It's too upsetting. I can't talk about it.

155

00:08:56,244 --> 00:09:00,665  
Lay it on me. I'm a healer.  
Not only of bodies, but souls.

156

00:09:01,749 --> 00:09:06,212

Four out of five students on the spectrum  
don't graduate college within four years.

157

00:09:06,712 --> 00:09:09,924  
That means my chances of success  
are very low and I'm basically doomed.

158

00:09:10,007 --> 00:09:11,676  
Ah, yes.

159

00:09:11,759 --> 00:09:15,596  
Okay, well, first, let's close  
the serial killer doodles, yeah?

160

00:09:16,013 --> 00:09:19,141  
Great. And now a parable.

161

00:09:19,225 --> 00:09:22,895  
There once was a young lad,  
let's call him the Dragon.

162

00:09:22,979 --> 00:09:26,941  
One day, an establishment opened up  
down the street from the Dragon's home,

163

00:09:27,024 --> 00:09:28,150  
a weed dispensary.

164

00:09:28,234 --> 00:09:30,194  
Obviously,  
the Dragon was there opening minute

165

00:09:30,278 --> 00:09:32,280  
to peruse the premises  
and sample the wares.

166

00:09:32,363 --> 00:09:34,323  
Wait, are you the Dragon?

167

00:09:34,991 --> 00:09:35,866  
Doy.

168

00:09:35,950 --> 00:09:39,287  
The shop was bigger than he expected,  
so many options:

169  
00:09:39,370 --> 00:09:43,833  
bud and drops and edibles  
as far as his glasses could see.

170  
00:09:44,417 --> 00:09:47,169  
And he felt in that moment doomed.

171  
00:09:47,670 --> 00:09:49,672  
He would never be able  
to sample everything.

172  
00:09:49,755 --> 00:09:51,424  
There were just not enough hours  
in the day.

173  
00:09:51,966 --> 00:09:53,259  
So what did you do?

174  
00:09:53,342 --> 00:09:57,013  
The Dragon got organized.  
He planned. He prepared.

175  
00:09:57,096 --> 00:09:59,890  
He set aside a four-day weekend  
to lie prone on his couch

176  
00:09:59,974 --> 00:10:03,269  
and watch the VHS of Fantasia over  
and over, and you know what he did?

177  
00:10:04,478 --> 00:10:05,688  
He conquered.

178  
00:10:06,188 --> 00:10:07,273  
Smart Dragon.

179  
00:10:07,857 --> 00:10:12,403  
That's right. So get organized, plan,  
be prepared, you'll be fine.

180  
00:10:12,486 --> 00:10:17,617  
And if not, I know a place I can take you  
where you can get high as hell.

181  
00:10:18,326 --> 00:10:21,454  
[cell phone vibrates]

182  
00:10:21,537 --> 00:10:22,747  
-Hi, Paige.  
-Hey, Sam.

183  
00:10:22,830 --> 00:10:25,041  
I wanted to let you know  
there's been a slight change

184  
00:10:25,124 --> 00:10:28,127  
in the itinerary for our "Most Romantic  
Movies of All Time" film festival,

185  
00:10:28,210 --> 00:10:30,379  
aka Smooch-a-palooza. [laughs]

186  
00:10:30,463 --> 00:10:32,882  
We're gonna watch  
When Harry Met Sally tonight

187  
00:10:32,965 --> 00:10:34,592  
and then Love Actually tomorrow.

188  
00:10:35,009 --> 00:10:37,219  
[sighs] It just feels like a Meg Ryan day.

189  
00:10:37,637 --> 00:10:39,430  
[Sam] Four out of five. Four out of five.

190  
00:10:39,513 --> 00:10:42,683  
Sorry, Paige. I can't come over today.

191  
00:10:42,767 --> 00:10:44,477  
I have something I have to do.

192

00:10:44,560 --> 00:10:46,562  
Ah, well, no problem, that's okay.

193

00:10:46,646 --> 00:10:49,357  
You know, I actually prefer  
to watch Meg alone anyway.

194

00:10:49,440 --> 00:10:52,735  
I pretend it's just the two of us sitting  
on my couch talking about boys.

195

00:10:54,528 --> 00:10:56,781  
[sighs] It is so good to be back.

196

00:10:57,865 --> 00:11:00,326  
I love my aunt and uncle,  
and Florida is nice,

197

00:11:00,409 --> 00:11:02,787  
but after a while,  
I don't love them that much,

198

00:11:02,870 --> 00:11:05,206  
and Florida isn't that nice. [laughs]

199

00:11:05,665 --> 00:11:07,625  
I feel like I haven't seen you in forever.

200

00:11:08,417 --> 00:11:11,212  
I know. Since Slurpee night.

201

00:11:11,295 --> 00:11:13,255  
Yeah, Slurpee night.

202

00:11:13,881 --> 00:11:15,174  
That was fun.

203

00:11:15,257 --> 00:11:16,300  
So fun.

204

00:11:16,842 --> 00:11:18,761

I'm so glad I have a friend like you.

205

00:11:19,345 --> 00:11:21,681  
I haven't had a best girlfriend  
since I was little.

206

00:11:22,807 --> 00:11:23,849  
It's nice.

207

00:11:24,433 --> 00:11:25,309  
Easy.

208

00:11:25,726 --> 00:11:29,271  
Yeah, easy. Totally easy.

209

00:11:30,272 --> 00:11:31,941  
[Evan] What is going on here?

210

00:11:33,234 --> 00:11:35,403  
Hey, how is this banana bread  
so delicious?

211

00:11:35,486 --> 00:11:37,697  
Oh, I used the fancy butter.

212

00:11:38,739 --> 00:11:40,116  
There's fancy butter?

213

00:11:43,327 --> 00:11:46,247  
Hey, you gotta try this banana bread.  
It's amazing.

214

00:11:46,831 --> 00:11:47,748  
I'm not really hungry.

215

00:11:47,832 --> 00:11:50,918  
What are you talking about? You run  
100 miles a day. You're always hungry.

216

00:11:51,001 --> 00:11:54,505  
Yeah, well, sometimes even little piggies  
like me stop stuffing our face.

217

00:11:58,718 --> 00:12:00,386  
Everything okay with you two?

218

00:12:00,469 --> 00:12:03,472  
You and me? No, we're a mess.  
We should spend some time apart.

219

00:12:06,726 --> 00:12:07,601  
[exhales]

220

00:12:15,192 --> 00:12:16,610  
[Casey sighs]

221

00:12:19,572 --> 00:12:20,698  
Hey, I'm sorry.

222

00:12:21,949 --> 00:12:24,618  
I'm just a jerk today. I don't feel great.

223

00:12:25,661 --> 00:12:27,538  
-So we're okay?  
-Yeah.

224

00:12:28,122 --> 00:12:30,040  
We're good. We're good.

225

00:12:30,249 --> 00:12:32,001  
[sighs] That's great.

226

00:12:32,626 --> 00:12:36,213  
Because Beth and my mom are headed up  
to Vermont next weekend

227

00:12:36,297 --> 00:12:40,134  
for the maple syrup festival,  
so I thought maybe you could come over.

228

00:12:41,469 --> 00:12:42,595  
Yeah, maybe.

229

00:12:43,179 --> 00:12:46,807  
Um... Yeah, I've just gotta see  
what's going on that day.

230  
00:12:50,561 --> 00:12:52,646  
[Elsa] I'm glad I burned his stupid bed.

231  
00:12:52,730 --> 00:12:53,981  
He deserved it.

232  
00:12:54,273 --> 00:12:57,818  
Honestly, not only is this Megan woman  
now participating

233  
00:12:57,902 --> 00:12:59,361  
in our first-responder trainings,

234  
00:12:59,445 --> 00:13:01,822  
he's also having drinks with her  
and her group.

235  
00:13:02,656 --> 00:13:06,076  
I mean, if he wants a group,  
I have a group. Our group is fun.

236  
00:13:06,160 --> 00:13:08,204  
Our group is not fun.

237  
00:13:08,954 --> 00:13:10,247  
Not really, no.

238  
00:13:10,331 --> 00:13:12,792  
What am I supposed to do?  
I can't keep setting things on fire.

239  
00:13:12,875 --> 00:13:16,086  
I don't know, but it is amazing  
you're doing that around the headphones.

240  
00:13:16,170 --> 00:13:17,922  
It's just years of practice.

241

00:13:18,964 --> 00:13:20,883  
-I need to infiltrate.  
-What?

242  
00:13:20,966 --> 00:13:22,259  
I need to get in there.

243  
00:13:22,635 --> 00:13:24,303  
You know what these groups are like.

244  
00:13:24,386 --> 00:13:26,722  
They all just sit around gossiping  
about their spouses.

245  
00:13:26,806 --> 00:13:28,432  
I don't think that's true.

246  
00:13:29,099 --> 00:13:33,187  
Oh, Mitchell took up biking. I can't even  
stand to look at him in those shorts.

247  
00:13:33,270 --> 00:13:35,648  
He looks like a fish with a man's head.

248  
00:13:35,731 --> 00:13:37,358  
Oh, I'm doing it, the gossip.

249  
00:13:37,441 --> 00:13:39,276  
I did it, I did the gossip thing, I know.

250  
00:13:43,155 --> 00:13:46,325  
-Hey. Dinner's ready.  
-Oh, this looks good.

251  
00:13:47,326 --> 00:13:50,996  
You know, I was thinking the next time  
you hang out with your peer group...

252  
00:13:51,330 --> 00:13:53,123  
maybe I could come.

253  
00:13:54,542 --> 00:13:57,878

Okay, well, we're meeting at a bar  
later this week,

254

00:13:57,962 --> 00:14:00,130  
but they're kind of Megan's friends.

255

00:14:00,214 --> 00:14:02,174  
One of them still calls me Dave.

256

00:14:02,258 --> 00:14:07,179  
Well, they're meeting at a bar, so a bar's  
a public place. I can go to a bar.

257

00:14:07,930 --> 00:14:09,932  
-Yeah, okay.  
-Okay.

258

00:14:12,476 --> 00:14:14,186  
Case, where's your brother?

259

00:14:14,812 --> 00:14:18,816  
Um-- Oh, he's not in there,  
so I'm out of ideas.

260

00:14:20,818 --> 00:14:21,944  
Feast your eyes.

261

00:14:22,403 --> 00:14:24,572  
My official Denton student ID.

262

00:14:24,780 --> 00:14:28,909  
You can now call me  
Denton student 9783210.

263

00:14:28,993 --> 00:14:30,828  
-Aww, honey.  
-Ha, look at that smile.

264

00:14:31,287 --> 00:14:33,289  
College! This is so exciting.

265

00:14:33,372 --> 00:14:35,457

-Yeah, it is.  
-Casey, take a picture of us.

266  
00:14:35,875 --> 00:14:38,127  
Okay, no reason I should be in it

267  
00:14:38,210 --> 00:14:40,504  
-as a member of this family.  
-[camera shutter clicks]

268  
00:14:40,588 --> 00:14:42,047  
[Elsa] Beautiful.

269  
00:14:42,131 --> 00:14:43,716  
[Doug] So you went to campus?

270  
00:14:44,383 --> 00:14:47,386  
Correction, I spent all day on campus.

271  
00:14:47,469 --> 00:14:49,471  
I walked the routes to my classes.

272  
00:14:49,555 --> 00:14:53,225  
I picked up a complimentary copy  
of the freshman survival guide,

273  
00:14:53,309 --> 00:14:54,977  
and I scoped out the best cafs.

274  
00:14:55,060 --> 00:14:57,021  
That's college for cafeteria.

275  
00:14:57,104 --> 00:14:58,606  
Oh, I was so confused.

276  
00:14:58,689 --> 00:15:03,027  
Oh, and I stopped by the bookstore  
and got a new soft hoodie.

277  
00:15:03,485 --> 00:15:05,946  
[Elsa gasps] Sam G the bumblebee.

278

00:15:06,030 --> 00:15:06,947  
[buzzes]

279

00:15:07,031 --> 00:15:09,658  
I need to get one of those. Denton Dad.

280

00:15:09,742 --> 00:15:13,120  
Now, all I have to do is register  
for classes on the 27th

281

00:15:13,203 --> 00:15:14,997  
when online scheduling starts.

282

00:15:15,080 --> 00:15:19,376  
Honey, you know you can qualify for early  
registration through disability services.

283

00:15:19,460 --> 00:15:22,171  
Your appointment's not for a few weeks,  
but I can call and move it up.

284

00:15:22,254 --> 00:15:25,549  
No need. I'm completely prepared  
for normal registration.

285

00:15:25,799 --> 00:15:29,887  
Roald Amundsen said, "Victory awaits him  
who has everything in order."

286

00:15:29,970 --> 00:15:32,890  
-So does a smack in the head.  
-[Elsa] Case!

287

00:15:34,558 --> 00:15:35,935  
Honey, why aren't you eating?

288

00:15:36,352 --> 00:15:37,519  
I have a stomachache.

289

00:15:38,062 --> 00:15:39,730  
Oh, I see.

290

00:15:40,522 --> 00:15:42,858

What do you see?

Why are you saying it like that?

291

00:15:42,942 --> 00:15:43,943

[chuckles]

292

00:15:44,276 --> 00:15:46,779

Nothing, it's just that  
ever since you were little,

293

00:15:46,862 --> 00:15:49,531

whenever you get stressed about something,  
you get a tummy ache.

294

00:15:50,157 --> 00:15:52,117

First dance recital, tummy ache.

295

00:15:52,660 --> 00:15:54,912

Kindergarten spelling bee, tummy ache.

296

00:15:54,995 --> 00:15:56,664

First ever track meet,

297

00:15:57,122 --> 00:16:00,125

you guessed it, folks, tummy ache.

298

00:16:00,209 --> 00:16:01,543

Can someone pass the peas, please?

299

00:16:01,627 --> 00:16:04,713

I'm just saying as someone  
who has known your tummy

300

00:16:04,797 --> 00:16:07,716

since it was born, it's a pattern and--

301

00:16:07,800 --> 00:16:10,094

Can I borrow these?

There's a noise that's bothering me.

302

00:16:10,177 --> 00:16:11,845  
-No!  
-Yeah, I just need them for a sec.

303  
00:16:11,929 --> 00:16:13,472  
-Come on, we share.  
-These are mine!

304  
00:16:13,555 --> 00:16:15,933  
Come on. [clears throat]

305  
00:16:18,435 --> 00:16:19,269  
Carry on.

306  
00:16:19,895 --> 00:16:22,022  
Ugh! Can't wait to go to college!

307  
00:16:24,024 --> 00:16:26,694  
Does it ever occur to you  
to just leave your brother alone?

308  
00:16:26,777 --> 00:16:27,653  
Never.

309  
00:16:28,195 --> 00:16:29,697  
How's your tummy feeling?

310  
00:16:29,780 --> 00:16:31,115  
Right as rain.

311  
00:16:32,491 --> 00:16:33,701  
[groans]

312  
00:16:33,784 --> 00:16:34,994  
[Elsa] Case.

313  
00:16:37,246 --> 00:16:38,455  
You okay?  
-Um...

314  
00:16:38,914 --> 00:16:39,915  
You all right?

315  
00:16:40,791 --> 00:16:43,460  
I mean, what are the odds, appendicitis?

316  
00:16:43,544 --> 00:16:45,713  
Oh, we're just lucky  
they caught it before it burst.

317  
00:16:45,796 --> 00:16:47,673  
Told you it wasn't anxiety.

318  
00:16:47,756 --> 00:16:50,843  
You owe me an apology and \$300.

319  
00:16:50,926 --> 00:16:52,219  
Why \$300?

320  
00:16:52,302 --> 00:16:54,388  
Severe emotional damages.

321  
00:16:54,471 --> 00:16:58,600  
Not happening. I'm gonna go find a doctor  
to see when we can get out of here, okay?

322  
00:17:02,604 --> 00:17:03,731  
You know...

323  
00:17:04,440 --> 00:17:07,651  
no one really knows  
what causes appendicitis.

324  
00:17:07,735 --> 00:17:08,610  
Stop.

325  
00:17:08,694 --> 00:17:11,405  
So technically,  
it could very well still be stress.

326  
00:17:11,488 --> 00:17:14,158  
-Stop.  
-Feeling torn between two people, perhaps?

327

00:17:14,241 --> 00:17:15,242  
Nurse!

328

00:17:15,325 --> 00:17:18,328  
-This lady banged a bartender--  
-Mm-mmm.

329

00:17:20,039 --> 00:17:21,081  
Hi, Sam.

330

00:17:21,790 --> 00:17:25,044  
I need to talk to you,  
and you didn't answer my last text so...

331

00:17:25,627 --> 00:17:27,129  
thought I would just toodle over.

332

00:17:27,755 --> 00:17:31,383  
I've been busy getting ready for college,  
and my sister had an organ removed,

333

00:17:31,467 --> 00:17:33,802  
so it's been a lot of chaos  
in the house to block out.

334

00:17:33,886 --> 00:17:35,804  
-An organ?  
-Appendix.

335

00:17:36,055 --> 00:17:37,890  
Oh, okay, well those are useless.

336

00:17:38,891 --> 00:17:40,184  
I was born without one, you know?

337

00:17:41,101 --> 00:17:43,562  
That only happens to one out  
of a hundred-thousand people.

338

00:17:43,979 --> 00:17:46,899  
We Hardaways are just constantly  
bucking statistics.

339

00:17:46,982 --> 00:17:49,276  
[Sam] Four out of five. Four out of five.  
Four out of five.

340

00:17:49,359 --> 00:17:53,864  
Anyway, I've been thinking,  
and our summer so far has been dreamy.

341

00:17:53,947 --> 00:17:56,241  
-Four out of five...  
-Which I really needed.

342

00:17:56,366 --> 00:17:58,327  
I wanna put my best foot forward  
in college.

343

00:17:58,410 --> 00:17:59,495  
Four out of five...

344

00:17:59,578 --> 00:18:02,247  
-I really doubted myself in high school.  
-Four out of five...

345

00:18:02,331 --> 00:18:03,499  
Hid my light under a bushel.

346

00:18:03,582 --> 00:18:06,293  
Which I know is hard to believe  
because it shines so bright anyway,

347

00:18:06,376 --> 00:18:08,170  
but that was me at a six.

348

00:18:08,253 --> 00:18:10,672  
Four out of five. Four out of five.  
Four out of five.

349

00:18:10,756 --> 00:18:12,299  
-But no more.  
-Four out of five...

350

00:18:12,382 --> 00:18:16,011  
College means I get to be my most  
authentic self, Paige-ier than ever.

351

00:18:16,095 --> 00:18:17,888  
Time to let Paige out of the cage.

352

00:18:18,680 --> 00:18:22,309  
And I just cannot have any unfinished  
business hanging over my head, so...

353

00:18:23,018 --> 00:18:25,729  
[sighs] I want us to have sex.

354

00:18:25,813 --> 00:18:27,981  
Four out of five. Four out of five.  
Four out of fi--

355

00:18:28,065 --> 00:18:30,984  
Y-You wanna have sex?

356

00:18:31,568 --> 00:18:32,903  
I wanna have sex.

357

00:18:33,612 --> 00:18:36,365  
One thing I learned from Sam Takes a Walk

358

00:18:36,448 --> 00:18:39,118  
is that it's not always easy  
to get where you're going.

359

00:18:39,493 --> 00:18:43,038  
There are literally dozens of things  
that can derail an expedition:

360

00:18:43,997 --> 00:18:45,249  
faulty equipment...

361

00:18:45,332 --> 00:18:47,167  
It was in Zahid's shoe?

362

00:18:48,168 --> 00:18:49,169

No.

363

00:18:51,922 --> 00:18:53,382  
[Sam] Nowhere to make camp...

364

00:18:53,966 --> 00:18:56,385  
[Elsa] Sam, honey, we're home.

365

00:18:59,054 --> 00:19:00,097  
I'm bored.

366

00:19:00,180 --> 00:19:01,723  
[Paige sighs]

367

00:19:01,807 --> 00:19:03,517  
-[TV playing]  
-[Sam] Bears...

368

00:19:04,101 --> 00:19:06,270  
Dad, I thought you were watching the game  
at the bar.

369

00:19:06,353 --> 00:19:08,355  
They're out of wings. That's a no go.

370

00:19:09,273 --> 00:19:11,108  
Commercial break, gotta pee.

371

00:19:14,278 --> 00:19:15,821  
This is ridiculous.

372

00:19:15,904 --> 00:19:18,615  
No one in history has ever had  
this much trouble having sex.

373

00:19:19,199 --> 00:19:21,493  
I'm leaving for my camp counselor job  
on Saturday morning.

374

00:19:21,577 --> 00:19:24,955  
I mean, it is like the universe  
is conspiring against us.

375

00:19:25,539 --> 00:19:29,084  
I haven't seen your dad  
since the Olive Garden. He looks shorter.

376

00:19:30,169 --> 00:19:32,796  
Sam, that's it, the Olive Garden.

377

00:19:32,880 --> 00:19:35,924  
We have bad romantic karma from when  
you broke my heart into a million pieces

378

00:19:36,008 --> 00:19:37,467  
at my favorite pasta haven.

379

00:19:37,801 --> 00:19:39,678  
We need to take back the Olive Garden.

380

00:19:40,262 --> 00:19:42,389  
Like, go there for dinner?

381

00:19:42,472 --> 00:19:43,765  
And appetizers.

382

00:19:43,849 --> 00:19:46,310  
Friday night, my parents are  
at their Zumba class on Fridays

383

00:19:46,393 --> 00:19:48,145  
so we can just come back here  
after dinner.

384

00:19:48,228 --> 00:19:50,355  
[sighs] It'll be our last chance.

385

00:19:50,439 --> 00:19:54,735  
That sounded really dire,  
like in a horror movie, but it kind of is.

386

00:19:56,987 --> 00:19:59,907  
So, based on what you learned  
and heard today,

387

00:19:59,990 --> 00:20:02,075  
what would you do differently  
the next time

388

00:20:02,159 --> 00:20:04,536  
you encounter someone who may have ASD?

389

00:20:05,162 --> 00:20:07,539  
Maybe approach the individual  
a little more calmly.

390

00:20:08,498 --> 00:20:12,461  
If I noticed he was having trouble making  
eye contact, I'd lower the flashlight.

391

00:20:13,795 --> 00:20:16,548  
Oh, I'm sorry,  
was that just meant for the cops?

392

00:20:17,090 --> 00:20:19,843  
-Sergeant Mom here. [laughs]  
-[murmuring]

393

00:20:20,260 --> 00:20:22,512  
All right, so we're all done here.

394

00:20:22,596 --> 00:20:25,515  
If you guys have any questions,  
we'll stick around afterwards.

395

00:20:26,683 --> 00:20:27,517  
[Elsa] Whoo!

396

00:20:29,937 --> 00:20:32,773  
So good, I mean really, really great.

397

00:20:32,856 --> 00:20:36,276  
I can't believe you put all this together.  
We all found it really helpful.

398

00:20:36,360 --> 00:20:38,695

Oh, good.  
Well, I didn't do it all by myself.

399  
00:20:39,321 --> 00:20:40,280  
Have you met Megan?

400  
00:20:41,031 --> 00:20:43,367  
She's an administrator  
at Oaks County Hospital.

401  
00:20:43,450 --> 00:20:44,284  
Nice to meet you.

402  
00:20:44,368 --> 00:20:46,328  
-Hi, I'm Elsa.  
-Hi.

403  
00:20:46,411 --> 00:20:47,746  
-The wife.  
-Oh.

404  
00:20:48,455 --> 00:20:49,289  
Of who?

405  
00:20:55,128 --> 00:20:58,340  
[grunting] Thank you.

406  
00:20:58,757 --> 00:21:00,884  
I've been trying to stand for,  
like, ten minutes.

407  
00:21:01,260 --> 00:21:04,012  
Can you come over every morning  
and do that for me when I wake up?

408  
00:21:04,596 --> 00:21:07,266  
I could. No one would miss me.

409  
00:21:08,141 --> 00:21:10,519  
I'm sorry, I'm fine. Everything's fine.

410  
00:21:12,604 --> 00:21:14,231

Okay, I'm going back down.

411

00:21:15,607 --> 00:21:16,817  
It's just...

412

00:21:18,986 --> 00:21:22,656  
I have tried so hard  
to get Doug to forgive me,

413

00:21:22,990 --> 00:21:26,702  
and after he punched Nick, we were  
supposed to have this big final talk,

414

00:21:26,785 --> 00:21:30,706  
but he stood me up,  
and I can't become a smoker again.

415

00:21:30,789 --> 00:21:34,084  
But how am I supposed to get him  
to just sit down and hash all of this out?

416

00:21:35,585 --> 00:21:38,588  
Oh, I shouldn't give you any advice.

417

00:21:38,672 --> 00:21:41,758  
I'm not really sleeping.  
I'm giant and stressed.

418

00:21:41,842 --> 00:21:45,971  
This morning, I started crying  
because I was so proud of my microwave.

419

00:21:47,055 --> 00:21:48,098  
Please.

420

00:21:48,765 --> 00:21:51,393  
-You need to loosen your grip.  
-What?

421

00:21:51,476 --> 00:21:54,396  
Look, you can force Doug  
to answer you now,

422

00:21:54,479 --> 00:21:58,567  
which might end up fine  
or with the two of you separating.

423

00:21:58,942 --> 00:22:01,903  
Or you can let him come to you  
when he's ready.

424

00:22:02,654 --> 00:22:05,615  
The result might be the same,  
or it might not.

425

00:22:10,954 --> 00:22:12,539  
You're gonna be a good mom.

426

00:22:12,622 --> 00:22:14,374  
[laughs, mutters]

427

00:22:15,375 --> 00:22:16,376  
[Julia sighs]

428

00:22:17,377 --> 00:22:18,754  
[exhales] Yeah.

429

00:22:18,837 --> 00:22:21,381  
-[laughs] Thank you.  
-Thank you.

430

00:22:27,179 --> 00:22:29,348  
Oh, God. [groans]

431

00:22:29,806 --> 00:22:30,891  
Are you okay, miss?

432

00:22:31,475 --> 00:22:32,309  
[sighs]

433

00:22:32,934 --> 00:22:36,271  
I think I'm having contractions. Do you  
have a room where my water can break?

434

00:22:43,487 --> 00:22:46,281  
-Knock knock.  
-Oh, thank God, I'm so bored.

435  
00:22:46,865 --> 00:22:48,200  
You look pathetic.

436  
00:22:48,909 --> 00:22:49,951  
I brought Twizzlers.

437  
00:22:50,202 --> 00:22:51,787  
You brought me your favorite candy?

438  
00:22:52,371 --> 00:22:54,081  
-You're welcome. Scooch.  
-[laughs]

439  
00:22:58,627 --> 00:23:01,213  
Your bed is so cozy and warm.

440  
00:23:01,296 --> 00:23:03,090  
It's all the farting I've been doing.

441  
00:23:03,340 --> 00:23:04,549  
You're so gross.

442  
00:23:04,633 --> 00:23:05,967  
You didn't know that?

443  
00:23:06,593 --> 00:23:08,053  
-Evan.  
-Hey.

444  
00:23:09,262 --> 00:23:10,514  
No more appendix?

445  
00:23:10,597 --> 00:23:12,557  
It's all gone. I miss it.

446  
00:23:12,641 --> 00:23:13,850  
[Evan] I'm sorry.

447  
00:23:13,934 --> 00:23:16,770  
Now that banana bread incident is starting  
to make a lot more sense:

448  
00:23:16,853 --> 00:23:19,940  
Your appendix hated banana bread.

449  
00:23:21,733 --> 00:23:23,026  
Maybe I should go.

450  
00:23:23,110 --> 00:23:24,403  
No, stay.

451  
00:23:24,486 --> 00:23:27,406  
I need my loved ones around me.  
We don't know how much time I have left.

452  
00:23:27,489 --> 00:23:29,908  
[chuckles] I got you this.

453  
00:23:29,991 --> 00:23:33,120  
-A sheep?  
-Yeah. It's a little weird,

454  
00:23:33,203 --> 00:23:35,789  
-but there's a story behind it.  
-Super weird.

455  
00:23:35,872 --> 00:23:37,791  
[laughs]  
Oh, my God, look at it, it's angry.

456  
00:23:37,874 --> 00:23:40,419  
-[growls]  
-It's so angry.

457  
00:23:40,502 --> 00:23:41,670  
[laughing]

458  
00:23:41,753 --> 00:23:43,088  
Get it away.

459  
00:23:44,548 --> 00:23:46,049  
-[Izzie] Movie time?  
-[Casey] Yep.

460  
00:23:47,926 --> 00:23:48,927  
Get in.

461  
00:23:51,763 --> 00:23:52,806  
Here.

462  
00:23:53,223 --> 00:23:54,975  
-Thank you.  
-Okay, guys.

463  
00:23:55,600 --> 00:23:56,893  
What have we got?

464  
00:23:59,396 --> 00:24:00,897  
[gasps] Hi, Sam!

465  
00:24:00,981 --> 00:24:03,191  
Are you ready  
to take back the Olive Garden?

466  
00:24:03,692 --> 00:24:07,112  
Oh, I can feel it,  
the gods of love are pleased with us.

467  
00:24:07,696 --> 00:24:10,991  
Good news. Your mom said that she can  
babysit my succulents while I'm gone.

468  
00:24:11,074 --> 00:24:14,119  
-Good.  
-I know! It's so exciting, isn't it?

469  
00:24:14,202 --> 00:24:16,913  
Oh, our sex-iversary, June 28th.

470  
00:24:17,372 --> 00:24:18,707  
Probably around...
