1

00:00:14,000 --> 00:00:15,720  
[tense music plays]

2

00:00:17,120 --> 00:00:20,760  
[Carden] The Fey have blended  
into the wood, my son,

3

00:00:21,640 --> 00:00:23,240  
but even demons must eat.

4

00:00:24,360 --> 00:00:27,200  
We know they forage  
off the farms of the Minotaur,

5

00:00:27,280 --> 00:00:29,320  
so if they will not reveal themselves,

6

00:00:29,920 --> 00:00:31,600  
then we will starve them out.

7

00:00:32,480 --> 00:00:33,560  
Burn their fields.

8

00:00:34,280 --> 00:00:36,000  
Scourge their farms.

9

00:00:36,080 --> 00:00:39,640  
Until they panic  
like cattle to the slaughterhouse.

10

00:00:40,400 --> 00:00:41,280  
[woman] Help!

11

00:00:41,360 --> 00:00:42,520  
[cries for help]

12

00:00:42,600 --> 00:00:44,480  
[girl] Help! Help!

13

00:00:44,920 --> 00:00:46,680  
Please! Somebody!

14

00:00:47,160 --> 00:00:48,120  
Please!

15

00:00:48,200 --> 00:00:49,360  
[indistinct yelling]

16

00:01:06,520 --> 00:01:08,280  
[eerie ethereal music plays]

17

00:02:08,400 --> 00:02:11,040  
Did you honestly think  
I would let you ride south?

18

00:02:11,520 --> 00:02:12,680  
I have to go to Merlin.

19

00:02:13,200 --> 00:02:15,320  
This was my charge  
and I will see it fulfilled.

20

00:02:15,400 --> 00:02:18,200  
-To give him the Sword of Power?  
-It was her dying wish, Gawain.

21

00:02:18,280 --> 00:02:20,880  
Lenore could not anticipate  
the course of this war.

22

00:02:20,960 --> 00:02:23,200  
That sword could help us  
protect our farms.

23

00:02:23,280 --> 00:02:26,200  
Carden's Weeping Monk  
is torching our food supply.

24

00:02:26,280 --> 00:02:28,520  
Those tonsured devils  
are burning our valley,

25

00:02:28,600 --> 00:02:29,680

and we must respond.

26

00:02:29,760 --> 00:02:30,680  
Hello.

27

00:02:32,320 --> 00:02:34,720  
-What's this?  
-I was just headed for you.

28

00:02:34,800 --> 00:02:38,960  
-You found something blocking the road?  
-Green Knight, the Council?

29

00:02:39,040 --> 00:02:41,400  
There may be paladins  
on those mountain trails.

30

00:02:41,480 --> 00:02:42,480  
Or thieves.

31

00:02:42,560 --> 00:02:44,680  
You're going on mountain trails?  
With thieves?

32

00:02:44,760 --> 00:02:47,520  
I will accompany you.  
Meet me by the trailhead to the north.

33

00:02:47,600 --> 00:02:51,000  
-I'll bring horses.  
-That's not necessary. I'll escort her.

34

00:02:51,080 --> 00:02:52,520  
I do not need an escort.

35

00:02:52,600 --> 00:02:54,040  
A riding companion, then.

36

00:02:54,480 --> 00:02:55,800  
I'm sorry, we haven't met.

37

00:02:55,880 --> 00:02:57,080

[hisses]

38

00:02:57,560 --> 00:02:59,360  
[Nimue] Uh, Arthur, this is Kaze.

39

00:02:59,440 --> 00:03:03,080  
Look, everyone, I do not take  
this decision to go to Merlin lightly.

40

00:03:03,160 --> 00:03:04,360  
But it has been made.

41

00:03:04,440 --> 00:03:08,360  
Outsiders do not protect our clan members.

42

00:03:08,760 --> 00:03:10,760  
Let's let Nimue decide  
whether I'm an "outsider."

43

00:03:10,840 --> 00:03:12,960  
You're determined to make me choose.  
Is that it?

44

00:03:16,480 --> 00:03:17,360  
Very well.

45

00:03:17,960 --> 00:03:21,040  
Kaze, it appears I need an escort.

46

00:03:21,720 --> 00:03:23,120  
Will you accompany me?

47

00:03:23,200 --> 00:03:24,400  
I'll find us horses.

48

00:03:40,440 --> 00:03:42,080  
Oh, wait. I'll meet you.

49

00:03:48,080 --> 00:03:49,200  
Morgana?

50

00:03:51,520 --> 00:03:53,520  
I ride to Merlin now. I just wanted to--

51  
00:03:53,600 --> 00:03:54,960  
[Morgana] I'll go with you.

52  
00:03:56,280 --> 00:03:57,880  
But it... it's too soon.

53  
00:03:57,960 --> 00:03:59,000  
You need to rest.

54  
00:03:59,080 --> 00:04:00,000  
No.

55  
00:04:01,400 --> 00:04:03,680  
-I left her, and look what happened.  
-[sighs]

56  
00:04:04,880 --> 00:04:06,680  
It's all right. I'll ride with Kaze.

57  
00:04:06,760 --> 00:04:09,120  
If you order me to stay,  
I'll follow you anyway.

58  
00:04:09,200 --> 00:04:10,280  
I'll be safe.

59  
00:04:11,960 --> 00:04:14,040  
That's exactly what Celia said to me.

60  
00:04:16,920 --> 00:04:18,600  
I shouldn't have listened to her.

61  
00:04:18,680 --> 00:04:20,840  
-I should've stayed.  
-[mournful music plays]

62  
00:04:20,920 --> 00:04:23,440  
To face our enemies together  
and share her fate.

63

00:04:24,040 --> 00:04:27,480  
Our common responsibility are  
to the people in those caves.

64

00:04:28,880 --> 00:04:29,760  
They need you.

65

00:04:32,120 --> 00:04:33,920  
I want the best for the Fey clans.

66

00:04:34,560 --> 00:04:36,280  
And I want the war to end.

67

00:04:36,360 --> 00:04:38,080  
But I don't live for them anymore.

68

00:04:39,880 --> 00:04:40,880  
I live for...

69

00:04:43,040 --> 00:04:43,960  
For what?

70

00:04:46,160 --> 00:04:47,040  
I don't know.

71

00:04:54,680 --> 00:04:55,920  
Let's ride.

72

00:04:59,080 --> 00:05:00,760  
[adventure music plays]

73

00:05:28,080 --> 00:05:29,760  
[sentimental music plays]

74

00:05:41,560 --> 00:05:42,480  
A token.

75

00:05:43,480 --> 00:05:44,360  
[door opens]

76

00:05:44,440 --> 00:05:46,240  
[man] It was a challenging shot,  
Your Majesty.

77

00:05:46,320 --> 00:05:48,120  
That slope has cost me more  
than one dinner.

78

00:05:48,200 --> 00:05:50,240  
May we speak with our own counsel?

79

00:05:51,320 --> 00:05:52,320  
Your Majesty.

80

00:05:56,200 --> 00:05:57,240  
[door closes]

81

00:05:57,800 --> 00:05:59,120  
God, we hate the hunt.

82

00:06:01,680 --> 00:06:02,880  
And there you are,

83

00:06:04,160 --> 00:06:06,240  
your head still attached to your body.

84

00:06:08,000 --> 00:06:09,400  
Enjoying our mercy?

85

00:06:10,440 --> 00:06:11,640  
Indeed, Your Majesty.

86

00:06:12,640 --> 00:06:13,760  
Where are you off to?

87

00:06:14,120 --> 00:06:15,880  
I ride to claim your reward.

88

00:06:16,880 --> 00:06:20,480  
A request has been made that I come alone.  
I believe it shrewd to comply.

89

00:06:20,560 --> 00:06:24,360  
So, the Fey peasant girl may decide  
to bestow the sword upon us?

90

00:06:24,440 --> 00:06:25,880  
How fortunate we are.

91

00:06:25,960 --> 00:06:27,680  
She came upon it by accident.

92

00:06:28,440 --> 00:06:30,960  
But you have drawn the sword to you

93

00:06:31,040 --> 00:06:33,880  
by wit and by brute force.

94

00:06:34,360 --> 00:06:37,880  
You were even willing to sacrifice  
your closest adviser to get it.

95

00:06:38,680 --> 00:06:40,240  
It gave us no pleasure.

96

00:06:40,320 --> 00:06:41,680  
But to serve your subjects,

97

00:06:41,760 --> 00:06:44,080  
you ignored your feelings  
and did your duty.

98

00:06:44,160 --> 00:06:45,360  
All the more noble.

99

00:06:46,040 --> 00:06:47,920  
We could carry the cross of our Lord...

100

00:06:48,000 --> 00:06:51,040  
[grunts] ...Mother would still not  
describe us as "noble."

101

00:06:53,160 --> 00:06:54,560  
The mistake will be hers.

102  
00:07:03,760 --> 00:07:05,800  
-You're a good man, Uther.  
-[gasps]

103  
00:07:07,040 --> 00:07:09,360  
You're a good man  
who will become a good king.

104  
00:07:10,160 --> 00:07:11,920  
I want you to remember that.

105  
00:07:13,360 --> 00:07:17,120  
Because you'll never remind us again,  
we're sure of that.

106  
00:07:18,360 --> 00:07:19,480  
Have a safe journey.

107  
00:07:20,920 --> 00:07:23,640  
Bring us back legitimacy and victory.

108  
00:07:25,400 --> 00:07:26,680  
[tense music plays]

109  
00:07:26,760 --> 00:07:28,560  
You have given us hope, Merlin,

110  
00:07:29,080 --> 00:07:31,920  
that you have rediscovered  
your loyalty to the crown.

111  
00:07:38,400 --> 00:07:40,120  
[footsteps receding]

112  
00:07:41,360 --> 00:07:43,320  
[door opens, closes]

113  
00:07:46,240 --> 00:07:47,920  
[suspenseful music plays]

114  
00:07:56,120 --> 00:07:57,120  
[horse snorts]

115  
00:08:02,360 --> 00:08:03,520  
Well, my girl.

116  
00:08:15,040 --> 00:08:16,360  
Send the Widow my regards.

117  
00:08:16,760 --> 00:08:17,720  
[snorts]

118  
00:08:18,880 --> 00:08:21,920  
[queen regent] Merlin rides to meet  
with someone. Find out who...

119  
00:08:22,840 --> 00:08:24,560  
Send a raven when you're sure.

120  
00:08:31,600 --> 00:08:32,880  
[horse brays]

121  
00:08:40,200 --> 00:08:42,480  
-There's no more.  
-[man] That's it. No more food!

122  
00:08:42,560 --> 00:08:43,760  
That's the end of it.

123  
00:08:43,840 --> 00:08:44,960  
[angry muttering]

124  
00:08:45,720 --> 00:08:47,560  
By Grannus, I could eat a whole ox.

125  
00:08:47,640 --> 00:08:49,720  
Fits. 'Cause you got a face like a cow.

126  
00:08:49,800 --> 00:08:51,920  
That's my portion, Paryaat,

I've stood here for hours.

127

00:08:52,000 --> 00:08:54,000

What do I care?

Now go back to your mother before I--

128

00:08:54,080 --> 00:08:56,000

-Hand that back.

-I'll run you through, Man Blood!

129

00:08:56,080 --> 00:08:57,000

[groans]

130

00:08:57,080 --> 00:08:58,000

[Paryaat coughs]

131

00:08:58,320 --> 00:09:00,640

Living in close quarters  
means minding the line.

132

00:09:00,720 --> 00:09:01,720

Am I understood?

133

00:09:03,200 --> 00:09:04,320

Yes.

134

00:09:04,400 --> 00:09:05,640

All right.

135

00:09:09,240 --> 00:09:10,400

Leaving?

136

00:09:10,720 --> 00:09:12,800

Uh... I'm happy to share what's left.

137

00:09:13,800 --> 00:09:15,360

I'd rather hunt to eat, anyway.

138

00:09:16,840 --> 00:09:18,000

I... I... I'll walk with you.

139

00:09:20,880 --> 00:09:23,400  
That was, uh...  
that was quite the takedown.

140  
00:09:23,480 --> 00:09:24,680  
Mogwan's the name.

141  
00:09:25,440 --> 00:09:26,280  
Arthur.

142  
00:09:26,960 --> 00:09:28,200  
Hail, Arthur. [chuckles]

143  
00:09:28,280 --> 00:09:29,360  
Uh, may I...

144  
00:09:30,680 --> 00:09:33,000  
May I ask  
who taught you to fight that way?

145  
00:09:33,480 --> 00:09:36,000  
Uh, cutthroats.  
It was while they were robbing me.

146  
00:09:36,560 --> 00:09:38,800  
I thought it might have been  
a less formal technique.

147  
00:09:39,160 --> 00:09:40,280  
Would you teach me?

148  
00:09:41,360 --> 00:09:43,200  
I don't have time for that. Sorry.

149  
00:09:44,400 --> 00:09:46,400  
-You encouraged her to leave.  
-Excuse me?

150  
00:09:46,480 --> 00:09:49,560  
You encouraged her to ride alone  
into the woods to meet the Fey traitor.

00:09:49,640 --> 00:09:50,920  
[Arthur] I said I'd go with her.

152  
00:09:51,000 --> 00:09:53,440  
Maybe your sell-sword friends  
are lying in wait

153  
00:09:53,520 --> 00:09:55,720  
to have another go  
at stealing the blade she was carrying?

154  
00:09:55,800 --> 00:09:59,320  
No, but if you're curious about swords,  
I can give you a close look at one.

155  
00:10:00,200 --> 00:10:02,240  
No closer than I've already seen, thief.

156  
00:10:02,320 --> 00:10:03,200  
[man] Gawain.

157  
00:10:03,640 --> 00:10:04,920  
Crisis Council.

158  
00:10:11,240 --> 00:10:12,920  
[Cora] Our provisions are gone.

159  
00:10:13,000 --> 00:10:14,760  
We have no food for the children.

160  
00:10:14,840 --> 00:10:17,320  
The paladins have burned six more farms,

161  
00:10:17,400 --> 00:10:19,680  
including the two  
that supplied our milled flour.

162  
00:10:20,040 --> 00:10:22,280  
There's only one working mill left:

163  
00:10:22,360 --> 00:10:23,440  
Moycraig.

164

00:10:23,920 --> 00:10:25,360  
And one road to it.

165

00:10:25,800 --> 00:10:29,320  
A small convoy from Moycraig  
will bring food stores to us here,

166

00:10:29,400 --> 00:10:30,760  
but they will need a guide.

167

00:10:32,080 --> 00:10:36,040  
I'll meet the convoy. Alone.  
We can't risk attracting attention.

168

00:10:36,120 --> 00:10:37,280  
[Arthur] That's a mistake.

169

00:10:37,360 --> 00:10:41,120  
Anyone else wondering  
why that road is the only one still open?

170

00:10:41,520 --> 00:10:43,720  
Our gang used to shut down roads  
all the time

171

00:10:43,800 --> 00:10:45,680  
to funnel the mark down one we owned.

172

00:10:45,760 --> 00:10:48,320  
The Red Paladins are luring you here.

173

00:10:49,440 --> 00:10:52,720  
If you're going to take the bait,  
take the steel to protect yourself.

174

00:10:52,800 --> 00:10:54,800  
You'll need six men at least  
to defend yourselves.

175

00:10:55,640 --> 00:10:56,640  
I'll accompany you.

176

00:10:56,720 --> 00:10:58,640  
I don't ride with men I don't trust.

177

00:10:58,720 --> 00:11:02,680  
Man Blood bones snap too easily,  
and they eat more than their share,

178

00:11:02,760 --> 00:11:05,440  
but our fighters  
are spread too thin as it is.

179

00:11:05,800 --> 00:11:07,360  
You should take the help.

180

00:11:07,960 --> 00:11:09,080  
I can spare three.

181

00:11:11,280 --> 00:11:12,960  
Five of us still isn't enough.

182

00:11:14,040 --> 00:11:15,600  
This your second-in-command?

183

00:11:16,440 --> 00:11:17,320  
Mm.

184

00:11:17,920 --> 00:11:19,160  
Ah, he'll do just fine.

185

00:11:19,880 --> 00:11:20,720  
Me?

186

00:11:26,280 --> 00:11:28,440  
-[wind howling]  
-[mystical twinkling]

187

00:11:31,120 --> 00:11:32,440  
[horse brays]

188

00:11:32,520 --> 00:11:34,520

[adventure music plays]

189

00:11:59,280 --> 00:12:00,440  
[Kaze] Oh.

190

00:12:00,520 --> 00:12:02,800  
[horse pants, snorts]

191

00:12:03,480 --> 00:12:05,280  
-We'll escort you in.  
-[Nimue] No.

192

00:12:06,160 --> 00:12:07,440  
I want to meet him alone.

193

00:12:08,480 --> 00:12:10,680  
For my mother's sake, I will hear him out.

194

00:12:11,800 --> 00:12:14,080  
But the decision is not cast in stone.

195

00:12:14,160 --> 00:12:16,600  
He has to convince me  
that the Fey will be protected.

196

00:12:19,680 --> 00:12:20,800  
Any last advice?

197

00:12:21,920 --> 00:12:24,480  
The king himself must pledge  
to stop Carden's raids.

198

00:12:25,160 --> 00:12:26,280  
That's the price.

199

00:12:26,360 --> 00:12:28,320  
Uther must join us against the paladins

200

00:12:28,400 --> 00:12:29,640  
and the Weeping Monk.

201

00:12:30,720 --> 00:12:32,800  
Listen to the quiet voices inside.

202  
00:12:33,560 --> 00:12:34,920  
The Hidden will guide you.

203  
00:12:37,960 --> 00:12:39,000  
[sighs]

204  
00:12:41,680 --> 00:12:42,720  
[horse snorts]

205  
00:12:42,800 --> 00:12:44,560  
[suspenseful music plays]

206  
00:13:02,360 --> 00:13:03,360  
[wind howling]

207  
00:13:03,440 --> 00:13:04,440  
[Nimue] Hello?

208  
00:13:33,520 --> 00:13:35,440  
It's like looking at Lenore herself.

209  
00:13:40,320 --> 00:13:42,280  
I've been told there is a resemblance.

210  
00:13:48,320 --> 00:13:52,480  
I've had... so many questions running  
through my mind since we spoke, but...

211  
00:13:53,960 --> 00:13:56,720  
now that I'm here,  
I'm afraid I can't remember them.

212  
00:13:57,960 --> 00:13:59,440  
You brought the sword, I see.

213  
00:14:00,320 --> 00:14:01,560  
I bring it everywhere.

214

00:14:03,920 --> 00:14:05,080  
Did you love my mother?

215  
00:14:07,480 --> 00:14:08,440  
I did.

216  
00:14:09,240 --> 00:14:10,440  
Did she love you?

217  
00:14:11,600 --> 00:14:13,840  
I flatter myself that once she may have.

218  
00:14:16,240 --> 00:14:17,360  
When did you meet?

219  
00:14:19,240 --> 00:14:20,440  
Why did you part?

220  
00:14:20,960 --> 00:14:23,080  
And abandon me, your own child?

221  
00:14:23,160 --> 00:14:26,640  
Those stories are perhaps best saved  
for more peaceful times.

222  
00:14:26,720 --> 00:14:29,000  
Well, I'm not prepared to wait that long.

223  
00:14:29,080 --> 00:14:32,480  
Every second you hold that sword,  
the danger to your life increases.

224  
00:14:33,040 --> 00:14:35,320  
Pass it to me  
so we can spare you this threat.

225  
00:14:36,240 --> 00:14:38,240  
Then perhaps get to know each other a bit.

226  
00:14:38,320 --> 00:14:40,320  
You think I'd hand it to you  
just like that?

227

00:14:40,680 --> 00:14:43,840  
Between the armies of Pendragon  
and the paladins of Rome,

228

00:14:43,920 --> 00:14:45,920  
you will be snuffed like a candle flame.

229

00:14:48,760 --> 00:14:51,040  
Everyone I trust told me not to come here.

230

00:14:53,000 --> 00:14:54,600  
They said you were a deceiver

231

00:14:55,280 --> 00:14:56,280  
and a drunkard.

232

00:14:57,640 --> 00:15:00,720  
-I won't be pressured to giving it to you.  
-I'm trying to protect you from--

233

00:15:00,800 --> 00:15:02,720  
I've managed a lifetime  
without your protection.

234

00:15:03,520 --> 00:15:05,440  
Don't try and pretend you care now!

235

00:15:06,480 --> 00:15:07,480  
[indistinct whispering]

236

00:15:08,120 --> 00:15:09,240  
[Nimue draws sword]

237

00:15:09,320 --> 00:15:11,280  
-Who's there?  
-[indistinct whispering]

238

00:15:11,920 --> 00:15:13,160  
Who else is here with us?

239

00:15:14,720 --> 00:15:15,960  
Festa and Moreii.

240

00:15:16,560 --> 00:15:18,280  
Born of rival clans.

241

00:15:19,040 --> 00:15:20,400  
[voice whispers] Don't leave!

242

00:15:20,480 --> 00:15:22,680  
They hid in this castle long ago  
and drank hemlock

243

00:15:22,760 --> 00:15:24,440  
so they would never be separated.

244

00:15:25,360 --> 00:15:26,760  
[whispering continues]

245

00:15:26,840 --> 00:15:28,200  
It's their voices you hear.

246

00:15:29,120 --> 00:15:30,800  
-Take care.  
-[mystical twinkling]

247

00:15:32,480 --> 00:15:34,040  
I have voices of my own.

248

00:15:35,120 --> 00:15:36,960  
Now tell me how I came to be.

249

00:15:41,320 --> 00:15:42,960  
Why won't you give me answers?

250

00:15:44,280 --> 00:15:45,520  
Why did you leave me?

251

00:15:47,280 --> 00:15:49,120  
My answers will disappoint you.

252

00:15:50,000 --> 00:15:51,680  
I will disappoint you.

253

00:15:53,040 --> 00:15:55,120  
If you seek to earn my trust

254

00:15:55,200 --> 00:15:56,880  
and this sword,

255

00:15:56,960 --> 00:15:59,280  
you will tell me the truth  
about your history with my mother.

256

00:16:00,320 --> 00:16:02,640  
My words are inadequate to the task.

257

00:16:04,600 --> 00:16:07,840  
But I chose this place  
because Festa and Moreii, with our help,

258

00:16:07,920 --> 00:16:10,400  
can allow you to see the past  
with your own eyes.

259

00:16:10,960 --> 00:16:12,320  
I don't understand.

260

00:16:12,400 --> 00:16:13,400  
You will.

261

00:16:14,480 --> 00:16:15,400  
Come.

262

00:16:26,720 --> 00:16:28,200  
Green Knight, sir.

263

00:16:31,920 --> 00:16:33,000  
Do I know you, boy?

264

00:16:33,360 --> 00:16:34,520  
From when I was small.

265

00:16:35,560 --> 00:16:36,640  
In Dewdenn.

266

00:16:36,720 --> 00:16:37,600  
Who's your father?

267

00:16:37,960 --> 00:16:39,680  
-Gullayad, sir.  
-[chuckles]

268

00:16:40,760 --> 00:16:43,800  
Gully.  
He carried a bit of weight back then.

269

00:16:43,880 --> 00:16:45,600  
But he could hunt with a knife.

270

00:16:46,440 --> 00:16:48,920  
He's dead now, sir.

271

00:16:50,720 --> 00:16:53,240  
-You're the head of the family, then.  
-Yes.

272

00:16:54,000 --> 00:16:57,160  
And as I am accompanying you today  
to secure our food supply,

273

00:16:57,800 --> 00:17:01,000  
should I carry a sword or a spear?

274

00:17:02,960 --> 00:17:04,720  
You can carry whatever you like,

275

00:17:05,600 --> 00:17:07,760  
so long as you carry it  
back to the children's room.

276

00:17:09,480 --> 00:17:11,400  
I will see my kin avenged.

277

00:17:11,480 --> 00:17:12,400  
Maybe.

278

00:17:13,640 --> 00:17:14,720  
But not today.

279

00:17:27,880 --> 00:17:29,560  
[footsteps approaching]

280

00:17:31,640 --> 00:17:33,200  
[children chattering]

281

00:17:45,440 --> 00:17:46,720  
Is that your bow?

282

00:17:48,520 --> 00:17:49,520  
I'm holding it.

283

00:17:50,040 --> 00:17:51,120  
I'm whittling it.

284

00:17:51,200 --> 00:17:52,200  
It's in my hand.

285

00:17:52,280 --> 00:17:53,280  
What's your guess?

286

00:17:54,680 --> 00:17:55,800  
Show me how to use it.

287

00:17:56,160 --> 00:17:58,560  
I'd rather drown myself in sheep's blood.

288

00:18:00,040 --> 00:18:02,800  
Then I'll cut your throat in your sleep  
and steal it anyway.

289

00:18:04,320 --> 00:18:07,960  
Not before I chop your thumbs off  
and... drink blood from the stumps.

290

00:18:11,600 --> 00:18:12,600  
[sighs]

291  
00:18:17,720 --> 00:18:18,760  
You coming or not?

292  
00:18:28,680 --> 00:18:31,800  
They died on that bench...  
wrapped in each other's arms.

293  
00:18:32,800 --> 00:18:33,760  
Sit.

294  
00:18:35,520 --> 00:18:36,440  
Why?

295  
00:18:38,640 --> 00:18:41,640  
The spirits of Culzean  
can traverse the realms of the past.

296  
00:18:42,440 --> 00:18:43,640  
In this case, mine.

297  
00:18:44,960 --> 00:18:46,840  
I won't deceive you, Nimue.

298  
00:18:47,720 --> 00:18:48,800  
Now or ever.

299  
00:18:53,120 --> 00:18:54,840  
[suspenseful music plays]

300  
00:19:18,480 --> 00:19:19,640  
[Nimue] What do I do?

301  
00:19:20,920 --> 00:19:22,640  
The lovers will be drawn to these.

302  
00:19:23,040 --> 00:19:25,480  
This castle relic was a symbol  
of their love.

303  
00:19:28,800 --> 00:19:29,920  
Visions will come.

304  
00:19:30,000 --> 00:19:31,840  
[tapping beads] Don't fight them.

305  
00:19:36,160 --> 00:19:37,920  
-[whooshing]  
-[whispering]

306  
00:19:39,520 --> 00:19:41,640  
Don't be afraid, Nimue.  
[tapping beads]

307  
00:19:47,440 --> 00:19:50,240  
-[indistinct whispering]  
-[beads clinking]

308  
00:19:55,560 --> 00:19:56,480  
[gasps]

309  
00:19:57,000 --> 00:19:58,680  
[thrilling music plays]

310  
00:19:58,760 --> 00:19:59,600  
Merlin?

311  
00:20:10,440 --> 00:20:11,760  
[breathing heavily]

312  
00:20:25,720 --> 00:20:26,880  
[groans]

313  
00:20:26,960 --> 00:20:27,880  
[gasps]

314  
00:20:32,240 --> 00:20:33,720  
[wind howling]

315  
00:20:41,560 --> 00:20:43,360  
[Merlin breathing heavily]

316  
00:20:45,120 --> 00:20:45,960  
Pass.

317  
00:20:52,080 --> 00:20:53,040  
[Merlin groans]

318  
00:20:53,720 --> 00:20:54,560  
Who are you?

319  
00:20:56,920 --> 00:20:57,920  
What's the matter?

320  
00:20:58,000 --> 00:20:58,960  
No.

321  
00:20:59,400 --> 00:21:00,840  
Leave me to the gods.

322  
00:21:01,360 --> 00:21:02,320  
[sighs]

323  
00:21:03,240 --> 00:21:05,400  
You may die outside if you wish,

324  
00:21:05,480 --> 00:21:07,960  
but not in the house of the Hidden. Come.

325  
00:21:08,040 --> 00:21:10,760  
[strains, groans loudly]

326  
00:21:12,440 --> 00:21:14,040  
-[Merlin groans]  
-[water splashes]

327  
00:21:14,120 --> 00:21:15,200  
[gasps]

328  
00:21:16,440 --> 00:21:18,120  
-[Merlin groans]  
-[Lenore gasps]

329  
00:21:20,280 --> 00:21:21,960  
No. Let me be.

330  
00:21:22,400 --> 00:21:23,840  
I want to die.

331  
00:21:24,640 --> 00:21:25,720  
[groans]

332  
00:21:26,880 --> 00:21:28,640  
The spirit is not yours to extinguish.

333  
00:21:30,400 --> 00:21:31,880  
[groaning]

334  
00:21:31,960 --> 00:21:33,280  
[inhales sharply, groans]

335  
00:21:34,400 --> 00:21:35,440  
What is this?

336  
00:21:36,720 --> 00:21:37,640  
[Merlin gasps]

337  
00:21:38,320 --> 00:21:40,040  
[groans loudly]

338  
00:21:40,840 --> 00:21:42,640  
[panting]

339  
00:21:42,720 --> 00:21:45,200  
This... this object inside of you.

340  
00:21:46,480 --> 00:21:47,320  
What is it?

341  
00:21:47,400 --> 00:21:48,240  
[groans]

342

00:21:50,600 --> 00:21:51,840  
It has to be removed.

343  
00:21:52,400 --> 00:21:53,640  
[pained breathing]

344  
00:21:54,000 --> 00:21:56,720  
It is the source of poison  
that is killing you.

345  
00:21:57,800 --> 00:21:58,720  
Do you understand?

346  
00:21:59,080 --> 00:22:00,640  
You must not!

347  
00:22:02,120 --> 00:22:03,440  
[strangled breathing]

348  
00:22:06,560 --> 00:22:07,880  
[Lenore breathes heavily]

349  
00:22:20,920 --> 00:22:22,440  
[recites Fey incantation]

350  
00:22:25,160 --> 00:22:26,560  
[incantation continues]

351  
00:22:40,760 --> 00:22:43,120  
[suspenseful music plays]

352  
00:22:55,360 --> 00:22:56,400  
[speaking Fey]

353  
00:22:57,080 --> 00:22:58,320  
[speaking Fey]

354  
00:22:58,920 --> 00:23:00,920  
[continues speaking Fey]

355  
00:23:06,400 --> 00:23:08,040

[continues speaking Fey]

356

00:23:09,000 --> 00:23:10,760  
[breathing heavily]

357

00:23:12,880 --> 00:23:15,640  
[continues speaking Fey]

358

00:23:20,480 --> 00:23:21,560  
[exhales sharply]

359

00:23:26,680 --> 00:23:27,680  
[squelching]

360

00:23:29,240 --> 00:23:30,400  
[gasps]

361

00:23:31,480 --> 00:23:32,480  
[clattering]

362

00:23:40,320 --> 00:23:42,080  
[suspenseful music plays]

363

00:23:45,080 --> 00:23:46,200  
[Merlin groans]

364

00:23:48,960 --> 00:23:49,960  
[pained screaming]

365

00:23:50,680 --> 00:23:53,080  
[recites Fey incantation]

366

00:23:53,160 --> 00:23:55,840  
[Merlin screams in pain]

367

00:23:58,200 --> 00:24:00,120  
[incantation continues]

368

00:24:00,200 --> 00:24:01,840  
[Merlin screams]

369  
00:24:03,080 --> 00:24:05,080  
[incantation continues]

370  
00:24:09,200 --> 00:24:10,320  
[gasps]

371  
00:24:12,880 --> 00:24:13,960  
[mystical twinkling]

372  
00:24:17,840 --> 00:24:18,920  
[Lenore gasps]

373  
00:24:24,560 --> 00:24:27,000  
[Lenore, in English] You're here  
because you're running from someone.

374  
00:24:27,080 --> 00:24:29,000  
I'm always running from someone.

375  
00:24:31,160 --> 00:24:32,440  
I know who you are.

376  
00:24:34,200 --> 00:24:36,200  
I know you've advised kings.

377  
00:24:36,280 --> 00:24:38,560  
[Merlin] Every court requires  
a man like me.

378  
00:24:39,720 --> 00:24:41,320  
What kind of man is that?

379  
00:24:44,960 --> 00:24:47,720  
One skilled in dark magic  
and the art of war.

380  
00:24:48,080 --> 00:24:50,880  
Wars that always seem  
to land hardest on the Fey.

381  
00:24:51,560 --> 00:24:53,680

[Merlin] I have defended our people  
many times.

382

00:24:54,000 --> 00:24:57,280  
Not with swords, perhaps,  
but with whispers in darkened rooms.

383

00:24:57,360 --> 00:24:59,000  
Soft whispers, indeed.

384

00:25:00,560 --> 00:25:02,000  
The people here hate you.

385

00:25:02,840 --> 00:25:04,800  
If they found you, they would kill you.

386

00:25:07,000 --> 00:25:08,080  
I would die happy.

387

00:25:13,320 --> 00:25:14,760  
What were you like as a boy?

388

00:25:19,000 --> 00:25:20,000  
I, uh...

389

00:25:21,040 --> 00:25:22,040  
[chuckles]

390

00:25:23,960 --> 00:25:25,440  
I stayed close to my mother.

391

00:25:27,080 --> 00:25:28,280  
My father frightened me.

392

00:25:29,520 --> 00:25:32,160  
He was... adept in the sciences.

393

00:25:33,360 --> 00:25:34,920  
Intelligent but cruel.

394

00:25:38,000 --> 00:25:39,560

I loved my mother very much.

395

00:25:43,800 --> 00:25:45,120  
[tender music plays]

396

00:25:45,200 --> 00:25:47,360  
[Merlin] You put yourself at risk  
hiding me.

397

00:25:53,360 --> 00:25:55,000  
It is a risk worth taking.

398

00:26:16,480 --> 00:26:17,640  
[gasps]

399

00:26:17,720 --> 00:26:19,720  
[breathing shakily]

400

00:26:30,880 --> 00:26:32,440  
She harbored a fugitive?

401

00:26:34,120 --> 00:26:35,200  
My tidy mother,

402

00:26:35,960 --> 00:26:37,240  
who never broke a rule.

403

00:26:38,560 --> 00:26:40,840  
She had secret desires,  
and she acted on them.

404

00:26:43,240 --> 00:26:46,040  
I could have trusted her to know me  
so much more than I let her.

405

00:26:46,840 --> 00:26:49,000  
I'm sorry to report  
that life without Lenore

406

00:26:49,080 --> 00:26:50,440  
never felt quite complete.

407  
00:26:53,440 --> 00:26:54,920  
[chuckles, sniffles]

408  
00:26:55,000 --> 00:26:57,640  
You invite your daughter  
to this grand old castle

409  
00:26:57,720 --> 00:26:59,000  
and offer no fuss.

410  
00:27:00,960 --> 00:27:02,840  
No supper. [chuckles]

411  
00:27:03,240 --> 00:27:04,600  
Oh, gods, I, um...

412  
00:27:05,320 --> 00:27:06,160  
Uh...

413  
00:27:06,480 --> 00:27:08,200  
Uh, I... I... Uh...

414  
00:27:09,080 --> 00:27:10,800  
Wait here. No. I... Uh...

415  
00:27:10,880 --> 00:27:12,640  
Follow me. I'll go find something.

416  
00:27:17,680 --> 00:27:20,920  
My lips to Grannus's ears,  
that Viking soil can grow anything.

417  
00:27:21,000 --> 00:27:22,920  
Squash, turnips, beets.

418  
00:27:23,000 --> 00:27:24,840  
My Blathnat puts them in jars  
in the Fey manner.

419  
00:27:25,200 --> 00:27:28,920  
She'll put your whole winter in a jar.

We're gonna find a plot in the north.

420

00:27:29,000 --> 00:27:32,200  
Settle down,  
plant a flag with our family's crest.

421

00:27:32,280 --> 00:27:34,520  
-Your family doesn't have a crest.  
-Certainly it does.

422

00:27:34,880 --> 00:27:35,880  
I drew it.

423

00:27:35,960 --> 00:27:38,960  
It's a cave bear holding two salmon  
in its up-stretched claws.

424

00:27:39,040 --> 00:27:40,280  
[man] Bears can't hold salmon.

425

00:27:40,360 --> 00:27:42,760  
They don't have thumbs.  
You're a damn fool.

426

00:27:42,840 --> 00:27:44,720  
Who needs thumbs? Look.

427

00:27:44,800 --> 00:27:47,000  
[Gawain] Moycraig is  
just beyond this forest.

428

00:27:47,360 --> 00:27:48,240  
Finish up.

429

00:27:55,600 --> 00:27:58,040  
What was your most thrilling battle,  
Lord Arthur?

430

00:27:59,680 --> 00:28:00,680  
I'm not a lord.

431

00:28:00,760 --> 00:28:01,600

[chuckles]

432

00:28:01,960 --> 00:28:02,960  
Was it soldiery?

433

00:28:03,880 --> 00:28:05,400  
Paladin hard cases?

434

00:28:07,920 --> 00:28:10,760  
I was alone at Markham town square  
at night.

435

00:28:11,440 --> 00:28:12,560  
Awful place.

436

00:28:12,920 --> 00:28:13,960  
Full up with ale.

437

00:28:14,640 --> 00:28:15,800  
Four thieves jumped me.

438

00:28:16,920 --> 00:28:17,840  
They regretted it.

439

00:28:22,760 --> 00:28:26,560  
What of you, Green Knight?  
What was the battle that stayed with you?

440

00:28:30,480 --> 00:28:32,200  
In the first days of the struggle,

441

00:28:33,080 --> 00:28:35,440  
my best friend  
and I formed the first Fey Guard.

442

00:28:37,320 --> 00:28:38,960  
We waited well for the paladins.

443

00:28:39,480 --> 00:28:40,840  
Killed some while they ate.

444

00:28:41,880 --> 00:28:44,360  
Others while they pissed in the grass.

445  
00:28:44,440 --> 00:28:46,640  
One night,  
we crept into a paladin encampment

446  
00:28:46,720 --> 00:28:47,960  
and slit seven throats.

447  
00:28:48,040 --> 00:28:49,640  
[tense music plays]

448  
00:28:50,480 --> 00:28:51,320  
Oh.

449  
00:28:51,400 --> 00:28:53,800  
I crawled clear, hid in the trees,

450  
00:28:54,800 --> 00:28:56,800  
but then I saw they'd caught my friend.

451  
00:28:57,400 --> 00:28:59,360  
Had his arms strung up behind his back.

452  
00:28:59,880 --> 00:29:02,640  
Their leader, Carden, called out to me.

453  
00:29:02,720 --> 00:29:04,480  
Bade me surrender myself.

454  
00:29:04,960 --> 00:29:07,840  
How he knew that there were two of us,  
I still don't know.

455  
00:29:09,480 --> 00:29:10,760  
He held a torch

456  
00:29:11,640 --> 00:29:12,760  
to my brother's skin.

457

00:29:14,480 --> 00:29:15,760  
Took out one of his eyes.

458

00:29:19,320 --> 00:29:21,480  
Bade me reveal myself

459

00:29:22,680 --> 00:29:23,920  
in that beautiful,

460

00:29:25,080 --> 00:29:26,240  
low voice of his.

461

00:29:28,160 --> 00:29:31,560  
My brother screaming like a shorn sheep.

462

00:29:33,800 --> 00:29:34,800  
You surrendered?

463

00:29:36,040 --> 00:29:39,560  
I sat in that tree and watched  
while they tortured my brother to death.

464

00:29:40,560 --> 00:29:42,040  
Because if I had surrendered,

465

00:29:42,680 --> 00:29:45,640  
there would be two dead Fey Guard  
instead of one.

466

00:29:46,920 --> 00:29:50,640  
They kill prisoners, women, children.

467

00:29:55,840 --> 00:29:58,680  
A water snake has more soul  
than a human being.

468

00:30:00,360 --> 00:30:01,880  
So if you get the chance, boy,

469

00:30:03,600 --> 00:30:04,960  
kill as many as you can.

470  
00:30:07,760 --> 00:30:09,080  
[horse brays]

471  
00:30:26,720 --> 00:30:27,840  
[horse snorts]

472  
00:30:34,320 --> 00:30:35,320  
It's a paladin.

473  
00:30:35,400 --> 00:30:37,680  
A fat one with an eye missing  
and a battle-ax.

474  
00:30:37,760 --> 00:30:39,160  
And he's coming to kill you.

475  
00:30:39,960 --> 00:30:40,800  
Nock.

476  
00:30:43,840 --> 00:30:44,720  
Loose.

477  
00:30:45,920 --> 00:30:46,920  
[sighs]

478  
00:30:48,160 --> 00:30:49,160  
He's reached you.

479  
00:30:49,240 --> 00:30:50,720  
He's stabbed you in the guts.

480  
00:30:51,080 --> 00:30:52,840  
And now he's cutting your head off.

481  
00:30:54,240 --> 00:30:56,200  
Arms in the shape of a bloody cross,

482  
00:30:57,920 --> 00:30:59,680  
or you'll wind up nailed to one.

483

00:31:02,280 --> 00:31:03,280  
You think I'm harsh?

484

00:31:03,840 --> 00:31:05,120  
They cut my parents down.

485

00:31:06,200 --> 00:31:07,600  
Burned all my friends.

486

00:31:07,680 --> 00:31:08,960  
Where's your family?

487

00:31:09,520 --> 00:31:13,160  
The nuns told me my father  
strangled my mother after I was born.

488

00:31:14,200 --> 00:31:16,040  
He was angry I was not a boy.

489

00:31:18,320 --> 00:31:19,240  
Hand me an arrow.

490

00:31:22,920 --> 00:31:24,240  
But you liked your family.

491

00:31:25,040 --> 00:31:26,600  
Yes, I damn well liked them.

492

00:31:27,120 --> 00:31:28,480  
If I liked my family,

493

00:31:29,280 --> 00:31:32,720  
I wouldn't sleep until the blood  
of their killers ran into every river.

494

00:31:37,920 --> 00:31:39,160  
You keep practicing.

495

00:31:39,240 --> 00:31:40,360  
[ominous music plays]

496

00:31:40,440 --> 00:31:41,440  
I have to go.

497  
00:31:50,960 --> 00:31:52,280  
[rain pattering]

498  
00:31:54,080 --> 00:31:55,520  
[Merlin] A sad bounty.

499  
00:31:57,800 --> 00:31:58,800  
[Nimue] What?

500  
00:32:00,600 --> 00:32:03,960  
The great Merlin bested  
by a few dead trees.

501  
00:32:04,600 --> 00:32:06,040  
So it's magic you want to see?

502  
00:32:07,240 --> 00:32:08,120  
Why not?

503  
00:32:09,160 --> 00:32:11,240  
Tell me about your connection  
to the Hidden.

504  
00:32:11,600 --> 00:32:12,800  
It strikes when it will.

505  
00:32:12,880 --> 00:32:14,720  
That only means you need practice.

506  
00:32:16,400 --> 00:32:18,280  
Why don't you awaken that apple tree?

507  
00:32:19,360 --> 00:32:21,080  
I'm not in the mood for lessons.

508  
00:32:24,800 --> 00:32:27,680  
A gift like yours could make you  
a formidable sorceress.

509

00:32:28,760 --> 00:32:29,840  
But you fear it.

510

00:32:30,640 --> 00:32:31,760  
That makes you weak.

511

00:32:31,840 --> 00:32:33,200  
Lenore was the same.

512

00:32:34,000 --> 00:32:37,680  
She could have been a Shadow Lord,  
instead of a fancy midwife to peasants.

513

00:32:37,760 --> 00:32:41,080  
Speak ill of my mother again, old man,  
and you shall see dangerous magic.

514

00:32:41,160 --> 00:32:42,280  
[whispering]

515

00:32:48,360 --> 00:32:49,440  
[whispering]

516

00:32:49,880 --> 00:32:52,360  
Anger is your flint to the fire.

517

00:32:55,000 --> 00:32:56,000  
Very clever.

518

00:32:56,760 --> 00:32:58,880  
There are other ways to access the Hidden.

519

00:33:00,200 --> 00:33:03,680  
-Imagine the result you want.  
-I told you, I can't control it.

520

00:33:03,760 --> 00:33:06,200  
-I'm not asking you to control anything.  
-[sighs]

521

00:33:07,840 --> 00:33:09,120

Create an intention...

522

00:33:10,880 --> 00:33:13,240  
and then surrender that intention  
to the Hidden.

523

00:33:19,120 --> 00:33:20,080  
Go on.

524

00:33:29,080 --> 00:33:30,200  
[inhales deeply]

525

00:33:32,360 --> 00:33:35,080  
-[whooshing]  
-[slithering]

526

00:33:36,040 --> 00:33:37,760  
[indistinct whispering]

527

00:33:40,560 --> 00:33:41,960  
[mystical twinkling]

528

00:33:42,920 --> 00:33:44,360  
[ethereal music plays]

529

00:33:48,680 --> 00:33:49,680  
[exhales deeply]

530

00:33:52,160 --> 00:33:53,320  
[creaking]

531

00:33:55,400 --> 00:33:56,400  
[gasps]

532

00:34:00,840 --> 00:34:03,400  
It's never quite followed  
my suggestion before.

533

00:34:04,880 --> 00:34:06,600  
What trick of the mind helped you?

534

00:34:09,240 --> 00:34:10,880  
I thought about someone I love.

535  
00:34:14,200 --> 00:34:15,040  
Hmm.

536  
00:34:16,680 --> 00:34:18,400  
I'll have to remember that trick.

537  
00:34:35,680 --> 00:34:37,640  
This was a favorite of Mamun the Great.

538  
00:34:38,600 --> 00:34:40,440  
A keen mind but a simple palate.

539  
00:34:47,680 --> 00:34:48,560  
[chuckles]

540  
00:34:50,600 --> 00:34:51,720  
It's not terrible.

541  
00:34:52,840 --> 00:34:54,440  
I may find a use for you yet.

542  
00:34:55,640 --> 00:34:57,000  
[mystical twinkling]

543  
00:35:04,160 --> 00:35:05,480  
You covet it for yourself.

544  
00:35:06,560 --> 00:35:08,560  
I will never wield that sword again.

545  
00:35:09,840 --> 00:35:10,840  
Neither should you.

546  
00:35:13,320 --> 00:35:14,320  
It was your blade?

547  
00:35:16,520 --> 00:35:18,520  
I thought some enemy buried it in you.

548

00:35:18,600 --> 00:35:19,840  
They may as well have.

549

00:35:20,800 --> 00:35:21,840  
[inhales sharply]

550

00:35:24,160 --> 00:35:25,160  
Over time, Nimue,

551

00:35:25,640 --> 00:35:27,320  
your dependency will only grow.

552

00:35:27,400 --> 00:35:29,040  
And the power will change you.

553

00:35:29,680 --> 00:35:31,040  
As it changed me.

554

00:35:31,600 --> 00:35:34,120  
-It's a convenient warning.  
-Yet the truth all the same.

555

00:35:41,000 --> 00:35:43,280  
With this,  
I know any enemy can be defeated.

556

00:35:43,800 --> 00:35:47,120  
Every slash, every thrust,  
I'm certain will find blood.

557

00:35:48,320 --> 00:35:50,960  
Why would I give that up  
when I'm being hunted from all sides?

558

00:35:51,320 --> 00:35:53,080  
Because sword or no sword,

559

00:35:54,120 --> 00:35:56,600  
those enemies will eventually find  
and kill you.

560

00:35:57,520 --> 00:36:01,320  
Do not stand at the nexus of another war  
over that wretched weapon.

561

00:36:02,600 --> 00:36:04,920  
How does giving you the sword  
prevent that war?

562

00:36:08,960 --> 00:36:11,000  
You know me as Pendragon's counsel.

563

00:36:11,840 --> 00:36:13,320  
Well, that's not all I am.

564

00:36:14,240 --> 00:36:17,320  
Sharing the specifics of my plan for peace  
could endanger you.

565

00:36:20,040 --> 00:36:21,400  
Perhaps you could trust me.

566

00:36:25,120 --> 00:36:26,720  
I want to see more of the past.

567

00:36:27,440 --> 00:36:30,600  
Why didn't my mother tell me about the  
sword? What other secrets does it hold?

568

00:36:30,960 --> 00:36:33,440  
I don't think it will help you  
with your decision.

569

00:36:34,160 --> 00:36:35,680  
Then my decision is "no."

570

00:36:39,640 --> 00:36:41,240  
[suspenseful music plays]

571

00:36:57,080 --> 00:36:58,360  
[bead tapping echoes]

572

00:36:58,440 --> 00:36:59,880  
[mystical twinkling]

573  
00:37:04,480 --> 00:37:06,040  
[whooshing]

574  
00:37:06,120 --> 00:37:07,120  
[Merlin] Hmm.

575  
00:37:07,920 --> 00:37:09,160  
[Lenore gasps]

576  
00:37:11,560 --> 00:37:13,040  
[both pant, moan]

577  
00:37:13,120 --> 00:37:14,440  
No, thank you.

578  
00:37:15,520 --> 00:37:16,880  
No to this, please.

579  
00:37:17,400 --> 00:37:18,480  
[Lenore pants]

580  
00:37:19,920 --> 00:37:21,520  
[tender music plays]

581  
00:37:32,400 --> 00:37:33,240  
Look away.

582  
00:37:33,320 --> 00:37:34,840  
[both giggle]

583  
00:37:53,320 --> 00:37:54,320  
A token.

584  
00:37:57,040 --> 00:37:58,120  
[Lenore chuckles]

585  
00:38:04,760 --> 00:38:06,080  
Have you thought of marriage?

586  
00:38:09,800 --> 00:38:11,160  
I've been promised,

587  
00:38:12,320 --> 00:38:13,880  
if that's what you mean.

588  
00:38:16,240 --> 00:38:18,160  
It wasn't me that did the promising.

589  
00:38:23,040 --> 00:38:24,280  
Jonah is his name.

590  
00:38:28,280 --> 00:38:29,320  
You don't love him?

591  
00:38:32,760 --> 00:38:34,120  
You know that I don't.

592  
00:38:38,240 --> 00:38:40,160  
Make penance there, Jonah, there.

593  
00:38:44,000 --> 00:38:45,120  
Aye, girl.

594  
00:38:45,200 --> 00:38:46,040  
Yes?

595  
00:38:46,560 --> 00:38:48,080  
[man] Where are the offerings?

596  
00:38:48,760 --> 00:38:50,640  
A shrine should not be kept bare.

597  
00:38:50,720 --> 00:38:53,240  
You won't keep Jonah's house  
like you keep this temple.

598  
00:38:53,320 --> 00:38:56,040  
I keep the temple.  
The worshippers bring the offerings.

599  
00:38:56,400 --> 00:38:57,680  
[man] Excuses too?

600  
00:38:58,960 --> 00:39:00,560  
You have no dowry, girl.

601  
00:39:01,160 --> 00:39:03,240  
You offer my family nothing.

602  
00:39:03,600 --> 00:39:05,600  
I have not asked for anything.

603  
00:39:23,080 --> 00:39:27,120  
[recites incantation in magical language]

604  
00:39:40,120 --> 00:39:41,960  
[speaking magical language]

605  
00:39:42,920 --> 00:39:43,880  
[yells]

606  
00:39:48,800 --> 00:39:50,760  
[inhales sharply, attempts incantation]

607  
00:39:57,480 --> 00:40:00,400  
[muttering incantation]

608  
00:40:05,640 --> 00:40:06,880  
[muttering incantation]

609  
00:40:07,880 --> 00:40:09,320  
[speaks magical language]

610  
00:40:10,440 --> 00:40:11,880  
[breathing heavily]

611  
00:40:11,960 --> 00:40:14,720  
-[speaks magical language]  
-[tense music plays]

612

00:40:21,560 --> 00:40:22,560  
[groans]

613

00:40:35,840 --> 00:40:38,200  
-[Merlin, in English] Where is it?  
-[clattering]

614

00:40:39,000 --> 00:40:40,160  
Where is it?

615

00:40:43,640 --> 00:40:45,520  
What in Arawn's name are you doing?

616

00:40:46,200 --> 00:40:48,040  
-[Merlin] Where is it?  
-Where is what?

617

00:40:53,240 --> 00:40:55,360  
Did you take it for yourself  
or as an agent of another?

618

00:40:55,440 --> 00:40:58,560  
-Lower your voice in this holy place.  
-[yells] I want what you stole from me!

619

00:40:58,640 --> 00:41:00,800  
If you mean that cursed object  
I saved you from,

620

00:41:00,880 --> 00:41:02,720  
what would you have had me do?  
You were dying.

621

00:41:02,800 --> 00:41:04,400  
My magic has gone with it.

622

00:41:04,960 --> 00:41:06,320  
The core of my being.

623

00:41:06,400 --> 00:41:09,800  
It was the sword that corrupted you.  
It took you away from your core.

624

00:41:11,320 --> 00:41:12,320  
[groans]

625

00:41:12,680 --> 00:41:13,800  
Where is it, Lenore?

626

00:41:13,880 --> 00:41:16,200  
I will never return that monstrous thing  
to you. Never!

627

00:41:16,280 --> 00:41:19,160  
I destroyed it!  
Threw the pieces into the river!

628

00:41:20,720 --> 00:41:21,560  
You're lying!

629

00:41:21,640 --> 00:41:23,920  
Work your violence  
if you have the courage.

630

00:41:24,000 --> 00:41:26,000  
I will not fear you or any other man.

631

00:41:30,520 --> 00:41:31,760  
You hateful thing.

632

00:41:33,320 --> 00:41:34,640  
You've destroyed me too.

633

00:41:44,480 --> 00:41:45,640  
Dear gods.

634

00:42:08,720 --> 00:42:10,080  
[Lenore breathes heavily]

635

00:42:12,280 --> 00:42:14,320  
[metal clangs, mystical twinkling]

636

00:42:17,040 --> 00:42:18,640

[ominous music plays]

637

00:42:23,880 --> 00:42:25,640  
[screeching]

638

00:42:27,760 --> 00:42:30,160  
[echoing screams]

639

00:42:32,320 --> 00:42:33,360  
No!

640

00:42:34,000 --> 00:42:36,000  
[panting]

641

00:42:46,280 --> 00:42:47,680  
Leave this place.

642

00:42:49,280 --> 00:42:50,360  
Never return.

643

00:42:52,600 --> 00:42:53,920  
I will marry Jonah.

644

00:42:54,240 --> 00:42:57,440  
-[Merlin] Lenore, I spoke in haste--  
-[Lenore] If you love me...

645

00:42:58,200 --> 00:42:59,240  
I do.

646

00:43:00,640 --> 00:43:03,760  
...let this be the last time  
I see your face.

647

00:43:36,400 --> 00:43:38,200  
[breathes shakily]

648

00:43:44,320 --> 00:43:45,360  
[sobs]

649

00:43:46,760 --> 00:43:48,280

[gasps]

650

00:43:54,280 --> 00:43:55,160  
[Nimue] Merlin?

651

00:43:56,040 --> 00:43:57,160  
Merlin.

652

00:43:57,760 --> 00:43:58,960  
[slurs] No more.

653

00:44:02,160 --> 00:44:03,080  
[sighs]

654

00:44:05,840 --> 00:44:07,320  
[ghostly voices whispering]

655

00:44:09,160 --> 00:44:10,360  
[Merlin whimpers]

656

00:44:10,440 --> 00:44:12,440  
[ghostly voices whispering]

657

00:44:18,600 --> 00:44:20,640  
[ghostly voices whispering]

658

00:44:23,760 --> 00:44:25,760  
[ghostly voices continue whispering]

659

00:44:30,240 --> 00:44:31,960  
-[Merlin] No more.  
-[whispering]

660

00:44:34,280 --> 00:44:35,920  
[ghostly voices whispering]

661

00:44:38,040 --> 00:44:40,040  
[snarling, whimpering]

662

00:44:40,120 --> 00:44:41,640  
[ghostly voices whispering]

663  
00:44:50,840 --> 00:44:53,120  
Show me what he doesn't want me to see.

664  
00:44:53,560 --> 00:44:55,080  
[ghostly voices whispering]

665  
00:44:59,920 --> 00:45:02,040  
[ghostly voices continue whispering]

666  
00:45:08,440 --> 00:45:11,520  
-[rumbling]  
-[pained screaming]

667  
00:45:15,440 --> 00:45:16,800  
[screeching]

668  
00:45:17,760 --> 00:45:19,320  
[panicked screaming]

669  
00:45:20,640 --> 00:45:22,120  
[snarling]

670  
00:45:23,200 --> 00:45:24,360  
[yelling]

671  
00:45:26,960 --> 00:45:29,160  
-[pained screaming]  
-[baby crying]

672  
00:45:30,320 --> 00:45:31,760  
[woman screaming]

673  
00:45:35,560 --> 00:45:36,760  
[baby crying]

674  
00:45:37,440 --> 00:45:38,720  
No, please...

675  
00:45:47,920 --> 00:45:49,360  
[Merlin yells]

676  
00:45:50,520 --> 00:45:51,680  
No!

677  
00:45:51,760 --> 00:45:52,720  
[panting]

678  
00:45:54,080 --> 00:45:55,800  
[gasping]

679  
00:45:59,000 --> 00:46:00,280  
[breathing heavily]

680  
00:46:02,920 --> 00:46:04,040  
[gasping]

681  
00:46:04,760 --> 00:46:06,320  
[mystical twinkling]

682  
00:46:08,600 --> 00:46:10,600  
[Nimue pants]

683  
00:46:11,000 --> 00:46:12,000  
[Merlin] Nimue.

684  
00:46:17,240 --> 00:46:19,200  
-What have you done?  
-You're a murderer.

685  
00:46:19,680 --> 00:46:22,200  
I saw the mothers. I saw the executions.

686  
00:46:22,960 --> 00:46:24,520  
You killed innocents.

687  
00:46:24,960 --> 00:46:26,800  
You're steeped in blood.

688  
00:46:29,600 --> 00:46:31,280  
I've lived many lives.

689

00:46:33,720 --> 00:46:36,160  
Some contained terrible mistakes.

690

00:46:38,680 --> 00:46:39,680  
But tell me,

691

00:46:41,320 --> 00:46:44,200  
how many have died by your hands  
in these past weeks?

692

00:46:45,680 --> 00:46:46,760  
They were killers.

693

00:46:47,440 --> 00:46:49,320  
They burned everyone I knew.

694

00:46:49,680 --> 00:46:50,520  
See?

695

00:46:51,480 --> 00:46:53,440  
You're certain your cause is just.

696

00:46:55,200 --> 00:46:56,480  
So was I certain.

697

00:46:59,000 --> 00:47:01,320  
Revenge took ownership of me.

698

00:47:02,720 --> 00:47:04,080  
It'll do the same to you

699

00:47:04,600 --> 00:47:05,840  
because you're my kin.

700

00:47:06,560 --> 00:47:08,240  
[Nimue groans loudly]

701

00:47:10,160 --> 00:47:11,760  
I wish to the gods I wasn't!

702

00:47:11,840 --> 00:47:12,880  
[yells] But you are!

703  
00:47:12,960 --> 00:47:15,520  
[groans, pants]

704  
00:47:30,320 --> 00:47:31,520  
Let me destroy it.

705  
00:47:31,600 --> 00:47:33,400  
[breathes heavily] What?

706  
00:47:33,960 --> 00:47:36,160  
That's my true intention,  
if you must know.

707  
00:47:37,360 --> 00:47:41,320  
To melt it in the ancient Fey Fires  
where it can harm no one ever again.

708  
00:47:44,720 --> 00:47:47,440  
What of the Fey? What of my people?

709  
00:47:47,920 --> 00:47:50,680  
Lenore didn't tell you  
to save an entire race.

710  
00:47:51,120 --> 00:47:53,280  
She told you to bring the sword to me.

711  
00:47:53,360 --> 00:47:56,080  
She gambled that I had become  
a better man. And I have.

712  
00:47:57,040 --> 00:47:59,920  
I swear I'll do everything in my power  
to protect the Fey.

713  
00:48:01,880 --> 00:48:03,080  
You have my word.

714  
00:48:06,320 --> 00:48:08,120

Release this burden, my child.

715

00:48:09,640 --> 00:48:11,360  
[breathes shakily]

716

00:48:19,200 --> 00:48:20,160  
Kaze?

717

00:48:25,000 --> 00:48:26,560  
-[horse brays]  
-Well done, boy.

718

00:48:27,280 --> 00:48:30,440  
Bind the Fey girl, but do not kill her.

719

00:48:32,400 --> 00:48:34,080  
[horse whinnies]

720

00:48:34,160 --> 00:48:35,560  
[guards yell]

721

00:48:41,280 --> 00:48:42,320  
[horse brays]

722

00:48:44,520 --> 00:48:46,520  
[tense music plays]

723

00:48:56,400 --> 00:48:59,280  
Nimue. Nimue!  
Pendragon's soldiers are outside.

724

00:48:59,640 --> 00:49:00,840  
They've come for you.

725

00:49:02,920 --> 00:49:04,280  
-You have betrayed me?  
-No.

726

00:49:04,800 --> 00:49:06,840  
I must have been followed.  
I didn't call them here.

727

00:49:06,920 --> 00:49:08,080  
I swear to you, Nimue!

728

00:49:08,160 --> 00:49:10,800  
My mother's gamble failed.  
You're not a better man.

729

00:49:10,880 --> 00:49:11,720  
Nimue, please--

730

00:49:11,800 --> 00:49:14,240  
-You were the only family I had left.  
-I can still be!

731

00:49:14,320 --> 00:49:16,040  
What was it my mother said to you?

732

00:49:17,160 --> 00:49:19,320  
Let this be the last time I see your face.

733

00:49:21,520 --> 00:49:22,600  
Quick. This way.

734

00:49:25,800 --> 00:49:28,000  
[dramatic music plays]

735

00:49:33,480 --> 00:49:34,800  
[horse brays]

736

00:49:42,760 --> 00:49:44,640  
Ah, you thick-skulled oaf!

737

00:49:45,080 --> 00:49:47,200  
You've stolen the sword  
from your own king!

738

00:49:48,720 --> 00:49:51,320  
It was your task, magician, not mine.

739

00:49:52,320 --> 00:49:53,320  
Where is the witch?

740  
00:49:53,800 --> 00:49:54,800  
Gone.

741  
00:49:55,920 --> 00:49:56,920  
Ride ahead!

742  
00:49:57,600 --> 00:49:58,800  
Pick up her trail,

743  
00:49:59,320 --> 00:50:01,400  
if you mean to return home in one piece!

744  
00:50:01,480 --> 00:50:03,080  
[guard] Move out! Ya!

745  
00:50:03,160 --> 00:50:04,320  
Ya! Ya!

746  
00:50:06,280 --> 00:50:07,280  
Take him inside.

747  
00:50:09,120 --> 00:50:09,960  
Move!

748  
00:50:11,840 --> 00:50:12,880  
[Merlin groans]

749  
00:50:35,200 --> 00:50:36,640  
[Gawain] The mill is nearby.

750  
00:50:36,960 --> 00:50:40,040  
Dismount. We'll rest the horses here  
and continue on foot.

751  
00:50:40,480 --> 00:50:43,000  
I suggest we stay mounted  
with bows at the ready.

752  
00:50:44,200 --> 00:50:47,360  
You were not asked along

for your military expertise.

753

00:50:48,680 --> 00:50:50,000  
Dismount.

754

00:50:55,320 --> 00:50:56,480  
[horse snorts]

755

00:51:01,480 --> 00:51:03,560  
You won't listen to me because I'm human.

756

00:51:04,120 --> 00:51:06,080  
Or better to die purebred, is that it?

757

00:51:06,880 --> 00:51:07,720  
[Gawain] You.

758

00:51:08,840 --> 00:51:11,720  
You can come with us to the mill,  
or fetch water with him.

759

00:51:12,160 --> 00:51:13,240  
Which do you choose?

760

00:51:15,480 --> 00:51:16,320  
I...

761

00:51:20,680 --> 00:51:22,480  
I'll fetch water, sir.

762

00:51:34,400 --> 00:51:35,880  
You should have gone with them.

763

00:51:38,520 --> 00:51:40,040  
If it please you, Lord Arthur,

764

00:51:41,080 --> 00:51:43,160  
-I would like to be your squire.  
-[chuckles]

765

00:51:45,120 --> 00:51:46,600

You are a fool, aren't you?

766

00:51:47,160 --> 00:51:48,200  
I have no title.

767

00:51:48,280 --> 00:51:51,280  
I want to learn to fight well enough  
to help win back our land.

768

00:51:51,360 --> 00:51:53,440  
I could learn that from a Man Blood,  
couldn't I?

769

00:52:04,560 --> 00:52:06,040  
I'm ready for my first lesson.

770

00:52:07,560 --> 00:52:09,480  
Very well... squire.

771

00:52:09,560 --> 00:52:10,520  
[high-pitched squeal]

772

00:52:12,000 --> 00:52:15,000  
-[panting]  
-[ominous music plays]

773

00:52:15,080 --> 00:52:16,480  
[exhales shakily]

774

00:52:19,840 --> 00:52:21,440  
[breathing heavily]

775

00:52:23,520 --> 00:52:25,200  
[ominous music plays]

776

00:52:29,480 --> 00:52:31,480  
[ominous music plays]

777

00:53:50,000 --> 00:53:51,400  
[music ends]
