Aruhan Galieva	...	Village Mother
Simon Connolly	...	Doctor
Dean Ashton	...	Guard Bradley
Kave Niku	...	Villager
Thomas Thoro	...	Villager #2
Loreece Harrison	...	Dream Girl
Toby Oliver	...	Boy Roach
Michael Birch	...	Roach

1

00:00:17,800 --> 00:00:19,480  
[glass cracks]

2

00:01:09,680 --> 00:01:14,720  
[woman] Okay, my people!  
Rise and shine. Get up, Stripe.

3

00:01:14,800 --> 00:01:16,280  
[banging]

4

00:01:17,600 --> 00:01:19,400  
Hey. You awake yet?

5

00:01:19,960 --> 00:01:23,520  
-Sure as shit ain't dreaming no more.  
-[woman] Company!

6

00:01:23,600 --> 00:01:26,400  
Something went down last night  
in Her Falls,

7

00:01:26,960 --> 00:01:28,800  
a village about three miles east.

8

00:01:29,320 --> 00:01:33,240  
We've got reports of a food store  
broken into, shit stolen.

9

00:01:34,040 --> 00:01:35,640  
Locals think it's roaches.

10

00:01:35,720 --> 00:01:36,960  
[woman] Roaches!

11

00:01:37,040 --> 00:01:40,040  
We head out in five minutes. Let's go!  
[claps]

12

00:01:42,320 --> 00:01:45,960  
Hey, so, it looks like you're getting  
your first real-live roach hunt, huh?

13

00:01:50,200 --> 00:01:51,400  
[laughs]

14

00:01:58,480 --> 00:02:00,720  
[clamoring]

15

00:02:12,320 --> 00:02:13,440  
Hey, new!

16

00:02:15,720 --> 00:02:16,520  
New!

17

00:02:17,200 --> 00:02:18,440  
It's Stripe.

18

00:02:18,520 --> 00:02:20,640  
Here's a little tip just in case  
you get your first toe-to-toe

19

00:02:20,720 --> 00:02:22,280  
-with one of them roaches today.  
-Uh-huh?

20

00:02:23,600 --> 00:02:24,800  
When you see one right here,

21

00:02:25,320 --> 00:02:28,320  
try not to shit your pants.  
It's only gonna piss them off.

22

00:02:30,080 --> 00:02:32,240  
-I'll try.  
-Try to ignore Len.

23

00:02:32,760 --> 00:02:34,680  
His aim's so bad,  
he's the only guy on Earth

24

00:02:34,760 --> 00:02:36,840  
who could shit his own pants and miss.

25

00:02:36,920 --> 00:02:39,240  
-Fuck you, farm girl.  
-Farm girl?

26  
00:02:39,760 --> 00:02:41,400  
[woman] Yeah. Hunting's in my blood.

27  
00:02:41,480 --> 00:02:43,440  
-Some of us are naturals.  
-[engine starts]

28  
00:02:43,520 --> 00:02:44,320  
Moving out!

29  
00:02:47,960 --> 00:02:50,120  
Whoo! Yeah!

30  
00:02:52,160 --> 00:02:54,720  
-[baby crying]  
-[chickens clucking]

31  
00:02:55,920 --> 00:02:58,080  
[soldiers speaking Danish]

32  
00:03:02,120 --> 00:03:03,680  
Whoa, whoa, whoa. Okay.

33  
00:03:07,040 --> 00:03:09,320  
-You can speak now.  
-[robotic voice interpreting]

34  
00:03:10,160 --> 00:03:11,640  
[speaking Danish]

35  
00:03:11,720 --> 00:03:15,520  
-[machine] It must have been roaches.  
-Roaches, you see them? You see?

36  
00:03:16,240 --> 00:03:18,680  
-[speaking Danish]  
-[machine] I didn't see them.

00:03:18,760 --> 00:03:22,920  
[machine] I heard them.  
All the mess. It must have been them.

38  
00:03:23,000 --> 00:03:25,200  
-Want a cookie?  
-[man speaking Danish]

39  
00:03:25,280 --> 00:03:27,680  
-Here you go.  
-[machine] They've been in the food.

40  
00:03:27,760 --> 00:03:29,320  
[speaking Danish]

41  
00:03:30,200 --> 00:03:32,520  
[machine] We'll have to destroy  
everything they left.

42  
00:03:33,400 --> 00:03:34,480  
No one will eat it.

43  
00:03:36,240 --> 00:03:37,960  
[woman] We can replace that, okay?

44  
00:03:38,040 --> 00:03:39,680  
[machine interprets]

45  
00:03:39,760 --> 00:03:42,000  
[man speaking Danish]

46  
00:03:42,080 --> 00:03:45,240  
[machine] They destroyed the cooler.  
Broke it and took the parts.

47  
00:03:45,920 --> 00:03:48,040  
The cooler?  
They stole parts from the cooler?

48  
00:03:48,120 --> 00:03:50,160  
[machine interprets]

49

00:03:50,240 --> 00:03:51,960  
-Which way did they go?  
-[machine interprets]

50

00:03:52,040 --> 00:03:54,840  
[speaks Danish]

51

00:03:54,920 --> 00:03:57,400  
[machine] There were footprints  
in the dirt leading that way.

52

00:03:57,480 --> 00:03:59,640  
-Parn Heidekker.  
-[machine beeps]

53

00:04:01,120 --> 00:04:03,160  
-Parn Heidekker.  
-[machine beeps]

54

00:04:03,240 --> 00:04:05,200  
-Heidekker? Is that a name?  
-[machine interprets]

55

00:04:09,080 --> 00:04:11,920  
Stop them coming. Please, you must stop.

56

00:04:13,120 --> 00:04:13,920  
Okay.

57

00:04:15,800 --> 00:04:17,480  
I have child who is scared.

58

00:04:19,000 --> 00:04:21,200  
I will. I promise.

59

00:04:23,120 --> 00:04:26,280  
[whispering in Danish]

60

00:04:28,840 --> 00:04:29,960  
[woman] Stripe!

61

00:04:30,040 --> 00:04:31,360

[whispering continues]

62

00:04:36,960 --> 00:04:38,960  
Okay. Our friend here thinks  
that the roaches

63

00:04:39,040 --> 00:04:40,800  
went in the direction  
of Parn Heidekker's place.

64

00:04:40,880 --> 00:04:43,160  
Local oddball, seems to be some kind  
of religious freak.

65

00:04:43,240 --> 00:04:45,560  
Anderson, Hague, I want you  
to stay here and help them torch the food,

66

00:04:45,640 --> 00:04:47,040  
keep them calm and reassured.

67

00:04:47,120 --> 00:04:49,400  
The rest of you,  
we're gonna drop in on Heidekker.

68

00:04:49,480 --> 00:04:51,400  
Ask some questions,  
sniff around the place.

69

00:04:51,840 --> 00:04:54,240  
If there's roaches,  
we show we're ready for them. Let's go.

70

00:04:55,240 --> 00:04:59,360  
So Mr. Heidekker is not exactly  
what you call a socialite or a mingler.

71

00:04:59,440 --> 00:05:00,880  
Seems like mental health issues.

72

00:05:00,960 --> 00:05:03,680  
He's got some interesting views  
on roaches, by all accounts.

73

00:05:03,760 --> 00:05:05,880  
I'm putting his info  
in your Mass system now.

74

00:05:09,360 --> 00:05:11,440  
Been complaints lodged against him  
going months back.

75

00:05:11,520 --> 00:05:14,800  
Locals claim that he let roaches  
cross his land, left food out for them.

76

00:05:15,400 --> 00:05:17,560  
Could be just shit talk  
from the local villagers though so...

77

00:05:28,480 --> 00:05:30,120  
Yo, how many roaches  
we got left out here?

78

00:05:30,880 --> 00:05:33,160  
A couple of thousand?  
A couple of hundred, if that?

79

00:05:33,680 --> 00:05:36,080  
I mean, back home we had millions, man.

80

00:05:36,160 --> 00:05:38,120  
It only took two years  
to get shit back on track.

81

00:05:38,200 --> 00:05:41,000  
Out here you got rustic fucks  
throwing them scraps.

82

00:05:41,080 --> 00:05:43,080  
No wonder it's taken so long  
to mop shit up.

83

00:05:43,160 --> 00:05:45,560  
But how can anyone be dumb enough  
to help a fucking roach?

84

00:05:46,080 --> 00:05:46,920  
Hell, yeah.

85

00:05:50,520 --> 00:05:52,920  
[whirring]

86

00:06:01,520 --> 00:06:02,520  
Portals front and rear.

87

00:06:06,520 --> 00:06:07,680  
Windows blacked out.

88

00:06:11,040 --> 00:06:13,520  
Chimney smoke. Someone's home.

89

00:06:14,760 --> 00:06:16,400  
Lennard, you use the boomer.

90

00:06:27,200 --> 00:06:28,360  
[cocks gun]

91

00:06:33,400 --> 00:06:34,440  
[cocks gun]

92

00:06:41,560 --> 00:06:43,880  
Okay, Mass check. Everyone got the layout?

93

00:06:43,960 --> 00:06:45,000  
-[woman] Check.  
-[man] Check.

94

00:06:47,400 --> 00:06:48,280  
Check.

95

00:06:48,360 --> 00:06:51,600  
[woman] Aikin, Valcon, Coach,  
you check the outbuildings here.

96

00:06:51,680 --> 00:06:53,160  
Take them one at a time and slow.

97

00:06:54,000 --> 00:06:56,920  
Stripe, Raiman,  
you come with me and Lennard.

98

00:06:57,000 --> 00:06:58,360  
We go in here.

99

00:06:59,040 --> 00:07:01,240  
Len and I will talk to Heidekker,  
you check the rest of the house.

100

00:07:02,680 --> 00:07:03,760  
Okay.

101

00:07:05,840 --> 00:07:07,920  
Optimal outcome, no shots fired.

102

00:07:08,000 --> 00:07:09,240  
Except on a roach.

103

00:07:09,320 --> 00:07:10,360  
-[woman] Except on a roach.  
-[laughs]

104

00:07:28,680 --> 00:07:30,400  
[lock turns]

105

00:07:35,640 --> 00:07:37,880  
-[woman] Morning, sir.  
-[machine interprets]

106

00:07:37,960 --> 00:07:40,160  
There's no need for this.  
I speak your language.

107

00:07:41,320 --> 00:07:42,520  
Okay.

108

00:07:43,360 --> 00:07:45,840  
-What is it you want?  
-Just to talk.

109

00:07:48,080 --> 00:07:49,280  
That's what we're doing.

110

00:07:51,360 --> 00:07:53,320  
Be a little more neighbourly  
if we did it inside.

111

00:08:00,440 --> 00:08:01,400  
Check the upstairs rooms.

112

00:08:18,320 --> 00:08:21,000  
[woman] Relax. I'm not your enemy.

113

00:08:24,680 --> 00:08:25,840  
Where are they?

114

00:08:28,680 --> 00:08:30,040  
Where are who?

115

00:08:36,720 --> 00:08:37,720  
You know, we got a whole bunch

116

00:08:37,800 --> 00:08:39,960  
of frightened, angry people  
in that village.

117

00:08:40,760 --> 00:08:44,480  
Roaches have been breaking  
into the food stores, stealing supplies.

118

00:08:45,520 --> 00:08:46,720  
You know anything about that?

119

00:08:48,760 --> 00:08:49,760  
No.

120

00:08:52,080 --> 00:08:54,200  
[woman]  
See, it's not just what they stole.

121

00:08:55,120 --> 00:08:56,920  
All that food left is gonna be destroyed.

122  
00:08:57,000 --> 00:08:58,920  
-No one's gonna eat it.  
-[whispers] Stripe.

123  
00:08:59,000 --> 00:09:01,280  
[woman]  
Makes life harder for everyone.

124  
00:09:04,440 --> 00:09:07,320  
Cross on the wall there.  
You got principles.

125  
00:09:08,360 --> 00:09:11,520  
Think all life is sacred. And I get it.

126  
00:09:12,200 --> 00:09:14,600  
I agree. All life is sacred so...

127  
00:09:14,680 --> 00:09:17,800  
you even got to protect the roaches.  
Right?

128  
00:09:19,200 --> 00:09:22,720  
It's not their fault they're like that.  
They didn't ask for this.

129  
00:09:24,880 --> 00:09:27,200  
I get it. We get it.

130  
00:09:28,560 --> 00:09:30,000  
-[door bangs]  
-Mm-hmm.

131  
00:09:30,080 --> 00:09:31,560  
-[door bangs]  
-[bird squawks]

132  
00:09:36,960 --> 00:09:39,520  
[woman] There's shit  
in their blood that made them that way.

133

00:09:40,840 --> 00:09:42,160  
The sickness they're carrying.

134

00:09:43,240 --> 00:09:45,280  
That doesn't care about  
the sanctity of life

135

00:09:45,360 --> 00:09:48,520  
or the pain  
about who else is gonna suffer.

136

00:09:49,400 --> 00:09:54,440  
We don't stop the roaches,  
in five, ten, 20 years from now,

137

00:09:54,520 --> 00:09:58,360  
you're still gonna get kids born that way,  
and then they're gonna breed.

138

00:10:03,760 --> 00:10:04,760  
Bingo.

139

00:10:06,160 --> 00:10:08,320  
[woman]  
And so it goes on. That cycle of pain.

140

00:10:09,840 --> 00:10:13,160  
That sickness,  
and it could have been avoided.

141

00:10:14,120 --> 00:10:15,400  
Fucking roach nest.

142

00:10:22,120 --> 00:10:24,320  
You check in there. I'll take the stairs.

143

00:10:24,880 --> 00:10:27,280  
[woman] Every roach you save today,

144

00:10:27,360 --> 00:10:32,440  
you condemn God knows how many people

to despair and misery tomorrow.

145

00:10:34,280 --> 00:10:36,600  
You can't still see them as human.

146

00:10:37,720 --> 00:10:41,440  
Understandable sentiment, granted,  
but it's misguided.

147

00:10:45,240 --> 00:10:48,960  
We gotta take them out if humankind  
is gonna carry on in this world.

148

00:10:51,720 --> 00:10:53,080  
That's just the hard truth.

149

00:10:55,760 --> 00:10:57,120  
Gotta make sacrifices.

150

00:11:06,960 --> 00:11:09,720  
[screaming and snarling]

151

00:11:11,960 --> 00:11:13,720  
[high-pitched whistling]

152

00:11:14,720 --> 00:11:16,760  
-[gunshot]  
-[screaming]

153

00:11:16,840 --> 00:11:17,960  
What the fuck?

154

00:11:19,120 --> 00:11:20,720  
-[slashing sound]  
-[screeching]

155

00:11:23,800 --> 00:11:25,680  
[grunting]

other feelings too.

320

00:23:53,640 --> 00:23:57,640  
A moment of euphoria even.

321

00:23:58,080 --> 00:23:59,160

Yeah, I guess.

322

00:23:59,960 --> 00:24:01,760

I don't know,  
I thought maybe I'd feel...

323

00:24:02,640 --> 00:24:04,080

I don't know.

324

00:24:04,160 --> 00:24:06,840

-Something else?  
-Yeah, like...

325

00:24:06,920 --> 00:24:10,880

Regret. Something like that,  
but that just wasn't there.

326

00:24:11,880 --> 00:24:13,040

Hmm.

327

00:24:13,760 --> 00:24:15,360

So you'd do it again?

328

00:24:16,040 --> 00:24:18,040

Yeah, sure.

329

00:24:18,120 --> 00:24:21,800

So... why are you here? [laughs]

330

00:24:21,880 --> 00:24:23,480

I don't know. I mean...

331

00:24:25,680 --> 00:24:26,960

I had a few weird moments.

332

00:24:27,520 --> 00:24:29,880

My Mass looked like it was glitching out.

333

00:24:29,960 --> 00:24:33,920

But your implants,  
I mean, they passed every diagnostic.

334

00:24:34,000 --> 00:24:36,480  
-There is nothing wrong with that?  
-Yeah, they said it's fine.

335

00:24:37,560 --> 00:24:40,120  
I don't know, I think I just...

336

00:24:44,400 --> 00:24:45,600  
Felt like something was up with it.

337

00:24:46,400 --> 00:24:48,560  
-But there's not.  
-No.

338

00:24:48,640 --> 00:24:51,080  
[both laugh]

339

00:24:53,880 --> 00:24:57,840  
You did a big thing.  
You should be proud of yourself.

340

00:25:00,400 --> 00:25:01,200  
Okay?

341

00:25:03,200 --> 00:25:04,000  
It'll pass.

342

00:25:07,840 --> 00:25:09,800  
Let's get you a good sleep tonight, huh?

343

00:25:14,200 --> 00:25:15,880  
A real good sleep.

344

00:25:40,800 --> 00:25:42,560  
[echoes] Fuck me.

345

00:25:48,120 --> 00:25:50,200  
[breathes heavily]

346

00:26:02,600 --> 00:26:04,040  
[moans]

347  
00:26:11,480 --> 00:26:15,200  
[breathes heavily]

348  
00:26:28,680 --> 00:26:30,800  
[high-pitched whistling]

349  
00:26:38,400 --> 00:26:41,040  
[heavy breathing]

350  
00:26:42,440 --> 00:26:44,400  
[distortion]

351  
00:26:44,480 --> 00:26:47,320  
[heavy breathing]

352  
00:26:47,840 --> 00:26:48,800  
[gasps]

353  
00:26:52,640 --> 00:26:54,560  
[heavy breathing]

354  
00:27:06,240 --> 00:27:08,640  
-[rattling]  
-[high-pitched whistling]

355  
00:27:11,400 --> 00:27:13,000  
[gasps]

356  
00:28:23,880 --> 00:28:26,400  
-[baby crying]  
-[chattering]

357  
00:28:36,200 --> 00:28:38,400  
-Way to go, fuck fingers.  
-[scoffs]

358  
00:28:40,400 --> 00:28:43,640  
It seems Heidekker didn't stay silent  
too long once we got to work on him.

359

00:28:43,720 --> 00:28:46,040  
He's given up a location, someplace  
the roaches have been scavenging.

360  
00:28:46,120 --> 00:28:47,360  
[Raiman] Well, all right.

361  
00:28:47,440 --> 00:28:49,520  
[woman] It's a housing project  
that's been empty since the war.

362  
00:28:49,600 --> 00:28:50,680  
It's not far from here.

363  
00:28:50,760 --> 00:28:52,880  
So control wants us to do recon  
before we go back to base.

364  
00:28:52,960 --> 00:28:54,400  
Can we hurry it up here?

365  
00:29:05,680 --> 00:29:07,960  
We ought to burn the whole forest down,  
huh?

366  
00:29:08,920 --> 00:29:10,800  
Give those roaches nowhere to run.

367  
00:29:20,280 --> 00:29:21,640  
[whirring]

368  
00:29:28,720 --> 00:29:29,800  
Okay, you see that?

369  
00:29:32,040 --> 00:29:33,640  
Solar panel looks cleaner than the rest.

370  
00:29:36,160 --> 00:29:37,720  
And there are some cables.

371  
00:29:40,200 --> 00:29:43,480  
-There's got to be roaches leaching power.

-Why here?

372

00:29:43,560 --> 00:29:45,680  
[high-pitched whistling]

373

00:29:48,080 --> 00:29:49,160  
Christ knows.

374

00:29:53,920 --> 00:29:54,920  
All right.

375

00:29:56,760 --> 00:29:57,800  
Better dial it in.

376

00:29:58,880 --> 00:29:59,880  
[groans quietly]

377

00:30:01,320 --> 00:30:02,400  
[groans]

378

00:30:04,960 --> 00:30:06,360  
Control. This is Medina.

379

00:30:06,920 --> 00:30:09,680  
Positive ID. Signs of activity here  
at the housing project location.

380

00:30:11,560 --> 00:30:16,680  
Sighted one solar panel, looks  
recently wiped clean and some cabling.

381

00:30:19,040 --> 00:30:21,360  
-Roger so far.  
-[sniffing]

382

00:30:27,320 --> 00:30:29,200  
-You all right there?  
-Smell the grass.

383

00:30:30,760 --> 00:30:32,160  
We can't usually smell nothing.

384  
00:30:33,120 --> 00:30:35,680  
-You ever noticed that?  
-[Raiman] No, I never noticed that.

385  
00:30:35,760 --> 00:30:36,800  
[Medina] Requesting course of action.

386  
00:30:39,720 --> 00:30:41,600  
Didn't read. Please repeat.

387  
00:30:45,000 --> 00:30:46,000  
Okay.

388  
00:30:46,960 --> 00:30:49,160  
Control says we should fall back  
and await comm--

389  
00:30:49,240 --> 00:30:50,800  
-[gunfire]  
-[Raiman] Shit!

390  
00:30:52,560 --> 00:30:53,960  
[gunshot]

391  
00:30:55,120 --> 00:30:56,400  
Medina.

392  
00:30:56,480 --> 00:30:57,760  
[gunshot]

393  
00:31:02,320 --> 00:31:04,200  
-[gunshot]  
-Oh!

394  
00:31:04,280 --> 00:31:05,760  
Medina. [panting]

395  
00:31:07,480 --> 00:31:09,560  
Stripe, get back! She's dead. Come on!

396  
00:31:09,640 --> 00:31:11,600

[Stripe whimpers]

397

00:31:12,600 --> 00:31:15,440  
Okay. Ready? Cover me.

398

00:31:20,440 --> 00:31:21,920  
Rai! Rai, come on.

399

00:31:26,480 --> 00:31:27,520  
Okay.

400

00:31:28,560 --> 00:31:30,880  
[whirring]

401

00:31:32,640 --> 00:31:36,400  
Oh, fucking roach got a rifle.  
Jesus Christ.

402

00:31:40,080 --> 00:31:41,640  
Fuck. Piece of shit.

403

00:31:43,000 --> 00:31:44,560  
Okay, Stripe.

404

00:31:45,920 --> 00:31:48,080  
Stripe, come on. Get it together, dude.

405

00:31:48,160 --> 00:31:51,480  
He fired six shots.  
His rifle looks old, bolt action.

406

00:31:51,560 --> 00:31:54,800  
-Should take him ten seconds to reload.  
-We go in?

407

00:31:54,880 --> 00:31:56,280  
We go in and take him out.  
Are you with me?

408

00:31:56,840 --> 00:31:58,400  
-I'm with you.  
-Let's go!

409  
00:31:58,480 --> 00:32:00,600  
-[gunfire]  
-Follow me!

410  
00:32:08,560 --> 00:32:12,040  
[Raiman]  
Ready? Okay, three, two, one. Cover me.

411  
00:32:13,280 --> 00:32:15,520  
[high-pitched whistling]

412  
00:32:16,160 --> 00:32:18,440  
[groans]

413  
00:32:21,400 --> 00:32:22,800  
[breathes heavily]

414  
00:32:25,120 --> 00:32:27,320  
[Stripe groans, panting]

415  
00:32:28,880 --> 00:32:31,200  
-[gunshot]  
-Come on, man! What the fuck?

416  
00:32:54,160 --> 00:32:56,240  
[breathes heavily]

417  
00:33:13,440 --> 00:33:14,720  
What the fuck is this shit?

418  
00:33:18,680 --> 00:33:19,480  
Let's go.

419  
00:33:23,240 --> 00:33:24,040  
[Raiman] Stripe!

420  
00:33:26,920 --> 00:33:28,240  
[breathes heavily]

421  
00:33:30,120 --> 00:33:31,800

[door creaks]

422

00:33:42,400 --> 00:33:45,040

-[screams]

-Whoa, whoa! It's okay. Hey. Hey.

423

00:33:45,120 --> 00:33:48,120

-[wails]

-Calm down. Calm down. Calm down.

424

00:33:48,200 --> 00:33:52,160

It's okay. It's okay.

I'm not gonna hurt you.

425

00:33:52,240 --> 00:33:54,240

I'm not gonna hurt you. Okay?

426

00:33:54,320 --> 00:33:56,960

-Go on, get out of here. Go on.

-[panting]

427

00:33:57,040 --> 00:33:59,480

It's not safe. There's roaches here.

428

00:33:59,560 --> 00:34:01,200

[panting]

429

00:34:02,040 --> 00:34:02,920

Go on. Get.

430

00:34:05,920 --> 00:34:07,480

[panting]

431

00:34:09,199 --> 00:34:10,199

[gunshot]

432

00:34:12,360 --> 00:34:13,639

[gun cocks]

433

00:34:17,480 --> 00:34:18,600

[Raiman] Come on!

434  
00:34:21,520 --> 00:34:23,960  
-Rai, what did you do?  
-[Raiman] Shut up! Come on!

435  
00:34:24,040 --> 00:34:25,000  
What did you do, Rai?

436  
00:34:26,000 --> 00:34:27,560  
[breathes heavily]

437  
00:34:31,840 --> 00:34:33,520  
[panting]

438  
00:34:46,400 --> 00:34:47,720  
[gunshot]

439  
00:34:52,600 --> 00:34:53,680  
[Raiman] Got ya.

440  
00:34:55,400 --> 00:34:56,600  
[door bangs]

441  
00:34:57,840 --> 00:34:59,560  
[animal-like roaring]

442  
00:35:00,440 --> 00:35:01,560  
[gunfire]

443  
00:35:01,640 --> 00:35:02,640  
[groans]

444  
00:35:11,720 --> 00:35:12,800  
-[screaming]  
-Rai!

445  
00:35:14,400 --> 00:35:17,080  
-[screaming]  
-[gunfire]

446  
00:35:24,600 --> 00:35:26,280  
-[gunfire]

-[screaming]

447

00:35:47,120 --> 00:35:50,160  
[breathes heavily]

448

00:36:04,600 --> 00:36:06,160  
[speaks Danish]

449

00:36:06,240 --> 00:36:08,280  
-[woman] No!  
-[yells]

450

00:36:08,360 --> 00:36:10,200  
-Run!  
-What the fuck are you doing?

451

00:36:10,280 --> 00:36:13,320  
-You're killing them!  
-They're roaches! [yells]

452

00:36:13,920 --> 00:36:17,120  
You're fucking killing them, Rai!  
Fuck you!

453

00:36:17,200 --> 00:36:19,680  
What the fuck's wrong with you, man?  
You got some blown shit.

454

00:36:20,200 --> 00:36:21,640  
-Pull it together!  
-No.

455

00:36:23,400 --> 00:36:24,680  
[groans]

456

00:36:24,760 --> 00:36:26,840  
-[gunshot]  
-[groans]

457

00:36:30,640 --> 00:36:32,760  
[panting]

458

00:36:42,000 --> 00:36:44,280  
[groans]

459  
00:36:50,320 --> 00:36:52,800  
[panting] Are you all right?

460  
00:36:54,680 --> 00:36:56,880  
You gotta get out of here. Come on.

461  
00:36:58,560 --> 00:36:59,800  
Come on!

462  
00:37:10,640 --> 00:37:11,640  
[gasps]

463  
00:37:26,680 --> 00:37:28,320  
[grunts]

464  
00:37:28,400 --> 00:37:29,680  
Fuck!

465  
00:37:29,760 --> 00:37:31,680  
[breathes heavily]

466  
00:37:46,280 --> 00:37:47,360  
You better run.

467  
00:37:54,920 --> 00:37:57,080  
[wincing]

468  
00:38:00,840 --> 00:38:03,880  
Shh. Shh.

469  
00:38:21,640 --> 00:38:22,960  
[groans]

470  
00:39:22,960 --> 00:39:26,000  
[wind blowing]

471  
00:40:07,600 --> 00:40:08,400  
[both gasp]

472  
00:40:11,160 --> 00:40:12,160  
[groans]

473  
00:40:22,240 --> 00:40:23,280  
Here.

474  
00:40:25,400 --> 00:40:26,400  
I'm all right.

475  
00:40:34,000 --> 00:40:35,160  
[panting]

476  
00:40:53,160 --> 00:40:55,280  
You see me as I am.

477  
00:40:58,960 --> 00:40:59,800  
Of course I see you.

478  
00:41:02,880 --> 00:41:03,920  
You don't see roach?

479  
00:41:05,320 --> 00:41:06,800  
You ain't a roach.

480  
00:41:08,640 --> 00:41:09,760  
Roaches is all...

481  
00:41:11,640 --> 00:41:12,840  
Fucked up?

482  
00:41:15,360 --> 00:41:16,520  
Roaches don't speak.

483  
00:41:19,160 --> 00:41:20,840  
You just can't hear us.

484  
00:41:22,080 --> 00:41:26,520  
-What the fuck are you talking about?  
-Your implants. Your army implants.

485

00:41:27,200 --> 00:41:28,280  
The Mass system?

486

00:41:29,120 --> 00:41:31,680  
They put it in your head to help you fight,

487

00:41:31,760 --> 00:41:34,720  
and when it works,  
you see us as something other.

488

00:41:38,080 --> 00:41:42,880  
One of us, Luka,  
was making a... a machine.

489

00:41:44,000 --> 00:41:47,400  
Light flashes.  
Said it can interfere with the implant.

490

00:41:49,400 --> 00:41:50,840  
You're roaches?

491

00:41:54,680 --> 00:41:56,080  
But I've seen roaches.

492

00:41:57,600 --> 00:42:00,920  
I've seen them, they're fucking...  
They're like, uh...

493

00:42:01,560 --> 00:42:04,280  
-Animals?  
-No, they're monsters. I've seen them.

494

00:42:04,360 --> 00:42:06,360  
The implant made you see this.

495

00:42:39,800 --> 00:42:40,760  
[groans]

496

00:42:44,960 --> 00:42:47,800  
Fuck. The villagers... Huh?

497

00:42:49,600 --> 00:42:55,000  
The locals, they... they ain't army.  
They got no Mass in their heads.

498  
00:42:55,080 --> 00:42:56,640  
They're scared of the roaches.

499  
00:42:57,560 --> 00:42:59,840  
-They hate the fucking things.  
-Everybody hates us.

500  
00:42:59,920 --> 00:43:02,480  
Well, what the fuck do they see? Huh?

501  
00:43:03,600 --> 00:43:06,320  
The fucking civs, when they look  
at a roach, what do they see?

502  
00:43:06,400 --> 00:43:08,120  
What you see now.

503  
00:43:09,600 --> 00:43:12,320  
They hate all the same  
because it's what they've been told.

504  
00:43:13,480 --> 00:43:14,600  
[cocks gun]

505  
00:43:17,200 --> 00:43:19,520  
[panting]

506  
00:43:34,000 --> 00:43:36,000  
[birds squawking]

507  
00:43:40,840 --> 00:43:42,240  
Ten years ago, it began.

508  
00:43:42,800 --> 00:43:43,760  
Post-war.

509  
00:43:44,680 --> 00:43:48,840  
First, the screening programme,

the DNA checks,

510

00:43:48,920 --> 00:43:52,320

then the register,  
the emergency measures.

511

00:43:53,440 --> 00:43:57,280

And soon everyone calls us creatures.  
Filthy creatures.

512

00:43:58,200 --> 00:44:01,280

Every voice. The TV. The computer.

513

00:44:01,360 --> 00:44:03,960

Say we have... we have sickness in us.

514

00:44:05,120 --> 00:44:07,960

We have weakness. It's in our blood.

515

00:44:08,040 --> 00:44:10,880

They say that our blood cannot go on.

516

00:44:12,040 --> 00:44:13,120

That we cannot go on.

517

00:44:19,040 --> 00:44:20,520

My name was Catarina.

518

00:44:23,960 --> 00:44:24,960

He was Alec.

519

00:44:28,400 --> 00:44:29,760

Now we're just roach.

520

00:45:13,120 --> 00:45:14,600

But now...

521

00:45:15,920 --> 00:45:17,160

Now you see me.

522

00:45:27,760 --> 00:45:28,880

Now you see me.

523

00:45:43,560 --> 00:45:44,800  
Rai?

524

00:45:47,360 --> 00:45:49,120  
-Rai, no!  
-[gunfire]

525

00:45:49,200 --> 00:45:51,160  
-[gasps]  
-[gunfire]

526

00:45:54,600 --> 00:45:56,200  
[panting]

527

00:46:02,960 --> 00:46:04,120  
Tell me I shouldn't kill you.

528

00:46:06,000 --> 00:46:08,680  
-None of it's true, Rai.  
-What the fuck got you?

529

00:46:11,400 --> 00:46:13,000  
None of it's true.

530

00:46:14,760 --> 00:46:15,960  
[spits]

531

00:46:16,040 --> 00:46:17,960  
-Fuck you.  
-[thud]

532

00:46:20,080 --> 00:46:23,080  
Get up. Back against the wall.

533

00:46:25,040 --> 00:46:26,040  
Get up!

534

00:46:27,400 --> 00:46:28,800  
You want me to come in there?

535  
00:46:28,880 --> 00:46:31,560  
[Arquette]  
It's all right. I can just talk to him.

536  
00:46:31,640 --> 00:46:33,400  
[door opens]

537  
00:46:39,480 --> 00:46:40,520  
Thank you, Briley.

538  
00:46:46,360 --> 00:46:47,400  
[door closes]

539  
00:46:51,760 --> 00:46:52,880  
Stripe.

540  
00:46:55,480 --> 00:46:59,480  
We owe you an apology.  
We didn't spot the fault in your Mass.

541  
00:47:00,960 --> 00:47:02,320  
I got you a coffee.

542  
00:47:25,760 --> 00:47:30,400  
The device you found in the farmhouse,  
you mentioned it to the doctor.

543  
00:47:36,160 --> 00:47:37,400  
Is this the thing?

544  
00:47:39,680 --> 00:47:42,680  
We found it on an old block  
that you and Raiman were searching.

545  
00:47:42,760 --> 00:47:46,240  
Looks like they reverse engineered it  
from some of our drone parts and so on.

546  
00:47:48,760 --> 00:47:53,560  
The light here transmits a code.  
It's like a virus.

547

00:47:53,640 --> 00:47:56,680  
It burrows into your Mass,  
trying to shut it down from within.

548

00:47:58,600 --> 00:48:01,640  
I tell you, those roaches  
are getting more ingenious

549

00:48:01,720 --> 00:48:02,960  
than we give them credit for.

550

00:48:05,480 --> 00:48:07,400  
The whole thing is a lie.

551

00:48:08,600 --> 00:48:10,280  
I understand why you'd say that, yeah.

552

00:48:10,840 --> 00:48:11,680  
Roaches.

553

00:48:13,520 --> 00:48:14,720  
They look just like us.

554

00:48:15,840 --> 00:48:17,000  
Of course they do.

555

00:48:19,640 --> 00:48:21,040  
That's why they're so dangerous.

556

00:48:24,040 --> 00:48:27,280  
Humans.  
You know, we give ourselves a bad rap,

557

00:48:27,360 --> 00:48:30,360  
but we're genuinely empathetic  
as a species.

558

00:48:30,440 --> 00:48:34,440  
I mean, we don't actually really want  
to kill each other. [laughs]

559

00:48:35,160 --> 00:48:36,440  
Which is a good thing.

560

00:48:38,160 --> 00:48:41,040  
Until your future depends  
on wiping out the enemy.

561

00:48:44,600 --> 00:48:46,360  
Come on, sit down.

562

00:48:51,280 --> 00:48:52,880  
[groans]

563

00:48:58,440 --> 00:49:00,720  
I don't know how much history  
you studied in school.

564

00:49:01,680 --> 00:49:05,360  
Many years ago,  
I'm talking early 20th century,

565

00:49:06,000 --> 00:49:08,400  
most soldiers  
didn't even fire their weapons.

566

00:49:09,480 --> 00:49:13,120  
Or if they did, they would just aim  
over the heads of the enemies.

567

00:49:13,880 --> 00:49:15,440  
They did it on purpose.

568

00:49:17,040 --> 00:49:19,800  
British Army. World War I.

569

00:49:19,880 --> 00:49:22,320  
The brigadier,  
he'd walk the line with a stick

570

00:49:22,400 --> 00:49:25,280  
and he'd whack his men  
in order to get them to shoot.

571

00:49:26,440 --> 00:49:29,320  
Even in World War II, in a firefight,

572

00:49:29,400 --> 00:49:32,400  
only 15%, 20% of the men  
would pull the trigger.

573

00:49:33,640 --> 00:49:37,880  
The fate of the world at stake  
and only 15% of them fired.

574

00:49:37,960 --> 00:49:39,560  
Now what does that tell you?

575

00:49:41,400 --> 00:49:44,840  
It tells me that that war  
would have been over a whole lot quicker

576

00:49:44,920 --> 00:49:47,320  
had the military got its shit together.

577

00:49:48,720 --> 00:49:49,800  
So we adapted.

578

00:49:50,800 --> 00:49:54,040  
Better training. Better conditioning.

579

00:49:54,800 --> 00:49:56,640  
Then comes the Vietnam War,

580

00:49:56,720 --> 00:49:58,600  
and the shooting percentage goes up to 85.

581

00:49:59,680 --> 00:50:03,200  
Lot of bullets flying.  
The kills were still low.

582

00:50:03,280 --> 00:50:05,040  
Plus the guys who did get a kill,

583

00:50:05,120 --> 00:50:08,000

well, most of them came back  
all messed up in the head.

584

00:50:10,720 --> 00:50:13,880  
And that's pretty much how things stayed  
until Mass came along.

585

00:50:15,000 --> 00:50:20,040  
You see, Mass...  
Well, that's the ultimate military weapon.

586

00:50:20,800 --> 00:50:22,520  
It helps you with your intel.

587

00:50:23,240 --> 00:50:27,280  
Your targeting. Your comms.  
Your conditioning.

588

00:50:29,320 --> 00:50:34,560  
It's a lot easier to pull the trigger  
when you're aiming at the bogeyman, hmm?

589

00:50:36,280 --> 00:50:40,600  
It's not just your eyes, though.  
Takes care of your other senses, too.

590

00:50:40,680 --> 00:50:42,520  
You don't hear the shrieks.

591

00:50:43,600 --> 00:50:45,480  
You don't smell the blood and the shit.

592

00:50:47,800 --> 00:50:49,200  
They're human beings.

593

00:50:52,200 --> 00:50:55,200  
Do you have any idea the amount of shit  
that's in their DNA?

594

00:50:56,840 --> 00:50:59,160  
Higher rates of cancer.

595

00:50:59,240 --> 00:51:04,360  
Muscular dystrophy.  
MS. SLS. Substandard IQ.

596

00:51:04,440 --> 00:51:07,600  
Criminal tendencies. Sexual deviances.

597

00:51:08,600 --> 00:51:09,720  
It's all there.

598

00:51:11,080 --> 00:51:12,800  
The screening shows it.

599

00:51:14,680 --> 00:51:17,120  
Is that what you want  
for the next generation?

600

00:51:18,960 --> 00:51:21,080  
Don't feel bad about doing your job.

601

00:51:21,760 --> 00:51:23,360  
The villagers won't do it.

602

00:51:23,920 --> 00:51:25,720  
The folks back home won't do it.

603

00:51:26,800 --> 00:51:28,240  
They don't have Mass.

604

00:51:30,120 --> 00:51:32,280  
Mass lets you do it.

605

00:51:34,960 --> 00:51:36,160  
You.

606

00:51:37,160 --> 00:51:39,520  
You're protecting the bloodline.

607

00:51:40,800 --> 00:51:42,640  
And that, my friend, is an honour.

608

00:51:44,480 --> 00:51:45,880  
There's no honour here.

609

00:51:47,760 --> 00:51:48,880  
It's just killing.

610

00:51:50,920 --> 00:51:54,360  
-Lying and killing.  
-No one lied to you.

611

00:51:56,320 --> 00:51:58,720  
You knew all of this. All along.

612

00:51:58,800 --> 00:52:00,400  
What are you talking about?

613

00:52:00,480 --> 00:52:03,080  
You agreed  
to have your Mass implant put in.

614

00:52:03,160 --> 00:52:07,040  
-[laughs]  
-Set up. Every soldier does.

615

00:52:07,120 --> 00:52:11,560  
We can't just embed it and feed you  
a dream. Your mind would reject it.

616

00:52:11,640 --> 00:52:14,920  
You have to accept it. Willingly.

617

00:52:17,680 --> 00:52:18,920  
It's exactly what you did.

618

00:52:25,840 --> 00:52:27,800  
[man] So you see the terms  
and conditions there?

619

00:52:27,880 --> 00:52:29,640  
Yeah, that's like a whole essay, man.

620

00:52:29,720 --> 00:52:30,520

What is that?

621

00:52:31,400 --> 00:52:35,160

That's your consent video.  
From when you signed up six months ago.

622

00:52:35,240 --> 00:52:39,640

[man] Basically, it says you agree  
to Mass implant activation.

623

00:52:39,720 --> 00:52:42,240

-I didn't do this.

-Yes, you did.

624

00:52:42,320 --> 00:52:45,680

-[man] Works kind of like hypnosis.

-Yeah, all right.

625

00:52:45,760 --> 00:52:48,040

[man] Part of what you're agreeing to  
is not realising

626

00:52:48,120 --> 00:52:49,520

you've been put in this state.

627

00:52:49,600 --> 00:52:51,920

If you follow me.

You won't recall this conversation.

628

00:52:52,000 --> 00:52:53,160

That's kind of funny, man.

629

00:52:53,720 --> 00:52:54,760

Turn it off.

630

00:52:54,840 --> 00:52:58,120

-[man] So for you to register consent...

-Turn it off, man.

631

00:52:58,200 --> 00:52:59,880

I'm gonna need your thumbprint there.

632

00:53:00,760 --> 00:53:03,240  
-Right here?  
-[man] Yes, please.

633  
00:53:05,920 --> 00:53:07,040  
That's dope.

634  
00:53:08,520 --> 00:53:09,560  
[faint beeping]

635  
00:53:09,640 --> 00:53:10,920  
I didn't do that!

636  
00:53:11,000 --> 00:53:12,680  
[faint beeping]

637  
00:53:12,760 --> 00:53:15,680  
-I don't remember that!  
-Just like the man said.

638  
00:53:15,760 --> 00:53:17,640  
[beeping]

639  
00:53:20,920 --> 00:53:23,320  
-I know you're upset.  
-Fuck you!

640  
00:53:29,080 --> 00:53:32,200  
-What's happening?  
-We control what you see, Stripe.

641  
00:53:34,720 --> 00:53:37,400  
-I can't see nothing.  
-Because we control it.

642  
00:53:41,840 --> 00:53:43,000  
Give me my fucking eyes back.

643  
00:53:44,360 --> 00:53:47,680  
-Let me lay out your options.  
-Give me my fucking eyes back, man!

644

00:53:47,760 --> 00:53:50,960  
-[grunts]  
-Let me lay out your options!

645  
00:53:51,680 --> 00:53:53,440  
[breathes heavily]

646  
00:53:55,760 --> 00:53:59,160  
Option one,  
you agree to have your Mass reset.

647  
00:54:01,080 --> 00:54:03,320  
All the recollections  
of the past few days,

648  
00:54:03,400 --> 00:54:06,680  
including this conversation, erased.

649  
00:54:07,240 --> 00:54:08,160  
No way.

650  
00:54:09,840 --> 00:54:12,080  
Option two's incarceration.

651  
00:54:12,160 --> 00:54:14,120  
-I'd advise you to consider.  
-Fuck you!

652  
00:54:14,800 --> 00:54:15,880  
Mass is a friend.

653  
00:54:16,800 --> 00:54:21,120  
Without it, you will remember  
everything that you did.

654  
00:54:21,200 --> 00:54:23,000  
I ain't having this Mass shit.

655  
00:54:23,920 --> 00:54:24,920  
No more. No way.

656  
00:54:26,840 --> 00:54:28,120

Okay.

657

00:54:30,280 --> 00:54:31,080  
Well...

658

00:54:33,320 --> 00:54:35,400  
Maybe you should see  
what life would be like without it.

659

00:54:36,240 --> 00:54:37,040  
[beeps]

660

00:54:40,320 --> 00:54:41,880  
[Stripe] What's happening?

661

00:54:43,520 --> 00:54:44,520  
Where am I?

662

00:54:45,400 --> 00:54:48,840  
Heidekker's ranch. Three days ago.

663

00:54:55,720 --> 00:54:59,560  
I have it all logged, Stripe.  
We can feed you everything that you did.

664

00:55:04,800 --> 00:55:06,040  
Hey, no, no, no. No.

665

00:55:06,600 --> 00:55:10,120  
Please! Please don't shoot. Please!  
Please! Please don't shoot.

666

00:55:10,760 --> 00:55:12,240  
-Please! Please!  
-No! No!

667

00:55:12,320 --> 00:55:13,880  
No. Make it stop.

668

00:55:13,960 --> 00:55:16,920  
-No! Please.  
-[whirring]

669  
00:55:17,000 --> 00:55:17,880  
Make it stop!

670  
00:55:17,960 --> 00:55:20,920  
-Please!  
-[gunfire]

671  
00:55:22,600 --> 00:55:24,880  
No! No!

672  
00:55:24,960 --> 00:55:26,080  
[gasps]

673  
00:55:29,360 --> 00:55:32,160  
-[screams]  
-[gasps] No!

674  
00:55:35,440 --> 00:55:36,640  
[whimpers]

675  
00:55:40,160 --> 00:55:41,760  
-[stabbing sounds]  
-[screams]

676  
00:55:43,240 --> 00:55:45,520  
Fuck off! Stop it!

677  
00:55:45,600 --> 00:55:47,840  
-[stabbing sound]  
-[groans]

678  
00:55:50,480 --> 00:55:53,880  
-[stabbing sound]  
-No!

679  
00:55:57,800 --> 00:56:02,400  
You'll see and smell and feel it all.

680  
00:56:04,200 --> 00:56:05,440  
Is this what you want?

681  
00:56:07,320 --> 00:56:11,080  
On a loop? In a cell all alone?

682  
00:56:16,560 --> 00:56:18,560  
[whimpers]

683  
00:56:19,880 --> 00:56:21,200  
[beeps]

684  
00:56:28,120 --> 00:56:30,240  
[Stripe whimpering]

685  
00:56:30,320 --> 00:56:31,880  
[Arquette] We can make that go away.

686  
00:56:33,640 --> 00:56:35,640  
This conversation goes away too.

687  
00:56:36,840 --> 00:56:37,920  
All of it.

688  
00:56:39,640 --> 00:56:41,200  
But you gotta say the word.

689  
00:56:44,360 --> 00:56:46,360  
Just say the word, Stripe.

690  
00:56:47,960 --> 00:56:49,240  
And it all goes away.

691  
00:56:58,880 --> 00:57:00,520  
Just say the word.
