1
00:00:12,012 --> 00:00:14,222
[theme music playing]

2
00:00:50,425 --> 00:00:52,010
[thunderclap]

3
00:00:53,303 --> 00:00:54,679
[crows cawing]

4
00:01:00,268 --> 00:01:02,103
[thunderclap]

5
00:01:18,244 --> 00:01:19,621
[bats shrieking]

6
00:01:49,734 --> 00:01:50,902
[gasping]

7
00:01:51,361 --> 00:01:52,654
[insects chirping]

8
00:01:52,987 --> 00:01:54,280
-[creaking]
-[gasping]

9
00:01:55,740 --> 00:01:57,450
[Jerathmiel] Have you ever asked yourself,

10
00:01:59,494 --> 00:02:01,371
-"Where did I come from?"
-[shivering]

11
00:02:01,996 --> 00:02:05,208
-"Why am I here?"
-Please, I'm begging you. Let me go.

12
00:02:05,291 --> 00:02:06,918
You don't have to do this.

13
00:02:07,335 --> 00:02:08,670

Tell me, Brother Chalfant.

14

00:02:09,712 --> 00:02:12,006
Do you know how your namesake
Luke the Apostle died?

15

00:02:12,090 --> 00:02:14,300
-[whispers] No.
-Luke the Evangelist?

16

00:02:15,135 --> 00:02:16,469
He was martyred.

17

00:02:16,678 --> 00:02:18,221
-He was hung upside down...
-No!

18

00:02:18,304 --> 00:02:20,557
-...from an olive tree.
-[sobbing] No, please.

19

00:02:21,349 --> 00:02:22,517
Please...

20

00:02:22,600 --> 00:02:25,061
-Please, no.
-To be clear, I don't wanna hurt you.

21

00:02:27,105 --> 00:02:28,815
[sobbing]

22

00:02:28,898 --> 00:02:30,525
I wanna save you.

23

00:02:32,110 --> 00:02:35,071
Well... your soul, at least.

24

00:02:35,780 --> 00:02:39,701
I don't know anything about
the witches in Greendale. I don't.

25

00:02:41,369 --> 00:02:42,954

That is a lie. Ah--

26

00:02:45,999 --> 00:02:49,669
Your coven is the Church of Night.
Your High Priest is Faustus Blackwood.

27

00:02:49,752 --> 00:02:51,087
You've been on a mission for him,

28

00:02:51,171 --> 00:02:54,507
and we, the Order of the Innocents,
have been following you, Luke.

29

00:02:54,591 --> 00:02:56,259
So no more lies.

30

00:02:56,342 --> 00:02:59,512
Give me the names of your fellow witches,
tell me where they gather,

31

00:02:59,596 --> 00:03:02,599
and I will save your soul.

32

00:03:05,143 --> 00:03:05,977
[hisses]

33

00:03:06,060 --> 00:03:08,271
[screams] All right, all right, all right!

34

00:03:09,022 --> 00:03:10,315
[sobs]

35

00:03:10,398 --> 00:03:12,025
There is a coven, yes.

36

00:03:12,692 --> 00:03:14,152
They meet in the woods.

37

00:03:14,944 --> 00:03:17,280
At a school. An academy. Other places.

38

00:03:18,865 --> 00:03:20,700
You'll provide me a list, of course.

39

00:03:20,783 --> 00:03:22,285
Yes. Yes.

40

00:03:22,994 --> 00:03:26,623
[Jerathmiel] Imagine, an entire
academy of witches to evangelize.

41

00:03:27,290 --> 00:03:29,334
You'll...
You'll never get in there, though.

42

00:03:29,792 --> 00:03:33,254
Only the hand of an initiated coven
member can open the school's doors.

43

00:03:34,172 --> 00:03:35,381
How fortunate, then,

44

00:03:36,925 --> 00:03:38,301
that you've brought me two.

45

00:03:38,593 --> 00:03:40,803
No! No! No, no!

46

00:03:40,887 --> 00:03:42,430
-[yelling]
-[screaming]

47

00:03:50,688 --> 00:03:52,899
[owl hooting]

48

00:03:57,612 --> 00:03:59,072
-[sizzling]
-Aaah!

49

00:04:00,490 --> 00:04:01,574
Ow!

50

00:04:02,575 --> 00:04:03,534

Ugh.

51

00:04:04,118 --> 00:04:05,078
[sighs]

52

00:04:12,293 --> 00:04:13,544
[sighs]

53

00:04:14,045 --> 00:04:14,921
[door opens]

54

00:04:15,880 --> 00:04:16,798
[laughs]

55

00:04:16,881 --> 00:04:18,007
Silly Sabrina.

56

00:04:19,008 --> 00:04:20,176
Did you burn your hand?

57

00:04:20,677 --> 00:04:22,387
[chuckles] As long as you're expelled,

58

00:04:22,470 --> 00:04:24,305
there's no getting through
these doors for you.

59

00:04:24,389 --> 00:04:27,475
Uh, Prudence, it's been days since
Father Blackwood threw Ambrose in jail

60

00:04:27,558 --> 00:04:29,352
and left on his honeymoon.

61

00:04:30,019 --> 00:04:31,771
I demand to see my cousin.

62

00:04:31,854 --> 00:04:32,897
You demand.

63

00:04:33,731 --> 00:04:37,110

No, no. You're in no position
to demand anything.

64

00:04:37,443 --> 00:04:39,946
Your traitorous cousin
assassinated the Anti-Pope.

65

00:04:40,029 --> 00:04:41,572
That's bull, and you know it.

66

00:04:41,656 --> 00:04:45,535
And then he nearly murdered
my father in front of the entire coven.

67

00:04:45,618 --> 00:04:47,203
Ambrose isn't a murderer.

68

00:04:47,287 --> 00:04:50,206
And if I could just talk to him,
even for a few minutes,

69

00:04:50,290 --> 00:04:51,791
-I'm sure he could explain.
-[scoffs]

70

00:04:52,292 --> 00:04:55,712
-My father gave me strict orders.
-Prudence, please, I'm begging you.

71

00:04:56,629 --> 00:04:58,423
-I mean, we're friends.
-[giggles]

72

00:04:58,506 --> 00:04:59,465
Friends?

73

00:05:00,925 --> 00:05:02,635
Is that what you think that we are?

74

00:05:04,095 --> 00:05:06,723
The only occasions you deign
to speak to me or my sisters

75

00:05:06,806 --> 00:05:08,349
is when you need something from us.

76

00:05:08,433 --> 00:05:11,394
-Except for the time I saved your life.
-Oh, during the Feast of Feasts?

77

00:05:12,437 --> 00:05:15,023
You did that for you, not for me.

78

00:05:16,733 --> 00:05:19,110
The truth is, we were never friends,
Sabrina.

79

00:05:20,069 --> 00:05:23,656
We tolerated each other because decorum
and the Dark Lord required it.

80

00:05:24,824 --> 00:05:26,034
So run along.

81

00:05:27,327 --> 00:05:30,955
And trust that my sisters and I are taking
extremely good care of the prisoner.

82

00:05:37,920 --> 00:05:39,255
[boy] Excuse me, Miss?

83

00:05:42,133 --> 00:05:43,259
Quentin!

84

00:05:43,343 --> 00:05:45,303
I heard you talking about Master Ambrose.

85

00:05:45,386 --> 00:05:46,471
Yeah. Have you seen him?

86

00:05:48,556 --> 00:05:49,557
He's in the Witch's Cell.

87

00:05:50,808 --> 00:05:54,228

And, Miss,
I heard the Weird Sisters plotting.

88

00:05:55,355 --> 00:05:56,606
They're going to torture him.

89

00:05:59,609 --> 00:06:01,486
-[rainfall and thunder]
-[door closes]

90

00:06:01,569 --> 00:06:04,197
[Sabrina]
Imprisonment's bad enough, but torture?

91

00:06:04,489 --> 00:06:06,449
-Aunt Hilda, we have to do something.
-Yeah, um...

92

00:06:06,532 --> 00:06:08,743
God, Zelda normally knows
what to do in these situations,

93

00:06:08,826 --> 00:06:11,120
and I have been trying
to get ahold of her for a few days.

94

00:06:11,204 --> 00:06:14,707
-But reception's spotty in the Necropolis.
-What about using a witch-board?

95

00:06:14,832 --> 00:06:17,335
I was using a witch-board.
What'd you think I meant, a cell phone?

96

00:06:17,752 --> 00:06:21,089
Oh. Well, then, it's up to us.
I'd like to lodge a formal complaint.

97

00:06:21,381 --> 00:06:22,507
With whom?

98

00:06:22,590 --> 00:06:23,883
Uh... Who's the witch equivalent

99

00:06:23,966 --> 00:06:25,718
-of Amnesty International?
-The Council?

100

00:06:25,802 --> 00:06:29,514
Well, they need to know that
while the High Priest is on vacation,

101

00:06:29,597 --> 00:06:33,434
the witches he left in charge of
the Academy are torturing other witches.

102

00:06:33,518 --> 00:06:37,772
All right, yes. Oh, this is breaking
witch protocol six ways to Sunday.

103

00:06:37,855 --> 00:06:38,856
But we will do it.

104

00:06:39,232 --> 00:06:41,442
Great. Where do we go to see the Council?

105

00:06:41,984 --> 00:06:43,569
We have to summon them here.

106

00:06:44,612 --> 00:06:47,782
The-- Well, the Trivium,
they're the gatekeepers.

107

00:06:48,366 --> 00:06:49,867
Oh, Satan below,

108

00:06:49,951 --> 00:06:53,037
what those three monstresses
must be doing to that sweet boy.

109

00:06:54,038 --> 00:06:55,498
[grunting]

110

00:06:57,083 --> 00:06:58,459
[continues grunting]

111
00:06:58,751 --> 00:07:00,044
[door opens]

112
00:07:02,088 --> 00:07:03,756
[grunting]

113
00:07:06,384 --> 00:07:08,636
Dear Ambrose, prison life agrees with you.

114
00:07:09,595 --> 00:07:13,724
If I'm going to... die here,
I might as well leave...

115
00:07:16,811 --> 00:07:18,062
a good-looking corpse.

116
00:07:22,525 --> 00:07:24,902
Gruel? Again?

117
00:07:27,655 --> 00:07:30,867
Might I not put in a request
for something a little more...

118
00:07:32,243 --> 00:07:33,411
succulent?

119
00:07:33,911 --> 00:07:37,540
Get away from my sister,
you treacherous scum.

120
00:07:37,874 --> 00:07:38,958
[tray clatters]

121
00:07:40,710 --> 00:07:44,172
And Dorcas,
desperation isn't a good look for you.

122
00:07:44,922 --> 00:07:47,341
Even Melvin's better than this Spellman.

00:07:47,425 --> 00:07:51,387
This Spellman was good enough for you
not too long ago, Prudence.

124
00:07:51,679 --> 00:07:53,890
[ringing sound]

125
00:07:54,515 --> 00:07:56,142
We all make mistakes, don't we?

126
00:07:57,059 --> 00:07:59,937
But I'm a Blackwood now.
And you're a traitor.

127
00:08:00,521 --> 00:08:02,899
I have never betrayed a witch in my life.

128
00:08:02,982 --> 00:08:05,902
I've been charged with obtaining
a signed confession from you.

129
00:08:05,985 --> 00:08:09,822
And you'll rot in this cell
until you give it to me.

130
00:08:10,740 --> 00:08:14,368
I was under house arrest for 75 years.

131
00:08:14,744 --> 00:08:17,705
It will take more
than the gibbering ghosts

132
00:08:17,788 --> 00:08:20,958
and skittering ghouls
of this Witch's Cell

133
00:08:21,042 --> 00:08:23,961
to break me, Prudence.

134
00:08:25,922 --> 00:08:27,006
Oh.

135

00:08:31,969 --> 00:08:33,095
He's all yours.

136
00:08:36,349 --> 00:08:37,934
You'll make friends, won't you?

137
00:08:42,146 --> 00:08:43,981
[growls and screeches]

138
00:08:46,442 --> 00:08:48,569
We raise our pleas to Lucifer.

139
00:08:49,403 --> 00:08:51,906
The wheels of justice grind too slowly.

140
00:08:52,448 --> 00:08:55,117
Our judge, jury, executioner...

141
00:08:55,868 --> 00:08:58,120
[in unison] Convene the Trivium Unholy!

142
00:08:58,204 --> 00:08:59,038
[wind gusts]

143
00:09:01,457 --> 00:09:03,000
[wind whistling]

144
00:09:03,084 --> 00:09:05,920
[Trivium] You dare summon us?

145
00:09:06,212 --> 00:09:09,257
We apologize, your Dishonors,
but we had no choice.

146
00:09:10,132 --> 00:09:13,052
My cousin is being incarcerated
at the Academy without trial,

147
00:09:13,135 --> 00:09:15,972
and we wanted to appeal
to the Council on his behalf.

148

00:09:16,055 --> 00:09:21,727
[in unison] After consultation with
the Right Reverend Blackwood,

149

00:09:21,811 --> 00:09:26,732
we have determined that
there will be no trial.

150

00:09:27,233 --> 00:09:29,902
What? Father Blackwood
can't just decree these things.

151

00:09:29,986 --> 00:09:34,282
Ambrose Spellman will be executed

152

00:09:34,365 --> 00:09:37,618
like the scoundrel that he is

153

00:09:37,702 --> 00:09:44,208
on the day Father Blackwood returns home
from the Necropolis.

154

00:09:44,292 --> 00:09:45,751
No, my cousin is innocent!

155

00:09:45,835 --> 00:09:46,919
False!

156

00:09:47,253 --> 00:09:52,383
His acts were witnessed
by the entire coven.

157

00:09:52,800 --> 00:09:56,053
Do not summon us again,

158

00:09:56,137 --> 00:10:00,266
or you will be held in contempt.

159

00:10:00,349 --> 00:10:01,475
[wind gusts]

160

00:10:04,520 --> 00:10:07,148
[Ms. Wardwell]
You look like the cat who ate the canary.

161
00:10:10,651 --> 00:10:11,902
Call in sick, Mary.

162
00:10:13,738 --> 00:10:14,864
Spend the day with me.

163
00:10:16,824 --> 00:10:20,202
I have responsibilities
as principal, Adam, so...

164
00:10:21,954 --> 00:10:24,332
You're underappreciated
at that school of yours.

165
00:10:24,999 --> 00:10:27,501
Mm-hmm.
Well, that's more true than you know.

166
00:10:27,585 --> 00:10:29,211
I have been giving that girl--

167
00:10:30,755 --> 00:10:33,591
that school my all for some time now.

168
00:10:33,674 --> 00:10:36,761
And the rewards have been less
than I expected.

169
00:10:37,845 --> 00:10:41,724
Then take something for yourself, Mary,
for us, just this once.

170
00:10:43,225 --> 00:10:44,226
It's a day.

171
00:10:48,731 --> 00:10:49,565
All right.

172

00:10:51,150 --> 00:10:54,028
But I'll have to make arrangements
at Baxter High,

173

00:10:54,111 --> 00:10:57,114
and then... I'll be all yours
for the rest of the day.

174

00:10:58,908 --> 00:11:00,868
[Hilda] Where's Nick through all of this?
[sighs]

175

00:11:01,410 --> 00:11:03,412
Drowning his sorrows at Dorian's.

176

00:11:03,496 --> 00:11:05,164
Oh. When the going gets tough...

177

00:11:05,790 --> 00:11:07,333
Aunt Zelda should be here.

178

00:11:07,416 --> 00:11:11,253
Ambrose should be here,
not rotting in a cell,

179

00:11:11,337 --> 00:11:14,674
-waiting for his death day.
-No one is laying a finger on that boy.

180

00:11:15,257 --> 00:11:17,218
We will break him out of there
before that happens.

181

00:11:17,301 --> 00:11:20,388
Well, I can't even get into the Academy
because I'm expelled.

182

00:11:20,930 --> 00:11:23,683
And even if I could, it's not like
Prudence, Dorcas, and Agatha

183

00:11:23,766 --> 00:11:25,893
would let me anywhere near Ambrose.

184

00:11:25,976 --> 00:11:28,938

I am not expelled.
I'm no longer excommunicated.

185

00:11:29,021 --> 00:11:31,065

And I know what food
in the Academy tastes like.

186

00:11:31,148 --> 00:11:34,819

I bet with this, er, roast chicken,
I could bribe my way in to visit Ambrose.

187

00:11:35,069 --> 00:11:38,531

-If anyone can, it's you, Aunt Hilda.
-So, what about you, my love?

188

00:11:38,614 --> 00:11:41,242

I don't like to think of you here
on your own, twiddling your thumbs.

189

00:11:41,325 --> 00:11:44,203

I am going to Baxter High
to talk to Ms. Wardwell.

190

00:11:44,829 --> 00:11:47,039

Maybe she knows a loophole
that can help with Ambrose.

191

00:11:47,123 --> 00:11:50,126

It'll be good to see your
mortal friends again, my love.

192

00:11:50,418 --> 00:11:53,629

No matter what happens in the witch world,
I can always rely on them.

193

00:11:53,713 --> 00:11:54,547

Hm.

194

00:11:55,506 --> 00:11:56,632

[chuckles]

195

00:11:57,883 --> 00:11:58,801
Oh.

196

00:11:59,301 --> 00:12:01,095
She's going to see little Harvey.

197

00:12:03,848 --> 00:12:08,227
[Theo] In 13th-century Europe, thousands
of children set out on a holy crusade

198

00:12:09,228 --> 00:12:14,233
to win hearts and minds,
and reclaim their holy city.

199

00:12:15,735 --> 00:12:19,655
As the children paraded through Europe,
they offered each soul the same choice.

200

00:12:20,448 --> 00:12:23,743
Pledge your faith and...
and join the mission, or...

201

00:12:25,661 --> 00:12:28,038
-burn in the fires of Hell.
-[school bell rings]

202

00:12:28,122 --> 00:12:29,540
[applause]

203

00:12:31,333 --> 00:12:33,043
Hey, Theo. Harvey.

204

00:12:33,419 --> 00:12:35,212
-[Theo] Sabrina.
-[Harvey] It's been a while.

205

00:12:35,296 --> 00:12:36,797
[Sabrina] I know. I've missed you guys.

206

00:12:37,465 --> 00:12:39,800
Hey, where's Roz? Is she sick? Or...

207

00:12:41,135 --> 00:12:43,345
I gotta get to gym class.
See you guys later.

208

00:12:46,140 --> 00:12:49,393
Theo, what's, uh... what's goin' on?

209

00:12:50,019 --> 00:12:51,437
It-- It's been hard.

210

00:12:52,521 --> 00:12:55,566
Roz has just been going through
a brutal time.

211

00:12:59,695 --> 00:13:02,531
-[man talking on tape]
-Roz, I'm so sorry.

212

00:13:02,782 --> 00:13:05,534
Theo just told me. I... I had no idea.

213

00:13:08,037 --> 00:13:08,871
Hey.

214

00:13:09,246 --> 00:13:10,915
[sighs] Why didn't you tell me?

215

00:13:12,291 --> 00:13:14,001
Honestly, you weren't here.

216

00:13:15,336 --> 00:13:16,504
It's as simple as that.

217

00:13:16,587 --> 00:13:19,131
Why are they keeping you
in the library, alone?

218

00:13:20,299 --> 00:13:22,259
-It's just easier this way.
-No.

219

00:13:23,135 --> 00:13:25,012

-No. I won't accept that.
-[sighs]

220

00:13:25,095 --> 00:13:28,140

-I'm gonna go talk to Ms. Wardwell.
-No. 'Brina, wait. 'Brina!

221

00:13:31,852 --> 00:13:34,605

[sighs] Ms. Wardwell, we need to talk.

222

00:13:34,688 --> 00:13:36,982

Oh, Sabrina,
shouldn't you be at the Academy?

223

00:13:37,691 --> 00:13:39,568

I'm not really welcome there anymore.

224

00:13:39,652 --> 00:13:42,613

Oh. Well, I'm sure it'll work itself out.

225

00:13:42,696 --> 00:13:45,115

In the meantime, I'm on my way
to take a personal day.

226

00:13:45,199 --> 00:13:48,118

Oh, wait, Ms. Wardwell. What about Roz?

227

00:13:48,702 --> 00:13:50,246

Oh, poor Roz.

228

00:13:50,329 --> 00:13:54,291

Yes. She's so angry at the world,
at the unfairness of it all.

229

00:13:54,375 --> 00:13:56,418

-But can you blame her?
-Maybe she's angry

230

00:13:56,502 --> 00:13:59,088

because she's in the library,
by herself, isolated.

231

00:13:59,171 --> 00:14:00,923
She ought to be allowed in normal classes.

232

00:14:01,006 --> 00:14:04,468
Studying in the library
was Ms. Walker's choice.

233

00:14:05,344 --> 00:14:06,679
I just wanna help Roz.

234

00:14:06,762 --> 00:14:09,223
Why don't you make and give her
a comfort charm?

235

00:14:09,306 --> 00:14:12,935
You know, if you really wanna help her,
why don't you restore her sight?

236

00:14:13,561 --> 00:14:16,063
I think there is a spell in here.

237

00:14:17,273 --> 00:14:20,109
Circa page 70, I believe.

238

00:14:20,484 --> 00:14:21,318
Anyways.

239

00:14:22,736 --> 00:14:23,904
I must be off.

240

00:14:33,330 --> 00:14:36,125
-Sabrina, what is that?
-It's a comfort charm for Roz.

241

00:14:37,001 --> 00:14:38,002
I just made it.

242

00:14:38,419 --> 00:14:40,296
You can keep it in your bag
or in your pocket--

243

00:14:40,379 --> 00:14:43,632
Is that supposed to comfort me
or comfort you?

244

00:14:45,217 --> 00:14:47,011
[sighs] Why don't you want

245

00:14:47,094 --> 00:14:48,888
-to be with everyone else?
-Why?

246

00:14:50,890 --> 00:14:54,768
So that when I spontaneously
burst into tears or scream,

247

00:14:54,852 --> 00:14:57,771
everyone thinks, "Oh, great,
now the blind girl's going crazy"?

248

00:15:00,024 --> 00:15:02,902
Is that...
Is that really what's been happening?

249

00:15:03,819 --> 00:15:05,738
You've been gone for a while, Sabrina.

250

00:15:07,531 --> 00:15:09,158
It's been challenging.

251

00:15:09,575 --> 00:15:12,953
Not all of us can just leave whenever
we want and come back whenever we want.

252

00:15:13,037 --> 00:15:14,246
No, I know. I know.

253

00:15:15,122 --> 00:15:16,332
I can't even imagine.

254

00:15:17,291 --> 00:15:18,417
[sighs]

255

00:15:20,377 --> 00:15:23,339
There's something else I could do.

256
00:15:28,552 --> 00:15:29,428
There's a spell.

257
00:15:29,511 --> 00:15:30,346
No.

258
00:15:31,180 --> 00:15:32,014
No way.

259
00:15:32,097 --> 00:15:35,059
I can fix this. I can make you see again.

260
00:15:35,142 --> 00:15:36,310
[Harvey] Here we go again.

261
00:15:36,393 --> 00:15:39,939
You're gonna fix Roz?
Like you fixed my brother, maybe?

262
00:15:40,606 --> 00:15:44,234
This spell isn't as complicated,
and I'm more in control now.

263
00:15:44,318 --> 00:15:45,402
Sabrina, no.

264
00:15:45,486 --> 00:15:48,447
Harvey, this isn't your decision.
It's Roz's.

265
00:15:52,159 --> 00:15:53,160
I'm with Harvey.

266
00:15:54,203 --> 00:15:55,829
Witches don't cure people.

267
00:15:55,913 --> 00:15:58,207
-They curse people.
-Roz?

268

00:16:00,668 --> 00:16:02,419
My Nana said not all witches are evil.

269

00:16:02,962 --> 00:16:05,255
She's right. I'm not evil, Roz.

270

00:16:05,339 --> 00:16:07,841
But witches cursed
the Walker women with blindness.

271

00:16:08,592 --> 00:16:10,719
That's evil. That's only evil.

272

00:16:12,012 --> 00:16:15,557
And why is it that right after
I kiss your ex-boyfriend,

273

00:16:15,641 --> 00:16:18,477
I go blind all at once?

274

00:16:18,560 --> 00:16:23,899
Roz, I know you're upset, but if you think
for a second that I did this to you--

275

00:16:23,983 --> 00:16:26,527
Sabrina, did you?

276

00:16:27,111 --> 00:16:28,570
[Sabrina] How could you think that?

277

00:16:30,030 --> 00:16:31,782
How could either of you think that?

278

00:16:46,296 --> 00:16:48,590
[ominous music playing]

279

00:16:52,344 --> 00:16:55,222
I'm afraid you've wasted your time,
Sister Spellman.

280

00:16:55,305 --> 00:16:57,808

-Oh?

-I can't let you in to see Ambrose,

281

00:16:57,891 --> 00:17:01,437

not even to give him a chicken
as delicious-smelling as that one.

282

00:17:01,520 --> 00:17:04,064

Thank you.

Erm, but actually, Prudence, my love,

283

00:17:04,148 --> 00:17:07,276

I... I didn't cook this plump chicken
for Ambrose.

284

00:17:07,568 --> 00:17:10,529

I cooked it for you
and your lovely sisters,

285

00:17:10,612 --> 00:17:12,573

who I'm sure are around here somewhere,

286

00:17:13,157 --> 00:17:16,285

in exchange for visiting Ambrose.

287

00:17:16,368 --> 00:17:17,745

My father forbids it.

288

00:17:18,912 --> 00:17:19,747

Please.

289

00:17:23,333 --> 00:17:26,128

I'm the only mum the boy's ever known.
[chuckles]

290

00:17:29,631 --> 00:17:30,632

Okay.

291

00:17:32,134 --> 00:17:33,385

You know what, Prudence?

292

00:17:35,012 --> 00:17:37,973
You wanna torment him? I have a tip.

293
00:17:38,640 --> 00:17:42,561
Go and eat the chicken while I visit him,
and then, I don't know...

294
00:17:43,270 --> 00:17:46,315
lick the bones clean
and toss 'em at him, I, er...

295
00:17:47,983 --> 00:17:49,276
That'll break his spirit.

296
00:17:51,528 --> 00:17:52,529
So, what do you say?

297
00:17:53,989 --> 00:17:56,116
-Please, Prudence?
-[school bell rings]

298
00:17:57,284 --> 00:17:59,620
[Theo] Guys, should we
sneak off campus for lunch?

299
00:18:00,245 --> 00:18:02,498
-And, uh... where's Sabrina?
-[Roz] She left.

300
00:18:03,123 --> 00:18:04,750
-Again.
-What?

301
00:18:05,501 --> 00:18:06,418
Why?

302
00:18:07,503 --> 00:18:08,670
We couldn't trust her, Theo.

303
00:18:09,546 --> 00:18:14,676
Theo, witches cursed my family,
and what if she made me blind?

304

00:18:17,471 --> 00:18:21,558
Guys, she's our friend, our good friend.
And she's a good person.

305

00:18:21,642 --> 00:18:24,144
-Name one good thing she's done.
-She saved the town!

306

00:18:24,228 --> 00:18:26,814
-From witches!
-She got me on the basketball team.

307

00:18:27,147 --> 00:18:29,441
I couldn't make a single shot
before, but...

308

00:18:31,151 --> 00:18:34,196
During try-outs, I saw her,
in the bleachers, muttering spells.

309

00:18:34,279 --> 00:18:36,240
And I made every single shot.

310

00:18:36,532 --> 00:18:41,161
But how about the fact that she fixed it
so your father would stop drinking?

311

00:18:41,245 --> 00:18:42,955
Even though you were broken up.

312

00:18:43,038 --> 00:18:45,249
I... I mean, how is that not a good thing?

313

00:18:52,631 --> 00:18:55,134
-Here you are, Sister Spellman.
-Ambrose?

314

00:18:58,512 --> 00:19:01,640
Ten minutes, Spellmans,
and I'll be right outside this door.

315

00:19:03,058 --> 00:19:04,184

-[door closes]

-[laughs]

316

00:19:04,268 --> 00:19:05,519

Let's sit down. Oh!

317

00:19:07,187 --> 00:19:08,480

Oh, Ambrose.

318

00:19:09,565 --> 00:19:10,941

[chuckles]

319

00:19:14,945 --> 00:19:16,363

How are you doing, dearest?

320

00:19:16,864 --> 00:19:18,157

I've seen better days.

321

00:19:19,241 --> 00:19:20,701

But they are treating me well.

322

00:19:21,243 --> 00:19:22,578

-Justly.

-Okay.

323

00:19:22,661 --> 00:19:24,788

Especially considering
the horrible things I have done.

324

00:19:26,665 --> 00:19:28,584

[creaking]

325

00:19:34,631 --> 00:19:36,216

There you are, Sister Spellman.

326

00:19:36,967 --> 00:19:38,468

[Hilda] Oh, Ambrose.

327

00:19:38,844 --> 00:19:40,262

Aunt Hilda.

328

00:19:40,345 --> 00:19:41,555
[Hilda] Is that really you?

329
00:19:42,764 --> 00:19:46,643
Ten minutes, Spellmans,
and I'll be right outside this door.

330
00:19:47,811 --> 00:19:49,521
-Oh.
-[door closes]

331
00:19:49,605 --> 00:19:50,856
Ambrose.

332
00:19:51,440 --> 00:19:55,235
-[sobbing]
-You, poor, poor thing.

333
00:19:55,527 --> 00:19:57,112
You look dreadful.

334
00:19:57,529 --> 00:20:01,533
I think death would be much better
than this living Hell.

335
00:20:02,868 --> 00:20:03,785
Tell them...

336
00:20:04,411 --> 00:20:05,287
the truth.

337
00:20:06,788 --> 00:20:07,789
Tell them...

338
00:20:08,540 --> 00:20:09,833
you're guilty.

339
00:20:12,711 --> 00:20:13,670
Tell them...

340
00:20:14,963 --> 00:20:16,089
what you did.

341

00:20:16,757 --> 00:20:18,675
When Aunt Zelda
and the High Priest return...

342

00:20:18,759 --> 00:20:20,135
-Yes?
-I will admit my guilt

343

00:20:20,928 --> 00:20:22,387
and beg for their mercy.

344

00:20:22,471 --> 00:20:25,641
In the meantime, do not give me
or my plight another thought.

345

00:20:25,724 --> 00:20:28,769
Ambrose, they have no mercy to give,

346

00:20:29,353 --> 00:20:31,480
and you... you have no guilt to admit.

347

00:20:32,940 --> 00:20:35,067
Well, that's not the case, Auntie.

348

00:20:36,735 --> 00:20:38,820
You see, I did murder the Anti-Pope.

349

00:20:42,699 --> 00:20:44,076
[Hilda] You must put this right.

350

00:20:44,159 --> 00:20:47,829
You must admit you killed the Anti-Pope.

351

00:20:47,913 --> 00:20:48,997
I-- I didn't.

352

00:20:49,665 --> 00:20:50,707
I didn't!

353

00:20:52,584 --> 00:20:54,461

Sign the confession.

354

00:20:55,420 --> 00:20:58,715
Put this nightmare at an end.

355

00:21:03,804 --> 00:21:10,060
You know, er... last winter,
when we threw that party to celebrate

356

00:21:10,143 --> 00:21:12,688
-the passing of dear old Vinegar Tom?
-Mm.

357

00:21:13,021 --> 00:21:15,065
-I think of it often.
-Oh.

358

00:21:16,108 --> 00:21:17,109
That's funny.

359

00:21:18,652 --> 00:21:20,946
'Cause Vinegar Tom died in 1989.

360

00:21:21,738 --> 00:21:23,657
The day the Berlin Wall fell.

361

00:21:23,740 --> 00:21:24,616
Mm.

362

00:21:26,243 --> 00:21:27,911
So, who are you?

363

00:21:28,787 --> 00:21:31,331
Because I know as sure as Heaven,
you ain't Ambrose.

364

00:21:36,503 --> 00:21:37,963
[chuckles]

365

00:21:39,131 --> 00:21:41,133
A glamour, Agatha?

366

00:21:42,217 --> 00:21:44,845
What kind of a fool do you think I am?

367

00:21:45,178 --> 00:21:50,475
I will confess, if that's what you
truly advise, Auntie Hilda.

368

00:21:50,559 --> 00:21:52,477
-Yes.
-But might I ask something?

369

00:21:52,561 --> 00:21:53,729
Of course.

370

00:21:54,604 --> 00:21:56,606
What's your favorite episode
of Fawlty Towers?

371

00:21:57,274 --> 00:21:58,358
Well... uh...

372

00:21:59,776 --> 00:22:02,279
Well, I love them all.

373

00:22:02,946 --> 00:22:04,031
Trick question!

374

00:22:04,114 --> 00:22:05,032
Hm?

375

00:22:05,490 --> 00:22:07,367
You hate Fawlty Towers.

376

00:22:08,201 --> 00:22:09,077
So, now...

377

00:22:11,747 --> 00:22:12,706
who are you?

378

00:22:13,248 --> 00:22:16,793
Because sure as Heaven,

you are not my auntie.

379

00:22:21,840 --> 00:22:25,177
You're gonna die in this cell, Spellman.

380

00:22:29,473 --> 00:22:30,891
Hope it was worth it.

381

00:22:36,396 --> 00:22:37,647
[locks door]

382

00:22:45,739 --> 00:22:46,948
Nicky, darling.

383

00:22:47,324 --> 00:22:49,451
You're looking
a little worse for the wear.

384

00:22:51,036 --> 00:22:53,955
[Nick] Do you know how much bourbon
it takes to get me drunk?

385

00:22:54,039 --> 00:22:56,291
A little early for it, Nick,
wouldn't you say?

386

00:22:59,628 --> 00:23:01,296
It's the witching hour somewhere.

387

00:23:05,634 --> 00:23:09,763
And I'm allowed to grieve,
Sabrina, I was expelled.

388

00:23:10,222 --> 00:23:12,307
I thought we could commiserate together.

389

00:23:12,391 --> 00:23:14,059
No. [sighs]

390

00:23:15,310 --> 00:23:16,686
It's not the same for you.

391
00:23:18,522 --> 00:23:20,399
I only had the Academy.

392
00:23:22,109 --> 00:23:23,402
It was my home.

393
00:23:26,071 --> 00:23:27,280
But you...

394
00:23:27,906 --> 00:23:32,911
you can always run back to your
mortal friends at your mortal school,

395
00:23:33,703 --> 00:23:36,998
into the arms of your mortal boyfriend.

396
00:23:37,082 --> 00:23:37,958
Not anymore.

397
00:23:38,291 --> 00:23:39,876
Ah. [chuckles]

398
00:23:43,004 --> 00:23:45,590
But you tried to, didn't you?

399
00:23:51,263 --> 00:23:54,808
If I had a mother, she might've warned me.

400
00:23:54,891 --> 00:23:57,394
"That's what you get, Nicholas,

401
00:23:58,228 --> 00:24:00,272
-falling for a--"
-A half-breed?

402
00:24:04,943 --> 00:24:05,944
I should go home.

403
00:24:06,570 --> 00:24:08,488
We can talk more once you've dried up.

404

00:24:16,913 --> 00:24:18,331
[Ms. Wardwell sighing]

405

00:24:18,623 --> 00:24:23,712
Adam. [chuckles] It's so good
to be away from that dreary little town.

406

00:24:25,130 --> 00:24:28,008
You've always been
devoted to Greendale, Mary.

407

00:24:28,508 --> 00:24:29,426
Have I?

408

00:24:31,094 --> 00:24:34,639
Well, perhaps I've grown beyond it.

409

00:24:40,103 --> 00:24:43,565
If that's true, maybe you'd consider...

410

00:24:45,817 --> 00:24:47,319
coming to Tibet with me.

411

00:24:47,736 --> 00:24:48,570
[laughs]

412

00:24:52,574 --> 00:24:53,533
What?

413

00:24:53,617 --> 00:24:57,704
I said I'm done traveling, yes,
but Physicians Without Frontiers called.

414

00:24:57,787 --> 00:25:00,248
There's a posting in Tibet, if I want it.

415

00:25:00,790 --> 00:25:04,461
But I wouldn't consider taking it if...

416

00:25:05,754 --> 00:25:07,255
if you don't come with me.

417
00:25:08,298 --> 00:25:09,174
Tibet.

418
00:25:10,425 --> 00:25:12,052
-Adam.
-Mary.

419
00:25:13,261 --> 00:25:15,180
I wanna show you the world.

420
00:25:20,185 --> 00:25:21,353
I will consider it

421
00:25:22,562 --> 00:25:24,314
and have an answer for you tonight.

422
00:25:30,654 --> 00:25:31,571
Wait.

423
00:25:32,531 --> 00:25:33,532
Make a wish.

424
00:25:39,037 --> 00:25:41,122
-[splash]
-[both laugh]

425
00:25:46,211 --> 00:25:47,379
[chuckles]

426
00:25:47,546 --> 00:25:49,548
[both laugh]

427
00:25:54,261 --> 00:25:56,179
[door opens]

428
00:26:00,433 --> 00:26:04,187
Your aunt... is an amazing chef, Spellman.

429
00:26:07,274 --> 00:26:10,569
What was that, you gorgons?

430

00:26:10,652 --> 00:26:13,738

[in unison] Roast chicken.
With rosemary and thyme.

431

00:26:14,573 --> 00:26:17,742

You can suck on the bones while you
contemplate your fate in the abyss...

432

00:26:17,826 --> 00:26:20,287

-[laughs]
-...should you not make your confession.

433

00:26:29,838 --> 00:26:31,047

[sighs]

434

00:26:49,774 --> 00:26:51,109

[knocking]

435

00:26:57,991 --> 00:26:58,992

Hi! How are you today?

436

00:26:59,576 --> 00:27:02,495

-Fine. Can I help you?
-I'm a missionary for my church.

437

00:27:02,579 --> 00:27:04,873

I go door to door
preaching the teachings of Our Lord

438

00:27:04,956 --> 00:27:06,416

and how they can bless our lives.

439

00:27:06,875 --> 00:27:08,793

-Would you be interested in hearing more?
-Uh...

440

00:27:08,877 --> 00:27:11,087

-We already have a faith.
-Okay.

441

00:27:11,713 --> 00:27:12,589

Fair enough.

442

00:27:14,841 --> 00:27:16,593
Any chance for a glass of water
before I go?

443

00:27:18,553 --> 00:27:19,387
Sure.

444

00:27:24,059 --> 00:27:24,893
[hisses]

445

00:27:28,438 --> 00:27:32,108
[Sabrina] Do you really get many,
um... converts,

446

00:27:32,692 --> 00:27:33,818
going door to door?

447

00:27:33,902 --> 00:27:35,403
Uh, you'd be surprised.

448

00:27:36,112 --> 00:27:38,698
The Word of the Almighty
can hold a lot of appeal to people.

449

00:27:40,075 --> 00:27:41,660
As long as they're open to it.

450

00:27:43,078 --> 00:27:44,913
-I'm Jerry, by the way.
-Oh, Sabrina.

451

00:27:45,580 --> 00:27:46,414
Thank you.

452

00:27:47,332 --> 00:27:49,959
It's a thirsty business,
doing the Lord's work.

453

00:27:52,921 --> 00:27:55,340
What religion do you practice,

if you don't mind me asking?

454

00:27:55,757 --> 00:27:59,177
Um... It's more spiritual, really.

455

00:28:00,679 --> 00:28:02,305
Personal to my family.

456

00:28:02,931 --> 00:28:04,182
Does it comfort you?

457

00:28:04,265 --> 00:28:05,308
To be honest...

458

00:28:06,518 --> 00:28:07,977
sometimes it scares me.

459

00:28:08,687 --> 00:28:09,771
What about it?

460

00:28:10,230 --> 00:28:12,816
That at its core, it's...

461

00:28:14,401 --> 00:28:15,694
[sighs]

462

00:28:16,653 --> 00:28:20,323
-What's at the heart of your religion?
-Forgiveness and salvation.

463

00:28:21,574 --> 00:28:23,993
Who couldn't use more of
those things in their lives?

464

00:28:24,828 --> 00:28:26,413
But aren't some people beyond saving?

465

00:28:27,789 --> 00:28:28,915
Not in my book.

466

00:28:30,417 --> 00:28:32,252

No matter what choices they've made.

467

00:28:33,378 --> 00:28:37,340

[Harvey] The Crusades of 1212 were said
to have begun in two different countries.

468

00:28:37,424 --> 00:28:38,299

The--

469

00:28:38,758 --> 00:28:41,052

-[Roz] Hold on, I have to change the tape.
-I can do it.

470

00:28:41,136 --> 00:28:43,179

No, no, it's okay, I should practice.

471

00:28:48,143 --> 00:28:49,269

[ominous music playing]

472

00:28:49,936 --> 00:28:51,020

[gasps]

473

00:29:01,364 --> 00:29:02,198

[Harvey] Roz?

474

00:29:03,408 --> 00:29:04,534

[echoing] Roz, are you okay?

475

00:29:04,617 --> 00:29:06,244

-[gasps]

-What's going on?

476

00:29:07,662 --> 00:29:09,706

Harvey, get me the phone.

477

00:29:12,584 --> 00:29:15,545

But if you dedicate your entire life

478

00:29:16,171 --> 00:29:18,006

to something most people think is...

479

00:29:18,423 --> 00:29:19,382
wrong...

480
00:29:20,842 --> 00:29:21,843
or...

481
00:29:22,802 --> 00:29:23,636
evil...

482
00:29:25,889 --> 00:29:27,807
you can't just wash that away.

483
00:29:29,476 --> 00:29:32,604
A hundred percent, you can.
You just have to ask for forgiveness.

484
00:29:33,146 --> 00:29:34,939
If only it were that easy.

485
00:29:35,899 --> 00:29:40,653
Sabrina, that is exactly what I am saying.

486
00:29:42,363 --> 00:29:43,198
It is.

487
00:29:45,366 --> 00:29:47,035
[rings]

488
00:29:48,161 --> 00:29:49,078
Just a sec.

489
00:29:51,122 --> 00:29:52,207
[sighing]

490
00:29:53,833 --> 00:29:55,251
-Spellman Sisters Mortuary.
-Sabrina.

491
00:29:55,502 --> 00:29:56,795
Is someone in the house with you?

492

00:29:57,295 --> 00:29:58,379
Like, a missionary?

493

00:29:59,756 --> 00:30:01,716
Uh, yeah, why?

494

00:30:02,175 --> 00:30:04,260
The cunning showed me
he wants to kill you!

495

00:30:04,344 --> 00:30:06,513
You need to get out of your house
right now!

496

00:30:10,517 --> 00:30:11,518
Wait!

497

00:30:14,896 --> 00:30:15,855
[yells]

498

00:30:17,732 --> 00:30:18,566
Evanescet.

499

00:30:21,945 --> 00:30:23,696
-[clanging]
-[yelling]

500

00:30:28,201 --> 00:30:29,953
[gasping]

501

00:30:35,333 --> 00:30:37,252
[rings bicycle bell]

502

00:30:37,627 --> 00:30:40,004
This is a travesty of justice.

503

00:30:40,255 --> 00:30:44,592
We pray to Satan that the Weird Sisters
are as malicious as I think they are.

504

00:30:45,009 --> 00:30:47,595
I'm confused. You want them

to throw the bones at your nephew?

505

00:30:47,804 --> 00:30:50,014
Well, how else is he gonna make
a skeleton key and escape?

506

00:30:51,266 --> 00:30:52,308
You're brilliant, Hilda.

507

00:30:52,392 --> 00:30:54,519
-Thank you very much.
-[thunderclap]

508

00:30:57,480 --> 00:30:59,232
-[rasping breath]
-[thunder crashing]

509

00:31:01,276 --> 00:31:03,069
Hello. Welcome to Cerberus,
how can I help you?

510

00:31:03,570 --> 00:31:06,656
-Hilda Spellman?
-Yes? What can I do for you, my love?

511

00:31:07,782 --> 00:31:08,616
Repent.

512

00:31:10,326 --> 00:31:12,287
And beg the Almighty for His forgiveness.

513

00:31:12,370 --> 00:31:14,455
Oh, we don't accept solicitations.

514

00:31:15,164 --> 00:31:19,043
Then you and the rest of your
witch-kind can burn in Hell.

515

00:31:28,720 --> 00:31:30,346
Hilda, what are you--

516

00:31:31,973 --> 00:31:33,224

[gasps] No! What are you doing?

517

00:31:33,558 --> 00:31:35,226

-Setting your incubus free.

-Hm!

518

00:31:36,060 --> 00:31:38,229

Be a good little demon
and go deal with the witch-hunter.

519

00:31:38,313 --> 00:31:39,939

[rapid breaths]

520

00:31:40,064 --> 00:31:42,066

[thunder crashing]

521

00:31:44,235 --> 00:31:45,653

[growling]

522

00:31:48,781 --> 00:31:49,741

Dorian.

523

00:31:51,576 --> 00:31:52,452

Another one.

524

00:31:52,535 --> 00:31:53,578

Are you sure, Nicky?

525

00:31:54,454 --> 00:31:56,289

You're too young to be a sad old drunk.

526

00:31:57,040 --> 00:31:59,208

I'll drink myself to death if I want to.

527

00:32:02,795 --> 00:32:04,714

What have I got to live for, anyways?

528

00:32:04,923 --> 00:32:06,591

-[heavy thump]

-[gasps]

529

00:32:07,926 --> 00:32:09,093
[choking]

530
00:32:09,719 --> 00:32:10,678
Dorian?

531
00:32:11,429 --> 00:32:12,388
-Dorian?
-[rattling]

532
00:32:12,472 --> 00:32:16,142
Normally, I like to give your kind
a chance to repent,

533
00:32:17,685 --> 00:32:22,857
but Dorian Gray's
far too dangerous a warlock for that.

534
00:32:23,733 --> 00:32:25,735
You, on the other hand,

535
00:32:26,569 --> 00:32:28,363
here's your chance.

536
00:32:31,282 --> 00:32:32,367
Ianuae magicae.

537
00:32:32,659 --> 00:32:33,618
[gasping]

538
00:32:34,035 --> 00:32:35,203
Too drunk to teleport?

539
00:32:36,829 --> 00:32:39,499
-That makes my job easier.
-[gasps]

540
00:32:44,045 --> 00:32:45,672
You can't hide from God.

541
00:32:46,214 --> 00:32:49,425
Come out and repent.

542
00:32:50,551 --> 00:32:51,886
[Dorian] You shot me.

543
00:32:53,179 --> 00:32:54,097
You bitch.

544
00:32:55,098 --> 00:32:58,518
-I put an arrow through your neck.
-Yes, this one.

545
00:33:02,730 --> 00:33:04,023
[groans]

546
00:33:04,440 --> 00:33:05,566
You see...

547
00:33:06,067 --> 00:33:09,070
I have a very peculiar invulnerability

548
00:33:09,153 --> 00:33:12,031
which makes me insanely difficult to harm.

549
00:33:12,115 --> 00:33:13,074
[groans]

550
00:33:14,534 --> 00:33:17,745
Well done, Dorian. Ah, but don't kill him.

551
00:33:19,914 --> 00:33:22,041
At least not until he tells us everything.

552
00:33:27,338 --> 00:33:28,881
Oh, no. Aunt Hilda?

553
00:33:29,882 --> 00:33:30,717
Aunt Hilda?

554
00:33:32,010 --> 00:33:34,262
-Yeah.
-Auntie, you're okay?

555

00:33:34,971 --> 00:33:36,347

Yeah. Absolutely fine.

556

00:33:37,265 --> 00:33:40,476

Just cleaning up some spilled milk

557

00:33:40,560 --> 00:33:43,104

from a surprise visit from a witch-hunter,

558

00:33:43,187 --> 00:33:44,063

would you believe?

559

00:33:44,147 --> 00:33:46,190

Oh, I can. Did you kill him?

560

00:33:46,274 --> 00:33:47,942

Er, her. And nope.

561

00:33:48,026 --> 00:33:50,361

Oh, but we did chase her out the store.

Well, he did.

562

00:33:50,445 --> 00:33:52,613

-Uh, how?

-Well, your Aunt Hilda kissed me

563

00:33:52,697 --> 00:33:56,325

and then, uh... she took off
the steel that keeps my incubus in check.

564

00:33:56,409 --> 00:33:57,869

-[chuckles] Then I went berserk.

-Mm.

565

00:33:57,952 --> 00:33:59,954

He's like the Incredible Hulk
without that chain on.

566

00:34:00,038 --> 00:34:02,623

-Scared her right off, didn't you?

-A witch-hunter attacked me, too.

567

00:34:02,707 --> 00:34:05,376

A male hunter,
which means that there are two of them.

568

00:34:05,460 --> 00:34:06,294

Three.

569

00:34:06,753 --> 00:34:07,837

[thunder rolling]

570

00:34:07,920 --> 00:34:09,130

Well, there were three.

571

00:34:09,881 --> 00:34:12,133

-They call themselves the Innocents.

-Oh, Nick.

572

00:34:12,216 --> 00:34:15,553

The one who stormed Dorian's
is now trapped in one of his paintings.

573

00:34:15,636 --> 00:34:19,724

Sorry, Sabrina. I was a dick before,
but believe me, I'm sobering up fast.

574

00:34:20,016 --> 00:34:24,187

-What do they want, do you know?
-To kill all the witches in Greendale.

575

00:34:24,687 --> 00:34:27,940

According to the hunter we subdued,
their plan was to start with the outliers.

576

00:34:28,024 --> 00:34:30,234

You, your aunt, the crew at Dorian's.

577

00:34:30,318 --> 00:34:31,861

And then converge at the Academy.

578

00:34:32,361 --> 00:34:33,279

Ambrose.

579

00:34:33,362 --> 00:34:35,615
They'll all be sitting ducks.
We have to warn them.

580

00:34:35,698 --> 00:34:36,657
We're expelled.

581

00:34:37,200 --> 00:34:39,744
We're not getting into that school,
not without a Hand of Glory.

582

00:34:39,827 --> 00:34:42,580
[gasps] Ooh, you can take your pick
at the botanical room at home.

583

00:34:42,663 --> 00:34:45,041
I mean, I have half a dozen, at least.
Okay?

584

00:34:51,756 --> 00:34:54,300
You are a man of many talents, Adam.

585

00:34:54,884 --> 00:34:56,344
This roast is delicious.

586

00:34:58,179 --> 00:34:59,680
I promised you deliciousness,

587

00:34:59,764 --> 00:35:00,890
-once upon a time.
-[chuckles]

588

00:35:01,724 --> 00:35:03,643
I can't wait to see what's for dessert.

589

00:35:06,437 --> 00:35:10,108
Dessert is your reward
for saying yes to Tibet.

590

00:35:12,110 --> 00:35:13,361
I haven't said yes yet.

591
00:35:15,780 --> 00:35:17,657
But you are going to.

592
00:35:24,288 --> 00:35:25,123
Yes.

593
00:35:25,998 --> 00:35:26,958
I am.

594
00:35:31,462 --> 00:35:33,047
[thunder crashing]

595
00:35:36,425 --> 00:35:37,593
[crunch]

596
00:35:38,678 --> 00:35:40,096
[ominous music playing]

597
00:35:45,226 --> 00:35:46,561
How did that get in there?

598
00:35:52,775 --> 00:35:57,113
[Dark Lord] Did you really think
you could deceive me, Lilith?

599
00:35:57,196 --> 00:35:58,823
[growling]

600
00:36:06,497 --> 00:36:08,791
Our bond is eternal.

601
00:36:09,250 --> 00:36:11,627
Our bond is unbreakable.

602
00:36:12,253 --> 00:36:16,174
There is no escape to Tibet
or anywhere else.

603
00:36:16,257 --> 00:36:19,302
Now, clean your plate of the mortal.

604

00:36:19,760 --> 00:36:21,179
[growling]

605

00:36:21,262 --> 00:36:22,555
[thunder crashing]

606

00:36:28,603 --> 00:36:32,648
Tonight, class, we are collecting our
energies to enact a spell of compulsion.

607

00:36:32,940 --> 00:36:34,734
Ambrose Spellman is a murderer.

608

00:36:35,151 --> 00:36:38,070
-He needs to confess.
-And we're going to help him.

609

00:36:39,447 --> 00:36:40,281
Join hands.

610

00:36:42,158 --> 00:36:45,328
Close your eyes, and concentrate with us.

611

00:36:46,913 --> 00:36:49,373
-[all] Confess. Confess.
-[Weird Sisters] I, Ambrose Spellman,

612

00:36:49,457 --> 00:36:51,500
-am a traitor to the Church of Night.
-Confess.

613

00:36:51,584 --> 00:36:53,920
Confess. Confess. Confess.

614

00:36:54,003 --> 00:36:56,964
Confess. Confess. Confess. Confess.

615

00:36:57,048 --> 00:36:59,300
-I did willingly and knowingly...
-Confess. Confess.

616

00:36:59,383 --> 00:37:02,720
Confess. Confess. Confess. Confess.

617

00:37:02,803 --> 00:37:04,972
...take up arms against the Anti-Pope,

618

00:37:05,056 --> 00:37:06,557
-and murdered him in his bed.
-Confess.

619

00:37:07,058 --> 00:37:10,478
Confess. Confess. Confess. Confess.

620

00:37:10,853 --> 00:37:13,231
Confess. Confess. Confess.

621

00:37:13,522 --> 00:37:16,984
-Confess. Confess. Confess. Confess.
-Thank you, Aunt Hilda.

622

00:37:17,193 --> 00:37:19,320
Confess. Confess. Confess.

623

00:37:19,904 --> 00:37:21,572
Confess. Confess.

624

00:37:21,656 --> 00:37:24,617
-[lock turns]
-Confess. Confess. Confess.

625

00:37:24,700 --> 00:37:27,995
Confess. Confess. Confess. Confess.

626

00:37:28,246 --> 00:37:30,373
Confess. Confess. Confess.

627

00:37:30,957 --> 00:37:33,417
Confess. Confess. Confess.

628

00:37:33,876 --> 00:37:36,462
Confess. Confess. Confess.

629

00:37:36,754 --> 00:37:38,256
Confess. Confess...

630

00:37:41,217 --> 00:37:43,761
Confess. Confess. Confess.

631

00:37:44,095 --> 00:37:45,763
Confess. Confess.

632

00:37:45,846 --> 00:37:48,182
Confess. Confess. Confess.

633

00:37:53,896 --> 00:37:55,022
Confess. Confess.

634

00:37:55,356 --> 00:37:56,899
Where are you goin', friend?

635

00:37:59,777 --> 00:38:02,321
[screams] Witch-hunters!

636

00:38:03,281 --> 00:38:05,574
-That was our prisoner.
-[both] Prudence, what do we do?

637

00:38:05,658 --> 00:38:07,618
My father charged me
with protecting this Academy,

638

00:38:07,702 --> 00:38:08,869
that's what we're going to do.

639

00:38:08,953 --> 00:38:10,413
Scatter and hide, all of you!

640

00:38:29,515 --> 00:38:30,391
[girl] Where are they?

641

00:38:32,059 --> 00:38:33,060
[Jerathmiel] Nearby.

642
00:38:35,021 --> 00:38:36,147
Witches!

643
00:38:37,440 --> 00:38:40,318
Warlocks! Come out of the shadows.

644
00:38:41,068 --> 00:38:44,488
Come, that you may stand
and be judged for your sins.

645
00:38:44,572 --> 00:38:46,324
[Prudence] No need to yell.

646
00:38:47,950 --> 00:38:49,118
We're here.

647
00:38:49,744 --> 00:38:51,412
[ringing sound]

648
00:38:52,872 --> 00:38:55,750
And you should not have
come to this place, hunters.

649
00:38:56,625 --> 00:39:00,880
Ardrelamastro, martarastar, frocus!

650
00:39:03,132 --> 00:39:08,262
That pain in your head
is your brain atomizing into sand.

651
00:39:08,888 --> 00:39:12,641
The heaviness in your chest
is your lungs hardening.

652
00:39:12,725 --> 00:39:13,559
[gasps]

653
00:39:14,018 --> 00:39:15,561
And your hearts turning to stone.

654

00:39:16,354 --> 00:39:18,689
I want you to remember
who did this to you.

655

00:39:19,190 --> 00:39:21,317
We are no ordinary witches.

656

00:39:22,109 --> 00:39:24,320
We are the daughters
of the Church of Night.

657

00:39:24,653 --> 00:39:26,072
We are the Weird Sisters.

658

00:39:26,155 --> 00:39:26,989
[choking]

659

00:39:27,073 --> 00:39:28,657
The Three-in-One.

660

00:39:29,075 --> 00:39:31,619
And this school is under our protection.

661

00:39:32,078 --> 00:39:36,874
Ardrelamastro, martarastar, frocus!

662

00:39:36,957 --> 00:39:38,042
[church bell tolls]

663

00:39:38,125 --> 00:39:40,669
[both] Heavenly choir
of the Nine Principalities,

664

00:39:41,170 --> 00:39:44,173
govern us in soul and body.

665

00:39:45,758 --> 00:39:47,802
Give us strength in battle

666

00:39:47,885 --> 00:39:49,428
to command dominion...

667
00:39:49,512 --> 00:39:52,223
-[groaning]
-...over the heretic witches.

668
00:39:53,057 --> 00:39:54,725
[high-pitched ringing]

669
00:40:02,858 --> 00:40:04,777
We are no ordinary witch-hunters.

670
00:40:04,902 --> 00:40:06,028
[moaning and sobbing]

671
00:40:06,320 --> 00:40:07,947
We are divine.

672
00:40:09,031 --> 00:40:10,324
We are angels.

673
00:40:11,075 --> 00:40:12,743
[thunder crashing]

674
00:40:12,827 --> 00:40:14,328
Ah! There we go!

675
00:40:14,912 --> 00:40:15,871
All right.

676
00:40:16,622 --> 00:40:17,790
[Nick] Whoa. [coughs]

677
00:40:17,873 --> 00:40:19,750
Oooh, that's pungent, isn't it?

678
00:40:20,543 --> 00:40:21,460
Wow.

679
00:40:22,211 --> 00:40:23,170
Okay.

680

00:40:23,546 --> 00:40:24,380
Phew.

681
00:40:24,922 --> 00:40:25,923
Give me that.

682
00:40:26,757 --> 00:40:30,636
[grunts] That should open the door
and get us into the Academy.

683
00:40:30,719 --> 00:40:32,138
-Okay, great, let's go.
-[door opens]

684
00:40:32,221 --> 00:40:33,139
[Harvey] Sabrina!

685
00:40:33,681 --> 00:40:34,682
Sabrina!

686
00:40:34,765 --> 00:40:36,767
[thunder rolling]

687
00:40:37,309 --> 00:40:38,727
-Sabrina!
-Harvey.

688
00:40:39,228 --> 00:40:40,312
Oh! You're okay.

689
00:40:40,646 --> 00:40:43,149
Well, yeah, I'm fine,
but what are you doing here?

690
00:40:43,858 --> 00:40:46,235
Sabrina, someone was trying to kill you.
How could I not come?

691
00:40:46,318 --> 00:40:48,612
-How'd you know?
-I was with Roz when she had her vision.

692

00:40:48,696 --> 00:40:50,322
I rushed over to make sure you were okay.

693
00:40:50,406 --> 00:40:51,449
Oh.

694
00:40:52,575 --> 00:40:54,869
I'm so sorry for what I said
and how I acted.

695
00:40:55,494 --> 00:40:58,122
Roz and I both are.
It was shitty. It's just--

696
00:40:58,831 --> 00:41:01,125
Roz has been hurting,
and I don't know how to help her.

697
00:41:01,208 --> 00:41:03,210
It's fine, Harvey, truly,
but we have to go.

698
00:41:03,294 --> 00:41:04,837
Witch-hunters are attacking the Academy.

699
00:41:04,920 --> 00:41:06,755
Witch-hunters are attacking
your other school?

700
00:41:06,839 --> 00:41:08,382
Yeah, we better hurry.

701
00:41:08,757 --> 00:41:10,801
-I wanna come too, to help.
-Oh--

702
00:41:10,885 --> 00:41:12,344
No way, witch-hunter.

703
00:41:12,428 --> 00:41:15,598
No, uh...
Nick's right, Harvey. It's too dangerous.

704

00:41:15,681 --> 00:41:17,516

Yeah.

And we don't need any more witch-hunters.

705

00:41:17,600 --> 00:41:20,394

I told you the night of the Greendale
Thirteen. I'm done being a coward.

706

00:41:20,811 --> 00:41:22,104

-If there are people--

-Witches--

707

00:41:22,188 --> 00:41:24,273

Whatever, in trouble,

708

00:41:25,649 --> 00:41:27,443

you're gonna need
as much help as possible.

709

00:41:28,694 --> 00:41:31,822

Oh, for Satan's sake, let him help.
He just wants to put things right.

710

00:41:31,906 --> 00:41:35,201

We don't know how many witch-hunters
there are, do we? So the more the merrier.

711

00:41:35,284 --> 00:41:38,871

Come on, sweet Harvey. Let's go.
I'll catch you up on the way, my love.

712

00:41:38,954 --> 00:41:40,956

[thunderclap]

713

00:41:45,461 --> 00:41:46,545

[sobs]

714

00:41:55,137 --> 00:41:57,223

Oh... Oh, I don't understand.

715

00:41:57,806 --> 00:41:59,308

I don't understand how...

716
00:42:00,643 --> 00:42:02,978
How did this... How did the Dark Lord...

717
00:42:05,356 --> 00:42:07,107
How did the Dark Lord discover us?

718
00:42:08,192 --> 00:42:09,568
The ring...

719
00:42:09,652 --> 00:42:10,528
The ring must...

720
00:42:11,487 --> 00:42:13,572
The ring should've... hidden Adam.

721
00:42:13,656 --> 00:42:14,782
I don't under--

722
00:42:17,409 --> 00:42:18,452
[caws]

723
00:42:21,455 --> 00:42:23,249
It was you, wasn't it, Stolas?

724
00:42:23,332 --> 00:42:24,166
[caws]

725
00:42:26,085 --> 00:42:28,254
You ungrateful stool pigeon.

726
00:42:31,215 --> 00:42:33,217
You've been reporting back
to the Dark Lord

727
00:42:33,300 --> 00:42:35,219
ever since He brought you back to life.

728
00:42:35,678 --> 00:42:36,637
[caws]

729
00:42:39,181 --> 00:42:40,266
Haven't you?

730
00:42:42,810 --> 00:42:44,645
[screeches]

731
00:42:46,981 --> 00:42:48,649
[wails]

732
00:42:49,275 --> 00:42:50,901
[sobbing] No!

733
00:43:02,246 --> 00:43:04,665
But the Dark Lord doesn't know all.

734
00:43:07,418 --> 00:43:11,088
He's not omniscient
and He's not omnipotent.

735
00:43:12,214 --> 00:43:13,382
Which means...

736
00:43:16,802 --> 00:43:18,637
He won't see what's coming next.

737
00:43:23,601 --> 00:43:24,476
Yes.

738
00:43:25,269 --> 00:43:27,146
He took away the one thing I loved.

739
00:43:31,817 --> 00:43:33,402
Now I'll do the same to Him.

740
00:43:33,736 --> 00:43:35,738
[thunder crashing]

741
00:43:40,576 --> 00:43:41,535
[Nick] Baphomet!

742

00:43:43,746 --> 00:43:45,789
What unspeakable thing
could have done this?

743

00:43:45,873 --> 00:43:46,957
[Hilda] Are we too late?

744

00:43:47,041 --> 00:43:49,209
[Sabrina] Prudence? Agatha? Dorcas?

745

00:43:49,710 --> 00:43:51,128
[Nick] Where is everyone?

746

00:43:51,545 --> 00:43:52,796
[Hilda gasps] Ambrose!

747

00:43:52,880 --> 00:43:54,840
-Ambrose! Ambrose!
-[choking]

748

00:43:57,384 --> 00:43:58,886
-Oh!
-Thanks for the chicken...

749

00:43:59,637 --> 00:44:00,679
-Aun-- [chokes]
-Okay...

750

00:44:00,763 --> 00:44:02,264
-Auntie...
-He's losing a lot of blood.

751

00:44:02,348 --> 00:44:05,142
Oh, yeah. Okay.
This is gonna hurt a tiny bit. Okay?

752

00:44:07,144 --> 00:44:08,646
[both scream]

753

00:44:10,022 --> 00:44:11,607
[Hilda groans] Oh, I'm sorry.

754

00:44:11,690 --> 00:44:13,525
I'm sorry. Okay.

755

00:44:13,609 --> 00:44:15,569
Rivers must flow that blood may not

756

00:44:15,653 --> 00:44:17,279
Blood be bound, and blood be clot

757

00:44:19,573 --> 00:44:21,742
-Ambrose, where is everyone?
-[Hilda whispering]

758

00:44:21,825 --> 00:44:24,328
[wheezing] Two angels...

759

00:44:24,411 --> 00:44:26,121
[gasping] ...took them.

760

00:44:26,205 --> 00:44:27,164
Angels?

761

00:44:27,498 --> 00:44:28,957
Aren't angels supposed to be nice?

762

00:44:29,041 --> 00:44:31,168
Have you ever actually
read the Bible, mortal?

763

00:44:31,251 --> 00:44:34,922
-Angels are the ones with fiery swords.
-Took them where, Ambrose, do you know?

764

00:44:35,005 --> 00:44:36,131
[Quentin] I do, Miss.

765

00:44:37,508 --> 00:44:40,010
Oh! Quentin, what happened?

766

00:44:40,511 --> 00:44:43,931
The angels, they tried to take me and
the other ghost children to Heaven, but...

767

00:44:44,473 --> 00:44:45,849
we ran and hid.

768

00:44:46,558 --> 00:44:48,102
Did he say ghost children?

769

00:44:48,185 --> 00:44:51,313
So where did the angels take the witches,
darling? 'Cause we need to help them.

770

00:44:51,438 --> 00:44:53,399
-[choking]
-Okay, okay, sorry.

771

00:44:53,649 --> 00:44:54,650
Our desecrated church.

772

00:44:54,733 --> 00:44:56,985
[whispers] Our desecr--
Why would they go there?

773

00:44:57,069 --> 00:44:58,320
To convert them, probably.

774

00:44:58,862 --> 00:45:01,448
That's what they do. Convert
and then kill. They call it cleansing.

775

00:45:01,532 --> 00:45:03,033
-Let's go, then.
-No, you can't, Miss.

776

00:45:03,575 --> 00:45:05,077
They found the church from us.

777

00:45:05,160 --> 00:45:07,621
Sealed it with holy water
and reconsecrated it.

778

00:45:08,497 --> 00:45:10,207
No witches can get in or out.

779

00:45:10,290 --> 00:45:13,252
Okay. Well, Quentin, it's not safe for you
and the other ghost children here.

780

00:45:13,335 --> 00:45:15,170
Go back to your graveyard and hide, okay?

781

00:45:15,254 --> 00:45:16,088
Yes, Miss.

782

00:45:17,631 --> 00:45:18,799
Did he just disappear?

783

00:45:18,882 --> 00:45:21,760
Sabrina, I'm gonna have
to tend to Ambrose's wounds, so--

784

00:45:21,844 --> 00:45:23,470
He's losing buckets of blood.

785

00:45:23,554 --> 00:45:25,639
-Do that, Auntie.
-[Harvey] Where's the church?

786

00:45:26,181 --> 00:45:28,100
I'm not a witch, so I...
I can get in, right?

787

00:45:28,183 --> 00:45:30,227
A mortal against avenging angels?

788

00:45:30,310 --> 00:45:32,312
You can't look at them
without your heart exploding.

789

00:45:32,396 --> 00:45:35,524
I can go in there.
I was baptized with holy water, remember?

790

00:45:35,607 --> 00:45:38,235
I can enter a church

even if it's been reconsecrated.

791

00:45:39,153 --> 00:45:40,571
It's the only play we have here.

792

00:45:42,114 --> 00:45:45,701
You're not seriously gonna let her go
alone, are you? It's a suicide mission.

793

00:45:45,784 --> 00:45:48,078
You don't seriously think
I tell her what to do, do you?

794

00:45:48,162 --> 00:45:52,374
Nick, Harvey. Whatever happens in there,
help my Aunt Hilda with Ambrose.

795

00:45:57,629 --> 00:45:59,047
[sobbing]

796

00:46:00,132 --> 00:46:05,471
You were born
of the darkest sin against God!

797

00:46:06,180 --> 00:46:10,851
The stain of Lucifer blackens your soul.

798

00:46:10,934 --> 00:46:14,188
I am talking about evil.

799

00:46:14,521 --> 00:46:15,522
But take heart.

800

00:46:16,231 --> 00:46:18,066
God will forgive your original sin,

801

00:46:18,150 --> 00:46:21,236
as long as you vow to accept Him
as your one true savior.

802

00:46:21,320 --> 00:46:25,783
And your bodies are then consumed

and purified by the fire of righteousness.

803

00:46:27,117 --> 00:46:30,454
Search your heart, witch.
Who is your true savior?

804

00:46:31,789 --> 00:46:34,082
The Dark Lord.

805

00:46:34,291 --> 00:46:35,751
-Wrong.
-[thunder crashes]

806

00:46:35,834 --> 00:46:38,587
Recite with me
and be reborn in God's love.

807

00:46:39,004 --> 00:46:40,881
No, never.

808

00:46:40,964 --> 00:46:41,882
As you wish.

809

00:46:43,050 --> 00:46:43,884
[grunts]

810

00:46:45,677 --> 00:46:47,554
-[sobbing]
-[Jerathmiel sighs]

811

00:46:47,930 --> 00:46:49,473
Hmm.

812

00:46:49,848 --> 00:46:51,850
It's your turn, warlock. [clears throat]

813

00:46:53,101 --> 00:46:55,729
Say it. "He that dwelleth

814

00:46:55,813 --> 00:46:58,148
in the secret place of the Most High..."

815
00:46:58,232 --> 00:47:00,400
I'll... I... I'll try.

816
00:47:04,446 --> 00:47:05,864
He that dwelleth...

817
00:47:06,406 --> 00:47:07,616
That's a good boy.

818
00:47:08,283 --> 00:47:10,410
"In the secret place of the Most High."

819
00:47:10,911 --> 00:47:13,288
In the secr...

820
00:47:13,497 --> 00:47:14,832
[groans] Se--

821
00:47:14,915 --> 00:47:16,750
-[moans]
-Work through the pain.

822
00:47:16,834 --> 00:47:18,418
God's grace will heal you.

823
00:47:18,961 --> 00:47:21,296
"He is my refuge and my fortress..."

824
00:47:22,089 --> 00:47:23,632
[groaning]

825
00:47:24,967 --> 00:47:25,801
[vomits]

826
00:47:26,927 --> 00:47:28,512
[sobbing]

827
00:47:28,929 --> 00:47:29,930
I--

828

00:47:31,181 --> 00:47:32,724
[groans] I can't.

829
00:47:33,267 --> 00:47:34,768
[crying]

830
00:47:34,852 --> 00:47:35,894
I can't.

831
00:47:35,978 --> 00:47:37,104
Melvin.

832
00:47:37,187 --> 00:47:38,981
You are not worthy of His love.

833
00:47:40,482 --> 00:47:41,358
No! Stop!

834
00:47:43,026 --> 00:47:44,361
[gasps]

835
00:47:44,444 --> 00:47:45,779
[Jerathmiel] Sabrina Spellman!

836
00:47:45,863 --> 00:47:46,905
[moans]

837
00:47:46,989 --> 00:47:49,950
You have entered a house of
the Divine God!

838
00:47:50,033 --> 00:47:51,743
Kneel before the Lord.

839
00:47:52,119 --> 00:47:53,704
I kneel...

840
00:47:54,079 --> 00:47:56,123
before no one!

841
00:47:57,708 --> 00:48:00,836

Hear me, fire! Hear me, air!

842

00:48:01,295 --> 00:48:03,380
No spell casting in a house of the Lord.

843

00:48:03,463 --> 00:48:05,048
That crown ensures that.

844

00:48:05,132 --> 00:48:06,383
[crossbow clanking]

845

00:48:06,466 --> 00:48:07,426
[whispers] Let them go.

846

00:48:08,927 --> 00:48:10,554
-[groans]
-[witches gasp]

847

00:48:11,430 --> 00:48:14,433
Kneel. Pray with us.

848

00:48:15,058 --> 00:48:16,184
Never.

849

00:48:16,768 --> 00:48:18,437
Then, like Saint Sebastian,

850

00:48:18,520 --> 00:48:19,897
you will die,

851

00:48:20,772 --> 00:48:22,649
shot through with arrows.

852

00:48:23,525 --> 00:48:24,860
[thunderclap]

853

00:49:07,736 --> 00:49:09,613
Where were we? Yes.

854

00:49:11,073 --> 00:49:12,199
Yes.

855
00:49:12,658 --> 00:49:13,867
We were praying.

856
00:49:15,202 --> 00:49:16,411
Say it with me.

857
00:49:16,495 --> 00:49:19,456
"Thou shalt not be afraid
for the terror by night,

858
00:49:19,539 --> 00:49:22,292
nor the arrow that flieth by day!"

859
00:49:22,376 --> 00:49:23,502
No.

860
00:49:24,127 --> 00:49:25,754
-Like Sabrina...
-No! Melvin!

861
00:49:26,755 --> 00:49:30,050
I choose death over your False God.

862
00:49:30,592 --> 00:49:31,843
-No.
-[yells]

863
00:49:32,469 --> 00:49:33,679
[screams]

864
00:49:36,974 --> 00:49:38,016
[Jerathmiel grunts]

865
00:49:38,892 --> 00:49:40,352
Your turn, witches!

866
00:49:40,852 --> 00:49:41,687
Hah!

867
00:49:45,899 --> 00:49:46,733

To burn.

868

00:49:49,444 --> 00:49:50,988
[Sabrina] That's enough.

869

00:49:53,615 --> 00:49:56,159
I offer you a chance to survive the night.

870

00:49:56,827 --> 00:49:58,704
Convert, Hunters.

871

00:50:01,415 --> 00:50:02,416
[thunder rolling]

872

00:50:04,626 --> 00:50:07,421
Take Lucifer Morningstar into your hearts,

873

00:50:07,504 --> 00:50:09,715
-and I promise you mercy.
-[wind whistling]

874

00:50:09,798 --> 00:50:12,676
But you must say His prayer.

875

00:50:13,010 --> 00:50:18,765
"O, Mighty Dark Lord,
by whom all things are set afire..."

876

00:50:18,849 --> 00:50:19,850
-Never.
-[thunderclap]

877

00:50:19,933 --> 00:50:23,228
Say the prayer! It's your one chance.

878

00:50:23,311 --> 00:50:28,650
Come on! Say it with me,
or you'll burn in Hellfire.

879

00:50:29,151 --> 00:50:32,154
-O, Mighty Dark Lord...
-O, Mighty Dark Lord...

880

00:50:32,237 --> 00:50:36,450
-...by whom all things are set afire...
-...by whom all is set afire...

881

00:50:36,533 --> 00:50:38,827
-Thy power be thy path.
-Thy power be thy path.

882

00:50:38,910 --> 00:50:41,538
-Thy will be my desire.
-Thy will be my desire.

883

00:50:41,621 --> 00:50:44,583
-In Hell as it is on Earth.
-In Hell as it is on Earth.

884

00:50:45,000 --> 00:50:47,502
-Praise Satan!
-Praise Satan.

885

00:50:49,838 --> 00:50:51,298
Well done.

886

00:50:52,382 --> 00:50:57,220
But my, how quickly
you turn on your False God.

887

00:50:57,721 --> 00:50:58,847
You're not a witch.

888

00:51:00,182 --> 00:51:01,641
What are you?

889

00:51:02,476 --> 00:51:06,354
I am the Dark Lord's sword!

890

00:51:06,938 --> 00:51:08,815
[gasping]

891

00:51:30,462 --> 00:51:31,922
Arise, Sister.

892
00:51:32,005 --> 00:51:32,881
[gasps]

893
00:51:39,930 --> 00:51:41,807
Arise, Brother.

894
00:51:50,398 --> 00:51:53,068
-[thunderclap]
-[theme music playing]

895
00:52:03,411 --> 00:52:04,287
'Brina?

896
00:52:12,879 --> 00:52:15,340
[thunder rolling]

897
00:53:18,195 --> 00:53:19,613
[man] Greg, move your head!
