to do with that. He was robbed.

189

00:12:01 --&gt; 00:12:03

-We need to help him.  
-[Mrs. Kiramman] Caitlyn's right.

190

00:12:03 --&gt; 00:12:06

We've known Jayce for years.  
Besides, we're his patrons.

191

00:12:06 --&gt; 00:12:09

If anyone is meant  
to speak up for him, it's us.

192

00:12:10 --&gt; 00:12:14

We should hit them back.  
We've got the numbers to beat them.

193

00:12:14 --&gt; 00:12:16

Yeah. Let's teach them  
what it means to mess with us.

194

00:12:16 --&gt; 00:12:17

[all] Yeah!

195

00:12:18 --> 00:12:21  
[crowd shouting in agreement]

196

00:12:24 --> 00:12:27  
-You sure that's what you want?  
-[stall holder] Let's do it.

197

00:12:28 --> 00:12:32  
We crossed that bridge once before,  
and we all know how that ended.

198

00:12:32 --> 00:12:33  
You're just protecting your kids.

199

00:12:35 --> 00:12:40  
I'm protecting our people.  
I'd do the same for any one of you.

200

00:12:40 --> 00:12:43  
We look out for each other.  
It's the way it's always been.

201

00:12:44 --> 00:12:47  
This will blow over.  
We just need to stand together.

202

00:12:48 --> 00:12:51  
The Vander I knew,  
the one who built the underground,

203

00:12:51 --> 00:12:53  
wouldn't be afraid to fight.

204

00:12:58 --> 00:13:01  
-Do I look afraid?

-No.

205

00:13:02 --> 00:13:03

You look weak.

206

00:13:09 --> 00:13:10

[Claggor] Why isn't he doing anything?

207

00:13:10 --> 00:13:13

We kicked the Enforcers' butts  
with just the four of us.

208

00:13:13 --> 00:13:15

Imagine what the whole  
of the Lanes could do.

209

00:13:15 --> 00:13:19

-Jeez, even Powder wants to fight.

-So, why aren't we?

210

00:13:20 --> 00:13:22

[indistinct chatter]

211

00:13:27 --> 00:13:29

Spill it, Ekko.

212

00:13:29 --> 00:13:30

Um...

213

00:13:30 --> 00:13:35

Oh, okay. Well, um, Vander's got a deal  
with the Enforcers.

214

00:13:36 --> 00:13:37

What deal?

215

00:13:38 --> 00:13:40  
[suspenseful music plays]

216  
00:13:55 --> 00:13:57  
For your birthday, Councilor.

217  
00:13:57 --> 00:14:00  
Ah, Mel, this is too kind.

218  
00:14:00 --> 00:14:03  
[Mel] I'm told it was built only  
for the sharpest of minds.

219  
00:14:03 --> 00:14:06  
[stammers]  
And I bought you some Ginko nuts.

220  
00:14:07 --> 00:14:09  
[screams]  
Don't you know I'm allergic?

221  
00:14:09 --> 00:14:10  
What are you trying to do?

222  
00:14:10 --> 00:14:11  
-Kill an old man?  
-[door opens]

223  
00:14:12 --> 00:14:14  
[suspenseful music playing continues]

224  
00:14:16 --> 00:14:19  
[crowd muttering]

225  
00:14:44 --> 00:14:45  
[Mrs. Kiramman] Jayce Talis.

226

00:14:48 --&gt; 00:14:53

You are accused of illegal experimentation  
and endangering the citizens of Piltover.

227

00:14:54 --&gt; 00:14:56

What do you have to say for yourself?

228

00:15:00 --&gt; 00:15:04

The materials were far more dangerous  
than I was aware of,

229

00:15:04 --&gt; 00:15:09

and I... I now know my actions  
were against Academy regulations.

230

00:15:09 --&gt; 00:15:14

What I did endangered people.  
It was reckless, and for that, I'm sorry.

231

00:15:14 --&gt; 00:15:19

I ask the Council's forgiveness,  
and I hope that I can continue my studies.

232

00:15:19 --&gt; 00:15:23

As Jayce's patron of many years,  
I can speak for his character.

233

00:15:23 --&gt; 00:15:25

I believe that one day,

234

00:15:25 --&gt; 00:15:27

he will be a great contributor  
to our society.

235

00:15:27 --&gt; 00:15:29

He destroyed a building.

236

00:15:29 --> 00:15:33  
Is this the sort of contribution  
we can expect?

237

00:15:33 --> 00:15:34  
[Heimerdinger] If you were a scientist,

238

00:15:34 --> 00:15:38  
you'd know you can't make a prototype  
without breaking a few wrenches.

239

00:15:39 --> 00:15:42  
Do you have anything to show  
for your work besides an explosion?

240

00:15:42 --> 00:15:44  
Uh, no. It came to nothing.

241

00:15:45 --> 00:15:47  
[Mel] So, you're saying  
your study was meaningless?

242

00:15:47 --> 00:15:50  
-It was revolutionary!  
-Revolutionary how?

243

00:15:50 --> 00:15:54  
All I see is a boy meddling with things  
he doesn't understand.

244

00:15:54 --> 00:15:57  
The Academy seems  
to have loosened its standards.

245

00:15:57 --> 00:15:59  
This is a fine line.  
If we condone this, what's next?

246

00:15:59 --> 00:16:00  
[Salò] Ridiculous, really.

247

00:16:01 --> 00:16:02  
[Shoola] The Council has more  
important matters to deal with.

248

00:16:03 --> 00:16:05  
[Mel] Perhaps we should just finish this...

249

00:16:05 --> 00:16:07  
I was trying to create magic.

250

00:16:07 --> 00:16:09  
[crowd exclaiming]

251

00:16:09 --> 00:16:10  
[crunches]

252

00:16:14 --> 00:16:15  
Magic?

253

00:16:15 --> 00:16:17  
Arcane talents are something  
you're born with.

254

00:16:17 --> 00:16:20  
They can't be fabricated.

255

00:16:20 --> 00:16:22  
Actually, I believe it is possible.

256

00:16:22 --> 00:16:25  
Has anyone even tried it before?

257

00:16:26 --> 00:16:28  
[Bolbok clears throat]

258

00:16:28 --> 00:16:33  
The Arcane is the curse of our world.  
My race was nearly destroyed by it.

259

00:16:33 --> 00:16:37  
Surely, we, the pioneers of science,  
can use it for good.

260

00:16:37 --> 00:16:41  
We're the champions of discovery.  
Why fear it when we can master it?

261

00:16:41 --> 00:16:42  
Jayce, enough.

262

00:16:42 --> 00:16:46  
This is the city of progress,  
think of the wonders we could create.

263

00:16:46 --> 00:16:48  
-Let me prove--  
-[Heimerdinger] Enough!

264

00:16:49 --> 00:16:51  
You don't understand what's at stake.

265

00:16:52 --> 00:16:54  
But how can you?

266

00:16:55 --> 00:16:57  
That's a burden that only I here carry.

267

00:16:58 --> 00:16:59

Time.

268

00:17:01 --> 00:17:05

I've seen this power in the wrong hands.

269

00:17:05 --> 00:17:11

It corrupts, consumes,  
lays waste to civilizations.

270

00:17:13 --> 00:17:17

That cannot happen here, my boy.  
It must not.

271

00:17:18 --> 00:17:20

Heimerdinger is right.

272

00:17:20 --> 00:17:23

Piltover was founded to escape  
the warmongering of mages,

273

00:17:24 --> 00:17:26

-not cultivate it.  
-[Bolbok mutters]

274

00:17:26 --> 00:17:30

The Ethos is clear.  
He must be banished from Piltover.

275

00:17:30 --> 00:17:31

[gasps]

276

00:17:31 --> 00:17:33

[crowd muttering]

277

00:17:33 --> 00:17:34

[Ximena] Please, let me speak!

278

00:17:35 --> 00:17:37  
[footsteps approaching]

279

00:17:39 --> 00:17:42  
As a lower house, my voice  
doesn't carry much weight here.

280

00:17:42 --> 00:17:46  
But as a mother,  
I have a voice that matters deeply.

281

00:17:47 --> 00:17:50  
My son isn't in his right mind.

282

00:17:51 --> 00:17:53  
His entire life,  
he's chased an impossible dream.

283

00:17:54 --> 00:17:59  
What he did was, uh, foolish and unwise.

284

00:17:59 --> 00:18:04  
But he has a good heart.  
Please, let him come home.

285

00:18:04 --> 00:18:08  
A crime like this can't be overlooked.  
The boy must be punished.

286

00:18:08 --> 00:18:12  
A violation of the Ethos  
calls for banishment,

287

00:18:12 --> 00:18:16  
but I can sympathize with a young man's  
dream to change the world.

288

00:18:16 --> 00:18:20  
Perhaps in this matter,  
a lesser sentence may suffice.

289

00:18:20 --> 00:18:24  
I move that Jayce be summarily expelled  
from the Academy

290

00:18:24 --> 00:18:27  
and remanded to the care of his parents.

291

00:18:27 --> 00:18:29  
All those in favor?

292

00:18:33 --> 00:18:36  
[ominous music plays]

293

00:18:45 --> 00:18:47  
[Heimerdinger]  
You may take your son home, Mrs. Talis,

294

00:18:48 --> 00:18:51  
but he is to never set foot  
on Academy grounds again.

295

00:18:51 --> 00:18:54  
[door whirring]

296

00:19:11 --> 00:19:14  
[disembodied voices]

297

00:19:14 --> 00:19:16  
[approaching footsteps]

298

00:19:24 --> 00:19:29  
First time I've been invited to the Lanes.

It better be worth my time.

299

00:19:30 --> 00:19:33

Ah, you see, that's your weakness, Marcus.

300

00:19:33 --> 00:19:37

You carry your chin so high,  
you fail to see the opportunity below.

301

00:19:37 --> 00:19:38

[Marcus] Who are you?

302

00:19:39 --> 00:19:41

You're looking for four children,

303

00:19:41 --> 00:19:44

the ones running circles  
around Piltover's finest.

304

00:19:44 --> 00:19:46

[Marcus] What about it?

305

00:19:46 --> 00:19:51

Don't look so concerned.  
I'm about to make your day.

306

00:19:52 --> 00:19:55

-[thunder rumbling]

-[rain pattering]

307

00:20:00 --> 00:20:02

[knocks on door]

308

00:20:02 --> 00:20:04

-[door opens]

-[Ximena] Can I come in?

309

00:20:08 --&gt; 00:20:09

Hmm.

310

00:20:09 --&gt; 00:20:13

I still remember the look on your face  
when you found these.

311

00:20:15 --&gt; 00:20:16

[sighs]

312

00:20:17 --&gt; 00:20:22

Jayce, please. If I hadn't spoken,  
you'd be lost to me.

313

00:20:23 --&gt; 00:20:25

I had to say something.

314

00:20:26 --&gt; 00:20:27

Magic saved your life.

315

00:20:28 --&gt; 00:20:33

Yes, but it won't save yours now.  
You need to let it go.

316

00:20:34 --&gt; 00:20:36

I could've convinced the Council.

317

00:20:37 --&gt; 00:20:40

If my own family won't help me,  
I'll find someone who will.

318

00:20:41 --&gt; 00:20:44

[dramatic music plays]

319

00:20:51 --&gt; 00:20:54

[Heimerdinger] Oh. That foolish boy.

320

00:20:54 --> 00:20:57  
[Viktor] Yeah, I must admit,  
his theory intrigues.

321

00:20:57 --> 00:20:59  
If dangerous ideas  
didn't excite the imagination,

322

00:20:59 --> 00:21:01  
we would never wander astray.

323

00:21:01 --> 00:21:06  
Could it work? Could these stones  
really invoke magic?

324

00:21:06 --> 00:21:08  
Nonsense. It's far too unstable.

325

00:21:09 --> 00:21:11  
Could you stabilize it?

326

00:21:11 --> 00:21:13  
Me? Why would I?

327

00:21:13 --> 00:21:15  
That only leads to more problems,

328

00:21:15 --> 00:21:17  
and that poor boy  
has enough of them already.

329

00:21:17 --> 00:21:22  
There. Come tomorrow morning,  
his research will be safely disposed of.

330

00:21:23 --> 00:21:24  
[Heimerdinger] Lock up.

331  
00:21:25 --> 00:21:30  
No, no, no. Magic is far too dangerous  
in the wrong hands.

332  
00:21:34 --> 00:21:35  
[Silco] Will he live?

333  
00:21:36 --> 00:21:37  
[Singed] Long enough.

334  
00:21:38 --> 00:21:41  
[water gurgles]

335  
00:21:48 --> 00:21:49  
Beautiful, aren't they?

336  
00:21:51 --> 00:21:55  
Yet, up there on the surface,

337  
00:21:55 --> 00:21:57  
no one even knows they exist.

338  
00:21:58 --> 00:21:59  
They're monsters.

339  
00:22:03 --> 00:22:04  
There's a monster inside all of us.

340  
00:22:06 --> 00:22:10  
What? No. No, no! It'll kill me!

341  
00:22:13 --> 00:22:16  
I'd like to let you in

on a very important secret

342

00:22:16 --> 00:22:19

I learned when I was about your age, boy.

343

00:22:21 --> 00:22:23

You see, power,

344

00:22:24 --> 00:22:28

real power doesn't come to those  
who were born strongest,

345

00:22:28 --> 00:22:30

or fastest, or smartest.

346

00:22:31 --> 00:22:33

No.

347

00:22:33 --> 00:22:38

It comes to those  
who will do anything to achieve it.

348

00:22:40 --> 00:22:44

-It's time to let the monster out.  
-[heavy breathing]

349

00:22:45 --> 00:22:47

[tense music plays]

350

00:22:52 --> 00:22:54

[panting]

351

00:22:57 --> 00:23:00

[Deckard grunting]

352

00:23:04 --> 00:23:07

[growls]

353

00:23:08 --> 00:23:11  
[Deckard screams]

354

00:23:20 --> 00:23:23  
-[rain pattering]  
-[mysterious music plays]

355

00:23:26 --> 00:23:28  
[clanking]

356

00:23:29 --> 00:23:31  
[Caitlyn] They won't see you.

357

00:23:32 --> 00:23:33  
Your name's no good now.

358

00:23:35 --> 00:23:40  
My dad says you're a misfit,  
and that we can't be friends anymore.

359

00:23:41 --> 00:23:42  
So, why are you out here?

360

00:23:43 --> 00:23:46  
I'm a misfit too, I suppose.

361

00:23:47 --> 00:23:48  
What will you do?

362

00:23:50 --> 00:23:53  
Join the Talis hammer business, I guess.

363

00:23:53 --> 00:23:54  
You can't do that.

364

00:23:55 --&gt; 00:23:58

No, I can't.

365

00:24:00 --&gt; 00:24:03

Come inside, Caitlyn. Now.

366

00:24:11 --&gt; 00:24:14

I'm sorry. I just wanted to explain...

367

00:24:14 --&gt; 00:24:15

I think you've done enough.

368

00:24:17 --&gt; 00:24:19

[thunder rumbles]

369

00:24:22 --&gt; 00:24:24

[Mel] You said this was a robbery.

370

00:24:24 --&gt; 00:24:27

-Did they take anything dangerous?

-[Grayson] Hard to say.

371

00:24:27 --&gt; 00:24:31

We don't exactly know what we did find,  
let alone what we didn't.

372

00:24:31 --&gt; 00:24:34

This mention of magic  
has the people afraid.

373

00:24:34 --&gt; 00:24:37

The culprits must be apprehended.

374

00:24:37 --&gt; 00:24:39

We're doing our best, Councilor.

I assure you.

375

00:24:40 --> 00:24:44  
Your attitude makes me question  
if your best is up to the task.

376

00:24:44 --> 00:24:45  
Oh, we'll find them. Don't worry.

377

00:24:46 --> 00:24:50  
We've conducted exhaustive interrogations,  
frozen commerce for half the district.

378

00:24:50 --> 00:24:52
