CHILLING ADVENTURES OF
SABRINA

CREATED BY

Roberto Aguirre-Sacasa

EPISODE 3.03

"Chapter Twenty-Three: Heavy Is the Crown"

Sabrina visits a mysterious (and familiar) town. Zelda aims to restore order at the academy. A carnival creates buzz in Greendale. Theo takes a chance.

Respectfully, does she have the time,

172
00:11:25,726 --> 00:11:27,728
what with all her cheerleading and such?

173
00:11:27,812 --> 00:11:29,897
[laughter]

174
00:11:29,980 --> 00:11:33,442
[shouting] Silence! Silence!

175
00:11:35,403 --> 00:11:37,697
If you'll let the Queen finish.

176
00:11:37,780 --> 00:11:38,823

We've heard enough.

177

00:11:41,951 --> 00:11:45,538
I, Caliban, demon prince of Hell,

178

00:11:45,621 --> 00:11:47,873
challenge the Morningstar
to her seat on the throne.

179

00:11:48,499 --> 00:11:50,000
[demons shouting, cheering]

180

00:11:52,253 --> 00:11:53,629
Look upon this scroll.

181

00:11:54,755 --> 00:11:59,802
I have gathered 666 signatures
of the highest born of Hell

182

00:11:59,885 --> 00:12:01,512
to endorse my challenge.

183

00:12:02,346 --> 00:12:06,767
By infernal law of the court of Hell,
it must be accepted.

184

00:12:06,851 --> 00:12:08,477
-What?
-Is that true?

185

00:12:08,561 --> 00:12:10,104
Technically, yes.

186

00:12:10,771 --> 00:12:12,523
Or you can simply forfeit the throne.

187

00:12:12,940 --> 00:12:14,442
Oh, don't even.

188

00:12:14,525 --> 00:12:17,820
Then I challenge you on a quest for...

189

00:12:19,071 --> 00:12:20,990
the Unholy Regalia.

190

00:12:26,537 --> 00:12:29,957
The regalia are the three most powerful
occult objects in history.

191

00:12:30,791 --> 00:12:34,879
Relics that have been lost to the ages,
mind you.

192

00:12:34,962 --> 00:12:38,591
Legend has it, he who finds
and collects the relics

193

00:12:38,674 --> 00:12:42,970
may take his seat on the throne,
whether they be Morningstar or not.

194

00:12:43,596 --> 00:12:47,475
Do you accept my challenge, Sabrina?

195

00:12:47,558 --> 00:12:49,351
[demon whispers] Yes. Accept it.

196

00:12:50,519 --> 00:12:51,771
I accept.

197

00:12:51,854 --> 00:12:53,439
[demons growl, laugh]

198

00:12:56,025 --> 00:12:59,195
Then begin with Herod's crown.

199

00:12:59,278 --> 00:13:03,908
All hail King Herod,
who slaughtered innocent babes.

200

00:13:05,326 --> 00:13:06,410
[demon] Yes.

201

00:13:07,995 --> 00:13:10,039
Find his crown,

202
00:13:10,664 --> 00:13:15,085
return it to its rightful place
in Pandemonium,

203
00:13:15,669 --> 00:13:19,799
and you will be one step closer
to the throne.

204
00:13:21,425 --> 00:13:23,135
[clamoring]

205
00:13:26,972 --> 00:13:28,265
[Sabrina] What if it's rigged?

206
00:13:29,266 --> 00:13:30,476
The contest.

207
00:13:32,603 --> 00:13:35,314
What if Caliban and the kings
already know where the regalia is

208
00:13:35,397 --> 00:13:36,941
and this is just a setup?

209
00:13:37,024 --> 00:13:38,234
[Lilith] It's true.

210
00:13:38,818 --> 00:13:40,569
I put nothing past them,

211
00:13:41,695 --> 00:13:44,114
but no one knows where the items are.

212
00:13:44,532 --> 00:13:47,618
Not even the Dark Lord.
Else he would have destroyed them.

213
00:13:47,701 --> 00:13:52,706
So, if I find Herod's crown,

will that put to bed Caliban's challenge?

214

00:13:52,790 --> 00:13:55,042
There's a trinity of objects, so...

215

00:13:56,460 --> 00:13:58,838
probably end up being
the best two out of three.

216

00:13:59,964 --> 00:14:01,006
[Sabrina sighs]

217

00:14:01,090 --> 00:14:02,716
Nothing's ever easy.

218

00:14:05,219 --> 00:14:06,554
[door opens]

219

00:14:06,929 --> 00:14:08,806
No, it is not.

220

00:14:09,598 --> 00:14:10,599
[door closes]

221

00:14:10,683 --> 00:14:13,269
[bell tolling]

222

00:14:16,856 --> 00:14:20,776
There's a leadership opportunity
I wish to discuss with you, Prudence.

223

00:14:22,528 --> 00:14:25,447
I'd like to designate you
Prefect of Students.

224

00:14:26,448 --> 00:14:28,367
Oh, uh... what would my duties be?

225

00:14:28,450 --> 00:14:29,660
Administrative.

226

00:14:29,743 --> 00:14:32,329
Helping me, teaching,
of course, in addition--

227
00:14:32,413 --> 00:14:34,665
High Priestess. It's awful.

228
00:14:34,748 --> 00:14:35,958
You must come at once.

229
00:14:42,006 --> 00:14:43,757
[Zelda] What in Lilith's name?

230
00:14:45,342 --> 00:14:47,052
More of the Dark Lord's handiwork?

231
00:14:47,136 --> 00:14:48,637
No, it was Gerald.

232
00:14:49,179 --> 00:14:50,848
Just Gerald. He tried to fly, but...

233
00:14:52,933 --> 00:14:54,852
[both] He's never fallen like this before.

234
00:14:55,603 --> 00:14:56,979
Stupid boy.

235
00:14:58,230 --> 00:15:00,357
As if we weren't already short
on warlocks.

236
00:15:01,066 --> 00:15:01,901
[sneezes]

237
00:15:02,943 --> 00:15:04,111
Elspeth?

238
00:15:04,695 --> 00:15:07,072
Elspeth, have you caught a cold?

239

00:15:07,156 --> 00:15:08,449
Get thee to a warm bed.

240
00:15:08,949 --> 00:15:10,451
And tell your classmates:

241
00:15:10,534 --> 00:15:13,621
henceforth,
there is to be no unsupervised flying.

242
00:15:14,705 --> 00:15:16,957
Not till we understand
what's happening to us.

243
00:15:22,463 --> 00:15:24,340
[Zelda] The coven is in crisis.

244
00:15:25,466 --> 00:15:28,802
A warlock dead, coven members
stricken with fevers and weakness.

245
00:15:28,886 --> 00:15:31,805
-[Zelda clears throat]
-Zelda, are you sure you're okay?

246
00:15:31,889 --> 00:15:33,015
I'm fine, Hilda.

247
00:15:33,098 --> 00:15:36,101
Except for the fact that we're clearly
under some kind of mystical attack.

248
00:15:36,185 --> 00:15:37,311
A curse?

249
00:15:37,394 --> 00:15:38,520
From another coven?

250
00:15:38,604 --> 00:15:40,564
Look, the Council, when they were here,

251
00:15:40,648 --> 00:15:44,026

they talked of experiencing
a loss of potency.

252
00:15:44,610 --> 00:15:47,738
For now, until we know more,
it is business as usual.

253
00:15:47,821 --> 00:15:49,907
Hilda, tend to the sick.

254
00:15:49,990 --> 00:15:52,409
Distract them,
so they do not ask too many questions.

255
00:15:55,746 --> 00:15:57,581
These are trying times, witches,

256
00:15:59,541 --> 00:16:01,001
but we must stand together.

257
00:16:01,710 --> 00:16:03,045
And we will prevail.

258
00:16:06,006 --> 00:16:08,801
[bell rings]

259
00:16:12,012 --> 00:16:15,182
Mrs. Meeks,
I have those attendance reports for you.

260
00:16:15,808 --> 00:16:19,353
Ms. Wardwell, are you going
to opening night of the carnival?

261
00:16:19,853 --> 00:16:22,523
Everyone in town is buzzing about it.

262
00:16:23,440 --> 00:16:24,817
A carnival?

263
00:16:27,277 --> 00:16:29,738
Adam and I used to go

to carnivals together.

264
00:16:33,117 --> 00:16:33,993
[Theo] Hey, Harvey.

265
00:16:34,076 --> 00:16:35,077
[Harvey] Hm?

266
00:16:35,869 --> 00:16:38,122
You and Roz are going
to that carnival, right?

267
00:16:38,664 --> 00:16:39,540
Yeah.

268
00:16:39,790 --> 00:16:42,418
Apparently, with Sabrina and Nick.

269
00:16:43,502 --> 00:16:45,212
You can totally come with us too.

270
00:16:50,509 --> 00:16:53,470
I was actually thinking about asking
that new guy, Robin, to go with me.

271
00:16:56,306 --> 00:16:57,599
That's awesome.

272
00:16:58,767 --> 00:17:00,394
His hair is so cool.

273
00:17:00,477 --> 00:17:01,979
-You totally should.
-[laughs]

274
00:17:04,648 --> 00:17:05,899
The only thing is...

275
00:17:07,651 --> 00:17:09,737
I've never asked anyone out before.

276

00:17:10,404 --> 00:17:11,363
Gotcha.

277
00:17:13,198 --> 00:17:14,158
What if...

278
00:17:15,200 --> 00:17:16,994
you asked him to go with all of us?

279
00:17:17,953 --> 00:17:18,996
As a group thing?

280
00:17:20,497 --> 00:17:24,418
But then we can all peel off
and leave you two alone.

281
00:17:25,711 --> 00:17:27,629
Yeah, that sounds slightly less scary.

282
00:17:28,797 --> 00:17:30,007
To tell you the truth,

283
00:17:31,383 --> 00:17:35,429
I'm feeling a little nervous
with Roz these days too.

284
00:17:36,889 --> 00:17:40,225
I think she wants us to take it
to the next level.

285
00:17:40,809 --> 00:17:44,563
But I... I've never been to the next level
and I just, you know,

286
00:17:44,646 --> 00:17:48,150
wanna be ready for when it happens,
if it happens...

287
00:17:48,233 --> 00:17:49,068
[door opens]

288
00:17:49,151 --> 00:17:50,819

...but, like,
do I bring it up to her or...

289
00:17:50,903 --> 00:17:52,738
-[Theo] Shh.
-[Roz] Hey, guys.

290
00:17:53,697 --> 00:17:54,865
Sorry I'm late.

291
00:17:56,950 --> 00:17:57,868
What?

292
00:17:58,410 --> 00:17:59,453
What did I miss?

293
00:18:02,873 --> 00:18:05,084
So, my little cousin is Queen of Hell?

294
00:18:05,167 --> 00:18:07,503
Shh! Not so loud, Ambrose.

295
00:18:08,670 --> 00:18:10,214
Not so loud. Okay.

296
00:18:11,423 --> 00:18:13,008
I'm assuming, because you're still alive,

297
00:18:13,092 --> 00:18:14,927
-that the aunties do not know?
-No.

298
00:18:15,761 --> 00:18:17,387
Where is Lilith in all of this?

299
00:18:17,471 --> 00:18:19,973
Lilith is my regent.
She's handling most of the workload,

300
00:18:20,057 --> 00:18:22,726
but this prince of Hell
challenged my queenship,

301

00:18:22,810 --> 00:18:25,938
and now I have to find
King Herod's crown before he does,

302

00:18:26,021 --> 00:18:28,190
and I am praying you can help me.

303

00:18:29,024 --> 00:18:34,154
Wait a sec. You're on an Arthurian quest
for the Unholy Regalia?

304

00:18:34,238 --> 00:18:35,781
Starting with Herod's crown.

305

00:18:36,615 --> 00:18:37,616
Will you help me?

306

00:18:38,826 --> 00:18:40,911
How can I say no to a queen?

307

00:18:41,787 --> 00:18:43,705
My sentiments exactly.

308

00:18:43,789 --> 00:18:46,125
Nick, I was just gonna come find you.

309

00:18:46,208 --> 00:18:48,627
-That's okay. I found you instead.
-Mmm.

310

00:18:50,045 --> 00:18:52,756
Do you have plans for lunch?
'Cause I know a place.

311

00:18:52,840 --> 00:18:53,674
Mmm.

312

00:19:01,390 --> 00:19:02,599
[girl giggles, sniffles]

313

00:19:04,726 --> 00:19:09,982
I can't tell you how much it fortifies me,
after this morning's wretched incident,

314
00:19:10,065 --> 00:19:13,360
to see you so enthralled
by your Satanic scriptures.

315
00:19:13,443 --> 00:19:17,531
Oh, we're not reading scriptures,
Directrix Spellman.

316
00:19:17,614 --> 00:19:19,533
What are you reading, if not your studies?

317
00:19:22,411 --> 00:19:23,453
What's this?

318
00:19:24,913 --> 00:19:27,875
-What's happening?
-It's Buxom and the Beast.

319
00:19:28,625 --> 00:19:30,669
It's a witchy romance novel.

320
00:19:30,752 --> 00:19:32,171
Everyone's obsessed.

321
00:19:34,381 --> 00:19:38,010
"Bodice ripper,
in the most delicious of ways.

322
00:19:38,093 --> 00:19:42,347
This tale of a humble witch
and her incubus lover...

323
00:19:42,431 --> 00:19:43,640
[laughs]

324
00:19:43,724 --> 00:19:49,021
...being terrorized by the witch's
loveless spinster hag of a...

325
00:19:50,939 --> 00:19:51,899
sister."

326
00:19:54,234 --> 00:19:56,403
By Helga Stillwell.

327
00:20:03,702 --> 00:20:04,912
[students giggle]

328
00:20:04,995 --> 00:20:08,457
[Hilda] "And as she stood
before her incubus lover,

329
00:20:08,624 --> 00:20:13,420
his member throbbing
beneath his sweat-drenched jodhpurs,

330
00:20:14,379 --> 00:20:17,049
she felt the firm leather riding crop
in her hand

331
00:20:17,758 --> 00:20:21,303
and was reminded of what it was
to love and be loved."

332
00:20:21,386 --> 00:20:22,804
[Zelda] Hilda Spellman!

333
00:20:22,888 --> 00:20:26,391
Or should I say Helga Stillwell?

334
00:20:26,934 --> 00:20:28,352
Care to explain this trash?

335
00:20:28,435 --> 00:20:29,728
Hey, don't call it that.

336
00:20:30,354 --> 00:20:32,356
Look, you asked me
to keep the children distracted.

337

00:20:32,439 --> 00:20:37,736
I did, but not with some poorly written,
luridly plotted roman à clef.

338
00:20:37,819 --> 00:20:39,238
Have you no shame?

339
00:20:39,321 --> 00:20:40,739
Well, clearly not.

340
00:20:40,822 --> 00:20:41,865
And how did you get this

341
00:20:41,949 --> 00:20:43,575
worth-less-than-a-penny
dreadful published?

342
00:20:43,992 --> 00:20:44,993
Dr. Cee helped me.

343
00:20:45,077 --> 00:20:46,161
-Oh, did he?
-Mm-hmm.

344
00:20:46,245 --> 00:20:49,289
And did he also tell you to paint me,
your very own sister,

345
00:20:49,373 --> 00:20:51,625
as some desiccated villain?

346
00:20:52,042 --> 00:20:54,002
Write what you know,
isn't that what they say?

347
00:20:55,545 --> 00:20:56,380
What?

348
00:20:59,549 --> 00:21:00,467
-Hilda.
-All right.

349

00:21:00,550 --> 00:21:04,012
Now is not the time to reinvent yourself
as a pulp novelist.

350
00:21:04,930 --> 00:21:07,432
We are in a moment of grave crisis.

351
00:21:07,516 --> 00:21:10,477
Your responsibility is to the Academy,
and only the Academy.

352
00:21:10,560 --> 00:21:11,812
No, it's not!

353
00:21:12,688 --> 00:21:14,982
It's not. I care, of course I care.

354
00:21:15,065 --> 00:21:18,819
I'll do what I can
to help protect these little lambs.

355
00:21:18,902 --> 00:21:22,489
But the Academy,
it's your calling, it's not mine.

356
00:21:22,572 --> 00:21:25,242
You wanted to be directrix.
You wanted to be high priestess, not me.

357
00:21:25,325 --> 00:21:27,286
You are a Spellman. You have a duty--

358
00:21:27,369 --> 00:21:29,871
I have a duty to myself to be happy.

359
00:21:31,999 --> 00:21:33,208
We'll talk about this tonight.

360
00:21:33,292 --> 00:21:37,170
No, we won't, because I'm going
to the carnival tonight with Dr. Cee.

361

00:21:37,754 --> 00:21:40,215
So, you cook your own dinner.

362
00:21:41,758 --> 00:21:42,801
Fine.

363
00:21:43,468 --> 00:21:45,762
Well, you can forget
about your fledgling career

364
00:21:45,846 --> 00:21:47,806
as a purveyor of lurid fiction.

365
00:21:49,391 --> 00:21:51,351
-[mystical twinkling]
-There.

366
00:21:53,603 --> 00:21:54,813
Much better.

367
00:22:00,068 --> 00:22:01,778
[sighs deeply]

368
00:22:08,243 --> 00:22:09,161
Hey, Robin.

369
00:22:10,662 --> 00:22:13,373
Oh, hey, Theo. What's up?

370
00:22:15,292 --> 00:22:16,418
Have you seen these fliers?

371
00:22:17,461 --> 00:22:21,173
I guess there's, like, a carnival in town
and opening night's tonight.

372
00:22:21,757 --> 00:22:22,674
Cool.

373
00:22:25,177 --> 00:22:26,136
Wanna go?

374
00:22:28,722 --> 00:22:32,976
With me and my friends,
it'd be like a group thing.

375
00:22:34,561 --> 00:22:36,146
Yeah. Sure.

376
00:22:36,229 --> 00:22:37,147
Really?

377
00:22:37,731 --> 00:22:38,690
Awesome.

378
00:22:39,483 --> 00:22:41,068
Cool. [clears throat]

379
00:22:42,361 --> 00:22:43,236
Cool.

380
00:22:45,572 --> 00:22:46,740
[bell rings]

381
00:22:46,823 --> 00:22:48,825
[students chattering, laughing]

382
00:22:52,204 --> 00:22:53,747
[girl laughs] Oh, my gosh.

383
00:22:56,917 --> 00:22:58,418
-[Harvey] Hey.
-[girl] What?

384
00:23:00,128 --> 00:23:01,671
-Roz, hey.
-Well, I was...

385
00:23:01,755 --> 00:23:02,839
Harvey.

386
00:23:02,923 --> 00:23:04,341
Harvey. Hey.

387

00:23:05,467 --> 00:23:07,761
We were just talking about the carnival.

388

00:23:07,844 --> 00:23:10,764
You are not gonna believe
what Billy's phobia is.

389

00:23:14,267 --> 00:23:15,102
Clowns?

390

00:23:17,854 --> 00:23:18,688
[Billy] What?

391

00:23:19,189 --> 00:23:21,108
They're friggin' terrifying.

392

00:23:21,191 --> 00:23:22,692
You're still taking me, Billy.

393

00:23:23,318 --> 00:23:26,196
Roz, wanna come with?
There's room in Billy's car for one more.

394

00:23:27,364 --> 00:23:30,283
Oh, I'm good. I-- I have a ride.

395

00:23:30,367 --> 00:23:33,954
I'm going with friends,
but I will see you guys there,

396

00:23:34,037 --> 00:23:35,205
clowns, or no clowns.

397

00:23:35,288 --> 00:23:38,542
If one comes near me,
I'll knock him on his ass.

398

00:23:48,218 --> 00:23:49,052
What?

399

00:23:50,971 --> 00:23:52,097
Going with friends?

400
00:23:52,556 --> 00:23:54,516
Roz, I thought we were more than that.

401
00:23:55,976 --> 00:23:57,352
Of course we are.

402
00:23:58,437 --> 00:24:01,898
I only said we were going with friends
because we are, aren't we?

403
00:24:03,358 --> 00:24:04,401
Yeah, we are, but...

404
00:24:05,277 --> 00:24:06,528
So we're good?

405
00:24:08,447 --> 00:24:09,656
Yeah, we're good.

406
00:24:09,739 --> 00:24:10,699
Okay.

407
00:24:20,417 --> 00:24:22,335
How'd your reformation go over?

408
00:24:22,419 --> 00:24:25,630
You know, shockingly,
the Kings of Hell didn't embrace my ideas

409
00:24:25,714 --> 00:24:27,757
with the gusto I was hoping for.

410
00:24:28,425 --> 00:24:29,468
No kidding.

411
00:24:29,551 --> 00:24:32,053
You think they'd be excited
to have a 16-year-old witch

412
00:24:32,137 --> 00:24:34,389
tell them how to do their business,
but no.

413
00:24:34,473 --> 00:24:36,057
Not so much. [chuckles]

414
00:24:36,141 --> 00:24:37,434
Mind if we join you?

415
00:24:38,477 --> 00:24:39,311
Actually...

416
00:24:41,980 --> 00:24:42,814
[Sabrina sighs]

417
00:24:42,939 --> 00:24:45,358
So, Nick, how's your foot doing?

418
00:24:47,068 --> 00:24:49,654
It's fine, Agatha. Why do you ask?

419
00:24:50,363 --> 00:24:53,867
Word on the street is
you've got a thick, fleshy clubfoot now.

420
00:24:53,950 --> 00:24:55,911
-Well, that's only temporary.
-No, but really,

421
00:24:55,994 --> 00:24:58,538
what's it like having been
with both Sabrina and her daddy?

422
00:24:58,622 --> 00:25:02,083
Yeah, Nicky, we heard
the Dark Lord made you his bitch.

423
00:25:02,167 --> 00:25:04,085
-Shut up, you half-wit.
-I'm warning you two.

424
00:25:04,169 --> 00:25:06,254
All this time,
you're pretending to crush on Sabrina

425
00:25:06,338 --> 00:25:09,674
when really it's her dad
you had the hots for, huh?

426
00:25:10,509 --> 00:25:12,802
You so don't wanna be pushing me
right now, Agatha.

427
00:25:12,886 --> 00:25:14,346
[both] Or what, Nicky?

428
00:25:14,930 --> 00:25:18,058
Will you wrestle us into submission
the way the Dark Lord wrestled you?

429
00:25:18,141 --> 00:25:19,684
Okay, that's enough.

430
00:25:20,310 --> 00:25:22,437
-[Nick shouting] You know what?
-[tray clattering]

431
00:25:26,191 --> 00:25:27,943
You two skanks can go to heaven.

432
00:25:32,364 --> 00:25:36,952
You are so lucky the Church of Night
only has, like, 12 members right now.

433
00:25:37,035 --> 00:25:39,746
Otherwise,
I would totally smite your asses.

434
00:25:43,208 --> 00:25:44,209
[both laugh]

435
00:25:44,960 --> 00:25:46,461
-Sabrina?

-Ambrose, I gotta find Nick.

436

00:25:46,545 --> 00:25:49,839

I believe I may have found Herod's crown.
Or at least generally.

437

00:25:50,882 --> 00:25:52,634

Time is of the essence, is it not?

438

00:25:56,263 --> 00:25:57,639

[Sabrina] How'd you find it?

439

00:25:57,722 --> 00:26:00,141

Good old-fashioned research
into its provenance.

440

00:26:00,225 --> 00:26:03,562

I started with its last known whereabouts,
namely the tomb of Herod.

441

00:26:03,645 --> 00:26:05,605

Officially, Herodiam, as it is called,

442

00:26:05,689 --> 00:26:09,359

was first excavated
by Italian archaeologists in 1962.

443

00:26:09,442 --> 00:26:10,819

And unofficially?

444

00:26:10,902 --> 00:26:15,323

By an American archaeologist
and warlock, Edward Robinson, in 1838.

445

00:26:15,824 --> 00:26:19,411

From there, the crown changed hands
several times from one Jakey Huisman

446

00:26:19,494 --> 00:26:20,829

to Aleister Crowley

447

00:26:20,912 --> 00:26:24,040

to, well, an American soldier,
Private Benjamin Blossom,

448

00:26:24,124 --> 00:26:27,627
who recovered the crown
from Hitler's bunker in 1945.

449

00:26:27,711 --> 00:26:30,213
Now, from there, Blossom,
and here's the kicker,

450

00:26:30,297 --> 00:26:33,216
sneaked the crown back
to his home town of...

451

00:26:33,300 --> 00:26:34,968
If you say Greendale, I'll lose my mind.

452

00:26:35,051 --> 00:26:36,511
Close, but no.

453

00:26:36,595 --> 00:26:39,639
-Riverdale, where he was murdered.
-Of course.

454

00:26:39,723 --> 00:26:41,641
By a group of occultists
who were after the crown,

455

00:26:41,725 --> 00:26:44,603
-but they never found it.
-Well, how are we gonna find the crown?

456

00:26:44,686 --> 00:26:46,021
Riverdale's a big, scary place.

457

00:26:46,104 --> 00:26:47,022
True...

458

00:26:49,357 --> 00:26:51,318
but we have this.

459

00:26:54,654 --> 00:26:55,655
A compass?

460
00:26:56,489 --> 00:26:57,782
An immoral compass.

461
00:26:57,866 --> 00:27:00,118
Now, this one belonged
to the Flying Dutchman,

462
00:27:00,201 --> 00:27:02,287
or was it the Ancient Mariner?

463
00:27:02,370 --> 00:27:05,582
I don't remember, but yours truly
has recalibrated this one

464
00:27:05,665 --> 00:27:09,502
to be highly sensitive
to energies from occult items.

465
00:27:10,545 --> 00:27:12,422
For instance, your Book of the Beast.

466
00:27:15,425 --> 00:27:18,553
[compass whirring]

467
00:27:19,512 --> 00:27:21,514
Ambrose, you're a genius.

468
00:27:21,598 --> 00:27:22,766
Once we reach Riverdale,

469
00:27:22,849 --> 00:27:25,185
we follow the compass
to wherever it leads us.

470
00:27:53,004 --> 00:27:54,464
[Sabrina] I don't understand.

471
00:27:55,465 --> 00:27:58,426
They didn't hide it in the ground.

They hid it in the tree.

472

00:27:59,469 --> 00:28:00,804
Clever Blossoms.

473

00:28:10,230 --> 00:28:11,398
Another, Gray.

474

00:28:14,651 --> 00:28:16,444
Perhaps you should stop
while you're ahead?

475

00:28:16,528 --> 00:28:18,655
You're looking a tad...
what's the word?

476

00:28:19,197 --> 00:28:20,865
Busted, dear Nick.

477

00:28:21,783 --> 00:28:25,161
So are you.
You're breaking out like a teenager.

478

00:28:28,248 --> 00:28:29,833
You needn't torture yourself.

479

00:28:30,250 --> 00:28:33,128
I've known plenty of heathens
who've had the Dark Lord inside them.

480

00:28:33,962 --> 00:28:37,257
They were somewhat battered, yes.

481

00:28:38,007 --> 00:28:39,467
But in the end, they recover.

482

00:28:40,218 --> 00:28:44,514
I mean, a few even say they reached
a new, almost transcendent level of pain.

483

00:28:45,181 --> 00:28:46,433
Where it became pleasure.

484
00:28:49,269 --> 00:28:50,103
You know...

485
00:28:52,063 --> 00:28:53,481
this place used to be fun.

486
00:28:55,150 --> 00:28:56,901
Shall I summon a playmate for you?

487
00:28:57,610 --> 00:28:58,528
Or two?

488
00:29:02,449 --> 00:29:05,076
Tempting, but no.

489
00:29:08,079 --> 00:29:09,205
You'll be back.

490
00:29:10,582 --> 00:29:12,125
They always come back.

491
00:29:15,545 --> 00:29:16,588
[metal clinking]

492
00:29:18,548 --> 00:29:19,591
Look alive.

493
00:29:25,221 --> 00:29:26,347
[Ambrose groans]

494
00:29:32,937 --> 00:29:34,397
The crown of Herod.

495
00:29:38,109 --> 00:29:39,611
Will wonders never cease?

496
00:29:40,945 --> 00:29:42,322
Give it to me. The ax.

497

00:29:42,405 --> 00:29:43,990
Wait, what are you going to do?

498
00:29:44,073 --> 00:29:46,242
Destroy it
so no one can use it against me,

499
00:29:46,326 --> 00:29:49,037
-then return what's left of it to Hell.
-Wait now. Hold on, cousin.

500
00:29:49,120 --> 00:29:51,831
This crown is radiating
an enormous amount of energy.

501
00:29:51,915 --> 00:29:54,250
The compass could sense it. I can feel it.

502
00:29:54,709 --> 00:29:58,755
If I could borrow it for a few hours
to study its properties,

503
00:29:59,464 --> 00:30:01,424
I might be able to harness its power,

504
00:30:02,175 --> 00:30:03,760
restore our coven's strength.

505
00:30:05,428 --> 00:30:06,805
I don't know, Ambrose.

506
00:30:06,888 --> 00:30:08,807
Go to the carnival with your friends,

507
00:30:09,933 --> 00:30:11,684
that should give me enough time.

508
00:30:12,143 --> 00:30:14,103
Then you may do with it as ye see fit.

509
00:30:15,772 --> 00:30:18,233
Fine, fine.

But then we destroy it together.

510

00:30:18,691 --> 00:30:19,609
Promise?

511

00:30:34,624 --> 00:30:36,626
[growling]

512

00:30:57,772 --> 00:30:58,815
Melvin?

513

00:31:01,901 --> 00:31:03,319
Have you seen Nick anywhere?

514

00:31:03,862 --> 00:31:06,614
I've been looking all over for him.
Elspeth said to try the library.

515

00:31:06,698 --> 00:31:10,034
Yeah, he was in here
researching something.

516

00:31:10,118 --> 00:31:11,703
He'd been at Dorian's.

517

00:31:12,287 --> 00:31:14,622
And then he asked
if the Desecrated Church was empty.

518

00:31:24,215 --> 00:31:25,758
Auto amputation?

519

00:31:26,301 --> 00:31:27,385
What the heaven?

520

00:31:32,765 --> 00:31:33,725
Oh, no.

521

00:31:35,643 --> 00:31:39,063
Nick, Nick! Stop. What are you doing?

522

00:31:39,147 --> 00:31:40,481
It won't cut through.

523
00:31:40,565 --> 00:31:42,734
It won't even draw blood.
I can't get rid of this thing.

524
00:31:42,817 --> 00:31:45,486
-Nick, what?
-[Nick panting]

525
00:31:45,570 --> 00:31:50,658
It is going to take some time,
but it will change back. Okay?

526
00:31:50,742 --> 00:31:52,577
Aunt Hilda said so.

527
00:31:52,660 --> 00:31:54,120
Ambrose said so.

528
00:31:54,203 --> 00:31:56,205
But please, don't hurt yourself.

529
00:31:56,289 --> 00:31:57,999
He's still inside me, Sabrina.

530
00:31:59,792 --> 00:32:03,463
I can feel his residue inside of me.

531
00:32:03,546 --> 00:32:05,965
No, no, no. He's not.

532
00:32:06,049 --> 00:32:09,552
-It's aftereffects, like PTSD.
-[Nick pants]

533
00:32:19,604 --> 00:32:21,856
I don't feel like myself anymore, Sabrina.

534
00:32:23,316 --> 00:32:24,275
Nick.

535

00:32:25,443 --> 00:32:27,362

Nick, what can I do?

536

00:32:27,445 --> 00:32:28,363

Nothing.

537

00:32:30,239 --> 00:32:31,574

I'm sorry, Sabrina.

538

00:32:35,620 --> 00:32:37,455

Do you understand, it was such a total...

539

00:32:37,538 --> 00:32:39,958

I can only imagine.

540

00:32:43,586 --> 00:32:46,506

So, let's start filling your head
with good things.

541

00:32:47,256 --> 00:32:48,257

Okay?

542

00:32:51,761 --> 00:32:55,598

Like, are you still up
for the carnival tonight?

543

00:32:59,644 --> 00:33:00,478

[Nick exhales]

544

00:33:12,031 --> 00:33:13,825

[Ambrose] The crown of Herod.

545

00:33:14,993 --> 00:33:17,453

Could the crown be tapped
as a source of power,

546

00:33:17,537 --> 00:33:20,456

of energy for the witches of Greendale?

547

00:33:28,172 --> 00:33:31,092

-[tuning fork humming]
-[metal rattling]

548
00:33:32,552 --> 00:33:33,803
-[whooshing]
-[clink]

549
00:33:40,184 --> 00:33:42,603
We're saved. [chuckles, claps]

550
00:33:48,568 --> 00:33:49,569
[electricity zaps]

551
00:33:49,736 --> 00:33:53,906
The crown appears to be
charging my wand with its energies.

552
00:33:55,491 --> 00:33:57,285
What makes you so powerful?

553
00:33:59,037 --> 00:34:01,581
Is it magnetism? Is it hexcraft?

554
00:34:02,457 --> 00:34:06,669
Is it the blood magick
of 1,000 babes slaughtered?

555
00:34:09,756 --> 00:34:13,217
Why... do I smell maple syrup?

556
00:34:15,762 --> 00:34:17,180
-[growling]
-[grunts]

557
00:34:21,768 --> 00:34:23,895
I went to sleep with my crown,

558
00:34:23,978 --> 00:34:29,609
but someone disturbed my slumber
and took my beloved.

559
00:34:30,985 --> 00:34:33,780

Was it you?

560

00:34:34,447 --> 00:34:35,907
I would never...

561

00:34:36,824 --> 00:34:39,035
Le-heh Lishon Achshav.

562

00:34:47,877 --> 00:34:51,047
My beloved,

563

00:34:51,923 --> 00:34:54,008
tell me...

564

00:34:54,467 --> 00:34:57,595
who awoke us?

565

00:34:57,678 --> 00:34:59,722
[crown] Sabrina.

566

00:34:59,806 --> 00:35:03,935
The girl who would be Queen.

567

00:35:04,018 --> 00:35:05,520
[low growl]

568

00:35:10,024 --> 00:35:12,026
[squelching]

569

00:35:17,782 --> 00:35:21,452
Sabrina.

570

00:35:25,998 --> 00:35:31,546
Welcome to Professor Carcosa's
traveling carnival and phantasmagoria.

571

00:35:31,629 --> 00:35:32,713
-Thank you.
-Corn dog.

572

00:35:32,797 --> 00:35:34,924

Step right up.

573

00:35:35,925 --> 00:35:37,468

To quote a friend,

574

00:35:38,719 --> 00:35:40,763

"We show you things that you don't know,

575

00:35:41,430 --> 00:35:44,142

we tell you of places you'll never go.

576

00:35:44,225 --> 00:35:47,937

From mountains

where maddened winds did blow...

577

00:35:48,020 --> 00:35:50,731

[distorted]

the islands where zephyrs breathed

578

00:35:51,482 --> 00:35:52,817

sweet and low,

579

00:35:53,234 --> 00:35:56,529

we've risen to Heaven,

we plunged below...

580

00:36:00,158 --> 00:36:03,327

[in regular voice] ...for we wanted
to make it one hell of a show."

581

00:36:07,081 --> 00:36:08,082

You okay?

582

00:36:08,457 --> 00:36:09,292

Yeah.

583

00:36:09,834 --> 00:36:13,004

Yeah, I just thought

I saw something for a second.

584

00:36:13,713 --> 00:36:15,631

Oh, there they are. Sabrina.

585

00:36:17,258 --> 00:36:19,302

-Something bad?

-[Sabrina] Hey, guys.

586

00:36:20,303 --> 00:36:21,345

Sorry, we're late.

587

00:36:21,637 --> 00:36:22,889

You're right on time.

588

00:36:22,972 --> 00:36:25,183

Harvey's about to inhale
his third funnel cake.

589

00:36:25,266 --> 00:36:28,060

You must be Robin.

I'm Sabrina. This is my boyfriend, Nick.

590

00:36:28,144 --> 00:36:29,020

Hey.

591

00:36:29,103 --> 00:36:31,189

It's nice to meet you.

592

00:36:31,272 --> 00:36:33,274

Hey, Scratch. How's it going?

593

00:36:34,275 --> 00:36:35,401

Fine, Kinkle.

594

00:36:36,027 --> 00:36:37,278

How's it going with you?

595

00:36:38,362 --> 00:36:40,198

Dude, relax, it was just a question.

596

00:36:41,282 --> 00:36:43,034

-I am relaxed.

-Okay.

597

00:36:43,618 --> 00:36:45,661
-Shall we go in?
-Great idea.

598
00:36:45,745 --> 00:36:47,622
Let's see what rides they have.

599
00:36:47,705 --> 00:36:48,789
[barker] Rides!

600
00:36:48,873 --> 00:36:50,499
Oh my, yes.

601
00:36:50,583 --> 00:36:51,918
A gamut of them.

602
00:36:52,710 --> 00:36:57,089
Bumper cars, a tilt-a-whirl,
a haunted house.

603
00:36:58,174 --> 00:36:59,217
[Theo] Okay.

604
00:36:59,675 --> 00:37:01,052
-Cool, good.
-Great.

605
00:37:02,887 --> 00:37:04,931
-[Roz] That was weird.
-[Harvey] I know.

606
00:37:21,447 --> 00:37:23,449
[Hilda] I didn't expect her
to actually like

607
00:37:23,532 --> 00:37:24,659
what I'd written in my book.

608
00:37:24,742 --> 00:37:26,410
She'll get over it, Hilda. It's--

609
00:37:26,494 --> 00:37:28,704

Well, I don't know that she will, Dr. Cee.
Or read it.

610

00:37:28,788 --> 00:37:32,041
I mean, she has never yet accepted
that we're just different witches,

611

00:37:32,124 --> 00:37:35,002
and we just want different things
and different lives.

612

00:37:35,086 --> 00:37:41,300
I just want to grow old
in a little cottage with a fire

613

00:37:41,384 --> 00:37:42,843
and my spiders and a dog.

614

00:37:42,927 --> 00:37:44,178
Not a stuffed one.

615

00:37:44,679 --> 00:37:47,223
[chuckles] And I just, I don't know,

616

00:37:47,306 --> 00:37:51,560
I wanna knit and read and watch reruns
of The Munsters on TV.

617

00:37:52,270 --> 00:37:53,980
-I want that too, Hilda.
-Aww.

618

00:37:54,814 --> 00:37:56,691
I've wanted it for a while now.

619

00:37:57,733 --> 00:37:58,859
-Hilda?
-Yeah.

620

00:38:00,403 --> 00:38:02,947
You all right? What are you doing?
[gasps]

621
00:38:03,531 --> 00:38:04,615
No.

622
00:38:05,491 --> 00:38:06,450
Dr. Cee.

623
00:38:06,534 --> 00:38:08,619
I've been waiting
for the right moment to ask.

624
00:38:08,703 --> 00:38:10,705
[giggles, murmurs indistinctly]

625
00:38:12,832 --> 00:38:15,459
Hildegarde Antoinette Spellman,

626
00:38:16,919 --> 00:38:18,129
will you marry me?

627
00:38:20,381 --> 00:38:21,507
[inhales deeply, tsks]

628
00:38:22,216 --> 00:38:23,843
Yeah. [chuckles]

629
00:38:23,926 --> 00:38:25,761
Yeah. Absolutely.

630
00:38:32,560 --> 00:38:34,145
[bell ringing]

631
00:38:34,228 --> 00:38:36,439
Step right up. Step right up.

632
00:38:36,522 --> 00:38:37,648
Test your virility.

633
00:38:38,232 --> 00:38:39,608
You, sir, perhaps you?

634

00:38:39,692 --> 00:38:40,860
Are you a he-man

635
00:38:41,277 --> 00:38:43,279
or a 98-pound weakling?

636
00:38:43,362 --> 00:38:44,530
[laughter]

637
00:38:47,908 --> 00:38:50,244
-Yeah, I'll give it a try.
-That's a brave fellow.

638
00:38:50,328 --> 00:38:51,454
Prove your mettle.

639
00:38:53,873 --> 00:38:55,624
It's just like a pickax in the mines.

640
00:38:55,708 --> 00:38:56,792
You got this, babe.

641
00:39:13,768 --> 00:39:15,770
Aww. Tough luck, young buck.

642
00:39:15,853 --> 00:39:17,521
Don't be displeased.

643
00:39:17,605 --> 00:39:19,940
It's not every man who bests Hercules.

644
00:39:20,024 --> 00:39:20,983
Who's next?

645
00:39:21,067 --> 00:39:22,234
I'll take a shot.

646
00:39:24,111 --> 00:39:27,948
All right, Kinkle. Step aside.
See how a real man does it.

647

00:39:33,579 --> 00:39:34,914
[bell ringing]

648
00:39:34,997 --> 00:39:36,999
-Hey.
-Billy, that was amazing.

649
00:39:37,083 --> 00:39:38,459
Can I pick which prize you get?

650
00:39:40,878 --> 00:39:41,879
Whichever one you want.

651
00:39:44,048 --> 00:39:46,801
Yeah, better at that than you,
that's what I'm saying.

652
00:39:46,884 --> 00:39:47,802
Yeah.

653
00:40:07,947 --> 00:40:09,448
[woman] Would you like a palm reading?

654
00:40:11,158 --> 00:40:12,076
Please.

655
00:40:14,203 --> 00:40:15,121
Sit.

656
00:40:28,050 --> 00:40:28,884
[fortune teller] Hmm.

657
00:40:30,511 --> 00:40:31,720
Curious.

658
00:40:32,763 --> 00:40:38,644
This is your lifeline.
It shows me you have a question.

659
00:40:40,938 --> 00:40:42,898
Um... I...

660
00:40:45,109 --> 00:40:47,903
I had a fiancé...

661
00:40:48,696 --> 00:40:49,655
Adam.

662
00:40:52,408 --> 00:40:55,119
I fear something terrible
has befallen him.

663
00:40:57,288 --> 00:40:58,789
I'm so sorry.

664
00:40:59,707 --> 00:41:01,125
He is gone forever.

665
00:41:04,462 --> 00:41:05,963
But you already know this.

666
00:41:07,465 --> 00:41:09,258
Because you were there.

667
00:41:09,758 --> 00:41:10,759
I...

668
00:41:12,219 --> 00:41:13,262
I wasn't.

669
00:41:15,598 --> 00:41:17,892
At least, I don't remember.

670
00:41:20,102 --> 00:41:20,978
Wait.

671
00:41:22,980 --> 00:41:24,023
Tell me.

672
00:41:24,815 --> 00:41:29,403
You did not consummate your relationship
with Adam?

673
00:41:29,487 --> 00:41:30,905
[gasps] What?

674
00:41:31,572 --> 00:41:34,158
How dare you?

675
00:41:36,452 --> 00:41:38,913
No. No, you did not.

676
00:41:40,623 --> 00:41:41,707
Good day...

677
00:41:43,959 --> 00:41:45,044
madame.

678
00:41:53,010 --> 00:41:55,012
[carnival music playing]

679
00:42:12,947 --> 00:42:14,156
It's cold up here.

680
00:42:24,375 --> 00:42:25,459
Is that better?

681
00:42:30,965 --> 00:42:31,840
Wait.

682
00:42:32,758 --> 00:42:34,677
There's something
you should know about me.

683
00:42:36,095 --> 00:42:36,971
I...

684
00:42:37,555 --> 00:42:40,808
I didn't always look like me. I was...

685
00:42:43,269 --> 00:42:44,728
I used to be different.

686

00:42:47,606 --> 00:42:49,358
I wasn't born Theo...

687
00:42:53,571 --> 00:42:55,030
It's okay. [chuckles]

688
00:42:57,199 --> 00:42:58,784
I mean, you're Theo now.

689
00:43:00,411 --> 00:43:01,412
And, um...

690
00:43:02,663 --> 00:43:04,373
in case it wasn't obvious,

691
00:43:06,792 --> 00:43:08,294
I really like you, Theo.

692
00:43:12,881 --> 00:43:14,508
I like you too, Robin.

693
00:44:03,432 --> 00:44:05,434
[sensual music playing]

694
00:44:56,402 --> 00:44:57,361
[Roz] There you are.

695
00:44:59,697 --> 00:45:00,531
Are you okay?

696
00:45:02,449 --> 00:45:03,325
Uh...

697
00:45:04,535 --> 00:45:05,786
Why'd you leave?

698
00:45:06,704 --> 00:45:09,665
I'm fine, but let's get outta here.

699
00:45:19,842 --> 00:45:21,844
[Herod growling]

700

00:45:35,566 --> 00:45:38,777
[sighs] I know you're probably not
in the carnival mood,

701
