[purring]

317  
00:19:24,163 --> 00:19:25,122  
You sent for me...

318  
00:19:26,373 --> 00:19:27,207  
and I came.

319  
00:19:29,084 --> 00:19:29,918  
[whoosh]

320  
00:19:32,713 --> 00:19:34,131  
What is it You want from me?

321  
00:19:34,840 --> 00:19:35,674  
Respect?

322  
00:19:37,593 --> 00:19:38,468  
Love?

323  
00:19:40,262 --> 00:19:41,180  
No?

324

00:19:42,055 --> 00:19:43,432  
Well, soon enough for those things.

325  
00:19:44,766 --> 00:19:47,019  
In the meantime, I'd settle for gratitude.

326  
00:19:47,477 --> 00:19:49,771  
Gratitude? For what?

327  
00:19:50,439 --> 00:19:52,900  
Have I not given you  
every worthwhile thing?

328  
00:19:53,817 --> 00:19:55,777  
Beauty, strength,

329  
00:19:56,445 --> 00:19:58,197  
power above all other mortals?

330  
00:19:58,280 --> 00:20:00,616  
I didn't ask for those things.

331  
00:20:01,491 --> 00:20:03,452  
-I didn't want those things.  
-Now...

332  
00:20:04,536 --> 00:20:05,704  
Now that is a lie.

333  
00:20:06,747 --> 00:20:09,041  
And there should be no lies  
between us, Sabrina.

334  
00:20:10,209 --> 00:20:12,544  
Not on the eve of our glorious ascension.

335  
00:20:12,628 --> 00:20:17,049  
The truth is, Sabrina,  
you have loved the power I have given you.

336  
00:20:18,175 --> 00:20:19,551  
You've reveled in it.

337

00:20:20,093 --> 00:20:23,597  
Your wrath, when you've shown it,  
has been magnificent.

338

00:20:24,723 --> 00:20:28,060  
I have waited a millennia  
for such a fit consort.

339

00:20:29,186 --> 00:20:30,729  
I will not be denied it now.

340

00:20:31,521 --> 00:20:33,607  
Then, might I suggest Lilith?

341

00:20:34,483 --> 00:20:35,400  
[Dark Lord scoffs]

342

00:20:35,484 --> 00:20:37,110  
-Lilith knows her place.  
-[sighs]

343

00:20:37,444 --> 00:20:38,278  
Her purpose.

344

00:20:39,988 --> 00:20:41,156  
To serve.

345

00:20:42,532 --> 00:20:43,784  
Here's yours.

346

00:20:48,705 --> 00:20:50,999  
You will blow the horn of Gabriel for me,

347

00:20:51,541 --> 00:20:54,586  
opening the Gates to the Pit  
for the aristocracy of Hell,

348

00:20:54,670 --> 00:20:56,463  
who will attend your coronation.

349

00:20:58,173 --> 00:20:59,383  
You will wear the crown.

350

00:21:00,550 --> 00:21:02,302  
You will sit in the throne.

351

00:21:03,512 --> 00:21:06,932  
And then, once we have danced  
the Mephisto Waltz,

352

00:21:07,516 --> 00:21:09,893  
the world will be remade in Hell's image.

353

00:21:10,352 --> 00:21:12,437  
All the demon hordes will be freed,

354

00:21:13,355 --> 00:21:16,942  
and you and I  
will rule over Hell on Earth,

355

00:21:17,818 --> 00:21:20,529  
together, for all eternity.

356

00:21:23,740 --> 00:21:25,659  
Sorry, but I have school.

357

00:21:29,121 --> 00:21:30,414  
[chuckles]

358

00:21:33,417 --> 00:21:36,628  
You've said no every step of the way  
since your 16th birthday,

359

00:21:36,712 --> 00:21:38,964  
and yet, here we are.

360

00:21:40,507 --> 00:21:43,176  
There has only ever been  
one path for you, Sabrina.

361

00:21:44,428 --> 00:21:45,721  
The Path of Night.

362  
00:21:46,888 --> 00:21:49,516  
Your every choice you have ever made

363  
00:21:50,058 --> 00:21:52,436  
has led you here.

364  
00:21:53,603 --> 00:21:55,522  
I have made quite sure of that.

365  
00:21:57,107 --> 00:21:58,275  
Haven't I,

366  
00:21:59,693 --> 00:22:00,527  
Nicholas?

367  
00:22:09,953 --> 00:22:10,996  
Sabrina.

368  
00:22:18,086 --> 00:22:19,338  
The Dark Lord...

369  
00:22:20,756 --> 00:22:22,257  
asked me to get close to you.

370  
00:22:24,885 --> 00:22:26,178  
To be nice to you.

371  
00:22:27,888 --> 00:22:29,181  
To hold your hand.

372  
00:22:32,934 --> 00:22:35,270  
But then I really did  
fall in love with you.

373  
00:22:38,231 --> 00:22:39,900  
Sabrina, you have to believe me.

374  
00:22:41,360 --> 00:22:42,444  
[spits]

375  
00:22:47,032 --> 00:22:49,159  
[Nick] Sabrina, I never would've hurt you.

376  
00:22:49,618 --> 00:22:50,535  
But you did.

377  
00:22:51,703 --> 00:22:54,414  
I didn't know  
that this was the Dark Lord's agenda.

378  
00:22:54,498 --> 00:22:57,334  
-That doesn't matter.  
-[Dark Lord] Don't blame him.

379  
00:22:58,668 --> 00:22:59,878  
Wasn't his choice.

380  
00:23:00,629 --> 00:23:02,381  
There is no such thing as choice.

381  
00:23:03,548 --> 00:23:05,342  
There is only My desire.

382  
00:23:07,427 --> 00:23:09,179  
Was my father a part of this, too?

383  
00:23:09,805 --> 00:23:11,181  
Did he conspire with you?

384  
00:23:11,598 --> 00:23:14,184  
You believe your father colluded with Me?

385  
00:23:14,851 --> 00:23:15,727  
Did he?

386  
00:23:16,686 --> 00:23:18,939  
Tell me that, at least.

387  
00:23:19,481 --> 00:23:20,565  
But, child,

388  
00:23:21,942 --> 00:23:23,693  
Edward Spellman isn't your father.

389  
00:23:27,989 --> 00:23:28,865  
I am.

390  
00:23:29,658 --> 00:23:30,700  
What?

391  
00:23:31,993 --> 00:23:33,995  
[crying]

392  
00:23:39,876 --> 00:23:41,878  
[growling]

393  
00:23:43,630 --> 00:23:44,965  
[Dark Lord] So, you see...

394  
00:23:46,425 --> 00:23:48,635  
there is nothing to do but submit.

395  
00:23:50,387 --> 00:23:51,638  
Prepare yourself.

396  
00:23:52,097 --> 00:23:57,060  
You will blow Gabriel's Horn at sundown,  
in the clearing where you signed my book.

397  
00:23:59,604 --> 00:24:01,523  
-Sabrina.  
-[hisses]

398  
00:24:02,774 --> 00:24:04,151  
Leave her be.

399  
00:24:04,234 --> 00:24:05,068  
[yowls]

400  
00:24:05,152 --> 00:24:06,319  
Your work is done, boy.

401  
00:24:16,538 --> 00:24:18,540  
[resonant ringing sound]

402  
00:24:22,586 --> 00:24:23,879  
[Roz] Okay.

403  
00:24:31,303 --> 00:24:33,013  
[sighs softly]

404  
00:24:33,096 --> 00:24:35,098  
[distorted gasping]

405  
00:24:35,599 --> 00:24:37,476  
[distorted screeching]

406  
00:24:37,559 --> 00:24:39,019  
-[grinding]  
-[thumping]

407  
00:24:39,811 --> 00:24:40,812  
[Harvey] Roz?

408  
00:24:41,146 --> 00:24:42,147  
What did you see?

409  
00:24:44,191 --> 00:24:46,776  
It showed me. It showed me the Gates.  
I-- I saw them.

410  
00:24:47,027 --> 00:24:47,861  
Which way?

411  
00:24:48,612 --> 00:24:49,696  
Follow me.

412  
00:24:52,324 --> 00:24:56,203  
And lo, I was summoned to the  
very knee of the Dark Lord Himself!

413  
00:24:56,286 --> 00:24:57,162  
[gasping]

414  
00:24:57,245 --> 00:24:59,831  
And He took my hand in His,

415  
00:25:00,624 --> 00:25:03,502  
and gave me His Unholy Blessing!

416  
00:25:04,544 --> 00:25:06,796  
Upon the Church of Judas!

417  
00:25:07,964 --> 00:25:10,008  
The one true Church!

418  
00:25:10,091 --> 00:25:11,468  
[whispering]

419  
00:25:12,093 --> 00:25:13,970  
And so I say, praise Satan.

420  
00:25:14,387 --> 00:25:15,347  
Hail, Judas.

421  
00:25:15,430 --> 00:25:16,932  
[all] Praise Satan!

422  
00:25:17,015 --> 00:25:18,517  
Hail Judas!

423  
00:25:18,600 --> 00:25:21,520  
Praise Satan! Hail Judas!

424  
00:25:21,978 --> 00:25:25,273  
Praise Satan! Hail Judas!

425  
00:25:25,357 --> 00:25:26,399  
[gasping]

426  
00:25:26,483 --> 00:25:28,860  
And so, to thank the Dark Lord today,

427

00:25:30,028 --> 00:25:35,825  
I say we must all partake of  
an Unholy Infernal Communion.

428

00:25:36,159 --> 00:25:38,495  
[all] Yes! Yes! Yes!

429

00:25:39,371 --> 00:25:41,206  
[Father Blackwood] Be pleased

430

00:25:41,289 --> 00:25:44,793  
to accept this offering, Dark Lord,

431

00:25:45,544 --> 00:25:47,212  
as You were pleased

432

00:25:47,295 --> 00:25:51,132  
to accept the gift of your servant Cain.

433

00:25:52,259 --> 00:25:56,179  
Step forward, girls.  
Drink deeply in His Name.

434

00:25:57,097 --> 00:25:58,348  
In His name.

435

00:26:04,854 --> 00:26:05,939  
[echoing] Hail Satan!

436

00:26:11,361 --> 00:26:12,195  
[meows]

437

00:26:20,120 --> 00:26:22,622  
[Ambrose] That's not true.  
Surely, it can't be true, Aunties?

438

00:26:22,706 --> 00:26:26,001  
Of course not, He's the Father of Lies.  
This is but a fabrication.

439

00:26:26,084 --> 00:26:29,629  
Did my father offer up my mother

like a piece of meat?

440

00:26:29,879 --> 00:26:31,089  
Or was my mother a part of it?

441

00:26:31,172 --> 00:26:34,509  
Edward loved Diana, Sabrina,  
of that much I am certain.

442

00:26:34,593 --> 00:26:35,427  
However...

443

00:26:36,595 --> 00:26:38,805  
It's-- It might be possible...

444

00:26:39,347 --> 00:26:41,141  
[stammering] that it's somewhat...

445

00:26:42,309 --> 00:26:43,143  
true.

446

00:26:45,228 --> 00:26:47,105  
Unholy shit.

447

00:26:47,188 --> 00:26:49,858  
What on Earth are you babbling about?  
He was our brother.

448

00:26:49,941 --> 00:26:53,320  
Yes. And I was Diana's midwife,  
if you remember.

449

00:26:53,403 --> 00:26:54,404  
Me, not you.

450

00:26:55,780 --> 00:26:56,781  
Sabrina.

451

00:26:58,783 --> 00:27:01,828  
She was so happy and so very proud

452

00:27:02,412 --> 00:27:04,456  
when she found out she was pregnant,

453  
00:27:04,539 --> 00:27:06,750  
-because--  
-Because what? Auntie, please.

454  
00:27:06,833 --> 00:27:07,667  
Because...

455  
00:27:07,751 --> 00:27:08,627  
[thunder rumbles]

456  
00:27:08,710 --> 00:27:10,879  
Well, they really struggled  
to have a baby.

457  
00:27:11,713 --> 00:27:13,256  
So they went to the Dark Lord

458  
00:27:13,965 --> 00:27:16,051  
and asked Him to bless them with a child.

459  
00:27:16,885 --> 00:27:17,761  
And He did.

460  
00:27:18,219 --> 00:27:20,680  
But then, later,  
Diana came to me, and... and...

461  
00:27:21,139 --> 00:27:24,017  
she said she was worried about the baby.

462  
00:27:24,100 --> 00:27:24,934  
About you.

463  
00:27:25,018 --> 00:27:27,228  
And, erm... nervous,

464  
00:27:27,812 --> 00:27:30,106  
because she thought  
the baby wasn't Edward's.

465  
00:27:30,607 --> 00:27:33,485  
-You--  
-Hilda, you knew, and you didn't say?

466  
00:27:33,568 --> 00:27:35,403  
No, I didn't know, know anything!

467  
00:27:35,904 --> 00:27:36,905  
But why?

468  
00:27:37,739 --> 00:27:40,116  
Why would the Dark Lord  
want to do such a thing?

469  
00:27:40,200 --> 00:27:41,910  
Don't you see, Aunties?

470  
00:27:42,786 --> 00:27:45,872  
I have read of such tales  
in apocryphal books on Satanic lore.

471  
00:27:46,164 --> 00:27:49,250  
In siring a babe of a witch, mortal,  
and infernal blood,

472  
00:27:50,502 --> 00:27:51,711  
He perverts the Holy Trinity.

473  
00:27:52,128 --> 00:27:53,797  
A sacrilegious conception,

474  
00:27:54,255 --> 00:27:56,424  
to birth  
an only ill-begotten child of His own

475  
00:27:56,508 --> 00:27:59,219  
and instigate the Apocalypse.

476  
00:28:00,387 --> 00:28:02,347  
[thunder rumbling]

477

00:28:02,430 --> 00:28:03,264  
[heavy rainfall]

478

00:28:03,348 --> 00:28:06,518  
So He tricked my father  
and used my mother?

479

00:28:07,268 --> 00:28:09,187  
And now He expects me to fall in line?

480

00:28:10,230 --> 00:28:13,733  
Well, I say, not today, Satan.

481

00:28:14,818 --> 00:28:16,820  
I don't care who the Dark Lord is to me.

482

00:28:17,404 --> 00:28:21,533  
I'm a Spellman  
and I will always be a Spellman.

483

00:28:22,325 --> 00:28:25,161  
And I'll fight Him  
until my last dying breath.

484

00:28:27,706 --> 00:28:29,958  
I just don't know how yet.

485

00:28:31,835 --> 00:28:34,879  
Well, I might have an idea about that.

486

00:28:36,047 --> 00:28:37,006  
May I come in?

487

00:28:42,345 --> 00:28:43,847  
[all] Holy shit.

488

00:28:43,930 --> 00:28:45,807  
[echoing clang]

489

00:28:47,434 --> 00:28:48,935  
Do you guys feel that?

490  
00:28:50,019 --> 00:28:51,146  
How hot it is?

491  
00:28:52,522 --> 00:28:55,525  
Guys, I don't think dynamite's  
gonna do the trick.

492  
00:28:56,443 --> 00:28:57,277  
Agreed.

493  
00:28:59,654 --> 00:29:02,991  
Roz, can you maybe...

494  
00:29:04,534 --> 00:29:05,577  
Um...

495  
00:29:06,703 --> 00:29:08,079  
Yeah, um... I'm on it.

496  
00:29:11,708 --> 00:29:12,751  
[sighs]

497  
00:29:29,142 --> 00:29:31,144  
[thumping and whooshing]

498  
00:29:38,151 --> 00:29:40,153  
[distorted screeching]

499  
00:29:40,820 --> 00:29:43,281  
Har-- Harvey, something's wrong.  
They're too powerful.

500  
00:29:43,364 --> 00:29:44,783  
-[distorted scream]  
-[echoing wind]

501  
00:29:45,492 --> 00:29:46,618  
-Harvey!  
-[grinding]

502

00:29:48,453 --> 00:29:49,370  
Roz?

503

00:29:50,997 --> 00:29:53,333  
Roz? Hey! Hey! Hey, are you okay?

504

00:29:54,042 --> 00:29:59,255  
I saw something. Um, like... like symbols,  
or runes maybe, or sigils.

505

00:29:59,339 --> 00:30:00,173  
[panting]

506

00:30:00,256 --> 00:30:02,217  
-Okay.  
-Like those.

507

00:30:03,218 --> 00:30:04,093  
On the Gates.

508

00:30:04,177 --> 00:30:07,806  
I think those are locks, and I think  
the symbols will keep the Gates locked.

509

00:30:08,223 --> 00:30:09,307  
Like a protection spell.

510

00:30:09,390 --> 00:30:13,019  
Holy crap. Like drawing images  
to keep the Hordes of the Void at bay.

511

00:30:13,394 --> 00:30:15,271  
What is everybody  
talking about right now?

512

00:30:15,355 --> 00:30:16,940  
You guys are gonna think I'm nuts, but...

513

00:30:18,942 --> 00:30:22,946  
Roz, can you describe the symbols,  
so I can draw them?

514

00:30:23,488 --> 00:30:24,447  
[sighs] Um...

515  
00:30:25,031 --> 00:30:27,700  
They're complicated, ancient, but...

516  
00:30:29,953 --> 00:30:32,038  
Maybe I can share them with you.

517  
00:30:33,414 --> 00:30:34,707  
Clear your mind.

518  
00:30:35,083 --> 00:30:36,334  
What do you mean?

519  
00:30:36,417 --> 00:30:38,586  
-See what I see, Harvey.  
-Roz...

520  
00:30:39,712 --> 00:30:42,507  
Harvey, see what I see.

521  
00:30:42,590 --> 00:30:44,008  
[Theo] Roz, what's going on?

522  
00:30:45,510 --> 00:30:47,178  
-[whooshing]  
-[gasps]

523  
00:30:47,262 --> 00:30:49,264  
-[distorted whooshing]  
-[thump]

524  
00:30:50,765 --> 00:30:52,058  
[Harvey gasps]

525  
00:31:05,572 --> 00:31:07,407  
Keep drawin', Harvey. Just keep drawin'.

526  
00:31:07,991 --> 00:31:11,327  
And why would you turn against  
the Dark Lord now?

527

00:31:11,786 --> 00:31:14,414  
Well, perhaps someone's defiance  
has given me hope.

528

00:31:15,039 --> 00:31:19,085  
That my story isn't finished yet.  
That my destiny hasn't been decided yet.

529

00:31:19,168 --> 00:31:20,253  
I don't believe you.

530

00:31:20,336 --> 00:31:22,297  
Fine, it's because  
I want the throne and crown.

531

00:31:22,714 --> 00:31:25,508  
I've worked for them,  
I've earned them, they're mine.

532

00:31:25,800 --> 00:31:28,553  
And if He won't give them to me,  
then let's gut the bastard

533

00:31:28,636 --> 00:31:30,096  
and I'll take them for myself.

534

00:31:30,471 --> 00:31:31,931  
At least you're being honest.

535

00:31:32,557 --> 00:31:34,350  
But what--  
what do we do against the Dark Lord?

536

00:31:34,434 --> 00:31:35,935  
I mean, He's a bit of a god, isn't He?

537

00:31:36,019 --> 00:31:38,187  
No, He's not a god and never has been.

538

00:31:39,063 --> 00:31:41,232  
That's one of the Devil's greatest lies.

539

00:31:41,566 --> 00:31:45,486  
He's just a fallen angel,  
a creature of the cosmos.

540

00:31:46,487 --> 00:31:48,781  
Powerfully ageless,  
but I've seen him bleed.

541

00:31:49,449 --> 00:31:51,451  
And I know his weak spots.

542

00:31:52,744 --> 00:31:54,579  
If you wish for me to tell you.

543

00:32:06,049 --> 00:32:07,091  
How do we do it?

544

00:32:08,092 --> 00:32:10,970  
You're powerless right now,  
and that's to your advantage.

545

00:32:11,471 --> 00:32:12,972  
He thinks you're helpless.

546

00:32:13,056 --> 00:32:16,601  
But He underestimates  
your secret weapon. Your family.

547

00:32:18,353 --> 00:32:20,688  
He's expecting you at the altar  
in the woods.

548

00:32:21,522 --> 00:32:23,733  
You'll go there alone, with no weapons.

549

00:32:23,816 --> 00:32:25,068  
You want me to go unarmed?

550

00:32:25,151 --> 00:32:28,404  
No, you will be armed,  
but not exactly with a weapon.

551

00:32:28,905 --> 00:32:30,406  
And you won't really be alone.

552

00:32:31,699 --> 00:32:32,659  
Now.

553

00:32:33,326 --> 00:32:36,037  
Does anyone here know how to smelt?

554

00:32:46,089 --> 00:32:48,591  
-That's pure iron, is it?  
-Course it is, Auntie.

555

00:32:49,884 --> 00:32:51,469  
-[water hisses]  
-What's the other thing?

556

00:32:52,136 --> 00:32:54,514  
We have Father Blackwood  
to thank for this one.

557

00:32:55,264 --> 00:32:56,265  
[sighs]

558

00:33:02,230 --> 00:33:03,898  
I'm not sure it'll kill the Dark Lord.

559

00:33:03,982 --> 00:33:06,484  
[Lilith] Well, you don't need to kill Him,  
just distract Him.

560

00:33:08,403 --> 00:33:11,698  
Now you'll all have to do  
exactly as I say.

561

00:33:12,824 --> 00:33:13,700  
Sabrina...

562

00:33:15,702 --> 00:33:19,372  
you will exploit the Dark Lord's  
first and greatest weakness,

563

00:33:19,664 --> 00:33:22,709  
His arrogance, pride, and ego.

564

00:33:24,460 --> 00:33:25,920  
Sabrina, you came.

565

00:33:26,379 --> 00:33:30,258  
[Lilith] You must submit to Him,  
flatter Him, be in His thrall.

566

00:33:30,758 --> 00:33:32,802  
Turn and face Me, My daughter.

567

00:33:33,219 --> 00:33:35,972  
And you must keep Him facing you  
at all times.

568

00:33:37,140 --> 00:33:39,767  
As you wish, my Lord and Father.

569

00:33:40,977 --> 00:33:44,522  
Today, we sound Gabriel's Horn  
to unlock the Gates of Hell.

570

00:33:47,316 --> 00:33:49,110  
Do you still have your doubts?

571

00:33:49,902 --> 00:33:53,406  
On the Dark Lord's back,  
there are two wounds that will never heal.

572

00:33:53,948 --> 00:33:56,576  
The place where his wings  
were ripped from his body.

573

00:33:57,076 --> 00:33:59,454  
Those spots are where he is weakest,

574

00:33:59,787 --> 00:34:02,623  
and where the killing blows  
must be struck.

575

00:34:02,874 --&gt; 00:34:06,377

No, my Lord.

I put myself in Your thrall.

576

00:34:07,128 --&gt; 00:34:07,962

Willingly.

577

00:34:09,464 --&gt; 00:34:10,548

Then kneel, daughter.

578

00:34:10,840 --&gt; 00:34:14,635

Flattery, Sabrina,

will be your tool to disarm Him.

579

00:34:15,678 --&gt; 00:34:19,724

Dark Lord. Lucifer Morningstar. Father.

580

00:34:20,058 --&gt; 00:34:21,225

I praise thee.

581

00:34:21,309 --&gt; 00:34:24,812

And then, with the horseshoe,  
you pin him to the spot.

582

00:34:27,607 --&gt; 00:34:28,608

Sabrina.

583

00:34:28,691 --&gt; 00:34:31,027

Just a little trick I learned  
from St. Dunstan.

584

00:34:31,444 --&gt; 00:34:33,696

-Ambrose!

-[yells] Aah! Hah!

585

00:34:34,322 --&gt; 00:34:36,783

-[yelling]

-[grunting]

586

00:34:37,784 --&gt; 00:34:39,243

-[yells] Hah!

-Aunties!

587

00:34:39,786 --> 00:34:40,995  
[Hilda yelling]

588

00:34:41,788 --> 00:34:43,998  
-[Hilda yells]  
-[roaring]

589

00:34:44,082 --> 00:34:45,792  
[screeching]

590

00:34:46,125 --> 00:34:47,376  
Stab Him with these.

591

00:34:48,419 --> 00:34:51,214  
Daggers forged  
in the ancient city of Megiddo,

592

00:34:53,508 --> 00:34:54,967  
where Christianity was born.

593

00:34:55,051 --> 00:34:56,844  
[Dark Lord growling]

594

00:35:02,892 --> 00:35:03,726  
[roaring]

595

00:35:03,810 --> 00:35:05,394  
[cackling]

596

00:35:07,647 --> 00:35:09,273  
[thunder crashes]

597

00:35:09,524 --> 00:35:12,777  
Well planned, but fruitless.

598

00:35:12,860 --> 00:35:15,863  
Only the Spear of Longinus could kill Me.

599

00:35:16,989 --> 00:35:18,032

-[metal ringing]  
-[gasping]

600  
00:35:18,116 --> 00:35:19,826  
-[Sabrina] Wait. Stop!  
-[Ambrose grunts]

601  
00:35:19,909 --> 00:35:21,369  
[groans]

602  
00:35:21,452 --> 00:35:25,331  
I shouldn't be surprised.  
You are, after all, My daughter.

603  
00:35:26,249 --> 00:35:29,669  
And I had wanted to keep things civil,  
but if blood must be shed...

604  
00:35:29,752 --> 00:35:31,379  
Please. Please don't.

605  
00:35:31,671 --> 00:35:34,215  
Or you can pick up Gabriel's Horn.

606  
00:35:53,734 --> 00:35:54,569  
Sabrina, no!

607  
00:35:55,486 --> 00:35:56,404  
Aunties.

608  
00:35:57,363 --> 00:35:59,282  
Do it or I'll kill them now.

609  
00:36:11,210 --> 00:36:12,503  
[deep note plays]

610  
00:36:12,587 --> 00:36:14,589  
[deep note resonating]

611  
00:36:15,047 --> 00:36:16,632  
-[rumbling]  
-[screeching]

612  
00:36:18,342 --> 00:36:20,261  
-[echoing screaming]  
-What was that?

613  
00:36:21,387 --> 00:36:23,389  
[distorted groaning]

614  
00:36:23,931 --> 00:36:26,601  
[deep note resonating]

615  
00:36:26,684 --> 00:36:27,602  
[Dark Lord] There.

616  
00:36:28,895 --> 00:36:31,814  
The Damnation Game begins in earnest.

617  
00:36:35,234 --> 00:36:37,987  
I shall expect you all  
at my daughter's coronation.

618  
00:36:40,323 --> 00:36:41,365  
Defy me again...

619  
00:36:41,866 --> 00:36:43,326  
and I won't hesitate.

620  
00:36:45,244 --> 00:36:46,495  
[thunderclap]

621  
00:36:47,997 --> 00:36:49,373  
[daggers clatter]

622  
00:36:49,707 --> 00:36:50,958  
[Ambrose wheezing]

623  
00:36:52,126 --> 00:36:53,878  
-[sighs]  
-[Ambrose] Now what?

624  
00:36:56,464 --> 00:37:00,051

We pray Harvey, Theo, and Rosalind  
are nowhere near the Gates right now.

625

00:37:00,301 --> 00:37:01,928  
[rumbling and grinding]

626

00:37:02,011 --> 00:37:03,095  
[Harvey] Here we go.

627

00:37:06,349 --> 00:37:09,101  
-What do we do if the sigils don't work?  
-[Harvey] Run like Hell.

628

00:37:10,019 --> 00:37:11,979  
[heavy tumbling and grinding]

629

00:37:13,105 --> 00:37:13,940  
It's not working.

630

00:37:15,107 --> 00:37:18,527  
-Maybe those aren't the right sigils.  
-Maybe there just aren't enough of them.

631

00:37:18,945 --> 00:37:20,821  
-Theo. Theo!  
-Theo, Theo, Theo! Hold on! Hold on!

632

00:37:21,322 --> 00:37:22,949  
[Roz] Theo, get away from there!

633

00:37:23,032 --> 00:37:24,450  
[deep rumbling]

634

00:37:24,825 --> 00:37:26,827  
[crackling]

635

00:37:30,289 --> 00:37:31,123  
It worked.

636

00:37:33,501 --> 00:37:34,377  
I can't believe it--

637

00:37:34,460 --> 00:37:36,087  
-[screeching]  
-Aah!

638

00:37:39,298 --> 00:37:40,675  
-[Harvey] Whoa!  
-[thumping]

639

00:37:42,677 --> 00:37:44,679  
-[gasping]  
-[wailing]

640

00:37:49,225 --> 00:37:50,518  
It's gonna hold, right?

641

00:37:50,601 --> 00:37:53,062  
I mean, your cunning's never been wrong,  
has it, Roz?

642

00:37:58,276 --> 00:38:02,113  
[Lilith] I'm sorry. I truly thought that  
the daggers would incapacitate Him.

643

00:38:02,822 --> 00:38:05,574  
Well, He sent me to help you  
get ready for the ball.

644
