[Vi] You built all this?

206
00:11:23 --> 00:11:24
[Ekko] Not alone.

207
00:11:25 --> 00:11:27
-After Vander...
-[boy laughs]

208
00:11:28 --> 00:11:29
...died,

209
00:11:29 --> 00:11:31
Silco flooded the lanes with Shimmer.

210
00:11:32 --> 00:11:34
[Ekko] He didn't care
what it did to people.

211
00:11:35 --> 00:11:37
Everyone here was an addict or a victim.

212
00:11:38 --> 00:11:39
Hi.

213
00:11:39 --> 00:11:41
[Ekko] They needed
somewhere safe to start again.

214
00:11:42 --> 00:11:44
[children chatter]

215
00:11:44 --> 00:11:47
I should have been there.
For you. For everyone.

216
00:11:48 --> 00:11:50
That's a good way to drive yourself crazy.

217
00:11:51 --> 00:11:55
[Ekko] If I just went with you that day,
maybe none of this would have happened.

218
00:11:55 --> 00:11:59
Or maybe you'd be dead. Or... changed.

219

00:12:00 --> 00:12:01
Powder's gone, Vi.

220

00:12:01 --> 00:12:03
All that's left is Jinx
and she belongs to Silco.

221

00:12:03 --> 00:12:07
You're wrong. She's still in there.
I can reach her.

222

00:12:07 --> 00:12:08
You can't.

223

00:12:09 --> 00:12:10
[sighs]

224

00:12:11 --> 00:12:12
I know my sister.

225

00:12:16 --> 00:12:17
I got one more thing to show you.

226

00:12:19 --> 00:12:23
[mysterious music]

227

00:12:26 --> 00:12:29
[mysterious music continues]

228

00:12:29 --> 00:12:32
[Ekko] This is everyone we've lost.

229

00:12:35 --> 00:12:36
The price of our freedom.

230

00:12:37 --> 00:12:38
Some of it was Enforcers.

231

00:12:39 --> 00:12:41
[Ekko] Most was Silco.

232

00:12:42 --> 00:12:47
Your sister works for him not because
she has to, but because she wants to.

233

00:12:47 --> 00:12:49
I'm sorry, but that's who she is now.

234

00:12:51 --> 00:12:54
[breathes deeply]

235

00:13:00 --> 00:13:04
[indistinct shouting]

236

00:13:04 --> 00:13:05
[Enforcer 1] Get down!

237

00:13:05 --> 00:13:07
-[protester] Let us through!
-[Enforcer 1] Come on!

238

00:13:10 --> 00:13:12
[coughs]

239

00:13:13 --> 00:13:16
-[distant shouting]
-[sniffs, exhales]

240

00:13:16 --> 00:13:17
[Enforcer 1] We understand.

241

00:13:17 --> 00:13:18
Just stand down!

242

00:13:19 --> 00:13:20
[distant shouting continues]

243

00:13:20 --> 00:13:23
-Thank you for alerting me, Sheriff.
-[Marcus] Not a problem, Councilor.

244

00:13:24 --> 00:13:26
Jayce, what is this?

245

00:13:26 --> 00:13:28
[background clamoring]

246

00:13:28 --> 00:13:30
Do you have any idea how this looks?

247

00:13:30 --> 00:13:33
I order a blockade
and my own partner violates it?

248

00:13:34 --> 00:13:37
You ordered this? Why?

249

00:13:37 --> 00:13:40
There are people down there
who seem hell-bent on destroying us.

250

00:13:40 --> 00:13:41
What were you doing?

251

00:13:42 --> 00:13:45
I was consulting a friend
about our quandary.

252

00:13:45 --> 00:13:47
I told you, I knew someone.

253

00:13:47 --> 00:13:49
Well, you didn't say
they were from the undercity.

254

00:13:49 --> 00:13:50
[Viktor] What difference does that make?

255

00:13:51 --> 00:13:53
What diff... They're dangerous.

256

00:13:54 --> 00:13:56
I'm from the undercity.

257

00:13:56 --> 00:13:57
[Jayce] You're right.

258

00:13:59 --> 00:14:00
I'm sorry.

259

00:14:00 --> 00:14:01
I've had a lot on my plate.

260

00:14:02 --> 00:14:04
Was your friend able to help?

261

00:14:05 --> 00:14:06
No.

262

00:14:06 --> 00:14:10
No, he said, "Nature was resistant
to this sort of tampering."

263

00:14:11 --> 00:14:13
All right, we'll keep at it.

264

00:14:13 --> 00:14:14
-[indistinct shouting]
-[Enforcer 2 grunts]

265

00:14:16 --> 00:14:18
-[explosion]
-[all clamoring]

266

00:14:20 --> 00:14:22
[indistinct shouting continues]

267

00:14:22 --> 00:14:26
[foreboding music]

268

00:14:34 --> 00:14:37
[Finn] First, this wild attack
in the heart of Piltover.

269

00:14:38 --> 00:14:39
Now, the border's closing.

270

00:14:40 --> 00:14:43
We're bleeding money and for what?

271

00:14:43 --> 00:14:48
His dreams of rebellion?
He's losing control.

272

00:14:48 --> 00:14:49
If we stand together...

273

00:14:50 --> 00:14:52
[Silco] We aren't due for an assembly.

274

00:14:55 --> 00:14:56
[door closes]

275

00:14:57 --> 00:14:58
We should be.

276

00:14:58 --> 00:15:02
Ever since your stunt topside,
profits have been plummeting.

277

00:15:02 --> 00:15:05
He's right.
Merchandise is frozen at the border.

278

00:15:05 --> 00:15:07
Topsiders are too afraid to cross.

279

00:15:07 --> 00:15:11
We're all wondering,
what's your plan to fix this?

280

00:15:13 --> 00:15:16
You're all wondering, are you?

281

00:15:18 --> 00:15:22
Way I see it, we should cut a deal
and give back the Gemstone.

282

00:15:23 --> 00:15:25
[Finn] Better to have some trade
than none at all.

283

00:15:27 --> 00:15:31
The border issue is temporary.
Jinx will deal with it.

284

00:15:31 --> 00:15:32

Huh.

[laughs]

285

00:15:33 --> 00:15:36

Rumor is, your dog's off her leash.

286

00:15:36 --> 00:15:41

How you meant to bring Piltover to heel
if you can't handle your own people, huh?

287

00:15:43 --> 00:15:45

[hissing]

288

00:15:45 --> 00:15:50

[raspy breathing]

289

00:15:51 --> 00:15:54

-[man coughing]

-[hissing continues]

290

00:15:54 --> 00:15:55

What's that?

291

00:15:56 --> 00:15:58

[both coughing]

292

00:15:58 --> 00:16:01

Oh, you don't recognize it?

293

00:16:01 --> 00:16:03

[all coughing]

294

00:16:03 --> 00:16:05

[Silco] Have you forgotten
where we came from?

295

00:16:07 --> 00:16:08
The mines they had us in?

296

00:16:10 --> 00:16:14
-Air so thick it clogged your throat.
-[coughing continues]

297

00:16:15 --> 00:16:16
-Stuck in your eyes.
-[gasps]

298

00:16:16 --> 00:16:18
[both coughing]

299

00:16:18 --> 00:16:21
[Silco] But I pulled you all up
from the depths.

300

00:16:21 --> 00:16:24
-[coughing]
-Offered you a taste of topside.

301

00:16:26 --> 00:16:27
And fresh air.

302

00:16:27 --> 00:16:30
[coughing]

303

00:16:30 --> 00:16:32
I gave you life.

304

00:16:33 --> 00:16:34
Purpose.

305

00:16:35 --> 00:16:37

[coughing]

306

00:16:37 --> 00:16:40

But you've grown fat and complacent.

307

00:16:42 --> 00:16:44

Too much time in the sun.

308

00:16:45 --> 00:16:47

[coughing continues]

309

00:16:48 --> 00:16:52

[coughing continues loudly]

310

00:16:52 --> 00:16:54

[grunts, gags]

311

00:16:54 --> 00:16:55

[chokes]

312

00:16:55 --> 00:17:00

We came from a world where there
was never enough to go around, Finn.

313

00:17:00 --> 00:17:03

[wheezes]

314

00:17:04 --> 00:17:06

That is why we fight.

315

00:17:06 --> 00:17:07

Do you remember?

316

00:17:09 --> 00:17:10

[gags]

317
00:17:10 --> 00:17:13
[whimpers]
Sorry. Please.

318
00:17:14 --> 00:17:17
[choking]
Please.

319
00:17:17 --> 00:17:19
[inhales deeply]

320
00:17:20 --> 00:17:22
[grunts, inhales sharply]

321
00:17:24 --> 00:17:25
Don't forget again.

322
00:17:27 --> 00:17:29
[Finn panting]

323
00:17:30 --> 00:17:34
[creaks, whirs]

324
00:17:36 --> 00:17:39
[all groaning, coughing]

325
00:17:39 --> 00:17:40
[Silco] Good meeting.

326
00:17:41 --> 00:17:43
[coughing continues]

327
00:17:44 --> 00:17:46
[chiming]

328

00:17:50 --> 00:17:51
[whooshes]

329
00:17:52 --> 00:17:53
[explosion]

330
00:17:54 --> 00:17:55
[breathes deeply]

331
00:17:57 --> 00:18:00
[dramatic music]

332
00:18:03 --> 00:18:05
[Elora] I've had word from
our friends overseas.

333
00:18:06 --> 00:18:09
This threat from the undercity
is drawing attention.

334
00:18:10 --> 00:18:11
[sighs]

335
00:18:11 --> 00:18:13
Piltover looks vulnerable.

336
00:18:14 --> 00:18:15
[exhales]

337
00:18:16 --> 00:18:18
It's too soon. Jayce isn't ready.

338
00:18:21 --> 00:18:23
[distant rumbling]

339
00:18:23 --> 00:18:25

There's one other thing.

340

00:18:27 --> 00:18:28
This arrived for you.

341

00:18:32 --> 00:18:33
[gasps]

342

00:18:34 --> 00:18:37
[ominous music]

343

00:18:38 --> 00:18:41
[door creaks open]

344

00:18:41 --> 00:18:44
[Caitlyn breathing heavily]

345

00:18:45 --> 00:18:46
[chain clanks]

346

00:18:50 --> 00:18:52
[Caitlyn grunts]

347

00:18:54 --> 00:18:56
-Hmm?
-[Caitlyn stutters]

348

00:18:56 --> 00:18:58
[pants, grunts]

349

00:19:01 --> 00:19:03
[scoffs]

350

00:19:07 --> 00:19:08
What have you done with Vi?

351
00:19:10 --> 00:19:11
[boy clears throat]

352
00:19:12 --> 00:19:16
Listen, let her go. I brought her here.
It's me you want.

353
00:19:17 --> 00:19:18
[gasps]

354
00:19:18 --> 00:19:20
-My hero.
-You're...

355
00:19:20 --> 00:19:23
But I thought you...
I thought they were hurting you!

356
00:19:24 --> 00:19:26
Vi tells me I can trust you.

357
00:19:27 --> 00:19:30
[Ekko] You get
a pass back topside, that's it.

358
00:19:30 --> 00:19:31
Let's go.

359
00:19:36 --> 00:19:37
[sighs]

360
00:19:38 --> 00:19:40
[exhales]

361
00:19:43 --> 00:19:44
[Jinx] Let me help you with that.

362
00:19:45 --> 00:19:46
[grunts]

363
00:19:46 --> 00:19:47
Where've you been, Jinx?

364
00:19:48 --> 00:19:54
Oh, you know.
Here, there, chasing down dead ends.

365
00:19:54 --> 00:19:58
And guess what? They're not all dead.

366
00:19:59 --> 00:20:00
I can explain.

367
00:20:01 --> 00:20:04
-[groans]
-Don't move, silly. I might hurt you.

368
00:20:05 --> 00:20:09
I didn't know. Marcus never told me
she was in Stillwater.

369
00:20:09 --> 00:20:12
-[grumbles]
-But you found out she came back.

370
00:20:13 --> 00:20:15
-You lied.
-[pierces]

371
00:20:15 --> 00:20:16
[Silco grunts]

372

00:20:17 --> 00:20:19
-I wanted to protect you.
-From what?

373
00:20:19 --> 00:20:25
She and the enforcer are back
for the crystal. Not for you.

374
00:20:26 --> 00:20:28
-[exhales]
-Have you forgotten how she left you?

375
00:20:29 --> 00:20:33
Who found you? Who cared for you?
Gave you a home?

376
00:20:34 --> 00:20:39
I am your family.
Everyone else betrays us.

377
00:20:40 --> 00:20:43
-[Jinx whimpers]
-[Silco] I need you.

378
00:20:43 --> 00:20:45
-[Jinx sobs]
-[Silco] Now more than ever.

379
00:20:49 --> 00:20:51
You have to complete the weapon.

380
00:20:53 --> 00:20:56
[sobs]

381
00:20:57 --> 00:20:59
-[clicks]
-[groans]

382
00:20:59 --> 00:21:01
[panting]

383
00:21:01 --> 00:21:02
[grumbles]

384
00:21:03 --> 00:21:05
[heavy breathing]

385
00:21:09 --> 00:21:12
-[background chatter]
-[birds chirping]

386
00:21:14 --> 00:21:15
It's beautiful.

387
00:21:15 --> 00:21:18
If your people had your way,
it'd be rubble and ash.

388
00:21:19 --> 00:21:21
It's a misunderstanding.

389
00:21:22 --> 00:21:23
They think you work for Silco.

390
00:21:23 --> 00:21:28
Your people hunt us like animals.
Silco pays them to do it.

391
00:21:29 --> 00:21:32
That's not possible. You're wrong.

392
00:21:32 --> 00:21:34
Say that one more time.

393

00:21:34 --> 00:21:37
Ekko, she believes what she's saying,
okay? She's not your enemy.

394

00:21:37 --> 00:21:40
[scoffs]
Oh, yeah? Then what's this?

395

00:21:40 --> 00:21:41
[object trills]

396

00:21:42 --> 00:21:45
You got it.
You have to let me take that back.

397

00:21:46 --> 00:21:48
-[sighs]
-What is it?

398

00:21:48 --> 00:21:50
It's a Gemstone.

399

00:21:50 --> 00:21:53
It was stolen during the attack.
By your sister.

400

00:21:54 --> 00:21:55
You just forgot to mention that?

401

00:21:56 --> 00:21:59
With this, someone
with the right knowledge could build...

402

00:21:59 --> 00:22:01
any Hextech device.

403

00:22:02 --> 00:22:07
If enforcers are becoming
more... aggressive, that's why.

404
00:22:08 --> 00:22:10
We could beat Silco with this.

405
00:22:11 --> 00:22:12
That won't solve things.

406
00:22:12 --> 00:22:16
Easy for you to say. Your people
aren't dying all around you.

407
00:22:18 --> 00:22:21
Ekko, it's wrong what's been done to you.

408
00:22:22 --> 00:22:24
[Caitlyn] You'd be well
within your rights to keep it.

409
00:22:25 --> 00:22:26
I couldn't blame you.

410
00:22:28 --> 00:22:30
But... if you do,

411
00:22:30 --> 00:22:32
this cycle of violence will never stop.

412
00:22:34 --> 00:22:37
This is our best shot
at setting the record straight.

413
00:22:37 --> 00:22:39
This city needs healing.

414

00:22:40 --> 00:22:41
More than I ever realized.

415

00:22:42 --> 00:22:44
Please, let me help you.

416

00:22:47 --> 00:22:48
You got a plan?

417

00:22:49 --> 00:22:51
I have a friend on the council.

418

00:22:52 --> 00:22:54
Let me take the Gemstone to him.

419

00:22:55 --> 00:22:59
[Caitlyn] He'll listen to me.
Your people wouldn't have to hide anymore.

420

00:23:01 --> 00:23:04
One condition.
I'm the one who gives it to them.

421

00:23:08 --> 00:23:11
Um, the form is crude, but...

422

00:23:11 --> 00:23:14
uh, the engineering is... inspired.

423

00:23:14 --> 00:23:16
You think they could crack Hextech?

424

00:23:17 --> 00:23:19
Mm. It's a leap.

425

00:23:19 --> 00:23:24

It's been suggested that they may have found a way to utilize the Gemstone.

426

00:23:24 --> 00:23:28

If we are to assume the worst, that would mean they've turned it into a weapon.

427

00:23:28 --> 00:23:30

Well, do we know this for certain?

428

00:23:31 --> 00:23:32

We can't afford to wait to find out.

429

00:23:33 --> 00:23:36

Wait. What are you suggesting?

430

00:23:38 --> 00:23:40

We should prepare our own countermeasures.

431

00:23:41 --> 00:23:43

You want us to build weapons?

432

00:23:43 --> 00:23:47

Absolutely not.

That is not why we invented Hextech.

433

00:23:47 --> 00:23:49

[Jayce] We would shatter any attempt at peace.

434

00:23:49 --> 00:23:52

-Heimerdinger would never go for this.
-Heimerdingers' inaction

435

00:23:52 --> 00:23:54

is what brought us here.

You said so yourself.

436

00:23:55 --> 00:23:58

The peace is already broken, Jayce.

437

00:23:58 --> 00:24:01

I'm only asking you to prepare
to defend your people.

438

00:24:02 --> 00:24:04

[Mel] If we're lucky,
we'll never need to use it.

439

00:24:06 --> 00:24:08

[scoffs, sighs]

440

00:24:09 --> 00:24:10

The decision is yours.

441

00:24:11 --> 00:24:12

[scoffs]

442

00:24:12 --> 00:24:13

[sighs]

443

00:24:16 --> 00:24:17

[sighs]

444

00:24:19 --> 00:24:22

[Viktor] Ridiculous.
You cannot be considering this.

445

00:24:23 --> 00:24:26

What if she's right? Are we just
gonna stand by while they attack us?

446

00:24:26 --> 00:24:29
We're scientists, not soldiers.

447
00:24:30 --> 00:24:32
We have the knowledge to defend ourselves.

448
00:24:32 --> 00:24:34
We agreed Hextech was to improve lives...

449
00:24:34 --> 00:24:36
[stammers]
...not to take them.

450
00:24:36 --> 00:24:37
We may not have a choice.

451
00:24:39 --> 00:24:41
-[ticking]
-[both gasp]

452
00:24:42 --> 00:24:44
[fast ticking]

453
00:24:48 --> 00:24:50
[powers down, hisses]

454
00:24:51 --> 00:24:52
[sighs]

455
00:24:54 --> 00:24:57
There is always a choice.

456
00:24:59 --> 00:25:00
I need to think.

457
00:25:03 --> 00:25:04

[suspenseful music]

458

00:25:09 --> 00:25:11
[rumbles]

459

00:25:12 --> 00:25:14
[grunts]

460

00:25:15 --> 00:25:18
[suspenseful music continues]

461

00:25:36 --> 00:25:38
[chimes]

462

00:25:50 --> 00:25:52
[engine rumbles]

463

00:25:52 --> 00:25:54
[trills]

464

00:25:57 --> 00:25:58
What are they?

465

00:25:58 --> 00:26:02
We call them firelights.
Never seen so many though.

466

00:26:03 --> 00:26:04
[trilling]

467

00:26:06 --> 00:26:09
[tense music]

468

00:26:28 --> 00:26:29
[Mrs. Talis gasps]

469

00:26:31 --> 00:26:32
[Mrs. Talis exhales]

470

00:26:33 --> 00:26:36
I'm worried I have to do something
I never thought I would.

471

00:26:37 --> 00:26:40
[dramatic music]

472

00:26:43 --> 00:26:46
[dramatic music continues]

473

00:26:50 --> 00:26:52
[inhales, exhales]

474

00:26:53 --> 00:26:54
[groans]

475

00:26:55 --> 00:26:57
[screams]

476

00:27:02 --> 00:27:04
[grunts, pants]

477

00:27:08 --> 00:27:09
[grumbles]

478

00:27:13 --> 00:27:14
[screams]

479

00:27:15 --> 00:27:16
[continues screaming]

480

00:27:18 --> 00:27:20

[shrieks]

481

00:27:21 --> 00:27:23

[gurgles]

482

00:27:27 --> 00:27:30

[foreboding music]

483

00:27:39 --> 00:27:42

[dramatic music]

484

00:27:51 --> 00:27:53

[crackles]

485

00:28:03 --> 00:28:04

Vi?

486

00:28:08 --> 00:28:09

I can't leave her again.

487

00:28:11 --> 00:28:12

You can't change her.

488

00:28:12 --> 00:28:13

I have to try.

489

00:28:14 --> 00:28:15

[Ekko scoffs]

490

00:28:17 --> 00:28:19

Don't get yourself killed.

491

00:28:19 --> 00:28:20

[Vi chuckles]

492

00:28:20 --> 00:28:22
No promises.

493

00:28:24 --> 00:28:26
[foreboding music continues]

494

00:28:29 --> 00:28:34
[Vi] It's been real, Cupcake.
Thanks. For everything.

495

00:28:39 --> 00:28:40
[grunts]

496

00:28:42 --> 00:28:46
-[Mylo laughs]
-Shut up. It's just a goodbye hug.

497

00:28:47 --> 00:28:50
She wouldn't do that. Not again.

498

00:28:58 --> 00:29:01
[somber music]

499

00:29:09 --> 00:29:11
[somber music continues]

500

00:29:15 --> 00:29:17
-[Marcus] Halt!
-[Caitlyn grunts]

501

00:29:17 --> 00:29:19
[Ekko exclaims]
What the hell is this?

502

00:29:22 --> 00:29:26
Sir! I have proof.
Silco's behind everything.

503
00:29:32 --> 00:29:33
[Marcus] Show me.

504
00:29:37 --> 00:29:38
[whispers]
No.

505
00:29:39 --> 00:29:40
[whispers]
Hmm.

506
00:29:42 --> 00:29:43
Shit.

507
00:29:44 --> 00:29:46
[whirs]

508
00:29:52 --> 00:29:54
-[breathes deeply]
-[gasps]

509
00:29:55 --> 00:29:57
[yelps]

510
00:29:58 --> 00:29:59
[gasps]

511
00:30:01 --> 00:30:03
[both panting]

512
00:30:05 --> 00:30:06
[Vi] Caitlyn!

513
00:30:08 --> 00:30:09
[gasps]

514
00:30:11 --> 00:30:15
[screams, snickers]

515
00:30:15 --> 00:30:16
Liar.

516
00:30:18 --> 00:30:21
I told you to leave this alone.

517
00:30:23 --> 00:30:26
[suspenseful music]

518
00:30:26 --> 00:30:28
[firelights buzz]

519
00:30:28 --> 00:30:30
[firelights trill]

520
00:30:37 --> 00:30:39
[firelights chirp]

521
00:30:44 --> 00:30:47
[groaning]

522
00:30:52 --> 00:30:53
[buzzes, ticks]

523
00:30:53 --> 00:30:55
-[explosions]
-[screams]

524
00:30:55 --> 00:30:58
[explosions continue]

525

00:31:09 --> 00:31:11
[sputters]

526
00:31:15 --> 00:31:18
[ominous music]

527
00:31:28 --> 00:31:29
[firelight clinks]

528
00:31:31 --> 00:31:34
[Jinx humming]

529
00:31:41 --> 00:31:42
[grunts]

530
00:31:45 --> 00:31:47
[humming continues]

531
00:31:48 --> 00:31:50
[Enforcer grumbling]

532
00:31:56 --> 00:31:57
-[gunshot]
-[gasps]

533
00:32:02 --> 00:32:05
Tell my...
[grunting]

534
00:32:05 --> 00:32:07
Tell my daughter I...

535
00:32:11 --> 00:32:13
[panting]

536
00:32:14 --> 00:32:17

[foreboding music]

537

00:32:21 --> 00:32:22

[Caitlyn grunts]

538

00:32:25 --> 00:32:28

[foreboding music continues]

539

00:32:33 --> 00:32:35

[Jinx gasps]

540

00:32:35 --> 00:32:36

[exclaims]

541

00:32:38 --> 00:32:39

[scoffs]

542

00:32:42 --> 00:32:43

[snickers]

543

00:32:44 --> 00:32:45

-[Jinx grunts]

-[gunshots]

544

00:32:52 --> 00:32:53

[action music]

545

00:32:55 --> 00:32:57

-[Ekko screams]

-[Jinx grunts]

546

00:33:01 --> 00:33:02

[Ekko yells]

547

00:33:09 --> 00:33:10

[Ekko grunts]

548
00:33:10 --> 00:33:11
[pants]

549
00:33:15 --> 00:33:16
[both grunt]

550
00:33:17 --> 00:33:18
Go!

551
00:33:22 --> 00:33:23
[exhales]

552
00:33:30 --> 00:33:31
[scoffs]

553
00:33:31 --> 00:33:32
[exhales]

554
00:33:35 --> 00:33:37
[Jinx laughs]

555
00:33:38 --> 00:33:43
Oh, look who it is. The boy savior.
[pants]

556
00:33:43 --> 00:33:45
[exhales]

557
00:33:47 --> 00:33:48
[chuckles]

558
00:33:52 --> 00:33:54
-[object ticking]
-[gasps]

559
00:33:55 --> 00:33:57
[chuckles]

560
00:34:02 --> 00:34:03
Hah.

561
00:34:03 --> 00:34:05
[ticking continues]

562
00:34:07 --> 00:34:09
[upbeat music]

563
00:34:11 --> 00:34:14
[woman rapping]

564
00:34:17 --> 00:34:18
[laughs]

565
00:34:24 --> 00:34:27
[man rapping]

566
00:34:53 --> 00:34:54
[Ekko grunts]

567
00:35:00 --> 00:35:01
Yes!

568
00:35:01 --> 00:35:04
[Powder laughs]

569
00:35:10 --> 00:35:11
-[grunts]
-[screams]

570
00:35:12 --> 00:35:13

[grunts]

571

00:35:14 --> 00:35:16

[yells]

572

00:35:17 --> 00:35:19

[both groan]

573

00:35:19 --> 00:35:22

[both grumbling]

574

00:35:25 --> 00:35:26

[grunts, pants]

575

00:35:26 --> 00:35:28

No.

[heavy breathing]

576

00:35:28 --> 00:35:31

[somber music]

577

00:35:43 --> 00:35:44

[grunts, gasps]

578

00:35:45 --> 00:35:48

[explosion]

579

00:35:50 --> 00:35:53

[somber music continues]

580

00:35:54 --> 00:35:56

[pants]

581

00:35:58 --> 00:36:01

[fire crackling]

582
00:36:04 --> 00:36:08
[somber music continues]

583
00:36:20 --> 00:36:24
[dramatic music]

584
00:36:59 --> 00:37:02
[dramatic music rises]

585
00:38:13 --> 00:38:15
[music ends]
