EPISODE CAST

Steven Yeun	...	Mark Grayson / Invincible (voice)
Sandra Oh	...	Debbie Grayson (voice)
J.K. Simmons	...	Nolan Grayson / Omni-Man (voice)
Zazie Beetz	...	Amber Bennett (voice)
Clancy Brown	...	Damien Darkblood (voice)
Chris Diamantopoulos	...	Donald Ferguson / Doc Seismic (voice)
Walton Goggins	...	Cecil Stedman (voice)
Grey Griffin	...	Monster Girl / Shrinking Rae (voice)
Gillian Jacobs	...	Atom Eve / Eve Wilkins (voice)
Jason Mantzoukas	...	Rex Splode (voice)
Melise	...	Dupli-Kate (voice)
Khary Payton	...	Black Samson (voice)
Zachary Quinto	...	Robot (voice)
Andrew Rannells	...	William Clockwell (voice)
Kevin Michael Richardson	...	Mauler Twins / Monster Girl (voice)

1
00:00:05,000 --> 00:00:09,000
[♪♪♪]

2
00:00:12,833 --> 00:00:14,593
[fighter jets overhead]

3
00:00:22,208 --> 00:00:23,333
[sonic boom]

4
00:00:38,908 --> 00:00:40,947
I've fought the unimaginable

5
00:00:41,125 --> 00:00:43,374
in defense of this world.

6
00:00:43,666 --> 00:00:46,275
I've battled alien tyrants,

7
00:00:46,500 --> 00:00:48,916
defeated nightmares
from the deep.

8
00:00:49,000 --> 00:00:52,486
Gone toe to toe
with ancient gods...

9
00:00:52,833 --> 00:00:54,681
but no matter what threat
I faced,

10
00:00:54,766 --> 00:00:57,598
I knew I wasn't facing it alone.

11
00:00:58,259 --> 00:00:59,400
Darkwing.

12
00:00:59,804 --> 00:01:01,261
Aquarus.

13
00:01:01,416 --> 00:01:02,832
War Woman.

14
00:01:03,337 --> 00:01:04,916
Green Ghost.

15
00:01:05,000 --> 00:01:06,330
Red Rush.

16
00:01:06,431 --> 00:01:07,999
Martian Man.

17
00:01:08,083 --> 00:01:09,666
Immortal.

18
00:01:10,306 --> 00:01:12,832
The Guardians of the Globe.

19
00:01:13,494 --> 00:01:16,416
Today, we have lost titans,

20
00:01:16,634 --> 00:01:18,332
protectors,

21
00:01:18,416 --> 00:01:19,999
heroes,

22
00:01:20,083 --> 00:01:22,126
and we are left to wonder...

23
00:01:22,666 --> 00:01:24,056
who will save us now?

24

00:01:25,291 --> 00:01:27,416
I will,

25

00:01:27,994 --> 00:01:29,666
and so will others like me.

26

00:01:30,056 --> 00:01:32,666
New heroes answering the call.

27

00:01:33,205 --> 00:01:36,166
New champions
ready to risk everything

28

00:01:36,250 --> 00:01:38,082
to keep this planet safe.

29

00:01:38,166 --> 00:01:41,999
All inspired
by these great souls

30

00:01:42,083 --> 00:01:44,582
who came before us.

31

00:01:44,666 --> 00:01:46,611
You will have moments of doubt,

32

00:01:46,696 --> 00:01:47,791
of fear,

33

00:01:48,064 --> 00:01:49,814
of uncertainty,

34

00:01:50,392 --> 00:01:52,908
but in those moments,
have faith...

35
00:01:54,712 --> 00:01:56,921
and look to the sky.

36
00:02:01,125 --> 00:02:03,166
[woman sobbing]

37
00:02:04,164 --> 00:02:06,124
[Mark] We seriously
have to put everyone

38
00:02:06,209 --> 00:02:07,258
through this again?

39
00:02:07,828 --> 00:02:09,332
The big one's for show,

40
00:02:09,416 --> 00:02:10,416
but the public can't know

41
00:02:10,500 --> 00:02:12,791
where the actual bodies
are buried.

42
00:02:12,875 --> 00:02:14,499
Souvenir hunters.

43
00:02:14,583 --> 00:02:15,617
Jesus.

44
00:02:15,702 --> 00:02:18,082
[Nolan] I was never
a Guardian of the Globe,

45
00:02:18,166 --> 00:02:21,166
but it was the Guardians

who welcomed me

46

00:02:21,250 --> 00:02:23,416
when I first arrived
on this planet.

47

00:02:23,500 --> 00:02:25,832
They were my mentors.

48

00:02:25,916 --> 00:02:27,749
My comrades.

49

00:02:27,833 --> 00:02:29,666
My friends.

50

00:02:29,750 --> 00:02:33,041
They knew the reality
of this life.

51

00:02:33,125 --> 00:02:36,374
Martian Man was exiled
from his own people.

52

00:02:36,458 --> 00:02:38,582
War Woman
was from a different age.

53

00:02:38,666 --> 00:02:40,291
Darkwing...

54

00:02:40,375 --> 00:02:41,541
[chuckles ruefully]

55

00:02:41,625 --> 00:02:42,791
[clears throat]

56

00:02:42,875 --> 00:02:47,416
Well, Darkwing made
his own kind of solitude.

57
00:02:47,500 --> 00:02:50,541
It was a rare, lucky few of us

58
00:02:50,625 --> 00:02:54,499
who found someone
who understood our path,

59
00:02:54,583 --> 00:02:57,499
even rarer
if they accepted it.

60
00:02:57,583 --> 00:02:59,582
I hope they will rest in peace,

61
00:02:59,666 --> 00:03:02,749
but at least
they will rest together.

62
00:03:02,833 --> 00:03:05,082
[woman sobbing]

63
00:03:05,166 --> 00:03:08,457
Get your hands off me!

64
00:03:08,541 --> 00:03:09,457
[screams in anguish]

65
00:03:09,541 --> 00:03:11,916
Olga, please, calm down.

66
00:03:12,000 --> 00:03:13,749
You wouldn't even
let me see him.

67

00:03:13,833 --> 00:03:17,416
Josef is finally standing still,

68

00:03:17,500 --> 00:03:19,708
and I still can't see him!

69

00:03:20,916 --> 00:03:21,832
I'd better...

70

00:03:21,916 --> 00:03:22,958
Yeah.

71

00:03:24,208 --> 00:03:25,666
You okay?

72

00:03:25,750 --> 00:03:27,411
Me? I... I dunno.

73

00:03:27,496 --> 00:03:29,207
It just doesn't seem real.

74

00:03:29,291 --> 00:03:30,840
That could have been my mom,

75

00:03:30,925 --> 00:03:32,404
putting my dad
in one of those holes,

76

00:03:32,489 --> 00:03:33,582
or me.

77

00:03:33,666 --> 00:03:35,344
If this could happen
to the Guardians of the Globe,

78

00:03:35,429 --> 00:03:37,080
it means that none of us are...

79

00:03:37,164 --> 00:03:39,164
INVINCIBLE
Season 01 Episode 03

80

00:03:39,248 --> 00:03:41,248
Episode Title: "Who You Calling
Ugly?"
Aired on: March 26, 2021

81

00:03:42,333 --> 00:03:43,625
[Olga sobbing]

82

00:03:49,916 --> 00:03:52,458
[huffs]

83

00:03:54,041 --> 00:03:56,374
This is a private ceremony,
Darkblood.

84

00:03:56,541 --> 00:03:57,832
[grumbles]

85

00:03:57,916 --> 00:03:59,374
Never get invited.

86

00:03:59,458 --> 00:04:01,165
Show up anyway.

87

00:04:01,249 --> 00:04:02,457
What do you want?

88

00:04:02,541 --> 00:04:03,915
Same as you.

89

00:04:03,999 --> 00:04:06,323
Discover clues.
Catch killer.

90

00:04:06,408 --> 00:04:08,713
Bring to justice.

91

00:04:08,798 --> 00:04:11,183
And buy yourself
a few more years out of hell.

92

00:04:11,268 --> 00:04:13,642
Don't pretend you do this
because you care.

93

00:04:13,726 --> 00:04:15,809
You just don't want to go home.

94

00:04:15,893 --> 00:04:18,892
Maybe one day, you'll know why.

95

00:04:18,976 --> 00:04:22,976
I already told Cecil
everything I know.

96

00:04:23,060 --> 00:04:24,892
Saw nothing.
Heard nothing.

97

00:04:24,976 --> 00:04:26,684
Attacked in darkness.

98

00:04:26,768 --> 00:04:28,351
Left for dead.

99

00:04:28,435 --> 00:04:30,517
Are you insinuating something?

100
00:04:30,601 --> 00:04:31,851
[grumbles]

101
00:04:31,935 --> 00:04:33,809
Didn't mean to offend.

102
00:04:33,893 --> 00:04:38,184
Nuance of human conversation
difficult for me.

103
00:04:38,291 --> 00:04:40,374
If you remember something...

104
00:04:41,476 --> 00:04:42,517
[Nolan] I'll call you.

105
00:04:42,601 --> 00:04:43,517
[Olga] Josef...

106
00:04:43,601 --> 00:04:46,767
[Debbie]
Let's get you in a car, Olga.

107
00:04:46,851 --> 00:04:48,059
[Cecil] Robot!

108
00:04:48,143 --> 00:04:49,809
You know, for a bunch
of computer code,

109
00:04:49,893 --> 00:04:52,559
you run a mean superhero team.

110

00:04:52,643 --> 00:04:54,684
You really saved our bacon
with those Flaxans.

111
00:04:54,768 --> 00:04:55,684
[Robot] Thank you, Cecil.

112
00:04:55,768 --> 00:04:57,434
That means a lot
coming from you.

113
00:04:57,518 --> 00:04:59,309
I know you've always
been independent,

114
00:04:59,393 --> 00:05:01,559
but I want you
to come work for the GDA,

115
00:05:01,643 --> 00:05:03,642
and build me
a new Guardians of the Globe.

116
00:05:03,726 --> 00:05:05,142
Now, you'll pick the team,

117
00:05:05,226 --> 00:05:06,434
you'll be in charge.

118
00:05:06,518 --> 00:05:10,619
The only person
that you will answer to is me.

119
00:05:10,704 --> 00:05:11,751
Forgive me,

120
00:05:11,836 --> 00:05:13,934

but would Omni-Man
not be the natural choice?

121
00:05:14,018 --> 00:05:15,018
Sure.

122
00:05:15,103 --> 00:05:16,601
Except it's never gonna happen.

123
00:05:16,685 --> 00:05:17,601
I've tried for a decade

124
00:05:17,685 --> 00:05:19,059
to make him
an official Guardian.

125
00:05:19,143 --> 00:05:20,226
He helps out, yeah,

126
00:05:20,310 --> 00:05:22,809
but he's never taken orders,

127
00:05:22,893 --> 00:05:23,934
not from me, anyway.

128
00:05:24,018 --> 00:05:25,767
Then I don't know
what to say...

129
00:05:25,851 --> 00:05:26,976
Easy.

130
00:05:27,060 --> 00:05:29,018
Say you'll do it.

131
00:05:33,768 --> 00:05:36,642

[door closes]

132

00:05:36,726 --> 00:05:38,059
I'm feeling pizza.

133

00:05:38,143 --> 00:05:39,226
I can be to Naples and back

134

00:05:39,310 --> 00:05:41,134
before the cheese
stops bubbling.

135

00:05:41,219 --> 00:05:42,267
Honey,

136

00:05:42,351 --> 00:05:44,851
let the delivery guy
do it tonight.

137

00:05:44,935 --> 00:05:46,726
Sure.

138

00:05:50,435 --> 00:05:52,601
I've battled alien tyrants,

139

00:05:52,685 --> 00:05:54,601
defeated nightmares
from the deep,

140

00:05:54,685 --> 00:05:56,142
gone toe to toe...
[click]

141

00:05:56,226 --> 00:05:57,517
You will have moments
of doubt...

142
00:05:57,601 --> 00:05:58,809
[click]
We are left to wonder...

143
00:05:58,893 --> 00:05:59,809
[click]

144
00:05:59,893 --> 00:06:01,142
- Mark...
- Who will save us now?

145
00:06:01,226 --> 00:06:02,226
Why don't you call William?

146
00:06:02,310 --> 00:06:03,351
And do what?

147
00:06:03,435 --> 00:06:04,934
Hang out?
Go buy comic books?

148
00:06:05,018 --> 00:06:05,809
After this?

149
00:06:05,893 --> 00:06:06,642
[Nolan] Hey...

150
00:06:06,726 --> 00:06:07,767
Watch the tone.

151
00:06:07,851 --> 00:06:08,684
[Debbie] It's okay.

152
00:06:08,768 --> 00:06:09,809
It's not.

153
00:06:09,893 --> 00:06:11,601
This is new, I get it,

154
00:06:11,685 --> 00:06:13,142
but you need
to keep that separate.

155
00:06:13,226 --> 00:06:15,392
What happens out there,
the mistakes,

156
00:06:15,476 --> 00:06:16,559
even the victories,

157
00:06:16,643 --> 00:06:18,810
you can't bring it home.

158
00:06:20,268 --> 00:06:21,310
Okay?

159
00:06:22,643 --> 00:06:23,768
Can I go to my room?

160
00:06:25,601 --> 00:06:27,059
[sighs] Sure.

161
00:06:27,143 --> 00:06:29,059
Hey, we'll do some more
training tomorrow, okay?

162
00:06:29,143 --> 00:06:31,351
Just you and me.

163
00:06:33,435 --> 00:06:34,392
What?

164
00:06:34,476 --> 00:06:36,809
We just came from
your friends' funeral.

165
00:06:36,893 --> 00:06:37,684
Co-workers.

166
00:06:37,768 --> 00:06:39,601
And you're talking about pizza,

167
00:06:39,685 --> 00:06:41,601
and telling Mark
not to feel anything?

168
00:06:41,685 --> 00:06:42,642
This is the life.

169
00:06:42,726 --> 00:06:44,059
Mark has to learn that.

170
00:06:44,143 --> 00:06:47,392
What if Mark and I
were burying you today?

171
00:06:47,476 --> 00:06:48,767
I'm not so easy to kill.

172
00:06:48,851 --> 00:06:50,976
Yeah, well, I'm sure that's
what Red Rush told Olga.

173
00:06:51,060 --> 00:06:52,892
Hey, he could run fast, okay?

174
00:06:52,976 --> 00:06:55,560
It's not exactly one of

your premier superpowers.

175

00:06:57,768 --> 00:06:58,934
I'm sorry.

176

00:06:59,018 --> 00:07:00,726
I didn't mean that,

177

00:07:00,810 --> 00:07:03,642
but Mark and I can do
more good out there

178

00:07:03,726 --> 00:07:06,351

00:13:31,435 --> 00:13:34,309
Monster Girl.

362
00:13:34,393 --> 00:13:36,851
[laughing]

363
00:13:36,935 --> 00:13:39,351
Aw, look at her,
she's adorable!

364
00:13:39,435 --> 00:13:41,017
But isn't there, like,
an age requirement

365
00:13:41,101 --> 00:13:41,851
for this ride?

366
00:13:41,935 --> 00:13:42,767
Am I wrong?

367
00:13:42,851 --> 00:13:44,226
'Cause this seems weird, right?

368
00:13:46,768 --> 00:13:47,809
Rex...

369
00:13:47,893 --> 00:13:49,309
I dunno, you're here.

370

00:13:49,393 --> 00:13:51,517
Isn't there a dick size
requirement?

371
00:13:51,601 --> 00:13:52,351
[Rex] I'm sorry?

372
00:13:52,435 --> 00:13:54,351
For what, your tiny dick?

373
00:13:54,435 --> 00:13:56,392
I mean, the way you've been
strutting around here,

374
00:13:56,476 --> 00:13:59,726
you must be compensating
for something.

375
00:13:59,810 --> 00:14:01,185
[laughter]

376
00:14:02,643 --> 00:14:04,476
Somebody ought to teach you

377
00:14:04,560 --> 00:14:07,017
some mother-fucking...

378
00:14:07,101 --> 00:14:07,976
What the fuck?

379
00:14:08,060 --> 00:14:09,476
[glass shatters]

380
00:14:09,560 --> 00:14:10,434
[screaming]

381

00:14:10,518 --> 00:14:11,892
Oof!

382
00:14:11,976 --> 00:14:13,309
[groans]

383
00:14:13,393 --> 00:14:14,392
[heavy thud]

384
00:14:14,476 --> 00:14:16,892
Guess you missed my try-out.

385
00:14:16,976 --> 00:14:19,351
[growling]

386
00:14:22,060 --> 00:14:24,310
[deep, rumbling voice]
Still think I'm adorable?

387
00:14:26,893 --> 00:14:27,893
[groans]

388
00:14:29,393 --> 00:14:31,060
You little bitch.

389
00:14:34,185 --> 00:14:35,892
Aw...

390
00:14:35,976 --> 00:14:38,767
Now, that's adorable.

391
00:14:38,851 --> 00:14:43,684
I'm gonna blast that smile
off your stupid, green face.

392
00:14:43,768 --> 00:14:45,892

Please, stop,
this is hardly constructive.

393
00:14:45,976 --> 00:14:46,976
Ha!

394
00:14:48,810 --> 00:14:49,976
[roars]

395
00:14:50,060 --> 00:14:52,184
Uh... is this okay?

396
00:14:52,268 --> 00:14:54,017
He asked for it.

397
00:14:54,101 --> 00:14:56,935
[Rex grunting]

398
00:15:01,560 --> 00:15:02,809
Okay, enough.

399
00:15:02,893 --> 00:15:04,351
Get lost, boy scout.

400
00:15:05,726 --> 00:15:07,185
[Mark] I said, enough!

401
00:15:08,685 --> 00:15:10,018
[grunts]

402
00:15:11,018 --> 00:15:13,268
[woman] Invincible hit
that little girl!

403
00:15:14,435 --> 00:15:16,059
Oh... shit.

404
00:15:16,143 --> 00:15:19,267
Uh, look, I'm so sorry.

405
00:15:19,351 --> 00:15:20,934
Nah, my bad.

406
00:15:21,018 --> 00:15:23,809
The kid thing
sets me off every time,

407
00:15:23,893 --> 00:15:25,642
and then it's like, "Rah!"

408
00:15:25,726 --> 00:15:26,892
Beast mode.

409
00:15:26,976 --> 00:15:28,976
Sorry about the dick joke.

410
00:15:29,060 --> 00:15:31,517
I'm sure your junk
is awesome.

411
00:15:31,601 --> 00:15:33,017
[groans] It's fine.

412
00:15:33,101 --> 00:15:34,351
I'm good.
You're good.

413
00:15:34,435 --> 00:15:37,434
You can... punch hard.

414
00:15:37,518 --> 00:15:38,267
[groaning]

415
00:15:38,351 --> 00:15:40,684
Didn't need your help, asshole.

416
00:15:40,768 --> 00:15:42,560
[groaning]
Aw, Christ...

417
00:15:45,560 --> 00:15:47,226
[Robot] As I was saying,

418
00:15:47,310 --> 00:15:48,642
welcome to
the Guardians of the Globe,

419
00:15:48,726 --> 00:15:49,642
Monster Girl...

420
00:15:49,726 --> 00:15:51,642
I'm gonna shit blood.

421
00:15:51,726 --> 00:15:53,392
...along with Rex Splode,

422
00:15:53,476 --> 00:15:55,476
once he's recovered...

423
00:15:55,560 --> 00:15:56,642
and our final member,

424
00:15:56,726 --> 00:15:59,017
Atom Eve.

425
00:15:59,101 --> 00:16:02,059
Thank you all for coming today.

426
00:16:02,143 --> 00:16:04,726
We'll be making
a public announcement shortly.

427
00:16:05,560 --> 00:16:06,726
[Eve] Robot.

428
00:16:06,810 --> 00:16:08,351
No need to thank me.

429
00:16:08,435 --> 00:16:11,392
I obviously needed
to remain impartial,

430
00:16:11,476 --> 00:16:12,642
but I'm still delighted

431
00:16:12,726 --> 00:16:14,976
so many members of the Teen Team
made the cut.

432
00:16:15,060 --> 00:16:18,142
I can't be on the same team
as Rex and Kate.

433
00:16:18,226 --> 00:16:20,434
What? Why?

434
00:16:20,518 --> 00:16:21,434
Hey, wait!

435
00:16:21,518 --> 00:16:22,767
Rex, what did you do?

436
00:16:22,851 --> 00:16:23,726
[groans]

437

00:16:23,810 --> 00:16:26,017
Thanks for the help, Robot.

438

00:16:26,101 --> 00:16:29,560
Can't wait to be on your team.

439

00:16:32,518 --> 00:16:33,809
Hey...

440

00:16:33,893 --> 00:16:35,267
what's going on?

441

00:16:35,351 --> 00:16:36,642
Rex cheated on me...

442

00:16:36,726 --> 00:16:37,642
What?

443

00:16:37,726 --> 00:16:40,017
...with Dupli-Kate,
all three of her.

444

00:16:40,101 --> 00:16:41,601
Whoa.

445

00:16:41,685 --> 00:16:43,809
Whoa...

446

00:16:43,893 --> 00:16:46,309
I walked in on them.

447

00:16:46,393 --> 00:16:49,392
Rex told her you and me
were a thing? Ugh.

448

00:16:49,476 --> 00:16:50,559
Huh, what?

449

00:16:50,643 --> 00:16:52,892
That's... crazy.

450

00:16:52,976 --> 00:16:54,851
I didn't want to say it
while you were dating the guy,

451

00:16:54,935 --> 00:16:56,726
but what an asshole.

452

00:16:56,810 --> 00:16:58,517
He wasn't always,

453

00:16:58,601 --> 00:16:59,559
but... yeah.

454

00:16:59,643 --> 00:17:00,517
[sighs]

455

00:17:00,601 --> 00:17:02,726
Well, that sucks.

456

00:17:02,810 --> 00:17:03,642
I'm sorry.

457

00:17:03,726 --> 00:17:05,518
Thanks.

458

00:17:09,310 --> 00:17:13,142
As soon as the forensic
investigation has concluded,

459

00:17:13,226 --> 00:17:15,392
we'll be moving into
the Guardians' headquarters.

460
00:17:15,476 --> 00:17:17,142
Until then,
we'll be training here.

461
00:17:17,226 --> 00:17:19,101
Breakfast is at 6:00 a.m.,

462
00:17:19,185 --> 00:17:21,476
then close-in combat exercises
until lunch.

463
00:17:21,560 --> 00:17:23,726
Where is Kate Prime?

464
00:17:23,810 --> 00:17:24,726
Had a thing.

465
00:17:24,810 --> 00:17:26,059
I can fill her in.

466
00:17:26,143 --> 00:17:28,476
Okay, just to make it clear,

467
00:17:28,560 --> 00:17:30,392
there is no universe

468
00:17:30,476 --> 00:17:32,476
in which I wake up at 6:00 a.m.

469
00:17:32,560 --> 00:17:34,809
and the world isn't on fire.

470

00:17:34,893 --> 00:17:36,559
Come on, Robot.

471
00:17:36,643 --> 00:17:38,351
We don't need
this boot camp bullshit.

472
00:17:38,435 --> 00:17:39,517
It's us.

473
00:17:39,601 --> 00:17:41,767
We're not on the Teen Team
any longer, Rex.

474
00:17:41,851 --> 00:17:42,851
Exactly.

475
00:17:42,935 --> 00:17:44,392
I'm sure you've had
a lot of experience

476
00:17:44,476 --> 00:17:45,726
wrangling teenagers,

477
00:17:45,810 --> 00:17:47,767
but I was with
the Guardians from day one.

478
00:17:47,851 --> 00:17:49,476
Wow, thanks, Dad.

479
00:17:49,560 --> 00:17:50,934
Maybe if you didn't
lose your powers,

480
00:17:51,018 --> 00:17:52,559
you might've been there

to help the Guardians

481

00:17:52,643 --> 00:17:54,267
on their last day.

482

00:17:54,351 --> 00:17:55,517
I don't know you yet,

483

00:17:55,601 --> 00:17:57,517
so I'm going to assume
that was a joke,

484

00:17:57,601 --> 00:17:58,851
and I don't need
to beat your ass

485

00:17:58,935 --> 00:18:01,810
until all you wanna do
is call me Dad again.

486

00:18:06,143 --> 00:18:07,434
I don't know you either,

487

00:18:07,518 --> 00:18:09,392
but we need a leader
we can look in the eye.

488

00:18:09,476 --> 00:18:10,767
Not a bunch of ones and zeros.

489

00:18:10,851 --> 00:18:11,684
No offense.

490

00:18:11,768 --> 00:18:13,851
That's actually super offensive,

491

00:18:13,935 --> 00:18:16,767
so wait, you think
you should be in charge?

492

00:18:16,851 --> 00:18:18,476
I am the most experienced.

493

00:18:18,560 --> 00:18:20,851
Yeah, at losing your powers.

494

00:18:20,935 --> 00:18:22,351
Didn't I crack
that joke already?

495

00:18:22,435 --> 00:18:25,017
Why are we even
putting up with this guy?

496

00:18:25,101 --> 00:18:26,559
He wears a suit!

497

00:18:26,643 --> 00:18:28,559
It takes batteries.

498

00:18:28,643 --> 00:18:30,351
Let's just get Eve
back in here.

499

00:18:30,435 --> 00:18:32,059
I'm new
to this whole team thing,

500

00:18:32,143 --> 00:18:34,017
but I thought
it involved teamwork.

501

00:18:34,101 --> 00:18:35,809

As did I.

502

00:18:35,893 --> 00:18:37,142
Call me when
you figure it out.

503

00:18:37,226 --> 00:18:38,559
I'll be in the gym.

504

00:18:38,643 --> 00:18:40,643
Me too.

505

00:18:41,726 --> 00:18:43,059
I'll go supervise.

506

00:18:43,143 --> 00:18:44,184
[Dupli-Kate] No, you won't!

507

00:18:44,268 --> 00:18:46,393
[Rex laughs] I can do
whatever I like.

508

00:18:48,101 --> 00:18:50,185
Good first day, Robot.

509

00:18:53,726 --> 00:18:56,226
I can't do
three combat exercises a day.

510

00:18:56,310 --> 00:19:00,017
I'm on a rather tight timetable
to get this team operational.

511

00:19:00,101 --> 00:19:02,309
Whenever I transform,
I get younger.

512
00:19:02,393 --> 00:19:05,226
It's part of the curse
that gives me my powers.

513
00:19:05,310 --> 00:19:08,976
I don't look it,
but I'm 24 years old.

514
00:19:09,060 --> 00:19:10,851
I used to go by Monster Woman,

515
00:19:10,935 --> 00:19:13,642
but it got too hard
to explain, so...

516
00:19:13,726 --> 00:19:16,267
if you don't want to start
changing my diapers,

517
00:19:16,351 --> 00:19:19,059
three exercises a day
are too much for me.

518
00:19:19,143 --> 00:19:20,309
I didn't...

519
00:19:20,393 --> 00:19:22,559
Of course, my apologies.

520
00:19:22,643 --> 00:19:24,309
It must be difficult.

521
00:19:24,393 --> 00:19:27,267
Try having a normal relationship
looking like this.

522

00:19:27,351 --> 00:19:28,392
The guys who are interested

523

00:19:28,476 --> 00:19:29,976
are either
going through puberty,

524

00:19:30,060 --> 00:19:32,309
or popping up
on sex offender registries.

525

00:19:32,393 --> 00:19:33,892
I understand what it's like

526

00:19:33,976 --> 00:19:36,559
for the world to look at you
and see one thing,

527

00:19:36,643 --> 00:19:39,059
never knowing the truth
of what's inside.

528

00:19:39,143 --> 00:19:41,309
How can you understand?

529

00:19:41,393 --> 00:19:43,810
You're a robot.

530

00:19:46,768 --> 00:19:48,809
Pathetic.

531

00:19:48,893 --> 00:19:50,101
[William] This has gotta go.

532

00:19:50,185 --> 00:19:51,559
Hide this.

533
00:19:51,643 --> 00:19:53,434
Toss this.

534
00:19:53,518 --> 00:19:54,601
What? Stop.

535
00:19:54,685 --> 00:19:57,642
Hey, being a geek
is cool now, okay?

536
00:19:57,726 --> 00:19:59,767
So, maybe Amber
likes comics, too.

537
00:19:59,851 --> 00:20:00,934
You thought of that?

538
00:20:01,018 --> 00:20:01,976
Ya dick.

539
00:20:02,060 --> 00:20:03,351
I'm not talking about
the comics,

540
00:20:03,435 --> 00:20:04,726
I'm talking about
the dirty clothes,

541
00:20:04,810 --> 00:20:05,726
the dishes,

542
00:20:05,810 --> 00:20:06,935
the tissues.

543
00:20:08,018 --> 00:20:09,393
Uh...

544

00:20:11,143 --> 00:20:12,059
Better.

545

00:20:12,143 --> 00:20:14,726
Okay, I brought you
some homework.

546

00:20:14,810 --> 00:20:15,934
A little Naomi Klein.

547

00:20:16,018 --> 00:20:17,059
A touch of Margaret Atwood.

548

00:20:17,143 --> 00:20:18,392
Some Ta-Nehisi Coates.

549

00:20:18,476 --> 00:20:19,226
I haven't read any of those.

550

00:20:19,310 --> 00:20:20,976
[sighs] But she has,

551

00:20:21,060 --> 00:20:22,059
so get started.

552

00:20:22,143 --> 00:20:24,517
It'll show Amber
you're interested in her.

553

00:20:24,601 --> 00:20:27,267
She's also into spicy foods,
stand-up comedy,

554

00:20:27,351 --> 00:20:28,809
and fourth-wave feminism.

555

00:20:28,893 --> 00:20:30,351

What?

I read her file.

556

00:20:31,643 --> 00:20:33,517

I asked around at school.

557

00:20:33,601 --> 00:20:36,392

It's just a study date,

not a first date.

558

00:20:36,476 --> 00:20:39,434

Mark, every date

should feel like a first date.

559

00:20:39,518 --> 00:20:40,601

[doorbell rings]

560

00:20:40,685 --> 00:20:43,393

[Debbie] Mark!

Your friend is here!

561

00:20:44,643 --> 00:20:45,643

[dishes clattering]

562

00:20:52,851 --> 00:20:54,726

Go! Out the back way.

563

00:20:54,810 --> 00:20:55,976

You can thank me later

when you call me,

564

00:20:56,060 --> 00:20:58,226

and tell me exactly

how it all went.

565
00:20:58,310 --> 00:21:00,226
[Amber] Hi, Mrs. Grayson.
I'm Amber.

566
00:21:10,185 --> 00:21:12,726
Um, William said
I should read it

567
00:21:12,810 --> 00:21:14,601
to show you
that I'm interested-

568
00:21:14,685 --> 00:21:15,976
interesting-

569
00:21:16,060 --> 00:21:17,767
and I will,

570
00:21:17,851 --> 00:21:21,434
but this is more me.

571
00:21:21,518 --> 00:21:22,767
An honest man.

572
00:21:22,851 --> 00:21:24,184
I like that.

573
00:21:24,268 --> 00:21:25,434
So...

574
00:21:25,518 --> 00:21:27,101
you're into comics.

575
00:21:27,185 --> 00:21:28,517
Is it that obvious?

576
00:21:28,601 --> 00:21:30,226
[chuckles]

577
00:21:30,310 --> 00:21:31,267
What's your favorite?

578
00:21:31,351 --> 00:21:34,101
Oh, man, I can't pick
a favorite,

579
00:21:34,185 --> 00:21:35,559
but...

580
00:21:35,643 --> 00:21:38,851
Ooh, this one is about a guy
who's an underwater welder,

581
00:21:38,935 --> 00:21:41,392
and starts seeing ghosts
on the bottom of the ocean,

582
00:21:41,476 --> 00:21:44,059
and this one is about
a Jack Russell terrier

583
00:21:44,143 --> 00:21:46,184
who's a master
of the metaphysical arts.

584
00:21:46,268 --> 00:21:47,434
Seance Dog?

585
00:21:47,518 --> 00:21:48,601
Cool.

586
00:21:48,685 --> 00:21:50,101

You mind if I borrow it?

587

00:21:50,185 --> 00:21:53,101
I mean, just to show you
that I'm interested.

588

00:21:53,185 --> 00:21:54,309
Yeah.

589

00:21:54,393 --> 00:21:55,476
Absolutely.

590

00:21:57,060 --> 00:21:59,393
[Mark's cell phone rings]

591

00:22:01,185 --> 00:22:02,892
Okay...

592

00:22:02,976 --> 00:22:04,726
don't know who that is.

593

00:22:04,810 --> 00:22:06,809
Um, I figured we should start
with global issues, and then...

594

00:22:06,893 --> 00:22:08,018
[cell phone rings again]

595

00:22:09,143 --> 00:22:10,351
Sorry.

596

00:22:10,435 --> 00:22:11,809
Must be a robo-call.

597

00:22:11,893 --> 00:22:13,684
Ha, this should do it.

598

00:22:13,768 --> 00:22:15,976
So Ms. Walker says
we should focus on the...

599

00:22:16,060 --> 00:22:17,060
[phone rings]

600

00:22:18,893 --> 00:22:21,142
I'm gonna run
and use your bathroom

601

00:22:21,226 --> 00:22:23,142
while you deal with that.

602

00:22:23,226 --> 00:22:26,351
Yeah, uh, down the hall
on the left.

603

00:22:31,268 --> 00:22:32,851
[beeping dismiss button]

604

00:22:32,935 --> 00:22:33,809
Whoa!

605

00:22:33,893 --> 00:22:35,476
[sighing]
Christ almighty.

606

00:22:35,560 --> 00:22:36,976
I didn't think
she would ever leave.

607

00:22:37,060 --> 00:22:37,892
Hey!

608

00:22:37,976 --> 00:22:38,726
Oh, what are you...

609
00:22:38,810 --> 00:22:40,267
How did you know Amber...

610
00:22:40,351 --> 00:22:42,017
Are you spying on me?

611
00:22:42,101 --> 00:22:43,559
You wanna be
a super hero, right?

612
00:22:43,643 --> 00:22:46,101
Fame, glory, get the pretty gal?

613
00:22:46,185 --> 00:22:49,184
I mean, that's sexist, but okay.

614
00:22:49,268 --> 00:22:51,559
Well, then, the whole concept
of personal privacy

615
00:22:51,643 --> 00:22:52,976
or me time? [Scoffs]

616
00:22:53,060 --> 00:22:54,267
That's out the window.

617
00:22:54,351 --> 00:22:58,267
When the world needs you,
you answer your goddamn phone!

618
00:22:58,351 --> 00:23:00,101
Don't worry,
she hasn't flushed yet.

619

00:23:00,185 --> 00:23:01,851
I don't even work for you!

620

00:23:01,935 --> 00:23:03,101
And you never will,

621

00:23:03,185 --> 00:23:05,017
not unless you show
a little respect,

622

00:23:05,101 --> 00:23:07,851
and decide if you want to be
a superhero or not.

623

00:23:07,935 --> 00:23:08,934
Right now?

624

00:23:09,018 --> 00:23:11,267
Yes, Mark, right now.

625

00:23:11,351 --> 00:23:12,601
Okay, yes.

626

00:23:12,685 --> 00:23:14,684
I want to help.

627

00:23:14,768 --> 00:23:15,851
What's the problem?

628

00:23:15,935 --> 00:23:17,434
Rogue supervillain.

629

00:23:17,518 --> 00:23:18,351
Public in danger.

630

00:23:18,435 --> 00:23:19,309
Eve's already en route.

631
00:23:19,393 --> 00:23:20,851
Here, so we can talk on the go.

632
00:23:20,935 --> 00:23:22,517
Eve's gonna be there?

633
00:23:22,601 --> 00:23:24,559
Oh, did that just
sweeten the deal?

634
00:23:24,643 --> 00:23:26,017
What? No.

635
00:23:26,101 --> 00:23:27,101
I mean, um...

636
00:23:27,185 --> 00:23:28,267
Where?

637
00:23:28,351 --> 00:23:30,226
Where is this... at?

638
00:23:30,310 --> 00:23:31,601
Mount Rushmore.

639
00:23:32,810 --> 00:23:34,934
Okay.

640
00:23:35,018 --> 00:23:36,517
What state is that again?

641
00:23:36,601 --> 00:23:39,893
What do they teach you kids

in school these days?

642

00:23:41,393 --> 00:23:42,892

Who were you talking to?

643

00:23:42,976 --> 00:23:44,184

Oh, um...

644

00:23:44,268 --> 00:23:46,684

Yeah, the thing with the, uh,
the phone, it's, um...

645

00:23:46,768 --> 00:23:48,226

It was a friend of my dad's,

646

00:23:48,310 --> 00:23:50,351

and, uh...

I forgot I'd promised

647

00:23:50,435 --> 00:23:54,309

I'd help him

with this thing, um...

648

00:23:54,393 --> 00:23:55,851

Now?

649

00:23:58,351 --> 00:24:00,517

How's it going in here?

650

00:24:00,601 --> 00:24:02,643

I brought snacks.

651

00:24:03,768 --> 00:24:05,976

[Cecil in earpiece]

South Dakota.

652

00:24:06,060 --> 00:24:08,809
[Eve] We know where
Mount Rushmore is, Cecil.

653
00:24:08,893 --> 00:24:10,184
[Cecil] I wouldn't be
asking for your help,

654
00:24:10,268 --> 00:24:13,184
but Omni-Man's dealing with
a kaiju ten time zones away,

655
00:24:13,268 --> 00:24:14,684
and the new Guardians
are a shit show,

656
00:24:14,768 --> 00:24:16,351
so here we are.

657
00:24:16,435 --> 00:24:17,767
Target is Doc Seismic.

658
00:24:17,851 --> 00:24:19,684
He has a Ph.D. in seismology,

659
00:24:19,768 --> 00:24:21,684
so the doc thing,
that's legit.

660
00:24:21,768 --> 00:24:24,059
Problem is, he made himself
a pair of earthquake gloves.

661
00:24:24,143 --> 00:24:25,392
What's he want?

662
00:24:25,476 --> 00:24:26,767

Even he doesn't seem to know.

663

00:24:26,851 --> 00:24:28,351
Working theory
says brain damage

664

00:24:28,435 --> 00:24:29,976
from a side effect
of those gloves.

665

00:24:30,060 --> 00:24:32,685
He basically gets a concussion
every time he uses them.

666

00:24:33,976 --> 00:24:35,476
So your basic
mad scientist deal.

667

00:24:35,560 --> 00:24:36,517
Have fun, kids,

668

00:24:36,601 --> 00:24:37,767
and try to remember,

669

00:24:37,851 --> 00:24:39,851
that's a national treasure
down there.

670

00:24:39,935 --> 00:24:42,851
[crowd screaming in panic]

671

00:24:42,935 --> 00:24:44,726
[ground rumbling]

672

00:24:46,560 --> 00:24:50,060
[evil laughter]

673
00:24:52,268 --> 00:24:57,267
You've come to pray
at this obscene monument?

674
00:24:57,351 --> 00:24:59,601
They were oppressors!

675
00:24:59,685 --> 00:25:00,767
Racists!

676
00:25:00,851 --> 00:25:02,351
Slave owners!

677
00:25:02,435 --> 00:25:05,976
I give you a new god
worthy of worship!

678
00:25:06,060 --> 00:25:09,101
Bow before Doc Seismic!

679
00:25:10,101 --> 00:25:11,101
Rah!

680
00:25:11,185 --> 00:25:11,934
Hah!

681
00:25:12,018 --> 00:25:13,101
[ground rumbling]

682
00:25:14,810 --> 00:25:16,351
[crumbling]

683
00:25:18,060 --> 00:25:18,892
[panicked screams]

684

00:25:18,976 --> 00:25:20,851
Run! This way!

685
00:25:22,601 --> 00:25:24,018
Hurry! Hurry!

686
00:25:25,018 --> 00:25:27,226
[laughs wickedly]

687
00:25:27,310 --> 00:25:29,892
The great emancipator?

688
00:25:29,976 --> 00:25:32,434
He'll emancipate you...

689
00:25:32,518 --> 00:25:34,310
from your lives!

690
00:25:37,601 --> 00:25:38,434
Wow, man,

691
00:25:38,518 --> 00:25:40,226
I'm still working
on my one-liners,

692
00:25:40,310 --> 00:25:43,101
but that one is really bad.

693
00:25:49,643 --> 00:25:50,476
Ha ha!

694
00:25:50,560 --> 00:25:53,517
That's how you get ahead
in life.

695
00:25:53,601 --> 00:25:55,351

See, it's not quite there,
it's not there.

696

00:25:55,435 --> 00:25:57,517
No argument from me.

697

00:25:57,601 --> 00:25:59,185
Now die!

698

00:26:00,101 --> 00:26:01,309
[grunts]

699

00:26:01,393 --> 00:26:03,142
Ah, thanks.

700

00:26:03,226 --> 00:26:04,434
Anytime.

701

00:26:04,518 --> 00:26:05,726
We need to take out
his gloves.

702

00:26:05,810 --> 00:26:06,976
[Mark] Those aren't gloves.

703

00:26:07,060 --> 00:26:08,226
Gloves have fingers.

704

00:26:08,310 --> 00:26:09,434
They're more, uh...

705

00:26:09,518 --> 00:26:10,934
earthquake bracelets?

706

00:26:11,018 --> 00:26:13,351
Ha! You're wearing

earthquake bracelets!

707

00:26:13,435 --> 00:26:14,810
[grunts with effort] H'yah!

708

00:26:17,851 --> 00:26:21,768
Y'ah!
[cackling wickedly]

709

00:26:23,101 --> 00:26:24,101
Y'ah!

710

00:26:34,018 --> 00:26:36,767
You should be on my side!

711

00:26:36,851 --> 00:26:39,267
We could tear down
the old power structure,

712

00:26:39,351 --> 00:26:41,101
build a new order!

713

00:26:41,185 --> 00:26:43,642
I mean, look at the costume
they've got you in.

714

00:26:43,726 --> 00:26:46,476
Talk about pandering
to gender roles.

715

00:26:46,560 --> 00:26:48,601
I designed my own costume,

716

00:26:48,685 --> 00:26:51,017
and I thought your doctorate
was in seismology?

717
00:26:51,101 --> 00:26:52,851
Undergrad in sociology
and women's studies.

718
00:26:52,935 --> 00:26:53,892
I had a minor
in African Dance,

719
00:26:53,976 --> 00:26:55,435
but enough politics!

720
00:26:57,560 --> 00:26:58,685
H'wah!

721
00:27:03,226 --> 00:27:04,559
- [gasps]
- Oh...

722
00:27:04,643 --> 00:27:05,768
[grunts]

723
00:27:08,976 --> 00:27:11,142
- Whoa!
- Oh!

724
00:27:11,226 --> 00:27:12,685
[ground rumbling]

725
00:27:16,351 --> 00:27:17,351
[gasps]

726
00:27:18,893 --> 00:27:20,768
[child screams]

727
