EPISODE 2.06

"Bury Me Dead"

As Quell reconnects to her past at Stronghold, she leads the clone into an underground chamber teeming with secrets. Gov. Harlan shows her true colors.

1
00:00:06,715 --> 00:00:09,134
-[indistinct whispering]
-[theme music playing]

2
00:00:38,455 --> 00:00:39,414
[grunts]

3
00:00:52,635 --> 00:00:53,553
-[screaming]
-[gasps]

4
00:00:58,433 --> 00:00:59,350
[grunting]

5
00:01:01,102 --> 00:01:02,103
[gasps]

6
00:01:03,354 --> 00:01:04,397
[exhales]

7
00:01:35,011 --> 00:01:36,304
[breathes heavily]

8
00:02:02,914 --> 00:02:04,415
[Kovacs Prime] Target 62 meters.

9
00:02:05,083 --> 00:02:07,377
Target acquired. Sending coordinates.

10
00:02:11,506 --> 00:02:12,465
[weapon clicks]

11
00:02:19,347 --> 00:02:22,600
-I'm going in.
-[Carrera] Negative. Wait for backup.

12
00:02:22,684 --> 00:02:25,019
I'm switching to ONI. I still have eyes.

13
00:02:25,103 --> 00:02:26,855
Stay where you are, soldier.

14

00:02:27,480 --> 00:02:29,190
No. We won't break her in virtual.

15

00:02:29,274 --> 00:02:31,693
If we want the weapon,
we need to take it in the real.

16

00:02:31,776 --> 00:02:33,528
Not with Harlan breathing down my neck.

17

00:02:33,611 --> 00:02:35,530
-The mission parameters--
-Are wrong.

18

00:02:35,613 --> 00:02:38,825
Falconer has to give it up willingly.
I can get close to her.

19

00:02:39,951 --> 00:02:41,870
That was his mistake.

20

00:02:42,495 --> 00:02:44,622
And you put me in this sleeve
for a reason.

21

00:02:45,707 --> 00:02:47,000
I'm going to use it.

22

00:02:52,672 --> 00:02:53,590
Tak!

23

00:03:00,763 --> 00:03:01,806
I've been waiting for you.

24

00:03:02,432 --> 00:03:04,642
-Where have you been?
-That's close enough.

25

00:03:05,143 --> 00:03:06,311
Quell, it's me.

26

00:03:07,812 --> 00:03:11,191
I looked everywhere. And I knew
if you could, this is where you'd return.

27

00:03:13,359 --> 00:03:16,529
My memories, they were lost.

28

00:03:17,697 --> 00:03:19,616
He brought me here to remember.

29

00:03:20,575 --> 00:03:21,409
Who did?

30

00:03:21,868 --> 00:03:23,161
Takeshi Kovacs.

31

00:03:25,496 --> 00:03:27,040
He wears a new face now.

32

00:03:28,333 --> 00:03:30,084
That man is an impostor.

33

00:03:31,419 --> 00:03:32,795
I'm Takeshi Kovacs.

34

00:03:33,588 --> 00:03:35,757
You know it in your bones,
you can feel it.

35

00:03:36,382 --> 00:03:38,259
You knew it before you turned around.

36

00:03:38,760 --> 00:03:40,553
Rip her stack, do you hear me?

37

00:03:42,847 --> 00:03:45,475
Look at me, Quell. What do you see?

38

00:03:58,529 --> 00:03:59,489
It's you.

39

00:04:05,828 --> 00:04:08,998
The Wedge has you surrounded.
Finish this now or they will.

40

00:04:14,504 --> 00:04:15,463
We can't stay here.

41

00:04:17,215 --> 00:04:18,549
Move, asshole.

42

00:04:18,633 --> 00:04:21,594
The one who brought me here,
he must have been after the weapon.

43

00:04:22,011 --> 00:04:23,263
[Kovacs Prime] What weapon?

44

00:04:23,513 --> 00:04:25,181
-Hold your fire.
-But, sir.

45

00:04:25,265 --> 00:04:26,891
[Carrera] Stand down, that's an order.

46

00:04:27,725 --> 00:04:28,810
There's a cache.

47

00:04:29,394 --> 00:04:32,230
What I have hidden there
could restore our humanity.

48

00:04:33,523 --> 00:04:35,775
Bring the Harlans and the Protectorate
to their knees.

49

00:04:38,111 --> 00:04:39,445
Ask her to take you there.

50

00:04:39,988 --> 00:04:41,114
Show me.

51

00:04:41,197 --> 00:04:45,368
It's too dangerous.
The other you, he's still out there.

52
00:04:46,160 --> 00:04:47,453
We could lead him to it.

53
00:04:47,537 --> 00:04:48,663
He's not a problem anymore.

54
00:04:48,746 --> 00:04:50,331
-You don't know that.
-I took care of it.

55
00:04:50,748 --> 00:04:52,041
He'll never hurt you again.

56
00:04:53,710 --> 00:04:56,129
[Carrera] Take the lead,
but remember she's dangerous.

57
00:04:56,212 --> 00:04:58,339
I give the command, you end her. Copy?

58
00:04:58,423 --> 00:04:59,299
I understand.

59
00:05:01,634 --> 00:05:02,635
I understand.

60
00:05:04,470 --> 00:05:07,932
This is hard to have been manipulated,

61
00:05:08,016 --> 00:05:09,684
but he may have had backup.

62
00:05:12,603 --> 00:05:15,606
We should secure the cache
before anyone else comes looking.

63
00:05:19,235 --> 00:05:21,112
Target moving. Maintain cover.

64
00:05:28,077 --> 00:05:29,162
[exhales softly]

65
00:05:30,663 --> 00:05:31,664
[grunts softly]

66
00:05:32,415 --> 00:05:33,458
Quell?

67
00:05:36,294 --> 00:05:37,628
Oh, shit!

68
00:05:38,671 --> 00:05:39,714
Quell?

69
00:05:47,513 --> 00:05:48,848
[device ringing]

70
00:05:52,894 --> 00:05:55,021
Come on, Kovacs, pick up.

71
00:06:11,329 --> 00:06:12,372
[footsteps approaching]

72
00:06:24,967 --> 00:06:26,844
What the fuck?

73
00:06:41,692 --> 00:06:43,277
[Kovacs Prime] What is this place?

74
00:06:45,113 --> 00:06:46,697
I woke up here after the explosion.

75
00:06:47,156 --> 00:06:48,574
[Kovacs Prime]
Is this where you hid the weapon?

76
00:06:49,117 --> 00:06:50,326
[Quell] It's where she hid me.

77

00:06:50,952 --> 00:06:51,911
[Kovacs Prime] She?

78

00:06:53,287 --> 00:06:54,288
Reileen.

79

00:06:55,873 --> 00:07:01,003
Before she killed me, she copied my DHF,
saved my DNA and force grew a clone.

80

00:07:01,838 --> 00:07:04,257
-Why would she do that?
-I can show you.

81

00:07:06,926 --> 00:07:07,927
[clicking]

82

00:07:08,803 --> 00:07:11,389
She's using your sister
to get under your skin.

83

00:07:12,974 --> 00:07:14,517
My memory's still coming back.

84

00:07:15,435 --> 00:07:17,854
But this chamber
is equipped with holo surveillance.

85

00:07:22,233 --> 00:07:23,693
-Rei.
-[Carrera] Steady, son.

86

00:07:23,776 --> 00:07:25,987
You can't trust anything she shows you.

87

00:07:29,949 --> 00:07:31,159
[soft whirring]

88

00:07:31,409 --> 00:07:32,243
Tak?

89

00:07:32,743 --> 00:07:33,619
[gasps]

90
00:07:34,787 --> 00:07:36,330
[Rei] Tak's not coming.

91
00:07:37,081 --> 00:07:38,040
He's dead.

92
00:07:38,749 --> 00:07:39,584
They all are.

93
00:07:40,251 --> 00:07:41,085
No!

94
00:07:41,461 --> 00:07:42,920
[Rei] Stronghold is ash.

95
00:07:43,004 --> 00:07:46,048
There's no more Uprising.
The Protectorate crushed it.

96
00:07:46,716 --> 00:07:48,009
We're all that's left.

97
00:07:48,593 --> 00:07:50,178
-This is your fault.
-[Holo Quell] No.

98
00:07:50,261 --> 00:07:52,388
It was supposed to be him on that shuttle.

99
00:07:52,472 --> 00:07:55,183
His DHF getting backed up, not yours.

100
00:07:55,683 --> 00:07:56,851
You gave us up.

101
00:07:57,351 --> 00:08:00,146
[Rei] I wasn't going to let him die
for your bullshit cause.

102
00:08:00,229 --> 00:08:03,941
-[Holo Quell] Tak made his own choice!
-[Rei] And I've made mine.

103
00:08:07,361 --> 00:08:12,867
I'm going to live long enough to see
every one of your nightmares come to pass.

104
00:08:13,409 --> 00:08:15,203
This is your tomb, Quell.

105
00:08:15,828 --> 00:08:17,580
Only you'll wish you were dead.

106
00:08:19,290 --> 00:08:20,708
[Holo Quell] No, Rei!

107
00:08:22,585 --> 00:08:23,419
No!

108
00:08:24,045 --> 00:08:26,088
[shouting] No! Let me out!

109
00:08:26,255 --> 00:08:27,757
Let me out!

110
00:08:27,840 --> 00:08:29,592
[screams, groans]

111
00:08:30,468 --> 00:08:32,386
She left me there trapped.

112
00:08:34,013 --> 00:08:35,598
You were awake the whole time?

113
00:08:36,390 --> 00:08:37,558
Only my mind was awake.

114
00:08:37,642 --> 00:08:39,435
[Carrera]
This is the great Quellcrist Falconer,

115
00:08:40,144 --> 00:08:42,813
playing on pity like we didn't burn that
out of you.

116
00:08:52,114 --> 00:08:53,991
[Quell] I never knew which was worse,

117
00:08:54,492 --> 00:08:56,202
losing myself in the dark

118
00:08:57,119 --> 00:08:58,871
or the pain that came with the light.

119
00:09:05,670 --> 00:09:07,880
[breathing heavily, grunting]

120
00:09:07,964 --> 00:09:08,965
Miss me?

121
00:09:10,174 --> 00:09:13,135
What you're feeling is your sleeve
warming back up.

122
00:09:14,053 --> 00:09:17,139
Anything becomes a stress position
if you hold it long enough.

123
00:09:17,223 --> 00:09:19,725
You've been holding this one
for almost a century.

124
00:09:19,809 --> 00:09:21,561
What do you want, Rei?

125
00:09:22,144 --> 00:09:23,271
[Rei] Answers.

126
00:09:23,771 --> 00:09:25,856
I've gone over it again and again,

127

00:09:26,524 --> 00:09:28,025
trying to figure out when.

128
00:09:28,442 --> 00:09:29,277
When what?

129
00:09:29,360 --> 00:09:31,571
When I lost him, why he left.

130
00:09:32,071 --> 00:09:34,615
[Holo Quell] Tak didn't leave you.
You betrayed him.

131
00:09:34,699 --> 00:09:35,575
[Rei] No.

132
00:09:36,325 --> 00:09:37,618
We were family.

133
00:09:38,035 --> 00:09:40,621
The moment we found each other,
he turned on his unit.

134
00:09:41,539 --> 00:09:45,042
I was more important than anything
until you.

135
00:09:46,419 --> 00:09:49,213
What makes you so goddamn special?

136
00:09:49,922 --> 00:09:51,757
It must be torture

137
00:09:52,508 --> 00:09:55,678
to have lived so long
and understand so little.

138
00:09:55,761 --> 00:09:58,598
[Rei] You don't need to school me
in torture. I've made it my business.

139
00:09:58,681 --> 00:10:00,224

Pleasure, pain...

140

00:10:00,975 --> 00:10:02,727
people will pay anything for it.

141

00:10:04,061 --> 00:10:04,979
But you...

142

00:10:06,397 --> 00:10:07,732
You can have it for free.

143

00:10:07,815 --> 00:10:10,067
[Quell] Whatever appetite
Reileen harbored for cruelty,

144

00:10:10,776 --> 00:10:12,320
immortality made it worse.

145

00:10:12,403 --> 00:10:15,948
[Carrera] Your sister did her duty
to the Protectorate.

146

00:10:16,532 --> 00:10:18,409
-Like me, like you.
-[tech] Excuse me, sir?

147

00:10:18,492 --> 00:10:20,870
-What?
-The Governor's been trying to reach you.

148

00:10:20,953 --> 00:10:22,997
I don't have the time
to stroke that bitch's ego.

149

00:10:23,080 --> 00:10:25,374
-She's here, sir.
-You owe me an update, Carrera.

150

00:10:25,458 --> 00:10:26,375
[beeps]

151

00:10:26,917 --> 00:10:28,044

Or did you forget?

152

00:10:28,544 --> 00:10:29,795
You report to me now.

153

00:10:31,005 --> 00:10:32,256
I gave you an update.

154

00:10:32,340 --> 00:10:34,175
The Last Envoy is dead.

155

00:10:34,258 --> 00:10:35,801
We have Falconer surrounded.

156

00:10:35,885 --> 00:10:37,219
Where?

157

00:10:37,678 --> 00:10:39,513
-I don't see her.
-[Carrera] She's underground.

158

00:10:39,597 --> 00:10:42,516
We're waiting for her to resurface.
All exits are covered.

159

00:10:42,600 --> 00:10:46,604
My directive was clear:
shoot her on site and bring me her stack.

160

00:10:46,896 --> 00:10:50,775
Let me work. When we take Falconer,
you'll be the first to know.

161

00:10:51,317 --> 00:10:52,777
That I can guarantee.

162

00:10:57,573 --> 00:10:59,617
This bitch is not going anywhere.

163

00:11:00,451 --> 00:11:02,036
Back to work, soldier.

164
00:11:10,961 --> 00:11:13,255
-[Quell] This is the last time I saw her.
-[gasps]

165
00:11:17,051 --> 00:11:19,804
-You look tired, Rei.
-[Rei] You look like hell.

166
00:11:19,887 --> 00:11:22,390
Maybe it's time to put you
out of your misery.

167
00:11:22,473 --> 00:11:24,058
[Holo Quell] You won't kill me.

168
00:11:24,892 --> 00:11:26,060
You're lonely.

169
00:11:27,436 --> 00:11:29,939
I'm the only thing you have left
that's real.

170
00:11:30,398 --> 00:11:31,774
You know what's real?

171
00:11:32,858 --> 00:11:33,818
Tak.

172
00:11:36,779 --> 00:11:37,822
He's alive?

173
00:11:38,698 --> 00:11:40,324
[Rei] On ice doing time,

174
00:11:40,950 --> 00:11:42,243
but I have a way to get him out.

175
00:11:42,326 --> 00:11:43,994
Thought you'd want to know.

176
00:11:45,579 --> 00:11:49,458

Can't have you getting in the way again.
I'm spinning you down for good.

177

00:11:49,542 --> 00:11:50,376
[grunts]

178

00:11:51,711 --> 00:11:53,921
[Rei] These roots will grow up around you.

179

00:11:54,422 --> 00:11:56,424
You're hiding me in the first place
they'll look.

180

00:11:56,799 --> 00:11:58,342
[Rei] You taught us well.

181

00:11:59,051 --> 00:12:01,679
Tak thinks he knows every inch
of this place.

182

00:12:02,763 --> 00:12:04,432
He'll walk right over you...

183

00:12:05,558 --> 00:12:07,226
and then he'll just keep on walking.

184

00:12:09,145 --> 00:12:11,397
[Holo Quell]
He'll never stop searching.

185

00:12:11,480 --> 00:12:13,065
[Rei] That's his cross to bear.

186

00:12:15,109 --> 00:12:16,193
Goodbye, Quell.

187

00:12:16,652 --> 00:12:17,570
[grunts]

188

00:12:18,779 --> 00:12:19,613
Rei!

189
00:12:20,197 --> 00:12:21,031
[shouts] No!

190
00:12:21,657 --> 00:12:24,243
-[grunts]
-[Quell] I was the one being buried...

191
00:12:26,036 --> 00:12:28,748
but it felt like she was on her way
to her own funeral.

192
00:12:31,542 --> 00:12:33,085
You said you'd show me the weapon.

193
00:12:34,378 --> 00:12:36,088
Instead you've shown me this. Why?

194
00:12:37,131 --> 00:12:38,507
[Quell] You ask where I've been.

195
00:12:39,341 --> 00:12:40,426
Come.

196
00:12:40,843 --> 00:12:42,011
The weapon is nearby.

197
00:12:48,058 --> 00:12:51,061
[Trepp] Don't move.
Don't open your left hand.

198
00:12:52,480 --> 00:12:53,647
Don't look down.

199
00:12:55,024 --> 00:12:56,400
Don't move.

200
00:12:57,359 --> 00:12:59,445
Don't open your left hand.

201
00:12:59,528 --> 00:13:01,906
Don't look down.

202
00:13:03,991 --> 00:13:05,159
What the fuck?

203
00:13:06,118 --> 00:13:08,412
-[grunts]
-[Trepp] What did I just say?

204
00:13:10,956 --> 00:13:12,291
[Kovacs] Where's Quell?

205
00:13:12,374 --> 00:13:15,044
-It doesn't matter right now.
-Did he find her?

206
00:13:15,544 --> 00:13:17,213
You need to focus, Kovacs.

207
00:13:17,296 --> 00:13:19,298
I'm going to throw this rope down.

208
00:13:19,715 --> 00:13:20,966
You need to grab hold.

209
00:13:23,761 --> 00:13:26,472
-I need more!
-I can't lower it.

210
00:13:30,976 --> 00:13:32,394
[grunting]

211
00:13:35,147 --> 00:13:37,191
-[groans, screams]
-Kovacs!

212
00:13:39,819 --> 00:13:41,111
You can do this.

213
00:13:42,530 --> 00:13:44,365
Grab the rope.

214

00:13:46,492 --> 00:13:47,326
Fuck.

215
00:13:56,377 --> 00:13:57,670
[groans. screams]

216
00:13:57,753 --> 00:13:58,587
[grunts]

217
00:14:00,631 --> 00:14:02,800
Easy. I got you.

218
00:14:09,515 --> 00:14:10,432
[grunts]

219
00:14:12,393 --> 00:14:14,520
Hang on. Almost there.

220
00:14:18,482 --> 00:14:19,775
[both groan]

221
00:14:19,859 --> 00:14:21,193
[Trepp breathing heavily]

222
00:14:21,277 --> 00:14:23,821
Enable emergency medical scan.

223
00:14:24,321 --> 00:14:27,157
[AI interface] Fourth and fifth ribs
fractured, evidence of concussion,

224
00:14:27,241 --> 00:14:28,826
dislocation of left shoulder.

225
00:14:28,909 --> 00:14:30,369
You're lucky as shit.

226
00:14:31,328 --> 00:14:33,747
You passed out.
How the hell did you hang on?

227

00:14:33,831 --> 00:14:37,209
The sleeve has subconscious
survival reflexes.

228

00:14:38,127 --> 00:14:40,546
It's one of the perks. [panting]

229

00:14:42,256 --> 00:14:44,258
-Where's Quell?
-Gee!

230

00:14:44,592 --> 00:14:47,303
"Thanks, Trepp, for the rescue.
I owe you one."

231

00:14:47,386 --> 00:14:49,263
You were supposed to stay with her.

232

00:14:49,346 --> 00:14:50,848
[Kovacs screams]

233

00:14:51,807 --> 00:14:57,104
Hey, your little lover girl put me
in a sleeper hold and took off.

234

00:14:58,063 --> 00:14:59,982
-I saw her with one of the Wedge.
-[Kovacs coughs]

235

00:15:00,482 --> 00:15:01,984
One I've never seen before.

236

00:15:03,277 --> 00:15:04,862
And they looked pretty cozy.

237

00:15:05,905 --> 00:15:10,618
Carrera, he copied my old DHF and shoved
it into a clone of my birth sleeve.

238

00:15:11,493 --> 00:15:14,663
I ran into him out here on the path
before he threw me off the cliff.

239
00:15:14,747 --> 00:15:16,582
So you did this to yourself.

240
00:15:17,041 --> 00:15:18,375
I'm a complicated person.

241
00:15:18,959 --> 00:15:22,171
-If he's with Quell, we have to find her.
-It's not just him.

242
00:15:22,254 --> 00:15:24,006
The whole team's out here.

243
00:15:24,256 --> 00:15:26,884
We need backup.
Did you get the signal out to Kemp?

244
00:15:29,178 --> 00:15:31,680
[sighs] I tried.

245
00:15:36,226 --> 00:15:38,938
The charge is busted.
There's no way to tell.

246
00:15:40,689 --> 00:15:43,609
Fuck the cavalry.
We have to take them down ourselves.

247
00:15:43,692 --> 00:15:46,528
How? You're not exactly in fighting shape.

248
00:15:46,612 --> 00:15:48,489
And we have no weapons.

249
00:15:48,572 --> 00:15:50,115
We are the weapons.

250
00:15:50,908 --> 00:15:52,368
What the hell does that even mean?

251
00:15:58,666 --> 00:15:59,917

Thanks.

252

00:16:03,337 --> 00:16:06,924
-How deep did you bury this thing?
-Deeper than Tommy Shae's well.

253

00:16:08,258 --> 00:16:10,636
[chuckles] How do you know Tommy Shae?

254

00:16:10,719 --> 00:16:12,096
You told me about him.

255

00:16:13,180 --> 00:16:14,056
Remember?

256

00:16:14,640 --> 00:16:17,518
As a kid, you would hide in the dry well
in his property...

257

00:16:19,269 --> 00:16:21,355
waiting for your father's anger to pass.

258

00:16:23,399 --> 00:16:24,942
I'd stay down there for hours.

259

00:16:26,443 --> 00:16:28,612
You were always so good
at biding your time.

260

00:16:29,530 --> 00:16:31,115
Better even than me.

261

00:16:32,408 --> 00:16:33,993
It hurts to think of you like that.

262

00:16:36,120 --> 00:16:37,496
It doesn't matter, I lived.

263

00:16:37,579 --> 00:16:38,914
Of course it matters.

264

00:16:40,290 --> 00:16:44,169
The way you suffered allowed you
to see the suffering around you.

265
00:16:45,838 --> 00:16:47,256
It's what brought you to me.

266
00:16:51,802 --> 00:16:53,804
[Trepp] The Wedge are posted up
near the cavern.

267
00:16:54,346 --> 00:16:55,305
We're close.

268
00:16:55,973 --> 00:16:58,475
You'll need to hack their bodycams
and loop the feed.

269
00:16:58,559 --> 00:17:01,311
I can do it, but it's only a matter
of time before somebody notices.

270
00:17:01,395 --> 00:17:03,147
We'll need to work fast then.

271
00:17:10,779 --> 00:17:12,239
Relax, Carrera.

272
00:17:12,781 --> 00:17:15,117
Keep clenching and you'll pop something.

273
00:17:16,243 --> 00:17:20,080
There is no greater danger
than underestimating your enemy, Governor.

274
00:17:20,914 --> 00:17:22,166
Trust me, I know.

275
00:17:29,256 --> 00:17:31,258
[both grunting]

276
00:17:51,862 --> 00:17:52,780

[Trepp screams]

277

00:18:09,379 --> 00:18:10,756
Now we're even.

278

00:18:14,676 --> 00:18:15,969
You sure it's here?

279

00:18:18,263 --> 00:18:21,517
The best place to hide something
from someone is the first place they look.

280

00:18:21,975 --> 00:18:23,560
If it's obvious, no one looks close.

281

00:18:25,437 --> 00:18:28,607
When you come into this place,
what's the first thing you see?

282

00:18:29,691 --> 00:18:30,943
The Songspire.

283

00:18:33,904 --> 00:18:36,240
This tree dates back
to the time of the Elders.

284

00:18:37,574 --> 00:18:38,575
It's borne witness.

285

00:18:40,494 --> 00:18:41,662
It holds many secrets.

286

00:18:51,421 --> 00:18:53,423
[soft ethereal chiming]

287

00:19:23,370 --> 00:19:24,288
[gasps]

288

00:19:34,965 --> 00:19:35,883
Tell me.

289

00:19:37,217 --> 00:19:38,343
What bothers you more,

290

00:19:39,052 --> 00:19:42,681
that a Harlan's giving you commands
or that you're obeying them?

291

00:19:42,764 --> 00:19:46,894
I prefer my superiors to earn their title,
not be born to it.

292

00:19:47,519 --> 00:19:50,814
Power isn't something you earn,
it's something you take.

293

00:19:52,232 --> 00:19:55,402
Until you understand that,
you'll never see the bigger picture.

294

00:19:55,903 --> 00:19:56,862
Speaking of which,

295

00:19:57,446 --> 00:19:59,865
did you train your Wedge
to stand that still,

296

00:20:00,490 --> 00:20:01,575
or are they dead?

297

00:20:03,160 --> 00:20:04,578
The feeds are looping.

298

00:20:04,661 --> 00:20:06,413
Wedge, report in, do you copy?

299

00:20:20,344 --> 00:20:22,221
We got them, Colonel. Permission to kill?

300

00:20:22,638 --> 00:20:23,805
[Kemp] Permission granted.

301

00:20:29,228 --> 00:20:30,062

[grunts]

302

00:20:39,112 --> 00:20:40,447
Takeshi Kovacs, I presume.

303

00:20:41,031 --> 00:20:42,115
Nice entrance.

304

00:20:42,699 --> 00:20:43,951
It's very dramatic.

305

00:20:44,785 --> 00:20:45,953
You got our signal?

306

00:20:46,703 --> 00:20:49,706
We came as soon as we heard.
Gather their weapons.

307

00:20:56,672 --> 00:20:57,923
[Danica] That's Joshua Kemp.

308

00:21:00,217 --> 00:21:03,053
Kill her now and get out of there.
The Wedge has been ambushed.

309

00:21:03,929 --> 00:21:06,223
Move a muscle
and you just dug your own grave.

310

00:21:07,057 --> 00:21:08,892
You have someone with Falconer?

311

00:21:09,559 --> 00:21:11,728
[Carrera] Repeat,
finish her now and move out.

312

00:21:11,812 --> 00:21:13,772
[Kovacs Prime]
There's no weapon here, is there?

313

00:21:14,690 --> 00:21:16,566
I looked in your eyes and I knew.

314
00:21:18,068 --> 00:21:19,987
You are Takeshi Kovacs,

315
00:21:21,071 --> 00:21:24,533
but you are not my Takeshi Kovacs.

316
00:21:30,789 --> 00:21:32,791
[both grunting]

317
00:21:45,345 --> 00:21:47,472
You're only pretending to be
one of the monsters.

318
00:21:54,563 --> 00:21:55,439
[grunts]

319
00:21:59,401 --> 00:22:00,736
-[gun cocks]
-[Kemp clears throat]

320
00:22:01,653 --> 00:22:03,155
-Am I interrupting?
-[guns cocking]

321
00:22:05,615 --> 00:22:07,784
-So that's you?
-I told you, it's complicated.

322
00:22:10,662 --> 00:22:13,123
Quellcris Falconer, Joshua Kemp.

323
00:22:13,915 --> 00:22:15,000
I've heard of you.

324
00:22:17,878 --> 00:22:19,296
What the hell are you doing?

325
00:22:19,838 --> 00:22:21,048
You understand my caution.

326

00:22:21,131 --> 00:22:23,842
I have a lot of enemies who'd readily
use your face against me.

327
00:22:24,926 --> 00:22:26,428
I need to confirm who you really are.

328
00:22:28,013 --> 00:22:29,681
[Danica] Who the hell is in there?

329
00:22:29,765 --> 00:22:32,559
An asset I called in from off-planet.
He has a history with Kovacs.

330
00:22:32,642 --> 00:22:34,936
Kovacs, who is not dead,

331
00:22:35,020 --> 00:22:38,440
who has now joined Kemp's rebellion
along with Falconer?

332
00:22:39,191 --> 00:22:42,694
Tell Captain Veutin I need a unit
dispatched to Stronghold immediately.

333
00:22:42,778 --> 00:22:45,864
These aren't prisoners
for your second-rate soldiers to steal.

334
00:22:45,947 --> 00:22:47,157
My man will handle this.

335
00:22:47,240 --> 00:22:48,700
Your man is in handcuffs.

336
00:22:48,784 --> 00:22:50,786
He's come through in worse situations.

337
00:22:52,287 --> 00:22:54,956
I don't know what game
it is you're playing, Colonel,

338

00:22:55,040 --> 00:22:56,833
but whatever it is, it's over.

339
00:23:03,840 --> 00:23:04,716
[beeps]

340
00:23:05,884 --> 00:23:07,969
[Kovacs] Tell Kemp he's making a mistake.

341
00:23:08,678 --> 00:23:12,265
You can tell him yourself...
after the Ascertainment.

342
00:23:12,349 --> 00:23:13,350
[Trepp scoffs]

343
00:23:13,892 --> 00:23:15,644
What the hell is an Ascertainment?

344
00:23:15,727 --> 00:23:17,187
It's an Envoy ritual

345
00:23:17,270 --> 00:23:20,190
to prove you are who you say you are,
no matter what sleeve you're wearing.

346
00:23:20,273 --> 00:23:22,734
If she's who she says she is,
you've got nothing to worry about.

347
00:23:22,818 --> 00:23:24,611
She's been down for centuries.

348
00:23:25,028 --> 00:23:27,864
-What if she fails?
-Then you're all dead.

349
00:23:29,741 --> 00:23:30,575
Great.

350
00:23:32,619 --> 00:23:33,787
So let me guess.

351

00:23:34,204 --> 00:23:37,290
You thought you were running the op
and she had you the whole time?

352

00:23:37,666 --> 00:23:42,129
She didn't kill me. I guess she was
still too attached to this face.

353

00:23:56,017 --> 00:23:57,644
[Kemp] You know how this works.

354

00:23:59,771 --> 00:24:02,065
I ask the questions and you answer them...

355

00:24:03,191 --> 00:24:05,902
truthfully and without hesitation.

356

00:24:17,581 --> 00:24:21,376
You fought against extending the human
lifespan beyond its natural bounds.

357

00:24:23,295 --> 00:24:27,048
Yet here you are...
after hundreds of years.

358

00:24:27,132 --> 00:24:28,633
How do you justify your hypoc--

359

00:24:34,389 --> 00:24:36,266
Hypocrisy implies choice.

360

00:24:36,808 --> 00:24:38,435
I was brought back against my will,

361

00:24:39,519 --> 00:24:40,729
but I am an Envoy.

362

00:24:42,063 --> 00:24:43,607
I take what is offered.

363

00:24:44,524 --> 00:24:47,694
-Haven't they heard of a lie detector?
-That wouldn't work on an Envoy.

364
00:24:48,236 --> 00:24:50,655
Quell taught perfect control
of mind and body.

365
00:24:50,739 --> 00:24:53,700
-They're testing both.
-[Kemp] Quellcrist is not your real name.

366
00:24:53,783 --> 00:24:56,286
You took it when you began your war
against the Protectorate.

367
00:24:56,369 --> 00:24:59,039
[Quell] That's no secret.
You could learn that in any history book.

368
00:24:59,122 --> 00:25:01,041
They don't say why you chose it.

369
00:25:01,124 --> 00:25:05,378
I named myself after a common seaweed
that grows on Harlan's World.

370
00:25:06,880 --> 00:25:09,466
In a harsh environment, it becomes dust.

371
00:25:17,974 --> 00:25:21,353
But with a drop of water,
it grows back a hundredfold.

372
00:25:21,853 --> 00:25:25,023
I wanted a revolution
that couldn't be killed,

373
00:25:25,106 --> 00:25:27,484
a rebellion
that would rise again and again.

374
00:25:28,193 --> 00:25:31,863

They thought I was dead,
but I had only dried up.

375

00:25:32,447 --> 00:25:35,825
I found my water by the lake

376

00:25:36,493 --> 00:25:40,121
and all at once I was myself again.

377

00:25:42,123 --> 00:25:43,250
It worked.

378

00:25:46,962 --> 00:25:48,880
Ask me the question
you really want answered.

379

00:25:51,550 --> 00:25:53,760
Ask me about Marshall Kemp.

380

00:25:53,843 --> 00:25:56,263
-What do you know about him?
-He was a farmer.

381

00:25:57,305 --> 00:25:58,807
He gave us food.

382

00:25:59,849 --> 00:26:02,561
The Protectorate had him arrested
as a collaborator.

383

00:26:03,353 --> 00:26:05,564
When he refused to betray the Envoys,

384

00:26:05,981 --> 00:26:07,440
they came for his daughter...

385

00:26:08,775 --> 00:26:09,943
threatened her life.

386

00:26:10,777 --> 00:26:11,945
But they never found her.

387
00:26:13,697 --> 00:26:14,656
Why not?

388
00:26:17,033 --> 00:26:18,076
I protected her.

389
00:26:19,619 --> 00:26:24,416
Children should not be used
as instruments of war.

390
00:26:31,214 --> 00:26:33,049
That story's a family secret.

391
00:26:37,470 --> 00:26:38,972
There's no way you would know it.

392
00:26:40,348 --> 00:26:41,308
Unless...

393
00:26:42,225 --> 00:26:46,563
It is my honor to welcome you back
to The Uprising.

394
00:27:08,793 --> 00:27:10,629
Sorry about the restraints.

395
00:27:12,505 --> 00:27:13,632
What about me?

396
00:27:13,715 --> 00:27:16,926
I follow Falconer's orders.
She said nothing about you.

397
00:27:31,483 --> 00:27:33,777
-[indistinct chatter]
-[Kemp] I need to break up a party.

398
00:27:34,861 --> 00:27:36,112
We have a lot to discuss.

399
00:27:36,655 --> 00:27:37,739

[Kemp] Let me catch you up.

400

00:27:39,032 --> 00:27:40,950
You can't take your eyes off of her.

401

00:27:42,994 --> 00:27:44,162
She's my mission.

402

00:27:44,829 --> 00:27:45,872
Mine too.

403

00:27:48,625 --> 00:27:50,043
At least I'm consistent.

404

00:27:52,921 --> 00:27:54,130
We're nothing alike.

405

00:27:56,716 --> 00:27:59,302
I remember what it was like to be you.

406

00:27:59,928 --> 00:28:01,846
CTAC's golden boy,

407

00:28:01,930 --> 00:28:05,767
always itching for the next battle,
the rush of the fight.

408

00:28:06,976 --> 00:28:09,854
But nothing compares to the praise
you get after, right?

409

00:28:10,689 --> 00:28:12,107
"Good job, soldier.

410

00:28:12,399 --> 00:28:13,858
Missing accomplished."

411

00:28:14,275 --> 00:28:15,985
I used to eat that shit up.

412

00:28:17,862 --> 00:28:19,322

Does he still call you "son"?

413

00:28:19,406 --> 00:28:20,573
Don't let him goad you.

414

00:28:21,074 --> 00:28:23,243
This is your chance to get free.

415

00:28:25,620 --> 00:28:27,288
He's listening right now, isn't he?

416

00:28:28,748 --> 00:28:31,835
It's cute how you think
you can get in my head.

417

00:28:33,128 --> 00:28:35,630
[Kovacs] No, he did a good job, Jaeger,

418

00:28:36,256 --> 00:28:38,800
taking a broken boy
out of a bad situation,

419

00:28:38,883 --> 00:28:42,512
giving him a gun and praising him
every time he would shoot to kill.

420

00:28:42,595 --> 00:28:45,682
And if the boy thinks that's love,
all the better.

421

00:28:47,058 --> 00:28:47,892
After all,

422

00:28:48,393 --> 00:28:51,396
the way our dad treated us,
how would we know the difference?

423

00:28:52,188 --> 00:28:53,648
And you think she's better?

424

00:28:54,524 --> 00:28:56,109
[Kovacs] She doesn't lie to me.

425

00:28:56,192 --> 00:28:58,153
She doesn't ask me to lie to myself.

426

00:29:00,780 --> 00:29:03,450
The Protectorate protects.

427

00:29:05,660 --> 00:29:07,787
Isn't that what you beat into us, Jaeger?

428

00:29:09,998 --> 00:29:12,083
I've worked so hard to believe it.

429

00:29:14,335 --> 00:29:16,796
I used to dream of Reileen,

430

00:29:17,422 --> 00:29:19,048
the family she'd have,

431

00:29:20,175 --> 00:29:21,718
the person she'd be.

432

00:29:23,011 --> 00:29:26,598
But even before I knew
they sold her to the Yakuza,

433

00:29:27,515 --> 00:29:29,142
part of me already knew.

434

00:29:30,435 --> 00:29:31,686
You know too.

435

00:29:32,854 --> 00:29:33,980
And so does he.

436

00:29:35,857 --> 00:29:39,360
The only thing the Protectorate protects
is itself.

437

00:29:39,444 --> 00:29:41,196
Rei's proof enough of that.

438

00:29:41,279 --> 00:29:43,531
He's twisting the truth.
That's not how it happened.

439

00:29:43,615 --> 00:29:48,745
I don't care who she became,
I would never have hurt her.

440

00:29:49,162 --> 00:29:51,080
You weren't there,
you didn't see what I saw.

441

00:29:51,164 --> 00:29:54,250
Spin it any way you want.
There's no justification for what you did.

442

00:29:54,334 --> 00:29:56,461
What kind of man kills his own sister?

443

00:29:56,544 --> 00:29:58,379
The same one who killed his father.

444

00:29:59,297 --> 00:30:00,965
I think she knew that.

445

00:30:03,635 --> 00:30:05,929
Maybe we are different after all.

446

00:30:07,722 --> 00:30:09,599
I was never afraid of the truth.

447

00:30:10,141 --> 00:30:12,227
[Carrera] Enough of this sentimental shit.

448

00:30:12,644 --> 00:30:14,187
-Listen to me, soldier--
-[device beeps]

449

00:30:21,945 --> 00:30:22,862
Tell me.

450
00:30:32,539 --> 00:30:33,498
We fought.

451
00:30:34,707 --> 00:30:35,708
That much you know.

452
00:30:37,836 --> 00:30:39,671
But she wasn't aiming to kill.

453
00:30:43,383 --> 00:30:45,760
There were a million things
she could have done.

454
00:30:47,136 --> 00:30:49,305
Fought back, bargained.

455
00:30:50,390 --> 00:30:51,850
She could've taken the gun.

456
00:30:51,933 --> 00:30:54,227
[Rei] Go on. Do it.

457
00:30:56,855 --> 00:30:58,106
I'll never stop.

458
00:31:00,358 --> 00:31:01,526
[Kovacs] That's when I knew.

459
00:31:05,071 --> 00:31:05,947
[gunfire]

460
00:31:07,866 --> 00:31:09,284
She wanted you to do it?

461
00:31:15,290 --> 00:31:16,708
I believe so.

462
00:31:18,793 --> 00:31:21,921
Still, I pulled the trigger.

463

00:31:23,798 --> 00:31:27,051
But her fate was sealed long before.

464
00:31:29,137 --> 00:31:33,057
The moment I let Jaeger draft me into CTAC

465
00:31:33,516 --> 00:31:35,768
and trusted him to take care of her.

466
00:31:37,437 --> 00:31:39,022
That was our mistake.

467
00:31:40,189 --> 00:31:42,734
We set all of it into motion.

468
00:31:43,526 --> 00:31:44,777
From then on,

469
00:31:45,194 --> 00:31:48,823
Rei was just riding on borrowed time.

470
00:31:55,705 --> 00:31:57,081
[sniffles]

471
00:32:09,844 --> 00:32:11,512
[Danica] What happened to your man?

472
00:32:12,055 --> 00:32:13,056
I lost him.

473
00:32:16,517 --> 00:32:18,811
Get Veutin's unit up on the monitors.

474
00:32:31,699 --> 00:32:32,825
Commander Kemp.

475
00:32:33,785 --> 00:32:36,412
-I wanted to ask you about something.
-Go ahead.

476
00:32:38,915 --> 00:32:40,333

Do you recognize this man?

477

00:32:40,750 --> 00:32:42,418
No. Should I?

478

00:32:45,421 --> 00:32:50,176
Anil Imani, he's my brother.
He disappeared doing a job for you.

479

00:32:53,137 --> 00:32:54,097
[sighs]

480

00:32:55,098 --> 00:32:57,183
I'm sorry. It's a big war.

481

00:32:57,558 --> 00:32:59,519
I don't know every soldier by name.

482

00:33:00,228 --> 00:33:01,521
He could still be out there.

483

00:33:02,188 --> 00:33:04,190
I'll circulate his image
among my lieutenants,

484

00:33:04,273 --> 00:33:05,692
see if we can get answers for you.

485

00:33:08,152 --> 00:33:11,572
So many families have suffered
from the Protectorate's atrocities.

486

00:33:14,826 --> 00:33:15,868
What are you doing?

487

00:33:18,830 --> 00:33:21,708
It's, uh... It's my coils.

488

00:33:22,583 --> 00:33:24,335
They get a bit touchy
when they're depleted.

489
00:33:24,419 --> 00:33:26,963
Do you mind if I borrow your charger
from your transmitter?

490
00:33:28,172 --> 00:33:29,007
Sure.

491
00:33:31,050 --> 00:33:32,051
Have at it.

492
00:33:56,492 --> 00:33:58,786
-Did you reach base?
-They told us to wait.

493
00:33:58,870 --> 00:34:01,039
There's a Protectorate satellite
passing overheard.

494
00:34:01,122 --> 00:34:02,832
If we leave now,
it'll pick up our movements.

495
00:34:02,915 --> 00:34:05,251
-How long before it passes?
-A couple of hours?

496
00:34:05,334 --> 00:34:07,462
If you take no risks,
you win no victories.

497
00:34:08,046 --> 00:34:09,714
If we leave now,
at least we stand a chance.

498
00:34:09,797 --> 00:34:13,509
This cave is a defensible position,
especially with your weapon.

499
00:34:14,802 --> 00:34:15,887
My weapon?

500
00:34:15,970 --> 00:34:19,390

You used something on those Meths.
Are you gonna hold out on me?

501

00:34:23,269 --> 00:34:25,772
Gather everyone, gear up.

502

00:34:26,355 --> 00:34:27,732
We move on my command.

503

00:34:29,192 --> 00:34:31,069
Of course. It's your call.

504

00:34:33,696 --> 00:34:34,822
We need to talk.

505

00:34:35,656 --> 00:34:37,241
I'm sorry about before...

506

00:34:39,452 --> 00:34:40,870
when I put my hands on you.

507

00:34:42,538 --> 00:34:45,541
I was finally coming back to myself
and I couldn't let you stop me.

508

00:34:47,168 --> 00:34:48,086
Thanks.

509

00:34:50,338 --> 00:34:51,547
But it's not that.

510

00:34:53,674 --> 00:34:54,550
It's Kemp.

511

00:34:56,177 --> 00:34:58,513
I checked the signal log on our beacon.

512

00:34:58,596 --> 00:35:01,599
The coordinates Kovacs was trying to send
never went through.

513

00:35:02,642 --> 00:35:05,770
Kemp never got our message,
so how did he find us?

514

00:35:06,854 --> 00:35:10,024
And when I asked him about Anil,
he claimed he'd never met him.

515

00:35:12,527 --> 00:35:15,863
So why does he have his fucking stack
strung around his neck?

516

00:35:23,162 --> 00:35:24,831
It's time to even the odds.

517

00:35:37,802 --> 00:35:39,846
You sure you don't want to wait out
the satellite?

518

00:35:42,515 --> 00:35:43,391
How long?

519

00:35:43,891 --> 00:35:45,518
Uh, a few more hours I'd say.

520

00:35:45,601 --> 00:35:47,103
How long have you been a traitor?

521

00:35:50,356 --> 00:35:53,025
-The hell are you talking about?
-[Quell] You know how this works.

522

00:35:53,109 --> 00:35:54,902
I ask the questions, you answer them.

523

00:35:55,403 --> 00:35:57,280
The truth is your only protection.

524

00:35:57,738 --> 00:35:59,031
Who do you work for?

525

00:36:02,076 --> 00:36:04,495

All warfare is based on deception.

526

00:36:05,538 --> 00:36:06,664
That's your saying, isn't it?

527

00:36:09,000 --> 00:36:12,211
I was wrong. She's not the real Falconer.

528

00:36:12,628 --> 00:36:14,463
Execute her, now!

529

00:36:24,807 --> 00:36:26,434
You're no revolutionary.

530

00:36:26,934 --> 00:36:29,520
I'm no revolutionary
because there is no revolution.

531

00:36:30,521 --> 00:36:32,440
What did your people die for?

532

00:36:32,857 --> 00:36:36,986
The peons fighting think this is all real.
It's just bloodthirsty play-acting.

533

00:36:37,445 --> 00:36:38,654
The story's already been written.

534

00:36:39,113 --> 00:36:41,157
You promised you'd spare me
if I told you the truth.

535

00:36:41,240 --> 00:36:42,867
I didn't promise you shit!

536

00:36:45,119 --> 00:36:47,705
The emblem on this is my family's crest.

537

00:36:48,247 --> 00:36:50,499
This is my brother's DHF.

538

00:36:50,583 --> 00:36:53,628
Your brother got himself killed
just like your--

539

00:36:55,129 --> 00:36:56,923
[Quell] Don't. We need him alive.

540

00:36:57,381 --> 00:37:00,051
-He's our proof the war is a lie.
-[Kemp] You're too late.

541

00:37:00,134 --> 00:37:03,012
There was never a satellite.
It was always the Protectorate coming.

542

00:37:03,095 --> 00:37:05,640
Secure him,
gather whatever weapons you can carry.

543

00:37:05,723 --> 00:37:07,892
If we cut through the clearing,
we can take the back pass.

544

00:37:07,975 --> 00:37:09,477
-What about him?
-His choice.

545

00:37:10,603 --> 00:37:12,104
You think we can trust him?

546

00:37:13,356 --> 00:37:14,398
He's still you.

547

00:37:22,156 --> 00:37:23,115
-[Kovacs] This way.
-Wait.

548

00:37:24,700 --> 00:37:25,534
Oh, shit.

549

00:37:28,246 --> 00:37:29,455
[woman] Target engaged.

550

00:37:30,289 --> 00:37:31,499
Is that who I think it is?

551

00:37:36,754 --> 00:37:39,298
[Kemp] Don't shoot. Don't shoot.
I'm on your side!

552

00:37:39,674 --> 00:37:40,549
Stop right there.

553

00:37:41,801 --> 00:37:43,094
Kemp was your man.

554

00:37:44,345 --> 00:37:47,390
That's how he knew where to find my team.
You told them where they were.

555

00:37:47,473 --> 00:37:48,432
[gasps]

556

00:37:50,559 --> 00:37:51,727
Kovacs.

557

00:37:51,811 --> 00:37:52,937
Something's happening.

558

00:37:53,020 --> 00:37:56,315
Call Danica Harlan.
She'll tell you I work for her.

559

00:37:56,399 --> 00:37:57,358
Veutin, shut him up.

560

00:38:05,074 --> 00:38:06,826
The war, the ceasefire,

561

00:38:06,909 --> 00:38:09,662
you've been running it all
from the inside.

562

00:38:09,745 --> 00:38:10,705

This is treason.

563

00:38:11,205 --> 00:38:14,125
-Protectorate will remove you.
-[Danica] How?

564

00:38:15,126 --> 00:38:16,335
The planet's dark.

565

00:38:16,752 --> 00:38:17,586
Arrest him.

566

00:38:19,380 --> 00:38:20,631
[groans]

567

00:38:22,341 --> 00:38:23,551
This will never stand.

568

00:38:23,634 --> 00:38:26,554
You have no grounds to arrest me.

569

00:38:26,637 --> 00:38:27,972
[grunts]

570

00:38:28,514 --> 00:38:31,392
That's your asset
wearing the Envoy's birth sleeve.

571

00:38:31,475 --> 00:38:33,477
Double sleeving is a capital crime.

572

00:38:33,561 --> 00:38:35,438
I've got all the ammunition I need.

573

00:38:35,521 --> 00:38:36,439
[groans]

574

00:38:46,490 --> 00:38:47,408
[Kovacs Prime] Cover!

575

00:38:55,666 --> 00:38:57,209

[groans] I can't hold it!

576

00:39:11,807 --> 00:39:13,517
[loud rumbling]

577

00:39:19,690 --> 00:39:21,817
-[screams]
-[screams]

578

00:39:29,909 --> 00:39:31,035
[screaming]

579

00:39:59,939 --> 00:40:02,608
[outro music playing]
