Jason Douglas	...	Detective Munn
Matt Berlin	...	DEA Agent
Kevin Wiggins	...	Gus' Operative
Augusta Meyers	...	News Reporter
Lorenzita Anaya	...	Little Old Lady
Marty Smith	...	Bingo Caller
Erica Viking	...	Radio DJ #1 (voice)
Steve Ruiz	...	Radio DJ #2 (voice)

1

00:01:05,107 --> 00:01:06,525  
What did you say to Gus?

2

00:01:06,692 --> 00:01:10,112  
-Because he's on to us. Yeah.  
-What do you mean he's on to us?

3

00:01:10,279 --> 00:01:13,282  
He's walking to his car,  
then suddenly he isn't.

4

00:01:13,448 --> 00:01:15,284  
What, does he have a sixth sense?

5

00:01:15,450 --> 00:01:17,202  
Jesus. What did you say to him?

6

00:01:17,369 --> 00:01:20,789  
Could I ask my own question right now  
at this point?

7

00:01:20,956 --> 00:01:23,458  
Did you just bring a bomb  
into a hospital?

8

00:01:23,875 --> 00:01:26,920  
What, was I supposed to leave it  
on his car?

9

00:01:27,086 --> 00:01:29,840  
What, you're supposed to bring it  
to a hospital?

10

00:01:30,507 --> 00:01:31,883  
Oh, my God.

11

00:01:32,050 --> 00:01:33,343  
Look.

12

00:01:33,635 --> 00:01:35,721  
Where can we find Gus?

13  
00:01:35,887 --> 00:01:38,724  
Name a place. One place  
where I can surprise him...

14  
00:01:38,890 --> 00:01:41,351  
...where he won't see me coming.

15  
00:01:41,977 --> 00:01:45,355  
Because his house, the laundry...

16  
00:01:45,522 --> 00:01:48,692  
...the restaurant, factory farm,  
all wired with cameras.

17  
00:01:48,859 --> 00:01:50,819  
One place.

18  
00:01:51,194 --> 00:01:53,822  
Think. Jesse, think.

19  
00:01:53,989 --> 00:01:55,907  
Where is it? Where?

20  
00:01:56,074 --> 00:01:58,577  
Because if you can't tell me...

21  
00:01:58,744 --> 00:02:00,662  
...we are dead.

22  
00:02:10,380 --> 00:02:12,132  
Jesse?

23  
00:02:12,841 --> 00:02:14,551  
I don't-- I don't know.

24  
00:02:15,260 --> 00:02:16,678  
Well, maybe--

25  
00:02:16,845 --> 00:02:19,306  
Excuse me. Jesse Pinkman?

26

00:02:19,890 --> 00:02:22,559

-Yeah.

-Hi. Detective Kalanchoe.

27

00:02:22,934 --> 00:02:25,020

Detective Munn,  
Albuquerque Police.

28

00:02:25,187 --> 00:02:29,232

We were wondering if we could have  
a few minutes. Go someplace and talk.

29

00:02:29,399 --> 00:02:30,484

About what?

30

00:02:30,651 --> 00:02:33,278

-Sorry, I didn't catch your name.

-About what?

31

00:02:33,445 --> 00:02:35,155

It concerns Brock Cantillo...

32

00:02:35,322 --> 00:02:37,616

...and a statement you made  
to his mother.

33

00:02:37,783 --> 00:02:39,368

How about you come with us?

34

00:02:39,534 --> 00:02:42,579

We just wanna clear a few things up,  
no big deal.

35

00:03:19,449 --> 00:03:23,412

-So am I under arrest?

-No, you're not under arrest.

36

00:03:23,578 --> 00:03:24,746

We're just talking.

37

00:03:24,913 --> 00:03:27,958

So if I get tired of talking,

can I get up and leave?

38

00:03:28,125 --> 00:03:30,460  
We'd prefer you didn't.

39

00:03:30,794 --> 00:03:32,170  
-You'd prefer.  
-Yeah.

40

00:03:32,337 --> 00:03:36,675  
Jesse, why'd you tell Brock's mom  
that the boy had been poisoned?

41

00:03:37,384 --> 00:03:42,347  
Look, I think this has been,  
you know...

42

00:03:42,931 --> 00:03:44,975  
...what do call it? Overblown.

43

00:03:45,142 --> 00:03:46,977  
Because all I basically said was:

44

00:03:47,144 --> 00:03:51,314  
"Have the doctors thought  
maybe Brock got poisoned?"

45

00:03:51,481 --> 00:03:53,442  
In a cover-all-bases kind of sense.

46

00:03:53,608 --> 00:03:57,696  
Yeah, I'm sure they appreciate that.  
You helping them out like that.

47

00:03:57,863 --> 00:03:59,781  
Especially how specific you were.

48

00:03:59,948 --> 00:04:01,908  
Ricin, wow.

49

00:04:02,075 --> 00:04:05,620  
Ricin, that's definitely a big one.

You don't see that every day.

50

00:04:05,787 --> 00:04:09,040  
So when doctors hear that,  
they take it very seriously.

51

00:04:09,207 --> 00:04:11,084  
As do we.

52

00:04:11,251 --> 00:04:14,254  
-As does the FBI.  
-Okay.

53

00:04:14,421 --> 00:04:17,048  
Nice, you trying to help out  
like that and all.

54

00:04:17,215 --> 00:04:21,344  
You know, professional courtesy,  
sharing your expertise.

55

00:04:21,511 --> 00:04:25,974  
Look, I ain't got no expertise, all right?  
I just, you know--

56

00:04:26,141 --> 00:04:28,435  
You happened  
to guess this rare poison...

57

00:04:28,602 --> 00:04:31,813  
...might be the thing  
that put this boy in the hospital.

58

00:04:31,980 --> 00:04:36,276  
Congratulations. Because his doctors,  
they think that you might just be right.

59

00:04:36,443 --> 00:04:39,738  
So why ricin?  
Jesse, how'd you come up with that?

60

00:04:39,905 --> 00:04:44,826  
I think I've-- I don't know, I must've

saw it on House or something.

61

00:04:45,660 --> 00:04:49,122  
Yeah, you know, like, House  
or the Discovery Channel.

62

00:04:49,289 --> 00:04:52,209  
Sometimes your brain  
just makes these connections.

63

00:04:52,375 --> 00:04:54,211  
-Does it?  
-Mine does.

64

00:04:54,836 --> 00:04:56,129  
That's interesting.

65

00:04:56,296 --> 00:04:58,840  
Look, I gotta get back.

66

00:04:59,007 --> 00:05:01,218  
But we're still talking.

67

00:05:02,928 --> 00:05:05,764  
So I'm not under arrest,  
but I can't leave.

68

00:05:06,807 --> 00:05:09,893  
So then, I guess...

69

00:05:10,060 --> 00:05:12,395  
...I should call my lawyer, right?

70

00:05:12,562 --> 00:05:15,524  
We're just having  
a simple conversation, Jess.

71

00:05:15,690 --> 00:05:18,443  
Why can't we keep talking,  
keep it light?

72

00:05:18,610 --> 00:05:21,112

You know how it is  
when the lawyers get to it.

73

00:05:21,279 --> 00:05:23,657  
Suddenly,  
everything's a big pissing match.

74

00:05:23,824 --> 00:05:25,951  
-Like, every time.  
-Adversarial.

75

00:05:26,117 --> 00:05:28,578  
Adversarial.  
Then we gotta book you. Right?

76

00:05:28,745 --> 00:05:31,665  
I mean, you know.  
You've been around the block, Jesse.

77

00:05:32,207 --> 00:05:33,917  
You're no Boy Scout.

78

00:05:36,419 --> 00:05:37,879  
Saul Goodman.

79

00:05:38,046 --> 00:05:39,923  
That's my guy.

80

00:05:40,090 --> 00:05:43,593  
So do I gotta call him or do you?

81

00:06:20,755 --> 00:06:22,299  
What the hell are you doing?

82

00:06:22,465 --> 00:06:24,843  
-I need Saul. Right now.  
-So you break in?

83

00:06:25,010 --> 00:06:27,386  
-You just break in.  
-I see you're here.

84

00:06:27,554 --> 00:06:31,349  
If you'd answer the phone or the door,  
maybe I wouldn't-- Forget it.

85  
00:06:32,100 --> 00:06:33,143  
Is he here?

86  
00:06:33,310 --> 00:06:36,062  
Is that a serious question?  
Why would he be here?

87  
00:06:36,229 --> 00:06:38,565  
But you know where he is.  
I need a number.

88  
00:06:39,274 --> 00:06:41,484  
Look, let me explain something  
to you.

89  
00:06:41,651 --> 00:06:43,987  
-My partner and I--  
-Are in danger?

90  
00:06:44,154 --> 00:06:46,990  
Whopty-freakingdoo.  
Why do you think he's not here?

91  
00:06:47,157 --> 00:06:50,994  
And how's that news, exactly,  
the two of you being in danger?

92  
00:06:51,161 --> 00:06:52,829  
After doing something idiotic?

93  
00:06:52,996 --> 00:06:55,665  
What gives you the right  
to break down my door?

94  
00:06:55,832 --> 00:06:58,335  
Look, I just need a number, okay?  
That's all.

95  
00:06:58,501 --> 00:07:02,255

You are such a pain in my ass,  
you know that?

96

00:07:02,421 --> 00:07:05,383  
You're the reason  
I gotta go on unemployment.

97

00:07:05,550 --> 00:07:08,178  
I was looking forward  
to getting out of here.

98

00:07:08,345 --> 00:07:11,014  
But, no,  
now I gotta wait around all day...

99

00:07:11,181 --> 00:07:14,225  
...for a guy to come fix this door.  
Who pays for this?

100

00:07:14,392 --> 00:07:16,519  
Okay, you know what?

101

00:07:16,686 --> 00:07:19,773  
Here, look, I'm giving you everything.  
All of it, okay?

102

00:07:19,940 --> 00:07:21,066  
There's one, two....

103

00:07:21,524 --> 00:07:25,153  
Look, there's gotta be at least  
1700 dollars there, okay?

104

00:07:25,320 --> 00:07:28,865  
More than cover the cost of the door.  
Now, I apologize profusely.

105

00:07:29,032 --> 00:07:31,368  
Please. The phone number.

106

00:07:32,869 --> 00:07:35,997  
A door like this is gonna cost  
way more than 1700.

107  
00:07:36,164 --> 00:07:38,500  
What, for a plate of glass? No.

108  
00:07:38,667 --> 00:07:41,002  
Oh, yeah. I bet it does.

109  
00:07:41,169 --> 00:07:43,964  
I bet you it winds up costing...

110  
00:07:44,839 --> 00:07:46,549  
...20,000.

111  
00:07:48,760 --> 00:07:50,136  
Are you insane?

112  
00:07:50,303 --> 00:07:55,016  
Who the hell is going to charge  
\$20,000 for a plate-glass door?

113  
00:07:55,183 --> 00:07:57,769  
There's no reputable vendor would--

114  
00:08:03,733 --> 00:08:06,403  
Now I'm thinking 25.

115  
00:08:13,535 --> 00:08:14,911  
I'll be right back.

116  
00:09:22,479 --> 00:09:25,231  
Yes. Albuquerque, New Mexico.

117  
00:09:25,648 --> 00:09:30,653  
The number of Rebecca Simmons,  
306 Negra Arroyo Lane.

118  
00:09:30,820 --> 00:09:34,741  
Would you connect it for me, please?  
Thank you.

119  
00:09:38,787 --> 00:09:41,956

Becky, hi. It's Walter White.

120

00:09:42,123 --> 00:09:43,750  
Listen, I wo--

121

00:09:43,917 --> 00:09:47,462  
I'm fine. I'm fine. How are you?

122

00:09:47,754 --> 00:09:50,048  
Oh, good, good.

123

00:09:50,215 --> 00:09:52,300  
Yes, cats are....

124

00:09:52,467 --> 00:09:53,676  
Listen.

125

00:09:53,843 --> 00:09:56,888  
Skyler and I are out of town,  
on our way to Santa Fe...

126

00:09:57,055 --> 00:10:00,350  
...and Junior just told us  
that he thinks...

127

00:10:00,517 --> 00:10:04,020  
...he may have left the burner on  
on the stove.

128

00:10:04,187 --> 00:10:07,649  
Yes, God forbid, there's a fire.

129

00:10:08,358 --> 00:10:11,903  
Well, that's why I'm calling.  
You se-- I just wanted to ask...

130

00:10:12,070 --> 00:10:15,740  
...and I'm sorry to do this,  
but do you still have the key?

131

00:10:15,907 --> 00:10:19,702  
You do? Good.

And would you be willing to--?

132

00:10:19,869 --> 00:10:23,748

Oh, you are a lifesaver.

Thank you so much.

133

00:10:23,915 --> 00:10:26,417

Yes. Okay.

134

00:10:26,584 --> 00:10:30,672

Okay. I'll await your call.

Thank you so much. Bye-bye.

135

00:10:45,937 --> 00:10:47,939

There you go.

136

00:12:13,107 --> 00:12:14,733

Becky?

137

00:12:18,321 --> 00:12:21,157

Oh, that's good. That's a relief.

138

00:12:21,658 --> 00:12:25,036

I owe you one. Bigtime.

139

00:13:32,729 --> 00:13:34,772

So how's he doing?

140

00:13:37,150 --> 00:13:40,945

You could at least say, instead  
of being a couple dicks about it.

141

00:13:41,988 --> 00:13:45,033

Jesse, if you care at all  
about that little boy...

142

00:13:45,199 --> 00:13:47,201

...prove it to me.

143

00:13:47,535 --> 00:13:49,162

Tell us what you know.

144  
00:13:49,329 --> 00:13:51,748  
-I told you what I know.  
-Tell us again.

145  
00:13:51,914 --> 00:13:56,044  
What are you, like, broken records?

146  
00:13:56,210 --> 00:13:58,713  
I was trying to be helpful.

147  
00:13:58,880 --> 00:14:00,798  
End of story.

148  
00:14:02,008 --> 00:14:04,969  
Guess we'll wait and see  
what the tox screen says.

149  
00:14:08,765 --> 00:14:11,601  
Look at this. Isn't this cozy?  
What'd you tell them?

150  
00:14:11,768 --> 00:14:14,228  
I told them they're a couple of dicks.

151  
00:14:14,395 --> 00:14:15,438  
He's a wordsmith.

152  
00:14:15,605 --> 00:14:19,025  
Well, detectives, it's been a pleasure.  
Now, up you go...

153  
00:14:19,192 --> 00:14:23,196  
...make like you got manners,  
make like you respect the rule of law.

154  
00:14:23,363 --> 00:14:28,326  
Au revoir, auf Wiedersehen,  
hasta luego, get the hell out.

155  
00:14:28,493 --> 00:14:32,413  
Bye-bye. That's it, pick it up.  
Follow your partner.

156

00:14:32,580 --> 00:14:34,290  
And one-two.

157

00:14:34,457 --> 00:14:36,167  
Thank you.

158

00:14:36,334 --> 00:14:38,378  
Christ. You two--?

159

00:14:38,544 --> 00:14:42,256  
If I ever get anal polyps,  
I'll know what to name them.

160

00:14:42,423 --> 00:14:44,550  
Are you gonna get me out of here?

161

00:14:46,344 --> 00:14:49,389  
No. Not even if I could.

162

00:14:49,555 --> 00:14:53,017  
You know, the FBI's gonna show up  
on this ricin thing...

163

00:14:53,184 --> 00:14:56,437  
...and then you're in it  
for the duration.

164

00:14:57,563 --> 00:14:59,273  
You're a lot safer in here.

165

00:14:59,440 --> 00:15:01,984  
They tried to get your partner  
in his own home.

166

00:15:02,151 --> 00:15:04,195  
Jesus.

167

00:15:04,362 --> 00:15:05,655  
Is he okay?

168

00:15:05,822 --> 00:15:09,492  
Well, he's okay like a fruit fly's okay.

169  
00:15:09,659 --> 00:15:12,537  
Now, we're all on the clock here  
and thanks for that.

170  
00:15:12,703 --> 00:15:15,289  
Wanna go stick your wangs  
in a hornet's nest...

171  
00:15:15,456 --> 00:15:19,877  
...it's a free country. But how come  
I always get sloppy seconds, huh?

172  
00:15:20,586 --> 00:15:24,715  
You got anything for me? Tell me  
I didn't poke my head up for nothing.

173  
00:15:27,260 --> 00:15:28,636  
Yeah.

174  
00:15:28,803 --> 00:15:30,680  
I've been thinking....

175  
00:15:30,930 --> 00:15:32,723  
And?

176  
00:15:34,517 --> 00:15:35,768  
Casa Tranquila.

177  
00:15:35,935 --> 00:15:37,270  
What's Casa Tranquila?

178  
00:15:37,437 --> 00:15:39,814  
It's an old folks' home  
off Paseo Del Norte.

179  
00:15:39,981 --> 00:15:43,317  
Our boy tells me Fring took him  
to visit one of the patients.

180

00:15:43,484 --> 00:15:46,154  
Someone Pinkman says  
you'll definitely remember:

181  
00:15:46,320 --> 00:15:48,322  
Tio Salamanca.

182  
00:15:49,907 --> 00:15:52,326  
Old guy in a wheelchair?

183  
00:15:54,537 --> 00:15:57,623  
Doesn't talk, rings a bell.

184  
00:15:57,790 --> 00:15:59,792  
I mean, does that ring a bell?

185  
00:15:59,959 --> 00:16:04,964  
-The guy actually has to ring a bell.  
-Yes, I know. I remember.

186  
00:16:06,048 --> 00:16:08,468  
So, what, once every blue moon...

187  
00:16:08,634 --> 00:16:12,388  
...Gus goes and visits  
an old cartel associate.

188  
00:16:12,555 --> 00:16:15,349  
That doesn't help me.

189  
00:16:15,516 --> 00:16:18,352  
I can't hide out in a nursing home  
for six months...

190  
00:16:18,519 --> 00:16:22,523  
...hoping on the off chance  
that he comes back.

191  
00:16:23,191 --> 00:16:25,401  
It's not even like they're friends.

192  
00:16:25,568 --> 00:16:28,946

Pinkman said it was like  
he was torturing the old guy.

193

00:16:29,113 --> 00:16:31,032  
What does that mean?

194

00:16:32,074 --> 00:16:35,870  
He told him the last of his family  
was dead. He enjoyed telling him.

195

00:16:36,037 --> 00:16:38,831  
Pinkman asked him about it.  
All Gus would say...

196

00:16:38,998 --> 00:16:42,418  
...was that this Tio character  
murdered someone close to him.

197

00:16:43,419 --> 00:16:46,339  
Wait.  
Tio murdered someone close to Gus?

198

00:16:46,506 --> 00:16:49,717  
I know,  
it sounds not particularly fruitful.

199

00:16:49,884 --> 00:16:53,971  
But, sorry, that's all I got.

200

00:16:55,181 --> 00:16:59,101  
They're enemies, not friends.

201

00:17:00,561 --> 00:17:04,565  
Next number in this cover-all game  
where you cover the whole shimoly...

202

00:17:04,732 --> 00:17:09,529  
...is B number three,  
like Goldilocks and the Three Bears.

203

00:17:09,695 --> 00:17:13,199  
That's number three  
in your B column.

204

00:17:13,366 --> 00:17:17,411  
Followed by O, seven, four...

205

00:17:17,578 --> 00:17:22,875  
...that's O, 74,  
on the other side of your card.

206

00:17:25,670 --> 00:17:29,549  
Now we have  
that lucky number B, number seven.

207

00:17:29,715 --> 00:17:32,176  
Is it lucky for you?

208

00:17:32,343 --> 00:17:34,178  
B, seven.

209

00:17:34,345 --> 00:17:36,973  
In the I row, two, one.

210

00:17:37,139 --> 00:17:39,225  
I, 21.

211

00:17:39,392 --> 00:17:42,019  
I know you despise me.

212

00:17:42,728 --> 00:17:45,815  
And I know how badly  
you wanna see me dead.

213

00:17:46,399 --> 00:17:50,278  
But I'm willing to bet that I know a man  
whom you hate even more.

214

00:17:50,444 --> 00:17:53,864  
Those N's just keep coming.  
They're all sticking together.

215

00:17:55,283 --> 00:17:58,619  
I'm offering you an opportunity  
for revenge.

216  
00:17:58,786 --> 00:18:00,913  
G column, four, eight...

217  
00:18:01,080 --> 00:18:05,126  
...the continental United States,  
excluding Alaska and Hawaii.

218  
00:18:23,352 --> 00:18:26,063  
Okay. I'm here.

219  
00:18:26,230 --> 00:18:29,734  
How you doing this morning,  
Mr. Salamanca? You need something?

220  
00:18:29,900 --> 00:18:32,153  
You need to go poopie, huh?

221  
00:18:32,320 --> 00:18:34,655  
Did you go poopie already? No?

222  
00:18:34,822 --> 00:18:36,490  
What do you need?

223  
00:18:36,741 --> 00:18:38,868  
You want me to get  
the board for you?

224  
00:18:39,035 --> 00:18:40,494  
Okay.

225  
00:18:41,912 --> 00:18:43,789  
All right.

226  
00:18:45,082 --> 00:18:49,045  
Okay. Here we go.

227  
00:18:50,963 --> 00:18:53,507  
A, E, I--

228  
00:18:53,674 --> 00:18:59,347

Row I. I, J, K, L, M, N--

229

00:18:59,513 --> 00:19:01,390  
First letter N.

230

00:19:01,557 --> 00:19:03,142  
A, E--

231

00:19:03,309 --> 00:19:07,438  
Row E. E-- Second letter E.

232

00:19:07,605 --> 00:19:10,232  
A, E-- Row E.

233

00:19:10,399 --> 00:19:13,319  
E-- Next letter E.

234

00:19:13,861 --> 00:19:15,613  
A-- Row A.

235

00:19:15,780 --> 00:19:19,575  
A, B, C, D--

236

00:19:19,742 --> 00:19:21,702  
Next letter D.

237

00:19:21,869 --> 00:19:23,788  
A-- Row A.

238

00:19:23,954 --> 00:19:27,500  
A, B, C, D--

239

00:19:27,667 --> 00:19:29,293  
Next letter D.

240

00:19:29,460 --> 00:19:31,921  
A, E-- Row E.

241

00:19:32,088 --> 00:19:34,965  
E-- E.

242  
00:19:35,132 --> 00:19:36,884  
A-- Row A.

243  
00:19:37,051 --> 00:19:39,470  
A-- Next letter A.

244  
00:19:39,637 --> 00:19:44,433  
A, E, I, O, U....

245  
00:19:45,893 --> 00:19:52,983  
I don't think we're finished,  
Mr. Salamanca. A, E, I, O, U.

246  
00:19:53,150 --> 00:19:55,945  
Finish the word, Mr. Salamanca.

247  
00:19:56,320 --> 00:19:59,365  
Is it "dear?"

248  
00:19:59,532 --> 00:20:03,202  
Is it "deal?"

249  
00:20:06,288 --> 00:20:10,000  
Honey, "dea" ain't a word.  
Help me out here.

250  
00:20:37,194 --> 00:20:41,282  
-Hey, son, what's up?  
-When exactly are you getting here?

251  
00:20:41,866 --> 00:20:43,617  
Just as soon as I can.

252  
00:20:43,784 --> 00:20:47,621  
Look, this is a serious situation  
and you're not taking it seriously.

253  
00:20:47,788 --> 00:20:48,831  
Let me talk to him.

254  
00:20:48,998 --> 00:20:52,209

-Son, I am taking this seriously.  
-Give it to me, Walter.

255

00:20:52,376 --> 00:20:55,171  
I'm concerned about your Uncle Hank  
and his safety.

256

00:20:55,337 --> 00:20:59,049  
But whomever is making these threats  
against him...

257

00:20:59,216 --> 00:21:02,386  
...I can assure you,  
there's absolutely no interest in me.

258

00:21:02,553 --> 00:21:04,346  
I'm not on anyone's radar.

259

00:21:04,513 --> 00:21:07,641  
-And besides, your mother and I--  
-Give it to me. Walter.

260

00:21:07,808 --> 00:21:11,645  
Did you hear what he said?  
Get over here. No more excuses.

261

00:21:11,812 --> 00:21:15,107  
Marie, I will be there  
just as soon as I can.

262

00:21:15,274 --> 00:21:16,358  
-I promise.  
-Hold on.

263

00:21:17,693 --> 00:21:21,030  
You wanna weigh in here?  
Maybe you can talk sense into him?

264

00:21:21,197 --> 00:21:24,283  
Marie, he'll get here  
when he gets here so....

265

00:21:27,328 --> 00:21:29,705

I hope you sell plenty  
of air fresheners.

266

00:21:29,872 --> 00:21:32,166  
I hope you have a banner day  
over there.

267

00:21:32,333 --> 00:21:35,753  
Okay, Walt, don't worry  
about a thing here. Goodbye.

268

00:21:37,129 --> 00:21:41,217  
And thank you for all of your help.

269

00:21:41,383 --> 00:21:42,968  
What's that?

270

00:21:50,935 --> 00:21:52,603  
Anything?

271

00:22:09,328 --> 00:22:11,372  
-Hey, everyone.  
-Hi, Steve.

272

00:22:11,539 --> 00:22:14,458  
-How's everybody holding out?  
-The man I wanna see.

273

00:22:14,625 --> 00:22:16,418  
Come here. Look at this.

274

00:22:17,419 --> 00:22:20,714  
-Jesus, enough with the laundry.  
-No, no, no, hear me out.

275

00:22:20,881 --> 00:22:25,261  
This panel, if I'm reading it correctly,  
is 7200 amp service.

276

00:22:25,427 --> 00:22:29,431  
This place has two of them, right?  
That's a whole lot of juice, brother.

277

00:22:29,598 --> 00:22:32,309  
Laundry this size, typically,  
has half that, okay?

278

00:22:32,476 --> 00:22:34,061  
What's with the extra panel?

279

00:22:34,228 --> 00:22:37,523  
-What are you, Thomas Edison?  
-Asked a bunch of electricians.

280

00:22:37,690 --> 00:22:41,235  
They have their own chat rooms,  
all they talked about was wiring.

281

00:22:41,402 --> 00:22:44,822  
Freaking Internet.  
Find anything on it these days.

282

00:22:44,989 --> 00:22:47,783  
What do you say?  
Pop over, have another look-see?

283

00:22:49,827 --> 00:22:51,369  
Listen.

284

00:22:52,705 --> 00:22:55,583  
I think we possibly have a lead  
on something.

285

00:22:55,749 --> 00:22:58,085  
-Yeah?  
-I have this guy down at the office.

286

00:22:58,252 --> 00:23:00,504  
He says he has some kind  
of information.

287

00:23:00,671 --> 00:23:04,925  
The thing is, he'll only give it to you,  
in person.

288

00:23:10,848 --> 00:23:11,974  
Okay.

289  
00:23:12,141 --> 00:23:14,643  
-Do you remember Hector Salamanca?  
-Yeah.

290  
00:23:14,810 --> 00:23:18,564  
The old cripple guy with the bell?  
Rather crap than talk to us?

291  
00:23:18,731 --> 00:23:22,151  
-No, I don't remember him at all. Why?  
-Well, he's the guy.

292  
00:23:22,985 --> 00:23:26,822  
His nurse calls us,  
says he wants to powwow.

293  
00:23:26,989 --> 00:23:29,783  
So we have this guy at the office  
for three hours.

294  
00:23:29,950 --> 00:23:32,410  
And he still just wants to talk to you.

295  
00:23:32,578 --> 00:23:36,707  
Do not even think  
about going down there.

296  
00:23:36,874 --> 00:23:39,585  
-Marie--  
-This is clearly a ploy or a trick...

297  
00:23:39,752 --> 00:23:44,006  
...or something designed to get Hank  
out into the open. That's all this is.

298  
00:23:44,173 --> 00:23:46,383  
-Well, that's what we thought.  
-Well....

299  
00:23:46,550 --> 00:23:49,094

It's been years  
since this guy's been a player.

300

00:23:49,261 --> 00:23:51,429  
His nephew's gone,  
doesn't have anybody.

301

00:23:51,764 --> 00:23:54,183  
The nurse checks out,  
don't know nothing.

302

00:23:54,350 --> 00:23:57,311  
Guess I just don't see an angle  
here...

303

00:23:57,478 --> 00:23:59,188  
...if there even is one.

304

00:23:59,355 --> 00:24:02,066  
Of course,  
if you did wanna talk to this guy...

305

00:24:02,232 --> 00:24:04,485  
...there's no safer place  
than the office.

306

00:24:05,194 --> 00:24:07,529  
I don't think this sounds  
like a good idea.

307

00:24:07,696 --> 00:24:09,114  
Yeah. I agree, Uncle Hank.

308

00:24:09,281 --> 00:24:11,492  
It is a ridiculous idea.

309

00:24:11,659 --> 00:24:15,996  
And there's no way  
that you're going to do it. End of story.

310

00:24:17,498 --> 00:24:19,457  
Hank, thanks for coming down.

311  
00:24:19,625 --> 00:24:20,960  
No problem at all.

312  
00:24:21,126 --> 00:24:22,962  
Good to see you, sir.

313  
00:24:32,554 --> 00:24:36,850  
So, Mr. Salamanca,  
you got something you wanna tell me?

314  
00:24:45,234 --> 00:24:49,780  
A, E, I, O--

315  
00:24:50,155 --> 00:24:54,492  
Row O. P, Q, R, S--

316  
00:24:55,202 --> 00:24:56,412  
First letter S.

317  
00:24:56,578 --> 00:25:02,084  
A, E, I, O, U--

318  
00:25:02,418 --> 00:25:03,794  
Second letter U.

319  
00:25:03,961 --> 00:25:05,713  
A--

320  
00:25:06,380 --> 00:25:08,549  
B, C--

321  
00:25:10,050 --> 00:25:12,970  
A, E, I--

322  
00:25:13,137 --> 00:25:15,639  
J, K--

323  
00:25:15,973 --> 00:25:19,727  
A, E, I--

324

00:25:19,893 --> 00:25:24,231  
J, K, L, M--

325

00:25:24,940 --> 00:25:29,820  
A, E, I, O, U--

326

00:25:29,987 --> 00:25:35,159  
Row U. V, W, X, Y--

327

00:25:35,325 --> 00:25:36,702  
All right. That's enough.

328

00:25:39,163 --> 00:25:40,789  
Thank you.

329

00:25:42,624 --> 00:25:44,877  
Yeah, thanks. I can spell.

330

00:25:45,335 --> 00:25:48,839  
Well, you got that out  
of your system now?

331

00:25:49,173 --> 00:25:51,508  
Should we try this one more time?

332

00:25:57,056 --> 00:26:00,225  
A, E-- F--

333

00:26:01,643 --> 00:26:07,399  
A, E, I, O, U--

334

00:26:09,860 --> 00:26:11,569  
A--

335

00:26:12,112 --> 00:26:13,739  
B, C--

336

00:26:13,906 --> 00:26:16,658  
Yeah, we got it.

337

00:26:17,201 --> 00:26:20,954

I am-- I am-- I am just so, so sorry.

338

00:26:29,296 --> 00:26:32,174

Well, at least this time,  
he didn't shit himself.

339

00:26:33,550 --> 00:26:35,677

I guess that's progress.

340

00:27:03,621 --> 00:27:06,250

-Yes?

-We may have a problem.

341

00:27:06,416 --> 00:27:07,918

I've got eyes on the DEA.

342

00:27:08,460 --> 00:27:10,546

They just had a visitor.

343

00:27:11,713 --> 00:27:14,508

Hector Salamanca.

344

00:27:23,767 --> 00:27:25,811

I don't know what to say to you now.

345

00:27:26,228 --> 00:27:30,315

Sit here and think about how far that  
kind of behavior is gonna get you.

346

00:27:30,482 --> 00:27:32,901

Not far, let me tell you.

347

00:27:46,373 --> 00:27:48,250

Any second thoughts?

348

00:27:50,878 --> 00:27:52,963

Then let's get to work.

349

00:30:06,596 --> 00:30:08,348

Hello.

350

00:30:10,726 --> 00:30:12,686  
Hi.

351

00:30:18,859 --> 00:30:20,569  
Hi.

352

00:30:21,695 --> 00:30:23,572  
Hello.

353

00:30:24,823 --> 00:30:26,533  
Hi.

354

00:31:04,154 --> 00:31:06,073  
Mr. Pinkman...

355

00:31:06,740 --> 00:31:08,075  
...you're free to go.

356

00:31:08,742 --> 00:31:11,203  
Why? What happened?

357

00:31:11,370 --> 00:31:12,996  
Tox screen came back.

358

00:31:13,163 --> 00:31:15,332  
No ricin poisoning.

359

00:31:17,667 --> 00:31:19,795  
Surprised, huh?

360

00:31:21,338 --> 00:31:23,423  
No, why should I be?

361

00:31:23,590 --> 00:31:25,258  
Your jacket.

362

00:31:29,054 --> 00:31:30,931  
Till we meet again.

363

00:31:35,394 --> 00:31:37,687  
Okay. Okay.

364  
00:31:37,854 --> 00:31:40,941  
Hey, yo. Yo, right here.

365  
00:31:46,029 --> 00:31:47,906  
Hey, Andrea.

366  
00:31:48,073 --> 00:31:50,534  
I'm just checking on Brock.

367  
00:31:50,700 --> 00:31:54,079  
Hey, it sounds like....

368  
00:31:54,246 --> 00:31:57,374  
I mean, listen,  
just call me if you can, all right?

369  
00:31:57,541 --> 00:32:01,336  
-I'm heading back over. All right.  
-Hey, excuse me.

370  
00:32:19,396 --> 00:32:20,522  
Yes.

371  
00:32:20,689 --> 00:32:24,151  
We just picked up Pinkman.  
No witnesses.

372  
00:32:26,403 --> 00:32:27,737  
What about Hector?

373  
00:32:28,155 --> 00:32:30,574  
I've checked inside and out...

374  
00:32:30,782 --> 00:32:34,786  
...no wires, no camera,  
no surveillance.

375  
00:32:34,953 --> 00:32:38,331  
Police cruiser rolled through  
an hour ago. Seemed routine.

376  
00:32:38,498 --> 00:32:41,543  
It's just him, alone in his room.

377  
00:32:45,213 --> 00:32:46,882  
All right.

378  
00:32:48,467 --> 00:32:49,843  
I'm on my way.

379  
00:32:50,802 --> 00:32:54,723  
Maybe it's better if I do this myself.

380  
00:32:55,557 --> 00:32:57,517  
I do this.

381  
00:34:40,495 --> 00:34:42,414  
It's all clear.

382  
00:34:48,003 --> 00:34:49,713  
Wait here.

383  
00:35:59,741 --> 00:36:02,869  
What kind of man talks to the DEA?

384  
00:36:04,287 --> 00:36:06,206  
No man.

385  
00:36:07,290 --> 00:36:09,542  
No man at all.

386  
00:36:49,708 --> 00:36:52,127  
A crippled little rata.

387  
00:36:52,293 --> 00:36:55,588  
What a reputation to leave behind.

388  
00:37:08,893 --> 00:37:11,187  
Is that how you want  
to be remembered?

389

00:37:16,443 --> 00:37:18,319  
Last chance to look at me, Hector.

390  
00:37:53,688 --> 00:37:55,815  
Oh, my--

391  
00:37:56,775 --> 00:37:57,984  
All right, all right.

392  
00:37:59,611 --> 00:38:01,529  
-Let's get going.  
-Oh, Jesus.

393  
00:38:01,696 --> 00:38:03,406  
Oh, Jesus.

394  
00:38:05,533 --> 00:38:08,203  
Why don't we start evacuating?

395  
00:38:08,953 --> 00:38:12,332  
-Start evacuation on the south side.  
-Call Security.

396  
00:38:12,499 --> 00:38:14,459  
Everyone outside right now.

397  
00:38:18,296 --> 00:38:21,090  
--in the same boat for sure.  
But it's that time again...

398  
00:38:21,257 --> 00:38:23,468  
...where we tell you  
about your own hell...

399  
00:38:23,635 --> 00:38:27,055  
...Albuquerque afternoon commute.  
How bad are things out there?

400  
00:38:27,222 --> 00:38:31,226  
I tell you what, right now southbound  
25, got an accident at Jefferson.

401

00:38:31,392 --> 00:38:34,062  
Make sure you stay to the left  
through that area.

402

00:38:34,229 --> 00:38:38,107  
Things have slowed to a crawl  
at the Big I, no surprises there either.

403

00:38:38,274 --> 00:38:42,779  
Hate to interrupt, I have breaking news.  
Now, coming out of the North Valley...

404

00:38:42,946 --> 00:38:45,782  
...an explosion has been reported  
at a nursing home.

405

00:38:45,949 --> 00:38:47,992  
-Casa Tranquila nursing home.  
-Oh, no.

406

00:38:48,159 --> 00:38:51,246  
You heard of that place.  
We got few details on it so far.

407

00:38:51,412 --> 00:38:56,292  
Unfortunately, initial report is though,  
that three people may have been killed.

408

00:38:56,459 --> 00:38:58,419  
-Oh, no.  
-The news is disturbing.

409

00:38:58,586 --> 00:39:01,631  
We're gonna get you information  
as soon as it comes in.

410

00:39:01,798 --> 00:39:05,468  
Situation over there is pretty hectic.  
What's traffic looking like?

411

00:39:05,635 --> 00:39:07,887  
If you're moving through that area...

412

00:39:08,054 --> 00:39:11,724  
...we're talking about East and  
Westbound Paseo, North Valley.

413  
00:39:11,891 --> 00:39:14,477  
Please, avoid that area  
as you move through.

414  
00:39:14,644 --> 00:39:19,065  
Our heart's going out to the victims.  
We'll bring you details as we get them.

415  
00:39:19,232 --> 00:39:22,902  
Coming up on Coyote 102.5,  
Aerosmith, Def Leppard.

416  
00:39:23,069 --> 00:39:25,655  
Keep it right here  
on New Mexico's finest rock--

417  
00:40:00,440 --> 00:40:03,234  
You wanna cook with a broken arm?

418  
00:40:05,028 --> 00:40:07,238  
Next step, CO2.

419  
00:40:07,405 --> 00:40:08,990  
Do it.

420  
00:40:26,799 --> 00:40:28,259  
Hey.

421  
00:40:28,968 --> 00:40:30,511  
I better hear them click.

422  
00:40:54,160 --> 00:40:56,287  
What, you got a problem with stairs?

423  
00:41:36,452 --> 00:41:38,287  
Gus is dead.

424  
00:41:43,334 --> 00:41:45,670

We've got work to do.

425

00:44:33,337 --> 00:44:34,839  
He's gonna pull through.

426

00:44:35,006 --> 00:44:36,507  
Yeah?

427

00:44:37,633 --> 00:44:42,180  
Yeah. It looked kind of touch-and-go  
there for a while...

428

00:44:42,346 --> 00:44:44,182  
...but he's gonna....

429

00:44:45,266 --> 00:44:47,268  
He's gonna make it.

430

00:44:47,852 --> 00:44:50,104  
Oh, thank God.

431

00:44:50,897 --> 00:44:53,107  
Oh, thank God.

432

00:45:00,114 --> 00:45:04,911  
You know,  
still saying it wasn't the ricin.

433

00:45:07,413 --> 00:45:09,123  
I don't understand.

434

00:45:09,290 --> 00:45:11,125  
Then what was it?

435

00:45:11,292 --> 00:45:17,173  
Saying it was most likely a flower  
called lily of the valley.

436

00:45:17,840 --> 00:45:19,842  
It's, like, common.

437

00:45:20,009 --> 00:45:23,596  
It's got these red berries on it  
that I guess taste sweet...

438

00:45:23,763 --> 00:45:27,266  
...and sometimes kids eat them  
and wind up poisoning themselves.

439

00:45:27,433 --> 00:45:30,478  
And that's it, nothing more.

440

00:45:34,273 --> 00:45:39,028  
So Gus didn't poison him after all.

441

00:45:43,491 --> 00:45:49,372  
Still he had to go...

442

00:45:49,538 --> 00:45:51,040  
...right?

443

00:45:53,417 --> 00:45:55,211  
Damn right.

444

00:45:55,378 --> 00:45:57,505  
Gus had to go.

445

00:45:59,131 --> 00:46:00,633  
Yeah.

446

00:46:06,097 --> 00:46:07,848  
You know, I should--

447

00:46:08,140 --> 00:46:09,684  
I should get back.

448

00:46:09,850 --> 00:46:11,852  
Andrea's waiting.

449

00:46:58,858 --> 00:47:01,277  
I'm at Casa Tranquila  
where three are dead...

450  
00:47:01,444 --> 00:47:05,281  
...following an explosion  
that rocked this facility earlier today.

451  
00:47:05,448 --> 00:47:08,284  
The fireball completely consumed  
one resident's room...

452  
00:47:08,451 --> 00:47:10,328  
...and damaged common areas  
nearby.

453  
00:47:10,494 --> 00:47:11,537  
Walt?

454  
00:47:11,704 --> 00:47:13,998  
Let me get somewhere  
where I can hear you.

455  
00:47:14,165 --> 00:47:17,043  
-Tell him Uncle Hank was right.  
-Walt?

456  
00:47:17,209 --> 00:47:18,377  
How you doing?

457  
00:47:18,544 --> 00:47:20,629  
How am I doing? How are you doing?

458  
00:47:21,005 --> 00:47:22,548  
I'm....

459  
00:47:25,134 --> 00:47:27,303  
I'm doing quite well.

460  
00:47:28,804 --> 00:47:30,473  
I'm good.

461  
00:47:31,015 --> 00:47:33,559  
Jesus, Walt, the news here.

462

00:47:33,726 --> 00:47:35,269  
Gus Fring is dead.

463

00:47:35,644 --> 00:47:39,315  
He was blown up with some person  
from some Mexican cartel...

464

00:47:39,482 --> 00:47:42,318  
...and the DEA has no idea  
what to make of it.

465

00:47:43,819 --> 00:47:45,446  
Do you know about this?

466

00:47:46,030 --> 00:47:49,825  
-Walt? I need you to--  
-It's over.

467

00:47:50,076 --> 00:47:51,452  
We're safe.

468

00:47:51,619 --> 00:47:54,121  
--might've heard a rumbling sound...

469

00:47:54,288 --> 00:47:58,084  
...and another reported a, quote,  
"ringing" in the moments just prior.

470

00:47:58,250 --> 00:48:00,503  
Administrators  
at Casa Tranquila advise...

471

00:48:00,669 --> 00:48:05,257  
...that if you do have loved ones  
in their care, please do not call in....

472

00:48:05,424 --> 00:48:07,343  
Was this you?

473

00:48:09,845 --> 00:48:11,847  
What happened?

474

00:48:13,391 --> 00:48:15,142  
I won.
