1

00:00:02,878 --> 00:00:04,880  
Here you go.

2

00:00:34,034 --> 00:00:35,953  
What happened there?

3

00:00:38,121 --> 00:00:41,917  
-It's my birthday.  
-Yeah? Well, happy birthday.

4

00:00:43,669 --> 00:00:46,838  
Birthday meals are free at Denny's.  
All you gotta show is a valid ID.

5

00:00:47,172 --> 00:00:48,590  
I'm good. Thanks.

6

00:00:48,757 --> 00:00:52,051  
Really? Free meal. Free is good.

7

00:00:52,219 --> 00:00:56,014  
Even if I was, like, rich,  
free is always good.

8

00:00:56,974 --> 00:00:58,267  
Thank you.

9

00:00:58,433 --> 00:00:59,643  
Okay.

10

00:01:06,567 --> 00:01:10,028  
New Hampshire.  
You're a long way from home.

11

00:01:10,237 --> 00:01:11,446  
How long a drive is that?

12

00:01:11,613 --> 00:01:15,492  
About 30 hours,  
if all you stop for is gas.

13

00:01:15,659 --> 00:01:17,578  
You headed to California?

14

00:01:17,744 --> 00:01:20,247  
No. Here.

15

00:01:21,290 --> 00:01:23,083  
Okay.

16

00:01:23,250 --> 00:01:25,002  
So, what's here?

17

00:01:31,300 --> 00:01:32,342  
Business.

18

00:01:32,509 --> 00:01:36,138  
You know, I was in Boston once. Boston  
and a little town called Swampscott...

19

00:01:36,305 --> 00:01:38,765  
...which is right outside of Boston.

20

00:01:38,932 --> 00:01:41,310  
That's kind of near  
New Hampshire, right?

21

00:01:43,604 --> 00:01:45,939  
Yeah. More or less.

22

00:01:46,105 --> 00:01:48,942  
Yeah, I was maybe 6,  
so I don't really remember it.

23

00:01:49,109 --> 00:01:52,237  
I want to say I liked it.  
They got this really big aquarium.

24

00:01:52,404 --> 00:01:55,574  
Yeah. Great science museum there.

25

00:01:58,493 --> 00:01:59,578  
Excuse me.

26

00:02:01,663 --> 00:02:02,706

-Hi.

-Hi.

27

00:02:02,873 --> 00:02:04,708

My name's Lucy. I'll be your server.

28

00:02:23,769 --> 00:02:27,564

I got your word this won't wind up  
crossing the border?

29

00:02:28,899 --> 00:02:31,193

It's never leaving town.

30

00:02:31,360 --> 00:02:36,156

Is there a manual? Instruction manual?

31

00:02:36,323 --> 00:02:38,158

I pulled something off the Internet.

32

00:02:38,325 --> 00:02:40,077

It's in there.

33

00:02:40,994 --> 00:02:42,788

Well...

34

00:02:42,954 --> 00:02:44,998

...good luck, I guess.

35

00:03:22,744 --> 00:03:24,955

Happy birthday, Mr. Lambert.

36

00:04:39,613 --> 00:04:44,075

Jesus, Walt, the news here....

Gus Fring is dead.

37

00:04:44,242 --> 00:04:47,788

He was blown up along with some person  
from some Mexican cartel...

38

00:04:47,954 --> 00:04:51,917  
...and the DEA has no idea  
what to make of it.

39

00:04:52,417 --> 00:04:54,419  
Do you know about this?

40

00:04:55,962 --> 00:04:57,464  
Walt?

41

00:04:59,508 --> 00:05:01,802  
Walt, I need you to--

42

00:05:01,968 --> 00:05:05,180  
It's over. We're safe.

43

00:05:22,072 --> 00:05:24,032  
Was this you?

44

00:05:28,078 --> 00:05:29,955  
What happened?

45

00:05:31,623 --> 00:05:33,458  
I won.

46

00:06:46,823 --> 00:06:48,575  
Oh, God.

47

00:07:18,772 --> 00:07:20,357  
Dad.

48

00:07:20,523 --> 00:07:22,192  
-Dad.  
-Hey.

49

00:07:22,359 --> 00:07:24,653  
Hey.

50

00:07:24,819 --> 00:07:28,114  
Serious-- You don't have the TV on?  
Seriously?

51

00:07:28,281 --> 00:07:30,575  
No, sorry, I....

52

00:07:30,742 --> 00:07:34,162  
You didn't tell him about Mr. Fring?

53

00:07:34,329 --> 00:07:37,123  
-He knows.  
-Welcome home.

54

00:07:37,290 --> 00:07:41,711  
Jesus, Dad, it's all they're talking about.

55

00:07:41,878 --> 00:07:44,381  
They haven't said it on TV yet...

56

00:07:44,547 --> 00:07:47,717  
...but Uncle Hank says he was  
this major, major drug dealer.

57

00:07:47,884 --> 00:07:51,221  
I mean, like, holy shit.

58

00:07:51,388 --> 00:07:54,766  
Your uncle is safe, right?  
How do they know that?

59

00:07:54,933 --> 00:07:57,352  
Uncle Hank was  
after this guy all along.

60

00:07:57,519 --> 00:07:59,813  
He didn't tell us, but he was.

61

00:07:59,980 --> 00:08:02,565  
He even took me  
to his restaurant one time...

62

00:08:02,732 --> 00:08:05,527  
...just, like, totally toying  
with the guy...

63

00:08:05,694 --> 00:08:08,530  
...just like, "I got my eye on you."  
Like that.

64

00:08:08,697 --> 00:08:13,493  
They figure Mr. Fring was the one  
who put the hit out on Uncle Hank.

65

00:08:13,660 --> 00:08:17,122  
Just somebody got to him first.

66

00:08:17,288 --> 00:08:18,707  
Yeah, wow.

67

00:08:18,873 --> 00:08:21,209  
Aunt Marie's still pretty freaked.

68

00:08:21,376 --> 00:08:26,548  
She didn't want us to leave,  
but Mom figured it was time.

69

00:08:27,882 --> 00:08:33,513  
There's still some agents over there,  
but they figure it's over.

70

00:08:33,680 --> 00:08:36,141  
Like, when this hits the news...

71

00:08:36,307 --> 00:08:38,810  
...Uncle Hank is gonna be a hero.

72

00:08:38,977 --> 00:08:41,896  
-Yeah.  
-I mean, even more so than before.

73

00:08:42,188 --> 00:08:44,107  
Seriously.

74

00:08:44,274 --> 00:08:46,067  
See-- See if it's on TV.

75

00:08:46,234 --> 00:08:48,445  
Yeah, yeah, I want to.

76

00:08:48,611 --> 00:08:50,405  
Just give me a couple minutes, huh?

77

00:08:50,572 --> 00:08:53,158  
--around the 24-yard-line.  
They break huddle--

78

00:09:02,709 --> 00:09:04,085  
Hi.

79

00:09:04,961 --> 00:09:06,546  
Hi.

80

00:09:11,384 --> 00:09:13,053  
Hi, sweet pea.

81

00:09:13,219 --> 00:09:15,847  
Oh, Daddy missed you so much.

82

00:09:17,849 --> 00:09:19,559  
Yes, he did.

83

00:09:19,726 --> 00:09:21,644  
I know.

84

00:09:22,020 --> 00:09:23,813  
I missed you too.

85

00:09:29,152 --> 00:09:33,114  
Well, don't you think  
I rate a "hello," at least?

86

00:09:35,700 --> 00:09:37,202  
Hello.

87

00:09:42,999 --> 00:09:45,085  
Hello to you too.

88

00:09:48,671 --> 00:09:51,674  
So are you gonna talk to me here?

89  
00:09:52,550 --> 00:09:54,302  
Are you gonna....

90  
00:09:54,469 --> 00:09:56,763  
You gonna show some kind of....

91  
00:09:57,972 --> 00:10:02,060  
I don't know, some kind of mild relief  
that I'm alive?

92  
00:10:04,020 --> 00:10:06,064  
I am relieved, Walt.

93  
00:10:07,690 --> 00:10:09,609  
And scared.

94  
00:10:10,902 --> 00:10:12,570  
Scared?

95  
00:10:13,530 --> 00:10:14,989  
Scared of what?

96  
00:10:18,618 --> 00:10:20,120  
You.

97  
00:10:27,544 --> 00:10:29,087  
Hey.

98  
00:10:32,757 --> 00:10:34,342  
Hi.

99  
00:11:00,160 --> 00:11:01,744  
Oh, shit.

100  
00:12:22,867 --> 00:12:24,452  
Jesus, just say it already.

101  
00:12:24,619 --> 00:12:27,038

Tell me "I told you so."  
Get it out of your system...

102  
00:12:27,205 --> 00:12:30,541  
...before you need, like,  
dialysis or something.

103  
00:12:30,875 --> 00:12:33,920  
It's exactly like Boetticher's drawings.

104  
00:12:35,588 --> 00:12:37,674  
Where were the two bodies?

105  
00:12:37,840 --> 00:12:41,219  
Over by the freight elevator.  
Over there.

106  
00:12:44,597 --> 00:12:47,183  
-No idea who they were?  
-No, not much left.

107  
00:12:47,350 --> 00:12:50,853  
Apparently the teeth do this popcorn  
thing when they get too hot...

108  
00:12:51,020 --> 00:12:52,647  
...so they tell me.

109  
00:12:52,814 --> 00:12:55,858  
Whoever torched it did it up right.

110  
00:13:01,197 --> 00:13:03,782  
Fring, you magnificent bastard.

111  
00:13:15,670 --> 00:13:17,171  
What do you figure that was?

112  
00:13:17,338 --> 00:13:21,134  
I don't know,  
some kind of lab equipment?

113  
00:13:27,765 --> 00:13:29,934

Maybe a camera?

114

00:13:44,574 --> 00:13:48,119  
Come on. Come on, you, be nice.  
Be nice.

115

00:13:48,286 --> 00:13:50,788  
Come on. Hey. Hey!

116

00:13:50,955 --> 00:13:52,790  
You be nice. Just be nice.

117

00:13:52,957 --> 00:13:54,792  
Let Wendell in there.

118

00:13:55,460 --> 00:13:58,129  
If Wendell doesn't eat, nobody eats.

119

00:13:58,296 --> 00:13:59,756  
Yeah.

120

00:14:12,727 --> 00:14:14,312  
It's Gustavo.

121

00:14:15,438 --> 00:14:17,523  
He's dead.

122

00:14:52,475 --> 00:14:54,143  
Son of a bitch.

123

00:14:55,436 --> 00:14:57,688  
Son of a bitch.

124

00:14:58,314 --> 00:15:00,733  
-Hold up! Hold up!  
-Get out of my way, kid.

125

00:15:00,900 --> 00:15:05,655  
-Wait a minute, all right? Let him talk.  
-I am done listening to this asshole talk.

126

00:15:05,822 --> 00:15:07,365  
Now get out of my way.

127  
00:15:07,532 --> 00:15:09,742  
He's got something you need to hear,  
all right?

128  
00:15:09,909 --> 00:15:12,203  
What'd you do, Jesse?  
Do you even know?

129  
00:15:12,370 --> 00:15:14,247  
Do you even know what you've done?

130  
00:15:14,414 --> 00:15:16,916  
-Yeah, he saved his own life--  
-One more word.

131  
00:15:17,083 --> 00:15:19,001  
Mike. Mike.

132  
00:15:19,168 --> 00:15:23,047  
If you kill him, you're gonna  
have to kill me. Come on.

133  
00:15:24,632 --> 00:15:27,093  
Oh, Jesse.

134  
00:15:27,552 --> 00:15:29,554  
Jesus.

135  
00:15:30,471 --> 00:15:32,890  
What is it with you guys?

136  
00:15:33,099 --> 00:15:35,601  
Honest to God.

137  
00:15:36,894 --> 00:15:38,104  
May I?

138  
00:15:40,106 --> 00:15:44,152  
Look, whatever differences

you and I have, they'll keep.

139

00:15:44,318 --> 00:15:46,737  
Right now we've got  
bigger fish to fry.

140

00:15:47,780 --> 00:15:50,825  
-Bigger fish.  
-The video cameras.

141

00:15:50,992 --> 00:15:53,578  
Gus kept cameras on us at the lab...

142

00:15:53,744 --> 00:15:56,497  
...at the laundry,  
God only knows where else.

143

00:15:56,706 --> 00:15:59,459  
And of course, when I say "us,"  
I'm including you.

144

00:15:59,625 --> 00:16:01,294  
Mike.

145

00:16:01,461 --> 00:16:03,963  
Mike, if he taped all that shit...

146

00:16:04,130 --> 00:16:06,674  
...us cooking, you picking up....

147

00:16:06,841 --> 00:16:10,178  
If Gus had a record of that  
and the police get to it before we do....

148

00:16:10,344 --> 00:16:11,471  
You son of a bitch.

149

00:16:11,637 --> 00:16:15,683  
Mike, it's all on tape somewhere,  
or a hard drive.

150

00:16:16,184 --> 00:16:17,643

Where?

151

00:16:17,810 --> 00:16:19,103  
Where did he keep it?

152

00:16:22,273 --> 00:16:25,359  
He had a laptop in his office.

153

00:16:25,526 --> 00:16:28,362  
Kept it in the back of the restaurant.

154

00:16:28,863 --> 00:16:31,782  
It all fed straight to there.

155

00:16:39,165 --> 00:16:40,500  
What?

156

00:16:40,666 --> 00:16:42,710  
Keys, scumbag.

157

00:16:42,877 --> 00:16:46,380  
It's the universal symbol for keys.

158

00:17:15,201 --> 00:17:18,412  
Meter fraud.  
And yes, yes, it's a big deal.

159

00:17:18,955 --> 00:17:23,668  
Guy rigs his meter so he's paying  
2 cents less for first-class postage.

160

00:17:23,834 --> 00:17:28,130  
I'm here to tell you that the USPS  
takes that very seriously.

161

00:17:28,297 --> 00:17:32,385  
It's money out of your pocket,  
it's money out of my pocket.

162

00:17:32,552 --> 00:17:35,763  
I was hoping-- Now, look, sarge.

163

00:17:35,930 --> 00:17:39,725

Do you think we could work together on  
this thing? You folks have it over there?

164

00:17:39,892 --> 00:17:42,270

Could you tell me that, at least?

165

00:17:45,189 --> 00:17:46,857

Yeah.

166

00:17:47,024 --> 00:17:48,484

Yeah.

167

00:17:50,194 --> 00:17:52,154

Well, thanks for your help.

168

00:17:52,321 --> 00:17:57,159

Inspector Clark-- Inspector Dave Clark,  
like the Dave Clark Five?

169

00:17:57,952 --> 00:17:59,620

Before your time.

170

00:17:59,787 --> 00:18:03,332

Well, you feel free to call me  
day or night at this number.

171

00:18:03,499 --> 00:18:06,711

Yes, sir. No, you as well.

172

00:18:06,877 --> 00:18:08,296

Thank you.

173

00:18:10,631 --> 00:18:12,258

Oh, yeah.

174

00:18:12,717 --> 00:18:14,927

We're boned.

175

00:18:18,681 --> 00:18:20,308

Well....

176  
00:18:21,809 --> 00:18:26,230  
You know how they say  
"It's been a pleasure"?

177  
00:18:26,480 --> 00:18:27,982  
It hasn't.

178  
00:18:29,066 --> 00:18:31,527  
Are you gonna tell us  
about the laptop?

179  
00:18:31,694 --> 00:18:35,364  
-Where you going?  
-I'm getting the hell out of Dodge, kid.

180  
00:18:35,531 --> 00:18:38,492  
And so should you.  
It's just a matter of time.

181  
00:18:38,659 --> 00:18:41,996  
Mike, where is the laptop?

182  
00:18:42,204 --> 00:18:46,042  
What the hell difference does it make?  
They got it. End of story.

183  
00:18:51,964 --> 00:18:55,509  
A.P.D., Northwest Area Command  
on Second.

184  
00:18:55,676 --> 00:18:57,762  
They tagged it, they filed it...

185  
00:18:57,928 --> 00:19:01,807  
...it's in the system,  
and they locked it in their evidence room.

186  
00:19:02,350 --> 00:19:04,143  
All right.

187  
00:19:04,852 --> 00:19:09,607

All right. So describe the building.

188

00:19:09,774 --> 00:19:11,192  
Describe the....

189

00:19:11,359 --> 00:19:13,319  
How about I describe Fort Knox?

190

00:19:13,486 --> 00:19:15,154  
And what are you gonna do?

191

00:19:15,321 --> 00:19:18,908  
Are you gonna put on your black leotard  
and go dangling on a clothesline?

192

00:19:19,075 --> 00:19:21,911  
It's a building full of cops.  
What else do you need to know?

193

00:19:22,078 --> 00:19:24,997  
And why in the hell am I talking to you?

194

00:19:25,164 --> 00:19:28,084  
Mike, we gotta do something.

195

00:19:28,834 --> 00:19:30,711  
I am doing something.

196

00:19:30,878 --> 00:19:33,547  
He's good with this stuff, okay?  
Just give him a chance.

197

00:19:33,714 --> 00:19:35,383  
Now, you look.

198

00:19:35,549 --> 00:19:38,886  
That laptop might as well  
be on the moon.

199

00:19:39,053 --> 00:19:43,099  
They build these evidence rooms  
like bank vaults because guess what...

200

00:19:43,265 --> 00:19:46,143  
...lunatics like you  
wanna break into them.

201

00:19:46,310 --> 00:19:51,941  
But unlike a bank vault, this is a place  
that is guarded 24 hours a day...

202

00:19:52,108 --> 00:19:53,901  
...by the police.

203

00:19:54,068 --> 00:19:56,612  
There's no way you're getting it  
out of there.

204

00:19:56,779 --> 00:20:00,032  
Who said that we have to  
get it out of there?

205

00:20:03,452 --> 00:20:06,205  
We just need to destroy what's on it.

206

00:20:06,372 --> 00:20:08,999  
Oh, so now you wanna  
blow up a police station?

207

00:20:09,166 --> 00:20:10,960  
I don't believe I said that, no.

208

00:20:11,127 --> 00:20:13,629  
Nursing home full of old folks  
just whet your appetite.

209

00:20:13,796 --> 00:20:15,464  
Now you wanna kill a bunch of cops.

210

00:20:15,631 --> 00:20:17,675  
I never said anything  
about killing anybody.

211

00:20:17,842 --> 00:20:20,594

I am, however, considering  
the possibility of a device.

212

00:20:20,761 --> 00:20:23,222

-A device.

-Yes, a small device.

213

00:20:23,389 --> 00:20:26,100

Say this device gets filed into evidence.

214

00:20:26,267 --> 00:20:28,936

-Now it is inside that room.

-What about a magnet?

215

00:20:29,103 --> 00:20:32,481

You wanna commit a whole other crime  
just to get this bomb into evidence.

216

00:20:32,648 --> 00:20:35,401

-Who said "bomb"? I said "a device."

-What about a magnet?

217

00:20:35,568 --> 00:20:38,320

An incendiary device.

One quick fire is all it would take.

218

00:20:38,487 --> 00:20:41,782

You don't think they have fire  
suppression? I'm not talking sprinklers.

219

00:20:41,949 --> 00:20:44,994

I'm talking about halon.

Because halon doesn't destroy evidence.

220

00:20:45,161 --> 00:20:48,664

-A magnet, though, maybe like--

-A bomb then. We plant a bomb outside.

221

00:20:48,831 --> 00:20:51,083

Oh, actually I knew a crew  
out of Fort Worth...

222

00:20:51,250 --> 00:20:53,753

...that tried to blow up an evidence room  
from outside.

223

00:20:53,919 --> 00:20:56,255  
About all they did was take out  
a couple of hedges.

224

00:20:56,422 --> 00:21:00,050  
You are probably talking about 2 feet  
of reinforced concrete.

225

00:21:00,217 --> 00:21:01,635  
Or what about a magnet?

226

00:21:01,802 --> 00:21:04,180  
What magnet? What about it?

227

00:21:04,346 --> 00:21:06,098  
You know, just:

228

00:21:22,364 --> 00:21:24,116  
So, what do you think?

229

00:21:25,034 --> 00:21:26,410  
Expensive.

230

00:21:26,869 --> 00:21:28,662  
Leaving aside engineering...

231

00:21:28,829 --> 00:21:31,373  
...rigging some kind of  
alternate power source...

232

00:21:31,540 --> 00:21:35,711  
...my primary sticking point is  
I actually need the thing.

233

00:21:35,878 --> 00:21:38,631  
As you gentlemen can see,  
it's paying the bills.

234

00:21:38,798 --> 00:21:42,051

But I mean it's feasible, doable?

235

00:21:42,259 --> 00:21:46,430  
Hey, we're living in a time  
of string theories and God particles.

236

00:21:46,597 --> 00:21:49,433  
Feasible, doable?  
Yeah, sure, why not?

237

00:21:49,600 --> 00:21:51,685  
Expensive.

238

00:21:52,645 --> 00:21:54,897  
What would you put it in?

239

00:21:59,360 --> 00:22:02,446  
What about that? Does it run?

240

00:22:03,030 --> 00:22:04,740  
We can get it running.

241

00:22:04,907 --> 00:22:06,951  
What's the box made of?

242

00:22:07,117 --> 00:22:09,203  
Plywood and aluminum,  
just what you need.

243

00:22:11,288 --> 00:22:14,667  
All right, so you wanna talk money?

244

00:22:15,626 --> 00:22:18,087  
Step into my office.

245

00:22:21,799 --> 00:22:23,801  
Hey, listen.

246

00:22:25,177 --> 00:22:28,180  
I don't actually have  
any money right now.

247

00:22:28,764 --> 00:22:31,976  
My wife.... There's an IRS issue.

248

00:22:32,142 --> 00:22:37,022  
Anyway, I'd appreciate it if you could  
spot me my share. I'll pay you back.

249

00:22:37,231 --> 00:22:39,024  
Yeah. Whatever.

250

00:22:39,191 --> 00:22:40,901  
Right.

251

00:22:42,862 --> 00:22:44,655  
You coming?

252

00:22:45,281 --> 00:22:48,366  
If you have any brains,  
you'll take that money you saved...

253

00:22:48,534 --> 00:22:53,038  
...and you'll skip town.  
Today. Right now.

254

00:22:53,622 --> 00:22:55,373  
You don't think this can work?

255

00:22:55,916 --> 00:22:57,960  
Is that a serious question?

256

00:22:58,127 --> 00:22:59,920  
Mike, this is a three-man job.

257

00:23:00,087 --> 00:23:04,008  
The only way I know it won't work for sure  
is if we don't have you.

258

00:23:37,917 --> 00:23:39,376  
Come in.

259

00:23:41,629 --> 00:23:43,589

Get in. Close the door.

260

00:23:44,465 --> 00:23:47,176

What did we say  
about you coming here?

261

00:23:47,343 --> 00:23:50,054

Yeah, speaking of things  
that tend to rile you up...

262

00:23:50,220 --> 00:23:52,973

...the police, they may call.

263

00:23:53,140 --> 00:23:57,144

Let me back up a little. Can I sit down?  
I'm gonna sit down.

264

00:23:57,311 --> 00:23:59,772

Okay, why are the police  
gonna call?

265

00:24:00,189 --> 00:24:02,858

May call you.  
Distant, outside possibility.

266

00:24:03,025 --> 00:24:06,153

But on the off chance,  
I want you thinking one thought:

267

00:24:06,320 --> 00:24:07,529

Hogan's Heroes.

268

00:24:08,113 --> 00:24:10,366

Sergeant Schultz.  
You remember Sergeant Schultz?

269

00:24:10,532 --> 00:24:12,242

"I know nothing. I see nothing."

270

00:24:12,409 --> 00:24:14,745

You remember how he--  
I want you like that.

271

00:24:14,912 --> 00:24:18,415  
-Okay, Saul, why are the police--  
-There was an incident with Beneke--

272

00:24:18,582 --> 00:24:20,125  
Oh, God.

273

00:24:20,292 --> 00:24:21,710  
-And it's--  
-Oh, Jesus.

274

00:24:21,877 --> 00:24:24,505  
-What incident?  
-An act of God.

275

00:24:24,672 --> 00:24:26,423  
There's no right. There's no wrong.

276

00:24:26,590 --> 00:24:29,009  
I mean, it just-- That's the best phrase.

277

00:24:29,176 --> 00:24:34,264  
It fits, but we got a problem.

278

00:24:38,102 --> 00:24:40,145  
Ted's dead.

279

00:24:40,980 --> 00:24:42,106  
Sorry?

280

00:24:42,272 --> 00:24:44,400  
Ted is dead?

281

00:24:44,566 --> 00:24:46,944  
No. No, no.

282

00:24:47,111 --> 00:24:49,446  
He just woke up.

283

00:24:54,618 --> 00:24:56,787  
Right-o, that should do her.

284

00:24:57,246 --> 00:24:58,747  
All right, watches off.

285

00:24:59,497 --> 00:25:02,918  
Necklaces, earrings, rings, bracelets....

286

00:25:03,501 --> 00:25:05,045  
Gold. These are nonferrous.

287

00:25:05,212 --> 00:25:06,296  
Better hope.

288

00:25:06,463 --> 00:25:09,967  
What about that stuff you young guys  
wear on the end of your pricks?

289

00:25:10,134 --> 00:25:13,971  
Speak now or forever sing soprano.  
What's up with that, by the way?

290

00:25:14,138 --> 00:25:18,100  
Why would anybody wanna put a metal  
ring through the end of their prick?

291

00:25:19,268 --> 00:25:21,562  
What are you looking at me for?

292

00:25:21,729 --> 00:25:24,606  
All right, guns, knives...

293

00:25:24,773 --> 00:25:27,484  
...tools, keys, plates in your head...

294

00:25:27,651 --> 00:25:30,195  
...artificial hips.

295

00:25:30,362 --> 00:25:33,365  
Check your pockets for me  
one more time, please.

296

00:25:33,531 --> 00:25:35,909  
Oh, credit cards.

297

00:25:36,076 --> 00:25:39,747  
You want that plastic working  
come Miller time.

298

00:25:39,913 --> 00:25:43,667  
You know, I can foresee  
a lot of possible outcomes to this thing...

299

00:25:43,834 --> 00:25:47,212  
...and not a single one of them  
involves Miller time.

300

00:25:47,379 --> 00:25:48,964  
P.M.A.

301

00:25:49,131 --> 00:25:51,592  
Positive mental attitude.

302

00:25:51,759 --> 00:25:53,761  
Okay, I think we're good to go.

303

00:25:54,552 --> 00:25:57,139  
All right, where do you  
want me with this?

304

00:25:57,306 --> 00:26:00,059  
Start 40 feet out.  
That's more than the length of the room.

305

00:26:00,225 --> 00:26:02,061  
-Who's doing the honors?  
-Me.

306

00:26:02,227 --> 00:26:03,854  
Flip that switch, turns it on.

307

00:26:04,021 --> 00:26:05,981  
Twist this here.  
That's your power control.

308  
00:26:06,148 --> 00:26:07,941  
-All right.  
-Everybody ready?

309  
00:26:08,108 --> 00:26:09,610  
-Yeah.  
-Okay.

310  
00:26:09,777 --> 00:26:11,695  
Fire in the hole!

311  
00:26:15,324 --> 00:26:17,201  
All right, you ready?

312  
00:26:30,464 --> 00:26:34,843  
Fingers crossed it don't yank  
the drive shaft through the floor.

313  
00:26:49,691 --> 00:26:51,276  
Anything?

314  
00:26:53,987 --> 00:26:56,698  
Nope. It's still working.

315  
00:26:57,074 --> 00:27:00,369  
All right, start walking forward slowly.

316  
00:27:11,755 --> 00:27:13,423  
Wait, wait, wait.

317  
00:27:13,631 --> 00:27:14,967  
Yeah. That did it.

318  
00:27:18,137 --> 00:27:20,097  
Yes.

319  
00:27:26,770 --> 00:27:28,272  
Yeah, bitch!

320  
00:27:28,689 --> 00:27:30,774  
Magnets!

321

00:27:33,152 --> 00:27:35,195  
How many batteries is this?

322

00:27:35,362 --> 00:27:40,534  
That there's 21, wired in series,  
so 21 times 12.

323

00:27:40,701 --> 00:27:42,119  
Two hundred fifty-two volts.

324

00:27:42,286 --> 00:27:44,413  
Can you add 21 more,  
wired in parallel?

325

00:27:44,580 --> 00:27:46,790  
Up the amperage?

326

00:27:53,046 --> 00:27:55,507  
Everything goes flying  
in that evidence room...

327

00:27:55,673 --> 00:28:00,554  
...it's gonna make one hell of a noise,  
and there goes your element of surprise.

328

00:28:00,721 --> 00:28:02,472  
Won't matter.

329

00:28:02,639 --> 00:28:05,642  
Sixty seconds, we'll be gone.

330

00:28:25,871 --> 00:28:28,040  
Excuse me.

331

00:28:30,876 --> 00:28:32,377  
Hi. Who are you looking for?

332

00:28:32,544 --> 00:28:34,838  
Ted Beneke. I'm a friend of his.

333

00:28:35,005 --> 00:28:37,007  
But if it's not a good time, I could--

334  
00:28:37,174 --> 00:28:40,385  
No, no, no, this is fine.  
I'm just finishing up. Come on in.

335  
00:28:53,565 --> 00:28:55,442  
Hey, Ted.

336  
00:28:57,778 --> 00:28:59,404  
I tell you, he's been a real champ.

337  
00:28:59,571 --> 00:29:01,907  
His color's better  
and his blood pressure's up.

338  
00:29:02,074 --> 00:29:04,910  
We are gonna have you  
eating solid food in a day or two...

339  
00:29:05,077 --> 00:29:06,578  
...I bet you money.

340  
00:29:07,579 --> 00:29:09,748  
That's wonderful.

341  
00:29:10,874 --> 00:29:12,834  
All right, I'm just down the hall.

342  
00:29:23,845 --> 00:29:25,264  
Ted.

343  
00:29:26,598 --> 00:29:28,725  
Can you hear me?

344  
00:29:32,646 --> 00:29:34,481  
Yes.

345  
00:29:37,693 --> 00:29:39,736  
Ted, I just....

346  
00:29:41,238 --> 00:29:43,782  
I don't even know--

347  
00:29:43,949 --> 00:29:45,826  
Skyler.

348  
00:29:46,868 --> 00:29:50,163  
I haven't said anything...

349  
00:29:51,581 --> 00:29:53,625  
...to anyone.

350  
00:29:56,378 --> 00:29:59,715  
I told them it was an accident.

351  
00:30:00,465 --> 00:30:02,259  
I tripped...

352  
00:30:03,760 --> 00:30:07,097  
...and fell. That is all they know.

353  
00:30:09,016 --> 00:30:10,851  
Just....

354  
00:30:13,353 --> 00:30:16,732  
I've-- I've got children.

355  
00:30:17,899 --> 00:30:19,860  
Family.

356  
00:30:21,194 --> 00:30:23,447  
I swear to you.

357  
00:30:24,990 --> 00:30:26,783  
Please.

358  
00:30:28,952 --> 00:30:30,704  
I just....

359  
00:30:35,000 --> 00:30:36,793

I...

360  
00:30:37,461 --> 00:30:41,590  
...will never breathe...

361  
00:30:42,341 --> 00:30:46,762  
...one word of this.

362  
00:30:55,479 --> 00:30:57,230  
Good.

363  
00:32:17,561 --> 00:32:20,564  
It should be about a quarter  
of the way down on the left.

364  
00:32:20,730 --> 00:32:23,859  
We'll do a loop and come around  
the other side. Turn here.

365  
00:32:36,496 --> 00:32:38,039  
Right up there.

366  
00:32:38,206 --> 00:32:40,292  
That's the wall.

367  
00:32:40,459 --> 00:32:43,587  
What the hell is this?  
There's some big-ass hump in the way.

368  
00:32:43,753 --> 00:32:46,214  
So? Just drive over it.

369  
00:32:47,132 --> 00:32:48,967  
-All right.  
-Come on, you can do it.

370  
00:32:49,134 --> 00:32:51,845  
Take it easy. Take it easy.

371  
00:32:52,012 --> 00:32:53,638  
You got it.

372  
00:33:01,354 --> 00:33:02,981  
Cut it.

373  
00:33:04,065 --> 00:33:07,319  
It's, like, 8 feet away. Is this cool?  
Is this close enough?

374  
00:33:07,486 --> 00:33:08,528  
It'll work.

375  
00:34:29,818 --> 00:34:32,237  
-Mr. White, let's go.  
-Hold on.

376  
00:34:33,655 --> 00:34:35,282  
-Let's just go!  
-Hang on.

377  
00:34:35,615 --> 00:34:37,784  
Mr. White, let's get out of here.

378  
00:34:37,951 --> 00:34:41,079  
Just one minute.

379  
00:34:49,129 --> 00:34:52,090  
-Turn it off! Turn it off.  
-I will.

380  
00:34:57,846 --> 00:35:00,307  
Jacocks! Jacocks, you okay?

381  
00:35:00,473 --> 00:35:02,642  
Outside! Outside!

382  
00:35:22,912 --> 00:35:24,539  
Yeah, bitch!

383  
00:35:24,706 --> 00:35:26,666  
-Shut up.  
-Yeah.

384

00:35:26,833 --> 00:35:30,170  
And what exactly are you celebrating?  
You left the truck behind.

385  
00:35:30,337 --> 00:35:32,547  
-So what?  
-"So what"?

386  
00:35:32,714 --> 00:35:34,382  
So what if they find prints?

387  
00:35:34,549 --> 00:35:37,594  
And what if they trace it back  
to the wrecking yard?

388  
00:35:37,761 --> 00:35:39,387  
They won't.

389  
00:35:39,554 --> 00:35:41,514  
There's no prints, I made sure of that.

390  
00:35:42,015 --> 00:35:45,352  
There's no paperwork on the truck,  
the magnet or the batteries.

391  
00:35:45,518 --> 00:35:48,188  
Untraceable salvage, all of it.

392  
00:35:48,355 --> 00:35:49,814  
I made sure of that too.

393  
00:35:49,981 --> 00:35:51,816  
Well, you got all the answers.

394  
00:35:51,983 --> 00:35:55,695  
So you tell me, Answer Man,  
did all that even work just now?

395  
00:35:55,862 --> 00:35:58,657  
Yes. It worked.

396  
00:35:58,823 --> 00:36:01,159

And I'm supposed to take that on faith?

397

00:36:01,326 --> 00:36:04,245  
Yeah? And why?

398

00:36:04,412 --> 00:36:05,830  
How do we know?

399

00:36:07,540 --> 00:36:09,959  
Because I say so.

400

00:36:38,113 --> 00:36:40,949  
07-66-26432.

401

00:36:41,116 --> 00:36:42,534  
Gutierrez, Alvin B.

402

00:36:42,701 --> 00:36:44,536  
Roofing hammer.

403

00:36:45,203 --> 00:36:47,455  
Undamaged. Bag still sealed.

404

00:36:53,503 --> 00:36:56,506  
11-58-73321.

405

00:36:56,673 --> 00:36:58,216  
Fring, Gustavo.

406

00:36:58,383 --> 00:37:00,343  
Samsung laptop computer.

407

00:37:00,510 --> 00:37:03,430  
Damaged. Glass screen  
is broken and in pieces.

408

00:37:03,596 --> 00:37:05,265  
Bag still sealed.

409

00:37:13,606 --> 00:37:17,152  
11-58-73317.

410  
00:37:17,318 --> 00:37:20,530  
Fring, Gustavo.  
Framed photograph of two men.

411  
00:37:20,697 --> 00:37:21,740  
Damaged.

412  
00:37:21,906 --> 00:37:23,742  
The glass is broken...

413  
00:37:23,908 --> 00:37:26,077  
...and photo has slipped  
out of its frame.

414  
00:37:26,244 --> 00:37:29,706  
Bag appears to be slightly punctured  
by broken glass.

415  
00:37:32,375 --> 00:37:33,418  
Check it out.

416  
00:37:35,420 --> 00:37:37,005  
That's not on the manifest.

417  
00:37:38,840 --> 00:37:41,676  
All right, so first off,  
I'm not a marriage counselor.

418  
00:37:41,843 --> 00:37:43,553  
Nor do I take sides in this thing.

419  
00:37:43,720 --> 00:37:45,638  
And, not taking sides, mind you...

420  
00:37:45,805 --> 00:37:48,057  
...but you did put her in charge  
of your money...

421  
00:37:48,224 --> 00:37:50,852  
...which I advised against,  
if you'll recall...

422

00:37:51,019 --> 00:37:53,897  
...all of which is not to be construed  
as an "I told you so."

423

00:37:54,063 --> 00:37:58,735  
I'm just walking you through  
my mental process, so to speak.

424

00:38:02,322 --> 00:38:04,157  
So she comes to me with a problem.

425

00:38:04,324 --> 00:38:07,660  
That she's been cooking Beneke's books,  
he's in Dutch with the IRS...

426

00:38:07,827 --> 00:38:11,164  
...and once they audit,  
it's Rio de Caca for the both of them.

427

00:38:11,331 --> 00:38:15,335  
To which I say, "Hey, let's involve Walt  
in this discussion."

428

00:38:15,502 --> 00:38:18,213  
To which she says,  
"No, let's cut Beneke a check..."

429

00:38:18,379 --> 00:38:20,632  
...so's he can pay off the IRS."

430

00:38:20,799 --> 00:38:25,345  
Again, not taking sides,  
but she really was trying to protect you.

431

00:38:28,014 --> 00:38:30,350  
A little feedback here might be nice.

432

00:38:32,393 --> 00:38:35,563  
"Let's involve Walt in this discussion."

433

00:38:35,730 --> 00:38:38,733

Yeah, that's what I told her.  
She said no.

434

00:38:38,900 --> 00:38:41,110  
And you didn't argue the point.

435

00:38:41,277 --> 00:38:43,154  
You didn't think to contact me.

436

00:38:45,490 --> 00:38:49,369  
You were a tad preoccupied at the time,  
if you'll recall.

437

00:38:49,536 --> 00:38:53,957  
Okay. So you took it upon yourself...

438

00:38:54,123 --> 00:38:58,837  
...to give away \$622,000  
of my money...

439

00:38:59,003 --> 00:39:02,715  
...to a man who had been  
sleeping with my wife.

440

00:39:03,716 --> 00:39:06,594  
She's my client, same as you.

441

00:39:06,761 --> 00:39:09,639  
Does this arrangement  
get a little tricky at times?

442

00:39:09,806 --> 00:39:10,890  
Absolutely.

443

00:39:11,057 --> 00:39:14,060  
But I try my best, you know,  
ethically, in my duty--

444

00:39:14,227 --> 00:39:16,020  
Ethically?

445

00:39:16,312 --> 00:39:19,315

I'm sorry. I must be hearing things.

446

00:39:19,482 --> 00:39:24,320

Did you actually just use  
the word "ethically" in a sentence?

447

00:39:24,487 --> 00:39:26,656

You're not Clarence Darrow, Saul.

448

00:39:26,823 --> 00:39:29,576

You're a two-bit bus-bench lawyer.

449

00:39:29,742 --> 00:39:31,077

And you work for me.

450

00:39:31,286 --> 00:39:34,539

Yeah, well, Clarence Darrow  
never had a client like you ask him...

451

00:39:34,706 --> 00:39:36,457

...for something...

452

00:39:37,166 --> 00:39:38,209

....like this.

453

00:39:38,376 --> 00:39:41,671

Okay? Yeah, I put my ass  
on the line for you.

454

00:39:41,880 --> 00:39:43,256

Huell too.

455

00:39:43,423 --> 00:39:46,843

He's got fingers like hot dogs.  
He could've easily busted this in two...

456

00:39:47,010 --> 00:39:49,929

...and killed everyone in the office.

But do I complain?

457

00:39:50,096 --> 00:39:52,640

No. Beg, borrow or steal,

I'm your huckleberry.

458

00:39:52,807 --> 00:39:55,184  
I go the extra mile.

459

00:39:55,894 --> 00:40:00,189  
Only you never told me  
that kid would wind up in the hospital.

460

00:40:00,690 --> 00:40:02,275  
You know--

461

00:40:02,442 --> 00:40:04,777  
Take that thing  
and get the hell out of here.

462

00:40:04,944 --> 00:40:07,280  
You and me, we're done.

463

00:40:22,587 --> 00:40:23,922  
What are you...?

464

00:40:24,088 --> 00:40:25,506  
Come on. Hey.

465

00:40:25,673 --> 00:40:27,342  
Hey.

466

00:40:32,263 --> 00:40:37,060  
We're done when I say we're done.

467

00:41:10,051 --> 00:41:13,596  
Yes, you are. Yes.

468

00:41:19,268 --> 00:41:20,853  
Hey.

469

00:41:26,818 --> 00:41:29,487  
I heard what happened to Ted.

470

00:41:31,030 --> 00:41:33,074

He's not gonna talk.

471

00:41:33,282 --> 00:41:35,076

Yeah.

472

00:42:00,059 --> 00:42:02,353

I forgive you.
