It's not gonna solve your problems.

422
00:26:06 --> 00:26:07
Just makes more of them.

423
00:26:09 --> 00:26:10
We clear?

424
00:26:11 --> 00:26:12
[spits]

425
00:26:14 --> 00:26:15
-[Vander exhales]
-[groans]

426
00:26:15 --> 00:26:18
-How'd you get this?
-[scoffs]

427
00:26:19 --> 00:26:20
Some idiot was following us.

428
00:26:21 --> 00:26:23
On our side? Who?

429
00:26:23 --> 00:26:26
I don't know. He was after the stuff.

430
00:26:26 --> 00:26:27
Where is it now?

431
00:26:30 --> 00:26:31
[sighs]
We lost it.

432
00:26:32 --> 00:26:33
All of it?

433
00:26:34 --> 00:26:35
Good.

434
00:26:37 --> 00:26:39
Nothing can tie you
to what happened up there.

435
00:26:40 --> 00:26:43
You're gonna have to lay low
for a bit, understand?

436
00:26:44 --> 00:26:45
Okay.

437
00:26:46 --> 00:26:48
We're gonna be fine, right?

438
00:26:48 --> 00:26:49
I'll take care of it.

439
00:26:57 --> 00:27:01
Oh, you did put that idiot
on his ass, though, right?

440
00:27:01 --> 00:27:02
Mm.

441
00:27:03 --> 00:27:05
[chuckles]

442
00:27:06 --> 00:27:09
[footsteps approaching]

443
00:27:10 --> 00:27:12
[Mylo hums]

444

00:27:13 --> 00:27:15
Get up, Claggor. We're going out.

445

00:27:15 --> 00:27:17
Wait, now?
[huffs]

446

00:27:19 --> 00:27:20
Hey, hey, that's mine!

447

00:27:20 --> 00:27:22
-You wanna be treated like adults, right?
-[Claggor grunts]

448

00:27:23 --> 00:27:26
Then you should know better than
to come back from a job empty-handed.

449

00:27:27 --> 00:27:29
[Vander] I'm gonna have a little word
with your informant.

450

00:27:31 --> 00:27:35
All right, give me the details
of exactly what happened up there.

451

00:27:37 --> 00:27:38
[grunts]

452

00:27:47 --> 00:27:49
[suspenseful music]

453

00:27:54 --> 00:27:55
[Mylo] She's a problem.

454

00:27:55 --> 00:27:57
[Vi sighs]
Mylo, I'm really not...

455
00:27:57 --> 00:27:58
[Mylo] Do you remember
what was in that bag?

456
00:27:59 --> 00:28:01
The biggest payout
we've ever seen and she just lost it.

457
00:28:01 --> 00:28:03
She made a mistake.

458
00:28:03 --> 00:28:05
Name one time she hasn't.

459
00:28:05 --> 00:28:07
-[Vi] She's young.
-[Mylo] Don't bullshit me.

460
00:28:07 --> 00:28:09
You were twice the person at half her age.

461
00:28:10 --> 00:28:13
You know what, Mylo? You're right.

462
00:28:13 --> 00:28:15
There's a bunch of things Powder
just can't do.

463
00:28:15 --> 00:28:17
-[Mylo] You don't have to tell me twice.
-[bangs]

464
00:28:19 --> 00:28:22

-Like, complain about everything.

-What?

465

00:28:22 --> 00:28:25

-And brag nonstop.

-Okay, okay, I see where this is going.

466

00:28:25 --> 00:28:27

[Vi] Pick fights with the group
when we need to focus.

467

00:28:27 --> 00:28:28

[chuckling]

Vi, I...

468

00:28:28 --> 00:28:31

And tell strangers on the street
that we got a nice haul?

469

00:28:31 --> 00:28:34

-I, I didn't mean to--

-Powder's my problem, okay?

470

00:28:34 --> 00:28:36

Your problem is never knowing
when to shut up.

471

00:28:36 --> 00:28:38

But I'm gonna help you with that. Ready?

472

00:28:38 --> 00:28:40

You see this look on my face?

473

00:28:40 --> 00:28:42

This will always mean
it's time to shut up.

474

00:28:42 --> 00:28:44
But... I...

475

00:28:45 --> 00:28:46
[groans]

476

00:28:46 --> 00:28:49
[background chatter]

477

00:28:53 --> 00:28:55
Nobody comes in.

478

00:28:57 --> 00:28:58
We're closed.

479

00:28:58 --> 00:29:00
Well, open up.

480

00:29:01 --> 00:29:04
For good. You can take
your worthless junk elsewhere.

481

00:29:04 --> 00:29:06
[groans]
Just as well.

482

00:29:06 --> 00:29:08
Owner's the shittiest businessman I know.

483

00:29:11 --> 00:29:13
[both laugh]

484

00:29:13 --> 00:29:15
-Ekko. What's going on with that thing?
-[grunts]

485

00:29:15 --> 00:29:17
Give me a few seconds.
The cannon pinion's still busted.

486
00:29:18 --> 00:29:20
Finish it later. Vander and I need a word.

487
00:29:20 --> 00:29:22
-But--
-[Benzo] Uh-uh. Off you go.

488
00:29:22 --> 00:29:23
[metal clanks]

489
00:29:23 --> 00:29:24
[Ekko grunts]

490
00:29:28 --> 00:29:30
-[Ekko] Claggor.
-[Claggor] He-he-hey, Little Man.

491
00:29:30 --> 00:29:31
You're a little early.

492
00:29:32 --> 00:29:34
My guys are still roundin' up
this month's collections.

493
00:29:34 --> 00:29:37
Won't have numbers until next, um...

494
00:29:38 --> 00:29:38
[Benzo] Whoo.

495
00:29:40 --> 00:29:42
Why are you muckin' about with this?

496

00:29:42 --> 00:29:44
I assume you've heard.

497

00:29:44 --> 00:29:46
Yeah, me and half the undercity.

498

00:29:46 --> 00:29:49
[sighs]
How could they be so stupid?

499

00:29:49 --> 00:29:52
The younger folk think
it's the right thing to do.

500

00:29:52 --> 00:29:54
[Vander] Yeah, and Vi's one of them.

501

00:29:54 --> 00:29:57
Throws herself at trouble
wherever she can find some.

502

00:29:57 --> 00:29:59
Eh, they're growing up, Vander.

503

00:30:00 --> 00:30:03
Looking to write their own stories.
You can't protect them forever.

504

00:30:03 --> 00:30:04
[sighs]

505

00:30:05 --> 00:30:06
Someone was following them.

506

00:30:06 --> 00:30:10
-Whole lot of someones, from what I heard.

-Not enforcers.

507

00:30:10 --> 00:30:12

-Someone on our side.

-Who?

508

00:30:14 --> 00:30:17

There's worse things
than enforcers out there.

509

00:30:18 --> 00:30:19

We both know that.

510

00:30:21 --> 00:30:23

Yeah, I was hopin' you'd be working today.

511

00:30:23 --> 00:30:25

-Did you guys go?

-Sure did.

512

00:30:25 --> 00:30:28

Hey, listen, how did you find that place?

513

00:30:28 --> 00:30:30

-I just--

-Whoa, did you fight the enforcers?

514

00:30:30 --> 00:30:32

What? Oh, no. Eh, just some bums.

515

00:30:32 --> 00:30:34

Oh, did Vi kick their asses?

516

00:30:34 --> 00:30:36

Yeah, I mean,
I wouldn't be here otherwise.

517

00:30:36 --> 00:30:39

Oh, she showed me
a couple moves to practice. Look.

518

00:30:39 --> 00:30:42

[Ekko grunting]

519

00:30:42 --> 00:30:44

-Yeah, it's... it's coming along.
-Ya!

520

00:30:44 --> 00:30:46

Hey, so, how'd you find
that place, anyway?

521

00:30:46 --> 00:30:48

Uh, this weirdo came into the shop.

522

00:30:48 --> 00:30:51

Bought a whole bunch of stuff
Benzo only keeps there for display.

523

00:30:51 --> 00:30:54

He paid in gold and didn't even haggle.

524

00:30:54 --> 00:30:57

I charged him double price. Sucker.

525

00:30:57 --> 00:31:00

-But how did you know where he lived?
-Uh, followed him.

526

00:31:00 --> 00:31:02

-How else?
-Oh. Right.

527

00:31:03 --> 00:31:04
[Claggor] Oh, crap.

528
00:31:05 --> 00:31:07
[breathing]

529
00:31:08 --> 00:31:11
-Uh...
-They'll be fine. Go.

530
00:31:15 --> 00:31:16
Well, hello.

531
00:31:16 --> 00:31:19
[breathing]

532
00:31:22 --> 00:31:23
[door opens]

533
00:31:23 --> 00:31:25
[wind gusts]

534
00:31:28 --> 00:31:29
-[Benzo] Evening, friends.
-[hissing]

535
00:31:30 --> 00:31:31
[whispers]
Shit.

536
00:31:35 --> 00:31:36
[sighs]

537
00:31:36 --> 00:31:37
Something I can help you with?

538

00:31:37 --> 00:31:41
Some trencher trash attacked one
of the buildings in the Academy district,

539

00:31:41 --> 00:31:43
but you already knew that.

540

00:31:43 --> 00:31:45
We're looking for the culprits.

541

00:31:45 --> 00:31:46
Got a description?

542

00:31:46 --> 00:31:50
Yeah, it's exactly who you're picturing
in that thick head of yours.

543

00:31:50 --> 00:31:52
Mm. You think my head is thick?

544

00:31:52 --> 00:31:54
Uh, just past the average.

545

00:31:54 --> 00:31:55
Listen, you shady son of a...

546

00:31:56 --> 00:31:58
[enforcer] How about you go
for a little walk, Marcus?

547

00:31:58 --> 00:32:00
Cool off a bit.

548

00:32:01 --> 00:32:02
Go.

549

00:32:03 --> 00:32:05
[slurps]

550
00:32:11 --> 00:32:12
[exhales]

551
00:32:16 --> 00:32:19
[foreboding music]

552
00:32:20 --> 00:32:21
[creaks]

553
00:32:21 --> 00:32:23
[rat squeaks]

554
00:32:31 --> 00:32:32
[Benzo] Lovely chap you've brought.

555
00:32:33 --> 00:32:35
[indistinct chatter]

556
00:32:38 --> 00:32:39
[enforcer] Don't mind the kid.

557
00:32:39 --> 00:32:41
Doesn't know when to pipe down.

558
00:32:41 --> 00:32:44
[Vander] Some things are the same
topside and bottom.

559
00:32:49 --> 00:32:51
You know this crossed a line upstairs.

560
00:32:51 --> 00:32:52
Was anyone hurt?

561

00:32:52 --> 00:32:55

A building was blown to bits.
What do you think?

562

00:32:56 --> 00:32:57

[sighs]

563

00:32:57 --> 00:33:00

Those who did this will be dealt with.

564

00:33:00 --> 00:33:03

That workshop belonged to the Kirammans.

565

00:33:04 --> 00:33:06

You know what kind of stuff
they had in there?

566

00:33:06 --> 00:33:09

Makes this place look like a candy shop.

567

00:33:10 --> 00:33:12

The Council needs someone
to make an example of.

568

00:33:12 --> 00:33:14

People need to feel safe.

569

00:33:14 --> 00:33:16

Yeah, topside people.

570

00:33:16 --> 00:33:18

[enforcer] We had a deal, Vander.

571

00:33:18 --> 00:33:22

You keep your people off my streets,

and I stay out of your business.

572

00:33:24 --> 00:33:26

Give me a name. We'll do things quiet.

573

00:33:26 --> 00:33:28

No one will know you were involved.

574

00:33:29 --> 00:33:30

I can't do that.

575

00:33:31 --> 00:33:33

You don't seem to grasp
how serious this is.

576

00:33:33 --> 00:33:36

If I don't put someone
behind bars tonight,

577

00:33:36 --> 00:33:40

the next time I come down here,
I'll have an army of enforcers with me.

578

00:33:40 --> 00:33:42

We both know how that'll go.

579

00:33:42 --> 00:33:46

I'm sorry, Grayson,
but I can't offer up my own people.

580

00:33:50 --> 00:33:51

[exhales]

581

00:33:52 --> 00:33:55

If you change your mind,
this will reach me.

582
00:33:56 --> 00:33:57
[Grayson] And only me.

583
00:33:57 --> 00:33:59
[footsteps receding]

584
00:34:03 --> 00:34:04
[door opens]

585
00:34:05 --> 00:34:06
[exhales]

586
00:34:06 --> 00:34:07
[door closes]

587
00:34:07 --> 00:34:10
[rock music plays]

588
00:34:13 --> 00:34:15
[rock music playing continues]

589
00:34:24 --> 00:34:25
What are you calling this one?

590
00:34:28 --> 00:34:29
[Powder] Whisker.

591
00:34:32 --> 00:34:34
-You wanna talk about today?
-What's the point?

592
00:34:35 --> 00:34:37
I ruined everything. I always do.

593
00:34:38 --> 00:34:39

Nobody said that.

594

00:34:39 --> 00:34:43

No. Just that you were
"twice the person" at half my age.

595

00:34:44 --> 00:34:46

You heard them.

596

00:34:46 --> 00:34:48

I'm not a fighter.

597

00:34:48 --> 00:34:49

You don't have to be.

598

00:34:51 --> 00:34:54

Look, I've got these and you've got those.

599

00:34:55 --> 00:34:56

They never work.

600

00:34:57 --> 00:34:58

They will.

601

00:34:59 --> 00:35:01

-Come with me.

-What?

602

00:35:02 --> 00:35:03

[Vi] Come on.

603

00:35:07 --> 00:35:10

[background chatter]

604

00:35:18 --> 00:35:19

What are we doing here?

605

00:35:20 --> 00:35:22

See that gutter running along the canal?

606

00:35:31 --> 00:35:34

[Vi] That's where Claggor got his foot
stuck running from enforcers.

607

00:35:35 --> 00:35:38

They thought it was funny,
so they left him there.

608

00:35:39 --> 00:35:41

He was out all night before we found him.

609

00:35:43 --> 00:35:44

That sign?

610

00:35:47 --> 00:35:49

-[Vi] You see it?
-[Powder] Uh-huh.

611

00:35:49 --> 00:35:51

Mylo tripped over his own paint bucket

612

00:35:51 --> 00:35:54

and nearly fell off trying to draw
a giant middle finger.

613

00:35:55 --> 00:35:58

-[Vi] His ass made that splotch.
-[Powder laughs]

614

00:36:00 --> 00:36:01

And that?

615

00:36:03 --> 00:36:03
[Vi sighs]

616
00:36:03 --> 00:36:07
When I was a kid, some guy took
my favorite toy and threw it up there.

617
00:36:09 --> 00:36:11
I used to come out here at night
and stare at it,

618
00:36:12 --> 00:36:17
hoping maybe the wind
or a bird might knock it down.

619
00:36:20 --> 00:36:21
We've all had bad days.

620
00:36:23 --> 00:36:27
But we learn. And we stick together.

621
00:36:30 --> 00:36:32
Oh, I forgot.

622
00:36:33 --> 00:36:34
These were in my pocket.

623
00:36:35 --> 00:36:37
-They're from the apartment.
-What are they?

624
00:36:39 --> 00:36:40
I don't know.

625
00:36:42 --> 00:36:44
-Should we show Vander?
-No.

626

00:36:47 --> 00:36:48
[exhales]

627

00:36:48 --> 00:36:50
Let's keep this our little secret.

628

00:36:52 --> 00:36:56
Mylo's wrong, Powder.
You're stronger than you think.

629

00:36:57 --> 00:36:58
And one day...

630

00:36:59 --> 00:37:01
this city's gonna respect us.

631
