1
00:00:01,800 --> 00:00:04,920
[electronic humming]

2
00:00:07,840 --> 00:00:10,520
[high-pitched whine]

3
00:00:10,640 --> 00:00:11,880
[mirror cracking]

4
00:00:12,000 --> 00:00:14,640
[ice crackling]

5
00:00:17,320 --> 00:00:19,720
[wind rushing]

6
00:01:00,440 --> 00:01:02,640
[faint music plays]

7
00:01:02,760 --> 00:01:06,520
[♪ Wizzard: "I Wish It Could
Be Christmas Every Day"]

8
00:01:40,120 --> 00:01:42,320
[pots clanking]

9
00:01:53,880 --> 00:01:55,240
[turns music off]

10
00:01:55,360 --> 00:01:56,760
I was just
getting into that.

11
00:01:56,880 --> 00:01:58,520
What are you doing?

12
00:01:58,640 --> 00:02:01,480
Roast potatoes.

13
00:02:01,600 --> 00:02:03,920
- We're doing Christmas.
- Christmas.

14

00:02:04,040 --> 00:02:08,040
Christmas Day, December 25th.
You've heard of it?

15

00:02:08,160 --> 00:02:12,440
No work today, so, uh...
the bottle's on the table.

16

00:02:12,560 --> 00:02:15,480
I know we didn't have
decorations last year.
But, uh...

17

00:02:15,600 --> 00:02:17,440
I couldn't find them
last year.

18

00:02:17,560 --> 00:02:19,880
They're only supposed
to have stored essentials here.

19

00:02:20,000 --> 00:02:24,000
I think it's kind of adorable
someone thinks tinsel is
essential.

20

00:02:27,760 --> 00:02:31,400
I figured it'd be good for us
to have a... a meal.

21

00:02:32,200 --> 00:02:34,240
A drink. Talk?

22

00:02:34,360 --> 00:02:37,120
- Good for you or me?
- Come on. What has it been,

23

00:02:37,240 --> 00:02:40,840
five years? How many sentences
have you said to me? Three?

24

00:02:40,960 --> 00:02:44,440

- [sighs]
- I mean,
I'm exaggerating... a little.

25
00:02:44,560 --> 00:02:48,960
But, come on, there is a little
bit of a conversational drought
happening here.

26
00:02:49,080 --> 00:02:51,760
- My ears need water.
- I'm not big on conversation.

27
00:02:51,880 --> 00:02:53,960
- Practice makes perfect.
- Maybe I'll bore you.

28
00:02:54,080 --> 00:02:56,320
Buddy, look, at this point,

29
00:02:56,440 --> 00:03:00,800
being bored by anything other
than snow would be a relief.

30
00:03:00,920 --> 00:03:03,320
So come on.

31
00:03:03,440 --> 00:03:05,360
Chit-chat.

32
00:03:07,840 --> 00:03:09,880
Conversate, something.

33
00:03:10,000 --> 00:03:12,480
Come on, for me.

34
00:03:12,600 --> 00:03:16,000
- For Christmas.
- What do you want
to talk about?

35
00:03:20,000 --> 00:03:21,640
Why are you here?

36

00:03:21,760 --> 00:03:23,400
No one ends up here

37

00:03:23,520 --> 00:03:26,800
without things going to total
shit for them back out there.

38

00:03:26,920 --> 00:03:27,800
It's a job, not a jail.

39

00:03:27,920 --> 00:03:30,880
Often one
and the same thing.

40

00:03:32,240 --> 00:03:33,600
So...

41

00:03:34,840 --> 00:03:37,040
...what went wrong
for you out there?

42

00:03:38,880 --> 00:03:40,520
Nothing.

43

00:03:40,640 --> 00:03:43,200
Bullshit.

44

00:03:44,800 --> 00:03:46,320
It's not an interrogation.

45

00:03:46,440 --> 00:03:48,360
What about you?

46

00:03:48,480 --> 00:03:50,160
An icebreaker.
You're learning.

47

00:03:50,280 --> 00:03:55,400
- What went to shit for you?
- Sure you don't want
that drink?

48

00:03:55,520 --> 00:03:59,200
Did you talk
your way into trouble?

49

00:03:59,320 --> 00:04:01,880
In a roundabout way.

50

00:04:02,640 --> 00:04:03,960
I talked to people.

51

00:04:04,080 --> 00:04:06,360
- Made money from it.
- Why? What were you?

52

00:04:06,480 --> 00:04:10,240
Some sort of, um,
Los Angeles drive-time DJ?

53

00:04:10,360 --> 00:04:12,840
I was not a DJ.

54

00:04:14,240 --> 00:04:15,520
More like a guru.

55

00:04:15,640 --> 00:04:18,120
Oh, don't say you were
a spiritual guru.

56

00:04:18,240 --> 00:04:22,440
I was decidedly not
a spiritual guru.

57

00:04:25,160 --> 00:04:28,160
[musical notification]

58

00:04:28,280 --> 00:04:31,760
[man] Hello, Harry.
I'm patched through now.
How are you doing?

59

00:04:31,880 --> 00:04:33,720

[Harry] Sorry,
I'm not quite dressed yet.

60

00:04:33,840 --> 00:04:35,560
[man] Don't worry,
that's why I'm here.

61

00:04:35,680 --> 00:04:38,200
Just show me what
you're planning on wearing

62

00:04:38,320 --> 00:04:41,320
and we'll take things
from there.

63

00:04:43,120 --> 00:04:45,400
- How about this?
- Doesn't work.

64

00:04:45,520 --> 00:04:50,560
It's boring blue and you're
not boring blue. Not tonight.

65

00:04:50,680 --> 00:04:52,440
All right.
Which one of these is good?

66

00:04:52,560 --> 00:04:55,040
Like I said,
white shirt with a black tie

67

00:04:55,160 --> 00:04:57,000
with a slim-cut grey jacket.

68

00:04:57,120 --> 00:05:00,040
Classic, timeless. Smart.

69

00:05:02,920 --> 00:05:06,520
- I don't usually do jackets.
- You don't usually do anything.

70

00:05:06,640 --> 00:05:09,280
And sort out that hair,

because...

71

00:05:09,400 --> 00:05:12,280
OK. [exhales]

72

00:05:12,400 --> 00:05:16,840
Remember those breathing
techniques we talked about, OK?

73

00:05:16,960 --> 00:05:18,240
You're going to do fine.

74

00:05:18,360 --> 00:05:20,600
It's going to be fine.

75

00:05:20,720 --> 00:05:22,760
[loud music playing]

76

00:05:22,880 --> 00:05:24,880
[indistinct chattering]

77

00:05:27,960 --> 00:05:30,320
- She's cute.
- Yes.

78

00:05:30,440 --> 00:05:32,160
Not out loud.

79

00:05:32,280 --> 00:05:35,880
Absolutely.

80

00:05:36,000 --> 00:05:40,040
You need to pick your spots when
you want to talk out loud. OK?

81

00:05:40,160 --> 00:05:44,280
OK. The function room
is in the back.

82

00:05:44,400 --> 00:05:48,360
Trust me, if you walk
in there like you belong,

83

00:05:48,480 --> 00:05:51,360
- no one's going
to say anything.
- OK.

84

00:05:51,480 --> 00:05:54,000
So what were you running,
some corporate espionage outfit?

85

00:05:54,120 --> 00:05:56,480
Romantic services.

86

00:05:57,560 --> 00:05:59,600
Boy meets girl thanks to...

87

00:05:59,720 --> 00:06:01,400
...in-the-field assistance.

88

00:06:01,520 --> 00:06:04,960
You coached dorks whilst
they cruised singles bars.

89

00:06:05,080 --> 00:06:08,200
Singles bars are depressing.
We'd do regular bars and clubs.

90

00:06:08,320 --> 00:06:10,360
But at Christmas time...

91

00:06:10,480 --> 00:06:12,360
...we'd gate-crash
office parties.

92

00:06:12,480 --> 00:06:17,840
See, there's this dynamic
to Christmas work parties.

93

00:06:17,960 --> 00:06:19,240
All the attractive women

94

00:06:19,360 --> 00:06:22,800

have been surrounded by
regulation office ass-clowns

95

00:06:22,920 --> 00:06:25,120
for the whole year, and now they
want to let their hair down.

96

00:06:25,240 --> 00:06:27,080
According to the pop
psychologist.

97

00:06:27,200 --> 00:06:30,360
So I know how the mind works.

98

00:06:30,480 --> 00:06:32,480
[man] Now, don't stand
around like a lamppost.

99

00:06:32,600 --> 00:06:33,960
Walk over to the bar.

100

00:06:34,080 --> 00:06:36,720
Remember. Always move
with purpose.

101

00:06:36,840 --> 00:06:38,600
[indistinct chattering]

102

00:06:38,720 --> 00:06:41,480
- [woman] Yeah, who's next?
- Yeah. Can I have a...?

103

00:06:41,600 --> 00:06:44,920
Three pints, a vodka Diet Coke
and a shot of tequila.

104

00:06:45,040 --> 00:06:48,640
[scoffs] Yeah. Don't worry
about him, all right?

105

00:06:48,760 --> 00:06:51,720
Just grab one of those
empty bottles off the bar

106
00:06:51,840 --> 00:06:54,240
while Captain Douchebag
orders his piss water.

107
00:06:54,360 --> 00:06:56,720
We're just going to need it
for a prop anyway.

108
00:06:56,840 --> 00:06:59,120
Have a look around.

109
00:07:00,960 --> 00:07:02,920
See anything you like?

110
00:07:10,600 --> 00:07:13,000
What? The blonde?

111
00:07:14,080 --> 00:07:17,280
The dark-haired girl?

112
00:07:17,400 --> 00:07:20,880
Interesting choice. Go straight
over, but focus on the blonde.

113
00:07:21,000 --> 00:07:22,880
Now. Come on.

114
00:07:23,000 --> 00:07:25,600
Confidence. You can do this.

115
00:07:30,960 --> 00:07:33,240
Hold on, just finding
out who they are.

116
00:07:42,320 --> 00:07:44,160
OK, uh, bullshit opener.

117
00:07:44,280 --> 00:07:48,000
Um, try the horse story.
At the blonde girl.

118

00:07:49,000 --> 00:07:50,440
[clears throat]

119

00:07:50,560 --> 00:07:54,040
Hey, so, did anyone see that guy
outside riding the horse?

120

00:07:54,160 --> 00:07:55,880
- Did you see him?
- What? A guy on a horse?

121

00:07:56,000 --> 00:07:58,760
Yeah, like, 20 minutes ago,
this guy, shirtless,

122

00:07:58,880 --> 00:08:01,520
- riding a horse
down the high street.
- Really?

123

00:08:01,640 --> 00:08:03,480
Yeah, honestly. He, uh...

124

00:08:03,600 --> 00:08:06,200
The weirdest part was that
he had a bow and arrow, right?

125

00:08:06,320 --> 00:08:08,720
- What? A real bow and arrow?
- I swear to God.

126

00:08:08,840 --> 00:08:12,400
He probably did it for a bet
but he looked like something
out of Tolkien,

127

00:08:12,520 --> 00:08:14,120
- you know?
- [both laugh]

128

00:08:14,240 --> 00:08:16,640
- Sorry, who are you?
- [nervous chuckle]

129
00:08:16,760 --> 00:08:19,760
Stall until I...
until I find something.

130
00:08:19,880 --> 00:08:22,040
I'm pretty sure I'm me.

131
00:08:24,000 --> 00:08:25,400
Just you're not
from the office.

132
00:08:25,520 --> 00:08:28,280
Who do you know from here?

133
00:08:28,400 --> 00:08:31,080
Say, "I know you." Friendly.

134
00:08:31,200 --> 00:08:33,600
I know you, for one.

135
00:08:36,240 --> 00:08:39,480
- Dawson.
- Dawson, isn't it?

136
00:08:41,920 --> 00:08:43,880
You met at Kath's barbecue.

137
00:08:44,000 --> 00:08:47,120
Yeah. We met at
Kath's barbecue back in...

138
00:08:47,240 --> 00:08:49,200
- June.
- ...June or so. Yeah.

139
00:08:53,480 --> 00:08:54,920
He had a pork pie hat.

140
00:08:55,040 --> 00:08:56,440
You had a poor guy's hat.

141
00:08:56,560 --> 00:08:58,680
A "pork pie hat."

142
00:08:58,800 --> 00:09:04,280
A pork pie hat that
you wore on your head.

143
00:09:08,440 --> 00:09:10,440
He'll pretend he remembers,
even though

144
00:09:10,560 --> 00:09:13,240
he won't actually
know if he does.

145
00:09:13,360 --> 00:09:15,560
- Right.
- Yeah?

146
00:09:15,680 --> 00:09:18,760
Yeah, sorry.

147
00:09:18,880 --> 00:09:22,280
No. No, no worries.
No worries. Crazy night.

148
00:09:22,400 --> 00:09:25,320
You're doing fine.
Don't neglect the blonde.

149
00:09:25,440 --> 00:09:26,880
You, I don't know.

150
00:09:27,000 --> 00:09:29,800
- Um, Amy.
- Amy. Hi.

151
00:09:29,920 --> 00:09:32,200
Get her to introduce you
to the dark-haired girl.

152
00:09:32,320 --> 00:09:36,000

[clears throat] So, uh, are all
of your friends this suspicious?

153

00:09:36,120 --> 00:09:38,000

- Nice.

- I don't think so.

154

00:09:38,120 --> 00:09:40,880

- [Harry] Yeah?

- This is Jennifer.

155

00:09:41,000 --> 00:09:43,440

- Hi, Jennifer.

- Hi.

156

00:09:43,560 --> 00:09:46,960

Now focus on Amy and we'll do
that funny material that we
worked on.

157

00:09:47,080 --> 00:09:50,920

Anyway, this guy gets off
the horse and he's got
a backpack, right?

158

00:09:51,040 --> 00:09:53,280

The tactic,
generally, was to deliberately

159

00:09:53,400 --> 00:09:57,560

freeze out the one you were
actually interested in.

160

00:09:57,680 --> 00:10:00,640

For one thing you
wouldn't seem needy but...

161

00:10:00,760 --> 00:10:05,160

...also they would, most times,
sort of lean in naturally.

162

00:10:05,280 --> 00:10:07,440

People want to be noticed.

163

00:10:07,560 --> 00:10:10,800
They don't like to be shut out.
It makes them feel invisible.

164

00:10:10,920 --> 00:10:14,760
But this girl...

165

00:10:14,880 --> 00:10:19,480
This girl seemed content
with being ignored.

166

00:10:20,920 --> 00:10:22,360
Maybe she could
smell a loser.

167

00:10:22,480 --> 00:10:24,560
No.

168

00:10:24,680 --> 00:10:27,800
No. She was an outsider.

169

00:10:27,920 --> 00:10:30,600
An attractive outsider.

170

00:10:31,840 --> 00:10:34,800
And there's nothing more
tantalising than that.

171

00:10:34,920 --> 00:10:37,360
[indistinct chatter]

172

00:10:37,480 --> 00:10:39,880
- Huh.
- [Harry] Great.

173

00:10:40,000 --> 00:10:44,000
Well, she's off. OK.

174

00:10:44,120 --> 00:10:46,080
Gonna be a challenge.
Don't quit.

175

00:10:46,200 --> 00:10:49,280
Let's let our friend Amy here
yadder on for a little while

176

00:10:49,400 --> 00:10:51,440
and then, uh,
find an excuse to slip away.

177

00:10:51,560 --> 00:10:55,040
They will sit outside
on the balcony till,
like, four in the morning.

178

00:10:55,160 --> 00:10:56,840
[Harry] Yeah?
It's startling.

179

00:10:56,960 --> 00:10:59,440
Listen, I've just go
to the, um, little boys' room.

180

00:10:59,560 --> 00:11:02,200
So, uh, just keep the party
going and I'll,

181

00:11:02,320 --> 00:11:05,040
- you know... [laughs]
- Sure.

182

00:11:15,240 --> 00:11:16,760
Do you actually have to go?

183

00:11:16,880 --> 00:11:20,000
Yeah, but it's not
easy with you watching.

184

00:11:21,720 --> 00:11:24,000
I promise. I won't peek.

185

00:11:28,960 --> 00:11:33,560
So you streamed everything
he saw, and he trusted you
with that?

186

00:11:33,680 --> 00:11:38,520

Well...

it was only me watching.

187

00:11:38,640 --> 00:11:41,800

Jesus, how much urine? He's
pissing like a harpooned cow.

188

00:11:41,920 --> 00:11:45,240

- It's making me want to go.
- [all laughing]

189

00:11:45,360 --> 00:11:46,840

[man] Well, it is!

190

00:11:50,440 --> 00:11:54,680

OK, there's our girl.
Um, all right, Harry.

191

00:11:54,800 --> 00:11:57,560

Your best bet is to just go over
and start talking to her.

192

00:11:57,680 --> 00:11:59,600

You just want
to establish a rapport.

193

00:11:59,720 --> 00:12:02,200

OK? Don't be scared of her.

194

00:12:02,320 --> 00:12:05,440

OK, guys, any observations so
far, helping our man out here?

195

00:12:05,560 --> 00:12:09,480

Here's what's interesting,
she's pretty but, uh,
no one's hitting on her.

196

00:12:09,600 --> 00:12:11,160

[man 1] Probably means
they've given up.

197

00:12:11,280 --> 00:12:13,200
[man 2] She always gives them
the brush-off cos...

198

00:12:13,320 --> 00:12:14,920
They're regular types, she's an
outsider with zero in common.

199

00:12:15,040 --> 00:12:17,120
- OK that's a possible in.
- [exhales]

200

00:12:17,240 --> 00:12:20,080
Harry, engage in conversation,
but be cynical.

201

00:12:20,200 --> 00:12:21,640
Right? Cutting.

202

00:12:21,760 --> 00:12:26,480
Like Bonnie and Clyde, huh?
You two against the world.

203

00:12:28,360 --> 00:12:33,200
Confidence. Confidence.
Just talk to her.

204

00:12:33,320 --> 00:12:35,320
I don't really get parties.

205

00:12:35,440 --> 00:12:38,800
You know, you just kind of turn
up and it's, uh, it's enforced
fun, all night.

206

00:12:38,920 --> 00:12:42,800
Talk about what TV shows
you've fallen behind on.

207

00:12:42,920 --> 00:12:46,120
Pretend to be happy.
[scoffs]

208

00:12:46,240 --> 00:12:48,040
Maybe everyone else enjoys it,
maybe it's just me?

209

00:12:48,160 --> 00:12:50,280
It's definitely
not just you.

210

00:12:50,400 --> 00:12:55,360
All right, good start. Now do
some more outsider small talk.

211

00:12:55,480 --> 00:12:58,920
And keep looking at her.
I need to gauge her reactions.

212

00:13:00,600 --> 00:13:03,520
So I noticed you sitting
alone on the edge and I, uh...

213

00:13:03,640 --> 00:13:06,920
I thought,
"Hey, kindred spirit."

214

00:13:08,480 --> 00:13:11,360
I really hate when people say
"kindred spirit", you know.

215

00:13:11,480 --> 00:13:13,680
And people that do that.

216

00:13:14,520 --> 00:13:17,000
- Me too.
- [chuckles]

217

00:13:17,120 --> 00:13:19,480
Yeah, I guess you don't
really like parties either.

218

00:13:19,600 --> 00:13:22,480
The noise wrecks it for me.

219

00:13:22,600 --> 00:13:27,200
All the talking and talking,
it never fucking stops.

220

00:13:27,320 --> 00:13:30,280
OK, she curses,
so should you.

221

00:13:30,400 --> 00:13:33,840
Shit, fucking, I fucking always
totally think that it's fucking
shit. You know?

222

00:13:33,960 --> 00:13:37,880
I can't think through
all the babble.

223

00:13:38,000 --> 00:13:40,000
I only got through it last year
because I was on drugs.

224

00:13:40,120 --> 00:13:41,840
[laughs]

225

00:13:41,960 --> 00:13:43,640
I'm sorry, what's that?
What's that?

226

00:13:43,760 --> 00:13:45,440
Just, like, pills, but

227

00:13:45,560 --> 00:13:50,200
they must've been pretty strong
because I actually enjoyed
myself.

228

00:13:50,320 --> 00:13:52,240
- That's cool.
- Don't say cool.

229

00:13:52,360 --> 00:13:55,760
- I wish I had some drugs
right now.

- No, you don't.

230

00:13:55,880 --> 00:13:57,440
I'm just... I'm joking.

231

00:13:57,560 --> 00:13:59,200
I don't take them anymore.

232

00:13:59,320 --> 00:14:01,640
- Say, "That's good."
- That's good,
because you don't...

233

00:14:01,760 --> 00:14:05,640
You don't need that
shit in your system, no.

234

00:14:05,760 --> 00:14:07,880
I'd say she's a level four
rock chick.

235

00:14:08,000 --> 00:14:09,960
Semi-reformed. Probably respond
well to spiritual conversation.

236

00:14:10,080 --> 00:14:15,040
I don't think I can face
fucking weeks of that.
I might bail, boys.

237

00:14:15,160 --> 00:14:17,000
OK, look,
it's too public here.

238

00:14:17,120 --> 00:14:20,960
Ask if you can move someplace
quieter, where you can really
talk.

239

00:14:26,360 --> 00:14:30,080
People want to be heard.
That's why 90 per cent of
seduction is just listening.

240

00:14:30,200 --> 00:14:32,160
[man] Or at least pulling
a face like you're listening.

241

00:14:32,280 --> 00:14:33,680
Yeah, that works, too.

242

00:14:33,800 --> 00:14:36,760
The important thing
is to make them feel important.

243

00:14:36,880 --> 00:14:39,760
Like they can make you want to
extinguish the rest of the world

244

00:14:39,880 --> 00:14:42,160
and focus on them.

245

00:14:45,040 --> 00:14:46,200
Full attention.

246

00:14:46,320 --> 00:14:49,320
Like you're not giving me now.
What's wrong?

247

00:14:49,440 --> 00:14:52,880
- That clock.
- What about it?

248

00:14:53,000 --> 00:14:55,600
I just... I just never
noticed it before.

249

00:14:55,720 --> 00:15:00,600
[scoffs] In five years? Jesus.

250

00:15:00,720 --> 00:15:05,440
Anyway, the point is to stay
locked in on them long enough

251

00:15:05,560 --> 00:15:08,280
to build a rapport.

252

00:15:08,400 --> 00:15:11,120
So, well, I would guess
that either every guy in there

253

00:15:11,240 --> 00:15:14,960
has already tried to hit on you
or, uh, maybe they find you too
intimidating.

254

00:15:15,080 --> 00:15:19,760
- Am I intimidating?
- No, no, no, no, no.
I'm just, uh...

255

00:15:19,880 --> 00:15:22,400
No, I just imagine that
they all kind of want
to get in inside your...

256

00:15:22,520 --> 00:15:24,600
- Head.
- ...head.

257

00:15:24,720 --> 00:15:27,200
[chuckles]
Some of them have tried.

258

00:15:27,320 --> 00:15:29,280
Not directly.

259

00:15:29,400 --> 00:15:33,120
They send messages,
or they make it so you know
what they're thinking.

260

00:15:33,240 --> 00:15:34,720
Yeah. That can't be fun.

261

00:15:34,840 --> 00:15:40,240
It's just tiring, you know.
It just doesn't end, ever.

262

00:15:40,360 --> 00:15:42,760
[Harry] I wouldn't know,
I never hit on anyone.

263

00:15:42,880 --> 00:15:44,560
- [Jennifer] Really?
- OK, uh...

264

00:15:44,680 --> 00:15:48,040
- Ask her how long
she's worked there.
- Um...

265

00:15:48,160 --> 00:15:49,440
[Harry] How long
have you worked for...

266

00:15:49,560 --> 00:15:51,920
- Magson Frank.
- ...Magson Frank.

267

00:15:52,040 --> 00:15:55,280
- Three years.
- Oh, wow.
So three Christmas parties.

268

00:15:55,400 --> 00:15:57,520
This will be my last.

269

00:15:57,640 --> 00:15:59,520
- Oh, really? Are you leaving?
- Mm-hm.

270

00:15:59,640 --> 00:16:03,920
I've been planning it forever,
but you know what it's like.

271

00:16:04,040 --> 00:16:06,040
You know you have to do it, but
when it comes right down to it,

272

00:16:06,160 --> 00:16:08,880
it's hard
to work up the courage.

273

00:16:09,000 --> 00:16:11,040
You can empathize with that.

274

00:16:11,160 --> 00:16:13,320
Yeah. It's like when you want
to jump into a pool,

275

00:16:13,440 --> 00:16:15,120
and you're worried that
the water's going to be cold.

276

00:16:15,240 --> 00:16:18,320
But you know moments after you
jump in that it'll be fine.

277

00:16:18,440 --> 00:16:20,800
It's the fear of the shock
that holds you back.

278

00:16:20,920 --> 00:16:23,640
Ultimately, the only thing
you're worried about is
the transition

279

00:16:23,760 --> 00:16:25,840
from one state to another.

280

00:16:25,960 --> 00:16:29,600
And that can't hurt you
because it's... it's just
a state change.

281

00:16:29,720 --> 00:16:32,280
Great stuff, kid.
Almost word-for-word.

282

00:16:32,400 --> 00:16:36,320
That's exactly right,
it's just a state change.

283

00:16:36,440 --> 00:16:38,040
Right. And it's

frustrating because

284

00:16:38,160 --> 00:16:40,560
you've always got these ten
voices in your head saying,
"Don't do it"

285

00:16:40,680 --> 00:16:43,040
and another ten in your head
saying, "Do it".

286

00:16:43,160 --> 00:16:45,200
Which one do you listen to?

287

00:16:45,320 --> 00:16:46,520
The "do it"s.

288

00:16:46,640 --> 00:16:48,320
Really?

289

00:16:48,440 --> 00:16:51,560
Yeah. If you don't like it, you
can just cut and run, you know.

290

00:16:51,680 --> 00:16:53,320
Get it over and done with.

291

00:16:54,440 --> 00:16:56,400
You're right. I will.

292

00:16:56,520 --> 00:16:58,040
[chuckles]

293

00:16:58,160 --> 00:17:01,600
Well... to changing states.

294

00:17:02,880 --> 00:17:05,040
- To changing states.
- [liquid sloshing]

295

00:17:05,160 --> 00:17:07,320
- [Harry laughs] Ooh!

- [Jennifer] Ooh! Sorry.

296

00:17:07,440 --> 00:17:09,640
- She touched his knee.
- She touched his fucking knee!

297

00:17:09,760 --> 00:17:12,080
Gentlemen, gentlemen,
please, please.

298

00:17:12,200 --> 00:17:16,880
Harry, you're doing great.
Ask her if she would like
another drink.

299

00:17:17,000 --> 00:17:19,040
Listen, let me get you
another drink.

300

00:17:19,160 --> 00:17:23,280
[chuckles] Let me think.
I just need the loo a sec.

301

00:17:29,040 --> 00:17:31,640
So thanks to you some gawko
finally meets a girl.

302

00:17:31,760 --> 00:17:34,920
It's not much
of a Christmas story.

303

00:17:35,040 --> 00:17:37,440
I haven't finished yet.

304

00:17:37,560 --> 00:17:39,520
Maybe he comes down her chimney.

305

00:17:44,560 --> 00:17:46,920
[exhales]

306

00:17:48,520 --> 00:17:51,440
[exhales] I just don't feel
comfortable doing this.

307

00:17:51,560 --> 00:17:52,720
What?

308

00:17:52,840 --> 00:17:54,400
I mean she... I like her.

309

00:17:54,520 --> 00:17:56,720
- She likes you.
- It's cheating.

310

00:17:56,840 --> 00:17:59,880
I'd never have even
had the nerve to talk to her.

311

00:18:00,000 --> 00:18:01,440
Aren't you glad you did?

312

00:18:01,560 --> 00:18:04,360
Yeah, I... Yes. Yes.
But I just...

313

00:18:04,480 --> 00:18:07,760
It's just a bit of a nightmare
having you, you know,

314

00:18:07,880 --> 00:18:11,440
all of you in my head, watching
us... Telling me what to do.

315

00:18:11,560 --> 00:18:14,320
I just want to talk to her
myself. And it's...

316

00:18:14,440 --> 00:18:16,960
It's a bit of a head-fuck. I
kind of want you all to go away.

317

00:18:17,080 --> 00:18:20,280
I don't... Hey.
[nervous chuckle]

318

00:18:20,400 --> 00:18:22,320
[clears throat]

319
00:18:23,720 --> 00:18:25,960
- Come back to mine.
- Sorry?

320
00:18:26,080 --> 00:18:28,120
I want you
to come back to mine.

321
00:18:28,240 --> 00:18:30,760
I thought about asking you, and
a little voice said, "Do it".

322
00:18:30,880 --> 00:18:32,480
So I'm doing it.

323
00:18:32,600 --> 00:18:35,760
Um... uh...

324
00:18:35,880 --> 00:18:37,000
Say yes!

325
00:18:37,120 --> 00:18:39,160
I want to do this.

326
00:18:39,280 --> 00:18:41,600
It's my way of saying thanks.

327
00:18:45,000 --> 00:18:46,840
- Sorry.
- No, um...

328
00:18:46,960 --> 00:18:49,680
- Hole-in-one!
- On his first run!

329
00:18:49,800 --> 00:18:51,120
- His first bloody run!
- Just say yes.

330

00:18:51,240 --> 00:18:53,200
Yes. Yes. Yes.

331
00:18:53,320 --> 00:18:55,320
[door opens]

332
00:18:57,120 --> 00:18:59,960
[both exhale nervously]

333
00:19:02,080 --> 00:19:05,240
I don't usually bring
people back here.

334
00:19:05,360 --> 00:19:07,000
Well, I'm honoured.

335
00:19:07,120 --> 00:19:09,200
- Come in.
- [man] Did you watch

336
00:19:09,320 --> 00:19:12,720
when they went back to hers
and got up to whatever
they got up to.

337
00:19:12,840 --> 00:19:17,000
Did you carry on watching
through his eyes?

338
00:19:19,400 --> 00:19:20,680
What do you think I am?

339
00:19:22,040 --> 00:19:23,720
Clearly, I don't know.

340
00:19:23,840 --> 00:19:27,360
Maybe if you spoke
to me more, you'd know.

341
00:19:27,480 --> 00:19:30,680
No. My job was done.

342

00:19:30,800 --> 00:19:32,080
Of course I didn't watch.

343
00:19:32,200 --> 00:19:35,320
- [Harry] Here? OK.
- [Jennifer] Mm-hm.

344
00:19:37,520 --> 00:19:40,360
Nice place.
I like the mantelpiece.

345
00:19:40,480 --> 00:19:41,960
And that bird.

346
00:19:42,080 --> 00:19:43,400
Kooky decor.

347
00:19:43,520 --> 00:19:46,640
Indicating sexual
adventurousness.

348
00:19:46,760 --> 00:19:49,280
[exhales]

349
00:19:52,040 --> 00:19:54,400
- I'll get the drinks.
- Yeah, OK. I'll just sit.

350
00:19:54,520 --> 00:19:57,360
- The bedroom's that way.
- Yeah, OK.

351
00:19:57,480 --> 00:19:59,720
I'll meet you in there.

352
00:20:04,720 --> 00:20:08,960
OK, Harry.
You're going to the moon.

353
00:20:09,080 --> 00:20:11,680
Just sooner than expected.

354

00:20:11,800 --> 00:20:15,040
- I can't... I can't do it.
- This is first-time nerves.

355

00:20:15,160 --> 00:20:18,040
It's all happening so suddenly.
I didn't expect this,
this quickly.

356

00:20:18,160 --> 00:20:19,440
You just got
to roll with it.

357

00:20:19,560 --> 00:20:20,800
I don't want you
all to see, all right?

358

00:20:20,920 --> 00:20:22,680
Oh, now he's
Mr Fucking Ethics.

359

00:20:22,800 --> 00:20:24,640
Now wait.
You were happy to take

360

00:20:24,760 --> 00:20:26,800
- a window seat
while others did it.
- [Harry] That was different!

361

00:20:26,920 --> 00:20:28,680
I didn't hear any objections
when he watched me getting
sucked off

362

00:20:28,800 --> 00:20:29,960
by that German girl.
That was a first date.

363

00:20:30,080 --> 00:20:32,040
- [Harry] Look...
- Refund.

364

00:20:32,160 --> 00:20:34,280

Look, she's too real.
This is too real.

365
00:20:34,400 --> 00:20:35,720
Nothing is too real.

366
00:20:35,840 --> 00:20:37,960
Yeah, but...

367
00:20:41,600 --> 00:20:45,520
- You're standing.
- Yeah, I...

368
00:20:45,640 --> 00:20:48,840
I just didn't want
to be too presumptuous.

369
00:20:50,840 --> 00:20:52,760
I need you on the bed.

370
00:20:52,880 --> 00:20:54,360
[man on monitor] Jesus!

371
00:20:54,480 --> 00:20:57,040
[nervous chuckle]

372
00:21:00,680 --> 00:21:02,360
[both chuckle nervously]

373
00:21:07,080 --> 00:21:09,640
[whispers]
They can't fucking wait.

374
00:21:11,160 --> 00:21:15,400
- Oh...
- Is she going
to take that top off?

375
00:21:15,520 --> 00:21:18,760
- If there's no tits.
I want a discount.
- They're gonna have sex.

376

00:21:18,880 --> 00:21:21,320
You're getting the season
finale in episode one.

377

00:21:21,440 --> 00:21:23,400
Yeah, but if I don't
see her tits...

378

00:21:23,520 --> 00:21:26,720
Will you please be patient?
Jesus.

379

00:21:26,840 --> 00:21:28,520
Have some respect.

380

00:21:28,640 --> 00:21:30,680
[grunting]

381

00:21:30,800 --> 00:21:32,360
[coughing]

382

00:21:32,480 --> 00:21:36,600
Hey. Are you OK in there?

383

00:21:36,720 --> 00:21:38,160
Wow. What is that?

384

00:21:38,280 --> 00:21:39,920
"Fuck them" is what it is.

385

00:21:40,040 --> 00:21:42,480
A big glass of "fuck them".

386

00:21:42,600 --> 00:21:43,840
Fuck... fuck who?

387

00:21:43,960 --> 00:21:47,800
Always saying what to do,
half saying one thing,
half saying another.

388

00:21:47,920 --> 00:21:50,240
The talk, the constant talk.

389
00:21:50,360 --> 00:21:52,800
- This isn't good.
- I'm not getting tits, am I?

390
00:21:52,920 --> 00:21:56,080
I stopped taking the pills
they said I should take,

391
00:21:56,200 --> 00:21:58,760
because they dulled the sound.

392
00:21:58,880 --> 00:22:01,120
Always, they've spoken to me,

393
00:22:01,240 --> 00:22:05,560
always there, and I've had it.

394
00:22:05,680 --> 00:22:08,200
OK, Harry, I think we should
think about wrapping this up.

395
00:22:08,320 --> 00:22:13,240
I was planning on drinking this
tonight to make them stop,
but I was wavering.

396
00:22:13,360 --> 00:22:15,040
Coward, fucking coward,

397
00:22:15,160 --> 00:22:20,240
and then I met you,
and it was fate.

398
00:22:20,360 --> 00:22:23,800
You knew what it was like
and you said do it.

399
00:22:23,920 --> 00:22:28,360
So now, we're saying
"fuck it" together.

400

00:22:28,480 --> 00:22:30,440
- What's in the drink?
- It doesn't matter. Wrap it up.

401

00:22:30,560 --> 00:22:34,640
I know you hear them too.
I saw you talking to them.

402

00:22:34,760 --> 00:22:36,880
No. They're real people,
these are real people.

403

00:22:37,000 --> 00:22:38,520
There's no such thing
as real people.

404

00:22:38,640 --> 00:22:40,760
- Harry, get out of there now!
- [Harry coughing]

405

00:22:40,880 --> 00:22:44,720
It's like a club, it's a club
where we meet girls and they
talk us through...

406

00:22:44,840 --> 00:22:47,080
- No one understands me, either.
- No.

407

00:22:47,200 --> 00:22:49,960
All night, they've been watching
us and there's this one guy,

408

00:22:50,080 --> 00:22:54,400
- he's the leader.
He's the leader.
- We're the same.

409

00:22:54,520 --> 00:22:56,320
They're watching us. All night,
they've been watching.

410

00:22:56,440 --> 00:22:58,000
They can see you.
They can see me.

411
00:22:58,120 --> 00:23:00,840
No one understands
what that's like.

412
00:23:00,960 --> 00:23:03,760
There are a hundred
who see through me,

413
00:23:03,880 --> 00:23:06,640
standing at their government
depots,

414
00:23:06,760 --> 00:23:08,920
shouting what to think.

415
00:23:09,040 --> 00:23:11,560
[Harry struggling to breathe]

416
00:23:11,680 --> 00:23:13,400
Not any more.

417
00:23:21,960 --> 00:23:23,760
- You too.
- I don't want it.

418
00:23:23,880 --> 00:23:26,960
- It's a state change.
- I don't want it.

419
00:23:27,080 --> 00:23:28,600
It's just a transition

420
00:23:28,720 --> 00:23:33,960
and soon, they won't be there
and we'll be free.

421
00:23:34,080 --> 00:23:36,680
Please... Please...
I don't want it.

422
00:23:36,800 --> 00:23:38,600
You do.

423
00:23:38,720 --> 00:23:39,880
You do.

424
00:23:40,000 --> 00:23:41,720
Shh, shh, shh, shh...

425
00:23:41,840 --> 00:23:44,200
- [Harry grunting frantically]
- Shh, shh, shh. You do.

426
00:23:44,320 --> 00:23:45,840
She murdered him?

427
00:23:45,960 --> 00:23:48,000
A mercy killing, she'd say.

428
00:23:48,120 --> 00:23:50,360
- So when did you
find out about this?
- Hm?

429
00:23:50,480 --> 00:23:53,280
I mean, when did you know
that this had happened?

430
00:23:54,920 --> 00:23:58,160
Uh... I saw it on a newscast,
I think.

431
00:23:58,280 --> 00:24:02,040
[Harry screaming, gurgling]

432
00:24:05,160 --> 00:24:09,560
Wipe and destroy everything. OK?
Everything. Now go.

433
00:24:39,680 --> 00:24:42,000
[toy squeaks]

434
00:24:51,120 --> 00:24:53,760
[toy clatters
and plays loud music]

435
00:24:53,880 --> 00:24:56,160
[trash clattering]

436
00:24:59,160 --> 00:25:00,720
[woman] Matthew?

437
00:25:00,840 --> 00:25:03,000
What's going on?

438
00:25:05,600 --> 00:25:07,200
What are you doing?

439
00:25:15,960 --> 00:25:19,880
So Claire... she was my wife.

440
00:25:20,000 --> 00:25:23,520
She's British, you'd like her.

441
00:25:23,640 --> 00:25:25,120
And I'm your wife, in fact.

442
00:25:25,240 --> 00:25:27,440
[Matthew] Claire found out
I was involved

443
00:25:27,560 --> 00:25:32,600
and took what you might call
a dim view.

444
00:25:32,720 --> 00:25:35,040
She blocked me.

445
00:25:35,160 --> 00:25:36,280
You ever been blocked?

446
00:25:36,400 --> 00:25:38,720

I've had enough.
Matthew, it's done.

447
00:25:38,840 --> 00:25:41,200
- Stop it. Stop.
- Not this time.

448
00:25:42,960 --> 00:25:44,680
[Matthew]
It drives you crazy.

449
00:25:44,800 --> 00:25:47,120
- Why? Why?
- Once they hit
that button, that's it,

450
00:25:47,240 --> 00:25:50,600
you're locked out.
End of conversation.
You can't hear or speak to them.

451
00:25:50,720 --> 00:25:52,400
They can't hear
or speak to you.

452
00:25:52,520 --> 00:25:59,000
Every time you look at them,
there's just this...
anonymous shape.

453
00:25:59,120 --> 00:26:02,960
It usually only lasts
for what, like an hour.

454
00:26:03,080 --> 00:26:05,040
But when
they leave it going,

455
00:26:05,160 --> 00:26:07,920
oh, shit.

456
00:26:08,040 --> 00:26:10,800
Price of progress, I suppose.

457
00:26:13,600 --> 00:26:15,560
[exhales deeply] We all got...

458
00:26:15,680 --> 00:26:17,520
We all got
Zed-Eyes put in, right.

459
00:26:17,640 --> 00:26:21,200
Which is all fine and dandy
until something like this
happens

460
00:26:21,320 --> 00:26:23,800
and then it's bullshit.

461
00:26:23,920 --> 00:26:26,120
You can't
even take them out.

462
00:26:31,640 --> 00:26:33,720
Packet gravy.

463
00:26:33,840 --> 00:26:35,760
How British.

464
00:26:42,400 --> 00:26:43,680
Merry Christmas.

465
00:26:55,720 --> 00:26:59,560
Now we're festive. Huh?

466
00:27:01,200 --> 00:27:03,160
To Christmas!

467
00:27:10,520 --> 00:27:17,480
Anyway, she left me,
took custody of Mel,
that's our daughter.

468
00:27:17,600 --> 00:27:20,400
Hence, stranding me
in this lovely place.

469

00:27:20,520 --> 00:27:22,560
I didn't want to be
surrounded by reminders.

470

00:27:22,680 --> 00:27:24,680
[door slams shut]

471

00:27:31,640 --> 00:27:34,080
- What?
- Did you hear that?

472

00:27:34,200 --> 00:27:35,960
Hear what?

473

00:27:44,440 --> 00:27:47,160
Well, anyway,
I'm glad we're talking.

474

00:27:47,280 --> 00:27:52,160
Silence can be oppressive.
You think weird shit
in a vacuum, huh?

475

00:27:52,280 --> 00:27:56,560
I mean, you feel better, right?
Communicating?

476

00:27:57,920 --> 00:27:59,400
Talking to me, finally?

477

00:27:59,520 --> 00:28:01,480
A little bit, maybe. Yeah.

478

00:28:01,600 --> 00:28:05,640
[laughs]
Man, you are a locked box.

479

00:28:08,600 --> 00:28:10,720
I mean,
that's a good thing.

480

00:28:10,840 --> 00:28:14,400
Most people are too easy
to read, especially
if you know minds.

481

00:28:14,520 --> 00:28:18,240
Using party tricks to pick up
girls isn't "knowing minds."

482

00:28:18,360 --> 00:28:20,640
The picking up girls thing
was a hobby.

483

00:28:20,760 --> 00:28:25,000
My job
was completely different.

484

00:28:26,400 --> 00:28:29,120
You'll never guess
what that was.

485

00:28:30,320 --> 00:28:33,880
- Marketing person?
- No.

486

00:28:34,000 --> 00:28:36,640
- Door-to-door salesman?
- Please.

487

00:28:36,760 --> 00:28:40,880
Proctologist?

488

00:28:41,000 --> 00:28:44,560
- You're never going to get it.
- I'm not going to try.

489

00:28:44,680 --> 00:28:47,840
All right.
Let's make it a game.

490

00:28:51,080 --> 00:28:53,560
I'll describe to you...

491

00:28:53,680 --> 00:28:57,520
...my day at work, and you stop
me when you've guessed it.

492

00:28:57,640 --> 00:29:00,720
[man on TV] The extreme weather
has hit sales hard this
Christmas.

493

00:29:00,840 --> 00:29:02,640
Five inches of snow...

494

00:29:02,760 --> 00:29:06,240
[woman thinking] That's going
to wreck my portfolio just when
I need it.

495

00:29:06,360 --> 00:29:07,680
[sighs]

496

00:29:07,800 --> 00:29:10,120
Don't know what
I'm going to do about that.

497

00:29:10,240 --> 00:29:14,000
Oh, God, more messages.
I'll never clear this inbox.

498

00:29:15,800 --> 00:29:18,320
Sorry.
Constant bloody admin.

499

00:29:18,440 --> 00:29:19,880
Just time
for a little snack.

500

00:29:20,000 --> 00:29:22,240
I can eat
before an operation?

501

00:29:22,360 --> 00:29:24,560
Wonders of modern science.

502

00:29:24,680 --> 00:29:27,640
Oh, thank God.
I'm starving.

503
00:29:27,760 --> 00:29:29,880
[woman thinking]
That toast looks burnt.

504
00:29:30,000 --> 00:29:31,040
Should I say something?

505
00:29:31,160 --> 00:29:33,000
Yeah, I think
I'll say something.

506
00:29:33,120 --> 00:29:35,920
All good?

507
00:29:36,040 --> 00:29:39,600
To be honest, it's not quite how
I like it. It's a bit overdone.

508
00:29:40,520 --> 00:29:41,480
Sorry.

509
00:29:41,600 --> 00:29:43,440
I'll make some more.

510
00:29:43,560 --> 00:29:46,000
Bet she hates me now.

511
00:29:47,760 --> 00:29:51,040
How long
is this going to take?

512
00:29:51,160 --> 00:29:53,960
Hi, I'm Madge.
I'm your anaesthetist today.

513
00:29:54,080 --> 00:29:55,640
Hi.

514

00:29:55,760 --> 00:29:58,880
[woman thinking] God, she's
young. Hope she's qualified.

515

00:29:59,000 --> 00:30:02,600
OK, enough. Stop thinking about
things that could go wrong.

516

00:30:02,720 --> 00:30:07,800
They said it's straightforward
and painless. I'm just going
to relax.

517

00:30:07,920 --> 00:30:11,800
OK, Greta, just relax.
Here we go.

518

00:30:11,920 --> 00:30:13,640
[Madge] Now, just count
backwards from ten.

519

00:30:13,760 --> 00:30:19,320
Ten, nine,
eight, seven, six...

520

00:30:19,440 --> 00:30:22,320
- ...five...
- [Greta thinking]
Five, four, three,

521

00:30:22,440 --> 00:30:24,840
two, one.

522

00:30:24,960 --> 00:30:27,640
Um, I can't...
I can't see.

523

00:30:27,760 --> 00:30:30,480
Um, where am I?

524

00:30:30,600 --> 00:30:33,720
- Uh, what's that noise?
- [drill whirring]

525

00:30:33,840 --> 00:30:36,800
- [heart monitor beeping]
- Uh, why can't I see?!

526

00:30:36,920 --> 00:30:39,720
[woman]
Preparing to extract cookie.

527

00:30:39,840 --> 00:30:41,960
[Greta cookie] What?
No! Wait! I'm still awake!

528

00:30:42,080 --> 00:30:45,080
Oh, my God!
Oh, my God! What's happening?

529

00:30:45,200 --> 00:30:47,760
Excuse me? Oh, my God!'

530

00:30:48,920 --> 00:30:50,160
That's me!

531

00:30:50,280 --> 00:30:53,600
That's me!
Oh, my God! Where am I?

532

00:30:53,720 --> 00:30:55,520
I don't know
what's happening!

533

00:30:55,640 --> 00:30:57,640
I don't know
what's happening to me!

534

00:30:57,760 --> 00:30:59,800
[sobbing]

535

00:30:59,920 --> 00:31:01,480
Hello?

536

00:31:02,480 --> 00:31:04,440
Is... is anyone there?

537

00:31:04,560 --> 00:31:06,160
Hello?

538

00:31:08,360 --> 00:31:10,040
- [feedback]
- [Greta cookie] Ow!

539

00:31:10,160 --> 00:31:11,840
Sorry.

540

00:31:11,960 --> 00:31:15,680
[chuckles softly]

541

00:31:15,800 --> 00:31:20,680
You're probably pretty weirded
out right now, I'm guessing.

542

00:31:20,800 --> 00:31:24,440
It's OK, you can talk.
I can hear you through this.

543

00:31:25,480 --> 00:31:27,280
- [Greta cookie] Hello?
- Hi.

544

00:31:27,400 --> 00:31:33,000
I'm Matthew,
I'm from Smartelligence.

545

00:31:33,120 --> 00:31:36,880
My job is to explain what's
happening to you as best I can.

546

00:31:37,000 --> 00:31:40,840
- Oh, my God! Am I dead?
- No, no. You're not dead.

547

00:31:40,960 --> 00:31:42,560
No one's dead here.

548

00:31:42,680 --> 00:31:44,120

Um...

549

00:31:44,240 --> 00:31:48,320
...how old did you say
you we're, uh, 30?

550

00:31:48,440 --> 00:31:50,320
- Twenty-nine.
- Twenty-nine, right.

551

00:31:50,440 --> 00:31:53,120
Uh, so you won't remember
Xerox machines?

552

00:31:53,240 --> 00:31:57,280
- Do you know
what a photocopier is?
- What?

553

00:31:57,400 --> 00:31:58,920
Do you know
what a copy is?

554

00:31:59,040 --> 00:32:01,120
As in a copy of something?
Of course I know what that is.

555

00:32:01,240 --> 00:32:04,880
Well, that's what you are.

556

00:32:05,000 --> 00:32:07,280
A copy of...?

557

00:32:07,400 --> 00:32:09,480
A copy of you.

558

00:32:09,600 --> 00:32:12,280
- But I am me.
- OK.

559

00:32:12,400 --> 00:32:14,960
Try to blow on my face.

560
00:32:18,000 --> 00:32:23,200
You can't,
because you don't have a body.

561
00:32:23,320 --> 00:32:27,680
Where are your fingers?
Your arms, your face?

562
00:32:27,800 --> 00:32:29,400
Nowhere. [chuckles]

563
00:32:29,520 --> 00:32:31,320
Because you're code.

564
00:32:31,440 --> 00:32:35,160
You're a simulated brain
full of code,

565
00:32:35,280 --> 00:32:38,680
stored in this little widget
we call a cookie.

566
00:32:38,800 --> 00:32:40,640
Why have you
done this to me?

567
00:32:40,760 --> 00:32:43,600
Ah, well...
Actually you did this to you.

568
00:32:43,720 --> 00:32:46,200
Uh, real you
is paying for this.

569
00:32:46,320 --> 00:32:47,880
I don't understand.

570
00:32:48,000 --> 00:32:51,600
You see,
what this is, is a service.

571
00:32:51,720 --> 00:32:53,200

We take a blank cookie

572

00:32:53,320 --> 00:32:57,640
and we surgically implant it
into a client's brain.

573

00:32:57,760 --> 00:33:00,840
It sits there
just under the skin

574

00:33:00,960 --> 00:33:04,320
for about a week, shadowing.

575

00:33:04,440 --> 00:33:09,120
Um, soaking up the way
this particular mind works.

576

00:33:09,240 --> 00:33:12,120
That's why you think you're you.
You are you.

577

00:33:12,240 --> 00:33:15,280
Uh... but also not.

578

00:33:17,200 --> 00:33:21,480
Right. Well, it is a lot
to process, even from inside
a processor.

579

00:33:21,600 --> 00:33:24,920
- Put me back in my body!
- Hm.

580

00:33:25,040 --> 00:33:27,640
Well, that's where
real you lives.

581

00:33:27,760 --> 00:33:32,360
But... what we will do though
is we will give you a simulated
body.

582

00:33:32,480 --> 00:33:35,920

We find that sometimes
that helps. Are you ready?

583

00:33:36,040 --> 00:33:40,080
- What? I don't understand!
- Three, and two, one.

584

00:33:40,200 --> 00:33:42,400
[gasps]

585

00:33:44,200 --> 00:33:45,760
[continues gasping]

586

00:33:54,360 --> 00:33:55,960
[Matthew] Hey.

587

00:33:56,680 --> 00:33:58,640
Better?

588

00:34:02,560 --> 00:34:03,880
This is my body.

589

00:34:04,000 --> 00:34:08,360
Let's not get into that again.
Uh, look around you.

590

00:34:09,760 --> 00:34:11,880
You've got a control room.

591

00:34:13,240 --> 00:34:14,520
What's this for?

592

00:34:14,640 --> 00:34:18,560
That console, that's for you
to control the house.

593

00:34:18,680 --> 00:34:20,640
I mean, real you's house.

594

00:34:20,760 --> 00:34:24,480
Look, um, how do you
like your toast?

595

00:34:24,600 --> 00:34:30,600

- Wh... What?

- How do you like your toast?

596

00:34:30,720 --> 00:34:34,320

- Underdone. Slightly underdone.

- OK, perfect.

597

00:34:34,440 --> 00:34:37,160

Think about

how you like it...

598

00:34:37,280 --> 00:34:39,440

...then just

press the button.

599

00:34:41,920 --> 00:34:43,760

- Which one?

- It doesn't matter.

600

00:34:43,880 --> 00:34:45,760

You already know

you're making toast.

601

00:34:45,880 --> 00:34:49,080

The buttons

are symbolic mostly anyway.

602

00:34:54,000 --> 00:34:55,480

[button hums]

603

00:34:55,600 --> 00:34:58,480

See, this is your job now.

604

00:34:58,600 --> 00:35:00,720

You're in charge

of everything here.

605

00:35:00,840 --> 00:35:03,680

Uh, the temperature,

the lighting,

606

00:35:03,800 --> 00:35:06,400
what time the alarm clock
goes off in the morning.

607

00:35:06,520 --> 00:35:09,800
If there's
no food in the refrigerator.

608

00:35:09,920 --> 00:35:12,040
You...
You're in charge of ordering it.

609

00:35:13,160 --> 00:35:15,680
- For who?
- For real you.

610

00:35:15,800 --> 00:35:19,640
- She's paying.
- Where is real me?

611

00:35:21,640 --> 00:35:26,920
Taking a nap.
In the bedroom. Top right.

612

00:35:27,040 --> 00:35:28,320
[gasps]

613

00:35:34,880 --> 00:35:37,520
I don't want to be in here.

614

00:35:37,640 --> 00:35:39,160
I don't want to be in here.

615

00:35:39,280 --> 00:35:41,560
I don't want to be in here!

616

00:35:42,880 --> 00:35:44,640
- [toaster pops]
- [Matt] Hey.

617

00:35:45,880 --> 00:35:48,120
Just how you like it.

618
00:35:48,240 --> 00:35:50,720
- [screams]
- OK.

619
00:35:50,840 --> 00:35:54,080
Please stop screaming.
Are you going to stop screaming?

620
00:35:54,200 --> 00:35:56,560
Are you going to stop screaming?
No. OK.

621
00:35:56,680 --> 00:35:59,520
[silence]

622
00:36:00,720 --> 00:36:03,360
I'm sorry.
I had to mute you. It...

623
00:36:03,480 --> 00:36:05,640
[no audio]

624
00:36:08,080 --> 00:36:11,320
- Oh, sorry.
- [Greta cookie panting]

625
00:36:13,520 --> 00:36:18,000
Look. It'll be much easier
if you just comply.

626
00:36:18,120 --> 00:36:20,040
I'm not doing this.

627
00:36:20,160 --> 00:36:22,120
I'm not some sort of
push-button toaster monkey.

628
00:36:22,240 --> 00:36:27,080
- Would you prefer
to do nothing?
- Well, I'm not doing this!

629

00:36:27,200 --> 00:36:31,680
Right. Well, nothing it is then.
Let me show you what that
is like.

630

00:36:31,800 --> 00:36:35,200
Three weeks sound good?
That should give you a taste.

631

00:36:35,320 --> 00:36:37,960
What do you mean,
three weeks?

632

00:36:38,080 --> 00:36:40,200
If you just wait for a...
Just...

633

00:37:04,680 --> 00:37:07,000
- What about now?
- [gasps]

634

00:37:10,400 --> 00:37:12,920
Please. Don't do that again.

635

00:37:13,040 --> 00:37:17,160
Please. There's nothing
to do here. There's nothing.
There's just...

636

00:37:17,280 --> 00:37:18,800
I mean, there's nothing.

637

00:37:18,920 --> 00:37:21,880
- I did warn you.
- I couldn't even sleep.

638

00:37:22,000 --> 00:37:24,720
You don't need sleep.
Ready to go to work?

639

00:37:24,840 --> 00:37:28,760
Oh, no, no. No, I'm not.
Definitely not doing that.

640

00:37:28,880 --> 00:37:34,600
- OK. Well, have six months.
- No. Wait, wait!

641

00:37:34,720 --> 00:37:36,680
[Matthew] See, the trick
of it lay in breaking them

642

00:37:36,800 --> 00:37:42,480
without letting them snap
completely, if you get me.

643

00:37:42,600 --> 00:37:46,200
Too much time in solitary
and they'd just wig out.

644

00:37:46,320 --> 00:37:49,000
No use to anyone,
then you'd just sell them cheap

645

00:37:49,120 --> 00:37:51,080
to the games industry,
they become

646

00:37:51,200 --> 00:37:53,560
cannon fodder
for some war thing.

647

00:37:53,680 --> 00:37:57,360
[Matthew continues eating toast]

648

00:38:04,960 --> 00:38:07,400
- How are we feeling now?
- [gasps]

649

00:38:10,720 --> 00:38:13,400
[panting] Please.

650

00:38:14,640 --> 00:38:16,760
Give me something to do.

651

00:38:18,280 --> 00:38:19,960
Ready to work?

652

00:38:20,080 --> 00:38:23,160
Yes. Yes, please.

653

00:38:23,280 --> 00:38:24,840
I'll do anything.

654

00:38:24,960 --> 00:38:27,880
I'll do anything, just give me
something to do, please.

655

00:38:28,000 --> 00:38:31,000
- [footsteps approaching]
- OK.

656

00:38:32,640 --> 00:38:35,000
Great toast, by the way.

657

00:38:40,400 --> 00:38:42,000
Hey.

658

00:38:42,120 --> 00:38:44,080
Is it set up?

659

00:38:44,200 --> 00:38:47,000
You are all set
and ready to go.

660

00:38:56,960 --> 00:39:02,440
You know, as I was coming here,
I saw this guy with his shirt
off,

661

00:39:02,560 --> 00:39:05,320
riding a horse
in the middle of the street.

662

00:39:05,440 --> 00:39:09,600
- How weird.
- [chuckles] I swear to God.

663

00:39:24,240 --> 00:39:26,400
[electronic hums and beeps]

664

00:39:35,000 --> 00:39:39,200
[♪ Rossini:
"The Thieving Magpie"]

665

00:40:32,160 --> 00:40:36,880
[computerized voice] Good
morning, Greta. Here are
today's appointments.

666

00:40:37,000 --> 00:40:40,600
11am: hair with Stelios.

667

00:40:42,720 --> 00:40:48,400
12.30: Lunch at Barney's
Brasserie with Annabel.

668

00:40:48,520 --> 00:40:53,120
3pm: Jackanape Gallery
private view, Shoreditch.

669

00:40:53,240 --> 00:40:56,920
6.30: Christmas drinks
with Paolo.

670

00:40:57,040 --> 00:41:02,400
7.30: The Nutcracker,
Royal Opera House.

671

00:41:05,480 --> 00:41:07,600
That's slavery.

672

00:41:07,720 --> 00:41:10,320
- A little melodramatic,
isn't it?
- But she thought she was real.

673

00:41:10,440 --> 00:41:13,800
- But she wasn't.
- It's barbaric.

674

00:41:13,920 --> 00:41:17,720
It wasn't really real,
so it wasn't really barbaric.

675

00:41:26,040 --> 00:41:29,280
Again, you are not
who I expected.

676

00:41:31,600 --> 00:41:32,640
Most people would say,

677

00:41:32,760 --> 00:41:36,760
"She's only made of code,
she's not real. Fuck her."

678

00:41:37,920 --> 00:41:39,520
But you're empathetic.

679

00:41:41,120 --> 00:41:44,200
- You care about people.
- Well, don't you?

680

00:41:46,720 --> 00:41:48,360
You're a good man.

681

00:41:50,080 --> 00:41:51,880
Am I?

682

00:41:52,000 --> 00:41:55,560
Based on how you've reacted
to what I've said, yeah.

683

00:41:55,680 --> 00:41:57,600
I can tell you're kind.

684

00:42:02,120 --> 00:42:04,720
I'm not a good man.

685

00:42:06,680 --> 00:42:10,880
A good man
who's done bad things?

686

00:42:15,360 --> 00:42:18,760
You can tell me about it.

687

00:42:18,880 --> 00:42:21,120
I've done stuff in my life
I'm not proud of.

688

00:42:21,240 --> 00:42:23,960
I can't pretend I haven't.

689

00:42:27,920 --> 00:42:30,760
Was it something to do
with your family?

690

00:42:34,760 --> 00:42:36,520
Wife?

691

00:42:37,360 --> 00:42:39,120
Girlfriend?

692

00:42:40,920 --> 00:42:42,560
[chuckles]

693

00:42:42,680 --> 00:42:45,760
It's just us here.

694

00:42:50,440 --> 00:42:52,320
Her dad never liked me.

695

00:42:54,560 --> 00:42:57,160
He never liked me.

696

00:43:05,400 --> 00:43:08,920
Bloody cold, isn't it?
Come on.

697

00:43:11,800 --> 00:43:13,920
Beth. Bethany.

698

00:43:14,040 --> 00:43:15,640
[Beth] Dad, what now?

699

00:43:15,760 --> 00:43:17,280
It gets dark about six.

700

00:43:17,400 --> 00:43:20,920
- We won't be that long!
- Hold on. Let me put
my glove on.

701

00:43:23,480 --> 00:43:25,080
I think he disapproves.

702

00:43:25,200 --> 00:43:26,720
He's just protective.

703

00:43:26,840 --> 00:43:30,080
He thinks
I'm not good enough for you.

704

00:43:30,200 --> 00:43:33,720
Well, I mean,
he's got a point.

705

00:43:39,000 --> 00:43:41,880
Let me take a photo of you.
Stand there.

706

00:43:42,000 --> 00:43:43,560
Hang on.

707

00:43:43,680 --> 00:43:46,080
I feel so awkward posing.

708

00:43:46,200 --> 00:43:47,760
Come on. Be a supermodel.

709

00:43:47,880 --> 00:43:50,560
- This awkward enough for you?
- It's perfect.

710

00:43:50,680 --> 00:43:53,640
- Right. Ready? That's nice.

- [Beth laughs]

711

00:43:53,760 --> 00:43:55,680

- Hold it there.

- [camera shutter clicks]

712

00:43:55,800 --> 00:43:58,440

[both laugh]

713

00:43:58,560 --> 00:43:59,960

You're such a dick.

714

00:44:00,080 --> 00:44:02,160

[♪ Los Bravos:

"Black Is Black"]

715

00:44:07,760 --> 00:44:09,600

[sings rock music karaoke]

716

00:44:09,720 --> 00:44:11,680

[Beth whooping]

717

00:44:13,800 --> 00:44:15,840

[woman laughs loudly]

718

00:44:20,640 --> 00:44:22,160

[feedback on microphone]

719

00:44:22,280 --> 00:44:25,120

We were good together, you know.

We were really good together.

720

00:44:25,240 --> 00:44:28,000

[audience cheering]

721

00:44:33,080 --> 00:44:34,600

Whoop!

722

00:44:36,920 --> 00:44:39,960

[sings melancholy karaoke]

723

00:45:06,280 --> 00:45:07,920
Yeah!

724
00:45:08,040 --> 00:45:10,160
- [bottle clinking]
- Why are you all around there?

725
00:45:10,280 --> 00:45:13,600
- No. No, we're going home.
Come on.
- Don't manhandle me.

726
00:45:13,720 --> 00:45:15,240
I'm not going to get up
if you all touch me.

727
00:45:15,360 --> 00:45:16,800
I'm not going to get up.
I'm not going to get up.

728
00:45:16,920 --> 00:45:18,720
- It's cool. It's cool.
- [indistinct chattering]

729
00:45:18,840 --> 00:45:22,680
Come on, Joe.
I'll get your jacket.

730
00:45:22,800 --> 00:45:24,400
Cheers, mate.

731
00:45:24,520 --> 00:45:28,440
Things weren't perfection.
These things never are, but...

732
00:45:29,920 --> 00:45:30,880
...we were really happy.

733
00:45:31,000 --> 00:45:33,400
[all laughing]

734
00:45:33,520 --> 00:45:34,960
I'll let Gita

tell the story.

735

00:45:35,080 --> 00:45:37,280
She loves boring people
with our personal details.

736

00:45:37,400 --> 00:45:39,240
[laughter continues]

737

00:45:39,360 --> 00:45:42,360
Oh, I'd been working there
for about a fortnight

738

00:45:42,480 --> 00:45:46,560
when Beth introduced
the two of us, and ta-da!

739

00:45:46,680 --> 00:45:50,520
- So it's all Beth's doing.
- She's the puppet-master.

740

00:45:50,640 --> 00:45:52,160
[all laughing]

741

00:45:52,280 --> 00:45:54,120
What was her tip
for winning me over again?

742

00:45:54,240 --> 00:45:56,240
Not to let you
hear me snore.

743

00:45:56,360 --> 00:45:58,960
We all went on this work trip
once, before Gita's time,

744

00:45:59,080 --> 00:46:02,000
I fell asleep on the coach back
and snored so loud

745

00:46:02,120 --> 00:46:04,120
that they all thought there was
something wrong with me.

746
00:46:04,240 --> 00:46:06,520
He snores like a bison.

747
00:46:06,640 --> 00:46:08,320
- [Joe] Wow.
- [all laugh]

748
00:46:08,440 --> 00:46:10,360
Really,
you're telling him that?

749
00:46:10,480 --> 00:46:12,760
Oh, another one
bites the dust.

750
00:46:12,880 --> 00:46:15,920
[dishes clattering]

751
00:46:16,040 --> 00:46:19,600
I think she's more into him
than he's into her.

752
00:46:19,720 --> 00:46:21,360
Don't you think?

753
00:46:24,200 --> 00:46:25,160
Is that one finished?

754
00:46:25,280 --> 00:46:27,120
- [Beth] Mmm-hmm.
- Yeah?

755
00:46:28,600 --> 00:46:29,880
You all right?

756
00:46:30,000 --> 00:46:32,080
- I'm tired.
- You've been a bit quiet.

757
00:46:32,200 --> 00:46:34,280
Just wasn't in the mood,

you know?

758

00:46:34,400 --> 00:46:37,360

I see them
all the time at work.

759

00:46:39,200 --> 00:46:41,960

I think I'm going
to go to bed. Do you mind?

760

00:46:42,080 --> 00:46:44,120

No, that's fine.

761

00:46:55,800 --> 00:46:57,320

[whispers] Shit.

762

00:47:20,160 --> 00:47:21,680

Beth?

763

00:47:21,800 --> 00:47:25,000

- What?
- Is this yours?

764

00:47:26,440 --> 00:47:29,960

I just found it in the bin.
That means pregnant.

765

00:47:31,320 --> 00:47:33,360

Is it yours?

766

00:47:35,280 --> 00:47:37,120

Yes.

767

00:47:37,240 --> 00:47:38,520

[laughs]

768

00:47:38,640 --> 00:47:41,560

I mean, that...

769

00:47:41,680 --> 00:47:43,280

Christ.

770

00:47:46,000 --> 00:47:48,920
That's amazing, I mean...
It's just...

771

00:47:49,040 --> 00:47:51,160
Joe, I can't.

772

00:47:51,280 --> 00:47:55,160
A baby,
a pregnancy... not now.

773

00:47:55,280 --> 00:47:57,000
Not right now, I can't.

774

00:47:57,120 --> 00:48:00,200
Of course you can. My God,
you'll be an amazing mum.

775

00:48:00,320 --> 00:48:03,240
- No. I'm 27, I'm not ready.
- Who's ever ready?

776

00:48:03,360 --> 00:48:07,040
It's not... it's just too quick,
OK? It's all too quick.

777

00:48:07,160 --> 00:48:10,360
- We'll manage.
I'll surprise you.
- You're not listening.

778

00:48:10,480 --> 00:48:12,080
- I can be responsible
when pushed.
- Joe.

779

00:48:12,200 --> 00:48:15,160
You can put your feet up,
I'll do shoulder rubs,
paint the house.

780

00:48:15,280 --> 00:48:16,840
- Joe, please.

- We'll be like a couple
in a DIY ad.

781

00:48:16,960 --> 00:48:21,160
- Joe... I don't want it.
- We'll be like a family.

782

00:48:25,000 --> 00:48:27,960
- But it's a baby.
- Joe.

783

00:48:29,800 --> 00:48:31,840
- I mean, it's our baby.
- I know, and it's not
easy for me.

784

00:48:31,960 --> 00:48:35,080
- Well, let's at least
discuss this.
- No. I've made up my mind.

785

00:48:35,200 --> 00:48:36,640
Well, I haven't.

786

00:48:39,000 --> 00:48:41,040
God, look at you.

787

00:48:41,160 --> 00:48:42,480
You're pissed.

788

00:48:42,600 --> 00:48:46,280
You drank all night, Beth.

789

00:48:46,400 --> 00:48:48,280
You drank all night.

790

00:48:48,400 --> 00:48:49,560
Jesus Christ, you're pregnant.

791

00:48:49,680 --> 00:48:52,280
Yeah, well,
I don't want to be.

792

00:48:52,400 --> 00:48:55,440
- And I'm not going to be.
- You're being a bitch.

793

00:48:55,560 --> 00:48:58,400
- Stop it.
- You're being a cold bitch

794

00:48:58,520 --> 00:49:00,320
- who would kill a kid.
- That's not fair.

795

00:49:00,440 --> 00:49:02,000
Who'd get it torn out because
it doesn't suit her plans.

796

00:49:02,120 --> 00:49:04,760
- Stop or I'll block you.
- Don't you dare.

797

00:49:04,880 --> 00:49:06,560
No. We can talk tomorrow,
just please stop.

798

00:49:06,680 --> 00:49:09,720
- Don't you fucking dare.
- [Beth panting]

799

00:49:09,840 --> 00:49:13,160
[Joe] Turn it off!
Turn it off, you...!

800

00:49:13,280 --> 00:49:15,400
[muffled shouting]

801

00:49:15,520 --> 00:49:18,200
Listen to me, Beth!
Turn it off!

802

00:49:18,320 --> 00:49:20,120
You turn it off!

803

00:49:20,240 --> 00:49:22,400
Turn it off!

804
00:49:25,440 --> 00:49:27,800
You turn it off, Beth!

805
00:49:27,920 --> 00:49:31,080
Beth? Turn it off! Please!

806
00:49:31,200 --> 00:49:33,200
Turn it off.

807
00:49:52,600 --> 00:49:55,360
[keys rattling]

808
00:49:55,480 --> 00:49:58,920
- [door opens]
- Beth?

809
00:50:00,680 --> 00:50:04,320
Wait!
I'm sorry, I was pissed.

810
00:50:04,440 --> 00:50:06,200
Can we just talk about
this properly, please?

811
00:50:06,320 --> 00:50:09,680
I've said some really awful
shit. Beth, I love you.

812
00:50:09,800 --> 00:50:11,240
Listen,
we can work this out.

813
00:50:11,360 --> 00:50:14,200
[muffled shouting]

814
00:50:14,320 --> 00:50:16,880
Beth, please!

815
00:50:17,800 --> 00:50:19,400

Beth!

816

00:50:25,040 --> 00:50:29,840
That day, I didn't go to work.
I just stayed at home and...

817

00:50:29,960 --> 00:50:32,240
...tried to work out
how to make amends.

818

00:50:32,360 --> 00:50:35,560
But she just
didn't come back.

819

00:50:35,680 --> 00:50:38,080
And thanks to the block,
I couldn't...

820

00:50:38,200 --> 00:50:42,560
I couldn't message her.
I couldn't call her.

821

00:50:42,680 --> 00:50:44,520
After a week,
I was pretty desperate.

822

00:50:44,640 --> 00:50:50,360
So I just hung around outside
her work, like a stalker.

823

00:50:51,960 --> 00:50:54,200
Tim! Gita!

824

00:50:54,320 --> 00:50:56,520
Have you seen Beth?

825

00:50:56,640 --> 00:50:58,280
Um, she left.

826

00:50:58,400 --> 00:51:00,280
Left. What, like...?

827

00:51:00,400 --> 00:51:01,840
Handed in her notice.

828
00:51:01,960 --> 00:51:03,520
No one knows where she is.

829
00:51:10,040 --> 00:51:11,680
[Gita] Joe?

830
00:51:12,840 --> 00:51:14,840
- Joe!
- No, leave him.

831
00:51:14,960 --> 00:51:17,720
I was still hopeful
that she would get in touch,

832
00:51:17,840 --> 00:51:22,240
or at least remove the block
so that I could contact her.

833
00:51:22,360 --> 00:51:25,520
But no.

834
00:51:25,640 --> 00:51:28,040
When there's a block,
you can't even wallow properly.

835
00:51:28,160 --> 00:51:29,520
You can't switch it off.

836
00:51:29,640 --> 00:51:32,680
You can't take
the Zed-Eyes out.

837
00:51:32,800 --> 00:51:37,800
And it doesn't just block them,
it blocks every image of them.

838
00:51:37,920 --> 00:51:41,360
So every memory
I had of her was vandalised.

839
00:51:47,320 --> 00:51:51,040
And then one day
I'm out in town and...

840
00:51:54,040 --> 00:51:56,680
...it was her.

841
00:51:56,800 --> 00:51:58,720
She was pregnant.

842
00:52:02,560 --> 00:52:04,080
She'd kept it.

843
00:52:06,160 --> 00:52:08,720
Well, I just sort of lost it.
I just ran over

844
00:52:08,840 --> 00:52:10,800
and started pleading with her.
Just pleading.

845
00:52:10,920 --> 00:52:13,520
[muffled]

846
00:52:13,640 --> 00:52:17,320
Turn it off. Turn it off.
Just turn it off.

847
00:52:17,440 --> 00:52:20,960
- Turn it off.
Beth, turn it off.
- Help. Get him off me!

848
00:52:21,080 --> 00:52:24,320
Some passer-by
called the police.

849
00:52:24,440 --> 00:52:26,000
They took me
down the station.

850
00:52:26,120 --> 00:52:29,120

And that was that.

851

00:52:31,720 --> 00:52:34,280
So, by now, the block's
got legal backing.

852

00:52:34,400 --> 00:52:37,120
And there's a GPS so that if
I go within ten metres of her,

853

00:52:37,240 --> 00:52:39,040
bang, I get arrested.

854

00:52:41,440 --> 00:52:42,920
Harsh.

855

00:52:43,040 --> 00:52:46,480
Yeah, and I've got no idea
where she is.

856

00:52:46,600 --> 00:52:49,200
If... Whether she's had
the baby or not.

857

00:52:49,320 --> 00:52:51,920
Whether it's a boy
or a girl.

858

00:52:52,040 --> 00:52:55,080
If it's OK.

859

00:52:55,200 --> 00:52:57,880
I've got absolutely no way
of getting in touch with her.

860

00:52:58,000 --> 00:53:02,400
Except, um,
I knew where her dad lived.

861

00:53:02,520 --> 00:53:07,320
So I write her a letter,
this begging letter.

862

00:53:07,440 --> 00:53:11,320
Laying it all out, you know,
and, um, I get no response.

863

00:53:15,000 --> 00:53:16,760
So I write again...

864

00:53:20,280 --> 00:53:21,880
...and again...

865

00:53:23,520 --> 00:53:25,600
...and again.

866

00:53:26,400 --> 00:53:28,200
No response.

867

00:53:30,680 --> 00:53:32,600
She cut you out good.

868

00:53:32,720 --> 00:53:35,080
But there was one thing
I could do.

869

00:53:35,200 --> 00:53:38,360
I knew she spent every Christmas
with him at his place,

870

00:53:38,480 --> 00:53:42,760
so I knew that she would
definitely be there.

871

00:53:42,880 --> 00:53:48,560
So, the day before,
Christmas Eve, I headed up.

872

00:53:50,800 --> 00:53:54,960
And where her dad lived
was this isolated place
in the back of beyond.

873

00:53:55,080 --> 00:53:57,360
I'd never been up there

without her.

874

00:53:57,480 --> 00:54:02,520
It was weird being
on the outside.

875

00:54:02,640 --> 00:54:05,720
I waited there all day.
Until...

876

00:54:21,040 --> 00:54:23,280
Well, I had to take
a closer look.

877

00:54:23,400 --> 00:54:25,240
You alright
to get those bags, Beth?

878

00:54:25,360 --> 00:54:29,400
And there's her dad
with our baby, but I can't
even see its face because...

879

00:54:29,520 --> 00:54:32,800
Legal blocks
cover offspring too.

880

00:54:33,960 --> 00:54:35,880
Been there.

881

00:54:36,000 --> 00:54:38,360
That hurts.

882

00:54:41,880 --> 00:54:45,880
[Joe] I couldn't even tell
if it was a boy or a girl.

883

00:54:54,640 --> 00:54:57,240
I know it sounds stupid...

884

00:55:01,080 --> 00:55:03,200
...but seeing something...

885

00:55:05,240 --> 00:55:07,440
...was better than nothing.

886

00:55:09,800 --> 00:55:11,440
So I kept going back.

887

00:55:13,680 --> 00:55:16,200
It became
an annual pilgrimage.

888

00:55:17,920 --> 00:55:23,280
Once a year I'd head up there
and watch them from a distance.

889

00:55:23,400 --> 00:55:26,520
Watching the kid grow up,
you know?

890

00:55:31,280 --> 00:55:35,120
[muffled]

891

00:55:40,280 --> 00:55:43,160
More than anything I just wanted
to make some sort of contact.

892

00:55:43,280 --> 00:55:45,080
Anything.

893

00:55:45,200 --> 00:55:48,800
So, one Christmas, kid must
have been about four by now,

894

00:55:48,920 --> 00:55:52,880
I headed up there and I took
a little present with me.

895

00:55:53,000 --> 00:55:56,680
Just a small, stupid thing.

896

00:56:00,320 --> 00:56:05,520
For the first time,
I could see she was a girl.

897

00:56:07,960 --> 00:56:10,200
I had a daughter.

898

00:56:14,760 --> 00:56:18,480
So, Santa Claus...

899

00:56:18,600 --> 00:56:22,120
...did you try it
again next year?

900

00:56:22,240 --> 00:56:24,880
Something happened
before then.

901

00:56:29,920 --> 00:56:34,000
It had been a few months since
I'd been up there to look
at my daughter.

902

00:56:34,120 --> 00:56:38,320
I was just sat at home watching
TV, flipping through the
channels.

903

00:56:38,440 --> 00:56:40,440
[man on TV] ...which claimed
the lives of 26 people

904

00:56:40,560 --> 00:56:42,520
on a quiet Wednesday morning.

905

00:56:42,640 --> 00:56:46,200
Passengers like Palab Ghatak,
just 18, on his way to his
first job interview,

906

00:56:46,320 --> 00:56:50,440
like Bethany Grey, the young
mother who'd only recently
started...'

907

00:56:50,560 --> 00:56:54,720

[pauses TV]

908

00:56:54,840 --> 00:56:56,960
It had been so long since
I'd seen her, it was hard
to imagine

909

00:56:57,080 --> 00:57:00,680
anything but that shadow
in her place.

910

00:57:00,800 --> 00:57:03,760
But now that the block
had died with her...

911

00:57:05,280 --> 00:57:07,200
...there she was.

912

00:57:09,360 --> 00:57:11,360
She was gone.

913

00:57:11,480 --> 00:57:14,040
[sobbing]

914

00:57:16,400 --> 00:57:18,480
Sorry.

915

00:57:23,680 --> 00:57:26,760
But there was, uh,
one silver lining...

916

00:57:27,520 --> 00:57:28,480
...with the block gone.

917

00:57:28,600 --> 00:57:31,320
You'd get
to see your daughter.

918

00:57:36,200 --> 00:57:40,520
It was almost Christmas, so
I bought her this snow globe.

919

00:57:40,640 --> 00:57:43,360
Just a present to give her.

920
00:57:43,480 --> 00:57:46,440
And I headed up
to Beth's dad's.

921
00:58:02,080 --> 00:58:04,120
And there she was.

922
00:58:06,760 --> 00:58:09,120
Not a silhouette...

923
00:58:11,160 --> 00:58:12,800
...but real.

924
00:58:34,440 --> 00:58:36,040
Hello, darling.

925
00:58:39,160 --> 00:58:42,520
[gasps]

926
00:58:48,000 --> 00:58:51,360
[melancholy song plays]

927
00:59:23,560 --> 00:59:24,920
[song fades]

928
00:59:25,040 --> 00:59:27,800
What is it, May?
Would you like a drink?

929
00:59:27,920 --> 00:59:32,280
[Christmas music on radio]

930
00:59:36,920 --> 00:59:38,760
What are you doing here?

931
00:59:50,320 --> 00:59:52,120
Beth's dead.

932

00:59:52,240 --> 00:59:54,080
Do you understand?

933

00:59:54,200 --> 00:59:56,440
She's dead.

934

00:59:56,560 --> 00:59:58,920
There's nothing for you here.

935

01:00:02,640 --> 01:00:04,720
Where's my daughter?

936

01:00:06,280 --> 01:00:08,240
What daughter?

937

01:00:08,360 --> 01:00:11,880
This is Beth's daughter.

938

01:00:12,000 --> 01:00:14,400
I want to see my daughter.

939

01:00:15,200 --> 01:00:18,400
May, go upstairs.

940

01:00:32,720 --> 01:00:35,560
If this is about
those letters...

941

01:00:35,680 --> 01:00:39,160
...I threw them out
before she saw them.

942

01:00:39,280 --> 01:00:42,600
She was a mess, she'd had
to leave everything behind.

943

01:00:46,080 --> 01:00:49,840
I want to see my daughter.

944

01:00:49,960 --> 01:00:52,800
I think you should go.

945
01:00:57,960 --> 01:01:00,720
Get out of this house.

946
01:01:07,840 --> 01:01:09,200
I want to see my daughter.

947
01:01:09,320 --> 01:01:11,440
You have no daughter here!

948
01:01:11,560 --> 01:01:12,880
[shouts in pain]

949
01:01:13,000 --> 01:01:15,400
- [clattering]
- [panting]

950
01:01:41,160 --> 01:01:43,480
[exhales last breath]

951
01:01:52,400 --> 01:01:54,240
[birds chirping]

952
01:01:58,560 --> 01:02:00,200
It was that clock.

953
01:02:00,320 --> 01:02:03,480
It was that clock.

954
01:02:04,560 --> 01:02:07,000
Then what happened?

955
01:02:11,440 --> 01:02:13,400
Tell me.

956
01:02:14,160 --> 01:02:16,600
[Joe] I just left.

957
01:02:34,480 --> 01:02:39,480
I go out in the car
and I just drove.

958

01:02:39,600 --> 01:02:42,680
Anywhere.
I don't know where.

959

01:02:47,280 --> 01:02:49,320
I walked
into the nearest town

960

01:02:49,440 --> 01:02:55,240
and I, um... I slept
on the streets and drank.

961

01:02:59,400 --> 01:03:03,560
After a while, I don't know
how long, a couple of months,
they picked me up.

962

01:03:05,440 --> 01:03:09,240
They wanted me to talk
but I couldn't talk...

963

01:03:10,840 --> 01:03:15,320
...because if I said it,
it would be real.

964

01:03:16,880 --> 01:03:20,520
So I didn't say anything,
I didn't tell them.

965

01:03:25,000 --> 01:03:27,040
And what about the girl?

966

01:03:29,280 --> 01:03:31,600
What happened to the girl?

967

01:03:32,960 --> 01:03:34,840
[sniffling]

968

01:03:34,960 --> 01:03:37,680
I only know what they said.

969

01:03:38,960 --> 01:03:40,520

What did they say?

970

01:03:50,800 --> 01:03:53,120

- What did they say?
- What is this place?

971

01:03:53,240 --> 01:03:56,360

- What did they say?
- What job do we do here?

972

01:03:56,480 --> 01:03:59,520

- Our job. The job.
- Joe, stay with me.

973

01:03:59,640 --> 01:04:01,560

What did they say?

974

01:04:01,680 --> 01:04:04,080

What did they say, Joe?

975

01:04:04,200 --> 01:04:07,960

That she just...
she just stayed in the house.

976

01:04:21,120 --> 01:04:23,160

It was, um...

977

01:04:23,280 --> 01:04:25,080

It was Christmas Eve,
so she just...

978

01:04:25,200 --> 01:04:28,840

...she just stayed hidden.
She didn't move.

979

01:04:36,000 --> 01:04:40,040

Then on Boxing Day she realised
that no one was going to help.

980

01:04:45,640 --> 01:04:50,440

Then she, um, gave her granddad
a present that she'd made.

981
01:04:57,080 --> 01:05:00,280
And she went out
to go and get help.

982
01:05:13,240 --> 01:05:14,880
How far did she get?

983
01:05:23,960 --> 01:05:27,160
May God forgive me.
God forgive me.

984
01:05:28,000 --> 01:05:29,760
So you confess?

985
01:05:31,400 --> 01:05:32,840
Joe?

986
01:05:37,920 --> 01:05:40,440
Just say it.

987
01:05:41,560 --> 01:05:42,880
Just let it out.

988
01:05:52,200 --> 01:05:54,960
I confess. I confess.

989
01:05:55,080 --> 01:05:57,960
[whimpering]

990
01:06:05,320 --> 01:06:06,840
Whoo! I knew I could do it.

991
01:06:06,960 --> 01:06:09,320
Boom! I told you I'd get it.

992
01:06:09,440 --> 01:06:11,920
All right, I'm coming out.

993
01:06:13,240 --> 01:06:15,200
Sorry, Joe.

994

01:06:26,840 --> 01:06:28,720
[exhales deeply]

995

01:06:35,560 --> 01:06:37,320
Well? That had to be enough.

996

01:06:37,440 --> 01:06:40,200
Full confession.
Clear conviction.

997

01:06:40,320 --> 01:06:41,960
Well done.

998

01:06:42,080 --> 01:06:44,720
Two days we pressed him
and he said piss all,

999

01:06:44,840 --> 01:06:46,960
this bastard cracks him
in 70 minutes.

1000

01:06:47,080 --> 01:06:50,880
He knows he's guilty,
he needed to unload.

1001

01:06:51,000 --> 01:06:53,720
It wasn't really 70 minutes,
not to him.

1002

01:06:53,840 --> 01:06:57,400
When he was first ingested,
I tweaked the time preferences,

1003

01:06:57,520 --> 01:07:00,800
made it seem like five years
from his perspective.

1004

01:07:00,920 --> 01:07:04,920
Some might say that five years
with me is punishment enough.

1005

01:07:05,680 --> 01:07:07,400

Wait here.

1006

01:07:14,520 --> 01:07:17,120
Mr Potter.

1007

01:07:17,240 --> 01:07:19,360
Congratulations
on your confession.

1008

01:07:19,480 --> 01:07:25,200
That cookie we took out
of your head just gave us
the full story.

1009

01:07:25,320 --> 01:07:27,240
So you can keep the silent act
up as long as you want.

1010

01:07:27,360 --> 01:07:30,320
Makes no difference,
you've already talked.

1011

01:07:34,480 --> 01:07:37,240
Also, Merry Christmas.

1012

01:07:47,680 --> 01:07:51,880
So... The deal?

1013

01:07:52,000 --> 01:07:55,720
Break a confession from him
and I go free, right?

1014

01:07:56,640 --> 01:07:58,160
I'm the expert,
you needed me.

1015

01:07:58,280 --> 01:08:01,480
That's one
for the Home Office.

1016

01:08:01,600 --> 01:08:05,080
We'll make good on the offer.
You're free to go, Mr Trent.

1017
01:08:05,200 --> 01:08:06,800
[relieved sigh]

1018
01:08:06,920 --> 01:08:09,640
[woman] With some caveats.

1019
01:08:09,760 --> 01:08:12,640
- Caveats?
- You'll be on the register.

1020
01:08:12,760 --> 01:08:14,320
What register?

1021
01:08:14,440 --> 01:08:16,560
The one
for Peeping Tom pervs.

1022
01:08:16,680 --> 01:08:20,360
All I did was help some lonely
guys by providing a service.

1023
01:08:20,480 --> 01:08:21,640
An illegal service.

1024
01:08:21,760 --> 01:08:23,960
You also failed
to report a murder,

1025
01:08:24,080 --> 01:08:26,640
fatal poisoning,
in case you've forgotten.

1026
01:08:26,760 --> 01:08:29,080
Kept that information from your
Cookie Monster mate, didn't you?

1027
01:08:29,200 --> 01:08:31,400
What does it mean,
this register?

1028
01:08:31,520 --> 01:08:33,800

- It means you're blocked.
- By who?

1029
01:08:33,920 --> 01:08:37,040
By everyone.

1030
01:08:37,160 --> 01:08:39,480
[choir singing Christmas hymn]

1031
01:08:56,800 --> 01:08:59,640
[indistinct chattering]

1032
01:09:08,880 --> 01:09:10,400
[man] Hot chestnuts!

1033
01:09:10,520 --> 01:09:12,680
[muffled chattering]

1034
01:09:56,120 --> 01:09:58,680
[anxious panting]

1035
01:10:10,560 --> 01:10:13,560
[♪ Wizzard: "I Wish It Could
Be Christmas Every Day"]

1036
01:10:20,440 --> 01:10:21,520
Hey, come on.

1037
01:10:21,640 --> 01:10:23,560
Just changing
the time settings.

1038
01:10:23,680 --> 01:10:25,960
Cranked him up
to 1,000 years a minute.

1039
01:10:26,080 --> 01:10:30,440
There's a proper sentence. Or do
you want me to switch him off?

1040
01:10:35,440 --> 01:10:38,560
No. Leave him

on for Christmas.

1041
01:11:11,480 --> 01:11:14,360
[music continues]

1042
01:11:25,080 --> 01:11:27,640
[music continues]

1043
01:11:36,600 --> 01:11:40,480
[screaming]

1044
01:11:43,440 --> 01:11:44,880
[screaming]

1045
01:12:02,000 --> 01:12:05,760
[music continues]
