Hold that sword and lead.

173
00:13:39,080 --> 00:13:40,160
Lead them where?

174
00:13:40,840 --> 00:13:41,880
To more slaughter?

175
00:13:42,720 --> 00:13:44,240
There is no hope for the Fey.

176
00:13:44,320 --> 00:13:45,240
[squelching]

177
00:13:45,800 --> 00:13:47,160
This wretched thing belongs

178
00:13:47,240 --> 00:13:48,960
-at the bottom of a well!
-Nimue!

179
00:13:49,040 --> 00:13:51,040
[ominous music plays]

180

00:13:52,080 --> 00:13:53,720
[sword clatters on ground]

181
00:13:55,360 --> 00:13:57,160
[breathes deeply]

182
00:13:59,120 --> 00:14:01,240
What have you done?

183
00:14:04,000 --> 00:14:07,640
I don't know.
I was just seized with the impulse to...

184
00:14:08,920 --> 00:14:10,640
Gods, why did I do that?

185
00:14:10,720 --> 00:14:13,040
Well, now we can't leave the bloody sword.

186
00:14:13,120 --> 00:14:15,640
-I'll retrieve it.
-No. We have to stay together.

187
00:14:15,720 --> 00:14:19,040
Wait, you two retrace our steps.
Meet me back in that chamber.

188
00:14:20,880 --> 00:14:22,320
[breathes deeply]

189
00:14:23,280 --> 00:14:24,120
Here.

190
00:14:26,160 --> 00:14:28,440
Nimue,
everything is going to be all right.

191
00:14:42,680 --> 00:14:43,760
[scuttling]

192
00:14:45,200 --> 00:14:46,680
[ominous music plays]

193
00:14:51,440 --> 00:14:52,800
[eerie wind howls]

194
00:14:55,640 --> 00:14:56,840
[breathes shakily]

195
00:15:03,040 --> 00:15:04,040
[footsteps approach]

196
00:15:04,120 --> 00:15:06,240
[Red Spear] I've been caught
by a villager's ax.

197
00:15:06,320 --> 00:15:07,360
Stitch me up.

198
00:15:09,080 --> 00:15:10,240
Okay. Yep.

199
00:15:10,320 --> 00:15:11,320
[Pym] Uh...

200
00:15:12,320 --> 00:15:13,240
Uh...

201
00:15:14,000 --> 00:15:16,080
-Right there.
-[woman sighs]

202
00:15:22,760 --> 00:15:25,480
[Red Spear] Beggar's Coast,
it seems, is so named

203
00:15:25,560 --> 00:15:27,680
because none of them have
any bloody money!

204
00:15:28,080 --> 00:15:30,560
Prepare the crew for a long sail
to Black Chain.

205
00:15:31,600 --> 00:15:32,800
Uh...

206
00:15:32,880 --> 00:15:35,000
-[groans]
-Sorry! Sorry, sorry, sorry!

207
00:15:35,080 --> 00:15:37,760
It's just, um...
I'd quite like to find my friend,

208
00:15:37,840 --> 00:15:40,640
and I think she may still be
by Beggar's Coast.

209
00:15:40,720 --> 00:15:43,680
You mistake me for someone
who gives a flying shit!

210
00:15:44,920 --> 00:15:47,040
Why are you still here?

211
00:15:47,120 --> 00:15:48,160
Black Chain!

212
00:15:53,600 --> 00:15:55,360
[footsteps recede]

213
00:15:55,440 --> 00:15:56,520
[Pym] So,

214
00:15:57,200 --> 00:15:59,320
have you always been a raider?

215
00:15:59,400 --> 00:16:00,400
A raider?

216
00:16:01,480 --> 00:16:04,480
Don't you mean a thief?
Is that what you think I am?

217

00:16:04,560 --> 00:16:06,080
No. No, no, no. Not... Not...

218

00:16:06,160 --> 00:16:07,680
This is no raider ship.

219

00:16:08,080 --> 00:16:11,000
This is the blade

220

00:16:11,080 --> 00:16:14,440
that cuts out the heart
of Eydis the Snake!

221

00:16:14,800 --> 00:16:16,560
Eydis the Fair!

222

00:16:17,000 --> 00:16:21,000
The lying whore daughter
to Cumber the Ice King!

223

00:16:21,880 --> 00:16:24,080
[seething breaths]

224

00:16:25,440 --> 00:16:27,000
You try me, healer.

225

00:16:28,760 --> 00:16:31,640
And that isn't hard to do
when I can't find any bloody gold!

226

00:16:31,720 --> 00:16:33,400
[coins clatter to floor]

227

00:16:33,480 --> 00:16:35,920
Maybe you should try raiding
the Red Paladins.

228

00:16:36,000 --> 00:16:37,400
[Red Spear] You speak again?

229

00:16:39,040 --> 00:16:41,720
Well, you've been stealing

from the twice robbed.

230

00:16:41,800 --> 00:16:43,680
I mean, these towns,
they've already been sacked.

231

00:16:43,760 --> 00:16:45,200
By the Red Paladins.

232

00:16:46,040 --> 00:16:47,440
If it's gold you're after,

233

00:16:48,400 --> 00:16:49,880
strike their camps,

234

00:16:50,280 --> 00:16:51,640
got wagons full.

235

00:16:56,680 --> 00:16:58,440
[raiders yelling in distance]

236

00:17:06,160 --> 00:17:07,680
You're a shit healer.

237

00:17:14,680 --> 00:17:17,960
[Red Spear] Belay that order.
Stay on Beggar's Coast!

238

00:17:20,080 --> 00:17:21,680
-[horse brays]
-[paladin] Ya!

239

00:17:22,680 --> 00:17:24,680
[tense music plays]

240

00:17:24,760 --> 00:17:26,240
[horse grunts, snorts]

241

00:17:32,160 --> 00:17:33,920
-How is she?
-Yeah, she'll live.

242
00:17:34,000 --> 00:17:35,520
Away. Both of you.

243
00:17:37,240 --> 00:17:38,240
Are you healers?

244
00:17:39,040 --> 00:17:40,040
Well, I am.

245
00:17:42,120 --> 00:17:43,120
[bang, clattering]

246
00:17:44,000 --> 00:17:44,960
[shrieking]

247
00:17:45,040 --> 00:17:46,280
[woman whimpering]

248
00:17:48,360 --> 00:17:51,400
Boy, why am I looking at your face?

249
00:17:52,320 --> 00:17:54,000
Because I'm here to rescue you.

250
00:17:54,080 --> 00:17:55,920
I ordered you to stay back at camp.

251
00:17:56,000 --> 00:17:58,520
Today I shall kill paladins, my lord.

252
00:18:00,640 --> 00:18:02,880
Stay down here and out of trouble.

253
00:18:04,520 --> 00:18:06,480
Watch him and plug that damn hole.

254
00:18:12,800 --> 00:18:14,560
[grunts weakly]

255
00:18:18,760 --> 00:18:19,760

He's alive.

256
00:18:28,640 --> 00:18:29,840
[groans]

257
00:18:30,560 --> 00:18:31,840
[grunts weakly]

258
00:18:32,320 --> 00:18:33,400
[horse snorts, brays]

259
00:18:34,200 --> 00:18:35,400
[horse snorts]

260
00:18:39,960 --> 00:18:41,360
[horse brays]

261
00:18:47,520 --> 00:18:48,960
Bow. Give me a bow.

262
00:18:50,920 --> 00:18:52,520
[breathes sharply]

263
00:18:54,720 --> 00:18:56,480
[grunts, groans weakly]

264
00:18:57,920 --> 00:18:58,960
[strained breathing]

265
00:19:08,040 --> 00:19:09,440
[groans weakly]

266
00:19:18,120 --> 00:19:19,760
[Bergerum groans]

267
00:19:20,560 --> 00:19:22,960
-[groaning]
-Surrender the Green Knight...

268
00:19:23,040 --> 00:19:25,080
-[coughing]

-...we'll let the rest of you live.

269

00:19:26,840 --> 00:19:28,240
[Bergerum groans loudly]

270

00:19:28,640 --> 00:19:29,760
He's lying.

271

00:19:29,840 --> 00:19:31,400
[monk] Come, now, Green Knight,

272

00:19:32,640 --> 00:19:35,280
how many more will you make suffer
for your crimes?

273

00:19:36,800 --> 00:19:38,480
You see, I'm a patient man,

274

00:19:40,000 --> 00:19:41,640
and I'm willing to wait for you.

275

00:19:42,480 --> 00:19:44,480
But I will need to occupy my time.

276

00:19:44,560 --> 00:19:46,800
-[squelching]
-[pained screaming]

277

00:19:47,440 --> 00:19:49,120
[Bergerum groans loudly]

278

00:19:49,200 --> 00:19:51,240
[coughing, pained groaning]

279

00:19:51,320 --> 00:19:52,520
[groaning, coughing]

280

00:19:52,920 --> 00:19:54,680
[pained screaming]

281

00:19:55,040 --> 00:19:57,200

[Bergerum screams in pain]

282

00:20:00,280 --> 00:20:02,200
[pained screaming continues]

283

00:20:04,240 --> 00:20:05,400
Let me go.

284

00:20:05,480 --> 00:20:09,240
You said before, had you gone down there,
there'd be two dead Fey instead of one.

285

00:20:09,320 --> 00:20:10,160
I don't care.

286

00:20:10,880 --> 00:20:13,600
[monk] Let me explain how this works,
Green Knight,

287

00:20:14,880 --> 00:20:16,760
though I'm sure you can recall.

288

00:20:19,120 --> 00:20:20,640
To give you enough time,

289

00:20:22,320 --> 00:20:24,600
I'll slowly cut this fellow to pieces.

290

00:20:26,160 --> 00:20:27,280
[pained screaming]

291

00:20:28,480 --> 00:20:29,800
[pained screaming]

292

00:20:29,880 --> 00:20:32,120
[pained screaming]

293

00:20:32,640 --> 00:20:35,400
[Bergerum groans loudly, gasps for air]

294

00:20:36,520 --> 00:20:38,480

[pained screaming]

295

00:20:39,200 --> 00:20:41,160

I can at least take a few of them with me!

296

00:20:41,240 --> 00:20:44,160

Who would that save? Not Bergerum.
Not those poor souls downstairs.

297

00:20:44,240 --> 00:20:46,120

-I don't care!
-Then you're a fool!

298

00:20:46,200 --> 00:20:48,000

[Bergerum screams in pain]

299

00:20:48,080 --> 00:20:50,040

[Gawain] If you try to stop me again,

300

00:20:50,520 --> 00:20:51,760

I will kill you.

301

00:20:52,520 --> 00:20:54,200

[Bergerum gasps for air]

302

00:20:54,280 --> 00:20:55,720

[groans loudly]

303

00:20:57,280 --> 00:20:58,720

[Bergerum groans, coughs]

304

00:20:59,360 --> 00:21:00,600

[groans, coughs weakly]

305

00:21:02,480 --> 00:21:04,040

So, what now, Green Knight?

306

00:21:05,760 --> 00:21:07,320

Shall we untwist his stomach?

307

00:21:07,400 --> 00:21:09,520

[strained breathing]

308

00:21:12,640 --> 00:21:13,720
Yes?

309

00:21:13,800 --> 00:21:14,960
[monk] Is that a yes?

310

00:21:16,080 --> 00:21:18,000
[poignant music plays]

311

00:21:25,480 --> 00:21:26,520
[grunts quietly]

312

00:21:36,680 --> 00:21:38,600
[strained breathing]

313

00:21:39,480 --> 00:21:40,560
Take him.

314

00:21:41,080 --> 00:21:42,880
[weak groaning, strained breathing]

315

00:21:45,000 --> 00:21:45,920
[groans]

316

00:21:52,240 --> 00:21:54,040
-What have you done?
-[door closes]

317

00:21:55,560 --> 00:21:56,760
What had to be done.

318

00:22:08,760 --> 00:22:11,440
Honor Bergerum by saving lives,

319

00:22:12,440 --> 00:22:13,480
not wasting them.

320

00:22:27,840 --> 00:22:28,880
Ehh!

321
00:22:28,960 --> 00:22:29,880
[both laugh]

322
00:22:29,960 --> 00:22:30,920
[woman] Phillip.

323
00:22:31,680 --> 00:22:33,080
Can I have a look?

324
00:22:33,160 --> 00:22:34,480
No. Phillip!

325
00:22:35,640 --> 00:22:37,200
No more food.

326
00:22:39,440 --> 00:22:41,000
[man] You little rascal!

327
00:22:42,320 --> 00:22:44,000
[woman chuckles]

328
00:22:44,080 --> 00:22:45,720
Milady, you have a visitor.

329
00:22:47,160 --> 00:22:49,160
[man chatters indistinctly]

330
00:22:50,800 --> 00:22:52,480
[Phillip laughs]

331
00:22:54,320 --> 00:22:56,320
[distant chattering, laughter]

332
00:23:09,720 --> 00:23:10,720
Leave me.

333
00:23:18,720 --> 00:23:20,160
Your family seems well.

334

00:23:20,960 --> 00:23:21,960
They are.

335
00:23:22,560 --> 00:23:23,800
[distant laughter]

336
00:23:24,200 --> 00:23:26,720
[Merlin] Yours and their every need
has been tended to?

337
00:23:27,600 --> 00:23:30,080
Every one a peasant girl
could have thought to ask for.

338
00:23:30,160 --> 00:23:32,560
You acknowledge, then,
that I have kept my promises to you?

339
00:23:36,800 --> 00:23:39,120
The time has come
for you to keep your promise to me.

340
00:23:46,800 --> 00:23:48,360
[distant laughter]

341
00:23:49,720 --> 00:23:52,080
Can I host you for the night?

342
00:23:53,560 --> 00:23:54,720
Wine and pheasant?

343
00:23:57,440 --> 00:23:58,520
If I could just...

344
00:23:59,520 --> 00:24:01,600
spend one last evening with them?

345
00:24:01,960 --> 00:24:04,160
The fates of two kings
and thousands of lives

346
00:24:04,240 --> 00:24:06,360

hinge on our actions
in the next few hours.

347

00:24:06,920 --> 00:24:08,640
The hounds are at my heels.

348

00:24:09,480 --> 00:24:10,520
It must be now.

349

00:24:13,520 --> 00:24:14,680
Say your goodbyes.

350

00:24:18,480 --> 00:24:20,680
[poignant music plays]

351

00:24:25,840 --> 00:24:27,400
[distant laughter]

352

00:24:28,520 --> 00:24:30,880
-[Phillip laughs]
-Ooh-oh! Very good.

353

00:24:30,960 --> 00:24:32,680
[playful chattering]

354

00:24:36,280 --> 00:24:38,280
No. Let them play.

355

00:24:42,360 --> 00:24:44,240
[raider] Should've heard
the tonsured weasels!

356

00:24:44,320 --> 00:24:46,040
"The Pope will hear of this!"

357

00:24:46,520 --> 00:24:47,760
[raiders laugh]

358

00:24:48,480 --> 00:24:53,080
As your captain,
I declare open season on Red Paladins!

359
00:24:53,160 --> 00:24:54,920
[raiders roar approval]

360
00:24:55,000 --> 00:24:58,120
-[raider 2] Look at that!
-[raider 3] Thank you, clerics.

361
00:24:58,200 --> 00:24:59,680
[folk music plays]

362
00:24:59,760 --> 00:25:00,760
[raider 4] Yeah!

363
00:25:03,280 --> 00:25:04,800
[raider 4] For our captain!

364
00:25:04,880 --> 00:25:06,080
[raiders] Yeah!

365
00:25:10,640 --> 00:25:12,000
[raiders yell gleefully]

366
00:25:21,600 --> 00:25:23,160
[Morgana breathes heavily]

367
00:25:26,080 --> 00:25:27,880
-[mystical twinkling]
-[sighs]

368
00:25:29,480 --> 00:25:30,840
[ghostly voice] Morgana!

369
00:25:30,920 --> 00:25:31,960
[gasps]

370
00:25:36,400 --> 00:25:38,200
[breathes shakily]

371
00:25:38,880 --> 00:25:40,880
[ghostly whispering]

372
00:25:43,760 --> 00:25:45,080
[water sloshes]

373
00:25:47,440 --> 00:25:48,800
[breathes shakily]

374
00:25:51,200 --> 00:25:53,560
-[eerie whooshing]
-[ghostly voice] Morgana!

375
00:25:53,640 --> 00:25:54,760
[gasps]

376
00:25:57,200 --> 00:25:58,080
Kaze?

377
00:26:00,560 --> 00:26:02,560
[breathes shakily]

378
00:26:07,000 --> 00:26:08,560
[ominous music plays]

379
00:26:17,280 --> 00:26:18,400
Where is she?

380
00:26:19,040 --> 00:26:21,360
Morgana! Morgana!

381
00:26:21,440 --> 00:26:22,560
She will return here.

382
00:26:26,120 --> 00:26:27,240
She's my friend.

383
00:26:31,480 --> 00:26:34,360
She's one of many
that warned me against Merlin's treachery.

384
00:26:37,200 --> 00:26:38,080
Yeva...

385

00:26:39,000 --> 00:26:39,920
Gawain...

386

00:26:41,040 --> 00:26:42,840
[sighs] Everyone I trust.

387

00:26:44,800 --> 00:26:47,760
I had the sword.
I could have set all the terms.

388

00:26:49,520 --> 00:26:52,160
I could have forced him
to a place of my choosing,

389

00:26:52,240 --> 00:26:54,720
but instead, I went to him,
trusting, like a fool.

390

00:26:57,480 --> 00:26:58,480
Like a child.

391

00:26:59,960 --> 00:27:03,240
Merlin has made fools of kings,
popes, and Shadow Lords alike.

392

00:27:06,720 --> 00:27:08,280
None of them were his daughter.

393

00:27:11,920 --> 00:27:13,480
You are the daughter of Merlin?

394

00:27:14,200 --> 00:27:15,440
I wish it were not so.

395

00:27:17,080 --> 00:27:19,520
You must carry that secret to your grave.

396

00:27:19,600 --> 00:27:21,040
The Fey do not trust Merlin.

397

00:27:21,120 --> 00:27:23,480

Their faith in you cannot afford
to be shaken.

398

00:27:25,200 --> 00:27:26,960
What if that faith is misplaced?

399

00:27:35,520 --> 00:27:36,520
[Kaze] It is not.

400

00:27:39,040 --> 00:27:40,240
I still believe that.

401

00:27:44,160 --> 00:27:46,800
I'm not only Merlin's daughter,
I'm my mother's daughter.

402

00:27:47,160 --> 00:27:48,200
Unquestioning.

403

00:27:48,640 --> 00:27:49,600
Obedient.

404

00:27:49,680 --> 00:27:51,520
My mother thought
Merlin should have the sword,

405

00:27:51,600 --> 00:27:55,240
and so I ignored my eyes and guts
and just rode off to hand it to him.

406

00:28:00,000 --> 00:28:01,160
But instead,

407

00:28:02,160 --> 00:28:05,400
you gave it to the gray bats
at the bottom of this cursed cavern.

408

00:28:08,160 --> 00:28:11,440
I've counseled many leaders
from my own tribe and others.

409

00:28:12,400 --> 00:28:15,480

Those who do not doubt
are only pretending to lead.

410
00:28:16,120 --> 00:28:17,360
But I'm no king.

411
00:28:17,440 --> 00:28:18,480
Neither were they.

412
00:28:20,560 --> 00:28:22,600
My people are not led by kings.

413
00:28:23,320 --> 00:28:24,840
They are led by queens.

414
00:28:25,360 --> 00:28:27,080
[reverential music plays]

415
00:28:28,920 --> 00:28:30,880
Did these queens make mistakes?

416
00:28:33,400 --> 00:28:34,680
Not this bad.

417
00:28:37,280 --> 00:28:38,480
But you will learn.

418
00:28:45,120 --> 00:28:46,800
Maybe you will help teach me.

419
00:28:47,880 --> 00:28:48,880
We will see.

420
00:28:56,560 --> 00:28:57,560
[woman] Who's there?

421
00:28:58,160 --> 00:29:00,120
-Who is that?
-Stay back.

422
00:29:06,200 --> 00:29:07,160

Celia?

423

00:29:07,760 --> 00:29:08,800
[chuckles lightly]

424

00:29:10,080 --> 00:29:11,200
[gasps]

425

00:29:12,320 --> 00:29:13,480
-Oh!
-[Celia chuckles]

426

00:29:14,080 --> 00:29:16,040
It can't... It can't be.

427

00:29:16,440 --> 00:29:18,840
Don't press too roughly.
[chuckles lightly]

428

00:29:19,840 --> 00:29:21,240
Oh...

429

00:29:22,240 --> 00:29:23,200
Oh!

430

00:29:26,040 --> 00:29:28,440
-[breathes shakily] How can you be here?
-I...

431

00:29:28,840 --> 00:29:30,720
I barely escaped the fire.

432

00:29:31,320 --> 00:29:32,800
A few of us thought to hide down here.

433

00:29:32,880 --> 00:29:35,280
We remembered the place
from playing when we were young.

434

00:29:36,320 --> 00:29:38,240
I had given up, my love.

435

00:29:41,160 --> 00:29:43,280
[sniffles] Maybe the gods are merciful.

436

00:29:43,360 --> 00:29:44,440
[both chuckle]

437

00:29:45,000 --> 00:29:46,320
[Celia chuckles]

438

00:29:47,120 --> 00:29:48,280
[relieved sighing]

439

00:29:49,600 --> 00:29:51,320
[Morgana sniffles, sighs]

440

00:29:54,680 --> 00:29:56,360
[paladin] You've got to come out!

441

00:29:57,480 --> 00:29:59,120
[ominous music plays]

442

00:30:04,200 --> 00:30:05,480
[paladin] Burn it down!

443

00:30:08,680 --> 00:30:09,680
[man] Watch out!

444

00:30:12,240 --> 00:30:13,360
[paladin] Go!

445

00:30:14,360 --> 00:30:15,800
[breathes shakily]

446

00:30:15,880 --> 00:30:17,600
[arrows hit door]

447

00:30:17,680 --> 00:30:19,720
How many more of those arrows
do you think they have?

448

00:30:19,800 --> 00:30:21,480
As many as oil and cloth make.

449
00:30:21,880 --> 00:30:23,560
We'll burn before the sun sets.

450
00:30:27,440 --> 00:30:28,480
This place.

451
00:30:29,360 --> 00:30:30,640
I feel it studying me.

452
00:30:33,240 --> 00:30:34,680
Searching for weakness.

453
00:30:36,160 --> 00:30:37,360
Whatever is here,

454
00:30:38,320 --> 00:30:39,920
it senses your power.

455
00:30:42,040 --> 00:30:43,120
It fears you.

456
00:30:48,280 --> 00:30:52,040
[eerie whooshing, screeching]

457
00:30:52,120 --> 00:30:53,240
What about Morgana?

458
00:30:55,680 --> 00:30:57,480
No, you stay in this chamber.

459
00:30:58,520 --> 00:30:59,840
No, I'm not staying here.

460
00:30:59,920 --> 00:31:02,600
If you want to learn from me,
then listen first.

461
00:31:02,680 --> 00:31:05,400

This is the web of the Cailleach.
And she waits for us in the spiral.

462

00:31:05,480 --> 00:31:06,680
You're safer here.

463

00:31:07,560 --> 00:31:09,560
I will find Morgana and your sword.

464

00:31:22,040 --> 00:31:23,160
Do you remember Nimue?

465

00:31:24,480 --> 00:31:25,480
The Fey girl.

466

00:31:26,080 --> 00:31:27,840
They call her the Wolf-Blood Witch.

467

00:31:28,200 --> 00:31:29,960
She's rallying the tribes.

468

00:31:30,320 --> 00:31:32,760
I've made a vow
to support and protect her.

469

00:31:32,840 --> 00:31:34,080
[scoffs]

470

00:31:34,160 --> 00:31:37,320
You've always given yourself too fully
to the people you admire.

471

00:31:37,760 --> 00:31:38,840
Remember Sister Dawn?

472

00:31:40,080 --> 00:31:41,680
You stole jewels from the rectory

473

00:31:41,760 --> 00:31:44,160
because Sister Dawn said
God had sent her a dream

474
00:31:44,240 --> 00:31:47,000
that gems in her hand would protect us all
from the snowstorms.

475
00:31:47,080 --> 00:31:48,320
[both giggle]

476
00:31:50,920 --> 00:31:52,000
[Morgana giggles]

477
00:31:53,600 --> 00:31:55,960
Do you know who helped us
find each other again?

478
00:31:58,160 --> 00:31:59,280
It was the Cailleach.

479
00:32:01,440 --> 00:32:02,400
[Celia chuckles]

480
00:32:03,080 --> 00:32:04,440
Oh, I... I was afraid too.

481
00:32:04,520 --> 00:32:08,920
I thought the Cailleach was a monster,
but she saved me, Morgana.

482
00:32:09,440 --> 00:32:11,720
She brought me here to talk to you.

483
00:32:11,800 --> 00:32:12,800
I don't understand.

484
00:32:12,880 --> 00:32:14,400
She has a message for you.

485
00:32:16,520 --> 00:32:19,000
Your destiny is much greater
than you believe.

486
00:32:21,800 --> 00:32:24,720

See, you follow this one and that one
because you fear your own power.

487

00:32:24,800 --> 00:32:27,840
The Cailleach told me who would be
the greatest sorceress in Britannia.

488

00:32:28,280 --> 00:32:30,160
And it is not the Wolf-Blood Witch.

489

00:32:31,240 --> 00:32:33,040
It's you, Morgana.

490

00:32:34,080 --> 00:32:35,600
-You.
-I know nothing of magic.

491

00:32:35,680 --> 00:32:37,800
The Cailleach sees clearly
all that is to come.

492

00:32:37,880 --> 00:32:39,200
And soon, Morgana,

493

00:32:39,280 --> 00:32:41,640
you will decide
who holds the Sword of Power.

494

00:32:42,720 --> 00:32:43,960
How do you know this?

495

00:32:44,920 --> 00:32:47,240
How did you come to know the Cailleach?

496

00:32:48,080 --> 00:32:50,040
I have kept one secret from you.

497

00:32:51,040 --> 00:32:52,200
Promise not to be angry?

498

00:32:52,680 --> 00:32:53,720
Never, my love.

499

00:32:57,080 --> 00:32:58,800
I'm no longer among the living.

500

00:33:04,320 --> 00:33:05,560
Celia, you're scaring me.

501

00:33:05,640 --> 00:33:08,200
I speak to you only through the power
of the Cailleach.

502

00:33:08,760 --> 00:33:11,960
She bids you seek the dead man
who stands outside the Bell Tower.

503

00:33:12,360 --> 00:33:15,360
-I don't understand.
-Seek him, and you shall find him.

504

00:33:16,120 --> 00:33:18,040
Do this, Morgana,

505

00:33:18,120 --> 00:33:21,360
and she will lift you in power
above Nimue, above Merlin,

506

00:33:21,440 --> 00:33:23,760
above even the Shadow Lords themselves.

507

00:33:24,800 --> 00:33:25,800
[distant screeching]

508

00:33:27,120 --> 00:33:28,160
My darling.

509

00:33:32,680 --> 00:33:34,320
[distant screeching]

510

00:33:46,080 --> 00:33:48,400
[Morgana breathes shakily]

511

00:33:51,960 --> 00:33:53,040
It's all right.

512
00:33:53,560 --> 00:33:55,040
[eerie wind howls]

513
00:34:08,320 --> 00:34:09,280
[Kaze] Morgana!

514
00:34:10,760 --> 00:34:12,640
-When will I see you again?
-Do what is asked,

515
00:34:12,720 --> 00:34:16,120
and I swear on my allegiance to
the Cailleach, you'll see me again soon.

516
00:34:20,800 --> 00:34:22,760
[eerie whooshing]

517
00:34:23,680 --> 00:34:25,480
[mystical twinkling]

518
00:34:33,320 --> 00:34:34,960
[eerie wind howls]

519
00:34:45,920 --> 00:34:48,280
[tense music plays]

520
00:34:58,640 --> 00:34:59,520
[groans]

521
00:35:02,200 --> 00:35:03,360
[gasps]

522
00:35:08,880 --> 00:35:10,280
[distant laughter]

523
00:35:13,560 --> 00:35:14,960
[shrieking]

524

00:35:34,240 --> 00:35:35,280
[kisses]

525
00:35:43,360 --> 00:35:44,480
Arthur?

526
00:35:44,560 --> 00:35:45,400
Nimue.

527
00:35:46,520 --> 00:35:48,200
Milady, we have recovered your sword.

528
00:35:48,840 --> 00:35:50,080
It's time to go home.

529
00:35:50,680 --> 00:35:52,080
No. We're not going home.

530
00:35:52,640 --> 00:35:53,640
Not yet.

531
00:35:55,120 --> 00:35:57,120
[tense music plays]

532
00:36:00,800 --> 00:36:02,360
[fire crackles]

533
00:36:07,160 --> 00:36:08,480
[shrieking]

534

and wielded it like a sword.

715
00:49:07,560 --> 00:49:10,080
May Arawn pluck out my eyes
if it isn't true.

716
00:49:16,360 --> 00:49:17,560
Her. Her!

717

00:49:18,320 --> 00:49:19,240
This one.

718

00:49:20,280 --> 00:49:21,200
She saved us.

719

00:49:22,040 --> 00:49:23,240
She saved us all.

720

00:49:24,600 --> 00:49:25,840
She saved us all.

721

00:49:26,240 --> 00:49:27,080
Her.

722

00:49:27,680 --> 00:49:28,560
This one.

723

00:49:42,000 --> 00:49:44,800
Like you,
the Red Paladins took everything from me.

724

00:49:45,880 --> 00:49:47,000
My mother.

725

00:49:49,800 --> 00:49:51,000
Friends.

726

00:49:52,640 --> 00:49:53,680
My home.

727

00:49:55,560 --> 00:49:56,520
Everything.

728

00:49:58,000 --> 00:49:59,520
Everything but this.

729

00:50:00,400 --> 00:50:01,920
[mystical twinkling]

730

00:50:02,000 --> 00:50:04,000
[Fey folk murmur indistinctly]

731

00:50:05,440 --> 00:50:07,240
[rousing music plays]

732

00:50:08,760 --> 00:50:11,080
This is the sword of our people,

733

00:50:12,800 --> 00:50:15,400
forged in the Fey Fires
when the world was young.

734

00:50:15,840 --> 00:50:19,040
The kings of men have fought wars
to possess it,

735

00:50:19,120 --> 00:50:21,400
and the Church sought to destroy it,

736

00:50:22,600 --> 00:50:24,200
because within its blade

737

00:50:24,280 --> 00:50:27,880
lies the collective power
of our ancestors.

738

00:50:28,320 --> 00:50:29,280
-Ancestors!
-Power.

739

00:50:29,680 --> 00:50:30,680
Power!

740

00:50:32,160 --> 00:50:34,080
-This...
-[mystical twinkling]

741

00:50:34,560 --> 00:50:35,560
...is our courage,

742

00:50:36,600 --> 00:50:39,480
our light in all of this darkness,

743

00:50:40,360 --> 00:50:42,880
our hope in all of this despair.

744

00:50:43,360 --> 00:50:45,000
[rousing music intensifies]

745

00:50:45,760 --> 00:50:47,320
I will be your shield.

746

00:50:48,360 --> 00:50:50,800
And by the gods, I will be your sword.

747

00:50:50,880 --> 00:50:54,280
And I vow on this day
that the Fey will live free again!

748

00:50:54,360 --> 00:50:57,040
[exclamations of agreement]

749

00:50:57,400 --> 00:51:00,120
Some call this
the Sword of the First Kings.

750

00:51:06,880 --> 00:51:08,280
But I claim it...

751

00:51:09,120 --> 00:51:11,880
as the sword of the First Queen.

752

00:51:12,360 --> 00:51:13,360
The Fey Queen!

753

00:51:13,440 --> 00:51:15,600
Fey Queen!

754

00:51:15,680 --> 00:51:17,720
Fey Queen!

755

00:51:17,800 --> 00:51:19,400
Fey Queen!

756

00:51:19,480 --> 00:51:20,400
Fey Queen!

757

00:51:20,480 --> 00:51:21,720
The Fey Queen!

758

00:51:22,760 --> 00:51:24,400
The Fey Queen!

759

00:51:24,480 --> 00:51:26,320
-Fey Queen!
-The Fey Queen!

760

00:51:27,200 --> 00:51:28,720
The Fey Queen!

761

00:51:28,800 --> 00:51:29,960
The Fey Queen!

762

00:51:30,040 --> 00:51:31,440
The Fey Queen!

763

00:51:32,080 --> 00:51:33,440
The Fey Queen!

764

00:51:33,520 --> 00:51:34,880
The Fey Queen!

765

00:51:35,400 --> 00:51:37,960
[cheering]

766

00:51:40,800 --> 00:51:42,680
[cheering continues]

767

00:51:50,920 --> 00:51:52,200
The Fey Queen!

768

00:51:52,280 --> 00:51:54,080

[all] Fey Queen!

769
00:51:54,160 --> 00:51:55,320
Fey Queen!

770
00:51:55,400 --> 00:51:57,040
Fey Queen!

771
00:51:57,120 --> 00:51:58,400
Fey Queen!

772
00:51:58,480 --> 00:51:59,720
Fey Queen!

773
00:52:00,200 --> 00:52:01,520
Fey Queen!

774
00:52:01,600 --> 00:52:02,720
Fey Queen!

775
00:52:03,200 --> 00:52:04,400
Fey Queen!

776
00:52:04,480 --> 00:52:05,840
[monotonous] The Fey Queen.

777
00:52:07,240 --> 00:52:08,280
The Fey Queen.

778
00:52:20,480 --> 00:52:22,160
[ominous music plays]

779
00:52:26,600 --> 00:52:28,600
[eerie ethereal music plays]

780
00:53:47,600 --> 00:53:48,520
[music ends]
