1

00:00:07,507 --> 00:00:10,635

[man] I'm a weirdo.

That's what everyone says.

2

00:00:10,719 --> 00:00:13,179

Sometimes, I don't know what people mean
when they say things,

3

00:00:13,346 --> 00:00:17,267

and that can make me feel alone even
when there are other people in the room.

4

00:00:17,350 --> 00:00:19,936

And all I can do is sit and twiddle,

5

00:00:20,020 --> 00:00:22,689

which is what I call
my self-stimulatory behavior,

6

00:00:22,772 --> 00:00:27,360

when I flick a pencil against
a rubber band at a certain frequency

7

00:00:27,444 --> 00:00:29,529

and think about all the things that
I could never do,

8

00:00:29,612 --> 00:00:34,075

like research penguins in Antarctica
or have a girlfriend.

9

00:00:34,159 --> 00:00:36,995

I don't know.
I'd like to go to Antarctica.

10

00:00:37,746 --> 00:00:38,872

It's quiet there...

11

00:00:39,831 --> 00:00:42,208

except in the rookeries,
where the penguins breed.

12

00:00:42,292 --> 00:00:44,294
[chuckles] Those aren't quiet. No, sir.

13
00:00:45,628 --> 00:00:47,088
I'm finished with my answer.

14
00:00:48,131 --> 00:00:49,215
Great.

15
00:00:49,299 --> 00:00:51,718
Almost done for today. Good session, Sam.

16
00:00:51,801 --> 00:00:53,970
I can see your bra. It's purple.

17
00:00:55,930 --> 00:00:57,140
[chuckles]

18
00:00:57,223 --> 00:01:01,061
Um, there was one more thing
I wanted to discuss.

19
00:01:01,144 --> 00:01:03,813
And I don't need your answer now,

20
00:01:03,897 --> 00:01:06,232
but I'm asking all my clients
if they'd be willing

21
00:01:06,316 --> 00:01:07,984
to donate their brains for research.

22
00:01:08,068 --> 00:01:09,611
[laughs]

23
00:01:09,694 --> 00:01:10,945
Donate my brain?

24
00:01:11,696 --> 00:01:13,865
-After you die.
-Oh.

25

00:01:13,948 --> 00:01:17,160
Yeah. There's such a shortage
of brain matter available,

26

00:01:17,243 --> 00:01:19,829
and, you know,
there's no substitute for the real thing.

27

00:01:19,913 --> 00:01:20,997
[chuckles]

28

00:01:21,081 --> 00:01:23,249
Just think about it.

29

00:01:24,292 --> 00:01:26,586
-Okay.
-And, hey, Sam,

30

00:01:27,253 --> 00:01:29,923
what you said earlier
about having a girlfriend?

31

00:01:30,507 --> 00:01:32,383
People in the spectrum date, you know?

32

00:01:32,467 --> 00:01:36,137
You can try to find someone,
if you wanted to.

33

00:01:36,679 --> 00:01:39,182
-How?
-You just have to put yourself out there.

34

00:01:40,141 --> 00:01:41,184
Out where?

35

00:01:43,520 --> 00:01:45,021
[Sam] Buses are okay,

36

00:01:45,104 --> 00:01:48,024
but I don't like the feeling
of the seat on my back,

37

00:01:48,108 --> 00:01:49,859
so I sit like this.

38

00:01:49,943 --> 00:01:51,653
I don't know how people stand it.

39

00:01:51,736 --> 00:01:55,281
Maybe they've developed thicker back skin
from riding the bus so much.

40

00:01:55,365 --> 00:01:58,660
There's a type of Antarctic cod
that has a special protein

41

00:01:58,743 --> 00:02:01,037
in its blood that stops it from freezing.

42

00:02:01,121 --> 00:02:03,206
[chuckles] Antifreeze in fish.

43

00:02:03,289 --> 00:02:04,332
[laughs]

44

00:02:08,169 --> 00:02:10,547
I was just thinking about Antarctic cod.

45

00:02:13,758 --> 00:02:16,970
Antarctica is the most remote continent
on the planet.

46

00:02:19,430 --> 00:02:21,391
It has 90% of the world's ice,

47

00:02:21,474 --> 00:02:24,185
but it's considered a desert
because the annual rainfall

48

00:02:24,269 --> 00:02:25,687
is only about eight inches.

49

00:02:26,396 --> 00:02:29,232
You wouldn't think it was
a desert when you looked at it.

50

00:02:30,567 --> 00:02:31,943
That's why I like it.

51

00:02:33,319 --> 00:02:34,863
It's not what it looks like.

52

00:02:35,488 --> 00:02:38,158
[woman] Sam! Dinner!

53

00:02:38,241 --> 00:02:41,578
So, I ordered those T-shirts
that Sam likes, in bulk...

54

00:02:41,661 --> 00:02:43,454
you know, 100% cotton...

55

00:02:43,538 --> 00:02:48,001
and they switched them
to something that they called "tri-blend."

56

00:02:48,084 --> 00:02:52,422
So I called the company,
and I spoke to this woman named Rizwana.

57

00:02:52,505 --> 00:02:54,424
I think I was speaking with India.

58

00:02:54,507 --> 00:02:55,592
[man]
Mm-hmm.

59

00:02:55,675 --> 00:02:57,260
But, anyway, um...

60

00:02:57,343 --> 00:03:01,055
And she found a box of the old ones,

61

00:03:01,139 --> 00:03:02,724

and they sent them free of charge.

62

00:03:02,807 --> 00:03:05,101
-They're exactly the right kind.
-[man] Mm.

63

00:03:05,184 --> 00:03:07,061
Wow. That is a great story, Mom.

64

00:03:07,145 --> 00:03:08,438
Oh, don't be a dick, honey.

65

00:03:08,521 --> 00:03:11,149
So, Sam, how was your session
with Julia today?

66

00:03:11,232 --> 00:03:12,775
She wants me to donate my brain,

67

00:03:12,859 --> 00:03:14,444
but don't worry, it's after I die.

68

00:03:14,527 --> 00:03:17,447
What, like, for research?
That could be kind of cool.

69

00:03:17,530 --> 00:03:18,531
Absolutely not.

70

00:03:19,198 --> 00:03:20,825
And the queen has spoken.

71

00:03:20,909 --> 00:03:23,077
Well, it's gross, Casey.

72

00:03:23,161 --> 00:03:26,039
You tell Julia, "Thank you, but no."

73

00:03:26,122 --> 00:03:28,333
-[Sam] Okay.
-You're so easy to boss around.

74

00:03:28,416 --> 00:03:30,585
I don't care what happens
to my dead brain.

75

00:03:30,668 --> 00:03:33,171
It's either I give it to Julia,
or maggots eat it.

76

00:03:33,254 --> 00:03:35,089
If Mom wants maggots to eat it, fine.

77

00:03:35,173 --> 00:03:37,467
No, no, no. That's not what I'm saying.

78

00:03:37,550 --> 00:03:38,551
Kind of is.

79

00:03:38,635 --> 00:03:40,220
I don't care. I'll be dead.

80

00:03:40,303 --> 00:03:43,431
Can we stop talking about you being dead?
You're not going anywhere.

81

00:03:43,514 --> 00:03:45,141
Wow, this chicken's really good, honey.

82

00:03:45,266 --> 00:03:46,851
Thanks. It's a dry rub.

83

00:03:46,935 --> 00:03:48,144
It's a good dry rub.

84

00:03:48,811 --> 00:03:51,272
Julia thinks that I should
put myself out there

85

00:03:51,356 --> 00:03:53,316
and find someone to have sex with.

86

00:03:53,399 --> 00:03:54,776

[laughs]

87

00:03:54,859 --> 00:03:56,778
She didn't say the sex part. I added that.

88

00:03:56,861 --> 00:03:58,154
[laughing]

89

00:04:04,202 --> 00:04:06,204
[theme music playing]

90

00:04:26,349 --> 00:04:28,977
-[school bell rings]
-[indistinct conversations]

91

00:04:33,773 --> 00:04:36,359
[Sam] My school is crowded, noisy,

92

00:04:36,442 --> 00:04:37,986
and it smells weird,

93

00:04:38,069 --> 00:04:40,405
but it has one thing going for it:

94

00:04:40,488 --> 00:04:42,490
it has lots of girls.

95

00:04:42,573 --> 00:04:47,287
Well, I think every girl is pretty
in her own way,

96

00:04:47,370 --> 00:04:50,164
like a snowflake
in a seasonal Antarctic storm.

97

00:05:06,014 --> 00:05:07,807
[Sam] But girls don't notice me at all.

98

00:05:13,730 --> 00:05:14,689
Thank you.

99

00:05:17,775 --> 00:05:19,944
Banged a veterinarian
I met online last night.

100
00:05:20,028 --> 00:05:22,613
She had a pet parrot that
repeated everything she said.

101
00:05:22,697 --> 00:05:25,908
"Do me, Brown Sugar!
Do me, Brown Sugar!"

102
00:05:26,409 --> 00:05:28,244
Oh, shit. I think she's racist.

103
00:05:29,454 --> 00:05:30,455
What kind of parrot?

104
00:05:30,538 --> 00:05:33,124
Oh, I don't know. The red rainbow one?

105
00:05:33,207 --> 00:05:35,543
-That's a scarlet macaw.
-Oh.

106
00:05:41,507 --> 00:05:42,550
Zahid...

107
00:05:43,676 --> 00:05:44,886
do you like dating girls?

108
00:05:46,304 --> 00:05:48,264
Yeah, dude. I like dating girls.

109
00:05:51,642 --> 00:05:53,186
[camera shutter clicks]

110
00:05:54,520 --> 00:05:55,605
What are you doing?

111
00:05:55,688 --> 00:05:58,191
Going online to try

and find a girl to date.

112

00:05:58,274 --> 00:05:59,734
That's hilarious. I'll help.

113

00:06:01,694 --> 00:06:02,987
Okay, finish this sentence:

114

00:06:03,071 --> 00:06:05,323
"I spend a lot of time thinking about..."

115

00:06:05,406 --> 00:06:06,657
Easy. Penguins.

116

00:06:06,741 --> 00:06:09,535
And, especially,
I'll say chinstrap penguins.

117

00:06:09,619 --> 00:06:11,579
They're my favorite bird,

118

00:06:11,662 --> 00:06:14,123
but all four types
of Antarctic penguins are good.

119

00:06:14,207 --> 00:06:18,252
Did you know early explorers thought they
were fish and classified them that way?

120

00:06:18,336 --> 00:06:20,088
Not birds, fish.

121

00:06:22,590 --> 00:06:23,841
I'm gonna put "sports."

122

00:06:23,925 --> 00:06:25,134
[woman] Hey, kids.

123

00:06:25,218 --> 00:06:26,469
What you doing?

124

00:06:26,552 --> 00:06:28,679
Casey's helping me sign up
for online dating,

125

00:06:28,763 --> 00:06:30,681
but hates all my answers, so she's lying.

126

00:06:32,642 --> 00:06:34,477
-Wow.
-Mm-hmm.

127

00:06:34,560 --> 00:06:36,145
You're a little young for that.

128

00:06:36,229 --> 00:06:38,940
You know, I saw an episode on 20/20.

129

00:06:39,023 --> 00:06:42,276
There's actually something
called "catfishing,"

130

00:06:42,527 --> 00:06:45,571
-and it has nothing to do with fishing.
-Bye, Mom.

131

00:06:48,491 --> 00:06:50,660
Should we take another picture
with Edison?

132

00:06:50,743 --> 00:06:53,621
I read online that girls love animals.

133

00:06:53,704 --> 00:06:54,831
Maybe like this?

134

00:06:55,790 --> 00:06:58,459
I think this might go quicker
if you just leave.

135

00:07:00,294 --> 00:07:01,838
[sighs] Damn it.

136

00:07:03,381 --> 00:07:05,174
Careful. What are you doing?

137

00:07:05,258 --> 00:07:06,717
Honey, can you get that for me?

138

00:07:08,678 --> 00:07:10,763
-Which one?
-Three to five.

139

00:07:11,764 --> 00:07:13,975
This room, it's, like, so disorganized.

140

00:07:14,934 --> 00:07:16,477
-Such a mess.
-You okay?

141

00:07:16,561 --> 00:07:18,312
Yes, fine. Totally fine.

142

00:07:18,396 --> 00:07:19,230
[sniffles]

143

00:07:19,313 --> 00:07:20,231
Yeah.

144

00:07:21,149 --> 00:07:23,818
Sam's gonna start dating,
so that's something.

145

00:07:23,901 --> 00:07:25,194
Do you remember these?

146

00:07:25,278 --> 00:07:26,988
-Sam's emotion cards?
-Yeah.

147

00:07:27,071 --> 00:07:29,323
"Someone's making this face,
they might be sad,

148

00:07:29,407 --> 00:07:31,033

so you should try
to be kind to them."

149

00:07:31,117 --> 00:07:33,911
A woman in the support group,
her son was just diagnosed,

150

00:07:33,995 --> 00:07:34,912
so I said I'd throw

151

00:07:34,996 --> 00:07:36,706
some things together.

152

00:07:36,789 --> 00:07:39,959
This was the exact face he made
when I surprised him with Mets tickets.

153

00:07:40,042 --> 00:07:41,919
-Remember that?
-Yeah, I do.

154

00:07:42,003 --> 00:07:45,173
I wanted us to just have one thing
in common.

155

00:07:45,256 --> 00:07:46,466
Just one thing.

156

00:07:47,550 --> 00:07:50,470
Me and my dad used to go
to the ball games all the time.

157

00:07:52,180 --> 00:07:54,474
I think it's all right that
Sam's gonna try to date.

158

00:07:54,557 --> 00:07:57,018
I mean, you and I weren't
much older when we met,

159

00:07:57,101 --> 00:07:58,978
and that was fun, right?
We had a good time.

160
00:07:59,061 --> 00:08:02,023
-Sam's not like us.
-I know, but he has to start...

161
00:08:02,106 --> 00:08:04,108
Do you know that every time
the phone rings, I jump?

162
00:08:04,692 --> 00:08:06,152
Every time.

163
00:08:06,944 --> 00:08:09,655
I think he's crossed the street again
with his eyes closed...

164
00:08:10,531 --> 00:08:12,533
or he had a freak-out in a store

165
00:08:12,617 --> 00:08:15,870
or he's hit a police officer.

166
00:08:15,953 --> 00:08:18,247
-Every time the phone rings.
-I know. I know.

167
00:08:18,331 --> 00:08:21,083
But maybe now it's time for us
to take a step back.

168

689

00:34:36,783 --> 00:34:39,243

and also maybe visit
the Middle Ages because...

690

00:34:39,327 --> 00:34:40,578
jousting.

691

00:34:41,621 --> 00:34:45,208
Look, I don't know about some
of that stuff you're into,

692

00:34:45,291 --> 00:34:48,377
but girls I know about, okay?
And they're tough.

693

00:34:49,670 --> 00:34:52,799
I'm proud of you
for putting yourself out there.

694

00:34:53,800 --> 00:34:58,096
I should never go on another date.
I should just stay away from girls.

695

00:34:58,971 --> 00:35:01,849
Sam, look, you got some stuff
to figure out, but you will.

696

00:35:03,643 --> 00:35:04,894
You're a good guy.

697

00:35:04,977 --> 00:35:07,188
You're sensitive, and you're funny,

698

00:35:07,271 --> 00:35:10,274
and the woman who ends up
with you will be lucky.

699

00:35:11,651 --> 00:35:13,319
You want to marry your best friend.

700

00:35:14,654 --> 00:35:15,530
Edison?

701

00:35:15,613 --> 00:35:16,572
No.

702

00:35:17,198 --> 00:35:18,491
Not your turtle, Sam.

703

00:35:18,574 --> 00:35:20,993
You said my best friend.
He's my best friend.

704

00:35:22,078 --> 00:35:23,121
I just...

705

00:35:24,038 --> 00:35:28,292
I meant you want to be with someone
who appreciates you for what you are.

706

00:35:29,127 --> 00:35:32,797
You know, who loves all
the little odd things about you...

707

00:35:33,506 --> 00:35:34,590
who gets you.

708

00:35:37,969 --> 00:35:39,762
Penguins mate for life, you know?

709

00:35:41,389 --> 00:35:42,515
Yeah?

710

00:35:43,850 --> 00:35:45,184
Well, good for them.

711

00:35:46,853 --> 00:35:50,565
So, how are you feeling now?
Still ready to give up on dating?

712

00:35:50,648 --> 00:35:53,317
I don't know. My dad said to find someone

713

00:35:53,401 --> 00:35:56,571
who appreciates me for what I am,

which is a weirdo.

714

00:35:57,530 --> 00:35:58,614
We talked a lot.

715

00:35:58,698 --> 00:36:00,158
Glad to hear it.

716

00:36:00,241 --> 00:36:03,411
And that makes sense.
You're easy to talk to.

717

00:36:07,206 --> 00:36:08,291
Yeah.

718

00:36:09,041 --> 00:36:10,376
You're easy to talk to, too,

719

00:36:10,459 --> 00:36:13,671
which is good 'cause,
otherwise, you'd go broke.

720

00:36:13,754 --> 00:36:14,964
[chuckles]

721

00:36:18,259 --> 00:36:21,179
[Sam] When a male gentoo penguin
chooses a mate,

722

00:36:21,262 --> 00:36:22,346
he makes an offering.

723

00:36:23,139 --> 00:36:24,682
He finds a pebble,

724

00:36:24,765 --> 00:36:27,101
often taking the time
to find the smoothest one,

725

00:36:27,185 --> 00:36:29,020
and presents it to the female.

726
00:36:29,854 --> 00:36:32,690
I'm a human,
so it would be weird to offer a pebble.

727
00:36:33,357 --> 00:36:34,233
Julia.

728
00:36:36,277 --> 00:36:39,197
-I've decided I want to give you my brain.
-[gasps] Really?

729
00:36:39,280 --> 00:36:40,448
After I die.

730
00:36:41,115 --> 00:36:42,950
Oh, Sam, that's so great.

731
00:36:45,369 --> 00:36:46,871
You're gonna help so many people.

732
00:36:46,954 --> 00:36:48,581
[chuckles]

733
00:36:48,664 --> 00:36:50,291
Good smile.

734
00:36:50,374 --> 00:36:51,751
It's not creepy at all.

735
00:36:51,834 --> 00:36:53,252
I've been practicing.

736
00:36:53,336 --> 00:36:54,503
Yeah, I can tell.

737
00:36:56,839 --> 00:36:59,425
[Sam] If the female places the pebble
in her nest,

738
00:36:59,508 --> 00:37:01,219
she accepts him as a mate.

739

00:37:01,302 --> 00:37:03,846

And as you already know,
penguins mate for life.
