1

00:00:13,000 --> 00:00:15,120  
Sergeant David Budd, Metropolitan Police.

2

00:00:15,200 --> 00:00:18,480  
British Transport Police have put out  
an alert on a suicide bomber

3

00:00:18,560 --> 00:00:20,320  
attempting to board  
a London-bound service.

4

00:00:20,400 --> 00:00:21,760  
[breathes heavily]

5

00:00:21,840 --> 00:00:24,600  
Don't do that! Please, don't do that!  
Just stay still.

6

00:00:25,800 --> 00:00:26,720  
[yelling]

7

00:00:26,800 --> 00:00:31,280  
[policeman] Get down on the ground!  
Put your hands on your head! Get down!

8

00:00:31,360 --> 00:00:33,720  
Nadia, stay right there.  
Don't move. Don't move.

9

00:00:33,800 --> 00:00:35,440  
-Step out of the toilet!  
-No!

10

00:00:35,520 --> 00:00:37,320  
-[Nadia whimpers]  
[David] Okay.

11

00:00:37,400 --> 00:00:41,280  
Great job. Credit to the Branch.  
I'm assigning you to a cabinet minister.

12

00:00:41,560 --> 00:00:42,720  
Very good, ma'am.

13  
00:00:42,800 --> 00:00:47,000  
Home Secretary, just how anxious  
should we be about this terrorist threat?

14  
00:00:47,280 --> 00:00:50,960  
Only those intent on acts of violence  
have anything to fear.

15  
00:00:51,040 --> 00:00:56,200  
The Counter-Terrorism and Security Act  
2015 simply does not go far enough.

16  
00:00:56,440 --> 00:00:58,000  
You're making a move for the leadership.

17  
00:00:58,080 --> 00:01:00,960  
That interview you did on telly,  
did you mean what you said?

18  
00:01:01,040 --> 00:01:04,480  
The thing is, David/Dave,  
I don't need you to vote for me,

19  
00:01:04,560 --> 00:01:05,680  
only to protect me.

20  
00:01:05,760 --> 00:01:09,240  
[Julia] I can't see any justification  
for believing the Taliban

21  
00:01:09,320 --> 00:01:11,440  
would govern Afghanistan  
in peace and harmony,

22  
00:01:11,520 --> 00:01:15,720  
or Isis would ever form a state with which  
the world could have diplomatic relations.

23  
00:01:15,800 --> 00:01:18,560  
That doesn't require apologizing

for the past.

24

00:01:18,640 --> 00:01:19,680  
[voice scrubs]

25

00:01:20,400 --> 00:01:23,000  
...doesn't require apologizing  
for the past.

26

00:01:23,120 --> 00:01:26,920  
-[Vicky] You need help, Dave.  
-I'm sorry, but we can work through this.

27

00:01:27,640 --> 00:01:28,960  
I've met someone.

28

00:01:29,920 --> 00:01:30,760  
Shit!

29

00:01:32,200 --> 00:01:35,200  
Put PTSD on your job application,  
who's going to hire you?

30

00:01:35,280 --> 00:01:38,960  
You said it out in Helmand. If you found  
yourself beside one of those bastards

31

00:01:39,040 --> 00:01:42,240  
that sent us out there, you'd just close  
your eyes and pull the trigger.

32

00:01:48,840 --> 00:01:51,240  
Like a prince and a princess  
getting a lift in, eh?

33

00:01:51,720 --> 00:01:54,280  
Everyone else is already in,  
so in you go quickly, all right?

34

00:01:55,440 --> 00:01:58,000  
Come on, now, Charlie,  
we had that messing about at home.

35

00:01:59,080 --> 00:02:00,680  
Let's not make it worse, please.

36

00:02:00,760 --> 00:02:02,920  
[Ella] He says they call him names.  
He hates it.

37

00:02:03,440 --> 00:02:05,800  
What have I told you about crying?  
Never show weakness.

38

00:02:05,880 --> 00:02:08,600  
They only hurt you more.  
Right, big man, in you go.

39

00:02:09,639 --> 00:02:11,800  
Charlie, in we go, please.

40

00:02:12,400 --> 00:02:13,880  
-[sniffles]  
-[David] Good boy.

41

00:02:16,400 --> 00:02:18,120  
[children playing in distance]

42

00:02:25,560 --> 00:02:26,440  
[sighs]

43

00:02:40,200 --> 00:02:42,920  
[phone buzzes]

44

00:02:45,840 --> 00:02:46,720  
Sorry, ma'am.

45

00:02:52,000 --> 00:02:54,360  
[phone buzzes]

46

00:02:56,040 --> 00:02:57,920  
Sorry, ma'am,  
I need to keep it on for work.

47

00:03:02,040 --> 00:03:04,400  
[phone buzzes]

48

00:03:05,000 --> 00:03:07,880  
I think you'd better answer that  
before it drives us all up the wall.

49

00:03:07,960 --> 00:03:09,120  
Apologies, ma'am.

50

00:03:09,200 --> 00:03:11,360  
-Hi, Look--  
-[Vicky] What were you thinking?

51

00:03:11,440 --> 00:03:14,120  
I just got called in by his teacher!  
He's really upset!

52

00:03:14,200 --> 00:03:17,360  
-I'm at work. I'll call you back.  
-Please don't hang up on me! Please!

53

00:03:17,440 --> 00:03:18,600  
I can't talk right now.

54

00:03:18,680 --> 00:03:21,400  
The special school,  
they haven't got a place for Charlie.

55

00:03:21,480 --> 00:03:25,280  
-He's got to stay at Heath Bank.  
-Shit. Look, I'm working.

56

00:03:25,360 --> 00:03:28,280  
But we'll find the person to talk to  
and we'll find the right school.

57

00:03:29,320 --> 00:03:32,040  
-They said it'll be at least a year.  
-I'm really sorry, love.

58

00:03:53,360 --> 00:03:54,560  
Apologies again, ma'am.

59

00:03:56,080 --> 00:03:58,200  
Seven-Nine Lavender entering the building.

60

00:03:58,280 --> 00:03:59,280  
[Kim] Received.

61

00:04:03,640 --> 00:04:06,600  
[indistinct chattering]

62

00:04:13,480 --> 00:04:14,520  
Morning, Sergeant.

63

00:04:14,600 --> 00:04:15,440  
Morning, sir.

64

00:04:16,760 --> 00:04:19,560  
Right, someone screwed up the time?  
I thought this conference was at ten.

65

00:04:20,279 --> 00:04:23,560  
No, it's still on.  
Some kind of private meeting.

66

00:04:24,040 --> 00:04:25,000  
Oh.

67

00:04:32,240 --> 00:04:35,640  
We've intelligence on a possible  
terrorist attack on a London school.

68

00:04:35,720 --> 00:04:36,920  
Oh, my God.

69

00:04:37,400 --> 00:04:40,840  
The cell's comms are encrypted  
but metadata suggests a pattern

70

00:04:40,920 --> 00:04:42,520  
of reconnoitering schools.

71

00:04:43,800 --> 00:04:46,000  
Feed these through to the police  
when they arrive.

72  
00:04:46,080 --> 00:04:47,160  
Ordinarily I would,

73  
00:04:47,240 --> 00:04:50,800  
but one of the schools threw up  
a link to a serving police officer.

74  
00:04:51,360 --> 00:04:52,600  
His kids attend.

75  
00:04:53,000 --> 00:04:53,960  
David Budd.

76  
00:04:58,480 --> 00:05:01,040  
-It may be a coincidence.  
-Yes, it may.

77  
00:05:01,480 --> 00:05:04,320  
Or a terrorist cell's obtained  
confidential information

78  
00:05:04,400 --> 00:05:07,560  
on the officer who foiled  
the 1st of October attack

79  
00:05:07,640 --> 00:05:09,400  
and this is their plan for revenge.

80  
00:05:10,480 --> 00:05:14,320  
In my experience, information leakage  
occurs for one of two reasons.

81  
00:05:14,400 --> 00:05:17,120  
Either police officers fail  
to communicate securely...

82  
00:05:17,600 --> 00:05:20,160  
or an officer susceptible  
to bribery or blackmail

83

00:05:20,240 --> 00:05:21,880  
is responsible for the disclosure.

84

00:05:25,480 --> 00:05:28,720  
If there's a police leak,  
we should keep this to ourselves.

85

00:05:29,480 --> 00:05:30,400  
Thank you.

86

00:05:31,240 --> 00:05:34,400  
And taking specific steps  
to protect the school in question

87

00:05:34,480 --> 00:05:37,720  
may redirect the terrorists  
towards a different course of action,

88

00:05:37,800 --> 00:05:39,200  
action we're unprepared for.

89

00:05:40,120 --> 00:05:43,080  
We'll tighten security around the schools  
and hold back the reason why.

90

00:05:52,040 --> 00:05:53,600  
-[Sampson] Mike.  
-Anne.

91

00:05:54,280 --> 00:05:55,600  
Tahir, how are you settling in?

92

00:05:55,680 --> 00:05:58,160  
Great. Thanks again for bringing me  
into the team.

93

00:05:58,240 --> 00:06:00,680  
The press have been editorializing  
on RIPA-18.

94

00:06:00,760 --> 00:06:04,000

Maybe Tahir could set up  
an interview defending the policy.

95

00:06:04,080 --> 00:06:07,200  
Couldn't you argue that defending  
would validate the criticism?

96

00:06:07,280 --> 00:06:10,160  
I agree. Since when did we start  
doing the opposition's job for them?

97

00:06:10,240 --> 00:06:13,680  
-We'd be an improvement.  
-[chuckles] Right.

98

00:06:28,000 --> 00:06:29,560  
We all know everyone.

99

00:06:30,440 --> 00:06:33,680  
Mike Travis, Minister of State  
for Counter-Terrorism.

100

00:06:39,720 --> 00:06:43,160  
Stephen Hunter-Dunn,  
Director General of the Security Service.

101

00:06:43,240 --> 00:06:47,160  
And Anne Sampson, Commander  
of NPS, Counter-Terrorism Branch.

102

00:06:48,000 --> 00:06:51,560  
So, perhaps we could start  
with an update on 1/10.

103

00:06:57,160 --> 00:07:00,600  
The bomber herself claims to have  
been coerced by the husband,

104

00:07:00,680 --> 00:07:03,240  
and she remains too intimidated  
to reveal much.

105

00:07:04,640 --> 00:07:07,040

And who are their accomplices?  
Where'd they get the bomb?

106  
00:07:07,120 --> 00:07:09,200  
-What are their targets?  
-Inquiries are ongoing.

107  
00:07:09,560 --> 00:07:10,760  
Clock's ticking.

108  
00:07:11,920 --> 00:07:14,040  
Maybe my officers would have more success.

109  
00:07:14,120 --> 00:07:15,560  
Come off it, Stephen.

110  
00:07:16,440 --> 00:07:19,760  
We're happy to receive intelligence  
but it's our investigation.

111  
00:07:19,840 --> 00:07:23,400  
Look, I think we might  
need to take a step back, mm?

112  
00:07:23,480 --> 00:07:25,080  
Police jurisdiction's clear.

113  
00:07:26,160 --> 00:07:27,720  
Mike's right. Let's move on.

114  
00:07:34,720 --> 00:07:35,720  
[sighs]

115  
00:07:35,800 --> 00:07:39,600  
[ringing tone]

116  
00:07:44,080 --> 00:07:45,840  
-[Vicky] Hi.  
-Hey. Sorry about earlier.

117  
00:07:45,920 --> 00:07:49,480  
-Just calling to catch the kids.

-Right. Nothing about school, okay?

118

00:07:49,560 --> 00:07:52,600

-Try not to upset Charlie.

-Sure, sure.

119

00:07:52,680 --> 00:07:55,040

Ella, Charlie, Daddy's on the phone.

120

00:07:56,280 --> 00:07:58,080

Quick one, mind, it's well late.

121

00:07:58,160 --> 00:07:59,640

Yeah, sorry, that's my fault.

122

00:08:03,160 --> 00:08:05,360

Come on, you two.

Say quick night-night to daddy.

123

00:08:06,800 --> 00:08:09,640

-[Ella] Night-night.

-Night, sweetheart, love you.

124

00:08:10,400 --> 00:08:13,040

-[Vicky] Come on, Charlie.

-[Charlie] Night, Daddy.

125

00:08:13,800 --> 00:08:15,160

Night, big man, love you.

126

00:08:15,240 --> 00:08:17,160

[Vicky] All right, you two,

off to bed now, okay?

127

00:08:18,200 --> 00:08:20,320

I'm sorry, I want to get them both  
down for the night.

128

00:08:21,480 --> 00:08:24,080

I could come over tomorrow.

We could go and see the head.

129

00:08:24,680 --> 00:08:26,920  
[sighs] What's the point, Dave?  
We've tried that.

130  
00:08:27,400 --> 00:08:28,840  
Unless you've got a magic wand.

131  
00:08:30,880 --> 00:08:32,679  
-I'm sorry.  
-[Vicky sighs]

132  
00:08:33,720 --> 00:08:35,480  
-Night-night.  
-[phone bleeps]

133  
00:08:38,600 --> 00:08:40,400  
[distant sirens wail]

134  
00:08:41,600 --> 00:08:45,720  
[news report #1] The Metropolitan Police  
Counter Terrorism Command, SO15,

135  
00:08:45,800 --> 00:08:49,600  
have been pursuing links  
to the 1st of October attackers.

136  
00:08:50,040 --> 00:08:53,640  
[news report #2] The Metropolitan Police  
have expressed fears other devices...

137  
00:08:53,720 --> 00:08:57,840  
[news report #3] The UK threat level, set  
by the Joint Terrorism Analysis Centre,

138  
00:08:57,920 --> 00:08:59,680  
stands at substantial...

139  
00:08:59,760 --> 00:09:04,200  
[news report #4] Accomplices to the 1st  
of October bombers may still be at large.

140  
00:09:05,080 --> 00:09:06,040  
[tires squeal]

141  
00:09:12,320 --> 00:09:13,240  
Ma'am.

142  
00:09:26,200 --> 00:09:27,440  
-This way, ma'am.  
-Thanks.

143  
00:09:31,320 --> 00:09:33,880  
-Ma'am, thanks for coming down.  
-What's going on?

144  
00:09:33,960 --> 00:09:38,360  
Multiple subject activity on WhatsApp.  
Metadata fits a cell on our watch list.

145  
00:09:38,440 --> 00:09:40,800  
-Everything else is encrypted.  
-Location?

146  
00:09:40,880 --> 00:09:42,720  
South London.  
We've got lumps on their cars.

147  
00:09:43,120 --> 00:09:46,720  
We'll share it with the Security Service.  
Maybe worth getting their take on it.

148  
00:09:46,800 --> 00:09:49,840  
No. Not just yet. We've got MASTS in situ?

149  
00:09:49,920 --> 00:09:53,120  
Yes, they're reporting to the TFC.  
Subject's on the move. One team visual.

150  
00:09:53,800 --> 00:09:54,720  
Right.

151  
00:09:59,120 --> 00:10:02,040  
They're taking no chances...  
driving like my gran.

152

00:10:03,240 --> 00:10:06,920  
Alpha Two-Three, Brixton Road.  
Northbound, speed two-five.

153  
00:10:07,200 --> 00:10:08,080  
Continuing north.

154  
00:10:08,560 --> 00:10:11,440  
En route to high-value targets  
in the Lambeth-Waterloo areas.

155  
00:10:13,360 --> 00:10:17,080  
Okay, let's mobilize SCO19  
to holding locations...

156  
00:10:17,440 --> 00:10:20,320  
for Waterloo Station/Southbank targets.

157  
00:10:20,400 --> 00:10:21,720  
-Copy that.  
-[Officer] Sir.

158  
00:10:22,480 --> 00:10:25,640  
Order from SFC.  
Trojan to SE1, hold locations.

159  
00:10:26,120 --> 00:10:28,160  
Stewart's Road, northbound.

160  
00:10:33,080 --> 00:10:35,320  
West on Ascalon Street.

161  
00:10:50,880 --> 00:10:51,880  
Back up.

162  
00:11:00,080 --> 00:11:01,000  
That's good.

163  
00:11:05,880 --> 00:11:06,920  
[bleeping]

164  
00:11:07,720 --> 00:11:09,640

Received. MASTS unit stationary,

165

00:11:09,720 --> 00:11:12,760  
standing by for further activity from  
subject vehicle inside an industrial unit.

166

00:11:17,400 --> 00:11:18,440  
What are you doing?

167

00:11:37,280 --> 00:11:39,640  
It's them! Shit. Go! Stand by.

168

00:11:40,600 --> 00:11:43,320  
Subjects are now driving a white LGV.

169

00:11:43,400 --> 00:11:46,080  
Repeat,  
subjects are now driving a white LGV.

170

00:11:46,160 --> 00:11:48,040  
Subjects are now en route in an LGV.

171

00:11:49,400 --> 00:11:51,560  
DAF seven-and-a-half tonner,

172

00:11:51,640 --> 00:11:55,680  
Foxtrot Echo Zero Eight  
Uniform Yankee Oscar.

173

00:11:56,120 --> 00:11:58,480  
Now they're in an untracked vehicle,  
possible VBIED.

174

00:11:58,560 --> 00:12:02,600  
We can't lose them!  
Alert all ARVs in the area to assist.

175

00:12:02,680 --> 00:12:06,800  
If MASTS can't achieve a natural stop,  
I'm authorizing enforced stop.

176

00:12:07,520 --> 00:12:12,000

Order from SFC, all ARVs in vicinity  
of Alpha Two-Three, north of Brixton...

177

00:12:13,680 --> 00:12:14,920  
[officer] Hold back. Hold back.

178

00:12:25,320 --> 00:12:28,640  
-Subject vehicle diverted to Camberwell.  
-Camberwell? Shit!

179

00:12:28,720 --> 00:12:31,840  
Nearest ARVs are en route, ma'am,  
but the MASTS vehicle's still closest.

180

00:12:31,920 --> 00:12:33,520  
TFC's re-spinning the wheel.

181

00:12:41,560 --> 00:12:42,560  
[tires squeal]

182

00:12:42,640 --> 00:12:45,560  
[officer] Christ. They're onto us.  
Carlisle Street. Speed three-five.

183

00:12:45,640 --> 00:12:46,840  
[tires squeal]

184

00:12:48,440 --> 00:12:52,280  
Authorize MASTS and ARVs  
to carry out enforced stop

185

00:12:52,360 --> 00:12:54,560  
with critical shot authorized,  
if required.

186

00:12:54,640 --> 00:12:58,720  
[Control] MASTS and ARVs authorized  
for enforced stop and critical shot.

187

00:12:59,040 --> 00:12:59,920  
Received.

188

00:13:00,000 --> 00:13:01,480  
-[siren blares]  
-Go, go, go!

189  
00:13:01,560 --> 00:13:02,720  
[engine revs]

190  
00:13:07,400 --> 00:13:08,440  
Go, go, go, go, go!

191  
00:13:08,520 --> 00:13:10,360  
[siren wails]

192  
00:13:12,720 --> 00:13:13,640  
[tires squeal]

193  
00:13:14,480 --> 00:13:16,720  
[car alarms whoop]

194  
00:13:16,800 --> 00:13:19,200  
[children chattering and shouting happily]

195  
00:13:19,280 --> 00:13:23,280  
[approaching siren and car alarms wail]

196  
00:13:26,200 --> 00:13:28,960  
-[excited chattering]  
-Move it, move it! Move it!

197  
00:13:29,040 --> 00:13:32,160  
-[children screaming]  
-Let's go! Keep moving! Move quickly!

198  
00:13:32,240 --> 00:13:33,240  
[screaming]

199  
00:13:33,320 --> 00:13:34,680  
[engine revs, siren wails]

200  
00:13:34,760 --> 00:13:35,720  
You go in!

201  
00:13:35,800 --> 00:13:38,840  
-[engine revs]  
-[tires squeal and siren wails]

202  
00:13:38,920 --> 00:13:41,680  
-Now! Now! Quick as you can.  
-[screaming]

203  
00:13:41,760 --> 00:13:45,000  
[siren wails]

204  
00:13:51,160 --> 00:13:52,280  
-[gunshots]  
-Hurry up!

205  
00:13:52,360 --> 00:13:53,720  
-[gunshots]  
-[children screaming]

206  
00:13:56,440 --> 00:13:59,360  
[car alarms and dog barking]

207  
00:14:02,720 --> 00:14:05,800  
-[children yell]  
-Shh! It's all right. It's all right.

208  
00:14:06,120 --> 00:14:08,480  
Uniform Oscar Zero-Six,

209  
00:14:08,560 --> 00:14:12,160  
shots fired, shots fired.  
Subject vehicle stopped. Vehicle stopped!

210  
00:14:12,880 --> 00:14:16,880  
OFC confirms from MASTS and ARV,  
subject vehicle under control.

211  
00:14:16,960 --> 00:14:17,880  
Shots fired.

212  
00:14:17,960 --> 00:14:19,040  
[exhales deeply]

213  
00:14:19,400 --> 00:14:21,840  
Armed police! Everyone okay?

214  
00:14:21,920 --> 00:14:23,080  
We're okay! We're okay!

215  
00:14:23,160 --> 00:14:25,200  
[car alarms and police sirens]

216  
00:14:25,280 --> 00:14:29,920  
I don't see an IED trigger!  
Anyone see an IED trigger?

217  
00:14:30,400 --> 00:14:31,680  
Stay there!

218  
00:14:42,760 --> 00:14:44,480  
[screaming]

219  
00:14:53,320 --> 00:14:55,680  
[Mike] Two subjects and three officers  
dead at the scene,

220  
00:14:55,760 --> 00:14:57,240  
five officers injured, two severely.

221  
00:14:57,320 --> 00:14:58,640  
-That's right, isn't, Amit?  
-Yes.

222  
00:14:58,720 --> 00:15:01,280  
-My God.  
-The full facts are still emerging.

223  
00:15:01,360 --> 00:15:03,280  
No organization's claimed responsibility.

224  
00:15:04,000 --> 00:15:08,120  
-[Kim] Seven-Nine, go back to back on two.  
-Seven-Nine on two.

225  
00:15:08,760 --> 00:15:10,960  
Skipper, it's just come up on the box.

226  
00:15:11,040 --> 00:15:14,640  
An IED took out a MASTS Team  
and an ARV in Camberwell.

227  
00:15:16,240 --> 00:15:17,200  
Jesus.

228  
00:15:17,280 --> 00:15:19,840  
Three officers down,  
more in intensive care.

229  
00:15:19,920 --> 00:15:21,280  
No idea of the target yet?

230  
00:15:21,360 --> 00:15:25,480  
No, the incident occurred  
near a school in South London.

231  
00:15:25,560 --> 00:15:28,280  
Uh, Heath Bank Primary School.

232  
00:15:28,880 --> 00:15:29,720  
Shit.

233  
00:15:30,600 --> 00:15:33,000  
-You know the school?  
-No.

234  
00:15:34,280 --> 00:15:37,440  
Fortunately, no casualties  
amongst the pupils or staff.

235  
00:15:40,840 --> 00:15:43,680  
I need to get moving.  
The PM's chairing COBRA in half an hour.

236  
00:15:44,080 --> 00:15:46,440  
And J-TAC have moved  
the threat level to severe.

237

00:15:46,520 --> 00:15:48,880  
I'll pull everything together  
from the Security Services

238

00:15:48,960 --> 00:15:50,400  
and SO15 as it comes in.

239

00:15:54,000 --> 00:15:56,840  
-Seven-Nine, Lavender on the move.  
-[Kim] Received, Seven-Nine.

240

00:16:00,040 --> 00:16:02,240  
-Have you heard yet?  
-Over the radio, ma'am.

241

00:16:02,800 --> 00:16:04,720  
Deepest sympathies  
to those officers' families.

242

00:16:07,120 --> 00:16:09,160  
Strictest confidence,  
but you've got a right to know.

243

00:16:09,240 --> 00:16:11,880  
-It happened near your children's school.  
-What?

244

00:16:12,600 --> 00:16:15,320  
None of the pupils were hurt,  
but you should call your wife and kids.

245

00:16:18,960 --> 00:16:21,320  
-Thank you very much, ma'am.  
-[lift bell bleeps]

246

00:16:23,720 --> 00:16:27,840  
David, till we know more,  
we've moved your family to a safe house.

247

00:16:28,200 --> 00:16:30,200  
I'm afraid the budget  
doesn't stretch to two.

248

00:16:30,280 --> 00:16:33,280

Thank you, ma'am.

I'm glad we're all under one roof.

249

00:16:33,840 --> 00:16:35,640

I've already spoke to them.

Everyone's fine.

250

00:16:35,720 --> 00:16:38,120

Good. But you understand  
the question it raises.

251

00:16:38,200 --> 00:16:41,080

I don't get how they could know  
which officer was responsible

252

00:16:41,160 --> 00:16:44,200

for the 1st of October,  
unless there's been some kind of leak.

253

00:16:45,320 --> 00:16:47,320

We don't know. We're investigating.

254

00:16:48,200 --> 00:16:52,680

Meanwhile, we have to take the view,  
if there's any risk, any risk at all,

255

00:16:52,760 --> 00:16:54,200

of you being a target,

256

00:16:54,280 --> 00:16:58,280

it puts not only you and your family  
in jeopardy, but also your colleagues,

257

00:16:58,360 --> 00:17:00,080

maybe even the principal and her staff.

258

00:17:01,080 --> 00:17:04,880

I'm sorry, David, but you're restricted  
to desk duty, pending reassignment.

259

00:17:06,400 --> 00:17:10,280  
Oh, come on. I'm not the one who's fucked  
up. The leak, they should get punished.

260  
00:17:10,359 --> 00:17:11,920  
This isn't a punishment, David.

261  
00:17:16,640 --> 00:17:17,520  
Ma'am.

262  
00:17:45,320 --> 00:17:46,800  
[knocks]

263  
00:17:50,360 --> 00:17:51,680  
No worries. In you come, Sarge.

264  
00:17:52,000 --> 00:17:53,320  
Thanks for coming over.

265  
00:17:53,400 --> 00:17:56,360  
-I'm just glad you're all right.  
-The whole thing's terrifying.

266  
00:17:59,120 --> 00:18:00,360  
[sighs]

267  
00:18:01,440 --> 00:18:02,920  
-Kids, your dad's here.  
-[both] Daddy!

268  
00:18:03,000 --> 00:18:05,280  
Hey, you two. Hey. [grunts softly]

269  
00:18:05,360 --> 00:18:06,680  
-[chuckles]  
-You all right?

270  
00:18:06,760 --> 00:18:09,120  
-[both] Yeah.  
-[Ella] There was a big bang.

271  
00:18:09,200 --> 00:18:11,200

-Yeah.  
-[Charlie] My ears hurt.

272  
00:18:11,480 --> 00:18:13,040  
-Are you all right now?  
-Mm-hm.

273  
00:18:13,120 --> 00:18:15,400  
Mum and Dad are just gonna have  
a chat next door, okay?

274  
00:18:16,160 --> 00:18:17,000  
Okay.

275  
00:18:30,280 --> 00:18:32,920  
They've evacuated the school.  
Everyone is terrified.

276  
00:18:34,640 --> 00:18:39,480  
Uh... one of the coppers said it could be  
that this is all about the train attack.

277  
00:18:39,560 --> 00:18:41,760  
Problem is there's too many out there  
with a big mouth.

278  
00:18:41,840 --> 00:18:44,200  
You've lost some colleagues today.  
I get that.

279  
00:18:44,280 --> 00:18:47,040  
-Dave, it could've been your own children.  
-I know.

280  
00:18:47,560 --> 00:18:49,520  
If you're going to be like this,  
you should go.

281  
00:18:49,600 --> 00:18:52,840  
-Not if the three of you are in danger.  
-You think they'll try again?

282  
00:18:52,920 --> 00:18:53,960

I don't know, do I?

283

00:18:56,880 --> 00:18:59,440  
[door opens and closes]

284

00:19:10,760 --> 00:19:13,120  
[clock ticks]

285

00:19:19,040 --> 00:19:22,480  
[clock ticking becomes distorted gunfire]

286

00:19:40,720 --> 00:19:41,680  
[sighs]

287

00:19:43,240 --> 00:19:45,880  
[indistinct chattering  
and phones ring in background]

288

00:19:49,280 --> 00:19:51,000  
-How's it going, Skipper?  
-Aye, brilliant.

289

00:19:51,560 --> 00:19:55,160  
-It's great fun organizing duty rotas.  
-Maybe I could make you a cuppa.

290

00:19:55,240 --> 00:19:56,600  
Kim, shake a leg.

291

00:19:56,680 --> 00:19:59,240  
Oh, sorry, skip. I'll catch you later.

292

00:20:07,360 --> 00:20:08,360  
Sorry, Sarge.

293

00:20:26,000 --> 00:20:29,160  
-[Andy] Do you know any of 'em?  
-[David] Not really.

294

00:20:29,680 --> 00:20:31,080  
[Andy] Poor bastards.

295

00:20:31,160 --> 00:20:33,200  
[newscaster] The home secretary,  
Julia Montague...

296

00:20:33,280 --> 00:20:35,040  
Had enough of them over the years,  
too many.

297

00:20:35,120 --> 00:20:38,800  
[Julia] The government will do all in  
our power to bring the perpetrator...

298

00:20:38,880 --> 00:20:40,040  
Sanctimonious bitch.

299

00:20:40,120 --> 00:20:42,480  
And I call upon  
my parliamentary colleagues

300

00:20:42,560 --> 00:20:46,760  
to pass my strengthened  
Regulation of Investigatory Powers Bill.

301

00:20:46,840 --> 00:20:50,640  
She's doing what they all do,  
exploit the situation to get more power.

302

00:20:50,720 --> 00:20:55,720  
She said shit like that during the war.  
Just a sniveling little MP back then,

303

00:20:55,800 --> 00:20:57,560  
trying to join in the big boys' game.

304

00:20:58,720 --> 00:21:00,920  
Sign a piece of paper,  
100 blokes get killed.

305

00:21:02,160 --> 00:21:04,520  
But who suffers?  
Her kind couldn't give a shit.

306

00:21:04,600 --> 00:21:06,880  
I can't believe you protect them.

307  
00:21:07,680 --> 00:21:08,560  
Did.

308  
00:21:09,400 --> 00:21:10,360  
What's that, mate?

309  
00:21:12,480 --> 00:21:13,920  
I'm a security risk.

310  
00:21:16,440 --> 00:21:18,280  
They've put Vic and the kids  
in a safe house.

311  
00:21:20,800 --> 00:21:21,640  
Shit.

312  
00:21:22,240 --> 00:21:25,960  
I can live with being in the line of fire,  
made a career out of it, but my family?

313  
00:21:27,200 --> 00:21:28,280  
They were always...

314  
00:21:29,560 --> 00:21:30,480  
home safe.

315  
00:21:31,480 --> 00:21:32,840  
That's the way it works.

316  
00:21:33,200 --> 00:21:36,760  
Even in Civvy Street, it's the same thing.  
They're in it for themselves.

317  
00:21:36,840 --> 00:21:40,240  
They couldn't give a shit about a bloke  
like you taking the risks.

318  
00:21:40,320 --> 00:21:42,800  
You're the mug that suffers

the consequences.

319

00:21:46,400 --> 00:21:51,000  
How do you reckon she'd feel...  
if she got a taste?

320

00:21:52,200 --> 00:21:53,160  
Taste of what?

321

00:21:54,680 --> 00:21:56,440  
Suffering the consequences.

322

00:22:01,440 --> 00:22:04,400  
We were able to recover remnants  
of the device.

323

00:22:04,480 --> 00:22:06,360  
It was operated by a timer,

324

00:22:06,440 --> 00:22:08,440  
which we assume the bombers activated

325

00:22:08,520 --> 00:22:10,720  
when they made their final charge  
towards the school.

326

00:22:11,160 --> 00:22:14,720  
The explosive employed  
was triacetone triperoxide,

327

00:22:14,800 --> 00:22:19,200  
the composition of which proved a match  
to the one employed on the 1st of October.

328

00:22:19,280 --> 00:22:23,120  
Both devices were extremely powerful,  
with sophisticated mechanisms.

329

00:22:23,200 --> 00:22:25,840  
The reason for targeting the school,  
has that become any clearer yet?

330

00:22:25,920 --> 00:22:30,000  
It's possible someone who witnessed  
the 1st of October rail attack,

331  
00:22:30,080 --> 00:22:33,640  
a civilian member of staff maybe,  
a member of the public,

332  
00:22:33,720 --> 00:22:36,840  
we don't know...  
has links to the terrorists.

333  
00:22:38,640 --> 00:22:39,600  
Right.

334  
00:22:39,680 --> 00:22:41,720  
Much more likely, the leak was internal.

335  
00:22:42,200 --> 00:22:43,680  
There's no evidence for that.

336  
00:22:43,760 --> 00:22:46,320  
[Julia] Either you've got  
a security breach in your own ranks,

337  
00:22:46,400 --> 00:22:51,240  
or your officers failed to detect  
another accomplice involved in 1/10.

338  
00:22:51,640 --> 00:22:54,800  
Added to which,  
your surveillance operation failed

339  
00:22:54,880 --> 00:22:57,800  
to detect the subjects had hired  
a light goods vehicle.

340  
00:22:57,880 --> 00:23:00,560  
-If there are any learnings--  
-Please don't say "learnings."

341  
00:23:01,720 --> 00:23:05,560  
Since you haven't announced any new leads,

I'm assuming you haven't got any.

342

00:23:05,640 --> 00:23:09,080

We're still putting together a picture  
of events surrounding the attack.

343

00:23:09,160 --> 00:23:11,280

And if you succeed,  
will you share that information?

344

00:23:12,960 --> 00:23:16,360

-Yes, of course, Home--  
-When it became clear the subjects were

345

00:23:16,440 --> 00:23:20,200

gathering to carry out an operation,  
did the police share that information?

346

00:23:20,280 --> 00:23:23,840

-With respect, I don't see how that--  
-I'm starting to lose confidence

347

00:23:23,920 --> 00:23:28,400

in the police's ability to make progress,  
so, I'd like to take up Stephen's proposal

348

00:23:28,480 --> 00:23:32,280

for the Security Service to assume  
a role in interviewing the 1/10 bombers.

349

00:23:32,360 --> 00:23:33,600

-What?  
-Thank you.

350

00:23:33,680 --> 00:23:36,840

Home Secretary, you are setting  
a dangerous precedent.

351

00:23:36,920 --> 00:23:40,920

We agreed, I think...  
This can only be a police matter.

352

00:23:41,000 --> 00:23:44,400

Uh, we all welcome intelligence guidance  
from the Security Service.

353

00:23:44,480 --> 00:23:48,160  
[Sampson] Exactly. Thank you.  
My officers and I are determined to--

354

00:23:48,240 --> 00:23:51,400  
The one officer who actually  
successfully averted a threat,

355

00:23:51,480 --> 00:23:54,440  
he's the one you people want to remove  
from my protection team!

356

00:23:55,600 --> 00:23:57,040  
Sends completely the wrong message.

357

00:24:02,720 --> 00:24:04,920  
Um, that isn't my department.

358

00:24:05,000 --> 00:24:08,600  
No, your department is Counter-Terrorism,

359

00:24:08,680 --> 00:24:12,280  
the most expensive area of policing,  
and it's failing.

360

00:24:12,360 --> 00:24:15,680  
-Home Secretary, I don't understand why--  
-I think we're done here.

361

00:24:23,840 --> 00:24:25,040  
Fuck you, Stephen.

362

00:24:40,920 --> 00:24:41,760  
It's all right.

363

00:24:46,840 --> 00:24:47,800  
[knocking]

364

00:24:51,640 --> 00:24:53,200

That all got a bit heated in there.

365

00:24:55,880 --> 00:24:58,080  
I hope I'm not speaking out of turn,  
Julia.

366

00:24:59,080 --> 00:25:02,800  
The security guidance regarding  
PS Budd's removal is completely justified.

367

00:25:02,880 --> 00:25:04,240  
I'm a target regardless.

368

00:25:05,600 --> 00:25:09,560  
Anne Sampson's right. I hope you're not  
serious about giving more responsibility

369

00:25:09,640 --> 00:25:12,640  
to the Security Service. They're  
less transparent, less accountable.

370

00:25:12,720 --> 00:25:14,280  
It sets a dangerous precedent.

371

00:25:15,280 --> 00:25:17,560  
The real danger's  
to our national security.

372

00:25:20,280 --> 00:25:22,480  
[indistinct chatter on police radio]

373

00:25:25,960 --> 00:25:31,040  
Yes, Mum. Yes, I know, but they're fine,  
I promise you. Hang on.

374

00:25:31,120 --> 00:25:34,240  
Give me two seconds.  
Kids, I'm not going to ask you again!

375

00:25:34,320 --> 00:25:36,560  
-Breakfast's ready! Come down!  
-[knocking]

376  
00:25:36,640 --> 00:25:39,320  
Mum, I'm going to give you a call back,  
all right? Okay.

377  
00:25:41,040 --> 00:25:43,960  
Post from your home address.  
Don't worry. It all gets X-rayed.

378  
00:25:44,040 --> 00:25:45,040  
Oh, thanks.

379  
00:25:50,440 --> 00:25:51,960  
[kids chatter in background]

380  
00:26:01,160 --> 00:26:03,040  
-[Charlie] Mum!  
-[Ella] Keep quiet.

381  
00:26:03,560 --> 00:26:06,280  
Dave! Dave!

382  
00:26:06,360 --> 00:26:07,600  
-[Dave] Yup!  
-Look!

383  
00:26:10,440 --> 00:26:14,040  
Charlie, come downstairs! Look at this.  
Charlie, it's good news!

384  
00:26:14,120 --> 00:26:17,160  
Come down! They said he can start  
after half-term. Isn't that brilliant?

385  
00:26:17,640 --> 00:26:20,440  
-Someone's pulled strings.  
-How would they know about Charlie?

386  
00:26:21,760 --> 00:26:23,960  
-I'm not sure.  
-It doesn't matter. It's brilliant.

387  
00:26:24,040 --> 00:26:28,200

Charlie, you know that nice school that's  
going to help you with your reading?

388

00:26:28,280 --> 00:26:30,240  
-They've said you can go there.  
-[Charlie] Really?

389

00:26:30,320 --> 00:26:32,880  
Isn't that great? Yeah? Aw!

390

00:26:33,880 --> 00:26:35,640  
Come on. Shall we tell your sister, yeah?

391

00:26:35,720 --> 00:26:37,120  
-[Charlie] Ella!  
-[chuckles]

392

00:26:43,800 --> 00:26:45,040  
[door]

393

00:26:45,560 --> 00:26:46,440  
David.

394

00:26:53,480 --> 00:26:58,440  
Your line manager doesn't appreciate  
your attitude to administrative duties.

395

00:27:00,160 --> 00:27:01,840  
They are not my strong suit.

396

00:27:03,200 --> 00:27:06,080  
Just as well you're being restored  
to active duty at the Home Office, then.

397

00:27:09,080 --> 00:27:11,720  
-Thank you, ma'am.  
-Not me.

398

00:27:12,840 --> 00:27:15,200  
Seems like you've made friends  
in high places.

399

00:27:21,040 --> 00:27:22,360  
That's it. Piss off.

400  
00:27:24,000 --> 00:27:24,880  
Ma'am.

401  
00:27:32,000 --> 00:27:33,960  
Ah. Here you are.

402  
00:27:52,440 --> 00:27:54,560  
[indistinct chattering]

403  
00:27:54,640 --> 00:27:57,800  
Hi. Look, Julia's expecting you.  
I'll take you right through.

404  
00:27:57,880 --> 00:27:58,840  
Cheers, Mike.

405  
00:28:04,760 --> 00:28:08,200  
Uh, simpler if it's just Stephen and I.  
You don't mind, do you, Mike?

406  
00:28:09,240 --> 00:28:11,360  
Uh, no, okay. Carry on.

407  
00:28:12,400 --> 00:28:13,960  
Home Secretary, how are you today?

408  
00:28:14,040 --> 00:28:16,360  
Better than the bastards trying  
to blow us to kingdom come.

409  
00:28:16,840 --> 00:28:19,640  
I've got a first-rate team  
on the 1/10 bombers.

410  
00:28:19,720 --> 00:28:21,000  
We're confident we'll identify--

411  
00:28:23,800 --> 00:28:27,480  
[Julia] Take a seat, Stephen.

I knew I could count on you.

412

00:28:28,720 --> 00:28:30,440

Just holding up my end of the bargain.

413

00:28:33,760 --> 00:28:36,800

There isn't a listening device  
in this office, is there?

414

00:28:36,880 --> 00:28:37,880

You tell me.

415

00:28:41,560 --> 00:28:44,800

Given the sensitivity of the material...

416

00:28:45,400 --> 00:28:48,960

we've got to be meticulous  
in our corroboration of the facts.

417

00:29:03,000 --> 00:29:04,600

It's good to have you back, PS Budd.

418

00:29:06,560 --> 00:29:07,560

Thank you, ma'am.

419

00:29:10,880 --> 00:29:12,520

-Cheers, Kim.  
-See you over there, skip.

420

00:29:15,880 --> 00:29:17,960

Sierra Zulu, Seven-Nine,  
Lavender on the move.

421

00:29:22,880 --> 00:29:25,240

[background chattering]

422

00:29:33,960 --> 00:29:35,280

[Rob] I hope this is okay.

423

00:29:35,640 --> 00:29:38,200

Oh, good choice.  
Haven't been here in ages.

424  
00:29:42,760 --> 00:29:45,480  
You've just been under  
so much stress lately.

425  
00:29:46,880 --> 00:29:50,000  
Don't worry. We'll order some wine  
as soon as Indira and Sanjeev arrive.

426  
00:29:51,880 --> 00:29:56,200  
Not like them to be late. Text them. Make  
sure they haven't gone to the wrong place.

427  
00:29:57,600 --> 00:30:02,400  
I was, uh... worried you'd cancel.

428  
00:30:09,600 --> 00:30:10,920  
They're not coming?

429  
00:30:12,200 --> 00:30:13,040  
Sorry.

430  
00:30:15,840 --> 00:30:16,680  
It's okay.

431  
00:30:21,000 --> 00:30:23,280  
-Would you care to see the menu?  
-No, thank you.

432  
00:30:30,560 --> 00:30:31,520  
[Rob inhales]

433  
00:30:32,280 --> 00:30:33,200  
Um...

434  
00:30:36,640 --> 00:30:39,360  
Eh, probably best if we all reschedule.

435  
00:30:39,440 --> 00:30:42,600  
I'm sorry, I should have told you,  
but let's have some nice food,

436  
00:30:42,680 --> 00:30:44,440  
a couple of drinks on me.

437  
00:30:45,280 --> 00:30:46,400  
This feels weird.

438  
00:30:53,320 --> 00:30:55,200  
[Kim] Change of plan.  
Lavender on the move.

439  
00:30:56,480 --> 00:30:58,840  
-Have you home in no time, ma'am.  
-Great.

440  
00:31:02,480 --> 00:31:06,040  
[sighs] I've got nothing in. Do you mind  
if we stop on the way home, David?

441  
00:31:07,080 --> 00:31:07,920  
Certainly.

442  
00:31:10,240 --> 00:31:11,800  
This is very generous of you, ma'am.

443  
00:31:14,120 --> 00:31:17,280  
I'm just pleased you didn't veto  
the idea for security reasons.

444  
00:31:18,040 --> 00:31:20,720  
You're pleased my night out  
was an unmitigated disaster?

445  
00:31:21,120 --> 00:31:22,000  
No.

446  
00:31:23,760 --> 00:31:26,000  
It's just there's risk  
with being seen out in public.

447  
00:31:26,480 --> 00:31:28,280  
Easy to say when you're a smug married.

448

00:31:31,720 --> 00:31:34,640  
-Sorry, have I put my foot in it?  
-I'm separated.

449

00:31:34,720 --> 00:31:35,600  
Mm.

450

00:31:37,040 --> 00:31:38,600  
I hope I didn't cause offense.

451

00:31:39,720 --> 00:31:43,320  
-I must have misunderstood.  
-The phone call with my wife?

452

00:31:43,400 --> 00:31:44,240  
Mm.

453

00:31:44,880 --> 00:31:47,480  
I've made the mistake of judging  
by my own standards.

454

00:31:48,440 --> 00:31:49,760  
By the end of my marriage,

455

00:31:49,840 --> 00:31:53,240  
we were incapable of speaking to each  
other with anything other than contempt.

456

00:31:53,320 --> 00:31:55,000  
Don't worry, we have our moments.

457

00:31:55,400 --> 00:32:00,040  
-I just try to put the kids first.  
-Mm. And how are they faring?

458

00:32:04,120 --> 00:32:05,880  
We had good news about my son's schooling.

459

00:32:06,280 --> 00:32:08,640  
Mm. I'm glad.

460

00:32:12,720 --> 00:32:15,280  
If you were involved, ma'am,  
my family's grateful.

461  
00:32:17,080 --> 00:32:18,880  
I went into politics to help people.

462  
00:32:24,920 --> 00:32:26,080  
[Julia inhales deeply]

463  
00:32:27,560 --> 00:32:30,480  
Well, you don't want to keep  
the backup vehicle waiting

464  
00:32:30,560 --> 00:32:34,600  
-and I've got work to do.  
-Yes, of course, I'll just clean this up.

465  
00:32:37,560 --> 00:32:38,880  
Unless you fancy a cuppa.

466  
00:32:42,760 --> 00:32:43,760  
I should make it.

467  
00:32:44,760 --> 00:32:47,600  
Kettles, they can be quite the danger  
in untrained hands.

468  
00:32:57,120 --> 00:32:59,480  
-[breathes heavily]  
-[kettle boils]

469  
00:33:22,000 --> 00:33:23,240  
[journalists shout]

470  
00:33:23,320 --> 00:33:25,080  
[man #1] Planning to move in,  
Home Secretary?

471  
00:33:25,160 --> 00:33:26,440  
Lavender and Indigo inbound.

472

00:33:27,320 --> 00:33:29,920  
[man #2] Are we facing a state  
of emergency, Home Secretary?

473  
00:33:30,000 --> 00:33:32,400  
[man #1] Is this your new address,  
Home Secretary?

474  
00:33:33,120 --> 00:33:34,720  
[clamor]

475  
00:33:50,960 --> 00:33:52,360  
-Want a heads-up?  
-Nope.

476  
00:33:56,600 --> 00:33:59,400  
PM's pissed off.  
Thinks you're hogging the limelight.

477  
00:33:59,480 --> 00:34:03,760  
Naturally, I disabused him of the idea  
that you'd attempt a leadership challenge.

478  
00:34:04,880 --> 00:34:07,720  
-Everyone's ready, Prime Minister.  
-Thanks, Roger.

479  
00:34:09,960 --> 00:34:11,800  
-Morning, everyone.  
-[all] Morning.

480  
00:34:11,880 --> 00:34:13,400  
[man] Anyone see the Arsenal game?

481  
00:34:31,760 --> 00:34:35,560  
I hope the family's coping with the move.  
It must be very disruptive.

482  
00:34:37,639 --> 00:34:40,120  
They're all a bit anxious.  
I can't deny it, ma'am.

483  
00:34:40,840 --> 00:34:42,040

Sorry to hear that.

484

00:34:45,000 --> 00:34:47,840

-I hope you don't mind me asking, ma'am.

-Yes?

485

00:34:50,080 --> 00:34:51,840

How do you know the name  
of my kids' school?

486

00:34:54,800 --> 00:34:57,320

It must have appeared  
in the immediate incident report.

487

00:35:02,720 --> 00:35:07,200

Sorry, ma'am, I don't mean to argue.  
The attack occurred a few minutes before.

488

00:35:07,880 --> 00:35:10,080

It seems a bit early  
for the connection to be made.

489

00:35:10,160 --> 00:35:11,920

It must have been  
in relation to your son..

490

00:35:12,320 --> 00:35:16,200

from asking a colleague to organize  
his transfer to a specialist school.

491

00:35:28,040 --> 00:35:29,240

-David, let's--

-[gunshots]

492

00:35:29,320 --> 00:35:32,520

-[she screams]

-Down, down! Go, go!

493

00:35:33,040 --> 00:35:35,560

[she screams]

494

00:35:36,800 --> 00:35:39,000

[engine revs and tires squeal]

495  
00:35:39,080 --> 00:35:40,680  
[tires screech and horn blares]

496  
00:35:40,760 --> 00:35:42,760  
[bullets hit car]

497  
00:35:42,840 --> 00:35:44,720  
[breathes heavily]

498  
00:35:58,800 --> 00:36:00,200  
-[Julia screams]  
-[gunshot]

499  
00:36:00,280 --> 00:36:04,120  
Ma'am, stay down! The bullets can pierce  
the windows but not the armored metal.

500  
00:36:04,200 --> 00:36:05,160  
[whimpers]

501  
00:36:05,240 --> 00:36:08,320  
Control. Sierra Zulu Seven-Nine,  
status zero, Thornton Circus.

502  
00:36:08,400 --> 00:36:11,720  
Control, Sierra Zulu Seven-Nine,  
status zero, Thornton Circus.

503  
00:36:11,800 --> 00:36:14,160  
Lavender is TA. Repeat Lavender is TA.

504  
00:36:15,280 --> 00:36:17,400  
[Control] Seven-Nine, Control, received.

505  
00:36:17,480 --> 00:36:20,280  
All call signs proceed  
to Thornton Circus urgently.

506  
00:36:20,360 --> 00:36:21,640  
[breathes heavily]

507  
00:36:22,800 --> 00:36:24,800  
Four-Seven.  
Seven-Nine, back to back on two.

508  
00:36:24,880 --> 00:36:28,760  
-[over radio] Received, Seven-Nine.  
-We've lost Terry. We'll wait for backup.

509  
00:36:28,840 --> 00:36:30,960  
-Suggest you do the same.  
-Wilco.

510  
00:36:31,280 --> 00:36:32,120  
[groans]

511  
00:36:32,200 --> 00:36:34,080  
-[gunshot, bullet ricochets]  
-[squeals]

512  
00:36:34,160 --> 00:36:37,560  
It's okay, ma'am! The bullets  
can't get through the armor plating!

513  
00:36:38,440 --> 00:36:42,000  
-It's okay. It's okay.  
-[panicked breathing]

514  
00:36:42,560 --> 00:36:45,920  
-Control, Seven-Nine Sierra Zulu.  
-[Control] Go ahead, Seven-Nine.

515  
00:36:46,520 --> 00:36:49,400  
We need armed support and air ops  
to the scene as operational priority.

516  
00:36:49,480 --> 00:36:52,920  
TFCs deploying to the scene. Area  
being cordoned off and unarmed held back.

517  
00:36:53,000 --> 00:36:56,480  
-ARVs en route. ETA two minutes.  
-Control, Seven-Nine, received.

518

00:36:56,880 --> 00:36:59,280  
Two minutes, ma'am. Sit tight.  
You're going to be fine.

519

00:37:00,880 --> 00:37:03,320  
You're doing really well, ma'am.  
You're doing great.

520

00:37:04,920 --> 00:37:05,960  
-[gunfire]  
-[screams]

521

00:37:06,040 --> 00:37:10,160  
It's okay. It's okay, ma'am.  
It's okay. It's okay.

522

00:37:10,240 --> 00:37:12,320  
-[gasps and whimper]  
-[gunshot]

523

00:37:12,400 --> 00:37:15,520  
It's okay. It's okay.  
It's all right. It's okay.

524

00:37:20,640 --> 00:37:21,480  
[whimpers]

525

00:37:21,960 --> 00:37:24,080  
-Stay right down, ma'am.  
-[squeals]

526

00:37:36,520 --> 00:37:38,720  
-[gunshot]  
-[breathes heavily]

527

00:37:46,760 --> 00:37:49,400  
-Control, sit rep, Sierra Zulu Seven-Nine.  
-Go ahead.

528

00:37:49,480 --> 00:37:51,480  
Shooter's located on roof of Pascoe House,

529

00:37:51,560 --> 00:37:55,280  
1-0-0-0 feet south of Thornton Circus.  
Single shooter only.

530  
00:37:55,360 --> 00:37:57,760  
-Received, Seven-Nine.  
-Where are those ARVs?

531  
00:37:57,840 --> 00:38:01,000  
Area lockdown ongoing. ETA two minutes.

532  
00:38:01,080 --> 00:38:02,520  
You already said two minutes!

533  
00:38:05,000 --> 00:38:05,960  
[squeals]

534  
00:38:06,040 --> 00:38:09,680  
Ma'am, I need to get you to safety.  
Ma'am, this is what I do. Trust me.

535  
00:38:09,760 --> 00:38:11,360  
[pants and whimpers]

536  
00:38:20,320 --> 00:38:22,280  
[grunts]

537  
00:38:28,120 --> 00:38:31,640  
-Four-Seven, back to back on two.  
-[Four-Seven] Go ahead, Seven-Nine.

538  
00:38:31,720 --> 00:38:33,640  
We're sitting ducks here.  
Lavender on the move.

539  
00:38:33,720 --> 00:38:35,640  
-Shit, what?  
-Follow, close formation.

540  
00:38:36,200 --> 00:38:38,000  
-Here we go, ma'am.  
-[engine revs]

541  
00:38:40,320 --> 00:38:42,520  
-[whimpers]  
-Stay right down, ma'am.

542  
00:38:42,600 --> 00:38:44,920  
-[groans]  
-The roof armor will protect us, ma'am.

543  
00:38:47,960 --> 00:38:49,000  
[gunshot]

544  
00:38:50,000 --> 00:38:53,240  
You're doing great, ma'am.  
Soon he won't have a line of sight.

545  
00:38:55,640 --> 00:38:57,000  
[horn blares]

546  
00:39:00,120 --> 00:39:03,520  
-We're safe now, ma'am. Hold tight.  
-[tires screech]

547  
00:39:08,000 --> 00:39:09,000  
Don't move, ma'am.

548  
00:39:11,440 --> 00:39:12,520  
You'll be fine.

549  
00:39:12,600 --> 00:39:14,640  
[whimpers and squeals] No, No. No, no!

550  
00:39:14,720 --> 00:39:16,200  
-Take care of the P.  
-Sarge!

551  
00:39:20,160 --> 00:39:24,040  
Armed police! Get down!  
Stay down! Remain calm!

552  
00:39:24,120 --> 00:39:25,920  
I need access to the roof.

553  
00:39:26,000 --> 00:39:30,280  
Stay down! Remain calm!  
Officers will be arriving!

554  
00:39:31,960 --> 00:39:32,800  
This way.

555  
00:39:45,920 --> 00:39:47,000  
I need the roof.

556  
00:39:53,240 --> 00:39:54,480  
Through there and up.

557  
00:40:35,480 --> 00:40:37,080  
[breathes heavily]

558  
00:40:37,560 --> 00:40:38,560  
Armed police!

559  
00:40:47,320 --> 00:40:48,280  
[exhales]

560  
00:40:50,040 --> 00:40:51,280  
It's over, mate.

561  
00:40:55,600 --> 00:40:56,560  
[sighs]

562  
00:41:03,920 --> 00:41:05,040  
It's over.

563  
00:41:05,120 --> 00:41:06,960  
[breathes heavily]

564  
00:41:07,040 --> 00:41:08,160  
For me.

565  
00:41:09,480 --> 00:41:10,560  
Not for you.

566

00:41:12,240 --> 00:41:13,920  
You've got to finish the job.

567  
00:41:16,720 --> 00:41:17,760  
I'm fucked.

568  
00:41:24,640 --> 00:41:25,520  
Don't.

569  
00:41:25,600 --> 00:41:26,640  
[breathes heavily]

570  
00:41:26,720 --> 00:41:29,760  
-Someone's got to stop her. Get it done.  
-Don't!

571  
00:41:30,280 --> 00:41:34,240  
[no sound]

572  
00:41:43,080 --> 00:41:44,560  
[no sound]

573  
00:42:00,880 --> 00:42:04,040  
[Kim] Area confirmed secure.  
Lavender safe to travel.

574  
00:42:04,120 --> 00:42:05,760  
Escorting her out the building now.

575  
00:42:10,720 --> 00:42:12,160  
I'm very sorry about Terry, ma'am.

576  
00:42:13,720 --> 00:42:16,360  
[sirens]

577  
00:42:19,320 --> 00:42:21,840  
[news report #1] The attack on  
the Home Secretary began with shots

578  
00:42:21,920 --> 00:42:25,200  
fired from Pascoe House,  
an office building undergoing...

579  
00:42:25,280 --> 00:42:28,280  
[news report #2] ...Secretary's vehicle,  
claiming the life of her driver,

580  
00:42:28,360 --> 00:42:29,880  
who's been named as Terence Foyer.

581  
00:42:29,960 --> 00:42:34,440  
[news report #3] ...Montague was unhurt in  
the attack and is in a secure location...

582  
00:42:34,520 --> 00:42:38,080  
[news report #4] ...the assassination  
attempt on Home Secretary Julia Montague,

583  
00:42:38,160 --> 00:42:40,520  
the UK threat level  
is being raised to critical.

584  
00:42:40,600 --> 00:42:43,320  
[news report #5] ...Police Commissioner  
says recent terror events pose

585  
00:42:43,400 --> 00:42:46,320  
an unprecedented threat  
to national security.

586  
00:43:22,480 --> 00:43:24,080  
[phone buzzes]

587  
00:43:33,840 --> 00:43:34,840  
PS Budd.

588  
00:43:48,440 --> 00:43:50,680  
Service entrance just round to the right,  
Sarge.

589  
00:43:51,480 --> 00:43:53,480  
[chattering on police radio]

590  
00:44:09,200 --> 00:44:11,480

No complaints about the surroundings,  
but...

591

00:44:14,040 --> 00:44:16,840  
it's unsettling not to be allowed  
back into your own home.

592

00:44:18,160 --> 00:44:22,040  
Following an attempt on your life, ma'am,  
protection measures have been ramped up.

593

00:44:26,160 --> 00:44:27,840  
And do you think I'm still in danger?

594

00:44:29,560 --> 00:44:32,000  
It'll turn out to be  
a nut-job acting alone.

595

00:44:35,160 --> 00:44:37,160  
SO15 don't know anything about the gunman?

596

00:44:37,240 --> 00:44:39,600  
I can't imagine they're telling me  
more than you, ma'am.

597

00:44:41,800 --> 00:44:44,040  
I've got a meeting in the morning  
with Stephen Hunter-Dunn.

598

00:44:44,120 --> 00:44:47,360  
So... maybe the Security Service  
can shed more light.

599

00:45:00,480 --> 00:45:02,880  
Why were the police held back  
from entering the square?

600

00:45:04,240 --> 00:45:06,960  
It wasn't safe  
for unarmed officers to go in.

601

00:45:07,040 --> 00:45:08,840  
No, I don't mean them. The ARVs.

602

00:45:09,600 --> 00:45:13,880  
We were under attack, you, me, members  
of the public. Terry was blown apart.

603

00:45:13,960 --> 00:45:16,000  
-Ma'am, are you all right?  
-Who would give that order?

604

00:45:16,760 --> 00:45:19,800  
To hold resources back  
and leave us in the line of fire?

605

00:45:19,880 --> 00:45:23,120  
-I can't imagine that's what went on.  
-Just answer the question, please, David.

606

00:45:25,960 --> 00:45:29,920  
That would be an executive officer  
at SO15.

607

00:45:34,400 --> 00:45:35,640  
Anne Sampson.

608

00:45:42,040 --> 00:45:45,480  
I can't imagine the ARVs were being  
held back without good reason.

609

00:45:45,560 --> 00:45:49,160  
-First priority's preservation of life.  
-I was being shot at!

610

00:45:53,280 --> 00:45:56,840  
[inhales] Yes, that would suit her,  
me being smashed to pieces.

611

00:45:56,920 --> 00:45:59,560  
Ma'am, why don't you sit down  
and let me take care of this?

612

00:45:59,640 --> 00:46:00,960  
[glass clatters, she gasps]

613  
00:46:01,040 --> 00:46:01,920  
[she sighs]

614  
00:46:17,480 --> 00:46:19,040  
[sighs]

615  
00:46:24,960 --> 00:46:26,120  
I'm not the Queen.

616  
00:46:28,080 --> 00:46:29,520  
You're allowed to touch me.

617  
00:46:40,960 --> 00:46:41,960  
[sighs softly]

618  
00:49:36,560 --> 00:49:37,920  
[breathes heavily]

619  
00:50:02,320 --> 00:50:06,320  
[door opens and footsteps]

620  
00:50:08,880 --> 00:50:09,920  
[door closes]

621  
00:50:11,640 --> 00:50:14,640  
[woman #1] Home Secretary,  
is there a concern you're still a target?

622  
00:50:14,720 --> 00:50:17,800  
For security reasons,  
I'm afraid I can't disclose any specifics.

623  
00:50:18,240 --> 00:50:20,480  
[woman #2]  
Any comment on the assassination attempt?

624  
00:50:21,120 --> 00:50:23,680  
Only that I'm extremely grateful

625  
00:50:23,760 --> 00:50:27,000  
for the swift and courageous actions

of the security services.

626

00:50:27,920 --> 00:50:31,720

And I'm deeply thankful  
there weren't more casualties.

627

00:50:32,640 --> 00:50:34,440

[woman #3]

How are you feeling, Home Secretary?

628

00:50:35,080 --> 00:50:39,480

I'm feeling ready to return to my mission  
of fighting the enemies of democracy...

629

00:50:39,960 --> 00:50:42,720

and I'm undaunted in my determination

630

00:50:42,800 --> 00:50:47,480

to pass the RIPA-18 legislation  
needed to get that job done.

631

00:50:49,160 --> 00:50:53,400

Not stage-managed at all. [soft chuckle]

632

00:50:54,880 --> 00:50:56,080

Who's she trying to kid?

633

00:50:57,760 --> 00:50:59,160

Oh, yeah. No. 10.

634

00:51:02,640 --> 00:51:03,560

[sighs]

635

00:51:18,400 --> 00:51:21,120

Yeah, uh, Mike Travis.  
Um... could you put me through

636

00:51:21,200 --> 00:51:23,240

to Anne Sampson's office  
at New Scotland Yard?

637

00:51:24,880 --> 00:51:25,720

Thanks.

638

00:51:31,320 --> 00:51:32,480  
David, come in.

639

00:51:33,480 --> 00:51:34,880  
Sorry to keep you waiting.

640

00:51:36,680 --> 00:51:40,120  
As you can imagine,  
it's pretty hectic around here.

641

00:51:40,680 --> 00:51:41,720  
Any progress, ma'am?

642

00:51:42,320 --> 00:51:43,800  
Not yet. [sighs]

643

00:51:43,880 --> 00:51:48,000  
The shooter signed into Pascoe House  
as a tradesman using a false name.

644

00:51:48,080 --> 00:51:50,560  
He was carrying no ID or devices.

645

00:51:50,640 --> 00:51:52,840  
Fingerprints haven't thrown up  
a database match either.

646

00:51:52,920 --> 00:51:55,680  
We'll find out,  
and his accomplices, if there are any.

647

00:51:56,160 --> 00:51:57,680  
I'm not here. Eyes front.

648

00:51:59,680 --> 00:52:01,800  
You've distinguished yourself again,  
David.

649

00:52:02,360 --> 00:52:04,920  
I intend to put you forward

for a commendation.

650

00:52:05,000 --> 00:52:06,480  
There's even talk of a medal.

651

00:52:07,120 --> 00:52:08,480  
Thank you very much, ma'am.

652

00:52:08,560 --> 00:52:11,920  
Obviously, Thornton Circus  
will have to be looked into by the IOPC,

653

00:52:12,000 --> 00:52:13,400  
as the gunman died at the scene,

654

00:52:13,480 --> 00:52:16,520  
but all witnesses say you acted  
with complete professionalism.

655

00:52:16,600 --> 00:52:18,760  
Uh, there's 101 places I need to be.

656

00:52:19,960 --> 00:52:20,920  
Sorry, ma'am.

657

00:52:23,960 --> 00:52:27,440  
Stephen Hunter-Dunn, the Director-  
General of the Security Service...

658

00:52:28,400 --> 00:52:32,000  
The Home Secretary's met with him  
how many times in recent weeks?

659

00:52:33,080 --> 00:52:34,920  
I've not been counting, ma'am.

660

00:52:35,000 --> 00:52:38,600  
They're having almost daily conferences  
and keeping me out of the loop? Why?

661

00:52:39,240 --> 00:52:42,400  
-No idea, ma'am.

-She's overruled our security advice.

662

00:52:42,480 --> 00:52:45,040

She's taken  
the 1st of October attack off us.

663

00:52:46,280 --> 00:52:49,040

Unjustified, unprecedented.

664

00:52:49,400 --> 00:52:52,440

This is a very, very dangerous politician.

665

00:52:52,920 --> 00:52:55,000

Someone who must be stopped.

666

00:52:56,320 --> 00:53:01,360

But a politician who happens to regard you  
as her blue-eyed boy.

667

00:53:02,240 --> 00:53:05,160

[Craddock] There's an upside to  
the Home Secretary having you reinstated.

668

00:53:05,840 --> 00:53:09,440

You know everyone she meets,  
when, where, how long.

669

00:53:11,440 --> 00:53:14,840

We've arranged to keep her  
at The Blackwood, with an adjoining room.

670

00:53:15,120 --> 00:53:18,280

My surveillance team will issue you  
with the necessary equipment

671

00:53:18,360 --> 00:53:19,720

to monitor her meetings.

672

00:53:20,880 --> 00:53:22,040

Is that lawful, ma'am?

673

00:53:25,800 --> 00:53:28,600

I've got my duties as a PPO.  
I'd rather stick to those, ma'am.

674

00:53:29,920 --> 00:53:32,720

[inhales]

She's got you wrapped round her finger.

675

00:53:34,440 --> 00:53:36,320

[Craddock] I see this all the time, David.

676

00:53:36,680 --> 00:53:41,480

The minister ingratiate himself with the  
PPO, a favor here, pulling strings there.

677

00:53:42,360 --> 00:53:44,440

You think

it's out of the goodness of their heart?

678

00:53:45,800 --> 00:53:48,000

It's so you'll keep their secrets,  
no matter what.

679

00:53:48,080 --> 00:53:51,120

Our investigation is well under way  
into the bombing that took place

680

00:53:51,200 --> 00:53:52,760

right next to your kids' school.

681

00:53:54,880 --> 00:53:58,880

We heard the Security Service had  
advance knowledge schools were targets.

682

00:53:58,960 --> 00:54:01,360

And who do they run  
to with their intelligence?

683

00:54:03,200 --> 00:54:05,600

One of her team told me,  
in strictest confidence,

684

00:54:05,680 --> 00:54:09,160

as soon as the school was mentioned,

she recognized the name straight away.

685

00:54:09,480 --> 00:54:11,600  
There's only one plausible explanation.

686

00:54:12,120 --> 00:54:15,120  
She'd been given prior intelligence  
it was a target.

687

00:54:17,560 --> 00:54:20,960  
All your precious Home Secretary had to do  
was say the word

688

00:54:21,040 --> 00:54:23,400  
and your kids would have been out  
of harm's way,

689

00:54:23,480 --> 00:54:25,520  
but she sat back and let it happen.

690

00:54:42,160 --> 00:54:43,000  
Ma'am.

691

00:54:50,520 --> 00:54:51,400  
Ma'am.

692

00:54:57,560 --> 00:55:00,040  
I'll be in the adjoining room.  
Have a good evening, ma'am.

693

00:55:00,120 --> 00:55:00,960  
Yeah.

694

00:55:01,800 --> 00:55:02,680  
You, too.

695

00:55:05,080 --> 00:55:05,920  
Sarge.

696

00:55:10,360 --> 00:55:11,200  
[door beeps]

697  
00:55:20,200 --> 00:55:21,160  
[sighs]

698  
00:56:06,360 --> 00:56:07,480  
[inhales deeply]

699  
00:56:29,480 --> 00:56:30,320  
[sighs]

700  
00:57:09,120 --> 00:57:10,560  
[gasps]

701  
00:57:19,560 --> 00:57:23,360  
My job... your job,  
it just complicates everything.

702  
00:57:23,720 --> 00:57:25,080  
[moaning]

703  
00:57:25,160 --> 00:57:26,720  
Nothing complicates my job.

704  
00:57:28,080 --> 00:57:29,400  
It's to protect you.
