

The logo for the TV series 'Breaking Bad' is displayed. The word 'Breaking' is in a white, serif font with a slight glow, positioned above the word 'Bad'. The 'B' in 'Breaking' is contained within a dark green square with the number '35' in the top right corner. The 'B' in 'Bad' is contained within a dark green square with the number '56' in the top right corner. The rest of the letters in 'Bad' are in the same white, serif font with a glow as 'Breaking'.

MAIN EPISODE CAST

Bryan Cranston	...	Walter White
Anna Gunn	...	Skyler White
Aaron Paul	...	Jesse Pinkman
Dean Norris	...	Hank Schrader
Betsy Brandt	...	Marie Schrader
RJ Mitte	...	Walter White, Jr.
Bob Odenkirk	...	Saul Goodman
Giancarlo Esposito	...	Gustavo 'Gus' Fring
Jonathan Banks	...	Mike Ehrmantraut
David Costabile	...	Gale Boetticher
Jeremiah Bitsui	...	Victor
Lavell Crawford	...	Huell
Tina Parker	...	Francesca
John Lawlor	...	Locksmith
John Barbour	...	Neighbor
Victoria Aultman	...	Waitress

1
00:00:44,127 --> 00:00:45,671
How's it coming?

2
00:00:46,838 --> 00:00:49,048
Very, very well.

3
00:00:49,424 --> 00:00:52,219
It's a flurry of deliveries.

4
00:00:52,386 --> 00:00:55,264
Feels like Christmas morning.

5
00:00:56,306 --> 00:00:58,141
It's exciting.

6
00:00:58,809 --> 00:01:01,937
It's really coming together.
And I'd like to point out...

7
00:01:02,104 --> 00:01:04,898
...that if you have
any understandable questions...

8
00:01:05,065 --> 00:01:07,109
...about the price tag....

9
00:01:09,403 --> 00:01:11,738
That sound? Quality.

10
00:01:11,905 --> 00:01:16,493
At Pfizer, at Merck,
that unit would be right at home.

11
00:01:16,660 --> 00:01:18,203
That goes for all of it.

12
00:01:19,913 --> 00:01:22,791
Good. I want you
to have what you need.

13
00:01:23,667 --> 00:01:27,671

Well, I doff my proverbial cap
to you, sir.

14

00:01:27,838 --> 00:01:30,089
When do you think
we'll be up and running?

15

00:01:30,257 --> 00:01:31,592
Within a month, I'd say.

16

00:01:32,676 --> 00:01:34,469
Two weeks.

17

00:01:35,554 --> 00:01:39,683
Or, yeah, two weeks.

18

00:01:39,850 --> 00:01:41,810
Good. Very good.

19

00:01:41,977 --> 00:01:45,564
By the way,
that sample you asked me to run?

20

00:01:45,731 --> 00:01:51,612
-I ran it, and it is quite good.
-Thank you very much, Gale.

21

00:01:51,778 --> 00:01:54,740
-You can give that to Victor to discard.
-Sure.

22

00:01:55,407 --> 00:01:57,451
Is that our competition?

23

00:01:57,618 --> 00:02:00,329
-I'm sorry?
-The....

24

00:02:00,579 --> 00:02:02,581
It really is quite good.

25

00:02:02,748 --> 00:02:07,044

The purity, of course, I'm speaking of,
speaking strictly in chemical terms.

26

00:02:07,336 --> 00:02:11,506
And I can't, as of yet,
account for the blue color...

27

00:02:12,549 --> 00:02:15,093
...but if that is our competition...

28

00:02:15,260 --> 00:02:18,597
...we have our work cut out for us,
so to speak.

29

00:02:18,764 --> 00:02:22,726
You don't have any competition, Gale,
not as far as I'm concerned.

30

00:02:22,893 --> 00:02:26,480
After all, how pure can pure be?

31

00:02:27,481 --> 00:02:30,984
Well, it can be pretty darn pure.

32

00:02:31,860 --> 00:02:37,324
Mr. Fring, I can guarantee you
a purity of 96 percent.

33

00:02:37,491 --> 00:02:41,453
I'm proud of that figure.
It's a hard-earned figure, 96.

34

00:02:41,620 --> 00:02:45,040
However, this other product is 99.

35

00:02:45,582 --> 00:02:48,502
Maybe even a touch beyond that.

36

00:02:48,669 --> 00:02:51,963
I'd need an instrument
called a gas chromatograph...

37

00:02:52,130 --> 00:02:53,507
...to say for sure...

38

00:02:53,674 --> 00:02:56,885
...but that last 3 percent...

39

00:02:57,052 --> 00:03:01,264
...it may not sound like a lot,
but it is.

40

00:03:01,431 --> 00:03:03,433
It's tremendous.

41

00:03:03,600 --> 00:03:07,437
It's a tremendous gulf.

42

00:03:07,604 --> 00:03:13,276
Gale, for our purposes,
96 percent will do just fine.

43

00:03:13,443 --> 00:03:16,530
Please, don't let this trouble you.

44

00:03:16,697 --> 00:03:20,158
Yeah. It's just....

45

00:03:20,701 --> 00:03:24,996
I'd love to know
who synthesized it, is all.

46

00:03:27,833 --> 00:03:29,793
A man who wants to work with me.

47

00:03:29,960 --> 00:03:32,003
A trained chemist, like yourself.

48

00:03:32,629 --> 00:03:34,589
But it won't happen.

49

00:03:34,798 --> 00:03:37,092
I don't consider him a professional.

50

00:03:38,260 --> 00:03:43,140
If he's not,
I don't know what that makes me.

51

00:03:43,890 --> 00:03:46,309
I'm not trying
to talk myself out of a job--

52

00:03:46,476 --> 00:03:49,896
With this person,
there are other considerations.

53

00:03:50,939 --> 00:03:54,735
His is the best I've ever seen,
hands down.

54

00:03:56,820 --> 00:03:59,906
And I look at this place
that you've built...

55

00:04:00,073 --> 00:04:02,367
...the money you're investing...

56

00:04:02,617 --> 00:04:04,953
...sparing no expense.

57

00:04:05,328 --> 00:04:07,414
And I know...

58

00:04:10,167 --> 00:04:13,754
...I know that you want the best.

59

00:05:12,437 --> 00:05:15,857
6353 Juan Tabo. Apartment 6.

60

00:05:17,317 --> 00:05:18,568
No, no. Eubank's west.

61

00:05:18,735 --> 00:05:22,614
It's between Eubank and Spain,
but Mazatlan's closest.

62

00:05:23,740 --> 00:05:26,034
I don't know. I just heard the one...

63

00:05:26,201 --> 00:05:28,954
...like, you know, a backfire,
a truck backfiring.

64

00:05:29,120 --> 00:05:31,706
I came out of my apartment.
A couple came out.

65

00:05:31,873 --> 00:05:33,667
No. No, nobody saw.

66

00:05:34,376 --> 00:05:36,335
Did you guys see anybody?

67

00:05:36,503 --> 00:05:39,840
Guys, did you--? I don't know
if they speak English too good.

68

00:05:40,006 --> 00:05:42,175
I don't think they saw anybody.

69

00:05:42,341 --> 00:05:46,012
It was just this one loud--
This very loud pop and that was all.

70

00:05:46,179 --> 00:05:48,765
No arguing or like that.

71

00:05:49,891 --> 00:05:53,395
So you guys good in directions there?
You want me to...?

72

00:05:54,312 --> 00:05:56,940
They coming east or west?

73

00:05:57,274 --> 00:06:01,695
If heading east, tell them there's
an Exxon on their left-hand side.

74

00:06:01,862 --> 00:06:05,490
Then it's straight residential.
You want me to what? Yeah.

75

00:06:05,657 --> 00:06:07,909
No. I'll stay on the line.

76

00:06:12,414 --> 00:06:13,832
You know him?

77

00:06:13,999 --> 00:06:17,586
We all heard this shot.
I don't think you ought to go in there.

78

00:06:17,752 --> 00:06:21,256
Mister, this is a crime scene.
You don't wanna touch anything.

79

00:06:22,007 --> 00:06:23,091
Mister?

80

00:06:25,010 --> 00:06:27,596
Mister, are you listening to me?

81

00:06:45,071 --> 00:06:47,198
Little bastard.

82

00:06:49,326 --> 00:06:51,161
Drive.

83

00:06:51,536 --> 00:06:53,163
Drive.

84

00:08:28,091 --> 00:08:30,135
What the hell happened?

85

00:08:31,469 --> 00:08:32,512
He's gone?

86

00:08:33,972 --> 00:08:35,849
Look at me.

87
00:08:36,141 --> 00:08:37,726
Gone?

88
00:08:37,892 --> 00:08:39,519
You sure?

89
00:08:39,686 --> 00:08:43,982
-Gone. Splattered all over.
-Oh, Jesus.

90
00:08:44,315 --> 00:08:47,068
Jesus. Oh, shit.

91
00:08:49,696 --> 00:08:51,489
All right.

92
00:08:51,906 --> 00:08:53,825
So....

93
00:08:54,034 --> 00:08:55,410
Shit.

94
00:08:56,661 --> 00:08:59,956
-All right, you do a sweep?
-Couldn't. People there.

95
00:09:01,249 --> 00:09:05,128
People? He get himself seen
by these people?

96
00:09:05,462 --> 00:09:06,588
What about you?

97
00:09:09,674 --> 00:09:11,009
What about you?

98
00:09:11,176 --> 00:09:13,470
Yeah. So what?

99
00:09:14,846 --> 00:09:17,390

Just another looky-loo.

100

00:09:29,319 --> 00:09:31,613

I guess I'd better get this over with.

101

00:10:00,016 --> 00:10:01,726

Hey.

102

00:10:01,935 --> 00:10:04,854

Oh, jeez, I woke you up.

I woke you up.

103

00:10:05,021 --> 00:10:07,982

No, no, no, it's okay.

I needed to get up anyway.

104

00:10:08,525 --> 00:10:09,692

Are you coming in?

105

00:10:09,859 --> 00:10:12,320

No. It's kind of my only time
to run errands.

106

00:10:12,487 --> 00:10:13,947

I just needed to....

107

00:10:16,908 --> 00:10:18,451

I....

108

00:10:19,536 --> 00:10:21,412

Sorry.

109

00:10:21,579 --> 00:10:22,831

It's okay.

110

00:10:22,997 --> 00:10:27,919

And thank you, big time, as always.

111

00:10:28,920 --> 00:10:32,298

They seem to be getting bigger
instead of smaller.

112
00:10:32,465 --> 00:10:35,677
Not really sure what that's all about.

113
00:10:36,219 --> 00:10:38,304
Please, for God's sake...

114
00:10:38,471 --> 00:10:41,349
...tell me if this is getting
to be too much for you.

115
00:10:41,516 --> 00:10:44,102
Absolutely not, okay?
It's absolutely fine.

116
00:10:44,269 --> 00:10:46,062
Okay.

117
00:10:50,066 --> 00:10:52,861
Does this mean
what I think it means?

118
00:10:54,612 --> 00:10:57,031
-What?
-You and Walt?

119
00:10:58,158 --> 00:10:59,367
What?

120
00:10:59,534 --> 00:11:02,495
His car is in the driveway.
It's not a state secret.

121
00:11:02,662 --> 00:11:06,916
I-- All right. Okay. I'm not pressing.
I just....

122
00:11:07,167 --> 00:11:09,252
I think that it's great.

123
00:11:09,419 --> 00:11:11,337
That's all, all right?

124

00:11:11,504 --> 00:11:13,006
-I'm out of here.
-Okay.

125

00:11:13,173 --> 00:11:18,428
Oh, hey. A big howdy-do
to Mr. I'm-Not-Here.

126

00:12:28,747 --> 00:12:30,124
--in Albuquerque today.

127

00:12:30,291 --> 00:12:34,379
But you know what? It always is when
you have 330 days of sunshine a year.

128

00:12:45,181 --> 00:12:47,183
--the morning commute,
northbound 25...

129

00:12:47,350 --> 00:12:50,270
...we've got a two-car accident
on the right shoulder.

130

00:12:50,436 --> 00:12:53,314
You gotta be careful.
Also, from the west side...

131

00:12:53,481 --> 00:12:57,277
...we've got another accident,
Paseo del Norte and Second Street.

132

00:12:57,443 --> 00:13:00,530
That one's on the left shoulder,
so be on the lookout.

133

00:13:00,697 --> 00:13:03,866
That's a look at your morning commute
on Coyote 102.5.

134

00:13:46,825 --> 00:13:48,786
Oh, hey.

135

00:13:48,953 --> 00:13:51,247
-Breakfast?
-Yeah.

136
00:13:51,414 --> 00:13:53,333
Yeah? Okay.

137
00:13:59,172 --> 00:14:01,257
All right. What you want?

138
00:14:25,239 --> 00:14:27,116
All right, look.

139
00:14:27,283 --> 00:14:30,578
So I make it 10 to 9, which means--

140
00:14:30,745 --> 00:14:33,831
Shut up.

141
00:14:36,167 --> 00:14:40,046
Which means we need to start a cook
in the next 10 minutes...

142
00:14:40,213 --> 00:14:41,756
...to keep to our schedule.

143
00:14:41,923 --> 00:14:44,592
Gus' schedule.

144
00:14:46,219 --> 00:14:49,514
And as angry as he may be,
I don't believe he's willing...

145
00:14:49,680 --> 00:14:51,349
...to forfeit an entire batch.

146
00:14:51,516 --> 00:14:54,310
That just might make him angrier.

147
00:14:57,271 --> 00:15:00,024
Come on, Mike. Let us cook.

148
00:15:00,191 --> 00:15:03,027
Isn't that
what this whole thing is about?

149
00:16:13,764 --> 00:16:16,893
That's right, genius. Watch me.

150
00:16:17,477 --> 00:16:19,812
We ain't missing no cook.

151
00:16:44,212 --> 00:16:46,506
We're closed.

152
00:16:47,632 --> 00:16:48,925
Closed.

153
00:17:28,047 --> 00:17:30,591
Saul Goodman and Associates.

154
00:17:30,758 --> 00:17:33,594
I'll see if he's in. Please hold.

155
00:17:35,555 --> 00:17:38,641
Saul, Skyler White calling.

156
00:17:41,185 --> 00:17:43,020
Saul.

157
00:17:57,201 --> 00:17:59,662
Saul, Skyler White on the line.

158
00:18:00,621 --> 00:18:02,832
-Saul.
-Hey.

159
00:18:02,999 --> 00:18:05,126
Skyler White.

160
00:18:05,585 --> 00:18:08,087
What the hell does she want?

161
00:18:15,428 --> 00:18:16,804
He's nowhere to be found.

162
00:18:16,971 --> 00:18:19,181
I called his condo,
every number I have.

163
00:18:19,348 --> 00:18:20,850
Yeah, I'm sure he's fine.

164
00:18:21,434 --> 00:18:22,852
You're sure?

165
00:18:23,019 --> 00:18:25,396
As in, you know where he is?

166
00:18:26,772 --> 00:18:30,151
I'm not the man's keeper,
but Walt's a big boy. He'll turn up.

167
00:18:30,318 --> 00:18:32,194
Mr. Goodman,
something is going on.

168
00:18:32,361 --> 00:18:35,031
Why would he leave his car
in my driveway?

169
00:18:35,197 --> 00:18:38,534
People carpool to work, right?
It's good for the environment.

170
00:18:38,701 --> 00:18:42,246
He carpools?
He carpools to his job at a meth lab?

171
00:18:42,413 --> 00:18:45,082
Hey, you're breaking up there.

172
00:18:45,249 --> 00:18:47,960
I didn't quite catch that last....

173

00:18:48,127 --> 00:18:51,464
-You're a Chatty Cathy today.
-Okay, do you know anything?

174

00:18:51,631 --> 00:18:55,092
Anything at all?
Please, I'm looking for some help here.

175

00:18:55,259 --> 00:19:00,640
Look, Walter is fine, okay?
I guarantee that, hundred percent.

176

00:19:01,515 --> 00:19:03,893
One hundred percent.

177

00:19:08,773 --> 00:19:10,816
You got a passport, right?

178

00:19:53,192 --> 00:19:55,027
Yeah. Albuquerque.

179

00:19:55,194 --> 00:19:57,405
I'm in Nob Hill.

180

00:19:57,571 --> 00:20:00,408
I need the number for a locksmith.

181

00:20:00,616 --> 00:20:02,785
I don't know. Pick one.

182

00:20:02,952 --> 00:20:07,331
-You sure there's nothing?
-No, it's not even me. It's state law.

183

00:20:07,498 --> 00:20:10,418
Are you sure there isn't some sort of--?
I don't know.

184

00:20:10,584 --> 00:20:12,336
No. Nothing.

185

00:20:12,503 --> 00:20:15,840
Maybe a car registration.
That would have your address.

186
00:20:16,006 --> 00:20:20,469
No, but I can't even get in my car.
My car keys were on the same ring.

187
00:20:20,636 --> 00:20:23,723
My God, my credit cards, my--
It's all right, sweetheart.

188
00:20:23,889 --> 00:20:27,810
My driver's license, my checkbook.
I have to start canceling all that.

189
00:20:27,977 --> 00:20:32,231
My whole life was in that purse
and he just cut it right off my shoulder.

190
00:20:32,398 --> 00:20:34,066
We could've been stabbed.

191
00:20:34,233 --> 00:20:38,446
I'm sorry, really.
But without proof of residency....

192
00:20:38,612 --> 00:20:40,364
I can take you down to my shop.

193
00:20:40,531 --> 00:20:42,950
You're welcome to wait,
file a police report.

194
00:20:43,117 --> 00:20:46,454
I can't believe this.
I cannot believe this day.

195
00:20:46,620 --> 00:20:49,373
I know. It's just, it's the law.

196
00:20:49,540 --> 00:20:54,170
Oh, my God. My medication.

I bet it's gone.

197

00:20:56,255 --> 00:21:00,009
Oh, God, not now, not this.
Gotta call the pharmacy.

198

00:21:00,176 --> 00:21:01,844
Are you okay?

199

00:21:02,011 --> 00:21:06,140
Please, just-- Please, just take her.
Please. Just take her, please.

200

00:21:07,892 --> 00:21:09,560
Oh, God.

201

00:21:09,727 --> 00:21:11,395
Not now.

202

00:21:11,562 --> 00:21:14,106
No. Not now.

203

00:21:20,696 --> 00:21:23,783
Oh, you're a lifesaver. Truly.

204

00:21:23,949 --> 00:21:27,077
Here you go, sweetheart.
Oh, there you go.

205

00:21:31,123 --> 00:21:34,168
How do you--?
How do you wanna deal with the bill?

206

00:21:34,335 --> 00:21:38,672
I-- Unfortunately,
all my cash was taken so....

207

00:21:38,839 --> 00:21:43,302
-That's fine. We'll mail it to you.
-Will you? You know where I live, right?

208

00:21:43,469 --> 00:21:47,848

-Sir, again, thank you so much. Really.
-Yeah.

209
00:23:35,497 --> 00:23:38,542
Hey there. I'm back.

210
00:23:44,173 --> 00:23:46,216
How was PT?

211
00:23:47,801 --> 00:23:52,430
I heard it was very good.

212
00:23:53,431 --> 00:23:56,477
I'm really liking this new therapist.

213
00:23:56,644 --> 00:24:00,438
He keeps me in the loop,
always has time for a phone call. It's....

214
00:24:00,606 --> 00:24:02,316
I like it.

215
00:24:02,733 --> 00:24:04,735
So?

216
00:24:05,486 --> 00:24:07,571
Tell me all about it.

217
00:24:08,030 --> 00:24:10,783
I heard you broke new ground today.

218
00:24:12,368 --> 00:24:13,827
I broke new ground?

219
00:24:13,994 --> 00:24:17,039
That's what he said. Tell me.

220
00:24:20,960 --> 00:24:24,171
I walked 16 feet in 20 minutes...

221
00:24:24,338 --> 00:24:27,883

...which is up from
like 15 and a half yesterday.

222

00:24:28,050 --> 00:24:30,052
And this much less shit in my pants.

223

00:24:30,219 --> 00:24:34,723
So, yeah, Marie, if you and him and
everybody in America took a vote...

224

00:24:34,890 --> 00:24:37,559
...changed the meaning
of the English language...

225

00:24:37,726 --> 00:24:40,938
...yeah, I guess
I "broke new ground."

226

00:24:42,106 --> 00:24:49,113
Well, call it a figure of speech,
but I am seeing progress.

227

00:24:51,949 --> 00:24:54,284
Definite progress.

228

00:24:56,203 --> 00:24:58,163
You're ordering a new rock?

229

00:24:58,330 --> 00:25:01,208
I'm bidding on a new mineral.

230

00:25:02,918 --> 00:25:04,753
It's a nice one.

231

00:25:09,091 --> 00:25:11,135
What? It's pretty.

232

00:25:11,635 --> 00:25:13,303
I need the thing.

233

00:25:13,470 --> 00:25:15,097
Okay.

234

00:25:27,568 --> 00:25:29,695

Okay.

235

00:25:54,803 --> 00:25:59,600

It has all those pretty little crystals.

I like that.

236

00:26:00,976 --> 00:26:02,644

Okay.

237

00:26:23,332 --> 00:26:28,879

All right, I just wanna go on record,
we should all be wearing masks.

238

00:26:36,011 --> 00:26:38,097

We should be wearing masks.

239

00:26:54,154 --> 00:26:56,365

Bet he forgets the aluminum.

240

00:27:00,035 --> 00:27:01,995

Guaranteed.

241

00:27:02,538 --> 00:27:04,498

Guarantee he forgets.

242

00:27:10,170 --> 00:27:13,173

Oh, you don't know
what the hell you're doing, do you?

243

00:27:13,340 --> 00:27:15,384

You forgot the aluminum.

244

00:27:18,428 --> 00:27:21,223

One of the first steps in the....

245

00:27:27,396 --> 00:27:29,523

Son of a bitch.

246

00:29:17,631 --> 00:29:20,801

All right,
let's talk about Gale Boetticher.

247
00:29:21,343 --> 00:29:23,428
He was a good man
and a good chemist...

248
00:29:23,595 --> 00:29:25,514
...and I cared about him.

249
00:29:27,099 --> 00:29:29,768
He didn't deserve
what happened to him.

250
00:29:30,394 --> 00:29:32,729
He didn't deserve it at all.

251
00:29:34,856 --> 00:29:41,071
But I'd shoot him again tomorrow
and the next day and the day after that.

252
00:29:41,238 --> 00:29:45,951
When you make it Gale versus me,
or Gale versus Jesse...

253
00:29:46,118 --> 00:29:49,496
...Gale loses, simple as that.

254
00:29:54,334 --> 00:29:57,254
This is on you, Gus.
Not me, not Jesse.

255
00:29:57,421 --> 00:30:00,215
Gale's death is on you.

256
00:30:02,217 --> 00:30:04,761
I mean, really,
what did you expect me to do...

257
00:30:04,928 --> 00:30:09,266
...just simply roll over
and allow you to murder us?

258

00:30:10,309 --> 00:30:13,937
That I wouldn't take measures,
extreme measures to defend myself?

259

00:30:14,104 --> 00:30:15,230
Wrong.

260

00:30:16,982 --> 00:30:18,066
Think again.

261

00:30:18,233 --> 00:30:21,695
And whatever it is
you're planning there...

262

00:30:21,862 --> 00:30:25,407
...whatever it is, the point
that you're trying to make here...

263

00:30:25,574 --> 00:30:29,036
...let me suggest
that you keep one thing in mind.

264

00:30:29,578 --> 00:30:33,582
Without us,
without Jesse and myself...

265

00:30:34,124 --> 00:30:37,753
...you have no one
to make your product.

266

00:30:38,837 --> 00:30:40,922
Certainly not him.

267

00:30:42,049 --> 00:30:44,760
This person doesn't know
what the hell he's doing.

268

00:30:45,093 --> 00:30:48,805
Been watching him for weeks.
I know every step to his cook.

269

00:30:51,683 --> 00:30:54,102

Do you really? You?

270

00:30:58,732 --> 00:31:02,819
Really? Oh, so please tell me.

271

00:31:03,028 --> 00:31:07,991
Catalytic hydrogenation, is it protic
or aprotic? Because I forget.

272

00:31:08,158 --> 00:31:13,288
If our reduction isn't stereospecific
how can our product be pure?

273

00:31:13,455 --> 00:31:17,918
I mean, is 1-phenyl-1-hydroxy-
2-methylamino-propane...

274

00:31:18,085 --> 00:31:20,420
...containing, of course,
chiral centers...

275

00:31:20,587 --> 00:31:23,507
...at carbons number one and two
on the propane chain?

276

00:31:23,673 --> 00:31:25,842
Then reduction
to methamphetamine...

277

00:31:26,009 --> 00:31:29,513
...eliminates which chiral center
is it again?

278

00:31:29,679 --> 00:31:31,807
Because I forgot.

279

00:31:32,224 --> 00:31:35,435
Come on, help me out, professor.

280

00:31:35,602 --> 00:31:37,270
Gus.

281

00:31:37,729 --> 00:31:41,441
We're here. Come on. Let us work.

282
00:31:41,608 --> 00:31:45,278
All his bullshit aside,
it's called a cook.

283
00:31:45,445 --> 00:31:47,906
Everything comes down
to following a recipe.

284
00:31:48,073 --> 00:31:50,575
Simple, complicated,
it doesn't matter.

285
00:31:50,742 --> 00:31:53,203
The steps never change...

286
00:31:53,453 --> 00:31:55,497
...and I know every step.

287
00:31:55,664 --> 00:31:58,375
Oh, is that what you want?

288
00:31:58,834 --> 00:32:04,047
This short-order cook?
You're not flipping hamburgers.

289
00:32:04,214 --> 00:32:06,925
What happens when you get
a bad barrel of precursor?

290
00:32:07,092 --> 00:32:08,635
How would you even know it?

291
00:32:08,802 --> 00:32:12,931
And what happens in the summer
when the humidity rises...

292
00:32:13,098 --> 00:32:15,767
...and your product goes cloudy?

293

00:32:16,601 --> 00:32:19,563
How would you
guard against that, huh?

294
00:32:19,729 --> 00:32:21,148
Gus.

295
00:32:22,232 --> 00:32:26,111
You do this, all you'll have left...

296
00:32:26,278 --> 00:32:29,573
...is an \$8 million hole in the ground.

297
00:32:29,739 --> 00:32:31,575
This lab...

298
00:32:31,992 --> 00:32:34,244
...this equipment is useless
without us.

299
00:32:34,411 --> 00:32:38,665
Without Jesse and myself,
you have no new product.

300
00:32:38,832 --> 00:32:40,876
You have no income.

301
00:32:41,042 --> 00:32:45,255
Your people out there will not be paid.
Your distribution chain collapses.

302
00:32:45,422 --> 00:32:47,466
Without us...

303
00:32:47,924 --> 00:32:49,926
...you have nothing.

304
00:32:51,553 --> 00:32:54,598
You kill me, you have nothing.

305
00:32:55,432 --> 00:32:57,934
You kill Jesse, you don't have me.

306
00:33:12,574 --> 00:33:14,159
You won't do this.

307
00:33:15,368 --> 00:33:17,454
You're too smart.

308
00:33:18,580 --> 00:33:20,207
You can't afford to do this.

309
00:33:21,583 --> 00:33:23,210
Please.

310
00:33:25,337 --> 00:33:27,672
Let us just go back to work.

311
00:33:27,839 --> 00:33:29,549
We're here.

312
00:33:30,300 --> 00:33:33,970
Let us work.
We're ready to go to work.

313
00:33:34,471 --> 00:33:37,057
We'll just pick up
right where we left off.

314
00:37:09,477 --> 00:37:11,104
Well?

315
00:37:13,148 --> 00:37:15,108
Get back to work.

316
00:38:11,706 --> 00:38:15,210
Listen, we'll just lay this down.

317
00:38:15,376 --> 00:38:19,672
Put him in feet first. Grab his shoe.

318
00:38:20,215 --> 00:38:24,177
Here. Wait, wait, wait.

Just lift him up. There. All right.

319

00:38:27,597 --> 00:38:30,099
Oh, God.

320

00:38:30,266 --> 00:38:32,727
You push that way, I'll hold him in.

321

00:38:34,437 --> 00:38:37,482
Okay, ready? Go ahead.

322

00:38:38,233 --> 00:38:39,984
Oh, shit.

323

00:38:41,236 --> 00:38:43,446
Wait, wait. Wait.

324

00:38:44,989 --> 00:38:46,658
Forget that. Okay.

325

00:38:56,417 --> 00:38:58,795
Come on. Up.

326

00:39:03,508 --> 00:39:05,468
Get down.

327

00:39:06,511 --> 00:39:08,638
Okay, okay.

328

00:39:22,861 --> 00:39:25,989
I never use this stuff.
Are you sure it'll do the job?

329

00:39:27,031 --> 00:39:28,408
Trust us.

330

00:40:57,497 --> 00:41:00,166
Here you go, hon.
Get you anything else?

331

00:41:00,333 --> 00:41:02,168

No, I'm good. Thanks.

332

00:41:30,863 --> 00:41:32,323
How you doing?

333

00:41:35,535 --> 00:41:37,120
No, I mean, you know...

334

00:41:39,455 --> 00:41:41,582
...how are you doing?

335

00:41:48,965 --> 00:41:51,092
You did the only thing
that you could.

336

00:41:51,259 --> 00:41:53,261
I hope you understand that.

337

00:41:56,431 --> 00:41:58,433
Thoughts?

338

00:42:01,602 --> 00:42:06,065
Any thoughts
on what our next move might be?

339

00:42:06,524 --> 00:42:08,276
What next move?

340

00:42:08,776 --> 00:42:10,153
Our next move.

341

00:42:10,862 --> 00:42:16,617
Our next move, given the fact that at
the first opportunity, Gus will kill us.

342

00:42:16,784 --> 00:42:19,871
What, that wasn't an opportunity
just now?

343

00:42:20,163 --> 00:42:22,415
Seemed like a damn good opportunity
to me.

344
00:42:22,582 --> 00:42:24,876
-No, no.
-Golden, I would say.

345
00:42:25,043 --> 00:42:28,671
We bought ourselves some time,
yes, but....

346
00:42:29,380 --> 00:42:33,634
The question is how much.
He'll be looking for another chemist.

347
00:42:34,010 --> 00:42:36,637
He's not gonna find another chemist.

348
00:42:36,804 --> 00:42:39,348
Where is he gonna find
another chemist?

349
00:42:39,599 --> 00:42:43,561
It's not just about somebody
being able to run a lab that big.

350
00:42:43,728 --> 00:42:45,188
Someone he can trust...

351
00:42:45,354 --> 00:42:49,233
...someone he knows
will keep their mouths shut.

352
00:42:50,443 --> 00:42:52,987
Yeah. Good luck with that.

353
00:42:54,530 --> 00:42:58,201
Bet it took him years to find Gale.

354
00:42:59,535 --> 00:43:00,953
Bet he's sorry now.

355
00:43:10,129 --> 00:43:13,549
-Are you sure you're okay?

-Now we all understand each other.

356

00:43:13,716 --> 00:43:15,343
Right?

357

00:43:16,135 --> 00:43:21,015
-What do you mean?
-I mean, him and us, we get it.

358

00:43:27,980 --> 00:43:30,733
We're all on the same page.

359

00:43:33,903 --> 00:43:36,447
And what page is that?

360

00:43:37,240 --> 00:43:38,908
The one that says:

361

00:43:39,075 --> 00:43:41,369
"If I can't kill you...

362

00:43:41,577 --> 00:43:44,330
...you'll sure as shit wish
you were dead."

363

00:43:55,633 --> 00:43:58,219
Yo, excuse me.

364

00:44:00,012 --> 00:44:01,722
Thanks.

365

00:44:15,403 --> 00:44:18,614
-Here.
-Thank you, sir. Have a good one.

366

00:44:18,781 --> 00:44:20,449
Thanks.

367

00:44:39,552 --> 00:44:41,262
Hi.

368

00:44:43,389 --> 00:44:45,433
Hi.

369

00:44:46,809 --> 00:44:49,145
It's parked over on Amsden.

370

00:44:49,437 --> 00:44:52,440
Junior was about to get up
and he would've seen it...

371

00:44:52,607 --> 00:44:55,651
...so I wanted
to avoid a lot of questions.

372

00:44:56,569 --> 00:44:58,279
Smart.

373

00:44:59,322 --> 00:45:00,948
Well.

374

00:45:02,783 --> 00:45:03,826
Kenny Rogers.

375

00:45:06,120 --> 00:45:07,872
Yeah.

376

00:45:10,082 --> 00:45:12,001
You okay?

377

00:45:13,502 --> 00:45:14,795
Yeah.

378

00:45:15,712 --> 00:45:17,632
Right as rain.

379

00:45:23,846 --> 00:45:26,349
Do you have your keys?

380

00:45:26,515 --> 00:45:27,934
Yeah.

381

00:45:29,268 --> 00:45:32,647
It's parked three blocks
down on the right.

382
00:45:35,066 --> 00:45:36,567
Yeah.
