everyone else to clean up.

171
00:08:58,664 --> 00:09:01,291
Again and again.

172
00:09:01,375 --> 00:09:03,585
I know, I know.

173
00:09:05,504 --> 00:09:07,881
What are we supposed
to do with him?

174 .

00:09:07,965 --> 00:09:10,842
Children that age
need constant care.

175

00:09:10,926 --> 00:09:12,636
He doesn't even had a name.

176

00:09:12,719 --> 00:09:15,138
Well, he ages fast.

177

00:09:15,222 --> 00:09:18,058
He won't stay a
toddler for long.

178

00:09:18,141 --> 00:09:20,894
Maybe I can take a year off
from college to look after him.

179

00:09:20,978 --> 00:09:22,896
What? No. Absolutely not.

180

00:09:22,980 --> 00:09:24,940
I've been gone for two months.

181

00:09:25,023 --> 00:09:27,234
It's not like my grades are
gonna be amazing anyway.

182

00:09:27,317 --> 00:09:28,318
[toddler giggles]

183

00:09:28,402 --> 00:09:31,280
And I changed a lot of
diapers on the way home.

184

00:09:31,363 --> 00:09:32,531
[toddler laughs]

185
00:09:32,614 --> 00:09:35,075
What about Cecil?

186
00:09:35,158 --> 00:09:36,493
We can't.

187
00:09:36,576 --> 00:09:38,120
There's got to be other options.

188
00:09:38,203 --> 00:09:41,248
Like what? He's purple.

189
00:09:41,331 --> 00:09:44,126
[cooing]

190
00:09:44,209 --> 00:09:45,961
[squeals]

191
00:09:46,044 --> 00:09:47,504
[laughs]

192
00:09:47,587 --> 00:09:49,339
I can't give him to a stranger,

193
00:09:49,423 --> 00:09:52,509
and I don't want to
leave college, but...

194
00:09:53,552 --> 00:09:55,470
Y-You're right about
Dad leaving his problems

195
00:09:55,554 --> 00:09:57,556
for other people to fix.

196
00:09:59,266 --> 00:10:01,393
[sighs] But he's my brother.

197
00:10:01,476 --> 00:10:04,896
And I-I can't just abandon him.

198
00:10:04,980 --> 00:10:06,898
[Mark sighs]

199
00:10:08,150 --> 00:10:10,277
Well, you must get it from
my side of the family.

200
00:10:10,360 --> 00:10:12,029
[toddler crying]

201
00:10:12,112 --> 00:10:13,113
[Mark gasps]

202
00:10:13,196 --> 00:10:14,990
[toddler bawling]

203
00:10:18,368 --> 00:10:20,787
[Debbie] Don't
quit school, Mark.

204
00:10:20,871 --> 00:10:22,664
I'll take some time off of work

205
00:10:22,748 --> 00:10:24,875
and look after him
for a few days.

206
00:10:24,958 --> 00:10:26,752
I'll figure something out.

207
00:10:26,835 --> 00:10:28,337
[laughs]

208
00:10:28,420 --> 00:10:29,629
[Mark sighs]

209
00:10:29,713 --> 00:10:31,340
[sniffs]

210
00:10:31,423 --> 00:10:33,759
Mm, but you're
changing that diaper

211
00:10:33,842 --> 00:10:35,677
before you go anywhere.

212
00:10:36,887 --> 00:10:38,138
[busy chatter]

213
00:10:38,221 --> 00:10:39,949
All right, have someone
look into the sighting.

214
00:10:39,973 --> 00:10:42,142
It's probably a hoax,
but we can't risk it.

215
00:10:42,225 --> 00:10:44,561
I want a report in an hour.

216
00:10:45,896 --> 00:10:47,898
[busy chatter continues]

217
00:10:49,191 --> 00:10:51,318
Sir, may I have a minute?

218

00:10:51,401 --> 00:10:54,905
We're a little busy, Donald,
if you hadn't noticed.

219

00:10:54,988 --> 00:10:56,865
I need you to make time for...

220

00:10:56,948 --> 00:10:58,325
[sighs]

221

00:10:58,408 --> 00:11:00,160
this.

222

00:11:02,329 --> 00:11:04,331
[frustrated grunt,
shaky breathing]

223

00:11:05,665 --> 00:11:07,209
Everybody out!

224

00:11:12,130 --> 00:11:13,465
You heard me!

225

00:11:13,548 --> 00:11:14,966
I need the room.

226

00:11:15,050 --> 00:11:16,426
Now.

227

00:11:16,510 --> 00:11:18,512
[murmuring]

228

00:11:21,515 --> 00:11:22,516
[clears throat]

229

00:11:30,899 --> 00:11:32,484

Okay.

230

00:11:32,567 --> 00:11:35,070

You've got my attention.

231

00:11:35,153 --> 00:11:37,781

After Omni-Man
went bad last year,

232

00:11:37,864 --> 00:11:41,410

we blew up our surveillance
house to stop him.

233

00:11:41,493 --> 00:11:43,829

You triggered it after
getting everyone to safety.

234

00:11:43,912 --> 00:11:46,540

You barely made it
out alive yourself.

235

00:11:46,623 --> 00:11:49,835

So why don't I remember it?

236

00:11:49,918 --> 00:11:52,379

You were in shock. You
got burned pretty bad.

237

00:11:53,422 --> 00:11:54,881

Burned?

238

00:11:54,965 --> 00:11:56,925

Is that what you call

239

00:11:57,008 --> 00:11:58,927

this?

240
00:12:00,929 --> 00:12:02,764
With respect, sir,

241
00:12:02,848 --> 00:12:05,100
what did you do to me?

242
00:12:08,145 --> 00:12:09,312
[worker] Oh.

243
00:12:14,985 --> 00:12:16,862
I thought I was on
the White Room list.

244
00:12:16,945 --> 00:12:19,865
You are, for most of it.

245
00:12:19,948 --> 00:12:21,366
Lights.

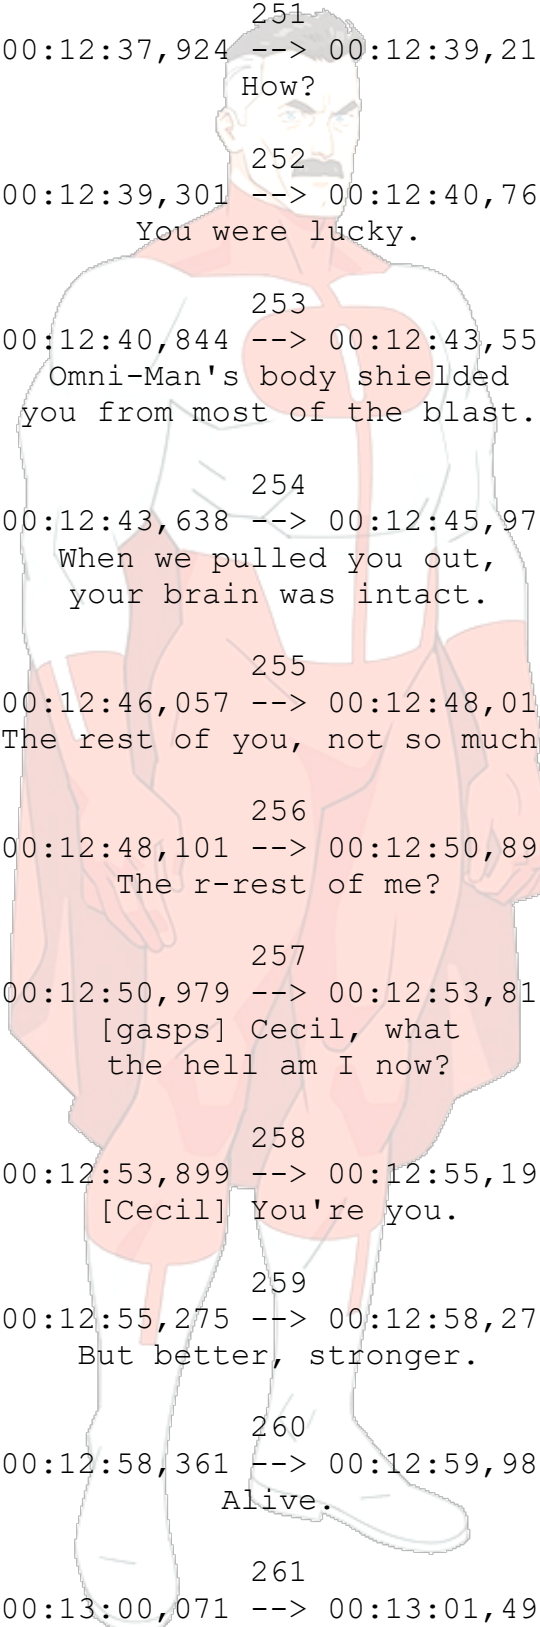

246
00:12:23,702 --> 00:12:26,204
[shaky breath] What is that?

247
00:12:26,288 --> 00:12:28,290
[sighs]

248
00:12:28,373 --> 00:12:30,417
It's what we did to you.

249
00:12:30,500 --> 00:12:33,962
State of the art. It's
expensive as hell.

250
00:12:34,045 --> 00:12:36,882
Damn sight better than your
old one, if you ask me.

251
00:12:37,924 --> 00:12:39,217
How?

252
00:12:39,301 --> 00:12:40,760
You were lucky.

253
00:12:40,844 --> 00:12:43,555
Omni-Man's body shielded
you from most of the blast.

254
00:12:43,638 --> 00:12:45,974
When we pulled you out,
your brain was intact.

255
00:12:46,057 --> 00:12:48,018
The rest of you, not so much.

256
00:12:48,101 --> 00:12:50,896
The r-rest of me?

257
00:12:50,979 --> 00:12:53,815
[gasps] Cecil, what
the hell am I now?

258
00:12:53,899 --> 00:12:55,192
[Cecil] You're you.

259
00:12:55,275 --> 00:12:58,278
But better, stronger.

260
00:12:58,361 --> 00:12:59,988
Alive.

261
00:13:00,071 --> 00:13:01,490
Uh...

262
00:13:01,573 --> 00:13:04,910
I-I don't remember... I
don't remember any of it.

263
00:13:05,952 --> 00:13:08,788
All these people
knew and I didn't?

264
00:13:08,872 --> 00:13:10,040
PTSD's a bitch.

265
00:13:10,123 --> 00:13:11,726
We figured you'd be
better off without it.

266
00:13:11,750 --> 00:13:13,793
You mean you'd be better off.

267
00:13:13,877 --> 00:13:15,545
- You had no right.
- [sighs]

268
00:13:15,629 --> 00:13:18,548
What do you want, Donald?
Would you rather be dead?

269
00:13:18,632 --> 00:13:21,593
You know the world we
live in, what the job is.

270
00:13:21,676 --> 00:13:23,345
There's no time for
existential angst.

271
00:13:23,428 --> 00:13:26,473
Angst? That's what you call it?

272
00:13:26,556 --> 00:13:28,141
- Jesus, Cecil.
- [gasps]

273
00:13:28,225 --> 00:13:30,036
I knew you were cold, but
I never knew you were...

274
00:13:30,060 --> 00:13:31,520
Uh, sirs?

275
00:13:31,603 --> 00:13:33,480
- What?
- What?

276
00:13:33,563 --> 00:13:35,315
[William groans]

277
00:13:37,943 --> 00:13:41,696
And that's more than enough
philosophy for today.

278
00:13:44,741 --> 00:13:46,076
Hmm... Hmm?

279
00:13:46,159 --> 00:13:47,439
- [laughs]
- [knocking at window]

280
00:13:47,494 --> 00:13:48,745
[gasping]

281
00:13:48,828 --> 00:13:49,829
Hmm?

282 .

00:13:49,913 --> 00:13:52,040
Since when did you start
locking the window?

283

00:13:52,123 --> 00:13:54,960
Mark. Holy shit.

284

00:13:55,043 --> 00:13:56,711
Um, I started locking it

285

00:13:56,795 --> 00:13:59,506
after that giant bug dressed
like a dog showed up.

286

00:13:59,589 --> 00:14:01,383
Did you save them
from those meteors?

287

00:14:01,466 --> 00:14:03,635
Meteors? Oh, right.

288

00:14:03,718 --> 00:14:05,303
Um...

289

00:14:05,387 --> 00:14:07,222
Yes and no?

290

00:14:07,305 --> 00:14:09,307
Um, it got...

291

00:14:09,391 --> 00:14:12,978
It got weird... for me.

292

00:14:13,061 --> 00:14:14,312
Yeah, I kind of figured.

293

00:14:14,396 --> 00:14:15,730
You were gone a long time.

294

00:14:15,814 --> 00:14:17,524
Like forever in college years.

295

00:14:19,276 --> 00:14:21,736
You need to go see
the dean, by the way.

296

00:14:21,820 --> 00:14:24,364
Something about
academic probation?

297

00:14:24,447 --> 00:14:26,283
You said you'd cover for me.

298

00:14:26,366 --> 00:14:28,118
I did, for a while.

299

00:14:28,201 --> 00:14:29,369
Two months, Mark.

300

00:14:29,452 --> 00:14:31,830
That's more excuses
than anyone can make up.

301

00:14:31,913 --> 00:14:32,914
What happened?

302

00:14:32,998 --> 00:14:36,334
[scoffs] Uh, a lot.

303

00:14:37,752 --> 00:14:39,212
I saw my dad.

304

00:14:39,296 --> 00:14:40,338

Your dad?

305

00:14:40,422 --> 00:14:41,965

Look, I'll-I'll tell
you all about it,

306

00:14:42,048 --> 00:14:45,343
but I need to see Amber first.

307

00:14:45,427 --> 00:14:48,847
Oh, sure, ditch me for your
girlfriend, why don't you?

308

00:14:48,930 --> 00:14:52,684
It'll give you time to put
all my posters back up.

309

00:14:52,767 --> 00:14:54,185
All of them.

310

00:14:54,269 --> 00:14:55,270
[groans]

311

00:14:56,271 --> 00:14:58,148
- [whooshing]
- [gasps]

312

00:14:59,190 --> 00:15:00,692
And when exactly

313

00:15:00,775 --> 00:15:03,361
were you planning to
tell me you were back?

314

00:15:03,445 --> 00:15:06,573
I mean, it's not

like you didn't know.

315

00:15:06,656 --> 00:15:09,117

I ordered you not to go.
You were gone two months.

316

00:15:09,200 --> 00:15:10,535

Now you don't even check in?

317

00:15:10,619 --> 00:15:12,954

I needed to see my mom
and my girlfriend first.

318

00:15:13,038 --> 00:15:14,998

We had a deal, Mark.

319

00:15:15,081 --> 00:15:16,642

You promised, if I
put you in the field,

320

00:15:16,666 --> 00:15:18,001

you'd follow orders.

321

00:15:18,084 --> 00:15:19,854

You don't get to pick and
choose when that applies.

322

00:15:19,878 --> 00:15:21,838

I saved millions of
lives out there, Cecil.

323

00:15:21,921 --> 00:15:24,132

And it looks like everything
here was just fine.

324

00:15:24,215 --> 00:15:27,761

Yeah. Things were just peachy.

325
00:15:29,054 --> 00:15:30,889
[laughing]

326
00:15:30,972 --> 00:15:32,390
[grunts]

327
00:15:32,474 --> 00:15:35,518
[screaming, grunting]

328
00:15:42,692 --> 00:15:44,027
[grunts]

329
00:15:45,862 --> 00:15:49,074
[laughing]

330
00:15:49,157 --> 00:15:51,034
The Guardians almost
died saving the planet

331
00:15:51,117 --> 00:15:53,745
while you were off
gallivanting with space bugs.

332
00:15:53,828 --> 00:15:57,665
What I did out there, wh-what
I found was important.

333
00:16:00,752 --> 00:16:03,213
You already know, don't you?

334
00:16:04,881 --> 00:16:06,508
[sighs]

335
00:16:06,591 --> 00:16:09,302
We keep an eye on Debbie

for her protection.

336

00:16:09,386 --> 00:16:11,054
Passive monitoring, mostly.

337

00:16:11,137 --> 00:16:13,181
Certain keywords
trigger a closer listen.

338

00:16:13,264 --> 00:16:15,100
[scoffs] Unbelievable.

339

00:16:15,183 --> 00:16:17,852
You're angry about
me not reporting in?

340

00:16:17,936 --> 00:16:19,270
I don't need to.

341

00:16:19,354 --> 00:16:21,106
You got cameras
in my mom's house.

342

00:16:21,189 --> 00:16:24,359
It's not cameras. We
would never do that.

343

00:16:24,442 --> 00:16:27,112
All right, since you
already know everything,

344

00:16:27,195 --> 00:16:29,364
I'll go see my girlfriend
like I planned.

345

00:16:29,447 --> 00:16:30,532
Fine by me.

346
00:16:30,615 --> 00:16:32,367
I'll send a team to
pick up Nolan's kid.

347
00:16:32,450 --> 00:16:34,077
[gasps] You can't.

348
00:16:34,160 --> 00:16:36,538
What are you gonna do?
Leave him with your mom?

349
00:16:36,621 --> 00:16:38,790
He's an alien.

350
00:16:38,873 --> 00:16:40,917
We're more qualified

sound super optional.

706

00:31:44,987 --> 00:31:47,740
- Got room for one more?

- Eve!

707

00:31:47,823 --> 00:31:49,283

[sighs]

708

00:31:52,161 --> 00:31:55,497

Hi. R-Rex said you
guys could use a hand.

709

00:31:55,581 --> 00:31:56,957

[Robot] We could indeed.

710

00:31:57,041 --> 00:31:59,126

But will you be vulnerable
to these creatures?

711

00:31:59,209 --> 00:32:02,963

Uh, you're not the only one
who can make a suit of armor.

712

00:32:05,215 --> 00:32:08,677

[Robot] Hmm. Two
minutes to launch.

713

00:32:08,761 --> 00:32:12,431

Well, that's my cue to leave
you brave little astronauts

714

00:32:12,514 --> 00:32:14,683

to the endless
darkness of space.

715

00:32:14,767 --> 00:32:18,437

If you succeed, well, I taught
you everything you know.

716

00:32:18,520 --> 00:32:20,439

If not... [laughs]

717

00:32:20,522 --> 00:32:22,274
I guess we're all fucked.

718

00:32:25,569 --> 00:32:28,781
[announcer] Three, two, one.

719

00:32:30,115 --> 00:32:32,409
We have ignition.

720

00:32:32,493 --> 00:32:34,870
[Rex] So

721

00:32:34,953 --> 00:32:36,997
you two may not know this,

722

00:32:37,081 --> 00:32:38,749
or acknowledge it any way,

723

00:32:38,832 --> 00:32:43,629
but this guy's now the
ranking Guardian on Earth.

724

00:32:43,712 --> 00:32:45,631
[scoffs] Says who?

725

00:32:45,714 --> 00:32:48,133
Uh, me. Just now.

726

00:32:49,176 --> 00:32:51,220
It's like calling shotgun.

727

00:32:51,303 --> 00:32:52,429
[both sigh]

728

00:32:52,513 --> 00:32:55,349

Okay, first rule, no
rolling those eyes.

729

00:32:55,432 --> 00:32:57,309

Second rule, get ready.

730

00:32:57,393 --> 00:32:59,978

Because we are just
gonna chill out

731

00:33:00,062 --> 00:33:02,022

until those losers get back.

732

00:33:02,106 --> 00:33:03,607

And

733

00:33:03,691 --> 00:33:05,359

there is no third rule.

734

00:33:05,442 --> 00:33:08,278

We're supposed to monitor other
threats while they're gone.

735

00:33:08,362 --> 00:33:10,864

Oh, sure, like there's gonna be

736

00:33:10,948 --> 00:33:15,619

two huge world-shattering
emergencies at the same time.

737

00:33:15,703 --> 00:33:17,621

Oh, no! [Laughs]

738

00:33:17,705 --> 00:33:20,207

I'd like to see that, Rae.

739
00:33:22,668 --> 00:33:24,795
[radio chatter]

740
00:33:28,590 --> 00:33:31,218
Hey. Who's there?

741
00:33:32,511 --> 00:33:34,304
Sorry, Sarge. [Chuckles]

742
00:33:34,388 --> 00:33:37,182
For fuck's sake, Jerry. You
scared the shit out of me.

743
00:33:37,266 --> 00:33:39,351
I-I know, I know
it's not my break,

744
00:33:39,435 --> 00:33:41,145
but I-I missed lunch.

745
00:33:41,228 --> 00:33:44,231
[groans] Get your damn
snack and get out of...

746
00:33:44,314 --> 00:33:45,357
[grunts]

747
00:33:46,358 --> 00:33:47,735
Ah, hell!

748
00:33:51,113 --> 00:33:52,823
[growls]

749
00:33:59,037 --> 00:33:59,955
Move!

750
00:34:00,038 --> 00:34:01,540
Yes, sir.

751
00:34:02,541 --> 00:34:04,334
And remember,

752
00:34:04,418 --> 00:34:08,172
kill first, ask questions later.

753
00:34:08,255 --> 00:34:09,840
[alarm ringing]

754
00:34:09,922 --> 00:34:11,300
[groans]

755
00:34:12,301 --> 00:34:14,636
We have a problem.

756
00:34:14,719 --> 00:34:16,638
What's a problem

757
00:34:16,722 --> 00:34:19,558
but an opportunity in disguise?

758
00:34:19,641 --> 00:34:23,020
You want them to
know we're here?

759
00:34:23,103 --> 00:34:24,521
Of course.

760
00:34:24,605 --> 00:34:27,858
This just speeds
things up a bit.

761

00:34:29,693 --> 00:34:31,069
[Eve] Man, my dad's a dick,

762

00:34:31,152 --> 00:34:34,156
but you win the Shitty
Dad Contest hands down.

763

00:34:34,239 --> 00:34:37,534
Yeah, but it was
worse than that.

764

00:34:37,618 --> 00:34:39,161
I was gone for so long,

765

00:34:39,244 --> 00:34:42,289
I wasn't there for
Amber, my mom, you.

766

00:34:42,371 --> 00:34:44,291
And you guys needed me.

767

00:34:44,373 --> 00:34:46,960
[Eve] I'm sure you'll get a
chance to make it up to me soon.

768

00:34:47,043 --> 00:34:48,337
[Immortal] Listen up.

769

00:34:48,420 --> 00:34:50,672
We need more information
about the Martian ship.

770

00:34:50,755 --> 00:34:52,757
Its weapon systems,
what kind of resistance

771

00:34:52,841 --> 00:34:54,842
we can expect once
we're on board.

772

00:34:54,927 --> 00:34:56,428
So, Shapemith here

773

00:34:56,512 --> 00:34:59,181
is going to answer
all of our questions.

774

00:34:59,264 --> 00:35:03,685
I'd rather not, since those
are Martian military secrets.

775

00:35:03,769 --> 00:35:05,229
[growls]

776

00:35:05,312 --> 00:35:06,312
But I will, though.

777

00:35:06,355 --> 00:35:07,940
That ship is one
of our warships.

778

00:35:08,023 --> 00:35:10,943
It's very big. There could
be millions of squids on it,

779

00:35:11,026 --> 00:35:12,236
but hopefully not.

780

00:35:12,319 --> 00:35:14,822
They're small, but very
strong for their size.

781

00:35:14,905 --> 00:35:18,033

A ship full of demon
jellyfish with super strength.

782

00:35:18,116 --> 00:35:19,159

Great.

783

00:35:19,243 --> 00:35:20,723

There must be Martians
on board, too.

784

00:35:20,786 --> 00:35:22,506

The squids can't pilot
a ship on their own.

785

00:35:22,579 --> 00:35:24,331

We should seek
these Martians out.

786

00:35:24,414 --> 00:35:25,624

Make contact.

787

00:35:25,707 --> 00:35:28,168

Ah, yes, my old chums.

788

00:35:28,252 --> 00:35:29,545

They, um...

789

00:35:29,628 --> 00:35:32,464

They may not be
enthusiastic to see me.

790

00:35:32,548 --> 00:35:34,049

I imagine not.

791

00:35:34,132 --> 00:35:36,343

Robot, what's your plan
to get us on board?

792

00:35:36,426 --> 00:35:38,637
In just a minute, I'll
cut the shuttle's power.

793

00:35:38,720 --> 00:35:40,722
Like Shapesmith says, the
Martian ship is large,

794

00:35:40,806 --> 00:35:42,683
so we'll look like
debris to them.

795

00:35:42,766 --> 00:35:44,786
Then we'll clamp on and cut
an entry hole in the hull.

796

00:35:44,810 --> 00:35:45,936
Good.

797

00:35:46,019 --> 00:35:48,272
So good. But it won't work.

798

00:35:48,355 --> 00:35:50,482
Why not?

799

00:35:50,566 --> 00:35:52,210
[Shapesmith] The warship's
sensors are very powerful.

800

00:35:52,234 --> 00:35:54,194
They'll know the difference
between space garbage

801

00:35:54,278 --> 00:35:56,154
and whatever we are.

802
00:35:56,238 --> 00:35:57,322
You're telling us this now?

803
00:35:57,406 --> 00:35:59,199
Yes, I'm telling you this now.

804
00:35:59,283 --> 00:36:01,493
Also, they won't
hesitate to fire missiles

805
00:36:01,577 --> 00:36:02,744
when they spot us coming.

806
00:36:02,828 --> 00:36:04,121
[Robot] Shapsmith...?

807
00:36:04,204 --> 00:36:05,306
[Shapsmith] Yes, those. Look.

808
00:36:05,330 --> 00:36:07,499
Th-Those are the missiles
I was talking about.

809
00:36:07,583 --> 00:36:09,334
[Mark] Don't we have
shields or something?

810
00:36:09,418 --> 00:36:11,104
[Robot] This isn't Star
Trek. We're unarmed.

811
00:36:11,128 --> 00:36:12,838
Everyone, close to me. Now!

812
00:36:17,593 --> 00:36:19,595
[gasping, groaning]

813
00:36:24,975 --> 00:36:26,977
[Rae] Half pepperoni,
half mushroom,

814
00:36:27,060 --> 00:36:29,396
an order of garlic
knots and some wings.

815
00:36:29,479 --> 00:36:30,856
Two garlic knots.

816
00:36:30,939 --> 00:36:32,357
[sighs] Two garlic knots.

817
00:36:32,441 --> 00:36:34,192
[buzzer ringing]

818
00:36:34,276 --> 00:36:36,028
Uh-oh.

819
00:36:36,111 --> 00:36:38,238
No, no, no. Keep ordering, Rae.

820
00:36:38,322 --> 00:36:39,924
Cecil's just checking
in to say hi, right?

821
00:36:39,948 --> 00:36:41,909
Cecil? Right?

822
00:36:45,120 --> 00:36:46,455
[Eve grunts]

823
00:36:46,538 --> 00:36:48,206
- Oh, God.

- We need a plan.

824

00:36:48,290 --> 00:36:49,541
I'm gonna barf.

825

00:36:49,625 --> 00:36:51,168
Close your damn eyes, then.

826

00:36:51,251 --> 00:36:52,711
[Robot] Please, calm down.

827

00:36:52,794 --> 00:36:54,838
We have enough oxygen
for at least ten minutes.

828

00:36:54,922 --> 00:36:57,549
I'm not sure I can hold this
together for ten minutes.

829

00:36:57,633 --> 00:37:01,136
Everyone who can fly,
push towards the ship.

830

00:37:01,219 --> 00:37:03,639
[all grunting]

831

00:37:07,851 --> 00:37:09,478
[Eve grunts]

832

00:37:14,441 --> 00:37:16,693
[crackling]

833

00:37:16,777 --> 00:37:18,153
[grunting, gasping]

834

00:37:20,864 --> 00:37:22,449

Hello, fellow Martians.

835

00:37:22,532 --> 00:37:24,701

Nice to see you all again.

836

00:37:24,785 --> 00:37:26,662

I was just on Earth and, um...

837

00:37:26,745 --> 00:37:28,664

Earth? You're the one!

838

00:37:28,747 --> 00:37:30,582

You let all of this happen!

839

00:37:30,666 --> 00:37:32,834

I know he is the
cause of all this,

840

00:37:32,918 --> 00:37:34,962

but we are here to help.

841

00:37:35,045 --> 00:37:36,964

You're humans. They'll
enslave you immediately.

842

00:37:37,047 --> 00:37:38,840

We're not like the
rest of our kind.

843

00:37:38,924 --> 00:37:41,301

- We can withstand them...

- [Bulletproof] Ugh!

844

00:37:41,385 --> 00:37:43,220

- Gross.

- No!

845
00:37:43,303 --> 00:37:45,931
- [squeals]
- [Martians gasp]

846
00:37:46,014 --> 00:37:47,683
Got it.

847
00:37:47,766 --> 00:37:49,935
They share minds! Now all
the squids know you're here!

848
00:37:50,018 --> 00:37:52,521
[screaming]

849
00:37:53,605 --> 00:37:54,982
[rumbling]

850
00:37:56,525 --> 00:37:59,069
[screeching]

851
00:38:00,112 --> 00:38:02,197
[chuckling]

852
00:38:02,280 --> 00:38:04,825
You got any instructions, boss?

853
00:38:04,908 --> 00:38:07,244
Mm, get a soda.

854
00:38:07,327 --> 00:38:09,204
And relax.

855
00:38:09,287 --> 00:38:10,747
The king has a plan.

856 .

00:38:10,831 --> 00:38:12,833
Those are nuclear blast doors.

857

00:38:12,916 --> 00:38:14,835
Impenetrable from the outside.

858

00:38:14,918 --> 00:38:18,880
We sealed the tunnel, so
there's no other way in.

859

00:38:18,964 --> 00:38:20,674
Now, we just sit here and wait

860

00:38:20,757 --> 00:38:23,427
for the government to
comply with our demands.

861

00:38:23,510 --> 00:38:28,473
Otherwise, New York,

862

00:38:28,557 --> 00:38:30,809
Los Angeles,

863

00:38:30,892 --> 00:38:32,436
Chicago...

864

00:38:32,519 --> 00:38:34,479
[cackling]

865

00:38:34,563 --> 00:38:36,732
[alarm ringing]

866

00:38:36,815 --> 00:38:38,650
Die fast, assholes.

867

00:38:38,734 --> 00:38:40,986

My pizza's getting cold.

868
00:38:41,069 --> 00:38:43,655
[screeching]

869
00:38:44,823 --> 00:38:46,575
Ah, humans.

870
00:38:46,658 --> 00:38:50,120
You think you can
stop us? You cannot.

871
00:38:50,203 --> 00:38:51,580
You.

872
00:38:51,663 --> 00:38:53,206
We remember you.

873
00:38:53,290 --> 00:38:55,375
We can't pierce your skin.

874
00:38:55,459 --> 00:38:59,087
No matter. There will be
others for our purposes.

875
00:38:59,171 --> 00:39:00,547
[Immortal] Get them off him!

876
00:39:00,630 --> 00:39:02,549
It's the only way.

877
00:39:05,385 --> 00:39:06,970
[laughs]

878
00:39:10,265 --> 00:39:13,351
[grunting]

879
00:39:13,435 --> 00:39:14,936
There's too many!

880
00:39:15,020 --> 00:39:17,314
We need a new plan.

881
00:39:21,276 --> 00:39:24,029
[grunting, groaning]

882
00:39:24,112 --> 00:39:25,506
[Robot] I disrupted
their nervous systems,

883
00:39:25,530 --> 00:39:27,199
but they'll be awake again soon.

884
00:39:27,282 --> 00:39:29,618
Kill as many as you
can while they're out.

885
