That's all I got.

525
00:27:45,010 --> 00:27:46,530
Thanks, Theo.

526
00:27:48,620 --> 00:27:51,560
Okay, let's take a few,
everybody.

527
00:27:51,760 --> 00:27:52,570
[coffee pouring]

528
00:27:52,760 --> 00:27:53,570
Carol?

529

00:27:53,770 --> 00:27:55,490
Hi! You must be Debbie.

530

00:27:55,680 --> 00:27:57,150
I'm so sorry
about the other day.

531

00:27:57,350 --> 00:28:00,570
My three-month-old has
the worst colic right now.

532

00:28:00,770 --> 00:28:01,910
Ugh, I remember.

533

00:28:02,110 --> 00:28:04,180
My son,
he was such a fussy baby.

534

00:28:05,180 --> 00:28:07,160
How old is he now?

535

00:28:07,360 --> 00:28:08,920
Eighteen.

536

00:28:09,110 --> 00:28:11,560
Practically a man.

537

00:28:12,560 --> 00:28:14,100
[Debbie] He is.

538

00:28:20,780 --> 00:28:22,280
[sighs]

539

00:28:23,280 --> 00:28:25,560
So, um, ground rules.

540

00:28:25,760 --> 00:28:27,720
We're not that different
from other support groups

541

00:28:27,880 --> 00:28:30,690
except we're even more strict
when it comes to identity.

542

00:28:30,890 --> 00:28:32,980
First names only.

543

00:28:33,180 --> 00:28:35,730
You aren't required to share
till you're ready,

544

00:28:35,930 --> 00:28:38,650
but that's why we're
all sacrificing a Tuesday night,

545

00:28:38,850 --> 00:28:41,070
so might as well
make the most of it.

546

00:28:41,270 --> 00:28:42,570
Bathroom's down the hall.

547

00:28:42,770 --> 00:28:45,160
Coffee tastes like battery acid.

548

00:28:45,360 --> 00:28:46,990
Any questions?

549

00:28:47,190 --> 00:28:48,410
I think you covered it.

550

00:28:48,610 --> 00:28:50,710
Great. Have a seat.

551
00:28:50,910 --> 00:28:52,930
All right, everybody, who's up?

552
00:28:56,980 --> 00:28:59,010
Hi. I'm Lucinda.

553
00:28:59,210 --> 00:29:01,570
[others] Hi, Lucinda.

554
00:29:19,250 --> 00:29:21,590
[Theo] I didn't say much
at my first meeting either.

555
00:29:23,920 --> 00:29:25,620
Took me almost a month
to talk to anybody.

556
00:29:25,820 --> 00:29:27,240
Now they can't shut me up.

557
00:29:27,440 --> 00:29:29,470
I see.

558
00:29:30,510 --> 00:29:31,510
Sorry.

559
00:29:31,660 --> 00:29:33,080
I can leave you alone.

560
00:29:33,280 --> 00:29:34,500
N-No, it's fine. I j...

561
00:29:34,700 --> 00:29:37,840
Uh, I dropped my son off
at college today.

562
00:29:38,040 --> 00:29:39,460
Empty house?

563
00:29:39,660 --> 00:29:40,720
Yeah.

564
00:29:40,910 --> 00:29:43,050
It's okay. I totally get it.

565
00:29:43,250 --> 00:29:44,320
We all do.

566
00:29:46,740 --> 00:29:48,100
Hey, don't take this
the wrong way,

567
00:29:48,260 --> 00:29:49,890
but there's a bar
down the street

568
00:29:50,090 --> 00:29:52,270
some of us like to go to
after group.

569
00:29:52,470 --> 00:29:53,640
Oh.

570
00:29:53,840 --> 00:29:55,060
Uh, I just figured,

571
00:29:55,260 --> 00:29:57,480
since it seems like neither
of us wants to go home.

572
00:29:57,680 --> 00:29:59,630

But no pressure, of course.

573
00:30:03,420 --> 00:30:04,420
Sure.

574
00:30:04,480 --> 00:30:05,620
I could use a drink.

575
00:30:05,810 --> 00:30:07,930
It's, uh, it's kind of a dive.

576
00:30:08,930 --> 00:30:11,180
[chuckles] The best ones are.

577
00:30:12,470 --> 00:30:13,750
[Monster Girl] Never?

578
00:30:13,950 --> 00:30:16,130
Of course I've watched films,

579
00:30:16,330 --> 00:30:18,460
but, no,
I've never attended one.

580
00:30:18,660 --> 00:30:20,840
[soft chatter]

581
00:30:21,040 --> 00:30:23,760
I had more important things
to do.

582
00:30:23,960 --> 00:30:25,130
And I, uh...

583
00:30:25,330 --> 00:30:27,010
wouldn't have fit before.

584

00:30:27,210 --> 00:30:30,260
Someday you'll have to tell me
all about your childhood.

585

00:30:30,460 --> 00:30:34,120
Oh, we're already seeing
a horror movie tonight.

586

00:30:37,540 --> 00:30:41,230
- Hey. You wanted to test
your fear response again.
- [grunts, chuckles]

587

00:30:41,430 --> 00:30:43,950
Uh, two tickets
for Midnight Slaughter.

588

00:30:44,140 --> 00:30:45,320
That's rated "R."

589

00:30:45,520 --> 00:30:46,660
I see.

590

00:30:46,860 --> 00:30:47,860
And?

591

00:30:48,020 --> 00:30:50,490
You need your parents to buy you
R-rated tickets.

592

00:30:50,690 --> 00:30:51,910
That's ridiculous.

593

00:30:52,110 --> 00:30:53,250
How does a parent's presence

594

00:30:53,450 --> 00:30:55,580
change a film's suitability
for the underage?

595

00:30:55,780 --> 00:30:57,790
It changes it
in that I don't get fired

596

00:30:57,990 --> 00:30:59,790
- for selling you a ticket.
- [woman] Hey.

597

00:30:59,990 --> 00:31:02,860
It's fine. They're my kids.
They can see the movie.

598

00:31:05,610 --> 00:31:06,630
[Monster Girl] What?

599

00:31:06,830 --> 00:31:08,570
You want to do a DNA test now?

600

00:31:11,200 --> 00:31:14,480
- How...
- This might be your
first movie, but it's not mine.

601

00:31:14,680 --> 00:31:17,810
You'd be surprised what people
will do for ten bucks.

602

00:31:18,010 --> 00:31:20,730
Wait, if this is
your first movie,

603

00:31:20,930 --> 00:31:23,880
what other normal stuff

haven't you done?

604

00:31:28,710 --> 00:31:31,740

This is supposed
to be appetizing?

605

00:31:31,940 --> 00:31:34,380

[chuckles] Says the guy who used
to eat food through his butt.

606

00:31:34,490 --> 00:31:35,490

That's not how...

607

00:31:35,530 --> 00:31:37,310

It entered through my...

608

00:31:39,930 --> 00:31:42,630

[chewing] Mmm.

609

00:31:42,830 --> 00:31:44,460

Is it appetizing now?

610

00:31:44,660 --> 00:31:46,470

[chewing] Mmm.

611

00:31:46,670 --> 00:31:48,720

I know these aren't good for me,
but...

612

00:31:48,920 --> 00:31:49,720

[grunts]

613

00:31:49,920 --> 00:31:51,300

Oh, shut up.

614

00:31:51,500 --> 00:31:52,560

A good burger and fries

615

00:31:52,750 --> 00:31:54,720
is one of the greatest pleasures
in life.

616

00:31:54,920 --> 00:31:57,700
Yes. Mmm. I'm discovering that.

617

00:32:00,620 --> 00:32:02,480
Oh! Oh! I'm sorry!

618

00:32:02,680 --> 00:32:04,730
Let me get you some more.
Uh, waiter?

619

00:32:04,930 --> 00:32:06,960
Waiter, uh, more fries, please.

620

00:32:07,960 --> 00:32:11,760
Rudy, there's no waiters
in Burger Mart.

621

00:32:12,760 --> 00:32:15,720
[♪ RF Shannon:
"Ballad of a Thin Place"]

622

00:32:17,550 --> 00:32:19,110
[Debbie] Did you move
after your partner

623

00:32:19,240 --> 00:32:21,460
passed away?

624

00:32:21,660 --> 00:32:22,960
I moved the furniture.

625

00:32:23,160 --> 00:32:24,500
Couldn't afford to relocate.

626

00:32:24,700 --> 00:32:25,700
You?

627

00:32:25,790 --> 00:32:28,510
I stayed for my son, but... now?

628

00:32:28,710 --> 00:32:29,800
I don't know.

629

00:32:30,000 --> 00:32:32,050
Maybe it's time for a change.

630

00:32:32,250 --> 00:32:33,250
Change is good.

631

00:32:33,420 --> 00:32:34,420
Yeah.

632

00:32:34,590 --> 00:32:36,180
Problem is, where would I go?

633

00:32:36,380 --> 00:32:37,600
Somewhere new.

634

00:32:37,800 --> 00:32:40,270
So much of it
still feels connected to him.

635

00:32:40,470 --> 00:32:43,110
When we wanted Indian food,
we'd go to India.

636

00:32:43,310 --> 00:32:45,820
We'd fly to Tokyo and back
on a Wednesday night.

637

00:32:46,020 --> 00:32:48,360
Oh. [chuckles]
One Christmas Eve,

638

00:32:48,560 --> 00:32:51,070
we even made a snowman
at the North Pole.

639

00:32:51,270 --> 00:32:53,660
My son cried when he didn't see
Santa's workshop,

640

00:32:53,860 --> 00:32:56,580
so we told him we'd gone
to the South Pole by mistake.

641

00:32:56,780 --> 00:32:58,330
[chuckling]

642

00:32:58,530 --> 00:33:01,540
Sounds like you two had
a pretty amazing life together.

643

00:33:01,740 --> 00:33:02,740
[sighs]

644

00:33:02,820 --> 00:33:04,180
We did.

645

00:33:06,350 --> 00:33:08,300
You can still be angry.

646

00:33:08,500 --> 00:33:10,340

That's okay. God knows I am.

647

00:33:10,540 --> 00:33:12,130

Thanks.

648

00:33:12,330 --> 00:33:14,680

It's good to talk
with someone who understands.

649

00:33:14,880 --> 00:33:16,720

[sighs] I wish
I could tell you it gets easier,

650

00:33:16,800 --> 00:33:18,640

- but Alana's been gone
nearly a year...

- Uh...

651

00:33:18,800 --> 00:33:22,700

and I still reach across
the bed for her every morning.

652

00:33:23,750 --> 00:33:24,770

Alana?

653

00:33:24,970 --> 00:33:26,420

- You mean...

- Yeah.

654

00:33:27,670 --> 00:33:29,530

She was the Green Ghost.

655

00:33:29,730 --> 00:33:32,800

Guess I just broke
rule number one of SOS.

656

00:33:34,210 --> 00:33:35,240

Not that it matters now,

657

00:33:35,440 --> 00:33:38,790
since she got murdered
by that alien psychopath.

658

00:33:38,990 --> 00:33:41,370
I-I didn't know
she had a partner.

659

00:33:41,570 --> 00:33:43,710
We used to fight about that.

660

00:33:43,910 --> 00:33:45,890
- She wanted to protect me.
- [shudders]

661

00:33:46,890 --> 00:33:48,170
[sniffles]

662

00:33:48,370 --> 00:33:49,510
[grunts, shudders]

663

00:33:49,700 --> 00:33:51,760
I need to use the restroom.

664

00:33:51,960 --> 00:33:52,970
Are you okay?

665

00:33:53,170 --> 00:33:55,110
No, I'll-I'll be right back.

666

00:34:04,200 --> 00:34:06,620
[sighs]

667

00:34:07,870 --> 00:34:09,610

[sighs happily]

668

00:34:09,810 --> 00:34:10,810
[William] Oh, my God.

669

00:34:10,930 --> 00:34:12,070
You had sex with Amber.

670

00:34:12,270 --> 00:34:13,450
Whoa, what?

671

00:34:13,650 --> 00:34:14,910
- William.
- How was it?

672

00:34:15,110 --> 00:34:16,780
- I want all the details.
- Gross.

673

00:34:16,980 --> 00:34:19,120
No. No way. No.

674

00:34:19,320 --> 00:34:22,160
We're roommates now. This is
what roommates talk about.

675

00:34:22,360 --> 00:34:23,440
Okay, well, what about you?

676

00:34:23,610 --> 00:34:26,080
How was Mr. Is This Your Stuff?

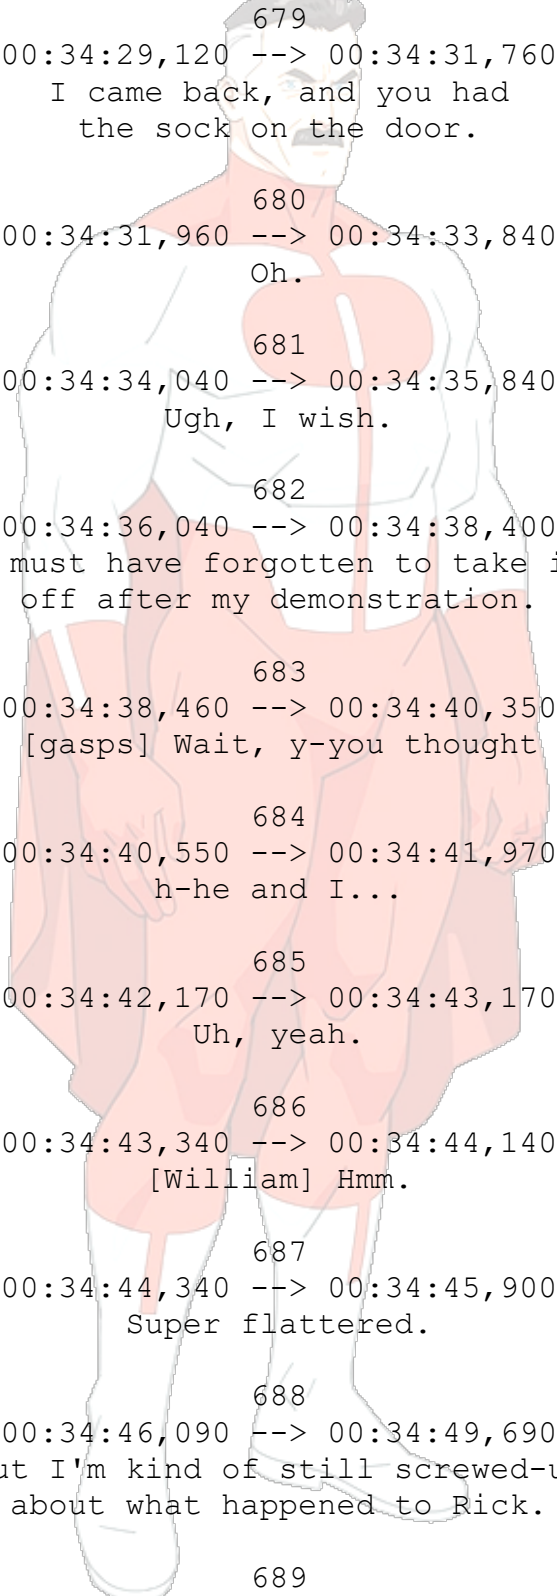

677

00:34:26,280 --> 00:34:27,080
What are you talking about?

678

00:34:27,280 --> 00:34:28,920

That hot guy from earlier.

679
00:34:29,120 --> 00:34:31,760
I came back, and you had
the sock on the door.

680
00:34:31,960 --> 00:34:33,840
Oh.

681
00:34:34,040 --> 00:34:35,840
Ugh, I wish.

682
00:34:36,040 --> 00:34:38,400
I must have forgotten to take it
off after my demonstration.

683
00:34:38,460 --> 00:34:40,350
[gasps] Wait, y-you thought

684
00:34:40,550 --> 00:34:41,970
h-he and I...

685
00:34:42,170 --> 00:34:43,170
Uh, yeah.

686
00:34:43,340 --> 00:34:44,140
[William] Hmm.

687
00:34:44,340 --> 00:34:45,900
Super flattered.

688
00:34:46,090 --> 00:34:49,690
But I'm kind of still screwed-up
about what happened to Rick.

689
00:34:49,890 --> 00:34:52,710

I always imagined we'd be here
at Upstate together.

690

00:34:53,710 --> 00:34:55,630
Cecil said he's doing better.

691

00:34:56,630 --> 00:34:58,490
He should be released
in a month or so.

692

00:34:58,690 --> 00:35:00,120
I know.

693

00:35:00,320 --> 00:35:02,040
Sorry, I wasn't trying
to make you feel bad.

694

00:35:02,150 --> 00:35:04,160
No, it's, it's okay.

695

00:35:04,360 --> 00:35:05,560
[knocking]

696

00:35:06,560 --> 00:35:08,130
[knocking continues]

697

00:35:08,330 --> 00:35:11,800
Hey, I bet that's somebody ready
for round two.

698

00:35:12,000 --> 00:35:13,380
Coming, Ambers.

699

00:35:13,580 --> 00:35:14,970
It's not Amber.

700

00:35:15,170 --> 00:35:16,550
We made plans
for tomorrow night.

701
00:35:16,750 --> 00:35:18,640
[laughs] I bet you did.

702
00:35:18,840 --> 00:35:20,490
[male voice] Mark Grayson?

703
00:35:29,200 --> 00:35:31,080
It's for you.

704
00:35:34,630 --> 00:35:36,240
Mark Grayson.

705
00:35:36,440 --> 00:35:38,700
I need your help.

706
00:35:38,900 --> 00:35:40,470
[grunting]

707
00:35:42,680 --> 00:35:43,680
Who are you?

708
00:35:43,740 --> 00:35:45,830
Why, it is I, Séance Dog.

709
00:35:46,030 --> 00:35:49,420
Fight fire with fire,
fight evil with magic.

710
00:35:49,620 --> 00:35:51,090
That's me.

711
00:35:51,280 --> 00:35:54,170

- [indistinct voices nearby]
- Huh?
712
00:35:54,370 --> 00:35:55,970
[indistinct chatter]
713
00:35:56,160 --> 00:35:57,630
Mark.
714
00:35:57,830 --> 00:36:00,050
I come with an important...
[cries out]
715
00:36:00,250 --> 00:36:03,310
[grunting]
716
00:36:03,510 --> 00:36:05,640
Séance Dog isn't real.
717
00:36:05,840 --> 00:36:07,520
He's a comic book character.
718
00:36:07,720 --> 00:36:09,140
In your dimension, yes.
719
00:36:09,340 --> 00:36:11,360
But there exist myriad
other worlds
720
00:36:11,550 --> 00:36:14,690
where dogs and magic are
as real as the air you breathe.
721
00:36:14,890 --> 00:36:16,940
We have dogs.
Dogs are real.

722

00:36:17,140 --> 00:36:19,360
Well, then you're halfway
to understanding.

723

00:36:19,560 --> 00:36:21,910
Open your mind and let me help
you reach the other side.

724

00:36:22,110 --> 00:36:25,830
Hey, well, whatever you're
doing, don't, I'm warning you.

725

00:36:26,030 --> 00:36:29,670
Mark Grayson, I come because...
[grunts]

726

00:36:29,860 --> 00:36:34,250
Wait! Please!
You don't understand.

727

00:36:34,450 --> 00:36:36,360
[grunting]

728

00:36:40,280 --> 00:36:43,430
[Mark] Last chance.

729

00:36:43,630 --> 00:36:46,620
Who are you,
and what do you want?

730

00:36:48,580 --> 00:36:50,660
[sighs]

731

00:36:59,340 --> 00:37:02,410
I'm sorry, my disguise
was meant to disarm you.

732

00:37:02,610 --> 00:37:04,700

I thought if I appeared
as something you love...

733

00:37:04,900 --> 00:37:06,990

- Disarm me for what?
- Please.

734

00:37:07,190 --> 00:37:08,500

I'm not a threat.

735

00:37:08,700 --> 00:37:11,080

The journey to your world
has taken me most of my life.

736

00:37:11,280 --> 00:37:12,460

May I rise?

737

00:37:12,660 --> 00:37:15,020

If you answer my questions.

738

00:37:16,940 --> 00:37:18,800

My name is Nuolzot.

739

00:37:19,000 --> 00:37:20,550

I am from the planet Thraxa.

740

00:37:20,750 --> 00:37:22,970

My people sent me
to plead for your help.

741

00:37:23,170 --> 00:37:24,260

Thraxa?

742

00:37:24,460 --> 00:37:26,146

It's a couple galaxies away,

uh, give or take.

743

00:37:26,170 --> 00:37:29,180
I mean, not very far.
You go... It doesn't matter.

744

00:37:29,380 --> 00:37:31,020
How do you know who I am?

745

00:37:31,220 --> 00:37:33,150
Rumors of the one
they call Invincible

746

00:37:33,340 --> 00:37:34,770
have spread like wildfire.

747

00:37:34,970 --> 00:37:36,650
Your speed, your strength.

748

00:37:36,850 --> 00:37:38,570
You are the only one
who can save our people

749

00:37:38,640 --> 00:37:40,750
from the meteor showers
destroying our world.

750

00:37:42,840 --> 00:37:45,160
Okay, listen, um...

751

00:37:45,360 --> 00:37:46,360
Nuolzot.

752

00:37:46,520 --> 00:37:49,120
Nuol... zot.

753

00:37:49,320 --> 00:37:51,210
I just got to college, man.

754

00:37:51,400 --> 00:37:53,960
I haven't even had
my first day of classes yet.

755

00:37:54,160 --> 00:37:57,250
[panting] Are you kidding me,
Mark?

756

00:37:57,450 --> 00:38:00,670
Nuolzot came all the way here
from...

757

00:38:00,870 --> 00:38:03,550
to beg for your help,
and you're too busy?

758

00:38:03,750 --> 00:38:06,800
How many bug people
are in danger?

759

00:38:07,000 --> 00:38:08,310
All of them.

760

00:38:08,510 --> 00:38:09,890
But, like, a number.

761

00:38:10,090 --> 00:38:13,890
Oh. Forty-two billion.

762

00:38:14,090 --> 00:38:15,440
Don't worry about your classes.

763

00:38:15,640 --> 00:38:18,320
I'll cover for you somehow.

764

00:38:18,520 --> 00:38:21,110
Why do you care so much?

765

00:38:21,310 --> 00:38:24,150
Because last time you didn't
want to help someone,

766

00:38:24,350 --> 00:38:27,090
we both regretted it.

767

00:38:29,260 --> 00:38:31,930
We believe in you, Mark Grayson.

768

00:38:38,350 --> 00:38:39,716
[Cecil] [over comm] No,
you can't just go

769

00:38:39,740 --> 00:38:41,800
to some random planet
with some random alien.

770

00:38:42,000 --> 00:38:43,300
Are you insane?

771

00:38:43,500 --> 00:38:45,760
The Guardians can keep an eye
on things while I'm gone.

772

00:38:45,960 --> 00:38:48,680
I won't be more than
a few weeks. A month tops.

773

00:38:48,880 --> 00:38:50,080
Depending on asteroid traffic.

774

00:38:50,260 --> 00:38:51,520
Oh, it shouldn't be that bad.

775

00:38:51,710 --> 00:38:53,140
It shouldn't be that bad.

776

00:38:53,340 --> 00:38:58,150
[Cecil] You work for me
here on Earth.

777

00:38:58,350 --> 00:39:01,570
[sighs] Look, a-a lot of people
died because of me, Cecil.

778

00:39:01,770 --> 00:39:03,490
This is a chance to save lives.

779

00:39:03,690 --> 00:39:04,740
Billions of them.

780

00:39:04,940 --> 00:39:08,260
And this is an order: do not go.

781

00:39:11,260 --> 00:39:14,250
I need to listen to myself
before I listen to you.

782

00:39:14,450 --> 00:39:17,850
Your father felt the same way.

783

00:39:20,940 --> 00:39:22,350
Well, I'll check in
when I get back.

784

00:39:25,940 --> 00:39:27,550
Goddamn it, Mark.

785
00:39:27,750 --> 00:39:30,360
Fucking kid.

786
00:39:31,990 --> 00:39:34,160
You're a good human,
Mark Grayson.

787
00:39:36,280 --> 00:39:38,850
Hey, when I'm in this outfit,
I'm Invincible.

788
00:39:39,050 --> 00:39:40,270
So far.

789
00:39:40,470 --> 00:39:43,070
No, I'm saying, like, you have
to call me Invincible.

790
00:39:43,270 --> 00:39:44,570
It's like a secret identity.

791
00:39:44,770 --> 00:39:48,160
Oh, right, of course.
Invincible.

792
00:39:48,350 --> 00:39:51,090
We need to make
a quick stop first.

793
00:39:57,680 --> 00:39:59,350
[phone vibrating]

794
00:40:02,690 --> 00:40:04,210
Hey, you. How's it going?

795
00:40:04,410 --> 00:40:06,360

Hey. Come to your window.

796
00:40:09,730 --> 00:40:10,840
And?

797
00:40:11,040 --> 00:40:13,140
Look up.

798
00:40:13,340 --> 00:40:15,970
[gasps]
Mark?

799
00:40:16,170 --> 00:40:19,230
Uh, I have to go away
for a few weeks.

800
00:40:19,430 --> 00:40:20,560
To space again.

801
00:40:20,760 --> 00:40:22,360
Like, right now?

802
00:40:22,560 --> 00:40:24,440
A lot of people are gonna die
if I don't.

803
00:40:24,640 --> 00:40:26,280
- I'm sorry, but I...
- No, stop, stop.

804
00:40:26,480 --> 00:40:27,610
Don't apologize.

805
00:40:27,810 --> 00:40:29,450
Never apologize
for saving lives.

806
00:40:29,650 --> 00:40:32,510
This is the deal,
and I'm good with it. Go.

807
00:40:34,180 --> 00:40:36,970
Thanks.

808
00:40:43,480 --> 00:40:45,090
Can you tell my mom, please?

809
00:40:45,290 --> 00:40:46,980
Yeah, of course.

810
00:40:49,070 --> 00:40:51,430
Be careful.

811
00:40:51,630 --> 00:40:53,220
Always.

812
00:40:53,420 --> 00:40:55,810
Amber, I, uh...

813
00:40:56,010 --> 00:40:57,430
Yeah?

814
00:40:57,630 --> 00:40:59,060
I love you.

815
00:40:59,260 --> 00:41:02,080
[phone beeping]

816
00:41:16,590 --> 00:41:18,000
Are you comfortable,
Mark Gray...

817

00:41:18,190 --> 00:41:19,960
Uh, sorry. Invincible?

818

00:41:20,150 --> 00:41:22,330
Yeah. Thanks.

819

00:41:22,530 --> 00:41:24,590
Hey, how long until
we get to Thraxa?

820

00:41:24,780 --> 00:41:27,600
Approximately six
of your Earth days.

821

00:41:28,610 --> 00:41:31,820
[sighs]
Space sucks.

822

00:41:39,280 --> 00:41:41,910
[crying]

823

00:41:44,580 --> 00:41:47,940
Debbie. Are you okay?

824

00:41:48,140 --> 00:41:50,320
Di-Did I say something wrong?

825

00:41:50,520 --> 00:41:53,910
I'm sorry. Tonight...
Tonight's been a little much.

826

00:41:54,110 --> 00:41:56,490
I get it. I-It's a lot.

827

00:41:56,690 --> 00:41:59,490
I haven't talked to anyone
about any of this,

828
00:41:59,690 --> 00:42:02,250
except my son,
and that probably makes me

829
00:42:02,450 --> 00:42:04,080
a bad parent on top
of everything else.

830
00:42:04,280 --> 00:42:05,580
Hey,

831
00:42:05,780 --> 00:42:07,460
it takes time to heal.

832
00:42:07,660 --> 00:42:11,130
I can't heal because
my husband's not dead.

833
00:42:11,330 --> 00:42:13,860
He's just gone.

834
00:42:15,280 --> 00:42:18,350
He's gone because...

835
00:42:18,550 --> 00:42:21,520
because he murdered Alana
and the other Guardians

836
00:42:21,720 --> 00:42:23,190
and almost killed my son, too.

837
00:42:23,380 --> 00:42:27,730
Your husband.
Your husband's Omni-Man?

838

00:42:27,930 --> 00:42:31,400
I thought he was Nolan Grayson,
but that wasn't true.

839

00:42:31,600 --> 00:42:35,160
The last 20 years of my life
have been a lie.

840

00:42:35,360 --> 00:42:37,160
[sobs]

841

00:42:37,360 --> 00:42:38,950
I wish he was dead.

842

00:42:39,150 --> 00:42:41,500
I wish I could grieve
and move on, but I ca...

843

00:42:41,690 --> 00:42:42,690
I-I can't.

844

00:42:42,860 --> 00:42:44,460
I wish he was dead, too.

845

00:42:44,660 --> 00:42:46,460
But not for your sake.

846

00:42:46,660 --> 00:42:48,130
[gasps]

847

00:42:48,330 --> 00:42:49,770
You shouldn't come back
to the group.

848

00:42:49,870 --> 00:42:52,010
It wouldn't be a safe space
with you there.

849
00:42:52,210 --> 00:42:53,800
I didn't know.

850
00:42:54,000 --> 00:42:56,480
I didn't know who he was.

851
00:42:57,530 --> 00:42:59,780
You should have.

852
00:43:00,990 --> 00:43:02,990
[door opens, shuts]

853
00:43:23,140 --> 00:43:24,580
[Nuolzot] Invincible?

854
00:43:24,780 --> 00:43:26,920
Invincible.

855
00:43:27,120 --> 00:43:28,790
- Invincible.
- Huh!

856
00:43:28,990 --> 00:43:30,690
We're here.

857
00:43:35,020 --> 00:43:38,030
[Thraxans exclaiming]

858
00:43:54,790 --> 00:43:57,550
Uh... hi?

859
00:44:01,930 --> 00:44:04,080
Oh, don't mind them.
Come.

860

00:44:04,280 --> 00:44:06,890

The monarch wants
to meet you at once.

861

00:44:12,190 --> 00:44:16,720

Wait, what exactly about
this planet needs saving?

862

00:44:16,910 --> 00:44:18,430

Where are the meteors?

863

00:44:18,620 --> 00:44:20,610

Meteors?
What meteors?

864

00:44:22,610 --> 00:44:26,430

The ones that are
killing billions?

865

00:44:26,630 --> 00:44:29,640

Oh, yeah, those meteors.

866

00:44:29,840 --> 00:44:31,610

You know, must be
a touch of dementia.

867

00:44:31,800 --> 00:44:34,480

We age much quicker
than you humans, you know.

868

00:44:34,680 --> 00:44:37,840

Uh, don't worry,
the monarch will explain all.

869

00:44:46,470 --> 00:44:48,470

Your Majesty.

870
00:44:50,600 --> 00:44:54,210
May I present Invincible
of Earth.

871
00:44:54,410 --> 00:44:56,940
Oh. [clears throat]

872
00:45:06,280 --> 00:45:08,520
[Nolan] Hello, son.

873
00:45:08,720 --> 00:45:09,780
Huh?

874
00:45:11,290 --> 00:45:12,910
It's been a while.

875
00:45:15,460 --> 00:45:16,880
Dad?

INVINCIBLE
