LOCKE & KEY

CREATED BY

Meredith Averill | Carlton Cuse | Aron Eli Coleite | Joe Hill

EPISODE 1.09

"Echoes"

As pieces begin to click into place for the Locke siblings, Ellie opens up about her connection to Dodge, and Kinsey comes clean with her friends.

Coby Bird	...	Rufus Whedon
Genevieve Kang	...	Jackie Veda
Thomas Mitchell Barnet	...	Sam Lesser
Hallea Jones	...	Eden Hawkins
Asha Bromfield	...	Zadie Wells
Steven Williams	...	Joe Ridgeway
Felix Mallard	...	Lucas Caravaggio
Kolton Stewart	...	Brinker Martin
Kevin Alves	...	Javi
André Dae Kim	...	Young Mark Cho
Ellen Olivia Giddings	...	Young Kim Topher
Nicole James	...	Young Erin Voss
Erika Nonato	...	Dorm Girl
Owen Ois	...	Young Duncan
Sabrina Saudin	...	Young Ellie Whedon

1
00:00:07,007 --> 00:00:09,009
[lively instrumentals]

2
00:00:12,178 --> 00:00:14,264
[song intensifies, then fades to silence]

3
00:00:17,475 --> 00:00:19,561
-[Ellie] Great work today, you guys.
-[students murmur]

4
00:00:19,644 --> 00:00:22,230
Sarah, strong finish. I loved that.

5
00:00:22,313 --> 00:00:23,356
[Sarah] Thanks, Ms. Whedon.

6
00:00:23,481 --> 00:00:25,150
[Ellie] Alexis, did you find a ride home?

7
00:00:25,233 --> 00:00:26,526
[Alexis] Yeah, my mom's coming.

8
00:00:26,609 --> 00:00:29,529
[Ellie] Good. [sighs] Okay, you guys.
Don't forget to rehydrate

9
00:00:29,946 --> 00:00:31,448
-and get some rest.
-[student] Bye!

10
00:00:31,531 --> 00:00:32,949
[phone buzzes and chimes]

11
00:00:34,284 --> 00:00:35,326
[indistinct chatter]

12
00:00:35,452 --> 00:00:36,453
[clicks open phone screen]

13
00:00:38,830 --> 00:00:40,206
-[engine revs]

-[car alarm chirps]

14

00:00:41,041 --> 00:00:41,916
[notification chimes]

15

00:00:42,625 --> 00:00:44,252
[mellow instrumentals]

16

00:00:45,587 --> 00:00:46,463
[car door slams]

17

00:00:49,841 --> 00:00:50,675
[exhales sharply]

18

00:00:55,013 --> 00:00:55,847
[gasps]

19

00:01:04,230 --> 00:01:05,482
[Ellie] Rendell Locke is dead...

20

00:01:06,274 --> 00:01:08,651
-[breathes shakily] murdered.
-[man] What?

21

00:01:10,236 --> 00:01:11,196
What happened?

22

00:01:11,362 --> 00:01:12,697
You know what happened.

23

00:01:13,364 --> 00:01:14,949
This is all my fault.

24

00:01:15,617 --> 00:01:17,077
-[kicks door]
-[Ellie cries]

25

00:01:18,328 --> 00:01:19,871
What are we going to do?

26

00:01:19,954 --> 00:01:21,289

I know what I need to do.

27

00:01:22,040 --> 00:01:23,041
[clicks off phone screen]

28

00:01:23,583 --> 00:01:24,501
[clicks open door]

29

00:01:29,255 --> 00:01:30,215
[whacks chest]

30

00:01:30,590 --> 00:01:31,758
[screams in agony]

31

00:01:32,175 --> 00:01:33,051
[rushing effect]

32

00:01:33,510 --> 00:01:34,385
[explosions]

33

00:01:34,636 --> 00:01:36,429
[flames whip and roar]

34

00:01:45,230 --> 00:01:47,148
[mellow instrumentals fading]

35

00:01:47,649 --> 00:01:48,566
[utensils clatter]

36

00:01:49,442 --> 00:01:51,444
So how are things over at Key House?

37

00:01:52,320 --> 00:01:55,073
It must be pretty different
now that the Lockes have moved back in.

38

00:01:55,156 --> 00:01:58,576
Actually, none of them
has ever lived there before so...

39

00:01:58,660 --> 00:02:01,204

[scoffs] Right. Good point.

40

00:02:01,704 --> 00:02:05,250
So, not back in, just in.

41

00:02:06,668 --> 00:02:09,045
The raccoons got into the trash
last night.

42

00:02:09,129 --> 00:02:12,215
Otherwise, nothing unusual to report.

43

00:02:14,759 --> 00:02:15,635
Good.

44

00:02:17,053 --> 00:02:20,098
I mean,
I'm glad things are going smoothly.

45

00:02:20,807 --> 00:02:22,851
-[knocking at door]
-Oh.

46

00:02:24,060 --> 00:02:25,645
Keep eating. I'll get it. [sighs]

47

00:02:26,604 --> 00:02:27,522
[door creaks open]

48

00:02:33,194 --> 00:02:34,320
[mellow instrumentals]

49

00:02:34,529 --> 00:02:35,446
Lucas?

50

00:02:37,031 --> 00:02:38,032
Hey, Ellie.

51

00:02:46,875 --> 00:02:47,917
[kisses hand]

52

00:02:49,419 --> 00:02:50,587
I'm going to need your help.

53
00:02:56,259 --> 00:02:58,344
[birds chirping]

54
00:03:05,560 --> 00:03:06,853
[wind chimes dinging]

55
00:03:10,607 --> 00:03:11,649
[keys jingle]

56
00:03:12,609 --> 00:03:14,110
-[key rattles]
-[lock clicks]

57
00:03:16,946 --> 00:03:18,823
[door creaks open]

58
00:03:19,782 --> 00:03:20,742
Hello?

59
00:03:21,576 --> 00:03:22,410
Nina?

60
00:03:24,746 --> 00:03:25,788
Anybody home?

61
00:03:28,291 --> 00:03:30,293
[suspenseful instrumentals]

62
00:03:53,316 --> 00:03:54,192
[ladder rattles]

63
00:04:05,203 --> 00:04:06,496
[instrumentals intensify]

64
00:04:22,345 --> 00:04:23,304
[door opens]

65
00:04:25,139 --> 00:04:26,307

Hey, take off your wet...

66

00:04:26,432 --> 00:04:27,725
-[thudding footsteps]
-shoes.

67

00:04:32,772 --> 00:04:33,982
[ladder creaks]

68

00:04:35,358 --> 00:04:36,526
[lamp rattles]

69

00:04:37,318 --> 00:04:38,319
[faint rattling]

70

00:04:39,487 --> 00:04:40,363
[bag thuds onto floor]

71

00:04:44,742 --> 00:04:45,785
-[slams door]
-[clicks lock]

72

00:04:52,292 --> 00:04:55,211
-[bangs on door] Hello? It's me. Ellie.
-[Nina gasps]

73

00:04:55,837 --> 00:04:57,213
Oh, Jesus, Ellie.

74

00:04:57,672 --> 00:04:58,506
It's me.

75

00:04:59,215 --> 00:05:00,049
[lock clicks]

76

00:05:00,675 --> 00:05:02,218
[breathless] Oh, God.

77

00:05:02,302 --> 00:05:04,470
-I'm sorry. I'm so sorry.
-[exhales sharply]

78
00:05:04,762 --> 00:05:07,890
Rufus left one of his guys
and he was having a total meltdown.

79
00:05:08,016 --> 00:05:09,976
-[sighs]
-[stammers] I knocked, but no one was home

80
00:05:10,059 --> 00:05:11,519
so I just, I used Rufus' key.

81
00:05:11,602 --> 00:05:14,939
[stammering] Ellie,
you can't just walk into my house.

82
00:05:15,023 --> 00:05:17,275
[chuckles nervously]
You should have called me first.

83
00:05:17,734 --> 00:05:19,027
-[sighs]
-You're right.

84
00:05:19,610 --> 00:05:21,195
You're right. I'm so sorry.

85
00:05:22,030 --> 00:05:26,242
I think it's just when it comes to Rufus,
[stammers] I lose my head...

86
00:05:30,121 --> 00:05:31,998
[Ellie] I found it, the Crown of Shadows.

87
00:05:32,081 --> 00:05:33,666
-[dubious instrumentals]
-Atta girl.

88
00:05:36,127 --> 00:05:37,086
And the key?

89
00:05:37,170 --> 00:05:38,254
[Ellie sighs]

90
00:05:39,297 --> 00:05:40,465
Ellie, where's the key?

91
00:05:41,424 --> 00:05:42,842
I only found the crown.

92
00:05:42,925 --> 00:05:44,802
Well, I guess
you're gonna have to go back again.

93
00:05:45,303 --> 00:05:47,013
But Nina caught me today.

94
00:05:47,096 --> 00:05:48,431
Oh, come on, Ellie.

95
00:05:49,432 --> 00:05:51,768
Without the key
this is just a goth accessory.

96
00:05:53,311 --> 00:05:54,854
A shadow's just a shape on the wall.

97
00:05:55,438 --> 00:05:56,397
Why do you want it?

98
00:05:57,815 --> 00:05:58,691
[Ellie stammers]

99
00:05:59,692 --> 00:06:03,404
[sighs] Where do you keep disappearing to
all the time?

100
00:06:03,488 --> 00:06:04,447
[clicks tongue] Aw.

101
00:06:05,948 --> 00:06:06,991
Are you jealous?

102
00:06:07,075 --> 00:06:10,328

-[seagull caws in the distance]
-Why won't you just answer my questions?

103
00:06:10,745 --> 00:06:12,246
-[camera shutters]
-[floorboards creak]

104
00:06:16,084 --> 00:06:18,044
-Shit!
-[clicks phone screen closed]

105
00:06:18,336 --> 00:06:19,962
[Lucas] Did he just take my picture?

106
00:06:21,547 --> 00:06:22,590
I'll go talk to him.

107
00:06:23,049 --> 00:06:24,634
[Lucas] I have a better idea.

108
00:06:28,554 --> 00:06:29,847
[tires crunching on pavement]

109
00:06:34,644 --> 00:06:35,812
[breaks whine]

110
00:06:36,312 --> 00:06:37,688
-[engine stops]
-[lights click off]

111
00:06:38,064 --> 00:06:39,190
[keys jingle]

112
00:06:39,315 --> 00:06:40,733
[phone keyboard clacking]

113
00:06:43,444 --> 00:06:45,446
Hi, Nina. It's Joe.

114
00:06:46,823 --> 00:06:50,618
[closes door] Yeah, listen, I, uh...
I just saw something

115
00:06:51,327 --> 00:06:52,745
and I can't explain it.

116
00:06:53,037 --> 00:06:55,915
I think I just need to show you.
I'll be home all night.

117
00:07:02,255 --> 00:07:03,714
Hi, Mr. Ridgeway.

118
00:07:04,632 --> 00:07:06,759
I hope you don't mind.
We let ourselves in.

119
00:07:08,219 --> 00:07:11,180
Joe, just give us the cell phone
and we'll... we'll leave, all right?

120
00:07:11,764 --> 00:07:13,433
[stammering] Yeah, how are you...

121
00:07:14,725 --> 00:07:16,352
How did you get here?

122
00:07:17,728 --> 00:07:19,814
You died 25 years ago.

123
00:07:20,440 --> 00:07:21,274
Joe,

124
00:07:21,357 --> 00:07:24,277
-just give us the phone.
-Not until you tell me what's going on.

125
00:07:24,360 --> 00:07:26,946
It's not going to make any sense to you!
Please!

126
00:07:30,783 --> 00:07:31,742
Please.

127
00:07:33,286 --> 00:07:35,288
[dubious instrumentals continue]

128
00:07:38,708 --> 00:07:39,542
[Ellie sighs]

129
00:07:40,543 --> 00:07:41,544
[breathes shakily]

130
00:07:44,338 --> 00:07:45,590
Come on, let's go.

131
00:07:45,673 --> 00:07:47,175
I wish I could, but...

132
00:07:48,301 --> 00:07:49,177
[bag crinkles]

133
00:07:49,760 --> 00:07:51,929
as I recall, Mr. Ridgeway, you were...

134
00:07:53,806 --> 00:07:55,391
always a talker.

135
00:07:55,475 --> 00:07:56,851
Listen, I don't want any trouble.

136
00:07:56,934 --> 00:07:58,102
[gasps] Get off! Get off!

137
00:07:58,478 --> 00:08:00,354
We have the phone.
He's not going to tell anyone.

138
00:08:00,438 --> 00:08:03,107
-[Mr. Ridgeway struggling]
-What are you doing? Let him go!

139
00:08:03,858 --> 00:08:04,692
Oh, my God!

140
00:08:04,775 --> 00:08:07,111
[screaming] No! Let him go!

141
00:08:07,195 --> 00:08:09,030
-[Mr. Ridgeway gasps for air]
-[Ellie] No!

142
00:08:09,155 --> 00:08:10,239
[struggling and gasping]

143
00:08:10,323 --> 00:08:13,576
[screaming] No! [cries]

144
00:08:15,161 --> 00:08:16,579
[instrumentals intensify, then fade]

145
00:08:26,214 --> 00:08:27,131
[car breaks whine]

146
00:08:27,256 --> 00:08:28,424
[engine idles]

147
00:08:29,133 --> 00:08:30,510
[Ellie] Oh, my God. It's Nina.

148
00:08:32,178 --> 00:08:33,262
[Lucas] Guess I'll be going.

149
00:08:34,096 --> 00:08:35,681
-[Ellie] What?
-[Lucas] Bye, Ellie.

150
00:08:36,474 --> 00:08:38,809
-[key rattles and cranks in lock]
-[door creaks open]

151
00:08:39,143 --> 00:08:40,436
Lucas, wait!

152
00:08:43,272 --> 00:08:44,232
Shit!

153
00:08:44,440 --> 00:08:45,775
[suspenseful instrumentals]

154
00:08:46,025 --> 00:08:46,901
[exhales sharply]

155
00:08:50,780 --> 00:08:51,697
[knocking at door]

156
00:08:53,449 --> 00:08:54,283
Joe?

157
00:08:54,867 --> 00:08:58,120
-[breathes shakily]
-Joe, it's Nina! I got your message!

158
00:08:58,204 --> 00:09:00,206
-[clicks phone screen open]
-[keyboard clacking]

159
00:09:01,707 --> 00:09:03,000
[phone rings]

160
00:09:11,842 --> 00:09:12,718
Joe?

161
00:09:15,972 --> 00:09:16,806
Joe!

162
00:09:16,889 --> 00:09:18,891
[inhales sharply] Joe! Joe! No!

163
00:09:18,975 --> 00:09:20,226
[gasping]

164
00:09:20,935 --> 00:09:22,478
Oh... [groans]

165
00:09:23,688 --> 00:09:26,440
[stammers] My friend's dead.

He's not breathing.

166

00:09:26,524 --> 00:09:29,193

-[somber instrumentals]

-There was a plastic bag over his head.

167

00:09:29,360 --> 00:09:33,155

-[breathes shallowly]

-Joe! Joe! [gasps]

168

00:09:33,906 --> 00:09:35,199

[water splashing]

169

00:09:37,743 --> 00:09:39,495

[slow-motion, heavy breathing]

170

00:09:40,246 --> 00:09:41,914

Jackie! Hey!

524
00:27:57,634 --> 00:27:58,885
Slow down. [exhales]

525
00:27:58,968 --> 00:27:59,803
Are you okay?

526
00:28:00,053 --> 00:28:01,304
[indistinct chatter]

527
00:28:02,847 --> 00:28:03,765
Not really.

528
00:28:04,224 --> 00:28:06,267
Fear monsters? Demons?

529
00:28:06,351 --> 00:28:08,061
-Magical keys?
-Yeah, yeah, I know.

530
00:28:08,144 --> 00:28:09,854
[stammers] It's a lot to take in. Yeah.

531

00:28:11,231 --> 00:28:15,110
[sighs, stammers] I'm sorry, I just...
I need a minute, okay?

532
00:28:16,486 --> 00:28:18,488
Yeah. Yeah, okay. Yeah.

533
00:28:22,992 --> 00:28:24,494
So I guess you told her, huh?

534
00:28:25,078 --> 00:28:26,454
[continued chatter]

535
00:28:27,664 --> 00:28:28,957
How'd Eden react?

536
00:28:30,083 --> 00:28:31,501
Surprisingly well.

537
00:28:34,838 --> 00:28:35,672
[Tyler] Uh...

538
00:28:35,755 --> 00:28:37,590
I'm gonna go get some snacks for everyone.

539
00:28:37,674 --> 00:28:39,300
-You want anything?
-I'm good.

540
00:28:43,972 --> 00:28:45,056
[Scot] Eden okay?

541
00:28:45,640 --> 00:28:47,517
-Yeah, she'll be fine.
-[Scot] Good.

542
00:28:47,600 --> 00:28:48,518
Good.

543
00:28:49,144 --> 00:28:51,479
I mean, she's not exactly
my favorite person in the world,

544
00:28:51,563 --> 00:28:54,441
but life would be a lot less interesting
without her, right? [laughs]

545
00:28:54,524 --> 00:28:57,861
So, she got attacked
by a seven pound feral cat?

546
00:28:58,570 --> 00:29:01,030
-[scoffs] 'Cause that makes total sense.
-[Scot] Mm-hmm...

547
00:29:02,157 --> 00:29:04,159
Okay, here's what actually happened.

548
00:29:06,494 --> 00:29:09,205
I used one of the keys
to take the fear out of my head.

549
00:29:10,331 --> 00:29:11,249
[Gabe sighs]

550
00:29:12,333 --> 00:29:14,335
And everything was great for a while.

551
00:29:16,588 --> 00:29:18,006
Then things got messed up.

552
00:29:19,632 --> 00:29:21,634
I let myself get close to you...

553
00:29:23,011 --> 00:29:24,888
even though we were already a thing.

554
00:29:27,807 --> 00:29:30,393
I wasn't worrying about the consequences.

555
00:29:31,019 --> 00:29:34,606
-[sighs] You're both amazing.
-[Gabe scoffs]

556
00:29:36,191 --> 00:29:37,567
I mean, that's the problem.

557
00:29:38,985 --> 00:29:40,862
I know I should choose, but...

558
00:29:42,447 --> 00:29:43,823
I don't want to.

559
00:29:46,034 --> 00:29:48,036
[curious instrumentals]

560
00:29:50,038 --> 00:29:51,164
What if I didn't?

561
00:29:52,874 --> 00:29:54,501
What if I dated you both?

562
00:29:55,752 --> 00:29:57,712
-[phone buzzes]
-[Kinsey stammers]

563
00:29:58,755 --> 00:30:00,089
-[Scot] So--
-Think about it.

564
00:30:00,173 --> 00:30:01,716
-[continued buzzing]
-Just give me a sec.

565
00:30:01,800 --> 00:30:02,759
[Scot stammers]

566
00:30:03,134 --> 00:30:05,261
-Hello?
-It's Ellie. I--

567
00:30:05,512 --> 00:30:07,096
I thought about what you said.

568
00:30:08,181 --> 00:30:09,474

Can we meet at Key House?

569

00:30:09,641 --> 00:30:10,850
[mellow instrumentals]

570

00:30:24,239 --> 00:30:25,156
[engine turns off]

571

00:30:42,340 --> 00:30:43,258
[car door closes]

572

00:30:43,550 --> 00:30:45,260
[approaching footsteps]

573

00:30:47,095 --> 00:30:48,513
[birds chirping]

574

00:30:52,600 --> 00:30:53,518
[Daniel] Nina.

575

00:30:53,601 --> 00:30:54,644
[church bell rings]

576

00:30:55,311 --> 00:30:56,145
Detective.

577

00:30:57,272 --> 00:30:59,899
-Daniel. [chuckles] Hi.
-Uh...

578

00:30:59,983 --> 00:31:01,568
Are you... you going to the meeting?

579

00:31:01,651 --> 00:31:03,403
-[bell ringing continues]
-[church door opens]

580

00:31:03,486 --> 00:31:05,530
I, uh... I thought so, but...

581

00:31:05,613 --> 00:31:06,698

[church door closes]

582

00:31:07,115 --> 00:31:09,033
I don't think I'm in the right place.

583

00:31:09,492 --> 00:31:12,829
Ah. Well, maybe...

584

00:31:13,413 --> 00:31:15,915
-you'd like to get some coffee instead?
-[church door opens]

585

00:31:18,459 --> 00:31:20,044
-[chuckles]
-[church door closes]

586

00:31:20,962 --> 00:31:22,046
-Come on.
-[giggles]

587

00:31:22,964 --> 00:31:25,925
-[crickets chirp]
-[dubious instrumentals]

588

00:31:28,011 --> 00:31:31,639
You have to understand, I was doing
what I thought was best for my son...

589

00:31:35,727 --> 00:31:37,270
but I'm done being afraid.

590

00:31:39,230 --> 00:31:41,316
Lucas, the one that I knew,

591

00:31:42,609 --> 00:31:43,651
was sweet

592

00:31:44,569 --> 00:31:45,653
and charming.

593

00:31:45,862 --> 00:31:48,531
Dodge, that was my nickname for him.

594

00:31:48,615 --> 00:31:50,116

He was on the fencing team.

595

00:31:50,825 --> 00:31:53,369

[laughs] It's a little cheesy,
I know, but...

596

00:31:56,122 --> 00:31:58,958

Now that name means something
completely different to me.

597

00:32:00,376 --> 00:32:01,628

What happened to him?

598

00:32:03,963 --> 00:32:07,800

The night after graduation,
we had a sleepover here in the basement,

599

00:32:08,968 --> 00:32:11,179

but Rendell wanted to go down
to the caves.

600

00:32:11,804 --> 00:32:14,599

A few weeks earlier,
we had found this door down there.

601

00:32:16,684 --> 00:32:18,061

Yeah, we know about it.

602

00:32:18,645 --> 00:32:21,648

Your father became obsessed
with getting it open,

603

00:32:22,774 --> 00:32:23,816

and we all went

604

00:32:23,942 --> 00:32:27,612

because the keys had only brought
good things into our lives.

605

00:32:27,695 --> 00:32:29,238

How do you remember any of it?

606

00:32:30,031 --> 00:32:31,658
The keys, the magic?

607

00:32:32,492 --> 00:32:34,994
We thought after you become an adult,
you forget.

608

00:32:36,579 --> 00:32:38,247
We found a way to remember.

609

00:32:40,750 --> 00:32:43,211
After Rendell opened the black door,

610

00:32:43,628 --> 00:32:45,838
there was this bright, blue light.

611

00:32:46,506 --> 00:32:47,548
Then, these...

612

00:32:48,007 --> 00:32:50,051
things shot out from the other side

613

00:32:50,343 --> 00:32:52,929
like... like bullets, glowing bullets.

614

00:32:54,263 --> 00:32:56,808
[exhales shakily]
I saw one of them hit Lucas.

615

00:32:59,644 --> 00:33:02,397
Rendell and Lucas
managed to get the door closed again

616

00:33:03,898 --> 00:33:05,483
and Lucas said he was fine,

617

00:33:06,693 --> 00:33:08,111
and he did seem fine.

618

00:33:13,408 --> 00:33:14,867
But later... [sighs]

619
00:33:18,162 --> 00:33:19,205
[Ellie sighs]

620
00:33:20,373 --> 00:33:22,375
I think it's easier if I just show you.

621
00:33:31,467 --> 00:33:32,385
[neck opening crinkles]

622
00:33:33,636 --> 00:33:34,887
[key crunches in opening]

623
00:33:34,971 --> 00:33:36,055
[whirring]

624
00:33:44,063 --> 00:33:45,273
-What?
-[Ellie] Rufus and Bode,

625
00:33:45,356 --> 00:33:46,441
you two stay here.

626
00:33:46,649 --> 00:33:47,817
Keep watch. We won't be long.

627
00:33:47,900 --> 00:33:49,318
[suspenseful instrumentals]

628
00:33:52,071 --> 00:33:53,239
[rushing effect]

629
00:34:01,956 --> 00:34:03,166
[mellow instrumentals]

630
00:34:06,169 --> 00:34:08,421
We got back from the caves
later that night,

631

00:34:09,672 --> 00:34:10,965
tried to get some sleep,

632
00:34:11,632 --> 00:34:13,634
after opening the black door

633
00:34:14,469 --> 00:34:16,387
and that's when it started with Lucas.

634
00:34:21,434 --> 00:34:22,727
[Lucas] Just hand it over, Mark.

635
00:34:22,810 --> 00:34:25,229
[Mark] Hey, shh, be quiet!
Everyone's asleep! What do you want?

636
00:34:25,313 --> 00:34:26,939
[Lucas] Hand it over. I know you have it.

637
00:34:27,023 --> 00:34:28,483
-[Mark] What are you talking--
-Lucas?

638
00:34:28,566 --> 00:34:29,984
[Mark] What is wrong with you?

639
00:34:30,068 --> 00:34:32,403
Give me the Omega Key.

640
00:34:32,487 --> 00:34:34,030
Lucas, what's going on?

641
00:34:34,113 --> 00:34:36,365
-He's acting crazy.
-I know you have it.

642
00:34:37,033 --> 00:34:39,535
-[Mark] Dude, just calm down.
-Lucas, what are you doing? Lucas?

643
00:34:39,619 --> 00:34:40,828
-[Rendell] What the hell?

-Stop!

644

00:34:41,788 --> 00:34:43,539

-[young Ellie] Lucas!

-[Mark] Make him stop.

645

00:34:43,623 --> 00:34:45,625

-[Mark] Lucas!

-[Lucas, yelling] Just give me

646

00:34:45,708 --> 00:34:46,876

what I want!

647

00:34:46,959 --> 00:34:48,711

[Erin] Stop it! What are you doing?

648

00:34:48,795 --> 00:34:50,505

[young Ellie] Let him go!

What are you doing?

649

00:34:50,588 --> 00:34:51,547

[Rendell] Stop!

650

00:34:51,631 --> 00:34:53,382

-[Rendell] What are you doing?

-[Lucas grunts]

651

00:34:54,008 --> 00:34:55,760

-[body thuds]

-[young Ellie] Kim!

652

00:34:55,843 --> 00:34:57,220

[slow motion whirring]

653

00:34:58,513 --> 00:35:00,723

[key dinging]

654

00:35:01,265 --> 00:35:03,601

[young Ellie] Oh, no. Oh, no. Oh, no.

655

00:35:03,726 --> 00:35:05,812

[yelling] No, no, what did you do?

656
00:35:06,395 --> 00:35:07,563
[young Ellie exhales sharply]

657
00:35:07,647 --> 00:35:09,649
-He's not Lucas anymore.
-[Lucas grunts]

658
00:35:09,732 --> 00:35:11,567
-[Rendell] What is wrong with you?
-[Erin] Jeff?

659
00:35:12,068 --> 00:35:13,486
-[cracks neck]
-[all gasp]

660
00:35:13,569 --> 00:35:15,279
-[young Ellie cries out]
-[Erin] Jeff!

661
00:35:15,947 --> 00:35:16,781
[Erin] Kim!

662
00:35:16,948 --> 00:35:18,199
[Rendell] What are you doing?

663
00:35:18,282 --> 00:35:19,826
[young Ellie gasping]

664
00:35:19,992 --> 00:35:21,077
[Lucas, gruff] Your turn.

665
00:35:21,160 --> 00:35:23,454
-[suspenseful instrumentals]
-[Lucas pants]

666
00:35:25,331 --> 00:35:26,958
-[whacks]
-[Lucas thuds]

667
00:35:28,209 --> 00:35:30,044
-No! No,

-[young Ellie cries]

668

00:35:30,128 --> 00:35:31,629

-Rendell, no!

-[whacks]

669

00:35:32,964 --> 00:35:35,091

-[Rendell grunts]

-[young Ellie cries out]

670

00:35:37,343 --> 00:35:39,053

[gasping and heavy breathing]

671

00:35:39,220 --> 00:35:41,264

[mellow instrumentals]

672

00:35:42,723 --> 00:35:43,558

[hammer rattles]

673

00:35:44,392 --> 00:35:45,810

[young Ellie sobs]

674

00:35:48,187 --> 00:35:49,105

[young Duncan] Rendell?

675

00:35:51,649 --> 00:35:53,067

[Ellie] Duncan saw what happened.

676

00:35:54,652 --> 00:35:56,028

We had no choice.

677

00:35:57,864 --> 00:35:59,490

We had to remove his memories...

678

00:36:00,908 --> 00:36:02,994

put them some place he wouldn't find them.

679

00:36:04,537 --> 00:36:05,538

The tree.

680

00:36:07,832 --> 00:36:09,250

[young Ellie cries]

681

00:36:10,710 --> 00:36:11,878
[Ellie] When Lucas got hit

682

00:36:13,004 --> 00:36:15,214
by whatever came across
from the other side,

683

00:36:16,883 --> 00:36:19,343
some kind of demon attached itself to him.

684

00:36:20,219 --> 00:36:21,637
[whirring]

685

00:36:22,972 --> 00:36:24,765
[seagull cawing]

686

00:36:25,016 --> 00:36:27,685
[Ellie] We created a story
about how our friends had died.

687

00:36:30,188 --> 00:36:32,565
It was easier
than trying to explain the truth.

688

00:36:33,983 --> 00:36:36,485
No one would have believed
what really happened.

689

00:36:37,528 --> 00:36:41,365
So we told everyone that we went down to
the caves and our friends drowned...

690

00:36:42,700 --> 00:36:46,245
and the bodies washed out to sea
and they were battered on the rocks.

691

00:36:47,163 --> 00:36:48,956
[waves crashing]

692

00:36:55,630 --> 00:36:57,006

[muffled splash]

693

00:36:58,591 --> 00:37:01,469
[muffled splashing]

694

00:37:04,347 --> 00:37:06,098
[bubbling]

695

00:37:10,728 --> 00:37:13,314
[Ellie] We divided up the remaining keys
and we made a pact

696

00:37:13,731 --> 00:37:16,275
to protect them and never use them again.

697

00:37:17,652 --> 00:37:19,737
Rendell took the Anywhere and Omega Keys,

698

00:37:19,820 --> 00:37:21,489
-[keys rattle]
-Erin took the Head Key,

699
