

I can't stay overtime tonight.

LINDSAY LOHAN

But it's Sunday! I need you too--

JEROME

I told you last week, I have my grandpa's funeral.

LINDSAY LOHAN

Do you think he is going to further your career?

JEROME

(opening the door)  
See you tomorrow.

Beat. Terror overcomes Lindsay. She lowers her robe.

LINDSAY LOHAN

You won't see this tomorrow...

JEROME

I think you missed some dye.

He leaves. Lindsay watches him walk down her driveway. A BORED PHOTOGRAPHER ignores Jerome. Plays a game on his phone.

EXT. LINDSAY'S HOUSE - DAY

Lindsay gallops over to the photographer.

LINDSAY LOHAN  
(overdramatic)  
Get off my lawn, pervert, I'm  
practically naked!!

BORED PHOTOGRAPHER  
Oh, yeah.

He snaps a quick photo and returns to his game.

LINDSAY LOHAN  
How dare you! I hope those hundreds  
of dollars are worth my dignity!

BORED PHOTOGRAPHER  
Eh, this will be like \$50 if my  
editor's feeling generous.

LINDSAY LOHAN  
What, you need full frontal to make  
a buck?

BORED PHOTOGRAPHER  
Well, we've already got that so  
unless you have a pee-pee tape--

LINDSAY LOHAN  
Where is everyone?

EXT. PARIS' PATIO - DAY

Paparazzi swarm the deck, which has been transformed to a lush cherry blossom garden. Stuffed animals line carefully curated spreads of gourmet food (that no one will eat.)

Paris grins next to Britney, who waves her baby's hand to the flashing cameras.

BRITNEY SPEARS  
I don't get it. Why have a baby  
shower if you're not having a baby?

PARIS HILTON  
Well, I'm going to have lots of  
other people's babies on the show.  
(MORE)

PARIS HILTON (CONT'D)  
 (off Britney's look)  
 ...it's fun.

BRITNEY SPEARS  
 Seems expensive.

PARIS HILTON  
 That's the point.

Britney's baby sobs. She gives it a bottle. Meanwhile Paris steals Brit's phone and blocks Lindsay's number.

BRITNEY SPEARS  
 I spend my money on fancy cheese.

PARIS HILTON  
 Aren't you lactose intolerant?

BRITNEY SPEARS  
 I'm in an abusive relationship with dairy! It was like totally my whole inspiration for Toxic.

PARIS HILTON  
 I thought it was about drinking or dick or drinking dick...

Britney snatches her baby's bottle.

BRITNEY SPEARS  
 Speaking of, I need some tequila.

Brit suckles on the bottle. Weirdered-out, the heiress shoots the cameras a cringing smile.

INT. BACKSTAGE BRITNEY'S LAS VEGAS SHOW - NIGHT, 2020

Dancers stretch out-of-shape Britney (now 37, went through some bad shock therapy and even worse botox.)

**Title: Britney Spears, Not A Girl - Not Yet A Woman**

BRITNEY SPEARS  
 Paris is like Parisian Paris. You can drink fancy wine there, but you get like tired stepping in dog doodies, you know?

INTERVIEWER  
 And Lindsay?

BRITNEY SPEARS  
 I haven't heard from Linz in ages. Like, I see my kids more than her!

INT. LINDSAY'S HOUSE - NIGHT, 2006

Lindsay snorts coke off a tabloid with a picture of Britney dropping her baby.

Looking at articles of ultra-thin Olsen Twins, Lindsay tosses out all the food in her fridge.

Linz highlights the names of the clubs and bars that Nicole Richie has been seen vomiting in.

Lindsay studies a picture of Ashlee Simpson and Wilmer. She puts on nearly the same slinky dress as Ashlee.

Finally, Lindsay spritzes on some Paris Hilton-brand perfume.

INT. PARIS' TRAILER - NIGHT

Paris sprays on Chanel perfume and goes onto set.

INT. STUDIO - DAY, 2020

Lindsay reminisces.

LINDSAY LOHAN

So what if Paris was ignoring me?  
Everyone else wasn't.

MONTAGE: PARIS ON SET / LINDZ SETTING UP PHOTO-OPS

In each scene, reality cameras trail Paris. Lindsay attracts more paparazzi with each of her escapades.

- Paris straps on a 35-pound pregnancy suit
- Lindsay straps on a push-up bra

CUT TO: HOOTERS

DINA

(eating a wing)  
Why would I worry if Lindsay goes out late? The girl is photographed everywhere she goes! She gets more supervision than most kids.

- Paris learns about the marvels of breastfeeding
- A guy tries to honk Lindsay's breast
- Paris changes a diaper
- Lindsay craps her pants
- Paris takes kids camping, bestowing them with baby bears
- Lindsay falls asleep in someone's backyard

CUT TO: HOOTERS

DINA (CONT'D)

(mouth full)

Ya know that ad, "It's 10 P.M. Do you know where ya children are?" Well, I know where my daughter is!

- Paris mows the lawn in her heels
- Lindsay wakes up on a lawn as paparazzi grab at her shoes.

CUT TO: HOOTERS

Dina chokes a little.

INT. STUDIO - DAY, 2020

Alone, Lindsay is choked up.

LINDSAY LOHAN

The paparazzi loved it.

INTERVIEWER (V.O.)

I don't know if they loved it but it certainly got their attention.

LINDSAY LOHAN

Is there a difference?

INT. PARIS' TRAILER - NIGHT

Paris sits in her trailer, done for the day. She checks her phone. Texts Britney, who hasn't responded to her last text from two days ago.

EXT. LINDSAY'S HOUSE - DAY

A pack of wild photographers wait for Lindsay, who parades in her front yard in a neon bikini.

They furiously squeal her name.

PAPARAZZI RAT

How are you Lindsay?

ANOTHER PAPARAZZI

When are you doing another movie  
Lindsay?

PAPARAZZI RAT

We need to see you on screen!

Self-assured Lindsay prances to a lawn chair. She pulls out a tanning reflector board.

Basking in the sun, she watches the crowd of paparazzi in the reflection like a TV show. She's in bliss.

EXT. NEWSSTAND - DAY

Lindsay browses through the tabloids. Her face graces every one. A swarm of paparazzi capture her every move.

LINDSAY LOHAN

(on the phone)

I swear Ma, they can't ignore me now. No producer would toss up the publicity. I'll need you back in LA as soon as I get cast again...Love you too.

Just above, Lindsay spots Elle Magazine with her on the cover. She grabs it, thrilled.

INT. SLEEK OFFICE - NIGHT

Stavros sits with the magazine open in front of him. He grunts into his Blackberry.

STAVROS

You think I wouldn't find out that you lied, Lohan?

EXT. BATHROOM, CLUB - DAY

Timbaland roars in the background. Lindsay sits on the toilet in a barely-there dress. Someone tries to take a photo of her from under the stall. She kicks it away.

LINDSAY LOHAN

Lied about what?

INTERCUT AS NEEDED.

STAVROS

You told them nothing happened between us. What, am I not good enough for your fuck of the week?

LINDSAY LOHAN

This isn't about you, Stavros.

STAVROS

It's about my name in this town! I told everyone I banged Firecrotch. Now I'm a poser.

LINDSAY LOHAN

You have the same name as every man in your family.

STAVROS

You screamed out all of our names when I fucked your brains out.

LINDSAY LOHAN

Well, you must have fucked my brains out of my head, because I can't even remember any of it.

STAVROS

This jog your memory?

BEEP. A text. Lindsay opens it. It's a video.

ONSCREEN: Lindsay lays sprawled across the bed, her dress pulled up. She slips in and out of consciousness as Stavros (who records) pulls her breasts out and flicks her nipples.

Wherever this is going, it's going to get worse.

Lindsay slams her phone shut. She straightens, composed.

It's okay. She's okay. It's going to be--

Lindsay vomits, barely making the toilet.

RING! She declines the call. BLOOP.

**1 new voicemail.**

INT. STUDIO - DAY, 2020

Lindsay smokes a cigarette. She's distracted.

INTERVIEWER

Why didn't you go to the police?

LINDSAY LOHAN  
It wasn't a crime.

INTERVIEWER  
How about your mom?

LINDSAY LOHAN  
She told me there's a lot of money  
in porn.

INTERVIEWER  
There had to be someone--

EXT. PARIS HILTON'S MANSION - DAY, 2006

It's 5am. Lindsay huddles by the doorway in her backless dress from the night before.

INSERT ARCHIVAL FOOTAGE OF THIS HAPPENING.

Paparazzi snap photos as Lindsay grabs the knob.

PAPARAZZI RAT  
We tried, it's locked!

Lindsay bangs on the bell haphazardly. She then retreats into the shrubs. Underneath the leaves, Lindsay blinks out tears.

INT. PARIS' BEDROOM - DAY

Paris peers down at Lindsay from her Rapunzel-worthy view.

PARIS HILTON (V.O.)  
Lindsay was a total mess.

A BUTLER walks up to her.

BUTLER  
Shall I send her off?

Paris locks her eyes with Lindsay.

The former-redhead looks like a stray dog - mangy, tangled, and desperate...and slightly cute.

Paris' eyes soften.

PARIS HILTON (V.O.)  
But she was a mess I made.

INT. PARIS' PATIO - DAY, 2020

Paris clings onto one of her dogs.

PARIS HILTON

Guess that's why I kept trying to clean her up.

EXT. PARIS HILTON'S MANSION - DAY, 2006

Lindsay gets ready to leave when-- CREAK.

A stone-faced bodyguard opens the door. Lindsay wobbles in.

INT. PARIS HILTON'S MANSION - DAY

Tinkerbelle licks Lindsay's face as Paris plays the voicemail.

STAVROS (VOICEMAIL)

...Everyone will know I fucked Lindsay Lohan just like every other guy in this town. I'm not special!

Paris is genuinely disgusted.

LINDSAY LOHAN

They're going to think I wanted it.

PARIS HILTON

Do you?

LINDSAY LOHAN

What? You saw it, I couldn't even--

PARIS HILTON

No, the tape. Do you want it out?

LINDSAY LOHAN

How could you even ask that?

PARIS HILTON

Lindsay--

LINDSAY LOHAN

The girl in that tape isn't someone's wife. She isn't a movie star. She's alone. My dad already told TMZ he thinks I'm a slut--

PARIS HILTON

Lindsay, you won't be alone.

Paris stretches out her hand. Lindsay takes it.

PARIS HILTON (CONT'D)  
 If it comes out people will follow  
 you everywhere you go, care about  
 everything you do--

Lindsay's eyes light up.

Kim eavesdrops from the shadows of the doorway. Her pupils  
 sparkle even brighter.

PARIS HILTON (CONT'D)  
 People will want to know what  
 you'll do next.

LINDSAY LOHAN  
 You really think so?

PARIS HILTON  
 I know so. You don't need a hit at  
 the box office for your sex tape to  
 be one.

Lindsay's face cracks like a plate at the word sex.

LINDSAY LOHAN  
 But...that wasn't...  
 (whispering)  
 It wasn't sex...it wasn't--

Her voice cracks. Paris takes her into her arms.

PARIS HILTON  
 ...I'm sorry.

LINDSAY LOHAN  
 Me too. But there's nothing I can  
 do. I'm just screwed, right?

PARIS HILTON  
 I sued.

LINDSAY LOHAN  
 Did it work?

PARIS HILTON  
 I got some of the tape's sales.

LINDSAY LOHAN  
 So they'll pay me for my work like  
 I'm a cheap whore.

Paris stands.

PARIS HILTON

Well, if you don't want to be a cheap whore like me, stop copying my clothes, stealing my friends then showing up at 5 AM begging for my help--

Lindsay also stands.

LINDSAY LOHAN

That's not what--

PARIS HILTON

So you know, I'm an expensive whore. My dog's house has marble countertops!

LINDSAY LOHAN

I know. I know. Please. I-- I don't have anyone, Paris.

PARIS HILTON

Will you shut up? I let you in, didn't I? I let paparazzi see I let you in.

LINDSAY LOHAN

Why?

PARIS HILTON

Because I'm a good friend.

Lindsay blinks.

LINDSAY LOHAN

...Would you let them see me here after the tape comes out?

PARIS HILTON

The tape's not gonna come out.

LINDSAY LOHAN

OMG, Paris. Thank you. I knew it. I knew you could stop it. You think he'll ask for a huge bribe?

Paris takes Tinkerbell back, uncomfortable.

PARIS HILTON

Stavros doesn't need a bribe.

LINDSAY LOHAN

Well, no one needs a bribe.

PARIS HILTON  
Lindsay, he has more money than I  
do...For now, at least.

LINDSAY LOHAN  
Are you serious? Now is all that  
matters.

Kim Kardashian barges in.

KIM KARDASHIAN  
Paris...the Tease Fragrance launch  
is in like four hours. The makeup  
artist is on site--

PARIS HILTON  
I have to go.

LINDSAY LOHAN  
You can be late. It's your perfume.

PARIS HILTON  
That's exactly why I can't be late.

LINDSAY LOHAN  
So you're going to leave me?

PARIS HILTON  
I'm going to leave.

LINDSAY LOHAN  
What if he posts it while you're  
gone?

PARIS HILTON  
Stavros is going to sleep until  
1pm. You should get some too.

LINDSAY LOHAN  
How? Everyone thinks I'm a  
friendless skank and I'm about to  
prove them right.

PARIS HILTON  
That's not true.

LINDSAY LOHAN  
You told everyone so!

Silence. Uncomfortable, Paris grabs her purse.

LINDSAY LOHAN (CONT'D)  
 I'm such an idiot. You're not a  
 good friend. There are no good  
 friends. Just friends and enemies.

Lindsay pulls up her falling neckline, frazzled.

LINDSAY LOHAN (CONT'D)  
 You're not going to help me. The  
 only reason you'd help anyone is if  
 they can help you. And this tape--  
 it helps you and Brandon...

Paris takes a long, irritated exhale.

PARIS HILTON  
 Get over it, Lindsay.

A vindictive laugh bursts out of Lindsay.

LINDSAY LOHAN  
 Maybe you can live a life with no  
 one who really cares about you, but  
 I can't.

Paris rings a bell. The butler enters to escort Lindsay out.

PARIS HILTON  
 Oh, Lindsay...you already do.

EXT. PARIS HILTON'S MANSION - DAY

Lindsay stumbles outside. Cameras shutter.

INSERT ARCHIVAL FOOTAGE OF THIS.

She reaches into a trash bin. Presses a dirty pizza box to  
 her face. Uses it as cardboard shield.

Paparazzi trot after her.

BITCHY PAPARAZZI  
 You're looking so pretty tonight,  
 come on!

LINDSAY LOHAN  
 IT'S FUCKING DAYTIME!

PAPARAZZI RAT  
 The sun is good for ya face!

ANOTHER PAPARAZZI  
 Just a couple of shots, baby!

The photographers circle Lindsay.

FLASHES bombard her.

She scrambles to her car. Tosses the box. Pizza oozes out.

FLASH. FLASH. FLASH.

Exposed, Lindsay jams her keys into an SUV. Her hands shake.

BITCHY PAPARAZZI  
Are you okay to drive Lindsay?

ANOTHER PAPARAZZI  
You should stay here with us.

Lindsay opens the door. He keeps recording.

FLASH. FLASH. FLASH.

BITCHY PAPARAZZI  
We'll take care of you.

PAPARAZZI RAT  
Shhhh. Let her drive. THE SHOTS!

FLASH. FLASH. FLASH.

Lindsay grabs an energy drink and hurls it at the camera men.

She slams the door. Roars her engine.

They crowd in front of her car.

BITCHY PAPARAZZI  
Be careful, Lindsay!

She speeds away.

INT. MIDDLE AMERICA MALL - DAY

Paris Hilton grins at the helm of a massive mob. At her pixie pink station, she gives chubby teens her autograph.

Tommy presses Tinkerbell's paw into ink so they can get the Chihuahua's autograph too.

A SUPER FAN (15, juicy sweatsuit) trots up to the counter.

PARIS HILTON  
What's your name?

SUPER FAN

Annabelle. But I want people to call me Venice. Like the city. Like you. Because you're like the city.

PARIS HILTON

That's hot.

The fan squeals. Paris signs a perfume box.

SUPER FAN

Omigod, Paris, I loveyousomuch!!!

PARIS HILTON

Aw, I love you too!

The fan cackles.

SUPER FAN

No you don't.

PARIS HILTON

I just said I did!

SUPER FAN

You don't have to fake it with me. I get it.

PARIS HILTON

Get what?

SUPER FAN

That you're a bad bitch. And bad bitches can't waste their time on poor hoes.

She snatches Paris' perfume and spritzes it on herself.

PARIS HILTON

I don't think your parents would appreciate that kind of language, Annabelle.

SUPER FAN

It's Venice. And if my parents cared about my language, they wouldn't be me buying a perfume called Tease.

PARIS HILTON

Oh, well...I...

SUPER FAN

It's no biggie. One day I'll be as rich as you and I won't have to care about them or anyone else.

The fan moves ahead in the line. PISSED, Paris follows her.

PARIS HILTON

You know, if you don't care about anyone, they don't have to care about you either.

The Super fan stares back at Paris, defiant. Paris takes in her own words.

Paris grabs Tinkerbell from Tommy.

PARIS HILTON (CONT'D)

I'm going to make a call.

TOMMY

There are a gazillion people here!

PARIS HILTON

They can wait. This can't.

She pulls away, dialing a number in her phone...

I/E. LINDSAY'S CAR - DAY

RING. Lindsay drinks boxed wine in her parked car. Her neighbors pass by and shoot her judgmental looks.

LINDSAY LOHAN

(calling out)

I'm not drinking and driving. I'm drinking and parking, okay?

RING! RING!

Lindsay sloppily answers her phone.

LINDSAY LOHAN (CONT'D)

WHAT, SLUT?

KIM KARDASHIAN

OMG, Lindsay?

LINDSAY LOHAN

Who is this?

INT. KIM'S BEDROOM - DAY

Kim, in her underwear, tests out her angles with a camcorder. She's in preproduction for her sex tape.

KIM KARDASHIAN  
It's Kimberly.

INTERCUT AS NEEDED.

LINDSAY LOHAN  
Who?

KIM KARDASHIAN  
Paris' friend.

LINDSAY LOHAN  
I'm sorry...

KIM KARDASHIAN  
I'm her stylist.

LINDSAY LOHAN  
How did you get this number? Paris  
only hires gays.

Kim poses in the mirror, scrunching up her cleavage. Sighs.

KIM KARDASHIAN  
I clean -- *organize* -- her closet.

LINDSAY LOHAN  
Oh! You're--

KIM KARDASHIAN  
Kim Kardashian.

LINDSAY LOHAN  
Kim...

KIM KARDASHIAN  
I'm calling because there's  
something else you might not know.

INT. PRIVATE JET - IN THE SKY - DAY

Paris hands Stavros champagne.

STAVROS  
I would have sent you the tape  
directly if I knew it would make  
you so jealous.

PARIS HILTON  
You know I don't like to share.

STAVROS  
Then why'd you stop answering my  
calls?

Paris leans over him, her breath on his neck.

PARIS HILTON  
(seductive)  
It was a break, not a break up.

STAVROS  
Oh?

PARIS HILTON  
I'm thinking about buying a  
tropical island and I need you to  
help me decide which beach looks  
the best with my eyes.

STAVROS  
Sounds a little lonely.

PARIS HILTON  
We can keep each other company.

She sits in his lap. Stavros wraps his arm around her. Gropes  
up and down her torso.

Paris gyrates on him as he grunts.

She carefully grinds on Stavros, clearly trying to GET HIS  
PHONE OUT OF HIS POCKET.

Just as she grabs for it he shoves her off.

STAVROS  
What are you doing?

Paris stands up straight. Sigh.

PARIS HILTON  
Um, I just need your phone for a  
sec.

STAVROS  
Chill. You never sent me any nudes.  
(off her telling look)  
Unless you're looking for someone  
else's nudes.

He sips his champagne. Paris sips hers.

STAVROS (CONT'D)  
Why do you want Firecrotch's tape?

PARIS HILTON  
Do you really care?

STAVROS  
Don't you two hate each other?

PARIS HILTON  
Yes. Of course-- I just don't want  
anyone to go through what I  
did...not even a skank like her.  
Gimme the phone.

STAVROS  
No.

PARIS HILTON  
Are you serious?

STAVROS  
It's mine.

PARIS HILTON  
Yeah, makes total sense.

Paris lunges at him. He pulls the phone out of her reach.

PARIS HILTON (CONT'D)  
Are you seriously not going to give  
it to me?

STAVROS  
What am I getting in return?

Paris rolls her eyes. She unzips her Juicy sweatsuit.

STAVROS (CONT'D)  
Ugh, no. Been there, done that.

PARIS HILTON  
If you don't want to fuck me, why  
are you even here?

He smirks.

STAVROS  
I want the world to think I fucked  
you.

INT. PARIS' PATIO - DAY, 2020

Paris sits in front of camera.

PARIS HILTON  
The nicest thing I ever did for  
Lohan was make her hate me.

I/E. LINDSAY'S CAR - NIGHT

Lindsay and Kim rip through a tabloid prominently featuring  
snapshots of Paris and Stavros canoodling in a club.

Headline: **Paris and Stavros Get Hot In Miami Beach**

KIM KARDASHIAN  
Now do you believe me?

Lindsay grabs the tabloid. Crumples it. Screams.

KIM KARDASHIAN (CONT'D)  
Lindsay--

LINDSAY LOHAN  
AHHHHHH!

KIM KARDASHIAN  
Lindsay, you need to stop--PLEASE--

Lindsay's eyes water over. She bangs her head on the  
dashboard, furious. Kim watches in horror. Then irritation.

She grabs Lindsay and straightens her up.

KIM KARDASHIAN (CONT'D)  
Stop it!

Lindsay wrestles her. They jerk around, until SLAP! Lindsay  
stops. Kim slaps her again.

KIM KARDASHIAN (CONT'D)  
Listen you crazy bitch, get your  
shit together. Britney Spears does  
not hang out with maniacs.

FLASH TO BRITNEY LAUGHING MANIACALLY WHILE SHAVING HER HEAD.

LINDSAY LOHAN  
You don't know what I'm going  
through.

KIM KARDASHIAN  
OJ Simpson is my fucking godfather.  
Try me.

Lindsay pauses. Kim has a point.

KIM KARDASHIAN (CONT'D)  
Listen, all we have to do is walk  
into Britney's hotel, get a few  
photos coming in and out, and  
everyone will think she's hanging  
out with us.

LINDSAY LOHAN  
Even Paris?

KIM KARDASHIAN  
Most importantly Paris. She's never  
going to take you seriously if you  
don't even try to get back at her.

Lindsay nods. Kim hands her a tissue.

KIM KARDASHIAN (CONT'D)  
So hurry up, fix your mascara.  
Unless you want them to misidentify  
you as a raccoon or Avril Lavigne.

LINDSAY LOHAN  
We have to go now?

KIM KARDASHIAN  
It's 7. We want them to think she  
had us for dinner, not drinks.  
Drinks are for BFs. Dinner is for  
BFFLs.

Lindsay nods. Kim grins.

KIM KARDASHIAN (CONT'D)  
You and I can be Brit's BFFLs!

LINDSAY LOHAN  
You really think so?

KIM KARDASHIAN  
You totally got this.

LINDSAY LOHAN  
Could you...hit me again?

KIM KARDASHIAN  
What?

LINDSAY LOHAN  
I don't know. It centered me.

Kim gets out of the car.

EXT. LOBBY, ROOSEVELT HOTEL - NIGHT

Camera lights strobe. Cheering fans hold up Britney Spears regalia. Lindsay and Kim strut through paparazzi.

Kim works it. Lindsay does too.

INT. LOBBY, ROOSEVELT HOTEL - CONTINUOUS

Everyone is classy and elegant and relevant. Lindsay and Kim don't fit in at all.

LINDSAY LOHAN  
What floor is Britney on?

KIM KARDASHIAN  
Who cares?

IN A PHONE BOOTH

It's secluded. Lindsay and Kim camp out.

LINDSAY LOHAN  
I'm tired.

KIM KARDASHIAN  
Fine, go back out. They'll think Britney Spears got bored of you and she's alone with me eating tiramisu.

LINDSAY LOHAN  
You're being ridiculous.

KIM KARDASHIAN  
You're right. Brit doesn't eat things she can't pronounce.

LINDSAY LOHAN  
Do you even like Britney?

KIM KARDASHIAN  
I like being seen with her.

LINDSAY LOHAN  
You're diabolical.

KIM KARDASHIAN  
I'm a businesswoman.

INT. PARIS' PATIO - DAY, 2020

Paris reapplies a Kim Kardashian brand lipstick.

PARIS HILTON  
I don't have regrets, but saying  
Kim's ass looks like cottage cheese  
stuffed in a trash bag...was a bad  
business decision.

I/E. LOBBY, ROOSEVELT HOTEL - NIGHT, 2006

Lindsay looks at Kim, disgusted. This...*she* is not who she  
wants to be.

LINDSAY LOHAN  
You know what? I'm not a  
businesswoman. Hell, I'm not even a  
celebrity.

KIM KARDASHIAN  
What are you then?

LINDSAY LOHAN  
A star.

Lindsay rushes out of the phone booth, leaving Kim behind.

She skids to THE ELEVATOR. Slams the penthouse button.

INT. PENTHOUSE, ROOSEVELT HOTEL - NIGHT

Lindsay charges out of the elevator to the entrance of the  
presidential suite. Just as she's about to knock on the door,  
Britney, in a ratty bra and basketball shorts, opens it.

LINDSAY LOHAN  
BRITNEY!

She bear hugs the pop star.

BRITNEY SPEARS  
You're not Popeye's.

Lindsay follows Britney in. This is the nicest hotel room  
she's ever seen. RIIIIING! Britney answers her cell.

BRITNEY SPEARS (CONT'D)  
 How'd it go? --Uh-huh. I don't care  
 what it takes, Meredith, I'm not  
 splitting the kids.

She puts her hand on the phone and turns to Lindsay--

BRITNEY SPEARS (CONT'D)  
 Get comfortable.  
 (in terrible Spanish)  
 Mi caca es tu caca.

Lindsay pours herself vodka. Peers out the window. A mob of  
 photographers hold up telephoto lenses like telescopes. She  
 does a sexy pout.

BRITNEY SPEARS (CONT'D)  
 This is my first divorce and we're  
 going to do it right!

Britney hangs up. Lindsay remains entranced by the crowd.

BRITNEY SPEARS (CONT'D)  
 Hun, can you close the blinds?

LINDSAY LOHAN  
 Come on, they love you, Britney!

BRITNEY SPEARS  
 That's what you call chasing me  
 into Rite-aid?

Britney shuts the blinds herself.

LINDSAY LOHAN  
 Seriously, how many hours did they  
 camp out to take your picture?

Britney rolls her eyes. Grabs a tabloid from a coffee table.

BRITNEY SPEARS  
 For a rag that says I dip flamin'  
 hot Cheetos in dog food?

LINDSAY LOHAN  
 Haha, real good one.

Linz grabs it. Reads through.

BRITNEY SPEARS  
 First of all, it was *cat* food and  
 it was only one time!

LINDSAY LOHAN  
Wait...you're not kidding?

BRITNEY SPEARS  
You only read when they trash you?

LINDSAY LOHAN  
They're trashing me?

BRITNEY SPEARS  
STAR said that you slept with a  
bouncer for a bag of Tostitos...Do  
these guys have a deal with Frito-  
Lay or something?

Lindsay flips through the magazine. The BOUNCER FROM EARLIER  
(who was mad that THE PARENT TRAP got his parents back  
together) grins with his thumbs up.

LINDSAY LOHAN  
I'm so confused.

BRITNEY SPEARS  
Oh sweet pea...you can't read, can  
you? I have trouble since my Disney  
tutor replaced English with exotic  
animal jazz--

LINDSAY LOHAN  
No, I can read!

BRITNEY SPEARS  
You don't have to lie. Like I said,  
mi caca es--

LINDSAY LOHAN  
I am fully literate, Britney! I  
just-- I only bother to see if I  
look hot in the photos.

BRITNEY SPEARS  
While they destroy your life?

LINDSAY LOHAN  
Don't be melodramatic.

BRITNEY SPEARS  
Aw, honeycakes, you'll read the  
damn article after CPS uses it to  
try to take your kids away.

LINDSAY LOHAN  
Maybe they're just worried. Didn't  
you almost drop Jayden?

BRITNEY SPEARS

I didn't want my almond latte to spill, sue me.

LINDSAY LOHAN

That's not exactly great parenting...

BRITNEY SPEARS

It's great Mississippi parenting. I'm country. We drop our kids. Bush got dropped plenty and now he's President!

LINDSAY LOHAN

Britney, they're just looking out for you and their safety--

BRITNEY SPEARS

Just cause Dina sold your baby teeth on E-bay doesn't mean that I--

LINDSAY LOHAN

I wasn't saying--

BRITNEY SPEARS

You just want to think I'm just as shitty as your parents so you feel less fucked up. Everyone does.

LINDSAY LOHAN

Please stop making this about me?

BRITNEY SPEARS

Sorry, Lindsay. I'm just starving. I miss my boys. I just don't have it in me today to be America's goddamn sweetheart!

LINDSAY LOHAN

You can be real with me, Britney! Let's be real! I can tell you about my problems and--

Britney laughs, pulls on a t-shirt, and grabs her purse.

BRITNEY SPEARS

What problems?

Now Lindsay laughs, in disbelief.

BRITNEY SPEARS (CONT'D)  
 Girl, I'd kill a Backstreet Boy to  
 go back to the days when I could  
 just go out the back alley without  
 being tailed by TMZ.

LINDSAY LOHAN  
 Paparazzi follow me too.

BRITNEY SPEARS  
 Because you want them to.

Britney puts on her sunglasses.

BRITNEY SPEARS (CONT'D)  
 I just want to get my Popeyes  
 delivered while I watch the OC.  
 Have a fucking family, maybe? Keep  
 the one I have?

LINDSAY LOHAN  
 Where are you going?

BRITNEY SPEARS  
 My butterfly shrimp's gotta be  
 somewhere down there.

Britney leaves.

INT. STAIRWELL - NIGHT

The back stairwell - secluded and empty. A window reveals the  
 crowd waiting in the front of the hotel.

Defeated, Lindsay walks down to the back alley. Then, she  
 passes the window. Stops. Takes a longing look.

The mob ripples.

Britney breaks into it. A WHIRLPOOL OF CHAOS ERUPTS.

From Lindsay's view, it's violent. A tsunami collapsing  
 inside itself, screeching--

CU: hundreds of HANDS reach for Britney, exposed by flashes.

They blow kisses.  
 Grab her hair.  
 Rip at her shirt.  
 Steal her sunglasses.  
 Prop up adoring signs.

The war zone flashes in Lindsay's pupils. Then jealousy.

Lindsay sprints back up the staircase.

INT. LOBBY, ROOSEVELT HOTEL - NIGHT

Lindsay darts out of the elevator. Her eyes go straight to the crowd waiting outside, which Britney just escaped.

She races into the mob.

EXT. ROOSEVELT HOTEL - NIGHT, 2006

As soon as they spot Lindsay, the paparazzi loses it.

PAPARAZZI RAT

Lindsay! How are you Lindsay?

ANOTHER PAPARAZZI

How's Britney?

BITCHY PAPARAZZI

You look beautiful, Lindsay.

Lindsay shoots a smile at the cameras.

PAPARAZZI RAT

What about Paris?

ANOTHER PAPARAZZI

Partying with Paris tonight?

LINDSAY LOHAN

Paris is a cunt.

The second the words leave her mouth, the mob metasizes. Invigorated, Lindsay slides in the car.

For the first time in this movie, she feels powerful.

We rewatch the 1st scene of this film through Lindsay's eyes.

Her words are a blur. Their faces, a blur. The car, the noise...are background music.

But the hands -- they're clear, vivid, vibrant-- reaching out. They're reaching for her.

I/E. PARIS' MANSION - DAY

Paris grabs a shoe box from a shelf and lays it on a stack that Kim struggles to balance.

PARIS HILTON

You got the coffee suede and the black patent?

KIM KARDASHIAN

It's like Lindsay knew you had a shoe launch coming up, Paris. Or someone--no some *genius* knew to manufacture drama to help you promote it.

PARIS HILTON

Your voice is like really grating when you talk in complete sentences.

Paris trots to the paparazzi outside.

Bitter, Kim lugs the shoes.

PAPARAZZI RAT

Paris, why did Lindsay call you a cunt?

ANOTHER PAPARAZZI

Are you a cunt?

BITCHY PAPARAZZI

How are you feeling?

PARIS HILTON

Well, I feel totally amazing.

Kim starts handing out shoes.

PARIS HILTON (CONT'D)

I'm wearing my new Joy Black Leather ballet flats and I feel like I could stand up to anything!

A paparazzi inspects the shoes. They look pretty damn nice.

BITCHY PAPARAZZI

What about Lindsay? You gonna stand up to her?

PARIS HILTON

I know you all have been out here for a long time, so I just wanted to make sure you had the absolute best shoes...

A little star struck, people start putting them on.

PARIS HILTON (CONT'D)  
 ...which will be available this  
 Thursday at Macy's!

FLASH. FLASH. FLASH. FLASH.

Paris poses with her shoes and struts back inside. Kim bats her eyelashes then follows Paris back into the house.

The men take a second look at Kim's ass. DAMN.

PAPARAZZI RAT  
 She should get that insured.

CUT TO:

A BANKER HOLDS UP AN INSURANCE DOCUMENT.

BANKER  
 Kris Jenner ensured Kim's backside for \$21 million. That's double the amount of followers Paris has on Instagram.

INT. LINDSAY'S HOUSE - NIGHT

Lindsay waves at the paparazzi outside and slowly closes her door. She snorts coke out of her locket.

DINA  
 Ya gonna share?

Lindsay finds Dina, drinking in a chair.

LINDSAY LOHAN  
 Mom?

DINA  
 Dahling!

Dina gives her a bear hug. Lindsay doesn't embrace her back.

LINDSAY LOHAN  
 What are you doing here?

DINA  
 What are you talking about? I'm ya manager!

LINDSAY LOHAN  
 I don't have anything to manage.

DINA  
Lindsay, ya gotta release the tape.

LINDSAY LOHAN  
WHAT?

DINA  
I wasn't finished. Ya gotta release  
the tape first. Get ahead of it.  
Own it.

LINDSAY LOHAN  
Own what?

DINA  
That you're a sex symbol!

Dina sits down, self-satisfied.

LINDSAY LOHAN  
Mom--

DINA  
It's my fault. I listened to Disney  
and tried to keep ya girls too  
young too long. You're a beautiful,  
grown 19-year-old woman and--

LINDSAY LOHAN  
What about Ali's Christmas album?

DINA  
Producers don't think Lohan is a  
wholesome name for the Christian  
demo. Like those Jews know  
anything. But honey, I've been  
talking to Playboy and--

Dina trails on. She doesn't notice that Lindsay is quivering.

LINDSAY LOHAN  
What do you want, Mom?

DINA  
Well...if ya gotta be so direct...I  
think 30 percent. I know it's a  
little bigger than standard yet--

LINDSAY LOHAN  
I need you to leave.

DINA  
What, ya don't want my help?

LINDSAY LOHAN

Can you just go? I have things to do and I need to be alone so--

DINA

Lindsay, why are ya pushing me away?

LINDSAY LOHAN

Because I fucking hate you!

DINA

That's not how ya talk to your mother.

LINDSAY LOHAN

You're not my mother.

DINA

You're high.

Lindsay paces, rabid.

LINDSAY LOHAN

You're NOT MY MOTHER! You're just my-- my manager. And you're-- you're fired.

DINA

I flew across the country to clean up ya mess, and this is how ya repay me?

LINDSAY LOHAN

I've already paid you. I've been paying you since I was three.

DINA

That's some big talk coming from the girl who managed to throw away the career I built for her.

Lindsay grabs Dina's cigarette and puts it out.

LINDSAY LOHAN

Get up.

DINA

Where did my beautiful, talented girl go?

LINDSAY LOHAN

Get up.

DINA  
Have ya seen my little Lindsay?

LINDSAY LOHAN  
GET UP!

Lindsay pulls Dina to her feet.

DINA  
I tried to come by her house but  
all I see is this lonely, ugly  
tramp--

Lindsay shoves Dina, who stumbles on a beer bottle and  
crashes into the glass coffee table. It shatters around her.

Lindsay lunges onto the ground to help Dina.

LINDSAY  
Ma! Mama--

Dina stirs.

LINDSAY LOHAN  
Mommy, I'm so sorry Mommy, I just--

Dina SLAPS Lindsay.

DINA  
Ya wanna be a whore? Fine. I'll  
treat you like a pimp!

INT. STUDIO - DAY, 2020

Lindsay shoots the camera a plastered on smile.

LINDSAY LOHAN  
I'm glad I'm so close to my mom.  
She's the only person I really can  
be myself in front of.

INT. PARIS' PATIO - DAY, 2020

PARIS HILTON  
The thing is...I was the closest  
thing Lindsay had to a mom. And her  
mom was like the closest thing she  
had to a friend. And we both  
fucking hated her.

INTERVIEWER

You think her wires got crossed?  
That she lashed out at you when her  
mom--

PARIS HILTON

It doesn't matter what I think.  
Lindsay Lohan is a pathological  
liar. And she was making me rich.

INT. CORPORATE OFFICES - DAY

Paris beams in front of the suits behind her empire.

They watch the sales number projected on screen.

The shoes are flying off the shelves and the **Dollars Sold** are  
well into the millions.

The crowd cheers as **SOLD OUT** overtakes the screen.

Paris holds up a glass.

PARIS HILTON

To Lindsay Lohan!

CORPORATE STAFF

TO LINDSAY!

EXT. GARAGE, SECOND RATE CLUB - NIGHT

Lindsay wanders on foot past cars. Cameramen call out to her.

INSERT REAL FOOTAGE OF THIS HAPPENING.

PAPARAZZI RAT

Lindsay, can I just get one  
picture? Please?

Lindsay stares into the faceless flashes. She paces towards  
them like a moth to light.

LINDSAY LOHAN

JUST VIDEO!

She weaves through incoming cars.

LINDSAY LOHAN (CONT'D)

VIDEO!

Lindsay holds up her elbow, too close to the camera.

LINDSAY LOHAN (CONT'D)  
 This is a video that Paris Hilton--  
 and I'm saying this on tape. She  
 hit me last night, for no reason  
 apparently at my friends house and  
 I didn't know she would be there--

BITCHY PAPARAZZI  
 Are you upset? How do you feel--

LINDSAY LOHAN  
 And she hit me. She hit me with a  
 drink and poured it all over me and  
 it hurts it's not okay--

BITCHY PAPARAZZI  
 Not cool.

LINDSAY LOHAN  
 And I'm sorry for everyone that  
 thinks I'm crazy. I'm not.

BITCHY PAPARAZZI  
 I'm so sorry to hear that.

Lindsay savors the sympathy. She moves a little closer. She  
 can see the paparazzi now. Bright eyed, she stares at him  
 with true affection.

Then she realizes he's not looking at her. Just her image on  
 his viewfinder.

Lindsay backs away.

LINDSAY LOHAN  
 I'm just trying to act...

She turns and darts into the distance.

LINDSAY LOHAN (CONT'D)  
 (to herself)  
 I was just trying to act--

INT. STUDIO - DAY, 2020

Lindsay sobs.

LINDSAY LOHAN  
 I was the supporting actress to a  
 car.  
 (blowing her nose)  
 Not even a good car. A  
 Volkswagen...

I/E. PARIS' MERCEDES, BEVERLY HILLS HOTEL - DAY

Paris pulls up in her very good car. Britney's face is puffy from crying.

BRITNEY SPEARS  
\$20,000. What kind of kid needs 20  
Gs in child support a month?

PARIS HILTON  
Um, I need \$23,000 for my morning  
routine.

Britney gives Paris a judgmental look.

PARIS HILTON (CONT'D)  
(backtracking)  
I was like, totally kidding.  
(beat)  
Listen, you're going to write some  
killer break up songs and when we  
go to the Grammy's you're going to  
clean that shit up.

BRITNEY SPEARS  
I don't fucking clean! I just want  
to get drunk.

Pissed, Britney gets out of the car. Paris trails behind her.

PARIS HILTON  
Wait-- I didn't mean--

DOWN THE STREET

Lindsay watches the paparazzi mob Paris and Britney on their way into the bungalows. She follows them.

INT. PARIS' PATIO - DAY, 2020

PARIS HILTON  
When are you going to ask me about  
the Holy Trinity?

INT. BUNGALOWS - NIGHT, 2006

Lindsay watches Paris and Britney from the shadows. To her, they look like true friends.

Paparazzi hold their cameras up behind a hedge just to get a blurry snapshot.

We see Britney through Lindsay's eyes: serene, soft, and in perfectly flattering slo-mo. She's a goddess.

INT. REHAB - DAY, 2020

TOMMY

The Holy Trinity was only the most homosexual moment of 2006-- no the entire 2000s.

I/E. BUNGALOWS - NIGHT, 2006

Paris and Britney get up to leave. Lindsay follows them outside to the mob of photographers.

LINDSAY LOHAN

Britney--

Her voice is drowned out by the mob.

LINDSAY LOHAN (CONT'D)

BRITNEY!

Paris turns around. She shoots Lindsay a menacing look.

PARIS HILTON

What do you think you're doing?

LINDSAY LOHAN

...Spending time with my friends.

PARIS HILTON

We both know you don't have friends.

BRITNEY SPEARS

OMG! Lindsay, why didn't you say hi?

The color leaves Paris' face.

LINDSAY LOHAN

That's what I'm doing now!

PARIS HILTON

She was just leaving--

\*  
\*

BRITNEY SPEARS

(to the valet)

Where's the Mercedes?

It pulls up. Paris bolts for the car. Lindsay grabs her shirt. Still clinging to Paris, she forces herself into the middle of the two-seat sports car.

I/E. PARIS' MERCEDES - NIGHT, 2006

Now it's as if the paparazzi are the ones on cocaine. The mob is wilder than ever before.

TOMMY (V.O.)

You had the world's biggest pop star, next to the world's most famous actress, in the car of the world's skinniest socialite.

They shove their cameras in front of the windshield. Some even climb on the hood of the car.

The three bask in the attention. They smile with each other like lifelong friends.

TOMMY (V.O.)

It was the most important moment in American history. The War of 1812 could never.

Paris puts on her windshield wipers and spritzes the cameramen who fall off the car.

They chase her as she drives into the night.

BRITNEY SPEARS

Can we go to Wendy's?

PARIS HILTON

As soon as Lindsay gets out.

Lindsay doesn't say anything.

LINDSAY LOHAN

So, Britney-- how's the new album?

PARIS HILTON

Do you want me to actually hit you?

LINDSAY LOHAN

Beat the shit out of me. It'd feel better than this, Paris.

Britney's eyes go wide.

LINDSAY LOHAN (CONT'D)

I asked you-- no fucking *begged* you to stop Stavros from releasing the tape and you went out and fucked--

PARIS HILTON

The only one who's fucked anyone is you! You fucked your career, fucked your hair, and now you're in here trying to fuck me!

Paris makes a turn.

BRITNEY SPEARS

Are you guys having sex?

PARIS HILTON

(saccharine)

No. Lindsay's just mad I stopped her sex tape from getting released.

BRITNEY SPEARS

You got a sex tape?

(off Lindsay's look)

Why haven't I seen it?

(to Paris)

I've seen like the seven re-makes of yours.

Paris tries to hide her heart.

PARIS HILTON

(under her breath)

Because I pretended to be screwing Stavros so he'd sell it to me.

LINDSAY LOHAN

Don't you ever get tired of lying?

PARIS HILTON

Do you ever get tired of being a fat freckled freak?

Paris pulls over. Lindsay lunges for her.

Paris claws back. Grabs her hair.

Lindsay bites Paris' hand. Paris bitch-slaps her.

Britney sits between them, struggling in middle of their catfight.

INT. BACKSTAGE BRITNEY'S LAS VEGAS SHOW - NIGHT, 2020

Britney slurps a big gulp.

BRITNEY SPEARS

As Vanity Fair's Lily Anolik wrote,  
When stars collide one of two  
things happens. They form a larger  
star or they fall into a black  
hole.

Silence. Did-- CAN Britney read?

Britney belches.

BRITNEY SPEARS (CONT'D)

Why do my burps always smell like  
farts?

I/E. PARIS' MERCEDES - SIDE STREET - NIGHT, 2006

Paris gets out of the car. She makes a call.

PARIS HILTON

Elliot, I'm on Robertson and  
Burton. Get here now...um, of  
course it's Lohan related!

In the car, Lindsay sobs under her shaggy hair.

BRITNEY SPEARS

Darling, are you okay?

Lindsay sniffles and sits up.

LINDSAY LOHAN

I don't know what okay feels like.

Elliot Minz's car pulls up. He darts out and to Lindsay's  
side of the car. He knocks on the window.

ELLIOT MINTZ

Don't make me drag you out.

EXT. SUBURBAN STREET - NIGHT

Elliot and Lindsay walk down the block from the car.

ELLIOT MINTZ

That was a cute stunt you pulled  
last night.

LINDSAY LOHAN

I don't know what you're talking  
about.

ELLIOT MINTZ  
(in a bitchy voice)  
Oh no! Paris Hilton hit me!! Am I relevant again?

LINDSAY LOHAN  
I was upset.

ELLIOT MINTZ  
You know why Paris Hilton is my favorite client?

LINDSAY LOHAN  
Because she's rich?

ELLIOT MINTZ  
Because every time she fucks up she gets richer. It doesn't matter what the news is, as long as she's in it, more people want to buy her crap. So thanks for your little trip to crazy town.

LINDSAY LOHAN  
Why are you here then?

ELLIOT MINTZ  
Paris wanted me to show you this.

He pulls out a laptop and plays Lindsay's sex tape. She goes pale and shuts it.

ELLIOT MINTZ (CONT'D)  
Now don't get freaked out. Although Paris bought the complete rights to your porno, she would never release it to harm you.

The SHUTTER of cameras crescendoes.

ELLIOT MINTZ (CONT'D)  
But I would.

Lindsay turns around.

The paparazzi have caught up. They pull up around Paris' car. Paris and Britney get out of the car and pose.

LINDSAY LOHAN  
...What do you want me to do?

EXT. PARIS' MERCEDES - NIGHT - 2006

THIS IS ALL REAL FOOTAGE.

Paris and Britney continue to pose for the photos when she spots Lindsay walking back to the car with Elliot.

Paris guides Britney back to the car.

PAPARAZZI RAT

Paris, Lindsay says you hit her last night. Is that true?

Paris opens the car door and lets Britney inside. She makes her way to the driver's seat.

ANOTHER PAPARAZZI

So Paris, did you hit Lindsay?

PARIS HILTON

Ask her! She's right there!

She points to Lindsay who, head hung low, walks arm in arm with Elliot.

PARIS HILTON (CONT'D)

Lindsay! Tell them the truth.

BITCHY PAPARAZZI

Lindsay, what's going on?

LINDSAY LOHAN

(monotone)

Paris never hit me. She's my friend. Everybody lies about everything. She's a nice person--

Elliot stares down at her, ice cold.

LINDSAY LOHAN (CONT'D)

(getting into the car)

Please leave us alone. We're friends.

PAPARAZZI RAT

So that video statement before--

LINDSAY LOHAN

I made it all up. We're all friends. She never did that.

Elliot looks at Paris, who grimaces. It hurts her to watch Lindsay like this.

He whispers into Lindsay's ear.

ELLIOT MINTZ

So you know, Paris doesn't give warning shots. She must really like your wasted ass.

LINDSAY LOHAN

(to the cameras)

...She's a good girl. I've known her since I was fifteen.

(voice cracking)

Please. Stop trying to make us hate each other.

She slides into the car. Stares at Paris. Paris looks back with real, sincere pity. She helps Lindsay into her seat.

The paparazzi snap more photos, gasping in awe until Paris drives off.

INT. PARIS' PATIO - DAY, 2020

INTERVIEWER (O.S.)

So what happened next?

PARIS HILTON

We went back to Britney's place and I slept over.

INTERVIEWER (O.S.)

And Lindsay?

Paris smirks.

PARIS HILTON

I wouldn't know.

I/E. PARIS' MERCEDES - NIGHT, 2006

PARIS HILTON

Do you still want Wendy's?

LINDSAY LOHAN

A frosty would be nice, right Britney?

PARIS HILTON

I've always wondered what a chicken nugget tastes like!

BRITNEY SPEARS  
Y'all bitches are batshit.

LINDSAY LOHAN  
What are you talking about?

PARIS HILTON  
Britney, we just needed to settle something. We're moving on now.

LINDSAY LOHAN  
Are you ready for the Grammy's?

Britney unbuckles.

PARIS HILTON  
Why would it matter to you? It's not like you were invited--

LINDSAY LOHAN  
You're only invited because I got uninvited!

BRITNEY SPEARS  
Stop the car!

PARIS HILTON  
Britney, don't let this psycho--

BRITNEY SPEARS  
STOP BEFORE I CRACK A WINDOW OPEN  
YOU CRAZY CUNTS!

Paris obeys. Britney climbs over Lindsay and out of the car.

PARIS HILTON  
I'll see you tomorrow?

Britney slams the door shut and wobbles off in her miniskirt.

Paris and Lindsay sit in silence. They stare at each other. Then burst out in laughter.

PARIS HILTON (CONT'D)  
Someone forgot to give that bitch her medicine!

LINDSAY LOHAN  
Well, she did marry a guy in her living room.

The girls laugh more. There's a warmth in the air.

LINDSAY LOHAN (CONT'D)  
I'm really fucking sorry, Paris.

PARIS HILTON  
I know.

Lindsay pauses, waiting.

PARIS HILTON (CONT'D)  
What? I don't need to say I'm  
sorry!

LINDSAY LOHAN  
Are you serious?

PARIS HILTON  
Hanging out with Stavros was  
punishment enough.

LINDSAY LOHAN  
What did he want?

PARIS HILTON  
A weekend in the press with yours  
truly. I almost died.

LINDSAY LOHAN  
Paris...

PARIS HILTON  
Of alcohol poisoning! You know how  
drunk you need to be to put up with  
that sleaze-ball for 48 hours?

Lindsay takes Paris' hand. She squeezes it back.

PARIS HILTON (CONT'D)  
I'll never forgive him for what he  
did to you.

Tears glaze Lindsay's eyes. There's a silent thank you.

LINDSAY LOHAN  
...How do we start over?

PARIS HILTON  
I don't think we can.

LINDSAY LOHAN  
Paris, I need somebody. One fucking  
person.

PARIS HILTON  
I know. But I can't be her.

LINDSAY LOHAN

Why not?

PARIS HILTON

Lindsay, after all of this--

LINDSAY LOHAN

This feud has been the best thing to happen to your career.

PARIS HILTON

What, you want to keep fighting?

LINDSAY LOHAN

Hear me out. Every time I'm having trouble getting a movie or you need ratings on your show, we'll just trash each other.

PARIS HILTON

You're insane.

LINDSAY LOHAN

Exactly. You want to keep being the hero? You need a crazy villain.

PARIS HILTON

That's really what you want?

LINDSAY LOHAN

(shrugs)

Any actress would kill for a role like this.

INT. STUDIO - DAY, 2020

Lindsay pleads with the camera.

LINDSAY LOHAN

Okay, so that's the story of Paris and me. That's it. We can end it there.

CUT TO BLACK.

OVER BLACK:

PARIS HILTON (O.S.)

Lindsay was arrested six times and--

Cut back to Lindsay.

LINDSAY LOHAN  
 Paris was arrested twice! After her  
 DUI they kept pulling her over for  
 continuing to drive without a  
 license until--

INTERCUT LINDSAY & PARIS' INTERVIEWS.

PARIS HILTON  
 They sent her to jail and then--

LINDSAY LOHAN  
 Rehab.

EXT. CELEBRITY REHAB - DAY, 2006

Establishing shot. It's more glamorous than most hotels.

INT. CELEBRITY REHAB - DAY, 2006

Paris sits in her posh room crying.

PARIS HILTON  
 I just...when I drink, I feel like  
 no one can hurt me anymore.

Paris' mom pats her on the back and holds her as she sobs.

EXT. AVERAGE REHAB - DAY, 2006

Establishing shot. This place is a lot worse.

INT. AVERAGE REHAB - DAY

Lindsay (who is the one in rehab) sits stone-faced while Dina  
 dramatically cries.

DINA  
 I just...when I don't drink I feel  
 like I'm gonna hurt people.

LATER

Lindsay spills no tears. She just lays on her bed, empty.

LINDSAY LOHAN (PRELAP)  
 Just so you know, this story isn't  
 some campy tragedy.

She's haunted.

INT. STUDIO - DAY, 2020

LINDSAY LOHAN

I'm not the tragic Lindsay Lohan. I booked two TV shows this year. One of them got a second season, and my new song Xanax gets played. I've heard it at the club and people danced. Hard. The way I used to and they weren't even that drunk. That might not be a lot to you, but I did that. I did that completely alone, like I've done everything.

(beat)

And without a sex tape.

INT. PRIVATE JET - DAY, 2020

Surrounded by sisters, KIM KARDASHIAN (39, if you need a description for her, you live under a rock and should stop reading this movie) sits as her glam squad gets her ready.

KIM KARDASHIAN

Paris had the money. Lindsay had the talent. But I had the one thing they didn't...

INT. PARIS HILTON'S MANSION - DAY, 2006

KIM'S ENORMOUS ASS appears in her sex tape. Paris watches, her eyes bulging out of her head. She's on the phone.

EXECUTIVE (O.S.)

Paris, *The Simple Life* was so fresh when it came out. But it's been seven seasons and--

Outraged, Paris just hangs up on him. Dials another number.

KIM KARDASHIAN (VOICEMAIL)

Hi there, it's Kim. Sorry I can't come to the phone right now, I'm busy filming my new reality show about my family and--

The color leaves Paris' face.

CU on the computer to the title of the sex tape:

***Kim Kardashian, Superstar.***

FADE OUT.
