MAIN EPISODE CAST

Jennifer Jason Leigh	...	Elsa Gardner
Keir Gilchrist	...	Sam Gardner
Brigitte Lundy-Paine	...	Casey Gardner
Amy Okuda	...	Julia Sasaki
Michael Rapaport	...	Doug Gardner
Nik Dodani	...	Zahid
Graham Rogers	...	Evan Chapin
Angel Laketa Moore	...	Megan
Fivel Stewart	...	Izzie
Ariela Barer	...	Bailey Bennett
Graham Phillips	...	Nate
Major Curda	...	Arlo
Casey Wilson	...	Ms. Whitaker
Kue Lawrence	...	4 Year Old Sam
Nikki Gutman	...	Lily
Nicole Zyana	...	Penelope
Megan Suri	...	Quinn
Layla Weiner	...	Amber
Domonique Brown	...	Jasper
Chiquita Fuller	...	Bank Employee
Peter James Smith	...	Doctor

1

00:00:09,926 --> 00:00:12,178
I know this probably isn't
what you wanted to hear,

2

00:00:12,262 --> 00:00:13,513
and I'm sorry,

3

00:00:13,930 --> 00:00:15,473
but many people with his diagnosis

4

00:00:15,557 --> 00:00:17,851
end up living productive,
fulfilling lives.

5

00:00:19,227 --> 00:00:21,438
I don't see why Sam
should be any different.

6

00:00:27,902 --> 00:00:30,155
I mean,
I just think it's a relief, really.

7

00:00:30,447 --> 00:00:33,199
I mean, now we know.
Now we can do things.

8

00:00:33,783 --> 00:00:37,579
You know, like, I was reading that
those noise-cancelling headphones,

9

00:00:37,662 --> 00:00:40,957
they can really help in situations
where he's feeling overwhelmed.

10

00:00:41,041 --> 00:00:42,667
I mean, it's so simple,

11

00:00:42,751 --> 00:00:45,670
but I would never have thought it,
you know? It makes so much sense.

12

00:00:45,754 --> 00:00:48,089

So I'm gonna go to RadioShack,
and pick some up,

13

00:00:48,173 --> 00:00:50,925
and then, there's other things,
there's early interventions.

14

00:00:51,009 --> 00:00:55,180
There's other therapies we can do.
There's a therapy they do with horses.

15

00:00:55,764 --> 00:00:58,099
And it's called Equine Therapy.

16

00:00:58,391 --> 00:00:59,768
-Well...
-Isn't that sweet?

17

00:00:59,851 --> 00:01:01,728
Maybe we can get a second opinion.

18

00:01:01,811 --> 00:01:04,314
-That was a second opinion.
-Maybe we get a third.

19

00:01:04,397 --> 00:01:07,567
Shoot. Do you remember
which of my cousins is married

20

00:01:07,650 --> 00:01:09,277
to the speech therapist?

21

00:01:09,778 --> 00:01:11,404
Is it Andy or Allen?

22

00:01:12,113 --> 00:01:13,656
[Elsa] I'm just gonna call them both.

23

00:01:13,740 --> 00:01:15,867
Kids! Lunchtime!

24

00:01:15,950 --> 00:01:17,035

Hey, Andy?

25

00:01:18,119 --> 00:01:19,162
It's Elsa.

26

00:01:20,622 --> 00:01:24,375
You know exactly which Elsa,
you little stinker!

27

00:01:31,049 --> 00:01:33,051
[Elsa] Yeah, great. Thanks.

28

00:01:33,134 --> 00:01:36,137
Okay, your prescription's ready.

29

00:01:36,471 --> 00:01:39,057
-I'll be back in a jiff.
-You don't have to do that.

30

00:01:39,140 --> 00:01:41,893
Okay, I don't need meds.
It's not that big of a deal.

31

00:01:41,976 --> 00:01:44,896
A panic attack is a big deal.
It's a warning sign.

32

00:01:44,979 --> 00:01:47,732
It's your body saying,
"Hey, mister, slow down."

33

00:01:47,816 --> 00:01:49,818
Panic attack. It wasn't a panic attack.

34

00:01:49,901 --> 00:01:54,239
That's just an overly dramatic way
of saying I got stressed out.

35

00:01:54,322 --> 00:01:58,451
I used to watch my father collapse,
fall on his face once a month.

36

00:01:58,535 --> 00:02:00,537
He's still kicking. He's gonna be 85.

37
00:02:01,496 --> 00:02:03,790
The doctor was very clear.

38
00:02:03,873 --> 00:02:06,209
You need to take it easy.

39
00:02:06,292 --> 00:02:09,295
-Reduce your stress.
-Speaking of reducing my stress,

40
00:02:09,379 --> 00:02:11,881
isn't it time
you should be going back to Luisa's?

41
00:02:11,965 --> 00:02:13,633
[laughs sarcastically]

42
00:02:13,758 --> 00:02:15,885
You can be grumpy with me
all you want,

43
00:02:15,969 --> 00:02:18,638
but I think I should move back in
for a few days.

44
00:02:18,721 --> 00:02:20,181
No. Thank you.

45
00:02:20,265 --> 00:02:23,768
Honey, you're doing too much. The house,
the kids. I looked at your schedule.

46
00:02:23,852 --> 00:02:25,353
You're working three nights this week.

47
00:02:25,436 --> 00:02:26,813
It's fine, I can handle it.

48
00:02:26,896 --> 00:02:29,607

Think of all
that I could take off your plate.

49

00:02:29,691 --> 00:02:32,861
I could go to the store.
I noticed we're low on a few things.

50

00:02:32,944 --> 00:02:34,988
I mean, someone bought the wrong bread.

51

00:02:35,071 --> 00:02:36,573
We're not a sourdough family.

52

00:02:36,656 --> 00:02:38,449
You know, I like sourdough.

53

00:02:38,533 --> 00:02:41,035
Okay? We're fine.
Everything's under control.

54

00:02:41,119 --> 00:02:42,745
I can sleep on the couch.

55

00:02:42,829 --> 00:02:44,205
Please stop.

56

00:02:45,540 --> 00:02:46,541
Please.

57

00:02:47,250 --> 00:02:48,168
Okay.

58

00:02:49,627 --> 00:02:52,380
Okay. I'm just going to make the beds
and I'll go.

59

00:02:53,882 --> 00:02:55,049
Still gonna pick up your meds.

60

00:02:59,929 --> 00:03:00,972
Dad.

61

00:03:01,931 --> 00:03:03,641
You hear all that craziness?

62

00:03:04,851 --> 00:03:06,311
You got to let her come back.

63

00:03:06,394 --> 00:03:08,688
Want me to have
a real heart attack next time?

64

00:03:08,771 --> 00:03:11,357
Dad, I watched you collapse
in the front yard.

65

00:03:12,859 --> 00:03:13,776
You scared me.

66

00:03:14,235 --> 00:03:18,031
Just let her take care of you,
and be her annoying self

67

00:03:18,114 --> 00:03:19,824
just for a while.

68

00:03:21,951 --> 00:03:24,037
Alright, well, just for a few days.

69

00:03:24,204 --> 00:03:27,123
And if it helps,
I'm still going to torture her.

70

00:03:27,707 --> 00:03:29,792
-Promise?
-Yeah, I promise.

71

00:03:41,429 --> 00:03:45,141
[Sam] One of the first rules of nature
is like finds like.

72

00:03:45,266 --> 00:03:46,684
[students chattering]

73

00:03:46,809 --> 00:03:48,478
There you are. I need you.

74

00:03:48,728 --> 00:03:52,023
My mom's loser ex-boyfriend just
moved back in. Where've you been?

75

00:03:52,106 --> 00:03:54,692
Life stuff, dude.
You don't want to know.

76

00:03:54,776 --> 00:03:56,945
[Sam] You would never see
an emperor penguin

77

00:03:57,028 --> 00:03:59,489
and a south polar skua hang out together.

78

00:03:59,572 --> 00:04:01,282
Sure, they're both birds...

79

00:04:01,366 --> 00:04:03,576
Gotta love a guy
who brings only the clothes on his back

80

00:04:03,660 --> 00:04:05,745
and a trash bag
full of drug paraphernalia.

81

00:04:05,828 --> 00:04:07,247
-Jeez.
-Yeah.

82

00:04:07,330 --> 00:04:10,541
[Sam] ...but a penguin lays an egg
and tries to protect it,

83

00:04:10,625 --> 00:04:13,711
while the sneaky skua
just wants to make it his dinner.

84

00:04:13,795 --> 00:04:14,921

What's up with you?

85

00:04:15,004 --> 00:04:17,507

Well, we thought
my dad had a heart attack.

86

00:04:17,840 --> 00:04:21,219

Turns out it was just a panic attack
caused by my mom being a tramp.

87

00:04:21,302 --> 00:04:24,222

It's a freaking miracle
the two of us are still alive.

88

00:04:24,305 --> 00:04:25,139

I know.

89

00:04:26,349 --> 00:04:28,351

I knew you two were going to fall in love.

90

00:04:29,227 --> 00:04:33,147

Hey, if you guys ever hook up,
don't forget to include me.

91

00:04:33,231 --> 00:04:34,607

-[Nate] Okay.

-Yeah, okay.

92

00:04:34,691 --> 00:04:37,360

[Sam] Polar animals know
that if they want to survive,

93

00:04:37,443 --> 00:04:39,112

they need creatures like them.

94

00:04:39,195 --> 00:04:42,573

But if I woke up one day,
and I was a skua,

95

00:04:42,657 --> 00:04:45,535

I'd probably fly headfirst
into an iceberg.

96

00:04:45,910 --> 00:04:47,453
What is he even talking about?

97

00:04:50,290 --> 00:04:53,084
Sam, I'll confess,
I got a little lost there, myself.

98

00:04:53,167 --> 00:04:56,504
How does that relate to today's topic,
"resources"?

99

00:04:57,005 --> 00:04:59,549
Even if you find a group
of like-minded penguins,

100

00:04:59,632 --> 00:05:01,551
it doesn't guarantee survival.

101

00:05:01,634 --> 00:05:07,140
You still need resources like fish,
or krill, or a nice mating rock.

102

00:05:07,682 --> 00:05:10,143
Oh, well, that actually does relate.

103

00:05:10,518 --> 00:05:13,146
So as I was saying,
the combined unemployment,

104

00:05:13,229 --> 00:05:18,026
or underemployment rate for young adults
with autism is close to 90%.

105

00:05:18,109 --> 00:05:22,613
I know, it's a scary number,
but that is why you're here.

106

00:05:22,697 --> 00:05:24,907
We are going to change those statistics.

107

00:05:25,533 --> 00:05:27,618
Does anyone in here currently have a job?

108

00:05:28,870 --> 00:05:32,415
I work at Techtropolis,
but I do have one strike.

109

00:05:32,498 --> 00:05:34,208
What do you do with your money?

110

00:05:34,500 --> 00:05:36,669
I'm saving mine to buy a defibrillator.

111

00:05:36,753 --> 00:05:41,549
Well, every other Thursday
my manager Bob gives me a check,

112

00:05:41,632 --> 00:05:43,968
and then I take that home,
and I give it to my mom,

113

00:05:44,052 --> 00:05:45,386
and she deposits it.

114

00:05:45,720 --> 00:05:48,765
So you don't have your own bank account?
What a baby.

115

00:05:48,848 --> 00:05:51,851
Amber. Okay, Sam's an adult, he's 18.

116

00:05:51,976 --> 00:05:55,396
Would you like to rephrase your question
in a more respectful manner?

117

00:05:55,980 --> 00:05:56,814
No.

118

00:05:57,690 --> 00:06:01,110
Okay. Well, I'm sure when Sam's ready
to have a bank account, then he will.

119

00:06:01,194 --> 00:06:03,029
But not a defibrillator.

120

00:06:07,992 --> 00:06:09,535

I need a bank account.

121

00:06:09,619 --> 00:06:12,288

Oh, and good day to you, Mr. Rockefeller.

122

00:06:12,872 --> 00:06:15,666

-Because he's rich?

-Yes.

123

00:06:16,459 --> 00:06:18,378

And I'm talking about money?

124

00:06:18,461 --> 00:06:21,589

The more you make me explain it,
the less funny it gets.

125

00:06:22,590 --> 00:06:25,593

Whatever.

I can't learn to manage my own money

126

00:06:25,676 --> 00:06:27,261

if I don't have my own account.

127

00:06:27,345 --> 00:06:28,930

But you already have an account

128

00:06:29,013 --> 00:06:32,433

at the best bank in town:

the Bank of Elsa.

129

00:06:32,725 --> 00:06:36,020

You don't have to wait in line
because I deposit all your checks.

130

00:06:36,104 --> 00:06:40,566

You can avoid all those beeping ATMs
because I always give you cash to spend.

131

00:06:40,983 --> 00:06:44,445

And you get a free hug

with every transaction,

132

00:06:44,904 --> 00:06:46,280
or even without one.

133

00:06:48,699 --> 00:06:52,370
-I'd like to close my account.
-Honey, you want your own bank account.

134

00:06:52,453 --> 00:06:54,956
I get it,
but I don't think it's a good idea.

135

00:06:55,039 --> 00:06:58,960
Handling money, it's a lot
of responsibility and it's stressful.

136

00:06:59,043 --> 00:07:02,255
-It's fine, let him get a bank account.
-Thank you, Mr. Rockefeller.

137

00:07:02,338 --> 00:07:04,215
-Really?
-Yeah, he's more responsible

138

00:07:04,298 --> 00:07:07,718
than most eighteen-year-olds,
more than most of the adults I know.

139

00:07:07,802 --> 00:07:10,972
It's true. I once saw my vice principal
cross the street

140

00:07:11,055 --> 00:07:14,892
when the red flashing hand
was on two. Two!

141

00:07:14,976 --> 00:07:17,603
It'll be good,
I'll take him to the bank tomorrow.

142

00:07:17,687 --> 00:07:20,148
Okeydoke. I'll come with you both.

143

00:07:20,231 --> 00:07:23,276

-No, we got it.

-Yeah, Dad's got it.

144

00:07:26,779 --> 00:07:29,157

-Chocolate?

-Blueberry.

145

00:07:35,580 --> 00:07:37,081

I'm still starving.

146

00:07:37,748 --> 00:07:40,126

Frankie talked me
into ordering the quinoa bowl.

147

00:07:40,209 --> 00:07:43,754

-I feel like I just ate two pounds of air.

-Should have ordered pizza.

148

00:07:43,838 --> 00:07:47,633

Dude, the pizza here tastes
like a stale cracker with ketchup on it.

149

00:07:48,342 --> 00:07:52,054

Wow, I think we finally found something

Newton's a snob about.

150

00:07:52,930 --> 00:07:55,683

I'm spoiled.

Our pizza place, Don's, is the best.

151

00:07:55,766 --> 00:07:58,186

-Then maybe we should go there.

-What now?

152

00:07:59,312 --> 00:08:01,731

-Get a chance to try out Webster.

-No.

153

00:08:01,814 --> 00:08:03,441

-Yeah.

-We shouldn't.

154

00:08:03,524 --> 00:08:05,651
Friday after practice. I'll tell the team.

155

00:08:05,735 --> 00:08:09,697
Well, Friday it gets a little crowded
'cause there's, like, a lot of families.

156

00:08:09,780 --> 00:08:12,408
So maybe like another time, or never?

157

00:08:12,492 --> 00:08:14,577
-No, Friday works.
-Yeah. Friday works.

158

00:08:14,660 --> 00:08:16,537
We're excited to see
where Newton comes from.

159

00:08:17,413 --> 00:08:19,248
-Ooh!
-It'll be fun.

160

00:08:19,832 --> 00:08:20,750
Or sad.

161

00:08:21,542 --> 00:08:24,045
Either way, I'm getting breadsticks.

162

00:08:25,254 --> 00:08:26,839
I once saw a rat there.

163

00:08:28,090 --> 00:08:29,175
No, I didn't.

164

00:08:32,720 --> 00:08:34,055
The lobby's nice.

165

00:08:34,639 --> 00:08:36,182
It's nice and calm.

166

00:08:36,474 --> 00:08:39,435
Yes, you probably won't have
another panic attack here.

167

00:08:40,520 --> 00:08:42,647
Yeah. Probably not.

168

00:08:42,772 --> 00:08:44,774
[bank phone ringing]

169

00:08:46,234 --> 00:08:49,654
You know I'm fine, right?
I just... I got a little stressed.

170

00:08:49,737 --> 00:08:53,533
When I'm stressed, I recite
the four species of Antarctic penguin.

171

00:08:53,866 --> 00:08:56,160
Adelie, Chinstrap, Emperor and Gentoo.

172

00:08:56,827 --> 00:08:59,163
-Yeah, I know you do.
-It helps.

173

00:08:59,247 --> 00:09:00,957
Mom taught me when I was little.

174

00:09:01,040 --> 00:09:03,668
You should try it
next time you think you're dying.

175

00:09:03,751 --> 00:09:06,837
Except, if you really are dying,
it won't help at all.

176

00:09:07,713 --> 00:09:09,006
Alright, I will.

177

00:09:10,841 --> 00:09:12,468
Mom helped you come up with that, huh?

178

00:09:12,552 --> 00:09:15,846
Yeah, she put Emperor first,
but I prefer alphabetical order.

179
00:09:16,305 --> 00:09:17,431
Mr. Gardner?

180
00:09:20,935 --> 00:09:22,186
Want me to come with you?

181
00:09:23,229 --> 00:09:24,146
No.

182
00:09:24,855 --> 00:09:28,526
It's quiet in here and it doesn't smell
like anything so I should be fine.

183
00:09:29,735 --> 00:09:30,778
[woman] Right this way.

184
00:09:34,865 --> 00:09:37,451
Okay, Mr. Gardner, you're good to go.

185
00:09:37,868 --> 00:09:40,288
If you have any other questions,

186
00:09:40,371 --> 00:09:41,706
you just give me a call.

187
00:09:41,789 --> 00:09:45,626
I actually do have more questions.
Should I call or can I ask you them now?

188
00:09:45,710 --> 00:09:46,752
Oh, go for it.

189
00:09:46,836 --> 00:09:48,421
[Sam clears throat]

190
00:09:49,255 --> 00:09:52,675
I'm okay with the panda checks,
but could you notify me

191

00:09:52,758 --> 00:09:54,677
if you get any Arctic animal options?

192

00:09:54,760 --> 00:09:55,678
Oh, absolutely.

193

00:09:55,761 --> 00:09:58,723
Did you know it actually costs
1.5 cents to produce a penny?

194

00:09:58,806 --> 00:09:59,849
I did not.

195

00:09:59,932 --> 00:10:03,185
Does it always smell like nothing in here
or is it just sometimes?

196

00:10:03,269 --> 00:10:04,937
-Always.
-Good for you.

197

00:10:05,021 --> 00:10:07,648
Can you adjust the volume
of the ATM machines?

198

00:10:08,608 --> 00:10:11,110
-I'm sorry, we can't.
-That's very disappointing.

199

00:10:11,193 --> 00:10:13,779
I hate touching the pens at the bank.

200

00:10:14,905 --> 00:10:17,575
That's not a question.
Something I thought you should know.

201

00:10:17,658 --> 00:10:19,660
Me too, people are kinda gross.

202

00:10:19,744 --> 00:10:22,622
How many lollipops am I allowed to take?

203

00:10:24,707 --> 00:10:25,541

Go nuts.

204

00:10:26,125 --> 00:10:28,336

This is way better than the Bank of Elsa.

205

00:10:31,005 --> 00:10:32,798

Don't you just love pie charts?

206

00:10:32,882 --> 00:10:35,384

This one shows you the smartest way
to spend your money.

207

00:10:35,468 --> 00:10:39,221

There's a wedge carved out for food,
rent, utilities, entertainment...

208

00:10:39,305 --> 00:10:42,183

-even 10% for charity.

-Propaganda.

209

00:10:42,600 --> 00:10:43,434

What?

210

00:10:43,517 --> 00:10:46,312

You got me a lollipop,
so I'm trying to be nice, but, dude,

211

00:10:46,395 --> 00:10:49,357

I can't believe you were dumb enough
to entrust your hard-earned cabbage

212

00:10:49,440 --> 00:10:51,525

to a corrupt government-backed bank.

213

00:10:51,692 --> 00:10:54,570

FDIC?

More like, "FDI-see you later, money."

214

00:10:54,904 --> 00:10:57,448

It didn't seem corrupt.

They have panda checks.

215

00:10:57,531 --> 00:10:59,075
[Zahid laughs]

216

00:10:59,158 --> 00:11:01,369
Look, I know what goes on in those places.

217

00:11:01,452 --> 00:11:03,454
I've seen Mary Poppins.

218

00:11:03,537 --> 00:11:08,334
You got to get your green off the grid
and invest in cryptocurrency, ASAP.

219

00:11:09,460 --> 00:11:11,462
I didn't see that mentioned in the packet.

220

00:11:11,545 --> 00:11:14,590
Of course you didn't.
When the great financial collapse comes,

221

00:11:14,674 --> 00:11:17,009
cryptocurrency will rule the world.

222

00:11:17,426 --> 00:11:19,011
Rule with me, Sam Gardner.

223

00:11:21,055 --> 00:11:24,684
Well, how much cryptocurrency
can I buy for \$7,000?

224

00:11:25,226 --> 00:11:27,853
You have \$7,000?!

225

00:11:28,145 --> 00:11:30,856
Damn, never mind.
You gotta keep that shit in the bank.

226

00:11:32,525 --> 00:11:33,693
Can I have a loan?

227

00:11:34,026 --> 00:11:34,944
No.

228

00:11:35,569 --> 00:11:39,198
That's probably the right call.
I would 100% buy a peacock.

229

00:11:42,118 --> 00:11:44,120
[pop music plays on radio]

230

00:11:45,121 --> 00:11:48,499
[groans] This isn't comfortable at all.

231

00:11:48,791 --> 00:11:51,085
That's because
your hamstrings are too tight.

232

00:11:52,044 --> 00:11:53,963
How do I stretch out my hamstrings?

233

00:11:54,380 --> 00:11:57,007
By sitting like this, doofus.

234

00:11:57,299 --> 00:11:59,844
[sighs]
Well, since that might take a while...

235

00:12:00,970 --> 00:12:04,014
-[chuckles] Stop.
-[Elsa] Door.

236

00:12:06,058 --> 00:12:07,143
Hey.

237

00:12:09,353 --> 00:12:12,565
-Huh. I missed your mom.
-[mobile phone buzzes]

238

00:12:12,648 --> 00:12:14,358
-Oh, God.
-What?

239

00:12:15,484 --> 00:12:16,360
It's...

240

00:12:17,027 --> 00:12:18,320
Oh, God, just...

241

00:12:18,779 --> 00:12:21,449
Izzie has the whole team excited
to go to Don's this Friday.

242

00:12:21,532 --> 00:12:24,160
They're coming all the way out here?
That's cool.

243

00:12:24,243 --> 00:12:27,705
Not cool. These are people
who go to Aspen every weekend.

244

00:12:27,788 --> 00:12:30,458
Don's is great, but they use sugar packets
to level the tables.

245

00:12:31,917 --> 00:12:34,503
Who's going nuts
with the pizza slice emojis?

246

00:12:34,587 --> 00:12:37,131
Nate. He's Izzie's boyfriend.

247

00:12:37,214 --> 00:12:39,467
Boyfriends are coming? Can I come?

248

00:12:40,926 --> 00:12:44,764
-Yeah. Do you-- Yeah, if you want to.
-Of course I want to come.

249

00:12:44,847 --> 00:12:46,640
These are the people
you're around all day.

250

00:12:46,724 --> 00:12:51,729
Just like I'm sure that you're curious

about the people that I go to school with.

251

00:12:51,812 --> 00:12:54,190

How come you never ask
about people I go to school with?

252

00:12:54,273 --> 00:12:55,191

I do.

253

00:12:55,900 --> 00:12:57,735

I don't. But I will. I...

254

00:12:58,319 --> 00:13:02,031

-If you want to come, you should come.
-Okay. Then I'll come.

255

00:13:02,156 --> 00:13:03,699

Hah, they're gonna love me.

256

00:13:05,159 --> 00:13:06,368

[typing]

257

00:13:10,289 --> 00:13:11,665

[frame clatters]

258

00:13:12,333 --> 00:13:15,377

[breathes heavily]

259

00:13:26,138 --> 00:13:28,140

[heart beats intensely]

260

00:13:34,647 --> 00:13:35,773

Adelie,

261

00:13:35,856 --> 00:13:37,024

Chinstrap,

262

00:13:37,691 --> 00:13:38,818

Emperor,

263

00:13:39,735 --> 00:13:41,070

Adelie,

264

00:13:42,863 --> 00:13:45,282
Chinstrap, Emperor...

265

00:13:46,867 --> 00:13:49,787
-Adelie, Chinstrap, Emperor...
-[Elsa] Gentoo.

266

00:13:51,622 --> 00:13:54,625
-Hey, are you okay?
-I'm fine. I...

267

00:13:55,835 --> 00:13:57,294
I can't find my uniform.

268

00:13:57,378 --> 00:13:59,296
I'm late for my night shift,
and I washed it.

269

00:13:59,380 --> 00:14:02,174
-I don't know where the heck it is.
-I'm sorry, it's right here.

270

00:14:03,133 --> 00:14:06,971
I put a little lavender oil in with it,
it was smelling a little ambulance-y.

271

00:14:09,139 --> 00:14:10,724
Okay, thank you.

272

00:14:11,433 --> 00:14:14,144
Oh, and did you see a stack of bills
on the kitchen table?

273

00:14:14,228 --> 00:14:17,231
Saw them, paid them. Bank of Elsa.

274

00:14:20,693 --> 00:14:21,902
Well, thank you.

275

00:14:27,449 --> 00:14:29,451

[drawer clatters]

276

00:14:31,328 --> 00:14:34,331

[Arlo] Booze fund
for my Saturday night party.

277

00:14:35,666 --> 00:14:37,710

The more you give, the better the beer.

278

00:14:40,671 --> 00:14:42,131

Hey, what's up, man?

279

00:14:44,091 --> 00:14:46,552

Hey, I know how you like to party, Sammy.

280

00:14:47,428 --> 00:14:48,846

Want to make a donation?

281

00:14:48,929 --> 00:14:52,558

I don't like to party,
but I do have \$700 set aside

282

00:14:52,641 --> 00:14:54,101

for charitable donations.

283

00:14:54,184 --> 00:14:56,103

Is this a worthwhile cause?

284

00:14:56,896 --> 00:15:00,399

Yes! A time-honored Newton High event.

285

00:15:01,358 --> 00:15:05,446

With a contribution of that size,
our class will talk about you for years.

286

00:15:05,529 --> 00:15:06,572

You'll be a legend.

287

00:15:07,239 --> 00:15:10,159

-Well, like Sir Ernest Shackleton?
-Bigger.

288

00:15:10,242 --> 00:15:11,285
Wow! [laughs]

289

00:15:11,368 --> 00:15:15,122
That's impossible. In 1909 he was
the most famous man on the planet.

290

00:15:20,044 --> 00:15:22,212
-Cool egg.
-It's been 33 days.

291

00:15:22,296 --> 00:15:24,089
It could hatch at any moment.

292

00:15:24,173 --> 00:15:26,425
If we're lucky, it'll hatch at the party.

293

00:15:26,634 --> 00:15:28,177
Wouldn't that be awesome?

294

00:15:29,136 --> 00:15:29,970
Yes.

295

00:15:30,054 --> 00:15:32,264
We could all watch it together
in my home theater.

296

00:15:32,848 --> 00:15:33,682
Oh.

297

00:15:35,225 --> 00:15:37,853
That would be better than watching it
on my computer.

298

00:15:37,937 --> 00:15:40,940
-You know, pop-up ads.
-Totally. [chuckles] You know what?

299

00:15:41,023 --> 00:15:44,610
I actually just got
this dope new subwoofer.

300

00:15:44,693 --> 00:15:47,738
It'll be like you're right there
in the egg with him.

301

00:15:47,821 --> 00:15:49,114
Or her, we don't know yet.

302

00:15:49,198 --> 00:15:50,532
[laughs]

303

00:15:50,616 --> 00:15:51,450
Listen...

304

00:15:52,534 --> 00:15:55,579
For \$700 we could even do a penguin theme.

305

00:15:56,080 --> 00:15:59,750
Okay... snow cones
and a big ice sculpture,

306

00:15:59,833 --> 00:16:01,585
all-you-can-eat fish sticks.

307

00:16:02,211 --> 00:16:04,630
I do love stick-shaped foods.

308

00:16:09,927 --> 00:16:12,179
All I need is a receipt for my records.

309

00:16:16,183 --> 00:16:18,310
-Hi, how was school?
-Great.

310

00:16:18,894 --> 00:16:22,398
There's an official senior class event
happening on Saturday at Arlo's.

311

00:16:22,481 --> 00:16:24,608
-Class event?
-Yes.

312

00:16:24,692 --> 00:16:28,362
It's penguin-themed,
we'll watch the egg and I'll be attending.

313
00:16:28,445 --> 00:16:30,280
The whole class will be there.

314
00:16:30,364 --> 00:16:32,533
Huh, it's not on the senior calendar.

315
00:16:33,492 --> 00:16:35,536
Why wasn't I sent an email?

316
00:16:35,953 --> 00:16:39,289
God only knows what will be left
on the sign-up sheet.

317
00:16:39,832 --> 00:16:41,792
I'm going to have to call Arlo's mom.

318
00:16:42,042 --> 00:16:45,546
Knowing her, I'm going to be stuck
bringing the cutlery.

319
00:16:46,505 --> 00:16:49,842
I swear, sometimes I feel
like the PTA is punishing me.

320
00:16:53,053 --> 00:16:55,014
Thanks again for doing this for Amber.

321
00:16:55,097 --> 00:16:57,099
-She's loving it, huh?
-Mm-hmm.

322
00:16:57,182 --> 00:17:00,519
Mom, look, it's a portable defibrillator.
Isn't it cool?

323
00:17:01,020 --> 00:17:02,646
Wow!

324

00:17:04,273 --> 00:17:06,275

-I'm so sorry.

-Oh, come on. I get it.

325

00:17:06,817 --> 00:17:09,278

If you need, like, 500 penguin facts,

326

00:17:09,361 --> 00:17:12,865

-I can help you out, I'm your guy.

-[laughing]

327

00:17:14,533 --> 00:17:17,828

So... how are you? Really?

328

00:17:19,204 --> 00:17:20,456

I'm good.

329

00:17:20,873 --> 00:17:22,249
