"Sam Takes a Walk"

As Sam gets political with his art, Elsa and Doug explore a (not-so-normal) weekend away. Casey and Izzie re-examine their relationship.

Okay, if you need anything,

171
00:09:22,812 --> 00:09:27,358
-this is a list of emergency numbers.
-Hmm. Why's animal control on here?

172
00:09:27,441 --> 00:09:29,819
Remember when the raccoon had babies
in our basement?

173
00:09:29,902 --> 00:09:33,155
-Things happen.
-Ugh. The sounds. I'm never having kids.

174
00:09:33,239 --> 00:09:37,076
Okay, all your meals are in the fridge,
labeled, of course.

175
00:09:37,743 --> 00:09:41,455
And remember,
the front left burner knob is...

176

00:09:44,875 --> 00:09:49,130
tricky, so you gotta push it
all the way in when you turn it, okay?

177

00:09:49,213 --> 00:09:52,550
Otherwise, it won't light, but the house
will continue to fill up with gas

178

00:09:52,633 --> 00:09:54,051
until the whole place is filled up,

179

00:09:54,135 --> 00:09:56,971
and then even a tiny little spark, boom!

180

00:09:57,054 --> 00:10:00,516
The roof is blown sky-high along
with my baby boy

181

00:10:00,600 --> 00:10:02,143
all the way to heaven.

182

00:10:02,226 --> 00:10:04,729
-Or hell. We don't know his life.
-Okay.

183

00:10:04,812 --> 00:10:06,772
I won't do whatever you just said.

184

00:10:06,856 --> 00:10:09,734
Let's go, guys. We're gonna be late
to drop Casey off at the bus.

185

00:10:09,817 --> 00:10:11,402
Sure you don't wanna drive there with us?

186

00:10:11,485 --> 00:10:15,239
No. Oddly, I prefer the company of 30
screaming girls to you two lumps.

187

00:10:15,906 --> 00:10:19,577
You wanna walk to the bus? You could walk.

Is that what you wanna do?

188

00:10:19,660 --> 00:10:22,913
[kisses]

189

00:10:23,414 --> 00:10:25,750
Hey, at least that little guy's escaping.

190

00:10:26,375 --> 00:10:29,003
He's not escaping.
He's committing suicide.

191

00:10:29,086 --> 00:10:31,422
The carnage around him
pushed him over the edge.

192

00:10:31,505 --> 00:10:33,341
You try walking on eyeballs.

193

00:10:37,053 --> 00:10:38,262
Oh, God.

194

00:10:45,978 --> 00:10:47,938
Are Honeycrisps a new kind of apple?

195

00:10:48,856 --> 00:10:50,858
I'm usually a Pink Lady lady....

196

00:10:51,484 --> 00:10:52,401
but these are nice.

197

00:10:54,236 --> 00:10:55,821
Well, they're both good apples.

198

00:10:57,406 --> 00:10:59,075
It'll be nice to see the cabin again.

199

00:10:59,492 --> 00:11:01,077
We haven't been there for so long.

200

00:11:01,160 --> 00:11:04,121

-I wonder why we stopped going.
-'Cause you didn't wanna go anymore.

201

00:11:04,705 --> 00:11:05,539
What?

202

00:11:05,956 --> 00:11:08,876
That's not what happened.
It just didn't work for us anymore.

203

00:11:08,959 --> 00:11:10,002
Nobody ever got any sleep,

204

00:11:10,086 --> 00:11:13,214
and I was the one having to deal
with grumpy kids all week.

205

00:11:13,839 --> 00:11:15,132
Well, I slept fine.

206

00:11:22,390 --> 00:11:23,808
You can't throw that out the window.

207

00:11:24,266 --> 00:11:25,226
It's biodegradable.

208

00:11:25,309 --> 00:11:26,185
It's illegal.

209

00:11:27,019 --> 00:11:30,981
Hey, you can't just be hurtling down
the highway and throw that out the window.

210

00:11:31,065 --> 00:11:32,983
What if it hits a person in back of us?

211

00:11:35,069 --> 00:11:36,070
Don't do it.

212

00:11:37,571 --> 00:11:40,491
Please, don't do it.

213

00:11:42,451 --> 00:11:43,285

Oy!

214

00:11:55,047 --> 00:11:59,218

[Sam] The problem with the Magellanic penguins is an extremely frustrating one.

215

00:12:11,814 --> 00:12:16,026

The penguin babies are too big for their parents to sit on to keep warm...

216

00:12:25,703 --> 00:12:28,706

[Zahid] If you have any questions at all, you can please find me, I'm your guy.

217

00:12:28,789 --> 00:12:30,374

Name's Zahid, starts with a Z,

218

00:12:30,458 --> 00:12:32,251

ends with a beautiful friendship.

219

00:12:33,002 --> 00:12:34,837

I wrote my Insta-handle on that receipt there.

220

00:12:34,920 --> 00:12:37,214

It's brown sugar underscore doing it.

221

00:12:37,298 --> 00:12:40,426

[Sam] ...but too young to have their waterproof feathers yet.

222

00:12:53,022 --> 00:12:54,523

I'm gonna sleep in the bunk room.

223

00:12:54,607 --> 00:12:55,649

Sounds great.

224

00:13:00,529 --> 00:13:04,492

I just hugged or high-fived at least 63 people on the way in.

225

00:13:05,034 --> 00:13:06,410
Do you have any hand sanitizer?

226

00:13:06,494 --> 00:13:08,829
Yeah, nerd, I think Elsa
might have put some in here.

227

00:13:10,915 --> 00:13:12,291
[sighs] Thank you.

228

00:13:16,378 --> 00:13:18,631
[laughs] Look what Sam made me.

229

00:13:20,216 --> 00:13:22,134
Who's Spheh and Magic?

230

00:13:22,718 --> 00:13:25,304
Gay penguins in Australia.

231

00:13:26,263 --> 00:13:27,681
He told me about them last night.

232

00:13:29,183 --> 00:13:30,309
Wait, did...

233

00:13:31,268 --> 00:13:32,770
Did you tell Sam about us?

234

00:13:33,604 --> 00:13:34,605
Not really.

235

00:13:36,232 --> 00:13:37,274
-Not really?
-No.

236

00:13:37,358 --> 00:13:40,986
Well, I didn't tell him anything.
He just saw us at the door. So...

237

00:13:41,987 --> 00:13:44,490
What would be the big deal?

He's my brother.

238

00:13:44,573 --> 00:13:47,159
The big deal
is I don't feel like broadcasting

239

00:13:47,243 --> 00:13:48,828
my personal business to the world.

240

00:13:49,620 --> 00:13:50,621
Okay, jeez.

241

00:13:50,704 --> 00:13:52,164
No, it's not okay.

242

00:13:56,168 --> 00:13:58,462
There's Claire. I'm gonna go say hi.

243

00:14:06,095 --> 00:14:07,221
[exhales]

244

00:14:10,307 --> 00:14:11,350
[Sharice] Hello, beautiful.

245

00:14:13,060 --> 00:14:13,894
[both laugh]

246

00:14:13,978 --> 00:14:14,854
-Hi.
-Hi.

247

00:14:15,729 --> 00:14:16,939
-What's wrong?
-[sighs]

248

00:14:19,817 --> 00:14:20,651
Whoa..

249

00:14:21,694 --> 00:14:22,570
I know.

250

00:14:22,695 --> 00:14:25,030
-Poor Evan.
-Yeah.

251
00:14:25,614 --> 00:14:26,532
Poor you.

252
00:14:26,615 --> 00:14:27,867
Kinda.

253
00:14:27,950 --> 00:14:29,201
Izzie is a villain.

254
00:14:29,285 --> 00:14:31,287
Oh, come on. [groans]

255
00:14:32,288 --> 00:14:33,205
I'm so confused.

256
00:14:33,789 --> 00:14:35,165
'Cause I miss Evan so much.

257
00:14:35,624 --> 00:14:38,294
But when I'm with Izzie,
it's so exciting and...

258
00:14:38,878 --> 00:14:40,129
kissing her was...

259
00:14:40,921 --> 00:14:42,214
amazing.

260
00:14:43,966 --> 00:14:47,177
And when it's just the two of us,
she acts like she's so into me,

261
00:14:47,261 --> 00:14:50,472
but when we're around anyone else,
it's like she's afraid to be around me.

262
00:14:50,556 --> 00:14:51,640
Sounds like my cat.

263

00:14:51,724 --> 00:14:53,642
[laughing]

264

00:14:53,726 --> 00:14:58,063
Casey, whoever you are with
should treat you like the precious,

265

00:14:58,147 --> 00:15:00,566
precious princess you are!

266

00:15:00,649 --> 00:15:02,526
Why am I even having this conversation
with you?

267

00:15:02,610 --> 00:15:04,028
[door opens]

268

00:15:04,111 --> 00:15:06,196
-[laughs]
-[Izzie] Hey.

269

00:15:08,198 --> 00:15:09,199
Can we talk?

270

00:15:10,409 --> 00:15:12,369
I'm gonna go. I have dinner with the team.

271

00:15:12,453 --> 00:15:14,872
-Say hi to them for me.
-[Sharice] You can tell them yourself.

272

00:15:14,955 --> 00:15:17,333
There is a party tonight in Tanya's room.

273

00:15:18,083 --> 00:15:19,084
You're invited, too.

274

00:15:19,710 --> 00:15:20,878
You know, if you're cool.

275

00:15:32,097 --> 00:15:33,349
I'm sorry.

276
00:15:36,852 --> 00:15:37,811
This is just...

277
00:15:38,812 --> 00:15:40,397
all so new, you know?

278
00:15:41,649 --> 00:15:43,317
Yeah, it is.

279
00:15:45,778 --> 00:15:49,198
And I don't know what any of this means.

280
00:15:50,240 --> 00:15:53,160
-Or who I am.
-Look, I'm confused, too.

281
00:15:54,036 --> 00:15:54,954
I know.

282
00:15:59,375 --> 00:16:00,376
I just think that...

283
00:16:01,418 --> 00:16:02,586
I need to take it slow.

284
00:16:06,590 --> 00:16:10,010
But it was really nice hanging out
in your room the other night.

285
00:16:12,179 --> 00:16:16,392
And I really like hanging out. [laughing]

286
00:16:18,352 --> 00:16:19,311
Me too.

287
00:16:25,234 --> 00:16:27,486
Do you maybe wanna go
to that party together later?

288
00:16:28,696 --> 00:16:30,614
-Um...
-[laughs]

289
00:16:31,573 --> 00:16:32,449
Sure.

290
00:16:33,325 --> 00:16:35,869
Okay. Cool.

291
00:16:54,513 --> 00:16:55,347
[Elsa] Look.

292
00:16:56,181 --> 00:16:57,474
Look what I found.

293
00:16:57,725 --> 00:16:58,934
[Doug] Huh.

294
00:16:59,309 --> 00:17:03,105
[sighs]
"Sam Takes a Walk." I remember that.

295
00:17:03,689 --> 00:17:05,691
[sighs] I loved making this so much,

296
00:17:05,774 --> 00:17:08,193
I think I actually got more out
of it than he did.

297
00:17:08,277 --> 00:17:10,070
No. He learned a lot from that game.

298
00:17:10,154 --> 00:17:12,364
I always got stuck
being the neighbor's dog.

299
00:17:12,448 --> 00:17:14,074
-Biscuit.
-Biscuit.

300

00:17:14,908 --> 00:17:16,035
That's crazy.

301
00:17:19,705 --> 00:17:20,664
You wanna play?

302
00:17:26,003 --> 00:17:27,588
Yeah, sure, why not?

303
00:17:30,758 --> 00:17:32,009
You want a glass of wine?

304
00:17:32,092 --> 00:17:34,803
[sighs] I do, but I didn't bring any.

305
00:17:34,887 --> 00:17:35,763
I did.

306
00:17:37,306 --> 00:17:38,265
I know you.

307
00:17:48,525 --> 00:17:49,693
[door opens]

308
00:17:50,277 --> 00:17:53,280
[gasps] Sam! Great news.

309
00:17:53,363 --> 00:17:56,492
Now that we're adults,
you know, since sex,

310
00:17:57,076 --> 00:17:59,161
I decided enough moping around.

311
00:17:59,244 --> 00:18:01,455
It's time to get back
in the job applying game.

312
00:18:02,039 --> 00:18:04,249
And I already have an interview.

313

00:18:04,875 --> 00:18:07,086
It's for a nanny job,
so it's not exactly the internship

314
00:18:07,169 --> 00:18:10,547
at the mayor's office I was envisioning,
but it's a start.

315
00:18:10,631 --> 00:18:12,966
That's great. Congratulations.

316
00:18:14,093 --> 00:18:16,386
Well, what do we have going on here?

317
00:18:17,513 --> 00:18:20,099
I can't get this Magellanic penguin
assignment right.

318
00:18:20,682 --> 00:18:22,643
Everything I do seems...

319
00:18:22,726 --> 00:18:25,229
not important enough
to make a difference.

320
00:18:25,729 --> 00:18:28,440
Do these dead penguins
make you wanna stop using hairspray?

321
00:18:28,524 --> 00:18:30,984
Oh, you wouldn't like me
without hairspray.

322
00:18:31,860 --> 00:18:35,572
[sighs] All right, that's it.
Up and at 'em, mister.

323
00:18:35,656 --> 00:18:37,741
-What?
-We're going for a walk.

324
00:18:37,825 --> 00:18:40,369
My mee-maw said there's nothing

a brisk stroll can't fix.

325

00:18:41,078 --> 00:18:43,372
Except for glaucoma, it can't fix that.

326

00:18:45,374 --> 00:18:48,001
Grab a hoodie.
It's a little nippy out there.

327

00:19:08,647 --> 00:19:11,275
Ugh. Now my lovely threads are all soaked.

328

00:19:11,358 --> 00:19:12,860
Sam, can I borrow a shirt?

329

00:19:21,910 --> 00:19:24,580
Guess what I-- what are you doing?

330

00:19:25,914 --> 00:19:27,875
-What? Nothing.
-Were you checking the knob?

331

00:19:27,958 --> 00:19:30,460
Oh, it was a little loose.

332

00:19:30,544 --> 00:19:33,589
And, you know, one spark
can send the roof sky high.

333

00:19:34,756 --> 00:19:35,924
My mom sent you, didn't she?

334

00:19:37,426 --> 00:19:41,013
Uh... well, she was a little bit worried.

335

00:19:41,096 --> 00:19:41,930
Spy!

336

00:19:42,014 --> 00:19:43,807
Sam, look, I understand that you're upset.

337

00:19:43,891 --> 00:19:44,892
Yeah, I am upset.

338
00:19:44,975 --> 00:19:47,603
I'm really, really, really, really upset.

339
00:19:48,687 --> 00:19:50,314
But I'm not just upset at you.

340
00:19:51,106 --> 00:19:53,442
I get why you're having an issue.

341
00:19:53,525 --> 00:19:56,069
I mean, you could practically
take this thing

342
00:19:56,153 --> 00:19:57,988
to Antiques Roadshow at this point.

343
00:19:58,071 --> 00:19:59,364
Look at this.

344
