MAIN EPISODE CAST

| | | |
|--------------------|-----|----------------------|
| Bryan Cranston | ... | Walter White |
| Anna Gunn | ... | Skyler White |
| Aaron Paul | ... | Jesse Pinkman |
| Dean Norris | ... | Hank Schrader |
| Betsy Brandt | ... | Marie Schrader |
| RJ Mitte | ... | Walter White, Jr. |
| Bob Odenkirk | ... | Saul Goodman |
| Giancarlo Esposito | ... | Gustavo 'Gus' Fring |
| Jonathan Banks | ... | Mike Ehrmantraut |
| David Costabile | ... | Gale Boetticher |
| Jeremy Howard | ... | Sketchy |
| Ray Campbell | ... | Tyrus Kitt |
| Frank Andrade | ... | Tweaker Thief |
| Paul Neis | ... | Support Group Leader |
| Brittany Gustin | ... | Morning After Girl |

1
00:01:06,149 --> 00:01:08,402
You want me to open the doors?

2
00:01:09,903 --> 00:01:13,949
Here. The keys. Take them.

3
00:01:15,242 --> 00:01:17,327
Why you talking?

4
00:01:19,037 --> 00:01:21,498
No! No, no, no--

5
00:05:06,181 --> 00:05:08,850
Gambling destroyed my life.

6
00:05:09,059 --> 00:05:13,730
Me, my family, everything I loved.

7
00:05:13,939 --> 00:05:17,943
It was like a robbery,
only I was the thief.

8
00:05:18,151 --> 00:05:22,030
It's amazing the stories you tell
yourself to justify it.

9
00:05:22,197 --> 00:05:28,829
The lies that lead you
to just one more hand, one more spin...

10
00:05:28,995 --> 00:05:31,957
...one more roll of the dice.

11
00:05:32,374 --> 00:05:36,795
This is our deal, okay? Marie, no.

12
00:05:36,962 --> 00:05:39,464
You guys are not lifting a finger.
I mean it.

13
00:05:39,673 --> 00:05:44,427

Yeah, we're bringing everything. So--
This is not up for debate, okay?

14

00:05:44,636 --> 00:05:46,179
Great.

15

00:05:46,388 --> 00:05:50,058
Sweetie, don't worry. We're not
gonna say one word about the bills.

16

00:05:50,225 --> 00:05:52,477
We just wanna bring everyone
up to speed.

17

00:05:52,644 --> 00:05:55,605
All right, I'll see you soon. Bye.

18

00:06:01,069 --> 00:06:02,487
So....

19

00:06:03,071 --> 00:06:06,992
Tonight's the night. No turning back.

20

00:06:08,451 --> 00:06:09,995
Well....

21

00:06:10,161 --> 00:06:13,164
Okay. Let's do this.

22

00:06:14,499 --> 00:06:17,627
Okay. So first, I assign point values.

23

00:06:17,794 --> 00:06:20,130
Correlate to the effect of removal.

24

00:06:20,338 --> 00:06:23,717
-You're gonna split the eights?
-Skyler, please.

25

00:06:23,925 --> 00:06:28,471
Now, the mathematical principle
known as the Kelly Criterion...

26
00:06:28,638 --> 00:06:30,849
...upon which I devised
my own strategy--

27
00:06:31,016 --> 00:06:33,059
Not dissimilar to the MIT system--

28
00:06:33,226 --> 00:06:35,604
Walt, you're not teaching them.

29
00:06:35,812 --> 00:06:39,232
-You wanted me to be thorough.
-Play. You're taking too long.

30
00:06:39,441 --> 00:06:42,986
You don't think it behooves me
to be able to explain any of this?

31
00:06:43,153 --> 00:06:47,782
It behooves you to be a pro, that's all.
That's the fiction. So, chop-chop.

32
00:06:48,033 --> 00:06:49,659
Don't chop-chop me.

33
00:06:50,619 --> 00:06:53,580
Now, we both know
that the first decision...

34
00:06:53,788 --> 00:06:56,708
...is whether or not to split
or to surrender.

35
00:06:56,917 --> 00:06:59,085
On eights. Split them.

36
00:07:00,587 --> 00:07:02,172
Good on both.

37
00:07:02,380 --> 00:07:05,175
Next decision is whether

to double down or not.

38

00:07:05,383 --> 00:07:08,595
-Which you should be doing.
-On an 11, yes. Double.

39

00:07:08,803 --> 00:07:12,098
Okay, this hand over here,
we have a soft 18.

40

00:07:12,265 --> 00:07:16,561
The final decision is whether or not
to hit or to stand. Hit it.

41

00:07:17,938 --> 00:07:20,273
-Becomes a hard 15.
-Dealer has a nine.

42

00:07:20,440 --> 00:07:22,067
I see that.

43

00:07:22,692 --> 00:07:23,902
Hit it.

44

00:07:26,279 --> 00:07:27,864
Okay, let's see what I got.

45

00:07:29,491 --> 00:07:31,451
And 21.

46

00:07:31,660 --> 00:07:32,869
-Damn.
-Yup.

47

00:07:33,036 --> 00:07:38,041
Okay, the key thing to remember here
is that it's not about any one hand.

48

00:07:38,249 --> 00:07:41,461
The key is the number of hands
per hour.

49

00:07:41,962 --> 00:07:43,797
Let's go again.

50
00:07:44,005 --> 00:07:49,052
Zero, minus one, 0.6.

51
00:07:49,219 --> 00:07:51,471
Okay.

52
00:07:53,014 --> 00:07:56,017
-Walt.
-It's not as if I don't know how to play.

53
00:07:56,643 --> 00:07:59,562
I certainly more than understand
how to count cards.

54
00:07:59,771 --> 00:08:01,064
Let's just keep going.

55
00:08:01,272 --> 00:08:04,150
No, you know what?
I'm in recovery, remember?

56
00:08:04,359 --> 00:08:06,194
I shouldn't even be playing.

57
00:08:06,403 --> 00:08:10,281
And that is the fiction
that we should be sticking to.

58
00:08:10,490 --> 00:08:12,075
You know what?

59
00:08:14,160 --> 00:08:17,372
You're right. Yeah.

60
00:08:17,580 --> 00:08:22,627
Okay.
We're not leaving anything to chance.

61
00:08:22,794 --> 00:08:27,257

All right. Let's get started.
Got a lot of....

62

00:08:27,424 --> 00:08:32,220
-Walt. We got a lot of ground to cover.
-What is this?

63

00:08:32,387 --> 00:08:36,057
We have to get our story straight.
We've gotta be on the same page.

64

00:08:36,266 --> 00:08:38,018
-A script?
-Bullet points.

65

00:08:38,184 --> 00:08:41,146
Bullet points? We got a novella.

66

00:08:41,312 --> 00:08:45,692
This is smart. You really wanna try
to sell a DEA agent some...

67

00:08:45,859 --> 00:08:48,403
...full-of-holes story
about how we suddenly...

68

00:08:48,570 --> 00:08:50,655
...have enough money
to buy a car wash?

69

00:08:50,822 --> 00:08:53,742
-Am I supposed to memorize this?
-We need to practice.

70

00:08:53,908 --> 00:08:56,286
-We need to be word-perfect.
-Within reason.

71

00:08:56,453 --> 00:08:58,288
We need this story to be solid...

72

00:08:58,455 --> 00:09:01,750
...and sympathetic

and, most of all, completely believable.

73

00:09:01,958 --> 00:09:04,044

The story that you already told Marie.

74

00:09:04,210 --> 00:09:06,379

You think that she hasn't told Hank?

75

00:09:06,588 --> 00:09:09,174

Come on, this is Marie
we're talking about here.

76

00:09:09,382 --> 00:09:12,635

No, she hasn't. She hasn't.

77

00:09:12,802 --> 00:09:15,555

Hank thinks his insurance is paying
for everything.

78

00:09:15,722 --> 00:09:18,808

Marie's not telling him
we are paying his therapy bills.

79

00:09:18,975 --> 00:09:21,352

-And neither are we.
-And why is that again?

80

00:09:21,561 --> 00:09:25,690

-Really?
-If we have the gambling story...?

81

00:09:27,776 --> 00:09:31,571

Did you take money, Walt?
You remember Gretchen and Elliot?

82

00:09:31,738 --> 00:09:35,075

I seem to recall that
you'd rather sell drugs than take help.

83

00:09:35,283 --> 00:09:38,036

-Fine.
-Marie will tell Hank in her own time.

84
00:09:38,203 --> 00:09:40,580
And at least we'll have laid
the groundwork.

85
00:09:40,789 --> 00:09:43,708
And coming clean with Hank
and Juni--

86
00:09:45,627 --> 00:09:51,174
Appearing to come clean
will be the best thing for everyone.

87
00:09:51,341 --> 00:09:52,759
We talked about this.

88
00:09:52,926 --> 00:09:57,555
-Okay? We agreed about this.
-Yes, we did. It's just....

89
00:09:58,389 --> 00:09:59,849
What?

90
00:10:00,683 --> 00:10:02,602
Never mind. Just--

91
00:10:03,603 --> 00:10:08,900
Okay. So I really think we should
tag team the narrative, okay?

92
00:10:09,067 --> 00:10:14,114
We'll each be responsible for certain
portions of the story and then we can--

93
00:10:14,280 --> 00:10:18,409
We can hand off so we don't leave
anything out, and it'll seem natural.

94
00:10:18,576 --> 00:10:21,579
Okay. So I'm gonna launch
with the exciting news...

95
00:10:21,746 --> 00:10:25,458

...that we are buying a car wash.

96

00:10:26,209 --> 00:10:29,129

The next logical question
Hank will probably ask is:

97

00:10:29,295 --> 00:10:32,715

"Where are you getting the money?"
To which I'll say:

98

00:10:32,924 --> 00:10:35,844

We wanna tell you the whole story.
It's a doozy...

99

00:10:36,010 --> 00:10:39,139

...so hold onto your hats.

100

00:10:39,764 --> 00:10:41,599

Do you like that?

101

00:10:43,017 --> 00:10:44,519

Sure.

102

00:10:45,145 --> 00:10:49,107

It accomplishes two things. It keeps
it light while letting them know...

103

00:10:49,274 --> 00:10:51,568

...to expect something big.

104

00:10:52,694 --> 00:10:55,446

Yeah. No. It's a doozy.

105

00:10:55,655 --> 00:11:00,118

Okay. Anyway, that's where you will
take over, starting with your diagnosis.

106

00:11:00,285 --> 00:11:02,662

Pages one and two. Okay. And it's--

107

00:11:02,871 --> 00:11:06,875

It's pretty much gonna run parallel

to the truth, which makes it easier.

108

00:11:07,667 --> 00:11:10,086

But just make sure
to really hit the cancer.

109

00:11:10,253 --> 00:11:12,380

Really touch on the fear and despair.

110

00:11:12,589 --> 00:11:15,466

It's good to remind them
and to get their sympathy.

111

00:11:15,674 --> 00:11:18,636

We want them to understand why
you could do something so stupid.

112

00:11:18,803 --> 00:11:25,185

Now, after that, per pages three
and four, after you say:

113

00:11:25,393 --> 00:11:28,771

"Gambling became an addiction
and I just couldn't control it."

114

00:11:28,938 --> 00:11:30,398

-Do you see that?
-Yes.

115

00:11:30,607 --> 00:11:31,858

In the middle. Okay.

116

00:11:32,066 --> 00:11:36,029

I put in that line about robbery,
from the GA meeting. That was good.

117

00:11:36,196 --> 00:11:40,033

So next, I'll chime in about how
it affected our marriage...

118

00:11:40,200 --> 00:11:44,495

...starting with the confusion, the
deceit, why we couldn't tell anyone--

119
00:11:44,662 --> 00:11:47,916
I'm terribly, terribly ashamed
of my actions.

120
00:11:48,082 --> 00:11:50,376
-Yeah.
-Two "terribly"s?

121
00:11:50,585 --> 00:11:54,005
-It's to show contrition.
-Well, I just wouldn't use that word.

122
00:11:54,172 --> 00:11:57,050
I would never say
the word "terribly."

123
00:11:57,258 --> 00:12:01,012
Phrase it however you want. Okay?
You're jumping ahead. Now--

124
00:12:01,221 --> 00:12:04,515
And why--?
And why am I so ashamed?

125
00:12:05,558 --> 00:12:07,685
Do I really need to answer that?

126
00:12:08,853 --> 00:12:13,816
I was, and am,
providing for our family.

127
00:12:16,361 --> 00:12:20,490
-Let's just pick up where we left off.
-I'm weak, I'm out of control.

128
00:12:20,657 --> 00:12:22,242
This makes me look like crap.

129
00:12:22,408 --> 00:12:25,078
This has to be a warts-and-all story.

130

00:12:25,286 --> 00:12:27,872
That's how we'll sell it.
We both look bad.

131
00:12:28,039 --> 00:12:29,832
How do you look bad exactly?

132
00:12:30,041 --> 00:12:32,919
Where is the "I slept with my boss"
bullet point?

133
00:12:33,127 --> 00:12:35,129
I can't seem to find that anywhere.

134
00:12:35,672 --> 00:12:38,633
For a fired schoolteacher
who cooks crystal meth...

135
00:12:38,800 --> 00:12:41,344
...I'd say you're coming out
pretty much ahead.

136
00:12:41,552 --> 00:12:44,889
I don't like it.
I don't want Junior thinking less of me.

137
00:12:45,098 --> 00:12:50,103
At least you won at gambling. I'm the
bitch mom who wouldn't cut you slack.

138
00:12:57,318 --> 00:12:58,987
I'm sorry.

139
00:13:00,154 --> 00:13:02,949
I'm sorry
that I put you through all of this.

140
00:13:06,327 --> 00:13:08,454
How's that sound?

141
00:13:13,876 --> 00:13:15,628
Two "sorry"s.

142
00:13:17,338 --> 00:13:19,632
I believe we were on page five.

143
00:13:19,841 --> 00:13:25,263
So after you say how very sorry you
are, in your own words, of course...

144
00:13:25,430 --> 00:13:26,931
...we're almost to the end.

145
00:13:27,098 --> 00:13:31,311
And then I say how proud I am of you
for joining a 12-step program.

146
00:13:31,477 --> 00:13:37,108
And this is where I think we should
enact how we're feeling, you know?

147
00:13:37,275 --> 00:13:44,032
Just a suggestion. You might
look down at the floor with remorse.

148
00:13:47,952 --> 00:13:50,829
What? You don't have to mean it.

149
00:13:50,997 --> 00:13:53,624
You just stare down at your feet,
Walt, okay?

150
00:13:53,791 --> 00:13:55,877
Then I'm gonna....

151
00:13:56,085 --> 00:14:01,341
I was thinking of taking Marie's hand
and saying something emotional like:

152
00:14:01,507 --> 00:14:03,259
It's such a relief to tell you.

153
00:14:03,468 --> 00:14:06,262
We're glad we have a strong family
to help us.

154
00:14:06,471 --> 00:14:12,060
That we can all support each other.
And then maybe I'll tear up a little.

155
00:14:12,226 --> 00:14:15,730
I don't know. We'll just have to see
what happens in the moment.

156
00:14:17,231 --> 00:14:19,108
You're gonna cry on cue?

157
00:14:19,275 --> 00:14:22,320
-I said, I don't know. Maybe.
-When you dab your eyes...

158
00:14:22,487 --> 00:14:25,365
...you gonna do it
with your right hand or your left?

159
00:14:25,531 --> 00:14:28,743
-One tear? Two tears? How many?
-This has to be convincing.

160
00:14:28,910 --> 00:14:32,038
Especially to Hank.
I'm doing the best I can here, Walt.

161
00:14:32,205 --> 00:14:33,956
And yes, I'm thorough.

162
00:14:35,625 --> 00:14:40,755
Maybe lying doesn't come
as easily to me as it does to you.

163
00:14:56,270 --> 00:14:59,065
-Guys! Come on in! Hi!
-Hey.

164
00:14:59,232 --> 00:15:00,441
-Good to see you!
-Hey.

165
00:15:00,650 --> 00:15:03,528
-Hey, you little punk! Hey.
-Hey.

166
00:15:03,694 --> 00:15:05,530
-Great to see you.
-How you doing?

167
00:15:05,696 --> 00:15:08,199
Look at my little princess.
She's getting big.

168
00:15:08,366 --> 00:15:11,411
-Yeah. And heavy too.
-Is that actual food I'm smelling?

169
00:15:11,577 --> 00:15:13,663
I might get an
honest-to-God meal here?

170
00:15:13,830 --> 00:15:15,915
-You look good.
-Thank you, sweetheart.

171
00:15:16,124 --> 00:15:19,210
Your Aunt Marie, she's cute,
but she could burn water.

172
00:15:19,377 --> 00:15:22,588
You are so hilarious.
Show the boys your rock collection.

173
00:15:22,755 --> 00:15:25,425
-We're gonna get organized.
-It'll be 20 minutes.

174
00:15:25,591 --> 00:15:28,636
-You have a rock collection?
-It's a mineral collection.

175
00:15:28,803 --> 00:15:30,930
Just something I've--
You wanna see it?

176
00:15:31,139 --> 00:15:33,224
-Sure.
-All right. Let's go see it.

177
00:15:33,433 --> 00:15:36,644
-Oh, hey, let me--
-Hey, no. I-- I got it.

178
00:15:37,895 --> 00:15:40,064
Come on, guys. It's down the hall here.

179
00:15:43,234 --> 00:15:47,822
Now, that one there, that's rhodonite.
Okay? It's manganese inosilicate.

180
00:15:48,030 --> 00:15:51,033
Cool. What makes it be
all pink like that?

181
00:15:51,242 --> 00:15:55,329
Well, that's the manganese part. Okay?
It oxidizes, you know, like rust.

182
00:15:55,496 --> 00:15:57,665
Manganese can have
an oxidation state...

183
00:15:57,832 --> 00:16:00,168
...of between minus-three
and plus-seven...

184
00:16:00,334 --> 00:16:03,921
...which takes it through a range
of colors. Purple, green, blue.

185
00:16:04,088 --> 00:16:07,884
But its most stable state is plus-two,
which is usually pale pink.

186
00:16:09,760 --> 00:16:11,387
So....

187
00:16:12,680 --> 00:16:19,520
Exactly. Whatever the hell he said.
Anyway, you get the idea.

188
00:16:19,687 --> 00:16:25,359
Yeah, it's interesting.
Interesting stuff, that. Really.

189
00:16:29,280 --> 00:16:31,657
Oh, hey. Yeah, give me that.

190
00:16:31,824 --> 00:16:34,869
Give me that file, will you?
You gotta check this out.

191
00:16:35,036 --> 00:16:39,999
I've been working on something here.
I'm doing a little consulting.

192
00:16:40,166 --> 00:16:44,420
You know, weighing in on a case
for A.P.D.

193
00:16:45,213 --> 00:16:49,133
Put that in for me.
Put that in over there.

194
00:16:49,300 --> 00:16:51,844
Hank, what is this?
It's not a dead body?

195
00:16:52,011 --> 00:16:54,555
Oh, no, no, no. Nothing like that.
No.

196
00:16:54,722 --> 00:16:57,141
Seriously, you guys
you gotta check this out.

197
00:16:57,308 --> 00:17:00,394
This is good. Ready?
Let me get it going here.

198
00:17:05,024 --> 00:17:06,859
Look at this guy.

199
00:17:07,318 --> 00:17:08,986
Look at--

200
00:17:22,416 --> 00:17:24,585
Oh, man.
You can't make this stuff up.

201
00:17:28,005 --> 00:17:29,674
Who is this?

202
00:17:29,840 --> 00:17:35,513
That, my friends, is Albuquerque's
public enemy number one.

203
00:17:41,143 --> 00:17:44,939
It's such a relief to finally tell you.

204
00:17:45,106 --> 00:17:50,611
We're just so glad that we have
a strong family to help us through this.

205
00:17:50,778 --> 00:17:53,239
That we can all support each other.

206
00:17:54,824 --> 00:18:00,037
Jesus. I don't even know where to--
Holy shit.

207
00:18:00,246 --> 00:18:01,956
Yeah.

208
00:18:03,249 --> 00:18:05,585
Walter H. White.

209
00:18:06,043 --> 00:18:08,212
Man of hidden talents.

210
00:18:08,921 --> 00:18:15,052

Dad, you're such a stud.
How much did you win exactly?

211
00:18:16,596 --> 00:18:20,016
-Dad?
-I don't think I have exact figures.

212
00:18:20,182 --> 00:18:25,354
It's enough to-- After taxes, of course,
to buy the car wash.

213
00:18:25,938 --> 00:18:28,858
Maybe even pay for...

214
00:18:29,066 --> 00:18:32,153
...a couple of halfway reasonable
college educations.

215
00:18:32,320 --> 00:18:35,281
Damn, Dad, why'd you quit?

216
00:18:36,115 --> 00:18:41,412
I can totally get a car
for my birthday now, right?

217
00:18:44,957 --> 00:18:51,964
Son, I'm terribly, terribly
ashamed of my actions.

218
00:18:53,090 --> 00:18:57,178
Would you excuse me, please?
I need to use the restroom.

219
00:19:27,875 --> 00:19:29,543
Walt?

220
00:19:39,470 --> 00:19:40,846
Hey!

221
00:19:41,597 --> 00:19:42,682
Sorry.

222

00:19:42,890 --> 00:19:47,478
-Thought you might have fallen in.
-No, no, I just....

223
00:19:47,645 --> 00:19:51,065
Hey, man, that was some big stuff
back there.

224
00:19:52,400 --> 00:19:55,236
No, we wanted to be thorough, so....

225
00:19:55,945 --> 00:20:00,408
Yeah, well, it was quite a tale. Couldn't
have been easy to, you know...

226
00:20:00,741 --> 00:20:02,618
...talk about.

227
00:20:05,121 --> 00:20:06,789
You know, Walt, if you....

228
00:20:06,956 --> 00:20:11,669
You can always bend my ear, right?
I mean, if you ever need to talk...

229
00:20:11,836 --> 00:20:16,340
...or just blow off some steam,
I'm here.

230
00:20:17,717 --> 00:20:19,844
Not going anywhere, so....

231
00:20:21,262 --> 00:20:23,013
Thanks, Hank.

232
00:20:26,934 --> 00:20:31,939
Same goes for me, you know. If you
ever wanna bounce anything off me...

233
00:20:32,106 --> 00:20:34,900
...I don't know, casework,
anything, really.

234

00:20:36,152 --> 00:20:38,487
Sometimes just talking
something through...

235

00:20:38,654 --> 00:20:41,449
...you know,
really can make a difference.

236

00:20:42,658 --> 00:20:47,621
We're definitely not talking bathtub
crank here. This is a big-ass operation.

237

00:20:47,788 --> 00:20:50,499
You know, hundreds of pounds a week.
Maybe more.

238

00:20:51,834 --> 00:20:57,798
So who is this person?
What do you know about him?

239

00:20:58,007 --> 00:21:00,593
Other than he's deader
than a Texas salad bar...

240

00:21:00,760 --> 00:21:02,595
...and has a decent set of pipes?

241

00:21:02,762 --> 00:21:06,098
-I'd say he's my guy.
-Your guy?

242

00:21:08,392 --> 00:21:13,606
There's this mystery man I've been
chasing for the better part of a year.

243

00:21:14,398 --> 00:21:19,195
Cooks the purest meth that me
or anyone else has ever seen.

244

00:21:20,529 --> 00:21:23,157
Goes by the name of Heisenberg.

245

00:21:26,243 --> 00:21:27,578
Yeah. Pretty weird, huh?

246
00:21:28,162 --> 00:21:31,832
I looked him up. It was one of these
physic-- One of Hitler's guys.

247
00:21:31,999 --> 00:21:36,086
You know, a physicist named
Werner Heisenberg. Real cute, huh?

248
00:21:36,253 --> 00:21:40,132
I figure with a handle like that,
my guy's gotta be some sort of....

249
00:21:40,299 --> 00:21:43,010
Some sort of an egghead. No offense.

250
00:21:43,177 --> 00:21:47,807
And here we go.
Gale "Major Tom" Boetticher.

251
00:21:48,098 --> 00:21:50,768
Anyway, I just wanna see if I'm,
you know...

252
00:21:50,935 --> 00:21:54,230
...not barking up the wrong tree,
chemically speaking.

253
00:21:54,396 --> 00:22:01,070
As far as I can make out, he's writing
about a phenylacetone cook, right?

254
00:22:02,655 --> 00:22:05,616
-Yeah.
-Yeah. That's pretty rare these days...

255
00:22:05,783 --> 00:22:08,994
...but it does jibe
with the blue stuff I've been tracking.

256
00:22:09,161 --> 00:22:14,124

"Two sticks dairy-free soy margarine,
two-third cup turbinado sugar."

257

00:22:15,668 --> 00:22:21,131
It's a recipe for vegan s'mores.
There's all kinds of crazy crap in there.

258

00:22:21,340 --> 00:22:24,134
Yeah, like, you know,
top-ten recumbent bicycles...

259

00:22:24,301 --> 00:22:25,928
...indoor composting tips.

260

00:22:26,136 --> 00:22:31,475
All right next to the mother
of methamphetamine syntheses.

261

00:22:31,684 --> 00:22:36,397
This guy was a....
Man, he was a real character.

262

00:22:36,564 --> 00:22:39,775
Yeah, he seems unique.

263

00:22:39,984 --> 00:22:42,611
Yeah. Let me show you something.
Give it here.

264

00:22:45,739 --> 00:22:48,868
Right here at the....
Right here at the top it says:

265

00:22:50,494 --> 00:22:55,499
"To W.W.
My star, my perfect silence."

266

00:22:56,083 --> 00:22:58,002
W.W.

267

00:22:58,711 --> 00:23:00,921
I mean, who do you figure that is?

268
00:23:01,630 --> 00:23:03,674
Woodrow Wilson?

269
00:23:04,925 --> 00:23:07,011
Willy Wonka?

270
00:23:08,846 --> 00:23:10,388
Walter White?

271
00:23:13,684 --> 00:23:15,477
You got me.

272
00:23:18,147 --> 00:23:20,524
W.W.

273
00:23:20,691 --> 00:23:23,485
Wait a minute. Let me see this...

274
00:23:24,320 --> 00:23:27,031
...for a second,
because I think I remembered....

275
00:23:28,406 --> 00:23:29,825
Here.

276
00:23:30,618 --> 00:23:31,994
Yes.

277
00:23:34,163 --> 00:23:35,247
Yeah.

278
00:23:35,413 --> 00:23:37,917
"When I Heard
the Learn'd Astronomer."

279
00:23:38,083 --> 00:23:39,501
Learned.

280
00:23:39,710 --> 00:23:45,591
And from time to time
Look'd up in perfect silence at the stars.

281
00:23:45,758 --> 00:23:49,219
It's a poem by Walt Whitman.

282
00:23:49,803 --> 00:23:51,764
Your W.W.

283
00:23:52,514 --> 00:23:54,808
You freaking brainiac.

284
00:23:54,975 --> 00:23:56,602
You freaking brainiac.

285
00:23:58,354 --> 00:24:01,565
I must have skipped that day
in school or something.

286
00:24:01,732 --> 00:24:04,777
I been chasing my tail about that one.
Bet you're right.

287
00:24:04,944 --> 00:24:07,947
-Well, I'm glad I could be of help.
-Yeah.

288
00:24:08,113 --> 00:24:10,448
Walt Whitman.

289
00:24:10,950 --> 00:24:16,372
So you think this Gale person
is your Heisenberg?

290
00:24:16,580 --> 00:24:18,749
Yeah, I think so. Yeah.

291
00:24:18,916 --> 00:24:20,626
God, I wanted to get this guy.

292
00:24:23,545 --> 00:24:25,005
It looks like you did.

293

00:24:25,172 --> 00:24:28,634
No, I mean, you know, me personally,
you know?

294
00:24:28,801 --> 00:24:32,972
I wanted to be the one to slap
the handcuffs on him, that kind of shit.

295
00:24:33,389 --> 00:24:36,850
Popeye Doyle waving to Frog One.

296
00:24:39,311 --> 00:24:43,565
If I recall, at least from the first
French Connection...

297
00:24:43,732 --> 00:24:47,319
...Popeye Doyle never actually
caught him.

298
00:24:49,487 --> 00:24:52,825
Yeah, I guess me
and old Popeye, huh?

299
00:24:53,117 --> 00:24:55,369
Day late and a dollar short.

300
00:25:01,166 --> 00:25:05,629
-What about the person who killed him?
-A.P.D.'s problem, not mine.

301
00:25:05,796 --> 00:25:07,548
-Any leads?
-My buddy Tim says...

302
00:25:07,715 --> 00:25:10,467
...they got some fingerprints
they're trying to ID.

303
00:25:10,634 --> 00:25:13,846
Eyewitness saw a person of interest.
Might get lucky there.

304
00:25:14,013 --> 00:25:17,641

Somebody knows something.
They'll track the shooter eventually.

305
00:25:18,976 --> 00:25:20,644
Jesse.

306
00:25:49,214 --> 00:25:50,632
Jesse.

307
00:25:50,799 --> 00:25:52,259
What's up?

308
00:26:01,559 --> 00:26:03,437
I need to talk to you.

309
00:26:03,604 --> 00:26:05,230
Okay.

310
00:26:09,985 --> 00:26:11,445
Now.

311
00:26:12,154 --> 00:26:13,947
Go ahead.

312
00:26:16,825 --> 00:26:20,454
Would you stop doing
what you're doing, please?

313
00:26:20,662 --> 00:26:24,041
I'm not done, yo.
And that dude's next.

314
00:26:26,584 --> 00:26:30,464
-What the hell? What is wrong--?
-We have business to discuss.

315
00:26:30,631 --> 00:26:32,966
So discuss. Jesus.

316
00:26:33,133 --> 00:26:34,551
Let go of me.

317
00:26:34,718 --> 00:26:37,346
Gale's murder is being investigated.

318
00:26:39,139 --> 00:26:43,477
And I have it on good authority that
they found fingerprints at the scene.

319
00:26:43,852 --> 00:26:45,562
Not mine.

320
00:26:47,064 --> 00:26:49,983
-We done here?
-No, we are not done here.

321
00:26:50,150 --> 00:26:52,778
What if they are yours?
How can you be so sure?

322
00:26:52,986 --> 00:26:56,698
Because I'm here. Your brother-in-law's
got such a hard-on for me...

323
00:26:56,865 --> 00:26:59,118
...if the cops found my fingerprints--

324
00:26:59,326 --> 00:27:02,746
If the cops found my prints
within five blocks of that place...

325
00:27:02,913 --> 00:27:05,207
...they would've picked me up
by now.

326
00:27:05,749 --> 00:27:07,543
What about the casing?

327
00:27:07,709 --> 00:27:09,753
-Oh, my God.
-Or casings?

328
00:27:09,962 --> 00:27:12,798
How many times

did you shoot him, anyway?

329

00:27:13,924 --> 00:27:17,886
Jesse, did you pick up the casings?

330

00:27:18,262 --> 00:27:20,597
Did you pick them up?

331

00:27:20,764 --> 00:27:21,849
No.

332

00:27:24,143 --> 00:27:25,978
Yeah, well....

333

00:27:26,436 --> 00:27:31,358
Listen, we gotta go over this
step-by-step, everything.

334

00:27:31,525 --> 00:27:34,778
Tell me exactly what happened
from the moment you got there.

335

00:27:34,945 --> 00:27:37,114
-I got in, I got out.
-No.

336

00:27:37,281 --> 00:27:41,034
No, I need to know specifics.
Now, we'll start from the beginning.

337

00:27:41,201 --> 00:27:46,081
You drove there. You drove over there.
You went to his door, right?

338

00:27:47,875 --> 00:27:49,751
Jesse, I need you to concentrate.

339

00:27:49,918 --> 00:27:52,588
This is very important.
Did you knock or ring?

340

00:27:52,796 --> 00:27:55,215

Knock or ring?

341

00:27:55,632 --> 00:27:56,967

Knock.

342

00:27:57,134 --> 00:28:00,387

Good, good. That's very good.

Now, listen.

343

00:28:00,721 --> 00:28:04,057

Assume that Gale answered the door.

What happened after that?

344

00:28:04,224 --> 00:28:05,601

Did he recognize you?

345

00:28:05,767 --> 00:28:07,936

Did you say anything to each other?

346

00:28:08,103 --> 00:28:12,065

Did you walk into the room or did you
shoot him right then and there?

347

00:28:12,232 --> 00:28:13,567

What?

348

00:28:15,360 --> 00:28:19,072

-Who wants to make a hundred bucks?

-Yeah.

349

00:28:35,505 --> 00:28:37,216

Look, the kid's probably right.

350

00:28:37,424 --> 00:28:41,178

If they had anything on him,
he'd be locked up already.

351

00:28:41,345 --> 00:28:43,972

What about my brother-in-law?

He suspects Jess--

352

00:28:44,139 --> 00:28:48,685

Hell, he knows Jesse is involved
in the sale of blue meth.

353

00:28:49,102 --> 00:28:54,066
That was Hank's one-and-only lead.
What if he puts two and two together...

354

00:28:54,233 --> 00:28:56,526
...and he goes after Jesse
for the murder?

355

00:28:56,693 --> 00:28:59,863
Goes after him how,
on his Rascal scooter?

356

00:29:01,698 --> 00:29:04,618
That perhaps sounded insensitive.

357

00:29:04,826 --> 00:29:08,956
But if he goes after him,
I'll sue his ass for police brutality...

358

00:29:09,122 --> 00:29:11,500
...harassment,
assault and 16 other things.

359

00:29:11,667 --> 00:29:15,212
No, history those two have together,
being what it is...

360

00:29:15,379 --> 00:29:19,675
...gotta figure your brother-in-law's
smart enough not to go down that road.

361

00:29:19,883 --> 00:29:23,720
Goose egg. Bubkes.
That's what the cops got.

362

00:29:23,887 --> 00:29:26,014
I wouldn't worry about it.

363

00:29:26,265 --> 00:29:29,309
Yeah, what else should I

not worry about, Saul?

364

00:29:29,476 --> 00:29:33,563

Should I not worry that Gus plans to
murder me at the first chance he gets?

365

00:29:33,730 --> 00:29:38,443

That my drug-addicted partner doesn't
seem to care whether he lives or dies?

366

00:29:38,610 --> 00:29:43,657

You should see his house.

It's like skid row.

367

00:29:43,824 --> 00:29:46,827

He has actual hobos living there.

368

00:29:47,035 --> 00:29:50,497

Now, how long before Gus decides
that he's too big of a risk?

369

00:29:50,664 --> 00:29:55,669

Jeez, I got Mike,
that grunting, dead-eyed cretin...

370

00:29:55,877 --> 00:30:00,424

...sucker-punching me in the face.
I've got Gus wielding a box cutter.

371

00:30:00,590 --> 00:30:05,387

I mean, Western Union,
message received.

372

00:30:07,848 --> 00:30:12,561

Let me ask you.
When did this stop being a business?

373

00:30:12,728 --> 00:30:17,649

Why am I the only person capable
of behaving in a professional manner?

374

00:30:21,069 --> 00:30:25,532

No, any way you slice it,

everyone is in danger.

375

00:30:26,450 --> 00:30:29,328
I mean, how can I protect anyone?

376

00:30:29,494 --> 00:30:32,205
My family, Jesse, myself?

377

00:30:32,998 --> 00:30:37,002
My name never comes up
with those guys, does it?

378

00:30:38,754 --> 00:30:43,258
And meanwhile, we're buying
this stupid car wash.

379

00:30:43,425 --> 00:30:48,680
Oh, yeah.
That ship has sailed, bon voyage.

380

00:30:48,847 --> 00:30:51,767
We are committed.
We already told our family about it.

381

00:30:51,933 --> 00:30:54,895
And now Skyler,
I'm sure she believes--

382

00:30:55,062 --> 00:30:59,649
She needs to believe
that everything is neat and tidy.

383

00:30:59,858 --> 00:31:03,737
And she's telling herself that
I work in this nice, quiet little lab...

384

00:31:03,904 --> 00:31:06,615
...with a white lab coat
and a pocket protector...

385

00:31:06,782 --> 00:31:10,327
...and when my contract is up,
I'll just simply hang it all up...

386
00:31:10,494 --> 00:31:12,537
...tip my hat and walk away.

387
00:31:16,708 --> 00:31:18,627
Oh, God.

388
00:31:19,211 --> 00:31:21,922
How did everything
get so screwed up?

389
00:31:23,965 --> 00:31:27,427
Yeah, you do have a little
shit-creek action happening.

390
00:31:35,394 --> 00:31:40,148
You know, FYI,
you can buy a paddle.

391
00:31:42,651 --> 00:31:45,445
This is a last-resort,
back-pocket kind of thing...

392
00:31:45,612 --> 00:31:50,283
...but if you really gotta protect
yourself, disappear....

393
00:31:55,330 --> 00:32:01,711
There's a guy who can make it happen.
They call him a "dissapearer."

394
00:32:02,295 --> 00:32:05,298
For a substantial fee,
and I do mean substantial...

395
00:32:05,465 --> 00:32:09,553
...you and your loved ones can vanish.
Untraceable.

396
00:32:09,761 --> 00:32:12,431
I mean, he sets you up
with a whole new life.

397

00:32:13,306 --> 00:32:17,644
What, like a witness protection
kind of thing?

398

00:32:17,853 --> 00:32:20,147
Beyond. I mean, off the grid.

399

00:32:20,355 --> 00:32:24,818
New identities, new everything.
No one would ever be able to trace you.

400

00:32:25,026 --> 00:32:28,989
Now, be clear. This is an end game,
if you get my meaning.

401

00:32:29,156 --> 00:32:31,575
I mean, there's no coming back.

402

00:32:35,996 --> 00:32:38,832
So you want his card?

403

00:32:44,921 --> 00:32:47,674
God, there's gotta be something else
that I can do.

404

00:32:49,009 --> 00:32:52,220
Some way to keep everything
from spiraling out of control.

405

00:32:52,387 --> 00:32:54,055
Well, from what you told me...

406

00:32:54,222 --> 00:32:58,351
...it sounds like Pinkman is first up
in the imminent-demise department.

407

00:33:01,354 --> 00:33:04,816
Gus won't risk
letting the police find Jesse.

408

00:33:04,983 --> 00:33:07,402
I know him. He won't.

409
00:33:29,174 --> 00:33:32,928
I'm not kidding. If you really
think about it, you can't even see it.

410
00:33:33,094 --> 00:33:36,181
How can you know how bad
radio frequencies, microwaves...

411
00:33:36,348 --> 00:33:38,266
...and cell phones are getting you?

412
00:33:38,433 --> 00:33:41,853
You could be strolling
through security at the airport--

413
00:33:42,020 --> 00:33:43,480
Hey, wake up, bitches.

414
00:33:43,647 --> 00:33:46,399
You get waved through a full-body
x-ray scanner.

415
00:33:46,566 --> 00:33:50,904
Next day, you could be dead or dying
from all the radiation they say is safe.

416
00:33:51,071 --> 00:33:54,908
But there's no way it could be.
It has to deliver a concentrated dose.

417
00:33:55,075 --> 00:33:56,618
Enough to penetrate clothes.

418
00:33:56,785 --> 00:34:00,664
The accumulated amount could be
dangerous to susceptible individuals...

419
00:34:00,830 --> 00:34:03,041
-...especially from a rural area.
-Yo.

420

00:34:03,208 --> 00:34:06,294
The ozone layer is already thin
because of the cow farts.

421
00:34:06,461 --> 00:34:08,964
-Yo!
-Oh, hey.

422
00:34:09,172 --> 00:34:11,591
Make sure there's pizza here
when I get back.

423
00:34:11,758 --> 00:34:14,386
-All right? Enough for everybody.
-Oh, yeah.

424
00:34:14,553 --> 00:34:17,305
I can do that. I can definitely do that.

425
00:34:17,472 --> 00:34:20,642
Not a problem.
I can get the stuff, the pizza and stuff.

426
00:34:20,809 --> 00:34:23,937
But as far as the financial situation,
you know....

427
00:34:28,692 --> 00:34:32,612
-Just hang on. Hang on.
-Yeah, yeah.

428
00:34:32,779 --> 00:34:35,657
And you know,
the concentrated doses...

429
00:34:35,824 --> 00:34:40,328
...it's gonna fuck with your bone
marrow and it's gonna mess up....

430
00:34:53,133 --> 00:34:55,844
Because-- Because especially
if you have cancer.

431

00:34:56,011 --> 00:34:59,389
You know, because if you gotta get
a bone-marrow transplant...

432
00:34:59,556 --> 00:35:03,101
...your odds are 60 percent.
You got a 60 percent chan--

433
00:35:03,268 --> 00:35:04,811
Hey.

434
00:35:08,023 --> 00:35:10,317
Hey, hey.

435
00:35:10,483 --> 00:35:12,360
Get some dipping sticks too, yo.

436
00:35:12,527 --> 00:35:15,405
Yeah, I can definitely get
dipping sticks.

437
00:35:15,614 --> 00:35:18,742
All right. I can get them.

438
00:36:35,527 --> 00:36:39,364
Hey, smoke it up, bitches.

439
00:37:29,706 --> 00:37:31,666
Gotcha!

440
00:38:04,199 --> 00:38:05,700
Wake up.

441
00:38:08,369 --> 00:38:09,996
Wake up.

442
00:38:13,458 --> 00:38:15,293
What's up?

443
00:38:18,046 --> 00:38:20,215
What's up with your ear?

444
00:38:20,799 --> 00:38:22,217
Downstairs. Now.

445
00:38:29,390 --> 00:38:30,642
Where is everybody?

446
00:38:30,809 --> 00:38:33,603
I invited your guests to leave.

447
00:38:41,444 --> 00:38:43,488
Know who this is?

448
00:38:43,655 --> 00:38:45,198
-Nope.
-You ought to.

449
00:38:45,365 --> 00:38:48,660
He's been at your house
for three solid days.

450
00:38:48,827 --> 00:38:50,078
Okay.

451
00:38:50,245 --> 00:38:52,038
He stole your money.

452
00:38:52,205 --> 00:38:54,040
Okay.

453
00:38:54,833 --> 00:38:58,920
That \$78,000 or so look familiar?

454
00:38:59,087 --> 00:39:01,798
-This is it?
-That's it.

455
00:39:03,758 --> 00:39:07,136
Okay. Thanks.

456
00:39:11,140 --> 00:39:14,394
Wanna know what's next for

Little Miss Pissed-in-His-Pants?

457

00:39:14,561 --> 00:39:16,271

-No.

-You sure, now?

458

00:39:16,437 --> 00:39:20,817

-Yep.

-Don't even wanna take a wild guess?

459

00:39:22,777 --> 00:39:24,988

You're gonna kill him.

460

00:39:26,406 --> 00:39:29,909

Is this the part where
I'm supposed to beg you not to do it?

461

00:39:30,076 --> 00:39:32,579

Oh, please, please.

462

00:39:32,787 --> 00:39:34,581

And then what?

463

00:39:34,873 --> 00:39:38,001

I'm supposed to promise,
cross my heart...

464

00:39:38,167 --> 00:39:41,004
...to straighten up and fly right
or toe the line...

465

00:39:41,170 --> 00:39:43,673

...or some other crap
that I'm not gonna say?

466

00:39:43,840 --> 00:39:47,051
Is that what your little show here
was all about?

467

00:39:48,094 --> 00:39:52,557
You're on thin ice, you little shithead.
You know that?

468
00:39:55,184 --> 00:39:58,062
You ain't gonna smoke
that dude in there.

469
00:39:58,229 --> 00:39:59,939
You know how come I know?

470
00:40:00,106 --> 00:40:04,193
Because you went through the trouble
of putting a blindfold on him.

471
00:40:08,239 --> 00:40:10,366
I'm going back to bed.

472
00:40:10,575 --> 00:40:12,785
Let yourselves out.

473
00:40:23,963 --> 00:40:26,215
I'm sorry to keep you waiting.

474
00:40:27,675 --> 00:40:30,887
-How's the ear?
-Mending.

475
00:40:38,186 --> 00:40:39,771
What can I do for you?

476
00:40:39,938 --> 00:40:41,606
It's Pinkman.

477
00:40:41,773 --> 00:40:44,108
He's become increasingly incautious.

478
00:40:44,651 --> 00:40:47,403
He's a risk. A liability.

479
00:40:47,612 --> 00:40:52,075
I know he and Walter come as a team
and that Walter won't like it...

480
00:40:52,450 --> 00:40:55,119

...but something's gotta be done.

481

00:41:30,238 --> 00:41:31,698
You gotta be kidding.

482

00:41:39,789 --> 00:41:43,042
Hey, it's me. Wait for the thing.

483

00:41:43,209 --> 00:41:47,088
Right.
This is message number three.

484

00:41:47,463 --> 00:41:51,718
You'd better be ready in two minutes,
because I am right outside your door.

485

00:41:55,680 --> 00:41:57,265
Jesse.

486

00:41:59,767 --> 00:42:01,394
Jesse!

487

00:42:05,857 --> 00:42:07,483
Damn it.

488

00:42:12,780 --> 00:42:14,615
Hey, it's me. Wait for the thing.

489

00:42:14,782 --> 00:42:16,159
Oh, great.

490

00:42:20,038 --> 00:42:21,539
Jesse!

491

00:42:21,706 --> 00:42:23,416
This is perfect.

492

00:42:23,583 --> 00:42:25,793
You are a piece of work,
you know that?

493

00:42:38,514 --> 00:42:40,308
Jesse?

494
00:42:43,478 --> 00:42:44,562
Jesse.

495
00:42:48,107 --> 00:42:49,734
Jesse?

496
00:43:16,302 --> 00:43:19,388
Hey, it's me. Wait for the thing.

497
00:43:42,870 --> 00:43:44,872
Where is he?

498
00:44:04,433 --> 00:44:06,978
Gonna ask where we're going?

499
00:44:08,688 --> 00:44:10,356
Nope.
