Max Burkholder	...	Matt (voice)
Chris Diamantopoulos	...	Donald Ferguson (voice)
Walton Goggins	...	Cecil Stedman (voice)
Grey Griffin	...	Olga (voice)
Jon Hamm	...	Steve (voice)
Gillian Jacobs	...	Atom Eve / Eve Wilkins (voice)
Jason Mantzoukas	...	Rex Splode (voice)
Melise	...	Dupli-Kate (voice)
Zachary Quinto	...	Robot (voice)
Andrew Rannells	...	William Clockwell (voice)
Kevin Michael Richardson	...	Flaxan Leader (voice)
Seth Rogen	...	Allen the Alien (voice)

1
00:00:03,051 --> 00:00:04,634
[camera shutter clicks]

2
00:00:05,078 --> 00:00:06,160
Shit.

3
00:00:06,291 --> 00:00:07,502
Look at that place.

4
00:00:07,587 --> 00:00:08,604
Language.

5
00:00:08,689 --> 00:00:09,750
Sorry.

6
00:00:09,835 --> 00:00:11,195
I mean, it's impressive,

7
00:00:11,280 --> 00:00:12,953
but, like, who needs
that many rooms?

8
00:00:13,038 --> 00:00:14,329
It's not about rooms.

9
00:00:14,539 --> 00:00:15,957
It's about power.

10
00:00:16,041 --> 00:00:17,742
That building has one purpose.

11
00:00:17,827 --> 00:00:20,766
To say, "I'm the Queen,
and you are my subjects."

12

00:00:20,851 --> 00:00:21,957
[Matt] Huh.

13
00:00:22,041 --> 00:00:23,332
You think so?

14
00:00:23,416 --> 00:00:25,291
The Queen might look
like a nice old lady,

15
00:00:25,375 --> 00:00:27,541
but she comes from
a long line of tyrants

16
00:00:27,625 --> 00:00:29,374
who all thought they were
better than the rest of us.

17
00:00:29,458 --> 00:00:31,166
Dad!

18
00:00:31,250 --> 00:00:32,976
[screaming]

19
00:00:33,160 --> 00:00:35,195
[gasps]

20
00:00:40,833 --> 00:00:43,320
I didn't know
they had Burger Marts here.

21
00:00:43,405 --> 00:00:44,655
[gasping]

22
00:00:45,708 --> 00:00:47,791
You called me Dad.

23
00:00:55,500 --> 00:01:00,458
[♪♪♪]

24
00:01:17,666 --> 00:01:19,208
[blasts, metal clanks]

25
00:01:20,166 --> 00:01:21,375
[footsteps]

26
00:01:23,583 --> 00:01:27,333
[♪♪♪]

27
00:01:29,000 --> 00:01:29,999
[GDA Tech-Trooper] Clear.

28
00:01:30,083 --> 00:01:31,291
[male paramedic] Go, go, go!
Get in there!

29
00:01:31,375 --> 00:01:32,774
One team per casualty!

30
00:01:32,859 --> 00:01:34,249
- Move it!
- Jesus Christ.

31
00:01:34,333 --> 00:01:35,666
What the hell happened here?

32
00:01:35,750 --> 00:01:37,470
[female paramedic]
Applying aqueous sealant.

33
00:01:37,961 --> 00:01:39,671
Is that part of her brain?

34
00:01:39,791 --> 00:01:40,916
It's the Green Ghost!

35
00:01:41,000 --> 00:01:42,124
[female paramedic]
Did you find all the pieces?

36
00:01:42,208 --> 00:01:43,582
[male paramedic] I used
to worship this guy as a kid.

37
00:01:43,666 --> 00:01:44,666
[female paramedic]
Get those on ice.

38
00:01:44,750 --> 00:01:45,999
[male paramedic]
Cut in the neck now.

39
00:01:46,083 --> 00:01:46,999
Watch out.

40
00:01:47,083 --> 00:01:49,085
Sometimes, it affects
the spinal...

41
00:01:57,016 --> 00:01:58,946
[female paramedic]
Beginning nano-suscitation.

42
00:01:59,031 --> 00:02:00,518
Locking in neural stabilizer.

43
00:02:00,603 --> 00:02:01,727
[beeping]

44

00:02:01,812 --> 00:02:02,890
[female paramedic]
Omni-Man's alive!

45
00:02:02,974 --> 00:02:04,691
[male paramedic]
Get out of the way!

46
00:02:05,289 --> 00:02:06,515
[female paramedic]
Hurry up!

47
00:02:06,599 --> 00:02:08,182
[male paramedic]
It's all we can do here.

48
00:02:08,266 --> 00:02:09,682
Get ready for transport.

49
00:02:09,766 --> 00:02:10,682
Go, go, go!

50
00:02:10,766 --> 00:02:13,057
Careful.
Don't bump her.

51
00:02:13,141 --> 00:02:15,066
Never seen anything like this.

52
00:02:15,766 --> 00:02:17,348
[sighs]

53
00:02:17,432 --> 00:02:18,432
Goddammit!

54
00:02:18,516 --> 00:02:19,816
[gasps]

55
00:02:35,349 --> 00:02:36,593
[sighs]

56
00:02:46,902 --> 00:02:49,899
[shower running]

57
00:03:00,306 --> 00:03:01,356
Hey, Mom.

58
00:03:01,559 --> 00:03:02,615
What's wrong?

59
00:03:02,700 --> 00:03:03,717
Nothing.

60
00:03:03,802 --> 00:03:04,969
Just missing your dad.

61
00:03:05,054 --> 00:03:06,386
He didn't come home last night.

62
00:03:06,471 --> 00:03:08,286
Mom, stop worrying.

63
00:03:08,371 --> 00:03:10,038
He probably got buried
under a mountain again

64
00:03:10,122 --> 00:03:11,672
or something.

65
00:03:12,135 --> 00:03:14,144
Well, it wouldn't be
the first time.

66

00:03:14,716 --> 00:03:16,279
Don't be late for school.

67

00:03:16,372 --> 00:03:17,672
[gasps]

68

00:03:20,434 --> 00:03:24,560
[Donald] Nolan's receiving
the absolute pinnacle of care.

69

00:03:24,645 --> 00:03:26,560
As the Global Defense Agency,

70

00:03:26,645 --> 00:03:28,701
we have access
to medical technology

71

00:03:28,786 --> 00:03:31,907
far beyond any normal hospital.

72

00:03:32,939 --> 00:03:34,939
[Mark, quietly] Whoa...

73

00:03:35,498 --> 00:03:37,506
Ah, that's one of
our threat-response teams.

74

00:03:37,591 --> 00:03:38,373
They're able to get
anywhere...

75

00:03:38,458 --> 00:03:40,356
We're not in the mood
for the tour, Donald.

76

00:03:40,441 --> 00:03:41,691

Sorry, Debbie.

77

00:03:42,231 --> 00:03:44,124
My dad never mentioned
you guys.

78

00:03:44,208 --> 00:03:45,749
[Donald] That's the idea.

79

00:03:45,833 --> 00:03:47,791
We work with superheroes
like your father

80

00:03:47,919 --> 00:03:50,041
to keep the world safe.

81

00:03:50,133 --> 00:03:52,353
Who knows, maybe someday,
we'll even work with...

82

00:03:52,437 --> 00:03:54,037
INVINCIBLE
Season 01 Episode 02

83

00:03:54,122 --> 00:03:55,684
Episode Title: "Here Goes Nothing"
Aired on: March 26, 2021

84

00:03:56,166 --> 00:03:57,374
[door unseals]

85

00:03:57,458 --> 00:03:59,287
Oh, my god, Nolan!

86

00:03:59,372 --> 00:04:00,672
Dad!

87

00:04:04,256 --> 00:04:05,748
He's gonna be okay, right?

88

00:04:05,889 --> 00:04:07,499
We... hope so,

89

00:04:07,583 --> 00:04:09,374
and our doctors
are doing their best,

90

00:04:09,458 --> 00:04:12,740
but we don't get a lot
of Viltrumites in here.

91

00:04:12,875 --> 00:04:14,124
Who did this?

92

00:04:14,208 --> 00:04:15,582
[Cecil] We have no idea.

93

00:04:15,666 --> 00:04:17,124
Not yet, anyway,

94

00:04:17,208 --> 00:04:18,413
but we'll find out,

95

00:04:18,498 --> 00:04:19,701
and when we do,

96

00:04:19,786 --> 00:04:21,133
they're gonna look
a hell of a lot worse

97

00:04:21,217 --> 00:04:22,529
than your dad right over there.

98

00:04:22,614 --> 00:04:23,707
Cecil Steadman.

99

00:04:23,791 --> 00:04:25,133
Director of the GDA.

100

00:04:27,458 --> 00:04:29,041
Deborah,

101

00:04:29,125 --> 00:04:30,124
I'm so sorry.

102

00:04:30,208 --> 00:04:30,957
Cecil,

103

00:04:31,041 --> 00:04:32,291
you've got a lot of nerve.

104

00:04:32,375 --> 00:04:34,041
Someone murdered the Guardians
of the Globe last night.

105

00:04:34,125 --> 00:04:34,874
Oh, my god.

106

00:04:34,958 --> 00:04:35,957
[Cecil] All of them.

107

00:04:36,041 --> 00:04:37,416
Tore 'em limb from limb.

108

00:04:37,500 --> 00:04:39,166
Now, we tried like hell
to bring 'em back,

109

00:04:39,250 --> 00:04:41,332
but Nolan was
the only survivor.

110
00:04:41,416 --> 00:04:42,707
How is that even possible?

111
00:04:42,791 --> 00:04:44,166
[Cecil] We don't know yet.

112
00:04:44,250 --> 00:04:47,874
We also don't know why
your dad was at Guardians' HQ.

113
00:04:47,958 --> 00:04:48,874
Now, working theory is,

114
00:04:48,958 --> 00:04:51,082
whoever killed the Guardians
lured him there,

115
00:04:51,166 --> 00:04:52,707
tried to wipe 'em
all out at once.

116
00:04:52,791 --> 00:04:54,582
- Why?
- Why?

117
00:04:54,666 --> 00:04:56,957
Well, that's the easy part.

118
00:04:57,041 --> 00:04:58,207
There isn't
a super-villain alive

119
00:04:58,291 --> 00:04:59,457

who doesn't want Omni-Man
and the Guardians

120

00:04:59,541 --> 00:05:00,749
six feet under.

121

00:05:00,833 --> 00:05:02,499
Now, we're keeping this
all hush-hush for now,

122

00:05:02,583 --> 00:05:03,707
but news will break.

123

00:05:03,791 --> 00:05:06,420
I wanted you and Mark
to know first.

124

00:05:07,411 --> 00:05:08,541
Cold towels,

125

00:05:08,625 --> 00:05:09,749
and ice water,

126

00:05:09,833 --> 00:05:11,207
and have a cot
brought in here for me.

127

00:05:11,291 --> 00:05:13,124
Deborah, we've got
the best-trained...

128

00:05:13,208 --> 00:05:15,457
I've patched Nolan up
for 20 years, Cecil.

129

00:05:15,901 --> 00:05:18,201
I am not leaving.

130
00:05:20,333 --> 00:05:23,133
Of-of course, Debbie.

131
00:05:24,083 --> 00:05:25,832
[voices crackling]

132
00:05:25,916 --> 00:05:27,124
Sir...

133
00:05:27,208 --> 00:05:29,541
There's some kind of attack
happening downtown, it seems.

134
00:05:29,625 --> 00:05:30,916
Numerous contacts.
Heavy weaponry.

135
00:05:31,000 --> 00:05:31,832
Multiple casualties.

136
00:05:31,916 --> 00:05:32,999
Now?

137
00:05:33,083 --> 00:05:36,091
We're a little understaffed
in the hero department.

138
00:05:39,416 --> 00:05:42,216
[♪♪♪]

139
00:05:53,583 --> 00:05:55,124
[sighs]

140
00:05:55,208 --> 00:05:56,332
Holy shit.

141
00:05:56,416 --> 00:05:58,749
[♪♪♪]

142
00:05:58,833 --> 00:06:00,258
[crowd screaming in panic]

143
00:06:01,041 --> 00:06:02,082
[blasters zapping]

144
00:06:02,166 --> 00:06:03,582
[screaming]

145
00:06:03,666 --> 00:06:05,591
[gunfire]

146
00:06:10,458 --> 00:06:12,499
Get it together, Mark.

147
00:06:12,583 --> 00:06:14,291
Get it together.

148
00:06:14,375 --> 00:06:15,374
Get in there.

149
00:06:15,458 --> 00:06:16,800
[roaring]

150
00:06:19,916 --> 00:06:21,216
[grunts]

151
00:06:21,708 --> 00:06:23,291
[crowd screaming]

152
00:06:23,375 --> 00:06:24,666

Stop!

153

00:06:24,750 --> 00:06:26,130
Get away from those people!

154

00:06:26,666 --> 00:06:27,582
[groans]

155

00:06:27,666 --> 00:06:29,406
[sounds fade
to high-pitched ringing]

156

00:06:30,458 --> 00:06:32,550
[ears ringing]

157

00:06:36,500 --> 00:06:37,800
[gasping]

158

00:06:38,500 --> 00:06:40,091
Oh, shit.

159

00:06:44,333 --> 00:06:45,249
Get it together.

160

00:06:45,333 --> 00:06:46,758
[groaning]

161

00:06:47,416 --> 00:06:48,332
Help me.

162

00:06:48,416 --> 00:06:49,800
No!

163

00:06:50,500 --> 00:06:53,008
[groaning]

164
00:06:53,833 --> 00:06:54,582
It's okay.

165
00:06:54,666 --> 00:06:55,582
It's okay, I'm here.

166
00:06:55,666 --> 00:06:57,082
Are you hurt?

167
00:06:57,166 --> 00:06:58,791
[growls]

168
00:06:58,875 --> 00:07:01,050
Brax moy!

169
00:07:07,208 --> 00:07:08,716
Oh!

170
00:07:09,416 --> 00:07:11,791
Oh, shit!
Oh, my god...

171
00:07:11,875 --> 00:07:14,207
[gasping]

172
00:07:14,291 --> 00:07:15,966
[speaking alien language]

173
00:07:21,583 --> 00:07:23,466
- [grunts]
- Huh?

174
00:07:27,875 --> 00:07:29,550
[chuckles]

175

00:07:34,916 --> 00:07:36,716
Huh?

176

00:07:40,125 --> 00:07:43,624
I don't know who you are,
but it's time to go.

177

00:07:43,708 --> 00:07:45,791
[speaking alien language]

178

00:07:45,875 --> 00:07:46,624
[grunts]

179

00:07:46,708 --> 00:07:48,291
[explosion rumbling]

180

00:07:48,375 --> 00:07:50,841
[♪♪♪]

181

00:07:52,958 --> 00:07:55,874
[Robot] Eve, two and a half
seconds after this sentence,

182

00:07:55,958 --> 00:07:58,207
three enemy tanks will align
50 degrees to your right.

183

00:07:58,291 --> 00:08:00,541
I got it.

184

00:08:00,625 --> 00:08:02,550
[grunts]

185

00:08:04,958 --> 00:08:05,832
Rex...

186

00:08:05,916 --> 00:08:07,207
civilians in danger
to your left.

187
00:08:07,291 --> 00:08:09,457
Uh, yeah,
I got eyes, too, Robot.

188
00:08:09,541 --> 00:08:10,541
[grunts]

189
00:08:10,625 --> 00:08:12,133
[screaming]

190
00:08:16,166 --> 00:08:17,332
Dupli-Kate...

191
00:08:17,416 --> 00:08:19,466
[grunts]

192
00:08:23,541 --> 00:08:25,925
Keep doing what you are doing.

193
00:08:26,791 --> 00:08:29,675
[energy crackling]

194
00:08:34,041 --> 00:08:35,416
You! Get her to a hospital!

195
00:08:35,500 --> 00:08:36,957
We can handle this.

196
00:08:37,041 --> 00:08:38,666
You're Atom Eve...

197
00:08:38,750 --> 00:08:39,874

What?

198

00:08:39,958 --> 00:08:40,874
Just go!

199

00:08:40,958 --> 00:08:43,133
[Flaxans groaning]

200

00:08:44,458 --> 00:08:46,457
[Robot]
Admirable intention, Eve,

201

00:08:46,541 --> 00:08:48,499
but I am not positive
we can handle this.

202

00:08:48,583 --> 00:08:50,508
[grunts]

203

00:08:51,291 --> 00:08:53,133
Ha! Huh...

204

00:08:54,416 --> 00:08:56,133
[Rex laughs]

205

00:08:56,875 --> 00:08:58,541
Oh.

206

00:08:58,625 --> 00:09:00,008
[yelps]

207

00:09:00,625 --> 00:09:02,082
[screams]

208

00:09:02,166 --> 00:09:03,508
[grunts]

209

00:09:07,375 --> 00:09:08,207
Uh, guys?

210

00:09:08,291 --> 00:09:09,666
I'm down to pocket change here.

211

00:09:09,750 --> 00:09:11,050
[yelps]

212

00:09:11,583 --> 00:09:13,957
They're killing me
faster than I can keep up.

213

00:09:14,041 --> 00:09:15,166
[grunts]

214

00:09:15,250 --> 00:09:17,082
We gave people time to escape.

215

00:09:17,166 --> 00:09:18,707
That's what matters.

216

00:09:18,791 --> 00:09:19,582
[Rex] Uh, no.

217

00:09:19,666 --> 00:09:20,916
Me living is what matters.

218

00:09:21,000 --> 00:09:22,249
[groans]

219

00:09:22,333 --> 00:09:24,425
[Robot] Then I have bad news.

220

00:09:28,500 --> 00:09:30,841
[speaking alien language]

221
00:09:35,083 --> 00:09:36,591
[groans]

222
00:09:42,500 --> 00:09:43,966
[grunting]

223
00:09:47,375 --> 00:09:48,582
Ah!

224
00:09:48,666 --> 00:09:50,633
[grunting and straining]

225
00:09:58,416 --> 00:10:01,175
[growls]

226
00:10:02,750 --> 00:10:04,291
[panting]

227
00:10:04,375 --> 00:10:05,707
I don't know
what just happened,

228
00:10:05,791 --> 00:10:07,999
but I think I speak
for everyone here

229
00:10:08,083 --> 00:10:08,916
when I say

230
00:10:09,000 --> 00:10:12,916
I never want it to happen
ever again!

231

00:10:13,000 --> 00:10:14,207
[groaning weakly]

232
00:10:14,291 --> 00:10:15,041
Y'ah!

233
00:10:15,125 --> 00:10:17,008
[groans]

234
00:10:18,041 --> 00:10:19,675
Indeed.

235
00:10:20,916 --> 00:10:22,249
Help!

236
00:10:22,333 --> 00:10:23,166
Anyone!

237
00:10:23,250 --> 00:10:24,082
I need help!

238
00:10:24,166 --> 00:10:26,374
Freeze.

239
00:10:26,458 --> 00:10:27,499
She needs a doctor!

240
00:10:27,583 --> 00:10:28,957
- [man] He's covered in blood.
- [paramedic] Come on!

241
00:10:29,041 --> 00:10:30,207
Give her to us.

242
00:10:30,291 --> 00:10:32,291
Clamp that vein

and get a drip started.

243

00:10:32,375 --> 00:10:34,374
- Prep operating room six.
- [woman] Yes, doctor.

244

00:10:34,458 --> 00:10:36,383
[GDA Tech-Trooper] He's clear.

245

00:10:45,916 --> 00:10:48,291
Mark!

246

00:10:48,375 --> 00:10:50,383
[Mark] I tried my best.

247

00:10:51,125 --> 00:10:53,466
I tried to be like Dad.

248

00:10:55,166 --> 00:10:56,874
[Debbie] It's okay.

249

00:10:56,958 --> 00:10:59,082
It's okay.

250

00:10:59,166 --> 00:11:00,966
[school bell rings]

251

00:11:13,083 --> 00:11:14,666
Hey!

252

00:11:14,750 --> 00:11:15,666
Hey...

253

00:11:15,750 --> 00:11:17,082
Watch it!

254
00:11:17,166 --> 00:11:17,957
Dick...

255
00:11:18,041 --> 00:11:19,508
[William] Hey, Mark.

256
00:11:20,125 --> 00:11:21,425
Mark.

257
00:11:21,833 --> 00:11:23,133
Mark!

258
00:11:24,000 --> 00:11:24,916
Whoa.

259
00:11:25,000 --> 00:11:25,999
Are you okay?

260
00:11:26,083 --> 00:11:27,874
My dad, um...

261
00:11:27,958 --> 00:11:29,749
he got attacked.

262
00:11:29,833 --> 00:11:31,041
What?

263
00:11:31,125 --> 00:11:32,466
You're kidding.

264
00:11:33,875 --> 00:11:35,499
Oh, god, you're not kidding.

265
00:11:35,583 --> 00:11:37,749
Is-Is he okay?

What happened?

266

00:11:37,833 --> 00:11:39,624
He's in the hospital.

267

00:11:39,708 --> 00:11:40,874
They're doing, uh...

268

00:11:40,958 --> 00:11:43,249
They're doing their best,
but it's...

269

00:11:43,333 --> 00:11:45,582
It's messed up, William.

270

00:11:45,666 --> 00:11:46,541
He's really hurt.

271

00:11:46,625 --> 00:11:47,582
Jesus, Mark.

272

00:11:47,666 --> 00:11:48,749
I'm so sorry.

273

00:11:48,833 --> 00:11:50,082
Did they catch who did it?

274

00:11:50,166 --> 00:11:51,832
No, not yet.

275

00:11:51,916 --> 00:11:53,332
Speaking as someone
who's been attacked

276

00:11:53,416 --> 00:11:54,749
in this stupid city,

277

00:11:54,833 --> 00:11:55,874
I'm here for you.

278

00:11:55,958 --> 00:11:57,082
Whatever you need.

279

00:11:57,166 --> 00:11:58,957
You wanna talk, I'll listen.

280

00:11:59,041 --> 00:12:01,832
You and Debbie need a lasagne,
I make a good one.

281

00:12:01,916 --> 00:12:03,832
Actually, I make a great one.

282

00:12:03,916 --> 00:12:05,216
Eve Wilkins...

283

00:12:06,083 --> 00:12:07,082
[William] What?

284

00:12:07,166 --> 00:12:08,082
Um...

285

00:12:08,166 --> 00:12:09,416
Yeah, that's her.

286

00:12:09,500 --> 00:12:10,666
I need to talk to her.

287

00:12:10,750 --> 00:12:11,624
[laughs]

288

00:12:11,708 --> 00:12:12,707
You and all the other
straight boys

289

00:12:12,791 --> 00:12:13,916
in a ten-mile radius.

290

00:12:14,000 --> 00:12:15,999
Good luck with that,

291

00:12:16,083 --> 00:12:17,749
and didn't you just get
your ass kicked last week

292

00:12:17,833 --> 00:12:18,749
for Amber Bennett?

293

00:12:18,833 --> 00:12:20,874
[Mark] Eve?

294

00:12:20,958 --> 00:12:22,707
Hi, uh...

295

00:12:22,791 --> 00:12:23,707
Oh, hey.

296

00:12:23,791 --> 00:12:25,124
Mark, right?

297

00:12:25,208 --> 00:12:26,707
Grayson, yeah.

298

00:12:26,791 --> 00:12:28,207
Um...

299

00:12:28,291 --> 00:12:30,916

thanks for saving
my butt back there.

300
00:12:31,000 --> 00:12:33,675
Y-Yesterday, I mean.

301
00:12:34,375 --> 00:12:35,883
Yesterday? Oh.

302
00:12:36,833 --> 00:12:37,666
Oh!

303
00:12:37,750 --> 00:12:39,291
That was you?

304
00:12:39,375 --> 00:12:41,082
In the blue and the yellow?

305
00:12:41,166 --> 00:12:42,499
[chuckles] Yeah.

306
00:12:42,583 --> 00:12:43,707
That was me.

307
00:12:43,791 --> 00:12:45,374
I'm, um...

308
00:12:45,458 --> 00:12:46,966
[whispers] Invincible.

309
00:12:47,541 --> 00:12:50,791
God, that sounds dumb
when I say it like that.

310
00:12:50,875 --> 00:12:54,332
It sounds a little

optimistic maybe.

311
00:12:54,416 --> 00:12:56,416
[quietly] I'm Atom Eve,

312
00:12:56,500 --> 00:12:58,207
but the rest of the team
just calls me Eve.

313
00:12:58,291 --> 00:12:59,332
So does everyone else.

314
00:12:59,416 --> 00:13:01,124
Right, since it's
kind of a normal name,

315
00:13:01,208 --> 00:13:02,582
and not something like...

316
00:13:02,666 --> 00:13:03,666
Invincible?

317
00:13:03,750 --> 00:13:04,916
Invincible, yeah.

318
00:13:05,000 --> 00:13:07,258
Do you want to talk
about yesterday?

319
00:13:08,333 --> 00:13:10,925
You look like you need
to talk about yesterday.

320
00:13:12,416 --> 00:13:13,749
[girl] I heard he just
let Todd hit him.

321
00:13:13,833 --> 00:13:14,874
Like 20 times.

322
00:13:14,958 --> 00:13:16,582
He didn't flinch
or anything.

323
00:13:16,666 --> 00:13:18,041
Todd got so freaked out

324
00:13:18,125 --> 00:13:19,624
he stayed home
for three days.

325
00:13:19,708 --> 00:13:21,207
Are you talking about
Mark Grayson?

326
00:13:21,291 --> 00:13:23,041
Duh. Of course, Amber.

327
00:13:23,125 --> 00:13:26,425
You're the reason
Todd beat him up again.

328
00:13:28,041 --> 00:13:30,624
[Mark] I never
recognized you before.

329
00:13:30,708 --> 00:13:31,499
[Eve] No one does.

330
00:13:31,583 --> 00:13:32,791
It's a psychology thing.

331
00:13:32,875 --> 00:13:35,791

If you don't expect to see
a superhero in your school,

332

00:13:35,875 --> 00:13:38,124
you don't see a superhero
in your school.

333

00:13:38,208 --> 00:13:39,374
Hmm.

334

00:13:39,458 --> 00:13:41,374
I even follow Teen Team
on Instagram.

335

00:13:41,458 --> 00:13:42,457
[Eve] That's us.

336

00:13:42,541 --> 00:13:45,166
Everyone's fourth favorite
superhero team.

337

00:13:45,250 --> 00:13:46,249
[chuckles]

338

00:13:46,333 --> 00:13:48,374
I like you guys way better
than Fight Force.

339

00:13:48,458 --> 00:13:50,124
Oh, we're definitely
better than Fight Force.

340

00:13:50,208 --> 00:13:51,624
Those guys are the worst.

341

00:13:51,708 --> 00:13:54,957
They got their asses kicked

by the Lizard League last year.

342

00:13:55,041 --> 00:13:56,957

Oh, I remember
seeing that on TV.

343

00:13:57,041 --> 00:13:58,249

So...

344

00:13:58,333 --> 00:14:00,249

you're new to this, right?

345

00:14:00,333 --> 00:14:02,832

Uh... I just got my powers.

346

00:14:02,916 --> 00:14:04,499

That was my first big fight.

347

00:14:04,583 --> 00:14:06,041

Ah, okay.

348

00:14:06,125 --> 00:14:06,874

Explains a lot.

349

00:14:06,958 --> 00:14:08,999

Still, not bad for a rookie.

350

00:14:09,083 --> 00:14:09,999

Are you kidding?

351

00:14:10,083 --> 00:14:11,124

I froze out there.

352

00:14:11,208 --> 00:14:12,332

People got hurt.

353

00:14:12,416 --> 00:14:15,124
People escaped because of you,

354

00:14:15,208 --> 00:14:17,541
and everyone freezes
their first time.

355

00:14:17,625 --> 00:14:19,541
I used to throw up
before every fight.

356

00:14:19,625 --> 00:14:21,166
Barf my guts out.

357

00:14:21,250 --> 00:14:23,957
[Mark chuckles] Really?

358

00:14:24,041 --> 00:14:25,832
Like a fire hydrant.

359

00:14:25,916 --> 00:14:27,082
You'll get used to it.

360

00:14:27,166 --> 00:14:29,591
The fights, not the barfing.

361

00:14:30,333 --> 00:14:31,541
Ah...

362

00:14:31,625 --> 00:14:33,291
I just...

363

00:14:33,375 --> 00:14:36,249
It wasn't what I expected.

364

00:14:36,333 --> 00:14:38,166
I figured I'd punch some aliens,

365
00:14:38,250 --> 00:14:40,374
and they'd go home.

366
00:14:40,458 --> 00:14:41,582
It's not how it looks on TV.

367
00:14:41,666 --> 00:14:43,508
No shit.

368
00:14:45,458 --> 00:14:46,541
Thanks.

369
00:14:46,625 --> 00:14:49,716
I charge 250 an hour.

370
00:14:50,375 --> 00:14:52,416
Now I'm kidding.

371
00:14:52,500 --> 00:14:54,633
You are new at this.

372
00:14:56,958 --> 00:14:59,582
Why don't you come by
and meet the Team after school?

373
00:14:59,666 --> 00:15:00,666
Teen Team?

374
00:15:01,564 --> 00:15:03,022
I dunno...

375
00:15:03,228 --> 00:15:05,916
I heard they were only

everyone's fourth favorite.

376
00:15:06,000 --> 00:15:07,041
[sighs]

377
00:15:07,126 --> 00:15:09,986
Meet me out front
after class, Invincible.

378
00:15:10,071 --> 00:15:12,287
[whooshing]

379
00:15:18,189 --> 00:15:19,775
[Cecil]
You kids did good, Robot.

380
00:15:19,860 --> 00:15:21,026
Thank you, Cecil.

381
00:15:21,111 --> 00:15:23,374
It's an honor to assist
the Global Defense Agency.

382
00:15:23,458 --> 00:15:25,096
Though your use
of the term "kids"

383
00:15:25,181 --> 00:15:26,410
might be considered
condescending.

384
00:15:26,494 --> 00:15:27,999
But a victory?

385
00:15:28,083 --> 00:15:29,166
No.

386
00:15:29,250 --> 00:15:31,124
Do you know how many people
died here yesterday?

387
00:15:31,208 --> 00:15:33,166
338.

388
00:15:33,250 --> 00:15:34,707
338...

389
00:15:34,791 --> 00:15:36,332
and it only stopped there

390
00:15:36,416 --> 00:15:39,207
because whoever the hell
those assholes were, ran away.

391
00:15:39,291 --> 00:15:41,166
- The Flaxans.
- What?

392
00:15:41,250 --> 00:15:42,957
They call themselves
the Flaxans.

393
00:15:43,041 --> 00:15:44,582
I reverse-engineered
their language

394
00:15:44,666 --> 00:15:46,207
using recordings
from the battle.

395
00:15:46,291 --> 00:15:47,332
Any idea why they left

396

00:15:47,416 --> 00:15:49,041
just when they were
kicking our asses?

397

00:15:49,125 --> 00:15:51,457
I have six ideas...

398

00:15:51,541 --> 00:15:54,050
[metal creaking]

399

00:15:55,666 --> 00:15:58,800
...but I believe that
narrows it down to one.

400

00:16:02,250 --> 00:16:04,249
Oxidized and corroded.

401

00:16:04,333 --> 00:16:07,591
For an alloy like this,
that should take years.

402

00:16:08,333 --> 00:16:10,499
Time runs faster
wherever they come from.

403

00:16:10,583 --> 00:16:11,582
They ran off because they...

404

00:16:11,666 --> 00:16:13,332
Because they were dying
of old age.

405

00:16:13,416 --> 00:16:14,457
Huh.

406

00:16:14,541 --> 00:16:15,749
Well, if they come back,

407

00:16:15,833 --> 00:16:17,374
maybe I'll just
evacuate the area

408

00:16:17,458 --> 00:16:19,416
and wait till they get cancer.

409

00:16:19,500 --> 00:16:21,082
How did that new kid do?

410

00:16:21,166 --> 00:16:22,249
Invincible?

411

00:16:22,333 --> 00:16:23,332
He has promise,

412

00:16:23,416 --> 00:16:24,541
but he seems unprepared

413

00:16:24,625 --> 00:16:28,082
for the more realistic aspects
of super-herodom.

414

00:16:28,166 --> 00:16:30,082
Well, he'd better toughen up.

415

00:16:30,166 --> 00:16:31,291
We're gonna need his help.

416

00:16:31,375 --> 00:16:32,675
Why?

417

00:16:35,333 --> 00:16:38,416
From one giant shitshow
to another.

418

00:16:38,500 --> 00:16:40,249
Give me some good news, Donald.

419

00:16:40,333 --> 00:16:42,582
Whoever did this cut the power
and the backup.

420

00:16:42,666 --> 00:16:44,582
They killed the cameras
and the security systems.

421

00:16:44,666 --> 00:16:46,416
Forensics, frankly, is stumped.

422

00:16:46,500 --> 00:16:48,916
I told them to start over
and try harder.

423

00:16:49,000 --> 00:16:49,916
That's not good news.

424

00:16:50,000 --> 00:16:51,374
That's not good news at all!

425

00:16:51,458 --> 00:16:54,341
I asked you
for some good news, Donald!

426

00:16:55,458 --> 00:16:56,925
Get the hell out.

427

00:16:58,000 --> 00:16:59,082
Everyone.

428

00:16:59,166 --> 00:17:02,675

Come on, you heard the director.
Move it!

429
00:17:03,750 --> 00:17:06,332
[low growling]

430
00:17:06,416 --> 00:17:08,041
Come on out.

431
00:17:08,125 --> 00:17:09,675
I know you're there.

432
00:17:11,583 --> 00:17:14,508
Wasn't hiding.

433
00:17:20,041 --> 00:17:21,249
[Donald] Sir, who the hell...

434
00:17:21,333 --> 00:17:24,425
Damien Darkblood,
demon detective.

435
00:17:26,125 --> 00:17:27,332
[screaming]

436
00:17:27,416 --> 00:17:29,249
Huh...

437
00:17:29,333 --> 00:17:31,332
Seven superheroes murdered.

438
00:17:31,416 --> 00:17:35,124
Strongest man on the planet
almost dead.

439
00:17:35,208 --> 00:17:37,582

No suspects. No leads.

440

00:17:37,666 --> 00:17:38,416
How does he...

441

00:17:38,500 --> 00:17:39,416
I don't know.

442

00:17:39,500 --> 00:17:40,541
Demon magic or something.

443

00:17:40,625 --> 00:17:42,291
If you're asking
if we need your help...

444

00:17:42,375 --> 00:17:44,633
[Damien Darkblood]
Wasn't asking.

445

00:17:45,583 --> 00:17:46,499
[screaming]

446

00:17:46,583 --> 00:17:48,957
Fine. Knock yourself out.

447

00:17:49,041 --> 00:17:52,082
Help us solve the case,
oh, Great-horned Holmes.

448

00:17:52,166 --> 00:17:54,416
Sir... are you sure?

449

00:17:54,500 --> 00:17:56,082
You got a problem
with the demon?

450

00:17:56,166 --> 00:17:58,416
I thought you were
an atheist, Donald.

451
00:17:58,500 --> 00:17:59,874
Th-theoretically.

452
00:17:59,958 --> 00:18:02,300
[growls]

453
00:18:03,125 --> 00:18:04,332
[Amber] Hey.

454
00:18:04,416 --> 00:18:05,416
I heard you took

455
00:18:05,500 --> 00:18:06,832
a few on the chin
for me again.

456
00:18:06,916 --> 00:18:09,249
[Mark] Oh, hey, Amber.

457
00:18:09,333 --> 00:18:10,832
Uh, yeah, but don't worry,

458
00:18:10,916 --> 00:18:12,082
I've got this amazing
new strategy

459
00:18:12,166 --> 00:18:13,666
for dealing with Todd.

460
00:18:13,750 --> 00:18:14,666
I let him hit me

461

00:18:14,750 --> 00:18:16,832
until he gets bored
and goes home.

462

00:18:16,916 --> 00:18:19,541
Hmm... nice.

463

00:18:19,625 --> 00:18:20,999
He'll never see it coming.

464

00:18:21,083 --> 00:18:22,749
Unfortunately,
neither will your face.

465

00:18:22,833 --> 00:18:24,999
Eh, people always told me
I was too pretty anyway.

466

00:18:25,083 --> 00:18:25,999
I gotta run.

467

00:18:26,083 --> 00:18:28,008
Catch you later?

468

00:18:30,666 --> 00:18:31,966
Ready?

469

00:18:36,416 --> 00:18:37,832
[♪♪♪]

470

00:18:37,916 --> 00:18:39,582
[chuckles]
Try to keep up.

471

00:18:39,666 --> 00:18:42,091
[♪♪♪]

472
00:18:48,666 --> 00:18:49,966
[grunts]

473
00:18:50,625 --> 00:18:52,925
[♪♪♪]

474
00:18:54,875 --> 00:18:55,832
Eve?

475
00:18:55,916 --> 00:18:57,258
Eve!

476
00:19:00,083 --> 00:19:01,916
Whoa! Shit!

477
00:19:02,000 --> 00:19:03,291
[yelps]

478
00:19:03,375 --> 00:19:05,541
Oof! [Grunts]

479
00:19:05,625 --> 00:19:06,582
[panting]

480
00:19:06,666 --> 00:19:07,457
[grunts]

481
00:19:07,541 --> 00:19:08,791
[chuckling] Okay.

482
00:19:08,875 --> 00:19:11,957
Let's try this again.

483
00:19:12,041 --> 00:19:14,216
[♪♪♪]

484
00:19:16,208 --> 00:19:17,633
Follow me.

485
00:19:19,375 --> 00:19:21,675
[♪♪♪]

486
00:19:32,750 --> 00:19:33,624
[clears throat]
Now what?

487
00:19:33,708 --> 00:19:35,008
Oh!

488
00:19:41,250 --> 00:19:42,832
Cool.

489
00:19:42,916 --> 00:19:43,707
[Rex] Ha!

490
00:19:43,791 --> 00:19:44,624
[ping pong balls bouncing]

491
00:19:44,708 --> 00:19:46,008
Babe.

492
00:19:47,541 --> 00:19:49,124
[kissing]

493
00:19:49,208 --> 00:19:51,249
[laughs] Oh, hey!

494
00:19:51,333 --> 00:19:52,874
It's the iceman.

495

00:19:52,958 --> 00:19:53,999
Rex...

496
00:19:54,083 --> 00:19:55,791
Couldn't have won
that fight without you.

497
00:19:55,875 --> 00:19:57,874
Oh! Except we did.

498
00:19:57,958 --> 00:19:58,832
They got old.

499
00:19:58,916 --> 00:19:59,874
And ran away.

500
00:19:59,958 --> 00:20:01,457
Still counts.

501
00:20:01,541 --> 00:20:02,582
[Robot] Welcome, Invincible.

502
00:20:02,666 --> 00:20:03,999
My name is Robot.

503
00:20:04,083 --> 00:20:05,791
Apologies for Rex Splode.
He's...

504
00:20:05,875 --> 00:20:07,541
Unbelievably awesome.

505
00:20:07,625 --> 00:20:08,457
Incorrigible.

506
00:20:08,541 --> 00:20:09,582

And rude.

507

00:20:09,666 --> 00:20:11,124
And bored of this.

508

00:20:11,208 --> 00:20:12,957
I'm Dupli-Kate.

509

00:20:13,041 --> 00:20:14,124
Invincible.

510

00:20:14,208 --> 00:20:16,916
Which one of you do I
look at when we talk?

511

00:20:17,000 --> 00:20:19,624
Hey, Robot,
find anything at the site?

512

00:20:19,708 --> 00:20:21,332
The Flaxans
come from a dimension

513

00:20:21,416 --> 00:20:23,332
with a faster temporal rate.

514

00:20:23,416 --> 00:20:24,624
As a result,

515

00:20:24,708 --> 00:20:26,707
the tachyons they emit
spin more rapidly than our own.

516

00:20:26,791 --> 00:20:30,582
I've created this detector
to warn us if they return.

517

00:20:30,666 --> 00:20:33,457

Ah, because we almost
missed all the explosions

518

00:20:33,541 --> 00:20:35,832
and the screaming and the chaos.

519

00:20:35,916 --> 00:20:39,541
It should give us
a few minutes of early warning.

520

00:20:39,625 --> 00:20:40,582
Cecil and the GDA

521

00:20:40,666 --> 00:20:42,082
have also requested
to call on us

522

00:20:42,166 --> 00:20:44,124
for any possible emergencies.

523

00:20:44,208 --> 00:20:47,207
Since the Guardians
are apparently indisposed,

524

00:20:47,291 --> 00:20:49,874
Invincible, may we count on you
in the future?

525

00:20:49,958 --> 00:20:52,008
You sure you want my help?

526

00:20:53,375 --> 00:20:55,124
Yeah, I mean, of course.

527

00:20:55,208 --> 00:20:57,499

Just text me, I guess.

528

00:20:57,583 --> 00:21:00,716
Oh, right, you need my number.

529

00:21:02,000 --> 00:21:03,957
I know you don't like
teams much,

530

00:21:04,041 --> 00:21:06,541
but they were all pretty cool.

531

00:21:06,625 --> 00:21:08,207
Except Rex Splode.

532

00:21:08,291 --> 00:21:10,707
I do not know
what that guy's problem is.

533

00:21:10,791 --> 00:21:13,550
I think he and Eve
are a thing maybe.

534

00:21:14,174 --> 00:21:15,374
Who's Eve?

535

00:21:15,458 --> 00:21:16,457
Uh...

536

00:21:16,541 --> 00:21:17,541
No one.

537

00:21:17,625 --> 00:21:18,957
Just-just a friend.

538

00:21:19,041 --> 00:21:20,457

Mm-hmm.

539

00:21:20,541 --> 00:21:23,374

Did you find the dinners
in the freezer?

540

00:21:23,458 --> 00:21:24,291

Yeah.

541

00:21:24,375 --> 00:21:25,291

Thanks, Mom.

542

00:21:25,375 --> 00:21:27,374

Oh, Mark, I'm sorry.

543

00:21:27,458 --> 00:21:31,832

I've been so focused on your dad
that I've forgotten about you.

544

00:21:31,916 --> 00:21:32,874

Are you okay?

545

00:21:32,958 --> 00:21:34,707

Donald said you saved
a lot of lives.

546

00:21:34,791 --> 00:21:37,166

Yeah. It was just, um...

547

00:21:37,250 --> 00:21:39,374

harder than I thought.

548

00:21:39,458 --> 00:21:42,291

Dad didn't talk about this part
of being a superhero.

549

00:21:42,375 --> 00:21:44,749
Your dad's good at
a lot of things.

550
00:21:44,833 --> 00:21:47,457
Talking about his feelings
isn't one of them...

00:22:38,791 --> 00:22:41,332
[Mark] We're just friends.

566

00:22:41,416 --> 00:22:43,207
Will you stop saying that?

567

00:22:43,291 --> 00:22:44,541
It's like you're trying to jinx

568

00:22:44,625 --> 00:22:46,541
any chance you have
of dating Eve.

569

00:22:46,625 --> 00:22:48,999
A day ago,
you said I had no chance!

570

00:22:49,083 --> 00:22:50,624
That was before
everyone saw you

571
00:22:50,708 --> 00:22:53,041
leave school
with her yesterday.

572
00:22:53,125 --> 00:22:54,916
Everyone saw that?

573
00:22:55,000 --> 00:22:56,047
It doesn't matter.

574
00:22:56,132 --> 00:22:57,249
She already has a boyfriend.

575
00:22:57,333 --> 00:22:58,416
So?

576
00:22:58,500 --> 00:23:01,207
You can be more awesome than him
and take his place.

577
00:23:01,291 --> 00:23:03,300
That's how dating works!

578
00:23:03,958 --> 00:23:06,416
Why are you
so intimidated by her?

579
00:23:06,500 --> 00:23:09,499
Other than she's amazing
and you're kinda basic?

580
00:23:09,583 --> 00:23:11,291
Thanks for that, William.

581
00:23:11,375 --> 00:23:12,124
I gotta go.

It's classified,

736

00:29:55,958 --> 00:29:57,207
and I want it back.

737

00:29:57,291 --> 00:29:58,124
Go get it.

738

00:29:58,208 --> 00:30:00,633
Now.

739

00:30:05,416 --> 00:30:07,457
Where are
the Guardians of the Globe?

740

00:30:07,541 --> 00:30:09,666
There's been no sign
of the iconic heroes

741

00:30:09,750 --> 00:30:10,916
for over a week,

742

00:30:11,000 --> 00:30:14,050
leaving the local champions
to pick up the slack.

743

00:30:19,291 --> 00:30:20,707
[grunts]

744

00:30:20,791 --> 00:30:21,666
It's like
you're not even trying.

745

00:30:21,750 --> 00:30:22,999
[grunting]

746

00:30:23,083 --> 00:30:24,041
[grunts]

747

00:30:24,125 --> 00:30:26,041
And now you're trying too hard.

748

00:30:26,125 --> 00:30:27,541
Slow down.

749

00:30:27,625 --> 00:30:28,791
Don't hit me where I am,

750

00:30:28,875 --> 00:30:30,341
hit me where I'm going...

751

00:30:31,875 --> 00:30:33,582
[laughs] Thanks for the tip.

752

00:30:33,666 --> 00:30:36,749
You know, you have to be able
to take a hit, too.

753

00:30:36,833 --> 00:30:38,216
[Debbie] Nolan!

754

00:30:41,875 --> 00:30:44,041
Oh, great.

755

00:30:44,125 --> 00:30:45,791
We picked this up
near Mars an hour ago.

756

00:30:45,875 --> 00:30:47,666
Moving fast.

757

00:30:47,750 --> 00:30:48,791
He's back.

758

00:30:48,875 --> 00:30:51,207
15 minutes
till he's breathing our air.

759

00:30:51,291 --> 00:30:53,166
I wouldn't ask, Nolan,

760

00:30:53,250 --> 00:30:54,916
but with the Guardians gone...

761
00:30:55,000 --> 00:30:56,374
I'll stop him.

762
00:30:56,458 --> 00:30:57,457
Who's he?

763
00:30:57,541 --> 00:30:58,874
Nolan's been home a week,

764
00:30:58,958 --> 00:31:00,624
and you want to send him
to space?

765
00:31:00,708 --> 00:31:02,499
No. No way.

766
00:31:02,583 --> 00:31:03,624
He doesn't work for you.

767
00:31:03,708 --> 00:31:04,582
[Nolan] Sweetie...

768
00:31:04,666 --> 00:31:06,207
There's no one else, Debbie.

769
00:31:06,291 --> 00:31:07,041
I'll go.

770
00:31:07,125 --> 00:31:08,707
- Sweetie...
- I said, no.

771
00:31:08,791 --> 00:31:09,791
You're still injured.

772

00:31:09,875 --> 00:31:10,624
I'll go.

773
00:31:10,708 --> 00:31:11,791
Okay.

774
00:31:11,875 --> 00:31:13,707
- What?
- Why not?

775
00:31:13,791 --> 00:31:14,707
He's not that tough.
Mark can take him.

776
00:31:14,791 --> 00:31:16,374
[Debbie] Oh, wonderful.

777
00:31:16,458 --> 00:31:18,291
That's your solution?

778
00:31:18,375 --> 00:31:19,916
Could you define
"not that tough"?

779
00:31:20,000 --> 00:31:21,249
Just knock some sense
into the guy

780
00:31:21,333 --> 00:31:22,541
and throw him
back where he came from.

781
00:31:22,625 --> 00:31:23,925
Easy.

782
00:31:25,000 --> 00:31:27,457
How do I breathe in space?

783

00:31:27,541 --> 00:31:28,791
[Nolan] That's the neat thing.

784

00:31:28,875 --> 00:31:30,832
You don't.

785

00:31:30,916 --> 00:31:32,716
12 minutes.

786

00:31:40,875 --> 00:31:42,207
[nervously] Okay...

787

00:31:42,291 --> 00:31:44,466
[inhales deeply]

788

00:31:54,208 --> 00:31:55,591
[grunts]

789

00:31:57,208 --> 00:31:59,291
[communicating telepathically]
Hey, you're early!

790

00:31:59,375 --> 00:32:01,291
And you shaved your mustache.

791

00:32:01,375 --> 00:32:03,675
[replying telepathically]
Stay away from my planet!

792

00:32:05,791 --> 00:32:07,091
[grunting]

793

00:32:11,875 --> 00:32:13,041
Not bad,

794
00:32:13,125 --> 00:32:14,999
but if you're trying
to tackle me into something,

795
00:32:15,083 --> 00:32:17,008
your moon is that way!

796
00:32:22,500 --> 00:32:24,249
Why can I hear you in my head?

797
00:32:24,333 --> 00:32:26,258
Where else
do you keep your brain?

798
00:32:27,833 --> 00:32:29,175
[grunting]

799
00:32:32,666 --> 00:32:35,291
That's what you call
protecting your planet?

800
00:32:35,375 --> 00:32:37,332
I am sad for your people!

801
00:32:37,416 --> 00:32:39,091
[gasping for breath]

802
00:32:39,791 --> 00:32:41,883
[roaring, Mark grunts]

803
00:32:44,625 --> 00:32:46,249
[panting]

804
00:32:46,333 --> 00:32:47,675
[inhales deeply]

805

00:32:48,250 --> 00:32:50,675
[♪♪♪]

806

00:32:54,458 --> 00:32:57,707
Are you sure you're the same guy
I fought here three years ago?

807

00:32:57,791 --> 00:32:59,666
What? No, I'm not the same guy!

808

00:32:59,750 --> 00:33:01,291
Well, sucks to be you then.

809

00:33:01,375 --> 00:33:02,675
Ah, my eye!

810

00:33:03,166 --> 00:33:03,916
[grunts]

811

00:33:04,000 --> 00:33:04,749
Really?

812

00:33:04,833 --> 00:33:06,591
- You tried this already.
- Huh?

813

00:33:12,166 --> 00:33:13,749
Ha!

814

00:33:13,833 --> 00:33:15,582
Maybe you'll do after all.

815

00:33:15,666 --> 00:33:17,749
What are you talking about?

816

00:33:17,833 --> 00:33:19,133
[grunting]

817
00:33:20,541 --> 00:33:22,291
Wait! Stop! I...

818
00:33:22,375 --> 00:33:23,874
Hold on, I just wanna...

819
00:33:23,958 --> 00:33:25,258
I wanna talk!

820
00:33:26,708 --> 00:33:27,832
Are you using your time out?

821
00:33:27,916 --> 00:33:29,666
I get a time out?

822
00:33:29,750 --> 00:33:30,832
Why do I get a time out?

823
00:33:30,916 --> 00:33:32,749
Hey, I didn't invent the rules.

824
00:33:32,833 --> 00:33:34,832
What rules?

825
00:33:34,916 --> 00:33:36,749
I don't even know who you are!

826
00:33:36,833 --> 00:33:39,175
Oh. You don't?

827
00:33:52,791 --> 00:33:54,374
All right, um...

828

00:33:54,458 --> 00:33:57,249
I'm an evaluation officer
for the Coalition of Planets.

829

00:33:57,333 --> 00:33:59,582
I drop by little dirtballs
like yours

830

00:33:59,666 --> 00:34:02,166
to make sure there's someone
capable of defending them

831

00:34:02,250 --> 00:34:04,541
against, you know,
planet-conquering monsters,

832

00:34:04,625 --> 00:34:06,291
things of that nature.

833

00:34:06,375 --> 00:34:10,249
I literally have no idea
what any of that means.

834

00:34:10,333 --> 00:34:11,582
Well, I don't know
what to tell you, man.

835

00:34:11,666 --> 00:34:13,457
Your planet signed up
for the program.

836

00:34:13,541 --> 00:34:14,457
See?

837

00:34:14,541 --> 00:34:15,707
Request from Urath
for evaluation.

838
00:34:15,791 --> 00:34:16,707
Urath!

839
00:34:16,791 --> 00:34:18,383
This is Earth!

840
00:34:21,208 --> 00:34:21,957
Earth?

841
00:34:22,041 --> 00:34:23,041
Yes!

842
00:34:23,125 --> 00:34:24,541
Not Urath?

843
00:34:24,625 --> 00:34:25,624
No.

844
00:34:25,708 --> 00:34:27,707
Is that with an "E"
or a "U"?

845
00:34:27,791 --> 00:34:29,749
"E"!

846
00:34:29,833 --> 00:34:31,499
Oh, I'm in so much trouble.

847
00:34:31,583 --> 00:34:33,249
Well, thanks
for letting me know.

848
00:34:33,333 --> 00:34:35,416
I'm Allen, by the way.

849

00:34:35,500 --> 00:34:36,666
Invincible.

850

00:34:36,750 --> 00:34:37,957
[chuckling]
Oh, yeah?

851

00:34:38,041 --> 00:34:39,457
A little optimistic, isn't it?

852

00:34:39,541 --> 00:34:40,374
Yeah, I know.

853

00:34:40,458 --> 00:34:41,374
I just fought you,

854

00:34:41,458 --> 00:34:43,791
and I think
you're quite "vincible."

855

00:34:43,875 --> 00:34:45,791
Okay, well, as long as
I don't get fired,

856

00:34:45,875 --> 00:34:47,707
I'll see you around, Invincible.

857

00:34:47,791 --> 00:34:49,791
Sorry about all the...

858

00:34:49,875 --> 00:34:52,008
you know.

859

00:34:54,125 --> 00:34:56,591
What the hell was that?

860
00:34:57,958 --> 00:35:00,582
Wow.

861
00:35:00,666 --> 00:35:02,383
Cool.

862
00:35:03,750 --> 00:35:04,791
Before I go...

863
00:35:04,875 --> 00:35:07,082
I already told you
everything I remember.

864
00:35:07,166 --> 00:35:08,666
Right.

865
00:35:08,750 --> 00:35:11,374
Right, just go over it
for me one more time.

866
00:35:11,458 --> 00:35:15,041
I got a distress call
from the Guardians,

867
00:35:15,125 --> 00:35:18,291
but when I arrived,
everything seemed fine.

868
00:35:18,375 --> 00:35:20,999
Then the lights went out
and someone attacked me.

869
00:35:21,083 --> 00:35:23,666
I fought with them
until I passed out.

870

00:35:23,750 --> 00:35:25,124
Woke up in your hospital.

871
00:35:25,208 --> 00:35:26,207
That's it.

872
00:35:26,291 --> 00:35:27,666
That's it?

873
00:35:27,750 --> 00:35:28,916
Hmm.

874
00:35:29,000 --> 00:35:30,624
Must have been
a pretty tough bastard

875
00:35:30,708 --> 00:35:31,749
to take you down.

876
00:35:31,833 --> 00:35:35,749
I've never seen you lose
like that before.

877
00:35:35,833 --> 00:35:38,050
Yeah.

878
00:35:39,250 --> 00:35:41,291
Do you have any leads yet?

879
00:35:41,375 --> 00:35:43,207
Someone thinks
they're too clever for us.

880
00:35:43,291 --> 00:35:46,758
They all think that at first.

881

00:35:54,958 --> 00:35:56,332
[woman] Oh, my God!

882
00:35:56,416 --> 00:35:57,374
[student shouts] Ow!

883
00:35:57,458 --> 00:35:58,249
Oh, great.

884
00:35:58,333 --> 00:36:00,832
[student] Excuse you.

885
00:36:00,916 --> 00:36:02,582
Look, Todd.

886
00:36:02,666 --> 00:36:03,791
Why don't we just...

887
00:36:03,875 --> 00:36:05,216
Shut it, Grayson!

888
00:36:05,750 --> 00:36:07,466
- I'm sorry.
- What?

889
00:36:08,208 --> 00:36:09,457
I'm sorry I kicked your ass.

890
00:36:09,541 --> 00:36:11,800
I don't know
what you're saying.

891
00:36:15,375 --> 00:36:17,925
I'm sorry
I kicked your ass, okay?

892

00:36:18,666 --> 00:36:19,916
Oh.

893
00:36:20,000 --> 00:36:22,466
Thanks, I guess?

894
00:36:23,250 --> 00:36:24,332
Amber Bennett
also wants to know

895
00:36:24,416 --> 00:36:25,999
- if you'd like her number.
- What?

896
00:36:26,083 --> 00:36:28,124
Do you want Amber's
phone number, nerd!

897
00:36:28,208 --> 00:36:30,291
Yes, but why are you...

898
00:36:30,375 --> 00:36:32,207
Because she found
some old photos of me, okay?

899
00:36:32,291 --> 00:36:34,666
Photos she said she'd delete
if I did this one stupid thing,

900
00:36:34,750 --> 00:36:35,791
and then never
talked to you again.

901
00:36:35,875 --> 00:36:37,291
There.

902
00:36:37,375 --> 00:36:38,582

Have a crappy life with her.

903

00:36:38,666 --> 00:36:40,508
You both suck.

904

00:36:43,125 --> 00:36:44,999
[Mark] Photos of what, Todd?

905

00:36:45,083 --> 00:36:47,633
Don't push your luck, Grayson.

906

00:36:49,708 --> 00:36:51,249
[cell phone rings]

907

00:36:51,333 --> 00:36:52,166
Amber?

908

00:36:52,250 --> 00:36:54,925
I-I mean, uh, hello?

909

00:36:58,375 --> 00:37:00,508
[screaming]

910

00:37:05,041 --> 00:37:06,800
Brax moy!

911

00:37:11,625 --> 00:37:12,707
I have bad news.

912

00:37:12,791 --> 00:37:14,291
[sarcastically] Oh!

913

00:37:14,375 --> 00:37:16,582
Robot's got bad news, everybody.

914

00:37:16,666 --> 00:37:17,707
Did ya hear that?

915
00:37:17,791 --> 00:37:20,541
Hey, Robot,
what's the bad news?

916
00:37:20,625 --> 00:37:21,749
[Robot]
There are too many of them,

917
00:37:21,833 --> 00:37:23,457
their technology
has advanced too far,

918
00:37:23,541 --> 00:37:26,666
and they've rendered themselves
immune to our time stream.

919
00:37:26,750 --> 00:37:28,457
We should consider
the city lost.

920
00:37:28,541 --> 00:37:31,291
I will contact Cecil
and suggest a nuclear response.

921
00:37:31,375 --> 00:37:32,582
What? No!

922
00:37:32,666 --> 00:37:33,832
No way!

923
00:37:33,916 --> 00:37:38,957
We're not nuking anyone, Robot,
and we're not giving up.

924

00:37:39,041 --> 00:37:40,999
What are we, Fight Force?

925
00:37:41,083 --> 00:37:41,999
I love you, man,

926
00:37:42,083 --> 00:37:45,416
but sometimes,
you've got a screw loose.

927
00:37:45,500 --> 00:37:47,041
I don't use screws.

928
00:37:47,125 --> 00:37:49,758
My fastenings are all
magnetic interlocks.

929
00:37:52,208 --> 00:37:54,082
[grunts]

930
00:37:54,166 --> 00:37:55,716
[screams]

931
00:37:56,416 --> 00:37:58,541
[cackles]

932
00:37:58,625 --> 00:38:00,541
[screaming]

933
00:38:00,625 --> 00:38:03,175
[grunts]

934
00:38:05,458 --> 00:38:06,624
[groans]

935
00:38:06,708 --> 00:38:08,425

[panting]

936
00:38:10,458 --> 00:38:11,249
Oh!

937
00:38:11,333 --> 00:38:13,008
[cackles]

938
00:38:14,375 --> 00:38:15,675
[grunting and struggling]

939
00:38:17,500 --> 00:38:18,749
[Mark groaning]

940
00:38:18,833 --> 00:38:20,133
Invincible!

941
00:38:21,541 --> 00:38:22,841
Ah!

942
00:38:28,000 --> 00:38:29,749
[Mark groans]

943
00:38:29,833 --> 00:38:31,133
[groans]

944
00:38:34,583 --> 00:38:35,749
[quietly] Help.

945
00:38:35,833 --> 00:38:38,457
[cackles]

946
00:38:38,541 --> 00:38:40,508
Die.

947

00:38:41,625 --> 00:38:43,550
[groaning]

948
00:38:44,250 --> 00:38:45,800
Are you okay, Mark?

949
00:38:47,875 --> 00:38:49,175
[grunting]

950
00:38:55,875 --> 00:38:59,050
[blasters all firing]

951
00:39:07,541 --> 00:39:08,707
My turn.

952
00:39:08,791 --> 00:39:10,258
H'ah!

953
00:39:16,208 --> 00:39:18,133
H'ah!

954
00:39:19,458 --> 00:39:21,091
[grunting]

955
00:39:30,125 --> 00:39:32,300
[grunting in alien language]

956
00:39:34,458 --> 00:39:36,374
Juti urec!

957
00:39:36,458 --> 00:39:38,300
Laji moy!

958
00:39:44,166 --> 00:39:45,832
[roaring]

959
00:39:45,916 --> 00:39:47,841
Dad!

960
00:39:49,666 --> 00:39:50,666
Oh, whoa, whoa, whoa!

961
00:39:50,750 --> 00:39:53,841
Omni-Man's your dad?

962
00:39:58,333 --> 00:40:01,050
[sighs]

963
00:40:04,708 --> 00:40:06,499
[gasps]
What happened?

964
00:40:06,583 --> 00:40:09,124
Dad saved us from the Flaxans...

965
00:40:09,208 --> 00:40:12,332
but he went into
one of their portals.

966
00:40:12,416 --> 00:40:13,291
Oh.

967
00:40:13,375 --> 00:40:14,841
So he'll be late for dinner?

968
00:40:17,750 --> 00:40:19,082
I was worried before

969
00:40:19,166 --> 00:40:21,707
because I've never seen
your father so badly hurt,

970
00:40:21,791 --> 00:40:23,707
but taking on aliens
in another dimension?

971
00:40:23,791 --> 00:40:25,550
That's just Tuesday.

972
00:40:26,833 --> 00:40:30,999
I'm sure he's explaining nicely
why they should leave us alone.

973
00:40:31,083 --> 00:40:33,374
[♪♪♪]

974
00:40:33,458 --> 00:40:35,874
You don't seem to understand.

975
00:40:35,958 --> 00:40:39,541
Earth isn't yours to conquer.

976
00:40:39,625 --> 00:40:40,666
[cackles]

977
00:40:40,750 --> 00:40:45,383
[♪♪♪]

978
00:40:56,000 --> 00:41:00,175
[♪♪♪]

979
00:41:18,125 --> 00:41:22,383
[♪♪♪]

980
00:41:26,125 --> 00:41:27,499
I need a shower.

981

00:41:27,583 --> 00:41:30,091
Dad!

982
00:41:32,291 --> 00:41:34,666
[news report theme plays]

983
00:41:34,750 --> 00:41:37,666
I'm-I'm at a loss
for how to report this,

984
00:41:37,750 --> 00:41:43,341
but the Guardians of the Globe
are dead.

985
00:41:50,000 --> 00:41:51,874
Get an extraction team
out there now.

986
00:41:51,958 --> 00:41:54,791
Tell the French President
we have it covered.

987
00:41:54,875 --> 00:41:56,300
[exhales]

988
00:41:58,000 --> 00:41:59,291
[sighs]

989
00:41:59,375 --> 00:42:01,374
I need the room.

990
00:42:01,458 --> 00:42:02,883
Now!

991
00:42:05,708 --> 00:42:07,832
Well? Enlighten me.

992

00:42:07,916 --> 00:42:09,957
Know one thing for sure.

993

00:42:10,041 --> 00:42:12,416
No one else at scene of murders.

994

00:42:12,500 --> 00:42:14,499
Only Guardians.

995

00:42:14,583 --> 00:42:15,957
Omni-Man.

996

00:42:16,041 --> 00:42:18,999
Which means killer must be
one of them.

997

00:42:19,083 --> 00:42:20,332
[Cecil] One of them?

998

00:42:20,416 --> 00:42:22,541
There's a hundred super-villains
who don't leave a trace.

999

00:42:22,625 --> 00:42:25,457
Who turn into smoke,
or living electricity,

1000

00:42:25,541 --> 00:42:28,207
or only exist in dreams.

1001

00:42:28,291 --> 00:42:29,457
I know.

1002

00:42:29,541 --> 00:42:30,957
You don't listen to me.

1003

00:42:31,041 --> 00:42:32,041
You listen!

1004

00:42:32,125 --> 00:42:34,207
Now, you mention
your idiotic thoughts to anyone,

1005

00:42:34,291 --> 00:42:35,666
and I mean anybody,

1006

00:42:35,750 --> 00:42:37,666
I'll make sure they're
the last thoughts you ever have.

1007

00:42:37,750 --> 00:42:39,041
You understand me?

1008

00:42:39,125 --> 00:42:40,957
Now, get out.

1009

00:42:41,041 --> 00:42:42,499
Get out!

1010

00:42:42,583 --> 00:42:45,541
Before I send you
back to hell myself.

1011

00:42:45,625 --> 00:42:46,624
[growls]

1012

00:42:46,708 --> 00:42:49,457
Blind old man.

1013

00:42:49,541 --> 00:42:50,999
[sighs]

1014
00:42:51,083 --> 00:42:53,166
Put an A-6 surveillance team
on the Graysons.

1015
00:42:53,250 --> 00:42:54,457
[Donald] Sir?

1016
00:42:54,541 --> 00:42:56,749
The killer's
still out there, Donald.

1017
00:42:56,833 --> 00:42:59,591
Might decide
to finish the job.

1018
00:43:02,000 --> 00:43:06,300
[♪♪♪]
