I was just in there, Aisha. I'm fine.

611

00:36:35 --> 00:36:39
-I can handle my magic.
-Just come home, please.

612

00:36:40 --> 00:36:42
I'm fine. Promise.

613

00:36:47 --> 00:36:48
We've got a problem.

614

00:36:52 --> 00:36:53
Let's take a walk.

615

00:36:55 --> 00:36:57
Uh... I'll get the bill.

616

00:37:02 --> 00:37:04
You were drunk, weren't you?

617

00:37:06 --> 00:37:07
Last night.

618

00:37:08 --> 00:37:10
That's why you don't remember.

619

00:37:11 --> 00:37:14
Apparently, Grey found me
passed out in the East Wing.

620

00:37:16 --> 00:37:17
So, are you gonna lecture me?

621

00:37:18 --> 00:37:19
No.

622

00:37:22 --> 00:37:24
You know, when I thought
I'd killed Andreas,

623

00:37:24 --> 00:37:26
I got drunk for two years straight.

624

00:37:28 --> 00:37:29
Yeah.

625

00:37:30 --> 00:37:32
You were just a baby then.

626

00:37:33 --> 00:37:36
But then you got older,
and I realized I had a job to do.

627

00:37:38 --> 00:37:40
I'm still here, Sky.
Still trying to do that job.

628

00:37:43 --> 00:37:45
Look, I can't train.

629

00:37:46 --> 00:37:49
-Every time I pick up my sword, I am--
-Back there. I know.

630

00:37:49 --> 00:37:51
It will pass.

631

00:37:51 --> 00:37:54
It's gonna take time
and it's not gonna to be easy,

632

00:37:54 --> 00:37:56
but when you need to fight,

you will fight.

633

00:37:57 --> 00:37:59

-You'll push through. It's what we do.
-[Sky sighs]

634

00:38:02 --> 00:38:07

I was so, so nearly there with Andreas.

635

00:38:08 --> 00:38:09

I thought there'd be...

636

00:38:11 --> 00:38:12

some kind of redemption.

637

00:38:13 --> 00:38:15

I might have a future with him.

638

00:38:16 --> 00:38:18

You see, that's your problem.

639

00:38:21 --> 00:38:23

You try to predict your future.

640

00:38:24 --> 00:38:25

We're soldiers, Sky.

641

00:38:26 --> 00:38:28

-We don't get to do that.
-[Sky scoffs]

642

00:38:29 --> 00:38:31

I'm sorry, Silva. That's fucked up.

643

00:38:31 --> 00:38:35

Yes, life's fucked up. And guess what?

It doesn't give a shit about your plans.

644

00:38:36 --> 00:38:39

But if you can come to terms with that,
you become unshakable.

645

00:38:40 --> 00:38:43

All the great fighters
are unshakable, Sky.

646

00:38:44 --> 00:38:48

So, I just... go through life
in a constant state of uncertainty?

647

00:38:50 --> 00:38:51

Readiness.

648

00:38:52 --> 00:38:54

You see, that may work for you.

649

00:38:57 --> 00:38:59

I'm not sure that's the life I wanna live.

650

00:39:06 --> 00:39:07

Oi! Get a bloody room.

651

00:39:07 --> 00:39:08

Fuck off, Craig.

652

00:39:12 --> 00:39:14

They hate us, don't they?

653

00:39:14 --> 00:39:15

Well, of course they do.

654

00:39:16 --> 00:39:19

We're sitting in the middle of the track.
It's obnoxious.

655

00:39:19 --> 00:39:21
[Riven chuckles softly]

656

00:39:22 --> 00:39:23
What?

657

00:39:25 --> 00:39:28
It's just that I can see
that they hate us,

658

00:39:28 --> 00:39:32
but you have no idea how nice it is
that I can't hear it.

659

00:39:37 --> 00:39:39
Terra is on her way back.

660

00:39:41 --> 00:39:42
[Riven sighs]

661

00:39:42 --> 00:39:47
She's not kidding, you know.
She won't stop until you get it back.

662

00:39:48 --> 00:39:50
What am I supposed to do about it?

663

00:39:51 --> 00:39:52
Tell her the truth.

664

00:39:53 --> 00:39:55
-What do you mean?
-Come on, Musa.

665

00:39:57 --> 00:39:58
I know what happened.

666

00:40:00 --> 00:40:02
[sighs] I lied before.

667

00:40:03 --> 00:40:04
You weren't unconscious.

668

00:40:07 --> 00:40:10
I got there a few seconds
before you were attacked.

669

00:40:11 --> 00:40:12
I saw you come out.

670

00:40:12 --> 00:40:14
[scrapers snarling]

671

00:40:14 --> 00:40:16
[Riven] I saw you... give it up.

672

00:40:17 --> 00:40:20
[scrapers snarling, chittering]

673

00:40:24 --> 00:40:28
Look, I would've stopped you,
but I got attacked myself,

674

00:40:28 --> 00:40:32
and by the time I fought them off,
it was over.

675

00:40:36 --> 00:40:38
You have no idea how hard it's been.

676

00:40:39 --> 00:40:42
-My whole life, I've--
-[Riven] Of course I don't.

677

00:40:42 --> 00:40:43
Nobody does.

678

00:40:44 --> 00:40:46
Your life is your life.

679

00:40:47 --> 00:40:49
You can live it how you want.

680

00:40:49 --> 00:40:51
Fuck everybody else.

681

00:40:52 --> 00:40:54
The thing is

682

00:40:55 --> 00:40:57
I'm pretty sure
people will understand that.

683

00:41:00 --> 00:41:02
I don't know if they will.

684

00:41:04 --> 00:41:06
-[Terra] Ready for extraction?
-Don't tell anyone.

685

00:41:06 --> 00:41:10
[Terra] We'd better hurry.
Got a bit of a situation with Bloom.

686

00:41:10 --> 00:41:12
They're in the First World.

I just don't know where.

687

00:41:13 --> 00:41:15

-And what would you like me to do?

-[Stella] Find her.

688

00:41:15 --> 00:41:17

Stop her, maybe.

689

00:41:17 --> 00:41:20

Probably a bit late for that,
don't you think?

690

00:41:21 --> 00:41:24

Well, we have to try.

If she loses her temper, she could--

691

00:41:24 --> 00:41:26

She'll kill him, yes.

692

00:41:27 --> 00:41:31

-The Otherworld will be a better place.

-You want her to lose control.

693

00:41:31 --> 00:41:36

Did you think Beatrix could take something
from my office without my knowing?

694

00:41:37 --> 00:41:38

Or would?

695

00:41:39 --> 00:41:40

Of course she told you.

696

00:41:41 --> 00:41:43

The convergence crystal was a good idea.

697

00:41:44 --> 00:41:48
If Bloom keeps her cool,
I'll give that pathway a look.

698

00:41:49 --> 00:41:51
But something tells me I won't need to.

699

00:41:52 --> 00:41:53
Bloom isn't a killer.

700

00:41:53 --> 00:41:55
I suppose we'll see about that.

701

00:41:56 --> 00:41:58
[dramatic music plays]

702

00:41:59 --> 00:42:02
Less kitschy. More ominous.

703

00:42:04 --> 00:42:06
The question is, for whom?

704

00:42:07 --> 00:42:08
You or me?

705

00:42:08 --> 00:42:10
[mystical tingling]

706

00:42:13 --> 00:42:15
I don't wanna play games anymore.

707

00:42:15 --> 00:42:17
[Sebastian] Does that mean
we're, uh, dropping

708

00:42:17 --> 00:42:21
the whole "I want
my friend's magic back" bit?

709
00:42:23 --> 00:42:26
Is that the only way they'd let you come?

710
00:42:26 --> 00:42:29
[sniffs] If, uh,
you pretended this was about her?

711
00:42:31 --> 00:42:35
Oh. Relax. I mean,
I'm not saying you don't care, but...

712
00:42:36 --> 00:42:38
we're all selfish, Bloom.

713
00:42:39 --> 00:42:40
You wanna know about you.

714
00:42:43 --> 00:42:44
And I could tell you.

715
00:42:47 --> 00:42:49
What do you want?

716
00:42:51 --> 00:42:52
For the great mystery?

717
00:42:54 --> 00:42:55
The holy grail?

718
00:42:56 --> 00:42:57
Easy.

719

00:42:58 --> 00:43:00
The Dragon Flame.

720
00:43:02 --> 00:43:05
Give it to me,
and I'll tell you where you came from.

721
00:43:07 --> 00:43:11
Plus, I won't need any other magic,
so I can give the rest back.

722
00:43:12 --> 00:43:13
Wins all round.

723
00:43:16 --> 00:43:18
And what would you do with it?

724
00:43:18 --> 00:43:20
Right the wrongs of Aster Dell.

725
00:43:22 --> 00:43:25
But I'm not gonna, like, kill all fairies
or... [sniffs]

726
00:43:25 --> 00:43:26
...destroy the Otherworld.

727
00:43:26 --> 00:43:30
I have zero interest
in using the Dragon Flame to start a war.

728
00:43:30 --> 00:43:32
That is Rosalind's thing.

729
00:43:33 --> 00:43:34
Rosalind doesn't want a war.

730

00:43:34 --> 00:43:37
That is all she has ever wanted.

731

00:43:38 --> 00:43:39
My dad was the same way too.

732

00:43:40 --> 00:43:42
Fucked-up peas in a pod.

733

00:43:43 --> 00:43:46
-They knew each other?
-[Sebastian] Opposite sides, of course.

734

00:43:46 --> 00:43:49
Zealots obsessed with an ancient war.

735

00:43:50 --> 00:43:52
The Dragon Flame was the trump card.

736

00:43:53 --> 00:43:55
You were the trump card.

737

00:43:56 --> 00:43:59
And unfortunately
for every single family in Aster Dell,

738

00:43:59 --> 00:44:01
my dad found you first,

739

00:44:01 --> 00:44:03
he brought you home and...

740

00:44:04 --> 00:44:05
you know the rest.

741

00:44:09 --> 00:44:11
You mean your dad kidnapped me?

742

00:44:11 --> 00:44:15
No, I didn't misspeak.
He didn't kidnap you.

743

00:44:17 --> 00:44:19
He found you, Bloom.

744

00:44:19 --> 00:44:21
And what does that mean, Sebastian?

745

00:44:22 --> 00:44:23
Where did he find me?

746

00:44:23 --> 00:44:25
Okay, I'm sorry, the deal was

747

00:44:25 --> 00:44:28
you give me the Dragon Flame,
I give you your answers.

748

00:44:30 --> 00:44:31
Last chance.

749

00:44:31 --> 00:44:33
[suspenseful music plays]

750

00:44:47 --> 00:44:49
It's never gonna happen.

751

00:44:49 --> 00:44:50
[chuckles softly]

752

00:44:51 --> 00:44:53

[clicks tongue] Fair enough.

753

00:44:55 --> 00:44:58

But I'd hate for you
to go away empty-handed,

754

00:44:58 --> 00:45:01

so I will leave you with one juicy nugget.

755

00:45:02 --> 00:45:05

Not the secret you want.
The secret you need.

756

00:45:06 --> 00:45:10

Remember when I told you
I'd figure out what happened to Dowling?

757

00:45:10 --> 00:45:12

[suspenseful music plays]

758

00:45:13 --> 00:45:14

She's dead.

759

00:45:17 --> 00:45:18

Rosalind killed her.

760

00:45:19 --> 00:45:20

What?

761

00:45:22 --> 00:45:23

[Sebastian] Unexpected.

762

00:45:23 --> 00:45:25

The info, not the action.

763

00:45:25 --> 00:45:27

[chuckling] The action is very Rosalind.

764

00:45:28 --> 00:45:30

-That's not possible.

-Really?

765

00:45:31 --> 00:45:32

-You don't think so?

-No.

766

00:45:32 --> 00:45:34

[Sebastian] In the back of your mind,

767

00:45:34 --> 00:45:37

you can't imagine
that exact thing happening?

768

00:45:39 --> 00:45:41

You can dig her up if you'd like.

769

00:45:41 --> 00:45:43

She's buried in the graveyard,

770

00:45:43 --> 00:45:46

been there all year while you and Rosalind
were becoming besties.

771

00:45:48 --> 00:45:50

Sorry about that.

772

00:45:51 --> 00:45:52

[Sebastian sniffs]

773

00:45:54 --> 00:45:56

Should have stuck with me.

774

00:45:57 --> 00:45:58
[dramatic music plays]

775
00:46:05 --> 00:46:08
[fire-like roaring]

776
00:46:09 --> 00:46:12
Luke, what's up, man? [chuckles]

777
00:46:12 --> 00:46:16
I know this seems a little bit sketch,
but, um, I really need a favor.

778
00:46:16 --> 00:46:18
I've got some weird family situation,

779
00:46:18 --> 00:46:21
and, um, I know that Rosalind
sealed the barriers,

780
00:46:21 --> 00:46:24
but I gotta get out of here.

781
00:46:24 --> 00:46:26
Is there any way past?

782
00:46:26 --> 00:46:27
Not that I know of.

783
00:46:27 --> 00:46:28
Don't worry.

784
00:46:28 --> 00:46:31
I knew it was a long shot anyway,
but thank you, yeah?

785

00:46:35 --> 00:46:37
[phone beeps, outgoing call tone]

786
00:46:45 --> 00:46:47
You told us to call
if anybody tried to get past the barrier.

787
00:46:48 --> 00:46:49
[Saul] What is it?

788
00:46:51 --> 00:46:53
And I'm just confirming our instructions.

789
00:46:53 --> 00:46:55
-[Saul] And?
-So we're all good.

790
00:47:01 --> 00:47:02
[Stella] I trusted you.

791
00:47:04 --> 00:47:07
-I cannot believe you told Rosalind.
-You said it. You have to play the game.

792
00:47:07 --> 00:47:10
-Don't. This is not the same.
-[scoffs]

793
00:47:10 --> 00:47:12
You're right. It's not.

794
00:47:12 --> 00:47:15
If you don't play the game,
mummy doesn't talk to you.

795
00:47:15 --> 00:47:19
If I don't, Rosalind kicks me out.

Do you know where I go then? No?

796

00:47:19 --> 00:47:20

Me fucking neither.

797

00:47:21 --> 00:47:23

-Beatrix--

-I have nothing, Stella.

798

00:47:25 --> 00:47:26

Nothing and nobody.

799

00:47:27 --> 00:47:31

So do not be surprised when I do
whatever it takes to survive from here on.

800

00:47:37 --> 00:47:39

[Stella] Aisha, hey. Um, did Bloom call?

801

00:47:39 --> 00:47:41

[Aisha] Yeah. Rosalind killed Dowling.

802

00:47:42 --> 00:47:43

[mystical warbling]

803

00:47:46 --> 00:47:49

-How did she sound when you talked to her?
-On edge.

804

00:47:49 --> 00:47:52

I told her she had to come to us first,
that we had to discharge her magic

805

00:47:52 --> 00:47:55

and we'd figure out
what to do about Rosalind, but...

806

00:47:56 --> 00:47:57

But what?

807

00:47:57 --> 00:48:00

Rosalind said

she's gonna meet Bloom at the portal.

808

00:48:03 --> 00:48:05

[mystical zinging, whooshing]

809

00:48:11 --> 00:48:12

Rosalind.

810

00:48:15 --> 00:48:17

I take it you knew where I was.

811

00:48:18 --> 00:48:20

-[Rosalind] Your friends told me.

-Mm.

812

00:48:22 --> 00:48:24

Glad to see you're in one piece.

813

00:48:25 --> 00:48:26

Were you worried?

814

00:48:27 --> 00:48:29

Not for a second.

815

00:48:29 --> 00:48:29

Mm.

816

00:48:32 --> 00:48:36

Is our friend, the Blood Witch,
in one piece as well?

817

00:48:36 --> 00:48:38

He is, yeah.

818

00:48:39 --> 00:48:41

I'm impressed with your restraint.

819

00:48:44 --> 00:48:47

Well, it's not easy sometimes, so...

820

00:48:50 --> 00:48:52

Sorry I didn't tell you where I was going.

821

00:48:53 --> 00:48:56

It was the savvy move.

He might have sensed something.

822

00:48:58 --> 00:48:59

Then the game would've been up.

823

00:49:02 --> 00:49:04

How did it go?

824

00:49:04 --> 00:49:06

I think he really believes
that I'll turn on you.

825

00:49:07 --> 00:49:09

Good. Good.

826

00:49:09 --> 00:49:10

[Bloom chuckles]

827

00:49:10 --> 00:49:14

My worry was you wouldn't be convincing,
but it seems I taught you well.

828

00:49:16 --> 00:49:18

You're more like me than I thought.

829

00:49:18 --> 00:49:19

[mystical tingling]

830

00:49:22 --> 00:49:24

Does that bother you for some reason?

831

00:49:24 --> 00:49:26

That we might be similar?

832

00:49:31 --> 00:49:32

You seem different.

833

00:49:34 --> 00:49:35

Why is that?

834

00:49:39 --> 00:49:42

Did Sebastian tell you something
that's upset you?

835

00:49:44 --> 00:49:45

About me?

836

00:49:53 --> 00:49:54

Was it here?

837

00:49:58 --> 00:49:59

Did you kill her here?

838

00:50:00 --> 00:50:01

[mutters]

839

00:50:02 --> 00:50:04

A little to your right.

840
00:50:05 --> 00:50:07
[flames roar]

841
00:50:07 --> 00:50:08
You're a monster!

842
00:50:08 --> 00:50:10
-[mystical tingling]
-[whimpering]

843
00:50:12 --> 00:50:13
Oh, grow up.

844
00:50:14 --> 00:50:16
[Bloom] It hurts! It hurts!

845
00:50:16 --> 00:50:19
-[whimpers]
-I wanted to do this together.

846
00:50:19 --> 00:50:20
[pained groan]

847
00:50:21 --> 00:50:22
Plan A was glorious.

848
00:50:23 --> 00:50:28
Just the two of us powerful fairies
side by side.

849
00:50:29 --> 00:50:31
An example to the Otherworld.

850
00:50:32 --> 00:50:33

I'm nothing like you.

851

00:50:33 --> 00:50:35

You're right.

852

00:50:35 --> 00:50:37

So Plan B will be a little different.

853

00:50:50 --> 00:50:54

Did you realize, if you're in suspension,

854

00:50:54 --> 00:50:58

I can still channel
the Dragon Flame from you?

855

00:51:00 --> 00:51:02

Everything I wanted to do together,

856

00:51:02 --> 00:51:05

I can do alone. [sighs]

857

00:51:05 --> 00:51:07

The uncomfortable truth is,

858

00:51:08 --> 00:51:11

if you really want to change the world
for the better,

859

00:51:12 --> 00:51:14

you have to be capable of anything.

860

00:51:15 --> 00:51:17

Sad you haven't got it in you.

861

00:51:19 --> 00:51:22

If you feel any better,

Farah was weak too.

862
00:51:24 --> 00:51:25
[flames roaring]

863
00:51:25 --> 00:51:27
[dramatic music plays]

864
00:51:37 --> 00:51:40
[flames roar]

865
00:51:48 --> 00:51:50
On second thoughts,

866
00:51:52 --> 00:51:53
maybe I was wrong.

867
00:52:01 --> 00:52:03
[strong wind blows]

868
00:52:05 --> 00:52:07
[all yelping]

869
00:52:07 --> 00:52:09
[barrier crackles, whooshes]

870
00:52:15 --> 00:52:16
Bloom, what did you do?

871
00:52:17 --> 00:52:20
[dramatic music plays]

872
00:52:38 --> 00:52:39
I lost control.

873

00:52:44 --> 00:52:46
[unsettling music plays]

FATE

THE WINX SAGA
