EPISODE 3.10

"Fly"

A long, tense night in the meth lab pits Walt and Jesse against a pesky fly that refuses to die, no matter what they do.

WRITTEN BY:
Sam Catlin | Moira Walley-Beckett

DIRECTED BY:
Rian Johnson

ORIGINAL BROADCAST:
May 23, 2010

MAIN EPISODE CAST

Bryan Cranston	...	Walter White
Anna Gunn	...	Skyler White (voice)
Aaron Paul	...	Jesse Pinkman
Dean Norris	...	Hank Schrader (credit only)
Betsy Brandt	...	Marie Schrader (credit only)
RJ Mitte	...	Walter White, Jr. (credit only)

1
00:02:01,538 --> 00:02:04,833
Surprised he doesn't
make us do that.

2
00:02:07,461 --> 00:02:09,796
The pack totally has a pecking order.

3
00:02:09,963 --> 00:02:13,717
And the head hyena,
he's the man, you know.

4
00:02:13,884 --> 00:02:16,386
All the other ones have to,
like, kiss his ass.

5
00:02:16,553 --> 00:02:18,722
I mean, literally. It's so gross.

6
00:02:18,889 --> 00:02:22,059
They have to lick his junk.

7
00:02:22,225 --> 00:02:25,729
I can't believe
they even showed it on TV.

8
00:02:28,899 --> 00:02:33,820
Yo, if this is supposed to be all,
like, major-league and all...

9
00:02:33,987 --> 00:02:38,825
...we should have equipment
maintainer guys.

10
00:02:40,911 --> 00:02:44,373
And water boys, you know?

11
00:02:45,082 --> 00:02:48,251
Yo, Gatorade me, bitch.

12
00:02:50,212 --> 00:02:52,089
Get us a couple flunkies in here.

13

00:02:52,506 --> 00:02:54,216
Treat us right.

14

00:03:04,518 --> 00:03:08,689
Okay, 15 hours starts now.

15

00:03:08,855 --> 00:03:11,190
I'm gonna hit it,
if that's cool with you.

16

00:03:11,358 --> 00:03:14,069
-I don't understand.
-What?

17

00:03:14,236 --> 00:03:16,363
These numbers,
they just don't add up.

18

00:03:16,530 --> 00:03:18,782
Told you. Dude's totally boning us.

19

00:03:18,949 --> 00:03:21,618
No, it's not that.

20

00:03:21,785 --> 00:03:26,623
It's our output. We're off.
We're .14 percent off.

21

00:03:26,790 --> 00:03:31,086
Point one-four. That's, what, like--?

22

00:03:31,253 --> 00:03:32,713
What does that mean?

23

00:03:32,879 --> 00:03:36,591
It means we should be netting
more than we're netting.

24

00:03:38,301 --> 00:03:41,388
So how far off are we?

25

00:03:41,555 --> 00:03:43,974
It's not negligible.

26

00:03:45,308 --> 00:03:50,605
Ball-parking at it, I'd say
we're a quarter to a half a pound shy.

27

00:03:52,149 --> 00:03:54,568
That's weird.

28

00:03:55,068 --> 00:03:56,653
Well, what about spillage?

29

00:03:57,821 --> 00:03:58,905
Spillage?

30

00:03:59,072 --> 00:04:01,241
You know, when,
like, just stuff gets spilled.

31

00:04:01,575 --> 00:04:03,326
Nothing gets spilled.

32

00:04:03,535 --> 00:04:04,786
A little maybe.

33

00:04:04,953 --> 00:04:06,580
Nothing gets spilled.

34

00:04:07,164 --> 00:04:09,040
What about evaporation?

35

00:04:09,666 --> 00:04:13,503
It wouldn't account for this much.
The materials aren't out that long.

36

00:04:13,670 --> 00:04:15,505
What about the other one?

37

00:04:15,672 --> 00:04:18,508
The drops, like on--

38
00:04:19,009 --> 00:04:20,635
Like on, like, cold beer.

39
00:04:20,802 --> 00:04:23,263
-Condensation?
-Yeah.

40
00:04:23,638 --> 00:04:25,015
No.

41
00:04:26,308 --> 00:04:29,269
Well, what about the crap
that gets left behind?

42
00:04:29,436 --> 00:04:32,355
You know, all the gunk
we scrape out of the vats.

43
00:04:32,522 --> 00:04:35,859
Gotta add up to like a gallon each.

44
00:04:36,067 --> 00:04:38,278
Did you work that in?

45
00:04:38,653 --> 00:04:43,366
-Vestiges.
-Yeah. Vestiges.

46
00:04:46,495 --> 00:04:48,121
Bet that's it.

47
00:04:48,288 --> 00:04:50,665
Bet that's totally it.

48
00:04:53,960 --> 00:04:56,713
Hey, Mr. White.

49
00:04:57,464 --> 00:04:59,341
Mr. White.

50
00:05:01,009 --> 00:05:02,844

Are you okay?

51

00:05:03,595 --> 00:05:05,680
Yeah. Yeah, why?

52

00:05:08,308 --> 00:05:09,893
Nothing.

53

00:05:20,987 --> 00:05:22,322
Are you coming?

54

00:05:23,031 --> 00:05:25,158
Yeah, in a minute.

55

00:05:26,701 --> 00:05:28,745
All right, see you tomorrow.

56

00:06:30,307 --> 00:06:32,183
All right.

57

00:06:37,814 --> 00:06:39,816
Shit.

58

00:06:41,776 --> 00:06:43,570
Bastard.

59

00:06:54,205 --> 00:06:56,415
Son of a--

60

00:07:10,305 --> 00:07:12,015
Come on, you--

61

00:07:12,265 --> 00:07:14,017
Come on, come on.

62

00:07:18,605 --> 00:07:20,607
Son of a--

63

00:07:41,628 --> 00:07:42,712
Come on.

64
00:07:47,467 --> 00:07:49,719
Son of a bitch.

65
00:08:05,819 --> 00:08:07,570
That's great.

66
00:08:35,765 --> 00:08:37,559
All right.

67
00:08:58,955 --> 00:09:01,124
You little bastard.

68
00:10:41,891 --> 00:10:43,143
Shut the door!

69
00:10:43,309 --> 00:10:47,313
-My ears are popping.
-Shut the door. Move.

70
00:10:47,480 --> 00:10:50,191
Feels like on an airplane.
What the hell's doing that?

71
00:10:50,358 --> 00:10:52,610
Positive pressure.

72
00:10:52,986 --> 00:10:54,487
Positive what?

73
00:10:54,654 --> 00:10:55,989
God, it frigging kills, yo.

74
00:10:56,156 --> 00:10:58,867
-Well, just move your jaw around.
-I am moving it around.

75
00:10:59,033 --> 00:11:01,161
-It's not working.
-Just yawn or something.

76
00:11:01,369 --> 00:11:03,079

Stop acting like such a baby.

77

00:11:03,955 --> 00:11:05,331
Damn.

78

00:11:05,498 --> 00:11:07,876
What positive? Positive what?

79

00:11:08,042 --> 00:11:13,339
Pressure. I've turned the ventilation up
to keep the outside out.

80

00:11:13,506 --> 00:11:16,718
There's been a contamination.

81

00:11:16,885 --> 00:11:19,220
Wait. What?

82

00:11:19,387 --> 00:11:21,347
Whoa, whoa, whoa. Hey, hold up.

83

00:11:21,514 --> 00:11:23,474
Something got into the lab.

84

00:11:23,641 --> 00:11:26,186
So, what do we do?

85

00:11:26,352 --> 00:11:27,520
I mean, do we--?

86

00:11:27,686 --> 00:11:30,315
Wait. Wait. I mean,
shouldn't we be wearing masks?

87

00:11:30,481 --> 00:11:34,235
No, no, it's not that kind
of contaminant.

88

00:11:34,402 --> 00:11:37,071
So it's, like, not dangerous?

89

00:11:37,322 --> 00:11:40,200
Mr. White, talk to me here.

90

00:11:40,909 --> 00:11:44,621
Not to us particularly, no.

91

00:11:46,039 --> 00:11:47,332
What the hell is that?

92

00:11:47,832 --> 00:11:50,084
This is--

93

00:11:50,251 --> 00:11:52,003
I made it.

94

00:11:53,504 --> 00:11:57,675
So exactly what kind of contaminant
are we dealing with here?

95

00:12:02,847 --> 00:12:04,599
A fly.

96

00:12:06,434 --> 00:12:08,019
What do you mean?

97

00:12:08,186 --> 00:12:10,813
A fly, like-- Like, what do you mean?

98

00:12:10,980 --> 00:12:14,776
I mean, a fly. A housefly.

99

00:12:17,362 --> 00:12:19,364
Like one fly?

100

00:12:19,864 --> 00:12:21,157
Singular?

101

00:12:22,325 --> 00:12:24,118
-What did it do?
-It got into the lab.

102

00:12:24,285 --> 00:12:26,454
I'm trying to get it out.
Okay? Understand?

103
00:12:27,288 --> 00:12:33,002
No, man, not really. I can't say that
I'm really following you here.

104
00:12:33,836 --> 00:12:36,673
Dude, you scared the shit out of me!

105
00:12:36,839 --> 00:12:38,841
When you say it's contamination,
I mean...

106
00:12:39,008 --> 00:12:41,302
...I'm thinking like an Ebola leak
or something.

107
00:12:41,469 --> 00:12:42,553
Ebola.

108
00:12:42,720 --> 00:12:45,306
Yeah, it's a disease
on The Discovery Channel...

109
00:12:45,473 --> 00:12:48,559
...where all your intestines sort of
just slip out of your butt.

110
00:12:48,726 --> 00:12:51,229
Thank you. I know what Ebola is.
Now, tell me.

111
00:12:51,396 --> 00:12:56,234
What would a West African virus
be doing in our lab?

112
00:12:56,693 --> 00:13:03,908
So you're chasing around a fly
and in your world, I'm the idiot.

113
00:13:05,576 --> 00:13:07,370

Jesse, listen.

114

00:13:07,537 --> 00:13:11,749

This fly--

No, any fly cannot be in our lab.

115

00:13:11,916 --> 00:13:14,043

It's a problem. It's a contamination.

116

00:13:14,210 --> 00:13:17,588

And that is in no way a misuse
of the word. Okay?

117

00:13:17,755 --> 00:13:23,761

So in terms of keeping our cook clean
and our product unadulterated...

118

00:13:23,928 --> 00:13:26,347

...we need to take this very seriously.

119

00:13:26,514 --> 00:13:28,224

Now do you understand?

120

00:13:31,602 --> 00:13:33,521

So is that your fly-saber?

121

00:13:35,940 --> 00:13:37,400

This is a swatter.

122

00:13:37,567 --> 00:13:40,278

And it happens to work quite well,
thank you.

123

00:13:40,445 --> 00:13:43,781

Hey, what happened to your head?

124

00:13:43,948 --> 00:13:45,450

Nothing. I'm fine.

125

00:13:45,616 --> 00:13:48,619

You didn't hit it,
like really, really hard?

126
00:13:48,786 --> 00:13:53,124
My head is not the problem, Jesse.
The fly is the problem.

127
00:13:54,292 --> 00:14:00,923
You didn't happen to maybe try
our product, did you?

128
00:14:01,090 --> 00:14:04,761
Jesse, I know this seems unusual
to you, a layman.

129
00:14:05,303 --> 00:14:08,473
A fly. I get it.
It seems insignificant, right?

130
00:14:08,681 --> 00:14:12,935
But trust me, in a highly controlled
environment such as this...

131
00:14:16,439 --> 00:14:17,815
...any pollutant...

132
00:14:19,567 --> 00:14:21,819
...no matter how small...

133
00:14:25,323 --> 00:14:27,742
...could completely....

134
00:14:41,714 --> 00:14:42,757
Hello?

135
00:14:45,343 --> 00:14:46,636
What?

136
00:14:49,931 --> 00:14:52,850
Were you here all night?

137
00:14:53,142 --> 00:14:54,769
Have you even slept?

138
00:14:54,936 --> 00:14:57,480
No. Jesse, look. I'm fine, okay?

139
00:14:57,647 --> 00:14:59,941
Will you just please focus on--?

140
00:15:05,029 --> 00:15:07,990
Okay, look, we're running late,
so let's just get started.

141
00:15:08,157 --> 00:15:10,284
The sooner we do it,
the sooner we're done.

142
00:15:10,451 --> 00:15:13,204
Fricking finally.

143
00:15:18,209 --> 00:15:19,669
What are you doing?

144
00:15:19,836 --> 00:15:21,879
It's time to alkaline.

145
00:15:22,046 --> 00:15:25,216
Have you not heard a word I said?

146
00:15:25,383 --> 00:15:28,678
No cooking until this fly
is dealt with.

147
00:15:28,845 --> 00:15:31,139
Have I been speaking to myself?

148
00:15:31,305 --> 00:15:33,558
The timer went off, yo.

149
00:15:33,766 --> 00:15:36,894
How long is this batch gonna be
good for? An hour? Two?

150
00:15:37,061 --> 00:15:40,898

The batch will be good for nothing
if we don't clear the contaminant.

151

00:15:41,065 --> 00:15:43,067
"Clear the contaminant."

152

00:15:43,276 --> 00:15:45,862
We're making meth here, all right?
Not space shuttles.

153

00:15:46,028 --> 00:15:49,699
We're making nothing until
we catch this fly.

154

00:15:49,866 --> 00:15:51,033
What fly? All right?

155

00:15:51,200 --> 00:15:54,912
Where the hell is this fly?
Not like I even seen the thing.

156

00:15:55,079 --> 00:15:58,416
Maybe your positive pressure blew it
out the door or something.

157

00:15:58,583 --> 00:16:01,377
No, no, it is here. It is around, okay?

158

00:16:01,919 --> 00:16:05,339
He's around, and I am not going
to expose this batch...

159

00:16:05,506 --> 00:16:07,758
...to the open air and contamination,
period.

160

00:16:07,925 --> 00:16:11,429
Now, you can leave me to deal with
this myself or you can help me.

161

00:16:11,596 --> 00:16:13,764
But you are right.
We're running out of time.

162

00:16:13,931 --> 00:16:16,559
So I need your answer right now.

163

00:16:23,524 --> 00:16:24,942
Okay.

164

00:16:34,619 --> 00:16:38,956
Hey, tick-tock, yo.

165

00:16:45,630 --> 00:16:49,258
Look, I like making cherry product,
but let's keep it real, all right?

166

00:16:49,425 --> 00:16:53,596
We make poison for people
who don't care.

167

00:16:53,763 --> 00:16:56,557
We probably have the most un-picky
customers in the world.

168

00:16:56,724 --> 00:16:59,310
No, no, no. No rationalizing.

169

00:16:59,477 --> 00:17:02,605
We'll find it any minute.
Don't give up.

170

00:17:14,659 --> 00:17:20,289
Did you know that there's
an acceptable level of rat turds...

171

00:17:20,456 --> 00:17:23,626
...that can go into candy bars?

172

00:17:24,377 --> 00:17:27,129
That's the government, Jack.

173

00:17:27,296 --> 00:17:33,928
Even the government doesn't care
that much about quality.

174

00:17:34,512 --> 00:17:41,143
You know what is okay to put
in hotdogs, huh?

175

00:17:41,310 --> 00:17:44,188
Pig lips and assholes.

176

00:17:44,355 --> 00:17:50,695
But I say, hey, have at it, bitches,
because I love hotdogs.

177

00:17:50,861 --> 00:17:54,865
-And, you know, see what I'm try--?
-What are you doing?

178

00:17:55,032 --> 00:17:57,868
Oh, hey.

179

00:17:59,328 --> 00:18:02,206
Look, let me just top it off,
all right, really quick.

180

00:18:02,415 --> 00:18:05,001
You know, a little sodium hydroxide,
shut the lid.

181

00:18:05,167 --> 00:18:07,712
No harm done. Then we're golden.

182

00:18:12,717 --> 00:18:15,052
It stays closed. That's an order.

183

00:18:15,428 --> 00:18:21,559
You can't order shit, Adolf, all right?
We're 50-50 partners, remember?

184

00:18:28,024 --> 00:18:29,942
God, what is your problem?

185

00:18:32,737 --> 00:18:35,740
Freaking psycho.

186
00:18:36,157 --> 00:18:38,242
-Jesse.
-Oh, God.

187
00:18:38,451 --> 00:18:41,245
-It, like, hit bone.
-Jesse.

188
00:18:41,454 --> 00:18:43,080
Jesse.

189
00:18:46,459 --> 00:18:48,502
You see it, right?

190
00:18:49,420 --> 00:18:51,047
You see it?

191
00:18:51,213 --> 00:18:52,840
Yeah.

192
00:18:55,343 --> 00:18:57,011
Get it.

193
00:18:58,763 --> 00:19:00,598
You want me to get it?

194
00:19:01,182 --> 00:19:02,558
Yes.

195
00:19:07,229 --> 00:19:10,274
Slow. Move slowly.

196
00:19:10,441 --> 00:19:13,527
I know. I'm moving slowly, yeah.

197
00:19:13,694 --> 00:19:17,073
Absolutely. I'm just gonna need
your swatter thing.

198
00:19:21,243 --> 00:19:22,787

Come on.

199

00:19:23,371 --> 00:19:25,956
Oh, yeah. It's okay, come on.

200

00:19:26,123 --> 00:19:27,792
Yeah.

201

00:19:28,709 --> 00:19:30,419
-Yeah, come on.
-Just make it count.

202

00:19:30,586 --> 00:19:34,465
Yeah, no, no, I'm gonna--
I'm gonna make it count, all right.

203

00:19:34,632 --> 00:19:38,469
Okay. Now, on three.

204

00:19:38,636 --> 00:19:40,096
Okay.

205

00:19:40,304 --> 00:19:41,430
One--

206

00:19:42,264 --> 00:19:43,974
Motherfuck--!

207

00:19:44,141 --> 00:19:48,562
Yeah. You like that, huh?
Hurts, huh?

208

00:19:51,649 --> 00:19:54,318
-Did you get it?
-I think so, yeah.

209

00:19:54,485 --> 00:19:56,987
-Where is it?
-I don't know. What does it matter?

210

00:19:57,154 --> 00:19:59,073
Who cares? I got it.

211
00:19:59,240 --> 00:20:02,618
-Oh, Jesus, seriously?
-Where is it?

212
00:20:03,285 --> 00:20:06,664
It's right there. Look.

213
00:20:06,831 --> 00:20:11,001
Look. See? I told you I got it.

214
00:20:19,760 --> 00:20:22,138
This is a raisin.

215
00:20:22,847 --> 00:20:26,350
Look, I definitely got it, man, all ri--

216
00:20:28,310 --> 00:20:30,271
Oh, man.

217
00:20:30,813 --> 00:20:33,524
He's got some skills, yo.

218
00:20:33,691 --> 00:20:35,276
I'll give him that.

219
00:20:35,776 --> 00:20:37,445
Look.

220
00:20:39,196 --> 00:20:43,534
I feel like I'm running out of ways
to explain this to you...

221
00:20:43,701 --> 00:20:47,037
...but once more, I shall try.

222
00:20:47,580 --> 00:20:51,167
This fly is a major problem for us.

223
00:20:51,333 --> 00:20:54,044
It will ruin our batch.

224
00:20:54,211 --> 00:20:58,883
And we need to destroy it
and every trace of it so we can cook.

225
00:21:00,134 --> 00:21:02,219
Failing that...

226
00:21:04,597 --> 00:21:06,557
...we're dead.

227
00:21:09,977 --> 00:21:12,813
There is no more room for error.

228
00:21:14,565 --> 00:21:16,859
Not with these people.

229
00:21:19,236 --> 00:21:22,114
All right, how about we go
get some air?

230
00:21:23,657 --> 00:21:25,159
"Get some air"?

231
00:21:25,326 --> 00:21:27,745
Your answer to,
"We're sliding headfirst..."

232
00:21:27,912 --> 00:21:30,414
-...into a massive crap--"
-Hey, hey, hey, Mr. White.

233
00:21:30,581 --> 00:21:33,834
All right, I understand that the fly
is a serious thing now.

234
00:21:34,001 --> 00:21:35,211
All right? I'm on board.

235
00:21:35,377 --> 00:21:38,547
I'm just saying, you know,
maybe if we went and got some air...

236

00:21:38,714 --> 00:21:42,426
...it would help us come up with a plan
on how to catch it.

237

00:21:42,635 --> 00:21:46,347
Then come back down here
and subtract his ass.

238

00:22:06,951 --> 00:22:09,745
-Oh, wait, do you have your keys?
-Yeah.

239

00:22:09,912 --> 00:22:12,790
You sure? Last thing we need
is to get locked out.

240

00:22:12,957 --> 00:22:15,918
Yeah. Hey!

241

00:22:16,085 --> 00:22:18,796
If you're not gonna help me,
stay out of my way!

242

00:22:18,963 --> 00:22:20,464
Hey!

243

00:22:26,303 --> 00:22:29,682
Yo, yo, does somebody have
an ax I can use?

244

00:23:03,340 --> 00:23:06,010
There we go.

245

00:23:10,514 --> 00:23:12,766
Say good night.

246

00:23:14,852 --> 00:23:17,354
Son of a bitch!

247

00:23:20,983 --> 00:23:23,027
Son of a--

248
00:23:25,529 --> 00:23:27,239
Damn it.

249
00:23:29,617 --> 00:23:31,744
Where in the hell is that...?

250
00:23:49,136 --> 00:23:50,888
What the hell?

251
00:23:54,767 --> 00:23:58,687
Need some juice maybe?

252
00:24:00,022 --> 00:24:02,024
Knock yourself out.

253
00:24:02,191 --> 00:24:03,441
It's a real one.

254
00:24:03,609 --> 00:24:05,527
Yeah, like yours was working.

255
00:24:05,694 --> 00:24:08,864
No, no, no.

256
00:24:09,031 --> 00:24:11,033
Look, we're trying to decontaminate.

257
00:24:11,200 --> 00:24:13,869
You don't decontaminate by
contaminating further.

258
00:24:14,036 --> 00:24:16,205
What the hell is all this?

259
00:24:17,706 --> 00:24:20,376
Here, how about this?

260
00:24:20,876 --> 00:24:22,878
"Non-toxic glue strips."

261

00:24:23,045 --> 00:24:26,340
Yeah, baby. It's got pheromones,
all right? I got a butt-load.

262

00:24:26,507 --> 00:24:29,969
We hang them up all over the place.
It won't be able to resist.

263

00:24:35,933 --> 00:24:37,893
I sure hope we have enough.

264

00:24:38,476 --> 00:24:42,356
I'm gonna go out on a limb
and say yeah.

265

00:24:43,065 --> 00:24:44,733
Do you see him?

266

00:24:46,735 --> 00:24:49,321
How long do you think
you've been awake?

267

00:24:49,487 --> 00:24:51,240
Why do you keep asking me that?

268

00:24:51,448 --> 00:24:56,036
Just figure, you know, you could use
some coffee, is all. I know I could.

269

00:24:56,203 --> 00:24:58,080
How about it?

270

00:24:59,957 --> 00:25:01,499
Yeah.

271

00:25:03,961 --> 00:25:06,922
-You take cream and sugar?
-Black is fine.

272

00:25:19,768 --> 00:25:22,271
Why don't you just leave him be?

273

00:25:22,479 --> 00:25:24,732
Let the traps do the work.

274

00:25:25,107 --> 00:25:29,111
These pheromones are supposed
to kick ass.

275

00:25:29,903 --> 00:25:34,116
Bet we catch this mofo any second.

276

00:25:47,212 --> 00:25:48,756
Thank you.

277

00:25:49,715 --> 00:25:55,804
You ever have, like, a wild animal
trapped in your house?

278

00:25:59,308 --> 00:26:02,478
Not that I can recall, no.

279

00:26:02,644 --> 00:26:07,816
We did, this one time,
back when it was my aunt's house...

280

00:26:08,025 --> 00:26:11,111
...back before she died of cancer.

281

00:26:11,737 --> 00:26:16,450
It was a possum.
Big freaky-looking bitch.

282

00:26:16,617 --> 00:26:19,620
Hey, since when did they change it
to "opossum"?

283

00:26:19,787 --> 00:26:23,832
What's up with that? I mean, when
I was coming up, it was just "possum."

284

00:26:24,041 --> 00:26:27,503
You know, "opossum" makes it sound
like he's Irish or something.

285

00:26:27,669 --> 00:26:31,256

I mean, why they gotta go
changing everything?

286

00:26:31,423 --> 00:26:33,842

Whatever. It's just big rats anyways.

287

00:26:34,009 --> 00:26:37,971

Giant pink-tailed rats
with their pink rat faces.

288

00:26:38,138 --> 00:26:43,018

Totally freaky, like alien rats.

289

00:26:44,853 --> 00:26:48,107

Actually, it's not so much
that he got trapped...

290

00:26:48,273 --> 00:26:52,444

...but he was living there,
you know, under the house.

291

00:26:52,610 --> 00:26:55,781

You could hear him going from,
like, room to room...

292

00:26:55,948 --> 00:26:58,992

...always scurrying around.

293

00:26:59,159 --> 00:27:04,373

Sometimes I'd see him outside at night
and it would just, you know, freeze.

294

00:27:04,665 --> 00:27:07,960

I mean, it's like you're not looking
right at it, right?

295

00:27:08,127 --> 00:27:11,004

I mean, it thinks it's fooling you.

296

00:27:11,171 --> 00:27:14,675

That's what they do.
I mean, they play dead or whatever.

297
00:27:14,842 --> 00:27:17,511
It's just so lame.

298
00:27:17,678 --> 00:27:22,015
Is there a discernible point
to this story?

299
00:27:22,724 --> 00:27:28,147
A point that you'll be arriving at
sometime in the near future?

300
00:27:28,856 --> 00:27:32,526
It was just a total bitch to get out.
You know, it took forever.

301
00:27:32,693 --> 00:27:39,324
Guy came, set all these traps and all
and he finally got it.

302
00:27:39,491 --> 00:27:44,163
But my aunt, you know,
she didn't believe it.

303
00:27:45,080 --> 00:27:49,501
I mean, she kept insisting
she could still hear the thing.

304
00:27:49,667 --> 00:27:52,504
I mean, you could not tell her
any different.

305
00:27:52,670 --> 00:27:56,842
She started keeping an old umbrella,
you know, by her chair.

306
00:27:57,092 --> 00:28:00,095
Man, she would just bang on the floor
and yell at it.

307
00:28:00,262 --> 00:28:02,598

Even gave it a name.

308

00:28:02,764 --> 00:28:06,560
It was Scrabble.

309

00:28:06,727 --> 00:28:08,020
Yeah, that was it.

310

00:28:08,187 --> 00:28:11,940
You know,
"Scrabble, just knock it off."

311

00:28:14,526 --> 00:28:18,447
She got like that toward the end.

312

00:28:19,615 --> 00:28:26,038
Got obsessive about stuff.
Just got mad about stuff.

313

00:28:26,413 --> 00:28:28,706
We didn't know what was up.

314

00:28:29,291 --> 00:28:33,629
It wasn't like her to be that way.

315

00:28:36,590 --> 00:28:42,221
But it turned out that the cancer
had spread to her brain...

316

00:28:42,387 --> 00:28:44,723
...and that was why.

317

00:28:45,641 --> 00:28:49,478
It metastasized.

318

00:28:51,230 --> 00:28:57,277
But it was good that that was when
we decided to take her to the doctor...

319

00:28:57,444 --> 00:28:59,780
...because then we knew
what was up.

320
00:29:00,572 --> 00:29:02,824
You know, got her some treatment.

321
00:29:03,325 --> 00:29:06,828
Meds, so she wasn't stressing
all the time.

322
00:29:10,624 --> 00:29:14,336
It was a lot better after that.

323
00:29:14,670 --> 00:29:18,257
You know, she was a lot happier.

324
00:29:26,014 --> 00:29:28,016
Where the hell is he?

325
00:29:36,817 --> 00:29:40,028
I've been to my oncologist, Jesse...

326
00:29:40,237 --> 00:29:42,030
...just last week.

327
00:29:44,283 --> 00:29:46,785
I'm still in remission.

328
00:29:47,828 --> 00:29:49,538
I'm healthy.

329
00:29:49,746 --> 00:29:54,626
Okay, so good. Great.

330
00:29:56,670 --> 00:29:57,754
Well...

331
00:29:58,755 --> 00:30:01,133
...no end in sight.

332
00:30:02,050 --> 00:30:04,386
That's great.

333
00:30:06,555 --> 00:30:08,348
Well...

334
00:30:09,016 --> 00:30:10,976
...I missed it.

335
00:30:16,273 --> 00:30:23,405
There was some perfect moment
and it passed me right by.

336
00:30:25,198 --> 00:30:29,911
I had to have enough to leave them.

337
00:30:30,078 --> 00:30:32,414
That was the whole point.

338
00:30:33,248 --> 00:30:35,917
I mean, none of this--

339
00:30:36,168 --> 00:30:40,881
None of this makes any sense
if I didn't have enough.

340
00:30:42,090 --> 00:30:46,595
But it had to be
before she found out. Skyler.

341
00:30:46,803 --> 00:30:49,264
It had to be before that.

342
00:30:49,431 --> 00:30:54,102
Perfect moment for what?

343
00:30:55,354 --> 00:30:57,439
To drop dead?

344
00:30:58,440 --> 00:31:00,901
What, you saying you wanna die?

345
00:31:03,445 --> 00:31:08,116
I'm saying I've lived too long.

346
00:31:09,826 --> 00:31:11,286
I mean...

347
00:31:11,453 --> 00:31:15,791
...you want them to actually miss you,
you know?

348
00:31:16,708 --> 00:31:21,254
You want their memories of you
to be....

349
00:31:23,965 --> 00:31:25,967
But she just won't--

350
00:31:26,134 --> 00:31:29,137
She just won't understand.

351
00:31:29,346 --> 00:31:34,059
I mean, no matter how well
I explain it...

352
00:31:34,226 --> 00:31:37,270
...these days, she just has this--

353
00:31:37,437 --> 00:31:38,980
This--

354
00:31:40,941 --> 00:31:46,279
I mean, I truly believe there exists
some combination of words.

355
00:31:46,446 --> 00:31:52,160
There must exist certain words
in a certain specific order...

356
00:31:52,327 --> 00:31:57,666
...that would explain all of this,
but with her, I just--

357
00:31:57,874 --> 00:32:00,752
I just can't ever seem to find them.

358

00:32:00,919 --> 00:32:03,130
Mr. White,
how about you just sit down?

359

00:32:03,296 --> 00:32:06,174
You know, I was thinking maybe
before the fugue state...

360

00:32:06,341 --> 00:32:09,678
...but before the fugue state,
I didn't have enough money.

361

00:32:09,845 --> 00:32:13,348
So no, not then.

362

00:32:21,356 --> 00:32:25,527
And plus,
my daughter wasn't born yet.

363

00:32:26,361 --> 00:32:28,989
It had to be after Holly was born.

364

00:32:29,156 --> 00:32:30,824
Mr. White--

365

00:32:30,991 --> 00:32:33,785
Definitely before the surgery.

366

00:32:35,454 --> 00:32:37,706
Oh, Christ.

367

00:32:38,039 --> 00:32:40,208
That damn second cell phone.

368

00:32:40,375 --> 00:32:42,961
I mean, how could I possibly...?

369

00:32:53,638 --> 00:32:55,891
I know the moment.

370

00:32:59,978 --> 00:33:02,856
It was the night Jane died.

371
00:33:08,069 --> 00:33:10,238
Yeah, I--

372
00:33:11,573 --> 00:33:16,495
I was at home
and we needed diapers...

373
00:33:16,661 --> 00:33:21,416
...and so I said I'd go,
but it was just an excuse.

374
00:33:21,583 --> 00:33:26,046
Actually, that was the night
I brought you your money, remember?

375
00:33:26,213 --> 00:33:29,257
Yeah, I remember.

376
00:33:29,758 --> 00:33:33,512
But afterward, I stopped at a bar.

377
00:33:34,054 --> 00:33:38,934
It was odd.
I never do that, go to a bar alone.

378
00:33:39,100 --> 00:33:42,771
I just walked in, sat down.

379
00:33:47,108 --> 00:33:49,361
I never told you.

380
00:33:50,111 --> 00:33:52,280
That you went to a bar?

381
00:33:53,406 --> 00:33:54,783
No, I....

382
00:33:56,785 --> 00:34:01,957
I sit down and this man,

this stranger...

383

00:34:02,123 --> 00:34:04,417
...he engages me in conversation.

384

00:34:04,584 --> 00:34:06,586
He's a complete stranger.

385

00:34:08,380 --> 00:34:15,303
But he turns out to be Jane's father,
Donald Margolis.

386

00:34:15,554 --> 00:34:17,305
What are you talking about?

387

00:34:17,472 --> 00:34:20,141
Of course, I didn't know it
at the time.

388

00:34:20,308 --> 00:34:23,270
I mean, he was just some guy
in a bar.

389

00:34:23,436 --> 00:34:27,649
I didn't put it together until after the
crash when he was all over the news.

390

00:34:27,816 --> 00:34:29,818
Jane's dad.

391

00:34:29,985 --> 00:34:32,821
I mean, think of the odds.

392

00:34:33,780 --> 00:34:37,659
Once I tried to calculate them,
but they're astronomical.

393

00:34:37,826 --> 00:34:42,581
I mean, think of the odds of me
going in, sitting down...

394

00:34:42,747 --> 00:34:46,918

...that night in that bar
next to that man.

395

00:34:49,546 --> 00:34:51,590
What did you talk about?

396

00:34:56,428 --> 00:34:58,805
Water on Mars.

397

00:35:02,058 --> 00:35:03,852
Family.

398

00:35:05,854 --> 00:35:08,982
What about family?

399

00:35:11,484 --> 00:35:16,990
I told him that I had a daughter
and he told me he had one too.

400

00:35:17,574 --> 00:35:19,367
Then he said:

401

00:35:19,701 --> 00:35:21,953
"Never give up on family."

402

00:35:24,831 --> 00:35:26,708
And I didn't.

403

00:35:29,502 --> 00:35:31,838
I took his advice.

404

00:35:46,144 --> 00:35:49,189
The universe is random.
It's not inevitable.

405

00:35:49,356 --> 00:35:52,400
It's simple chaos.

406

00:35:52,609 --> 00:35:57,364
It's subatomic particles
in endless aimless collision.

407

00:35:57,530 --> 00:36:00,325
That's what science teaches us.

408

00:36:00,909 --> 00:36:03,244
But what is this saying?

409

00:36:04,913 --> 00:36:12,003
What is it telling us when, on the very
night that this man's daughter dies...

410

00:36:12,379 --> 00:36:17,050
...it's me who's having a drink
with him?

411

00:36:19,719 --> 00:36:22,430
I mean, how can that be random?

412

00:36:22,764 --> 00:36:25,433
Hey, come on. Hey, sit down.

413

00:36:25,642 --> 00:36:28,895
No, no. No, it's--

414

00:36:31,773 --> 00:36:34,901
No. No.

415

00:36:38,780 --> 00:36:43,451
No, that was the moment.

416

00:36:44,744 --> 00:36:46,788
That night.

417

00:36:49,791 --> 00:36:52,627
I should never have left home.

418

00:36:55,171 --> 00:36:57,882
Never gone to your house.

419

00:37:02,470 --> 00:37:05,724
Maybe things would have....

420
00:37:10,395 --> 00:37:13,815
Oh, thought I was--

421
00:37:15,692 --> 00:37:19,779
I was at home watching TV.

422
00:37:20,780 --> 00:37:22,490
It was some--

423
00:37:23,324 --> 00:37:28,121
Some nature program
about elephants.

424
00:37:29,998 --> 00:37:33,501
And Skyler and Holly
were in another room.

425
00:37:35,962 --> 00:37:39,340
I could hear them
on the baby monitor.

426
00:37:42,343 --> 00:37:45,346
She was singing a lullaby.

427
00:37:53,688 --> 00:37:58,526
If I had just lived right up
to that moment...

428
00:37:59,027 --> 00:38:01,863
...and not one second more...

429
00:38:14,375 --> 00:38:17,045
...that would have been perfect.

430
00:38:29,724 --> 00:38:32,268
He's not coming down.

431
00:38:32,435 --> 00:38:35,647
Must be Thailand-hot up there.

432
00:38:35,939 --> 00:38:37,982

That's why he likes it.

433

00:38:39,275 --> 00:38:41,778
Thailand's hot, right?

434

00:38:43,404 --> 00:38:44,489
Yeah.

435

00:38:44,656 --> 00:38:47,367
Then that's why.

436

00:38:48,159 --> 00:38:52,747
-Oh, Jesus.
-Hey, hey, wait. Here.

437

00:39:06,928 --> 00:39:09,514
He's not coming down.

438

00:39:11,432 --> 00:39:13,893
He's staying up there forever.

439

00:39:39,043 --> 00:39:41,337
What are you--? What are you doing?

440

00:39:41,504 --> 00:39:45,174
What do you think?
I'm gonna get that bitch.

441

00:39:49,429 --> 00:39:52,056
No, you're gonna break your neck.

442

00:39:52,223 --> 00:39:54,642
Yeah, yeah. Just--

443

00:39:56,644 --> 00:40:00,064
No, seriously, you're--
This is a bad idea.

444

00:40:01,232 --> 00:40:03,151
Damn it.

445

00:40:03,401 --> 00:40:04,903
Jesse.

446
00:40:05,069 --> 00:40:06,237
Just hold onto it.

447
00:40:06,654 --> 00:40:08,656
Hold it still?

448
00:40:22,253 --> 00:40:24,213
Jesse.

449
00:40:28,760 --> 00:40:30,261
I'm sorry.

450
00:40:30,470 --> 00:40:34,349
Sorry for what, being a lunatic?

451
00:40:37,602 --> 00:40:40,271
I'm sorry about Jane.

452
00:40:46,611 --> 00:40:48,279
Yeah.

453
00:40:49,113 --> 00:40:51,115
Me too.

454
00:40:53,117 --> 00:40:54,869
I mean...

455
00:40:57,789 --> 00:41:01,960
...I'm very sorry.

456
00:41:06,714 --> 00:41:09,008
It's not your fault.

457
00:41:09,801 --> 00:41:12,804
It's not mine either.

458
00:41:13,012 --> 00:41:17,266
It's no one's fault, not even hers.

459
00:41:28,486 --> 00:41:32,407
You know, we are who we are,
Mr. White.

460
00:41:32,573 --> 00:41:38,079
You know, two junkies
with a duffel bag full of cash.

461
00:41:38,329 --> 00:41:43,084
Like you said, we both would've
been dead within a week.

462
00:41:43,751 --> 00:41:45,837
But I miss her, though.

463
00:41:49,841 --> 00:41:52,051
God, I do.

464
00:41:59,976 --> 00:42:01,185
Jesse.

465
00:42:01,853 --> 00:42:03,646
Come down.

466
00:42:03,813 --> 00:42:07,191
Wait. I'm so close.

467
00:42:09,777 --> 00:42:11,821
Let it go.

468
00:42:12,780 --> 00:42:14,198
We need to cook.

469
00:42:15,033 --> 00:42:17,118
What about the contamination?

470
00:42:18,661 --> 00:42:21,289
It's all contaminated.

471
00:42:26,711 --> 00:42:28,880

All right, well...

472

00:42:29,630 --> 00:42:31,841
...I definitely scared him.

473

00:42:33,634 --> 00:42:35,678
Probably stay out of our way.

474

00:43:07,085 --> 00:43:08,669
Yeah!

475

00:43:09,045 --> 00:43:11,339
Somebody got got, yo!

476

00:43:11,506 --> 00:43:13,674
Did you see that, Mr. Wh--?

477

00:44:00,805 --> 00:44:02,807
Bins are packed?

478

00:44:03,391 --> 00:44:05,476
Bins are packed.

479

00:44:06,144 --> 00:44:07,645
How's the yield?

480

00:44:07,812 --> 00:44:10,231
Two-oh-two and change.

481

00:44:11,149 --> 00:44:12,817
You okay getting home?

482

00:44:12,984 --> 00:44:16,487
Yeah. Better. Thanks.

483

00:44:16,654 --> 00:44:18,573
Mañana, then.

484

00:44:33,087 --> 00:44:36,174
Jesse, come here.

485
00:44:39,218 --> 00:44:41,429
I couldn't chance saying it inside.

486
00:44:41,596 --> 00:44:45,349
For all I know,
the lab's wired for sound.

487
00:44:46,350 --> 00:44:51,480
That half a pound
I said we were off by.

488
00:44:51,688 --> 00:44:55,234
Now, I'm not accusing you, but if....

489
00:44:56,027 --> 00:45:00,281
You understand?
And if they ever found out....

490
00:45:02,992 --> 00:45:05,536
I didn't take shit.

491
00:45:10,541 --> 00:45:14,128
I'm just saying that
I won't be able to protect you.

492
00:45:15,213 --> 00:45:17,757
Who's asking you to?
