[exhales]

197

00:13:14 --> 00:13:15

[chuckles]

198

00:13:16 --> 00:13:17

Let's talk outside.

199

00:13:18 --> 00:13:20

Can't you see we're playing?

200

00:13:20 --> 00:13:24

You remember our old friend Vi, don't you?

201

00:13:24 --&gt; 00:13:27

Vander's daughter. She was about your age.

202

00:13:28 --&gt; 00:13:33

Her father went on a long trip and Daddy here assured me that she left with him.

203

00:13:33 --&gt; 00:13:34

[gulps]

204

00:13:34 --&gt; 00:13:38

But it seems she never made it.  
Isn't that sad?

205

00:13:38 --&gt; 00:13:42

Could you imagine being separated  
from your father?

206

00:13:42 --&gt; 00:13:43

[gasps]

207

00:13:44 --&gt; 00:13:47

She's... in a safe place.

208

00:13:47 --&gt; 00:13:49

She's in the Lanes.

209

00:13:50 --&gt; 00:13:51

That's not possible.

210

00:13:51 --&gt; 00:13:57

There's an enforcer with her. A girl.  
Roughly the same age.

211

00:13:57 --&gt; 00:14:01

Caitlyn. She's a Kiramman. Just like them,

she does whatever she wants.

212

00:14:01 --> 00:14:03  
I... can't control her.

213

00:14:06 --> 00:14:08  
Then of what use are you?

214

00:14:09 --> 00:14:10  
I'll track her down.

215

00:14:11 --> 00:14:13  
I can fix this.

216

00:14:14 --> 00:14:15  
Please.

217

00:14:16 --> 00:14:19  
Everyone makes mistakes, right?

218

00:14:20 --> 00:14:23  
What's important  
is that we don't repeat them.

219

00:14:24 --> 00:14:26  
-My people are tracking Vi and this...  
-[scoffs]

220

00:14:26 --> 00:14:30  
...Caitlyn.  
They cannot be allowed to resurface.

221

00:14:31 --> 00:14:33  
[Silco] Do we understand each other?

222

00:14:34 --> 00:14:35

Hmm.

223  
00:14:39 --> 00:14:40  
[chuckles]

224  
00:14:40 --> 00:14:41  
[gasps]

225  
00:14:47 --> 00:14:48  
Hmm.

226  
00:14:48 --> 00:14:49  
[clattering]

227  
00:14:49 --> 00:14:50  
[gasps]

228  
00:14:50 --> 00:14:54  
Oops. Ah. So sorry. Accidents happen.

229  
00:14:57 --> 00:15:01  
[warp music]

230  
00:15:04 --> 00:15:05  
[Viktor] Watch.

231  
00:15:12 --> 00:15:15  
It responds to organic matter.

232  
00:15:21 --> 00:15:23  
[zapping]

233  
00:15:24 --> 00:15:25  
[Jayce] Incredible.

234

00:15:26 --> 00:15:29  
This is unlike anything  
we've ever seen, Jayce.

235  
00:15:29 --> 00:15:33  
It, it, it could be the key to augmenting  
physiology, extending life...

236  
00:15:33 --> 00:15:36  
-Curing you.  
-[squeals]

237  
00:15:36 --> 00:15:38  
[rumbles]

238  
00:15:40 --> 00:15:41  
It's happened to everyone.

239  
00:15:43 --> 00:15:44  
I can't determine why.

240  
00:15:46 --> 00:15:49  
They're... rejecting the transmutation.

241  
00:15:49 --> 00:15:51  
[solemn music]

242  
00:15:53 --> 00:15:54  
[sighs]

243  
00:15:57 --> 00:15:59  
-We'll solve this.  
-There may not be time.

244  
00:16:00 --> 00:16:02  
We're in uncharted waters here and...

245

00:16:03 --&gt; 00:16:07

I can feel my body... eroding.

246

00:16:09 --&gt; 00:16:12

I'll have Sky bring Heimerdinger.  
He might know something that could help.

247

00:16:12 --&gt; 00:16:15

In the meantime, we'll do what we do best.

248

00:16:18 --&gt; 00:16:20

[pants]

249

00:16:21 --&gt; 00:16:23

[Vi grunts]

250

00:16:24 --&gt; 00:16:26

[distant squeal]

251

00:16:26 --&gt; 00:16:28

[belches, munches]

252

00:16:29 --&gt; 00:16:30

What is this place?

253

00:16:30 --&gt; 00:16:32

It's where the kind of people  
you topsiders

254

00:16:32 --&gt; 00:16:36

-don't want to think about, wind up.  
-[man 1 whimpers]

255

00:16:38 --&gt; 00:16:39

[snarls]

256

00:16:40 --> 00:16:41  
[man 2 whimpers]

257

00:16:41 --> 00:16:44  
-[quivers]  
-[gasps]

258

00:16:47 --> 00:16:48  
[Vi] It was never this big, though.

259

00:16:51 --> 00:16:52  
There.

260

00:16:58 --> 00:17:00  
[insects chirp]

261

00:17:00 --> 00:17:01  
[grunts]

262

00:17:02 --> 00:17:05  
[Powder laughs]

263

00:17:06 --> 00:17:09  
[ominous music]

264

00:17:14 --> 00:17:15  
[exhales]

265

00:17:21 --> 00:17:24  
[ominous music continues]

266

00:17:30 --> 00:17:32  
I know you have your reservations  
about me,

267

00:17:32 --> 00:17:34  
but this only works  
if we can trust each other.

268

00:17:34 --> 00:17:37  
It doesn't work. It never has.

269

00:17:37 --> 00:17:39  
You topsiders always find a way  
to screw us.

270

00:17:39 --> 00:17:42  
I suppose topside is to blame  
for all your misfortunes.

271

00:17:43 --> 00:17:45  
-[Powder hums]  
-[Vi] No.

272

00:17:46 --> 00:17:48  
Not all of them.

273

00:17:48 --> 00:17:51  
We aren't monsters, you know.  
We're people, just like you.

274

00:17:52 --> 00:17:54  
You don't know anything about me.

275

00:17:54 --> 00:17:56  
[quivers]

276

00:17:56 --> 00:17:58  
I shouldn't have left you.

277

00:17:58 --> 00:18:03  
It's all right.

Despite it all, I can tell...

278

00:18:04 --> 00:18:05  
you have a good heart.

279

00:18:06 --> 00:18:09  
-[exhales]  
-[Vander] You've got a good heart.

280

00:18:14 --> 00:18:15  
What is that?

281

00:18:18 --> 00:18:20  
I'm calling it the Hexcore.

282

00:18:21 --> 00:18:26  
It's an adaptive rune matrix.  
Hextech that evolves.

283

00:18:27 --> 00:18:28  
[gibbers]

284

00:18:28 --> 00:18:29  
[stammers]  
It's groundbreaking.

285

00:18:29 --> 00:18:33  
[Jayce] What's most exciting  
is that it reacts to biological matter.

286

00:18:33 --> 00:18:36  
There are stories of healing magic.  
Our samples thus far have perished...

287

00:18:36 --> 00:18:39  
[suspenseful music]

288

00:18:39 --> 00:18:41  
[explosion]

289

00:18:43 --> 00:18:45  
You must destroy it.

290

00:18:45 --> 00:18:46  
What?

291

00:18:48 --> 00:18:52  
Please, if ever you've put faith  
in my guidance, hear me now.

292

00:18:52 --> 00:18:55  
I've seen nations destroyed  
by a single seed and it looked...

293

00:18:57 --> 00:18:58  
exactly like this.

294

00:18:59 --> 00:19:01  
Professor, this could save Viktor's life.

295

00:19:02 --> 00:19:07  
Viktor, something's different.  
You've changed. What did you do?

296

00:19:07 --> 00:19:09  
[stammers]  
What do you mean, Professor?

297

00:19:11 --> 00:19:15  
It's that thing. It must be destroyed!

298

00:19:15 --> 00:19:18  
-Wait.

-No. I won't let you.

299

00:19:18 --> 00:19:21

-[barks]

-Jayce, this is a violation of the Ethos.

300

00:19:21 --> 00:19:25

I will have it destroyed  
one way or another.

301

00:19:25 --> 00:19:28

That's your opinion.  
We'll see if the Council agrees.

302

00:19:29 --> 00:19:31

[pet coos]

303

00:19:32 --> 00:19:34

[barks]

304

00:19:35 --> 00:19:37

[groans]

305

00:19:39 --> 00:19:41

I might know someone else who could help.

306

00:19:41 --> 00:19:44

You do what you have to.  
I need to get ready.

307

00:19:47 --> 00:19:47

For what?

308

00:19:53 --> 00:19:54

[exhales]

309

00:19:56 --> 00:19:57  
[breathes deeply]

310  
00:20:00 --> 00:20:02  
-Is she all right?  
-[gasps]

311  
00:20:04 --> 00:20:05  
Wait, wait, wait! Easy. Easy.

312  
00:20:05 --> 00:20:07  
[stammers]  
That's Vi, right?

313  
00:20:09 --> 00:20:11  
[stutters]  
I'm a friend.

314  
00:20:12 --> 00:20:13  
[gasps]

315  
00:20:13 --> 00:20:17  
Or at least I was. I mean,  
I... I owed her old man my life.

316  
00:20:18 --> 00:20:20  
Probably more than that.

317  
00:20:21 --> 00:20:22  
I guess.

318  
00:20:22 --> 00:20:25  
-She's bleeding. She needs a doctor.  
-[laughs]

319  
00:20:26 --> 00:20:29  
Not so simple to come by around here.

[laughs nervously]

320  
00:20:29 --> 00:20:30  
-Hey.  
-[both grunt]

321  
00:20:30 --> 00:20:31  
I'm sorry.

322  
00:20:32 --> 00:20:37  
Oh, oh. But, ah, I do know someone else  
who might be able to help.

323  
00:20:38 --> 00:20:40  
[clears throat]  
Come with me.

324  
00:20:43 --> 00:20:44  
[chimes]

325  
00:20:44 --> 00:20:46  
[gasps, clears throat]

326  
00:20:46 --> 00:20:48  
[door opens]

327  
00:20:50 --> 00:20:53  
[snarls]  
Ailment?

328  
00:20:53 --> 00:20:54  
Uh...

329  
00:20:57 --> 00:20:59  
Uh... she's been stabbed.

330

00:20:59 --> 00:21:00  
[exhales]

331  
00:21:01 --> 00:21:02  
[snarls]

332  
00:21:04 --> 00:21:05  
She makes potions.

333  
00:21:05 --> 00:21:07  
Helps people here with...  
[gasps]

334  
00:21:07 --> 00:21:10  
...with this.

335  
00:21:11 --> 00:21:14  
Shimmer. Why would you take something  
that does that to you?

336  
00:21:15 --> 00:21:19  
I just... wanted to feel what it was like...

337  
00:21:19 --> 00:21:23  
To be somebody.  
To make other people afraid.

338  
00:21:24 --> 00:21:26  
-Instead of--  
-[deep growl]

339  
00:21:26 --> 00:21:28  
-[door opens]  
-[apothecary] Trade.

340  
00:21:28 --> 00:21:29  
[gasps]

341  
00:21:30 --> 00:21:32  
[snarls]

342  
00:21:38 --> 00:21:39  
[gasps]

343  
00:21:40 --> 00:21:41  
[rifle unloads]

344  
00:21:46 --> 00:21:48  
[snarls]

345  
00:21:50 --> 00:21:53  
[apothecary grunts]

346  
00:21:56 --> 00:21:58  
-Thank you, I really--  
-[door bangs]

347  
00:21:59 --> 00:22:03  
Let's go. I think Vi will be happy  
to see a friendly face.

348  
00:22:03 --> 00:22:06  
[stammers]  
No, no. You go ahead.

349  
00:22:06 --> 00:22:09  
She knew me when I was still...

350  
00:22:09 --> 00:22:13  
Anyway, I don't want her  
to see me like this.

351  
00:22:13 --> 00:22:19

Just tell her, uh, tell her I'm sorry.  
About everything.

352  
00:22:19 --> 00:22:21  
Okay?  
[grunts]

353  
00:22:21 --> 00:22:23  
[exhales]

354  
00:22:23 --> 00:22:26  
[dramatic music]

355  
00:22:34 --> 00:22:37  
I found this on one of the Firelights.

356  
00:22:37 --> 00:22:40  
It matches fragments we found  
outside your lab and at the Hexgates.

357  
00:22:42 --> 00:22:46  
I... have reason to believe  
they're planning more attacks.

358  
00:22:47 --> 00:22:49  
Well, how has this threat  
gone unnoticed for so long?

359  
00:22:49 --> 00:22:53  
Since the Hexgates were completed,  
the fissures haven't been a priority.

360  
00:22:53 --> 00:22:56  
Oh, we'll settle that later. For now,  
we need to prevent any further attacks.

361  
00:22:56 --> 00:23:00

Short of searching everyone  
who crosses the bridges.

362

00:23:00 --> 00:23:02  
I don't know how we can.

363

00:23:03 --> 00:23:04  
Then, that's what we'll do.

364

00:23:04 --> 00:23:09  
-Are you certain? This sort of an order--  
-Do it. We have to protect the city.

365

00:23:16 --> 00:23:17  
One other thing.

366

00:23:17 --> 00:23:20  
I saw Caitlyn Kiramman had a prisoner  
released on your order.

367

00:23:22 --> 00:23:24  
Is there anything I can assist with?

368

00:23:26 --> 00:23:29  
[Jayce] No. No, uh, we've got it covered.

369

00:23:30 --> 00:23:34  
[Heimerdinger]  
Councilors, we have lost our way.

370

00:23:35 --> 00:23:39  
This city was founded  
to be a bastion of enlightenment.

371

00:23:39 --> 00:23:43  
In a world that cannibalized itself  
over power and pride.

372

00:23:44 --> 00:23:45  
But we've forgotten.

373

00:23:46 --> 00:23:50  
Loosened our morals in favor  
of comfort and convenience.

374

00:23:50 --> 00:23:52  
Traded honor for prestige.

375

00:23:53 --> 00:23:54  
We were once one tribe.

376

00:23:55 --> 00:23:57  
Now we are Houses divided.

377

00:23:58 --> 00:24:04  
I believe, if we set aside our greed  
and arrogance, we can be one again.

378

00:24:05 --> 00:24:09  
It will take vigilance.  
We must hold each other accountable.

379

00:24:09 --> 00:24:10  
And who holds you accountable?

380

00:24:11 --> 00:24:12  
[Heimerdinger] What?

381

00:24:12 --> 00:24:14  
[Jayce]  
Shimmer is rampant in the undercity.

382

00:24:14 --> 00:24:17

Attacks at the Hexgates  
and in the Academy Square.

383

00:24:17 --> 00:24:22  
Enforcers fear to set foot in the Lanes.  
All under your watch.

384

00:24:23 --> 00:24:25  
Jayce, you forget yourself.

385

00:24:25 --> 00:24:26  
I'm sorry, Professor,

386

00:24:26 --> 00:24:28  
but healing this city  
will take more than just speeches.

387

00:24:29 --> 00:24:32  
Time and again,  
you've warned us what not to do.

388

00:24:32 --> 00:24:37  
But let me ask you this,  
what's your plan to fix this?

389

00:24:37 --> 00:24:39  
I see what this is about.

390

00:24:39 --> 00:24:42  
Your Hextech projects need more time.  
More safeguards.

391

00:24:42 --> 00:24:47  
Humans don't live for centuries.  
We can't wait for progress.

392

00:24:48 --> 00:24:52

We need a leadership  
focused on the future, not the past.

393

00:24:53 --> 00:24:55  
You are the true Father of Piltover,

394

00:24:55 --> 00:24:58  
and your years of service  
can never be repaid.

395

00:24:59 --> 00:25:02  
I believe it's time we gave  
the beloved founder of our city...

396

00:25:03 --> 00:25:05  
a well-deserved retirement.

397

00:25:05 --> 00:25:07  
Jayce, don't do this.

398

00:25:09 --> 00:25:10  
Hmm.

399

00:25:11 --> 00:25:13  
[breathes heavily]

400

00:25:15 --> 00:25:16  
[slurps]

401

00:25:17 --> 00:25:20  
[Jayce] It has to be unanimous.  
All in favor?

402

00:25:24 --> 00:25:25  
[sighs]

403

00:25:27 --> 00:25:31  
With my deepest respect and appreciation,  
Professor.

404  
00:25:31 --> 00:25:32  
[echoing loud clang]

405  
00:25:32 --> 00:25:33  
[gasps]

406  
00:25:34 --> 00:25:36  
[echoing loud clang]

407  
00:25:36 --> 00:25:37  
[exclaims]

408  
00:25:38 --> 00:25:39  
[echoing loud clang]

409  
00:25:40 --> 00:25:43  
[clanging continues]

410  
00:25:49 --> 00:25:51  
-[echoing loud clang]  
-[gasps]

411  
00:25:52 --> 00:25:55  
[somber music]

412  
00:26:02 --> 00:26:03  
Vi.

413  
00:26:03 --> 00:26:06  
[Vi pants]

414  
00:26:07 --> 00:26:08

[gulping]

415

00:26:08 --> 00:26:10

[exhales]

416

00:26:11 --> 00:26:12

[screams]

417

00:26:13 --> 00:26:15

[Vi breathes heavily]

418

00:26:16 --> 00:26:19

-Easy, easy, easy.

-[whimpers]

419

00:26:23 --> 00:26:24

We need you back on your feet.

420

00:26:25 --> 00:26:28

What was the name Sevika gave you? Jinx?

421

00:26:29 --> 00:26:30

[grunts]

422

00:26:33 --> 00:26:36

Right. Jinx. How could I forget?

423

00:26:36 --> 00:26:38

We're going to have  
to be more careful now.

424

00:26:38 --> 00:26:40

-Silco will be watching--

-[rumbles]

425

00:26:40 --> 00:26:42

[creaks]

426

00:26:52 --> 00:26:53

[Caitlyn] You used to live here?

427

00:26:54 --> 00:26:56

Who's Powder?

428

00:26:57 --> 00:26:58

[exhales]

429

00:26:58 --> 00:27:02

My sister. I thought she died, but, no.

430

00:27:02 --> 00:27:04

I have to try and find her.

431

00:27:04 --> 00:27:07

How do you not know  
if your sister is alive or dead?

432

00:27:07 --> 00:27:11

It's hard to check up on people  
from inside a concrete cell.

433

00:27:11 --> 00:27:12

What, you don't have parents?

434

00:27:13 --> 00:27:16

No! They were killed by enforcers.

435

00:27:17 --> 00:27:18

[gasps]

436

00:27:20 --> 00:27:22

-[metal clangs]

-[exclaims]

437

00:27:26 --> 00:27:29  
[gasps, exhales]

438

00:27:29 --> 00:27:31  
[grunts softly]

439

00:27:34 --> 00:27:36  
[gasps]

440

00:27:36 --> 00:27:39  
[all panting]

441

00:27:39 --> 00:27:40  
[chuckles]

442

00:27:42 --> 00:27:43  
Vander's prodigy.

443

00:27:44 --> 00:27:46  
[man 1 whimpers]

444

00:27:48 --> 00:27:50  
[grunts]

445

00:27:50 --> 00:27:51  
[chuckles]

446

00:27:51 --> 00:27:55  
I've regretted that we never had  
the opportunity to speak.

447

00:27:56 --> 00:27:57  
[gasps]

448  
00:27:58 --> 00:28:00  
[grunts]

449  
00:28:01 --> 00:28:03  
What have you done with my sister?

450  
00:28:03 --> 00:28:06  
-I've freed her.  
-[men growling]

451  
00:28:06 --> 00:28:10  
Candidly, I thought you were the prize  
of your secondhand family.

452  
00:28:11 --> 00:28:12  
But Jinx...

453  
00:28:15 --> 00:28:16  
[man 2 growls]

454  
00:28:16 --> 00:28:18  
Oh. She is more than I ever imagined.

455  
00:28:20 --> 00:28:23  
[mysterious music]

456  
00:28:28 --> 00:28:33  
I'm gonna find her and erase whatever  
fucked-up delusions you put in her head.

457  
00:28:33 --> 00:28:37  
[Vi] But first, I'm gonna bring  
your bullshit empire down all around you.

458  
00:28:39 --> 00:28:40  
[Caitlyn grunts]

459

00:28:40 --> 00:28:43  
You don't know your limits, girl.  
It's what got Vander killed.

460

00:28:43 --> 00:28:47  
What drove your sister away.  
And it's why I'm here right now.

461

00:28:49 --> 00:28:50  
-Yeah, well...  
-[groans]

462

00:28:50 --> 00:28:52  
[screeches]

463

00:28:53 --> 00:28:54  
You talk too much.

464

00:28:54 --> 00:28:56  
-[man 3 snarls]  
-[Vi grunts]

465

00:28:58 --> 00:29:00  
[rumbles]

466

00:29:01 --> 00:29:03  
[loud thump]

467

00:29:04 --> 00:29:06  
[suspenseful music]

468

00:29:07 --> 00:29:07  
[loud clanging]

469

00:29:10 --> 00:29:11

[loud crash]

470

00:29:12 --> 00:29:13

[snarls]

471

00:29:16 --> 00:29:18

[rumbles]

472

00:29:21 --> 00:29:24

[somber music]

473

00:29:26 --> 00:29:27

[gasps]

474

00:29:33 --> 00:29:36

[Vi] Wherever you are,  
light it up and I'll find you.

475

00:29:36 --> 00:29:38

[exhales]

476

00:29:38 --> 00:29:39

[flame sizzles]

477

00:29:39 --> 00:29:41

[somber music continues]

478

00:29:47 --> 00:29:48

[grunts]

479

00:29:49 --> 00:29:51

[both panting]

480

00:30:00 --> 00:30:01

[crackling]

481  
00:30:18 --> 00:30:19  
[running footsteps]

482  
00:30:25 --> 00:30:26  
[Silco shouts]

483  
00:30:28 --> 00:30:31  
[somber music rises]

484  
00:30:34 --> 00:30:39  
[inaudible]

485  
00:31:07 --> 00:31:10  
[somber music]

486  
00:31:19 --> 00:31:21  
[wind gusts]

487  
00:31:21 --> 00:31:24  
[water drops]

488  
00:31:27 --> 00:31:30  
[ominous music]

489  
00:31:32 --> 00:31:33  
[gasps]

490  
00:31:33 --> 00:31:35  
[Rio squeals]

491  
00:31:35 --> 00:31:37  
[growls in pain]

492  
00:31:39 --> 00:31:40  
[gasps]

493  
00:31:44 --> 00:31:46  
Rio will live.

494  
00:31:46 --> 00:31:47  
You did this?

495  
00:31:47 --> 00:31:53  
I thought you understood.  
The mutation must survive.

496  
00:31:56 --> 00:31:58  
[hisses]

497  
00:31:58 --> 00:31:59  
[Rio grunts]

498  
00:32:03 --> 00:32:04  
[Rio bellows]

499  
00:32:09 --> 00:32:12  
[ominous music continues]

500  
00:32:20 --> 00:32:22  
I understand now.

501  
00:32:22 --> 00:32:24  
[burbling]

502  
00:32:32 --> 00:32:34  
[grunts]

503  
00:32:36 --> 00:32:37  
[grumbles]

504

00:32:37 --> 00:32:40  
How many problems can one girl cause?

505  
00:32:44 --> 00:32:46  
[foreboding music]

506  
00:32:48 --> 00:32:50  
[clinking]

507  
00:32:51 --> 00:32:52  
[groans]

508  
00:32:59 --> 00:33:00  
[crow caws]

509  
00:33:02 --> 00:33:04  
[cawing continues]

510  
00:33:09 --> 00:33:11  
[flame sizzles]

511  
00:33:12 --> 00:33:13  
[dramatic music]

512  
00:33:15 --> 00:33:16  
[wind howling]

513  
00:33:16 --> 00:33:17  
[grunts]

514  
00:33:17 --> 00:33:18  
[shouts]

515  
00:33:18 --> 00:33:21  
[pants]

516  
00:33:22 --> 00:33:24  
-[grunts]  
-[Vi] Powder?

517  
00:33:24 --> 00:33:26  
[wind howling]

518  
00:33:29 --> 00:33:30  
-[gasps]  
-[footsteps approaching]

519  
00:33:33 --> 00:33:35  
[footsteps continue]

520  
00:33:36 --> 00:33:38  
-[Jinx] Vi?  
-[sobs]

521  
00:33:38 --> 00:33:39  
Oh, Powder!

522  
00:33:40 --> 00:33:42  
[dramatic music]

523  
00:33:45 --> 00:33:46  
[crow caws]

524  
00:33:48 --> 00:33:49  
[sobs]

525  
00:33:50 --> 00:33:52  
I'm so sorry, Powder. I...

526  
00:33:52 --> 00:33:56  
I tried to come back. I promise, I did.  
But I... I got arrested.

527

00:33:56 --&gt; 00:33:57

Marcus?

528

00:33:57 --&gt; 00:33:59

I don't know. I... It doesn't matter.

529

00:33:59 --&gt; 00:34:01

I just... I never thought I'd see you again.

530

00:34:04 --&gt; 00:34:05

Are you real?

531

00:34:07 --&gt; 00:34:11

Yes, of course. It's me, Vi, your sister.

532

00:34:11 --&gt; 00:34:13

[stammers]

I'm here. I'm right here.

533

00:34:15 --&gt; 00:34:19

[sobs]

Things changed when you left. I changed.

534

00:34:20 --&gt; 00:34:24

I know, Pow-pow, I know.

You did what you had to do to survive.

535

00:34:25 --&gt; 00:34:28

[exhales]

Me too. It's okay.

536

00:34:28 --&gt; 00:34:31

What matters is we're together.

537

00:34:31 --&gt; 00:34:32

[crow caws]

538

00:34:33 --> 00:34:35  
[footsteps stomping]

539

00:34:37 --> 00:34:38  
[Jinx gasps]

540

00:34:39 --> 00:34:40  
Who's she?

541

00:34:40 --> 00:34:41  
Who are you?

542

00:34:41 --> 00:34:44  
-[crow caws]  
-It's okay. She's a friend.

543

00:34:44 --> 00:34:48  
Sevika wasn't lying?  
You're with an enforcer?

544

00:34:51 --> 00:34:53  
Your sister is Jinx?

545

00:34:53 --> 00:34:56  
Caitlyn, just listen,  
we can work this out.

546

00:34:56 --> 00:34:59  
This is a trick! You're playing me!

547

00:34:59 --> 00:35:01  
Shut up! I'm in no mood.

548

00:35:02 --> 00:35:03

[Caitlyn] We didn't say anything.

549

00:35:03 --> 00:35:04  
I wasn't talking to you!

550

00:35:04 --> 00:35:06  
Powder, it's okay.

551

00:35:06 --> 00:35:08  
Stop calling me that.

552

00:35:08 --> 00:35:11  
It's Jinx now. Powder fell down a well.

553

00:35:12 --> 00:35:13  
You're not a jinx.

554

00:35:13 --> 00:35:15  
-God, I never should have--  
-Stop talking to me like I'm a child!

555

00:35:15 --> 00:35:17  
Was that why you came?

556

00:35:17 --> 00:35:19  
For this stupid stone?  
[chuckles]

557

00:35:19 --> 00:35:22  
No, I don't even know what that is, I...

558

00:35:22 --> 00:35:25  
[chuckles]  
You're a class act, Sister.

559

00:35:25 --> 00:35:29

Sister. Thought I missed her.  
Bet you wouldn't miss her.

560

00:35:29 --> 00:35:32  
Powder! I'm here for you. Only you.

561

00:35:32 --> 00:35:35  
You can fire that thing if you want,  
but I'm not going anywhere.

562

00:35:35 --> 00:35:37  
I'm not going to abandon you again.

563

00:35:41 --> 00:35:44  
-Everyone, shut up, I need to think.  
-[echoing voices]

564

00:35:44 --> 00:35:46  
Do you hear that?

565

00:35:46 --> 00:35:48  
[voices squeal]

566

00:35:49 --> 00:35:50  
[crow caws]

567

00:35:51 --> 00:35:52  
[suspenseful music]

568

00:35:52 --> 00:35:54  
[metal creaks]

569

00:35:56 --> 00:35:58  
[low indistinct mumble]

570

00:35:59 --> 00:36:01

[suspenseful music continues]

571

00:36:01 --> 00:36:03  
[whooshing]

572

00:36:04 --> 00:36:05  
[Caitlyn grunts]

573

00:36:12 --> 00:36:13  
[gunshots]

574

00:36:15 --> 00:36:16  
[both grumble]

575

00:36:18 --> 00:36:19  
[gunshots]

576

00:36:20 --> 00:36:21  
[gunshots continue]

577

00:36:24 --> 00:36:26  
[both groan]

578

00:36:28 --> 00:36:29  
[man 1 yelps]

579

00:36:29 --> 00:36:30  
-[gunshot]  
-[cracks]

580

00:36:32 --> 00:36:34  
[ticking]

581

00:36:35 --> 00:36:36  
-[explosion]  
-[man 1 grunts]

582  
00:36:37 --> 00:36:38  
[Vi gasps]

583  
00:36:39 --> 00:36:40  
[grunts]

584  
00:36:41 --> 00:36:44  
[both grumbling]

585  
00:36:44 --> 00:36:46  
[gunshots]

586  
00:36:46 --> 00:36:48  
[tense music]

587  
00:36:49 --> 00:36:51  
[gunshots continue]

588  
00:36:52 --> 00:36:54  
[laughs]

589  
00:36:58 --> 00:36:59  
[gunshots continue]

590  
00:36:59 --> 00:37:01  
[Caitlyn grunts]

591  
00:37:05 --> 00:37:07  
-[flame sizzles]  
-[gunshots]

592  
00:37:10 --> 00:37:13  
[man 1 grumbles]

593

00:37:13 --> 00:37:15  
[both grunting]

594

00:37:16 --> 00:37:17  
[groans]

595

00:37:17 --> 00:37:20  
[tense music]
