

# Breaking Bad

**CREATED BY**

Vince Gilligan

**EPISODE 5.05**

**"Dead Freight"**

Mike and Lydia work to get the methylamine transported for the operation. Walt and Jesse try to come up with a plan that won't blow their cover.

Jamie McShane	...	Conductor
Myk Watford	...	Engineer
Miguel Martinez	...	Fernando
Mary Sue Evans	...	Janice
Sam Webb	...	Drew Sharp
Ryan Begay	...	Good Samaritan

1

00:02:48,167 --> 00:02:51,088  
Hey, man, look at the sad sack  
I found moping around the lobby.

2

00:02:51,254 --> 00:02:53,590  
-Hey.  
-Hey, there, Walt.

3

00:02:53,757 --> 00:02:55,092  
-How you doing, buddy?  
-Good.

4

00:02:55,258 --> 00:02:57,636  
Listen, I'm sorry to drop in on you  
out of the blue.

5

00:02:57,803 --> 00:02:59,763  
-No, no, no.  
-If it's a bad time, I could--

6

00:02:59,930 --> 00:03:03,308  
No. I'm just kind of settling into the new  
digs here. What do you think?

7

00:03:03,475 --> 00:03:06,185  
It is very nice.

8

00:03:06,353 --> 00:03:08,230  
-Yeah. Congratulations again.  
-Yeah.

9

00:03:08,397 --> 00:03:11,066  
-We're all very proud of you.  
-Oh, well, thanks.

10

00:03:11,233 --> 00:03:13,235  
My days of chasing dirt-balls is over.

11

00:03:13,402 --> 00:03:15,487  
But I'll tell you what, being a boss...

12

00:03:15,654 --> 00:03:17,864

...own kind of grind,  
you know what I'm saying?

13

00:03:18,031 --> 00:03:22,661  
Steve, would you mind if...? I've gotta  
run something by Hank, if it's all right.

14

00:03:22,828 --> 00:03:25,914  
Yeah. Yeah, hey, somebody's  
gotta go chase the bad guys.

15

00:03:26,081 --> 00:03:28,917  
-Walt, it's a pleasure seeing you again.  
-Thanks again, Steve.

16

00:03:29,084 --> 00:03:31,086  
-Appreciate it.  
-Sure.

17

00:03:32,045 --> 00:03:33,714  
Hey. Look at that.

18

00:03:33,922 --> 00:03:35,632  
Jesus, Walt.

19

00:03:35,799 --> 00:03:37,467  
-That's nice. Let me see that.  
-Yeah.

20

00:03:37,634 --> 00:03:39,386  
Wow, that's beautiful.

21

00:03:39,553 --> 00:03:42,472  
-Was it a birthday present?  
-Yeah.

22

00:03:42,639 --> 00:03:45,016  
Well, I mean, not really.

23

00:03:45,183 --> 00:03:46,935  
I bought it for myself.

24

00:03:48,270 --> 00:03:51,606  
-Hey, well, have a seat.  
-Thanks.

25  
00:03:52,566 --> 00:03:55,360  
New car, new watch.

26  
00:03:55,527 --> 00:03:56,945  
Good for you.

27  
00:03:57,112 --> 00:03:59,865  
With all the curveballs  
that were thrown at you this year...

28  
00:04:00,031 --> 00:04:02,200  
...you deserve to treat yourself.

29  
00:04:03,076 --> 00:04:05,662  
I mean, as long as you got  
the money to spend, that is.

30  
00:04:05,829 --> 00:04:07,873  
So how's Sky?

31  
00:04:08,248 --> 00:04:11,460  
Actually,  
she went to work this morning.

32  
00:04:11,626 --> 00:04:13,253  
She wanted to.

33  
00:04:13,420 --> 00:04:18,550  
She said she needed to, you know,  
keep her mind occupied, and....

34  
00:04:18,717 --> 00:04:20,427  
-That's good. Great, actually.  
-Yeah.

35  
00:04:20,594 --> 00:04:24,222  
I mean, as long as you're all right  
with her being on her own and stuff.

36

00:04:24,389 --> 00:04:28,560  
Yeah, well, you know,  
I'm right there with her most of the time.

37

00:04:28,727 --> 00:04:32,314  
And Mariano kind of keeps an eye  
on her when I'm not, so....

38

00:04:32,481 --> 00:04:33,482  
-Good.  
-Yeah.

39

00:04:33,648 --> 00:04:36,568  
And what about the whole idea  
of talking to somebody?

40

00:04:36,735 --> 00:04:41,198  
You know, Marie goes off about Dave  
like he's a rock star shrink, you know?

41

00:04:41,364 --> 00:04:44,659  
They come in like zombies, out like larks,  
you know what I'm saying?

42

00:04:44,826 --> 00:04:48,038  
That's great.  
Actually, she already found someone.

43

00:04:48,205 --> 00:04:50,081  
Yeah. Peter....

44

00:04:53,335 --> 00:04:56,463  
I don't know why I'm drawing a blank  
on his last name. Peter....

45

00:04:56,630 --> 00:04:59,466  
Anyway, he's out in Rio Rancho.  
He's supposed to be top-notch.

46

00:04:59,633 --> 00:05:03,428  
Good, good. I'm glad you're on it.  
That's not something you wanna let fester.

47

00:05:03,595 --> 00:05:06,306  
No. No, you don't. You don't.

48

00:05:09,059 --> 00:05:11,144  
Hank, I just....

49

00:05:11,311 --> 00:05:14,981  
I wanted to thank you and Marie  
for watching the kids.

50

00:05:15,148 --> 00:05:17,150  
No, it's-- It really is--

51

00:05:17,317 --> 00:05:18,610  
No, it's nice of you.

52

00:05:18,777 --> 00:05:21,822  
And I'd like to come by tonight  
and see them, if that's all right.

53

00:05:21,988 --> 00:05:24,574  
Of course. What do you mean?  
You don't have to ask that.

54

00:05:24,741 --> 00:05:27,702  
It's great having them.  
They're great kids.

55

00:05:27,869 --> 00:05:29,246  
I appreciate that.

56

00:05:29,412 --> 00:05:31,164  
I do.

57

00:05:36,628 --> 00:05:39,631  
Something else on your mind there,  
Walt?

58

00:05:39,840 --> 00:05:42,092  
Walt, feel free to, you know....

59

00:05:50,016 --> 00:05:52,978  
Skyler doesn't love me anymore.

60

00:05:55,856 --> 00:05:59,317  
And I don't know what to do, Hank.  
I don't.

61

00:06:00,735 --> 00:06:01,736  
She....

62

00:06:04,656 --> 00:06:08,410  
She says that I'm a bad influence  
on the kids...

63

00:06:08,869 --> 00:06:12,205  
...and that I'm not....

64

00:06:13,957 --> 00:06:16,668  
-Not good for them.  
-Jeez, Walt.

65

00:06:16,835 --> 00:06:18,628  
No.

66

00:06:18,795 --> 00:06:22,757  
She thinks I'm a bad father.

67

00:06:23,216 --> 00:06:25,010  
I'm sorry.

68

00:06:25,594 --> 00:06:28,972  
Hey, I mean,  
Sky and you got your issues...

69

00:06:29,139 --> 00:06:32,851  
...but that there, that's.... That's....

70

00:06:33,101 --> 00:06:34,603  
I mean, I'm no....

71

00:06:35,270 --> 00:06:39,065  
I'm not an expert on parenting

or anything, but from where I'm sitting...

72

00:06:39,232 --> 00:06:41,400  
...I just don't see it, you know?

73

00:06:41,568 --> 00:06:43,194  
I mean, I....

74

00:06:43,361 --> 00:06:46,656  
I think you're great with the kids.  
I think you're great with the kids.

75

00:06:46,823 --> 00:06:52,078  
You're a provider, a role model,  
you know?

76

00:06:52,579 --> 00:06:55,373  
Hell, the guts you showed  
going toe-to-toe with cancer...

77

00:06:55,540 --> 00:06:59,418  
...that alone, that's an inspiration to me,  
you know?

78

00:06:59,920 --> 00:07:03,006  
-No, I've made mistakes, you know?  
-Yeah. Yeah, I know.

79

00:07:03,173 --> 00:07:05,800  
Listen, I'm gonna get a coffee.  
You want a coffee?

80

00:07:05,967 --> 00:07:08,303  
-Yeah. Okay. Yeah.  
-I'm gonna have a cup of coffee.

81

00:07:08,470 --> 00:07:12,182  
I'm gonna give you a moment  
to just get it together there.

82

00:07:12,682 --> 00:07:14,768  
You want cream and sugar?

83

00:07:14,935 --> 00:07:16,770  
Yeah, yeah. Hank, I'm sorry.

84

00:07:16,937 --> 00:07:18,647  
No, no, no.

85

00:07:18,813 --> 00:07:21,441  
That-- Cup of coffee, right? All right.

86

00:07:21,608 --> 00:07:24,069  
Just take a moment. Take a moment.

87

00:08:19,040 --> 00:08:21,209  
You know, you two  
are really great together.

88

00:08:21,751 --> 00:08:26,339  
Take it from me, buddy,  
it's always darkest just before the dawn.

89

00:08:27,090 --> 00:08:28,633  
Yeah.

90

00:08:33,013 --> 00:08:36,766  
What is this place? What is this place?  
What are we doing here?

91

00:08:36,933 --> 00:08:38,643  
-Get me the table.  
-I can't be here.

92

00:08:38,810 --> 00:08:42,105  
My daughter, my little girl,  
she's gonna be home soon.

93

00:08:42,272 --> 00:08:43,440  
What? What are you doing?

94

00:08:43,606 --> 00:08:47,569  
-Mike, Mike, Mike--  
-Shut up.

95

00:08:55,660 --> 00:08:57,662  
Give me her phone.

96

00:09:01,499 --> 00:09:03,334  
All right, Lydia.

97

00:09:03,501 --> 00:09:06,087  
My friends here don't know you  
like I do...

98

00:09:06,296 --> 00:09:10,008  
...so they are very kindly  
giving you one last chance.

99

00:09:15,180 --> 00:09:17,348  
There's your script. Study it.

100

00:09:17,849 --> 00:09:21,853  
In about 30 seconds, I'm gonna dial  
Agent Schrader on your line here...

101

00:09:22,020 --> 00:09:24,314  
...and you're gonna pass along  
this information...

102

00:09:24,481 --> 00:09:26,983  
...and then we'll see what we see.  
Here are the rules:

103

00:09:27,150 --> 00:09:30,445  
If you yell for help, try to give the man  
some kind of coded message...

104

00:09:30,612 --> 00:09:33,948  
...or otherwise tip him off,  
I am gonna pull out my pistol...

105

00:09:34,115 --> 00:09:36,201  
...and shoot you in the head.

106

00:09:36,367 --> 00:09:39,120  
Same goes for panicking,

breaking down into tears.

107

00:09:39,287 --> 00:09:41,164  
Remember how you like to do that?

108

00:09:41,331 --> 00:09:45,794  
If it happens this time,  
I am going to pull my pistol out...

109

00:09:45,960 --> 00:09:49,214  
...and I am going to shoot you  
in the head.

110

00:09:49,380 --> 00:09:50,840  
Look at me, not at them.

111

00:09:52,050 --> 00:09:55,637  
Lydia, look at me.

112

00:09:55,845 --> 00:09:59,516  
If you make Schrader suspicious  
in any way...

113

00:09:59,682 --> 00:10:03,269  
...any way at all,  
tell me what's gonna happen next.

114

00:10:03,853 --> 00:10:06,981  
-You'll pull out your gun and shoot me.  
-And where will I shoot you?

115

00:10:07,148 --> 00:10:09,442  
-In the head.  
-In the head. That's right.

116

00:10:09,609 --> 00:10:12,070  
And it's a pistol, not a gun.

117

00:10:12,237 --> 00:10:14,572  
I'm expecting precision here.

118

00:10:15,740 --> 00:10:17,117

We up and running?

119

00:10:17,283 --> 00:10:19,160  
Yeah. Computer's set.

120

00:10:19,327 --> 00:10:20,495  
Okay, Lydia.

121

00:10:20,662 --> 00:10:24,916  
If you ever needed to give  
the performance of a lifetime...

122

00:10:25,083 --> 00:10:26,918  
...it's now.

123

00:10:28,336 --> 00:10:29,712  
You're up.

124

00:10:32,173 --> 00:10:34,050  
ASAC's office.

125

00:10:34,217 --> 00:10:37,011  
Hi. Lydia Rodarte-Quayle  
calling for Agent Schrader.

126

00:10:37,178 --> 00:10:38,721  
I'm sorry. What's this regarding?

127

00:10:38,888 --> 00:10:43,309  
Madrigal Electromotive.  
Lydia. Rodarte. Quayle.

128

00:10:43,601 --> 00:10:45,645  
Hold, please.

129

00:10:45,812 --> 00:10:49,774  
Hank, Lydia Rodarte-Quayle  
on line one.

130

00:10:52,944 --> 00:10:55,113  
Hank Schrader.  
How can I help you, Ms. Quayle?

131

00:10:55,280 --> 00:10:58,116  
Well, this is kind of an odd....

132

00:10:58,283 --> 00:11:02,704  
It's just that I was in our warehouse,  
supervising a shipment of chemicals...

133

00:11:02,871 --> 00:11:07,167  
...when I noticed a device on the bottom  
of one of our barrels of methylamine.

134

00:11:07,333 --> 00:11:10,587  
-A device?  
-Yeah. I guess you'd call it that. I mean...

135

00:11:10,753 --> 00:11:16,050  
...I'm certainly no expert,  
but it looks to me like some kind of a....

136

00:11:16,217 --> 00:11:19,304  
A tracking device or a GPS.

137

00:11:19,971 --> 00:11:23,933  
So I was just wondering  
if maybe your people put it there.

138

00:11:24,100 --> 00:11:27,770  
Not that it's any of my business,  
but the last thing I wanna do is interfere...

139

00:11:27,937 --> 00:11:31,482  
...with a law enforcement operation  
or a sting...

140

00:11:31,649 --> 00:11:33,776  
...or whatever you call it.

141

00:11:34,027 --> 00:11:36,321  
So I don't know...

142

00:11:36,487 --> 00:11:38,865

...maybe you could  
give me some guidance?

143

00:11:39,032 --> 00:11:41,159  
Well, I'll tell you what.

144

00:11:41,326 --> 00:11:43,369  
Set that barrel aside for me,  
if you would...

145

00:11:43,536 --> 00:11:45,788  
...and I'll look into it  
and get back to you.

146

00:11:45,955 --> 00:11:49,334  
And in the meantime,  
mum's the word, all right?

147

00:11:49,500 --> 00:11:51,669  
Yeah. All right. Sure thing.

148

00:11:51,836 --> 00:11:53,922  
Okay, great.  
Thanks for the call, Ms. Quayle.

149

00:11:54,088 --> 00:11:55,714  
Bye-bye.

150

00:12:02,430 --> 00:12:04,515  
Hey, Gomey, come here, would you?

151

00:12:05,266 --> 00:12:06,643  
-Yeah?  
-Hey, man.

152

00:12:06,809 --> 00:12:10,521  
You know anything about GPS trackers  
on a methylamine barrel?

153

00:12:10,729 --> 00:12:12,398  
Madrigal Houston, I'm talking about.

154

00:12:12,565 --> 00:12:15,109  
Nope. Nobody from my team  
planted anything. Why?

155

00:12:15,276 --> 00:12:18,488  
Oh, I don't know. I figured as much.

156

00:12:18,655 --> 00:12:20,448  
All right. Thanks.

157

00:12:22,033 --> 00:12:24,202  
I know what you're thinking,  
but I didn't do it.

158

00:12:24,369 --> 00:12:27,497  
-I'm telling you, I didn't plant that thing.  
-Shut up.

159

00:12:28,122 --> 00:12:30,083  
And there you have it, like I said.

160

00:12:30,250 --> 00:12:32,252  
All right. So now what?

161

00:12:32,418 --> 00:12:36,089  
It's not the DEA's, so Schrader's  
probably thinking some crew planted it...

162

00:12:36,256 --> 00:12:38,424  
...looking for a weak spot to pull a heist.

163

00:12:38,591 --> 00:12:41,135  
He's gonna send a team over  
to that warehouse.

164

00:12:41,302 --> 00:12:44,597  
He's gonna wire it out the wazoo.  
Bugs, cameras, the whole nine yards.

165

00:12:44,763 --> 00:12:46,557  
So the warehouse is too hot.

166

00:12:46,724 --> 00:12:49,143  
Her supply is useless to us now.

167  
00:12:49,310 --> 00:12:52,605  
It depends on how fast Schrader  
can get his guys there.

168  
00:12:52,771 --> 00:12:54,899  
We're 900 miles closer, after all.

169  
00:12:55,066 --> 00:12:58,236  
I say we keep listening,  
suss out how much time we have.

170  
00:12:58,403 --> 00:13:00,863  
If it's at least 12 hours,  
then we head down there...

171  
00:13:01,030 --> 00:13:04,951  
...use her security code to gain access  
and we take every barrel we can.

172  
00:13:05,118 --> 00:13:08,705  
U-Haul can only take six or seven  
before the suspension gives out.

173  
00:13:08,871 --> 00:13:11,916  
It's a stopgap. But right now,  
it's the best we can do.

174  
00:13:13,918 --> 00:13:16,546  
Well, what about her?

175  
00:13:18,965 --> 00:13:21,718  
You two drive the barrels back tonight.

176  
00:13:23,469 --> 00:13:24,595  
I'll deal with her.

177  
00:13:24,762 --> 00:13:27,390  
No. No, no, no.  
You're making a mistake.

178

00:13:27,557 --> 00:13:30,226

This was not me.

I swear to God I didn't do it.

179

00:13:30,393 --> 00:13:33,021

I don't know.

Sounds like she's telling the truth to me.

180

00:13:33,187 --> 00:13:36,149

She has a gun to her head, kid.

181

00:13:36,316 --> 00:13:39,027

Everyone sounds like Meryl Streep  
with a gun to their head.

182

00:13:39,193 --> 00:13:41,070

I'm sorry, Jesse.

183

00:13:41,487 --> 00:13:44,449

You're the one who wanted  
to put it up to a vote.

184

00:13:44,615 --> 00:13:46,659

It's two against one.

185

00:13:47,994 --> 00:13:50,496

No. No! You can't kill me! Come on!

186

00:13:50,663 --> 00:13:53,124

I swear I didn't do anything!

187

00:13:53,291 --> 00:13:56,252

Janice, give me Doughty  
in the Houston office, will you?

188

00:13:56,419 --> 00:13:57,795

You got it.

189

00:14:01,257 --> 00:14:04,302

Hank Schrader for Mr. Doughty.

190

00:14:05,970 --> 00:14:07,680  
He's on the line.

191

00:14:07,846 --> 00:14:11,601  
Hey, Erol. Please tell me you guys  
didn't do something as lamebrained...

192

00:14:11,768 --> 00:14:15,229  
...as put a GPS tracker on the outside  
of a barrel of methylamine.

193

00:14:15,396 --> 00:14:18,316  
One earmarked for the  
Madrigal warehouse in Houston?

194

00:14:19,776 --> 00:14:22,028  
Who's asking?  
Did someone find them?

195

00:14:22,195 --> 00:14:23,613  
Jesus. Are you shitting me?

196

00:14:23,780 --> 00:14:26,657  
Since when do you put a GPS tracker  
on the outside of a barrel?

197

00:14:26,824 --> 00:14:29,243  
We didn't have time  
to go in with hazard suits, Hank.

198

00:14:29,410 --> 00:14:30,536  
They were about to ship.

199

00:14:30,703 --> 00:14:33,122  
We epoxied them to the bottom.  
They were well-hidden.

200

00:14:33,289 --> 00:14:35,666  
Oh, really?  
Well, not well-hidden enough.

201

00:14:35,833 --> 00:14:37,168  
How many barrels you tag?

202

00:14:37,335 --> 00:14:40,213  
All of them. All the ones headed  
to the warehouse, anyway.

203

00:14:40,380 --> 00:14:45,176  
Christ. All right. Well, sit tight.  
Let me figure out how to play this.

204

00:14:45,343 --> 00:14:47,804  
Next time, a little communication first,  
all right?

205

00:14:47,970 --> 00:14:50,890  
-Yeah, I'm sorry about that.  
-Asshole.

206

00:14:54,394 --> 00:14:57,605  
Aside-- Aside from the fact...

207

00:14:57,772 --> 00:15:02,485  
...that we almost killed this woman,  
all of those barrels are already marked.

208

00:15:02,652 --> 00:15:04,237  
We solve the problem we can.

209

00:15:04,404 --> 00:15:07,281  
This has not changed the equation  
one iota for her.

210

00:15:07,448 --> 00:15:11,452  
Oh, come on! You are not seriously  
still considering killing me?

211

00:15:11,619 --> 00:15:14,831  
I saved you! If it weren't for me,  
we'd all be in jail right now.

212

00:15:14,997 --> 00:15:18,418  
I hate to say it, but she's right, Mike.

213

00:15:18,584 --> 00:15:21,546  
She saved our asses  
by finding that thing.

214  
00:15:21,712 --> 00:15:24,715  
She is saving herself.  
She's a loose cannon.

215  
00:15:24,882 --> 00:15:29,554  
I am telling you, she will turn a gun or  
a badge on us the first chance she gets.

216  
00:15:30,012 --> 00:15:34,267  
The woman put a hit out on me.

217  
00:15:35,935 --> 00:15:37,103  
Seriously?

218  
00:15:38,229 --> 00:15:42,233  
Wait. A hit? What? Like the mafia?

219  
00:15:42,775 --> 00:15:45,111  
Yeah, like the mafia.

220  
00:15:45,278 --> 00:15:48,739  
Hey! You still need methylamine,  
don't you? Right?

221  
00:15:48,906 --> 00:15:50,158  
You wanna talk methylamine?

222  
00:15:50,324 --> 00:15:53,953  
Then tell your partner to stop  
threatening me, and let's talk.

223  
00:15:54,120 --> 00:15:56,414  
Talk about what? You heard.

224  
00:15:56,581 --> 00:15:58,708  
You can't even get us a single barrel.

225  
00:15:58,875 --> 00:16:00,877

Who said anything about barrels?

226

00:16:01,043 --> 00:16:05,006  
I'm talking about an ocean of the stuff.

227

00:16:11,387 --> 00:16:13,681  
Just give him a minute, would you?

228

00:16:13,848 --> 00:16:15,683  
Trust him.

229

00:16:15,850 --> 00:16:17,018  
"Trust him."

230

00:16:21,898 --> 00:16:25,067  
Okay. So let's hear it.

231

00:16:25,234 --> 00:16:28,571  
Not without a guarantee that once  
I tell you how to get what you want...

232

00:16:28,738 --> 00:16:30,031  
...I won't be killed anyway.

233

00:16:30,198 --> 00:16:31,824  
Fine. You have my word.

234

00:16:31,991 --> 00:16:33,951  
-Not good enough.  
-Look, lady--

235

00:16:34,118 --> 00:16:37,955  
-Do you have children?  
-That has nothing to do with this.

236

00:16:38,122 --> 00:16:41,459  
It's not a trick question.  
Why don't you just answer it?

237

00:16:41,876 --> 00:16:44,754  
Yes, I have children. So what?

238

00:16:44,921 --> 00:16:47,298  
You think that somehow  
because we're both parents...

239

00:16:47,465 --> 00:16:49,800  
...that I won't let my partner  
do what's necessary?

240

00:16:49,967 --> 00:16:51,552  
-Swear on their lives.  
-Oh, what?

241

00:16:51,719 --> 00:16:54,222  
Swear on your children's lives  
that I won't be harmed.

242

00:16:54,388 --> 00:16:56,265  
Otherwise, how can I trust you?

243

00:16:56,432 --> 00:16:59,894  
Look, you're a smart businesswoman.

244

00:17:00,061 --> 00:17:01,896  
You understand the concept  
of leverage.

245

00:17:02,063 --> 00:17:06,108  
-Please don't patronise me. I hate that.  
-You have none.

246

00:17:09,403 --> 00:17:14,075  
But trust has to work both ways, Lydia.

247

00:17:14,242 --> 00:17:17,119  
Is it true that you put a hit out on Mike?

248

00:17:20,623 --> 00:17:22,542  
-Yes.  
-Why?

249

00:17:22,708 --> 00:17:23,918  
I was scared.

250

00:17:25,044 --> 00:17:28,214

-Of Mike?

-Not at first.

251

00:17:28,381 --> 00:17:31,217

There are men who used to work  
with Gus Fring in custody now.

252

00:17:31,384 --> 00:17:34,220

Nine of them. They know everything  
about me. Everything.

253

00:17:34,387 --> 00:17:37,682

Some of them even know about you,  
assuming you're the master chemist...

254

00:17:37,848 --> 00:17:40,059

...they're always talking about.

255

00:17:40,476 --> 00:17:44,230

And if it's these nine  
that you're worried about...

256

00:17:44,397 --> 00:17:46,566

-...why put the hit on Mike?

-I had no choice.

257

00:17:46,732 --> 00:17:49,860

I'm not going to prison and have my  
daughter raised in a group home.

258

00:17:50,027 --> 00:17:52,780

Do you have any idea  
what those places are like?

259

00:17:52,947 --> 00:17:54,699

I gave him a list of names...

260

00:17:54,865 --> 00:17:57,243

...but instead of handling it,  
he's protecting them.

261

00:17:57,410 --> 00:18:00,246

So I hired someone else.

At that point, there was no option...

262

00:18:00,413 --> 00:18:02,123

...but to add Mike to the list.

263

00:18:06,877 --> 00:18:09,797

This ocean of methylamine...

264

00:18:09,964 --> 00:18:13,092

...that you claim

you can get your hands on...

265

00:18:14,135 --> 00:18:17,430

...how much are we

talking about, literally?

266

00:18:17,638 --> 00:18:20,808

How does 24,000 gallons sound?

267

00:18:23,894 --> 00:18:27,648

Once a week, on a Wednesday, a freight train leaves the Port of Long Beach...

268

00:18:27,815 --> 00:18:29,734

...loaded with industrial chemicals.

269

00:18:29,900 --> 00:18:32,778

There's always at least one tanker car full of methylamine...

270

00:18:32,945 --> 00:18:35,448

...which we import from

a manufacturer in Guangzhou.

271

00:18:35,615 --> 00:18:37,992

The train travels east through Arizona...

272

00:18:38,159 --> 00:18:40,286

...stops at a rail yard outside Flagstaff...

273

00:18:40,453 --> 00:18:44,123  
...where it gets broken down and rebuilt.  
But the methylamine always moves on...

274

00:18:44,290 --> 00:18:47,126  
...destined for our pesticide concerns  
in Texas and Oklahoma.

275

00:18:47,293 --> 00:18:50,129  
Which means that it passes  
right through your home state.

276

00:18:50,338 --> 00:18:55,301  
There's a remote three-mile stretch  
here in McKinley County.

277

00:18:55,468 --> 00:18:57,386  
That's where you do it.

278

00:18:58,638 --> 00:19:01,140  
That's where we do what exactly?

279

00:19:01,307 --> 00:19:02,558  
Get your methylamine.

280

00:19:02,725 --> 00:19:06,604  
-Like, rob it? Like Jesse James?  
-You want the stuff?

281

00:19:06,771 --> 00:19:08,939  
I'm offering you enough  
to fill a swimming pool.

282

00:19:09,106 --> 00:19:12,485  
You are offering us a quick trip to prison.  
That's what I'm hearing.

283

00:19:12,652 --> 00:19:14,862  
Stopping a train, post 9/11?

284

00:19:15,029 --> 00:19:19,283  
You have any idea how many alarms

that'll set off between here and D.C.?

285

00:19:19,450 --> 00:19:23,204  
None, if you do it right here.  
If a freight train is stopped in transit...

286

00:19:23,371 --> 00:19:25,748  
...anywhere other than  
the usual yards or depots...

287

00:19:25,915 --> 00:19:29,669  
...absolutely, a signal will alarm the FRA  
and the TSA Surface Division...

288

00:19:29,835 --> 00:19:33,005  
...at the Department of Homeland  
Security. But what you don't know...

289

00:19:33,172 --> 00:19:36,884  
...and I do, because my job requires me  
to keep track of my buyers' shipments...

290

00:19:37,051 --> 00:19:39,345  
...this is dark territory.

291

00:19:39,512 --> 00:19:42,056  
-What's that?  
-Train-speak for an area of no contact.

292

00:19:42,223 --> 00:19:43,891  
It's a dead zone.

293

00:19:44,058 --> 00:19:48,396  
No automated supervision system,  
no alarms, no contact with control.

294

00:19:48,562 --> 00:19:49,772  
What about cell phones?

295

00:19:49,939 --> 00:19:52,608  
-Crew could just call the cops.  
-No cellular either.

296  
00:19:52,775 --> 00:19:55,611  
I'm telling you, it's the perfect place.

297  
00:19:55,778 --> 00:19:57,780  
You'd have time enough  
to stop the train...

298  
00:19:57,947 --> 00:20:00,366  
...siphon off as much methylamine  
as you can carry...

299  
00:20:00,533 --> 00:20:03,911  
-...get away before the police are called.  
-Wait a minute. Wait a minute.

300  
00:20:04,078 --> 00:20:06,706  
Assuming we can stop a moving train...

301  
00:20:06,872 --> 00:20:10,418  
...how do we know we have the right one?  
And which tanker car is which?

302  
00:20:10,584 --> 00:20:13,212  
I can't believe that they would  
advertise their contents.

303  
00:20:13,379 --> 00:20:15,589  
Once the train gets rebuilt in Flagstaff...

304  
00:20:15,756 --> 00:20:18,592  
...a final manifest gets uploaded  
to my company's server.

305  
00:20:18,759 --> 00:20:21,595  
I'll have it for you sometime  
between midnight and 2 a.m.

306  
00:20:21,762 --> 00:20:24,432  
That'll give you at least  
six hours of lead time.

307  
00:20:25,141 --> 00:20:28,769

Keep in mind, I'm taking a huge risk  
supplying this information.

308

00:20:28,936 --> 00:20:30,187  
I expect to be paid.

309

00:20:33,566 --> 00:20:35,484  
We can talk percentages later.

310

00:20:35,651 --> 00:20:37,778  
You know what this means, don't you?

311

00:20:37,945 --> 00:20:39,405  
We've gotta off the crew.

312

00:20:40,072 --> 00:20:41,365  
How do you figure?

313

00:20:41,532 --> 00:20:43,826  
If we don't, the engineer's  
gonna call the cops...

314

00:20:43,993 --> 00:20:47,288  
...as soon as he gets out of the  
dead zone. It's only three miles long.

315

00:20:47,455 --> 00:20:50,624  
-We're out in the boonies.  
-I don't care if it's in the Gobi Desert.

316

00:20:50,791 --> 00:20:53,252  
Once they get word,  
the FBI and Homeland Security...

317

00:20:53,419 --> 00:20:57,256  
...are gonna swoop down with choppers  
on us so fast, it'll make our heads spin.

318

00:20:57,423 --> 00:20:59,884  
And there is no hiding  
in that open country.

319

00:21:00,050 --> 00:21:01,927

-How many in the crew?

-Just two.

320

00:21:02,094 --> 00:21:05,264

-An engineer and a conductor.

-Assuming there are no security guards.

321

00:21:05,431 --> 00:21:08,184

No guards. It's not like  
we're carrying nuclear warheads.

322

00:21:08,350 --> 00:21:10,352

Wait. Two guys.

323

00:21:10,519 --> 00:21:12,521

Can't we just tie them up  
or something?

324

00:21:12,688 --> 00:21:17,943

And then what? Even if we wear a mask,  
we're leaving two witnesses behind.

325

00:21:18,110 --> 00:21:21,322

Bottom line, I have done this  
long enough to know...

326

00:21:21,489 --> 00:21:24,325

...that there are two kinds of heists:

327

00:21:24,492 --> 00:21:27,286

Those where the guys  
get away with it...

328

00:21:27,453 --> 00:21:29,997

...and those that leave witnesses.

329

00:21:31,165 --> 00:21:33,793

Give me a break.  
You guys were gonna murder me.

330

00:21:33,959 --> 00:21:36,378

I thought you were professionals.

331

00:21:39,173 --> 00:21:42,301  
Can you say "ASAC"?

332

00:21:42,468 --> 00:21:44,553  
"ASAC." Can you say that?

333

00:21:44,720 --> 00:21:47,056  
Say, "ASAC Schrader."

334

00:21:47,223 --> 00:21:51,268  
If those turn out to be her first words,  
I will beat you with my shoe.

335

00:21:51,435 --> 00:21:55,356  
-Don't listen to him, Holly.  
-I'm just telling it like it is, babe.

336

00:21:55,523 --> 00:21:57,858  
Boss man. I'm the boss man.

337

00:21:58,025 --> 00:22:00,110  
Say, "Boss man."

338

00:22:00,277 --> 00:22:02,696  
Am I the boss man? I'm the boss.

339

00:22:02,863 --> 00:22:06,325  
Hey, that better be something from  
a boob instead of some fake soy crap.

340

00:22:06,492 --> 00:22:08,953  
-Yeah, yeah.  
-My little girl...

341

00:22:09,119 --> 00:22:11,497  
-Your little girl.  
-...deserves the real McCoy.

342

00:22:12,665 --> 00:22:13,833  
-No. See?  
-Okay.

343

00:22:13,999 --> 00:22:16,752  
She doesn't want it.  
No, she wants me.

344

00:22:16,919 --> 00:22:19,088  
She wants me.

345

00:22:20,464 --> 00:22:24,134  
Yeah, my little girl,  
because I'm not giving her back.

346

00:22:24,301 --> 00:22:25,636  
Yeah, I know.

347

00:22:26,262 --> 00:22:27,805  
What about Emo McGee?

348

00:22:27,972 --> 00:22:29,723  
Has he come out of his room today?

349

00:22:29,890 --> 00:22:31,225  
Barely.

350

00:22:31,392 --> 00:22:33,143  
When he does, he barely talks.

351

00:22:33,310 --> 00:22:35,437  
Yeah, well, what do you expect,  
you know?

352

00:22:35,604 --> 00:22:38,732  
His parents treat him  
like he's a baby there.

353

00:22:46,657 --> 00:22:49,702  
Flynn, do you want me to heat up  
some of that lasagne...

354

00:22:49,869 --> 00:22:51,579  
...to hold you over till dinner?

355

00:22:51,745 --> 00:22:53,038  
No.

356

00:22:53,205 --> 00:22:56,709  
Hey, I picked up Heat on Blu-ray.  
Wanna watch it with me later?

357

00:22:57,209 --> 00:23:01,839  
No. And you can keep  
talking about me now.

358

00:23:05,885 --> 00:23:08,762  
Well, if no one else is gonna  
offer an opinion, I will.

359

00:23:08,929 --> 00:23:10,681  
We do it the old-fashioned way.

360

00:23:10,848 --> 00:23:14,268  
We hit skid row, the Crystal Palace,  
all the halfway houses...

361

00:23:14,435 --> 00:23:18,063  
...scrounge up about a dozen skulls,  
put them to work smurfing cold pills.

362

00:23:18,230 --> 00:23:20,065  
You mean switch back  
to a pseudo cook.

363

00:23:20,232 --> 00:23:23,986  
You're the chemist. Admittedly,  
it's gonna cut down on our output.

364

00:23:24,153 --> 00:23:26,572  
Like a factor of four or five.

365

00:23:26,739 --> 00:23:29,909  
It also means  
that we will eat \$80,000...

366

00:23:30,075 --> 00:23:32,453

...we just invested  
in our new lab equipment...

367

00:23:32,620 --> 00:23:35,039  
...which is only good for a P2P cook.

368

00:23:35,205 --> 00:23:37,583  
You know, I don't have to do  
the math to know...

369

00:23:37,750 --> 00:23:39,919  
...that we'd be making  
a fraction of the profit.

370

00:23:40,085 --> 00:23:44,465  
And making less money  
is better than making nothing.

371

00:23:45,049 --> 00:23:47,927  
Oh, yeah, Mike?  
Well, why don't you tell us why?

372

00:23:48,093 --> 00:23:51,221  
Why is making nothing not an option?

373

00:23:51,388 --> 00:23:52,973  
-Walter--  
-Let me tell you why.

374

00:23:53,140 --> 00:23:55,309  
It's because of your nine guys  
in lockup, right?

375

00:23:55,476 --> 00:23:59,146  
You broke it, you pay for it. And we've  
talked about this plenty already.

376

00:23:59,313 --> 00:24:01,690  
Well, maybe we better  
talk about it a little more...

377

00:24:01,857 --> 00:24:05,486  
...because what it sounds like you're

telling me, Mike, is that from now on...

378

00:24:05,653 --> 00:24:08,405

...we have no choice  
but to do this piddling pseudo cook...

379

00:24:08,572 --> 00:24:10,616

...so that we can pay back your guys.

380

00:24:10,783 --> 00:24:14,078

Or else what? Or else they're gonna  
rat on us, and we end up in prison.

381

00:24:14,244 --> 00:24:17,289

Yeah? And it sounds like  
what you're telling me, Walter...

382

00:24:17,455 --> 00:24:19,875

...is that you wanna do this heist...

383

00:24:20,042 --> 00:24:23,003

...even if it means killing  
a couple of innocent men.

384

00:24:23,170 --> 00:24:24,922

That what you want?

385

00:24:25,714 --> 00:24:29,343

You know, I don't know why you insist  
on putting words in my mouth here.

386

00:24:29,510 --> 00:24:34,556

What if we can rip off that train,  
and no one ever knows it got robbed?

387

00:24:48,612 --> 00:24:50,739

Maybe.

388

00:24:55,244 --> 00:24:57,955

Just maybe.

389

00:25:08,590 --> 00:25:10,843

It'll come from that direction.

390

00:25:38,454 --> 00:25:40,622  
Seven seventy-five.

391

00:25:44,209 --> 00:25:45,794  
Eight hundred.

392

00:25:49,547 --> 00:25:52,009  
Eight fourteen.

393

00:25:56,388 --> 00:25:58,182  
Wait a minute.

394

00:26:02,936 --> 00:26:08,275  
It's perfect. Yeah, we do it here.

395

00:26:08,859 --> 00:26:11,320  
We do it right here.

396

00:26:23,373 --> 00:26:25,417  
How are we looking, Mike?

397

00:26:31,924 --> 00:26:33,550  
All clear.

398

00:26:33,717 --> 00:26:35,385  
Copy that.

399

00:26:42,434 --> 00:26:45,020  
Go down, go down.

400

00:26:46,021 --> 00:26:48,524  
You got it. That's good, Fernando.

401

00:27:03,872 --> 00:27:05,999  
Hey.

402

00:27:07,543 --> 00:27:10,087  
-This one.  
-Right.

403

00:27:14,632 --> 00:27:16,301

-You good?

-Yeah.

404

00:27:20,139 --> 00:27:22,057

-What's your name again?

-Todd.

405

00:27:22,224 --> 00:27:25,769

Todd, on the day, are you gonna be able  
to make this climb?

406

00:27:25,936 --> 00:27:28,355

Yes, sir. I'll be ready.

407

00:27:28,646 --> 00:27:30,691

All right.

408

00:27:30,899 --> 00:27:33,777

-You mind if I ask you a question?

-No. Go ahead.

409

00:27:33,944 --> 00:27:36,405

Well, I get why we want the tank  
for the methylamine.

410

00:27:36,572 --> 00:27:38,282

But why this other one for the water?

411

00:27:39,074 --> 00:27:40,784

Well....

412

00:27:41,659 --> 00:27:43,203

Jesse, it's your idea.

413

00:27:43,370 --> 00:27:45,205

You wanna fill him in?

414

00:27:45,663 --> 00:27:47,457

It's all about the weight, yo.

415

00:27:47,624 --> 00:27:51,545  
The tanker we're gonna hit gets weighed  
when it gets loaded in Long Beach...

416

00:27:51,712 --> 00:27:54,840  
...and then again  
when it's unloaded in Texas.

417

00:27:55,007 --> 00:27:56,758  
If the weights don't match...

418

00:27:56,925 --> 00:27:59,178  
...the train company's  
gonna know it got robbed.

419

00:27:59,344 --> 00:28:00,387  
Okay.

420

00:28:00,554 --> 00:28:03,557  
Boosting methylamine from a train  
is, like, a major rap.

421

00:28:03,724 --> 00:28:09,938  
The point is, no one other than us can  
ever know that this robbery went down.

422

00:28:10,105 --> 00:28:13,066  
Nobody. You got it?

423

00:28:15,194 --> 00:28:17,321  
Yeah. Absolutely.

424

00:28:18,488 --> 00:28:19,697  
Are you sure?

425

00:28:19,865 --> 00:28:21,575  
Yes, sir.

426

00:28:21,742 --> 00:28:25,662  
With all that said,  
the whole thing relies on us...

427

00:28:25,829 --> 00:28:29,458  
...replacing the weight of methylamine  
we steal with the same weight in water.

428

00:28:29,625 --> 00:28:31,709  
So they'll never know  
we hit them. Cool.

429

00:28:31,877 --> 00:28:35,881  
Aqueous methylamine is water-based,  
yet it weighs slightly less than water.

430

00:28:36,048 --> 00:28:41,428  
We will be removing a thousand gallons  
of methylamine from the tanker car...

431

00:28:41,595 --> 00:28:46,016  
...but replacing it with about nine-tenths  
of that volume in water...

432

00:28:46,183 --> 00:28:50,020  
...which comes to 900.24 gallons.

433

00:28:50,312 --> 00:28:53,523  
Actually, Jesse,  
let's make that an even 920...

434

00:28:53,690 --> 00:28:56,652  
...to account for spillage  
and whatever will remain in the hose.

435

00:28:56,818 --> 00:28:59,363  
-Yeah.  
-How we doing, by the way?

436

00:28:59,529 --> 00:29:02,908  
-Eight fifty. We're almost there.  
-All right.

437

00:29:03,075 --> 00:29:06,578  
Won't they figure they got robbed,  
getting watered-down methylamine?

438

00:29:06,787 --> 00:29:08,956  
Well, out of 24,000 gallons...

439

00:29:09,122 --> 00:29:13,877  
...it'll only amount to about  
four percent dilution, so....

440

00:29:14,044 --> 00:29:16,964  
But, yes, you're right. They will notice.

441

00:29:17,130 --> 00:29:20,759  
At which point, they will blame China...

442

00:29:20,926 --> 00:29:24,554  
...for sending  
a marginally weaker batch.

443

00:29:25,055 --> 00:29:28,350  
Damn, you guys thought  
of everything.

444

00:29:36,566 --> 00:29:38,151  
Flynn.

445

00:29:39,236 --> 00:29:41,238  
Flynn, open the door.

446

00:29:41,780 --> 00:29:44,324  
Just come out and talk to me.

447

00:29:44,491 --> 00:29:48,036  
I'm staying. That's all I have to say.

448

00:29:53,625 --> 00:29:56,837  
-What's going on?  
-You got what you wanted, that's what.

449

00:29:57,504 --> 00:29:59,589  
Congratulations.

450

00:30:11,184 --> 00:30:13,020

It's me. Open up.

451

00:30:16,773 --> 00:30:19,151

Come on, Junior.

I'm not gonna ask twice.

452

00:30:20,319 --> 00:30:21,695

What?

453

00:30:21,862 --> 00:30:23,905

You know what.

454

00:30:24,072 --> 00:30:26,742

Are you seriously kicking me out  
of my own house?

455

00:30:26,908 --> 00:30:28,493

Are you seriously doing that?

456

00:30:28,660 --> 00:30:30,954

We are not kicking you  
out of anywhere, son.

457

00:30:31,121 --> 00:30:35,083

We love you. And this is your house  
as much as it is ours.

458

00:30:35,250 --> 00:30:38,045

But your mom and I need some time  
alone, and you know that.

459

00:30:38,253 --> 00:30:41,006

-We explained that to you.  
-You haven't explained jack shit.

460

00:30:41,173 --> 00:30:44,092

You want me out? Explain to me why.

461

00:30:44,259 --> 00:30:46,011

Why do I have to go to Uncle Hank's?

462

00:30:46,178 --> 00:30:49,181

Give me the exact reason  
or I'm not going anywhere.

463

00:30:51,058 --> 00:30:52,726  
This is not gonna be a debate.

464

00:30:52,934 --> 00:30:54,436  
What's going on?

465

00:30:54,603 --> 00:30:56,605  
Why can't anybody tell me anything?

466

00:30:56,772 --> 00:30:59,524  
I want one good reason.

467

00:31:01,193 --> 00:31:04,112  
Because we're your parents  
and you're our child.

468

00:31:04,279 --> 00:31:07,074  
That's reason enough.  
Now, please, do as I ask.

469

00:31:09,493 --> 00:31:11,119  
Now.

470

00:31:15,540 --> 00:31:16,958  
It'll pass. He'll understand.

471

00:31:17,125 --> 00:31:19,544  
Don't start, Walt.

472

00:31:19,711 --> 00:31:22,297  
I won't change my mind about you.

473

00:31:23,673 --> 00:31:25,384  
Ever.

474

00:31:25,550 --> 00:31:27,511  
Well, I don't accept that.  
You're my wife.

475  
00:31:27,677 --> 00:31:30,722  
I'm not your wife, I'm your hostage.

476  
00:31:31,723 --> 00:31:35,602  
But since you insist  
on keeping me imprisoned...

477  
00:31:35,769 --> 00:31:37,229  
...I'll make you a deal.

478  
00:31:37,396 --> 00:31:41,066  
I will launder your money,  
I'll keep your secrets...

479  
00:31:41,233 --> 00:31:43,902  
...but the kids will stay  
at Hank and Marie's...

480  
00:31:44,069 --> 00:31:46,822  
...where they have  
a chance of being safe.

481  
00:31:48,865 --> 00:31:51,618  
I think you've seen too many movies.

482  
00:31:52,452 --> 00:31:56,123  
Our children are not in danger.

483  
00:31:56,331 --> 00:31:58,500  
Just a couple of days ago...

484  
00:31:58,667 --> 00:32:01,086  
...you told me that a man  
held a gun to your head.

485  
00:32:01,253 --> 00:32:04,464  
You said it like it was a point of pride.

486  
00:32:04,673 --> 00:32:06,967  
There's nothing you can say  
that'll convince me...

487

00:32:07,134 --> 00:32:10,178  
...there won't come a day  
that somebody will knock on that door...

488

00:32:10,345 --> 00:32:12,681  
...looking to harm you or me  
or all of us.

489

00:32:12,848 --> 00:32:17,060  
And when that day comes,  
the children cannot be here.

490

00:32:18,895 --> 00:32:21,148  
You agree to that...

491

00:32:22,107 --> 00:32:26,570  
...and I will be whatever kind of partner  
you want me to be.

492

00:32:39,458 --> 00:32:41,293  
Okay.

493

00:32:47,132 --> 00:32:49,301  
By the way...

494

00:32:50,260 --> 00:32:53,513  
...you're visiting a therapist  
from Rio Rancho. Peter.

495

00:32:54,306 --> 00:32:56,683  
Last name is up to you.

496

00:32:57,767 --> 00:32:59,811  
Out burying bodies?

497

00:33:04,566 --> 00:33:06,526  
Robbing a train.

498

00:33:34,721 --> 00:33:36,848  
-Yeah?  
-It's me.

499

00:33:37,724 --> 00:33:39,267  
I've got it.

500

00:33:40,310 --> 00:33:44,105  
Okay, Mr. White, everything's set.

501

00:35:45,018 --> 00:35:46,561  
Hey, Wallace! Up ahead!

502

00:35:48,188 --> 00:35:50,565  
Stop the train now!

503

00:36:10,627 --> 00:36:12,212  
Stop!

504

00:36:12,379 --> 00:36:13,588  
Stop the train!

505

00:36:31,481 --> 00:36:33,608  
Now. Go, go, go.

506

00:37:02,262 --> 00:37:05,098  
Jesus. Thank God you guys  
weren't asleep at the switch.

507

00:37:05,265 --> 00:37:07,475  
It'd be like pancake city out here.

508

00:37:07,642 --> 00:37:09,769  
Man.

509

00:37:09,936 --> 00:37:11,771  
Hey, you believe this?

510

00:37:12,105 --> 00:37:13,982  
I mean, shit fire and save the matches.

511

00:37:14,149 --> 00:37:16,359  
Talk about bum luck.

512

00:37:16,901 --> 00:37:19,946  
Hey, man, I'm sorry  
to put you guys out like this.

513  
00:37:20,155 --> 00:37:21,448  
What's the trouble with it?

514  
00:37:21,614 --> 00:37:23,533  
No clue.  
I was just driving down the road.

515  
00:37:23,700 --> 00:37:26,453  
All of a sudden, the old cow  
just bellied up and died on me.

516  
00:37:26,619 --> 00:37:29,581  
Either one of you guys know about  
engines? Oh, of course you do.

517  
00:37:29,748 --> 00:37:32,625  
That's why they call you  
an engineer, right?

518  
00:37:35,086 --> 00:37:37,422  
-All right.  
-Think it's....

519  
00:37:37,589 --> 00:37:39,299  
Think it's in there or something.

520  
00:37:39,466 --> 00:37:40,508  
-You think?  
-Yeah.

521  
00:37:40,675 --> 00:37:42,802  
Probably a pretty good bet.

522  
00:37:45,054 --> 00:37:47,015  
When was the last time  
you changed the oil?

523  
00:37:47,182 --> 00:37:48,808  
I don't know, man. I just drive it.

524

00:37:50,435 --> 00:37:52,937

-Now. Go, go, go.

-We're on.

525

00:39:12,892 --> 00:39:14,060

-Good?

-Yeah.

526

00:39:14,227 --> 00:39:15,395

Go!

527

00:39:38,251 --> 00:39:40,128

It looks good up here.

528

00:39:40,295 --> 00:39:41,921

Now, hold up. There it is.

529

00:39:42,088 --> 00:39:44,382

I think this is the one.

530

00:39:45,049 --> 00:39:46,593

-We good?

-Yeah.

531

00:39:46,759 --> 00:39:49,304

Hey, you wanna get in there,  
give it a whirl?

532

00:39:49,470 --> 00:39:51,431

All right, let me give it a try.

533

00:40:02,901 --> 00:40:05,403

-Ready?

-Ready.

534

00:40:07,071 --> 00:40:09,115

-Nothing?

-Try again.

535

00:40:12,702 --> 00:40:15,121

-Nothing.

-All right.

536

00:40:15,371 --> 00:40:16,623  
Maybe if we all pushed?

537

00:40:17,665 --> 00:40:19,626  
All right. It's worth a try.

538

00:40:22,754 --> 00:40:24,839  
Any other ideas,  
you just shout them out.

539

00:40:25,006 --> 00:40:27,091  
Not at the moment, I don't.

540

00:40:29,218 --> 00:40:30,887  
You coming?

541

00:40:32,096 --> 00:40:33,973  
So far, so good.

542

00:40:35,099 --> 00:40:36,976  
Give me a status.

543

00:40:38,102 --> 00:40:42,231  
We're at 300 gallons and counting.

544

00:40:44,359 --> 00:40:47,028  
Water is going....

545

00:40:49,864 --> 00:40:51,616  
Now.

546

00:40:52,784 --> 00:40:55,703  
Water's going in now.  
We're going with water now.

547

00:41:06,005 --> 00:41:07,048  
-Good?  
-Yeah.

548

00:41:07,215 --> 00:41:08,967  
All right.

549  
00:41:19,936 --> 00:41:22,438  
One, two, three.

550  
00:41:29,821 --> 00:41:32,532  
You did remember  
to put it in neutral, right?

551  
00:41:32,699 --> 00:41:34,325  
Yeah, man. Give me a little credit.

552  
00:42:03,521 --> 00:42:05,106  
You sure you're not out of gas?

553  
00:42:05,273 --> 00:42:07,692  
I got a full tank here.

554  
00:42:07,900 --> 00:42:10,653  
Yeah, this doesn't make any sense.  
Everything looks good.

555  
00:42:12,321 --> 00:42:14,032  
Why don't we just keep going over it?

556  
00:42:14,198 --> 00:42:17,076  
There's gotta be something  
loose somewhere.

557  
00:42:23,583 --> 00:42:25,960  
Damn, buddy. Picked a hell of a place  
to break down.

558  
00:42:26,127 --> 00:42:29,047  
I know, right? Crazy.  
Hey, you know anything about engines?

559  
00:42:29,213 --> 00:42:32,550  
Not a whole lot. I can push you off  
the tracks at least.

560

00:42:32,717 --> 00:42:34,844  
Gee, I wouldn't want you  
to mess up your ride.

561  
00:42:35,011 --> 00:42:38,514  
-I'll go slow. Won't get a scratch.  
-You'll screw up your nice shiny bumper.

562  
00:42:38,681 --> 00:42:42,018  
Hey. We're running late because of you.  
The man said it was no problem.

563  
00:42:42,185 --> 00:42:44,395  
Come on already.  
And thank you, by the way.

564  
00:42:44,562 --> 00:42:47,273  
Yeah, yeah. Absolutely, pal. Thanks.

565  
00:43:11,380 --> 00:43:14,842  
Jesus. Walter, we've got  
a Good Samaritan on the scene.

566  
00:43:15,009 --> 00:43:17,470  
You pull your guys  
off that train right now.

567  
00:43:17,637 --> 00:43:19,097  
We're not done yet.

568  
00:43:36,030 --> 00:43:39,367  
The track is clear, Walter.  
I said get out of there.

569  
00:43:50,878 --> 00:43:54,298  
-Thank you, mister. Much obliged.  
-Glad we could work that out for you.

570  
00:43:55,299 --> 00:43:58,052  
-Yeah, no problem.  
-You want a ride into town?

571  
00:43:58,261 --> 00:44:00,596

Yeah. Yeah. Thanks.

572

00:44:06,727 --> 00:44:09,939  
Walter, they are back in the locomotive.

573

00:44:10,148 --> 00:44:13,609  
If you do not abort right now,  
you are gonna get us all busted.

574

00:44:24,328 --> 00:44:26,289  
-Ready?  
-Yeah.

575

00:44:30,168 --> 00:44:31,752  
Mr. White!

576

00:44:37,675 --> 00:44:38,885  
Hey!

577

00:44:39,051 --> 00:44:41,846  
Hold it! Hold it steady!

578

00:44:45,433 --> 00:44:47,310  
Now!

579

00:44:51,189 --> 00:44:52,648  
Close it off! Close it off!

580

00:45:34,232 --> 00:45:38,569  
Todd! Get off! Get off!

581

00:46:12,645 --> 00:46:14,480  
Yeah, bitch!

582

00:46:14,647 --> 00:46:17,525  
-We did it.  
-Oh, yeah!

583

00:46:17,692 --> 00:46:19,568  
Oh, my....

584

00:46:20,861 --> 00:46:24,115  
-Okay, okay. Nice job.  
-Yeah!

585  
00:46:59,816 --> 00:47:02,611  
No! No! No!

586  
00:47:04,947 --> 00:47:06,574  
No.
