1

00:00:13,320 --> 00:00:17,040
We have intelligence on a possible
terrorist attack on a London school.

2

00:00:17,120 --> 00:00:20,400
One of the schools threw up a link
to a serving police officer.

3

00:00:20,760 --> 00:00:23,040
His kids attend. David Budd.

4

00:00:23,400 --> 00:00:24,520
[siren wails]

5

00:00:24,760 --> 00:00:27,120
[Sampson] Authorize MASTS
and ARVs to carry out

6

00:00:27,200 --> 00:00:30,560
enforced stop, with critical shot
authorized, if required.

7

00:00:34,240 --> 00:00:36,280
Strictest confidence,
but you've got a right to know.

8

00:00:36,360 --> 00:00:38,760
-It happened near your children's school.
-What?

9

00:00:40,640 --> 00:00:41,680
[screaming]

10

00:00:41,760 --> 00:00:43,480
[David] How do you know my kids' school?

11

00:00:43,560 --> 00:00:45,680
It must've appeared
in the immediate incident report.

12

00:00:45,760 --> 00:00:50,040

The attack occurred a few minutes before,
a bit early for the connection to be made.

13

00:00:50,120 --> 00:00:53,720
[Andy] How do you reckon she'd feel
if she got a taste?

14

00:00:53,800 --> 00:00:56,280
-Taste of what?
-Suffering the consequences.

15

00:00:56,360 --> 00:00:58,040
-[gunshot]
-Down! Down! Go!

16

00:00:58,120 --> 00:01:00,040
[engine revs and tires screech]

17

00:01:00,120 --> 00:01:02,040
-[gunshot]
-[Julia squeals]

18

00:01:02,120 --> 00:01:05,480
It's okay, ma'am! The bullets
can't get through the armor plating!

19

00:01:05,560 --> 00:01:10,000
Shooter's located on roof of Pascoe House
1-0-0-0 feet south of Thornton Circus.

20

00:01:10,760 --> 00:01:11,640
Armed police!

21

00:01:13,760 --> 00:01:16,480
I'm starting to lose confidence
in the police's ability

22

00:01:16,560 --> 00:01:20,000
to make rapid enough progress,
so I'd like to take up Stephen's proposal

23

00:01:20,080 --> 00:01:23,840
for the Security Service to assume

a role in interviewing the 1/10 bombers.

24

00:01:23,920 --> 00:01:24,800

-What?

-Thank you.

25

00:01:24,880 --> 00:01:27,960

Home Secretary, you are
setting a dangerous precedent.

26

00:01:28,040 --> 00:01:32,080

We've agreed, I think...
This can only be a police matter.

27

00:01:32,160 --> 00:01:34,760

[Roger] PM's pissed off.
Thinks you're hogging the limelight.

28

00:01:34,840 --> 00:01:38,960

Naturally, I disabused him of the idea
you'd attempt a leadership challenge.

29

00:01:39,040 --> 00:01:43,160

We were under attack, you, me, members
of the public. Terry was blown apart.

30

00:01:43,240 --> 00:01:45,120

-Are you all right?
-Who would give that order?

31

00:01:45,200 --> 00:01:48,360

To hold resources back
and leave us in the line of fire.

32

00:01:48,440 --> 00:01:51,920

That would be an executive officer
at SO15.

33

00:01:52,280 --> 00:01:53,280

Anne Sampson.

34

00:01:53,360 --> 00:01:56,400

[Sampson] My surveillance team will issue

you with the necessary equipment

35

00:01:56,480 --> 00:01:59,080
-to monitor her meetings.
-Is that lawful, ma'am?

36

00:01:59,160 --> 00:02:02,520
They're having almost daily conferences
and keeping me out of the loop. Why?

37

00:02:02,920 --> 00:02:04,000
No idea, ma'am.

38

00:02:04,080 --> 00:02:07,240
[Craddock] I see this all the time, David.
The minister ingratiates himself

39

00:02:07,320 --> 00:02:10,600
with the PPO. You think
it's out of goodness of their heart?

40

00:02:10,680 --> 00:02:13,240
It's so you'll keep their secrets,
no matter what.

41

00:02:13,320 --> 00:02:14,960
We had good news about my son's schooling.

42

00:02:15,240 --> 00:02:16,200
I'm glad.

43

00:02:16,280 --> 00:02:20,400
She'd been given prior intelligence
it was a target, but she sat back

44

00:02:20,480 --> 00:02:24,120
and let it happen.
She's got you wrapped round her finger.

45

00:02:24,200 --> 00:02:25,960
You've got to finish the job.

46

00:02:26,760 --> 00:02:27,800
-[gunshot]
-[exhales]

47
00:02:28,280 --> 00:02:30,280
-Nothing complicates my job.
-[groans]

48
00:02:31,280 --> 00:02:32,480
It's to protect you.

49
00:02:36,040 --> 00:02:39,440
-[Julia] How long were you in the army?
-[David] Ten years.

50
00:02:43,000 --> 00:02:44,680
Is that what you always wanted to do?

51
00:02:46,120 --> 00:02:50,360
You'll probably laugh, but... when I was
in school, I wanted to be a doctor.

52
00:02:52,840 --> 00:02:53,880
I'm not laughing.

53
00:02:55,840 --> 00:02:56,720
What happened?

54
00:02:57,680 --> 00:02:59,600
[sighs]

55
00:02:59,680 --> 00:03:02,280
To get into medical school,
you need work experience.

56
00:03:02,360 --> 00:03:05,720
How do you get that?
By knowing a doctor who can get you in.

57
00:03:05,800 --> 00:03:08,440
I had no idea where to start so...

58

00:03:10,440 --> 00:03:11,400
never applied.

59

00:03:16,840 --> 00:03:19,840
-[Julia] They don't hurt?
-Not now.

60

00:03:22,240 --> 00:03:23,640
I'm one of the lucky ones.

61

00:03:24,960 --> 00:03:26,080
Because you survived?

62

00:03:29,400 --> 00:03:30,600
Aye, that too.

63

00:03:41,560 --> 00:03:43,320
Even if it could cost me my job.

64

00:03:44,960 --> 00:03:45,840
Mm.

65

00:03:47,360 --> 00:03:49,120
Sex with the Home Secretary...

66

00:03:50,000 --> 00:03:51,080
it's a heinous crime.

67

00:03:51,160 --> 00:03:53,160
[both chuckle]

68

00:04:02,520 --> 00:04:04,480
[muffled voices]

69

00:04:04,960 --> 00:04:07,160
-[Julia] Please, come in.
-[Hunter-Dunn] Thank you.

70

00:04:09,480 --> 00:04:11,680
[muffled chattering]

71

00:04:15,960 --> 00:04:19,839
[muffled chattering continues]

72
00:04:22,680 --> 00:04:26,120
[Hunter-Dunn] The Thornton Circus attack,
terrifying for you...

73
00:04:26,200 --> 00:04:27,760
[muffled conversation]

74
00:04:40,000 --> 00:04:42,960
[Hunter-Dunn] We don't know if there's
a connection or he was acting alone.

75
00:04:44,080 --> 00:04:47,120
It's RIPA-18, isn't it?
It's made me a target.

76
00:04:47,840 --> 00:04:49,000
One possible reason.

77
00:04:50,240 --> 00:04:51,120
What do you mean?

78
00:04:51,600 --> 00:04:55,200
The only plausible conclusion
is your itinerary was leaked.

79
00:04:57,320 --> 00:04:58,320
By the police?

80
00:04:59,040 --> 00:05:02,680
-They set me up... and it's obvious why.
-Home Secretary?

81
00:05:04,200 --> 00:05:05,440
Our arrangement...

82
00:05:06,360 --> 00:05:08,920
No one knows. I can assure you of that.

83
00:05:10,080 --> 00:05:14,360

In regard to which, we need to establish
the most secure means

84

00:05:14,440 --> 00:05:16,040
of getting the material to you.

85

00:05:17,080 --> 00:05:18,400
Well, not via the office.

86

00:05:20,360 --> 00:05:21,320
Leave it with me.

87

00:05:24,000 --> 00:05:25,400
Have a good day, Home Secretary.

88

00:05:25,480 --> 00:05:27,840
[footsteps and door closes]

89

00:05:41,920 --> 00:05:45,480
The Thornton Circus attack
on Home Secretary Julia Montague

90

00:05:45,560 --> 00:05:47,160
was carried out by a sniper

91

00:05:47,240 --> 00:05:50,560
firing from the roof of a nearby
office building, Pascoe House.

92

00:05:51,080 --> 00:05:55,000
The gunman appears to have gained access
to the roof by posing as a tradesman

93

00:05:55,080 --> 00:05:57,800
but took his own life
before he could be questioned.

94

00:06:03,800 --> 00:06:05,000
[ringing tone]

95

00:06:07,600 --> 00:06:09,880
Hi, this is Vicky's phone.

Leave me a message.

96

00:06:10,760 --> 00:06:15,760
Hiya, love... Vic, hi. It's me. Uh, you're
probably on the school run or something.

97

00:06:15,840 --> 00:06:19,400
Uh, I was just calling to check
you're all all right and uh...

98

00:06:21,760 --> 00:06:25,360
and yeah, just, uh, if you need anything,
I'm here, all right?

99

00:06:27,800 --> 00:06:28,640
Bye.

100

00:06:43,560 --> 00:06:45,000
[exhales]

101

00:06:57,440 --> 00:06:59,320
-Morning, ma'am.
-Morning, Sergeant Budd.

102

00:07:04,600 --> 00:07:05,640
Sleep well?

103

00:07:05,720 --> 00:07:06,840
Yes, ma'am. You?

104

00:07:07,120 --> 00:07:08,160
Yes. Thank you.

105

00:07:14,200 --> 00:07:15,200
Lavender coming out.

106

00:07:15,680 --> 00:07:17,680
Uh, sorry, one moment.
I just need to use the loo.

107

00:07:19,120 --> 00:07:21,600
Sorry, Skipper, we don't have

any female officers in here.

108
00:07:22,640 --> 00:07:23,800
This way, ma'am.

109
00:07:23,880 --> 00:07:25,000
Sorry, do you mind?

110
00:07:26,720 --> 00:07:29,080
Police officer.
I need to ask if anyone's in here!

111
00:07:31,280 --> 00:07:32,280
Just a second, ma'am.

112
00:07:43,760 --> 00:07:44,760
All clear, ma'am.

113
00:08:01,960 --> 00:08:04,160
I know you'll never let anything bad
happen to me.

114
00:08:22,480 --> 00:08:24,160
David, thanks for coming in.

115
00:08:24,240 --> 00:08:26,400
-You're welcome, ma'am.
-Have a seat.

116
00:08:28,680 --> 00:08:32,120
I thought this would be
the most secure way to hear your report.

117
00:08:33,120 --> 00:08:34,120
My report, ma'am?

118
00:08:34,720 --> 00:08:37,080
On the Home Secretary's contact
with the Security Service.

119
00:08:40,200 --> 00:08:42,320
Nothing significant as yet, ma'am.

120
00:08:44,920 --> 00:08:45,800
No?

121
00:08:51,240 --> 00:08:57,040
The Director-General entered her hotel
at 07:49 and left at 08:22.

122
00:08:59,320 --> 00:09:02,360
I was taking a shower and missed that.
Very sorry, ma'am.

123
00:09:05,440 --> 00:09:08,440
-We've put you in that room for a reason.
-Ma'am?

124
00:09:11,880 --> 00:09:13,120
How's the family, David?

125
00:09:15,080 --> 00:09:18,280
-Is there intel they're still in danger?
-No, but there was.

126
00:09:19,800 --> 00:09:22,440
I'll be completing a review
of the threat-to-life assessment.

127
00:09:23,040 --> 00:09:24,960
Extending their stay at the safe house

128
00:09:25,040 --> 00:09:27,880
will be weighed against
the operational priorities in our budget.

129
00:09:29,560 --> 00:09:32,400
I'll be sure to record
the Home Secretary's next meeting.

130
00:09:34,200 --> 00:09:35,200
Good man.

131
00:09:38,560 --> 00:09:41,120

Oh, and one more thing.
Sorry to cut into your time off,

132
00:09:41,200 --> 00:09:43,800
but SO15 want to interview you
about Thornton Circus.

133
00:09:43,880 --> 00:09:45,640
I gave them a full statement at the time.

134
00:09:45,720 --> 00:09:48,880
Still, the IOPC's involved,
so they want to dot the Is.

135
00:09:49,920 --> 00:09:50,760
Ma'am.

136
00:10:00,360 --> 00:10:04,640
[man] PS Budd,
sorry to keep you. DCI Sharma.

137
00:10:04,720 --> 00:10:06,760
-Sir.
-This is DS Rayburn.

138
00:10:07,200 --> 00:10:08,600
-Nice to meet you.
-Hi.

139
00:10:08,680 --> 00:10:12,120
Are you okay to talk to us?
You want Legal or your Fed rep?

140
00:10:12,200 --> 00:10:13,960
-Happy to help.
-Great stuff.

141
00:10:19,760 --> 00:10:24,000
[sighs] SO15, recorded witness interview
with PS Budd.

142
00:10:24,080 --> 00:10:25,880
-DS Rayburn.

-DCI Sharma.

143

00:10:25,960 --> 00:10:26,840
PS Budd.

144

00:10:28,040 --> 00:10:29,920
Okay, we're grateful
for your written statement,

145

00:10:30,000 --> 00:10:32,960
but we'd like you to take us through,
just in as much detail as possible,

146

00:10:33,040 --> 00:10:34,760
the events on the roof of Pascoe House.

147

00:10:35,320 --> 00:10:37,360
It's all as per my statement.

148

00:10:37,440 --> 00:10:41,120
Uh, the shooter was exactly where
I'd seen him, the roof of Pascoe House.

149

00:10:41,200 --> 00:10:44,480
He was dressed as a workman
and equipped with a PSL.

150

00:10:45,240 --> 00:10:48,360
When the ARVs arrived,
he decided there was no way out.

151

00:10:49,480 --> 00:10:52,920
-How come he didn't see you?
-I was observing from a covered position.

152

00:10:54,800 --> 00:10:56,520
Why did he turn the pistol on himself?

153

00:10:58,000 --> 00:11:00,800
As you know from my statement,
I attempted to arrest him.

154

00:11:00,880 --> 00:11:04,080
I called "armed police" and ordered him
to surrender his firearm.

155
00:11:04,160 --> 00:11:05,560
He chose not to comply.

156
00:11:07,640 --> 00:11:08,640
Well...

157
00:11:08,800 --> 00:11:11,280
So, he didn't say anything
that might reveal a motive?

158
00:11:11,360 --> 00:11:13,320
In firing on the Home Secretary's vehicle,
I mean.

159
00:11:14,080 --> 00:11:15,400
I'm afraid not, sir.

160
00:11:15,480 --> 00:11:19,400
Unfortunately, we haven't been able to ID
the gunman or trace the firearm either.

161
00:11:20,040 --> 00:11:23,200
It takes some doing, getting a weapon
like that and leaving no trace.

162
00:11:24,200 --> 00:11:27,800
Look, if there's anything you can tell us
about him, it would be a big help.

163
00:11:31,280 --> 00:11:32,120
Sorry.

164
00:11:34,240 --> 00:11:40,120
We've got these... images
from the CCTV cameras on the roof.

165
00:11:40,200 --> 00:11:44,000
[Sharma] They show a significant verbal
exchange between you and the gunman.

166

00:11:44,680 --> 00:11:47,040
But unfortunately, your mouths
aren't visible for lip-reading.

167

00:11:49,280 --> 00:11:52,880
Yeah, he'd repeated a number of times
he had no intention to surrender.

168

00:11:54,920 --> 00:11:58,480
One thing that occurs to me, David...
It's okay if I call you David?

169

00:11:59,880 --> 00:12:03,040
The shooter had a firearm
that could blow half your body away.

170

00:12:03,960 --> 00:12:06,120
Why didn't he use it on you
and make a getaway?

171

00:12:06,800 --> 00:12:12,360
As per my statement, that firearm was
packed away and the ARVs arrived.

172

00:12:12,920 --> 00:12:14,840
If he'd got past me,
he'd have nowhere to run to.

173

00:12:15,480 --> 00:12:18,760
See, David, this is the thing,
this guy, he's a complete stranger, yeah?

174

00:12:19,560 --> 00:12:21,360
Yet somehow you know for certain

175

00:12:21,440 --> 00:12:24,600
when he sees the ARVs,
he decided to throw in the towel?

176

00:12:27,280 --> 00:12:30,120
You're quite right, sir.
I couldn't know that.

177
00:12:30,200 --> 00:12:34,360
I... made a.... uh, an assumption

178
00:12:34,760 --> 00:12:37,760
um, which was reinforced
by the shooter's final comments to me.

179
00:12:38,400 --> 00:12:43,040
But I am happy to amend my statement,
if that would assist your inquiry.

180
00:12:49,280 --> 00:12:54,040
-Okay, uh, thank you very much, David.
-Sorry I couldn't be more help.

181
00:12:54,120 --> 00:12:55,120
[Sharma] It's okay.

182
00:13:01,240 --> 00:13:05,960
-[Rayburn] Interview terminated at 14:48.
-We'll send someone in to show you out.

183
00:13:14,440 --> 00:13:15,320
[door closes]

184
00:13:24,360 --> 00:13:25,560
One moment, please.

185
00:13:38,640 --> 00:13:39,600
All clear, ma'am.

186
00:13:40,840 --> 00:13:43,200
-Is anything the matter?
-No.

187
00:13:44,440 --> 00:13:46,080
The family's still not back at home?

188
00:13:46,160 --> 00:13:49,360
The safe house has been extended.
There's no other option,

189
00:13:49,440 --> 00:13:52,600
with everyone in the dark
about whether they're still a target.

190
00:13:53,440 --> 00:13:54,800
You can always come to me.

191
00:13:55,240 --> 00:13:57,880
That'd be asking you to circumvent
security protocol.

192
00:13:58,640 --> 00:14:00,600
[sighs] Protocol...

193
00:14:02,360 --> 00:14:03,440
It's your family.

194
00:14:07,480 --> 00:14:10,640
None of the code words retrospectively
associated with your family

195
00:14:10,720 --> 00:14:13,960
have been detected in communications
with other cells on the watch list.

196
00:14:14,360 --> 00:14:16,920
That's good to know. Thank you.

197
00:14:20,280 --> 00:14:21,560
Is there something more?

198
00:14:23,440 --> 00:14:24,280
No.

199
00:14:25,360 --> 00:14:26,360
You're sure?

200
00:14:29,160 --> 00:14:33,600
You wouldn't personally deal with my son's
change of school. Not worth the risk.

201
00:14:37,000 --> 00:14:38,680
Are you sure that's how you knew the name?

202
00:14:44,720 --> 00:14:48,280
I'm tired.
I've got a shitload of work to do.

203
00:14:50,560 --> 00:14:51,560
[she sighs]

204
00:14:53,440 --> 00:14:54,760
Thank you, Sergeant.

205
00:14:55,480 --> 00:14:56,480
Have a good evening.

206
00:14:58,880 --> 00:14:59,720
Ma'am.

207
00:15:12,440 --> 00:15:15,400
We will leave no stone unturned

208
00:15:15,480 --> 00:15:18,640
in our efforts to bring
the perpetrators to justice.

209
00:15:18,720 --> 00:15:22,680
[woman] The Commissioner released
an e-fit image of the assassin.

210
00:15:22,760 --> 00:15:26,360
[commissioner] I would urge any members
of the public who recognize this man,

211
00:15:26,440 --> 00:15:31,280
or who have any information that may
help us, to please come forward.

212
00:15:35,240 --> 00:15:37,360
[breathes heavily]

213

00:15:41,400 --> 00:15:44,400
[distant door slams and footsteps]

214
00:15:56,000 --> 00:15:57,520
[Julia] How much have you got?

215
00:15:58,920 --> 00:16:02,040
[Longcross] Decryption instructions
for viewing the material.

216
00:16:02,880 --> 00:16:05,200
We've taken the liberty of providing you
with a tablet,

217
00:16:05,280 --> 00:16:07,680
so the material can't be traced
to your own devices.

218
00:16:08,200 --> 00:16:10,120
We'll take the tablet back
when you're finished.

219
00:16:10,640 --> 00:16:14,720
It contains a read-only file you'll be
able to view for a limited-time period

220
00:16:14,800 --> 00:16:17,680
before being locked out
and requiring new decryption.

221
00:16:18,680 --> 00:16:20,400
If that happens, you should get in touch.

222
00:16:20,480 --> 00:16:22,800
I'm authorized to make suitable
arrangements.

223
00:16:23,640 --> 00:16:26,400
Let's see how I go. Is that the lot?

224
00:16:26,840 --> 00:16:29,560
[Longcross] For the time being.
I'll leave it with you.

225
00:16:30,480 --> 00:16:32,680
[footsteps and door opens]

226
00:16:41,600 --> 00:16:43,560
Sir. Police Officer.

227
00:16:45,200 --> 00:16:46,840
I need to ask you to identify yourself.

228
00:16:48,600 --> 00:16:49,720
You first.

229
00:16:49,800 --> 00:16:52,360
PS David Budd, the Home Secretary's PPO.

230
00:16:54,960 --> 00:16:55,840
The very man.

231
00:16:57,520 --> 00:17:00,840
I'm here by invitation
with all the necessary clearances.

232
00:17:00,920 --> 00:17:03,400
I don't doubt it, but what was the name?

233
00:17:06,160 --> 00:17:09,160
Longcross. Richard Longcross.

234
00:18:12,360 --> 00:18:13,440
[sighs]

235
00:18:30,240 --> 00:18:34,400
The shooter signed in to Pascoe House
as Adrian Smith, but that's a false name.

236
00:18:34,480 --> 00:18:36,840
We're pursuing the theory
he might be ex-Forces,

237
00:18:36,920 --> 00:18:39,040

so we've been circulating the e-fit
via the MoD.

238

00:18:39,320 --> 00:18:42,280
Sir, the CCTV trawl's pulled up
something promising.

239

00:18:43,160 --> 00:18:44,360
-Received it yet?
-Sarge.

240

00:18:44,440 --> 00:18:45,280
Great.

241

00:18:47,720 --> 00:18:48,560
Play.

242

00:18:52,480 --> 00:18:55,120
He's doing his best to avoid the cameras
but this one's grabbed him.

243

00:18:56,200 --> 00:18:58,160
This is the night before the shooting.

244

00:19:01,840 --> 00:19:03,880
And that appears to be the same gun bag.

245

00:19:06,960 --> 00:19:11,040
He's got into position under cover of
darkness, waiting for the Home Secretary.

246

00:19:11,120 --> 00:19:13,480
If this is him,
he knew her movements in advance.

247

00:19:13,920 --> 00:19:16,320
Christ!
We need a list of everyone who knew

248

00:19:16,400 --> 00:19:19,400
the Home Secretary's itinerary that day
and how long in advance it was set.

249
00:19:36,960 --> 00:19:40,200
-In on your day off, Skipper?
-Admin piles up.

250
00:19:41,040 --> 00:19:42,600
Never-ending keeping you lot in line.

251
00:19:59,760 --> 00:20:03,320
It appears the two bombs were made
by the same person or persons,

252
00:20:03,400 --> 00:20:05,360
proving there's a wider conspiracy.

253
00:20:05,840 --> 00:20:08,120
We still don't know
if the gunman was part of it, too.

254
00:20:08,640 --> 00:20:09,960
If the gunman did have...

255
00:20:10,040 --> 00:20:12,240
[meeting not audible]

256
00:20:14,200 --> 00:20:17,600
There's also a high probability the police
are leaking sensitive information.

257
00:20:18,680 --> 00:20:21,840
Sorry, do you have any evidence
of that as yet?

258
00:20:22,200 --> 00:20:24,600
A terrorist cell obtained
information regarding

259
00:20:24,680 --> 00:20:28,480
the family of the Home Secretary's
Principal Protection Officer.

260
00:20:29,040 --> 00:20:32,600
A sniper was aware

of the Home Secretary's itinerary.

261

00:20:32,680 --> 00:20:36,120
-I'd call that compelling evidence.
-[Mike] Circumstantial evidence.

262

00:20:36,200 --> 00:20:39,640
You're right, Mike.
No one wants to jump to any conclusions,

263

00:20:39,720 --> 00:20:43,280
especially when the deadliest threat comes
from the possibility of another bombing.

264

00:20:43,360 --> 00:20:46,960
My officers are doing their best
to glean as much information as possible

265

00:20:47,040 --> 00:20:48,640
from the 1st of October bombers.

266

00:20:48,720 --> 00:20:51,080
-[Julia] Any progress?
-Unfortunately not.

267

00:20:52,800 --> 00:20:54,480
Right. Well, thank you, Stephen.

268

00:20:54,560 --> 00:20:57,840
Before I go, Home Secretary,
perhaps I could have a word in private?

269

00:21:28,480 --> 00:21:30,880
Have you had an opportunity to view
the material?

270

00:21:31,320 --> 00:21:32,160
Thank you.

271

00:21:33,400 --> 00:21:38,160
I feel it's my duty,
as a public servant, to take action.

272
00:21:39,560 --> 00:21:42,240
There's advantage in moving quickly.

273
00:21:43,840 --> 00:21:47,320
I'm in a position to notify you
of the most apposite timing.

274
00:21:48,440 --> 00:21:49,560
Thank you, Stephen.

275
00:22:15,560 --> 00:22:16,720
[elevator] Going down.

276
00:22:19,680 --> 00:22:21,280
Long day, sorry.

277
00:22:21,840 --> 00:22:23,400
You do all the work. I just watch.

278
00:22:24,040 --> 00:22:26,600
I'm sorry about last night.
I was snowed under.

279
00:22:27,360 --> 00:22:29,680
I've got work to do,
and then I'll give you a knock.

280
00:22:30,680 --> 00:22:31,760
Like I'm room service.

281
00:22:54,960 --> 00:22:56,800
[opens bottle, drops bottle-opener]

282
00:23:04,760 --> 00:23:05,880
[knocking]

283
00:23:06,960 --> 00:23:08,000
[door opens]

284
00:23:26,360 --> 00:23:28,360
I think you know

I didn't mean it like that.

285

00:23:33,120 --> 00:23:36,920
Please don't turn out to be another bloke
who can't accept a woman having power.

286

00:23:39,560 --> 00:23:41,280
We're not handling this very well, are we?

287

00:23:43,960 --> 00:23:44,880
No.

288

00:23:47,880 --> 00:23:49,480
It's me. It's my fault. I...

289

00:23:55,280 --> 00:23:57,400
-I never expected...
-Well, neither did I.

290

00:24:28,520 --> 00:24:30,880
This your way of kidding me
I'm more in control?

291

00:24:32,680 --> 00:24:34,080
You see right through me.

292

00:26:09,080 --> 00:26:11,120
[David] Lavender received a package
from an individual

293

00:26:11,200 --> 00:26:13,680
identifying himself as Richard Longcross.

294

00:26:14,080 --> 00:26:17,040
I already took the liberty, ma'am.
Drew a blank on the PNC.

295

00:26:18,040 --> 00:26:19,280
So, who is he?

296

00:26:19,360 --> 00:26:22,080
If he's been given access

via all the necessary clearances,

297

00:26:22,160 --> 00:26:23,720
then he's got to be Security Service.

298

00:26:23,800 --> 00:26:26,600
They're feeding her intelligence
they're keeping from us.

299

00:26:27,560 --> 00:26:28,920
[Craddock] What was in the package?

300

00:26:29,600 --> 00:26:31,960
Unfortunately I wasn't able to determine,
ma'am.

301

00:26:32,040 --> 00:26:34,840
The principal kept the item on her person
the whole time.

302

00:26:34,920 --> 00:26:37,800
-I'm afraid access hasn't been possible.
-What is she up to?

303

00:26:40,080 --> 00:26:41,400
You need to find out.

304

00:26:44,560 --> 00:26:45,400
Ma'am.

305

00:26:45,920 --> 00:26:49,600
[news report #1] With a Commons vote
on RIPA-18 just around the corner,

306

00:26:49,680 --> 00:26:54,080
whose ideology will really win out,
the Prime Minister or the Home Secretary?

307

00:26:54,160 --> 00:26:58,280
[report #2] ...attacked as a Snoopers'
Charter, it would give agencies like MI5

308

00:26:58,360 --> 00:27:01,640
and GCHQ wider powers
of surveillance over...

309

00:27:04,360 --> 00:27:08,040
Did you get those figures for the online
searches for Jihadist propaganda?

310

00:27:08,120 --> 00:27:09,720
Yes. I've got them here.

311

00:27:09,800 --> 00:27:11,800
-I've got them.
-Oh. Thanks, Rob.

312

00:27:19,160 --> 00:27:21,720
Thank you, Sergeant.
No idea how long this is gonna take.

313

00:27:21,800 --> 00:27:22,680
Ma'am.

314

00:27:23,920 --> 00:27:25,960
-I had the info.
-What's your problem?

315

00:27:26,040 --> 00:27:28,000
-No problem.
-What the hell am I doing here

316

00:27:28,080 --> 00:27:29,280
if you won't let me do my job?

317

00:27:29,360 --> 00:27:31,720
Your job is to be visible
beside the Home Secretary.

318

00:27:31,800 --> 00:27:34,440
The demographic most vulnerable
to our counter-terrorism policy is...

319

00:27:34,520 --> 00:27:37,080
-Boys!

-Doesn't take a genius to join the dots.

320

00:27:44,440 --> 00:27:46,200
[MPs jeer]

321

00:27:46,280 --> 00:27:51,120
The private affairs of millions
of law-abiding citizens will be available

322

00:27:51,200 --> 00:27:55,320
to various elements of the security
and intelligence apparatus.

323

00:27:55,400 --> 00:27:57,960
I urge this House
to vote against this bill.

324

00:27:58,040 --> 00:27:59,760
[MPs] Hear, hear!

325

00:27:59,840 --> 00:28:05,640
Invasion of privacy implies unwarranted
and/or disproportionate activity.

326

00:28:05,720 --> 00:28:07,560
-It is neither.
-[MPs call out]

327

00:28:07,640 --> 00:28:11,200
The Security Services need to examine
a thousand accounts

328

00:28:11,280 --> 00:28:14,320
in order to find the one posing a threat.

329

00:28:14,400 --> 00:28:17,560
What would have been the cost
to those innocent commuters

330

00:28:17,640 --> 00:28:20,200
-at the 1st of October rail attack?
-[MPs call out]

331
00:28:20,280 --> 00:28:24,480
And what will be the cost
of failing to prevent the next attack?

332
00:28:45,000 --> 00:28:47,440
I'm beginning to suspect...

333
00:28:49,360 --> 00:28:51,640
Julia may be doing some business...

334
00:28:53,240 --> 00:28:56,000
off-book... for the Security Service.

335
00:28:56,920 --> 00:28:58,480
[Tahir] You've won the House.

336
00:28:58,560 --> 00:29:01,000
Whether you've won the country's
a different question.

337
00:29:01,080 --> 00:29:04,320
Ask voters whether they back your position
re terrorism, you poll highly.

338
00:29:04,400 --> 00:29:07,680
Ask them whether they're happy
with GCHQ knowing their online activity,

339
00:29:07,760 --> 00:29:09,480
the numbers plummet.

340
00:29:10,320 --> 00:29:13,240
But like I said, looks like you've got
the House convinced.

341
00:29:13,320 --> 00:29:14,480
I want the country.

342
00:29:14,560 --> 00:29:16,800
In PR terms,
I'm struggling to cut through the noise.

343
00:29:16,880 --> 00:29:18,800
Then there's your lack
of public appearances.

344
00:29:20,480 --> 00:29:23,120
If you fulfill your engagement
at St. Matthew's,

345
00:29:23,200 --> 00:29:24,800
you'd get the exposure you need.

346
00:29:24,880 --> 00:29:28,720
-The police would take a different view.
-That's security, not politics.

347
00:29:40,480 --> 00:29:41,480
[elevator] Going up.

348
00:29:43,960 --> 00:29:46,680
I picked up you didn't oppose
my engagement at St. Matthew's.

349
00:29:47,800 --> 00:29:50,240
The final decision comes
from well above my pay grade.

350
00:29:52,040 --> 00:29:53,960
I think you've got an ulterior motive.

351
00:29:55,200 --> 00:29:56,280
You think?

352
00:29:56,360 --> 00:29:59,800
You don't want people suspecting
you've become more protective.

353
00:30:01,200 --> 00:30:02,440
Emotionally distracted.

354
00:30:04,760 --> 00:30:05,600
Busted.

355
00:30:17,640 --> 00:30:19,040
[ringing tone]

356
00:30:23,400 --> 00:30:25,760
-[Vicky] Hi?
-Hey. Did you get my message?

357
00:30:26,440 --> 00:30:30,760
-How you doing? The kids all right?
-Uh... yeah. Sorry. I did, yeah.

358
00:30:33,920 --> 00:30:34,760
Where are you?

359
00:30:36,600 --> 00:30:39,400
Listen, it's late. I'll catch up with you
tomorrow, yeah?

360
00:30:41,040 --> 00:30:42,440
Someone else there with you?

361
00:30:44,840 --> 00:30:45,800
Vic?

362
00:30:45,880 --> 00:30:48,080
Dave, it's late. Let's not do this.

363
00:30:48,680 --> 00:30:49,680
[phone bleeps]

364
00:31:03,240 --> 00:31:06,680
Good news, Skip. They've got a lead
on the Thornton Circus shooter.

365
00:31:24,880 --> 00:31:25,800
[helicopter whirs]

366
00:31:25,880 --> 00:31:30,000
[Rayburn] Yeah, yeah. So, what's the ETA
on the lorry? We need the car moving now.

367

00:31:31,880 --> 00:31:33,640
Well, I've been here half an hour.

368
00:31:33,720 --> 00:31:35,280
-DCI Sharma.
-[officer] Sir.

369
00:31:37,200 --> 00:31:38,040
[Sharma] Cheers.

370
00:31:41,000 --> 00:31:44,120
Hey, boss.
The vehicle was reported as suspicious,

371
00:31:44,200 --> 00:31:46,440
illegally parked for days,
unfamiliar to residents.

372
00:31:46,920 --> 00:31:47,920
It's a rental.

373
00:31:48,400 --> 00:31:52,400
-Customer named Adrian Smith.
-Same false name he used at Pascoe House.

374
00:31:52,480 --> 00:31:56,680
Yeah. Unfortunately there's no CCTV on any
of these streets and no ANPR triggered.

375
00:31:57,920 --> 00:31:59,400
-[sighs]
-Talk to the rental company.

376
00:31:59,480 --> 00:32:01,840
-We're going to find who this bastard was.
-Sir.

377
00:32:02,360 --> 00:32:04,360
[siren wails]

378
00:32:08,680 --> 00:32:09,560
All right?

379
00:32:11,400 --> 00:32:13,160
-PS Budd.
-[Julia] It's me.

380
00:32:13,240 --> 00:32:16,240
-I need to go out of town tonight.
-Uh, where to?

381
00:32:16,720 --> 00:32:20,520
Get everything organized and I'll give you
the information before we set off.

382
00:32:21,640 --> 00:32:22,720
Sure.

383
00:32:22,800 --> 00:32:25,600
You'll drive. No police escort.
No support vehicle.

384
00:32:26,040 --> 00:32:27,480
I don't want anyone to know.

385
00:32:28,000 --> 00:32:30,320
Julia, I can't authorize that.
You're a target.

386
00:32:30,640 --> 00:32:33,640
I'm a target because of leaks.
I'll take responsibility.

387
00:32:35,960 --> 00:32:38,600
Please, David.
You're the only one I trust.

388
00:33:01,000 --> 00:33:03,640
-Evening, officer.
-Ma'am, stand by.

389
00:33:04,120 --> 00:33:06,000
Sir? Thank you.

390
00:33:08,200 --> 00:33:11,360

Front gate. Got a visitor not on my sheet.

391

00:33:13,200 --> 00:33:14,440
It's Lavender.

392

00:33:19,440 --> 00:33:22,080
Continue through the gates.
An officer will direct you to park up.

393

00:33:22,160 --> 00:33:23,080
[Julia] Thank you.

394

00:33:33,200 --> 00:33:36,320
Don't mention this to anyone.
This never happened.

395

00:33:36,800 --> 00:33:39,520
And if I don't come back,
go to the Death Star.

396

00:33:42,200 --> 00:33:43,040
[door]

397

00:33:49,680 --> 00:33:50,920
-Julia?
-Prime Minister.

398

00:33:51,000 --> 00:33:52,040
This is unexpected.

399

00:34:10,679 --> 00:34:12,600
Julia Montague has gone to Chequers.

400

00:34:13,840 --> 00:34:14,679
Tonight?

401

00:34:15,440 --> 00:34:17,120
Tried to keep it under the radar.

402

00:34:17,800 --> 00:34:19,280
Who the hell does she think she is?

403
 00:34:21,320 --> 00:34:23,679
 Do you want a plan put in place?

404
 00:34:25,560 --> 00:34:27,920
 [crowd chant]
 RIPA-18, no police state!

405
 00:34:28,000 --> 00:34:32,320
 RIPA-18, no police state!
 RIPA-18, no police state!

406
 00:34:32,400 --> 00:34:36,880
 RIPA-18, no police state!
 RIPA-18, no police state!

407
 00:34:36,960 --> 00:34:39,159
 RIPA-18, no police state!

408
 00:34:39,239 --> 00:34:43,600
 RIPA-18, no police state!
 RIPA-18, no police state!

409
 00:34:46,760 --> 00:34:51,760
 [man on the radio] ...to the right. 313.
 The nos to the left...

410
 00:34:51,840 --> 00:34:54,120
 [crowd chant]

411
 00:34:58,960 --> 00:35:01,680
 [news report] ...18 has passed
 its third reading in the Commons

412
 00:35:01,760 --> 00:35:03,080
 and now goes to the Lords.

413
 00:35:03,160 --> 00:35:05,480
 [crowd noise]

414
 00:35:05,560 --> 00:35:08,560
 [reporter] A safer country
 or a snoopers' charter, Minister?

415
00:35:10,800 --> 00:35:14,520
[crowd] RIPA-18, no police state!
RIPA-18, no police state!

416
00:35:14,600 --> 00:35:19,600
[Julia] The Regulation of Investigatory
Powers Bill will be retrospective.

417
00:35:19,680 --> 00:35:24,160
-[MPs call out]
-Information... Information obtained

418
00:35:24,240 --> 00:35:28,360
before it becomes law
will be admissible in court,

419
00:35:28,440 --> 00:35:34,640
and tonight our citizens are a step closer
to sleeping more safely!

420
00:35:34,720 --> 00:35:36,360
[MPs] Hear, hear!

421
00:35:36,920 --> 00:35:40,360
[MP] Mr. Speaker,
we are not sleeping more safely!

422
00:35:40,440 --> 00:35:42,480
Rather we are sleepwalking...

423
00:35:42,560 --> 00:35:43,720
[Roger] PM just called.

424
00:35:45,400 --> 00:35:49,240
She ambushed him at Chequers. He won't
reveal a word of what they discussed.

425
00:35:49,720 --> 00:35:50,600
But?

426
00:35:52,000 --> 00:35:55,000

There's going to be a reshuffle...
a big one.

427

00:35:56,800 --> 00:35:58,880
Julia's snatching the key to Number Ten.

428

00:36:00,200 --> 00:36:02,400
We need to do something... fast.

429

00:36:03,520 --> 00:36:05,720
[moaning]

430

00:36:12,000 --> 00:36:14,560
[moaning]

431

00:36:21,600 --> 00:36:23,200
[she sighs]

432

00:36:47,120 --> 00:36:47,960
David?

433

00:37:09,600 --> 00:37:10,480
Are you asleep?

434

00:37:11,440 --> 00:37:13,200
[he gasps, Julia cries out]

435

00:37:15,440 --> 00:37:16,440
[she yells] David!

436

00:37:18,240 --> 00:37:19,680
[yells] David!

437

00:37:22,000 --> 00:37:24,000
[gasps and coughs]

438

00:37:27,240 --> 00:37:29,040
[she whimpers]

439

00:37:29,120 --> 00:37:31,320
[whimpers and gasps]

440
00:37:34,520 --> 00:37:35,400
[David] Julia?

441
00:37:37,600 --> 00:37:38,800
Sorry doesn't even...

442
00:37:39,760 --> 00:37:41,880
Are you all right?
Do I need to call a doctor?

443
00:37:43,200 --> 00:37:45,560
I'm all right. [exhales deeply]

444
00:37:53,240 --> 00:37:56,080
I am so sorry...

445
00:37:59,560 --> 00:38:01,480
[gasps] What...

446
00:38:02,000 --> 00:38:05,440
Whatever your training has made you,
it's out of control.

447
00:38:13,280 --> 00:38:14,680
Do you want me replaced?

448
00:38:18,440 --> 00:38:19,280
[sighs]

449
00:38:21,240 --> 00:38:23,960
Honestly, I don't know. [sighs]

450
00:38:28,400 --> 00:38:29,960
But you need to get help.

451
00:38:39,480 --> 00:38:40,360
David?

452
00:38:47,920 --> 00:38:50,000
David, I know you didn't mean to hurt me.

453
00:38:54,440 --> 00:38:56,320
[news report]
Confirmation from the Home Office

454
00:38:56,400 --> 00:38:58,320
that Home Secretary Julia Montague

455
00:38:58,400 --> 00:39:00,920
will go ahead with her speech
at St. Matthew's...

456
00:39:01,000 --> 00:39:05,160
[news report #2] ...liberties groups plan
a protest outside St. Matthew's College...

457
00:39:05,240 --> 00:39:07,600
[news report #3] ...target of
a recent assassination attempt

458
00:39:07,680 --> 00:39:09,320
and she'll use today's platform

459
00:39:09,400 --> 00:39:12,560
to address the challenges
in the fight against terrorism.

460
00:39:14,920 --> 00:39:16,800
Seven-Nine, Lavender clear to travel.

461
00:39:20,640 --> 00:39:23,800
I know it's rotten timing, but some stuff
came out of the select committee

462
00:39:23,880 --> 00:39:25,640
that maybe I should crack on with.

463
00:39:25,720 --> 00:39:28,080
-Really?
-Yes, I know, sorry, but don't worry.

464
00:39:28,160 --> 00:39:30,840

The last bit of fact-checking for
your speech, still work in progress.

465

00:39:30,920 --> 00:39:33,120
I'll have Tahir have it in front of you
well beforehand.

466

00:39:33,200 --> 00:39:35,200
-Thank you.
-I'll have the car brought round.

467

00:39:35,280 --> 00:39:36,680
-Thanks. See you later.
-See you.

468

00:39:36,760 --> 00:39:38,080
Lavender on the move.

469

00:39:45,000 --> 00:39:49,240
-Shit, did I miss her?
-Just a second. This is important.

470

00:39:50,920 --> 00:39:53,280
I can't make the speech.
You're handling it.

471

00:39:53,880 --> 00:39:55,800
-What?
-Not up to it?

472

00:39:59,200 --> 00:40:02,360
-Fuck you, Rob.
-Here's all the background material.

473

00:40:02,680 --> 00:40:06,280
-Anything I need to flag up before?
-No. It all checked out. She's good to go.

474

00:40:17,280 --> 00:40:20,840
Traffic's snarled up this side of
the river so we'll go via the bridges.

475

00:40:20,920 --> 00:40:21,760

Your call.

476

00:40:46,200 --> 00:40:48,160
[distant siren]

477

00:40:56,640 --> 00:40:58,640
[siren becomes clearer]

478

00:42:01,960 --> 00:42:04,520
[crowd chant] RIPA-18, no police state!

479

00:42:04,600 --> 00:42:05,960
-[chanting]
-Shit.

480

00:42:07,440 --> 00:42:12,280
RIPA-18, no police state!
RIPA-18, no police state!

481

00:42:22,360 --> 00:42:25,520
-Into the venue, Tom.
-[crowd chants]

482

00:42:28,320 --> 00:42:33,520
RIPA-18, no police state!
RIPA-18, no police state!

483

00:42:34,160 --> 00:42:35,040
Sit rep?

484

00:42:35,120 --> 00:42:38,680
The shouting's no problem.
It's the eggs that are getting on my tits.

485

00:42:44,600 --> 00:42:46,560
[crowd boos]

486

00:42:46,640 --> 00:42:48,080
[eggshell smashes]

487

00:42:48,160 --> 00:42:49,960
You're fine, ma'am, into the venue.

488
00:42:52,200 --> 00:42:54,560
[chanting fades]

489
00:43:05,200 --> 00:43:07,040
-Welcome, Home Secretary.
-Thank you.

490
00:43:09,000 --> 00:43:11,200
-Julia Montague, how do you do?
-Very well.

491
00:43:12,080 --> 00:43:15,120
-Thank you for welcoming me here today.
-[distant sirens]

492
00:43:15,200 --> 00:43:18,080
-Julia Montague, how do you do?
-Best move through, ma'am.

493
00:43:18,160 --> 00:43:19,480
-Julia Montague.
-Pleasure.

494
00:43:19,560 --> 00:43:20,840
This way, Home Secretary.

495
00:43:22,280 --> 00:43:24,480
Uh, I just need a moment with my aide.

496
00:43:24,560 --> 00:43:25,960
-Yes, of course.
-Thank you.

497
00:43:31,120 --> 00:43:34,480
-Have you been through the fact checks?
-I thought it had all been--

498
00:43:34,560 --> 00:43:37,120
You have no idea how important today is.

499
00:43:37,200 --> 00:43:40,080

I need the final fact checks
in front of me before I go on.

500

00:43:40,160 --> 00:43:42,080
I don't want to find out
I've made a tit of myself

501

00:43:42,160 --> 00:43:44,720
only after the evening news
rips my speech to pieces.

502

00:43:44,800 --> 00:43:47,400
-Rob said it all checked out.
-That's not what he said to me.

503

00:43:47,480 --> 00:43:48,680
See to it, Tahir.

504

00:43:52,480 --> 00:43:55,360
-We've set up a green room.
-Thank you. That's very kind.

505

00:44:11,560 --> 00:44:12,880
[phone buzzes]

506

00:44:13,960 --> 00:44:15,000
What do you want?

507

00:44:42,360 --> 00:44:45,920
Final security sweep's been done.
Audience taking their seats, Skipper.

508

00:44:46,000 --> 00:44:48,560
-Lavender good to go?
-Deploy to the auditorium.

509

00:44:49,840 --> 00:44:51,080
-See you in there.
-Skip.

510

00:45:08,440 --> 00:45:11,880
-Ready when you are, ma'am.
-Wait.

511
00:45:15,280 --> 00:45:16,160
[sighs]

512
00:45:17,120 --> 00:45:19,120
I knew the name of your kids' school

513
00:45:19,200 --> 00:45:21,200
because it was
on a list of possible targets.

514
00:45:21,640 --> 00:45:25,200
I didn't forewarn you,
or anyone else for that matter...

515
00:45:25,880 --> 00:45:27,840
due to the fact
the threat was non-specific.

516
00:45:28,880 --> 00:45:32,440
We're still not clear
as to why Heath Bank was singled out.

517
00:45:35,120 --> 00:45:39,160
I ordered ARVs to deploy near all schools
identified as being at risk...

518
00:45:39,680 --> 00:45:42,920
and, thanks to that measure,
no school children came to any harm.

519
00:45:51,960 --> 00:45:54,600
You being my PPO
makes this difficult anyway.

520
00:45:55,840 --> 00:45:57,160
It's for the best that changes.

521
00:46:03,320 --> 00:46:05,080
-I...
-[grabs hand]

522

00:46:11,080 --> 00:46:12,840
I want you right beside me...

523
00:46:14,800 --> 00:46:16,200
not because it's your job...

524
00:46:18,080 --> 00:46:19,440
but because it's our choice.

525
00:46:58,520 --> 00:46:59,960
[indistinct chatter]

526
00:47:20,760 --> 00:47:22,960
[applause]

527
00:47:27,040 --> 00:47:30,720
[Julia] Thank you. It's a great pleasure
to be here with you all this morning.

528
00:47:31,200 --> 00:47:34,200
We live in extraordinary times.

529
00:47:35,000 --> 00:47:36,920
It's no exaggeration to say

530
00:47:37,000 --> 00:47:43,800
terrorism poses the greatest threat to
our national security since the Cold War.

531
00:47:44,480 --> 00:47:48,960
We must do all in our power
to protect our way of life.

532
00:47:49,440 --> 00:47:52,160
[protestors]
RIPA-18 makes a police state!

533
00:47:52,240 --> 00:47:56,600
RIPA-18 makes a police state! RIPA-18...

534
00:47:56,680 --> 00:47:59,040
Seven-Nine. Protesters in the auditorium,

being removed.

535

00:47:59,120 --> 00:48:00,120
[shouting]

536

00:48:00,200 --> 00:48:02,400
[man] Shame on you, Julia. Shame on you!

537

00:48:03,520 --> 00:48:05,800
[indistinct yelling]

538

00:48:06,280 --> 00:48:08,920
Coming to you now. Obtain details
from them, polite as you can.

539

00:48:09,000 --> 00:48:11,000
The principal won't thank us
for being heavy-handed.

540

00:48:12,000 --> 00:48:14,480
Let's not deny them their right
to express a view.

541

00:48:14,960 --> 00:48:19,960
They say in times of national emergency,
the first casualty is free speech.

542

00:48:20,040 --> 00:48:21,640
[laughter]

543

00:48:21,720 --> 00:48:25,600
I don't care what you all do when you
switch your internet browser to private.

544

00:48:25,680 --> 00:48:31,400
We're not after you if you type into
your search engine "B-O-O-B-S."

545

00:48:32,080 --> 00:48:32,920
[light laughter]

546

00:48:33,000 --> 00:48:39,760

But we ought to know
if you type in "B-O-M-B."

547

00:48:41,200 --> 00:48:45,000
Now, let's return to the subject
of how we prevent attacks.

548

00:48:45,920 --> 00:48:48,920
Many who would carry them out
are born here.

549

00:48:49,520 --> 00:48:52,480
They're educated here, employed here.

550

00:48:53,000 --> 00:48:55,360
They weren't born wanting to attack us.

551

00:48:55,440 --> 00:48:59,840
Something happened along the way,
a sense of alienation,

552

00:48:59,920 --> 00:49:03,480
a sense of exclusion
from the best opportunities

553

00:49:03,560 --> 00:49:05,360
this country has to offer.

554

00:49:08,000 --> 00:49:10,480
Law, medicine...

555

00:49:11,880 --> 00:49:14,600
journalism, politics...

556

00:49:15,560 --> 00:49:19,360
More appears to be happening to close off
these careers than to open them up.

557

00:49:19,440 --> 00:49:23,480
Unpaid work experience.
Unpaid internships.

558

00:49:23,800 --> 00:49:25,920
Though they're open to everyone,
of course,

559

00:49:26,000 --> 00:49:30,800
provided you've inherited enough money
to feed, clothe and house yourself.

560

00:49:31,400 --> 00:49:35,400
I see how an impressionable young person
might form the view

561

00:49:35,480 --> 00:49:39,000
that elite society
is intent on keeping them out.

562

00:49:39,400 --> 00:49:42,800
Possibly, they begin to feel a desire
to do harm

563

00:49:42,880 --> 00:49:45,000
to those they think have it all
on a plate.

564

00:49:45,480 --> 00:49:47,840
In government, we are committed...

565

00:49:47,920 --> 00:49:49,800
-You see anyone out there?
-No.

566

00:49:50,600 --> 00:49:53,240
-Stay put.
-[Julia] But I am just as determined...

567

00:49:57,560 --> 00:49:58,560
What the fuck?

568

00:49:59,160 --> 00:50:02,720
Uh, there's been a massive fuck-up
with the speech.

569

00:50:02,800 --> 00:50:06,240

-Rob just called me. I need to warn Julia.
-What's in the briefcase?

570
00:50:07,000 --> 00:50:08,960
Research files,
the fact-checking she needs.

571
00:50:09,040 --> 00:50:09,920
Show me.

572
00:50:11,360 --> 00:50:12,840
Uh, come on, mate, please.

573
00:50:12,920 --> 00:50:13,960
Show me.

574
00:50:14,040 --> 00:50:16,600
[distant chanting]

575
00:50:29,800 --> 00:50:30,640
Okay.

576
00:50:33,920 --> 00:50:38,080
Frankly, we've got to do a better job
of stopping a 15-year-old

577
00:50:38,160 --> 00:50:43,600
thinking that growing up in Bradford,
or Birmingham is grimmer than jihad.

578
00:50:43,680 --> 00:50:48,120
And we can only change their minds
with the right leadership.

579
00:50:48,200 --> 00:50:49,520
[murmuring]

580
00:50:49,600 --> 00:50:51,160
We've not been getting...

581
00:50:52,600 --> 00:50:54,800
-Everything okay, Skipper?

-False alarm.

582

00:50:57,560 --> 00:50:59,920

-Deploy to door two.

-Skip.

583

00:51:03,800 --> 00:51:09,440

[Julia] Now, that comes from a fair society that provides equal opportunity.

584

00:51:10,600 --> 00:51:15,320

Security isn't just about guarding our citizens from security threats.

585

00:51:15,640 --> 00:51:19,480

Security comes from economic prosperity.

586

00:51:21,120 --> 00:51:24,800

From good education, good jobs.

587

00:51:26,640 --> 00:51:28,000

Together, we can...

588

00:53:20,320 --> 00:53:22,320

[siren wails]

589

00:53:22,400 --> 00:53:25,520

[reporter] The explosion ripped through the auditorium of St. Matthew's College

590

00:53:25,600 --> 00:53:27,920

as the Home Secretary delivered her speech on security.

591

00:53:28,000 --> 00:53:30,320

First on the scene were police officers outside the venue

592

00:53:30,400 --> 00:53:32,920

who were to marshal the crowd of civil-liberties protesters.

593

00:53:33,000 --> 00:53:37,120
They reported a scene of utter carnage
with smoke, ash and fires

594
00:53:37,200 --> 00:53:39,240
still burning from the explosion.

595
00:53:39,320 --> 00:53:41,520
There are reports of a number of deaths,

596
00:53:41,600 --> 00:53:45,000
but no confirmed figures
yet from the emergency services.

597
00:53:45,600 --> 00:53:48,440
Casualties, many of them
in a critical condition,

598
00:53:48,520 --> 00:53:52,360
have been transferred to two of
London's four Major Trauma Centers.

599
00:53:52,800 --> 00:53:55,720
[news report] Just to be clear,
we still have no official confirmation

600
00:53:55,800 --> 00:53:59,920
from Downing Street or the Home Office
that the Home Secretary, Julia Montague,

601
00:54:00,000 --> 00:54:03,200
was among those injured in the blast
at St. Matthew's College.

602
00:54:03,280 --> 00:54:05,480
She was, of course, recently the target...

603
00:54:05,560 --> 00:54:08,760
Hi, Rob Macdonald, special advisor
to the Home Secretary.

604
00:54:08,840 --> 00:54:10,400
Tony Steel, Chief Executive.

605
00:54:10,480 --> 00:54:12,680
-And you are?
-Jane Flannery, Media Liaison.

606
00:54:12,760 --> 00:54:14,080
Okay, great. No statements

607
00:54:14,160 --> 00:54:16,800
-re the Home Secretary's condition...
-[phone buzzes]

608
00:54:23,320 --> 00:54:24,280
Hiya, Vic.

609
00:54:24,880 --> 00:54:29,000
No, I'm all right. I'm all right.
A few scratches, nothing serious.

610
00:54:29,080 --> 00:54:31,280
[distant siren as TV blares in background]

611
00:54:33,000 --> 00:54:33,840
Yeah.

612
00:54:33,920 --> 00:54:37,160
[Rob] Mike, this is Tony Steel,
Chief Exec of the hospital.

613
00:54:37,240 --> 00:54:40,400
-Jane Flannery, media management.
-How do you do? How do you do?

614
00:54:42,720 --> 00:54:46,880
What the hell happened?
For fuck's sake, answer me.

615
00:54:47,200 --> 00:54:49,320
I heard there were security breaches
from the word go.

616
00:54:49,400 --> 00:54:51,760

Lawful protests
by civil-liberties activists.

617
00:54:51,840 --> 00:54:53,160
You know what I mean.

618
00:54:53,240 --> 00:54:56,400
A search team under POLSA direction
swept the auditorium twice.

619
00:54:56,480 --> 00:54:57,560
Everything was clear.

620
00:54:57,640 --> 00:54:59,240
-Well, it wasn't, was it?
-David.

621
00:55:02,440 --> 00:55:03,320
Sergeant.

622
00:55:07,200 --> 00:55:10,360
[Rob] If anyone's got any doubts.
Please run them by Number Ten.

623
00:55:10,440 --> 00:55:12,720
Thank you for all that you're doing.

624
00:55:17,120 --> 00:55:20,480
Division in government,
splitting them from top to bottom.

625
00:55:21,080 --> 00:55:24,320
But it's also the case that sometimes
Julia Montague was accused

626
00:55:24,400 --> 00:55:27,400
of exploiting
the terror threat fear at home

627
00:55:27,480 --> 00:55:29,840
to try to further her own ambition...

628

00:55:33,080 --> 00:55:37,920
Critical incident declared, ma'am.
JESIP's fully active around the College.

629
00:55:38,000 --> 00:55:40,040
Last of the casualties
have been transited out.

630
00:55:40,120 --> 00:55:43,000
Expo are searching for further devices,
none detected so far.

631
00:55:43,080 --> 00:55:44,160
Thanks, Deepak.

632
00:55:49,120 --> 00:55:53,480
Prints taken from the rental car we found
match the shooter's at postmortem.

633
00:55:57,160 --> 00:56:00,000
We've got a screengrab of the CCTV
from the rental company.

634
00:56:00,080 --> 00:56:04,120
He used the name Adrian Smith, same alias
he used at Pascoe house as a tradesman.

635
00:56:04,440 --> 00:56:06,480
He completed the application online.

636
00:56:06,560 --> 00:56:09,880
The IP address leads to an internet café
in South London.

637
00:56:10,600 --> 00:56:12,640
Chances are he's London-based.

638
00:56:12,720 --> 00:56:15,080
After today's incident targeting
the Home Secretary again,

639
00:56:15,160 --> 00:56:16,920
we can't rule out a connection.

640

00:56:21,840 --> 00:56:26,160
[inhales] Suggesting Adrian Smith
had at least one accomplice.

641

00:56:26,680 --> 00:56:29,320
[news report] Among the injured
was the Home Secretary herself.

642

00:56:29,400 --> 00:56:31,920
There's still no official statement
from Downing Street,

643

00:56:32,000 --> 00:56:33,920
or the Home Office, on her condition

644

00:56:34,000 --> 00:56:36,840
but it is believed that her injuries
are severe.

645

00:56:37,400 --> 00:56:39,200
Let's return now live to...
