190

00:13:46 --> 00:13:50

Quite amazing, gentlemen.  
You should be very proud.

191

00:13:51 --> 00:13:55

Obviously, there are a few kinks  
to iron out and screws to be tightened,

192

00:13:55 --> 00:13:59

but give it a decade of careful research,  
and it will be ready.

193

00:13:59 --> 00:14:00

A decade?

194

00:14:00 --> 00:14:04

Oh, don't worry, my boy.  
It zips past you in the blink of an eye.

195

00:14:04 --> 00:14:06

With respect, Professor.

196

00:14:06 --> 00:14:09

We can be improving lives  
with Hextech now.

197

00:14:09 --> 00:14:12  
A breakthrough like this  
takes time, Viktor.

198

00:14:12 --> 00:14:15  
Putting that kind of power  
into everyone's hands is dangerous.

199

00:14:15 --> 00:14:17  
Keep at it and I'm sure  
you will discover a way

200

00:14:18 --> 00:14:20  
to safeguard Hextech against misuse.

201

00:14:22 --> 00:14:24  
[exclaims, sighs]

202

00:14:25 --> 00:14:29  
[tense music plays]

203

00:14:30 --> 00:14:32  
[indistinct chatter]

204

00:14:32 --> 00:14:37  
There must've been four, five of them.  
I don't know how they got inside.

205

00:14:41 --> 00:14:44  
[metal clanking]

206

00:14:55 --> 00:14:57  
[foreboding music plays]

207

00:15:04 --> 00:15:06  
[camera shutter clicks]

208

00:15:29 --> 00:15:31  
[screams]

209

00:15:41 --> 00:15:42  
[camera shutter clicks]

210

00:15:44 --> 00:15:45  
[Caitlyn grunts]

211

00:15:52 --> 00:15:53  
[groans]

212

00:15:54 --> 00:15:55  
You're from the undercity.

213

00:15:58 --> 00:16:00  
I didn't do anything. She's crazy.

214

00:16:00 --> 00:16:02  
-[grunts]  
-Easy.

215

00:16:03 --> 00:16:04  
She shot me.

216

00:16:04 --> 00:16:06  
Who shot you? Who were you working for?

217

00:16:07 --> 00:16:10  
-I can't. He'll kill me.  
-Who?

218

00:16:11 --> 00:16:13  
-[groans]  
-[Caitlyn] I can protect you.

219  
00:16:13 --> 00:16:17  
[Marcus] Caitlyn Kiramman,  
why does that not surprise me?

220  
00:16:17 --> 00:16:20  
Interfering in an investigation, again.

221  
00:16:20 --> 00:16:23  
You're supposed to be guarding  
your mother's tent.

222  
00:16:23 --> 00:16:28  
I was, Sheriff, but she doesn't need it.  
And clearly, this takes priority.

223  
00:16:28 --> 00:16:30  
I realize you're used  
to getting your way, Kiramman,

224  
00:16:30 --> 00:16:32  
but we have a chain of command  
for a reason.

225  
00:16:32 --> 00:16:33  
[Caitlyn] I understand.

226  
00:16:34 --> 00:16:36  
But there's more going on here  
than just the smuggling.

227  
00:16:36 --> 00:16:39  
-If I could just question him I could--  
-[Marcus] I'll take it from here.

228

00:16:40 --> 00:16:41  
Since you're looking for more work,

229

00:16:41 --> 00:16:43  
you can take the graveyard shift tonight  
at the fair.

230

00:16:44 --> 00:16:46  
-Yes, sir.  
-Good.

231

00:16:46 --> 00:16:49  
I want this one on a boat  
to Stillwater prison.

232

00:16:49 --> 00:16:50  
[enforcer] Yes, sir.

233

00:16:50 --> 00:16:53  
[club music plays]

234

00:17:16 --> 00:17:18  
[club music playing continues]

235

00:17:31 --> 00:17:32  
[laughs]

236

00:17:34 --> 00:17:35  
She fired on us.

237

00:17:36 --> 00:17:38  
[Silco]  
There are always mishaps in battle.

238

00:17:38 --> 00:17:42  
The Firelights were her target

and most are dead.

239

00:17:43 --> 00:17:46

It wasn't a mishap,  
she froze up and lost her shit.

240

00:17:47 --> 00:17:49

I could've handled those brats.

241

00:17:49 --> 00:17:52

-She's a problem and we all know it.  
-[Silco] We?

242

00:17:53 --> 00:17:54

Who's we?

243

00:17:57 --> 00:18:00

I expect better from you than excuses.

244

00:18:00 --> 00:18:03

It was your job to make sure  
things went smoothly.

245

00:18:04 --> 00:18:07

You failed. Don't disappoint me again.

246

00:18:09 --> 00:18:10

[grunts]

247

00:18:11 --> 00:18:13

[door opens, closes]

248

00:18:15 --> 00:18:16

[sighs]

249

00:18:16 --> 00:18:21

The world's growing smaller  
every day, thanks to the Hexgates.

250

00:18:21 --> 00:18:23  
And now, we're cut off.

251

00:18:23 --> 00:18:26  
The topsiders are leaving us  
further and further behind.

252

00:18:28 --> 00:18:29  
What happened?

253

00:18:30 --> 00:18:31  
[Jinx] She already told you.

254

00:18:33 --> 00:18:34  
I'm asking you.

255

00:18:35 --> 00:18:36  
[object thuds]

256

00:18:38 --> 00:18:40  
[Jinx] One of those Firelight wackos  
was a girl.

257

00:18:41 --> 00:18:44  
-With pink hair.  
-[Silco] Hmm...

258

00:18:52 --> 00:18:54  
Your sister's gone.

259

00:18:54 --> 00:18:57  
You know that as well as I do.

260

00:18:57 --> 00:19:00  
I know. I know. Sisters, right?  
[chuckles]

261  
00:19:00 --> 00:19:03  
You can't live with 'em, can't stuff  
'em back in the ol' babymaker.

262  
00:19:03 --> 00:19:05  
[chuckles, huffs]

263  
00:19:05 --> 00:19:08  
Today's screw-up will set us back weeks.

264  
00:19:10 --> 00:19:11  
I'm sorry.

265  
00:19:11 --> 00:19:15  
-I need to know that I can rely on you.  
-Phew.

266  
00:19:16 --> 00:19:19  
I'm doing this for us, Jinx. All of us.

267  
00:19:19 --> 00:19:24  
The sons and daughters of Zaun  
deserve more than their runoff.

268  
00:19:26 --> 00:19:27  
It won't happen again.

269  
00:19:28 --> 00:19:29  
[Silco] I know.

270  
00:19:32 --> 00:19:34  
[grunts]

271  
00:19:34 --> 00:19:37  
[heaving]

272  
00:19:38 --> 00:19:39  
[Silco sighs]

273  
00:19:41 --> 00:19:42  
Sevika will clean up today's mess.

274  
00:19:42 --> 00:19:46  
Sevika? That ogre couldn't clean  
a dust bunny with a blowtorch.

275  
00:19:46 --> 00:19:51  
She'll suffice.  
You should focus on your gadgetry.

276  
00:19:51 --> 00:19:52  
[Jinx] Ugh.

277  
00:19:53 --> 00:19:53  
Take some time.

278  
00:19:54 --> 00:19:56  
[stammers]  
I don't need time.

279  
00:19:58 --> 00:20:00  
Take it anyhow.

280  
00:20:02 --> 00:20:03  
[grunts]

281  
00:20:06 --> 00:20:08  
[crackles]

282

00:20:08 --> 00:20:11  
[indistinct chatter]

283

00:20:20 --> 00:20:23  
-[crowd laugh]  
-[approaching footsteps]

284

00:20:23 --> 00:20:24  
[Elora] Fundraiser's going well.

285

00:20:26 --> 00:20:27  
Your mother would be proud.

286

00:20:28 --> 00:20:29  
Hmm... Would she?

287

00:20:30 --> 00:20:31  
[Elora] Tired of mingling?

288

00:20:32 --> 00:20:35  
[Mel] Hmm. These people have nothing new  
to offer me.

289

00:20:36 --> 00:20:38  
The only one actually worth my time  
is him.

290

00:20:39 --> 00:20:41  
The golden boy.  
[Elora chuckles]

291

00:20:41 --> 00:20:44  
Ah, he's won Piltover's heart.

292

00:20:45 --> 00:20:47  
Oh, speak of the devil.

293  
00:20:48 --> 00:20:51  
[indistinct chatter]

294  
00:20:51 --> 00:20:52  
[laughs]

295  
00:20:53 --> 00:20:55  
[tribal music plays]

296  
00:21:02 --> 00:21:03  
Could I borrow you for a minute?

297  
00:21:08 --> 00:21:12  
-[door opens]  
-[footsteps approaching]

298  
00:21:12 --> 00:21:13  
[door closes]

299  
00:21:15 --> 00:21:16  
[Mel] To what do I owe the pleasure?

300  
00:21:18 --> 00:21:20  
It's Heimerdinger.

301  
00:21:20 --> 00:21:21  
[Mel scoffs]  
When is it not?

302  
00:21:22 --> 00:21:23  
[Jayce] We've shown him our research.

303  
00:21:24 --> 00:21:25  
He thinks we need more time.

304

00:21:25 --> 00:21:27  
It's Progress Day.

305

00:21:27 --> 00:21:28  
Representatives from all over the world

306

00:21:29 --> 00:21:32  
have come to see what new wonders  
the City of Progress has to offer.

307

00:21:32 --> 00:21:35  
If there's a time to present  
a new creation, it is now.

308

00:21:35 --> 00:21:37  
[sighs]

309

00:21:37 --> 00:21:38  
Great.

310

00:21:38 --> 00:21:40  
[chuckles]

311

00:21:41 --> 00:21:46  
Heimerdinger is a great scientist.  
But he's old. He only ever sees the past.

312

00:21:47 --> 00:21:49  
Piltover needs a leader who looks forward.

313

00:21:50 --> 00:21:52  
Someone like you.

314

00:21:52 --> 00:21:53  
You really believe that?

315

00:21:54 --> 00:21:58  
Hextech has the potential  
to change everything.

316

00:21:59 --> 00:22:00  
The world is ready.

317

00:22:00 --> 00:22:02  
And I've already spoken  
to several potential investors.

318

00:22:02 --> 00:22:03  
Investors?

319

00:22:03 --> 00:22:05  
Of course.

320

00:22:05 --> 00:22:07  
[chuckling]  
Everyone wants Hextech for themselves.

321

00:22:08 --> 00:22:09  
It's your speech.

322

00:22:09 --> 00:22:12  
Give the people a glimpse of the future.

323

00:22:16 --> 00:22:18  
[chilling music plays]

324

00:22:19 --> 00:22:21  
[bats chitter]

325

00:22:21 --> 00:22:23  
[creaking]

326  
00:22:27 --> 00:22:28  
It wasn't her.

327  
00:22:33 --> 00:22:34  
It wasn't.

328  
00:22:38 --> 00:22:42  
I know. Just...  
just some wannabe street trash.

329  
00:22:42 --> 00:22:44  
I got confused, that's all.

330  
00:22:44 --> 00:22:47  
Now, he thinks I'm weak.

331  
00:22:49 --> 00:22:51  
"Sevika will clean it up."

332  
00:22:51 --> 00:22:54  
Sevika's a regular Johnny-on-the-spot.

333  
00:22:56 --> 00:22:58  
I'm not weak.

334  
00:23:05 --> 00:23:07  
And I'm gonna show him.

335  
00:23:07 --> 00:23:10  
Oh, I'm gonna show him. You'll see.

336  
00:23:11 --> 00:23:13  
[explosion]

337  
00:23:14 --> 00:23:16

[crowd cheer]

338

00:23:17 --> 00:23:19

[coughs]

339

00:23:19 --> 00:23:22

[approaching footsteps]

340

00:23:22 --> 00:23:23

Where were you?

341

00:23:23 --> 00:23:26

They were asking  
if I could do the address.

342

00:23:26 --> 00:23:28

You should come up with me.  
We're partners.

343

00:23:28 --> 00:23:32

No, no. Not in front of all of them...

344

00:23:34 --> 00:23:36

You... have your speech prepared?

345

00:23:37 --> 00:23:38

Uh-huh.

346

00:23:38 --> 00:23:41

[Mrs. Kiramman] An inspiration  
to Piltover's future

347

00:23:41 --> 00:23:44

and that of all humanity.

348

00:23:44 --> 00:23:48

Please join me in welcoming to the stage..

349

00:23:49 --> 00:23:51

-Jayce Talis.

-Guess it's time.

350

00:23:51 --> 00:23:55

-[crowd applauding]

-[grand music plays]

351

00:23:59 --> 00:24:02

[crowd cheering]

352

00:24:07 --> 00:24:09

[crowd whistling]

353

00:24:31 --> 00:24:32

Uh, good evening.

354

00:24:34 --> 00:24:37

I know many of you probably didn't expect  
to see me here today.

355

00:24:37 --> 00:24:39

And believe me,

I'm just as shocked as you are.

356

00:24:39 --> 00:24:41

[crowd applauding]

357

00:24:47 --> 00:24:51

My family and I are simple people.

In our factory, we made hammers.

358

00:24:52 --> 00:24:55

They were probably used to cut the stones  
you're standing on right now.

359

00:24:56 --> 00:24:59  
No one in my life  
expected very much of me.

360

00:24:59 --> 00:25:04  
And that is precisely what makes  
this moment so extraordinary.

361

00:25:05 --> 00:25:08  
A few years ago, the Hexgates  
opened their ports to the world

362

00:25:08 --> 00:25:13  
and made Piltover prosper beyond anything  
we could have ever imagined.

363

00:25:13 --> 00:25:15  
[crowd cheer]

364

00:25:16 --> 00:25:18  
[man whistles]

365

00:25:21 --> 00:25:23  
But... we're not done yet.

366

00:25:23 --> 00:25:26  
[mysterious music plays]

367

00:25:36 --> 00:25:39  
This year, we've created something new  
for you.

368

00:25:42 --> 00:25:44  
Something that... um...

369

00:25:45 --> 00:25:46  
[microphone feedback]

370

00:25:52 --> 00:25:55  
That we will share with you...

371

00:25:55 --> 00:25:58  
[crowd mutter]

372

00:25:58 --> 00:25:59  
...when the time is right.

373

00:26:00 --> 00:26:01  
[crowd exclaiming]

374

00:26:01 --> 00:26:03  
[crowd muttering]

375

00:26:05 --> 00:26:07  
Things that will bring an end  
to your hardships.

376

00:26:07 --> 00:26:09  
Whether you're the scion  
of our high houses,

377

00:26:10 --> 00:26:12  
or an honest laborer from the underground.

378

00:26:12 --> 00:26:15  
We vow to keep pressing forward,  
for we are the City of Progress.

379

00:26:16 --> 00:26:17  
And our future is bright.

380

00:26:17 --> 00:26:21  
[crowd cheer]

381

00:26:21 --> 00:26:23  
[fireworks crackle]

382

00:26:25 --> 00:26:27  
[gasps]

383

00:26:34 --> 00:26:37  
[epic music playing continues]

384

00:26:46 --> 00:26:48  
[duty captain] That it, then?

385

00:26:48 --> 00:26:50  
I thought that Talis boy  
was some kind of genius.

386

00:26:50 --> 00:26:53  
Last year, didn't he launch a blimp  
halfway across the continent?

387

00:26:53 --> 00:26:54  
[Caitlyn] Airship, actually.

388
