**EPISODE CAST**

Kiernan Shipka	...	Sabrina Spellman
Ross Lynch	...	Harvey Kinkle
Lucy Davis	...	Hilda Spellman
Chance Perdomo	...	Ambrose Spellman
Michelle Gomez	...	Mary Wardwell
Jaz Sinclair	...	Rosalind Walker
Tati Gabrielle	...	Prudence Night
Adeline Rudolph	...	Agatha
Richard Coyle	...	Father Faustus Blackwood
Miranda Otto	...	Zelda Spellman
Abigail Cowen	...	Dorcas
Adrian Hough	...	Farmer Putnam
Bronson Pinchot	...	Principal George Hawthorne
Sarah-Jane Redmond	...	Mrs. Kemper
Kurt Max Runte	...	Mr. Kemper

1  
00:00:10,552 --> 00:00:12,262  
[theme music playing]

2  
00:00:35,326 --> 00:00:37,328  
[bats fluttering]

3  
00:00:49,924 --> 00:00:51,426  
[thunder crashes]

4  
00:00:52,844 --> 00:00:54,387  
[crows cawing]

5  
00:00:59,768 --> 00:01:01,436  
[lightning sizzles]

6  
00:01:20,288 --> 00:01:22,290  
[bats screeching]

7  
00:01:48,608 --> 00:01:50,026  
[fire crackling]

8  
00:01:54,614 --> 00:01:55,490  
Now...

9  
00:01:56,157 --> 00:01:59,661  
your aunties tell me you have questions,  
about your baptism and such.

10  
00:01:59,953 --> 00:02:00,829  
I do...

11  
00:02:02,372 --> 00:02:03,790  
but I'm not sure where to begin.

12  
00:02:03,873 --> 00:02:04,874  
Allow me.

13  
00:02:07,544 --> 00:02:11,756  
A witch's dark baptism  
is our most sacred unholy sacrament.

14

00:02:11,840 --> 00:02:13,299  
The oldest of our rites.

15

00:02:13,383 --> 00:02:15,718  
We've been performing them for centuries.

16

00:02:16,678 --> 00:02:19,556  
Our Dark Lord's book,  
the Book of the Beast,

17

00:02:19,639 --> 00:02:21,474  
is the most ancient tome in existence.

18

00:02:21,558 --> 00:02:22,725  
About that.

19

00:02:23,268 --> 00:02:25,854  
If I sign my name  
in the Book of the Beast,

20

00:02:26,604 --> 00:02:30,024  
does that mean I'm giving  
the Dark Lord dominion over my soul?

21

00:02:30,108 --> 00:02:35,363  
That's one interpretation,  
but it's largely a symbolic gesture,

22

00:02:35,697 --> 00:02:37,740  
as rituals in most religions are.

23

00:02:38,825 --> 00:02:40,326  
-What else?  
-Let's say

24

00:02:40,410 --> 00:02:44,205  
I do sign my name in his book.  
Doesn't that mean he can call on me?

25

00:02:44,539 --> 00:02:45,498  
To do his bidding?

26

00:02:45,582 --> 00:02:47,792  
All religions demand some sacrifice.

27

00:02:48,793 --> 00:02:51,004  
But signing your name is more like...

28

00:02:51,963 --> 00:02:53,548  
a pledge, let's say.

29

00:02:53,923 --> 00:02:55,842  
That you'll abide by his commandments.

30

00:02:57,010 --> 00:02:58,595  
Do you know your Thirteen Commandments?

31

00:02:58,678 --> 00:03:01,181  
-We've taught them to her.  
-She's learned them by heart.

32

00:03:01,264 --> 00:03:04,142  
I'm not an evil person, Father.

33

00:03:05,894 --> 00:03:08,438  
-[laughs]  
-[Hilda and Zelda laugh]

34

00:03:08,730 --> 00:03:11,733  
I am glad to hear it. Neither am I.  
Neither are your aunts.

35

00:03:11,816 --> 00:03:12,775  
But the Devil...

36

00:03:14,527 --> 00:03:16,321  
The Dark Lord, yes?

37

00:03:16,821 --> 00:03:18,823  
...he is the embodiment of evil.

38

00:03:18,907 --> 00:03:19,824  
Incorrect.

39

00:03:20,450 --> 00:03:23,578  
He is the embodiment of free will.  
Good. Evil.

40

00:03:23,661 --> 00:03:28,458  
Those words matter to the False God,  
but the Dark Lord is beyond such precepts.

41

00:03:28,541 --> 00:03:31,961  
What about Hell?  
I don't want to go there when I die.

42

00:03:32,045 --> 00:03:34,547  
First of all,  
if you accept the Dark Lord's gifts,

43

00:03:34,631 --> 00:03:36,674  
you won't die, not for a very long time.

44

00:03:36,758 --> 00:03:39,636  
Second of all, Hell is for mortals.

45

00:03:39,719 --> 00:03:41,888  
In exchange for their service  
and devotion,

46

00:03:41,971 --> 00:03:45,642  
witches are exempt  
from the eternal flames of damnation.

47

00:03:46,100 --> 00:03:49,020  
Really, what's needed here  
is a fundamental shift in thinking.

48

00:03:49,103 --> 00:03:51,147  
Okay, well, what about my boyfriend?

49

00:03:52,440 --> 00:03:56,653  
-Why do I have to break up with him?  
-Your boyfriend, I assume, is mortal?

50

00:03:58,238 --> 00:04:02,367  
There is an inherent incompatibility.  
Should you become a full witch,

51

00:04:02,450 --> 00:04:05,245  
your human partner would age  
much faster than you.

52

00:04:05,328 --> 00:04:06,496  
My father married a mortal.

53

00:04:06,579 --> 00:04:09,415  
True, but he was High Priest  
of the Church of Night

54

00:04:09,791 --> 00:04:11,501  
and was granted a special dispensation.

55

00:04:11,584 --> 00:04:12,961  
-By whom?  
-The Dark Lord.

56

00:04:13,044 --> 00:04:17,548  
Satan himself blessed the union  
of your warlock father and mortal mother,

57

00:04:17,632 --> 00:04:20,885  
but even then, even then,  
it was not without controversy.

58

00:04:20,969 --> 00:04:23,763  
Some girls at the Academy of Unseen Arts  
have suggested

59

00:04:23,846 --> 00:04:26,224  
that my parents' deaths  
weren't accidental,

60

00:04:26,766 --> 00:04:29,519  
that maybe they'd been... murdered.

61

00:04:29,852 --> 00:04:32,647  
An inquiry was held.

No malfeasance was detected.

62

00:04:33,481 --> 00:04:36,567

It was a terrible accident  
that befell your mother and father,

63

00:04:36,985 --> 00:04:38,152

but it was just that...

64

00:04:39,654 --> 00:04:40,571

an accident.

65

00:04:41,823 --> 00:04:45,034

Lastly: Earlier today,  
I took a bite of a malum malus.

66

00:04:45,118 --> 00:04:46,160

You did what?

67

00:04:47,495 --> 00:04:49,580

And the future it showed me was...

68

00:04:50,748 --> 00:04:51,916

horrible.

69

00:04:52,208 --> 00:04:55,378

The biting of a malum malus  
for prognostication of the future

70

00:04:55,461 --> 00:04:58,339

hasn't been recommended for decades.

71

00:04:58,756 --> 00:05:01,718

Specifically because of  
its wild inaccuracy.

72

00:05:04,137 --> 00:05:04,971

But if I may...

73

00:05:07,598 --> 00:05:10,310

your father was one of  
the Church of Night's greatest thinkers.

74

00:05:10,685 --> 00:05:12,812  
He wanted you to follow in his footsteps.

75

00:05:13,229 --> 00:05:16,482  
It's right that you have  
so many questions.

76

00:05:17,191 --> 00:05:18,359  
My advice?

77

00:05:18,818 --> 00:05:19,902  
Take your baptism.

78

00:05:20,653 --> 00:05:22,613  
Come to the Academy of Unseen Arts.

79

00:05:22,864 --> 00:05:24,240  
Learn our history.

80

00:05:24,449 --> 00:05:27,243  
Find answers to your questions.  
Challenge them.

81

00:05:27,618 --> 00:05:29,078  
Make better answers.

82

00:05:30,038 --> 00:05:31,497  
Make us stronger.

83

00:05:32,957 --> 00:05:34,751  
Will you try, at least?

84

00:05:35,585 --> 00:05:39,380  
-And should it not be to your liking--  
-You'll let me leave the Church?

85

00:05:39,464 --> 00:05:40,506  
Free choice, child.

86

00:05:40,590 --> 00:05:43,092

That is the bedrock  
on which our Church is built.

87

00:05:47,597 --> 00:05:50,808  
But I do hope I'll see you  
in the woods on Samhain.

88

00:05:51,434 --> 00:05:53,770  
The moon is certain to be glorious.

89

00:05:54,395 --> 00:05:58,983  
She'll be there, Your Excellency.  
With bells on, won't you, Sabrina?

90

00:06:02,362 --> 00:06:03,613  
Looking forward to it.

91

00:06:05,698 --> 00:06:07,033  
[chair creaks]

92

00:06:08,868 --> 00:06:09,994  
In that case...

93

00:06:10,745 --> 00:06:12,080  
if there's nothing else...

94

00:06:12,205 --> 00:06:14,165  
There is one thing, Your Excellency.

95

00:06:17,919 --> 00:06:19,003  
[trembling exhale]

96

00:06:21,756 --> 00:06:23,633  
[Faustus]  
A witch's mark, without question.

97

00:06:26,260 --> 00:06:27,720  
What about the boy's parents?

98

00:06:27,804 --> 00:06:28,679  
[Hilda] Oh, mortal.

99

00:06:28,763 --&gt; 00:06:30,807

They adopted him, Father,  
they didn't know.

100

00:06:31,182 --&gt; 00:06:32,016

Poor boy.

101

00:06:32,683 --&gt; 00:06:33,810

Alone in the world.

102

00:06:34,519 --&gt; 00:06:35,853

Raised by mortals.

103

00:06:37,063 --&gt; 00:06:38,314

Never baptized.

104

00:06:41,442 --&gt; 00:06:44,904

Think of what he might've accomplished.  
Tragic, really.

105

00:06:46,280 --&gt; 00:06:49,826

His murder hasn't been solved.  
I've been checking the papers, the news.

106

00:06:50,660 --&gt; 00:06:52,495

So, we've started to wonder

107

00:06:52,578 --&gt; 00:06:54,872

if there might not be a witch-hunter  
in our midst.

108

00:06:54,956 --&gt; 00:06:56,541

-Highly unlikely.

-But possible.

109

00:07:01,170 --&gt; 00:07:02,630

I'll speak to the Council...

110

00:07:03,631 --&gt; 00:07:06,717

but I shouldn't think this is any more  
than what it appears to be.

111

00:07:17,019 --> 00:07:18,563  
[bugs chirring]

112

00:07:18,688 --> 00:07:21,732  
He's a bit dramatic, isn't he?  
Father Blackwood?

113

00:07:22,442 --> 00:07:24,444  
He was your father's mentor, you know.

114

00:07:24,986 --> 00:07:27,029  
But, then, Dad surpassed him.

115

00:07:27,113 --> 00:07:28,906  
Yeah. [chuckles]

116

00:07:31,200 --> 00:07:36,664  
Your father was  
incredibly charismatic, Sabrina.

117

00:07:37,290 --> 00:07:39,709  
People wanted to follow Edward,  
wherever he went.

118

00:07:40,293 --> 00:07:41,627  
He was so handsome.

119

00:07:42,753 --> 00:07:46,090  
He could've been a movie star  
if he'd chosen, like Cousin Montgomery.

120

00:07:46,340 --> 00:07:49,594  
But no, he received the call early.

121

00:07:50,261 --> 00:07:52,346  
When he was six years old, you know.

122

00:07:56,184 --> 00:08:01,564  
Aunt Hilda, did you ever have any doubts  
about your dark baptism?

123

00:08:01,647 --> 00:08:03,649  
[breathes deeply]

124  
00:08:03,941 --> 00:08:08,154  
When I was your age,  
I signed my name in the Book of the Beast.

125  
00:08:09,405 --> 00:08:11,449  
I mean... [scoffs]

126  
00:08:11,532 --> 00:08:14,160  
...us girls didn't have any options  
back then.

127  
00:08:15,620 --> 00:08:17,246  
It's just simply what was done.

128  
00:08:18,498 --> 00:08:19,624  
Do I have regrets?

129  
00:08:21,709 --> 00:08:24,378  
You mustn't tell your Aunt Zelda this,

130  
00:08:24,462 --> 00:08:26,172  
but... [inhales deeply]

131  
00:08:26,255 --> 00:08:28,049  
...some days, some nights...

132  
00:08:29,008 --> 00:08:31,928  
I dream that I am walking  
into the Greendale woods,

133  
00:08:32,011 --> 00:08:33,971  
in the peak of dry season...

134  
00:08:34,847 --> 00:08:36,599  
with a lit torch in each hand...

135  
00:08:37,975 --> 00:08:42,146  
so that I'd watch the whole forest burn,  
like so much kindling.

136  
00:08:45,358 --> 00:08:48,611  
Have a lovely little sleep, my darling.  
[chuckles]

137  
00:08:49,153 --> 00:08:50,238  
Tuckity-tuck-tuck-tuck.

138  
00:08:50,321 --> 00:08:53,074  
Oh, there we go. This little piggy...

139  
00:08:53,366 --> 00:08:54,784  
We're a little bit old.

140  
00:08:59,205 --> 00:09:00,206  
[gasps]

141  
00:09:01,707 --> 00:09:04,585  
Hilda, you fool,  
you'll be the death of me.

142  
00:09:06,254 --> 00:09:07,797  
And I'll be the death of you.

143  
00:09:08,589 --> 00:09:10,091  
[Salem growls softly]

144  
00:09:19,350 --> 00:09:21,936  
[gasps] There you are.  
Look who just stopped by for a visit!

145  
00:09:29,026 --> 00:09:30,111  
-Hey.  
-Hey.

146  
00:09:30,194 --> 00:09:31,445  
[Sabrina chuckles softly]

147  
00:09:31,904 --> 00:09:34,323  
You drew all of these?  
They're wicked good, mate.

148

00:09:34,615 --> 00:09:37,743  
Thanks. Yeah, I'm pretty into comics  
and graphic novels.

149

00:09:37,827 --> 00:09:40,830  
Me too. Alan Moore,  
Neil Gaiman, Grant Morrison.

150

00:09:40,913 --> 00:09:42,623  
You came by to talk comics?

151

00:09:43,291 --> 00:09:45,167  
Uh, no, I wanted to surprise you.

152

00:09:45,251 --> 00:09:48,045  
-And isn't it the loveliest surprise.  
-[spoon clinking]

153

00:09:48,629 --> 00:09:50,298  
Um, also to ask your aunts...

154

00:09:51,007 --> 00:09:53,050  
I, uh... know you can't do anything

155

00:09:53,134 --> 00:09:55,136  
on your actual birthday  
because you have plans.

156

00:09:55,219 --> 00:09:57,263  
She does. Set in stone.

157

00:09:57,346 --> 00:10:00,933  
So I came by to see  
if we could celebrate the next day.

158

00:10:01,017 --> 00:10:02,518  
Uh, Saturday.

159

00:10:02,810 --> 00:10:04,145  
Go bowling, maybe.

160

00:10:04,228 --> 00:10:06,355  
You and me and Susie and Roz.

161  
00:10:07,315 --> 00:10:09,150  
Your aunts can come, if they want.

162  
00:10:09,233 --> 00:10:10,901  
The day after my birthday.

163  
00:10:10,985 --> 00:10:12,403  
[Sabrina stammers]

164  
00:10:12,486 --> 00:10:14,447  
Would that even be possible?

165  
00:10:14,530 --> 00:10:16,616  
[Hilda] I think it's a marvelous idea.

166  
00:10:16,699 --> 00:10:21,120  
I do too,  
but why don't we play it by ear, hmm?

167  
00:10:23,539 --> 00:10:25,458  
[Sabrina] What was that all about?

168  
00:10:25,958 --> 00:10:30,630  
[chuckles] Me stopping by? It's partly  
'cause I don't really know your aunts.

169  
00:10:30,713 --> 00:10:33,215  
That's entirely intentional, you realize.

170  
00:10:33,924 --> 00:10:36,469  
I don't know,  
maybe bowling wasn't the right idea.

171  
00:10:36,552 --> 00:10:39,221  
No, it was perfect.

172  
00:10:39,305 --> 00:10:41,599  
Well, hey, if not this Saturday, the next.

173  
00:10:42,558 --> 00:10:44,060  
And every Saturday after that.

174  
00:10:45,102 --> 00:10:46,604  
We have all the time in the world.

175  
00:10:47,855 --> 00:10:49,857  
[crows cawing]

176  
00:10:50,316 --> 00:10:51,817  
[school bell rings]

177  
00:10:52,068 --> 00:10:55,071  
What's this? I'm thinking we need  
to redecorate a little bit.

178  
00:10:55,154 --> 00:10:56,072  
What do you think?

179  
00:10:56,155 --> 00:11:00,951  
"Women's Intersectional  
Creative Cultural Association," huh?

180  
00:11:01,327 --> 00:11:04,747  
[laughs] Oh, man, well, look at this.

181  
00:11:05,164 --> 00:11:07,083  
[boys chuckling] Oh!

182  
00:11:09,919 --> 00:11:12,171  
[boy 1]  
Can they even call themselves women?

183  
00:11:13,464 --> 00:11:15,257  
Hey, dicks-for-brains.

184  
00:11:18,678 --> 00:11:21,097  
-[boys laugh]  
-What's your problem, dyke?

185  
00:11:21,180 --> 00:11:23,182

[boys laugh]

186

00:11:23,432 --> 00:11:24,266

[Susie grunts]

187

00:11:24,975 --> 00:11:26,769

-[boys laughing]

-[boy gasps]

188

00:11:26,936 --> 00:11:28,354

[Susie grunts]

189

00:11:29,105 --> 00:11:32,483

-[boys laughing]

-Guys, guys, guys, guys! Let's go!

190

00:11:35,986 --> 00:11:38,322

You can't let them get to you  
like that, Susie.

191

00:11:38,406 --> 00:11:40,366

-What am I supposed--

-[Sabrina] What happened now?

192

00:11:40,449 --> 00:11:41,867

[Susie] I got suspended.

193

00:11:41,951 --> 00:11:44,370

[Roz] I'm supposed to take Susie home  
and then come right back.

194

00:11:44,453 --> 00:11:47,331

Except I can't go home,  
I don't want my dad to know about this.

195

00:11:47,415 --> 00:11:49,583

He won't, then. We'll go somewhere else.

196

00:11:49,667 --> 00:11:52,378

Suspended for what?  
It's not even first period.

197

00:11:52,461 --> 00:11:53,379  
I got into a fight.

198  
00:11:53,462 --> 00:11:56,549  
With a bunch of asswipes  
who were ripping our WICCA posters down.

199  
00:11:56,632 --> 00:11:59,135  
Those football players?  
The same ones as before?

200  
00:11:59,218 --> 00:12:01,804  
Wait. You got into a fight  
with football players? How many?

201  
00:12:01,887 --> 00:12:04,724  
-Four of them.  
-That's it, we're going to the police.

202  
00:12:04,807 --> 00:12:07,643  
We are pressing charges.  
Susie, this is physical assault.

203  
00:12:07,727 --> 00:12:09,311  
Yeah, but I started the fight.

204  
00:12:09,687 --> 00:12:13,441  
Susie, I swear to you,  
this will never happen again,

205  
00:12:13,524 --> 00:12:15,484  
but you have to tell me this time.

206  
00:12:16,235 --> 00:12:17,653  
What are their names?

207  
00:12:20,614 --> 00:12:24,076  
Billy Marlin, Ed Dursley,  
Seth Grinwis, and Carl Tapper.

208  
00:12:24,410 --> 00:12:27,246  
Four of Greendale's favorite sons.  
Golden boys.

209

00:12:27,329 --> 00:12:30,166  
Before, they were bullying Susie,  
now they're punching her?

210

00:12:30,249 --> 00:12:33,127  
She's tiny.  
They have to be held accountable.

211

00:12:33,210 --> 00:12:35,671  
We'll go sit down together  
with Principal Hawthorne

212

00:12:35,755 --> 00:12:37,006  
next week when he's back.

213

00:12:37,089 --> 00:12:38,591  
I may not be here next week.

214

00:12:38,674 --> 00:12:39,508  
Oh?

215

00:12:40,301 --> 00:12:41,927  
Have you decided you're leaving us?

216

00:12:42,011 --> 00:12:47,016  
[sighs] It's looking that way,  
but not if I can't get this sorted out.

217

00:12:47,099 --> 00:12:48,934  
I can't leave my friends in trouble.

218

00:12:49,185 --> 00:12:53,314  
Well, the only way boys like these  
learn new behavior is to--

219

00:12:53,397 --> 00:12:54,565  
Fight fire with--

220

00:12:54,648 --> 00:12:55,733  
Hellfire.

221  
00:13:00,696 --> 00:13:05,534  
Well, as an educator,  
I'm not allowed to say such things.

222  
00:13:05,618 --> 00:13:08,662  
But sometimes a little hell raising

223  
00:13:08,746 --> 00:13:11,791  
is precisely what's needed  
to move the needle.

224  
00:13:13,042 --> 00:13:18,464  
Mind you, I wouldn't take them on alone.  
Four against one? No, I'd even the odds.

225  
00:13:19,048 --> 00:13:21,717  
And enlist the baddest bitches you know  
to help.

226  
00:13:22,843 --> 00:13:25,763  
I can think of three girls.

227  
00:13:26,639 --> 00:13:29,183  
And then, once your house  
is in order here,

228  
00:13:29,266 --> 00:13:35,648  
you're free to transfer to this new school  
with a... light heart.

229  
00:13:39,777 --> 00:13:44,657  
The weird sisters, hand in hand,  
travelers of the sea and land.

230  
00:13:44,740 --> 00:13:47,034  
Thrice to thine and thrice to mine,

231  
00:13:47,660 --> 00:13:49,745  
and thrice again, to make up nine.

232  
00:13:50,538 --> 00:13:52,998  
Peace! The charm's wound up.

233  
00:13:53,082 --> 00:13:55,084  
[wind howling]

234  
00:13:55,167 --> 00:13:57,336  
[whooshing]

235  
00:14:01,465 --> 00:14:02,967  
[Prudence] Hello, half-breed.

236  
00:14:04,051 --> 00:14:05,719  
And how are we feeling today?

237  
00:14:07,513 --> 00:14:09,348  
Do you mean because of your curse?

238  
00:14:09,765 --> 00:14:13,102  
-Isn't that why you summoned us?  
-So that we might remove it?

239  
00:14:13,185 --> 00:14:15,813  
We'll happily do so, as soon as you pledge

240  
00:14:15,896 --> 00:14:17,982  
that you won't be going to the Academy.

241  
00:14:20,359 --> 00:14:23,612  
My Aunt Hilda's taken care of your curse  
with a reversing spell...

242  
00:14:24,572 --> 00:14:27,449  
but we still might be able  
to strike a deal.

243  
00:14:30,953 --> 00:14:34,290  
There are four mortal boys  
who need to be taught a lesson.

244  
00:14:36,667 --> 00:14:38,002  
Help me teach them,

245

00:14:38,669 --> 00:14:41,755  
and I'll stay right where I am  
at Baxter High.

246  
00:14:46,719 --> 00:14:49,138  
-Are they handsome, at least?  
-[Dorcas chuckles]

247  
00:14:49,221 --> 00:14:51,265  
It's always more fun  
when they're handsome.

248  
00:14:51,348 --> 00:14:53,851  
-[girls chuckle]  
-We'll back you up, half-breed.

249  
00:14:55,394 --> 00:14:56,687  
But they're your enemies.

250  
00:14:57,271 --> 00:14:59,023  
You'll have to do most of the work.

251  
00:15:02,526 --> 00:15:04,528  
[footsteps through grass]

252  
00:15:10,451 --> 00:15:11,452  
[Zelda] Sister?

253  
00:15:11,535 --> 00:15:13,829  
Ooh! Zelda! [chuckles]

254  
00:15:13,996 --> 00:15:17,875  
My turnips, they're coming up  
marvelously this year.

255  
00:15:17,958 --> 00:15:19,084  
[Hilda grunts]

256  
00:15:20,878 --> 00:15:21,921  
[exhales sharply]

257  
00:15:25,341 --> 00:15:26,342

[grunts]

258

00:15:36,560 --> 00:15:37,895  
[brakes squeak]

259

00:15:40,648 --> 00:15:41,565  
[Zelda grunts]

260

00:15:43,108 --> 00:15:45,110  
[coffin creaks]

261

00:15:52,326 --> 00:15:55,037  
I hope I've done your son justice,  
Mr. and Mrs. Kemper.

262

00:15:59,291 --> 00:16:02,169  
[whispers] Oh! He's beautiful.

263

00:16:04,546 --> 00:16:05,714  
He looks beautiful.

264

00:16:07,257 --> 00:16:08,801  
I'm so happy you're pleased.

265

00:16:11,971 --> 00:16:14,014  
Would you like some tea, Mrs. Kemper?

266

00:16:14,932 --> 00:16:16,141  
[tea pouring]

267

00:16:16,600 --> 00:16:20,062  
Forgive me for asking,  
but I was wondering...

268

00:16:20,688 --> 00:16:22,815  
is there any news  
on what happened to Connor?

269

00:16:24,149 --> 00:16:26,527  
-The police don't know anything.  
-[Ambrose] Hmm.

270

00:16:26,610 --> 00:16:30,155  
They don't know why he was in the park  
at that hour. We don't know why.

271

00:16:30,239 --> 00:16:32,908  
He went out for a walk, that's all.

272

00:16:32,992 --> 00:16:35,077  
And tell me, Mr. and Mrs. Kemper,

273

00:16:35,160 --> 00:16:37,997  
should we be expecting a crowd  
for Connor's visitation?

274

00:16:38,664 --> 00:16:41,959  
Connor didn't have a...  
wide circle of friends.

275

00:16:42,584 --> 00:16:43,794  
He kept to himself?

276

00:16:44,003 --> 00:16:47,339  
Mmm, he was quiet.  
He loved reading. [chuckles]

277

00:16:48,132 --> 00:16:51,010  
Well, and talking to his lizard.  
[chuckles softly]

278

00:16:53,804 --> 00:16:54,888  
How do you mean?

279

00:16:54,972 --> 00:16:56,849  
He kept an iguana in his room  
under a heat lamp.

280

00:16:57,307 --> 00:16:59,977  
He would feed it and talk to it.

281

00:17:00,352 --> 00:17:04,940  
Sometimes, I swear, it looked like Connor  
was actually waiting for it to answer.

282  
00:17:05,774 --> 00:17:06,734  
[Ambrose] Hmm.

283  
00:17:13,699 --> 00:17:15,701  
What were the Kempers doing here?

284  
00:17:15,784 --> 00:17:18,370  
I invited them to inspect my handiwork  
on their son.

285  
00:17:18,787 --> 00:17:21,874  
Ambrose, you're not meddling  
in mortal affairs again, are you?

286  
00:17:22,249 --> 00:17:23,751  
Connor wasn't a mortal.

287  
00:17:24,251 --> 00:17:26,754  
In fact, I believe he even had a familiar.

288  
00:17:27,463 --> 00:17:28,422  
An iguana.

289  
00:17:29,590 --> 00:17:30,507  
Where's Aunt Hilda?

290  
00:17:32,551 --> 00:17:35,637  
She annoyed me, so I killed her  
and buried her in the yard.

291  
00:17:37,890 --> 00:17:39,892  
-[boys chattering]  
-[rock music playing]

292  
00:17:43,395 --> 00:17:44,563  
[boy] What about Meg?

293  
00:17:44,646 --> 00:17:47,441  
-'Cause I would, in a heartbeat.  
-Meg Simms?

294

00:17:48,025 --> 00:17:51,862  
-No, dude. She's a prude, I hear.  
-Yeah, not to mention a dog.

295

00:17:52,154 --> 00:17:56,742  
I mean, her face is rather dog-like,  
but her body, I mean... [chuckles]

296

00:17:56,825 --> 00:17:59,161  
Okay, let me ask you a question, then.

297

00:17:59,244 --> 00:18:00,704  
Could I put a bag over her head?

298

00:18:00,788 --> 00:18:02,831  
You could, but why go through  
all that trouble

299

00:18:02,915 --> 00:18:04,958  
when you could just do her doggie-style?

300

00:18:05,042 --> 00:18:07,711  
-[boy] Good call.  
-[boys barking, howling]

301

00:18:07,836 --> 00:18:10,047  
Hey, what's your problem, queer?

302

00:18:10,130 --> 00:18:12,132  
-[boys laughing]  
-I gotta take a piss.

303

00:18:12,216 --> 00:18:14,218  
[power buzzing]

304

00:18:14,343 --> 00:18:15,761  
[radio static]

305

00:18:20,432 --> 00:18:21,558  
What the hell?

306

00:18:22,184 --> 00:18:23,602  
[static continues]

307  
00:18:23,685 --> 00:18:25,395  
[soft moans on the wind]

308  
00:18:25,479 --> 00:18:28,023  
[female laughter echoing]

309  
00:18:28,107 --> 00:18:29,775  
Guys. Guys.

310  
00:18:45,707 --> 00:18:47,084  
Hello, boys.

311  
00:18:47,543 --> 00:18:48,502  
[chuckles]

312  
00:18:49,294 --> 00:18:50,254  
What's up?

313  
00:18:50,921 --> 00:18:54,341  
The four of us were thinking of having  
a little party in the mines...

314  
00:18:56,593 --> 00:18:58,554  
but we'd need beer and boys for that.

315

[Sabrina sighs]

806

00:50:34,489 --> 00:50:35,323  
Morning.

807

00:50:35,991 --> 00:50:37,617  
Oh, blessed morning, child.

808

00:50:37,951 --> 00:50:38,869  
Morning, cous.

809

00:50:52,049 --> 00:50:55,052  
Please, Aunt Zelda,  
are you never going to speak to me again?

810

00:50:55,552 --> 00:50:56,887  
[Zelda] You want me to speak?

811

00:51:02,017 --> 00:51:03,351  
All right, I'll speak.

812

00:51:08,774 --> 00:51:11,610  
You humiliated us  
in front of the entire coven.

813

00:51:12,235 --> 00:51:14,154  
You dishonored the Spellman family name.

814

00:51:14,237 --> 00:51:16,281  
Father Blackwood lied, Aunt Zelda.

815

00:51:16,364 --> 00:51:19,576  
He sat in our parlor and told me  
that I'd always have a choice,

816

00:51:19,659 --> 00:51:22,120  
that our religion is based on free will.

817

00:51:22,204 --> 00:51:25,415  
But in the woods,

that was the exact opposite of free will.

818

00:51:25,499 --> 00:51:28,043  
Beyond that, your refusal to sign  
the Book of the Beast

819

00:51:28,126 --> 00:51:30,378  
goes directly against  
your father's explicit wishes.

820

00:51:30,462 --> 00:51:32,339  
I'm not sure that's true, either.

821

00:51:32,422 --> 00:51:33,340  
Sabrina.

822

00:51:33,423 --> 00:51:34,382  
I'm sorry, but...

823

00:51:36,426 --> 00:51:38,637  
in the woods, during the ceremony,

824

00:51:38,720 --> 00:51:41,556  
I saw two figures  
who looked like my mom and dad.

825

00:51:42,057 --> 00:51:43,642  
Like some sort of spectral vision?

826

00:51:43,725 --> 00:51:45,018  
I'm not sure what...

827

00:51:46,103 --> 00:51:48,563  
but they definitely didn't want me  
to sign the Book of the Beast.

828

00:51:50,565 --> 00:51:51,733  
They wanted me to run.

829

00:51:57,864 --> 00:52:00,117  
[Sabrina] And so the girl  
who had to decide

830  
00:52:00,200 --> 00:52:02,702  
between being a witch and being mortal...

831  
00:52:03,453 --> 00:52:04,913  
chose neither path.

832  
00:52:05,413 --> 00:52:09,376  
Or, if you look at it another way,  
chose both.

833  
00:52:10,043 --> 00:52:12,838  
She was half-witch, but with two covens.

834  
00:52:15,423 --> 00:52:18,093  
You guys, we were just talking...

835  
00:52:18,468 --> 00:52:21,429  
about how we've been waiting a long time  
for a group like this.

836  
00:52:21,513 --> 00:52:25,308  
And not just at Baxter High,  
but in Greendale.

837  
00:52:25,600 --> 00:52:26,518  
Agreed.

838  
00:52:26,852 --> 00:52:28,311  
Yeah. Uh...

839  
00:52:28,728 --> 00:52:31,898  
Welcome, one and all, to WICCA.

840  
00:52:32,482 --> 00:52:35,193  
Uh... let's pass around the sign-in sheet.

841  
00:52:35,819 --> 00:52:36,695  
[knock on door]

842  
00:52:39,781 --> 00:52:41,158

Sorry I'm late, girls.

843

00:52:41,533 --> 00:52:42,868  
Ms. Wardwell.

844

00:52:43,451 --> 00:52:46,121  
No, you're, uh... you're right on time.

845

00:52:46,496 --> 00:52:49,791  
[whispers] You do know that just because  
you're our faculty advisor

846

00:52:49,875 --> 00:52:52,544  
doesn't mean you have to attend  
every meeting, right?

847

00:52:52,627 --> 00:52:55,172  
[softly] Oh, but I want to, Sabrina.

848

00:52:55,255 --> 00:52:58,049  
-Huh.  
-As long as you're at Baxter High, I...

849

00:52:58,133 --> 00:53:01,052  
[whispers] I want us working  
extremely closely on this.

850

00:53:01,511 --> 00:53:03,513  
-[beep]  
-[woman on PA] Sabrina Spellman,

851

00:53:03,597 --> 00:53:05,849  
please report  
to Principal Hawthorne's office.

852

00:53:06,183 --> 00:53:08,393  
Sabrina Spellman  
to the principal's office.

853

00:53:08,935 --> 00:53:11,146  
He's baaaack.

854

00:53:17,360 --> 00:53:18,236  
Harvey.

855  
00:53:18,945 --> 00:53:20,572  
-Oh, my gosh.  
-[Harvey] Sabrina.

856  
00:53:20,906 --> 00:53:22,240  
-Hey.  
-[Sabrina sighs deeply]

857  
00:53:22,324 --> 00:53:23,200  
I got your messages.

858  
00:53:23,283 --> 00:53:26,369  
It was a super-intense weekend  
with my aunts.

859  
00:53:27,162 --> 00:53:29,080  
Don't worry about me,  
as long as you're okay.

860  
00:53:30,165 --> 00:53:30,999  
I am.

861  
00:53:31,917 --> 00:53:32,792  
I think I am.

862  
00:53:33,710 --> 00:53:37,172  
I'll explain everything as soon as I can,  
but I am gonna need you, Harvey.

863  
00:53:38,673 --> 00:53:40,675  
[chuckles softly]  
I'm here for you, 'Brina.

864  
00:53:40,759 --> 00:53:42,093  
Always, you know that.

865  
00:53:42,969 --> 00:53:43,803  
I do.

866

00:53:44,763 --> 00:53:45,680  
I so do.

867  
00:53:54,189 --> 00:53:55,690  
[hinges creaking]

868  
00:54:02,697 --> 00:54:05,116  
You wanted to see me, sir?

869  
00:54:05,825 --> 00:54:07,327  
[Hawthorne] I did, indeed.

870  
00:54:10,247 --> 00:54:12,624  
This outrageous club of yours.

871  
00:54:12,707 --> 00:54:15,252  
[clock ticks echoing]

872  
00:54:29,266 --> 00:54:30,725  
Principal Hawthorne?

873  
00:54:31,935 --> 00:54:33,019  
[Hawthorne groans]

874  
00:54:33,520 --> 00:54:36,022  
[inhuman panting, growling]

875  
00:54:36,773 --> 00:54:38,066  
[grunting]

876  
00:54:38,358 --> 00:54:39,317  
Dark Lord.

877  
00:54:40,777 --> 00:54:43,363  
[low, distorted voice]  
I admire your defiance, girl,

878  
00:54:44,155 --> 00:54:46,616  
but you will sign my book.

879  
00:54:47,867 --> 00:54:49,577

You will beg to sign it.

880

00:54:51,162 --> 00:54:53,540

I-- I don't think so.

881

00:54:54,666 --> 00:54:56,626

[Dark Lord]

You think this is a contest?

882

00:54:57,377 --> 00:55:00,255

You think that you can defeat me?

883

00:55:00,338 --> 00:55:02,007

You cannot.

884

00:55:02,424 --> 00:55:03,758

And do you know why?

885

00:55:05,468 --> 00:55:09,347

Because your flesh is mortal,

886

00:55:09,889 --> 00:55:11,099

and in the end,

887

00:55:11,599 --> 00:55:16,646

all mortal flesh must burn.

888

00:55:23,028 --> 00:55:24,946

[theme music playing]

889

00:56:23,088 --> 00:56:24,506

[man] Brett, move your head.
