# ATYPICAL

CREATED BY

Robia Rashid

EPISODE 2.02

"Penguin Cam and Chill"

Casey feels less than welcome at Clayton. Sam asks Paige to spell out the rules of their "casual relationship," while Doug sets boundaries with Elsa.

**MAIN EPISODE CAST**

Jennifer Jason Leigh	...	Elsa Gardner
Keir Gilchrist	...	Sam Gardner
Brigitte Lundy-Paine	...	Casey Gardner
Amy Okuda	...	Julia Sasaki
Michael Rapaport	...	Doug Gardner
Nik Dodani	...	Zahid
Graham Rogers	...	Evan Chapin
Jenna Boyd	...	Paige
Fivel Stewart	...	Izzie
Wendy Braun	...	Kathy
Graham Phillips	...	Nate
Nina Ameri	...	Luisa
Michelle Farrah Huang	...	Tanya
Christina Offley	...	Sharice
Nicole Zyana	...	Penelope
Megan Suri	...	Quinn
Anthony Jacques	...	Christopher
London Kim	...	Mr. Kawahara
Dominique Morton	...	Student Worker
Daniela Leon	...	Girl
Samantha Hyde	...	Smart Girl
Kyle Kittredge	...	Smart Boy

1

00:00:08,008 --> 00:00:11,636  
[Christopher] Mom, how long is your friend  
going to be sleeping in my train room?

2

00:00:11,720 --> 00:00:16,182  
-There's a 10 a.m. to Santa Fe.  
-It's a guest room, Christopher.

3

00:00:16,266 --> 00:00:18,059  
And don't be rude.

4

00:00:18,435 --> 00:00:19,310  
Ignore him.

5

00:00:19,394 --> 00:00:20,520  
He's a pill.

6

00:00:21,479 --> 00:00:22,939  
[sighs]

7

00:00:23,064 --> 00:00:26,568  
This is the tightest made bed  
I've ever felt.

8

00:00:26,651 --> 00:00:30,447  
-Were you ever in the military?  
-I like to be really wedged in.

9

00:00:30,530 --> 00:00:34,784  
-Like I'm buried underground.  
-And did you... vacuum the rug?

10

00:00:34,868 --> 00:00:36,327  
I got up early.

11

00:00:36,661 --> 00:00:39,372  
I also gave the bathroom a teensy scrub.

12

00:00:39,456 --> 00:00:43,877  
Hope you don't mind, I put out ingredients  
for blueberry-buttermilk coffee cake,

13

00:00:43,960 --> 00:00:45,754  
just to get them down  
to room temperature.

14

00:00:45,837 --> 00:00:46,838  
Marry me. [chuckles]

15

00:00:46,921 --> 00:00:49,841  
[deep breath] I really appreciate you  
letting us stay here.

16

00:00:49,924 --> 00:00:53,553  
And I promise Monkey  
and I will be out of your hair soon.

17

00:00:53,636 --> 00:00:56,848  
Someone as annoying as Kathy  
does not deserve a cat this cute.

18

00:00:56,931 --> 00:00:58,433  
-Right!  
-I mean, look at her!

19

00:00:58,516 --> 00:01:00,602  
-She's such a little cuddle-pud.  
-[sighs] Oh!

20

00:01:00,935 --> 00:01:02,520  
I cleaned out a drawer for you.

21

00:01:03,772 --> 00:01:06,149  
It was mostly handwritten train schedules

22

00:01:06,232 --> 00:01:08,610  
and Ziploc bags full  
of empty pistachio shells.

23

00:01:08,693 --> 00:01:09,611  
[chuckles]

24

00:01:09,694 --> 00:01:12,530  
Thanks. I won't need it, I'll be home

before you know it.

25

00:01:12,781 --> 00:01:13,907  
You think so?

26

00:01:14,282 --> 00:01:17,619  
Yes. I mean, Doug and I  
have been through so much.

27

00:01:17,702 --> 00:01:21,122  
Twenty-two years of marriage,  
it doesn't just end like that, right?

28

00:01:21,706 --> 00:01:24,542  
Well, you're welcome to stay here  
for as long as you want.

29

00:01:24,876 --> 00:01:26,544  
[Christopher] No, she is not.

30

00:01:26,628 --> 00:01:27,712  
[sighs]

31

00:01:27,796 --> 00:01:32,050  
[Sam] After a female emperor penguin  
lays an egg, she immediately goes away,

32

00:01:32,842 --> 00:01:36,846  
leaving the male to care for  
and warm the egg until it hatches.

33

00:01:37,222 --> 00:01:38,264  
Oh, yeah?

34

00:01:38,389 --> 00:01:40,391  
[penguins squawk]

35

00:01:42,185 --> 00:01:45,188  
-Where's the egg?  
-Under the father's tail feathers.

36

00:01:45,271 --> 00:01:47,774

That's a dude? That's cool.

37

00:01:48,358 --> 00:01:50,110  
-[shouts] Hey!  
-Ketchup.

38

00:01:51,152 --> 00:01:52,445  
What are you watching?

39

00:01:52,695 --> 00:01:53,905  
[both] Baby penguin cam.

40

00:01:54,489 --> 00:01:56,157  
More like baby boring boring.

41

00:01:58,701 --> 00:01:59,911  
Hey, looking good, Case.

42

00:02:00,286 --> 00:02:01,454  
[Casey] Mmm.

43

00:02:01,579 --> 00:02:03,456  
This uniform is so lame.

44

00:02:03,790 --> 00:02:05,500  
It's your first day, you excited?

45

00:02:06,209 --> 00:02:10,672  
I don't know. Sam, are you sure  
you're going to be okay without me?

46

00:02:10,755 --> 00:02:12,465  
-[pouring juice]  
-Yes, you're so annoying.

47

00:02:12,549 --> 00:02:15,552  
I feel like I've adequately prepared him  
for the real world.

48

00:02:15,635 --> 00:02:17,595  
-Yeah, thanks for that.  
-Yeah.

49

00:02:18,638 --> 00:02:21,766

-Knock, knock.

-Mom. And a cat.

50

00:02:23,476 --> 00:02:24,477

What are you doing here?

51

00:02:27,939 --> 00:02:30,608

I just came to see everyone off

52

00:02:30,692 --> 00:02:33,194

on their big first day back,  
after the break.

53

00:02:35,029 --> 00:02:39,242

Also, I left a couple things.

Like, I didn't pack any good socks.

54

00:02:39,325 --> 00:02:41,202

We're just getting ready to go.

55

00:02:42,370 --> 00:02:43,705

Fridge is pretty empty.

56

00:02:44,080 --> 00:02:46,749

Maybe I should go by the store  
and pick up some supplies.

57

00:02:46,833 --> 00:02:48,793

-I could make dinner.

-We got it.

58

00:02:48,877 --> 00:02:52,881

What about something else that I could do,  
dishes or beds.

59

00:02:52,964 --> 00:02:53,965

[Doug] It's all done.

60

00:02:54,340 --> 00:02:57,844

-You don't live here anymore, lady.

-Come on, let's go. We can't be late.

61

00:02:57,927 --> 00:02:59,929  
It's the first day. Sam...

62

00:03:02,307 --> 00:03:03,224  
Sam?

63

00:03:04,225 --> 00:03:05,059  
Sam, honey?

64

00:03:05,643 --> 00:03:07,020  
I really missed you.

65

00:03:07,812 --> 00:03:10,356  
It's the first night I've ever been  
apart from you.

66

00:03:11,649 --> 00:03:13,651  
[sniffs]

67

00:03:16,529 --> 00:03:19,574  
-You have a cat now?  
-Temporarily.

68

00:03:20,450 --> 00:03:22,452  
[exhales]

69

00:03:22,911 --> 00:03:25,038  
Why do villains always have cats?

70

00:03:26,206 --> 00:03:27,957  
[Doug] Come on, we can't be late.

71

00:03:41,679 --> 00:03:43,681  
[crows cawing]

72

00:03:45,016 --> 00:03:47,143  
[sighs]

73

00:03:49,354 --> 00:03:52,190

-Hey.

-Hi, you're Izzie, right?

74

00:03:52,649 --> 00:03:54,901  
I'm Casey. I'm the...

75

00:03:55,860 --> 00:03:59,447  
Sorry, you know that.  
I'm, like, super nervous.

76

00:03:59,739 --> 00:04:01,783  
Oh, I'm the new kid from Newton.

77

00:04:02,867 --> 00:04:06,037  
-Look, new kid from Newton.  
-Casey is my name, actually.

78

00:04:06,162 --> 00:04:08,915  
I'm sure you were hot shit  
at your last crappy school, but--

79

00:04:08,998 --> 00:04:11,292  
Wow, warm welcome.

80

00:04:11,376 --> 00:04:13,419  
They should put you  
in the orientation video.

81

00:04:13,753 --> 00:04:16,422  
-But I've heard about you.  
-Good things?

82

00:04:16,506 --> 00:04:19,342  
You punched a girl in the face  
and got suspended, so, no.

83

00:04:20,051 --> 00:04:22,887  
I've worked my ass off to build this team  
and we don't need any drama.

84

00:04:23,721 --> 00:04:26,599  
-[tsking] I don't want any drama either.  
-Don't care.

85  
00:04:26,683 --> 00:04:28,309  
Just handle yourself.

86  
00:04:31,020 --> 00:04:32,605  
Um...

87  
00:04:32,689 --> 00:04:35,400  
Coach said you were going  
to show me around. Is that...

88  
00:04:36,734 --> 00:04:39,028  
Classes are in there. Good luck.

89  
00:04:39,112 --> 00:04:42,156  
Okay, thank you. That's super helpful.

90  
00:04:58,715 --> 00:05:00,341  
[students chattering]

91  
00:05:00,425 --> 00:05:04,095  
-Hi, Sam, I'm back from Maine.  
-Obviously.

92  
00:05:04,929 --> 00:05:07,807  
You look like Roald Amundsen,  
dressed for an expedition.

93  
00:05:07,890 --> 00:05:09,892  
Without the frostbite and the beard.

94  
00:05:10,351 --> 00:05:12,687  
-Is that a compliment?  
-Of course.

95  
00:05:13,146 --> 00:05:14,063  
Thank you.

96  
00:05:14,230 --> 00:05:17,066  
My mom wasn't feeling well  
and she gave me her credit card

97

00:05:17,150 --> 00:05:19,610  
and I may have gone a little bananas  
at the L.L. Bean outlet.

98

00:05:20,236 --> 00:05:22,864  
Anyway, um... I did some thinking  
while I was away.

99

00:05:22,947 --> 00:05:27,035  
The pastoral beauty just really encourages  
quiet reflection and...

100

00:05:27,785 --> 00:05:30,121  
I'm thinking we should keep things  
casual between us.

101

00:05:30,747 --> 00:05:31,581  
Okay.

102

00:05:31,664 --> 00:05:32,874  
[students chattering]

103

00:05:32,957 --> 00:05:34,208  
What does that mean?

104

00:05:34,417 --> 00:05:37,170  
Well, my cousin Coco was home  
from Skidmore for the holidays,

105

00:05:37,253 --> 00:05:40,173  
and she has several casual relationships.

106

00:05:40,757 --> 00:05:42,342  
It allows for adult fun,

107

00:05:42,425 --> 00:05:44,594  
while...  
keeping a focus on what's important,

108

00:05:44,677 --> 00:05:46,346  
like her own life and future.

109  
00:05:46,596 --> 00:05:50,224  
Plus I only have 12 more years to make it  
on the Forbes 30 Under 30 list, so...

110  
00:05:50,308 --> 00:05:53,061  
And I was thinking of taking a trip  
to Oprah's girls' school...

111  
00:05:53,144 --> 00:05:57,190  
Sometimes when talking to Paige,  
I lose track of what her words mean.

112  
00:05:57,774 --> 00:06:01,986  
It's like she's a whale  
or a dolphin using echolocation.

113  
00:06:02,070 --> 00:06:03,237  
[breathes]

114  
00:06:03,321 --> 00:06:05,239  
And I'm a boy speaking English.

115  
00:06:05,323 --> 00:06:07,325  
[whale song]

116  
00:06:13,956 --> 00:06:18,086  
-[whale song continues]  
-[Sam chuckles]

117  
00:06:18,252 --> 00:06:19,087  
What?

118  
00:06:20,088 --> 00:06:22,340  
I was just thinking  
about how you're like a whale.

119  
00:06:22,423 --> 00:06:23,383  
What?

120  
00:06:24,008 --> 00:06:26,552  
-Echolocation.  
-God, Sam, I swear...

121  
00:06:26,636 --> 00:06:29,180  
sometimes it's like we speak  
completely different languages.

122  
00:06:29,263 --> 00:06:31,265  
-Exactly.  
-Anyway, as I was saying...

123  
00:06:31,349 --> 00:06:34,977  
while things between us  
will be totally casual, and no strings...

124  
00:06:35,770 --> 00:06:36,896  
we can still do this.

125  
00:06:43,528 --> 00:06:47,323  
[wet kissing]

126  
00:06:48,157 --> 00:06:48,991  
Good.

127  
00:06:49,158 --> 00:06:50,368  
I agree.

128  
00:06:50,701 --> 00:06:51,661  
More of that?

129  
00:06:52,203 --> 00:06:54,747  
Oh, sorry, no, I have studying to do.

130  
00:06:54,831 --> 00:06:56,791  
But see? It's casual.

131  
00:07:00,002 --> 00:07:02,004  
[students chattering]

132  
00:07:02,630 --> 00:07:03,714  
Sam.

133  
00:07:03,798 --> 00:07:06,968

What are you doing?  
We can't hold hands. We're not together.

134  
00:07:07,552 --> 00:07:08,928  
We were just making out.

135  
00:07:09,554 --> 00:07:10,555  
So?

136  
00:07:12,098 --> 00:07:14,100  
[students laughing]

137  
00:07:18,438 --> 00:07:20,314  
Excuse me, do you know where CL172 is?

138  
00:07:22,483 --> 00:07:23,985  
Awesome. Thank you so much.

139  
00:07:24,068 --> 00:07:25,820  
[bell jingling]

140  
00:07:25,945 --> 00:07:28,114  
Really? That's your bell?

141  
00:07:28,197 --> 00:07:30,199  
[more intense jingling]

142  
00:07:30,533 --> 00:07:31,367  
I mean...

143  
00:07:31,451 --> 00:07:33,744  
Step five directly produces ATP

144  
00:07:33,828 --> 00:07:38,332  
because the substrate link to coenzyme A  
is sufficiently energetic to...

145  
00:07:38,666 --> 00:07:40,293  
-Power the reaction?  
-Exactly.

146

00:07:40,376 --> 00:07:44,005  
But it also makes something else happen.  
The manipulation...

147  
00:07:44,297 --> 00:07:46,716  
Of the substrate  
to produce its original form.

148  
00:07:46,799 --> 00:07:49,635  
[voice fading away] Now, with step six,  
the carbons are finally removed...

149  
00:07:49,719 --> 00:07:51,721  
-[teacher's voice grows muted]  
-[distorted audio]

150  
00:07:56,350 --> 00:07:59,187  
Is this AP? 'Cause I'm supposed  
to be in regular Bio.

151  
00:07:59,270 --> 00:08:00,480  
This is regular.

152  
00:08:00,563 --> 00:08:03,608  
Oh, cool. Yeah.  
I just never knew I was dumb.

153  
00:08:04,734 --> 00:08:08,196  
-...chapters seven through 12.  
-[Sam] I don't understand this at all.

154  
00:08:08,279 --> 00:08:10,907  
First, Paige made out with me  
in the art room,

155  
00:08:10,990 --> 00:08:14,035  
but then she wouldn't hold my hand  
even though she's the one

156  
00:08:14,118 --> 00:08:17,205  
who came up with the hand-holding rule  
in the first place, months ago.

157

00:08:17,955 --> 00:08:22,376  
Tale as old as time, beautiful vixen  
using her wiles to scramble your brains.

158  
00:08:22,460 --> 00:08:24,045  
Yes, they do feel scrambled.

159  
00:08:24,128 --> 00:08:27,089  
Because you, my man, are in the gray area.

160  
00:08:27,590 --> 00:08:30,384  
First, you and Paige were hot  
and heavy: relationship.

161  
00:08:30,468 --> 00:08:34,597  
Then you broke her heart and she murdered  
that poor penguin: not a relationship.

162  
00:08:34,680 --> 00:08:38,267  
So she wants to protect herself,  
but still finds you really cute, obvi.

163  
00:08:38,351 --> 00:08:41,062  
And now, you're all up in that gray area.

164  
00:08:42,355 --> 00:08:45,274  
Is... the gray area a bird or me?

165  
00:08:45,358 --> 00:08:49,028  
Yes. Okay. Advice incoming. Sit down.

166  
00:08:49,111 --> 00:08:51,739  
Good. I was hoping for this.  
I brought my notebook.

167  
00:08:53,241 --> 00:08:54,242  
Uhh!

168  
00:08:56,744 --> 00:08:58,621  
You ready? Here's what you do.

169  
00:08:58,704 --> 00:09:00,706

[people chattering]

170

00:09:00,873 --> 00:09:03,084

-Nothing.

-What?

171

00:09:03,668 --> 00:09:06,295

Dude, the gray area is the bomb!

172

00:09:06,379 --> 00:09:10,174

You get all the nookie and none of the responsibility. Let me put it this way:

173

00:09:10,258 --> 00:09:12,718

What's the reason

you'd never have a dragon as a pet?

174

00:09:12,802 --> 00:09:14,845

-Ahh! So many.

-Exactly.

175

00:09:14,929 --> 00:09:18,182

Where are you going to find the treasure for it to fall asleep on?

176

00:09:18,266 --> 00:09:20,393

How do you keep it from burning down your house?

177

00:09:20,476 --> 00:09:22,478

How do you keep it a secret from the FBI,

178

00:09:22,562 --> 00:09:25,731

so they don't take him away, wrap him in plastic and take away his powers like ET?

179

00:09:25,815 --> 00:09:27,191

[people chattering]

180

00:09:27,275 --> 00:09:31,487

If all those problems just magically went away, then poof!

181  
00:09:31,571 --> 00:09:34,198  
You get to pal around  
with a dope-ass dragon all day.

182  
00:09:35,157 --> 00:09:38,828  
-I don't think I'm following.  
-The gray area is good.

183  
00:09:39,662 --> 00:09:43,040  
I don't know. I like rules, I need rules.

184  
00:09:43,124 --> 00:09:44,625  
Then ask her for the rules.

185  
00:09:46,043 --> 00:09:48,921  
But for real, how baller would it be  
to have a dragon?

186  
00:09:49,005 --> 00:09:51,173  
-Not very.  
-What if it could sing?

187  
00:09:52,633 --> 00:09:53,467  
Still no.

188  
00:09:55,469 --> 00:09:57,471  
[drumming]

189  
00:10:00,766 --> 00:10:01,684  
Hi.

190  
00:10:01,892 --> 00:10:03,060  
[sighs]

191  
00:10:03,144 --> 00:10:05,271  
You look tired, Newton. Tough day?

192  
00:10:05,354 --> 00:10:07,231  
[Casey] No. It's been great.

193  
00:10:08,024 --> 00:10:09,191

Find your way around alright?

194

00:10:10,318 --> 00:10:11,152  
Yeah.

195

00:10:11,944 --> 00:10:15,323  
Actually, this super helpful girl  
showed me around, so...

196

00:10:16,824 --> 00:10:19,327  
[student] Isn't this place great?  
You're gonna love it.

197

00:10:19,535 --> 00:10:21,287  
-Are you bulimic?  
-No.

198

00:10:21,370 --> 00:10:24,915  
Oh, good. I don't need those kind  
of influences in my life.

199

00:10:25,124 --> 00:10:27,793  
Cool shoes. My mom made me  
get new ones for Christmas,

200

00:10:27,877 --> 00:10:30,921  
which is dumb 'cause we were in Paris  
and the Euro conversion is ridic.

201

00:10:31,589 --> 00:10:33,883  
I like when they're old and worn,  
like yours.

202

00:10:34,467 --> 00:10:37,845  
-Thanks.  
-We were in Aspen again. So boring.

203

00:10:37,928 --> 00:10:42,350  
My parents are on this kick, they take us  
to a European city each year. Exhausting.

204

00:10:43,225 --> 00:10:44,435  
What'd you do for break?

205  
00:10:45,394 --> 00:10:46,812  
Um...

206  
00:10:46,896 --> 00:10:48,105  
Nothing, really.

207  
00:10:48,648 --> 00:10:50,816  
Went to Target a couple times.

208  
00:10:50,900 --> 00:10:54,779  
[girls laugh]

209  
00:10:54,945 --> 00:10:56,947  
[panting]

210  
00:10:57,031 --> 00:10:59,075  
Um... I think I'm stretched.

211  
00:10:59,158 --> 00:11:01,202  
-Is this the path, here?  
-Yeah.

212  
00:11:01,285 --> 00:11:02,119  
Okay.

213  
00:11:05,831 --> 00:11:07,458  
She's hilarious.

214  
00:11:11,921 --> 00:11:12,838  
Hi.

215  
00:11:22,515 --> 00:11:23,891  
Did Mom come back here?

216  
00:11:23,974 --> 00:11:24,975  
I don't know.

217  
00:11:25,935 --> 00:11:27,895  
How's the penguin dad doing?

218  
00:11:28,521 --> 00:11:32,566  
If I had to guess... hungry.  
He hasn't eaten in over a week.

219  
00:11:33,984 --> 00:11:35,069  
I got pizza.

220  
00:11:35,569 --> 00:11:36,487  
Oh.

221  
00:11:46,580 --> 00:11:48,582  
[typing on mobile]

222  
00:11:48,999 --> 00:11:50,876  
[phone chimes]

223  
00:11:53,129 --> 00:11:54,672  
[typing on mobile]

224  
00:11:55,172 --> 00:11:56,549  
[Elsa breaths deeply] Damn.

225  
00:11:56,632 --> 00:11:59,176  
That must have been  
one good lasagna you left.

226  
00:11:59,677 --> 00:12:03,389  
I can't lie, it was pretty impressive.  
This is good. I think this is good.

227  
00:12:03,472 --> 00:12:06,517  
This is good. So what are  
you going to wear? I'm thinking,

228  
00:12:06,600 --> 00:12:08,811  
we accentuate the chestal area.

229  
00:12:08,978 --> 00:12:10,438  
Want to look at my closet?

230  
00:12:10,521 --> 00:12:13,399

-I'm gonna cut bangs.

-What, like now?

231

00:12:13,482 --> 00:12:15,651  
I used to have bangs. They looked good.

232

00:12:15,901 --> 00:12:18,237  
They were cute. I'm going to do it.

233

00:12:30,833 --> 00:12:32,835  
[scissors snip]

234

00:12:33,002 --> 00:12:35,671  
-[Casey] I'm quitting.  
-[chuckles] No...

235

00:12:35,838 --> 00:12:38,174  
-No, you're not.  
-I hate it there.

236

00:12:38,632 --> 00:12:41,927  
It's only been a day.  
Just give it a chance.

237

00:12:42,011 --> 00:12:44,847  
No. Come back to Newton.

238

00:12:45,806 --> 00:12:47,641  
[whispers] Give up your dreams, Casey.

239

00:12:47,850 --> 00:12:49,018  
Maybe I should.

240

00:12:49,477 --> 00:12:53,397  
Honestly, the students suck,  
the classes suck.

241

00:12:53,481 --> 00:12:55,816  
Just a big old ball of suck.

242

00:12:55,900 --> 00:12:59,195  
And the school bell sounds

like an elf hitting a tiny triangle.

243

00:12:59,278 --> 00:13:02,990  
Which, at first I thought was soothing,  
but then it gets really creepy.

244

00:13:03,073 --> 00:13:05,367  
Yeah, that would weird me out, too.

245

00:13:05,743 --> 00:13:08,579  
And the team captain, Izzie,  
hates me for some reason.

246

00:13:08,662 --> 00:13:09,747  
I will kill her.

247

00:13:10,539 --> 00:13:14,877  
-You're pretty wound up today, aren't you?  
-Yeah, it's really hard without you.

248

00:13:14,960 --> 00:13:16,670  
-Mm-hmm.  
-You balance me.

249

00:13:16,754 --> 00:13:18,839  
[ominous ringtone plays]

250

00:13:19,465 --> 00:13:20,883  
Ugh! It's my mom.

251

00:13:22,134 --> 00:13:24,345  
She's been calling me, all day,  
to see how it went.

252

00:13:24,428 --> 00:13:25,888  
[grunts] That's cool of her.

253

00:13:27,848 --> 00:13:29,391  
No, it's not. Ugh.

254

00:13:29,934 --> 00:13:31,018  
She's awful.

255

00:13:31,560 --> 00:13:33,395

-Yeah. Correct.

-We hate her.

256

00:13:34,021 --> 00:13:38,400

Look, I know it's tough for you at school  
right now, but you're awesome.

257

00:13:38,484 --> 00:13:42,488

And anybody that gets to know you  
loves you, even snooty assholes.

258

00:13:43,280 --> 00:13:45,199

I should probably be worried about

259

00:13:45,282 --> 00:13:48,452

some fancy rich dude  
stealing you away from me.

260

00:13:48,536 --> 00:13:49,453

[chuckles]

261

00:13:49,578 --> 00:13:50,746

You probably should.

262

00:13:50,830 --> 00:13:51,831

Yeah.

263

00:13:52,039 --> 00:13:54,041

[sighs]

264

00:13:54,458 --> 00:13:57,378

I mean, you guys can do this,  
but I am not leaving.

265

00:13:58,629 --> 00:14:00,339

Okay. [chuckles]

266

00:14:01,131 --> 00:14:04,635

Hey, Sam, don't you think  
Casey should come back to Newton?

267

00:14:04,969 --> 00:14:07,263  
I actually didn't miss her at all today.  
So, no.

268

00:14:08,097 --> 00:14:10,391  
Well, that's totally not hurtful at all.

269

00:14:10,474 --> 00:14:12,852  
Dad brought pizza.  
There's enough for everyone,

270

00:14:12,935 --> 00:14:16,313  
but only if all non-family members  
only have one slice.

271

00:14:18,065 --> 00:14:19,066  
Okay.

272

00:14:20,067 --> 00:14:22,069  
[all sigh]

273

00:14:23,988 --> 00:14:26,782  
Hey, don't worry about school.  
You got this.

274

00:14:26,866 --> 00:14:32,454  
And if you don't, you can always come back  
to Newton. Go, Owls! Hoot, hoot! [laughs]

275

00:14:32,538 --> 00:14:34,707  
What's happening to me?  
[chuckles]

276

00:14:34,790 --> 00:14:36,792  
[school bell ringing]

277

00:14:37,084 --> 00:14:39,086  
[students chattering]

278

00:14:40,838 --> 00:14:44,758  
Oh, Sam, good. Which thank you note

for the Dean of Admissions at Bowdoin?

279

00:14:44,842 --> 00:14:48,178  
I think the whimsical design says,  
"I can think outside the box."

280

00:14:48,262 --> 00:14:51,432  
But the flowers say, "I'm traditional  
and I can buckle down."

281

00:14:52,099 --> 00:14:54,184  
I don't care. Paige...

282

00:14:54,268 --> 00:14:57,855  
I need you to clarify the rules  
of a casual relationship.

283

00:14:58,397 --> 00:15:00,399  
Oh! Um...

284

00:15:00,649 --> 00:15:03,360  
I haven't really thought about it, but...

285

00:15:03,444 --> 00:15:05,905  
Rule number one: We don't hold hands.

286

00:15:05,988 --> 00:15:08,574  
We don't hold books,  
we don't hold anything.

287

00:15:08,657 --> 00:15:11,452  
Well, except for each other,  
when I say that we can.

288

00:15:11,827 --> 00:15:13,704  
I don't need you to do anything.

289

00:15:13,787 --> 00:15:15,706  
I'm just telling you how I feel.

290

00:15:17,333 --> 00:15:20,711  
Okay, we don't discuss feelings,

crushes or finances.

291

00:15:21,629 --> 00:15:23,297  
Oh! And our weekends are our own.

292

00:15:23,714 --> 00:15:26,634  
If we happen to be eating lunch  
together or studying together,

293

00:15:26,717 --> 00:15:30,262  
sit across the table from each other,  
not side-by-side like the French.

294

00:15:30,846 --> 00:15:33,349  
-But we do kiss like the French.  
-Got it.

295

00:15:34,516 --> 00:15:36,644  
You want to watch the penguin cam with me?

296

00:15:36,727 --> 00:15:38,395  
[laughs] Absolutely not.

297

00:15:38,479 --> 00:15:41,815  
A shared interest  
that involves birth is a minefield,

298

00:15:41,899 --> 00:15:43,400  
definitely against the rules.

299

00:15:44,026 --> 00:15:44,860  
Okay.

300

00:15:45,778 --> 00:15:47,780  
[typing]

301

00:15:48,781 --> 00:15:51,033  
But that looks really cute.  
Send me the link.

302

00:15:56,914 --> 00:15:58,916  
[students chattering]

303  
00:16:02,670 --> 00:16:04,672  
[phone chimes]

304  
00:16:11,804 --> 00:16:14,890  
Excuse me? Why is no one in uniform?

305  
00:16:15,641 --> 00:16:16,850  
Casual dress day.

306  
00:16:18,644 --> 00:16:19,645  
Great.

307  
00:16:22,106 --> 00:16:23,440  
-Enjoy.  
-Thanks.

308  
00:16:23,524 --> 00:16:25,109  
-[chattering]  
-May I help you?

309  
00:16:25,651 --> 00:16:27,277  
Could I get a slice of pizza, please?

310  
00:16:27,361 --> 00:16:29,655  
Sure thing.  
That'll be 23 convenience points.

311  
00:16:30,239 --> 00:16:31,699  
What's a convenience point?

312  
00:16:31,782 --> 00:16:33,117  
They're on your Flex card.

313  
00:16:33,742 --> 00:16:37,538  
Okay, yesterday was my first day  
and I brought my lunch.

314  
00:16:37,621 --> 00:16:40,040  
So, do you take cash?

315

00:16:40,124 --> 00:16:41,625  
No. Sorry.

316  
00:16:42,042 --> 00:16:46,171  
Convenience points only, but there is  
a vending machine around the corner.

317  
00:16:47,089 --> 00:16:47,965  
Great.

318  
00:16:49,758 --> 00:16:50,592  
Can I help you?

319  
00:16:51,093 --> 00:16:53,095  
-[sighs]  
-[lock rattles]

320  
00:17:01,562 --> 00:17:04,356  
Try 32-12-17.

321  
00:17:04,940 --> 00:17:06,942  
[students chattering]

322  
00:17:13,365 --> 00:17:15,492  
-How did you know?  
-Because that's my locker.

323  
00:17:17,619 --> 00:17:18,662  
Great.

324  
00:17:19,288 --> 00:17:20,289  
Bad day?

325  
00:17:21,040 --> 00:17:22,041  
Bad week.

326  
00:17:22,124 --> 00:17:25,294  
This place is impossible.  
The classes are hard.

327  
00:17:25,377 --> 00:17:27,087  
The toilets are, like, hidden.

328

00:17:27,171 --> 00:17:29,256  
What is a convenience point?

329

00:17:29,339 --> 00:17:30,924  
What's wrong with real money?

330

00:17:31,008 --> 00:17:34,303  
You Clayton people too delicate  
to touch actual cash?

331

00:17:34,845 --> 00:17:38,140  
I've been surviving off of granola bars  
and peanuts I found in my pocket.

332

00:17:38,891 --> 00:17:41,060  
Actually, this is a nut-free campus.

333

00:17:42,644 --> 00:17:46,440  
[chuckles] Sorry. I think they hide  
the bathrooms on purpose.

334

00:17:46,523 --> 00:17:48,817  
Sends the message  
that we're too fancy to take a dump.

335

00:17:48,901 --> 00:17:50,903  
[laughs] I'm Casey.

336

00:17:50,986 --> 00:17:53,363  
-Nate.  
-It's nice to meet you, Nate.

337

00:17:53,989 --> 00:17:56,575  
You're, like, the only...  
halfway nice person I've met.

338

00:17:56,909 --> 00:17:57,868  
Halfway nice?

339

00:17:58,285 --> 00:18:01,080  
-I'm being cautious.

-Well, that's no fun.

340  
00:18:01,455 --> 00:18:03,082  
-Nate.  
-Hey.

341  
00:18:03,248 --> 00:18:05,334  
I see you met Newton.

342  
00:18:06,543 --> 00:18:08,253  
I thought your name was Casey.

343  
00:18:08,337 --> 00:18:09,505  
Bye, Newton.

344  
00:18:11,840 --> 00:18:13,217  
It is, it's Casey.

345  
00:18:14,343 --> 00:18:15,385  
It's Casey.

346  
00:18:17,096 --> 00:18:19,098  
[school bell]

347  
00:18:20,265 --> 00:18:21,475  
That's the warning bell.

348  
00:18:22,059 --> 00:18:23,560  
Okay. Bye.

349  
00:18:26,146 --> 00:18:28,273  
[door closes]

350  
00:18:32,778 --> 00:18:33,821  
Hi.

351  
00:18:38,742 --> 00:18:40,744  
[exhales]

352  
00:18:41,453 --> 00:18:42,454  
Hey.

353  
00:18:42,538 --> 00:18:43,664  
Hey.

354  
00:18:44,289 --> 00:18:45,332  
[sighs]

355  
00:18:48,627 --> 00:18:49,753  
So...

356  
00:18:50,337 --> 00:18:53,757  
-Should we order some coffee, or...  
-No.

357  
00:18:54,383 --> 00:18:57,678  
That's a good idea. I had an extra cup  
at Luisa's this morning.

358  
00:18:57,761 --> 00:19:01,932  
She makes this incredible hazelnut blend  
and I'm a little, you know...

359  
00:19:02,015 --> 00:19:03,267  
Too much.

360  
00:19:03,767 --> 00:19:05,435  
[Doug clearing throat]

361  
00:19:05,519 --> 00:19:09,314  
Listen, Elsa, you can't just come  
by the house whenever you want.

362  
00:19:09,898 --> 00:19:12,442  
Okay, we need to set some ground rules.

363  
00:19:13,443 --> 00:19:14,528  
Ground rules?

364  
00:19:15,154 --> 00:19:16,071  
Yeah.

365

00:19:16,905 --> 00:19:18,907  
[unfolding paper]

366

00:19:19,241 --> 00:19:20,617  
You wrote them down?

367

00:19:20,701 --> 00:19:23,537  
-Yeah, it helps me remember. So?  
-Okay.

368

00:19:24,288 --> 00:19:25,122  
No...

369

00:19:26,623 --> 00:19:27,666  
[clears throat again]

370

00:19:27,749 --> 00:19:30,794  
If you want to see the kids  
at the house, that's fine,

371

00:19:30,878 --> 00:19:32,838  
but I need at least  
a couple hours' notice.

372

00:19:32,921 --> 00:19:36,717  
Why? So you can hide the body?  
[laughs]

373

00:19:38,427 --> 00:19:41,513  
I was just wondering  
why you need so much time.

374

00:19:42,139 --> 00:19:43,974  
[Doug] Only text me in an emergency.

375

00:19:44,224 --> 00:19:47,311  
I don't need to be hearing from you  
30 times a day.

376

00:19:47,895 --> 00:19:49,563  
I think that's an exaggeration.

377

00:19:50,814 --> 00:19:55,110  
And assume I have all the household  
chores done unless I say otherwise.

378

00:19:55,194 --> 00:19:58,488  
Doug, sweetie, you don't have to do  
everything by yourself.

379

00:19:58,780 --> 00:20:00,282  
Penguin dads do it.

380

00:20:01,408 --> 00:20:02,451  
I'll be fine.

381

00:20:06,955 --> 00:20:08,123  
Hey, Doug.

382

00:20:09,291 --> 00:20:14,171  
I know how hurt you must be.  
And what I did is unforgivable.

383

00:20:14,296 --> 00:20:15,797  
[deep breath]

384

00:20:15,923 --> 00:20:18,592  
But we can work through this.  
I know we can.

385

00:20:18,675 --> 00:20:20,344  
[clears throat]  
Just follow the rules, Elsa,

386

00:20:21,261 --> 00:20:22,679  
and we're gonna be fine.

387

00:20:30,270 --> 00:20:31,271  
You're not...

388

00:20:33,440 --> 00:20:34,316  
What?

389

00:20:36,568 --> 00:20:37,486

What?

390

00:20:39,029 --> 00:20:40,405  
[voice breaking] Nothing.

391

00:20:44,201 --> 00:20:46,787  
Okay. I gotta go.

392

00:20:55,128 --> 00:20:58,757  
Rings go on and then they go off.  
It could just be temporary, honey.

393

00:20:59,258 --> 00:21:01,468  
At least you have this cute new haircut.

394

00:21:02,761 --> 00:21:04,638  
[voice breaking]  
He didn't even notice my bangs.

395

00:21:05,138 --> 00:21:06,974  
Well, men are dumb.

396

00:21:07,766 --> 00:21:09,559  
[phone ringing]

397

00:21:09,643 --> 00:21:10,477  
Kathy.

398

00:21:10,602 --> 00:21:12,604  
Ugh!

399

00:21:13,981 --> 00:21:15,565  
[deep breath]

400

00:21:15,649 --> 00:21:16,566  
Hello?

401

00:21:16,817 --> 00:21:21,071  
Hey, lady face, so we're back  
and I am coming to pick up Monkey.

402

00:21:21,154 --> 00:21:23,365  
Put me on speaker.  
I want to talk to my gal.

403  
00:21:23,699 --> 00:21:25,742  
-No.  
-Wait, what? [chuckles]

404  
00:21:26,201 --> 00:21:28,161  
No. You can't have her back.

405  
00:21:29,454 --> 00:21:30,372  
No, [sobs]

406  
00:21:30,622 --> 00:21:32,040  
I need her more than you do.

407  
00:21:32,791 --> 00:21:34,293  
And she needs me.

408  
00:21:38,672 --> 00:21:40,757  
Okay. She's lost it.

409  
00:21:41,258 --> 00:21:42,342  
That was awesome.

410  
00:21:42,926 --> 00:21:43,885  
Yeah?

411  
00:21:45,929 --> 00:21:48,682  
Oh... Oh.

412  
00:21:49,057 --> 00:21:51,810  
-Hello again.  
-I got a stupid Flex card.

413  
00:21:52,728 --> 00:21:55,188  
-Can I eat now?  
-You sure can.

414  
00:21:56,064 --> 00:21:58,400  
-In 48 hours.

-What?

415

00:21:58,483 --> 00:22:00,444  
There's a holding period. I'm sorry.

416

00:22:00,527 --> 00:22:03,405  
But, there is a vending machine  
around the corner--

417

00:22:03,488 --> 00:22:04,906  
I know that. Yeah.

418

00:22:09,703 --> 00:22:10,537  
Oh.

419

00:22:13,749 --> 00:22:15,500  
Oh, dear God. [sighs]

420

00:22:16,501 --> 00:22:20,088  
-Yup, it's why I got a large.  
-Thank you, I will eat this whole thing.

421

00:22:20,672 --> 00:22:22,257  
You can have my granola bar and nuts.

422

00:22:22,341 --> 00:22:23,884  
[munching]

423

00:22:23,967 --> 00:22:26,470  
-48 hour waiting period?  
-Yes.

424

00:22:26,762 --> 00:22:29,222  
It's easier to get a handgun  
than lunch at this place.

425

00:22:30,265 --> 00:22:34,311  
You know, it may not feel like it, but  
I know the track team's glad you're here.

426

00:22:35,270 --> 00:22:37,397  
You're right. It doesn't feel like it.

427

00:22:38,190 --> 00:22:40,567  
You should've heard them  
after you broke that record.

428

00:22:40,776 --> 00:22:45,072  
It's why Izzie is so threatened,  
you're faster than her.

429

00:22:45,530 --> 00:22:47,532  
[students chattering]

430

00:22:47,949 --> 00:22:50,577  
Should you really be saying that  
about your girlfriend?

431

00:22:53,497 --> 00:22:55,123  
I won't tell if you don't. [laughs]

432

00:22:57,584 --> 00:23:01,254  
Yeah, I feel that. Two times a year  
I'll wear a pair of my dad's underwear

433

00:23:01,338 --> 00:23:03,757  
to remind myself why  
I'm not a tighty-whitey guy.

434

00:23:03,840 --> 00:23:05,550  
And why he's always so grumpy.

435

00:23:05,634 --> 00:23:09,805  
That's why I like Paige.  
She doesn't mind when I say weird stuff.

436

00:23:09,888 --> 00:23:13,392  
And now that she's explained the rules,  
I like the casual relationship

437

00:23:13,475 --> 00:23:15,227  
because we still get to make out.

438

00:23:15,560 --> 00:23:20,065

And you get to buzz around other flowers  
like the horny little bumblebee you are.

439

00:23:21,024 --> 00:23:22,442  
Oh. There's a cutie.

440

00:23:22,526 --> 00:23:24,486  
[customers chattering]

441

00:23:27,364 --> 00:23:29,366  
[phone rings]

442

00:23:30,909 --> 00:23:33,745  
-How does she know?  
-That right there is witchy.

443

00:23:34,413 --> 00:23:35,622  
She wants me to come over.

444

00:23:35,705 --> 00:23:37,833  
You know what that means.  
Need a condom?

445

00:23:37,916 --> 00:23:40,210  
I carry 12 at all times.  
Three in my shoes,

446

00:23:40,293 --> 00:23:45,298  
two in my back pocket, several in  
my front pocket and one... in your ear.

447

00:23:46,091 --> 00:23:48,135  
You walk around with condoms  
in your shoes?

448

00:23:48,427 --> 00:23:49,970  
It helps my plantar fasciitis.

449

00:23:50,429 --> 00:23:52,097  
-Huh.  
-[door closes]

450

00:23:52,180 --> 00:23:53,306  
Thanks for coming.

451

00:23:57,227 --> 00:23:58,562  
Rule number nine:

452

00:23:58,645 --> 00:24:00,605  
No kissing hello or goodbye. Remember?

453

00:24:00,689 --> 00:24:02,774  
Yeah. Sorry, I just...

454

00:24:04,025 --> 00:24:06,611  
I just found out  
I got wait-listed for Bowdoin. [sobs]

455

00:24:07,195 --> 00:24:10,657  
I've been sad-baking all day,  
I already ate, like, six cookies. [cries]

456

00:24:11,408 --> 00:24:13,493  
-I feel really rejected.  
-Rule number three:

457

00:24:13,577 --> 00:24:16,663  
No talking about feelings.  
So, where should we make out?

458

00:24:16,746 --> 00:24:17,956  
The couch?

459

00:24:18,331 --> 00:24:19,249  
Um...

460

00:24:21,209 --> 00:24:23,462  
Honestly, I feel pretty bummed.

461

00:24:24,045 --> 00:24:27,799  
I mean, can't we just, like...  
cuddle and watch a movie?

462

00:24:28,383 --> 00:24:29,593

Is that a joke?

463

00:24:29,926 --> 00:24:33,305  
-Rule number four and eleven.  
-Sam, forget about the rules.

464

00:24:33,388 --> 00:24:35,974  
Okay? How do you feel about me?

465

00:24:37,642 --> 00:24:39,978  
I don't know. I don't know how I feel.

466

00:24:40,061 --> 00:24:43,857  
-But Julia says that's okay sometimes.  
-When did she say that?

467

00:24:43,940 --> 00:24:47,986  
Last week, when I went to tell her about  
all the stuff happening with my parents.

468

00:24:49,029 --> 00:24:51,031  
What do you mean? What... What stuff?

469

00:24:51,323 --> 00:24:52,157  
Oh!

470

00:24:52,240 --> 00:24:56,161  
My mom cheated on my dad and now  
she lives with Christopher and has a cat.

471

00:24:56,244 --> 00:24:58,663  
-What?  
-I know, cats are the worst.

472

00:24:58,747 --> 00:25:02,584  
No. Sam, why wouldn't you tell me  
about your parents?

473

00:25:02,667 --> 00:25:04,920  
I didn't need to, I told Julia about it.

474

00:25:05,420 --> 00:25:06,922

[exhales]

475

00:25:07,005 --> 00:25:11,593  
Okay, Sam, I'm really sorry  
and I'm here if you want to talk,

476

00:25:11,676 --> 00:25:15,972  
but, I mean, when I got wait-listed  
for Bowdoin and, you know,

477

00:25:16,056 --> 00:25:19,559  
something bad happened to me,  
you're the first person I wanted to tell.

478

00:25:19,768 --> 00:25:23,522  
And for... For you,  
that person is still Julia.

479

00:25:24,397 --> 00:25:25,982  
She's really helpful.

480

00:25:26,316 --> 00:25:29,277  
[clicks tongue] I think we need  
to end our casual relationship.

481

00:25:29,945 --> 00:25:30,779  
What?

482

00:25:31,655 --> 00:25:34,741  
But now that I know the rules,  
I'm really good at it.

483

00:25:34,824 --> 00:25:35,825  
I know you are.

484

00:25:36,743 --> 00:25:38,370  
But I guess I'm not.

485

00:25:40,997 --> 00:25:44,876  
I got to hand it to you. I never left  
a break up with homemade cookies.

486

00:25:46,086 --> 00:25:48,880  
She said she wanted them and me  
out of her sight.

487  
00:25:49,756 --> 00:25:50,799  
I get that.

488  
00:25:55,845 --> 00:25:58,098  
Ooh. Give me one.

489  
00:26:00,475 --> 00:26:01,309  
What's up?

490  
00:26:02,060 --> 00:26:03,562  
Paige broke up with me.

491  
00:26:03,895 --> 00:26:04,771  
Oh...

492  
00:26:05,397 --> 00:26:07,148  
I didn't know you were back together.

493  
00:26:08,483 --> 00:26:10,777  
I don't even know if we were.

494  
00:26:11,903 --> 00:26:12,737  
Hm...

495  
00:26:14,155 --> 00:26:16,157  
[melancholy pop music plays]

496  
00:26:16,908 --> 00:26:18,702  
[knocking the door]

497  
00:26:26,751 --> 00:26:27,669  
Cute bangs.

498  
00:26:28,003 --> 00:26:29,004  
Thank you.

499  
00:26:31,214 --> 00:26:36,136

My little Monkey, I missed you...

500

00:26:58,950 --> 00:27:01,536

[Sam] I know it was just  
a casual relationship,

501

00:27:01,870 --> 00:27:05,165

but it was still nice to know  
that Paige was there if I needed her.

502

00:27:06,374 --> 00:27:07,459

I'm sorry, Sam.

503

00:27:08,209 --> 00:27:10,462

-Me, too.

-Me, too.

504

00:27:13,131 --> 00:27:13,965

Hey...

505

00:27:14,341 --> 00:27:16,635

do you want to go watch  
the penguin cam thing?

506

00:27:17,218 --> 00:27:20,889

Okay. If the wind picked up,  
the father might have shifted positions.

507

00:27:23,099 --> 00:27:24,392

That would be crazy.

508

00:27:27,354 --> 00:27:28,480

You're a good kid.

509

00:27:28,855 --> 00:27:32,025

-Shut up.

-Give me 20 bucks, I won't tell anybody.

510

00:27:32,108 --> 00:27:35,904

-Get out of here, you're so stupid.

-[Sam] He's in a different position!

511

00:27:35,987 --> 00:27:37,030  
Come look!

512  
00:27:37,113 --> 00:27:39,115  
[phone chimes]
