Devon Terrell	...	Arthur
Gustaf Skarsgård	...	Merlin
Daniel Sharman	...	The Weeping Monk
Sebastian Armesto	...	King Uther Pendragon
Lily Newmark	...	Pym
Shalom Brune-Franklin	...	Sister Igraine
Matt Stokoe	...	Gawain
Bella Dayne	...	Red Spear
Peter Mullan	...	Father Carden
Emily Coates	...	Sister Iris
Angus Wright	...	Sir Steuben
Ashley Bannerman	...	Cora (Faun Woman)
Clive Russell	...	Wroth the Tusk Commander
Mark Ebulué	...	G'Rej
Perry Fitzpatrick	...	Bu'Luf
Zoe Waites	...	The Widow
Adaku Ononogbo	...	Kaze
Kieran O'Brien	...	Reith
Jasper Jacob	...	Sir Borley
Sophie Harkness	...	Sister Celia
Bhavik C. Pankhania	...	Pendragon Horseman
Mark Quartley	...	Abbott Wicklow
Sofia Oxenham	...	Eydis
Jóhannes Haukur Jóhannesson	...	Cumber the Ice King
Natasha Culzac	...	Isma
Terence Maynard	...	Brother Salt
Billy Jenkins	...	Squirrel
Andre Nightingale	...	Red Paladin 1
Jay McDonald	...	Paladin Torturer
CCLive Francis	...	Pope Abel

1
00:00:11,960 --> 00:00:13,600
[tense music plays]

2
00:00:45,360 --> 00:00:46,960
[ominous music plays]

3
00:01:00,920 --> 00:01:03,360
[eerie ethereal music plays]

4
00:02:13,680 --> 00:02:15,640
-[gentle music plays]
-[inhales deeply]

5
00:02:16,720 --> 00:02:17,800
[chuckles lightly]

6
00:02:21,000 --> 00:02:22,360
-Hi.
-Hi.

7
00:02:24,520 --> 00:02:25,360
What?

8
00:02:26,280 --> 00:02:27,280
Nothing.

9
00:02:30,160 --> 00:02:31,440
Are you all right?

10
00:02:32,520 --> 00:02:33,800
I mean, was it...

11
00:02:34,440 --> 00:02:35,280
Yes.

12
00:02:36,440 --> 00:02:37,440
It was different

13
00:02:38,120 --> 00:02:39,200
to what I thought.

14
00:02:40,040 --> 00:02:40,880
Oh...

15
00:02:41,640 --> 00:02:42,600
A good different?

16
00:02:42,680 --> 00:02:44,320
Yes. No, I didn't mean it was...

17
00:02:46,760 --> 00:02:47,880
It was lovely.

18
00:02:50,760 --> 00:02:52,880
-Was...
-No. Uh, yes.

19
00:02:52,960 --> 00:02:54,040
Amazing.

20
00:02:54,120 --> 00:02:55,160
Really.

21
00:02:56,920 --> 00:02:58,360
-Really?
-Yes.

22
00:02:58,440 --> 00:02:59,880
-[giggles]
-[chuckles]

23
00:03:01,680 --> 00:03:02,920
Do I snore?

24
00:03:03,000 --> 00:03:04,000
Like a Viking horn.

25
00:03:06,920 --> 00:03:08,040
-Really?
-Mm.

26
00:03:09,760 --> 00:03:12,200

You know, you make these whimpering
puppy noises

27

00:03:12,280 --> 00:03:14,280
-when you sleep.
-[chuckles] That's not true.

28

00:03:15,440 --> 00:03:16,480
Are you serious?

29

00:03:22,040 --> 00:03:23,000
[kisses]

30

00:03:28,480 --> 00:03:29,360
No.

31

00:03:30,360 --> 00:03:31,360
You were quiet.

32

00:03:32,880 --> 00:03:33,720
Peaceful.

33

00:03:35,480 --> 00:03:36,520
Very beautiful.

34

00:03:37,920 --> 00:03:39,000
You do know that?

35

00:03:42,720 --> 00:03:43,720
And you.

36

00:03:50,120 --> 00:03:51,920
-Don't say it.
-No, you can't go.

37

00:03:52,000 --> 00:03:52,960
-I have to.
-No.

38

00:03:53,040 --> 00:03:56,200
-What happens if Pendragon betrays you?
-Then you must help protect the Fey.

39

00:03:56,280 --> 00:03:59,240
They don't trust me.
They follow Gawain. They won't--

40

00:03:59,320 --> 00:04:01,560
-[panicked screaming]
-[man] Fire! Fire!

41

00:04:02,480 --> 00:04:03,640
[Nimue] What happened?

42

00:04:04,320 --> 00:04:05,880
His throat was cut first,

43

00:04:07,480 --> 00:04:08,480
then he was burned.

44

00:04:09,040 --> 00:04:11,400
[Cora] This is Wroth and his blood vow.

45

00:04:11,480 --> 00:04:13,560
My queen, the Fauns demand justice.

46

00:04:14,080 --> 00:04:15,080
Do we have proof?

47

00:04:15,160 --> 00:04:16,760
Wroth has claimed the southern gate road

48

00:04:16,840 --> 00:04:19,840
and threatened to kill any Fey
that agree to this Pendragon offer.

49

00:04:20,280 --> 00:04:22,160
My men have already been fired upon
this morning.

50

00:04:22,240 --> 00:04:24,240
[Arthur] Nimue is offering her life
for these ships.

51

00:04:24,320 --> 00:04:26,320
To refuse them is death.
I'll go see Wroth.

52

00:04:26,400 --> 00:04:28,560
This is my doing. I'll go.

53

00:04:28,640 --> 00:04:30,600
I can't risk anything happening to you.

54

00:04:32,320 --> 00:04:34,360
Get the others in the square
and ready to march.

55

00:04:34,440 --> 00:04:36,360
The Fey are getting on those ships today.

56

00:04:42,920 --> 00:04:44,600
[guard] Hello, brother.

57

00:04:45,320 --> 00:04:46,320
Be safe, brother.

58

00:04:55,240 --> 00:04:56,560
[Iris] Excuse me, sir.

59

00:04:57,480 --> 00:04:59,400
[strangled gasping, groans]

60

00:05:17,440 --> 00:05:19,440
I cannot sway you from this cause?

61

00:05:19,520 --> 00:05:20,440
[sighs]

62

00:05:21,120 --> 00:05:24,560
This cause is a handful of sand
slipping through my fingers.

63

00:05:25,800 --> 00:05:26,640
[groans]

64

00:05:26,720 --> 00:05:27,720
You're not well.

65

00:05:28,280 --> 00:05:30,000
Just a fever from my travels.

66

00:05:31,080 --> 00:05:33,520
At my age, you grow vulnerable to drafts.

67

00:05:34,320 --> 00:05:36,440
That's a poor lie. You can do better.

68

00:05:40,320 --> 00:05:43,640
I fear my presence here
endangers your agreement with King Uther.

69

00:05:44,640 --> 00:05:47,360
It's a risk I have to take.
There's no other choice.

70

00:05:47,440 --> 00:05:48,440
[Merlin] There is.

71

00:05:49,240 --> 00:05:53,040
By sating his thirst for revenge,
we might lure out his better angels.

72

00:05:54,440 --> 00:05:55,280
How?

73

00:05:56,680 --> 00:05:57,680
Give him me.

74

00:05:59,600 --> 00:06:00,440
What?

75

00:06:00,520 --> 00:06:02,680
He's longed for my head for some time.

76

00:06:04,600 --> 00:06:07,040

You're mad. No. I forbid it.

77

00:06:08,240 --> 00:06:10,800
With respect, you are Queen of the Fey,
not of Merlin.

78

00:06:11,160 --> 00:06:13,360
I told you I don't want your protection.

79

00:06:13,440 --> 00:06:16,400
Well, I have a terrible habit
of not doing what I'm told.

80

00:06:16,480 --> 00:06:19,000
Something I seem to have passed on
to my kin.

81

00:06:20,160 --> 00:06:21,160
In addition,

82

00:06:21,600 --> 00:06:22,960
I'm the only member of this court

83

00:06:23,040 --> 00:06:25,200
who stands any chance
of getting audience with Uther

84

00:06:25,280 --> 00:06:26,680
and divining his intentions.

85

00:06:29,040 --> 00:06:31,040
If I sense betrayal is afoot,

86

00:06:31,480 --> 00:06:33,080
I'll do all I can to warn you.

87

00:06:35,280 --> 00:06:37,560
I don't want to see you hurt
because of me.

88

00:06:39,920 --> 00:06:42,320
I don't want anyone else to be hurt

because of me.

89

00:06:43,760 --> 00:06:44,960
Well, that's just it.

90

00:06:46,560 --> 00:06:48,040
You've made us all brave.

91

00:06:53,200 --> 00:06:54,360
[inhales sharply]

92

00:06:55,520 --> 00:06:56,880
We haven't had any time.

93

00:06:58,520 --> 00:07:00,160
Never wish for more time.

94

00:07:01,040 --> 00:07:02,720
[poignant music plays]

95

00:07:02,800 --> 00:07:05,120
The gods might hear you
and grant that wish.

96

00:07:07,000 --> 00:07:09,040
And I cannot sway you from this course?

97

00:07:10,640 --> 00:07:12,560
To know me is to know yourself.

98

00:07:26,600 --> 00:07:27,680
[grunts]

99

00:07:29,200 --> 00:07:30,480
[man] What does he want?

100

00:07:39,240 --> 00:07:42,240
This is no time to declare war
on your own kind.

101

00:07:42,320 --> 00:07:45,400

Pendragon ships are coming
to save all of us. Thanks to Nimue.

102

00:07:47,760 --> 00:07:49,400
[whispers in Tusk]

103

00:07:50,200 --> 00:07:51,880
[translator] Your queen is a mad dog.

104

00:07:51,960 --> 00:07:54,080
Fey that follow her
are traitors to their kind.

105

00:07:54,160 --> 00:07:56,960
Your man drew first blood,
defied our queen.

106

00:07:58,640 --> 00:08:00,920
[speaking Tusk]

107

00:08:01,280 --> 00:08:02,760
She's not our queen.

108

00:08:02,840 --> 00:08:04,800
And you're sure as hell not my chief.

109

00:08:05,640 --> 00:08:08,560
This Man Blood is trying to save
the ungrateful lot of you.

110

00:08:08,640 --> 00:08:10,360
-[speaking Tusk]
-Don't translate.

111

00:08:10,800 --> 00:08:12,040
He understands me.

112

00:08:13,720 --> 00:08:14,720
Don't you, Wroth?

113

00:08:15,920 --> 00:08:17,600
Because you have a choice here.

114

00:08:18,520 --> 00:08:22,200
You could be the last chief of the Tusks,
who stood his ground in Gramaire

115

00:08:22,280 --> 00:08:26,320
until every last one
of a great warrior clan was slaughtered

116

00:08:26,400 --> 00:08:27,640
over a blood vow.

117

00:08:29,160 --> 00:08:31,960
Or you could be the first chief
of a new age,

118

00:08:32,040 --> 00:08:35,800
who saved his people, languages,
and rituals for generations to come.

119

00:08:36,280 --> 00:08:39,640
Your grandchildren will tell stories
of Wroth the Just,

120

00:08:39,720 --> 00:08:41,240
Wroth the Wise,

121

00:08:42,440 --> 00:08:44,920
who chose his people over his pride.

122

00:08:46,600 --> 00:08:47,480
So...

123

00:08:48,280 --> 00:08:49,480
which will it be?

124

00:08:51,440 --> 00:08:52,720
Blood...

125

00:08:53,600 --> 00:08:55,920
pays for blood.

126
00:08:56,000 --> 00:08:57,680
-[snarls]
-[Tusks] Death!

127
00:08:59,720 --> 00:09:00,720
Take mine.

128
00:09:01,760 --> 00:09:05,240
Here! If that's what it takes
to save your hides, go on!

129
00:09:06,600 --> 00:09:08,600
Blood pays for blood.

130
00:09:09,080 --> 00:09:10,680
[ominous music plays]

131
00:09:21,800 --> 00:09:22,880
Stop!

132
00:09:26,040 --> 00:09:27,040
[exhales sharply]

133
00:09:30,600 --> 00:09:31,800
A brave fool

134
00:09:32,560 --> 00:09:33,760
is still a fool.

135
00:09:41,000 --> 00:09:42,000
[Morgana] Nimue?

136
00:09:59,320 --> 00:10:00,760
[mystical twinkling]

137
00:10:05,520 --> 00:10:07,120
[ominous music plays]

138
00:10:09,880 --> 00:10:10,840
Who are you?

139

00:10:13,640 --> 00:10:14,520
Answer me.

140

00:10:14,600 --> 00:10:17,160
[Widow] You have been touched
by the Cailleach.

141

00:10:17,640 --> 00:10:21,960
-[Morgana] Are you a kind of Shadow Lord?
-She has given you the unnatural sight.

142

00:10:22,040 --> 00:10:25,440
-What did you promise her in return?
-I'm not the unnatural one here.

143

00:10:25,520 --> 00:10:28,880
[Widow] You have been cursed
by Dark Gods, child.

144

00:10:29,320 --> 00:10:30,600
I can help you.

145

00:10:31,400 --> 00:10:33,800
But only if you tell me the truth.

146

00:10:35,120 --> 00:10:36,600
I saw you in the infirmary.

147

00:10:39,680 --> 00:10:40,840
I saw your face.

148

00:10:42,800 --> 00:10:44,120
You claim them, don't you?

149

00:10:45,120 --> 00:10:46,880
You sort of claim the dead somehow.

150

00:10:49,960 --> 00:10:51,440
Wait, why are you in this chamber?

151

00:10:51,520 --> 00:10:52,920

[Widow] Do not question me!

152

00:10:54,720 --> 00:10:57,240
And make no effort to interfere,

153

00:10:58,200 --> 00:11:00,440
or you will see my face again.

154

00:11:00,520 --> 00:11:02,040
Have you come for Nimue?

155

00:11:02,120 --> 00:11:04,320
-[ghostly screeching]
-[Morgana shrieks]

156

00:11:06,120 --> 00:11:07,320
[gasping]

157

00:11:09,920 --> 00:11:11,760
[gasps loudly]

158

00:11:13,120 --> 00:11:14,480
-Are...
-[breathes heavily]

159

00:11:15,800 --> 00:11:17,840
-What's wrong? What's happened?
-[Morgana] Nothing.

160

00:11:18,320 --> 00:11:20,080
No, I just got a bit light-headed,
that's all.

161

00:11:20,600 --> 00:11:23,160
-I'm sorry, I shouldn't have come.
-Well, talk to me.

162

00:11:29,200 --> 00:11:30,520
[ethereal music plays]

163

00:11:37,440 --> 00:11:38,440
Morgana.

164
00:11:40,280 --> 00:11:41,600
Um... [sniffles]

165
00:11:44,200 --> 00:11:45,840
[inhales slowly] I'm leaving.

166
00:11:47,440 --> 00:11:49,000
-What?
-I don't belong here.

167
00:11:49,440 --> 00:11:51,080
-Of course you do.
-No, I'm not one of you.

168
00:11:51,160 --> 00:11:53,240
-I'm not one of them.
-We need you.

169
00:11:53,320 --> 00:11:56,880

352
00:24:17,320 --> 00:24:18,920
[man 3] This is our chance.

353
00:24:20,120 --> 00:24:21,120
She did it.

354
00:24:21,760 --> 00:24:23,680
[man 4] They have the biggest sails.

355
00:24:24,120 --> 00:24:26,440
-[Arthur] She's saved the Fey!
-[cheering]

356
00:24:33,280 --> 00:24:35,040
[door hinge squeaks, creaks]

357
00:24:37,280 --> 00:24:38,200

Hello?

358

00:24:42,560 --> 00:24:43,800
[footsteps approach]

359

00:24:45,840 --> 00:24:46,920
Is someone there?

360

00:24:48,400 --> 00:24:50,000
[footsteps recede]

361

00:24:54,320 --> 00:24:55,960
[tense music plays]

362

00:25:14,560 --> 00:25:16,640
[distant footsteps]

363

00:25:16,720 --> 00:25:17,880
[scraping]

364

00:25:19,800 --> 00:25:20,760
Who's that?

365

00:25:27,400 --> 00:25:28,600
[ominous music plays]

366

00:25:37,840 --> 00:25:38,960
[Nimue] Sir Steuben.

367

00:25:39,640 --> 00:25:41,240
[Steuben] A raven just arrived.

368

00:25:51,560 --> 00:25:54,120
"Pendragon ships are here. Boarding now."

369

00:25:55,240 --> 00:25:56,600
The king has kept his word.

370

00:25:58,200 --> 00:26:00,200
"All my love. Arthur."

371
00:26:00,280 --> 00:26:01,800
This pleases me, milady.

372
00:26:01,880 --> 00:26:02,960
[exhales slowly]

373
00:26:05,520 --> 00:26:06,520
[relieved sigh]

374
00:26:07,880 --> 00:26:08,800
They're safe.

375
00:26:11,360 --> 00:26:12,320
[sighs]

376
00:26:16,960 --> 00:26:18,520
[ethereal music plays]

377
00:26:20,920 --> 00:26:21,920
[horse brays]

378
00:26:30,040 --> 00:26:31,520
[birds screech]

379
00:26:46,680 --> 00:26:48,120
[mystical twinkling]

380
00:26:52,400 --> 00:26:53,560
[eerie whooshing]

381
00:26:55,080 --> 00:26:56,480
[eerie whooshing]

382
00:27:02,160 --> 00:27:03,000
My love.

383
00:27:04,200 --> 00:27:05,400
Are you truly here?

384
00:27:06,360 --> 00:27:07,640

You see me, don't you?

385

00:27:08,040 --> 00:27:11,120
-Yeah, but I don't know what to believe.
-[Celia] Believe your eyes.

386

00:27:11,200 --> 00:27:13,480
And be grateful for the sight
you've been given.

387

00:27:13,920 --> 00:27:15,840
To see death is a gift for us both.

388

00:27:18,200 --> 00:27:19,920
For I don't feel so alone.

389

00:27:20,760 --> 00:27:22,000
[mystical twinkling]

390

00:27:22,080 --> 00:27:22,920
Here.

391

00:27:23,600 --> 00:27:24,800
You're not alone.

392

00:27:25,520 --> 00:27:27,000
I feel so ashamed.

393

00:27:27,080 --> 00:27:27,960
[Morgana] Why?

394

00:27:28,040 --> 00:27:30,160
For doubting you.
For standing in your way.

395

00:27:30,240 --> 00:27:31,760
No, you never stood in my way.

396

00:27:31,840 --> 00:27:34,480
You knew your destiny,
but it frightened me.

397

00:27:35,480 --> 00:27:38,760

And yet here you are,
on the precipice of all that you seek.

398

00:27:39,160 --> 00:27:41,760

To see between worlds,
to know the shadows' secrets.

399

00:27:41,840 --> 00:27:43,840

Oh, Celia, I fear I'm not ready.

400

00:27:45,040 --> 00:27:46,280

[whispers] Silly bird,

401

00:27:47,040 --> 00:27:48,600

of course you're not ready.

402

00:27:49,320 --> 00:27:50,640

You've only just begun.

403

00:27:52,680 --> 00:27:54,760

Look at what you've accomplished already.

404

00:27:55,640 --> 00:27:57,200

What have I accomplished?

405

00:27:59,520 --> 00:28:00,760

You have the sword.

406

00:28:06,320 --> 00:28:08,320

Bring the sword
to the temple of the Cailleach,

407

00:28:08,400 --> 00:28:11,320

so that your instruction may begin.
This is how you will save the Fey.

408

00:28:11,760 --> 00:28:13,560

No, it wasn't given to me.

409

00:28:14,280 --> 00:28:16,120

She asked me to hold it for her.

410

00:28:17,440 --> 00:28:18,960
She entrusted me with it.

411

00:28:20,800 --> 00:28:22,240
I know you care for her,

412

00:28:22,720 --> 00:28:25,160
but this is where Nimue's journey ends,

413

00:28:25,840 --> 00:28:26,840
my love.

414

00:28:27,520 --> 00:28:28,960
-I'm so sorry.
-No.

415

00:28:29,880 --> 00:28:31,920
I want to help her,
but the Widow stalks her.

416

00:28:32,000 --> 00:28:32,840
[Morgana] No!

417

00:28:32,920 --> 00:28:35,440
A daughter of Death,
there's no escaping her summons.

418

00:28:35,520 --> 00:28:36,520
I have to warn her.

419

00:28:36,600 --> 00:28:37,520
Morgana.

420

00:28:38,120 --> 00:28:39,360
Morgana!

421

00:28:40,520 --> 00:28:43,080
Don't confront the Widow.
She's not of this world!

422
00:28:43,600 --> 00:28:45,120
[ominous music plays]

423
00:28:47,280 --> 00:28:48,320
[indistinct yelling]

424
00:28:49,760 --> 00:28:51,400
[paladin 1] Get rid of the witch!

425
00:28:52,120 --> 00:28:54,080
-[paladin 2] Burn her!
-[paladin 3] She's evil!

426
00:28:54,160 --> 00:28:56,040
[paladins shout threats]

427
00:28:56,160 --> 00:28:58,160
[paladins] Witch! Devil! Burn her!

428
00:28:58,240 --> 00:28:59,080
Horrible!

429
00:28:59,640 --> 00:29:01,240
-Get rid of her!
-Devil witch!

430
00:29:14,560 --> 00:29:15,400
Well?

431
00:29:19,360 --> 00:29:21,440
She doesn't have the sword, Your Majesty.

432
00:29:23,840 --> 00:29:25,440
Why not? Where is it?

433
00:29:28,320 --> 00:29:29,160
I'm...

434
00:29:30,280 --> 00:29:32,360
-It is in--
-Do you think you're very clever?

435

00:29:33,520 --> 00:29:34,720
No. No, Your...

436

00:29:34,800 --> 00:29:37,600
-Where's the bloody sword?
-[ominous music plays]

437

00:29:38,040 --> 00:29:39,680
[breathes shakily]

438

00:29:41,520 --> 00:29:43,720
She mocks your kindness, Your Majesty.

439

00:29:44,160 --> 00:29:46,120
I wouldn't waste another breath on her.

440

00:29:46,480 --> 00:29:50,720
We are more than capable of drawing out
the location of the sword from her.

441

00:29:51,080 --> 00:29:53,280
Indeed it would be a privilege.

442

00:29:53,360 --> 00:29:55,240
[Abbot] Give us the witch,

443

00:29:55,680 --> 00:29:58,520
and the sword will be yours by sundown,
Your Highness.

444

00:30:03,240 --> 00:30:05,320
Do you presume us merciful, girl?

445

00:30:08,480 --> 00:30:09,680
You presume wrong.

446

00:30:10,840 --> 00:30:12,440
You are aware what awaits you

447

00:30:12,520 --> 00:30:16,280

should we hand you over to Father Carden
and his Red Paladins?

448

00:30:16,360 --> 00:30:18,200
Very aware, Your Majesty.

449

00:30:21,720 --> 00:30:22,960
He had my mother killed.

450

00:30:23,960 --> 00:30:26,720
Burned my village down. Burned them all.

451

00:30:27,680 --> 00:30:28,720
I know him well.

452

00:30:30,360 --> 00:30:31,960
[Carden] And before it is done,

453

00:30:32,440 --> 00:30:36,800
we will humble you before Almighty God,
girl, I swear it.

454

00:30:36,880 --> 00:30:39,040
That's what your boys in Gramaire thought.

455

00:30:39,120 --> 00:30:40,560
[tense music plays]

456

00:30:40,640 --> 00:30:43,480
And Yvoire Abbey and the Red Lake.

457

00:30:43,560 --> 00:30:45,560
You've emboldened this witch,
Your Majesty.

458

00:30:45,640 --> 00:30:48,520
We will ask you very simply now, girl:

459

00:30:50,960 --> 00:30:51,960
Where's the sword?

460

00:30:52,360 --> 00:30:53,680
You will have your sword.

461

00:30:54,320 --> 00:30:57,280
As soon as the Green Knight and the boy,
Squirrel, are returned to me alive.

462

00:30:58,600 --> 00:31:03,200
That Fey assassin and his little spy
are our prisoners, Your Majesty.

463

00:31:03,280 --> 00:31:04,520
They're not for trading.

464

00:31:05,320 --> 00:31:06,480
Then you have Squirrel?

465

00:31:07,080 --> 00:31:08,000
Aye.

466

00:31:08,760 --> 00:31:10,400
And if you don't sing for us,

467

00:31:10,760 --> 00:31:12,000
he most surely will.

468

00:31:12,080 --> 00:31:14,120
Touch him,
and I'll see you choked on your own blood!

469

00:31:14,200 --> 00:31:16,560
-Divine forces protect me, demon.
-Enough!

470

00:31:16,640 --> 00:31:18,360
If my people are not returned,
by the Hidden,

471

00:31:18,440 --> 00:31:20,480
I vow you will never see
the Sword of Power.

472

00:31:22,280 --> 00:31:23,280
[Carden] Your Majesty,

473

00:31:27,200 --> 00:31:28,720
give her to us.

474

00:31:28,800 --> 00:31:29,800
[Nimue] Torture me.

475

00:31:30,800 --> 00:31:32,640
Skin me to my bones. I'll never tell you.

476

00:31:34,080 --> 00:31:35,920
I'm ready to die, Carden. Are you?

477

00:31:37,040 --> 00:31:38,840
[Uther] Gods,
it will give us great pleasure

478

00:31:38,920 --> 00:31:40,480
to be rid of you both.

479

00:31:40,880 --> 00:31:42,560
You have your bloody nerve.

480

00:31:43,120 --> 00:31:47,040
To make further demands on us
after we have dealt with you so fairly.

481

00:31:47,120 --> 00:31:49,680
You have my life, Your Highness.

482

00:31:52,160 --> 00:31:54,520
If you want my sword as well,
it comes at a cost.

483

00:31:55,920 --> 00:31:57,120
Your sword?

484

00:31:57,840 --> 00:32:00,440
[chuckles]

485
00:32:01,600 --> 00:32:05,400
[whispers] Your Majesty,
if Carden takes, Carden's sword...

486
00:32:10,960 --> 00:32:12,960
Take her away and keep her under guard

487
00:32:13,760 --> 00:32:15,640
while we consider these demands.

488
00:32:16,240 --> 00:32:17,880
[dramatic music plays]

489
00:32:24,920 --> 00:32:25,960
[distant yelling]

490
00:32:37,840 --> 00:32:39,600
[dramatic music continues]

491
00:32:47,160 --> 00:32:48,160
[music stops]

492
00:32:48,240 --> 00:32:50,320
[eerie whooshing, slithering]

493
00:32:50,400 --> 00:32:51,920
[ghostly screeching]

494
00:32:54,040 --> 00:32:57,560
[Widow] Did I not warn you?

495
00:33:16,440 --> 00:33:18,160
Come along. Quick!

496
00:33:19,040 --> 00:33:20,400
In the boat.

497
00:33:20,480 --> 00:33:21,800
Come on! Quickly!

498

00:33:22,320 --> 00:33:24,480
Come on. Quick! Quick! Quick!

499
00:33:24,560 --> 00:33:25,480
[groans]

500
00:33:27,800 --> 00:33:28,680
[groaning]

501
00:33:28,760 --> 00:33:30,280
[panicked screaming]

502
00:33:33,120 --> 00:33:34,480
Raiders!

503
00:33:35,360 --> 00:33:37,720
[Arthur] Cumber the Ice King's army!
We'll hold them off!

504
00:33:38,080 --> 00:33:40,760
Pym, Kaze,
get the others to the rocks. Go!

505
00:33:40,840 --> 00:33:41,760
Go!

506
00:33:42,240 --> 00:33:44,080
[panicked screaming]

507
00:33:45,480 --> 00:33:47,160
To the rocks! This way!

508
00:33:48,560 --> 00:33:50,040
[panicked yelling]

509
00:33:55,040 --> 00:33:55,880
Wait.

510
00:33:55,960 --> 00:33:58,640
[raider army yells]

511

00:34:01,320 --> 00:34:02,920
[panicked screaming]

512
00:34:05,360 --> 00:34:06,360
[Arthur] Get ready!

513
00:34:09,200 --> 00:34:10,120
Slaughter them all!

514
00:34:10,640 --> 00:34:12,000
[all] For Cumber!

515
00:34:14,160 --> 00:34:15,440
Charge!

516
00:34:15,520 --> 00:34:17,480
[Fey folk yell]

517
00:34:24,960 --> 00:34:26,800
[yelling]

518
00:34:28,080 --> 00:34:29,200
[raider yells]

519
00:34:29,680 --> 00:34:31,080
[horse squeals]

520
00:34:32,520 --> 00:34:34,080
Everyone to the back!

521
00:34:34,600 --> 00:34:35,440
[man] Quick!

522
00:34:35,520 --> 00:34:37,040
[panicked shrieks, sobbing]

523
00:34:38,640 --> 00:34:40,280
[man] We've cut off the Fey convoy

524
00:34:40,360 --> 00:34:42,640
from boarding the Pendragon ships,

Lord Cumber.

525

00:34:43,440 --> 00:34:44,880
There will be no survivors.

526

00:34:46,360 --> 00:34:48,880
You have kept your promise
to the Red Paladins.

527

00:34:48,960 --> 00:34:50,600
[distant screaming echoes]

528

00:34:52,760 --> 00:34:54,040
[yelling]

529

00:34:54,560 --> 00:34:55,960
[dramatic music plays]

530

00:34:57,840 --> 00:34:59,680
[yelling]

531

00:35:00,320 --> 00:35:01,960
-[yells]
-[grunts]

532

00:35:05,760 --> 00:35:06,840
-[yells]
-[groans]

533

00:35:10,360 --> 00:35:12,680
-[yelling]
-[Wroth] There are more of them coming!

534

00:35:13,480 --> 00:35:14,880
Fall back to the cliffs!

535

00:35:17,840 --> 00:35:19,840
[man] Look! More Viking ships!

536

00:35:20,400 --> 00:35:22,160
[Pym] No! It's the Red Spear!

537
00:35:26,120 --> 00:35:27,720
[man] There! You see?

538
00:35:27,800 --> 00:35:29,680
[battle cries continue]

539
00:35:32,920 --> 00:35:34,200
[yells]

540
00:35:35,040 --> 00:35:36,160
[grunts]

541
00:35:36,720 --> 00:35:38,160
[grunts]

542
00:35:38,240 --> 00:35:40,120
[groans]

543
00:35:40,200 --> 00:35:41,520
[raider] Yeah!

544
00:35:42,680 --> 00:35:44,000
Wroth!

545
00:35:45,440 --> 00:35:46,400
[Wroth groans]

546
00:35:48,280 --> 00:35:50,080
Hey! Get up. Come on.

547
00:35:51,320 --> 00:35:53,200
Wroth, get up.

548
00:35:53,280 --> 00:35:55,000
[Arthur breathes heavily]

549
00:35:55,960 --> 00:35:56,960
[coughs]

550
00:36:01,480 --> 00:36:03,040

[Wroth] Protect them.

551

00:36:20,720 --> 00:36:22,200
As I speak these words,

552

00:36:22,280 --> 00:36:26,400
my sister Dagmar is butchering
the last of the Fey on the Beggar's Coast.

553

00:36:26,480 --> 00:36:29,560
The Church looks forward
to its partnership with the Ice King.

554

00:36:30,000 --> 00:36:33,560
We agreed.
The witch and her kind for the sword.

555

00:36:34,160 --> 00:36:35,840
But I'm told she came empty-handed.

556

00:36:35,920 --> 00:36:37,360
Uther indulges her.

557

00:36:37,880 --> 00:36:41,000
He debases the crown
by catering for the she-devil.

558

00:36:41,080 --> 00:36:44,120
But a few hours with us,
and she'll soon know her place.

559

00:36:44,640 --> 00:36:45,960
Spill her secrets.

560

00:36:49,920 --> 00:36:51,920
[tense music plays]

561

00:36:54,840 --> 00:36:56,040
Uther Pendragon,

562

00:36:56,800 --> 00:36:57,880
the false king,

563

00:36:59,120 --> 00:37:01,240
has chosen the Fey over God.

564

00:37:01,320 --> 00:37:03,120
[paladins] No!

565

00:37:03,720 --> 00:37:06,080
Should his men raise their swords
against you,

566

00:37:06,800 --> 00:37:07,960
defend yourselves.

567

00:37:08,760 --> 00:37:09,880
Kill who you must.

568

00:37:11,040 --> 00:37:13,080
Just bring me the Wolf-Blood Witch.

569

00:37:13,160 --> 00:37:15,120
[paladins] Yeah!

570

00:37:30,200 --> 00:37:32,560
[Red Spear] Kill all Cumber's raiders,

571

00:37:32,640 --> 00:37:34,680
but leave Dagmar to me!

572

00:37:34,760 --> 00:37:36,560
-[horse whinnies]
-[raiders yell]

573

00:37:39,720 --> 00:37:41,000
[yelling]

574

00:37:48,840 --> 00:37:49,920
Stay here!

575

00:37:50,760 --> 00:37:52,680
[grunting]

576
00:37:54,040 --> 00:37:55,280
[yelling]

577
00:38:00,120 --> 00:38:01,320
[horse whinnies]

578
00:38:02,920 --> 00:38:04,560
[grunting]

579
00:38:04,640 --> 00:38:06,600
[grunting]

580
00:38:08,600 --> 00:38:09,960
[horse whinnies]

581
00:38:10,680 --> 00:38:11,600
[Arthur groans]

582
00:38:11,680 --> 00:38:13,360
-Red Spear!
-[Arthur gasps]

583
00:38:13,440 --> 00:38:15,360
[raider] For the Red Spear!

584
00:38:16,080 --> 00:38:17,360
[grunting]

585
00:38:18,240 --> 00:38:19,640
[roaring]

586
00:38:22,560 --> 00:38:23,720
[groans loudly]

587
00:38:25,240 --> 00:38:26,320
[grunting]

588
00:38:26,760 --> 00:38:28,240
[groaning]

589
00:38:29,360 --> 00:38:31,480
[Red Spear] Cumber can't protect you now.

590
00:38:31,560 --> 00:38:33,240
[both yelling]

591
00:38:34,080 --> 00:38:35,840
[roaring]

592
00:38:35,920 --> 00:38:36,920
[raider groans]

593
00:38:38,960 --> 00:38:40,280
[yelling]

594
00:38:40,360 --> 00:38:41,840
[Arthur grunts]

595
00:38:43,800 --> 00:38:45,960
[grunting]

596
00:38:47,560 --> 00:38:48,920
[yelling]

597
00:38:50,520 --> 00:38:52,600
[both grunting]

598
00:38:54,200 --> 00:38:55,440
[yells]

599
00:38:56,640 --> 00:38:57,880
[gasps, groans]

600
00:39:00,000 --> 00:39:01,640
[battle cries continue]

601
00:39:10,160 --> 00:39:12,360
[Red Spear]
The Ice King's throne will be mine!

602

00:39:12,440 --> 00:39:14,240
Tell your sister Eydis

603
00:39:14,680 --> 00:39:15,960
she's next!

604
00:39:17,080 --> 00:39:18,040
[roars]

605
00:39:23,120 --> 00:39:24,720
[battle cries continue]

606
00:39:28,720 --> 00:39:30,040
[indistinct yelling]

607
00:39:42,760 --> 00:39:44,000
Shall we play now?

608
00:39:44,080 --> 00:39:45,720
You're the ugliest of them all.

609
00:39:45,800 --> 00:39:46,880
Inside and out.

610
00:39:47,360 --> 00:39:50,040
Kill me, fine.
But you'll still be you forever.

611
00:39:50,120 --> 00:39:52,560
That's a worse hell
than anything I can think of.

612
00:39:53,800 --> 00:39:55,120
[exhales slowly]

613
00:39:59,400 --> 00:40:02,000
The tongue first, I think.

614
00:40:03,560 --> 00:40:06,320
Go on. Take it. I'll still keep talking.

615

00:40:06,400 --> 00:40:09,280
I'll be in your nightmares talking,
telling you how ugly you are.

616
00:40:09,360 --> 00:40:11,520
When you try and wake up,
your eyes won't open

617
00:40:11,600 --> 00:40:13,760
'cause you sewed them up
like a bloody idiot!

618
00:40:14,400 --> 00:40:15,440
[curtain opens]

619
00:40:17,680 --> 00:40:18,920
Who is there?

620
00:40:25,360 --> 00:40:27,600
Come to watch, my weeping brother?

621
00:40:30,960 --> 00:40:32,920
[tense music plays]

622
00:40:33,000 --> 00:40:34,560
[sword slices rope]

623
00:40:48,120 --> 00:40:49,120
[curtain opens]

624
00:40:49,840 --> 00:40:51,000
[Gawain grunts]

625
00:40:52,800 --> 00:40:54,760
Here's the bag of shit you ordered.

626
00:40:57,960 --> 00:40:59,520
Gawain. [breathes heavily]

627
00:40:59,600 --> 00:41:00,440
Gawain.

628
00:41:00,520 --> 00:41:01,960
[poignant music plays]

629
00:41:02,560 --> 00:41:03,760
[Nimue] Gawain?

630
00:41:05,360 --> 00:41:06,200
Gawain.

631
00:41:07,240 --> 00:41:08,240
Gawain?

632
00:41:10,800 --> 00:41:11,640
Gawain?

633
00:41:13,280 --> 00:41:14,280
No.

634
00:41:14,360 --> 00:41:15,200
No!

635
00:41:16,440 --> 00:41:18,120
Not you. Not you!

636
00:41:19,000 --> 00:41:20,960
[sobs] Gawain! No!

637
00:41:21,040 --> 00:41:22,440
[sobs] Gawain!

638
00:41:25,160 --> 00:41:26,120
[sobs]

639
00:41:27,000 --> 00:41:28,160
[screams]

640
00:41:28,800 --> 00:41:30,720
[gasping breaths]

641
00:41:31,320 --> 00:41:33,560

-[indistinct whispering]
-[gasping breaths]

642
00:41:34,640 --> 00:41:36,840
-[indistinct whispering]
-[slithering]

643
00:41:36,920 --> 00:41:38,920
[indistinct whispering intensifies]

644
00:41:39,760 --> 00:41:41,200
[rattling]

645
00:41:42,240 --> 00:41:44,240
[indistinct whispering intensifies]

646
00:41:48,320 --> 00:41:49,920
[breathing heavily]

647
00:41:57,400 --> 00:41:58,680
[paladins scream]

648
00:42:01,640 --> 00:42:04,520
The paladins are attacking! To arms!

649
00:42:04,600 --> 00:42:05,720
Find the witch!

650
00:42:05,800 --> 00:42:07,440
[yelling]

651
00:42:10,000 --> 00:42:11,640
[dramatic music plays]

652
00:42:21,560 --> 00:42:22,680
I wouldn't.

653
00:42:26,080 --> 00:42:27,880
Does he remind you of someone?

654
00:42:28,960 --> 00:42:30,720

This Fey orphan?

655

00:42:31,640 --> 00:42:33,680
-You don't need him.
-[Abbot] Why?

656

00:42:34,680 --> 00:42:38,760
Can't he smell out his own kind
like some kind of animal?

657

00:42:40,400 --> 00:42:42,520
Or is that just your species?

658

00:42:43,960 --> 00:42:44,960
[monk] Find cover.

659

00:42:49,440 --> 00:42:51,120
[Abbot] You do have a reputation,

660

00:42:51,800 --> 00:42:53,720
but this is the Trinity Guard.

661

00:42:54,840 --> 00:42:56,040
You know their skill.

662

00:43:05,160 --> 00:43:06,160
So be it.

663

00:43:07,760 --> 00:43:09,120
[tense music plays]

664

00:43:13,760 --> 00:43:14,880
[paladin] She's here.

665

00:43:18,480 --> 00:43:19,640
[Nimue groans, grunts]

666

00:43:23,320 --> 00:43:24,680
[slithering]

667

00:43:26,720 --> 00:43:28,040

[reverential music plays]

668

00:43:35,400 --> 00:43:37,400
[reverential music continues]

669

00:43:48,200 --> 00:43:49,160
[groans]

670

00:43:49,480 --> 00:43:51,880
[grunting, groaning]

671

00:43:53,400 --> 00:43:54,360
[groans]

672

00:43:55,920 --> 00:43:57,000
[yells]

673

00:43:58,200 --> 00:44:00,200
[reverential music continues]

674

00:44:19,160 --> 00:44:21,080
-[grunting]
-[monk groans]

675

00:44:22,680 --> 00:44:25,480
-[paladins grunt]
-[monk groans]

676

00:44:25,920 --> 00:44:27,080
[grunting]

677

00:44:27,160 --> 00:44:28,680
[impacts]

678

00:44:29,480 --> 00:44:30,480
[groans]

679

00:44:31,120 --> 00:44:32,440
[squelching]

680

00:44:34,360 --> 00:44:35,560

[monk coughs]

681

00:44:50,920 --> 00:44:52,000
[flail rattles]

682

00:44:54,440 --> 00:44:55,400
[groans]

683

00:45:00,520 --> 00:45:01,640
Who's first?

684

00:45:02,200 --> 00:45:03,440
[ominous music plays]

685

00:45:04,760 --> 00:45:05,600
[grunts]

686

00:45:07,440 --> 00:45:08,640
[grunting]

687

00:45:10,000 --> 00:45:11,040
[groans]

688

00:45:11,120 --> 00:45:12,240
[yells]

689

00:45:14,240 --> 00:45:15,480
-[monk grunts]
-[screams]

690

00:45:19,840 --> 00:45:20,880
[bones snap]

691

00:45:21,440 --> 00:45:23,160
[monk breathes heavily]

692

00:45:25,720 --> 00:45:27,600
[ethereal music plays]

693

00:45:32,040 --> 00:45:33,320
[strained breathing]

694
00:45:40,360 --> 00:45:42,240
Come on! We have to go.

695
00:45:42,600 --> 00:45:43,560
Come on!

696
00:45:45,440 --> 00:45:46,320
Get up!

697
00:45:48,200 --> 00:45:49,720
[Squirrel strains]

698
00:45:57,080 --> 00:45:58,000
[monk] Come on.

699
00:45:59,840 --> 00:46:01,320
[Squirrel grunts]

700
00:46:01,800 --> 00:46:03,520
[Squirrel breathes heavily]

701
00:46:10,760 --> 00:46:12,080
[paladin 1] We found her.

702
00:46:12,840 --> 00:46:14,080
[Nimue grunts]

703
00:46:14,520 --> 00:46:16,560
-Get off!
-[paladin 2] Kill the witch!

704
00:46:16,640 --> 00:46:18,760
[paladin 3] Slay the Wolf-Blood Witch!

705
00:46:19,440 --> 00:46:21,240
[Nimue grunts, breathes heavily]

706
00:46:24,040 --> 00:46:25,000
Hold her!

707
00:46:29,400 --> 00:46:31,240
We delay God's justice no longer.

708
00:46:32,280 --> 00:46:34,600
Sword or no sword, tonight...

709
00:46:34,680 --> 00:46:36,480
we send you back to Hell.

710
00:46:37,120 --> 00:46:39,000
[ominous music plays]

711
00:46:41,200 --> 00:46:43,080
[eerie wind howls]

712
00:46:47,880 --> 00:46:49,160
What evil is this?

713
00:46:50,000 --> 00:46:51,720
[eerie wind howls]

714
00:46:52,760 --> 00:46:54,400
[mystical twinkling]

715
00:46:55,320 --> 00:46:56,520
[paladin 4] Witchcraft!

716
00:46:58,680 --> 00:47:00,040
[mystical twinkling]

717
00:47:02,640 --> 00:47:03,560
What are you?

718
00:47:03,640 --> 00:47:05,720
[eerie wind howls]

719
00:47:07,760 --> 00:47:08,800
I'm the Widow.

720
00:47:09,560 --> 00:47:11,560

[ethereal music plays]

721

00:47:12,480 --> 00:47:15,200
[indistinct whispering]

722

00:47:15,280 --> 00:47:16,760
[yelling]

723

00:47:22,400 --> 00:47:23,480
[yelling]

724

00:47:23,560 --> 00:47:25,280
[battle cries continue]

725

00:47:28,600 --> 00:47:30,320
[dramatic music plays]

726

00:47:30,400 --> 00:47:31,840
[battle cries continue]

727

00:47:40,640 --> 00:47:41,760
Morgana?

728

00:47:43,640 --> 00:47:45,720
-What happened to you?
-[Morgana] I don't know.

729

00:47:45,800 --> 00:47:47,280
I killed her, and...

730

00:47:48,240 --> 00:47:49,440
then I became her.

731

00:47:51,120 --> 00:47:52,720
Now I can feel who's about to die.

732

00:47:55,440 --> 00:47:56,400
It's Merlin.

733

00:47:56,480 --> 00:47:57,360
[gasps]

734
00:47:59,480 --> 00:48:01,600
-[ethereal music plays]
-[eerie wind blows]

735
00:48:02,640 --> 00:48:03,640
[Merlin] Yes.

736
00:48:04,680 --> 00:48:05,680
Yes.

737
00:48:08,800 --> 00:48:09,800
No.

738
00:48:12,200 --> 00:48:13,120
Merlin?

739
00:48:14,680 --> 00:48:16,360
[strained breathing]

740
00:48:16,440 --> 00:48:17,360
[whispers] Go.

741
00:48:19,200 --> 00:48:21,400
No. You're coming with us.

742
00:48:22,320 --> 00:48:23,560
[mystical twinkling]

743
00:48:26,640 --> 00:48:28,080
Why can't I die?

744
00:48:29,520 --> 00:48:30,680
[Merlin groans lightly]

745
00:48:47,840 --> 00:48:49,560
[woman] Somebody help me here.

746
00:48:56,240 --> 00:48:57,400
I owe you a debt.

747

00:48:57,760 --> 00:48:58,880
For that arrow.

748

00:48:59,760 --> 00:49:00,840
I'm glad to hear it.

749

00:49:02,000 --> 00:49:03,040
Consider us even.

750

00:49:05,240 --> 00:49:06,440
I am the Red Spear,

751

00:49:06,520 --> 00:49:08,960
exile of the court of Cumber the Ice King.

752

00:49:09,040 --> 00:49:11,560
A court now under siege by traitors.

753

00:49:12,440 --> 00:49:13,400
I'm Arthur.

754

00:49:14,040 --> 00:49:16,320
We'll do all in our power
to help your people...

755

00:49:17,720 --> 00:49:19,080
if you help save our queen.

756

00:49:22,080 --> 00:49:25,360
[Nimue] If we make it to Rabbit's Cross,
we can lose them in the narrows.

757

00:49:33,000 --> 00:49:33,960
Come on.

758

00:50:00,120 --> 00:50:01,080
[Merlin] Leave me.

759

00:50:02,480 --> 00:50:04,240
[groans] Leave me!

760
00:50:04,320 --> 00:50:05,360
[Nimue groans]

761
00:50:06,080 --> 00:50:07,600
[poignant music plays]

762
00:50:11,160 --> 00:50:12,600
I can't go any further.

763
00:50:14,600 --> 00:50:15,560
Rest here.

764
00:50:18,360 --> 00:50:19,640
You watch over him.

765
00:50:19,720 --> 00:50:21,160
I'm going back for Squirrel.

766
00:50:25,040 --> 00:50:25,960
Iris?

767
00:50:30,360 --> 00:50:31,400
[Morgana] Iris, stop!

768
00:50:32,600 --> 00:50:33,440
No!

769
00:50:34,000 --> 00:50:36,080
No, no, no! No!

770
00:50:36,160 --> 00:50:37,320
[Morgana cries]

771
00:50:39,560 --> 00:50:40,480
[groans]

772
00:50:49,320 --> 00:50:51,040
-[Merlin] No! No!
-[screams]

773

00:50:51,680 --> 00:50:53,400
-[Merlin grunts]
-[Nimue shrieks]

774

00:50:57,080 --> 00:50:58,080
[Nimue grunts]

775

00:50:58,160 --> 00:50:59,760
[breathes heavily]

776

00:51:01,760 --> 00:51:02,800
[grunts]

777

00:51:09,640 --> 00:51:11,680
-[Nimue grunts]
-Nimue.

778

00:51:12,360 --> 00:51:13,280
Father.

779

00:51:14,600 --> 00:51:18,040
-[screams]
-[Merlin] No!

780

00:51:22,480 --> 00:51:23,880
[sobs] No!

781

00:51:25,640 --> 00:51:27,000
[sobs] No!

782

00:51:27,080 --> 00:51:29,360
[ethereal music plays]

783

00:51:31,520 --> 00:51:32,760
[sobs]

784

00:51:34,360 --> 00:51:36,680
-[breathes shakily]
-[Merlin continues sobbing]

785

00:51:43,600 --> 00:51:45,000
[ethereal music continues]

786
00:51:47,320 --> 00:51:48,640
[seething breaths]

787
00:51:53,880 --> 00:51:55,360
[wind howls]

788
00:51:56,880 --> 00:51:58,640
[ethereal music continues]

789
00:52:03,280 --> 00:52:04,600
[wind howls]

790
00:52:06,800 --> 00:52:08,280
[mystical twinkling]

791
00:52:11,880 --> 00:52:13,760
[thunder rumbles]

792
00:52:25,400 --> 00:52:27,080
[dramatic music plays]

793
00:52:29,440 --> 00:52:30,800
[sparks sizzle]

794
00:52:46,240 --> 00:52:47,480
[paladin screams]

795
00:52:50,680 --> 00:52:52,480
-[lightning cracks]
-[Iris screams]

796
00:52:57,720 --> 00:52:59,400
[speaking magical language]

797
00:52:59,480 --> 00:53:03,560
[continues speaking magical language]

798
00:53:05,160 --> 00:53:08,280
[continues speaking magical language]

799
00:53:08,360 --> 00:53:13,640
-[mystical twinkling]
-[continues speaking magical language]

800
00:53:14,560 --> 00:53:18,240
[continues speaking magical language]

801
00:53:18,720 --> 00:53:20,840
[continues speaking magical language]

802
00:53:21,640 --> 00:53:24,760
[continues speaking magical language]

803
00:53:24,840 --> 00:53:27,480
[continues speaking magical language]

804
00:53:27,560 --> 00:53:29,720
-[paladins yell]
-[continues speaking magical language]

805
00:53:30,240 --> 00:53:32,160
[paladins yell, scream]

806
00:53:32,240 --> 00:53:33,880
[paladins scream]

807
00:53:33,960 --> 00:53:35,400
[paladins scream]

808
00:53:44,000 --> 00:53:46,600
[dramatic music plays]

809
00:53:48,240 --> 00:53:49,640
[mystical twinkling]

810
00:53:52,160 --> 00:53:53,760
[eerie wind howls]

811
00:54:08,000 --> 00:54:09,440
[hoofbeats approach]

812
00:54:11,040 --> 00:54:12,680
[monk] What was your name, boy?

813
00:54:13,840 --> 00:54:14,880
Squirrel.

814
00:54:18,120 --> 00:54:19,560
A squirrel is an animal.

815
00:54:21,000 --> 00:54:22,360
What name were you given?

816
00:54:24,280 --> 00:54:25,520
I don't like that name.

817
00:54:27,040 --> 00:54:28,280
It's still your name.

818
00:54:30,600 --> 00:54:31,440
Fine.

819
00:54:31,520 --> 00:54:32,640
It's Percival.

820
00:54:35,640 --> 00:54:36,640
Percival.

821
00:54:39,040 --> 00:54:40,600
Do you have a real name?

822
00:54:44,160 --> 00:54:45,160
Lancelot.

823
00:54:47,040 --> 00:54:49,280
A long time ago, my name was Lancelot.

824
00:54:52,040 --> 00:54:53,960
[epic music plays]

825
00:55:10,080 --> 00:55:14,200

Out of the darkness,
there always comes a light,

826

00:55:15,160 --> 00:55:17,200
blinding in its clarity,

827

00:55:18,480 --> 00:55:20,320
searing in its strength,

828

00:55:21,280 --> 00:55:24,840
pure as our Lord God is pure.

829

00:55:26,200 --> 00:55:28,120
For make no mistake,

830

00:55:29,200 --> 00:55:31,400
to smite the Wolf-Blood Witch,

831

00:55:31,480 --> 00:55:35,000
God has sent us his own avenging angel.

832

00:55:36,440 --> 00:55:39,880
Today, we add to the ranks of the Trinity

833

00:55:40,440 --> 00:55:43,800
a new warrior of God.

834

00:55:45,680 --> 00:55:46,640
Rise...

835

00:55:47,040 --> 00:55:48,920
Sister Iris.

836

00:55:59,400 --> 00:56:00,360
Together,

837

00:56:00,880 --> 00:56:04,040
we shall accomplish great miracles,
my child.

838

00:56:14,480 --> 00:56:16,240

[ominous music plays]

839

00:56:35,680 --> 00:56:38,160

[gasping breaths]

840

00:56:38,240 --> 00:56:40,320

[gasping breaths continue]

841

00:56:45,200 --> 00:56:47,040

[gentle instrumental music plays]

842

00:56:52,720 --> 00:56:54,440

[eerie ethereal music plays]

843

00:58:13,680 --> 00:58:14,640

[music ends]
