No, not at all.

164

00:10:44,360 --> 00:10:46,120  
But the facts do matter.

165

00:10:47,240 --> 00:10:48,760  
There was no setback.

166

00:10:49,120 --> 00:10:50,160  
On the contrary.

167  
00:10:51,400 --> 00:10:54,600  
We have lured the witch into a trap  
from which there is no escape.

168  
00:10:54,680 --> 00:10:56,680  
And Glory to God for that.

169  
00:10:57,040 --> 00:10:58,920  
We shall claim the witch's sword

170  
00:10:59,000 --> 00:11:01,880  
and burn a pyre for her  
that will be seen all the way to Rome.

171  
00:11:03,120 --> 00:11:04,440  
And please be assured,

172  
00:11:04,920 --> 00:11:07,520  
your campaign is our campaign.

173  
00:11:08,360 --> 00:11:09,320  
I think you'd agree

174  
00:11:09,400 --> 00:11:11,560  
the victories are not yours or mine,

175  
00:11:12,080 --> 00:11:13,080  
but God's.

176  
00:11:14,280 --> 00:11:15,920  
A bit more mine than yours.

177  
00:11:16,920 --> 00:11:19,080  
So too, then, the setbacks.

178  
00:11:19,160 --> 00:11:20,520  
[tense music plays]

179

00:11:29,000 --> 00:11:30,360  
We will make up your tent.

180  
00:11:33,000 --> 00:11:34,760  
How long should we expect you?

181  
00:11:35,400 --> 00:11:37,160  
As long as God wills it.

182  
00:11:49,480 --> 00:11:52,080  
-[Morgana] A moment, my queen?  
-[Nimue] Please don't call me that.

183  
00:11:52,440 --> 00:11:53,600  
You've earned it.

184  
00:11:53,680 --> 00:11:54,640  
Have I?

185  
00:11:55,720 --> 00:11:57,080  
I fear I've killed us all.

186  
00:11:57,480 --> 00:11:59,080  
You were right to take Gramaire.

187  
00:11:59,680 --> 00:12:02,040  
Now you mustn't hesitate.  
Hawksbridge should be next.

188  
00:12:02,440 --> 00:12:03,440  
Hawksbridge?

189  
00:12:04,440 --> 00:12:06,000  
We're surrounded by two armies.

190  
00:12:06,080 --> 00:12:08,800  
Yours is stronger. You command the Hidden.

191  
00:12:09,520 --> 00:12:10,840  
It's not that simple.

192

00:12:10,920 --> 00:12:11,920  
It is.

193  
00:12:12,400 --> 00:12:15,120  
You just fear the power within you.  
You're running from it.

194  
00:12:15,520 --> 00:12:16,440  
Running from it?

195  
00:12:16,520 --> 00:12:18,280  
You feed on the scraps  
the Hidden throw to you

196  
00:12:18,360 --> 00:12:19,800  
when you should be feasting.

197  
00:12:20,800 --> 00:12:23,280  
The woods beyond those gates  
are filled with rotting paladins,

198  
00:12:23,360 --> 00:12:25,640  
-in case you've forgotten.  
-And then what happened?

199  
00:12:25,720 --> 00:12:28,800  
We hid behind these walls to starve again.  
Just like Moycraig.

200  
00:12:29,160 --> 00:12:32,160  
Fleeing isn't a strategy.  
We have to stand and fight.

201  
00:12:32,240 --> 00:12:34,920  
I'm trying to save the Fey.  
What would you have me do?

202  
00:12:35,000 --> 00:12:36,760  
Be the Wolf-Blood Witch

203  
00:12:36,840 --> 00:12:38,720  
and destroy your enemies.

204  
00:12:39,120 --> 00:12:41,520  
Command the Hidden  
into their bloody camps,

205  
00:12:41,600 --> 00:12:44,680  
into their hearts, into their minds.  
Rip them apart from within.

206  
00:12:44,760 --> 00:12:45,640  
How?

207  
00:12:46,040 --> 00:12:48,160  
-I don't even control--  
-Let the sword guide you.

208  
00:12:49,560 --> 00:12:50,760  
It knows what to do.

209  
00:12:53,160 --> 00:12:55,040  
You want me to be some kind of monster.

210  
00:12:55,640 --> 00:12:57,560  
We can't run from our true nature.

211  
00:13:10,440 --> 00:13:11,920  
[flies buzzing]

212  
00:13:15,560 --> 00:13:16,560  
[Iris] Stupid.

213  
00:13:18,080 --> 00:13:19,080  
Stupid.

214  
00:13:19,480 --> 00:13:21,320  
Stupid. Stupid coward!

215  
00:13:22,000 --> 00:13:22,960  
You're a coward!

216  
00:13:23,040 --> 00:13:24,560  
You coward. Coward!

217  
00:13:27,120 --> 00:13:28,120  
Kill her...

218  
00:13:28,600 --> 00:13:29,840  
or I'll burn you.

219  
00:13:30,600 --> 00:13:32,080  
I swear I'll burn you.

220  
00:13:32,920 --> 00:13:33,920  
Kill her!

221  
00:13:36,280 --> 00:13:37,400  
Kill her!

222  
00:13:39,160 --> 00:13:40,200  
[winces, gasps]

223  
00:13:40,280 --> 00:13:43,120  
I will, I will, I will,  
I will, I will, I will! [sobs]

224  
00:13:43,200 --> 00:13:47,080  
[whispers] I will, I will, I will,  
I will, I will, I will, I will.

225  
00:13:48,080 --> 00:13:49,760  
[dramatic music plays]

226  
00:13:54,000 --> 00:13:55,600  
[villages murmur indistinctly]

227  
00:14:12,720 --> 00:14:13,720  
[Merlin] Nimue.

228  
00:14:16,640 --> 00:14:18,600  
I'm relieved to see you safe and well.

229  
00:14:20,480 --> 00:14:21,600  
No thanks to you.

230

00:14:23,440 --> 00:14:25,600  
Arthur, Morgana, Pym,

231

00:14:25,680 --> 00:14:28,080  
I'd like you to meet Merlin the Magician.

232

00:14:30,640 --> 00:14:31,480  
My father.

233

00:14:31,560 --> 00:14:32,440  
[Pym giggles]

234

00:14:32,520 --> 00:14:34,000  
-Your father?  
-[Pym gasps]

235

00:14:34,520 --> 00:14:36,040  
I just snorted an almond.

236

00:14:36,560 --> 00:14:38,080  
[Pym chuckles]

237

00:14:41,360 --> 00:14:42,680  
Oh, gods, are you serious?

238

00:14:45,880 --> 00:14:49,000  
You truly are without shame,  
coming here after what you did.

239

00:14:49,080 --> 00:14:51,720  
My enemies sent spies to steal the sword.

240

00:14:54,120 --> 00:14:56,600  
Why would I go through all that  
at Culzean Castle?

241

00:14:57,400 --> 00:15:00,400  
-Share my intimate memories of Lenore--  
-To lure me into trusting you.

242

00:15:00,480 --> 00:15:01,760  
[Merlin] Makes no sense.

243  
00:15:01,840 --> 00:15:04,240  
I still wish to see the sword destroyed.

244  
00:15:05,920 --> 00:15:07,520  
But your fates are now entwined.

245  
00:15:08,800 --> 00:15:11,120  
We must work together  
to protect you and the Fey.

246  
00:15:11,200 --> 00:15:13,400  
And when were you ever a friend  
of the Fey?

247  
00:15:14,080 --> 00:15:15,280  
[Merlin] For 700 years,

248  
00:15:15,360 --> 00:15:18,000  
I've stood in the breach  
between men and the Fey,

249  
00:15:18,080 --> 00:15:19,600  
giving all my blood and toil

250  
00:15:19,680 --> 00:15:22,440  
to keep them from tearing out  
each other's throats.

251  
00:15:22,520 --> 00:15:25,200  
-I have failed more than I have won.  
-What do you want?

252  
00:15:26,600 --> 00:15:29,280  
I have bargained for your life  
with Cumber the Ice King.

253  
00:15:31,880 --> 00:15:33,480  
I did not ask you to do this.

254

00:15:34,040 --> 00:15:36,320  
I presented him with a priceless gift

255  
00:15:37,320 --> 00:15:39,760  
that weakens Uther's claim  
to the throne and...

256  
00:15:40,320 --> 00:15:41,320  
strengthens his own.

257  
00:15:43,480 --> 00:15:46,920  
In return, you are invited to his court  
as his prisoner.

258  
00:15:47,000 --> 00:15:48,920  
And you're expected  
to present him with the sword.

259  
00:15:49,000 --> 00:15:50,200  
But your life will be spared.

260  
00:15:50,280 --> 00:15:53,480  
-[Morgana] Hardly the offer of a friend.  
-No, it's the offer of a rival!

261  
00:15:54,440 --> 00:15:57,000  
For that is all that surrounds her now.  
Enemies and rivals.

262  
00:15:57,080 --> 00:15:59,880  
[Morgana] Then we shall fight and prove  
to them who the rightful heir is.

263  
00:15:59,960 --> 00:16:01,840  
To fight is to die.

264  
00:16:04,680 --> 00:16:05,920  
What of the Fey?

265  
00:16:07,680 --> 00:16:10,240  
If I'm to accept this offer,  
what happens to them?

266

00:16:14,520 --> 00:16:16,640  
Journey with me to the Beggar's Coast

267

00:16:17,320 --> 00:16:19,040  
and take an audience with Cumber.

268

00:16:20,600 --> 00:16:23,080  
The raiders are closer to the Fey  
than the Church.

269

00:16:23,520 --> 00:16:26,400  
Together we can plead their case  
and attempt to turn his mind.

270

00:16:31,880 --> 00:16:33,160  
You know my thoughts.

271

00:16:36,480 --> 00:16:37,400  
Arthur?

272

00:16:42,040 --> 00:16:43,840  
If you give this Ice King the sword,

273

00:16:44,200 --> 00:16:46,400  
you become his bargaining chip.

274

00:16:47,120 --> 00:16:49,920  
He's an invader and will seek alliances  
against Uther Pendragon.

275

00:16:50,280 --> 00:16:51,920  
And you become his leverage.

276

00:16:56,480 --> 00:16:58,400  
It appears my advisers agree.

277

00:16:58,760 --> 00:16:59,760  
For once.

278

00:17:00,240 --> 00:17:01,720  
[ethereal music plays]

279

00:17:04,160 --> 00:17:05,920  
I beg you to reconsider.

280

00:17:08,120 --> 00:17:09,120  
I'm sorry.

281

00:17:12,320 --> 00:17:15,720  
We have friends who are still missing.  
We must resume our search efforts.

282

00:17:19,360 --> 00:17:20,360  
You look tired.

283

00:17:22,000 --> 00:17:23,360  
Please, stay the night...

284

00:17:24,080 --> 00:17:25,120  
as our guest.

285

00:17:39,800 --> 00:17:41,280  
[ominous music plays]

286

00:17:50,920 --> 00:17:51,920  
[Arthur] Sister.

287

00:17:57,720 --> 00:17:59,720  
-How long were you there?  
-[Arthur] What?

288

00:18:01,400 --> 00:18:03,280  
-Were you spying on me?  
-Are you mad?

289

00:18:04,120 --> 00:18:05,560  
What do you want, Arthur?

290

00:18:07,520 --> 00:18:08,880  
I want us to talk for once.

291

00:18:09,760 --> 00:18:11,920

We're blood.  
And we're the only family we've got.

292  
00:18:12,000 --> 00:18:15,080  
So if you have something to say to me...  
here I am.

293  
00:18:19,800 --> 00:18:21,000  
Seeing Uncle...

294  
00:18:22,120 --> 00:18:23,120  
[hesitates]

295  
00:18:24,040 --> 00:18:25,360  
...leaves a bitter taste.

296  
00:18:27,800 --> 00:18:29,320  
And that you went to him.

297  
00:18:30,000 --> 00:18:31,120  
To beg his blessing.

298  
00:18:32,240 --> 00:18:34,480  
Even after everything he did to us.

299  
00:18:35,040 --> 00:18:36,400  
Arthur, you brought him the sword,

300  
00:18:36,480 --> 00:18:38,080  
-of all things.  
-That's not what happened.

301  
00:18:38,160 --> 00:18:39,800  
-There was a tournament.  
-Oh, a tournament!

302  
00:18:39,880 --> 00:18:41,120  
-Oh well!  
-Yes, a tournament.

303  
00:18:41,200 --> 00:18:43,080  
To try to be something. Anything!

304

00:18:46,160 --> 00:18:47,280  
[poignant music plays]

305

00:18:47,360 --> 00:18:50,520  
You lord this over me, how he took you,  
and I never stopped him.

306

00:18:53,520 --> 00:18:54,640  
But wh... what was I?

307

00:18:55,920 --> 00:18:58,000  
I was 12 years old. With debts.

308

00:18:59,000 --> 00:19:00,040  
Debts that...

309

00:19:00,120 --> 00:19:03,200  
They weigh onto me like bloody chains  
to this very day.

310

00:19:03,680 --> 00:19:05,080  
It's 'cause of our father.

311

00:19:06,160 --> 00:19:08,800  
Left scrounging in the dirt  
for scraps of silver.

312

00:19:10,400 --> 00:19:11,680  
Like a stinking beggar.

313

00:19:11,760 --> 00:19:12,920  
[sobs quietly]

314

00:19:14,080 --> 00:19:15,080  
[Arthur sniffles]

315

00:19:15,480 --> 00:19:18,880  
So, yes, if... if knocking  
some daddy's boy from his horse

316

00:19:18,960 --> 00:19:21,680  
can give me a shred of honor,  
then so be it.

317

00:19:22,040 --> 00:19:23,520  
You're better than him, brother.

318

00:19:23,600 --> 00:19:25,360  
That's not what this castle says.

319

00:19:25,440 --> 00:19:27,280  
Is that how you judge a man's worth?

320

00:19:27,760 --> 00:19:29,520  
-By castles?  
-By land.

321

00:19:29,600 --> 00:19:30,600  
By title.

322

00:19:31,280 --> 00:19:33,040  
That's... that's the common way.

323

00:19:33,120 --> 00:19:34,280  
You are not common.

324

00:19:39,920 --> 00:19:40,880  
[Morgana sighs]

325

00:19:42,360 --> 00:19:43,840  
Something troubles you.

326

00:19:46,680 --> 00:19:48,360  
Yeah, we're surrounded by armies.

327

00:19:48,440 --> 00:19:51,160  
Yes. But you have been removed  
these last weeks. And...

328

00:19:55,280 --> 00:19:56,760  
Is it the convent girl?

329

00:20:00,840 --> 00:20:02,280

-I'm fine.

-We don't have to do this.

330

00:20:02,360 --> 00:20:04,680

-I can be here for you. I--

-I'm fine. Thank you.

331

00:20:10,280 --> 00:20:12,240

Well, then, um...

332

00:20:17,160 --> 00:20:19,600

I won't allow her  
to give up that sword, Arthur.

333

00:20:20,000 --> 00:20:21,840

The way it looks, she won't have a choice.

334

00:20:21,920 --> 00:20:23,200

There's always a choice.

335

00:20:23,280 --> 00:20:25,200

You'd rather see her dead than give it up?

336

00:20:25,280 --> 00:20:28,400

I'd rather see her die  
with the sword in her hand, fighting.

337

00:20:29,440 --> 00:20:31,240

To trust them is death.

338

00:20:32,880 --> 00:20:34,200

Is there anyone you trust?

339

00:20:46,480 --> 00:20:47,600

[door closes]

340

00:20:49,960 --> 00:20:51,960

[tense music plays]

341

00:20:54,640 --> 00:20:57,360

[Celia] Your destiny is much greater  
than you believe.

342

00:20:57,840 --> 00:21:01,160  
See, you follow this one and that one  
because you fear your own power.

343

00:21:01,240 --> 00:21:04,600  
But the Cailleach told me who would be  
the greatest sorceress in Britannia,

344

00:21:04,680 --> 00:21:06,560  
and it is not the Wolf-Blood Witch.

345

00:21:06,640 --> 00:21:08,120  
It's you, Morgana.

346

00:21:10,600 --> 00:21:12,240  
[ominous music plays]

347

00:21:24,880 --> 00:21:27,120  
You had us worried, my son.

348

00:21:27,200 --> 00:21:28,320  
Is this him?

349

00:21:29,640 --> 00:21:31,880  
Is this the famous Weeping Monk?

350

00:21:32,320 --> 00:21:35,880  
His Holiness has sent Abbot Wicklow  
to observe us

351

00:21:35,960 --> 00:21:37,720  
in our campaign against the Fey.

352

00:21:41,680 --> 00:21:43,760  
So... what have you brought us?

353

00:21:46,320 --> 00:21:47,440  
The Green Knight.

354

00:21:51,200 --> 00:21:53,200  
God smiles on us today.

355

00:21:54,240 --> 00:21:55,960  
-[chuckles]  
-[horse snorts]

356

00:21:56,560 --> 00:21:57,800  
[Carden] Oh yes.

357

00:21:59,280 --> 00:22:00,360  
This one...

358

00:22:00,840 --> 00:22:03,200  
This one likes to hide up trees  
and shoot my men.

359

00:22:03,720 --> 00:22:06,640  
One of them died in my arms  
on a ride through the Minotaur.

360

00:22:07,280 --> 00:22:09,880  
His name was Peter, if I recall.

361

00:22:10,560 --> 00:22:11,960  
Fourteen. Butcher boy.

362

00:22:12,440 --> 00:22:14,200  
Got a barbed arrow in the neck.

363

00:22:14,720 --> 00:22:16,760  
Died swallowing his own blood.

364

00:22:17,800 --> 00:22:19,800  
Are you proud of that, Green Knight?

365

00:22:22,080 --> 00:22:23,040  
No?

366

00:22:23,120 --> 00:22:24,080  
No answer?

367

00:22:25,040 --> 00:22:26,040

We like that.

368

00:22:26,400 --> 00:22:29,680

We have Brother Salt and his kitchens  
for the quiet ones.

369

00:22:35,400 --> 00:22:36,560

Uncanny.

370

00:22:38,360 --> 00:22:40,440

He almost passes for human.

371

00:22:41,680 --> 00:22:43,000

Some can, yes.

372

00:22:43,480 --> 00:22:45,040

And that's how they spread.

373

00:22:48,680 --> 00:22:49,720

By fire...

374

00:22:50,720 --> 00:22:51,800

or by steel,

375

00:22:53,360 --> 00:22:55,400

you will sing to us.

376

00:22:56,400 --> 00:22:59,800

And you will tell us all we need to know  
about your witch.

377

00:23:01,960 --> 00:23:03,840

You want my words, priest?

378

00:23:04,240 --> 00:23:05,680

Oh, I do. I do.

379

00:23:07,120 --> 00:23:08,120

Are you sure?

380  
00:23:09,720 --> 00:23:11,080  
I know many things.

381  
00:23:13,600 --> 00:23:14,720  
Many secrets.

382  
00:23:14,800 --> 00:23:16,560  
[breathes heavily]

383  
00:23:22,640 --> 00:23:24,000  
Take him to Brother Salt.

384  
00:23:25,320 --> 00:23:26,320  
[Gawain groans]

385  
00:23:43,280 --> 00:23:44,640  
[horse brays]

386  
00:23:45,680 --> 00:23:47,000  
[distant yelling]

387  
00:23:52,960 --> 00:23:54,400  
[footsteps approach]

388  
00:24:01,720 --> 00:24:03,200  
What's all that about?

389  
00:24:04,200 --> 00:24:07,320  
Oh, we've just had  
a very pleasant conversation

390  
00:24:07,400 --> 00:24:08,480  
with Father Carden.

391  
00:24:08,560 --> 00:24:11,960  
We found him to be  
a very reasonable fellow.

392  
00:24:12,040 --> 00:24:13,960  
Regarding what, exactly?

393

00:24:14,840 --> 00:24:18,480  
Well, we told him we intend  
to lead the siege of Gramaire,

394

00:24:18,560 --> 00:24:21,000  
and he seemed very amenable.

395

00:24:21,080 --> 00:24:23,880  
Of course, they get the witch,  
we get the sword.

396

00:24:23,960 --> 00:24:28,400  
But we also agreed a return  
of most of the occupied territories.

397

00:24:29,760 --> 00:24:30,600  
So...

398

00:24:32,320 --> 00:24:33,240  
cheers.

399

00:24:34,320 --> 00:24:36,480  
You went behind my back.

400

00:24:36,560 --> 00:24:38,680  
We thought you might praise  
our initiative.

401

00:24:40,600 --> 00:24:41,440  
[slurps]

402

00:24:42,880 --> 00:24:45,760  
You know you are a terrible negotiator,  
Uther.

403

00:24:47,320 --> 00:24:49,760  
Now, I don't suppose  
you got any of this in writing?

404

00:24:49,840 --> 00:24:51,480  
Our scribe was present.

405  
00:24:51,560 --> 00:24:52,960  
We're sure you'll find the terms...

406  
00:24:53,040 --> 00:24:54,480  
-[clears throat]  
-...quite agreeable.

407  
00:24:54,560 --> 00:24:55,600  
[queen regent coughs]

408  
00:24:55,680 --> 00:24:58,720  
Who will negotiate these new borders,  
for example?

409  
00:24:59,480 --> 00:25:01,640  
[hoarse]  
They've scourged half of Aquitania.

410  
00:25:01,720 --> 00:25:03,640  
-[Lenore clears throat]  
-You were saying?

411  
00:25:03,720 --> 00:25:04,640  
Oh!

412  
00:25:04,720 --> 00:25:06,400  
This wine isn't agreeing with me.

413  
00:25:06,480 --> 00:25:07,520  
Yes, the borders.

414  
00:25:07,600 --> 00:25:10,520  
Well, we may have missed some details.

415  
00:25:10,600 --> 00:25:12,480  
-[coughs]  
-We're sure you'll clean it all up.

416  
00:25:12,560 --> 00:25:14,440  
-Uther, fetch the healer.  
-Yes, Mother?

417  
00:25:14,520 --> 00:25:16,000  
-Fetch the bloody hea--  
-Fetch what?

418  
00:25:16,080 --> 00:25:18,000  
[choking coughs]

419  
00:25:18,080 --> 00:25:19,400  
Of course, we forgot to mention

420  
00:25:19,480 --> 00:25:20,920  
-that we had...  
-[coughs]

421  
00:25:21,000 --> 00:25:23,120  
-...Borley inquire...  
-[coughs, gasps]

422  
00:25:23,200 --> 00:25:24,880  
...quite discreetly, of course,

423  
00:25:24,960 --> 00:25:27,640  
-into the circumstances of our birth.  
-[Lenore coughs]

424  
00:25:28,040 --> 00:25:30,120  
-[Lenore splutters]  
-Not easy, we can assure you.

425  
00:25:30,200 --> 00:25:33,120  
You went to very great lengths  
to conceal your tracks.

426  
00:25:33,200 --> 00:25:34,720  
-[strained breathing]  
-However,

427  
00:25:34,800 --> 00:25:36,800  
with the resources of the Crown,

428  
00:25:37,800 --> 00:25:40,240

we found a single record...

429

00:25:41,240 --> 00:25:43,760  
of a peasant girl named Sylvia.

430

00:25:44,760 --> 00:25:45,880  
She worked a farm...

431

00:25:46,520 --> 00:25:48,000  
quite close to the castle,

432

00:25:48,720 --> 00:25:49,800  
and she died,

433

00:25:50,560 --> 00:25:52,400  
rather mysteriously,

434

00:25:52,480 --> 00:25:56,080  
after drinking a cup of spiced wine.

435

00:25:57,360 --> 00:25:58,600  
[shallow breathing]

436

00:26:01,000 --> 00:26:03,920  
She was only 19 years.

437

00:26:05,280 --> 00:26:07,640  
-[Uther sobs] Was this her?  
-[shallow breathing]

438

00:26:08,320 --> 00:26:11,680  
Was this our mother you had killed?

439

00:26:15,720 --> 00:26:18,480  
These last few days,

440

00:26:19,320 --> 00:26:22,960  
we have thought a great deal  
about this Sylvia,

441

00:26:23,640 --> 00:26:27,440

about the kind of mother  
she might have been to us.

442  
00:26:28,040 --> 00:26:29,080  
And let's be honest,

443  
00:26:29,160 --> 00:26:32,000  
it's no surprise  
you gave birth to a stillborn.

444  
00:26:33,080 --> 00:26:37,640  
We imagine it would be very hard  
for any child to live inside of you.

445  
00:26:38,280 --> 00:26:40,280  
With all that cold blood.

446  
00:26:41,600 --> 00:26:45,160  
So whatever fantasies we've entertained  
these last few days,

447  
00:26:47,440 --> 00:26:49,000  
of a life we'll never know,

448  
00:26:50,360 --> 00:26:53,240  
of a kindness we'll never feel...

449  
00:26:55,040 --> 00:26:58,360  
let this final toast between us

450  
00:26:59,680 --> 00:27:01,040  
erase all doubt.

451  
00:27:02,240 --> 00:27:04,640  
I am now

452  
00:27:05,280 --> 00:27:06,520  
and forever...

453  
00:27:08,520 --> 00:27:09,640  
your son.

454  
00:27:19,440 --> 00:27:21,440  
[choked sobbing]

455  
00:27:26,120 --> 00:27:27,560  
[sobs loudly]

456  
00:27:32,280 --> 00:27:34,640  
[sobbing becomes maniacal laughter]

457  
00:27:37,520 --> 00:27:38,360  
Borley!

458  
00:27:39,120 --> 00:27:41,320  
[gasps] Borley, come quickly!

459  
00:27:45,680 --> 00:27:48,960  
-I'll send for the healer!  
-[Uther] Don't bother, she's gone.

460  
00:27:49,040 --> 00:27:50,680  
-There may still be--  
-She's...

461  
00:27:52,560 --> 00:27:53,400  
gone.

462  
00:27:55,200 --> 00:27:56,840  
[sniffles]

463  
00:28:00,640 --> 00:28:02,200  
[breathes heavily]

464  
00:28:04,880 --> 00:28:06,040  
Prepare your horse.

465  
00:28:09,880 --> 00:28:12,680  
I have a message for you to deliver.

466  
00:28:13,560 --> 00:28:14,560  
[Borley] Yes...

467

00:28:15,120 --> 00:28:16,160  
Your Majesty.

468

00:28:16,240 --> 00:28:17,960  
[Uther breathes heavily]

469

00:28:19,400 --> 00:28:21,480  
[footsteps recede]

470

00:28:23,040 --> 00:28:24,200  
[relieved sigh]

471

00:28:26,840 --> 00:28:28,600  
[Borley] His Majesty Uther Pendragon

472

00:28:28,680 --> 00:28:31,600  
congratulates the Fey Queen  
on her military victory,

473

00:28:32,280 --> 00:28:35,080  
but has sent me  
with the terms for your surrender.

474

00:28:35,160 --> 00:28:37,480  
-There will be no surrender--  
-Speak your terms.

475

00:28:38,000 --> 00:28:41,880  
The Fey army must surrender its weapons  
and leave Gramaire within 24 hours,

476

00:28:41,960 --> 00:28:45,200  
at which time you will present yourself  
to His Majesty's forces

477

00:28:45,280 --> 00:28:46,840  
and be judged for your crimes.

478

00:28:46,920 --> 00:28:48,160  
What crimes?

479

00:28:49,640 --> 00:28:51,160  
You occupy his city.

480  
00:28:51,600 --> 00:28:53,160  
I liberated his city.

481  
00:28:53,240 --> 00:28:54,440  
Well, he wants it back.

482  
00:28:54,520 --> 00:28:58,320  
The only reason we are here is because  
the king refused to protect my people.

483  
00:28:58,400 --> 00:28:59,640  
May I finish?

484  
00:29:01,120 --> 00:29:03,880  
Should the Fey Queen  
surrender herself peacefully,

485  
00:29:04,480 --> 00:29:06,400  
King Uther is willing to show lenience

486  
00:29:06,480 --> 00:29:09,560  
by allowing you to live out  
your natural years in his dungeons,

487  
00:29:09,640 --> 00:29:12,120  
provided you relinquish to his possession

488  
00:29:12,680 --> 00:29:13,840  
the Sword of Power.

489  
00:29:16,640 --> 00:29:17,760  
And what of the Fey?

490  
00:29:18,800 --> 00:29:19,880  
What happens to them?

491  
00:29:20,880 --> 00:29:22,720  
If they abandon this city  
and their weapons,

492

00:29:22,800 --> 00:29:24,520  
then they may return to their homes.

493

00:29:24,600 --> 00:29:27,480  
What homes?  
Father Carden burned them all.

494

00:29:28,000 --> 00:29:29,760  
Well, then they can go somewhere else.

495

00:29:30,360 --> 00:29:33,040  
To the roads?  
To be slaughtered by the Red Paladins?

496

00:29:33,120 --> 00:29:36,000  
-Madam, you are in no position to--  
-Oh no. I am.

497

00:29:37,560 --> 00:29:40,000  
[rousing music plays]

498

00:29:40,080 --> 00:29:43,120  
A Viking king made a very appealing offer  
to acquire my sword

499

00:29:43,200 --> 00:29:46,040  
in return  
for some very favorable protections.

500

00:29:47,760 --> 00:29:49,720  
This is all I am prepared to offer.

501

00:29:54,920 --> 00:29:57,080  
This is the Sword of the First Kings.

502

00:29:59,480 --> 00:30:03,280  
If Uther Pendragon deems himself  
worthy of it, let him prove it.

503

00:30:04,560 --> 00:30:07,080  
Be a king to all, men and Fey alike.

504

00:30:10,080 --> 00:30:11,080  
You may go.

505

00:30:19,360 --> 00:30:20,760  
[Borley] Just to be clear.

506

00:30:22,600 --> 00:30:25,840  
Were King Uther to guarantee protection  
for your kind,

507

00:30:26,520 --> 00:30:30,200  
you would, in return,  
surrender yourself and the sword?

508

00:30:30,280 --> 00:30:31,160  
Don't answer.

509

00:30:31,640 --> 00:30:33,320  
[suspenseful music plays]

510

00:30:35,120 --> 00:30:36,120  
I would.

511

00:30:36,720 --> 00:30:38,840  
[ominous music plays]

512

00:30:52,880 --> 00:30:54,640  
[distant yelling]

513

00:31:00,040 --> 00:31:01,440  
[speaking foreign language]

514

00:31:01,520 --> 00:31:02,520  
Man Blood.

515

00:31:03,280 --> 00:31:04,840  
[speaking foreign language]

516

00:31:06,280 --> 00:31:07,760  
[speaking foreign language]

517  
00:31:09,480 --> 00:31:10,520  
I don't understand.

518  
00:31:11,320 --> 00:31:14,960  
[speaking foreign language]

519  
00:31:17,560 --> 00:31:19,080  
I don't want to hurt you.

520  
00:31:19,160 --> 00:31:20,440  
[tense music plays]

521  
00:31:23,720 --> 00:31:24,640  
[man groans]

522  
00:31:27,320 --> 00:31:28,160  
[Fey man grunts]

523  
00:31:28,880 --> 00:31:30,920  
-[grunting]  
-[groaning]

524  
00:31:32,280 --> 00:31:33,760  
[grunting]

525  
00:31:39,920 --> 00:31:41,160  
[distant yelling]

526  
00:31:46,720 --> 00:31:48,000  
[sizzling]

527  
00:31:51,360 --> 00:31:52,760  
[metal clanging]

528  
00:32:01,920 --> 00:32:03,200  
Do you know me, friend?

529  
00:32:06,240 --> 00:32:09,240  
Have you heard of Brother Salt  
and his kitchen?

530  
00:32:10,000 --> 00:32:11,160  
[water sloshes]

531  
00:32:11,240 --> 00:32:12,560  
[Salt inhales sharply]

532  
00:32:13,080 --> 00:32:14,280  
[exhales slowly]

533  
00:32:16,760 --> 00:32:19,400  
Let me introduce you  
to some of my friends.

534  
00:32:20,520 --> 00:32:22,400  
"God's Fingers," I call 'em.

535  
00:32:23,920 --> 00:32:26,600  
Each is named for his Archangels.

536  
00:32:27,200 --> 00:32:28,480  
[sizzling]

537  
00:32:29,280 --> 00:32:30,640  
This is Michael.

538  
00:32:32,240 --> 00:32:36,560  
See? When I put Michael in the fire,  
he glows a beautiful white.

539  
00:32:37,760 --> 00:32:39,160  
Even I can see it.

540  
00:32:39,840 --> 00:32:41,760  
The light of truth.

541  
00:32:42,680 --> 00:32:44,440  
For Michael is truth.

542  
00:32:46,680 --> 00:32:49,160  
You can only speak truth to Michael.

543

00:32:49,800 --> 00:32:51,800  
-[sizzling]  
-[rapid breathing]

544

00:32:54,640 --> 00:32:55,600  
Uh-huh.

545

00:32:56,400 --> 00:32:57,600  
But don't worry.

546

00:32:57,680 --> 00:32:59,240  
-[grabs Gawain]  
-[Gawain grunts]

547

00:33:00,480 --> 00:33:01,960  
You will meet them all.

548

00:33:03,800 --> 00:33:05,600  
[heavy breathing]

549

00:33:06,120 --> 00:33:08,000  
-[Nimue] When did this happen?  
-A few hours ago.

550

00:33:08,080 --> 00:33:09,720  
A Tusk and his mates  
beat a miller to death

551

00:33:09,800 --> 00:33:11,440  
for having a painted red cross  
on his door.

552

00:33:11,520 --> 00:33:14,000  
-They all painted crosses on their doors.  
-I know.

553

00:33:17,720 --> 00:33:19,000  
What is your name?

554

00:33:21,080 --> 00:33:22,080  
[Arthur] Answer her.

555

00:33:25,160 --> 00:33:26,440

Bu'luf.

556

00:33:26,840 --> 00:33:29,760

You're aware the Red Paladins  
took this city first, are you not?

557

00:33:31,360 --> 00:33:33,440

And that non-Christians were singled out,

558

00:33:34,200 --> 00:33:37,320

hung on stakes and burned to death?

559

00:33:38,120 --> 00:33:41,080

As a result, many of Gramaire's people  
painted crosses on their doors

560

00:33:41,160 --> 00:33:42,360

to protect their families.

561

00:33:43,600 --> 00:33:46,560

The young have war blood.

562

00:33:47,120 --> 00:33:48,560

After battle, they...

563

00:33:49,920 --> 00:33:50,800

they...

564

00:33:51,600 --> 00:33:52,720

[speaking Tusk]

565

00:33:55,160 --> 00:33:57,120

After a battle, the blood is still hot,

566

00:33:57,200 --> 00:33:58,840

and they get into fights.

567

00:33:58,920 --> 00:34:01,160

[Ector] Then go back to your caves,

568

00:34:01,240 --> 00:34:02,760  
because you're animals

569

00:34:02,840 --> 00:34:05,720  
-with no place in the civilized world!  
-[Bu'luf growls]

570

00:34:06,600 --> 00:34:07,680  
Enough!

571

00:34:08,560 --> 00:34:09,840  
[mystical twinkling]

572

00:34:11,440 --> 00:34:12,800  
[Nimue] Bring him forward.

573

00:34:15,200 --> 00:34:16,240  
[exhales sharply]

574

00:34:23,600 --> 00:34:24,520  
[growls]

575

00:34:26,800 --> 00:34:29,160  
I made it clear when we took this city,

576

00:34:29,240 --> 00:34:31,200  
no humankind were to be harmed.

577

00:34:33,360 --> 00:34:36,200  
It was not a request  
but a command from your queen.

578

00:34:44,480 --> 00:34:45,720  
What is on your hands?

579

00:34:51,440 --> 00:34:52,560  
Man blood.

580

00:34:52,640 --> 00:34:53,800  
[whispering] Man blood.

581  
00:34:53,880 --> 00:34:54,920  
You defied me.

582  
00:34:55,000 --> 00:34:56,520  
[indistinct whispering]

583  
00:34:58,120 --> 00:34:59,200  
[snickers]

584  
00:34:59,760 --> 00:35:01,080  
[whispering intensifies]

585  
00:35:01,160 --> 00:35:02,600  
Do you think that's funny?

586  
00:35:04,920 --> 00:35:06,080  
Ya!

587  
00:35:06,600 --> 00:35:07,880  
[pained yelling]

588  
00:35:07,960 --> 00:35:10,440  
-Defy me again, I'll have your head!  
-[pained yelling]

589  
00:35:10,520 --> 00:35:12,160  
Get your filth--

590  
00:35:12,240 --> 00:35:14,240  
[Bu'luf groans]

591  
00:35:14,920 --> 00:35:16,040  
[Nimue] Stay back.

592  
00:35:16,760 --> 00:35:18,080  
[tense music plays]

593  
00:35:19,200 --> 00:35:20,640  
[indistinct whispering]

594  
00:35:20,720 --> 00:35:21,600  
[Nimue] Go!

595  
00:35:35,280 --> 00:35:36,560  
Hang them from the gates.

596  
00:35:38,800 --> 00:35:40,600  
[shouts] Hang them from the gates!

597  
00:35:45,720 --> 00:35:46,720  
[sizzling]

598  
00:35:50,600 --> 00:35:51,760  
[Salt gasps]

599  
00:35:53,080 --> 00:35:54,040  
[Salt gasps]

600  
00:35:54,480 --> 00:35:56,000  
[Salt] This one breaks slow.

601  
00:35:57,360 --> 00:35:58,360  
Some soup,

602  
00:35:59,880 --> 00:36:01,120  
then we start again.

603  
00:36:07,080 --> 00:36:08,560  
[wincing, pained breathing]

604  
00:36:08,640 --> 00:36:10,120  
[pained breathing continues]

605  
00:36:26,000 --> 00:36:27,960  
Don't be afraid, Ash Man.

606  
00:36:29,640 --> 00:36:30,600  
I don't bite.

607  
00:36:32,760 --> 00:36:33,880

It's those eyes.

608

00:36:35,840 --> 00:36:37,440  
The mark of the Ash Folk.

609

00:36:38,960 --> 00:36:41,520  
There haven't been any  
in these lands for centuries.

610

00:36:42,920 --> 00:36:45,640  
[winces] How did you find your way here?

611

00:36:46,400 --> 00:36:47,480  
[exhales sharply]

612

00:36:50,520 --> 00:36:52,400  
Have you just come to watch me die?

613

00:36:52,480 --> 00:36:53,760  
Why didn't you tell them?

614

00:36:56,680 --> 00:36:57,560  
Before...

615

00:36:58,760 --> 00:37:01,120  
you could have told them.  
But you didn't. Why?

616

00:37:01,200 --> 00:37:03,120  
Because all Fey are brothers.

617

00:37:03,200 --> 00:37:04,720  
Even the lost ones.

618

00:37:07,960 --> 00:37:08,800  
[groans lightly]

619

00:37:08,880 --> 00:37:11,320  
This suffering, it will cleanse you.

620

00:37:13,040 --> 00:37:14,720

You parrot their words,

621

00:37:16,240 --> 00:37:17,960  
but you know it's all lies.

622

00:37:19,800 --> 00:37:22,000  
I can feel it in you, my brother.

623

00:37:22,080 --> 00:37:23,280  
You are not my brother.

624

00:37:23,360 --> 00:37:26,120  
[Gawain] They have turned your mind  
so far inside out...

625

00:37:27,240 --> 00:37:30,280  
that you don't know the difference  
between kindness...

626

00:37:31,360 --> 00:37:32,320  
and hate.

627

00:37:33,920 --> 00:37:35,240  
Who did this to you?

628

00:37:36,360 --> 00:37:37,880  
We are saving souls.

629

00:37:40,080 --> 00:37:41,040  
Your soul.

630

00:37:42,120 --> 00:37:44,360  
Tell that to the little ones  
that you burn.

631

00:37:44,440 --> 00:37:46,000  
I don't harm the children.

632

00:37:46,080 --> 00:37:47,640  
[Gawain] You burn their homes,

633

00:37:48,000 --> 00:37:51,080  
you slay their mothers and their fathers,

634

00:37:51,160 --> 00:37:53,040  
and you watch your Red Brothers

635

00:37:53,720 --> 00:37:55,920  
run them down on horses.

636

00:37:56,000 --> 00:37:59,280  
And you see it all  
through those weeping eyes.

637

00:37:59,920 --> 00:38:01,360  
That makes you guilty.

638

00:38:02,640 --> 00:38:03,520  
Brother!

639

00:38:04,880 --> 00:38:05,920  
You can fight.

640

00:38:07,640 --> 00:38:09,360  
I've never seen anything like it.

641

00:38:10,000 --> 00:38:12,920  
You could be our greatest warrior.

642

00:38:15,600 --> 00:38:17,480  
Your people need you.

643

00:38:17,560 --> 00:38:18,840  
You are not my people.

644

00:38:21,160 --> 00:38:22,240  
Then tell them.

645

00:38:24,440 --> 00:38:26,040  
If this is where you belong,

646

00:38:27,840 --> 00:38:29,080

tell them what you are.

647

00:38:38,440 --> 00:38:39,880  
I'll pray for you.

648

00:38:40,960 --> 00:38:42,200  
And I for you.

649

00:38:51,160 --> 00:38:52,320  
[breathes shakily]

650

00:39:18,840 --> 00:39:19,880  
[inhales deeply]

651

00:39:19,960 --> 00:39:21,360  
[knocking on door]

652

00:39:23,080 --> 00:39:24,120  
Just a moment.

653

00:39:30,360 --> 00:39:32,000  
-Am I intruding?  
-Not at all.

654

00:39:32,400 --> 00:39:33,400  
Please.

655

00:39:33,960 --> 00:39:35,240  
[door closes]

656

00:39:37,280 --> 00:39:38,600  
-What's happened?  
-[sighs]

657

00:39:40,240 --> 00:39:41,640  
[breathes heavily]

658

00:39:46,920 --> 00:39:48,560  
Is this what it felt like?

659

00:39:53,480 --> 00:39:54,320

Yes.

660

00:39:57,760 --> 00:39:59,520  
King Uther has sent us a messenger.

661

00:40:00,880 --> 00:40:02,360  
But I fear to give it up.

662

00:40:05,480 --> 00:40:06,400  
Naturally.

663

00:40:06,960 --> 00:40:09,360  
But if I do,  
will it end all of this suffering?

664

00:40:11,920 --> 00:40:12,760  
Will it?

665

00:40:13,320 --> 00:40:14,480  
I wish I knew.

666

00:40:14,560 --> 00:40:15,440  
[sighs]

667

00:40:16,840 --> 00:40:17,920  
What's the point?

668

00:40:18,800 --> 00:40:20,240  
What difference does it make?

669

00:40:20,320 --> 00:40:22,280  
The difference is,  
your life may be spared.

670

00:40:22,360 --> 00:40:23,840  
But my people will die.

671

00:40:23,920 --> 00:40:25,640  
You can't save them, Nimue.

672

00:40:26,840 --> 00:40:28,680

The Age of Men is upon us.

673

00:40:28,760 --> 00:40:29,840  
[Nimue sobs lightly]

674

00:40:32,480 --> 00:40:33,920  
First, they took the rivers.

675

00:40:35,920 --> 00:40:37,760  
And so the Fey hid in the forests.

676

00:40:37,840 --> 00:40:39,080  
[poignant music plays]

677

00:40:39,520 --> 00:40:41,480  
[Merlin] When they came for the trees,

678

00:40:42,160 --> 00:40:43,560  
the Fey hid in the caves.

679

00:40:45,200 --> 00:40:46,360  
Then the swamps.

680

00:40:47,320 --> 00:40:49,720  
Some evolved to the mountain rocks.

681

00:40:51,000 --> 00:40:52,960  
Some to the under-Earth tunnels.

682

00:40:54,280 --> 00:40:59,120  
Then the men built their mines  
and came for the iron hidden there.

683

00:41:00,160 --> 00:41:02,480  
And so it has been for a thousand years.

684

00:41:04,720 --> 00:41:06,200  
You can't change this, Nimue.

685

00:41:09,080 --> 00:41:11,400  
-Then I will share their fate.

-No.

686

00:41:11,480 --> 00:41:13,040  
[ethereal music plays]

687

00:41:13,120 --> 00:41:14,160  
Why not?

688

00:41:15,160 --> 00:41:16,560  
[mystical twinkling]

689

00:41:21,280 --> 00:41:22,960  
I'm not yours to save.

690

00:41:23,360 --> 00:41:25,400  
What point is there  
in being a martyr to your race

691

00:41:25,480 --> 00:41:27,480  
when there are none left to worship you?

692

00:41:29,040 --> 00:41:30,720  
Any fool can die.

693

00:41:30,800 --> 00:41:32,280  
Living takes imagination.

694

00:41:35,080 --> 00:41:36,080  
[sighs]

695

00:41:37,200 --> 00:41:39,880  
Please reconsider the Ice King's offer.

696

00:41:40,560 --> 00:41:41,920  
[inhales shakily, sighs]

697

00:41:46,680 --> 00:41:47,840  
Please.

698

00:41:53,280 --> 00:41:54,160  
[Iris] Milady?

699

00:41:55,960 --> 00:41:56,840  
Milady?

700

00:41:58,040 --> 00:42:01,120  
-Oh, you're talking to me?  
-You live in the castle, don't you?

701

00:42:01,520 --> 00:42:04,160  
-Uh, yeah, I suppose, for the moment.  
-May I clean for you?

702

00:42:04,240 --> 00:42:06,360  
I'll work hard.  
I'll take food for payment.

703

00:42:06,440 --> 00:42:07,480  
It won't cost you.

704

00:42:07,840 --> 00:42:09,000  
I do my own wash.

705

00:42:09,080 --> 00:42:10,200  
Thanks.

706

00:42:10,280 --> 00:42:11,280  
I stitch as well.

707

00:42:11,880 --> 00:42:12,800  
[Pym] Sorry.

708

00:42:14,040 --> 00:42:14,960  
Shoe mending?

709

00:42:15,440 --> 00:42:16,280  
Cooking?

710

00:42:16,920 --> 00:42:19,760  
My father is ill, you see,  
and we need the work.

711

00:42:20,200 --> 00:42:22,360  
I'm not the one to ask.  
I can check for you though.

712  
00:42:22,440 --> 00:42:25,920  
I'm sure if you just bring me in,  
no one will notice in such a big castle.

713  
00:42:26,760 --> 00:42:28,960  
If you don't like my work,  
just send me away.

714  
00:42:29,040 --> 00:42:31,040  
I'm really not looking for any help.

715  
00:42:31,120 --> 00:42:33,520  
So my father should just die, is that it?

716  
00:42:34,000 --> 00:42:34,920  
What? No.

717  
00:42:38,360 --> 00:42:40,160  
You're one of those, aren't you?

718  
00:42:41,920 --> 00:42:43,440  
Those that pass for human,

719  
00:42:44,600 --> 00:42:45,520  
just like her.

720  
00:42:46,440 --> 00:42:47,480  
Piss off.

721  
00:42:48,440 --> 00:42:49,840  
[Iris] You're not, you know.

722  
00:42:51,320 --> 00:42:52,360  
You're not human.

723  
00:43:05,200 --> 00:43:06,120  
[grunting]

724  
00:43:06,640 --> 00:43:07,880  
[heavy breathing]

725  
00:43:16,080 --> 00:43:17,280  
[Squirrel] Green Knight?

726  
00:43:21,400 --> 00:43:22,960  
Squirrel? No.

727  
00:43:23,520 --> 00:43:26,200  
No. No, no, no. No. No.

728  
00:43:26,280 --> 00:43:28,720  
-We've got to get you out.  
-You have to get out of here now.

729  
00:43:28,800 --> 00:43:31,080  
-Go, Squirrel!  
-I won't leave you here.

730  
00:43:31,160 --> 00:43:32,040  
Percival!

731  
00:43:34,800 --> 00:43:35,800  
I can't.

732  
00:43:37,480 --> 00:43:38,680  
My legs don't work.

733  
00:43:40,440 --> 00:43:41,560  
I can't run.

734  
00:43:43,120 --> 00:43:44,040  
Leave me.

735  
00:43:45,960 --> 00:43:47,040  
I won't. [sobs]

736  
00:43:47,560 --> 00:43:48,960  
Nimue needs you.

737

00:43:52,240 --> 00:43:53,320  
Percival,

738

00:43:53,960 --> 00:43:56,240  
I wish I had a hundred with your courage.

739

00:43:58,880 --> 00:44:00,000  
Now kneel.

740

00:44:00,080 --> 00:44:01,240  
Quickly. Quickly.

741

00:44:03,120 --> 00:44:04,320  
[groans]

742

00:44:06,040 --> 00:44:07,600  
[Gawain] A knight of the Fey...

743

00:44:08,000 --> 00:44:08,840  
[sobs]

744

00:44:09,360 --> 00:44:10,720  
...is one with the land,

745

00:44:13,240 --> 00:44:15,440  
as enduring as the Great River...

746

00:44:16,800 --> 00:44:17,640  
[sobs]

747

00:44:19,040 --> 00:44:21,560  
...and as true as Arawn's bow.

748

00:44:26,240 --> 00:44:27,800  
We are born in the dawn...

749

00:44:29,600 --> 00:44:30,600  
[sobs]

750

00:44:31,320 --> 00:44:32,960

To pass in the twilight.

751  
00:44:35,480 --> 00:44:36,480  
[sobs loudly]

752  
00:44:37,920 --> 00:44:39,000  
Be brave now.

753  
00:44:40,880 --> 00:44:42,800  
Hurry, before they return.

754  
00:44:43,560 --> 00:44:45,040  
The Green Knight commands it.

755  
00:44:48,240 --> 00:44:49,400  
-[groans]  
-[Gawain grunts]

756  
00:44:49,480 --> 00:44:50,600  
[ominous music plays]

757  
00:44:50,680 --> 00:44:51,840  
What have we here?

758  
00:44:51,920 --> 00:44:54,000  
No! Leave him alone! He's just a boy!

759  
00:44:54,640 --> 00:44:56,680  
I'll gouge your bloody eyes out!

760  
00:45:00,200 --> 00:45:01,200  
Too late.

761  
00:45:06,360 --> 00:45:07,640  
[man] Everyone all right?

762  
00:45:12,640 --> 00:45:14,240  
[horse brays]

763  
00:45:16,640 --> 00:45:18,280  
[distant yelling]

764

00:45:19,680 --> 00:45:20,680  
Father Carden.

765

00:45:20,760 --> 00:45:21,920  
[Carden] Your Majesty.

766

00:45:25,840 --> 00:45:28,480  
We understand  
there was communication with the witch.

767

00:45:30,040 --> 00:45:32,600  
We had hoped, in fact, agreed,

768

00:45:33,240 --> 00:45:38,040  
that any negotiation  
would be coordinated by the Church.

769

00:45:38,400 --> 00:45:39,560  
Coordinated?

770

00:45:40,880 --> 00:45:46,000  
Is this the same way you coordinated  
your attacks on the Fey villages with us?

771

00:45:46,080 --> 00:45:48,360  
[Carden] With all due respect,  
Your Majesty,

772

00:45:48,440 --> 00:45:50,160  
the cleansing of the Fey is...

773

00:45:51,000 --> 00:45:52,280  
an act of charity,

774

00:45:52,640 --> 00:45:53,760  
the act of a friend,

775

00:45:54,440 --> 00:45:56,280  
missions for which we seek no reward.

776

00:45:56,360 --> 00:45:58,400  
And you have stolen our lands,

777

00:45:58,880 --> 00:46:00,600  
terrorized our people,

778

00:46:00,680 --> 00:46:02,880  
turned many of them against the Crown

779

00:46:02,960 --> 00:46:05,160  
and into the arms of a Fey peasant girl.

780

00:46:05,240 --> 00:46:08,320  
And you have the audacity

781

00:46:08,400 --> 00:46:10,840  
to call this the act of a friend?

782

00:46:10,920 --> 00:46:14,000  
Father Carden is no politician,  
Your Majesty,

783

00:46:14,400 --> 00:46:15,640  
but a soldier of God.

784

00:46:16,480 --> 00:46:18,280  
No offense was intended.

785

00:46:19,520 --> 00:46:22,480  
His Majesty desires the Sword of Power,  
of course.

786

00:46:23,760 --> 00:46:26,120  
The Church, too, desires the sword.

787

00:46:26,840 --> 00:46:29,560  
Acquiring such an important Fey relic

788

00:46:29,640 --> 00:46:32,520  
would strike them a spiritual death blow,  
so to speak.

789

00:46:33,160 --> 00:46:34,000  
But...

790

00:46:34,880 --> 00:46:36,200  
as friends,

791

00:46:36,920 --> 00:46:39,520  
we understand His Majesty's needs,

792

00:46:39,600 --> 00:46:42,520  
particularly at this time of uncertainty.

793

00:46:43,280 --> 00:46:45,880  
Therefore, I propose a swap.

794

00:46:47,120 --> 00:46:48,680  
The sword for the witch.

795

00:46:49,960 --> 00:46:53,880  
Burning this terrorist would surely have  
the same demoralizing effect.

796

00:46:58,840 --> 00:47:00,000  
No.

797

00:47:01,960 --> 00:47:02,800  
No?

798

00:47:02,880 --> 00:47:05,000  
The Fey girl has aroused the passions  
of the mob.

799

00:47:05,080 --> 00:47:07,920  
Burning her now  
would only arouse them further.

800

00:47:08,000 --> 00:47:12,200  
We shall keep her as our prize  
until those passions subside.

801

00:47:13,600 --> 00:47:18,040

Only then will we consider whether or not  
to hand her over to the Church.

802

00:47:18,120 --> 00:47:20,400  
And the Fey behind Gramaire's walls?

803

00:47:20,480 --> 00:47:23,080  
-Have you--  
-Oh, they shall be given ships

804

00:47:23,160 --> 00:47:24,360  
to journey north.

805

00:47:24,440 --> 00:47:27,200  
Let them fall off the face of the Earth  
for all we care.

806

00:47:27,760 --> 00:47:30,880  
This will be seen as a victory for the Fey  
over the Church!

807

00:47:33,080 --> 00:47:36,000  
Well, if the Church takes exception,

808

00:47:36,080 --> 00:47:40,320  
we have assembled 5,000 soldiers  
to answer your grievance.

809

00:47:40,680 --> 00:47:42,480  
This is an outrage!

810

00:47:44,600 --> 00:47:48,000  
We must urgently take this matter up  
with the Holy Father.

811

00:48:08,320 --> 00:48:09,760  
[horse brays]

812

00:48:10,360 --> 00:48:11,920  
[Abbot] Now, you listen, Father Carden,

813

00:48:12,000 --> 00:48:14,280

before you wage war  
with the king of England--

814

00:48:14,360 --> 00:48:16,600  
A false king. A whore's son.

815

00:48:16,960 --> 00:48:19,920  
And you, Abbot Wicklow, are in my camp.

816

00:48:20,480 --> 00:48:21,840  
You best remember that.

817

00:48:22,720 --> 00:48:24,520  
[Squirrel breathes heavily]

818

00:48:26,120 --> 00:48:27,080  
[Carden] What is this?

819

00:48:28,440 --> 00:48:31,840  
Fey scout. Caught him in the kitchens  
trying to free the Green Knight.

820

00:48:33,000 --> 00:48:34,480  
How many are with you, boy?

821

00:48:35,920 --> 00:48:36,920  
How many?

822

00:48:37,440 --> 00:48:40,200  
-Enough to kill you, you paladin scum.  
-Oi!

823

00:48:40,280 --> 00:48:41,160  
[spits]

824

00:48:44,200 --> 00:48:46,040  
Have Brother Salt take his measure.

825

00:48:47,200 --> 00:48:49,840  
And tell him to start  
with that foul tongue of his.

826  
00:48:51,520 --> 00:48:52,680  
He's just a boy.

827  
00:48:52,760 --> 00:48:54,480  
[ominous music plays]

828  
00:48:56,440 --> 00:48:57,560  
He's no threat to us.

829  
00:48:57,960 --> 00:48:59,120  
You.

830  
00:49:01,000 --> 00:49:02,000  
Take him away.

831  
00:49:04,000 --> 00:49:04,960  
[Squirrel grunts]

832  
00:49:14,760 --> 00:49:15,720  
[Carden grunts]

833  
00:49:18,560 --> 00:49:20,120  
Why would you embarrass me?

834  
00:49:22,640 --> 00:49:23,480  
Why?

835  
00:49:34,600 --> 00:49:36,160  
[poignant music plays]

836  
00:49:36,920 --> 00:49:38,000
