1

00:00:06,000 --> 00:00:07,920
[ominous music plays]

2

00:00:53,080 --> 00:00:55,000
[monk] Send word to Father Carden.

3

00:00:56,760 --> 00:00:58,240
Tell him I've found the camp.

4

00:00:59,560 --> 00:01:00,560
Ride fast.

5

00:01:01,080 --> 00:01:02,400
Return with numbers. Go.

6

00:01:02,480 --> 00:01:03,880
[paladins] Yes, brother.

7

00:01:07,040 --> 00:01:08,640
[horses bray]

8

00:01:12,760 --> 00:01:15,200
[eerie ethereal music plays]

9

00:02:14,600 --> 00:02:16,320
Why wasn't I told about this?

10

00:02:16,400 --> 00:02:18,240
I thought it was your idea.

11

00:02:19,120 --> 00:02:21,360
They rode all night from Rue Gorge.

12

00:02:22,240 --> 00:02:23,240
In his condition?

13

00:02:23,320 --> 00:02:25,680
[Gawain] I do not like
him bringing outsiders here.

14

00:02:30,320 --> 00:02:31,200
Nimue.

15
00:02:32,520 --> 00:02:33,480
This is Druna.

16
00:02:35,440 --> 00:02:36,480
Druna's a smuggler.

17
00:02:37,160 --> 00:02:38,360
A pretty queen.

18
00:02:38,440 --> 00:02:39,720
[Arthur] Silks, spices,

19
00:02:40,680 --> 00:02:43,080
-and people.
-[Druna] There are three ships.

20
00:02:43,600 --> 00:02:45,040
Arrive in maybe six days.

21
00:02:46,320 --> 00:02:47,480
I can move your people.

22
00:02:47,560 --> 00:02:48,680
[Arthur] To Byzantium.

23
00:02:48,760 --> 00:02:51,880
What about the Fey still in hiding?
The other villages? We can't run now.

24
00:02:51,960 --> 00:02:53,200
We can't feed who we have.

25
00:02:53,760 --> 00:02:56,800
You have the sword.
We have seen what you can do with it.

26
00:02:56,880 --> 00:02:59,360
[Nimue] And it left me weakened, drained.

27

00:03:00,000 --> 00:03:01,480
My power has limits.

28

00:03:01,560 --> 00:03:05,080
[Arthur] There are Fey of ten clans here.
Think of what we could save.

29

00:03:05,160 --> 00:03:07,120
Their cultures. Languages.

30

00:03:08,000 --> 00:03:09,080
You could start over.

31

00:03:12,680 --> 00:03:14,040
We have no gold to pay you.

32

00:03:14,680 --> 00:03:16,600
[Druna]
The Red Paladins are thieves and liars.

33

00:03:16,680 --> 00:03:20,120
They play pure,
then they take bribes and steal my cargo.

34

00:03:21,160 --> 00:03:22,360
I'm happy to hurt them.

35

00:03:24,880 --> 00:03:25,960
You said six days?

36

00:03:26,320 --> 00:03:27,800
You are not considering this?

37

00:03:28,480 --> 00:03:30,440
I promised them I would protect them.

38

00:03:31,640 --> 00:03:33,000
I have to consider this.

39

00:03:34,480 --> 00:03:36,560
[tense music plays]

40
00:03:38,320 --> 00:03:39,840
[gasping breaths]

41
00:03:42,000 --> 00:03:43,160
[grunts]

42
00:03:45,520 --> 00:03:47,520
[Cora] There are still survivors
out there.

43
00:03:47,600 --> 00:03:49,320
Villages that need our protection.

44
00:03:49,400 --> 00:03:50,440
[Nimue] Cora, I know.

45
00:03:50,520 --> 00:03:52,680
But as it is,
we can't even feed who we have.

46
00:03:52,760 --> 00:03:54,440
Why are we to trust him?

47
00:03:56,040 --> 00:03:57,400
Because he's earned it.

48
00:03:58,160 --> 00:03:59,000
In blood.

49
00:04:00,400 --> 00:04:01,760
[girl] They're coming!

50
00:04:01,840 --> 00:04:03,440
-[Nimue] Who is?
-The Weeping Monk.

51
00:04:03,520 --> 00:04:05,440
Red Paladins. I don't know how many.

52
00:04:05,520 --> 00:04:06,720

They know where we are.

53

00:04:06,800 --> 00:04:09,080

-How far?

-A day's hike.

54

00:04:09,440 --> 00:04:12,080

-Maybe sooner.

-We need to fortify our defenses.

55

00:04:12,160 --> 00:04:13,160

Fortify our...

56

00:04:13,240 --> 00:04:14,320

We can't stay here.

57

00:04:14,400 --> 00:04:16,920

-They'll smoke us out like rats.

-Can the ships come any sooner?

58

00:04:17,680 --> 00:04:19,360

They'll take longer, if anything.

59

00:04:19,800 --> 00:04:21,880

So we need at least six days' shelter.

60

00:04:21,960 --> 00:04:23,240

I need maps here!

61

00:04:25,320 --> 00:04:28,240

The first city beyond Moycraig...

62

00:04:28,680 --> 00:04:29,520

is Gramaire.

63

00:04:30,280 --> 00:04:31,560

Would your uncle help us?

64

00:04:31,640 --> 00:04:33,360

[scoffs] Not in the best of times.

65

00:04:33,800 --> 00:04:36,880
Besides, I was told that the Red Paladins
have taken Gramaire.

66
00:04:37,440 --> 00:04:39,040
-[Nimue] And your uncle?
-Let him rot.

67
00:04:39,560 --> 00:04:41,440
[Nimue] As long as
the paladins occupy Gramaire,

68
00:04:41,520 --> 00:04:44,600
they have endless food and supplies
to wage war on us in the hills.

69
00:04:44,960 --> 00:04:46,240
We'll never survive.

70
00:04:47,480 --> 00:04:50,120
So... we take it back.

71
00:04:50,480 --> 00:04:51,520
Take what back?

72
00:04:52,040 --> 00:04:53,160
Take Gramaire?

73
00:04:53,240 --> 00:04:55,000
Even a holding force, we'd be outnumbered.

74
00:04:55,080 --> 00:04:56,360
Four, five to one.

75
00:04:56,440 --> 00:04:58,840
An hour ago,
you were ready to take on the king's army.

76
00:04:59,200 --> 00:05:00,440
Yes, but this--

77
00:05:00,520 --> 00:05:02,720

We are out of food and space.

78

00:05:03,200 --> 00:05:04,560
Now we're out of time.

79

00:05:06,160 --> 00:05:08,480
We would only have to keep it
for six days.

80

00:05:09,760 --> 00:05:11,000
Time to rest.

81

00:05:11,440 --> 00:05:12,480
Recover.

82

00:05:12,560 --> 00:05:13,520
Resupply.

83

00:05:15,480 --> 00:05:18,000
Look, this is our only chance at survival.

84

00:05:18,840 --> 00:05:21,280
-They won't dare suspect it.
-[Gawain] Because...

85

00:05:22,480 --> 00:05:23,840
well, it's bloody mad.

86

00:05:24,280 --> 00:05:26,120
Have you thought about how to do this?

87

00:05:28,160 --> 00:05:29,720
They want the Wolf-Blood Witch.

88

00:05:32,320 --> 00:05:33,720
So let's give her to them.

89

00:05:38,280 --> 00:05:41,080
[Eydis] You have heard the truth
from Lady Cacher,

90

00:05:41,160 --> 00:05:43,320
the midwife who delivered the dead heir

91

00:05:43,400 --> 00:05:45,920
and paid in gold for the false king.

92

00:05:46,720 --> 00:05:48,240
Uther Pendragon

93

00:05:48,800 --> 00:05:51,400
is a fraud and a liar!

94

00:05:51,840 --> 00:05:53,360
Spread her words.

95

00:05:54,000 --> 00:05:57,200
Every man, woman, and child

96

00:05:57,280 --> 00:06:01,120
should know the rot
that lords on over from on high!

97

00:06:01,200 --> 00:06:02,080
False king!

98

00:06:02,160 --> 00:06:03,520
[man 2] Usurper!

99

00:06:03,600 --> 00:06:05,680
[exclamations of agreement]

100

00:06:06,320 --> 00:06:07,640
[man 3] False king!

101

00:06:09,880 --> 00:06:13,200
-[indistinct chattering]
-[Merlin] Cacher's testimony is spreading.

102

00:06:13,920 --> 00:06:15,800
Soon the militias will turn your way,

103

00:06:15,880 --> 00:06:18,480
softening the soil
all the way to Castle Pendragon.

104
00:06:19,280 --> 00:06:20,720
The midwife serves you well.

105
00:06:20,800 --> 00:06:21,760
She does.

106
00:06:22,760 --> 00:06:24,000
Now, what does she cost?

107
00:06:24,680 --> 00:06:26,240
The safety of one Fey girl.

108
00:06:26,840 --> 00:06:27,720
That's it?

109
00:06:29,480 --> 00:06:30,480
That's it.

110
00:06:31,280 --> 00:06:33,040
Does this girl have a name?

111
00:06:33,880 --> 00:06:34,760
Nimue.

112
00:06:35,320 --> 00:06:36,280
Mm.

113
00:06:39,920 --> 00:06:41,280
What is she to you, Druid?

114
00:06:41,360 --> 00:06:42,280
To me?

115
00:06:43,280 --> 00:06:44,280
Not very much.

116
00:06:46,760 --> 00:06:48,120

It would be a promise kept.

117

00:06:48,480 --> 00:06:52,120
For a moment, I thought the dreaded Merlin
had a human heart after all.

118

00:06:52,200 --> 00:06:53,200
Don't you worry.

119

00:06:54,280 --> 00:06:55,760
I will consider your request.

120

00:06:55,840 --> 00:06:57,520
But for now, how's your appetite?

121

00:06:57,600 --> 00:06:59,640
I hear northern venison is superb.

122

00:07:01,240 --> 00:07:02,640
Watch him carefully, brother.

123

00:07:02,720 --> 00:07:03,840
What are they doing here?

124

00:07:05,080 --> 00:07:06,560
We have a guest from the south.

125

00:07:07,760 --> 00:07:09,960
I think we will all have much to discuss.

126

00:07:11,000 --> 00:07:11,840
Come.

127

00:07:24,200 --> 00:07:26,320
So, let us feast.

128

00:07:28,960 --> 00:07:30,560
[crows caw loudly]

129

00:07:35,920 --> 00:07:37,120
[door slams closed]

130
00:07:38,280 --> 00:07:41,000
Prior to your interference,

131
00:07:41,400 --> 00:07:43,240
we had Merlin in check,

132
00:07:43,320 --> 00:07:46,000
the Sword of Power within our grasp,

133
00:07:46,080 --> 00:07:48,080
and now we have neither.

134
00:07:49,040 --> 00:07:50,280
Only this...

135
00:07:51,160 --> 00:07:52,800
nonsense... [chuckles]

136
00:07:52,880 --> 00:07:55,440
...of midwives and usurpers.

137
00:07:56,600 --> 00:07:58,720
There are mobs chanting this.

138
00:07:59,800 --> 00:08:03,800
Tell us this is just
one of Merlin's foolish parlor tricks.

139
00:08:08,360 --> 00:08:09,320
Tell us!

140
00:08:12,760 --> 00:08:14,600
I was never meant to raise children.

141
00:08:15,920 --> 00:08:16,920
You see,

142
00:08:17,280 --> 00:08:18,680
I was meant to rule.

143

00:08:19,360 --> 00:08:20,920
That was my talent.

144

00:08:21,560 --> 00:08:23,880
Queen Mother to all my subjects.

145

00:08:25,120 --> 00:08:28,360
But in this pathetic world of men
with their foolish bloodlines

146

00:08:28,440 --> 00:08:30,640
and antiquated rules,
that wasn't meant to be.

147

00:08:30,720 --> 00:08:33,160
I was relegated to make you king.

148

00:08:33,240 --> 00:08:36,000
And it would seem I've failed
in that one simple task.

149

00:08:36,080 --> 00:08:38,040
-Mother--
-But I'm not, you see.

150

00:08:40,000 --> 00:08:42,080
I am not your mother, Uther.

151

00:08:43,320 --> 00:08:44,320
I assure you,

152

00:08:44,760 --> 00:08:45,800
my true son

153

00:08:46,360 --> 00:08:48,160
would be made of finer steel.

154

00:08:49,560 --> 00:08:51,160
You are not the true king.

155

00:08:52,600 --> 00:08:53,800

I bought you.

156

00:08:55,080 --> 00:08:56,560

I claimed you as my own.

157

00:08:57,600 --> 00:09:00,360

I placed you on the seat of power.

158

00:09:04,280 --> 00:09:05,280

You have...

159

00:09:06,160 --> 00:09:07,160

ruined us.

160

00:09:08,880 --> 00:09:10,520

[Uther sobs gently]

161

00:09:13,080 --> 00:09:14,920

I may not be your mother, Uther,

162

00:09:15,720 --> 00:09:17,800

but I shall always be the Queen Mother.

163

00:09:17,880 --> 00:09:20,360

Now, you will do exactly as I say,

164

00:09:20,440 --> 00:09:23,400

and you will forge alliances
as I instruct,

165

00:09:23,480 --> 00:09:25,920

and only then will you weather this storm.

166

00:09:30,240 --> 00:09:31,360

Tear us down,

167

00:09:32,440 --> 00:09:33,720

and you will suffer

168

00:09:34,240 --> 00:09:35,480

as we suffer.

169

00:09:36,400 --> 00:09:38,000
I do not wish to be your enemy.

170

00:09:39,400 --> 00:09:40,640
Nor do I fear it.

171

00:09:48,800 --> 00:09:51,280
[Carden] My paladins cleansed these lands.

172

00:09:52,920 --> 00:09:55,640
I bring them to you as an offering.

173

00:09:57,640 --> 00:09:59,800
[Cumber coughs, laughs]

174

00:10:01,400 --> 00:10:03,520
[clicks tongue] Is this how it works here?

175

00:10:03,600 --> 00:10:06,000
The Church tells kings
which lands they own

176

00:10:06,080 --> 00:10:07,120
and what to do with them?

177

00:10:07,480 --> 00:10:09,640
A king guided by Rome

178

00:10:10,440 --> 00:10:12,120
has the power of God behind them.

179

00:10:13,040 --> 00:10:16,720
A king guided by Fey wisdom
as offered by a Druid

180

00:10:17,680 --> 00:10:19,200
suffers the fate of Uther.

181

00:10:21,680 --> 00:10:22,680
Now, I've got it.

182

00:10:24,040 --> 00:10:25,080
Your accent.

183

00:10:25,960 --> 00:10:28,800
That's the town of Dunrow talking,
isn't it, Carden?

184

00:10:31,280 --> 00:10:32,440
You have a good ear.

185

00:10:32,520 --> 00:10:33,440
[Merlin] Mm.

186

00:10:34,560 --> 00:10:37,040
Not exactly known for its bishops,
though, is it?

187

00:10:37,120 --> 00:10:38,200
Dunrow?

188

00:10:38,280 --> 00:10:40,320
I assume your father worked the mines?

189

00:10:40,400 --> 00:10:42,240
And his father before him.

190

00:10:43,360 --> 00:10:44,760
I had a different call.

191

00:10:44,840 --> 00:10:46,640
[chuckling] Ah! Get off it, Carden.

192

00:10:48,040 --> 00:10:49,720
You didn't see God in the Church.

193

00:10:50,240 --> 00:10:53,120
You saw an exit from that nothing town
you crawled out of.

194

00:10:54,280 --> 00:10:55,400

The clergy took you,

195

00:10:56,360 --> 00:10:57,640
but the Pope didn't.

196

00:10:58,160 --> 00:10:59,720
You couldn't buy your way in,

197

00:10:59,800 --> 00:11:02,840
so now you offer blood and ash.

198

00:11:03,240 --> 00:11:06,280
Your paladins have grown
and are feared throughout this land.

199

00:11:07,400 --> 00:11:09,960
And yet you remain here, instead of Rome.

200

00:11:10,040 --> 00:11:11,600
There speaks a man...

201

00:11:12,880 --> 00:11:14,840
with neither faith nor country.

202

00:11:15,800 --> 00:11:18,800
The Church and their Trinity Guard
have great power, my king.

203

00:11:19,640 --> 00:11:21,000
None of it is sitting here.

204

00:11:22,480 --> 00:11:24,960
[Carden] Merlin twists the truth

205

00:11:25,040 --> 00:11:28,200
to complicate a simple choice,
Your Highness.

206

00:11:29,560 --> 00:11:30,800
Are you for the Fey,

207

00:11:32,120 --> 00:11:33,840
or are you for the Church?

208

00:11:37,160 --> 00:11:38,600
I am for...

209

00:11:40,000 --> 00:11:41,720
myself, priest.

210

00:11:44,840 --> 00:11:45,720
No other.

211

00:11:48,480 --> 00:11:50,160
As it should be, Your Highness.

212

00:11:52,400 --> 00:11:53,440
But know...

213

00:11:54,120 --> 00:11:56,280
that in a few hours, at sunrise,

214

00:11:57,400 --> 00:11:59,560
the choice
will be taken out of your hands.

215

00:12:00,920 --> 00:12:02,200
The Lord's fire

216

00:12:02,840 --> 00:12:06,520
will purge the last remaining Fey
from existence.

217

00:12:06,600 --> 00:12:08,200
[tense music plays]

218

00:12:11,680 --> 00:12:13,600
[ominous music plays]

219

00:12:13,680 --> 00:12:14,680
[monk] Advance.

220

00:12:28,640 --> 00:12:29,920
There's no one here!

221
00:12:30,960 --> 00:12:33,080
-[paladin 1] There's nothing.
-No one!

222
00:12:33,160 --> 00:12:34,160
There's nothing.

223
00:12:34,240 --> 00:12:35,200
Find them.

224
00:12:36,240 --> 00:12:38,360
Scour the wood.
They can't have gotten far.

225
00:12:38,440 --> 00:12:41,560
[paladin 2] There's no sign of them.
No one.

226
00:12:42,720 --> 00:12:43,720
Burn it all.

227
00:12:46,440 --> 00:12:47,480
Torch it!

228
00:12:48,240 --> 00:12:49,400
Torch it all!

229
00:12:59,920 --> 00:13:00,960
Brother.

230
00:13:24,040 --> 00:13:25,280
[mystical twinkling]

231
00:13:27,520 --> 00:13:29,120
[whispers] The Wolf-Blood Witch.

232
00:13:29,840 --> 00:13:30,920
The Wolf-Blood Witch!

233

00:13:31,680 --> 00:13:34,320
[shouts] The Wolf-Blood Witch! To arms!

234

00:13:35,360 --> 00:13:36,400
To arms!

235

00:13:36,480 --> 00:13:37,920
The witch is upon us!

236

00:13:38,000 --> 00:13:39,520
Assemble the guards!

237

00:13:39,600 --> 00:13:40,760
[paladin 1] Make ready!

238

00:13:40,840 --> 00:13:42,120
[commander] Come on!

239

00:13:45,000 --> 00:13:47,240
-Step aside! Out of the way!
-[horse brays]

240

00:13:48,000 --> 00:13:49,040
Make way there!

241

00:13:49,680 --> 00:13:51,840
Move! Move there!

242

00:13:54,200 --> 00:13:55,240
Clear the way!

243

00:13:55,920 --> 00:13:56,760
Move!

244

00:13:56,840 --> 00:13:58,400
Make way for the paladins!

245

00:13:58,480 --> 00:13:59,880
[tense music plays]

246

00:14:05,200 --> 00:14:06,200
[horse brays]

247
00:14:07,680 --> 00:14:09,040
[paladins yell]

248
00:14:13,640 --> 00:14:14,960
[yelling continues]

249
00:14:19,160 --> 00:14:20,840
[hoofbeats echo]

250
00:14:22,760 --> 00:14:23,840
[horse brays]

251
00:14:24,840 --> 00:14:26,400
[paladins continue yelling]

252
00:14:33,160 --> 00:14:35,240
[paladins yell indistinct warnings]

253
00:14:35,320 --> 00:14:37,200
[yelling continues]

254
00:14:37,280 --> 00:14:38,440
[horses bray]

255
00:14:40,480 --> 00:14:41,960
[ominous music plays]

256
00:14:53,400 --> 00:14:54,680
[eerie clanging]

257
00:15:02,440 --> 00:15:03,480
[horse snorts]

258
00:15:11,480 --> 00:15:13,680
[paladin] There is no escape, witch.

259
00:15:14,320 --> 00:15:15,640
Surrender your arms.

260
00:15:16,280 --> 00:15:18,400
-[indistinct whispering]
-[slithering]

261
00:15:19,040 --> 00:15:21,360
-[rumbling]
-[paladin] Did you not hear me?

262
00:15:23,200 --> 00:15:24,800
[indistinct whispering]

263
00:15:26,040 --> 00:15:28,280
[paladin] Surrender your arms!

264
00:15:29,720 --> 00:15:32,200
[indistinct whispering]

265
00:15:34,480 --> 00:15:36,440
[indistinct whispering continues]

266
00:15:39,160 --> 00:15:41,040
[paladins scream]

267
00:15:41,760 --> 00:15:43,600
[paladins scream]

268
00:15:44,560 --> 00:15:46,320
[distant screaming]

269
00:15:47,920 --> 00:15:49,480
[screaming intensifies]

270
00:15:55,200 --> 00:15:57,080
[distant screaming continues]

271
00:15:57,600 --> 00:15:59,280
[paladins yell in distance]

272
00:16:08,400 --> 00:16:09,720
[screaming stops]

273
00:16:12,520 --> 00:16:14,360
[distant horse brays]

274
00:16:17,880 --> 00:16:18,880
[horse brays]

275
00:16:20,800 --> 00:16:22,080
Send in another wave.

276
00:16:23,320 --> 00:16:24,400
Did you not hear me?

277
00:16:25,000 --> 00:16:27,080
Send in more men!

278
00:16:27,840 --> 00:16:29,720
[paladin 1] The witch! The witch!

279
00:16:29,800 --> 00:16:31,560
The witch! She's there!

280
00:16:31,640 --> 00:16:33,320
[ethereal music plays]

281
00:16:57,960 --> 00:16:58,880
[paladin 2] Witch!

282
00:16:58,960 --> 00:17:01,280
[paladin 3] Draw your weapons.
She has powers!

283
00:17:01,880 --> 00:17:03,760
[paladin 4] Keep your eyes open!

284
00:17:03,840 --> 00:17:05,200
[paladin 3] She is unclean!

285
00:17:06,440 --> 00:17:07,960
Surrender your arms!

286

00:17:08,320 --> 00:17:10,400
Or meet the fate of your brothers
in the wood!

287

00:17:10,480 --> 00:17:11,720
[indistinct murmuring]

288

00:17:11,800 --> 00:17:13,080
[commander] Leave her!

289

00:17:15,240 --> 00:17:16,840
-What's going to happen?
-Witch!

290

00:17:20,160 --> 00:17:23,160
Vallus shall serve your head to Rome

291

00:17:23,840 --> 00:17:24,920
on a spear.

292

00:17:27,600 --> 00:17:29,280
[paladin 5] May the Lord keep us.

293

00:17:30,400 --> 00:17:31,800
[murmuring]

294

00:17:31,880 --> 00:17:33,040
[Nimue grunts lightly]

295

00:17:36,800 --> 00:17:39,040
[Nimue pants]

296

00:17:42,800 --> 00:17:45,280
-[mystical twinkling]
-[paladins murmur]

297

00:17:45,360 --> 00:17:46,920
[paladins murmur]

298

00:17:47,000 --> 00:17:48,080
[paladin 6] Kill her!

299
00:17:48,400 --> 00:17:49,440
[groans]

300
00:17:54,680 --> 00:17:56,440
[paladin 6] Duplicitous whore!

301
00:17:57,840 --> 00:18:00,960
-[paladin 7] Are you scared to fight her?
-[paladin 6] Kill the dark witch!

302
00:18:01,040 --> 00:18:02,880
[paladins jeer]

303
00:18:02,960 --> 00:18:05,240
[paladins call out encouragement]

304
00:18:05,720 --> 00:18:07,760
[Vallus] Come on, witch.

305
00:18:09,320 --> 00:18:11,280
-Fight me.
-[paladin 8] That's right!

306
00:18:11,880 --> 00:18:13,200
She has ungodly powers!

307
00:18:13,280 --> 00:18:14,680
[paladin 9] Come on, Vallus!

308
00:18:14,760 --> 00:18:16,760
-[paladin 10] Quickly, now.
-[paladin 11] Come now!

309
00:18:16,840 --> 00:18:18,520
[paladin 10] Kill the witch, Vallus.

310
00:18:19,640 --> 00:18:20,800
[dramatic music plays]

311
00:18:21,280 --> 00:18:22,880

-[grunting]
-[jeering]

312
00:18:24,360 --> 00:18:25,680
[Nimue groans]

313
00:18:28,920 --> 00:18:29,920
[paladin 12] Yes!

314
00:18:30,520 --> 00:18:31,800
Nothing there, brothers.

315
00:18:31,880 --> 00:18:33,400
[Nimue grunts]

316
00:18:36,440 --> 00:18:39,360
[Vallus] There's nothing
to fear here, brothers. Nothing.

317
00:18:39,440 --> 00:18:41,520
What you see is a child.

318
00:18:41,600 --> 00:18:43,560
[Nimue grunts]

319
00:18:43,640 --> 00:18:45,760
[paladin 13] Finish her! Finish her!

320
00:18:45,840 --> 00:18:46,960
[Nimue groans]

321
00:18:47,040 --> 00:18:49,000
[paladins shout encouragement]

322
00:18:50,000 --> 00:18:52,120
-[groans]
-[cheering]

323
00:18:53,760 --> 00:18:55,000
Nothing!

324

00:18:55,600 --> 00:18:56,880
[Nimue groans]

325
00:18:56,960 --> 00:18:58,440
[paladins] Come on!

326
00:18:58,520 --> 00:18:59,800
Now you see!

327
00:19:00,320 --> 00:19:01,800
Brothers, you see,

328
00:19:01,880 --> 00:19:05,120
she is but flesh and bone.

329
00:19:05,200 --> 00:19:07,200
[cheering turns to jeering]

330
00:19:08,680 --> 00:19:10,600
[groans]

331
00:19:12,600 --> 00:19:14,240
[jeering fades]

332
00:19:16,320 --> 00:19:18,400
[groaning, panting]

333
00:19:22,280 --> 00:19:24,400
Please. Give me your power.

334
00:19:25,560 --> 00:19:26,880
Give me your strength.

335
00:19:26,960 --> 00:19:28,120
I beg you.

336
00:19:28,800 --> 00:19:30,560
[mystical twinkling]

337
00:19:30,640 --> 00:19:33,160
-[suspenseful music plays]

-[paladins jeer]

338

00:19:37,240 --> 00:19:38,240
[Nimue yells]

339

00:19:38,320 --> 00:19:39,600
[Vallus groans]

340

00:19:40,480 --> 00:19:41,520
[thud]

341

00:19:46,680 --> 00:19:47,880
[Gawain] Drop your arms!

342

00:19:47,960 --> 00:19:49,160
[bowstrings stretching]

343

00:19:50,000 --> 00:19:53,200
Leave your swords,
and you will be allowed to live!

344

00:20:03,800 --> 00:20:04,920
Death to the Fey!

345

00:20:06,360 --> 00:20:07,360
[paladin] Stay back!

346

00:20:07,440 --> 00:20:10,000
Anyone else think
they can outrun a Faun archer?

347

00:20:19,000 --> 00:20:20,560
[panicked yelling]

348

00:20:24,880 --> 00:20:27,720
Tell Carden the Green Knight
and the Wolf-Blood Witch

349

00:20:27,800 --> 00:20:29,480
send their regards!

350

00:20:29,560 --> 00:20:30,760
[paladin] Run, brothers!

351

00:20:34,520 --> 00:20:36,120
[mystical twinkling]

352

00:20:37,960 --> 00:20:38,920
[Nimue groans]

353

00:20:50,720 --> 00:20:52,600
-[man 1] Fey Kind!
-[woman] Fey Kind!

354

00:20:52,680 --> 00:20:53,960
[man 2] Fey at the gates!

355

00:20:54,040 --> 00:20:55,440
[rousing music plays]

356

00:20:55,520 --> 00:20:56,920
[townspeople murmur]

357

00:21:22,000 --> 00:21:23,440
[tense music plays]

358

00:21:27,000 --> 00:21:28,440
[seething breaths]

359

00:21:29,440 --> 00:21:31,040
[ominous music plays]

360

00:21:37,320 --> 00:21:40,440
She'll be all right, child.
Go back to your clan now.

361

00:21:41,160 --> 00:21:42,160
Go on.

362

00:21:48,840 --> 00:21:49,960
[Pym, muffled] Nimue.

363

00:21:52,400 --> 00:21:53,840
I... I'm here.

364
00:21:55,400 --> 00:21:57,240
I'm here, Nimue. Open your eyes.

365
00:22:07,440 --> 00:22:08,400
Pym?

366
00:22:13,400 --> 00:22:14,240
Am I dead?

367
00:22:14,920 --> 00:22:16,960
[chuckling] No, you idiot. I lived.

368
00:22:17,440 --> 00:22:19,200
-Come here.
-[poignant music plays]

369
00:22:20,000 --> 00:22:22,000
[both giggle]

370
00:22:24,240 --> 00:22:25,360
[Nimue] Oh, sorry.

371
00:22:26,400 --> 00:22:27,240
Hey.

372
00:22:28,320 --> 00:22:30,080
I saw you. They... they took you.

373
00:22:30,160 --> 00:22:32,080
I know. I know.
When the arrows came, I ran.

374
00:22:32,160 --> 00:22:33,480
I ran all night.

375
00:22:33,560 --> 00:22:34,920
Then I fell in with the raiders,

376

00:22:35,000 --> 00:22:37,560
and we ended up here
in the paladin dungeons.

377

00:22:38,160 --> 00:22:41,920
And you... you made it. You're here.
How are you here with Arthur?

378

00:22:42,000 --> 00:22:43,600
Quit yapping like goats.

379

00:22:44,040 --> 00:22:45,640
Respect the sick and dying.

380

00:22:48,000 --> 00:22:48,960
That's a Moon Wing.

381

00:22:50,400 --> 00:22:51,440
A mean one.

382

00:22:51,520 --> 00:22:52,400
[chuckles]

383

00:22:53,120 --> 00:22:54,000
Can you walk?

384

00:22:54,360 --> 00:22:55,200
Uh...

385

00:22:55,920 --> 00:22:56,800
[Nimue winces]

386

00:22:58,240 --> 00:23:00,600
[eerie wind howls]

387

00:23:00,680 --> 00:23:01,560
[screeching]

388

00:23:02,160 --> 00:23:03,000
[yelling]

389

00:23:03,360 --> 00:23:05,160
-[Pym] Nimue?
-What?

390
00:23:05,680 --> 00:23:06,720
Oh. Uh...

391
00:23:07,360 --> 00:23:09,360
Yes. Yes, I think I can walk.

392
00:23:09,440 --> 00:23:10,920
Good. I need your help.

393
00:23:13,360 --> 00:23:14,480
[knocking on door]

394
00:23:17,840 --> 00:23:18,720
Arthur.

395
00:23:18,800 --> 00:23:19,680
Aunt Marion.

396
00:23:23,680 --> 00:23:24,520
Uncle.

397
00:23:25,760 --> 00:23:28,280
-Where's your stolen sword?
-I'm not here to fight.

398
00:23:28,360 --> 00:23:29,200
Oh?

399
00:23:31,200 --> 00:23:32,400
What are you here for?

400
00:23:33,560 --> 00:23:36,960
-For a hero's greeting?
-I'm here to tell you Gramaire is free.

401
00:23:37,040 --> 00:23:38,160
Free, are we?

402

00:23:39,320 --> 00:23:42,240
You declared war on the Church
on my behalf.

403

00:23:42,320 --> 00:23:43,840
I didn't expect a "thank you."

404

00:23:44,240 --> 00:23:46,440
But you deserve one, so thank you, Arthur.

405

00:23:49,480 --> 00:23:50,680
We'll be here six days,

406

00:23:51,760 --> 00:23:52,800
and then move on.

407

00:23:54,240 --> 00:23:55,600
We hear them talking.

408

00:23:56,960 --> 00:24:00,480
They're calling this girl the Fey Queen.

409

00:24:01,680 --> 00:24:03,160
You don't follow a queen.

410

00:24:04,200 --> 00:24:06,520
You follow a peasant
with a target on her back.

411

00:24:06,600 --> 00:24:08,320
-You speak of her a--
-Arthur, no.

412

00:24:12,200 --> 00:24:13,960
You could never hope to understand.

413

00:24:14,040 --> 00:24:15,760
Nor would I wish to.

414

00:24:20,880 --> 00:24:23,560
You can tell this Fey Queen...

415
00:24:24,240 --> 00:24:25,600
I will speak with her.

416
00:24:27,480 --> 00:24:29,360
I have nothing more to say to you.

417
00:24:37,560 --> 00:24:38,600
[door closes]

418
00:24:40,400 --> 00:24:42,080
[indistinct chattering]

419
00:24:44,400 --> 00:24:46,240
[bell tolls]

420
00:24:48,920 --> 00:24:50,440
[bell continues tolling]

421
00:24:54,880 --> 00:24:56,480
[ominous music plays]

422
00:24:59,600 --> 00:25:00,800
[gasps]

423
00:25:01,960 --> 00:25:04,440
Seek the dead man
who stands outside the Bell Tower.

424
00:25:04,520 --> 00:25:05,480
[gasps]

425
00:25:06,080 --> 00:25:07,600
[bell continues tolling]

426
00:25:17,520 --> 00:25:18,720
[man groans]

427
00:25:27,720 --> 00:25:28,680
[Morgana] Um...

428

00:25:30,160 --> 00:25:33,600
When they used to bring the sick
into the convent, I... I would...

429

00:25:41,640 --> 00:25:43,880
I just thought
I could be of some assistance.

430

00:25:47,760 --> 00:25:49,880
[Yeva] Don't think about what they are.

431

00:25:50,360 --> 00:25:52,680
Help them pass peacefully.

432

00:25:54,360 --> 00:25:56,040
[poignant music plays]

433

00:26:10,200 --> 00:26:11,760
The Hidden work through you,

434

00:26:11,840 --> 00:26:15,040
and I thought... I thought Lenore,
she was a true healer,

435

00:26:15,120 --> 00:26:18,120
and so maybe you can do something for him.

436

00:26:20,680 --> 00:26:21,960
[Nimue] But, Pym, I...

437

00:26:23,080 --> 00:26:24,960
I've never healed anyone before.

438

00:26:25,440 --> 00:26:26,360
And... [sighs]

439

00:26:26,440 --> 00:26:27,640
And I'm weak. I...

440

00:26:28,280 --> 00:26:29,200
[sighs]

441
00:26:29,840 --> 00:26:32,400
I... I barely even feel it right now
after the forest.

442
00:26:37,800 --> 00:26:38,640
I'll try.

443
00:26:42,560 --> 00:26:43,520
[Pym] Dof.

444
00:26:44,600 --> 00:26:45,560
Dof.

445
00:26:47,200 --> 00:26:48,240
This is Nimue.

446
00:26:49,840 --> 00:26:51,920
She's the friend I was telling you about.

447
00:26:53,000 --> 00:26:55,120
-She's here to help.
-[strained breathing]

448
00:27:06,760 --> 00:27:08,400
[strained breathing continues]

449
00:27:11,520 --> 00:27:14,080
-[strained breathing]
-[Nimue breathes sharply]

450
00:27:23,760 --> 00:27:25,600
[poignant music plays]

451
00:27:30,640 --> 00:27:32,040
[slithering]

452
00:27:33,040 --> 00:27:34,640
[indistinct whispering]

453
00:27:38,040 --> 00:27:39,840

[indistinct whispering continues]

454

00:27:40,800 --> 00:27:41,720
[gasps]

455

00:27:42,120 --> 00:27:44,880
[panting]

456

00:27:47,640 --> 00:27:48,800
He's beyond my help.

457

00:27:51,320 --> 00:27:53,320
-I'm so sorry, Pym.
-No, it's my fault.

458

00:27:54,680 --> 00:27:55,600
Come on!

459

00:27:58,640 --> 00:27:59,480
Dof.

460

00:28:00,960 --> 00:28:03,160
Dof, Sigurd is with you now.

461

00:28:04,800 --> 00:28:06,040
He'll protect you. Okay?

462

00:28:06,120 --> 00:28:07,120
Can you feel it?

463

00:28:10,000 --> 00:28:10,920
[weakly] Minnow.

464

00:28:11,000 --> 00:28:11,840
Yes?

465

00:28:18,000 --> 00:28:18,840
For you.

466

00:28:19,720 --> 00:28:21,640
No. No, you need it more than me. I...

467
00:28:22,160 --> 00:28:23,320
I want you to have it.

468
00:28:28,880 --> 00:28:29,920
Protect you.

469
00:28:31,600 --> 00:28:33,600
[poignant music plays]

470
00:28:37,280 --> 00:28:38,320
[Pym] Thank you.

471
00:28:41,680 --> 00:28:43,160
Thank you for saving me.

472
00:28:46,320 --> 00:28:47,240
Minnow.

473
00:28:48,280 --> 00:28:50,400
You know I don't like that name, Dof.

474
00:28:52,880 --> 00:28:54,000
What is your name?

475
00:28:56,200 --> 00:28:57,360
It's Pym. [sniffles]

476
00:28:58,640 --> 00:29:00,440
I know it sounds funny.

477
00:29:02,800 --> 00:29:03,960
-Yeah.
-Funny.

478
00:29:06,480 --> 00:29:07,480
My Pym.

479
00:29:09,840 --> 00:29:10,720
I like it.

480
00:29:13,520 --> 00:29:14,880
[breathes weakly]

481
00:29:16,160 --> 00:29:17,480
[Pym] Dof? Dof?

482
00:29:17,560 --> 00:29:19,600
Dof? Dof? Dof? No!
Nimue, please help me.

483
00:29:23,680 --> 00:29:24,680
Dof.

484
00:29:26,360 --> 00:29:27,280
[whispers] Dof?

485
00:29:32,200 --> 00:29:33,200
[Nimue] Pym, I'm sorry.

486
00:29:37,560 --> 00:29:38,560
I'm sorry.

487
00:29:43,520 --> 00:29:44,520
Come on.

488
00:29:45,760 --> 00:29:46,760
Come on.

489
00:29:58,400 --> 00:30:00,920
Dof would brain me from Valhalla
if I took that.

490
00:30:03,400 --> 00:30:04,480
It's yours.

491
00:30:10,800 --> 00:30:12,000
[raider] Fey Queen.

492
00:30:13,360 --> 00:30:15,520
We thank you for giving us our freedom.

493
00:30:17,040 --> 00:30:19,560
You've earned the thanks of the Red Spear.

494
00:30:21,360 --> 00:30:22,920
By the gods, we need friends.

495
00:30:24,400 --> 00:30:25,920
[strained breathing]

496
00:30:28,800 --> 00:30:30,320
[wind howls]

497
00:30:31,600 --> 00:30:33,840
[breathing becomes increasingly strained]

498
00:30:55,600 --> 00:30:56,960
[heavy breathing]

499
00:30:57,880 --> 00:30:59,960
-[eerie music plays]
-[whooshing]

500
00:31:06,920 --> 00:31:08,520
[ethereal music plays]

501
00:31:15,840 --> 00:31:16,960
[Morgana gasps]

502
00:31:18,080 --> 00:31:19,680
[distant strained breathing]

503
00:31:20,160 --> 00:31:22,960
-[eerie whooshing]
-[Widow inhales sharply]

504
00:31:23,960 --> 00:31:25,360
[paladin gasps for breath]

505
00:31:27,280 --> 00:31:28,520
[Morgana gasps]

506

00:31:37,320 --> 00:31:39,080
[Morgana breathes shakily]

507

00:31:43,040 --> 00:31:44,720
[ominous music plays]

508

00:31:52,840 --> 00:31:53,880
[Morgana sniffles]

509

00:31:58,040 --> 00:32:00,040
[eerie scurrying]

510

00:32:00,560 --> 00:32:01,920
[Morgana breathes shakily]

511

00:32:02,560 --> 00:32:05,400
[paladin gasps for air]

512

00:32:06,640 --> 00:32:07,800
[eerie whooshing]

513

00:32:15,640 --> 00:32:17,080
[breathes heavily]

514

00:32:23,800 --> 00:32:24,880
[horse brays]

515

00:32:28,720 --> 00:32:29,880
You wake us early.

516

00:32:29,960 --> 00:32:32,240
You march us to the middle of nowhere.

517

00:32:32,320 --> 00:32:33,240
For what?

518

00:32:34,400 --> 00:32:35,400
For whom.

519

00:32:39,320 --> 00:32:40,520

To beat a devil,

520

00:32:41,280 --> 00:32:43,040
you must make a deal with one.

521

00:32:47,680 --> 00:32:49,160
Milady, Regent.

522

00:32:50,880 --> 00:32:51,960
Your Majesty.

523

00:32:53,760 --> 00:32:54,760
It would seem...

524

00:32:57,560 --> 00:32:59,240
we have a mutual problem.

525

00:33:07,920 --> 00:33:09,280
The eldest returns.

526

00:33:09,880 --> 00:33:10,720
Tell.

527

00:33:11,400 --> 00:33:13,240
The midwife plays her part.

528

00:33:13,320 --> 00:33:14,520
The crowds believe her.

529

00:33:14,600 --> 00:33:16,720
The first villages fell in line with ease.

530

00:33:16,800 --> 00:33:17,640
And the others?

531

00:33:17,720 --> 00:33:21,720
On the road, by the time
we reached the fourth or fifth city,

532

00:33:22,200 --> 00:33:23,400
word had preceded us.

533

00:33:24,480 --> 00:33:26,440
But in the last two towns, something...

534

00:33:27,240 --> 00:33:28,200
troubling.

535

00:33:39,000 --> 00:33:40,240
Witchcraft troubles you?

536

00:33:40,320 --> 00:33:42,080
That's a person, Father.

537

00:33:43,160 --> 00:33:45,200
The symbol of the Wolf-Blood Witch,

538

00:33:45,280 --> 00:33:46,560
the new Fey Queen.

539

00:33:47,120 --> 00:33:48,280
She's called Nimue.

540

00:33:48,360 --> 00:33:49,240
Ah...

541

00:33:51,040 --> 00:33:52,360
Merlin's Fey girl.

542

00:33:55,000 --> 00:33:57,400
He wants her alive
and a friend to this court

543

00:33:57,480 --> 00:33:59,040
as payment for the midwife.

544

00:33:59,120 --> 00:34:01,960
[Eydis] Father,
she wields the Sword of Power.

545

00:34:02,040 --> 00:34:04,760
With it, she's taken the city of Gramaire

from the paladins.

546

00:34:04,840 --> 00:34:08,360
They say even humans now bow to her,
and call her--

547

00:34:08,440 --> 00:34:10,240
I am the king of this land,

548

00:34:10,880 --> 00:34:12,800
not some peasant witch!

549

00:34:13,920 --> 00:34:14,960
[Eydis] This girl,

550

00:34:15,960 --> 00:34:18,240
perhaps a few weeks ago,
she could have surrendered to you,

551

00:34:18,720 --> 00:34:20,120
been a ward of the court,

552

00:34:20,200 --> 00:34:21,360
the way the Red Spear--

553

00:34:21,440 --> 00:34:22,960
We don't speak of her!

554

00:34:25,800 --> 00:34:26,640
[sighs]

555

00:34:30,680 --> 00:34:32,440
[Eydis] I don't mean to upset you,

556

00:34:33,480 --> 00:34:36,280
but by possessing
the Sword of the First King,

557

00:34:36,640 --> 00:34:40,120
this Nimue makes a claim
to what is rightfully yours.

558
00:34:42,000 --> 00:34:43,680
She cannot be welcome here.

559
00:34:45,000 --> 00:34:46,320
She must be conquered.

560
00:34:47,080 --> 00:34:49,640
And the Sword of Power
should be wielded

561
00:34:49,720 --> 00:34:51,760
by you alone.

562
00:34:52,520 --> 00:34:53,840
[tense music plays]

563
00:35:06,960 --> 00:35:08,080
[door opening]

564
00:35:10,240 --> 00:35:12,480
[Ector] Ah! Here she is,

565
00:35:12,560 --> 00:35:14,560
the Queen of the Fey.

566
00:35:14,640 --> 00:35:16,360
Sorry to disturb you, my queen.

567
00:35:16,440 --> 00:35:18,640
This man demanded
that you come before him.

568
00:35:19,080 --> 00:35:20,080
Demanded?

569
00:35:25,480 --> 00:35:26,480
Lord Ector,

570
00:35:27,320 --> 00:35:29,120
I'm sorry we have not spoken sooner.

571

00:35:31,160 --> 00:35:32,760
I thank you for this sanctuary.

572

00:35:32,840 --> 00:35:35,880
Well, it was not offered, milady.

573

00:35:36,920 --> 00:35:37,920
It was taken.

574

00:35:38,000 --> 00:35:39,240
I had not finished.

575

00:35:40,040 --> 00:35:41,440
True, it was taken.

576

00:35:41,520 --> 00:35:44,640
But I assure you, until we leave here,
you are welcome as our guest...

577

00:35:44,720 --> 00:35:46,200
-Hmm.
-...in Gramaire.

578

00:35:46,680 --> 00:35:48,760
Once we have our safe passage,

579

00:35:48,840 --> 00:35:50,560
the town will be returned to you.

580

00:35:51,520 --> 00:35:52,800
But until then,

581

00:35:54,320 --> 00:35:55,520
you are in my seat.

582

00:35:59,440 --> 00:36:00,600
[Gawain] You heard her.

583

00:36:07,000 --> 00:36:08,320
[door opens]

584

00:36:12,040 --> 00:36:14,800
Did you devise this humiliation, Arthur?

585

00:36:14,880 --> 00:36:17,360
You will address our queen.

586

00:36:18,560 --> 00:36:19,600
[door closes]

587

00:36:24,240 --> 00:36:26,680
Gods, you're all just children.

588

00:36:32,520 --> 00:36:35,080
I have no argument with your kind

589

00:36:35,720 --> 00:36:37,600
and no love of Red Paladins,

590

00:36:37,680 --> 00:36:41,080
but do you truly think you're safe here?

591

00:36:41,160 --> 00:36:42,080
Hmm?

592

00:36:43,720 --> 00:36:44,760
Do any of you?

593

00:36:47,920 --> 00:36:51,440
You were safer in your caves and trees

594

00:36:51,520 --> 00:36:53,800
or wherever the hell you were hiding.

595

00:36:53,880 --> 00:36:54,880
We were starving.

596

00:36:54,960 --> 00:36:56,440
You'll starve here too,

597

00:36:56,520 --> 00:36:57,960

but only if you're lucky.

598

00:37:01,880 --> 00:37:03,640
You've doomed yourselves

599

00:37:04,600 --> 00:37:06,880
and all of Gramaire with you.

600

00:37:10,600 --> 00:37:11,800
I hope you're happy.

601

00:37:14,920 --> 00:37:16,960
Enjoy your brief reign...

602

00:37:20,160 --> 00:37:22,080
Queen of the Fey.

603

00:37:22,920 --> 00:37:24,360
[door opens]

604

00:37:29,760 --> 00:37:30,800
[door closes]

605

00:37:36,440 --> 00:37:37,360
[sighs]

606

00:37:37,440 --> 00:37:38,880
[ethereal music plays]

607

00:37:47,280 --> 00:37:49,320
[reverential music]

608

00:38:07,800 --> 00:38:09,080
Can I sit on it?

609

00:38:09,160 --> 00:38:10,560
[slaps] Manners, boy.

610

00:38:10,640 --> 00:38:11,480
Ow!

611
00:38:14,080 --> 00:38:15,080
What news?

612
00:38:15,160 --> 00:38:18,000
In the light of the new day,
our count has come up short.

613
00:38:18,440 --> 00:38:20,680
We're missing a dozen Fey, maybe more.

614
00:38:21,520 --> 00:38:23,240
Some sick, some children.

615
00:38:23,760 --> 00:38:26,480
A convoy of refugees
that should have arrived hours ago.

616
00:38:27,040 --> 00:38:28,480
[Gawain] On their own,

617
00:38:28,560 --> 00:38:30,720
ripe targets for paladin patrols.

618
00:38:31,480 --> 00:38:32,920
Form a search party.

619
00:38:33,000 --> 00:38:35,360
With your permission,
I will join the hunt.

620
00:38:37,080 --> 00:38:38,080
May I go?

621
00:38:39,840 --> 00:38:42,080
If the Green Knight allows it.

622
00:39:00,200 --> 00:39:01,480
-Well...
-[door closes]

623
00:39:02,560 --> 00:39:03,840

...alone at last.

624

00:39:05,920 --> 00:39:07,040
It... it suits you.

625

00:39:11,880 --> 00:39:13,480
[chuckles] Don't be silly.

626

00:39:15,040 --> 00:39:16,600
I don't know what possessed me.

627

00:39:19,200 --> 00:39:21,520
Your uncle has a way
of getting under the skin.

628

00:39:22,560 --> 00:39:23,480
[Nimue groans]

629

00:39:23,960 --> 00:39:25,000
You're still weak.

630

00:39:25,960 --> 00:39:26,840
I know.

631

00:39:27,560 --> 00:39:28,520
It's all right.

632

00:39:29,760 --> 00:39:30,760
Your hand?

633

00:39:31,200 --> 00:39:32,600
It's... it's nothing.

634

00:39:33,160 --> 00:39:34,560
You're not all right.

635

00:39:34,640 --> 00:39:36,400
The sword could be making you sick.

636

00:39:36,480 --> 00:39:37,480
It's not.

637

00:39:38,120 --> 00:39:40,360
There is a cost to using this magic.

638

00:39:40,800 --> 00:39:43,240
-It's not just to your health, but to--
-To what?

639

00:39:45,200 --> 00:39:46,720
I'm ready to leave this place.

640

00:39:47,280 --> 00:39:48,520
As soon as Gawain returns,

641

00:39:48,600 --> 00:39:50,760
I must ride to Rue Gorge
and secure the ships.

642

00:39:53,680 --> 00:39:54,680
Must you?

643

00:39:56,600 --> 00:39:59,920
It's just... to have come this far,
only to run again.

644

00:40:00,760 --> 00:40:01,680
Nimue...

645

00:40:02,400 --> 00:40:05,000
just because we took Gramaire
doesn't mean we can hold it.

646

00:40:05,360 --> 00:40:07,240
The Church knows where you are now.

647

00:40:07,320 --> 00:40:10,440
The king knows where you are,
and they know you have the sword.

648

00:40:11,360 --> 00:40:14,200
-Don't be foolish.
-I've had enough lectures, Arthur!

649

00:40:18,040 --> 00:40:19,120

It is cruel

650

00:40:19,520 --> 00:40:21,800

to force these families onto ships.

651

00:40:21,880 --> 00:40:25,080

To another unknown fate
while invaders occupy their land.

652

00:40:27,360 --> 00:40:30,120

-Here, they have a roof over their heads.

-For how long?

653

00:40:31,120 --> 00:40:32,520

Have you been in a siege before?

654

00:40:33,480 --> 00:40:34,320

Have you?

655

00:40:36,080 --> 00:40:38,960

-Stop trying to pull rank on me, Arthur.

-That's impossible.

656

00:40:40,280 --> 00:40:41,280

You're the queen.

657

00:40:43,960 --> 00:40:45,640

Is it the title that bothers you?

658

00:40:46,320 --> 00:40:48,960

Or the fact that I took the throne
that you could not?

659

00:40:53,000 --> 00:40:54,720

What's the bloody point
in talking with you?

660

00:40:54,800 --> 00:40:57,120

-You'll do as you like.

-Arthur! Arthur!

661
00:40:57,840 --> 00:40:59,160
[door slams closed]

662
00:41:00,000 --> 00:41:01,000
[sighs]

663
00:41:04,200 --> 00:41:05,680
[mystical twinkling]

664
00:41:07,040 --> 00:41:08,440
[indistinct chattering]

665
00:41:11,280 --> 00:41:12,240
[raven caws]

666
00:41:13,240 --> 00:41:14,120
[caws]

667
00:41:16,120 --> 00:41:17,000
[caws]

668
00:41:18,280 --> 00:41:19,120
[caws]

669
00:41:19,760 --> 00:41:21,440
[man] Ready for the witching!

670
00:41:22,880 --> 00:41:24,400
-Make sure...
-[caws]

671
00:41:27,320 --> 00:41:28,920
[eerie whooshing]

672
00:41:29,000 --> 00:41:31,880
Whenever you arrive in this fashion,
it frightens even me.

673
00:41:31,960 --> 00:41:33,760
[Widow] A name has been given.

674

00:41:34,680 --> 00:41:35,640

Whose?

675

00:41:46,400 --> 00:41:48,320

[eerie whooshing]

676

00:41:51,760 --> 00:41:52,760

[under breath] No...

677

00:41:55,040 --> 00:41:57,120

You said Nimue couldn't be seen
by your visions.

678

00:41:57,200 --> 00:41:59,240

[Widow] This is no vision, Merlin.

679

00:41:59,960 --> 00:42:01,480

Her name has been given.

680

00:42:03,040 --> 00:42:04,320

And I am the Widow.

681

00:42:04,880 --> 00:42:07,040

You know I am unable
to refuse this summons.

682

00:42:07,120 --> 00:42:09,680

Just as you know her fate is now fixed.

683

00:42:16,600 --> 00:42:17,640

How much time?

684

00:42:21,280 --> 00:42:22,120

Days.

685

00:42:23,720 --> 00:42:24,680

Hours.

686

00:42:28,000 --> 00:42:29,000

Not her.

687
00:42:30,520 --> 00:42:32,000
Please. Please, not her.

688
00:42:32,480 --> 00:42:33,960
I tell you this as a friend.

689
00:42:35,480 --> 00:42:37,440
Nothing can stop this.

690
00:42:39,040 --> 00:42:40,120
You're wrong!

691
00:42:49,280 --> 00:42:50,920
-[Merlin] Cumber!
-[guard] Halt!

692
00:42:51,280 --> 00:42:52,360
[Cumber] Let him in.

693
00:42:52,440 --> 00:42:54,640
[Eydis] You come
when not summoned, wizard.

694
00:42:56,000 --> 00:42:57,080
[Merlin] Lord Cumber.

695
00:42:57,800 --> 00:42:58,720
Our arrangement...

696
00:42:59,200 --> 00:43:01,360
The Fey girl will be safe here,
will she not?

697
00:43:01,680 --> 00:43:03,000
Yeah, well, uh...

698
00:43:03,080 --> 00:43:04,880
only as a guest in my dungeons.

699
00:43:05,800 --> 00:43:09,080

It seems this Nimue is a bit more
than a simple Fey girl.

700

00:43:09,160 --> 00:43:11,400

Well, of course she is.

She wields the Sword of Power.

701

00:43:11,480 --> 00:43:14,000

A detail you neglected to share.

702

00:43:14,080 --> 00:43:17,320

Do you think me so foolish

as to wave the sword before your eyes?

703

00:43:17,400 --> 00:43:19,360

Knowing how it clouds the judgment?

704

00:43:20,080 --> 00:43:22,480

Do you think all my years

have taught me nothing?

705

00:43:24,360 --> 00:43:26,080

Those who chase the sword

706

00:43:26,800 --> 00:43:28,080

are doomed to obsession.

707

00:43:28,560 --> 00:43:30,760

But those who are patient,

who let the sword come to them,

708

00:43:30,840 --> 00:43:32,920

are the ones with the wisdom to wield it.

709

00:43:33,840 --> 00:43:36,240

Now, do you want to be the one true king,

or don't you?

710

00:43:36,600 --> 00:43:38,720

She presents as a rival to me, Merlin.

711

00:43:38,800 --> 00:43:39,880

That's unacceptable.

712

00:43:40,640 --> 00:43:43,400
Then your foolish northern pride
will cost you the greatest treasure

713

00:43:43,480 --> 00:43:44,600
of the ancient kings.

714

00:43:48,760 --> 00:43:51,760
We don't sweet-talk our enemies
in the Ice Realms.

715

00:43:53,560 --> 00:43:54,600
We crush them.

716

00:44:02,440 --> 00:44:04,160
Nimue doesn't seek to rule.

717

00:44:05,320 --> 00:44:06,600
She's no threat to you.

718

00:44:07,400 --> 00:44:08,680
Her followers are.

719

00:44:09,840 --> 00:44:11,480
They answer the midwife's charge

720

00:44:11,560 --> 00:44:13,680
with cries of "Fey Queen,"

721

00:44:14,240 --> 00:44:15,400
not "Cumber."

722

00:44:16,760 --> 00:44:18,880
I offer my dungeons to the Fey Queen

723

00:44:18,960 --> 00:44:22,200
as a gesture of thanks to you
for bringing me the midwife.

724

00:44:22,640 --> 00:44:25,040
You would be wise to accept it.

725
00:44:27,560 --> 00:44:29,920
-[Merlin seethes]
-[dramatic music plays]

726
00:44:31,480 --> 00:44:32,400
[horse brays]

727
00:44:33,800 --> 00:44:35,040
[Merlin] Ya! Ya!

728
00:44:35,720 --> 00:44:36,880
[horse brays]

729
00:44:41,120 --> 00:44:43,680
[fisherman whistles]

730
00:45:00,640 --> 00:45:01,800
[yelling]

731
00:45:04,480 --> 00:45:06,120
[eerie ethereal music plays]

732
00:45:27,520 --> 00:45:29,000
-[twig snaps]
-[sword unsheathes]

733
00:45:29,080 --> 00:45:30,280
[swords clang]

734
00:45:31,240 --> 00:45:33,240
[dramatic music plays]

735
00:45:35,560 --> 00:45:36,640
[Gawain grunts]

736
00:45:41,960 --> 00:45:43,120
[Gawain grunts, groans]

737

00:45:49,280 --> 00:45:50,560
[Gawain grunts]

738
00:45:56,680 --> 00:45:57,720
[Gawain grunts]

739
00:45:59,680 --> 00:46:00,680
[Gawain grunts]

740
00:46:01,320 --> 00:46:02,520
[monk groans]

741
00:46:03,680 --> 00:46:05,160
[slithering]

742
00:46:08,120 --> 00:46:09,200
How could you?

743
00:46:11,200 --> 00:46:12,080
[gasps]

744
00:46:17,560 --> 00:46:18,920
[strained breathing]

745
00:46:26,800 --> 00:46:28,240
[breathes shakily]

746
00:46:28,320 --> 00:46:29,840
Born in the dawn, to pa--

747
00:46:31,120 --> 00:46:32,040
[thud]

748
00:46:35,920 --> 00:46:38,200
[monk] They want you alive, Green Knight.

749
00:46:38,600 --> 00:46:39,560
[Gawain grunts]

750
00:46:42,560 --> 00:46:43,560
[Gawain groans]

751
00:46:46,120 --> 00:46:47,720
[dramatic music plays]

752
00:46:52,800 --> 00:46:54,240
[mystical twinkling]

753
00:46:54,320 --> 00:46:56,320
[faint pained screaming]

754
00:46:57,800 --> 00:46:59,040
[wind howls]

755
00:47:01,520 --> 00:47:03,480
[faint pained screaming]

756
00:47:04,440 --> 00:47:05,880
[mystical twinkling]

757
00:47:08,800 --> 00:47:10,520
[mystical twinkling]

758
00:47:13,200 --> 00:47:14,840
[faint pained screaming]

759
00:47:16,520 --> 00:47:18,160
[pained screaming]

760
00:47:18,240 --> 00:47:21,120
-[mystical twinkling]
-[pained screaming]

761
00:47:24,040 --> 00:47:24,920
[gasps]

762
00:47:28,080 --> 00:47:29,240
[door closes]

763
00:47:31,400 --> 00:47:32,240
I surrender.

764

00:47:32,840 --> 00:47:34,400
Scout party hasn't returned.

765

00:47:35,080 --> 00:47:37,480
We have to make sure
we don't miss our window with the ships.

766

00:47:41,080 --> 00:47:43,320
Do you think the Red Paladins have ghosts?

767

00:47:45,040 --> 00:47:47,000
Do you think their spirits live on?

768

00:47:48,760 --> 00:47:49,760
I suppose.

769

00:47:50,560 --> 00:47:51,600
If any of us do.

770

00:47:52,560 --> 00:47:53,400
Why?

771

00:47:54,240 --> 00:47:55,360
[mystical twinkling]

772

00:47:56,480 --> 00:47:57,480
[Nimue] I...

773

00:47:58,800 --> 00:47:59,840
I hear them.

774

00:48:02,600 --> 00:48:03,600
In the sword.

775

00:48:05,400 --> 00:48:06,480
I hear their screams.

776

00:48:07,040 --> 00:48:07,880
You're tired.

777

00:48:08,480 --> 00:48:10,920
What frightens me is
I don't mind the screams.

778

00:48:12,120 --> 00:48:13,120
They comfort me.

779

00:48:16,600 --> 00:48:17,920
Why don't you put it down?

780

00:48:20,080 --> 00:48:22,120
-I'm fine.
-You don't sound fine.

781

00:48:22,480 --> 00:48:24,360
[Nimue] Why do you want me to put it down?

782

00:48:25,160 --> 00:48:27,440
Is it the same reason
you want me to run away?

783

00:48:27,960 --> 00:48:30,200
-To give up?
-Those ships are your only hope.

784

00:48:31,360 --> 00:48:32,440
You've never believed in me.

785

00:48:32,520 --> 00:48:33,400
[scoffs]

786

00:48:33,840 --> 00:48:35,560
I was the first to believe in you.

787

00:48:35,640 --> 00:48:36,480
That's a lie.

788

00:48:37,040 --> 00:48:38,600
You think I'm helpless

789

00:48:39,080 --> 00:48:40,080
or mad,

790

00:48:40,600 --> 00:48:41,880
but what is real?

791

00:48:42,400 --> 00:48:44,520
Well, the Fey occupy Gramaire.

792

00:48:46,360 --> 00:48:49,800
And dead paladins litter the road
from here to Hawksbridge, thanks to me!

793

00:48:49,880 --> 00:48:51,960
-You want to keep fighting?
-Yes. Why not?

794

00:48:52,040 --> 00:48:53,640
-Nimue!
-I am the Wolf-Blood Witch,

795

00:48:53,720 --> 00:48:57,040
and I will slaughter every Red Brother
from here to Rome if I must!

796

00:48:57,120 --> 00:48:58,320
[Nimue breathes heavily]

797

00:49:01,520 --> 00:49:04,080
Is that you talking or the sword?

798

00:49:04,520 --> 00:49:05,600
I can't tell anymore.

799

00:49:06,840 --> 00:49:09,280
Because the difference is
the sword can survive the next battle,

800

00:49:09,360 --> 00:49:10,200
we cannot.

801

00:49:14,160 --> 00:49:15,280
But I won't leave you.

802
00:49:16,000 --> 00:49:18,160
If this is where we make our last stand,
so be it.

803
00:49:18,240 --> 00:49:19,120
No.

804
00:49:20,320 --> 00:49:21,160
No.

805
00:49:22,200 --> 00:49:23,280
No, I'm sorry.

806
00:49:26,960 --> 00:49:28,360
[inhales shakily, sighs]

807
00:49:28,440 --> 00:49:29,880
I'm not feeling myself.

808
00:49:29,960 --> 00:49:31,520
[breathes shakily]

809
00:49:33,640 --> 00:49:34,680
[door opens]

810
00:49:36,760 --> 00:49:37,840
Secure the ships.

811
00:49:39,400 --> 00:49:40,400
[man] No ships.

812
00:49:41,360 --> 00:49:42,240
This...

813
00:49:43,240 --> 00:49:45,160
was thrown over the walls.

814
00:49:46,240 --> 00:49:48,040
They found your smuggler.

815

00:49:49,240 --> 00:49:51,240
[Fey guard] Milady. Milady, Nimue!

816
00:49:53,280 --> 00:49:54,440
[mystical twinkling]

817
00:50:01,240 --> 00:50:02,080
Kaze.

818
00:50:02,800 --> 00:50:03,680
We were ambushed.

819
00:50:03,760 --> 00:50:04,880
Are you all right?

820
00:50:04,960 --> 00:50:06,880
It was the monk. He took Gawain alive.

821
00:50:07,600 --> 00:50:08,640
[lookout] Armies!

822
00:50:09,240 --> 00:50:10,840
Armies approaching!

823
00:50:11,320 --> 00:50:14,240
-[murmuring]
-[lookout] Movement in the tree line.

824
00:50:14,320 --> 00:50:16,280
[man 1] Everyone, get your weapons!

825
00:50:16,800 --> 00:50:18,080
[man 2] To your stations!

826
00:50:18,600 --> 00:50:20,560
[ominous music plays]

827
00:50:20,640 --> 00:50:23,320
[man 2] Close the gate! Close the gate!

828
00:50:24,920 --> 00:50:26,360

[distant yelling]

829

00:50:26,440 --> 00:50:28,440
[marching footsteps approach]

830

00:50:30,200 --> 00:50:31,440
[distant yelling]

831

00:50:42,560 --> 00:50:44,360
[breathes heavily]

832

00:50:48,480 --> 00:50:50,480
[eerie ethereal music plays]

833

00:52:09,480 --> 00:52:10,400
[music ends]
