1

00:00:13,000 --> 00:00:16,280

I want you right beside me,  
not because it's your job...

2

00:00:16,680 --> 00:00:18,360

but because it's our choice.

3

00:00:18,440 --> 00:00:23,600

This is a very, very dangerous politician,  
someone who must be stopped.

4

00:00:26,400 --> 00:00:29,680

We're providing you with a tablet,  
so the material can't be traced

5

00:00:29,760 --> 00:00:30,920

to your own devices.

6

00:00:33,320 --> 00:00:36,000

[David] Someone acquired clearance  
for a secret visit to her suite.

7

00:00:37,440 --> 00:00:39,400

I need to ask you to identify yourself.

8

00:00:39,960 --> 00:00:44,240

He gave the name "Richard Longcross."  
Security Service. I'm sure of it.

9

00:00:44,680 --> 00:00:47,000

That was us,  
plotting to build the Death Star.

10

00:00:47,080 --> 00:00:49,080

Julia's snatching the key to Number Ten.

11

00:00:49,160 --> 00:00:51,640

We need to do something... fast.

12

00:00:51,920 --> 00:00:56,120

This never happened. And if I don't

come back, go to the Death Star.

13

00:00:56,640 --> 00:01:00,080

-I thought they were sending you a cab.

-I don't need their shitty cab.

14

00:01:03,240 --> 00:01:05,560

[Rob] Let's have some nice food,  
a couple of drinks.

15

00:01:05,640 --> 00:01:06,680

This feels weird.

16

00:01:11,120 --> 00:01:13,400

-What about Budd?

-He left the auditorium.

17

00:01:13,480 --> 00:01:16,880

When he came back in, that's when  
Mahmood appeared on the stage.

18

00:01:16,960 --> 00:01:20,320

-Rob just called me. I need to warn Julia.

-What's in the briefcase?

19

00:01:24,160 --> 00:01:27,080

From this angle, it's unclear  
if the explosion was from the briefcase.

20

00:01:29,160 --> 00:01:30,880

What's going on here, then, Mr. Macdonald?

21

00:01:32,240 --> 00:01:35,360

Whatever Tahir was doing,  
I'm completely in the dark about it.

22

00:01:35,440 --> 00:01:38,480

There's a simple, plausible story  
for you to stick to,

23

00:01:38,560 --> 00:01:40,600

and you will stick to it.

24

00:01:43,000 --> 00:01:46,480  
[Prime Minister] Despite the heroic  
efforts of our emergency services,

25

00:01:46,560 --> 00:01:48,920  
the Home Secretary, Julia Montague...

26

00:01:49,480 --> 00:01:52,080  
succumbed to her injuries  
and was pronounced dead.

27

00:01:52,800 --> 00:01:54,400  
Dave, you shot yourself.

28

00:01:54,880 --> 00:01:56,320  
It was a blank round.

29

00:01:56,400 --> 00:01:59,120  
[Rayburn] Is there something you're not  
revealing regarding the state

30

00:01:59,200 --> 00:02:02,480  
of your mind,  
before, during or after the attack?

31

00:02:02,560 --> 00:02:05,720  
Nadia, we're desperate to find the person  
who's been creating these devices.

32

00:02:08,120 --> 00:02:10,680  
[Sharma] Two attacks on the Home  
Secretary. Budd, PPO for both.

33

00:02:11,320 --> 00:02:15,160  
Mahmood's briefcase.  
I don't trust him. He's hiding something.

34

00:02:22,880 --> 00:02:25,440  
-Sir, we heard back from Fort Halstead.  
-Thank you.

35

00:02:29,760 --> 00:02:30,640

Shit.

36

00:02:32,040 --> 00:02:33,760  
The device wasn't in the briefcase.

37

00:02:36,040 --> 00:02:38,760  
From the pattern of damage  
and the expansion of the blast wave,

38

00:02:38,840 --> 00:02:40,720  
it appears the bomb  
was planted under the stage.

39

00:02:40,800 --> 00:02:45,280  
-Planted? It couldn't have been, surely.  
-We don't know how they got access.

40

00:02:45,520 --> 00:02:47,800  
We're checking security cameras  
and interviewing staff.

41

00:02:47,880 --> 00:02:50,760  
-The sniffer dogs--  
-Materials that survived the explosion

42

00:02:50,840 --> 00:02:53,200  
suggest the device was housed  
in an airtight container.

43

00:02:53,680 --> 00:02:56,760  
When the detonator was triggered, it could  
have opened a valve to allow in oxygen

44

00:02:56,840 --> 00:02:59,200  
to support combustion  
of the TATP explosive.

45

00:02:59,760 --> 00:03:01,200  
Was it triggered by a timer?

46

00:03:01,280 --> 00:03:03,840  
Remnants of circuitry  
were detected at the scene.

47

00:03:04,720 --> 00:03:07,800  
Fort Halstead believe it could've been  
a pressure sensor

48

00:03:07,880 --> 00:03:10,280  
designed to trigger  
when weight was applied to the stage.

49

00:03:10,360 --> 00:03:12,480  
That's why Mahmood  
needed to get backstage.

50

00:03:12,800 --> 00:03:15,400  
The Home Secretary had avoided  
activating the sensor.

51

00:03:15,480 --> 00:03:17,080  
Mahmood needed to get up and set it off.

52

00:03:17,160 --> 00:03:20,320  
Although that would create the risk of the  
device being triggered at the wrong time

53

00:03:20,400 --> 00:03:23,200  
by a person venturing onto the stage  
before the Home Secretary's speech.

54

00:03:23,280 --> 00:03:26,680  
Hence we're investigating whether  
the pressure sensor or the device

55

00:03:26,760 --> 00:03:30,440  
were controlled by a timer,  
or if they were activated remotely.

56

00:03:31,880 --> 00:03:33,880  
By another person, not Tahir?

57

00:03:34,680 --> 00:03:35,760  
We're looking, ma'am.

58

00:03:37,480 --> 00:03:38,720  
I've got my suspicions.

59  
00:03:40,120 --> 00:03:42,840  
[indistinct chattering  
and phones ring in background]

60  
00:03:57,880 --> 00:03:59,040  
You all right, Skipper?

61  
00:03:59,960 --> 00:04:03,400  
I need updates from the Home Secretary's  
PPOs and CPOs, anything suspicious,

62  
00:04:03,480 --> 00:04:04,960  
anything out of the ordinary.

63  
00:04:07,320 --> 00:04:08,480  
Something the matter, Tom?

64  
00:04:09,760 --> 00:04:10,800  
We lost Kim!

65  
00:04:11,880 --> 00:04:13,920  
Nobody's heard a word off you about it.

66  
00:04:16,640 --> 00:04:18,200  
I'm sorry, mate. You're right.

67  
00:04:19,800 --> 00:04:21,279  
I've been in my own head.

68  
00:04:23,600 --> 00:04:25,320  
Let's talk about this over a pint, eh?

69  
00:04:27,960 --> 00:04:29,560  
[sighs] All right.

70  
00:04:53,360 --> 00:04:54,600  
[phone buzzes]

71

00:04:57,600 --> 00:04:58,440  
David Budd.

72  
00:04:59,240 --> 00:05:00,120  
David...

73  
00:05:01,560 --> 00:05:03,040  
it's Louise Rayburn.

74  
00:05:04,320 --> 00:05:07,440  
Look, I'm not permitted to reveal  
details of the wider inquiry.

75  
00:05:09,360 --> 00:05:10,920  
This didn't come from me, okay?

76  
00:05:15,120 --> 00:05:16,920  
The bomb wasn't in the briefcase.

77  
00:05:18,080 --> 00:05:19,200  
It wasn't your fault.

78  
00:05:23,920 --> 00:05:24,800  
David?

79  
00:05:25,800 --> 00:05:26,640  
Thank you.

80  
00:05:32,680 --> 00:05:36,480  
-Sorry to keep you waiting.  
-Let's head round to the Red Lion.

81  
00:05:36,560 --> 00:05:38,400  
-My shout.  
-Sounds good.

82  
00:05:38,480 --> 00:05:39,960  
[both chatter indistinctly]

83  
00:05:53,800 --> 00:05:55,800  
[background chattering]

84  
00:06:04,600 --> 00:06:06,400  
Sarge, I thought you'd better see this.

85  
00:06:13,160 --> 00:06:14,040  
Go back.

86  
00:06:23,760 --> 00:06:25,560  
There's an hour of footage missing.

87  
00:06:29,360 --> 00:06:31,240  
-What? Is this on all of them?  
-Yes.

88  
00:06:33,440 --> 00:06:36,240  
Right, save this all to a drive.  
Get it up to the boss.

89  
00:06:36,320 --> 00:06:37,160  
Okay.

90  
00:06:44,760 --> 00:06:47,560  
Your story about this guy, Longcross,  
and the missing CCTV...

91  
00:06:47,640 --> 00:06:49,200  
-Yeah.  
-I believe you.

92  
00:06:49,760 --> 00:06:52,320  
The hair was blond,  
pushed back off the forehead.

93  
00:06:52,760 --> 00:06:54,360  
-[technician] Bit more like that?  
-Yeah.

94  
00:06:57,120 --> 00:07:00,000  
-[David] The eyes were darker. Yeah.  
-Like that?

95  
00:07:00,080 --> 00:07:01,160  
Yeah, that's perfect.

96  
00:07:01,240 --> 00:07:04,000  
-What about the nose?  
-The nose was wider at the tip.

97  
00:07:04,080 --> 00:07:06,480  
-What about his jaw?  
-His jaw was a bit squarer.

98  
00:07:06,560 --> 00:07:09,160  
-Hair?  
-Hair was shorter.

99  
00:07:09,560 --> 00:07:12,840  
-Yeah. Eyes were maybe a little narrower.  
-Age okay?

100  
00:07:12,920 --> 00:07:14,880  
Um, he's bit older-looking than this.

101  
00:07:14,960 --> 00:07:17,240  
-Slightly narrower.  
-How's that looking?

102  
00:07:17,320 --> 00:07:18,720  
That's starting to look like him.

103  
00:07:40,240 --> 00:07:42,600  
-Sarge?  
-What you got?

104  
00:07:51,480 --> 00:07:52,480  
Brilliant.

105  
00:07:59,760 --> 00:08:00,720  
Cheers, mate.

106  
00:08:10,440 --> 00:08:12,480  
Finally, we've got your shooter.

107  
00:08:13,200 --> 00:08:16,480  
Sergeant Andrew Apsted,

served in Helmand Province, two tours.

108

00:08:17,600 --> 00:08:20,240  
And get this, he was EOD.

109

00:08:20,320 --> 00:08:21,600  
[breathes heavily]

110

00:08:22,480 --> 00:08:26,320  
This could be the original bomb-maker,  
or an accomplice of Longcross.

111

00:08:30,920 --> 00:08:32,080  
Sorry.

112

00:08:33,440 --> 00:08:34,480  
Brings it all back?

113

00:08:36,720 --> 00:08:38,080  
It's... it's brilliant.

114

00:08:44,440 --> 00:08:46,000  
Listen, David...

115

00:08:48,120 --> 00:08:51,800  
With everything that's going on,  
maybe we've not paid enough attention

116

00:08:51,880 --> 00:08:55,160  
to the fact the shooter  
blew his brains out right in front of you.

117

00:08:57,320 --> 00:08:59,520  
You lost your principal  
and one of your team.

118

00:09:04,080 --> 00:09:07,520  
I think it'd be a good idea  
if you stepped away from the inquiry

119

00:09:07,600 --> 00:09:09,960  
and we get you some time

with a counselor, yeah?

120

00:09:10,040 --> 00:09:15,160

No. No way. Figuring out who killed Julia,  
that's all that matters.

121

00:09:15,240 --> 00:09:19,960

-Only that will make me feel okay again.  
-I think it runs deeper than that.

122

00:09:22,120 --> 00:09:23,720

You just called her Julia.

123

00:09:24,560 --> 00:09:26,880

[woman] Sorry, Nadia.  
I don't know what's keeping her.

124

00:09:27,720 --> 00:09:28,760

We're good to go.

125

00:09:29,680 --> 00:09:31,720

[chattering over monitor]

126

00:09:39,920 --> 00:09:43,200

We've got some plausible locations  
of the car park you described.

127

00:09:43,960 --> 00:09:47,760

I'm afraid we weren't able to see  
your husband's car or any type of meeting

128

00:09:47,840 --> 00:09:51,200

in any of the CCTV cameras  
relating to the car parks themselves.

129

00:09:52,080 --> 00:09:54,480

We've looked at adjacent locations

130

00:09:54,560 --> 00:09:57,560

and produced some images  
of persons of interest.

131

00:09:57,640 --> 00:09:59,600  
Just take your time with these, Nadia.

132  
00:10:01,440 --> 00:10:02,920  
Do you recognize this man?

133  
00:10:06,480 --> 00:10:07,920  
The interviewee is shaking her head.

134  
00:10:08,880 --> 00:10:09,800  
What about him?

135  
00:10:15,080 --> 00:10:16,560  
The interviewee is shaking her head.

136  
00:10:24,600 --> 00:10:26,400  
The interviewee is shaking her head.

137  
00:10:29,760 --> 00:10:31,600  
The interviewee is shaking her head.

138  
00:10:32,120 --> 00:10:36,000  
Do you... recognize this man at all?

139  
00:10:44,320 --> 00:10:45,320  
Take your time.

140  
00:11:00,080 --> 00:11:00,920  
Sorry.

141  
00:11:02,480 --> 00:11:03,840  
[Rayburn] It's okay, Nadia.

142  
00:11:04,320 --> 00:11:05,160  
Thank you.

143  
00:11:06,840 --> 00:11:09,400  
-[sighs]  
-Well done, Nadia. That was great.

144  
00:11:20,040 --> 00:11:21,080

What about this man?

145

00:11:21,960 --> 00:11:23,760

-You can't do that.

-I am doing.

146

00:11:24,080 --> 00:11:27,200

-This wasn't included in disclosure.

-Nadia, please look at the e-fit.

147

00:11:36,320 --> 00:11:39,280

Nadia, please, lives depend on this.

Do you know this man?

148

00:11:48,240 --> 00:11:49,720

Is this the man your husband met?

149

00:11:50,960 --> 00:11:53,720

Nadia has already described the man  
as being IC4/6.

150

00:11:53,800 --> 00:11:56,400

Were you too afraid to tell the truth?

Was the man actually white?

151

00:12:00,200 --> 00:12:01,920

Is this the man your husband met?

152

00:12:20,880 --> 00:12:22,240

Is this the man your husband met?

153

00:12:22,320 --> 00:12:25,600

Nadia has already described the man  
as being IC4/6.

154

00:12:25,680 --> 00:12:28,520

Were you too afraid to tell the truth?

Was the man actually white?

155

00:12:29,640 --> 00:12:31,320

Is this the man your husband met?

156

00:12:37,360 --> 00:12:40,560  
It's not evidential.  
You know the process for photo ID.

157  
00:12:41,080 --> 00:12:43,960  
An e-fit's never gonna give a true  
likeness. Every chance she's mistaken.

158  
00:12:44,040 --> 00:12:48,760  
-Right now that's not really the point.  
-As your DCI, Louise, I'd say it is.

159  
00:12:50,680 --> 00:12:51,800  
Just sitting on your hands?

160  
00:12:51,880 --> 00:12:54,240  
-Leave this to us.  
-No one was following up on Longcross.

161  
00:12:54,320 --> 00:12:56,400  
We have to consider all possibilities.

162  
00:12:56,480 --> 00:12:59,600  
The Security Service were involved in  
the assassination of a Cabinet minister?

163  
00:12:59,680 --> 00:13:02,480  
-We don't know that.  
-We need to find out! Longcross is a lead.

164  
00:13:02,560 --> 00:13:04,720  
From now on, every step is by the book.

165  
00:13:04,800 --> 00:13:07,040  
What's next, then, going by the book?

166  
00:13:07,400 --> 00:13:10,040  
That's for me and Commander Sampson  
to decide.

167  
00:13:16,040 --> 00:13:17,600  
He's only trying to help, boss.

168

00:13:21,160 --> 00:13:22,000  
David!

169

00:13:23,920 --> 00:13:27,840  
Look, Sharma's under a lot of pressure.  
He values your contribution. We all do.

170

00:13:27,920 --> 00:13:28,760  
Sure.

171

00:13:29,400 --> 00:13:30,280  
David.

172

00:13:31,080 --> 00:13:32,360  
[sighs]

173

00:13:32,880 --> 00:13:34,000  
David, wait.

174

00:13:37,600 --> 00:13:39,600  
I really want to talk to you  
about your head wound.

175

00:13:40,800 --> 00:13:42,480  
I told you, I got it off a gas cooker.

176

00:13:42,960 --> 00:13:46,000  
-It's best if you're examined by a doctor.  
-Get off my back, Louise.

177

00:13:46,080 --> 00:13:49,520  
What am I supposed to do?  
Let you run around like everything's rosy?

178

00:13:49,600 --> 00:13:50,960  
Do you not get it?

179

00:13:51,680 --> 00:13:54,480  
To discredit the inquiry,  
they make me out to be a basket case.

180

00:13:54,560 --> 00:13:56,920  
No one in this building  
would use that kind of language.

181  
00:13:57,440 --> 00:13:58,920  
You've got an illness, David.

182  
00:14:00,360 --> 00:14:02,720  
-You're traumatized.  
-That sounds any better?

183  
00:14:03,560 --> 00:14:06,560  
Why are you making this about me  
when Longcross supplied the bomb?

184  
00:14:06,640 --> 00:14:07,800  
The Security Service.

185  
00:14:07,880 --> 00:14:09,880  
Finding out why,  
that's the answer to all of this.

186  
00:14:09,960 --> 00:14:12,440  
-You need help--  
-I need to find who killed Julia.

187  
00:14:16,120 --> 00:14:19,320  
[news report] Julia Montague's funeral  
took place earlier today.

188  
00:14:19,400 --> 00:14:23,320  
It was a private ceremony  
for close family only.

189  
00:14:23,400 --> 00:14:25,320  
In the House of Commons,  
there was a succession...

190  
00:14:25,400 --> 00:14:30,480  
[Prime Minister] An esteemed colleague who  
is a great loss to her party, her country

191  
00:14:30,560 --> 00:14:31,560

and this house.

192

00:14:32,240 --> 00:14:35,400  
[Mike] Those of us who knew Julia,  
who worked with her,

193

00:14:35,480 --> 00:14:38,120  
are still measuring the scale of our loss.

194

00:14:38,840 --> 00:14:41,160  
[Roger] Julia and I grew up together  
in this house.

195

00:14:41,920 --> 00:14:45,480  
In the end, the pressures of work  
made our marriage unsustainable.

196

00:14:45,560 --> 00:14:47,120  
To this day, I still look back

197

00:14:47,200 --> 00:14:50,240  
and remember our time together  
as the happiest days of...

198

00:15:16,360 --> 00:15:17,600  
[thud]

199

00:15:34,080 --> 00:15:38,360  
-[Longcross] Thank you, Home Secretary.  
-[door closes and footsteps]

200

00:15:38,440 --> 00:15:40,800  
-[Julia] How much have you got?  
-Enough.

201

00:15:42,480 --> 00:15:45,640  
Decryption instructions  
for viewing the material.

202

00:15:46,720 --> 00:15:48,720  
We'll provide you with a tablet,

203

00:15:48,800 --> 00:15:51,360  
so the material can't be traced  
to your own devices.

204  
00:15:51,840 --> 00:15:53,680  
We'll take the tablet back  
when you're finished.

205  
00:15:54,600 --> 00:15:58,600  
It contains a read-only file you'll be  
able to view for a limited time period

206  
00:15:58,680 --> 00:16:01,520  
before being locked out  
and requiring new decryption.

207  
00:16:02,200 --> 00:16:06,080  
If that happens, you should get in touch.  
I'm authorized to make arrangements.

208  
00:16:07,160 --> 00:16:09,960  
[Julia] See how I go. Is that the lot?

209  
00:16:10,760 --> 00:16:13,480  
[Longcross] For the time being.  
I'll leave it with you.

210  
00:16:15,120 --> 00:16:16,280  
[Julia] Thank you.

211  
00:17:07,280 --> 00:17:08,160  
[sighs]

212  
00:18:20,360 --> 00:18:21,440  
[exhales deeply]

213  
00:18:55,840 --> 00:18:57,800  
...departments, that would be great.

214  
00:18:58,880 --> 00:19:01,240  
Anyway, cheers.  
We'll catch up on this again later.

215  
00:19:01,320 --> 00:19:02,440  
-Thanks.  
-Okay, sure.

216  
00:19:21,280 --> 00:19:23,080  
Commander Sampson's office, please.

217  
00:19:24,600 --> 00:19:26,120  
Chief Superintendent Craddock.

218  
00:19:37,120 --> 00:19:38,760  
David Budd's just come into the office.

219  
00:19:49,920 --> 00:19:50,760  
Okay.

220  
00:19:55,600 --> 00:19:58,120  
[woman] You have reached  
National Vehicle Services.

221  
00:19:58,200 --> 00:20:02,320  
Please state your inquiry leaving your  
full name and a contact telephone number.

222  
00:20:04,720 --> 00:20:06,480  
-David.  
-Ma'am.

223  
00:20:06,560 --> 00:20:07,720  
No, no. It's okay.

224  
00:20:09,320 --> 00:20:14,160  
I received a call from S015. Apparently,  
you're being a pain in the arse.

225  
00:20:14,240 --> 00:20:16,000  
-I've reason to believe--  
-Listen.

226  
00:20:17,880 --> 00:20:22,120  
We lost the Home Secretary.  
Let's go after the bastards who did it.

227  
00:20:24,000 --> 00:20:25,600  
Thank you very much, ma'am.

228  
00:20:25,680 --> 00:20:28,240  
-You okay to head across town?  
-Sure.

229  
00:20:28,920 --> 00:20:31,400  
I'll have a car sent to the D Block door.  
See you down there.

230  
00:20:32,000 --> 00:20:32,840  
Ma'am.

231  
00:20:44,480 --> 00:20:45,360  
Tom.

232  
00:20:51,440 --> 00:20:52,960  
-[knocking]  
-Come in.

233  
00:20:54,600 --> 00:20:57,560  
-Lorraine. David.  
-[both] Ma'am.

234  
00:20:57,800 --> 00:21:01,920  
My team have briefed me  
on this non-evidential photo ID

235  
00:21:02,000 --> 00:21:03,400  
made by Nadia Ali.

236  
00:21:03,480 --> 00:21:07,120  
This individual, Richard Longcross,  
you're convinced he works for the--

237  
00:21:07,200 --> 00:21:10,800  
-The Security Service. Yes, ma'am.  
-There's no evidence of that.

238  
00:21:10,880 --> 00:21:11,840

There wasn't.

239

00:21:12,680 --> 00:21:14,600

Last night, I saw him  
at an internet café...

240

00:21:14,960 --> 00:21:18,400

using a vehicle whose registration data  
is withheld from the PNC.

241

00:21:19,320 --> 00:21:23,560

Just a bullshit phone number to sucker you  
into setting off an electronic trip wire.

242

00:21:23,640 --> 00:21:26,000

As you've disclosed it,  
we can smooth that over.

243

00:21:26,640 --> 00:21:31,040

The only way Longcross could've gone there  
is if they're tracking keywords online.

244

00:21:31,120 --> 00:21:32,320

What keywords?

245

00:21:32,400 --> 00:21:36,080

Relating to kompromat the Security  
Service supplied to the Home Secretary.

246

00:21:37,480 --> 00:21:39,120

What are you talking about?

247

00:21:39,200 --> 00:21:41,040

In her hotel, a few days  
before she was killed,

248

00:21:41,120 --> 00:21:43,680

the Home Secretary  
received a visit from Longcross.

249

00:21:43,760 --> 00:21:45,800

He supplied her  
with an encrypted file of kompromat

250  
00:21:45,880 --> 00:21:47,800  
she shared with the Prime Minister.

251  
00:21:47,880 --> 00:21:49,600  
And you kept this to yourself?

252  
00:21:51,760 --> 00:21:55,200  
David's on to something, ma'am.  
It wouldn't hurt to focus on that.

253  
00:21:58,800 --> 00:22:00,680  
Did you manage to get  
copies of the kompromat?

254  
00:22:00,760 --> 00:22:04,560  
That wasn't possible. I attempted  
to photograph the material using my phone,

255  
00:22:04,640 --> 00:22:08,160  
but the device was equipped  
with an infrared sensor

256  
00:22:08,240 --> 00:22:10,840  
that shut it down  
in proximity to digital devices.

257  
00:22:10,920 --> 00:22:13,160  
Have you got any details on the scandal?

258  
00:22:13,240 --> 00:22:15,920  
A series of scandals, all covered up,

259  
00:22:16,000 --> 00:22:19,440  
a sexual assault, drug addiction,  
financial impropriety.

260  
00:22:20,560 --> 00:22:22,760  
Last night, I learned they relate  
to the Prime Minister.

261  
00:22:26,440 --> 00:22:29,840

That's only what I was able to deduce.  
There may be more kompromat.

262  
00:22:30,320 --> 00:22:31,560  
Now the Home Secretary's dead,

263  
00:22:31,640 --> 00:22:34,520  
the Security Service must be terrified  
of their role coming out.

264  
00:22:34,600 --> 00:22:37,240  
That's why Longcross is tracking keywords

265  
00:22:37,320 --> 00:22:40,560  
relating to the kompromat,  
to intercept anyone who's on to them.

266  
00:22:41,360 --> 00:22:43,360  
So, where's the kompromat now, David?

267  
00:22:43,440 --> 00:22:47,280  
The Home Secretary had it with her. I  
assume it was destroyed in the explosion.

268  
00:22:47,560 --> 00:22:50,280  
And you suspect  
the Security Service planted the bomb?

269  
00:22:50,360 --> 00:22:53,600  
It makes no sense the Security Service  
murdered Julia Montague.

270  
00:22:53,680 --> 00:22:54,960  
They were in partnership.

271  
00:22:55,440 --> 00:22:58,640  
She offered them greater powers  
for the compromising material.

272  
00:22:58,720 --> 00:23:02,560  
Maybe the relationship went sour,  
or she became a liability, I don't know.

273

00:23:03,760 --> 00:23:05,360  
Cui bono? Who benefits?

274

00:23:07,400 --> 00:23:09,520  
Clearly the Prime Minister, for one.

275

00:23:09,600 --> 00:23:12,920  
And his supporters,  
Roger Penhaligon, Mike Travis.

276

00:23:14,040 --> 00:23:15,040  
Mike Travis?

277

00:23:15,560 --> 00:23:19,760  
He was jealous of the Home Secretary's  
private meetings with the Security Service

278

00:23:19,840 --> 00:23:22,400  
and he's all about party unity  
and completely loyal

279

00:23:22,480 --> 00:23:25,400  
-to the Prime Minister and Penhaligon.  
-That's interesting.

280

00:23:25,480 --> 00:23:28,320  
We know Tahir Mahmood  
wasn't carrying the bomb in the briefcase,

281

00:23:28,400 --> 00:23:31,280  
but he did set off the device  
via a pressure sensor.

282

00:23:32,440 --> 00:23:35,600  
And Rob Macdonald probably  
induced him to go on the stage.

283

00:23:35,680 --> 00:23:37,880  
And who's Rob's new boss  
at the Home Office?

284

00:23:38,600 --> 00:23:40,560

-Mike Travis.

-Yeah.

285

00:23:41,800 --> 00:23:42,800

Thank you, David.

286

00:23:42,880 --> 00:23:45,160

-What's going to happen now, ma'am?

-We'll see to it.

287

00:23:45,240 --> 00:23:48,560

People keep saying that, meanwhile  
the killers are no nearer being caught.

288

00:23:53,920 --> 00:23:55,240

[door slams]

289

00:24:08,120 --> 00:24:10,760

Sorry to keep you.

How can I be of assistance?

290

00:24:10,840 --> 00:24:12,600

Just a quiet word.

291

00:24:15,600 --> 00:24:18,760

The night the Home Secretary was in  
surgery, she had three official visitors,

292

00:24:18,840 --> 00:24:21,280

Roger Penhaligon, Mike Travis  
and Rob Macdonald.

293

00:24:21,360 --> 00:24:23,560

-That's correct.

-What were their movements that night?

294

00:24:23,640 --> 00:24:25,240

They were briefed in a management suite.

295

00:24:25,320 --> 00:24:28,120

Mr. Penhaligon spent the night  
waiting news on his wife.

296  
00:24:28,480 --> 00:24:30,840  
Ex-wife. So, he was alone?

297  
00:24:31,400 --> 00:24:32,960  
Did he have any visitors?

298  
00:24:33,040 --> 00:24:35,240  
What about... this man?

299  
00:24:37,280 --> 00:24:38,160  
Or him?

300  
00:24:41,080 --> 00:24:41,920  
Sorry.

301  
00:24:42,400 --> 00:24:45,320  
Did Mr. Penhaligon hinder  
the medical staff in any way?

302  
00:24:45,840 --> 00:24:48,400  
No, he was very concerned  
about his wife's welfare.

303  
00:24:48,480 --> 00:24:51,840  
Ex-wife. Was there anything unusual  
he was concerned about?

304  
00:24:52,480 --> 00:24:56,080  
He seemed very concerned about  
the Home Secretary's personal items,

305  
00:24:56,160 --> 00:24:58,680  
-but I suppose that's not unusual--  
-What items?

306  
00:24:58,960 --> 00:25:02,520  
Her ministerial folder,  
her briefcase, her handbag.

307  
00:25:02,880 --> 00:25:05,120  
-He took these?  
-No, they were never found.

308  
00:25:05,200 --> 00:25:07,400  
Which is why Mr. Penhaligon  
got very anxious.

309  
00:25:07,480 --> 00:25:09,720  
That's because  
they're of sentimental value.

310  
00:25:11,160 --> 00:25:12,080  
Thank you.

311  
00:25:19,240 --> 00:25:21,240  
[indistinct chattering and baby cries]

312  
00:25:30,760 --> 00:25:31,600  
David Budd.

313  
00:25:32,440 --> 00:25:34,640  
-What can we do for you?  
-A few minutes with your P.

314  
00:25:34,720 --> 00:25:36,760  
Do you mind skipping me  
to the front of this queue?

315  
00:25:38,040 --> 00:25:39,200  
This way.

316  
00:25:39,280 --> 00:25:43,160  
Sorry. Mr. Penhaligon won't be a minute.  
Official business.

317  
00:25:44,240 --> 00:25:47,920  
You're interrupting my service to  
my constituents and I want you to leave.

318  
00:25:48,000 --> 00:25:50,000  
Don't make a scene  
in front of all these people.

319  
00:25:50,080 --> 00:25:52,040

Be all over social media  
before the hour's up.

320

00:25:59,920 --> 00:26:02,960  
I'd like to put to you new information  
regarding the murder of your ex-wife.

321

00:26:04,240 --> 00:26:05,400  
What new information?

322

00:26:05,480 --> 00:26:08,960  
I'm interested in an item that was  
in her possession before she died.

323

00:26:10,120 --> 00:26:11,120  
What item?

324

00:26:13,360 --> 00:26:17,160  
I was informed you were anxious to locate  
her belongings on the night of the attack.

325

00:26:17,440 --> 00:26:21,040  
She was in possession of material  
that affected national security.

326

00:26:22,000 --> 00:26:23,320  
I've been at the hospital.

327

00:26:24,200 --> 00:26:27,000  
They told me you were interested  
in items of sentimental value.

328

00:26:28,920 --> 00:26:33,240  
Her life is hanging by a thread and  
the Chief Whip's tracking down a handbag?

329

00:26:33,560 --> 00:26:35,320  
You're being offensive, Sergeant.

330

00:26:35,400 --> 00:26:37,720  
I suggest you stop this line  
of questioning now

331

00:26:37,800 --> 00:26:40,520  
and I'll take up my complaint  
with your senior officer.

332

00:26:40,600 --> 00:26:44,960  
The item you were looking for, you knew  
it wouldn't be in her official materials.

333

00:26:45,640 --> 00:26:47,880  
What was it you wanted  
to get your hands on?

334

00:26:47,960 --> 00:26:50,920  
I've nothing further to add  
without my solicitor present.

335

00:26:54,600 --> 00:26:57,120  
If you had a hand in her death,  
you'll have me to answer to.

336

00:27:00,680 --> 00:27:02,720  
If you'd, um, just give me a minute.

337

00:27:09,000 --> 00:27:09,960  
[grunts softly]

338

00:27:10,880 --> 00:27:15,080  
You're up to speed with the briefing we've  
received from Commander Sampson?

339

00:27:15,160 --> 00:27:16,000  
I am.

340

00:27:16,080 --> 00:27:19,600  
I want to raise a specific point  
of extreme sensitivity.

341

00:27:19,960 --> 00:27:21,160  
Okay.

342

00:27:21,560 --> 00:27:22,960  
Amit. Thanks.

343  
00:27:23,840 --> 00:27:27,000  
Uh, this individual,

344  
00:27:27,080 --> 00:27:31,280  
who gave his name as Richard Longcross,

345  
00:27:31,360 --> 00:27:33,720  
was seen at the Blackwood Hotel  
by Julia's PPO,

346  
00:27:33,800 --> 00:27:35,760  
yet surveillance footage was removed.

347  
00:27:37,480 --> 00:27:40,040  
An allegation's been made  
he's one of your officers.

348  
00:27:42,480 --> 00:27:43,360  
Is he?

349  
00:27:50,040 --> 00:27:50,920  
No.

350  
00:27:52,200 --> 00:27:54,400  
I can see only one acceptable way  
to prove he isn't.

351  
00:27:55,840 --> 00:27:57,040  
And that would be?

352  
00:27:57,120 --> 00:28:00,440  
Open yourself up to the police  
investigation. Give S015 access.

353  
00:28:02,280 --> 00:28:08,080  
As you are aware, we're conducting  
dozens of highly sensitive operations...

354  
00:28:09,040 --> 00:28:12,720  
all of which could be jeopardized  
if sensitive information is disclosed.

355

00:28:13,360 --> 00:28:16,800  
Hundreds of operatives in the field,  
all of whom would be imperiled.

356

00:28:16,880 --> 00:28:18,160  
You're not above the law.

357

00:28:18,680 --> 00:28:21,480  
The matter isn't of law,  
but of national security.

358

00:28:22,920 --> 00:28:26,920  
The Thornton Circus gunman could only  
have known your predecessor's itinerary

359

00:28:27,000 --> 00:28:28,120  
via a police leak.

360

00:28:28,600 --> 00:28:31,760  
A police leak could only have been  
behind the Heath Bank attack

361

00:28:31,840 --> 00:28:34,040  
on the children of your predecessor's PPO.

362

00:28:35,600 --> 00:28:39,160  
No way I'm giving the Metropolitan  
Police access to my organization--

363

00:28:39,240 --> 00:28:43,040  
-It's not your decision. You answer to me.  
-We all answer to someone.

364

00:29:00,920 --> 00:29:03,000  
-Stay down here, Grace. Grab a coffee.  
-Sir.

365

00:29:16,840 --> 00:29:17,760  
[knocking]

366

00:29:20,080 --> 00:29:20,920

Thank you.

367

00:29:23,280 --> 00:29:24,840  
Uh... drink?

368

00:29:24,920 --> 00:29:27,480  
David Budd ambushed me  
at my constituency surgery.

369

00:29:28,320 --> 00:29:29,200  
David Budd?

370

00:29:29,280 --> 00:29:31,640  
I'm convinced he's aware of the kompromat.

371

00:29:31,720 --> 00:29:33,720  
-How?  
-How the hell should I know?

372

00:29:34,800 --> 00:29:38,840  
All we've got is what the PM told us,  
not the whole story, knowing how he rolls.

373

00:29:38,920 --> 00:29:41,320  
-[sighs]  
-Julia blackmailed him over its content.

374

00:29:41,400 --> 00:29:46,880  
Possibly she took Budd into  
her confidence, or he joined the dots.

375

00:29:48,040 --> 00:29:49,240  
[sighs]

376

00:29:54,360 --> 00:29:55,480  
[door opens]

377

00:30:01,800 --> 00:30:02,800  
Mr. Macdonald.

378

00:30:04,480 --> 00:30:06,080  
PS Budd. Hi.

379  
00:30:07,200 --> 00:30:08,280  
Sorry, I've...

380  
00:30:08,760 --> 00:30:11,720  
-I've got to get to work.  
-There's people that start the war

381  
00:30:11,800 --> 00:30:14,160  
and the poor bastards  
that end up in the line of fire.

382  
00:30:14,240 --> 00:30:17,560  
-I'm sure you realize the net's closing.  
-Look, I haven't a clue...

383  
00:30:17,640 --> 00:30:18,920  
Really, I've got to get to work.

384  
00:30:20,640 --> 00:30:22,640  
I've looked into the eyes  
of a suicide bomber.

385  
00:30:23,000 --> 00:30:27,120  
Tahir Mahmood, he was just some flunky  
terrified of fucking up his boss's speech,

386  
00:30:27,200 --> 00:30:31,680  
but you... you made a point of not being  
there that day and you called Tahir

387  
00:30:31,760 --> 00:30:32,880  
and made him go up on stage.

388  
00:30:32,960 --> 00:30:36,120  
That all seems like  
a calculated sequence of events to me.

389  
00:30:36,200 --> 00:30:37,640  
Did you come up with it on your own?

390  
00:30:38,800 --> 00:30:41,760

Look, I've... I've been through everything  
with S015.

391

00:30:41,840 --> 00:30:45,640  
No, you lied about everything to S015.  
It's time to start telling the truth.

392

00:30:47,480 --> 00:30:48,520  
Are you threatening me?

393

00:30:49,680 --> 00:30:50,520  
[groans]

394

00:30:50,600 --> 00:30:53,400  
Julia was murdered in cold blood  
and I know you were part of it.

395

00:30:53,480 --> 00:30:55,880  
-I had nothing to do--  
-Tell S015 what you know.

396

00:30:56,560 --> 00:30:59,120  
-S015, do it.  
-[groans]

397

00:30:59,200 --> 00:31:01,320  
Be redundant for me  
to say I know where you live.

398

00:31:05,920 --> 00:31:09,160  
Boss, you'll never guess who just  
waltzed in to make a voluntary statement.

399

00:31:10,520 --> 00:31:12,440  
I need to provide some background.

400

00:31:13,680 --> 00:31:16,240  
Uh, till recently...

401

00:31:16,320 --> 00:31:20,440  
I, Mike Travis, senior civil servants...

402

00:31:21,680 --> 00:31:25,800  
Julia Montague involved us all in  
Home Office business. Standard practice.

403  
00:31:26,160 --> 00:31:29,600  
Then there began to be  
these frequent unofficial meetings

404  
00:31:29,680 --> 00:31:32,320  
with the Director-General  
of the Security Service

405  
00:31:32,400 --> 00:31:36,200  
and, to an increasing degree,  
we were all shut out.

406  
00:31:38,040 --> 00:31:40,720  
It's still unclear to me  
the nature of their meetings.

407  
00:31:41,040 --> 00:31:42,160  
[Sharma] Okay.

408  
00:31:42,240 --> 00:31:46,920  
Then we came to suspect  
that Julia was preparing a leadership bid.

409  
00:31:47,000 --> 00:31:48,000  
Who's we?

410  
00:31:48,080 --> 00:31:51,240  
Um, Mike Travis, uh, Roger Penhaligon.

411  
00:31:51,320 --> 00:31:52,800  
Mike... Mike Travis,

412  
00:31:52,880 --> 00:31:56,680  
formerly Minister of State for Counter-  
Terrorism, now Acting Home Secretary.

413  
00:31:56,760 --> 00:31:59,400  
-Roger Penhaligon, Government Chief Whip.  
-Thank you.

414  
00:32:01,000 --> 00:32:04,560  
When Julia decided to go ahead  
with her speech at St. Matthew's College,

415  
00:32:04,640 --> 00:32:08,840  
despite security advice,  
we realized we had to act fast.

416  
00:32:09,480 --> 00:32:10,840  
[Sharma] Act? In what way?

417  
00:32:11,720 --> 00:32:16,720  
To prevent her from starting  
a potentially damaging leadership contest.

418  
00:32:17,760 --> 00:32:20,920  
[stammers] I was told we needed  
to embarrass Julia politically.

419  
00:32:21,000 --> 00:32:24,440  
-Told by who?  
-That came from Roger Penhaligon.

420  
00:32:26,120 --> 00:32:30,640  
I'm telling the whole truth when I say  
that my... my only intention

421  
00:32:30,720 --> 00:32:31,960  
was to embarrass Julia.

422  
00:32:32,040 --> 00:32:34,480  
No way would I want to see her harmed  
in any way.

423  
00:32:35,120 --> 00:32:36,400  
[Sharma] So, what did you do?

424  
00:32:37,200 --> 00:32:39,920  
I inserted inaccurate material  
in her speech...

425

00:32:42,480 --> 00:32:45,200  
the idea being  
that she'd immediately become embroiled

426  
00:32:45,280 --> 00:32:47,480  
in a humiliating climb-down.

427  
00:32:48,000 --> 00:32:51,160  
[inhales] And to make sure  
the plot couldn't be retraced to me,

428  
00:32:51,240 --> 00:32:55,280  
and hence to Mike and Roger,  
I made an excuse not to attend the speech

429  
00:32:55,360 --> 00:32:59,160  
and advised Julia  
that, uh, all the fact-checking

430  
00:32:59,240 --> 00:33:01,880  
would be handled by Tahir Mahmood.

431  
00:33:03,000 --> 00:33:08,000  
We had this idea to use Tahir to create,  
uh, an embarrassing moment on camera...

432  
00:33:08,480 --> 00:33:12,880  
something that would go viral and derail  
her campaign before it even got started.

433  
00:33:12,960 --> 00:33:16,560  
This was the phone call to Mahmood  
suggesting he go on stage and interrupt

434  
00:33:16,640 --> 00:33:18,440  
-the Home Secretary's speech?  
-Yes.

435  
00:33:19,040 --> 00:33:22,160  
But it has been established that  
Tahir Mahmood venturing onto the stage

436  
00:33:22,240 --> 00:33:23,520

could have triggered the device.

437

00:33:24,440 --> 00:33:27,600

Yes, but none of us...

none of us knew anything about the bomb.

438

00:33:28,760 --> 00:33:32,000

[stammers] I certainly didn't.

It was all about the politics.

439

00:33:32,080 --> 00:33:34,520

[Sharma] So, why make a point  
of giving Mahmood the briefcase?

440

00:33:35,000 --> 00:33:38,440

I didn't want him examining the documents  
till it was too late, so...

441

00:33:38,520 --> 00:33:41,480

so I handed him a closed briefcase  
at the very last minute,

442

00:33:41,560 --> 00:33:45,400

reassuring him that the contents  
didn't need to be reviewed.

443

00:33:45,480 --> 00:33:49,960

Firstly, the briefcase has been shown not  
to contain an improvised explosive device.

444

00:33:50,040 --> 00:33:52,480

Secondly, all your forensic investigations

445

00:33:52,560 --> 00:33:56,360

have found no explosive residue on  
my client, at his home, or place of work.

446

00:33:56,440 --> 00:34:00,560

[Sharma] Let's be clear, Mr. Macdonald.  
Was everyone involved in this plot

447

00:34:00,640 --> 00:34:05,120

to embarrass the Home Secretary unaware

Tahir Mahmood might set off a bomb?

448

00:34:05,200 --> 00:34:09,560

Of course. We're politicians.

We're not murderers.

449

00:34:10,840 --> 00:34:13,000

You worked closely with Julia Montague,  
didn't you?

450

00:34:13,960 --> 00:34:15,040

Yes.

451

00:34:15,400 --> 00:34:17,360

Yet you were prepared  
to stab her in the back?

452

00:34:20,239 --> 00:34:22,000

No, it wasn't like that.

453

00:34:24,320 --> 00:34:28,800

It was...

It was all for the sake of party unity.

454

00:34:33,199 --> 00:34:35,400

He didn't give us anything  
on the kompromat.

455

00:34:35,480 --> 00:34:36,679

Doubt he was ever in the loop.

456

00:34:37,520 --> 00:34:40,480

Roger and Mike played  
the party-unity card, Rob rolled over.

457

00:34:40,560 --> 00:34:42,639

-Didn't seem like he believed it himself.

-He didn't.

458

00:34:42,719 --> 00:34:44,480

-He had his own reason.

-What?

459  
00:34:46,400 --> 00:34:49,600  
I witnessed the Home Secretary reject  
Rob's advances a couple of times.

460  
00:34:49,679 --> 00:34:52,560  
Humiliated him.  
He wanted to do the same to her.

461  
00:34:54,400 --> 00:34:55,800  
I think he's telling the truth.

462  
00:34:59,000 --> 00:35:01,200  
[indistinct chattering]

463  
00:35:07,720 --> 00:35:10,720  
Budd's wife's been at work all day.  
She's just returning now.

464  
00:35:20,840 --> 00:35:23,640  
Unfortunately, RPOs guard the safe house  
round the clock.

465  
00:35:29,200 --> 00:35:30,680  
Then we're forced to be bold.

466  
00:35:31,560 --> 00:35:32,800  
[phone rings]

467  
00:35:34,760 --> 00:35:35,920  
Ops.

468  
00:35:38,280 --> 00:35:39,200  
Boss is back.

469  
00:35:43,240 --> 00:35:44,200  
He's on his way.

470  
00:35:52,520 --> 00:35:53,720  
How'd it go at the Home Office?

471  
00:35:54,840 --> 00:35:58,400

Fortunately, while the kompromat's  
out there, there isn't a politician

472

00:35:58,480 --> 00:36:02,280  
not shitting himself he's implicated.  
Makes it easier to push back.

473

00:36:03,040 --> 00:36:03,880  
Good.

474

00:36:04,360 --> 00:36:07,840  
Only problem is they know about you...  
Longcross.

475

00:36:09,400 --> 00:36:10,760  
That will be David Budd.

476

00:36:11,520 --> 00:36:13,320  
He's the only one who challenged me,

477

00:36:13,400 --> 00:36:16,360  
-the only one I gave that name to.  
-Some fucking bullet-stopper.

478

00:36:17,880 --> 00:36:21,000  
How could you let him get one over on you?

479

00:36:22,000 --> 00:36:22,880  
No.

480

00:36:27,080 --> 00:36:28,360  
It's the other way round.

481

00:36:30,000 --> 00:36:31,280  
-David.  
-Ma'am.

482

00:36:31,360 --> 00:36:35,560  
Come in. Thanks for coming in  
at short notice. Have a seat.

483

00:36:39,560 --> 00:36:41,800

Unfortunately, this was something  
that couldn't wait.

484

00:36:43,320 --> 00:36:46,880  
Um, I've received  
an extremely serious allegation

485

00:36:46,960 --> 00:36:50,920  
regarding unprofessional intimacy  
between you and the late Home Secretary.

486

00:36:53,720 --> 00:36:57,520  
-Who's making this allegation?  
-I'm not at liberty to say.

487

00:36:57,880 --> 00:37:01,800  
They allege something went on in private?  
I can't see how there's any evidence.

488

00:37:01,880 --> 00:37:05,000  
-In which case, you can't give credence--  
-There's a recording.

489

00:37:06,560 --> 00:37:08,240  
This is coming from the Security Service?

490

00:37:11,200 --> 00:37:12,960  
Longcross must've bugged her room.

491

00:37:13,040 --> 00:37:16,280  
-Is this recording even legal?  
-David, is it true?

492

00:37:18,920 --> 00:37:22,600  
Ma'am, you know you have to caution me  
if my answer might incriminate me.

493

00:37:22,680 --> 00:37:26,200  
-I'm entitled to a consultation with my--  
-Don't quote the regs at me.

494

00:37:26,280 --> 00:37:29,440  
You weren't fucking the Home Secretary.

You're fucking our whole reputation.

495

00:37:29,520 --> 00:37:31,480  
They're to discredit me, ma'am!

496

00:37:31,560 --> 00:37:34,520  
I'm onto them, the Security Service,  
Longcross, all of them!

497

00:37:34,600 --> 00:37:35,800  
All of who?

498

00:37:35,880 --> 00:37:38,520  
There's been leaks  
right through this investigation.

499

00:37:38,600 --> 00:37:42,640  
The Home Secretary's itinerary,  
my kids' school, the bomb at St Matthew's,

500

00:37:42,720 --> 00:37:44,520  
the Security Service  
could have done it all.

501

00:37:49,200 --> 00:37:50,880  
David, you've been through a lot.

502

00:37:53,320 --> 00:37:55,880  
Take time off. Stop ruffling feathers.

503

00:37:55,960 --> 00:37:59,280  
Then maybe, just maybe,  
I can make this go away.

504

00:38:00,240 --> 00:38:02,120  
They want me to go away.

505

00:38:12,800 --> 00:38:13,920  
[sighs]

506

00:38:20,480 --> 00:38:21,960  
-Dave.

-Sorry, Vic.

507

00:38:22,040 --> 00:38:24,400

I... wanted to talk away from the kids.

508

00:38:24,480 --> 00:38:27,040

-What's up?

-There's something going on at work.

509

00:38:27,120 --> 00:38:31,600

I don't know if it's going to come out,  
but you've got a right to know as my wife.

510

00:38:32,480 --> 00:38:33,360

Okay.

511

00:38:35,720 --> 00:38:39,040

Julia and I... we were having an affair.

512

00:38:42,280 --> 00:38:43,520

What do you want me to say?

513

00:38:45,360 --> 00:38:47,440

I don't want you to say anything.

514

00:38:51,200 --> 00:38:54,160

[clears throat]

Look, I've got to get to hand-over, so...

515

00:38:55,880 --> 00:38:57,480

By the way, you're a day late.

516

00:38:58,200 --> 00:38:59,040

Come again?

517

00:39:00,360 --> 00:39:03,280

Yesterday, a security officer  
came up to the ward.

518

00:39:04,000 --> 00:39:07,120

He said that you and the Home Secretary  
were very close.

519  
00:39:07,200 --> 00:39:08,320  
What security officer?

520  
00:39:08,400 --> 00:39:11,600  
Said he was looking into the circumstances  
surrounding her death.

521  
00:39:11,680 --> 00:39:15,040  
What the hell's a security officer?  
Was this bloke police, or what?

522  
00:39:15,800 --> 00:39:16,920  
I'm not sure.

523  
00:39:17,000 --> 00:39:20,160  
Was he plain-clothes? A detective?  
Did he give a name?

524  
00:39:20,240 --> 00:39:22,800  
-Um, not that I remember.  
-For God's sake!

525  
00:39:22,880 --> 00:39:24,760  
What were you thinking,  
not getting a name?

526  
00:39:24,840 --> 00:39:28,440  
-I couldn't help him and then he left.  
-All right, he'll be on CCTV.

527  
00:39:29,040 --> 00:39:31,840  
Um, ward D-20, 2:00, 2:30.

528  
00:39:34,600 --> 00:39:36,200  
And what did he say exactly?

529  
00:39:37,600 --> 00:39:40,960  
Stuff about when you were  
coming home after your shifts...

530  
00:39:41,040 --> 00:39:44,200

If... you'd ever brought anything  
back to put somewhere safe.

531

00:39:44,280 --> 00:39:48,160  
If you'd ever brought anything back  
belonging to the Home Secretary.

532

00:39:48,240 --> 00:39:50,520  
He even asked  
if the Home Secretary had ever visited.

533

00:39:58,080 --> 00:39:59,160  
That him?

534

00:40:00,160 --> 00:40:01,400  
[Vicky] Yeah.

535

00:40:03,360 --> 00:40:06,960  
Look, Vicky, thanks. I need to get on  
with things, before it's too late.

536

00:40:07,040 --> 00:40:09,240  
Well, who is he? What is this all about?

537

00:40:09,720 --> 00:40:12,640  
-The less you know, the better.  
-Are we in any danger?

538

00:40:12,720 --> 00:40:15,640  
You're in a safe house with protection.  
You'll be fine.

539

00:40:15,720 --> 00:40:17,880  
Then why did you say  
"before it's too late"?

540

00:40:19,000 --> 00:40:20,080  
No reason.

541

00:40:33,200 --> 00:40:36,080  
[Rayburn] The device  
planted at St. Matthew's College,

542  
00:40:36,160 --> 00:40:38,920  
we've got gaps  
in the CCTV from the night before.

543  
00:40:39,000 --> 00:40:43,080  
How that happened and how the offenders  
by-passed security, we still don't know.

544  
00:40:43,840 --> 00:40:46,160  
Same goes for how  
the bomb wasn't detected,

545  
00:40:46,240 --> 00:40:49,520  
despite searches of the venue right  
up to a few minutes before the attack.

546  
00:40:50,400 --> 00:40:53,360  
Andrew Apsted, we need more on him,

547  
00:40:53,440 --> 00:40:57,320  
who he grew up with, who he joined  
the army with, who he served with.

548  
00:40:58,120 --> 00:40:59,720  
And where did he get that rifle?

549  
00:41:03,240 --> 00:41:06,920  
-Guys, okay if we pick this up later?  
-No worries, Sarge.

550  
00:41:12,160 --> 00:41:15,480  
He wasn't just at the internet café.  
He visited my wife's ward.

551  
00:41:16,280 --> 00:41:17,120  
My God.

552  
00:41:19,640 --> 00:41:22,600  
Cheers. We'll... We'll look into it.

553  
00:41:24,240 --> 00:41:27,520  
Look. Unfortunately, there wasn't

any CCTV at the internet café,

554

00:41:27,600 --> 00:41:30,680

but I'm guessing that's  
why you went there in the first place.

555

00:41:32,120 --> 00:41:34,360

We're still checking all the cameras  
in the vicinity.

556

00:41:34,920 --> 00:41:36,600

Overheard you  
talking about Thornton Circus.

557

00:41:37,440 --> 00:41:41,400

We've learned Apsted formed a pressure  
group called Veterans' Peace Group.

558

00:41:41,480 --> 00:41:43,840

-So he was on a watch list?

-No.

559

00:41:44,440 --> 00:41:48,240

The group was marginal, never threatened  
any action, but you're right.

560

00:41:49,440 --> 00:41:54,000

It's weird he wasn't... which brings us  
back to your Security Service theory.

561

00:41:54,400 --> 00:41:57,320

Maybe they didn't put him on a watch list  
to keep him under the radar.

562

00:41:58,080 --> 00:41:59,360

He was recruited by them?

563

00:41:59,440 --> 00:42:01,640

Disaffected loner  
with explosives experience?

564

00:42:02,480 --> 00:42:04,040

Talk about a perfect candidate.

565

00:42:07,080 --> 00:42:09,280  
I know how stretched you are here.  
Let me look into this.

566

00:42:09,360 --> 00:42:12,960  
We've already had a conversation  
about how fit you are to work.

567

00:42:20,160 --> 00:42:23,320  
The moment this case is over,  
I'll see the counselor.

568

00:42:23,800 --> 00:42:26,120  
I'll see the doc, whatever.  
I just need time.

569

00:42:28,000 --> 00:42:30,800  
Please, I'm asking you as a colleague,  
copper to copper.

570

00:42:35,760 --> 00:42:36,840  
Thanks, Louise.

571

00:43:29,840 --> 00:43:32,960  
-Blast from the past.  
-Took a few calls to get your new number.

572

00:43:33,440 --> 00:43:34,360  
I'm here.

573

00:43:36,160 --> 00:43:37,280  
So, what have you got?

574

00:43:43,360 --> 00:43:45,880  
A Makarov. Nice bit of kit.

575

00:43:46,760 --> 00:43:48,200  
I can get you six more.

576

00:43:49,880 --> 00:43:52,320  
-How much?

-Not how much, what.

577

00:43:52,920 --> 00:43:55,160

A PSL, with no history,  
traceable back to me.

578

00:43:58,920 --> 00:44:03,160

-Fine. I'll take my business elsewhere.  
-Maybe I can make a couple of calls.

579

00:44:04,760 --> 00:44:06,800

[distant rumble of thunder]

580

00:44:09,000 --> 00:44:12,160

But this... this is going to take work.

581

00:44:21,200 --> 00:44:24,800

-I'm not making no promises.  
-I get that back when we do the trade.

582

00:44:25,560 --> 00:44:26,720

Or I come looking.

583

00:44:38,240 --> 00:44:39,520

Not answering your phone?

584

00:44:43,560 --> 00:44:44,600

Sorry, I must've...

585

00:44:46,480 --> 00:44:48,080

-Battery's dead.  
-You want to get a refund

586

00:44:48,160 --> 00:44:51,960

-the amount of time it's switched off.  
-There something can I help you with?

587

00:44:52,040 --> 00:44:56,160

CCTV from your wife's ward was deleted.  
Same as The Blackwood and St. Matthew's.

588

00:44:56,240 --> 00:44:59,400

None of the cameras  
near the internet café picked up anything.

589

00:45:00,400 --> 00:45:02,000  
They know how to avoid 'em.

590

00:45:02,920 --> 00:45:04,800  
I do have something, though.

591

00:45:07,760 --> 00:45:09,880  
Security camera at your wife's safe house.

592

00:45:11,200 --> 00:45:13,560  
They identified themselves  
as SO15 officers.

593

00:45:14,400 --> 00:45:18,480  
By the time the RPO alerted anyone of her  
suspicions, they'd carried out a search.

594

00:45:18,560 --> 00:45:21,400  
-Security Service.  
-Obviously. This means the safe house

595

00:45:21,480 --> 00:45:24,600  
has been compromised, but there is nothing  
to suggest your family are in danger.

596

00:45:24,680 --> 00:45:27,560  
Remember when I told you someone  
broke into my flat. Do you believe me now?

597

00:45:27,640 --> 00:45:28,800  
Yeah.

598

00:45:28,880 --> 00:45:31,720  
They're convinced the kompromat  
wasn't with the Home Secretary

599

00:45:31,800 --> 00:45:35,400  
at the time of the explosion.  
It's still out there.

600  
00:45:36,880 --> 00:45:41,520  
They seem sure if anyone knows where  
it's hidden, you do. Why's that, David?

601  
00:45:41,960 --> 00:45:42,960  
I don't know.

602  
00:45:43,800 --> 00:45:47,280  
Julia Montague's home was thoroughly  
searched, all her devices seized.

603  
00:45:48,040 --> 00:45:50,800  
-There's no tablet found.  
-I'm sorry I can't help you.

604  
00:45:50,880 --> 00:45:52,320  
I don't know what happened to it.

605  
00:45:52,400 --> 00:45:55,400  
The Security Service believe  
you know where it is, so do I.

606  
00:45:56,360 --> 00:45:59,800  
I'll see you at Julia Montague's flat,  
08:00 tomorrow.

607  
00:46:15,680 --> 00:46:16,600  
Cheers.

608  
00:46:24,880 --> 00:46:28,040  
Apart from the seized devices,  
the search team left everything.

609  
00:46:29,280 --> 00:46:31,360  
You know the layout better than anyone.

610  
00:46:31,440 --> 00:46:33,320  
Maybe you'll spot something  
that stands out.

611  
00:46:35,400 --> 00:46:37,160  
If you really think this will help.

612  
00:46:53,040 --> 00:46:54,520  
She had a computer in here.

613  
00:46:55,200 --> 00:46:57,640  
We've gone through the hard drive  
with a fine-tooth comb.

614  
00:48:03,360 --> 00:48:04,400  
[sighs]

615  
00:48:07,640 --> 00:48:08,480  
[sighs]

616  
00:48:09,680 --> 00:48:12,640  
Tom, you're driving me up the wall.  
Shit or get off the pot, mate.

617  
00:48:13,360 --> 00:48:14,760  
Oh, sorry, ma'am.

618  
00:48:16,360 --> 00:48:17,280  
Come in.

619  
00:48:22,320 --> 00:48:23,320  
Now, what's up?

620  
00:48:24,280 --> 00:48:25,280  
[sighs]

621  
00:48:26,480 --> 00:48:29,120  
I'm the last person to dob in a skipper,  
ma'am.

622  
00:48:30,360 --> 00:48:31,280  
But...

623  
00:48:32,120 --> 00:48:35,680  
David Budd... he's got this head wound,

624  
00:48:35,760 --> 00:48:38,240

and everyone's letting him walk around  
like nothing happened.

625

00:48:40,200 --> 00:48:41,200  
Sit down.

626

00:48:48,600 --> 00:48:50,160  
[woman] Cappuccino for Anna!

627

00:48:53,480 --> 00:48:54,520  
David?

628

00:48:55,560 --> 00:48:56,560  
Chanel.

629

00:48:56,640 --> 00:48:57,720  
Hey.

630

00:48:58,160 --> 00:48:59,040  
Hi.

631

00:49:00,360 --> 00:49:01,480  
Something wrong?

632

00:49:02,480 --> 00:49:04,280  
Oh, my God! Of course there is.

633

00:49:04,920 --> 00:49:09,080  
I was never Julia's biggest fan, but I was  
genuinely so sorry to hear what happened.

634

00:49:10,320 --> 00:49:12,320  
God, you must still be in shock.

635

00:49:12,560 --> 00:49:14,120  
Uh, I'm all right.

636

00:49:15,080 --> 00:49:17,960  
-Maybe I shouldn't have come over.  
-No, I'm sorry. Uh...

637

00:49:18,640 --> 00:49:20,400  
Is this a regular haunt of yours?

638  
00:49:20,480 --> 00:49:22,640  
Oh! [laughs] Always the policeman.

639  
00:49:22,720 --> 00:49:24,880  
Never off-duty.  
Yes, I've been here before.

640  
00:49:24,960 --> 00:49:27,080  
-No, I'm not stalking you.  
-Sorry.

641  
00:49:27,160 --> 00:49:28,080  
[Chanel laughs]

642  
00:49:29,080 --> 00:49:33,200  
-How are you doing?  
-Yeah. All right. Moved on.

643  
00:49:33,680 --> 00:49:37,800  
I'm still looking  
for the right opportunity, but, um, yeah.

644  
00:49:38,200 --> 00:49:40,000  
It's a tricky time, so...

645  
00:49:44,960 --> 00:49:50,760  
Actually, I wanted to say I'm really sorry  
for causing such a scene when I was fired.

646  
00:49:50,840 --> 00:49:54,040  
[both laugh]

647  
00:49:54,120 --> 00:49:57,440  
That was the last thing you needed  
but thank you for being such a sweetheart.

648  
00:49:57,520 --> 00:49:58,600  
You're very welcome.

649

00:49:59,840 --> 00:50:03,280  
I wanted to thank you properly,  
but your phone was out of service.

650  
00:50:03,880 --> 00:50:05,880  
I had to get a new one.

651  
00:50:07,240 --> 00:50:09,840  
Just 'cause I was going  
to suggest a drink if...

652  
00:50:10,760 --> 00:50:11,600  
My treat.

653  
00:50:13,600 --> 00:50:14,520  
Sure.

654  
00:50:14,600 --> 00:50:15,800  
-Yeah?  
-Yes.

655  
00:50:15,880 --> 00:50:17,960  
-[both laugh]  
-Okay.

656  
00:50:18,040 --> 00:50:21,840  
-Um... 0-7-7-0-0...  
-Mm.

657  
00:50:22,440 --> 00:50:25,160  
-Yep.  
-...9-0-0-4-3-1.

658  
00:50:28,000 --> 00:50:29,760  
-[phone dings]  
-And that's mine.

659  
00:50:30,040 --> 00:50:32,600  
-[woman] Chai tea latte for Sam.  
-Oh, that's me.

660  
00:50:32,680 --> 00:50:33,920  
Sam?

661  
00:50:34,000 --> 00:50:37,160  
Saves the palaver of them  
trying to spell my name. [laughs]

662  
00:50:37,240 --> 00:50:39,360  
-Great to see you, David.  
-You too, Chanel.

663  
00:50:42,160 --> 00:50:43,840  
-There.  
-Thank you so much.

664  
00:50:52,160 --> 00:50:53,600  
[tense sigh]

665  
00:51:30,800 --> 00:51:34,200  
Chanel Dyson was the late Home  
Secretary's PR, until she was fired.

666  
00:51:34,280 --> 00:51:37,640  
I witnessed her being picked up outside  
the Home Office in this same Range Rover.

667  
00:51:37,720 --> 00:51:39,200  
I ran the registration at the time.

668  
00:51:39,280 --> 00:51:41,840  
Found out it's owned by a company  
based in the Cayman Islands.

669  
00:51:41,920 --> 00:51:45,360  
-Rich girl gets top job. Shocker.  
-That's what I thought at the time.

670  
00:51:45,840 --> 00:51:48,040  
I've been thinking over everyone  
who had the inside track

671  
00:51:48,120 --> 00:51:51,320  
on the Home Secretary, who could  
have compromised her security.

672

00:51:51,400 --> 00:51:54,840  
To kill a Cabinet minister?  
Think of the people that would have had

673

00:51:54,920 --> 00:51:57,720  
to turn a blind eye,  
to not do their jobs properly.

674

00:51:58,080 --> 00:52:02,040  
Some may have been zealots, but plenty  
others would just have taken a pay-off

675

00:52:02,120 --> 00:52:07,200  
or asked no questions, and that takes  
money, or intimidation, lots.

676

00:52:08,800 --> 00:52:11,400  
Maybe it wasn't all down  
to the Security Service after all.

677

00:52:11,960 --> 00:52:14,600  
The male subject has been  
identified as Luke Aikens.

678

00:52:15,240 --> 00:52:19,360  
Aikens is believed to be a senior figure  
in organized criminal enterprises.

679

00:52:22,800 --> 00:52:26,280  
Everyone focused on  
the counter-terrorism aspect of RIPA-18.

680

00:52:27,280 --> 00:52:30,080  
But enhanced surveillance  
on phone and email activity

681

00:52:30,160 --> 00:52:32,560  
would be just as big a threat  
to organized crime.

682

00:52:33,840 --> 00:52:34,800  
[sighs]

683

00:52:35,280 --> 00:52:36,960  
No such thing as coincidences.

684

00:52:39,080 --> 00:52:42,560  
Why is Chanel and, by extension,  
Luke Aikens, making contact with you?

685

00:52:45,640 --> 00:52:46,640  
Don't know, Louise.

686

00:52:49,640 --> 00:52:52,280  
-Sorry, is this a bad time?  
-No worse than any other.

687

00:52:52,800 --> 00:52:55,680  
-Mm. They said it was all right.  
-[David] What's up, mate?

688

00:52:56,160 --> 00:52:59,720  
-Craddock's trying to get hold of you.  
-Okay.

689

00:53:01,960 --> 00:53:02,880  
I'll drive you.

690

00:53:14,440 --> 00:53:18,240  
Your repeated refusal to accept counseling  
has raised concerns

691

00:53:18,320 --> 00:53:20,080  
regarding your fitness for duty.

692

00:53:20,160 --> 00:53:23,600  
And now I've received  
an extremely disturbing report

693

00:53:23,680 --> 00:53:27,160  
regarding the possibility you've attempted  
self-injury with a firearm.

694

00:53:27,560 --> 00:53:29,600  
What report? Who from?

695

00:53:29,920 --> 00:53:32,720  
David, I recognize an officer in denial  
when I see one.

696

00:53:34,160 --> 00:53:38,280  
This is for your own good. You're to go  
on indefinite leave as of now--

697

00:53:38,360 --> 00:53:39,440  
Ma'am, no--

698

00:53:39,520 --> 00:53:42,640  
I would strongly urge you to accept  
treatment from Occupational Health.

699

00:53:42,720 --> 00:53:47,120  
Ma'am, I can't be removed from duty  
till I've found who killed Julia Montague.

700

00:53:47,200 --> 00:53:51,120  
I'm also removing your firearms ticket,  
for obvious reasons.

701

00:53:54,960 --> 00:53:56,240  
I'm very sorry, David.

702

00:53:58,680 --> 00:54:00,000  
This is for your own good.

703

00:54:08,960 --> 00:54:09,840  
Neil.

704

00:54:32,560 --> 00:54:33,880  
Need your blue card, mate.

705

00:54:39,040 --> 00:54:40,040  
Signature, please.

706

00:54:50,240 --> 00:54:52,040  
We're looking for a link with Luke Aikens,

707  
00:54:52,120 --> 00:54:54,480  
-or any of his associates.  
-[phone rings]

708  
00:54:54,560 --> 00:54:55,440  
I'm sorry.

709  
00:54:57,480 --> 00:54:58,640  
Give me a minute, guys.

710  
00:55:03,880 --> 00:55:05,560  
You fucked me over.

711  
00:55:06,680 --> 00:55:08,960  
-What are you talking about?  
-Don't play dumb.

712  
00:55:09,040 --> 00:55:11,040  
-I trusted you!  
-I don't know what...

713  
00:55:11,120 --> 00:55:12,080  
[phone bleeps]
