## THE WINX SAGA

**CREATED BY**

Brian Young

Fate: The Winx Saga is a live-action reimagining of the Italian cartoon Winx Club from Iginio Straffi.

**EPISODE 2.07**

**"All the Wild Witches"**

As the Blood Witches enact their plans, it's up to the students of Alfea to protect their school and their friends. Bloom must make a painful choice.

## EPISODE CAST

Abigail Cowen	...	Bloom Peters
Hannah van der Westhuysen	...	Princess Stella
Precious Mustapha	...	Aisha
Eliot Salt	...	Terra Harvey
Elisha Applebaum	...	Musa
Danny Griffin	...	Sky
Sadie Soverall	...	Beatrix
Freddie Thorp	...	Riven
Theo Graham	...	Dane
Robert James-Collier	...	Saul Silva
Leah Minto	...	Kat
JJ Battell	...	Luke
Ian O'Reilly	...	Nick
Shameem Ahmad	...	Bavani Selvarajah
Paulina Chávez	...	Flora
Brandon Grace	...	Grey
Éanna Hardwicke	...	Sebastian

1

00:00:06 --> 00:00:08  
[unsettling music plays]

2

00:00:08 --> 00:00:09  
[Bavani] The intel was solid.

3

00:00:09 --> 00:00:11  
[Saul] Not arguing with that,

4

00:00:11 --> 00:00:14  
but it is possible  
somebody tipped the Blood Witches off.

5

00:00:15 --> 00:00:16  
Still no sign of Bloom?

6

00:00:16 --> 00:00:20  
No, and our power shorted out  
a few minutes ago.

7

00:00:20 --> 00:00:24  
It's either a distraction to get her out  
or she's somewhere losing control.

8

00:00:24 --> 00:00:27  
Bloom is not dangerous. Trust me.

9

00:00:27 --> 00:00:28  
[Bavani] Don't be too sure.

10

00:00:28 --> 00:00:30  
[door squeaks eerily]

11

00:00:41 --> 00:00:43  
[suspenseful music plays]

12  
00:00:46 --> 00:00:48  
[scuttling, chittering]

13  
00:00:49 --> 00:00:51  
[snoring]

14  
00:00:53 --> 00:00:54  
[soft scurrying]

15  
00:00:57 --> 00:01:00  
Let's just hope Bavani hasn't come  
and checked up on us.

16  
00:01:03 --> 00:01:04  
I have magic. You don't.

17  
00:01:09 --> 00:01:10  
[distant door slams]

18  
00:01:10 --> 00:01:11  
[slithering]

19  
00:01:17 --> 00:01:20  
-[scraper chirps, screeches]  
-[boy screams]

20  
00:01:21 --> 00:01:23  
[unsettling music continues]

21  
00:01:25 --> 00:01:26  
[quiet scurrying]

22  
00:01:26 --> 00:01:27  
[Bavani screams]

23

00:01:27 --> 00:01:29  
[door creaks eerily]

24  
00:01:34 --> 00:01:35  
Hello?

25  
00:01:35 --> 00:01:37  
[Flora grunts]

26  
00:01:37 --> 00:01:39  
[breathing heavily]

27  
00:01:40 --> 00:01:41  
-[squelching]  
-[Sebastian winces]

28  
00:01:44 --> 00:01:45  
Are you all alone?

29  
00:01:47 --> 00:01:48  
No fiery friend?

30  
00:01:49 --> 00:01:50  
Check the hall.

31  
00:01:51 --> 00:01:53  
[tense suspenseful music plays]

32  
00:01:56 --> 00:01:57  
[Sebastian] Anyone?

33  
00:01:58 --> 00:02:02  
No. Looks like the little flower girl  
is all alone.

34  
00:02:02 --> 00:02:03

Hmm. Good.

35

00:02:05 --> 00:02:06  
[whispers] Go.

36

00:02:10 --> 00:02:11  
[ethereal music plays]

37

00:02:18 --> 00:02:21  
The attack was over in about 20 minutes.

38

00:02:21 --> 00:02:23  
I don't know how many Blood Witches,

39

00:02:23 --> 00:02:25  
but enough to take over  
every Specialist there.

40

00:02:25 --> 00:02:27  
They knew we were making a move  
on their hideout.

41

00:02:27 --> 00:02:31  
And we drank the last  
of the Blood Witch antidote. Fucker.

42

00:02:31 --> 00:02:33  
They took over every Specialist?

43

00:02:33 --> 00:02:35  
Mm-hmm. And fairies  
didn't have it much better.

44

00:02:35 --> 00:02:38  
Sebastian basically brought  
an army of scrapers to take them down.

45

00:02:39 --> 00:02:40  
Are they all drained?

46

00:02:40 --> 00:02:41  
Not yet.

47

00:02:42 --> 00:02:45  
They're being held under the school,  
taken to him one by one.

48

00:02:45 --> 00:02:46  
[Saul] That's Bavani.

49

00:02:46 --> 00:02:49  
We're thinking that he can't handle  
a lot of magic at once.

50

00:02:49 --> 00:02:53  
So there's still time to save some  
of them. That's good. Good intel.

51

00:02:53 --> 00:02:55  
Well, it's all Musa.  
She's hiding in the school.

52

00:02:55 --> 00:02:58  
She was able to avoid detection,  
but Flora wasn't so lucky.

53

00:02:58 --> 00:03:01  
It looks like  
we've got our work cut out for us.

54

00:03:01 --> 00:03:03  
A frontal assault is suicide.

55

00:03:03 --> 00:03:06  
A covert strike upgrades our odds,  
but not by much.

56  
00:03:06 --> 00:03:09  
And we'll be fighting friends,  
which is a headfuck.

57  
00:03:10 --> 00:03:12  
We've got non-lethal weapons  
should you want them.

58  
00:03:12 --> 00:03:16  
Once we neutralize the threat,  
the Blood Witches will be easy to clear.

59  
00:03:17 --> 00:03:20  
-Then we free the fairies.  
-I'm go after Sebastian.

60  
00:03:20 --> 00:03:21  
Let's gear up.

61  
00:03:22 --> 00:03:25  
-Bloom, walk with me.  
-[leaves rustling underfoot]

62  
00:03:29 --> 00:03:31  
[Kat mumbles indistinctly]

63  
00:03:33 --> 00:03:35  
[gentle instrumental music plays]

64  
00:03:38 --> 00:03:40  
[fire crackling]

65  
00:03:41 --> 00:03:45

[Grey on video] Be careful.  
They're still people.

66

00:03:45 --> 00:03:48  
It was bad enough he's a Blood Witch,  
but working for Sebastian?

67

00:03:48 --> 00:03:51  
I can't get my head around it.  
There must be a reason for it.

68

00:03:52 --> 00:03:54  
Maybe Sebastian's just really persuasive.

69

00:03:54 --> 00:03:57  
Or maybe the people we care about  
are just really shitty people.

70

00:03:59 --> 00:04:02  
I know we can't go in there  
'cause of the scrapers,

71

00:04:02 --> 00:04:05  
but I don't know how long  
I can sit around while Flora's trapped.

72

00:04:05 --> 00:04:08  
Are you sure you're up for doing this?  
It's okay to say no.

73

00:04:08 --> 00:04:10  
[sighs] I mean, is it though?

74

00:04:11 --> 00:04:12  
Even before he broke in,

75

00:04:12 --> 00:04:15

I was the only one  
powerful enough to stop him.

76

00:04:15 --> 00:04:17  
[Specialists shouting in distance]

77

00:04:18 --> 00:04:20  
He wants the Dragon Flame.

78

00:04:21 --> 00:04:25  
He said if I gave it to him, he wouldn't  
have to steal magic from fairies.

79

00:04:25 --> 00:04:27  
Yes, but then he'd have the Dragon Flame.

80

00:04:29 --> 00:04:32  
He's done all this without it.  
Imagine what he could do with it.

81

00:04:33 --> 00:04:36  
If anyone should have that power,  
it should be you.

82

00:04:37 --> 00:04:38  
I know.

83

00:04:40 --> 00:04:41  
I have to fight.

84

00:04:41 --> 00:04:42  
We have to fight.

85

00:04:43 --> 00:04:44  
[chuckles softly]

86

00:04:48 --> 00:04:51  
I haven't seen Sky. Who did he ride with?

87

00:04:51 --> 00:04:54  
When you were in stasis,  
he tried to get you out.

88

00:04:54 --> 00:04:57  
-He landed himself in confinement.  
-Wait. Is he still in the school?

89

00:04:57 --> 00:05:00  
Yes, but before you go nuclear,  
Sky is resourceful.

90

00:05:00 --> 00:05:02  
Trust me. He'll be fine.

91

00:05:02 --> 00:05:03  
[distant door slams]

92

00:05:04 --> 00:05:05  
[keys jangling]

93

00:05:11 --> 00:05:13  
[tense suspenseful music plays]

94

00:05:14 --> 00:05:15  
[unlocking gate]

95

00:05:25 --> 00:05:26  
[blow landing]

96

00:05:33 --> 00:05:35  
[Aisha] We can't just do nothing  
while you go in there

97

00:05:35 --> 00:05:37  
and take on Sebastian all by yourself.

98

00:05:37 --> 00:05:40  
-It's Silva's plan, not mine.  
-What if you set someone on fire?

99

00:05:40 --> 00:05:42  
If I was there, I could put them out.

100

00:05:42 --> 00:05:45  
Well, I'll be in the graveyard,  
waiting for everyone to clear out.

101

00:05:45 --> 00:05:46  
You'll need a medic.

102

00:05:46 --> 00:05:48  
Riven's gonna handle battlefield triage.

103

00:05:48 --> 00:05:51  
Anybody badly injured  
will come back here for you to treat them.

104

00:05:51 --> 00:05:54  
Okay, I'll make you invisible  
so you can sneak inside.

105

00:05:54 --> 00:05:57  
-While scrapers steal your magic?  
-They won't steal yours?

106

00:05:57 --> 00:05:59  
No, I'll be transforming.  
I'll be faster and stronger.

107

00:05:59 --> 00:06:03  
Dowling taught us all how to transform.  
We draw on all of our emotions.

108  
00:06:03 --> 00:06:05  
-Positive and negative.  
-And have you?

109  
00:06:06 --> 00:06:07  
Any of you?

110  
00:06:07 --> 00:06:09  
We haven't tried. We can try.

111  
00:06:09 --> 00:06:10  
You think we have time right now?

112  
00:06:12 --> 00:06:14  
-You don't have to do this alone.  
-Yes, I do.

113  
00:06:15 --> 00:06:17  
-'Cause none of you have this.  
-[Dragon Flame whooshes]

114  
00:06:18 --> 00:06:20  
The only thing  
that will take Sebastian down.

115  
00:06:20 --> 00:06:22  
I'm the only one who has it.

116  
00:06:22 --> 00:06:25  
Look, I love you all. I do. I just, I...

117  
00:06:27 --> 00:06:28  
-Are you okay?

-Bloom?

118

00:06:28 --> 00:06:30  
[sounds distort]

119

00:06:30 --> 00:06:31  
[bird screeches]

120

00:06:34 --> 00:06:36  
[roaring]

121

00:06:40 --> 00:06:41  
-What happened?  
-[Aisha] She passed out.

122

00:06:41 --> 00:06:43  
I think I probably just...  
I need some water.

123

00:06:44 --> 00:06:47  
[Saul] Let's get her up.  
Up you get. [grunts]

124

00:06:48 --> 00:06:49  
Sit down.

125

00:06:50 --> 00:06:52  
I'm fine. I'm ready to go.

126

00:06:52 --> 00:06:54  
-[Saul] Are you sure?  
-Yes. Mm-hmm.

127

00:06:54 --> 00:06:55  
[Saul sighs]

128

00:06:56 --> 00:06:59  
We won't need you until we clear  
the controlled Specialists, so sit tight.

129  
00:06:59 --> 00:07:01  
-Yeah.  
-[Saul] Okay.

130  
00:07:02 --> 00:07:04  
[Bloom inhales deeply, exhales shakily]

131  
00:07:05 --> 00:07:06  
[eerie music plays]

132  
00:07:11 --> 00:07:12  
[mystical whirring]

133  
00:07:13 --> 00:07:15  
[Beatrix] Sorry to interrupt  
whatever this is,

134  
00:07:15 --> 00:07:18  
but at the risk of being  
a dead curious cat,

135  
00:07:18 --> 00:07:20  
what exactly is your endgame here?

136  
00:07:21 --> 00:07:24  
I think we both know  
those answers weren't part of the deal.

137  
00:07:24 --> 00:07:26  
[Beatrix] Fair enough.

138  
00:07:26 --> 00:07:29  
However, if we're taking

the deal literally, my part is over.

139

00:07:29 --> 00:07:33

You have the school. You have the fairies.  
You have everything you want.

140

00:07:38 --> 00:07:40

[she unfolds paper]

141

00:07:40 --> 00:07:42

Now you have everything you want.

142

00:07:42 --> 00:07:43

Anything else?

143

00:07:47 --> 00:07:49

-Keep looking for our leverage.  
-[boy] Understood.

144

00:07:49 --> 00:07:53

[Sebastian] I'm going to the Sanctum.  
Give me 20 minutes, then bring another.

145

00:08:10 --> 00:08:11

[muffled grunts, groans]

146

00:08:13 --> 00:08:16

They haven't taken anyone in a while.  
Maybe it's over.

147

00:08:17 --> 00:08:19

It's not. Just sit tight.

148

00:08:19 --> 00:08:21

And wait to get plucked out like lobsters?

149

00:08:21 --> 00:08:24  
I'm not dying to be food either.  
We can't afford to do anything stupid.

150  
00:08:26 --> 00:08:27  
My friends will come.

151  
00:08:30 --> 00:08:31  
I'm going.

152  
00:08:31 --> 00:08:34  
Just don't use your magic.  
I think scrapers can sense--

153  
00:08:34 --> 00:08:38  
-[boy] Yeah, I've got it, but thanks.  
-[flame whooshes, crackles]

154  
00:08:41 --> 00:08:42  
[footsteps receding]

155  
00:08:44 --> 00:08:46  
See? There's nothing.

156  
00:08:49 --> 00:08:50  
Nick.

157  
00:08:51 --> 00:08:53  
Nick, come back into the light.

158  
00:08:54 --> 00:08:56  
Nick, don't be an idiot!

159  
00:09:02 --> 00:09:04  
-[scraper screeches]  
-[Nicks creams]

160  
00:09:08 --> 00:09:10  
[dramatic music plays]

161  
00:09:14 --> 00:09:15  
[Specialists panting]

162  
00:09:15 --> 00:09:18  
[Riven] The Blood Witches are using  
controlled Specialists to patrol

163  
00:09:18 --> 00:09:20  
so they don't risk themselves.

164  
00:09:22 --> 00:09:25  
If word gets out we're making an attack,  
we lose our advantage,

165  
00:09:25 --> 00:09:27  
so we'll spread out  
and take them out one by one.

166  
00:09:27 --> 00:09:28  
Silently, all right?

167  
00:09:29 --> 00:09:30  
Let's move.

168  
00:09:43 --> 00:09:44  
[dramatic music intensifies]

169  
00:09:44 --> 00:09:46  
[both grunting]

170  
00:09:51 --> 00:09:52  
[cellphone vibrating]

171

00:09:53 --> 00:09:54  
[cellphone vibrating]

172

00:09:55 --> 00:09:56  
[cellphone keypad beeps]

173

00:09:56 --> 00:09:58  
[Musa] The Blood Witches know  
about the attack.

174

00:09:58 --> 00:09:59  
[Bloom] Are you sure?

175

00:09:59 --> 00:10:01  
[Sebastian] Move out!

176

00:10:02 --> 00:10:03  
[Musa exhales sharply]

177

00:10:05 --> 00:10:06  
[distant yelling]

178

00:10:06 --> 00:10:09  
No, but there are a ton  
of Specialists headed outside.

179

00:10:09 --> 00:10:12  
-Silva won't be able to break through.  
-He has to, so I can go in.

180

00:10:13 --> 00:10:16  
-You haven't seen Flora?  
-No. I know where they've got her, but--

181

00:10:16 --> 00:10:20  
No news is good news. There's still time.

If the Specialists fail, we break her out.

182

00:10:21 --> 00:10:23

What about Grey? One last appeal?

183

00:10:23 --> 00:10:26

You saw the video. You really think  
he's interested in helping us?

184

00:10:27 --> 00:10:29

Look, I can try Beatrix again.

185

00:10:29 --> 00:10:31

[Musa] I think she left.

186

00:10:32 --> 00:10:35

So basically Flora's screwed.  
That's what everybody's saying.

187

00:10:35 --> 00:10:38

She's gonna lose her magic  
and there's nothing we can do.

188

00:10:38 --> 00:10:40

No, not nothing.

189

00:10:41 --> 00:10:42

I'll text you later.

190

00:10:50 --> 00:10:50

[Stella sighs]

191

00:10:57 --> 00:11:01

I'm not one to diss art therapy,  
but wanna share with the class?

192

00:11:04 --> 00:11:06  
Earlier this morning, I didn't...

193

00:11:07 --> 00:11:09  
I didn't pass out from exhaustion.

194

00:11:11 --> 00:11:14  
When I summoned my Dragon Flame,  
I saw, um...

195

00:11:15 --> 00:11:15  
Sebastian.

196

00:11:17 --> 00:11:18  
And I saw this.

197

00:11:19 --> 00:11:20  
[Aisha] What is that?

198

00:11:21 --> 00:11:23  
[breathes shakily]  
I don't know. Some kind of...

199

00:11:25 --> 00:11:27  
vision or premonition.

200

00:11:28 --> 00:11:32  
I know it definitely  
had something to do with my magic, but--

201

00:11:32 --> 00:11:33  
Hey, Bloom.

202

00:11:35 --> 00:11:36  
It's okay.

203

00:11:37 --> 00:11:39  
I just, I'm scared. I'm...

204  
00:11:39 --> 00:11:41  
just scared, Aisha. I mean, I'm...

205  
00:11:42 --> 00:11:46  
Ever since Rosalind, I'm just scared,  
and I know I have to be strong, but--

206  
00:11:46 --> 00:11:47  
[Aisha] No, you don't.

207  
00:11:48 --> 00:11:52  
It doesn't make you any less of a badass  
to let your friends take care of you.

208  
00:11:52 --> 00:11:56  
It's the toughest thing I've had to learn,  
but after all this with Grey,

209  
00:11:57 --> 00:11:58  
if I didn't have you all...

210  
00:12:01 --> 00:12:02  
We are in this together.

211  
00:12:04 --> 00:12:05  
Okay?

212  
00:12:09 --> 00:12:12  
Are you gonna be okay  
to take out your man?

213  
00:12:12 --> 00:12:13  
No need. Texted him.

214  
00:12:13 --> 00:12:16  
What the fuck? Don't you understand  
the words "surprise attack"?

215  
00:12:16 --> 00:12:18  
Oh, relax. He's a legend.

216  
00:12:21 --> 00:12:22  
Shit.

217  
00:12:23 --> 00:12:25  
-Watch out!  
-[both grunting]

218  
00:12:26 --> 00:12:27  
It's me! It's Dane!

219  
00:12:27 --> 00:12:28  
[all grunting]

220  
00:12:29 --> 00:12:31  
[Riven groans]

221  
00:12:33 --> 00:12:35  
[Dane groans]

222  
00:12:35 --> 00:12:37  
[both grunting]

223  
00:12:39 --> 00:12:41  
[Dane groans loudly]

224  
00:12:41 --> 00:12:42  
[both grunting]

225

00:12:52 --> 00:12:53  
[grunting]

226  
00:12:56 --> 00:12:57  
[Luke groans]

227  
00:13:00 --> 00:13:01  
[Riven groans]

228  
00:13:02 --> 00:13:04  
-Thought you could use a hand. [laughs]  
-Fuck off.

229  
00:13:04 --> 00:13:06  
Let's hope he didn't tell anyone.

230  
00:13:06 --> 00:13:08  
[boy] They're down there!

231  
00:13:08 --> 00:13:10  
[Riven] No such luck.

232  
00:13:10 --> 00:13:12  
We have to fall back. Oi. Now, now, now!

233  
00:13:12 --> 00:13:13  
[Sky] Come on.

234  
00:13:15 --> 00:13:16  
[Luke grunting]

235  
00:13:18 --> 00:13:21  
[Flora sighs] Come on. You must have  
some sort of weapon.

236  
00:13:25 --> 00:13:26

[shuffling]

237

00:13:30 --> 00:13:32

[Blood Witch 1]

Sebastian wants another one.

238

00:13:35 --> 00:13:38

[Flora] I always hated  
getting picked last.

239

00:13:44 --> 00:13:47

[Saul] Sky, nice of you to join us.

240

00:13:48 --> 00:13:50

Yeah, I had to take care  
of some delinquents.

241

00:13:55 --> 00:13:56

Nice sword.

242

00:13:58 --> 00:14:02

Closest thing I could find.  
And it's, you know, not bad.

243

00:14:02 --> 00:14:04

Andreas said it was a bit unbalanced, but...

244

00:14:06 --> 00:14:08

It's not. It's old,  
but it's not unbalanced.

245

00:14:08 --> 00:14:12

I think Andreas was just a bit jealous  
because I gave you my father's sword

246

00:14:12 --> 00:14:13

and told you it was his.

247

00:14:19 --> 00:14:21  
This is your father's sword.

248

00:14:26 --> 00:14:28  
[Saul] Right. Listen up.

249

00:14:29 --> 00:14:33  
The Blood Witches were waiting for us,  
so we've had to fall back.

250

00:14:33 --> 00:14:37  
We're gonna stay here and regroup  
until the Solarians come.

251

00:14:37 --> 00:14:39  
But Musa's still in there. So's Flora.

252

00:14:39 --> 00:14:43  
-Yeah, he's right, we should go now--  
-It's not up for debate, okay?

253

00:14:43 --> 00:14:45  
So let's keep busy until then. Move out.

254

00:14:47 --> 00:14:48  
[Riven sighs]

255

00:14:50 --> 00:14:53  
You need to get back  
to the groundskeeper's house, now.

256

00:14:53 --> 00:14:55  
What? I can fight. You know I can.

257

00:14:55 --> 00:14:59

Without LeRoy's antidote,  
you are a sitting duck,

258

00:14:59 --> 00:15:02  
and the school  
is crawling with Blood Witches.

259

00:15:02 --> 00:15:05  
[Musa yells, grunts]

260

00:15:05 --> 00:15:07  
-[Blood Witch 1 grunts]  
-[Musa yelps]

261

00:15:08 --> 00:15:09  
[both grunting]

262

00:15:12 --> 00:15:14  
[both grunting]

263

00:15:16 --> 00:15:17  
[Musa pants]

264

00:15:20 --> 00:15:21  
[Blood Witch 1 groans]

265

00:15:22 --> 00:15:23  
[Musa pants]

266

00:15:23 --> 00:15:24  
[Flora] Musa.

267

00:15:25 --> 00:15:28  
Okay. Okay, okay, okay. Okay.

268

00:15:29 --> 00:15:31

-[Blood Witch 2 groans]  
-[grunts]

269

00:15:32 --> 00:15:34  
[Flora] Oh. Good skills.

270

00:15:36 --> 00:15:38  
[Musa] No bites. Still got your magic?

271

00:15:38 --> 00:15:40  
I do. I think I can use that  
to our advantage if--

272

00:15:40 --> 00:15:42  
-[distant yelling]  
-[Musa] Let's go!

273

00:15:48 --> 00:15:49  
[cellphone vibrating]

274

00:15:55 --> 00:15:56  
There you are. How are you?

275

00:15:56 --> 00:15:59  
[Sky] I'm good.  
Even better when I see you.

276

00:16:00 --> 00:16:01  
How are you doing?

277

00:16:02 --> 00:16:04  
I mean, all things considered, I'm okay.

278

00:16:07 --> 00:16:09  
Musa saved Flora from scrapers.

279

00:16:09 --> 00:16:10  
[Sky] That's great.

280  
00:16:11 --> 00:16:13  
[Bloom] Yeah,  
except now they're stuck in there,

281  
00:16:13 --> 00:16:16  
so I... I guess we just have to wait  
for the Solarians.

282  
00:16:17 --> 00:16:18  
I feel like there's a "but" coming.

283  
00:16:18 --> 00:16:22  
No, I'm... I'm happy you're safe  
and I'm happy Flora's safe. I just...

284  
00:16:23 --> 00:16:25  
I don't know. I feel like this isn't over.

285  
00:16:26 --> 00:16:27  
[Sky] 'Cause it isn't.

286  
00:16:28 --> 00:16:30  
Sebastian's gonna get what he wants,

287  
00:16:31 --> 00:16:33  
and you're gonna help him.

288  
00:16:33 --> 00:16:35  
[unsettling music plays]

289  
00:16:35 --> 00:16:36  
[Bloom] Sky?

290

00:16:38 --> 00:16:39  
What's going on?

291

00:16:40 --> 00:16:43  
Go outside. Now.

292

00:16:46 --> 00:16:47  
Sebastian.

293

00:16:49 --> 00:16:49  
Quietly.

294

00:16:59 --> 00:17:02  
-What do you want?  
-[Sebastian] Oh, I think you know.

295

00:17:02 --> 00:17:05  
And by the way,  
if you tell anyone, Sky dies.

296

00:17:06 --> 00:17:09  
If anything happens to Grey, Sky dies.

297

00:17:09 --> 00:17:12  
If you try and fight me,  
well, you get where I'm going.

298

00:17:16 --> 00:17:17  
Drop your phone.

299

00:17:18 --> 00:17:19  
I'll see you soon.

300

00:17:23 --> 00:17:24  
[Sebastian whistles]

301

00:17:40 --> 00:17:43  
[Musa] I won't pretend  
I understand your plan completely,

302  
00:17:43 --> 00:17:44  
but I found these.

303  
00:17:44 --> 00:17:47  
Is there any other secret herb stash  
that you know about?

304  
00:17:47 --> 00:17:48  
I don't know. Know who would?

305  
00:17:49 --> 00:17:50  
The person whose drawers  
I rummaged through.

306  
00:17:50 --> 00:17:52  
Never mind. This is fine.

307  
00:17:52 --> 00:17:56  
Why so secretive? Terra knows  
we're trying to take out the scrapers.

308  
00:17:56 --> 00:17:59  
-Why hide the details?  
-I don't wanna distract them.

309  
00:17:59 --> 00:18:00  
Besides, I've got this.

310  
00:18:01 --> 00:18:03  
You know she's gonna  
keep checking on you--

311  
00:18:03 --> 00:18:04

[cellphone vibrating]

312

00:18:07 --> 00:18:09  
Bloom and Sky are missing.

313

00:18:10 --> 00:18:11  
[ominous music plays]

314

00:18:33 --> 00:18:34  
Bloom?

315

00:18:35 --> 00:18:36  
Bloom.

316

00:18:38 --> 00:18:39  
[whispering] Sky?

317

00:18:40 --> 00:18:42  
If you two are out here  
making out somewhere,

318

00:18:42 --> 00:18:44  
I will absolutely...

319

00:18:44 --> 00:18:45  
[twigs snapping]

320

00:18:46 --> 00:18:47  
Relax. It's just me.

321

00:18:49 --> 00:18:50  
Just you?

322

00:18:51 --> 00:18:52  
The villain.

323

00:18:52 --&gt; 00:18:55

Labels. Would the villain do this?

324

00:18:57 --&gt; 00:19:00

I did some snooping.

Found out what Sebastian's planning.

325

00:19:02 --&gt; 00:19:05

He's obsessed with righting  
the wrongs of Aster Dell.

326

00:19:05 --&gt; 00:19:07

He's found a way.

327

00:19:07 --&gt; 00:19:10

There's an entity  
in the Realm of Darkness. Shadow.

328

00:19:12 --&gt; 00:19:14

It can raise the dead.

329

00:19:14 --&gt; 00:19:17

Sebastian wants to bring  
everyone from Aster Dell back to life.

330

00:19:17 --&gt; 00:19:21

Thing is, last time it happened,  
it nearly destroyed the Otherworld.

331

00:19:21 --&gt; 00:19:22

[Stella sighs]

332

00:19:22 --&gt; 00:19:24

Sebastian didn't read the fine print  
or doesn't care.

333

00:19:25 --> 00:19:28  
Uh, Bloom had a vision of some portal  
when she used the Dragon Flame.

334  
00:19:28 --> 00:19:30  
A conduit to the Realm of Darkness.

335  
00:19:30 --> 00:19:33  
Sebastian needs the Dragon Flame  
to open it.

336  
00:19:33 --> 00:19:36  
So whatever she does,  
tell Bloom to sit tight.

337  
00:19:39 --> 00:19:40  
What is that look?

338  
00:19:41 --> 00:19:42  
Bloom's missing.

339  
00:19:43 --> 00:19:44  
Along with Sky.

340  
00:19:44 --> 00:19:47  
[Beatrix sighs] He wanted leverage.

341  
00:19:47 --> 00:19:50  
Sebastian's using Sky as leverage.  
You have to stop her.

342  
00:19:50 --> 00:19:51  
If that's true--

343  
00:19:51 --> 00:19:54  
Are you fucking kidding?  
Of course it is. You have to stop her.

344

00:19:54 --&gt; 00:19:57

Once the conduit's open, the only way  
to close it is from the other side.

345

00:19:58 --&gt; 00:20:01

Sky's life is not worth more  
than every other life in the Otherworld.

346

00:20:03 --&gt; 00:20:05

I'm trying to help you,  
but you have to help yourself.

347

00:20:07 --&gt; 00:20:09

You really think  
you can play both sides, don't you?

348

00:20:11 --&gt; 00:20:15

Save Musa, give us some intel,  
and that'll make up for betraying Alfea?

349

00:20:16 --&gt; 00:20:18

I told you I'd do  
whatever it took to survive.

350

00:20:20 --&gt; 00:20:21

Congratulations.

351

00:20:22 --&gt; 00:20:23

You survived.

352

00:20:25 --&gt; 00:20:27

I have two sisters.

353

00:20:30 --&gt; 00:20:32

I didn't know that.

354

00:20:34 --> 00:20:38  
I didn't know anything about my past,  
so I made a deal.

355

00:20:40 --> 00:20:43  
I'd help him if he told me  
why I was at Aster Dell.

356

00:20:45 --> 00:20:50  
He didn't know the full story,  
but he knew I had two sisters.

357

00:20:52 --> 00:20:56  
I have no one, Stella.  
No one in the entire world.

358

00:20:59 --> 00:21:01  
You had me.

359

00:21:06 --> 00:21:07  
Now, if you'll excuse me,

360

00:21:09 --> 00:21:10  
I have to search for my friends.

361

00:21:20 --> 00:21:24  
-It's not too late to do the right thing.  
-What's that mean? "The right thing."

362

00:21:24 --> 00:21:26  
You could have given him  
the Dragon Flame weeks ago.

363

00:21:26 --> 00:21:29  
-Who's to say that wasn't right?  
-He's stealing magic from fairies.

364

00:21:29 --> 00:21:32  
Fairies killed the Blood Witches  
at Aster Dell.

365

00:21:33 --> 00:21:34  
I had family there, Bloom.

366

00:21:36 --> 00:21:38  
I'm just saying, this is complicated.

367

00:21:39 --> 00:21:42  
Yeah, maybe. But one thing isn't.

368

00:21:42 --> 00:21:43  
Aisha let you in.

369

00:21:45 --> 00:21:46  
And you lied to her,

370

00:21:46 --> 00:21:49  
so you don't get to be  
on this moral high ground.

371

00:21:51 --> 00:21:55  
-If Sebastian didn't have Sky right now--  
-Luckily, I do have Sky.

372

00:21:57 --> 00:21:59  
Why don't you wait outside?

373

00:22:04 --> 00:22:05  
Where is he? I wanna see him.

374

00:22:06 --> 00:22:07  
[suspenseful music plays]

375

00:22:17 --> 00:22:20  
[Sebastian] Bit over the top, I know,  
but gets the point across.

376

00:22:20 --> 00:22:21  
Uh, careful now.

377

00:22:22 --> 00:22:22  
[mystical tinkling]

378

00:22:25 --> 00:22:26  
[choked gasping]

379

00:22:28 --> 00:22:30  
Okay. Okay, fine.

380

00:22:32 --> 00:22:34  
Fine. You want the Dragon Flame?

381

00:22:35 --> 00:22:37  
It's yours. You can have it.

382

00:22:39 --> 00:22:40  
Need a scraper to feed on my magic?

383

00:22:40 --> 00:22:43  
No, Dragon Flame would fry it in a second.

384

00:22:45 --> 00:22:47  
Luckily, I found this.

385

00:22:48 --> 00:22:50  
You know how these work, right?

386

00:22:50 --> 00:22:54

You channel the Dragon Flame into it  
and I channel it into me.

387

00:22:55 --> 00:22:56  
Once I have it,

388

00:22:57 --> 00:22:58  
Sky goes free.

389

00:23:14 --> 00:23:16  
The Solarians are on their way.

390

00:23:16 --> 00:23:19  
Will they fight an ancient evil  
because we're too scared?

391

00:23:19 --> 00:23:22  
-If that's what we have to do.  
-You can't be serious.

392

00:23:22 --> 00:23:24  
We are outnumbered.

393

00:23:24 --> 00:23:26  
I don't care.

394

00:23:26 --> 00:23:27  
[Saul sighs]

395

00:23:27 --> 00:23:30  
Bloom's inside risking everything  
to save Sky.

396

00:23:30 --> 00:23:33  
Musa's got no magic  
and virtually no fighting ability,

397

00:23:33 --> 00:23:35  
and she's still there.

398

00:23:35 --> 00:23:37  
My cousin spent last night  
surrounded by monsters.

399

00:23:37 --> 00:23:40  
What's she doing?  
Cooking up a plan to kill those monsters.

400

00:23:41 --> 00:23:42  
These are my friends.

401

00:23:43 --> 00:23:45  
They're our friends. They need us.

402

00:23:45 --> 00:23:47  
So, no, I'm not gonna be waiting  
for the Solarians.

403

00:23:48 --> 00:23:50  
I'm not gonna wait outside my home  
for somebody else to save it.

404

00:23:51 --> 00:23:53  
This is what Dowling would want.

405

00:23:55 --> 00:23:57  
All of us, Alfeans, fighting together.

406

00:23:57 --> 00:23:59  
[inspirational music plays]

407

00:24:03 --> 00:24:05  
[inhales deeply, clicks tongue]

408

00:24:05 --&gt; 00:24:07

[sighs] Who am I to argue with Farah, huh?

409

00:24:08 --&gt; 00:24:11

No magic till we clear  
the scrapers, all right?

410

00:24:14 --&gt; 00:24:15

-Let's gear up!  
-[Specialists] Yes!

411

00:24:19 --&gt; 00:24:21

[Riven] Hey, you hear that?  
We're moving out.

412

00:24:23 --&gt; 00:24:25

What if he wakes up  
and alerts the Blood Witches?

413

00:24:26 --&gt; 00:24:28

Or if he doesn't know where he is  
and freaks out?

414

00:24:31 --&gt; 00:24:35

Yeah, you're right.  
You should probably stay with him.

415

00:24:35 --&gt; 00:24:36

We'll be okay.

416

00:24:38 --&gt; 00:24:39

-You ready to go?  
-Yeah.

417

00:24:42 --&gt; 00:24:43

[Terra] Hi.

418

00:24:44 --&gt; 00:24:48

That was one of the hottest things  
I've ever seen, Ter.

419

00:24:48 --&gt; 00:24:50

[chuckles awkwardly] Oh. Really?

420

00:24:50 --&gt; 00:24:54

Um. Well, I saw this really great TED talk  
the other day about empowerment.

421

00:24:54 --&gt; 00:24:56

Um, it... it lags a bit in the middle

422

00:24:56 --&gt; 00:25:00

and it was in a really tiny room,  
so it was more TED-Talk adjacent,

423

00:25:00 --&gt; 00:25:02

but it made some really good points

424

00:25:02 --&gt; 00:25:04

about endorphin production  
during motivational speeches.

425

00:25:04 --&gt; 00:25:06

I'm ruining it, aren't I? [chuckles]

426

00:25:08 --&gt; 00:25:09

No.

427

00:25:11 --&gt; 00:25:13

[romantic instrumental music plays]

428

00:25:15 --&gt; 00:25:16

[Kat chuckles]

429

00:25:18 --> 00:25:19  
Time to go fuck shit up.

430

00:25:19 --> 00:25:20  
[dramatic music plays]

431

00:25:22 --> 00:25:24  
[Specialists let out battle cry]

432

00:25:26 --> 00:25:27  
[all grunting]

433

00:25:28 --> 00:25:29  
[groans loudly]

434

00:25:29 --> 00:25:31  
[grunting, groaning]

435

00:25:33 --> 00:25:35  
-We're running out of time.  
-[Flora] I'm aware.

436

00:25:35 --> 00:25:38  
That's the last of the solvent.  
Do you know if there's more?

437

00:25:39 --> 00:25:41  
I'll call Terra. She can help. I can't.

438

00:25:42 --> 00:25:43  
[outgoing call tone]

439

00:25:44 --> 00:25:46  
-[cellphone vibrating]

-[keypad beeps]

440

00:25:46 --> 00:25:49

Update? Can we go in?

Have you cleared out the scrapers?

441

00:25:49 --> 00:25:52

I need more clean solvent  
to distill this formula I'm working on.

442

00:25:52 --> 00:25:53

I already used yours.

443

00:25:53 --> 00:25:56

[Terra] Tell me what you need it for.  
What's your plan?

444

00:25:58 --> 00:26:01

I'm distilling a pheromone of my magic  
to track the scrapers to me.

445

00:26:02 --> 00:26:03

And then what?

446

00:26:05 --> 00:26:07

Eldwyn isn't just toxic to humans.

447

00:26:08 --> 00:26:10

Flora, n... no.

448

00:26:10 --> 00:26:13

There's solvent in the greenhouse.  
I can always go there.

449

00:26:13 --> 00:26:16

I... I can't let you do this.

450

00:26:16 --&gt; 00:26:18

I can't let you sacrifice yourself.

451

00:26:18 --&gt; 00:26:19

This is my home now too, Terra.

452

00:26:20 --&gt; 00:26:22

I'm not just gonna hide in here

453

00:26:22 --&gt; 00:26:24

while you risk yourselves  
and try to transform.

454

00:26:24 --&gt; 00:26:25

[Terra sighs]

455

00:26:25 --&gt; 00:26:28

I know this is a reckless Flora move,  
but I know it'll work.

456

00:26:28 --&gt; 00:26:30

[Terra sighs shakily, grunts softly]

457

00:26:32 --&gt; 00:26:33

Okay.

458

00:26:35 --&gt; 00:26:37

Bloom's got some Gamsol oil  
next to her paintbrushes.

459

00:26:37 --&gt; 00:26:40

Uh, Stella's nail-polish remover  
is high quality.

460

00:26:40 --&gt; 00:26:43

Musa's got some WD-40

from trying to fix the water pressure.

461

00:26:43 --> 00:26:46

If all else fails, Aisha's got  
a stash of vodka in her bottom drawer.

462

00:26:46 --> 00:26:48

One of those should work.

463

00:26:50 --> 00:26:51

I'm very observant.

464

00:26:51 --> 00:26:53

-Thank you, Terra.  
-[keypad beeps]

465

00:26:58 --> 00:26:59

[grunting]

466

00:27:00 --> 00:27:01

[Kat grunts loudly]

467

00:27:01 --> 00:27:02

[swords clanging]

468

00:27:06 --> 00:27:07

[grunting]

469

00:27:11 --> 00:27:12

[Dragon Flame roars]

470

00:27:12 --> 00:27:14

[Blood Witch 3] Sebastian. Sebastian.

471

00:27:16 --> 00:27:17

Please wait.

472

00:27:21 --&gt; 00:27:23

-What?

-[Blood Witch 3] Specialists seen.

473

00:27:23 --&gt; 00:27:25

[Sebastian] Do something about it.

474

00:27:28 --&gt; 00:27:31

Your friends are making  
quite the rescue attempt.

475

00:27:32 --&gt; 00:27:35

Did you expect them  
to just wait around and do nothing?

476

00:27:35 --&gt; 00:27:38

Course not. But I wonder  
if they'd make the same effort

477

00:27:38 --&gt; 00:27:41

if they knew how relieved you are  
to be giving it up.

478

00:27:41 --&gt; 00:27:44

-You think if I had a choice, I wouldn't--  
-Don't be ashamed, Bloom.

479

00:27:47 --&gt; 00:27:48

You're a teenager.

480

00:27:49 --&gt; 00:27:51

You should be allowed to be a teenager.

481

00:27:52 --&gt; 00:27:54

Spend time with your friends.

482

00:27:55 --> 00:27:56  
With your boyfriend.

483

00:27:57 --> 00:27:59  
I know what it's like  
to miss out on all of that

484

00:27:59 --> 00:28:02  
because you're dealing with shit  
that's bigger than you.

485

00:28:02 --> 00:28:06  
Nobody gets to have a normal life  
when the Dragon Flame is involved,

486

00:28:06 --> 00:28:09  
and a normal life  
is all your mum ever wanted for you.

487

00:28:09 --> 00:28:10  
Are you taunting me?

488

00:28:11 --> 00:28:14  
You won. You're getting  
everything you wanted--

489

00:28:14 --> 00:28:15  
[Sebastian] I didn't mean to taunt.

490

00:28:15 --> 00:28:17  
-I didn't.  
-[Bloom] So then tell me.

491

00:28:18 --> 00:28:20  
Tell me about my mom, where I came from.

492

00:28:20 --> 00:28:22  
-Stalling for time?  
-[Bloom] You can read my thoughts.

493  
00:28:22 --> 00:28:24  
You really think I don't wanna know?

494  
00:28:26 --> 00:28:28  
It's not a happy story.

495  
00:28:29 --> 00:28:31  
Would have been  
more of a surprise if it were.

496  
00:28:35 --> 00:28:37  
Your mum had the Dragon Flame.

497  
00:28:40 --> 00:28:41  
Just like you.

498  
00:28:43 --> 00:28:45  
I thought that only existed  
1,000 years ago.

499  
00:28:45 --> 00:28:47  
[Sebastian] No,  
that's not technically true.

500  
00:28:47 --> 00:28:50  
It was just in stasis for 1,000 years.

501  
00:28:53 --> 00:28:56  
Because you were in stasis  
for 1,000 years.

502  
00:28:56 --> 00:28:57  
[Bloom gasps softly]

503

00:28:57 --> 00:28:58  
[Sebastian] As a baby.

504

00:29:01 --> 00:29:05  
So, I was... I was born 1,000 ye... years ago?

505

00:29:07 --> 00:29:09  
In the middle of an ancient war.

506

00:29:10 --> 00:29:11  
That's... [chuckles softly]

507

00:29:11 --> 00:29:15  
Your mum and the Dragon Flame  
were the heroes of that war

508

00:29:16 --> 00:29:18  
until she lost control

509

00:29:18 --> 00:29:20  
and thousands died.

510

00:29:21 --> 00:29:24  
She was wracked with guilt  
for what she'd done,

511

00:29:24 --> 00:29:26  
for passing the burden on to you.

512

00:29:26 --> 00:29:30  
She couldn't fathom  
you going down the same path,

513

00:29:30 --> 00:29:32  
so, the day you were born,

514

00:29:33 --> 00:29:35  
she put you in stasis

515

00:29:35 --> 00:29:37  
and she put herself  
in the Realm of Darkness.

516

00:29:40 --> 00:29:42  
[Bloom hesitates] So my parents--

517

00:29:42 --> 00:29:44  
Have been gone for a very long time.

518

00:29:49 --> 00:29:52  
Your mum never wanted you  
to have the burden of the Dragon Flame.

519

00:29:55 --> 00:29:57  
[whispers] Once you give it to me,

520

00:29:58 --> 00:30:01  
you can finally live your life.

521

00:30:07 --> 00:30:08  
Now...

522

00:30:11 --> 00:30:13  
let's finish this.

523

00:30:15 --> 00:30:17  
[Dragon Flame roars]

524

00:30:17 --> 00:30:19  
[Specialists and Blood Witches grunting]

525

00:30:19 --&gt; 00:30:22

They're outnumbered.  
They're fighting a losing battle.

526

00:30:22 --&gt; 00:30:25

-[swords clanging]  
-[grunting, groaning]

527

00:30:29 --&gt; 00:30:31

-We have to use our magic.  
-No, not yet.

528

00:30:31 --&gt; 00:30:34

Flora needs the scrapers focused on her.  
That's the only way she'll destroy them.

529

00:30:35 --&gt; 00:30:37

[Flora] This should draw  
all the scrapers to me.

530

00:30:37 --&gt; 00:30:41

-[Musa] How d'you know it's working?  
-I don't. We just have to wait and...

531

00:30:41 --&gt; 00:30:43

-[distant chittering]  
-Time for you to go. Now.

532

00:30:43 --&gt; 00:30:47

-[Musa] No! How're you gonna jab them all?  
-I'm not jabbing them.

533

00:30:49 --&gt; 00:30:50

[Musa] Flora.

534

00:30:51 --&gt; 00:30:52

When they feed on me, they'll die.

535

00:30:53 --> 00:30:56  
There are still fairies out there  
with magic. Free them.

536

00:30:56 --> 00:30:58  
Let the suite know  
we've cleared the field.

537

00:31:02 --> 00:31:03  
Be honest. Does it hurt?

538

00:31:05 --> 00:31:06  
[Musa] Like hell.

539

00:31:08 --> 00:31:09  
Go.

540

00:31:09 --> 00:31:12  
-[chittering approaching]  
-[heroic music plays]

541

00:31:17 --> 00:31:19  
[mystical tinkling]

542

00:31:20 --> 00:31:22  
-[scrapers screeches]  
-[chittering]

543

00:31:24 --> 00:31:26  
[scrapers chittering]

544

00:31:29 --> 00:31:31  
[grunting, groaning]

545

00:31:33 --> 00:31:36

Look. The fairies are free.  
Flora's done it.

546

00:31:36 --> 00:31:37  
[mystical tinkling]

547

00:31:39 --> 00:31:40  
[swords clanging]

548

00:31:43 --> 00:31:44  
[Stella] Let's go.

549

00:31:44 --> 00:31:46  
Keep going. We can do this!

550

00:31:47 --> 00:31:50  
[Musa grunting]

551

00:31:51 --> 00:31:53  
-Look at you, proving me wrong.  
-Could still use pointers.

552

00:31:54 --> 00:31:55  
-[Riven] Watch your left.  
-[grunts]

553

00:32:03 --> 00:32:05  
-We're going inside.  
-[Grey] I can't let you do that.

554

00:32:09 --> 00:32:10  
My brother died in Aster Dell.

555

00:32:12 --> 00:32:13  
Whatever your reasons--

556

00:32:13 --> 00:32:16  
-[Grey] I was my parents' replacement son.  
-Stop.

557  
00:32:17 --> 00:32:20  
[Grey] Sebastian told them  
he could bring my brother back to life.

558  
00:32:20 --> 00:32:21  
I said stop.

559  
00:32:22 --> 00:32:23  
[exhales shakily]

560  
00:32:24 --> 00:32:26  
[Grey] Aisha, I just wanna be free.

561  
00:32:27 --> 00:32:30  
From expectations,
