337

00:19:54,443 --> 00:19:56,195

except it's in front of Luke

338

00:19:56,278 --> 00:20:00,073

-and all those other smug warlock boys.
-And my snob father,

339

00:20:00,616 --> 00:20:02,534

who treats his own daughter
like a charwoman.

340
00:20:06,079 --> 00:20:08,040
But he won't keep us both down, Sabrina.

341
00:20:09,750 --> 00:20:11,251
Go to the Inquisition.

342
00:20:11,960 --> 00:20:13,003
Leave the rest to me.

343
00:20:20,928 --> 00:20:22,262
[Judas coos]

344
00:20:26,934 --> 00:20:28,936
[murmur of voices]

345
00:20:32,314 --> 00:20:35,108
Listen, last night, when you vanished
during Salome's dance,

346
00:20:35,192 --> 00:20:36,526
where did you go?

347
00:20:36,610 --> 00:20:38,362
Private business for Father Blackwood.

348
00:20:38,695 --> 00:20:39,863
The... The Academy?

349
00:20:40,656 --> 00:20:42,699
It's private, Ambrose.

350
00:20:42,783 --> 00:20:47,246
This first challenge tests the depth
of knowledge of our two candidates.

351
00:20:47,871 --> 00:20:50,415
Questions are drawn
from the Corpus Arcanum,

352
00:20:50,499 --> 00:20:55,212
the shared body of infernal knowledge

that unites our faith and our craft.

353

00:20:56,213 --> 00:20:57,297
Men first.

354

00:20:59,383 --> 00:21:01,718
Nicholas, in sacred geometry,

355

00:21:02,219 --> 00:21:04,304
what configuration represents
the perfection

356

00:21:04,388 --> 00:21:07,057
of our Lord Satan's design for his people?

357

00:21:07,140 --> 00:21:08,392
Easy. Uh, the pentagram.

358

00:21:08,475 --> 00:21:09,351
That is correct.

359

00:21:09,643 --> 00:21:10,811
Point to Nicholas.

360

00:21:11,353 --> 00:21:14,773
Miss Spellman, what are the five books
of the Lesser Key of Solomon?

361

00:21:15,232 --> 00:21:16,900
-Not even I know that.
-[Sabrina] The books

362

00:21:17,234 --> 00:21:18,652
of the Lesser Key of Solomon

363

00:21:19,820 --> 00:21:20,904
are...

364

00:21:25,158 --> 00:21:26,410
The Ars Goetia.

365

00:21:26,868 --> 00:21:30,080
[all] The Ars Theurgia-Goetia.
The Ars Paulina.

366
00:21:30,414 --> 00:21:32,791
[all] The Ars Almadel and the Ars Notoria.

367
00:21:34,501 --> 00:21:37,671
I thought you didn't have
adequate time to prepare, Miss Spellman.

368
00:21:37,754 --> 00:21:40,882
Hm. I guess I'm more of a sponge for
knowledge than I originally thought.

369
00:21:40,966 --> 00:21:42,050
Is that so?

370
00:21:42,843 --> 00:21:46,179
Then perhaps you could tell me
the date of birth of the Magus John Dee?

371
00:21:49,433 --> 00:21:51,893
[all] July 13, 1527.

372
00:21:52,352 --> 00:21:54,062
-Year of death?
-1608.

373
00:21:54,146 --> 00:21:56,898
Let's stick to dates.
Publication of the Malleus Maleficarum?

374
00:21:56,982 --> 00:21:57,816
1487.

375
00:21:57,899 --> 00:21:59,735
-The Salem Witchcraft Trials?
-1692.

376
00:21:59,818 --> 00:22:01,695
-The Pendle Trials?
-1612.

377

00:22:01,778 --> 00:22:03,864
-Date of the sorceress Anne Boleyn?
-Born or died?

378

00:22:03,947 --> 00:22:04,906
-Born.
-1501.

379

00:22:04,990 --> 00:22:05,824
-Died?
-1536.

380

00:22:05,907 --> 00:22:07,492
-Cause of death?
-Beheading.

381

00:22:07,576 --> 00:22:08,994
How did the mortals finally murder

382

00:22:09,077 --> 00:22:11,121
-our beloved Father Gregory Rasputin?
-Poisoning.

383

00:22:11,204 --> 00:22:13,415
I'm sorry, but the complete answer is--

384

00:22:13,498 --> 00:22:15,876
And beating and shooting and drowning.

385

00:22:16,168 --> 00:22:18,837
And finally,
they destroyed the unholy reliquary

386

00:22:18,920 --> 00:22:21,006
-containing his mummified...
-[heartbeat]

387

00:22:21,256 --> 00:22:22,215
heart.

388

00:22:22,299 --> 00:22:23,508

[cheering and applause]

389

00:22:24,384 --> 00:22:25,218
[whistling]

390

00:22:25,302 --> 00:22:26,553
Bravo!

391

00:22:30,682 --> 00:22:32,309
[boy] All right, I'll see you there.

392

00:22:34,019 --> 00:22:35,354
Hey, Harvey, I'm open.

393

00:22:35,854 --> 00:22:39,107
"Hey, Harvey, I'm open."
Shoot the ball, dyke.

394

00:22:40,067 --> 00:22:41,777
Okay, what is your problem with me?

395

00:22:41,860 --> 00:22:44,029
You, you're the problem.

396

00:22:44,112 --> 00:22:46,823
This is a boys' team,
and I don't know what you are,

397

00:22:46,907 --> 00:22:49,159
-but you're sure as hell not a boy.
-Yeah, and you're short

398

00:22:49,242 --> 00:22:51,745
-and can't shoot for shit.
-Okay, blockheads, I took you on once,

399

00:22:51,828 --> 00:22:54,539
-I'm not afraid to do it again.
-Hey, calm down, Susie.

400

00:22:54,623 --> 00:22:57,125
You, too, Billy. Back the hell off

or I'll knock you on your ass.

401

00:22:57,209 --> 00:22:58,919
There'll be no fighting on my team.

402

00:23:00,712 --> 00:23:01,671
No girls on it, either.

403

00:23:01,755 --> 00:23:04,132
-You know what, Coach Craven?
-Susie, they go low, we go high.

404

00:23:08,011 --> 00:23:10,430
You seem concerned, Miss Spellman.

405

00:23:10,847 --> 00:23:12,641
I am, Ms. Wardwell. Yes.

406

00:23:13,350 --> 00:23:16,770
Something is different about Sabrina.

407

00:23:16,853 --> 00:23:19,356
Well, of course there is.
She had her Dark Baptism.

408

00:23:19,940 --> 00:23:21,191
That changes a girl.

409

00:23:21,274 --> 00:23:23,026
Um... Yes, but I... Hm.

410

00:23:23,110 --> 00:23:27,864
I suppose my worry
is that these changes coming over Sabrina

411

00:23:27,948 --> 00:23:32,077
are a prelude to further, darker changes.

412

00:23:32,160 --> 00:23:34,955
What, precisely, would you like me
to do about it?

413

00:23:35,330 --> 00:23:40,001
Well, I... I understand that you excused
her from her classes at Baxter High.

414

00:23:41,044 --> 00:23:44,714
So I was... just wondering
if you might suggest she come back.

415

00:23:44,798 --> 00:23:46,299
I mean, at least part-time.

416

00:23:46,591 --> 00:23:48,051
S-- See, I think...

417

00:23:48,135 --> 00:23:52,305
that it would perhaps temper
the changes Sabrina's going through.

418

00:23:52,389 --> 00:23:54,015
And I believe her mortal friends

419

00:23:54,099 --> 00:23:57,894
would keep her,
and objects around her, grounded.

420

00:23:57,978 --> 00:24:00,439
If she wants to attend
the Academy full-time,

421

00:24:00,522 --> 00:24:02,315
that is her Satan-given right.

422

00:24:02,399 --> 00:24:05,652
And there's nothing either of us
can do to stop her.

423

00:24:05,735 --> 00:24:06,987
[knock at door]

424

00:24:07,362 --> 00:24:10,240
Principal Wardwell, can we talk to you?

425

00:24:10,824 --> 00:24:11,950
What seems to be the problem?

426

00:24:21,376 --> 00:24:22,669
Coach Craven, a word.

427

00:24:26,214 --> 00:24:28,008
What can I do for you, Ms. Wardwell?

428

00:24:28,091 --> 00:24:30,427
Well, it's Principal Wardwell now.

429

00:24:31,428 --> 00:24:34,431
It's come to my attention
that you refuse to let Susie Putnam

430

00:24:34,514 --> 00:24:37,184
try out for the basketball team,
which is unacceptable.

431

00:24:38,143 --> 00:24:41,271
There shall be absolutely
no gender discrimination at Baxter High

432

00:24:41,354 --> 00:24:42,189
under my regime.

433

00:24:42,731 --> 00:24:44,566
Okay, fine. She can try out.

434

00:24:45,275 --> 00:24:47,694
And let Miss Putnam succeed or fail
based on her talent.

435

00:24:48,570 --> 00:24:50,822
After all, she's four-foot nothin',
she can't dribble,

436

00:24:50,906 --> 00:24:53,617
she has no coordination,
she can't sink a basket.

437

00:24:53,700 --> 00:24:57,245
But put her up against my boys,
and let's see who comes out on top.

438

00:24:57,329 --> 00:24:58,580
Get out there!

439

00:24:59,498 --> 00:25:00,749
[blows whistle]

440

00:25:06,129 --> 00:25:10,008
I don't understand. Now I'm in trouble
for being a good student?

441

00:25:10,091 --> 00:25:14,513
Your performance in the competition,
not ten minutes after confessing

442

00:25:14,596 --> 00:25:16,848
you were woefully ill-prepared,

443

00:25:16,932 --> 00:25:19,100
is suspect, to say the least,

444

00:25:19,643 --> 00:25:22,687
and punishable by lashing
if proven to be--

445

00:25:22,771 --> 00:25:24,481
So you're accusing me of cheating,

446

00:25:25,565 --> 00:25:27,567
and threatening to whip me,

447

00:25:28,151 --> 00:25:29,444
Father Blackwood?

448

00:25:30,111 --> 00:25:33,823
This is exactly why I plan
to do away with these sexist,

449

00:25:33,907 --> 00:25:36,535
antiquated traditions
when I'm High Priestess

450

00:25:36,618 --> 00:25:38,161
-of the Church of Night.
-High Pr--

451

00:25:41,164 --> 00:25:42,040
You listen to me.

452

00:25:42,457 --> 00:25:45,794
Witches can ascend to
a multitude of coveted fellowships

453

00:25:45,877 --> 00:25:47,087
within the Church of Night.

454

00:25:47,170 --> 00:25:50,924
But the role of High Priest
has been held by a warlock

455

00:25:51,007 --> 00:25:53,426
since the first stones were lain.

456

00:25:53,510 --> 00:25:56,972
There will never be
a High Priestess of the Church of Night.

457

00:25:57,055 --> 00:25:58,848
Not according to my Aunt Zelda.

458

00:25:58,932 --> 00:26:00,308
-Sabrina.
-Sister Zelda.

459

00:26:00,392 --> 00:26:01,893
She may not want to admit it now,

460

00:26:01,977 --> 00:26:04,938
but Zelda raised me to believe
I could be anything I wanted,

461

00:26:05,355 --> 00:26:06,523
including High Priestess.

462

00:26:06,606 --> 00:26:08,275
We are talking about
the office of Top Boy,

463

00:26:08,358 --> 00:26:10,318
not High Priest right now, Sabrina.

464

00:26:10,402 --> 00:26:14,614
[chuckles] And surely the next competition
will weed out any transgressors,

465

00:26:14,990 --> 00:26:16,700
real or assumed.

466

00:26:16,783 --> 00:26:20,453
Indeed. And I will personally seal
the desecrated church

467

00:26:20,537 --> 00:26:23,957
to ensure that at tomorrow's
Boil and Bubble challenge,

468

00:26:24,040 --> 00:26:27,085
no external forces are being marshaled

469

00:26:27,168 --> 00:26:29,879
to help an under-prepared witch.

470

00:26:32,090 --> 00:26:33,508
I better get studying, then.

471

00:26:34,092 --> 00:26:35,468
[birdsong]

472

00:26:43,351 --> 00:26:44,477
[rustling]

473

00:26:44,561 --> 00:26:45,895

[squeaking sounds]

474
00:26:48,189 --> 00:26:50,108
[chuckling]

475
00:26:51,985 --> 00:26:53,194
Bow, girl.

476
00:26:53,695 --> 00:26:55,905
Oh, no. No, no, no, no, no...

477
00:26:56,990 --> 00:26:59,618
[intense fluttering]

478
00:27:02,662 --> 00:27:04,247
[squaking]

479
00:27:15,008 --> 00:27:16,676
[groaning]

480
00:27:22,307 --> 00:27:23,558
Where is it? Where is it?

481
00:27:26,353 --> 00:27:28,104
[plays squeakily]

482
00:27:29,564 --> 00:27:30,398
[blade rings]

483
00:27:30,482 --> 00:27:31,733
[plays squeakily]

484
00:27:33,985 --> 00:27:35,111
[plays high-pitched note]

485
00:27:35,195 --> 00:27:36,738
[demon screeches]

486
00:27:37,906 --> 00:27:39,449
[screaming]

487
00:27:39,783 --> 00:27:41,326
[Sabrina continues playing]

488
00:27:46,456 --> 00:27:47,582
[note trails off]

489
00:27:49,834 --> 00:27:51,836
[birdsong]

490
00:27:56,174 --> 00:27:57,342
[door slams]

491
00:27:57,425 --> 00:27:59,010
What? What happened?

492
00:27:59,094 --> 00:28:00,595
Someone's sending demons

493
00:28:00,679 --> 00:28:01,971
-to attack me, Aunt Hilda.
-What?

494
00:28:02,055 --> 00:28:04,724
Someone who really
doesn't want me to be Top Boy.

495
00:28:05,392 --> 00:28:07,394
Probably Father Blackwood,
since he thinks I cheated.

496
00:28:07,477 --> 00:28:08,478
What? Why? What?

497
00:28:08,561 --> 00:28:11,439
Also, I have no idea what
the Boil and Bubble challenge is

498
00:28:11,523 --> 00:28:13,316
-or how to prepare for it.
-The--

499

00:28:13,400 --> 00:28:17,737

Well, luckily for you,
I am the Academy's never-bested,

500

00:28:17,821 --> 00:28:19,656
all-time reigning champion bubbler.

501

00:28:20,448 --> 00:28:23,284
Gonna get you cleaned up,
and I'm gonna give you a crash course.

502

00:28:23,493 --> 00:28:26,788
You have to have
your stable formulas memorized,

503

00:28:27,122 --> 00:28:31,459
because you will not be able to check
your alchemical table during the contest.

504

00:28:32,085 --> 00:28:34,754
And as for seasoning incantations,

505

00:28:34,838 --> 00:28:38,675
well, I do not like a near rhyme,
and neither does the Dark Lord.

506

00:28:38,758 --> 00:28:42,345
So, you stick to your rhyming couplets,
and you will not falter.

507

00:28:42,429 --> 00:28:44,347
Looks like an all-nighter for me.

508

00:28:45,682 --> 00:28:47,684
Is it worth it, do you think?

509

00:28:48,768 --> 00:28:49,811
To be Top Boy?

[screams]

687

00:39:47,635 --> 00:39:48,594

-[sighs]
-[fly whines]

688
00:39:52,932 --> 00:39:54,016
[sighs]

689
00:39:54,558 --> 00:39:55,684
Well, Sabrina...

690
00:39:57,186 --> 00:39:59,188
how's your sabbatical been so far?

691
00:40:01,524 --> 00:40:05,277
If demons are hunting you
with any... regularity,

692
00:40:05,361 --> 00:40:07,905
perhaps you should transfer back
to Baxter High.

693
00:40:08,656 --> 00:40:11,033
It would please your Aunt Hilda, and...

694
00:40:12,535 --> 00:40:13,911
I could keep an eye on you.

695
00:40:14,495 --> 00:40:17,498
It's all because of this stupid election.
I just have to get through it.

696
00:40:17,581 --> 00:40:19,708
-What election is that?
-At the Academy.

697
00:40:19,959 --> 00:40:22,294
I'm campaigning to be
Father Blackwood's Top Boy.

698
00:40:22,378 --> 00:40:23,462
Oh, I see.

699
00:40:23,838 --> 00:40:24,880

And, uh...

700

00:40:25,923 --> 00:40:29,176
stab in the dark, the warlocks aren't
too keen on the idea

701

00:40:29,260 --> 00:40:31,387
of a female Top Boy, are they?
-No.

702

00:40:32,138 --> 00:40:34,348
-How many boys are you competing against?
-Just one.

703

00:40:35,141 --> 00:40:36,308
Nick Scratch.

704

00:40:36,392 --> 00:40:39,061
Well, with a name like that,
I can only imagine he's trouble.

705

00:40:39,145 --> 00:40:41,897
-Oh, no, he's, uh...
-Yes?

706

00:40:42,731 --> 00:40:43,566
...a friend.

707

00:40:44,233 --> 00:40:45,693
-He wouldn't.
-Oh.

708

00:40:45,776 --> 00:40:48,154
-Nick wouldn't.
-Sabrina, Sabrina, Sabrina...

709

00:40:49,029 --> 00:40:49,947
Is someone...

710

00:40:51,073 --> 00:40:52,491
having a rebound crush?

711

00:40:53,242 --> 00:40:57,329
Is some handsome young warlock
clouding your judgment?

712

00:40:57,413 --> 00:40:59,790
No, Miss Wardwell, I'm telling you.

713

00:40:59,874 --> 00:41:03,294
What does this provocatively named
Nick Scratch study at the Academy?

714

00:41:03,794 --> 00:41:06,172
He's a... a conjuror.

715

00:41:12,970 --> 00:41:15,306
Um... Miss Wardwell, I have to go.

716

00:41:15,389 --> 00:41:16,515
I think you'd better.

717

00:41:19,018 --> 00:41:20,603
Please don't be a stranger.

718

00:41:25,900 --> 00:41:26,775
[sighs]

719

00:41:29,195 --> 00:41:32,198
Faustus, I was called
a wanton hussy today.

720

00:41:33,073 --> 00:41:35,367
Apparently, there's a faction
in the coven

721

00:41:35,451 --> 00:41:38,454
that believes our relationship
is inappropriate.

722

00:41:40,206 --> 00:41:44,835
I don't particularly care what a gaggle
of withered hags thinks about me.

723

00:41:45,544 --> 00:41:46,921
What's important is what I think.

724

00:41:48,339 --> 00:41:53,177
And I must admit, I don't quite understand
who or what we are to each other.

725

00:41:54,470 --> 00:41:55,804
I'm your High Priest.

726

00:41:56,889 --> 00:41:58,516
You're one of my disciples.

727

00:41:59,767 --> 00:42:01,268
My son's Night Mother.

728

00:42:01,352 --> 00:42:05,523
And when the fancy strikes you,
I'm also your... night maiden.

729

00:42:07,024 --> 00:42:09,485
I have no shame or regrets.

730

00:42:10,402 --> 00:42:11,695
But I must have clarity.

731

00:42:12,154 --> 00:42:15,491
Do you intend to make me
your Top Lady, as it were?

732

00:42:15,908 --> 00:42:18,202
It would certainly silence
wagging tongues.

733

00:42:18,285 --> 00:42:22,414
Sister Zelda, there is a mourning period
we must respect in the eyes of our coven.

734

00:42:23,666 --> 00:42:26,752
You're right, Father Blackwood.

735

00:42:27,127 --> 00:42:29,046

Wiser to respect decorum.

736

00:42:30,506 --> 00:42:34,343
Until you've had enough time to mourn,
we shall be all business.

737

00:42:35,344 --> 00:42:39,265
That means, as much as I enjoy our trysts,

738

00:42:40,599 --> 00:42:43,686
no more secret assignments
or flagellations.

739

00:42:44,728 --> 00:42:49,525
That is, until you're ready
to make us legitimate.

740

00:43:03,706 --> 00:43:05,165
Good evening, Nicholas.

741

00:43:05,666 --> 00:43:07,793
Brushing up for
the final challenge tomorrow?

742

00:43:07,876 --> 00:43:09,336
As a matter of fact, yes.

743

00:43:09,420 --> 00:43:12,548
But it's a contest of conjuring.
Isn't that your specialty?

744

00:43:13,299 --> 00:43:16,176
Yes, but you've proven yourself
a formidable opponent, Sabrina.

745

00:43:16,260 --> 00:43:19,597
So formidable you'd stoop
to releasing demons to torment me?

746

00:43:20,264 --> 00:43:21,599
Rats, bats, and flies?

747

00:43:22,641 --> 00:43:25,519
Okay, admittedly,
I'm not above playing dirty.

748

00:43:26,437 --> 00:43:27,563
But not against you.

749

00:43:28,439 --> 00:43:30,608
I certainly wouldn't put you
in any danger.

750

00:43:32,568 --> 00:43:34,278
If not you, then one of your boys.

751

00:43:35,112 --> 00:43:36,530
Rats, bats, and flies?

752

00:43:44,830 --> 00:43:47,541
"In the Monarchy of Hell,
there are three Plague Kings."

753

00:43:48,167 --> 00:43:49,835
[Sabrina] That's them, without a doubt.

754

00:43:50,169 --> 00:43:51,462
Well, I can tell you this.

755

00:43:51,545 --> 00:43:54,340
These aren't lesser demons
that can be summoned by a novice.

756

00:43:54,423 --> 00:43:56,175
I'm the best student conjurer
at the Academy.

757

00:43:56,258 --> 00:43:58,510
-Even I couldn't manage this alone.
-Then who?

758

00:44:00,137 --> 00:44:01,138
Father Blackwood?

759

00:44:02,931 --> 00:44:04,183
One way to find out.

760

00:44:04,266 --> 00:44:07,394
For the final challenge,
both Mr. Scratch and Miss Spellman's

761

00:44:07,478 --> 00:44:09,938
knowledge of demonic conjuring
will be put to the test.

762

00:44:10,981 --> 00:44:15,527
As we well know, the more complex
and exact the sacred geometry used,

763

00:44:16,111 --> 00:44:19,114
the more impressive the demon
they'll be able to summon

764

00:44:19,198 --> 00:44:23,369
and safely contain within
the circle's circumference.

765

00:44:25,162 --> 00:44:27,456
In your own good time,
Miss Spellman, Mr. Scratch.

766

00:44:28,207 --> 00:44:30,042
-We're ready, Father Blackwood.
-Good.

767

00:44:30,459 --> 00:44:32,336
-I'm good to go, Sabrina, are you?
-I'm ready.

768

00:44:32,795 --> 00:44:34,046
Let's seal the deal.

769

00:44:36,757 --> 00:44:39,551
What... What are you two playing at?
Sever your circles at once.

770

00:44:39,635 --> 00:44:41,637

This is not within the rules
of the challenge.

771

00:44:41,720 --> 00:44:45,307
Neither is sending demons
to attack and kill me, Father Blackwood,

772

00:44:45,891 --> 00:44:48,602
unless you consider that to be
in the spirit of friendly competition.

773

00:44:48,686 --> 00:44:51,313
I beg your pardon.
What are you accusing me of?

774

00:44:51,397 --> 00:44:54,066
I am accusing you,
or someone in this room,

775

00:44:54,566 --> 00:44:57,528
of being so against my bid
to be Top Person

776

00:44:57,820 --> 00:45:00,906
that they would send high demons
to attack me.

777

00:45:00,989 --> 00:45:04,284
So we're using our combined talents
and the magics of this binding shape

778

00:45:04,368 --> 00:45:06,704
to get the truth
straight from the horse's mouth.

779

00:45:07,955 --> 00:45:12,292
[both] Vos evoco, formidabiles reges.

780

00:45:12,376 --> 00:45:13,711
[screeching]

781

00:45:13,794 --> 00:45:16,213
Remain calm! Stay in your seats!

782

00:45:16,296 --> 00:45:17,881
The energies are too volatile.

783

00:45:17,965 --> 00:45:19,550
...ubi dolores habitant!

784

00:45:22,302 --> 00:45:24,888
Demons, we fix and hold you in our grasp!

785

00:45:24,972 --> 00:45:27,391
Demons, we keep you bound by Satan's will!

786

00:45:27,474 --> 00:45:30,436
[both] We command you
to speak your names aloud.

787

00:45:30,519 --> 00:45:33,313
I am Beelzebub, Lord of Flies.

788

00:45:33,397 --> 00:45:35,733
I am Asmodeus, Lord of Vermin.

789

00:45:35,816 --> 00:45:38,152
I am Purson, Lord of Shadow.

790

00:45:38,360 --> 00:45:42,156
You three Kings of Hell were sent here,
dispatched with orders to kill me.

791

00:45:42,656 --> 00:45:43,490
Who gave the order?

792

00:45:44,867 --> 00:45:46,827
Was it a witch? A warlock?

793

00:45:48,370 --> 00:45:49,496
Or was it...

794

00:45:51,248 --> 00:45:52,082
the High Priest?

795

00:45:52,458 --> 00:45:53,292
[chuckling]

796

00:45:54,209 --> 00:45:59,131
We are not pawns of
the filthy little covens of Satan, girl.

797

00:45:59,214 --> 00:46:01,133
[Purson] Neither are we pawns of Satan.

798

00:46:01,216 --> 00:46:03,927
We are not commanded. We are Kings.

799

00:46:04,011 --> 00:46:07,681
And we wish death upon
the half-spawn witch

800

00:46:07,765 --> 00:46:09,725
and the chaos she engenders!

801

00:46:09,808 --> 00:46:11,727
She must be stopped!

802

00:46:12,394 --> 00:46:13,812
Stopped from doing what?

803

00:46:13,896 --> 00:46:17,149
[all] The half-witch must not ascend!

804

00:46:17,232 --> 00:46:18,692
In what way ascend? What are you--

805

00:46:18,776 --> 00:46:19,735
Enough!

806

00:46:21,320 --> 00:46:22,404
Beelzebub...

807

00:46:24,156 --> 00:46:25,157
I banish you.

808
00:46:25,699 --> 00:46:26,700
[growls]

809
00:46:26,784 --> 00:46:28,952
Purson, I banish you.

810
00:46:29,870 --> 00:46:31,371
[screeches]

811
00:46:34,500 --> 00:46:35,501
Asmodeus...

812
00:46:37,211 --> 00:46:38,378
I banish you.

813
00:46:39,296 --> 00:46:41,048
[screeching]

814
00:46:43,592 --> 00:46:44,843
[breathing heavily]

815
00:46:46,011 --> 00:46:47,221
And you two.

816
00:46:48,013 --> 00:46:50,474
You make a mockery of the Academy.

817
00:46:51,975 --> 00:46:54,269
I want you both in my office, immediately.

818
00:46:59,399 --> 00:47:01,735
You put all of your classmates at risk.

819
00:47:01,819 --> 00:47:04,988
And did you find the answer
you were looking for, Agatha Christie?

820
00:47:05,072 --> 00:47:07,491
You heard the demons yourself.
No one conjured them.

821

00:47:07,574 --> 00:47:11,870
Demons acting of their own volition,
they must be riled up about something.

822

00:47:11,954 --> 00:47:15,207
They're demons.
Ascribing motivations to them is folly.

823

00:47:16,583 --> 00:47:18,710
And there is still the matter of
Top Boy to be settled.

824

00:47:18,794 --> 00:47:20,254
If today made anything clear,

825

00:47:20,337 --> 00:47:23,298
it's that neither of you are capable
of holding that office,

826

00:47:23,632 --> 00:47:25,467
so I'll be making the appointment myself.

827

00:47:25,551 --> 00:47:28,512
And though it may be an unconventional,
controversial choice,

828

00:47:29,721 --> 00:47:35,352
I, Faustus Blackwood, am naming
Ambrose Spellman as new Top Boy.

829

00:47:35,435 --> 00:47:37,771
-But I--
-Ambrose doesn't even go to this Academy!

830

00:47:37,855 --> 00:47:39,940
[Father Blackwood]
A technicality easily remedied.

831

00:47:40,023 --> 00:47:42,860
From this moment on,
Ambrose is admitted as a full-time student

832

00:47:42,943 --> 00:47:44,736
to the Academy of Unseen Arts.

833

00:47:44,820 --> 00:47:46,738
Now out of my office, the pack of you.

834

00:47:48,866 --> 00:47:50,868
Except for you, Ambrose, you stay.

835

00:47:51,910 --> 00:47:53,579
I wish to discuss your future.

836

00:47:53,662 --> 00:47:55,372
Uh, yes, Your Excellency.

837

00:48:02,713 --> 00:48:04,298
[murmur of voices]

838

00:48:07,342 --> 00:48:08,510
Fancy a bite?

839

00:48:09,636 --> 00:48:10,470
To celebrate?

840

00:48:11,054 --> 00:48:13,724
I mean, we lost,
but the battle was pretty epic.

841

00:48:14,349 --> 00:48:15,309
[chuckles]

842

00:48:16,435 --> 00:48:19,146
Isn't there some, uh, diner
where all the mortal kids go?

843

00:48:19,479 --> 00:48:20,856
Dr. Cyclops?

844

00:48:20,939 --> 00:48:22,858
Dr. Cerberus's.

845

00:48:22,941 --> 00:48:23,859
Yeah.

846

00:48:25,527 --> 00:48:26,737
You wanna take me?

847

00:48:28,864 --> 00:48:30,157
Why the hell not?

848

00:48:34,912 --> 00:48:37,831
So, we just call her Theo now?

849

00:48:38,498 --> 00:48:41,710
No. No, we call him Theo.

850

00:48:43,128 --> 00:48:45,714
Theo might look like a girl, but he's not.

851

00:48:46,590 --> 00:48:47,674
He's a boy.

852

00:48:48,258 --> 00:48:52,346
And that's how he's always been.
He's just... ready now.

853

00:48:53,472 --> 00:48:56,099
To live as himself. As Theo.

854

00:48:57,392 --> 00:48:58,310
Okay.

855

00:48:59,853 --> 00:49:00,979
Susie no more.

856

00:49:01,396 --> 00:49:02,981
Now, Theo!

857

00:49:06,610 --> 00:49:08,403
Do you think Sabrina knew about Theo?

858

00:49:08,487 --> 00:49:09,488
You know...

859
00:49:09,905 --> 00:49:11,073
I'm not sure.
