

powerful man. He becomes possessed in a mechanistic way
I believe he is His madness is the "divine madness"
of possession and he has strong E.S.P. Robin also has "the powers of
light and darkness" but he is ~~unaffected~~ disturbed by them. In a
sense he doesn't know his own strength.

Marion is a difficult part to cast. She is much more than
Robin Hood's girl friend. She must be ~~light~~ agile and ~~when occasion~~
demands, able to take part in raids and captures ~~with the others~~
but not a Marion who is ~~unstable~~. Although very feminine ~~she must~~
be one of the gang. Physically tough without being a "principle boy"

I think our version should differ from others in
the numbers of Robin Hood's men. I have noticed that ~~the~~
adventures don't need a great army of "merry men" and I think it
will be more exciting if the ~~band~~ is quite small - ~~around~~ ~~not~~
more than ~~thirteen~~ a dozen. Hence we need to rethink the "battle" at the end
of the second episode. I think too that a small group ~~against the~~
might of the Anglo Normans ~~is~~ ~~more~~ ~~exciting~~. Also I can't help
know a small group ~~is~~ so ~~that~~ ~~everyone~~ is a character. Also ~~if~~
and this is a bit ~~esoteric~~ - if we have ~~Robin~~ ~~in~~ ~~the~~ ~~band~~ we have a
coven. So we ~~should~~ have Robin, Marion, Little John, Friar Tuck, Will

the only character Scarlet, Much ~~the~~ Miller's son + ~~more~~
one of them can be Alan a duke ~~who~~ ~~will~~ join the gang in episode three
or four. These men ~~will~~ make the "merry men" much more
excitingly

- Robin
- Marion
- Will
- Much
- John
- Tuck
- Fletcher
- Diana

principle act in front of them. ~~B~~ ~~and~~ ~~the~~ ~~other~~

Rutles conception that was
wrong. I would like to see ~~the~~ ~~same~~ ~~played~~ ~~very~~ ~~fair~~ ~~and~~ ~~very~~
out ~~shows~~ ~~possible~~ ~~Hydractis~~ can be as ~~hard~~ ~~as~~ ~~any~~ ~~other~~
The a question of ~~what~~ ~~I~~ ~~will~~ ~~not~~ ~~work~~ ~~in~~ ~~that~~ ~~context~~. ~~The~~ ~~difference~~ ~~between~~ ~~Quelton~~
Horton and Dick ~~Byards~~. It makes ~~the~~ ~~slide~~ ~~they~~ ~~rather~~
silly. Chris Reed is a ~~hard~~ ~~actor~~ ~~whose~~ ~~trick~~ ~~is~~ ~~to~~ ~~be~~ ~~brother~~
everybody here as if he is ~~supposed~~ ~~from~~ ~~long~~ ~~ago~~. ~~Consequently~~ ~~he~~
is ~~either~~ ~~in~~ ~~BCU~~ ~~or~~ ~~the~~ ~~post~~ ~~synchronised~~ ~~perspective~~ ~~is~~ ~~false~~.
He can wear costume though! ~~Ardes~~
