## EPISODE CAST

Steven Yeun	...	Mark Grayson (voice)
Sandra Oh	...	Debbie Grayson (voice)
J.K. Simmons	...	Nolan Grayson (voice)
Zazie Beetz	...	Amber Bennett (voice)
Max Burkholder	...	Matt (voice)
Walton Goggins	...	Cecil Stedman (voice)
Grey Griffin	...	Monster Girl (voice)
Jonathan Groff	...	Rick Sheridan (voice)
Mark Hamill	...	Art Rosebaum (voice)
Gillian Jacobs	...	Atom Eve (voice)
Ezra Miller	...	DA Sinclair (voice)
Khary Payton	...	Black Samson (voice)
Zachary Quinto	...	Robot (voice)
Andrew Rannells	...	William Clockwell (voice)
Kevin Michael Richardson	...	Mauler Twins / Monster Girl (voice)
Justin Roiland	...	Doug Cheston / Punk Kid (voice)
Fred Tatasciore	...	Eve's Father / Professor (voice)

1

00:00:09,750 --&gt; 00:00:11,130

[Nolan]

Hey, I need my costume back.

2

00:00:11,166 --&gt; 00:00:12,126

It's classified,

3

00:00:12,166 --&gt; 00:00:13,456

and I want it back.

4

00:00:13,500 --&gt; 00:00:14,500

Am I important to you, Mark?

5

00:00:14,541 --&gt; 00:00:15,921

I'm gonna do better.

6

00:00:15,958 --&gt; 00:00:17,208

Maybe if you didn't  
lose your powers,

7

00:00:17,250 --&gt; 00:00:18,290

you might have been there

8

00:00:18,333 --&gt; 00:00:20,713

to help the Guardians  
on their last day.

9

00:00:23,500 --&gt; 00:00:25,500

I'm not even sure  
I want to do this anymore!

10

00:00:26,958 --&gt; 00:00:29,538

Welcome to the world  
of the living, Clone.

11

00:00:29,583 --&gt; 00:00:31,383

I need your expertise  
in tissue growth.

12

00:00:31,416 --> 00:00:32,666  
I'm here for you.

13

00:00:32,708 --> 00:00:33,748  
Whatever you need.

14

00:00:33,791 --> 00:00:35,211  
You want to talk,  
I'll listen.

15

00:00:35,250 --> 00:00:36,580  
[Machine Head] Murder.

16

00:00:36,625 --> 00:00:37,625  
These.

17

00:00:37,666 --> 00:00:38,746  
Assholes!

18

00:00:39,916 --> 00:00:42,126  
No! No, no, no!

19

00:00:48,583 --> 00:00:50,543  
[Amber] I thought  
Mark would be here tonight.

20

00:00:50,583 --> 00:00:51,583  
I really did.

21

00:00:56,791 --> 00:00:59,251  
[teens giggling]

22

00:01:01,541 --> 00:01:03,541

[laughing together]

23

00:01:03,583 --> 00:01:04,923  
[branches rustling]

24

00:01:04,958 --> 00:01:05,788  
[screams]

25

00:01:05,833 --> 00:01:06,713  
[burps]

26

00:01:06,750 --> 00:01:07,960  
Oh, hey, excuse me.

27

00:01:08,000 --> 00:01:09,000  
'Sup, ladies?

28

00:01:09,041 --> 00:01:10,461  
What the hell?

29

00:01:10,500 --> 00:01:12,420  
You scared us,  
you creep.

30

00:01:12,458 --> 00:01:14,038  
Why were you hiding  
in the bushes?

31

00:01:14,083 --> 00:01:15,173  
Oh, my god!

32

00:01:15,208 --> 00:01:16,578  
I wasn't hiding  
in the bushes.

33

00:01:16,625 --> 00:01:18,915

I was drinking  
in the bushes.

34

00:01:18,958 --> 00:01:20,248  
But that's not important.

35

00:01:20,291 --> 00:01:22,211  
What's important-- [burps]

36

00:01:22,250 --> 00:01:26,670  
--is that I'm motherfuckin'  
Doug Cheston!

37

00:01:28,541 --> 00:01:29,581  
[gulping]

38

00:01:29,625 --> 00:01:30,575  
[belches]

39

00:01:30,625 --> 00:01:31,495  
Who?

40

00:01:32,333 --> 00:01:33,213  
My dad owns--

41

00:01:33,250 --> 00:01:34,210  
[body slumps]

42

00:01:34,250 --> 00:01:36,830  
My dad owns  
Cheston Pharmaceutical,

43

00:01:36,875 --> 00:01:38,825  
and like, half this univer--

44

00:01:41,916 --> 00:01:43,786

--and like,  
half this university.

45

00:01:43,833 --> 00:01:45,583  
Didn't your dad  
hike up prices

46

00:01:45,625 --> 00:01:47,995  
on that baby medicine  
everyone needs?

47

00:01:48,041 --> 00:01:49,171  
Totally, yeah!

48

00:01:49,208 --> 00:01:51,628  
Anyway, I'm gonna inherit  
all that shit soon,

49

00:01:51,666 --> 00:01:53,326  
'cause my dad's mad old.

50

00:01:53,375 --> 00:01:54,205  
So...

51

00:01:55,708 --> 00:01:57,828  
Do one, or, ideally, all of you,

52

00:01:57,875 --> 00:01:59,075  
want to have sex tonight,

53

00:01:59,125 --> 00:02:01,075  
and get in on the ground floor  
of my inheritance?

54

00:02:01,125 --> 00:02:03,125  
-Gross.  
-Ew! No way.

55

00:02:03,166 --> 00:02:04,996  
[scoffs] You don't know  
what you're missing.

56

00:02:05,041 --> 00:02:05,881  
[laughs, scoffing]

57

00:02:05,916 --> 00:02:06,996  
Yeah, we so do!

58

00:02:07,041 --> 00:02:07,831  
It's me!

59

00:02:07,875 --> 00:02:09,455  
I'm what you're missing!

60

00:02:09,500 --> 00:02:11,500  
Me and my huge--

61

00:02:11,541 --> 00:02:12,331  
[grunts]

62

00:02:12,375 --> 00:02:14,285  
--trust fund.

63

00:02:18,208 --> 00:02:20,628  
[groans]

64

00:02:20,666 --> 00:02:21,666  
What the...?

65

00:02:21,708 --> 00:02:23,458  
Hey, where am I?

66

00:02:23,500 --> 00:02:25,250  
[DA Sinclair] Oh, hello.

67  
00:02:25,291 --> 00:02:26,251  
[chuckles] I know,

68  
00:02:26,291 --> 00:02:27,421  
you're confused,

69  
00:02:27,458 --> 00:02:29,828  
but I'm sure  
you're used to that.

70  
00:02:29,875 --> 00:02:31,575  
Just stay quiet and still,

71  
00:02:31,625 --> 00:02:34,325  
and soon you'll be feeling  
better than ever.

72  
00:02:34,375 --> 00:02:35,165  
What?

73  
00:02:35,208 --> 00:02:36,248  
What's going on?

74  
00:02:36,291 --> 00:02:38,331  
You're going through  
a metamorphosis,

75  
00:02:38,375 --> 00:02:39,415  
a miracle

76  
00:02:39,458 --> 00:02:41,208  
that will take you  
from useless boil

77

00:02:41,250 --> 00:02:43,710  
on the behind  
of this crooked world,

78

00:02:43,750 --> 00:02:45,330  
to a brave explorer

79

00:02:45,375 --> 00:02:47,495  
charting a shining future  
for all humanity--

80

00:02:47,541 --> 00:02:48,421  
Nerd!

81

00:02:48,458 --> 00:02:49,378  
[guffaws]

82

00:02:49,416 --> 00:02:50,876  
Who talks like that?

83

00:02:50,916 --> 00:02:51,876  
You do!

84

00:02:51,916 --> 00:02:53,876  
You're a nerd, nerd!

85

00:02:53,916 --> 00:02:55,286  
[grunts, straining]

86

00:02:55,333 --> 00:02:56,633  
[gasps]

87

00:02:57,833 --> 00:02:58,963  
[straining] Hey!

88

00:02:59,000 --> 00:03:01,080  
Let me up, asshole!

89

00:03:01,125 --> 00:03:03,285  
If this is some joke,  
or some weird sex shit,

90

00:03:03,333 --> 00:03:05,633  
my dad's gonna sue you  
into the Stone Age!

91

00:03:06,833 --> 00:03:07,793  
Oh, Jesus!

92

00:03:07,833 --> 00:03:09,293  
Oh! Oh, shit!

93

00:03:09,333 --> 00:03:11,043  
[grunting]

94

00:03:12,375 --> 00:03:13,825  
[screams]

95

00:03:13,875 --> 00:03:14,785  
What the fuck is that?

96

00:03:14,833 --> 00:03:16,673  
[DA Sinclair]  
No histrionics, please.

97

00:03:16,708 --> 00:03:17,788  
What the fuck did you do?

98

00:03:17,833 --> 00:03:19,213  
Or I'll be forced to--

99

00:03:19,250 --> 00:03:21,040  
-Oh, my god!  
-[blade slices]

100  
00:03:21,083 --> 00:03:22,133  
[squelching]

101  
00:03:22,166 --> 00:03:24,326  
[gurgling]

102  
00:03:24,375 --> 00:03:25,625  
I think we can all agree

103  
00:03:25,666 --> 00:03:27,576  
you're better  
without vocal cords--

104  
00:03:27,625 --> 00:03:28,705  
[clang]

105  
00:03:28,750 --> 00:03:31,250  
--and don't worry  
about those prototypes.

106  
00:03:31,291 --> 00:03:32,581  
You're going to be different.

107  
00:03:32,625 --> 00:03:33,955  
You're going to be beautiful.

108  
00:03:34,000 --> 00:03:35,500  
You're going to be--

109  
00:03:38,000 --> 00:03:39,040  
[paramedic] Make a hole!

110

00:03:39,083 --> 00:03:40,543  
Keep moving! Careful!

111  
00:03:40,583 --> 00:03:42,713  
Prep O.R. 3, 6, and 8!

112  
00:03:42,750 --> 00:03:44,080  
-Pre-op!  
-Clamp that vein!

113  
00:03:45,375 --> 00:03:46,495  
Keep an eye on that for me.

114  
00:03:46,541 --> 00:03:47,671  
I've got  
multiple skull fractures

115  
00:03:47,708 --> 00:03:48,788  
and cranial swelling.

116  
00:03:49,750 --> 00:03:50,790  
She's convulsing!  
Keep her airway clear.

117  
00:03:50,833 --> 00:03:52,883  
These numbers  
don't make any sense.

118  
00:03:52,916 --> 00:03:53,956  
Watch out!

119  
00:03:54,000 --> 00:03:55,670  
Hot transit  
needs care immediately.

120  
00:03:55,708 --> 00:03:57,668  
One, two, three.

121  
00:03:57,708 --> 00:03:59,128  
She's drowning  
in her own blood.

122  
00:03:59,166 --> 00:04:00,746  
Get her intubated, now!

123  
00:04:00,791 --> 00:04:01,711  
Toss me the saline.

124  
00:04:01,750 --> 00:04:02,830  
Blood pressure's cratering.

125  
00:04:02,875 --> 00:04:04,165  
Someone get Dr. Barclay in here.

126  
00:04:04,208 --> 00:04:05,378  
I'm getting a line started.

127  
00:04:05,416 --> 00:04:06,826  
Find out what kind of blood  
she can take.

128  
00:04:06,875 --> 00:04:08,375  
The needle won't go in.

129  
00:04:12,208 --> 00:04:13,458  
Shit!

130  
00:04:21,166 --> 00:04:22,326  
Uh...

131  
00:04:22,375 --> 00:04:24,455  
I've studied Monster Girl's  
physiology extensively.

132

00:04:24,500 --> 00:04:25,580  
Please stand aside.

133

00:04:25,625 --> 00:04:26,495  
What?

134

00:04:26,541 --> 00:04:27,921  
Get him out of here!  
Security!

135

00:04:27,958 --> 00:04:29,458  
[guns cocking]

136

00:04:29,500 --> 00:04:31,040  
You can attempt to remove me,

137

00:04:31,083 --> 00:04:32,173  
you may even succeed,

138

00:04:32,208 --> 00:04:33,668  
but then she dies,

139

00:04:33,708 --> 00:04:34,918  
or you can assist me,

140

00:04:34,958 --> 00:04:36,078  
and we can save her life.

141

00:04:36,125 --> 00:04:37,575  
Choose now.

142

00:04:41,833 --> 00:04:44,213  
Shh... I'm here now.

143

00:04:45,916 --> 00:04:47,166  
Monster Girl's only hope

144

00:04:47,208 --> 00:04:49,038  
is if we can activate  
her innate healing abilities.

145

00:04:49,083 --> 00:04:51,003  
Begin a saline infusion  
of 2% belladonna root,

146

00:04:51,041 --> 00:04:52,211  
5% wolfsbane.

147

00:04:52,250 --> 00:04:53,790  
We don't have that.

148

00:04:53,833 --> 00:04:54,883  
Then get it.

149

00:04:54,916 --> 00:04:55,876  
Nano-sutures.

150

00:05:00,166 --> 00:05:01,246  
He's fibrillating!

151

00:05:01,291 --> 00:05:02,131  
[monitor flatlining]

152

00:05:04,083 --> 00:05:05,673  
[charging]

153

00:05:05,708 --> 00:05:06,668  
Clear!

154

00:05:06,708 --> 00:05:08,328

[shock thumps]

155

00:05:08,375 --> 00:05:09,165  
[monitor flatlining]

156

00:05:09,208 --> 00:05:10,248  
Again!

157

00:05:10,291 --> 00:05:12,001  
[charging]  
[shock thumps]

158

00:05:12,041 --> 00:05:13,001  
[flatline drones]

159

00:05:13,041 --> 00:05:14,421  
Going to max charge!

160

00:05:14,458 --> 00:05:17,498  
[charging]  
[shock thumps]

161

00:05:17,541 --> 00:05:18,501  
One more time.

162

00:05:18,541 --> 00:05:20,171  
[flatline beeps]

163

00:05:20,208 --> 00:05:21,458  
Dammit.

164

00:05:21,500 --> 00:05:23,250  
Huh?

165

00:05:23,291 --> 00:05:25,671  
[energy surging]

166  
00:05:26,958 --> 00:05:28,668  
-What the hell?  
-[glass shattering]

167  
00:05:28,708 --> 00:05:30,248  
[circuits crackling]

168  
00:05:30,291 --> 00:05:33,581  
[energy surges and falls silent]

169  
00:05:33,625 --> 00:05:35,875  
What just happened?

170  
00:05:35,916 --> 00:05:37,206  
[man] I have no idea.

171  
00:05:37,250 --> 00:05:39,380  
[heartbeat beeping steadily]

172  
00:05:43,958 --> 00:05:44,918  
This is bad.

173  
00:05:44,958 --> 00:05:46,878  
He's got a hole  
all the way through him.

174  
00:05:46,916 --> 00:05:48,126  
[woman] Careful.

175  
00:05:48,166 --> 00:05:49,706  
-Pulse is dropping, people!  
-I'm on it!

176  
00:05:52,083 --> 00:05:53,963  
[woman]

Spinal damage seems likely.

177  
00:05:54,000 --> 00:05:56,670  
[man] Thank God,  
whatever tore him up was sharp.

178  
00:06:05,875 --> 00:06:07,375  
[female voice, distant] Mark...

179  
00:06:07,416 --> 00:06:08,666  
Mark...

180  
00:06:08,708 --> 00:06:10,288  
Mark?

181  
00:06:11,708 --> 00:06:12,748  
Mom?

182  
00:06:12,791 --> 00:06:14,671  
[gasps] Oh...

183  
00:06:14,708 --> 00:06:15,668  
sweetheart.

184  
00:06:17,958 --> 00:06:19,328  
I knew you'd pull through.

185  
00:06:19,375 --> 00:06:21,875  
[groans]

186  
00:06:21,916 --> 00:06:23,456  
How long was I out?

187  
00:06:23,500 --> 00:06:24,330  
Six days.

188  
00:06:24,375 --> 00:06:25,995  
Six days?

189  
00:06:26,041 --> 00:06:26,831  
No...

190  
00:06:26,875 --> 00:06:29,535  
No, no, I was supposed to, um...

191  
00:06:29,583 --> 00:06:30,543  
Amber--

192  
00:06:30,583 --> 00:06:33,043  
It's okay,  
I covered for you.

193  
00:06:33,083 --> 00:06:34,673  
Told her you got hit by a bus,

194  
00:06:34,708 --> 00:06:37,538  
which, from the looks of you,  
isn't far off.

195  
00:06:39,250 --> 00:06:40,880  
Black Samson?

196  
00:06:40,916 --> 00:06:43,166  
Monster Girl?

197  
00:06:43,208 --> 00:06:44,708  
Still unconscious.

198  
00:06:47,833 --> 00:06:50,003  
It's not your fault.

199

00:07:01,958 --> 00:07:03,578  
Darkblood crack yet?

200

00:07:03,625 --> 00:07:05,035  
You know him.

201

00:07:05,083 --> 00:07:07,333  
He barely talks  
when he wants to.

202

00:07:07,375 --> 00:07:08,375  
Let me take a swing.

203

00:07:08,416 --> 00:07:09,626  
I'll make him talk.

204

00:07:09,666 --> 00:07:10,916  
As fascinating  
as it would be

205

00:07:10,958 --> 00:07:13,788  
to watch an unstoppable force  
meet an immovable object,

206

00:07:13,833 --> 00:07:15,753  
I prefer to keep  
these kind of things in-house.

207

00:07:17,416 --> 00:07:18,706  
Did he do it?

208

00:07:18,750 --> 00:07:21,750  
Did he murder  
the Guardians?

209

00:07:21,791 --> 00:07:23,251  
We don't know.

210  
00:07:23,291 --> 00:07:26,791  
What's more interesting to me  
is why he would do it.

211  
00:07:26,833 --> 00:07:28,133  
He's a demon.

212  
00:07:28,166 --> 00:07:29,166  
There's your why.

213  
00:07:30,041 --> 00:07:33,251  
I thought I knew him,  
that's all.

214  
00:07:33,291 --> 00:07:34,211  
Mark never told you

215  
00:07:34,250 --> 00:07:35,330  
he was taking on  
Machine Head

216  
00:07:35,375 --> 00:07:36,325  
all by his lonesome?

217  
00:07:36,375 --> 00:07:37,705  
Yeah, he told me.

218  
00:07:37,750 --> 00:07:39,290  
Told me he wasn't  
gonna take the bait.

219  
00:07:39,333 --> 00:07:40,253  
[chuckles]

220  
00:07:40,291 --> 00:07:41,581

What's so funny  
about that?

221

00:07:41,625 --> 00:07:43,165  
You're the most powerful man  
on the planet,

222

00:07:43,208 --> 00:07:45,248  
but even your kid  
won't listen to you.

223

00:07:45,291 --> 00:07:46,961  
What, this doesn't  
happen on Viltrum?

224

00:07:47,000 --> 00:07:47,830  
No.

225

00:07:47,875 --> 00:07:48,915  
It doesn't.

226

00:07:48,958 --> 00:07:50,538  
[chuckles] Hmm.

227

00:07:50,583 --> 00:07:52,963  
Mark's a human teenager, Nolan.

228

00:07:53,000 --> 00:07:55,330  
It's what they do.

229

00:07:55,375 --> 00:07:57,415  
It's reassuring, really.

230

00:07:57,458 --> 00:07:59,748  
[Amber] You do look like  
you got run over.

231  
00:07:59,791 --> 00:08:01,421  
Yeah, that's me.

232  
00:08:01,458 --> 00:08:03,458  
The guy who doesn't know  
how traffic lights work.

233  
00:08:03,500 --> 00:08:05,250  
I still can't believe

234  
00:08:05,291 --> 00:08:07,251  
you wouldn't let me  
see you in the hospital.

235  
00:08:07,291 --> 00:08:09,751  
They had weird rules  
about visitors.

236  
00:08:09,791 --> 00:08:11,001  
Eve only knew I was there

237  
00:08:11,041 --> 00:08:14,921  
because, um, she heard  
from William.

238  
00:08:14,958 --> 00:08:15,918  
What?

239  
00:08:17,500 --> 00:08:19,330  
I'd basically already  
dumped you that night.

240  
00:08:19,375 --> 00:08:20,415  
I know...

241  
00:08:20,458 --> 00:08:22,038

and I've thought a lot  
about that

242

00:08:22,083 --> 00:08:23,923  
these last couple of days.

243

00:08:23,958 --> 00:08:26,288  
Remember when I first called you?

244

00:08:26,333 --> 00:08:27,633  
After you made Todd  
give me your number?

245

00:08:27,666 --> 00:08:28,626  
Yeah.

246

00:08:28,666 --> 00:08:30,036  
I was terrified,

247

00:08:30,083 --> 00:08:32,003  
and I could barely  
talk straight,

248

00:08:32,041 --> 00:08:34,671  
and I messed it all up,

249

00:08:34,708 --> 00:08:37,168  
but you let me  
start over.

250

00:08:37,208 --> 00:08:38,828  
And?

251

00:08:38,875 --> 00:08:41,165  
Can we do that again?

252

00:08:41,208 --> 00:08:42,168  
Start over?

253  
00:08:49,166 --> 00:08:51,626  
You're right.

254  
00:08:51,666 --> 00:08:52,626  
Yeah, I don't deserve...

255  
00:08:52,666 --> 00:08:53,666  
to start over.

256  
00:08:54,875 --> 00:08:56,665  
Hey, handsome Mark Grayson.

257  
00:08:56,708 --> 00:08:59,828  
I'm glad you've still got  
that pretty face of yours.

258  
00:08:59,875 --> 00:09:00,875  
[chuckles]

259  
00:09:00,916 --> 00:09:02,576  
Me too.

260  
00:09:02,625 --> 00:09:03,575  
So, uh...

261  
00:09:03,625 --> 00:09:05,915  
wanna hang out sometime?

262  
00:09:05,958 --> 00:09:07,748  
Sure.

263  
00:09:07,791 --> 00:09:09,921  
[♪]

264

00:09:11,708 --> 00:09:12,958  
[William] Both ways, Mark.

265

00:09:13,000 --> 00:09:15,920  
You need to look both ways  
before you cross the street.

266

00:09:15,958 --> 00:09:17,788  
Did you skip kindergarten  
the day they taught that?

267

00:09:17,833 --> 00:09:19,003  
[chuckles]  
Guess so.

268

00:09:19,041 --> 00:09:21,171  
Hey, we haven't hung out  
for a while. We should--

269

00:09:21,208 --> 00:09:24,168  
Because someone's  
the king of excuses.

270

00:09:24,208 --> 00:09:25,248  
"I've got to study."

271

00:09:25,291 --> 00:09:27,081  
"I need to help my dad  
with work."

272

00:09:27,125 --> 00:09:28,415  
"I'm infectious."

273

00:09:28,458 --> 00:09:29,328  
Blah, blah, blah.

274  
00:09:29,375 --> 00:09:30,285  
Okay.

275  
00:09:30,333 --> 00:09:31,583  
Well, there's no school  
on Friday.

276  
00:09:31,625 --> 00:09:32,575  
Let's catch a movie  
or something.

277  
00:09:32,625 --> 00:09:33,455  
Love to.

278  
00:09:33,500 --> 00:09:34,290  
Can't.

279  
00:09:34,333 --> 00:09:35,753  
Remember Rick?

280  
00:09:35,791 --> 00:09:38,331  
The guy you couldn't stop  
talking about last summer?

281  
00:09:38,375 --> 00:09:41,075  
You make it sound like  
I was obsessed or something.

282  
00:09:41,125 --> 00:09:42,075  
Anyway, he's at Upstate U.

283  
00:09:42,125 --> 00:09:43,575  
I'm going for a tour on Friday.

284  
00:09:43,625 --> 00:09:44,495  
Staying over.

285  
00:09:44,541 --> 00:09:46,001  
They have  
a very handsome

286  
00:09:46,041 --> 00:09:47,921  
pre-med program.

287  
00:09:47,958 --> 00:09:49,578  
Did I say handsome?  
I meant "world-class,"

288  
00:09:49,625 --> 00:09:51,205  
but also, handsome.

289  
00:09:53,791 --> 00:09:55,041  
Can I come?

290  
00:09:55,083 --> 00:09:56,173  
What?

291  
00:09:56,208 --> 00:09:57,038  
I want to come.

292  
00:09:57,083 --> 00:09:58,043  
Okay...

293  
00:09:58,083 --> 00:09:59,043  
And I want to bring Amber.

294  
00:09:59,083 --> 00:09:59,963  
Hold on--

295  
00:10:00,000 --> 00:10:01,250  
Please, William.

296  
00:10:01,291 --> 00:10:03,131  
I need this.

297  
00:10:09,166 --> 00:10:10,456  
[soft knock]

298  
00:10:10,500 --> 00:10:12,540  
Eve!

299  
00:10:12,583 --> 00:10:13,503  
Come in.

300  
00:10:15,208 --> 00:10:16,208  
Mark, I wanted--

301  
00:10:16,250 --> 00:10:17,250  
I never got to thank you

302  
00:10:17,291 --> 00:10:19,171  
for talking to Amber  
when I was hurt,

303  
00:10:19,208 --> 00:10:20,878  
so... [sighs]

304  
00:10:20,916 --> 00:10:22,876  
Thanks.

305  
00:10:22,916 --> 00:10:23,956  
Going somewhere?

306  
00:10:24,000 --> 00:10:25,750  
Oh, this guy  
William's crushing on

307

00:10:25,791 --> 00:10:27,081  
goes to Upstate U.

308

00:10:27,125 --> 00:10:28,535  
William's going  
for a tour,

309

00:10:28,583 --> 00:10:29,753  
and I convinced him

310

00:10:29,791 --> 00:10:31,421  
to let me and Amber  
tag along.

311

00:10:31,458 --> 00:10:32,288  
Oh.

312

00:10:32,333 --> 00:10:34,043  
Oh, shit.

313

00:10:34,083 --> 00:10:35,213  
I'm sorry.

314

00:10:35,250 --> 00:10:37,580  
Um, if you want to come,  
that's totally cool.

315

00:10:37,625 --> 00:10:39,415  
I'm just trying to start over  
with Amber, you know?

316

00:10:39,458 --> 00:10:41,288  
Show her I'm serious this time.

317

00:10:41,333 --> 00:10:42,293  
That's okay.

318

00:10:42,333 --> 00:10:43,713  
I'm skipping college anyway.

319

00:10:43,750 --> 00:10:45,290  
What? Why?

320

00:10:45,333 --> 00:10:47,633  
Your grades  
are way better than mine.

321

00:10:47,666 --> 00:10:49,456  
When I was at  
the community center with Amber,

322

00:10:49,500 --> 00:10:51,080  
something clicked for me.

323

00:10:51,125 --> 00:10:53,165  
I think I can help more people

324

00:10:53,208 --> 00:10:55,208  
by just... helping them,  
you know?

325

00:10:55,250 --> 00:10:58,420  
I don't have to wait  
for some alien invasion

326

00:10:58,458 --> 00:11:01,038  
or the Lizard League's  
next attack.

327

00:11:01,083 --> 00:11:02,673  
I can irrigate deserts,

328

00:11:02,708 --> 00:11:04,248

stop natural disasters,

329

00:11:04,291 --> 00:11:06,631  
bring food to the starving.

330

00:11:06,666 --> 00:11:08,666  
You know,  
make a real difference.

331

00:11:09,541 --> 00:11:10,671  
Yeah. I get it.

332

00:11:11,583 --> 00:11:12,673  
Huh.

333

00:11:12,708 --> 00:11:13,828  
I thought you'd try  
and talk me out of it.

334

00:11:13,875 --> 00:11:14,825  
Rex would have.

335

00:11:14,875 --> 00:11:16,535  
I really messed up downtown.

336

00:11:16,583 --> 00:11:18,923  
Black Samson and Monster Girl  
almost died

337

00:11:18,958 --> 00:11:21,038  
because of me.

338

00:11:21,083 --> 00:11:23,383  
So I get it.

339

00:11:23,416 --> 00:11:25,416

Maybe fighting off  
alien invasions

340

00:11:25,458 --> 00:11:27,788  
isn't in either of our futures.

341

00:11:27,833 --> 00:11:30,043  
Maybe we both need  
a fresh start.

342

00:11:30,083 --> 00:11:31,043  
[Debbie calls] Mark!

343

00:11:31,083 --> 00:11:33,333  
William and Amber  
are here.

344

00:11:33,375 --> 00:11:34,625  
Okay, Mom!

345

00:11:34,666 --> 00:11:35,786  
-[soft whoosh]  
-So where are you--

346

00:11:46,666 --> 00:11:48,206  
You okay?

347

00:11:48,250 --> 00:11:49,250  
Yeah. Fine.

348

00:11:49,291 --> 00:11:50,581  
Just sore.

349

00:11:50,625 --> 00:11:52,825  
[bangs roof]  
Come on, slowpoke!

350  
00:11:52,875 --> 00:11:54,035  
Let's hit the road!

351  
00:11:55,708 --> 00:11:57,128  
Okay, be careful.

352  
00:11:57,166 --> 00:11:58,916  
Don't have too much fun.

353  
00:11:58,958 --> 00:11:59,998  
No drinking.

354  
00:12:00,041 --> 00:12:01,251  
No drugs.

355  
00:12:01,291 --> 00:12:02,381  
And no sex!

356  
00:12:02,416 --> 00:12:04,456  
[William laughs, Mark groans]

357  
00:12:04,500 --> 00:12:05,960  
No sex. Got it.

358  
00:12:06,000 --> 00:12:07,540  
I'll take good care  
of them, Mrs. Grayson!

359  
00:12:07,583 --> 00:12:09,133  
[♪]

360  
00:12:09,166 --> 00:12:10,786  
[revs engine, tires squealing]

361  
00:12:10,833 --> 00:12:12,383

[horn honks, teens laugh]

362  
00:12:19,875 --> 00:12:22,075  
Tell me more  
about this Rick guy.

363  
00:12:22,125 --> 00:12:22,995  
Oh, man.

364  
00:12:23,041 --> 00:12:24,291  
I can't wait  
for you to meet him.

365  
00:12:24,333 --> 00:12:26,463  
He's like,  
first of all, tall.

366  
00:12:26,500 --> 00:12:27,630  
Amazing hair.

367  
00:12:27,666 --> 00:12:28,916  
Thick as a horse's mane.

368  
00:12:28,958 --> 00:12:29,828  
That's good?

369  
00:12:29,875 --> 00:12:31,575  
-Yes.  
-Yes.

370  
00:12:31,625 --> 00:12:33,745  
Rick's style?  
Incredible.

371  
00:12:33,791 --> 00:12:36,211  
A perfect combo  
of street and prep.

372

00:12:36,250 --> 00:12:38,130  
Did I mention his teeth?

373

00:12:38,166 --> 00:12:39,786  
Little white bricks of joy--

374

00:12:41,000 --> 00:12:42,000  
Going out?

375

00:12:42,041 --> 00:12:43,631  
Need to pick up  
some dry cleaning,

376

00:12:43,666 --> 00:12:44,826  
something for dinner.

377

00:12:44,875 --> 00:12:46,455  
I won't be long.

378

00:12:46,500 --> 00:12:47,380  
I'll come along--

379

00:12:47,416 --> 00:12:49,666  
You're on a deadline  
for the book.

380

00:12:49,708 --> 00:12:51,708  
Isn't that what you told me?  
Or was I mistaken?

381

00:12:51,750 --> 00:12:52,880  
No, that's right.

382

00:12:52,916 --> 00:12:54,786  
Then you've got work to do,

don't you?

383

00:13:01,958 --> 00:13:03,708  
[car engine starting]

384

00:13:13,416 --> 00:13:14,376  
[William] I mean,

385

00:13:14,416 --> 00:13:16,076  
can a person  
even have an eight-pack?

386

00:13:16,125 --> 00:13:17,325  
Anyhoo,

387

00:13:17,375 --> 00:13:19,955  
I don't wanna bore you guys  
any more about Rick.

388

00:13:20,000 --> 00:13:21,670  
-Ooh, except that he's--  
-We get it!

389

00:13:21,708 --> 00:13:22,538  
You're in love with the guy.

390

00:13:22,583 --> 00:13:23,383  
What? No.

391

00:13:23,416 --> 00:13:25,126  
I mean, Rick's amazing,

392

00:13:25,166 --> 00:13:26,626  
but love him?  
No.

393

00:13:26,666 --> 00:13:28,036  
Oh, my god,  
here he comes!

394  
00:13:28,083 --> 00:13:29,633  
William!

395  
00:13:29,666 --> 00:13:31,126  
Come here!

396  
00:13:32,125 --> 00:13:33,625  
What's up, Rick?

397  
00:13:33,666 --> 00:13:35,286  
These are my friends,

398  
00:13:35,333 --> 00:13:36,253  
Mark and Amber.

399  
00:13:36,291 --> 00:13:37,881  
We've heard  
so much about you.

400  
00:13:37,916 --> 00:13:38,876  
Hey.

401  
00:13:38,916 --> 00:13:40,286  
Nice to meet you guys.

402  
00:13:40,333 --> 00:13:41,503  
Let me grab your bags.

403  
00:13:41,541 --> 00:13:43,461  
I got my dorm room  
all set up for us.

404

00:13:43,500 --> 00:13:45,710  
[♪]

405  
00:13:47,750 --> 00:13:50,790  
[♪]

406  
00:13:50,833 --> 00:13:53,293  
It's gonna be  
a great weekend.

407  
00:13:55,000 --> 00:13:56,460  
I just don't understand

408  
00:13:56,500 --> 00:13:58,790  
why can't you do your new  
superhero helping job

409  
00:13:58,833 --> 00:13:59,633  
from here?

410  
00:13:59,666 --> 00:14:00,826  
You know why.

411  
00:14:00,875 --> 00:14:01,875  
[Dad, shouting angrily]  
Samantha...

412  
00:14:01,916 --> 00:14:03,206  
Samantha!

413  
00:14:03,250 --> 00:14:05,210  
-[banging on wall]  
-Samantha!

414  
00:14:06,125 --> 00:14:08,285  
The back door  
is still there.

415  
00:14:08,333 --> 00:14:09,503  
I need a fresh start.

416  
00:14:09,541 --> 00:14:11,671  
Somewhere new.  
Somewhere that's not here.

417  
00:14:11,708 --> 00:14:12,628  
What about school?

418  
00:14:12,666 --> 00:14:13,826  
Or-or college?

419  
00:14:13,875 --> 00:14:15,575  
I've got enough credits  
to graduate,

420  
00:14:15,625 --> 00:14:16,785  
and college can wait--

421  
00:14:16,833 --> 00:14:18,173  
Samantha!

422  
00:14:18,208 --> 00:14:19,878  
I'm not going to watch you  
ruin your life

423  
00:14:19,916 --> 00:14:22,666  
on some hippie-dippie  
find-yourself bullshit--

424  
00:14:22,708 --> 00:14:23,668  
Adam!

425  
00:14:23,708 --> 00:14:24,998

I mean it.

426

00:14:25,041 --> 00:14:26,541  
This is the opposite  
of what you should be doing

427

00:14:26,583 --> 00:14:27,543  
with your life.

428

00:14:27,583 --> 00:14:29,133  
And what would that be, Dad?

429

00:14:29,166 --> 00:14:30,416  
You want a fresh start?

430

00:14:30,458 --> 00:14:32,038  
Give up this superhero crap.

431

00:14:32,083 --> 00:14:35,333  
You can't save the world,  
Samantha.

432

00:14:35,375 --> 00:14:37,125  
It's gonna get you killed.

433

00:14:38,791 --> 00:14:41,381  
The worst day of my life  
was when you got powers.

434

00:14:42,541 --> 00:14:45,961  
Wow, that hurts much more  
than I thought it would.

435

00:14:46,000 --> 00:14:47,750  
I just want  
what's best for you.

436  
00:14:47,791 --> 00:14:49,331  
A normal life.

437  
00:14:49,375 --> 00:14:50,495  
A house.

438  
00:14:50,541 --> 00:14:51,381  
A husband.

439  
00:14:51,416 --> 00:14:52,376  
Kids...

440  
00:14:52,416 --> 00:14:54,626  
That's what's best for you, Dad.

441  
00:14:54,666 --> 00:14:55,956  
Not for me.

442  
00:14:58,083 --> 00:14:59,043  
Samantha!

443  
00:15:01,000 --> 00:15:04,290  
You get your feet  
back on the ground now!

444  
00:15:04,333 --> 00:15:05,423  
Bye, Mom.

445  
00:15:05,458 --> 00:15:07,168  
Bye, Dad.

446  
00:15:07,208 --> 00:15:09,038  
Samantha!

447  
00:15:10,791 --> 00:15:12,291

This place  
is pretty cool.

448

00:15:12,333 --> 00:15:14,883  
It's also one of the best  
med schools in the country.

449

00:15:14,916 --> 00:15:17,956  
That's why I arranged  
a little biology class sit-in

450

00:15:18,000 --> 00:15:19,130  
for you guys.

451

00:15:19,166 --> 00:15:20,996  
You're still thinking pre-med,  
right, William?

452

00:15:21,041 --> 00:15:22,631  
Yup.

453

00:15:22,666 --> 00:15:23,996  
[whispering]  
He remembered!

454

00:15:24,041 --> 00:15:25,041  
[chuckles]

455

00:15:28,250 --> 00:15:30,330  
[professor] It may look  
the same from the outside,

456

00:15:30,375 --> 00:15:32,495  
but the chance of heart failure  
doubles

457

00:15:32,541 --> 00:15:34,211

with each decade of life.

458

00:15:34,250 --> 00:15:36,330

What can we do about that?

459

00:15:36,375 --> 00:15:38,075

Eat better, sure.

460

00:15:38,125 --> 00:15:39,455

Exercise helps.

461

00:15:39,500 --> 00:15:40,750

Drugs, hmm.

462

00:15:40,791 --> 00:15:42,961

But fundamentally  
our parts wear out.

463

00:15:43,000 --> 00:15:45,000

Our focus is therefore

464

00:15:45,041 --> 00:15:46,831

on extending  
quality of life,

465

00:15:46,875 --> 00:15:49,495

even if we can't extend  
life itself--

466

00:15:49,541 --> 00:15:51,131

[DA Sinclair] Oh, please.

467

00:15:51,166 --> 00:15:52,826

Ah, Mr. Sinclair.

468

00:15:52,875 --> 00:15:54,915

Once again, it seems  
you have an opinion to share?

469

00:15:54,958 --> 00:15:57,828  
I have the truth to share.

470

00:15:57,875 --> 00:15:59,205  
Who's the dick?

471

00:15:59,250 --> 00:16:01,630  
[Rick] DA Sinclair.

472

00:16:01,666 --> 00:16:02,916  
He's here on a genius grant,

473

00:16:02,958 --> 00:16:04,628  
and makes sure  
everyone knows it.

474

00:16:04,666 --> 00:16:06,076  
When you want to travel quickly,

475

00:16:06,125 --> 00:16:07,205  
you don't run,

476

00:16:07,250 --> 00:16:08,540  
you get in a car.

477

00:16:08,583 --> 00:16:10,383  
When you need to fly  
to another country,

478

00:16:10,416 --> 00:16:12,206  
you don't flap your arms,

479

00:16:12,250 --> 00:16:13,540

you get on a plane.

480

00:16:13,583 --> 00:16:16,543  
We're all aware  
how travel works, Mr. Sinclair.

481

00:16:16,583 --> 00:16:17,543  
Your point?

482

00:16:17,583 --> 00:16:18,883  
All human failings

483

00:16:18,916 --> 00:16:21,036  
are simply  
engineering challenges

484

00:16:21,083 --> 00:16:22,793  
crying out to be solved.

485

00:16:22,833 --> 00:16:23,963  
We're machines,

486

00:16:24,000 --> 00:16:25,750  
and the sooner  
we recognize that,

487

00:16:25,791 --> 00:16:27,711  
the sooner we'll reach  
our true potential.

488

00:16:27,750 --> 00:16:29,000  
Dramatic much?

489

00:16:29,041 --> 00:16:30,251  
I'm sorry?

490

00:16:30,291 --> 00:16:32,001  
I'm not.  
You're being a jerk.

491  
00:16:35,541 --> 00:16:37,001  
What's your problem, Sinclair?

492  
00:16:37,041 --> 00:16:38,791  
My problem?

493  
00:16:38,833 --> 00:16:41,713  
My problem is  
this school of idiots.

494  
00:16:41,750 --> 00:16:43,170  
[clears throat]

495  
00:16:43,208 --> 00:16:44,378  
MIT courted me.

496  
00:16:44,416 --> 00:16:45,956  
Yale offered me a lab--

497  
00:16:46,000 --> 00:16:46,790  
You should take it.

498  
00:16:46,833 --> 00:16:47,963  
[muffled giggles]

499  
00:16:49,583 --> 00:16:50,543  
[exhales]

500  
00:16:50,583 --> 00:16:52,833  
You're impressive, Rick.

501  
00:16:52,875 --> 00:16:53,785

Muscular.

502

00:16:53,833 --> 00:16:54,633

Assertive.

503

00:16:54,666 --> 00:16:55,746

Classic alpha male.

504

00:16:55,791 --> 00:16:56,581

Hey!

505

00:16:56,625 --> 00:16:58,075

Don't say those...

506

00:16:58,125 --> 00:17:00,285

compliments to him.

507

00:17:00,333 --> 00:17:01,463

Mr. Sinclair...

508

00:17:01,500 --> 00:17:03,790

you can return  
when you're ready to learn.

509
