Congrats for not dying

167  
00:06:23,833 --> 00:06:26,833  
when a giant space cat  
gave you brain surgery.

168  
00:06:26,875 --> 00:06:28,205  
[rocket fires]

169  
00:06:29,583 --> 00:06:31,173  
[lights snap]

170  
00:06:31,208 --> 00:06:33,078  
-There she is!  
-It's so good to see you!

171  
00:06:33,125 --> 00:06:34,535  
[laughing]  
Haha, there's our girl!

172  
00:06:34,583 --> 00:06:36,673  
-Hey, hey!  
-Hey, Monster Girl!

173  
00:06:36,708 --> 00:06:37,628  
Welcome back!

174  
00:06:37,666 --> 00:06:38,786  
[party music plays]

175  
00:06:38,833 --> 00:06:40,793  
She returns victorious!

176  
00:06:40,833 --> 00:06:41,883  
Well, well, well,

177  
00:06:41,916 --> 00:06:42,916  
it's about time

178  
00:06:42,958 --> 00:06:45,038  
you dragged  
your lazy ass back here.

179  
00:06:45,083 --> 00:06:46,213  
I was getting pretty tired

180  
00:06:46,250 --> 00:06:48,790  
of hanging out with these dorks  
all by myself.

181  
00:06:48,833 --> 00:06:50,793  
We start partying now.

182  
00:06:50,833 --> 00:06:52,383  
It's 10:00 a.m.

183  
00:06:54,083 --> 00:06:55,833  
We're the Guardians  
of the Globe, baby.

184  
00:06:55,875 --> 00:06:57,375  
If we can die at any time,

185  
00:06:57,416 --> 00:06:59,706  
uh, we can drink  
at any time.

186  
00:06:59,750 --> 00:07:01,040  
I put your picture on the side!

187  
00:07:01,083 --> 00:07:01,883

Ha. Ha.

188

00:07:01,916 --> 00:07:02,706  
Cute.

189

00:07:02,750 --> 00:07:04,460  
But I'm lactose intolerant.

190

00:07:04,500 --> 00:07:05,460  
Whoa, hold on.

191

00:07:05,500 --> 00:07:06,920  
Do you know me at all?

192

00:07:06,958 --> 00:07:09,458  
I filled them with beer.

193

00:07:09,500 --> 00:07:11,130  
You're welcome.

194

00:07:12,250 --> 00:07:13,630  
Guess how long  
it took him to do that?

195

00:07:13,666 --> 00:07:15,496  
And how much milk  
he wasted.

196

00:07:15,541 --> 00:07:17,711  
I poured it all down the drain.

197

00:07:19,333 --> 00:07:21,043  
Why are you never  
this industrious

198

00:07:21,083 --> 00:07:22,213

when it involves training?

199

00:07:24,500 --> 00:07:25,460  
[chuckles]

200

00:07:25,500 --> 00:07:26,960  
How come I get  
my head beat in,

201

00:07:27,000 --> 00:07:28,130  
and it's a week  
in the hospital.

202

00:07:28,166 --> 00:07:29,206  
You get your head beat in,

203

00:07:29,250 --> 00:07:30,460  
and your powers come back?

204

00:07:30,500 --> 00:07:32,790  
I figure it's karma  
for putting up with this guy.

205

00:07:32,833 --> 00:07:33,633  
You're welcome.

206

00:07:33,666 --> 00:07:34,786  
[laughs]

207

00:07:34,833 --> 00:07:37,543  
I am delighted at  
your recovery, Monster Girl.

208

00:07:37,583 --> 00:07:39,213  
Very much.

209

00:07:39,250 --> 00:07:41,710  
I wouldn't be recovered  
if it wasn't for you.

210

00:07:41,750 --> 00:07:43,250  
You saved my life.

211

00:07:43,291 --> 00:07:44,131  
Of course.

212

00:07:44,166 --> 00:07:45,916  
I would never let you die.

213

00:07:45,958 --> 00:07:47,708  
Die. Die. Die.

214

00:07:47,750 --> 00:07:49,630  
[voice speeds up, glitching]  
Die. Die. Die. Die. Die.

215

00:07:49,666 --> 00:07:51,456  
[rapid, robotic]  
Die. Die. Die. Die--

216

00:07:51,500 --> 00:07:53,710  
[voice speeding  
into percussive buzz]

217

00:07:53,750 --> 00:07:55,130  
[footsteps retreating]

218

00:07:55,166 --> 00:07:56,876  
My apologies.

219

00:07:56,916 --> 00:07:58,126  
A small programming error.

220

00:07:58,166 --> 00:08:00,036  
Soon to be fixed permanently.

221

00:08:00,083 --> 00:08:01,463  
[laughing]  
Holy shit!

222

00:08:01,500 --> 00:08:02,670  
Well, that was creepy.

223

00:08:02,708 --> 00:08:03,748  
That was like

224

00:08:03,791 --> 00:08:05,381  
the creepiest thing  
I've seen you do since--

225

00:08:05,416 --> 00:08:06,666  
[gasps] Do you remember  
that time

226

00:08:06,708 --> 00:08:09,248  
I caught you operating  
on your own head?

227

00:08:09,291 --> 00:08:10,211  
I swear to god,

228

00:08:10,250 --> 00:08:11,710  
he had his head  
on the bench,

229

00:08:11,750 --> 00:08:13,210  
and he was just  
standing over it,

230

00:08:13,250 --> 00:08:16,710  
prying it open with  
a Phillips head screwdriver.

231  
00:08:16,750 --> 00:08:18,210  
Oh, my god.  
Can I get another...

232  
00:08:18,250 --> 00:08:20,210  
[radio interference  
squeals and crackles]

233  
00:08:31,250 --> 00:08:32,210  
You!

234  
00:08:32,250 --> 00:08:33,630  
Get out of the truck.

235  
00:08:36,708 --> 00:08:38,498  
[fires, glass cracks]

236  
00:08:42,708 --> 00:08:43,918  
[grunts]

237  
00:08:44,791 --> 00:08:46,291  
I said, get out of the--

238  
00:08:46,333 --> 00:08:47,923  
Huh?

239  
00:08:47,958 --> 00:08:48,958  
[hydraulics whirring]

240  
00:08:55,125 --> 00:08:56,125  
Step back,

241

00:08:56,166 --> 00:08:57,626  
please.

242  
00:09:01,583 --> 00:09:03,213  
[hydraulics whirr, metal clanks]

243  
00:09:03,250 --> 00:09:05,790  
[pipes detach, hissing]

244  
00:09:10,708 --> 00:09:11,708  
[Robot] Gentlemen.

245  
00:09:11,750 --> 00:09:13,040  
[groans in disgust]

246  
00:09:13,083 --> 00:09:15,213  
-What is that?  
-[gags] Ugh.

247  
00:09:15,250 --> 00:09:17,290  
[Robot] Come, now,

248  
00:09:17,333 --> 00:09:19,883  
I believe you can answer  
that question on your own.

249  
00:09:19,916 --> 00:09:22,206  
It's the real Robot.

250  
00:09:22,250 --> 00:09:23,420  
[metal pincers clap]

251  
00:09:23,458 --> 00:09:24,418  
Well done.

252  
00:09:24,458 --> 00:09:25,788

Perhaps you're the original, then?

253

00:09:27,000 --> 00:09:29,540  
We've been growing you  
a new body.

254

00:09:29,583 --> 00:09:31,673  
And now introductions  
are complete,

255

00:09:31,708 --> 00:09:32,708  
show me your work.

256

00:09:34,250 --> 00:09:36,960  
[metal legs clank and whirr]

257

00:09:43,125 --> 00:09:44,575  
[Robot] It's perfect.

258

00:09:44,625 --> 00:09:46,825  
We are professionals.

259

00:09:46,875 --> 00:09:47,825  
[Robot] Except for

260

00:09:47,875 --> 00:09:50,075  
the timed-release  
mycotoxin sacs,

261

00:09:50,125 --> 00:09:51,915  
the embedded cortical override,

262

00:09:51,958 --> 00:09:52,998  
and the seven--

263

00:09:53,041 --> 00:09:55,581

oh, sorry, eight,  
synaptic transceivers.

264

00:09:55,625 --> 00:09:57,125  
Maybe I'm old-fashioned,

265

00:09:57,166 --> 00:09:58,206  
but I prefer to be  
the only person

266

00:09:58,250 --> 00:09:59,500  
in control of my body.

267

00:10:01,125 --> 00:10:02,375  
Please.

268

00:10:02,416 --> 00:10:04,246  
I would have been disappointed  
if you hadn't tried.

269

00:10:04,291 --> 00:10:05,631  
Remove all of that,

270

00:10:05,666 --> 00:10:08,036  
add in this small upgrade  
of my own design,

271

00:10:08,083 --> 00:10:10,003  
and we can discuss your payment.

272

00:10:10,041 --> 00:10:13,421  
Let's discuss our payment  
and we'll do all of that.

273

00:10:14,416 --> 00:10:17,076  
A Global Defense Agency  
control collar

274

00:10:17,125 --> 00:10:18,625  
placates the strongest of wills.

275

00:10:18,666 --> 00:10:20,746  
A highly-restricted technology.

276

00:10:22,375 --> 00:10:23,995  
It's encrypted.

277

00:10:24,041 --> 00:10:26,251  
Besides, a little trust  
goes a long way.

278

00:10:26,291 --> 00:10:28,171  
Actions go further.

279

00:10:28,208 --> 00:10:30,918  
[cutters whine, circuits snap]

280

00:10:30,958 --> 00:10:31,878  
[crumbling]

281

00:10:36,083 --> 00:10:37,253  
[Robot] There.

282

00:10:37,291 --> 00:10:39,581  
I am alone and helpless.

283

00:10:39,625 --> 00:10:40,995  
Sheesh.

284

00:10:41,041 --> 00:10:42,381  
Alone, yes.

285

00:10:42,416 --> 00:10:44,326  
Helpless, I doubt it.

286  
00:10:44,375 --> 00:10:46,075  
Do what he wants.

287  
00:10:48,916 --> 00:10:50,536  
[Robot]  
It needs to be placed on the--

288  
00:10:50,583 --> 00:10:51,963  
Upper brainstem.

289  
00:10:52,000 --> 00:10:54,130  
I recognize a neural-link  
when I see one.

290  
00:10:55,500 --> 00:10:57,250  
[William]  
Yesterday was messed up.

291  
00:10:57,291 --> 00:11:00,581  
I mean, is Rick  
ever gonna be okay?

292  
00:11:00,625 --> 00:11:01,745  
God...

293  
00:11:01,791 --> 00:11:04,131  
What that Sinclair guy  
was doing to people...

294  
00:11:05,375 --> 00:11:07,125  
Cecil's team  
knows what they're doing.

295  
00:11:07,166 --> 00:11:09,416

They'll help Rick.

296  
00:11:09,458 --> 00:11:10,748  
I gotta say it--

297  
00:11:10,791 --> 00:11:13,381  
If you had helped me find him  
right away,

298  
00:11:13,416 --> 00:11:15,126  
none of this  
would have ever happened.

299  
00:11:15,166 --> 00:11:16,126  
I know.

300  
00:11:16,166 --> 00:11:17,536  
I'm sorry.

301  
00:11:17,583 --> 00:11:18,633  
I suck.

302  
00:11:18,666 --> 00:11:20,246  
It figures,

303  
00:11:20,291 --> 00:11:21,541  
I finally fall for someone,

304  
00:11:21,583 --> 00:11:22,963  
and then... boom.

305  
00:11:23,000 --> 00:11:24,710  
Cyborg.

306  
00:11:24,750 --> 00:11:26,580  
So this is why

I've hardly seen you

307

00:11:26,625 --> 00:11:27,995  
the last six months.

308

00:11:28,041 --> 00:11:29,751  
Because you're a superhero.

309

00:11:29,791 --> 00:11:30,581  
Not anymore.

310

00:11:30,625 --> 00:11:31,785  
What? Why?

311

00:11:31,833 --> 00:11:34,963  
Because I'm a terrible friend  
and a worse boyfriend.

312

00:11:35,000 --> 00:11:37,500  
Because I'm gonna fail  
my last year of high school.

313

00:11:37,541 --> 00:11:40,001  
Because I got everything  
I ever wanted,

314

00:11:40,041 --> 00:11:41,501  
and I messed it all up.

315

00:11:41,541 --> 00:11:42,961  
I should've listened to my dad.

316

00:11:43,000 --> 00:11:44,290  
Your dad?

317

00:11:44,333 --> 00:11:46,633

Omni-Man.

318

00:11:46,666 --> 00:11:47,826  
Oh.

319

00:11:47,875 --> 00:11:49,035  
Of course.

320

00:11:49,916 --> 00:11:52,036  
Your dad's Omni-Man.

321

00:11:52,083 --> 00:11:54,423  
How did I never see that?

322

00:11:54,458 --> 00:11:55,788  
I am such a screw-up.

323

00:11:55,833 --> 00:11:56,753  
[William] Okay, stop.

324

00:11:56,791 --> 00:11:58,921  
Enough with the sulking,  
you big baby.

325

00:11:58,958 --> 00:11:59,828  
What?

326

00:11:59,875 --> 00:12:01,165  
You can fly.

327

00:12:01,208 --> 00:12:02,418  
You're invulnerable.

328

00:12:02,458 --> 00:12:04,998  
Your dad's the greatest  
superhero on Earth,

329

00:12:05,041 --> 00:12:06,671  
and your mom loves  
and cares about you.

330

00:12:06,708 --> 00:12:09,328  
You just need to study,  
and you can pull up your grades.

331

00:12:09,375 --> 00:12:11,125  
But you were  
a terrible boyfriend to Amber,

332

00:12:11,166 --> 00:12:12,326  
and you got what you deserved.

333

00:12:12,375 --> 00:12:14,665  
Sorry, not sorry.

334

00:12:15,666 --> 00:12:18,326  
If I can deal with almost losing  
the hottest guy I've ever had,

335

00:12:18,375 --> 00:12:19,745  
you can deal with this.

336

00:12:19,791 --> 00:12:20,751  
What?

337

00:12:20,791 --> 00:12:21,791  
Friends tell friends the truth.

338

00:12:21,833 --> 00:12:22,753  
Not like that, they don't!

339

00:12:22,791 --> 00:12:24,291

I just got dumped, dude!

340

00:12:24,333 --> 00:12:27,333  
You got dumped weeks ago,  
you just didn't realize it.

341

00:12:27,375 --> 00:12:28,785  
You're like a bad guy  
in a samurai movie

342

00:12:28,833 --> 00:12:29,833  
who gets cut in half,

343

00:12:29,875 --> 00:12:30,785  
but thinks they're fine

344

00:12:30,833 --> 00:12:32,633  
until they're like, "Oh, my god,

345

00:12:32,666 --> 00:12:35,126  
my top half's sliding away  
from my bottom half."

346

00:12:35,166 --> 00:12:37,246  
[mock groaning]

347

00:12:38,208 --> 00:12:39,418  
I love you, man,

348

00:12:39,458 --> 00:12:41,248  
but I need someone else  
to talk to.

349

00:12:50,708 --> 00:12:52,328  
[indistinct chatter]

350

00:12:53,625 --> 00:12:55,415  
Debbie?

351  
00:12:55,458 --> 00:12:56,578  
Good.  
We need to talk about--

352  
00:12:56,625 --> 00:12:58,575  
Nolan killed  
the Guardians of the Globe.

353  
00:12:58,625 --> 00:12:59,705  
I know.

354  
00:12:59,750 --> 00:13:00,630  
[slap]

355  
00:13:00,666 --> 00:13:02,496  
How could you know  
and not tell me?

356  
00:13:02,541 --> 00:13:05,041  
I couldn't risk Nolan  
finding out we knew.

357  
00:13:05,083 --> 00:13:06,043  
Not until we figured out

358  
00:13:06,083 --> 00:13:07,883  
what he was doing  
and how to stop him.

359  
00:13:07,916 --> 00:13:10,456  
We failed on both those counts,  
by the way.

360  
00:13:10,500 --> 00:13:12,330

What do you mean, stop him?

361

00:13:12,375 --> 00:13:14,745  
Do you mean kill him?

362

00:13:14,791 --> 00:13:16,041  
Cecil--

363

00:13:16,083 --> 00:13:17,583  
[Cecil] I'm not sure  
we could kill him.

364

00:13:17,625 --> 00:13:19,495  
Not us, anyway.

365

00:13:19,541 --> 00:13:20,501  
[sighs heavily]

366

00:13:20,541 --> 00:13:22,001  
There's only one person I know

367

00:13:22,041 --> 00:13:24,041  
who might be able to go  
toe-to-toe with Omni-Man

368

00:13:24,083 --> 00:13:25,833  
and come out on top, Debbie.

369

00:13:27,916 --> 00:13:29,166  
No.

370

00:13:29,208 --> 00:13:30,878  
No. Never.

371

00:13:30,916 --> 00:13:31,746  
You can't.

372  
00:13:31,791 --> 00:13:32,751  
Where's Mark, Debbie?

373  
00:13:32,791 --> 00:13:33,751  
Where's--

374  
00:13:38,916 --> 00:13:40,166  
[exhales sadly]

375  
00:13:40,208 --> 00:13:41,828  
Mark...

376  
00:13:41,875 --> 00:13:44,705  
I killed  
the Guardians of the Globe.

377  
00:13:44,750 --> 00:13:48,250  
Wait, before you say anything,  
just listen.

378  
00:13:48,291 --> 00:13:50,331  
Please.

379  
00:13:50,375 --> 00:13:51,665  
I'm not a monster.

380  
00:13:51,708 --> 00:13:52,708  
I didn't want to do it...

381  
00:13:53,708 --> 00:13:56,078  
but it had to be done.

382  
00:13:56,125 --> 00:13:59,285  
It was my responsibility.

383  
00:13:59,333 --> 00:14:01,713  
Other people  
won't understand that,

384  
00:14:01,750 --> 00:14:04,000  
but I know you can.

385  
00:14:04,041 --> 00:14:08,041  
What I'm about to tell you  
will change everything.

386  
00:14:08,083 --> 00:14:10,213  
Just remember, you're my son,

387  
00:14:10,250 --> 00:14:13,130  
and I love you and your mother  
more than...

388  
00:14:17,750 --> 00:14:19,460  
[sighs]  
What am I doing?

389  
00:14:26,791 --> 00:14:28,501  
[drill whirring]

390  
00:14:35,291 --> 00:14:36,751  
Ugh. Disgusting.

391  
00:14:36,791 --> 00:14:39,131  
I didn't design it  
to be drained,

392  
00:14:39,166 --> 00:14:40,326  
or ever opened.

393  
00:14:40,375 --> 00:14:41,825

What changed?

394  
00:14:42,916 --> 00:14:44,376  
I met someone.

395  
00:14:44,416 --> 00:14:45,416  
Make room, please.

396  
00:14:46,333 --> 00:14:47,253  
[hatch blows]

397  
00:14:49,083 --> 00:14:50,213  
[mechanisms whirr]

398  
00:14:52,958 --> 00:14:54,788  
[retracts wetly]  
[gasps, wincing]

399  
00:14:54,833 --> 00:14:56,293  
[voice weakened]  
Hurry, please.

400  
00:14:56,333 --> 00:14:58,043  
Air is toxic to me.

401  
00:14:58,083 --> 00:15:00,003  
It burns my-- my lungs.

402  
00:15:02,291 --> 00:15:05,421  
[breath wheezing]

403  
00:15:06,541 --> 00:15:07,631  
[gags] Yuck...

404  
00:15:07,666 --> 00:15:09,076  
Don't make a face.

405

00:15:09,125 --> 00:15:11,165  
You lost the coin toss.

406

00:15:13,583 --> 00:15:14,963  
[wheezing]

407

00:15:16,125 --> 00:15:17,825  
This will be painful.

408

00:15:17,875 --> 00:15:20,665  
[Robot chuckles ruefully]

409

00:15:20,708 --> 00:15:24,328  
My entire life  
has been painful.

410

00:15:26,375 --> 00:15:27,575  
[device whirring]

411

00:15:29,750 --> 00:15:31,500  
You realize

412

00:15:31,541 --> 00:15:34,961  
this procedure doesn't  
transfer you to the new body.

413

00:15:35,000 --> 00:15:37,920  
It creates a copy of your mind.

414

00:15:37,958 --> 00:15:39,828  
For you, nothing will change.

415

00:15:39,875 --> 00:15:42,455  
For him, everything will.

416  
00:15:42,500 --> 00:15:44,380  
I... understand.

417  
00:15:50,833 --> 00:15:52,713  
Three, two...

418  
00:15:55,416 --> 00:15:56,666  
[power surging]

419  
00:16:07,166 --> 00:16:09,126  
[coughing and choking]

420  
00:16:11,250 --> 00:16:12,630  
[circuits crackle]

421  
00:16:15,750 --> 00:16:18,330  
Of course, his brain's abnormal.

422  
00:16:18,375 --> 00:16:19,875  
You didn't think of that?

423  
00:16:19,916 --> 00:16:20,746  
Look at him!

424  
00:16:20,791 --> 00:16:22,001  
Shut up, will you?

425  
00:16:22,041 --> 00:16:24,331  
His motor cortex  
is the size of a pea.

426  
00:16:24,375 --> 00:16:26,995  
Same for his occipital  
and parietal lobes.

427

00:16:27,041 --> 00:16:30,751  
They've all been eaten alive  
by his oversized cerebrum.

428

00:16:30,791 --> 00:16:32,581  
[gasping weakly]

429

00:16:35,166 --> 00:16:38,126  
The system wasn't designed  
for neurons this dense.

430

00:16:38,166 --> 00:16:39,496  
Are you calling us stupid?

431

00:16:39,541 --> 00:16:40,581  
Yes.

432

00:16:40,625 --> 00:16:41,915  
I'm calling us stupid.

433

00:16:48,000 --> 00:16:49,210  
Compensating now,

434

00:16:49,250 --> 00:16:50,790  
but it's gonna be close.

435

00:16:50,833 --> 00:16:52,633  
[gasping]

436

00:16:56,916 --> 00:16:59,126  
[groaning]

437

00:17:09,666 --> 00:17:12,126  
[both groaning]

438

00:17:13,708 --> 00:17:15,378

[power surging and crackling]

439

00:17:18,916 --> 00:17:20,206  
Idiot!

440

00:17:20,250 --> 00:17:22,460  
You just lost us  
our control collars.

441

00:17:22,500 --> 00:17:26,130  
Just get the fire extinguisher  
before we lose everything else.

442

00:17:40,500 --> 00:17:42,330  
[screaming in agony]

443

00:17:42,375 --> 00:17:44,705  
[groans]

444

00:17:57,583 --> 00:17:58,423  
[grunts]

445

00:18:00,916 --> 00:18:01,826  
[groans]

446

00:18:06,291 --> 00:18:08,081  
Which...

447

00:18:08,125 --> 00:18:09,955  
Which am I?

448

00:18:12,125 --> 00:18:13,205  
See?

449

00:18:13,250 --> 00:18:14,960  
It's not just us.

450

00:18:15,000 --> 00:18:16,670  
You won the coin toss, champ.

451

00:18:16,708 --> 00:18:18,078  
You're the new one.

452

00:18:18,916 --> 00:18:19,956  
I...

453

00:18:20,000 --> 00:18:22,000  
wasn't expecting this.

454

00:18:22,041 --> 00:18:24,831  
This feeling of continuance.

455

00:18:24,875 --> 00:18:26,245  
I closed my eyes...

456

00:18:26,291 --> 00:18:28,211  
and opened new ones.

457

00:18:28,250 --> 00:18:30,000  
I didn't know which one I'd be.

458

00:18:30,041 --> 00:18:31,671  
That's how it works.

459

00:18:31,708 --> 00:18:33,458  
We had to make it seamless,

460

00:18:33,500 --> 00:18:36,000  
otherwise one of us knows  
he's the clone,

461

00:18:36,041 --> 00:18:38,171  
and that never ends well.

462  
00:18:38,208 --> 00:18:42,498  
In your case,  
it's a little more obvious,

463  
00:18:42,541 --> 00:18:44,751  
but it looks like that problem  
took care of itself.

464  
00:18:46,958 --> 00:18:48,578  
[coughing]

465  
00:18:48,625 --> 00:18:50,995  
Oh, shit, here we go.

466  
00:18:56,208 --> 00:18:58,248  
I'm sorry it wasn't you.

467  
00:18:58,291 --> 00:18:59,541  
D-Don't be.

468  
00:18:59,583 --> 00:19:02,133  
Be... happy.

469  
00:19:02,166 --> 00:19:03,956  
Change the... [wheezing]

470  
00:19:04,000 --> 00:19:05,580  
...world.

471  
00:19:05,625 --> 00:19:08,325  
Experience everything...

472  
00:19:08,375 --> 00:19:10,245

we never could.

473

00:19:10,291 --> 00:19:12,791  
[wheezing]

474

00:19:12,833 --> 00:19:15,083  
What are you...

475

00:19:15,125 --> 00:19:16,455  
w-waiting for?

476

00:19:16,500 --> 00:19:20,670  
This was always the plan.

477

00:19:20,708 --> 00:19:22,418  
[gasping]

478

00:19:22,458 --> 00:19:24,168  
I can put you back in the pod.

479

00:19:24,208 --> 00:19:25,828  
We can both survive.

480

00:19:25,875 --> 00:19:27,745  
Change the world together.

481

00:19:27,791 --> 00:19:30,581  
[wheezing]

482

00:19:30,625 --> 00:19:32,495  
This is...

483

00:19:32,541 --> 00:19:35,751  
what I want.

484

00:19:35,791 --> 00:19:37,171  
Please.

485  
00:19:43,166 --> 00:19:45,826  
[gasps a ragged final breath]

486  
00:19:53,166 --> 00:19:55,706  
It was an act of mercy.

487  
00:19:55,750 --> 00:19:57,000  
We know.

488  
00:19:57,041 --> 00:19:59,331  
We do it all the time.

489  
00:19:59,375 --> 00:20:01,285  
Now... [clears throat]

490  
00:20:01,333 --> 00:20:03,713  
our schematics.

491  
00:20:12,458 --> 00:20:13,878  
The cryptographic key

492  
00:20:13,916 --> 00:20:17,456  
is the entire text  
of Frankenstein.

493  
00:20:17,500 --> 00:20:20,790  
Look who has  
a sense of humor after all.

494  
00:20:20,833 --> 00:20:23,213  
And now that our deal  
is complete,

495

00:20:23,250 --> 00:20:26,040  
it's time you both  
returned to prison.

496  
00:20:27,666 --> 00:20:30,536  
[laughing]

497  
00:20:31,958 --> 00:20:33,788  
He's serious.

498  
00:20:33,833 --> 00:20:36,793  
Yeah, he's also a teenage boy.

499  
00:20:36,833 --> 00:20:41,543  
No, I'm a 30-year old genius  
in a teenage boy's body,

500  
00:20:41,583 --> 00:20:44,713  
with a neural-link chip  
you just installed for me.

501  
00:20:58,625 --> 00:20:59,495  
[chuckles]

502  
00:20:59,541 --> 00:21:01,041  
That was your plan?

503  
00:21:01,083 --> 00:21:05,383  
My plan was not to hurt you,

504  
00:21:05,416 --> 00:21:06,826  
but here we are.

505  
00:21:09,416 --> 00:21:10,626  
[slam]

506

00:21:11,750 --> 00:21:12,960  
[slam]

507

00:21:14,333 --> 00:21:16,003  
[hydraulics whirr]

508

00:21:16,916 --> 00:21:18,206  
[slam]

509

00:21:19,208 --> 00:21:20,958  
[footsteps rumbling]

One that can wait

682

00:28:03,375 --> 00:28:05,955  
until whatever crisis this is  
has been resolved--

683

00:28:06,000 --> 00:28:07,880  
No, no, no,  
forget the crisis.

684

00:28:07,916 --> 00:28:10,576  
You can explain now.

685

00:28:10,625 --> 00:28:11,745  
[GDA Agent] I've got 'em!

686

00:28:11,791 --> 00:28:13,461  
Invincible and Atom Eve.

687

00:28:13,500 --> 00:28:14,920  
Approximately 300 miles away,

688

00:28:14,958 --> 00:28:16,878  
traveling north-west  
over Rideout National Forest.

689

00:28:16,916 --> 00:28:17,876  
Sir,

690

00:28:17,916 --> 00:28:19,416  
Omni-Man's closing in  
on their location.

691

00:28:19,458 --> 00:28:21,668  
Estimated time to intercept--  
six minutes.

692  
00:28:21,708 --> 00:28:23,038  
Shit.

693  
00:28:23,083 --> 00:28:25,043  
Can't you use your teleporter?

694  
00:28:25,083 --> 00:28:26,333  
To bring Mark and Eve  
back here?

695  
00:28:26,375 --> 00:28:27,825  
You need to be wearing  
one of these,

696  
00:28:27,875 --> 00:28:29,995  
and it can't do us  
all at once.

697  
00:28:30,041 --> 00:28:32,041  
We need to buy some time first.

698  
00:28:32,083 --> 00:28:34,253  
Let's bring the hammer down.

699  
00:28:35,375 --> 00:28:37,705  
[Eve groans]  
That sucks.

700  
00:28:37,750 --> 00:28:39,420  
I'm sorry you got dumped.

701  
00:28:39,458 --> 00:28:40,918  
I thought  
once I told her the truth,

702  
00:28:40,958 --> 00:28:42,418

we'd be good.  
[sighs]

703  
00:28:42,458 --> 00:28:43,958  
Stupid.

704  
00:28:44,000 --> 00:28:45,960  
A little naive, maybe.

705  
00:28:46,000 --> 00:28:47,040  
Hey, you're the one  
who told me

706  
00:28:47,083 --> 00:28:48,333  
not to tell Amber  
I was Invincible.

707  
00:28:48,375 --> 00:28:50,125  
Yeah, but I didn't tell you

708  
00:28:50,166 --> 00:28:51,786  
to string her along  
for five months

709  
00:28:51,833 --> 00:28:53,543  
while being an asshole about it.

710  
00:28:53,583 --> 00:28:55,253  
I thought you'd figure  
that part out yourself.

711  
00:28:55,291 --> 00:28:56,881  
Oh, my god.

712  
00:28:56,916 --> 00:28:58,416  
I haven't figured out anything.

713  
00:28:58,458 --> 00:29:00,958  
I don't know who I am,  
who I'm supposed to be...

714  
00:29:01,000 --> 00:29:03,250  
Yeah, took me a while, too.

715  
00:29:03,291 --> 00:29:07,331  
I was with Teen Team  
for three years,

716  
00:29:07,375 --> 00:29:10,535  
and with Rex  
for much longer than that.

717  
00:29:10,583 --> 00:29:12,083  
And now you're... this.

718  
00:29:12,125 --> 00:29:13,955  
Uh, I'm still Atom Eve,

719  
00:29:14,000 --> 00:29:16,170  
and I've saved more lives  
in the last three days

720  
00:29:16,208 --> 00:29:18,038  
than I did  
in the last three years.

721  
00:29:18,083 --> 00:29:19,673  
[groans] Sorry.

722  
00:29:19,708 --> 00:29:20,828  
I didn't mean it like that.

723  
00:29:20,875 --> 00:29:22,075

Um, and trust me,

724

00:29:22,125 --> 00:29:25,495  
being out here is an upgrade  
to living with my parents.

725

00:29:25,541 --> 00:29:29,251  
I should call my mom, though.

726

00:29:34,041 --> 00:29:36,001  
You wouldn't dare.

727

00:29:38,041 --> 00:29:39,041  
[thundering explosion]

728

00:30:02,333 --> 00:30:03,793  
[man] Okay, we've got him.

729

00:30:03,833 --> 00:30:05,083  
He's down.

730

00:30:07,000 --> 00:30:08,460  
[distant cawing]

731

00:30:09,958 --> 00:30:12,498  
[thudding of bodies]

732

00:30:21,250 --> 00:30:22,500  
Hit him again.

733

00:30:22,541 --> 00:30:24,081  
[energy charging]

734

00:30:33,666 --> 00:30:34,666  
[roars]

735

00:30:52,375 --> 00:30:53,575  
400 billion dollars

736

00:30:53,625 --> 00:30:56,165  
for the world's  
most expensive nosebleed.

737

00:31:00,708 --> 00:31:01,918  
Omni-Man is back on course

738

00:31:01,958 --> 00:31:03,578  
to intercept Invincible  
and Atom Eve.

739

00:31:03,625 --> 00:31:04,535  
[sighs heavily]

740

00:31:04,583 --> 00:31:06,003  
Power up the teleporter.

741

00:31:06,041 --> 00:31:07,581  
You said we couldn't  
teleport them yet.

742

00:31:08,750 --> 00:31:10,210  
It's not for them.

743

00:31:12,625 --> 00:31:14,455  
Then I received Cecil's alert,

744

00:31:14,500 --> 00:31:16,750  
and left for here  
as quickly as I could.

745

00:31:16,791 --> 00:31:17,581  
Any questions?

746

00:31:17,625 --> 00:31:19,955  
Uh, yeah, a few!

747

00:31:20,000 --> 00:31:21,580  
First, why me?

748

00:31:21,625 --> 00:31:22,785  
I mean, sure,

749

00:31:22,833 --> 00:31:26,253  
I get that anyone  
would want to be me,

750

00:31:26,291 --> 00:31:28,331  
but why specifically me?

751

00:31:28,375 --> 00:31:29,575  
And second,

752

00:31:29,625 --> 00:31:31,785  
why a kid version of me?

753

00:31:31,833 --> 00:31:32,923  
That's just weird.

754

00:31:32,958 --> 00:31:34,668  
Exactly.  
It's messed up.

755

00:31:34,708 --> 00:31:36,168  
You didn't even ask first.

756

00:31:36,208 --> 00:31:38,748  
[Rex] That's what you think  
is wrong with this?

757

00:31:38,791 --> 00:31:40,421  
There is so much  
wrong with this.

758

00:31:40,458 --> 00:31:42,078  
He did it for me.

759

00:31:42,125 --> 00:31:43,125  
What?

760

00:31:43,166 --> 00:31:44,826  
What are you even  
talking about?

761

00:31:44,875 --> 00:31:47,035  
We were both prisoners  
in our own bodies.

762

00:31:47,083 --> 00:31:49,543  
Monster Girl slowly  
getting younger,

763

00:31:49,583 --> 00:31:51,503  
and me trapped  
in a mechanical tomb

764

00:31:51,541 --> 00:31:52,671  
of my own creation.

765

00:31:52,708 --> 00:31:54,418  
I escaped my prison.

766

00:31:54,458 --> 00:31:55,828  
Now I'll help you  
escape yours.

767

00:31:55,875 --> 00:31:56,665  
No!

768

00:31:56,708 --> 00:31:58,168  
Don't give him any sympathy!

769

00:31:58,208 --> 00:32:01,248  
He still hasn't told me  
why he stole my kid face!

770

00:32:01,291 --> 00:32:02,881  
You're ruining my childhood,

771

00:32:02,916 --> 00:32:06,076  
and that's hard  
because it already sucked.

772

00:32:06,125 --> 00:32:08,245  
I adapted your DNA

773

00:32:08,291 --> 00:32:10,881  
because I noticed  
Monster Girl found you...

774

00:32:10,916 --> 00:32:11,996  
interesting.

775

00:32:12,041 --> 00:32:13,211  
What?

776

00:32:13,250 --> 00:32:14,790  
Wait, what?

777

00:32:14,833 --> 00:32:15,923  
Oh, my God--

778

00:32:15,958 --> 00:32:17,828  
I don't even know  
how to feel about that!

779

00:32:17,875 --> 00:32:19,415  
Goddamit, Robot!

780

00:32:19,458 --> 00:32:21,328  
Will you please  
stop fucking me up?

781

00:32:21,375 --> 00:32:22,575  
[Monster Girl]  
So, you lied to us

782

00:32:22,625 --> 00:32:23,625  
about who you really were,

783

00:32:23,666 --> 00:32:25,036  
freed the Maulers from prison,

784

00:32:25,083 --> 00:32:26,503  
stole Rex's DNA,

785

00:32:26,541 --> 00:32:28,961  
conspired with criminals  
to grow yourself a new body,

786

00:32:29,000 --> 00:32:31,670  
and you expect us all to be  
like, "Oh sure, who wouldn't?"

787

00:32:31,708 --> 00:32:33,038  
I-- Yes.

788

00:32:33,083 --> 00:32:35,173

I mean, I... did.

789

00:32:35,208 --> 00:32:36,078  
[sighs]

790

00:32:36,125 --> 00:32:37,915  
I need time to process this.

791

00:32:37,958 --> 00:32:38,998  
I bet everyone else does, too.

792

00:32:39,041 --> 00:32:40,131  
Ya think?

793

00:32:40,166 --> 00:32:41,326  
Hey!

794

00:32:41,375 --> 00:32:43,995  
I know why Cecil's  
holding us at high alert.

795

00:32:55,625 --> 00:32:57,785  
What the fuck is going on today?

796

00:32:59,000 --> 00:33:00,290  
[explosions booming]

797

00:33:00,333 --> 00:33:01,333  
[gasps]

798

00:33:02,291 --> 00:33:04,171  
What is that?

799

00:33:06,375 --> 00:33:08,125  
Huh, I'll tell you  
what that is,

800

00:33:08,166 --> 00:33:09,576  
not our problem anymore.

801

00:33:09,625 --> 00:33:10,705  
We should check in with Cecil.

802

00:33:10,750 --> 00:33:11,630  
Forget it.

803

00:33:11,666 --> 00:33:12,916  
I'm done with all that.

804

00:33:12,958 --> 00:33:13,918  
So are you.

805

00:33:13,958 --> 00:33:15,668  
That's not why I came out here.

806

00:33:15,708 --> 00:33:17,328  
You came out here  
to get away from Rex

807

00:33:17,375 --> 00:33:19,575  
and all that superhero bullshit.

808

00:33:19,625 --> 00:33:21,915  
Rex had nothing  
to do with this.

809

00:33:21,958 --> 00:33:25,078  
I came out here because  
I needed to start over,

810

00:33:25,125 --> 00:33:26,995  
but that doesn't mean

ignoring the world

811

00:33:27,041 --> 00:33:28,501  
when it needs me.

812

00:33:28,541 --> 00:33:30,331  
The world was fine  
before I came along.

813

00:33:30,375 --> 00:33:32,125  
It'll be fine  
without my help.

814

00:33:32,166 --> 00:33:33,326  
Better, probably.

815

00:33:33,375 --> 00:33:35,535  
I get that  
you're feeling shitty

816

00:33:35,583 --> 00:33:36,793  
because Amber dumped you,

817

00:33:36,833 --> 00:33:37,923  
but trust me,

818

00:33:37,958 --> 00:33:39,168  
you'll feel worse

819

00:33:39,208 --> 00:33:42,668  
if you sit here and do nothing  
when you could save lives.

820

00:33:44,666 --> 00:33:45,826  
I doubt it.

821

00:33:45,875 --> 00:33:46,745  
Fine,

822  
00:33:46,791 --> 00:33:47,921  
but I'm going.

823  
00:33:51,291 --> 00:33:53,081  
[sonic boom rumbles]

824  
00:33:55,375 --> 00:33:56,665  
[grunts]

825  
00:34:02,833 --> 00:34:04,383  
You thought that could hurt me?

826  
00:34:04,416 --> 00:34:06,036  
No.

827  
00:34:06,083 --> 00:34:07,543  
That was just  
to get your attention.

828  
00:34:07,583 --> 00:34:08,963  
[growls]

829  
00:34:10,416 --> 00:34:11,956  
[teleporter whoosh]

830  
00:34:12,000 --> 00:34:13,330  
[panting]

831  
00:34:13,375 --> 00:34:15,285  
[chuckles]

832  
00:34:15,333 --> 00:34:17,043  
Jesus, Nolan,

right for the throat?

833

00:34:17,083 --> 00:34:19,043

After everything  
that we've been through?

834

00:34:19,083 --> 00:34:20,793

Keep out of this, Cecil.

835

00:34:21,666 --> 00:34:23,456

[rocks crumbling]

836

00:34:23,500 --> 00:34:24,380

[teleporter whoosh]

837

00:34:24,416 --> 00:34:26,126

You know I can't do that, Nolan.

838

00:34:26,166 --> 00:34:27,326

[grunts]

839

00:34:28,416 --> 00:34:29,376

[teleporter whoosh]

840

00:34:29,416 --> 00:34:30,826

[pants, chuckling]

841

00:34:30,875 --> 00:34:32,875

I've faced death more times  
than I can count,

842

00:34:32,916 --> 00:34:34,036

but I'll be damned

843

00:34:34,083 --> 00:34:36,213

if that didn't put my balls

in my throat.

844

00:34:36,250 --> 00:34:37,790  
[teleporter whoosh]

845

00:34:37,833 --> 00:34:39,543  
I just wanna know why.

846

00:34:39,583 --> 00:34:40,503  
Every one of the Guardians

847

00:34:40,541 --> 00:34:41,831  
risked their necks for you,

848

00:34:41,875 --> 00:34:43,875  
over and over again.

849

00:34:43,916 --> 00:34:45,876  
I never needed their help.

850

00:34:45,916 --> 00:34:47,126  
They were weak.

851

00:34:47,166 --> 00:34:49,246  
They were your friends,

852

00:34:49,291 --> 00:34:50,881  
and so was I...

853

00:34:50,916 --> 00:34:51,996  
which is why I know

854

00:34:52,041 --> 00:34:53,961  
you didn't kill them  
for the fun of it.

855  
00:34:54,000 --> 00:34:56,630  
You had a reason.

856  
00:34:56,666 --> 00:34:58,286  
You wanna get it off your chest?

857  
00:35:00,125 --> 00:35:01,995  
[claps, shockwave rumbling]

858  
00:35:03,625 --> 00:35:05,245  
[teleporter whooshes]

859  
00:35:05,291 --> 00:35:07,081  
Fine, don't tell me,

860  
00:35:07,125 --> 00:35:09,035  
but what about Debbie, huh?

861  
00:35:09,083 --> 00:35:10,333  
Doesn't she deserve an answer?

862  
00:35:12,208 --> 00:35:14,078  
Don't say her name.

863  
00:35:14,125 --> 00:35:15,075  
Why not?

864  
00:35:15,125 --> 00:35:17,165  
You hurt her, not me.

865  
00:35:17,208 --> 00:35:18,998  
She and I have that  
in common now.

866  
00:35:20,541 --> 00:35:22,041

I'm a good liar.

867

00:35:22,083 --> 00:35:24,003  
I'm a very good liar,

868

00:35:24,041 --> 00:35:26,541  
but you, you're better.

869

00:35:26,583 --> 00:35:28,583  
You fooled her.

870

00:35:28,625 --> 00:35:31,995  
Hell, you fooled all of us  
for what, 20 years?

871

00:35:32,041 --> 00:35:33,751  
Wait,

872

00:35:33,791 --> 00:35:36,961  
does Mark know  
that his dad's a murderer?

873

00:35:37,916 --> 00:35:39,746  
Does he know?

874

00:35:39,791 --> 00:35:41,501  
No?

875

00:35:41,541 --> 00:35:43,171  
Well, what's he gonna do  
when he finds out, huh?

876

00:35:43,208 --> 00:35:44,788  
This is pointless.

877

00:35:44,833 --> 00:35:46,173

You can't stop me.

878

00:35:46,208 --> 00:35:48,248

Yeah, you're right.

I can't,

879

00:35:48,291 --> 00:35:50,001

but I can do the same thing

I've been doing

880

00:35:50,041 --> 00:35:52,501

since I figured out you were

a lying piece of shit.

881

00:35:52,541 --> 00:35:54,251

I can buy us a little more time.

882

00:35:54,291 --> 00:35:55,541

[teleporter whooshes,

rocks crumbling]

883

00:35:55,583 --> 00:35:56,543

[grunts]

884

00:36:00,083 --> 00:36:01,793

[impacts thud]

885

00:36:04,500 --> 00:36:06,750

-[cyborg shrieks]

-Ha!

886

00:36:06,791 --> 00:36:09,081

[shrieking]

887

00:36:09,125 --> 00:36:10,035

[Nolan grunts]

888  
00:36:11,875 --> 00:36:12,785  
[seething]

889  
00:36:12,833 --> 00:36:15,293  
[groaning]

890  
00:36:18,833 --> 00:36:20,583  
[Nolan roars]  
[groans in pain]

891  
00:36:25,583 --> 00:36:27,133  
[Nolan yelps]

892  
00:36:27,166 --> 00:36:28,576  
[screams]

893  
00:36:30,833 --> 00:36:32,253  
[growling]

894  
00:36:35,291 --> 00:36:36,331  
[Nolan screams]

895  
00:36:43,083 --> 00:36:44,463  
[Debbie] What are those things?

896  
00:36:44,500 --> 00:36:45,960  
Dead soldiers.

897  
00:36:46,000 --> 00:36:47,670  
Serving their country  
one last time

898  
00:36:47,708 --> 00:36:49,288  
thanks to that monster  
over there.

899  
00:36:49,333 --> 00:36:50,963  
[mumbling]

900  
00:36:51,000 --> 00:36:52,080  
Shut it!

901  
00:36:52,125 --> 00:36:53,625  
I feel dirty  
even talking to you.

902  
00:36:53,666 --> 00:36:55,126  
[mumbles petulantly]

903  
00:36:55,166 --> 00:36:56,626  
[cyborgs shrieking]

904  
00:36:56,666 --> 00:36:57,626  
[Nolan grunts]

905  
00:36:57,666 --> 00:37:00,416  
[shrieking]

906  
00:37:00,458 --> 00:37:01,958  
[grunts]

907  
00:37:02,000 --> 00:37:03,460  
[shrieks]

908  
00:37:03,500 --> 00:37:05,130  
[grunts with effort]

909  
00:37:05,166 --> 00:37:06,626  
[body rending and breaking]

910  
00:37:06,666 --> 00:37:08,416

[all gasping in horror]

911  
00:37:08,458 --> 00:37:09,578  
[crunch]

912  
00:37:09,625 --> 00:37:10,785  
[gasps]

913  
00:37:10,833 --> 00:37:12,753  
Bring 'em over here,  
bring 'em over here right now.

914  
00:37:12,791 --> 00:37:15,081  
Teleport me to Invincible  
and Eve's location.

915  
00:37:15,125 --> 00:37:17,165  
Once they get these strapped on,  
you bring us home.

916  
00:37:17,208 --> 00:37:18,208  
Sir,

917  
00:37:18,250 --> 00:37:19,670  
Eve and Invincible  
are back on the move.

918  
00:37:19,708 --> 00:37:21,168  
Intercept in four minutes.

919  
00:37:21,208 --> 00:37:22,748  
Shit.

920  
00:37:22,791 --> 00:37:24,171  
[grunts, blood splashing]

921

00:37:25,958 --> 00:37:26,828  
[gasps]

922  
00:37:26,875 --> 00:37:28,285  
[roars]

923  
00:37:28,333 --> 00:37:29,713  
[annoyed grumble]

924  
00:37:30,916 --> 00:37:31,956  
Shit!

925  
00:37:40,375 --> 00:37:42,035  
[horrified gasps and retching]

926  
00:37:44,708 --> 00:37:45,748  
[groans]

927  
00:37:47,541 --> 00:37:49,171  
Get him out of here...

928  
00:37:51,208 --> 00:37:52,578  
...and get Hail Mary  
out of the icebox...

929  
00:37:52,625 --> 00:37:53,825  
[gasps of shock]

930  
00:37:53,875 --> 00:37:55,825  
...and feed her this!

931  
00:37:57,166 --> 00:37:58,576  
What a dick.

932  
00:37:58,625 --> 00:38:00,165  
You want revenge?

933  
00:38:00,208 --> 00:38:01,668  
Quit complaining  
and finish the build.

934  
00:38:01,708 --> 00:38:02,748  
I'm almost done here.

935  
00:38:07,458 --> 00:38:08,578  
[charging defibrillator]

936  
00:38:08,625 --> 00:38:10,075  
It's charged.

937  
00:38:10,125 --> 00:38:11,825  
I built it exactly  
to the schematics.

938  
00:38:11,875 --> 00:38:12,665  
Good.

939  
00:38:12,708 --> 00:38:14,828  
How do we know he'll revive?

940  
00:38:14,875 --> 00:38:16,745  
Cecil couldn't bring him back.

941  
00:38:16,791 --> 00:38:19,081  
Cecil's an idiot.

942  
00:38:19,125 --> 00:38:20,375  
[staples pop free]

943  
00:38:20,416 --> 00:38:22,496  
He's not called The Immortal  
for nothing.

944  
00:38:22,541 --> 00:38:24,331  
I'll get the collar.

945  
00:38:28,041 --> 00:38:29,381  
[teleporter whoosh]

946  
00:38:29,416 --> 00:38:31,496  
[grunts]

947  
00:38:38,958 --> 00:38:40,628  
[roars]

948  
00:38:43,458 --> 00:38:45,458  
[Nolan grunts, beast bellows]

949  
00:38:46,583 --> 00:38:47,963  
You must be desperate.

950  
00:38:48,000 --> 00:38:50,040  
I beat this thing already.

951  
00:38:51,500 --> 00:38:52,830  
[bellowing]

952  
00:38:52,875 --> 00:38:54,575  
[Cecil's voice, from drone]  
Sure...

953  
00:38:54,625 --> 00:38:56,285  
but we removed its pain center,

954  
00:38:56,333 --> 00:38:58,003  
and juiced it up  
with every drug, enhancement,

955  
00:38:58,041 --> 00:38:59,251  
and upgrade we had.

956  
00:38:59,291 --> 00:39:03,381  
Plus, all that  
really pissed it off,

957  
00:39:03,416 --> 00:39:05,416  
and it blames you.

958  
00:39:05,458 --> 00:39:06,578  
Good luck.

959  
00:39:06,625 --> 00:39:08,125  
[bellowing roar]

960  
00:39:15,750 --> 00:39:18,630  
There are two news helicopters  
moving in on Omni-Man's fight.

961  
00:39:21,083 --> 00:39:23,293  
[news report] Omni-Man  
appears to be fighting

962  
00:39:23,333 --> 00:39:25,583  
the same creature he battled  
in the sea of Japan

963  
00:39:25,625 --> 00:39:27,625  
over half a year ago.

964  
00:39:27,666 --> 00:39:29,666  
We need to go help.

965  
00:39:29,708 --> 00:39:31,078  
Keep your asses parked

966

00:39:31,125 --> 00:39:31,995  
until I tell you  
to unpark them.

967

00:39:32,041 --> 00:39:33,381  
If this all goes south,

968

00:39:33,416 --> 00:39:36,376  
you're our last hope  
against Omni-Man.

969

00:39:36,416 --> 00:39:37,376  
Whoa, whoa, whoa.

970

00:39:37,416 --> 00:39:38,456  
Did he just say

971

00:39:38,500 --> 00:39:41,210  
we're his last hope  
"against" Omni-Man?

972

00:39:41,250 --> 00:39:42,580  
Yeah, he did.

973

00:39:42,625 --> 00:39:43,575  
Oh, fuck.

974

00:39:43,625 --> 00:39:45,705  
I'm pretty sure  
that's what happened

975

00:39:45,750 --> 00:39:48,170  
to the last  
"last hope against Omni-Man."

976

00:39:55,291 --> 00:39:56,711  
[beast snarls]

977  
00:39:56,750 --> 00:39:57,790  
[Nolan roars]

978  
00:40:04,166 --> 00:40:06,126  
That should buy us  
five minutes or so.

979  
00:40:06,166 --> 00:40:07,826  
Teleport me  
to Invincible's location.

980  
00:40:07,875 --> 00:40:08,995  
Can't, sir.

981  
00:40:09,041 --> 00:40:11,131  
Hail Mary was so big,  
she burnt out the teleporter.

982  
00:40:11,166 --> 00:40:12,876  
Well, goddammit, get it working,

983  
00:40:12,916 --> 00:40:13,786  
or we're all dead.

984  
00:40:13,833 --> 00:40:16,383  
Where do you think  
he's coming next?

985  
00:40:16,416 --> 00:40:19,456  
[grunting]

986  
00:40:21,000 --> 00:40:22,540  
[groaning]

987  
00:40:24,083 --> 00:40:25,003  
Mark's with Eve again.

988  
00:40:25,041 --> 00:40:25,961  
Call her phone.

989  
00:40:26,791 --> 00:40:27,631  
[snaps fingers]

990  
00:40:31,083 --> 00:40:32,753  
Took you long enough.

991  
00:40:32,791 --> 00:40:33,881  
I'm not here to help.

992  
00:40:33,916 --> 00:40:35,876  
Just here to make sure  
you don't get hurt.

993  
00:40:35,916 --> 00:40:37,496  
Well, then  
you shouldn't have come.

994  
00:40:37,541 --> 00:40:39,831  
Jesus, Mark,  
you sound just like my--

995  
00:40:39,875 --> 00:40:40,995  
Dad!

996  
00:40:42,583 --> 00:40:43,713  
[groans weakly]

997  
00:40:43,750 --> 00:40:44,960  
[beast bellows]

998  
00:40:45,000 --> 00:40:45,830  
[Mark grunts]

999  
00:40:48,708 --> 00:40:49,708  
[cell phone rings]

1000  
00:40:49,750 --> 00:40:50,750  
[Debbie] Eve!

1001  
00:40:50,791 --> 00:40:51,961  
It's Mark's mom.

1002  
00:40:52,000 --> 00:40:53,000  
I need to talk to him!

1003  
00:40:53,041 --> 00:40:54,331  
You just missed him.

1004  
00:40:54,375 --> 00:40:55,995  
What's going on?

1005  
00:40:57,708 --> 00:40:59,128  
Dad!

1006  
00:40:59,166 --> 00:41:00,036  
You okay?

1007  
00:41:00,083 --> 00:41:00,923  
Mark?

1008  
00:41:00,958 --> 00:41:02,668  
You mean Invincible.

1009  
00:41:02,708 --> 00:41:03,998  
It's about time

we did a team-up.

1010  
00:41:07,958 --> 00:41:09,248  
[bellowing roar]

1011  
00:41:11,375 --> 00:41:12,995  
Blech!

1012  
00:41:13,041 --> 00:41:14,211  
Come on!

1013  
00:41:16,000 --> 00:41:17,290  
But I need to help them!

1014  
00:41:17,333 --> 00:41:19,633  
[Cecil] Do not do that.

1015  
00:41:19,666 --> 00:41:21,036  
[groaning]

1016  
00:41:22,125 --> 00:41:23,575  
[Cecil] Get to Guardians HQ.

1017  
00:41:23,625 --> 00:41:25,325  
What? Cecil!

1018  
00:41:25,375 --> 00:41:27,375  
Listen to me and do what I say.

1019  
00:41:27,416 --> 00:41:28,626  
[bellowing]

1020  
00:41:33,875 --> 00:41:35,915  
[bellowing]

1021

00:41:37,625 --> 00:41:38,745  
[gasps]

1022  
00:41:38,791 --> 00:41:40,001  
Call that thing off, Cecil.

1023  
00:41:40,041 --> 00:41:41,081  
[groans]

1024  
00:41:41,125 --> 00:41:41,915  
Call it off!

1025  
00:41:41,958 --> 00:41:43,328  
Mark's in there.

1026  
00:41:43,375 --> 00:41:44,495  
[groans]

1027  
00:41:44,541 --> 00:41:46,081  
I can't do that, Debbie.

1028  
00:41:46,125 --> 00:41:46,915  
Why not?

1029  
00:41:46,958 --> 00:41:48,378  
Because I can't.

1030  
00:41:48,416 --> 00:41:50,826  
Nolan killed the Guardians,  
he killed Donald.

1031  
00:41:50,875 --> 00:41:53,035  
He's shrugged off  
everything I've thrown at him,

1032  
00:41:53,083 --> 00:41:54,423

and now I don't know  
if Mark is with his father,

1033

00:41:54,458 --> 00:41:56,078  
or against him.

1034

00:41:56,125 --> 00:41:57,575  
So I can't call off

1035

00:41:57,625 --> 00:41:59,745  
the one thing  
that might stop them both.

1036

00:41:59,791 --> 00:42:03,001  
This is why  
I have always hated you.

1037

00:42:03,041 --> 00:42:04,171  
[sighs]

1038

00:42:04,208 --> 00:42:06,328  
That's why I hate me, too.

1039

00:42:15,291 --> 00:42:16,921  
What now?

1040

00:42:16,958 --> 00:42:17,788  
I don't know.

1041

00:42:17,833 --> 00:42:19,173  
He should just be alive.

1042

00:42:19,208 --> 00:42:20,578  
He's not.

1043

00:42:20,625 --> 00:42:23,075

You're so observant.

1044

00:42:23,958 --> 00:42:25,078  
[roars, thumping]

1045

00:42:25,125 --> 00:42:26,125  
What are you doing?

1046

00:42:26,166 --> 00:42:27,956  
Even Frankenstein  
needed an extra kick

1047

00:42:28,000 --> 00:42:29,170  
to come to life.

1048

00:42:29,208 --> 00:42:31,378  
One, he's not Frankenstein.

1049

00:42:31,416 --> 00:42:33,166  
Two, it was lightning,

1050

00:42:33,208 --> 00:42:35,128  
and not whatever you're doing,

1051

00:42:35,166 --> 00:42:37,996  
and three, that was only  
in the movie version.

1052

00:42:38,041 --> 00:42:38,831  
I know,

1053

00:42:38,875 --> 00:42:41,035  
but this also feels good.

1054

00:42:41,083 --> 00:42:43,293  
Wake up, you useless

murdered idiot!

1055

00:42:43,333 --> 00:42:45,503  
[Mauler's voice echoes]  
Idiot! Idiot! Idiot!

1056

00:42:47,625 --> 00:42:49,665  
[thumps pulsing]

1057

00:42:51,791 --> 00:42:53,171  
[echoes of sword battle]

1058

00:42:54,708 --> 00:42:55,788  
[grunts]

1059

00:42:55,833 --> 00:42:57,883  
[echoes of audience clapping]

1060

00:43:03,625 --> 00:43:04,575  
[gasps]

1061

00:43:04,625 --> 00:43:06,535  
[roaring]

1062

00:43:06,583 --> 00:43:08,043  
Activate the collar.

1063

00:43:08,083 --> 00:43:08,963  
Where is he?

1064

00:43:09,000 --> 00:43:09,920  
[beeps device]

1065

00:43:09,958 --> 00:43:11,378  
[roars]

1066  
00:43:11,416 --> 00:43:12,246  
Immortal,

1067  
00:43:12,291 --> 00:43:14,211  
you're going to destroy Robot

1068  
00:43:14,250 --> 00:43:16,540  
and the new Guardians  
of the Globe for us.

1069  
00:43:16,583 --> 00:43:17,833  
[roaring]

1070  
00:43:19,041 --> 00:43:20,751  
[seething with rage]

1071  
00:43:22,000 --> 00:43:24,040  
-Uh-oh.  
-Where's Omni-man?

1072  
00:43:25,125 --> 00:43:26,575  
Where is he?

1073  
00:43:27,708 --> 00:43:30,168  
[Immortal roaring in fury]

1074  
00:43:31,708 --> 00:43:34,578  
Robot gave us bad schematics.

1075  
00:43:34,625 --> 00:43:36,915  
No kidding.

1076  
00:43:36,958 --> 00:43:38,918  
[beast bellows]

1077

00:43:43,875 --> 00:43:44,665  
H'a!

1078

00:43:44,708 --> 00:43:45,998  
[grunting with effort]

1079

00:43:48,708 --> 00:43:50,208  
Didn't you fight  
this thing before?

1080

00:43:50,250 --> 00:43:51,830  
Yeah, but it's tougher now.

1081

00:43:51,875 --> 00:43:53,415  
Cecil sent it after me.

1082

00:43:53,458 --> 00:43:54,418  
Cecil?

1083

00:43:54,458 --> 00:43:55,918  
Why would he do that?

1084

00:43:55,958 --> 00:43:57,828  
There's so much  
you don't know, Mark.

1085

00:43:57,875 --> 00:43:58,665  
What?

1086

00:43:58,708 --> 00:43:59,748  
Uh, okay.

1087

00:43:59,791 --> 00:44:01,581  
Uh, maybe you can fill me in

1088

00:44:01,625 --> 00:44:03,665

after we've taken care  
of tentacles here?

1089

00:44:03,708 --> 00:44:05,328  
[beast bellowing]

1090

00:44:06,291 --> 00:44:07,581  
Mark?

1091

00:44:11,541 --> 00:44:12,501  
Sir!

1092

00:44:12,541 --> 00:44:13,501  
What?

1093

00:44:13,541 --> 00:44:14,501  
There's a new contact

1094

00:44:14,541 --> 00:44:16,291  
approaching Omni-Man  
and Invincible.

1095

00:44:16,333 --> 00:44:17,333  
Mach three.

1096

00:44:17,375 --> 00:44:19,745  
Goddammit,  
I told Eve to stay away.

1097

00:44:19,791 --> 00:44:21,171  
It's not Atom Eve.

1098

00:44:22,208 --> 00:44:23,418  
[distant roar of fury]

1099

00:44:23,458 --> 00:44:24,458

Omni-Man!

1100

00:44:24,500 --> 00:44:25,960  
You bastard!

1101

00:44:26,000 --> 00:44:27,630  
[roaring]

1102

00:44:30,750 --> 00:44:31,750  
[roaring]

1103

00:44:37,250 --> 00:44:39,380  
[roaring and grunting]

1104

00:44:44,333 --> 00:44:45,633  
[newscaster]  
I'm having a hard time

1105

00:44:45,666 --> 00:44:46,956  
believing what I'm seeing  
here, folks,

1106

00:44:47,000 --> 00:44:48,540  
but the Immortal,

1107

00:44:48,583 --> 00:44:49,793  
or someone  
who appears to be him,

1108

00:44:49,833 --> 00:44:52,383  
has suddenly attacked Omni-Man.

1109

00:44:52,416 --> 00:44:53,496  
As you all know,

1110

00:44:53,541 --> 00:44:55,961

the Immortal was murdered  
eight months ago,

1111

00:44:56,000 --> 00:44:57,330  
along with the other members

1112

00:44:57,375 --> 00:44:59,205  
of the original  
Guardians of the Globe.

1113

00:44:59,250 --> 00:45:00,960  
The killer was never caught.

1114

00:45:02,500 --> 00:45:03,960  
Murderer!

1115

00:45:04,000 --> 00:45:05,210  
We trusted you!

1116

00:45:06,333 --> 00:45:07,793  
You betrayed us!

1117

00:45:08,833 --> 00:45:10,963  
You should've stayed dead.

1118

00:45:14,041 --> 00:45:15,541  
[tentacle beast bellowing]

1119

00:45:15,583 --> 00:45:16,583  
Dad?

1120

00:45:23,166 --> 00:45:24,376  
[snarling]

1121

00:45:26,166 --> 00:45:28,996  
[grunting, blows pounding]

1122  
00:45:39,041 --> 00:45:40,791  
[groans]

1123  
00:45:40,833 --> 00:45:42,333  
[Immortal roaring]

1124  
00:45:48,500 --> 00:45:51,290  
[bellowing]

1125  
00:45:51,333 --> 00:45:52,963  
[grunts]

1126  
00:45:53,000 --> 00:45:56,290  
[volts crackle, beast screams]

1127  
00:46:00,083 --> 00:46:01,043  
[roaring]

1128  
00:46:01,916 --> 00:46:03,376  
[impact thunders]

1129  
00:46:04,916 --> 00:46:06,666  
I'll kill you!

1130  
00:46:11,541 --> 00:46:13,041  
H'a!

1131  
00:46:15,833 --> 00:46:17,793  
[fist pops, Immortal gurgles]

1132  
00:46:20,208 --> 00:46:21,038  
[vomits]

1133  
00:46:23,500 --> 00:46:25,880

[tense silence]

1134  
00:46:42,041 --> 00:46:43,131  
[wheezing]

1135  
00:46:45,291 --> 00:46:48,501  
[screaming]

1136  
00:46:48,541 --> 00:46:51,501  
[groans of rage and pain]

1137  
00:46:51,541 --> 00:46:52,671  
H'a!

1138  
00:46:53,541 --> 00:46:54,831  
[growls]

1139  
00:47:00,625 --> 00:47:01,625  
Dad?

1140  
00:47:07,708 --> 00:47:09,628  
Mark...

1141  
00:47:13,833 --> 00:47:15,713  
We need to talk.

# INVINCIBLE
