EPISODE 3.01

"Three Little Birds"

A year into their mission with the children of the Resolute, Judy, Penny and Will scramble to find the titanium they need to get to Alpha Centauri.

WRITTEN BY:

EPISODE CAST

Molly Parker	...	Maureen Robinson
Toby Stephens	...	John Robinson
Maxwell Jenkins	...	Will Robinson
Taylor Russell	...	Judy Robinson
Mina Sundwall	...	Penny Robinson
Ignacio Serricchio	...	Don West
Brian Steele	...	The Robot
Parker Posey	...	June Harris / Dr. Smith
Ajay Friese	...	Vijay Dhar
Raza Jaffrey	...	Victor Dhar
Charles Vandervaart	...	Liam Tufeld
Nevis Unipan	...	Samantha
Amelia Burstyn	...	Diane
Tattiawna Jones	...	Ava

1

00:00:06 --> 00:00:08
[heavy breathing]

2

00:00:11 --> 00:00:13
[clanging]

3

00:00:18 --> 00:00:20
I'm entering cargo bay one now.

4

00:00:25 --> 00:00:28
The fuel cells
are still generating minimum power.

5

00:00:31 --> 00:00:35
-[Penny] Your heart rate's elevated.
-Hey! Don't spy on my vitals.

6

00:00:36 --> 00:00:39
Just keep an eye on our damaged engine
and those asteroids.

7

00:00:41 --> 00:00:43
Do you think he's still alive?

8

00:00:43 --> 00:00:45
[Will] It's been 20 years.

9

00:00:48 --> 00:00:49
[Judy] The lander's missing.

10

00:00:49 --> 00:00:53
In an emergency, it would've launched
with the crew in their cryotubes.

11

00:00:53 --> 00:00:56
[sighs] Maybe I can find where they went.

12
00:00:57 --> 00:00:59
[panting]

13
00:01:00 --> 00:01:01
Oh...

14
00:01:04 --> 00:01:06
-[gasps]
-[cranking]

15
00:01:06 --> 00:01:07
[bleeping]

16
00:01:07 --> 00:01:08
Oh...

17
00:01:09 --> 00:01:10
[gasps]

18
00:01:11 --> 00:01:13
[whirring]

19
00:01:16 --> 00:01:18
[bleeping]

20
00:01:21 --> 00:01:22
[chiming]

21
00:01:22 --> 00:01:23
[bleeping and whirring]

22
00:01:23 --> 00:01:26
[exhales sharply] Okay.

23

00:01:26 --> 00:01:29
The radar's trying to pinpoint a signal
from the Fortuna lander.

24
00:01:30 --> 00:01:32
[signal chirping]

25
00:01:35 --> 00:01:36
Hello?

26
00:01:36 --> 00:01:37
[chirping growing louder]

27
00:01:38 --> 00:01:39
[ominous music plays]

28
00:01:39 --> 00:01:42
Judy, your heart rate's going crazy.
Is someone there?

29
00:01:43 --> 00:01:45
Faith Carson, payload specialist.

30
00:01:47 --> 00:01:48
Deceased.

31
00:01:48 --> 00:01:50
Cause of death
I'll have to determine later.

32
00:01:51 --> 00:01:54
[sighs] Please be careful.

33
00:01:54 --> 00:01:56
I'm fine.

34

00:02:00 --> 00:02:05
I wanna know what happened here
and why the crew went missing.

35
00:02:10 --> 00:02:13
[exhales] There's the crew
in their cryotubes.

36
00:02:14 --> 00:02:17
[automated voice] Warning.
Starboard engine A failure.

37
00:02:17 --> 00:02:20
Starboard thruster A went offline. I think
it's leaking fuel into the main igniter.

38
00:02:21 --> 00:02:22
{\an8}[dramatic music playing]

39
00:02:25 --> 00:02:27
[automated voice] Warning.
Conjunction imminent.

40
00:02:28 --> 00:02:30
Warning. Conjunction imminent.

41
00:02:30 --> 00:02:33
There's an extra-large asteroid
coming towards us.

42
00:02:33 --> 00:02:36
-One thing at a time.
-More than one thing is happening.

43
00:02:36 --> 00:02:38
Maybe it's time to come back now.

44

00:02:39 --> 00:02:40
[Judy] I'm almost there.

45
00:02:41 --> 00:02:42
[panting] Almost there.

46
00:02:42 --> 00:02:44
[automated voice]
Safety systems initiated.

47
00:02:44 --> 00:02:46
Autopilot engaged.

48
00:02:46 --> 00:02:49
-Prepare for landing.
-Judy's not on the ship! Turn it off!

49
00:02:49 --> 00:02:52
-Landing sequence initiates in 90 seconds.
-I'm locked out.

50
00:02:52 --> 00:02:53
Ninety seconds?

51
00:02:53 --> 00:02:56
Judy, the computer took over.
We're landing now.

52
00:02:57 --> 00:02:58
[electrical whoosh]

53
00:03:01 --> 00:03:03
[rapid beeping]

54
00:03:03 --> 00:03:05
[exhales sharply] I'm on my way.

55

00:03:12 --> 00:03:13

Vijay, prepare everyone for landing.

56

00:03:13 --> 00:03:16

-Everyone needs to buckle up! Buckle up!

-[woman] Let's go! Come on!

57

00:03:16 --> 00:03:18

Okay. Get strapped in.

58

00:03:18 --> 00:03:20

You good? Here, here. Okay.

59

00:03:21 --> 00:03:22

[panting]

60

00:03:22 --> 00:03:24

[dramatic music playing]

61

00:03:36 --> 00:03:38

[gasping]

62

00:03:41 --> 00:03:42

[grunts]

63

00:03:51 --> 00:03:53

[thudding]

64

00:03:55 --> 00:03:56

[shrieks]

65

00:03:56 --> 00:03:58

[panting]

66

00:03:58 --> 00:04:00

-Smith!
-[Smith] Gotcha.

67
00:04:00 --> 00:04:01
[gasps] Smith?

68
00:04:03 --> 00:04:05
-[whooshing]
-[grunts]

69
00:04:05 --> 00:04:07
[gasping]

70
00:04:08 --> 00:04:09
What are you doing here?

71
00:04:10 --> 00:04:12
How did you even get on this ship?

72
00:04:12 --> 00:04:14
I go where I'm needed.

73
00:04:15 --> 00:04:17
Please tell me I'm hearing things.

74
00:04:18 --> 00:04:20
[epic music playing]

75
00:04:33 --> 00:04:35
[dramatic music playing]

76
00:04:40 --> 00:04:42
[opening theme music playing]

77
00:04:56 --> 00:04:58
{\an8}[breathing heavily]

78
00:05:02 --> 00:05:03
[gasps]

79
00:05:04 --> 00:05:06
[panting]

80
00:05:12 --> 00:05:13
[sighs]

81
00:05:24 --> 00:05:24
[scoffs]

82
00:05:25 --> 00:05:27
You're supposed to be on watch.

83
00:05:27 --> 00:05:29
[chuckles]

84
00:05:31 --> 00:05:32
[sighs]

85
00:05:50 --> 00:05:52
[orchestral music playing]

86
00:06:07 --> 00:06:09
[birdsong]

87
00:06:13 --> 00:06:15
[breathes deeply]

88
00:06:22 --> 00:06:24
[bird warbling]

89
00:06:33 --> 00:06:35

[sniffs] Ugh!

90

00:06:48 --> 00:06:49
[people talking in distance]

91

00:06:55 --> 00:06:58
Captain's log, day 349.

92

00:06:58 --> 00:07:00
Well, Dad, we're still here.

93

00:07:01 --> 00:07:03
Wherever here is.

94

00:07:03 --> 00:07:06
The rest of the planet
died a long time ago.

95

00:07:06 --> 00:07:08
How or from what, we still don't know,

96

00:07:08 --> 00:07:11
but the Jupiter's computer
found a spot deep in the valley

97

00:07:11 --> 00:07:15
where life was able to survive,
and so far, so have we.

98

00:07:16 --> 00:07:19
The corn yield is up 3% from last week.

99

00:07:19 --> 00:07:21
The solar arrays have been optimized.

100

00:07:21 --> 00:07:23

Batteries are back to full charge.

101

00:07:23 --> 00:07:26

No major injuries or illnesses to report.

102

00:07:27 --> 00:07:28

We even have a school now.

103

00:07:29 --> 00:07:31

-Doctor, or should I say, Madame Smith...

-Tu vois...

104

00:07:31 --> 00:07:33

[Judy] ...seems to have found
her true calling.

105

00:07:33 --> 00:07:35

-Vous voyez.

-[all] Vous voyez.

106

00:07:35 --> 00:07:39

[Judy] The threat from falling meteors
is ongoing, so we stay vigilant,

107

00:07:39 --> 00:07:41

monitoring the skies day and night.

108

00:07:41 --> 00:07:44

So far, none have reached us
down here in the valley.

109

00:07:44 --> 00:07:46

For us, that counts as good luck,

110

00:07:46 --> 00:07:50

but none of it stops anyone
from missing their parents

111

00:07:50 --> 00:07:53
or wondering if we're even
gonna make it to Alpha Centauri.

112

00:07:55 --> 00:07:59
Turns out recasting a damaged engine
out of raw titanium ore

113

00:07:59 --> 00:08:00
doesn't go very fast.

114

00:08:01 --> 00:08:03
We've switched to three-hour shifts,

115

00:08:03 --> 00:08:07
but to date, we've only managed to refine
72% of the material Will says we need

116

00:08:07 --> 00:08:09
to make the Jupiter flight-worthy.

117

00:08:11 --> 00:08:13
I'm sure he's working as fast as he can.

118

00:08:13 --> 00:08:16
It's just going a lot slower
than anyone wants.

119

00:08:16 --> 00:08:20
It was supposed to only take a few weeks,
and it's turned into a year.

120

00:08:21 --> 00:08:23
Will seems to be taking it personally.

121

00:08:24 --> 00:08:27
He doesn't look like he's had
a good night's sleep in months.

122
00:08:27 --> 00:08:29
He doesn't talk to me about it.

123
00:08:29 --> 00:08:32
We don't really talk much
about anything lately.

124
00:08:32 --> 00:08:34
It seems like none of us do.

125
00:08:35 --> 00:08:36
[sighs]

126
00:08:37 --> 00:08:39
Penny seems distant, distracted.

127
00:08:40 --> 00:08:43
I'd say it's just the boys,
but I know it's more.

128
00:08:43 --> 00:08:45
She's mad at me for something.

129
00:08:46 --> 00:08:47
I wish I could fix it,

130
00:08:47 --> 00:08:51
but my responsibilities
don't give me much family time.

131
00:08:51 --> 00:08:54
Without you or Mom,
I think we're all a bit lost.

132

00:08:55 --> 00:08:58

Even the robot,
he genuinely wants to be helpful,

133

00:08:58 --> 00:09:02

but he seems to be searching
for what his purpose is here.

134

00:09:04 --> 00:09:08

I guess, in a way, I am too.

135

00:09:09 --> 00:09:11

[Robot approaching]

136

00:09:23 --> 00:09:27

There's no wind this morning. Watch,
this one's gonna make it to the top.

137

00:09:27 --> 00:09:28

[pulsating bleeps]

138

00:09:32 --> 00:09:35

[Robot] Family, Judy Robinson.

139

00:09:36 --> 00:09:39

Look, I'm trying to contact the whole
Fortuna crew, not just Grant Kelly.

140

00:09:41 --> 00:09:42

[Robot] Family.

141

00:09:43 --> 00:09:46

Don't you ever wonder where you came from?

142

00:09:52 --> 00:09:54

[Judy breathes deeply]

143

00:09:54 --> 00:09:56
[dramatic music playing]

144

00:10:07 --> 00:10:09
[Judy] The most recent attempt
to contact the missing lander

145

00:10:10 --> 00:10:12
was as unsuccessful as all the rest.

146

00:10:14 --> 00:10:18
I don't know when you're gonna listen
to these reports, Dad. I hope it's soon.

147

00:10:21 --> 00:10:22
[John] Mission report.

148

00:10:22 --> 00:10:24
{\an8}John Robinson, salvage team leader.

149

00:10:27 --> 00:10:30
{\an8}As always,
robot patrols are hard to predict.

150

00:10:30 --> 00:10:32
[engine droning]

151

00:10:33 --> 00:10:34
So far, they don't know we're here.

152

00:10:35 --> 00:10:38
We've located more Resolute wreckage.

153

00:10:38 --> 00:10:40

Looks like a piece of H deck.

154

00:10:41 --> 00:10:44

Odds are good
we'll find the last supplies we need.

155

00:10:45 --> 00:10:49

As tough as it is down here, at least
it keeps our minds off what we've lost.

156

00:10:53 --> 00:10:56

[sighs] Okay. We have two hours
until the lightning hits,

157

00:10:56 --> 00:10:58

then we have to be airborne,

158

00:10:58 --> 00:11:01

unless you feel like spending
another 23 days down here.

159

00:11:01 --> 00:11:04

Hey, stick to the list.

160

00:11:04 --> 00:11:07

If we find everything that's on it,
this will be our last trip.

161

00:11:07 --> 00:11:09

And remember, keep your ponchos on.

162

00:11:09 --> 00:11:11

They'll scatter your bio-signs.

163

00:11:11 --> 00:11:14

Whatever you've got that's electronic,
keep it switched off.

164
00:11:14 --> 00:11:17
It's like smelling blood to them.
Let's get to work.

165
00:11:17 --> 00:11:20
-Okay.
-[Beckert] Copy that. Let's go this way.

166
00:11:23 --> 00:11:27
[John] Beckert, grab those flashlights.
Be sure you get the batteries out first.

167
00:11:46 --> 00:11:48
This is my son's favorite flavor.

168
00:11:50 --> 00:11:51
[thunder rumbling]

169
00:11:51 --> 00:11:52
[crashing]

170
00:11:53 --> 00:11:55
[heavy thumping]

171
00:11:56 --> 00:11:58
[tense music playing]

172
00:12:03 --> 00:12:04
[murmurs] Get down. Get down.

173
00:12:05 --> 00:12:06
Get down!

174
00:12:08 --> 00:12:09
-[John] Beckert, no flashlights.

-I know.

175

00:12:09 --> 00:12:11
[electronic whirring]

176

00:12:13 --> 00:12:14
No! No!

177

00:12:14 --> 00:12:15
They're coming!

178

00:12:21 --> 00:12:24
-[Beckert yells]
-[crackling and buzzing]

179

00:12:27 --> 00:12:29
[sighs]

180

00:12:33 --> 00:12:37
So, Penny,
this book you're writing, how does it end?

181

00:12:39 --> 00:12:40
It's a cliffhanger.

182

00:12:41 --> 00:12:43
[Liam] Cliffhanger? Really?

183

00:12:43 --> 00:12:46
Yeah, it's just a fancy way of saying
I stopped in the middle.

184

00:12:47 --> 00:12:49
But, you know, writing was the old me.

185

00:12:51 --> 00:12:56

-How is she different from the new you?
-I used to care about things too much.

186

00:12:56 --> 00:12:57

I guess I got that from my parents.

187

00:13:02 --> 00:13:03

Do you think they're okay?

188

00:13:07 --> 00:13:11

I don't like hypothetical questions.
[laughs] I live in the moment.

189

00:13:12 --> 00:13:14

That's what I like about you,
Penny Robinson.

190

00:13:17 --> 00:13:19

[sentimental music playing]

191

00:13:24 --> 00:13:25

Pressurizing.

192

00:13:25 --> 00:13:26

[hissing]

193

00:13:27 --> 00:13:30

Heat this up
to 900 degrees Celsius for me, please.

194

00:13:34 --> 00:13:35

[power whirring]

195

00:13:59 --> 00:14:00

[Smith] Will!

196

00:14:02 --> 00:14:04
Is this a bad time?

197
00:14:07 --> 00:14:09
Same as it always is.
What are you doing here?

198
00:14:10 --> 00:14:12
I was just curious what's taking so long.

199
00:14:13 --> 00:14:16
Well, refining titanium's
harder than teaching French.

200
00:14:16 --> 00:14:19
I was looking forward to living happily
on Alpha Centauri.

201
00:14:21 --> 00:14:22
It's not so bad here.

202
00:14:23 --> 00:14:27
Everyone was so excited when you said
we'd only be here a few weeks.

203
00:14:28 --> 00:14:31
People are less excited now.

204
00:14:33 --> 00:14:37
Well, bothering me
isn't gonna make things go any faster.

205
00:14:37 --> 00:14:38
[inhales deeply]

206
00:14:38 --> 00:14:39
If I can help in any way

207

00:14:39 --> 00:14:43
that doesn't involve standing up to
my knees in cold water, let me know.

208

00:14:52 --> 00:14:54
[strumming guitar]

209

00:14:57 --> 00:14:59
[computer beeping]

210

00:15:05 --> 00:15:06
[automated voice] Object approaching.

211

00:15:07 --> 00:15:08
[rapid bleeping]

212

00:15:08 --> 00:15:10
[alarm buzzing]

213

00:15:14 --> 00:15:15
[alarm blaring over speakers]

214

00:15:15 --> 00:15:17
-[child 1] Hurry!
-[child 2] Everybody!

215

00:15:18 --> 00:15:19
[shouting]

216

00:15:20 --> 00:15:22
[rumbling]

217

00:15:25 --> 00:15:26
[boy] Let's go, guys!

218
00:15:30 --> 00:15:33
Incoming meteor!
Everyone head to the bunker!

219
00:15:33 --> 00:15:35
Okay. Okay, to the bunker!

220
00:15:35 --> 00:15:37
[alarm blaring]

221
00:15:37 --> 00:15:39
[Judy] Everyone get to the bunker!

222
00:15:39 --> 00:15:40
-[grunting]
-[Judy] Hurry up!

223
00:15:42 --> 00:15:42
[child 1] Come on!

224
00:15:43 --> 00:15:44
[child 2] Come on! Will!

225
00:15:46 --> 00:15:47
[loud whooshing]

226
00:15:48 --> 00:15:50
[exploding]

227
00:15:50 --> 00:15:51
[Judy] Come on, come on!

228
00:15:52 --> 00:15:53
-A bit faster!
-Where's Penny?

229

00:15:54 --> 00:15:55
Come on. Come on!

230

00:15:57 --> 00:15:59
[child] Where's my mom? I'm here!

231

00:15:59 --> 00:16:01
[rumbling]

232

00:16:08 --> 00:16:09
Okay.

233

00:16:09 --> 00:16:10
We're all clear.

234

00:16:12 --> 00:16:15
[Judy] Good job. We just need
to be a bit quicker next time.

235

00:16:15 --> 00:16:17
-[girl] Let's keep at it.
-[Judy] Good.

236

00:16:18 --> 00:16:20
-[boy 1] Back to work.
-[boy 2] I can help clean up.

237

00:16:23 --> 00:16:25
[indistinct chatter]

238

00:16:33 --> 00:16:35
A lot of people here think you're cool.

239

00:16:35 --> 00:16:38
You're setting a bad example
by blowing this off.

240

00:16:38 --> 00:16:40

I'm not setting an example of anything.
That's your job.

241

00:16:40 --> 00:16:43

You're part of the crew,
same as everyone else.

242

00:16:43 --> 00:16:47

It burned up in the atmosphere. Okay?
It always burns up in the atmosphere.

243

00:16:47 --> 00:16:49

Someday it might not.

244

00:16:51 --> 00:16:52

[scoffs]

245

00:16:56 --> 00:16:58

Judy!

246

00:17:00 --> 00:17:02

You remember that thing
we were worried about a year ago?

247

00:17:02 --> 00:17:05

The thing we never thought would come up
because we'd be long gone?

248

00:17:07 --> 00:17:10

This is a simulation
of what happened earlier.

249

00:17:10 --> 00:17:13

See that collision
between those two giant asteroids?

250

00:17:13 --> 00:17:15

Now watch what happened next.

251

00:17:15 --> 00:17:17

-[whirring]

-What's going on?

252

00:17:19 --> 00:17:21

One of those pieces
is the big meteor that just fell,

253

00:17:21 --> 00:17:24

but look how many other
smaller pieces came off too.

254

00:17:24 --> 00:17:26

And a lot of them
are still floating in orbit.

255

00:17:26 --> 00:17:29

It's getting exponentially
more congested up there.

256

00:17:29 --> 00:17:31

How long before the computer won't be able

257

00:17:31 --> 00:17:34

to safely navigate the ship
through this mess?

258

00:17:34 --> 00:17:37

At this rate, four or five days.

259

00:17:37 --> 00:17:39

And we'll be stuck here forever.

260

00:17:42 --> 00:17:46

It'll take more than four days
to complete repairs on the ship, won't it?

261

00:17:46 --> 00:17:48

I could do it in four hours
if I had enough titanium.

262

00:17:57 --> 00:17:59

[Judy] I wish I could do this by myself.

263

00:18:01 --> 00:18:02

Do what?

264

00:18:03 --> 00:18:05

So, when we first got here,

265

00:18:05 --> 00:18:09

the Jupiter sensors picked up
a pure titanium deposit two miles up.

266

00:18:10 --> 00:18:13

We asked the robot to go get it,
but the rock couldn't support his weight,

267

00:18:13 --> 00:18:15

and I thought that was
the end of that plan,

268

00:18:15 --> 00:18:18

but things have changed.

269

00:18:18 --> 00:18:22

The good news is
we are a lot lighter than the robot is.

270

00:18:23 --> 00:18:24
Did you say two miles?

271

00:18:25 --> 00:18:28
Who here has climbed two miles?
Not even you.

272

00:18:28 --> 00:18:30
How much worse is falling two miles
than falling one mile?

273

00:18:31 --> 00:18:35
This planet's atmosphere was ripped away
by whatever cataclysm wrecked it.

274

00:18:35 --> 00:18:38
We were lucky to find a puddle of
atmosphere at the bottom of this canyon.

275

00:18:38 --> 00:18:40
As we go higher,
it'll thin out to nothing.

276

00:18:40 --> 00:18:44
Which is why, at this point,
we will need our space suits.

277

00:18:46 --> 00:18:48
We're only gonna have one shot at this.

278

00:18:49 --> 00:18:50
So this needs to succeed,

279

00:18:51 --> 00:18:55
or we can forget about
ever seeing Alpha Centauri or our parents.

280

00:18:57 --> 00:19:01
Okay, so everybody prep your suits,
and we will print the gear we need.

281
00:19:03 --> 00:19:04
[Will sighs]

282
00:19:05 --> 00:19:06
[Robot] Danger.

283
00:19:07 --> 00:19:08
Tell me about it.

284
00:19:09 --> 00:19:11
[Robot] Help Will Robinson.

285
00:19:15 --> 00:19:17
I know you're always trying to help me...

286
00:19:19 --> 00:19:20
but you can't this time.

287
00:19:21 --> 00:19:22
Okay?

288
00:19:25 --> 00:19:26
[sighs]

289
00:19:27 --> 00:19:28
[Judy] Hey.

290
00:19:29 --> 00:19:31
You were quiet.
You don't have any questions?

291
00:19:32 --> 00:19:33

You were very thorough.

292

00:19:34 --> 00:19:37

We've been in some hard spots before,
but we've always made it through.

293

00:19:38 --> 00:19:41

Yeah, with Mom and Dad there to help us.
Who knows where they are now?

294

00:19:44 --> 00:19:46

[dramatic music playing]

295

00:19:46 --> 00:19:48

[radio chatter]

296

00:20:01 --> 00:20:03

[electricity crackling]

297

00:20:04 --> 00:20:05

-[Victor] West.

-[Don] Yeah?

298

00:20:05 --> 00:20:09

[Victor] After this supply run, do we have
everything to make the base operational?

299

00:20:09 --> 00:20:13

[Don] But I guarantee that the systems
will be up and running within 24 hours.

300

00:20:13 --> 00:20:15

[Victor] Including air conditioning?
It's hot as hell.

301

00:20:15 --> 00:20:17

[Don] Stars are hot.

What am I supposed to do?

302

00:20:18 --> 00:20:20
Fortunately, they provide
photoelectric interference

303

00:20:20 --> 00:20:21
to hide us from the enemy.

304

00:20:23 --> 00:20:24
Now that we're hidden,

305

00:20:24 --> 00:20:28
we can finally turn our attention
to finding a way back to our children.

306

00:20:28 --> 00:20:31
I know not a second passes
we don't think about them.

307

00:20:32 --> 00:20:33
As I understand it,

308

00:20:33 --> 00:20:36
we need one of the robots' engines
to get us to Alpha Centauri,

309

00:20:37 --> 00:20:39
and that engine
can only be operated by a robot.

310

00:20:41 --> 00:20:44
John, can you speak
to what we're up against?

311

00:20:46 --> 00:20:47
Uh...

312

00:20:48 --> 00:20:50

They don't like us.

313

00:20:51 --> 00:20:52

They don't hate us.

314

00:20:53 --> 00:20:56

The only person they've ever seemed
to care about is my son,

315

00:20:56 --> 00:20:59

and, uh... he's not here.

316

00:21:00 --> 00:21:04

If they discover us, they'll kill us.
If we stay hidden, we'll stay alive.

317

00:21:05 --> 00:21:09

However, we've learned that
if we take something that belongs to them,

318

00:21:10 --> 00:21:11

they hit back hard.

319

00:21:12 --> 00:21:15

-So how do we take it without getting hit?
-I don't know.

320

00:21:16 --> 00:21:19

I'm not afraid to take these things on.

321

00:21:19 --> 00:21:22

Whatever the risk,
it's worth it to get back to my daughter.

322

00:21:22 --> 00:21:24
Bravery won't get us very far.

323
00:21:25 --> 00:21:29
I was hoping Maureen might be here
with us today, share some insight.

324
00:21:31 --> 00:21:33
You'll have to discuss that with her.

325
00:21:36 --> 00:21:38
[Victor] All right, everyone.
Let's get to work.

326
00:21:45 --> 00:21:47
-[sheep bleating]
-[chickens clucking]

327
00:21:47 --> 00:21:49
Hi, beautiful!

328
00:21:49 --> 00:21:52
Oh, I missed you so much!

329
00:21:52 --> 00:21:54
Are you getting the respect you deserve?

330
00:21:54 --> 00:21:57
You let me know.
I'll go to Human Resources. Yes, I will!

331
00:21:57 --> 00:21:59
How can you tell which one's yours?
[chuckles]

332
00:22:01 --> 00:22:02
What kind of a father do you think I am?

333

00:22:06 --> 00:22:10

Yeah! Yeah! See you soon! I love you!

334

00:22:11 --> 00:22:13

[crackling]

335

00:22:16 --> 00:22:20

[shouts] Don't you have a tea party
in the officers' mess to attend?

336

00:22:20 --> 00:22:22

It's more of a casual get-together.

337

00:22:22 --> 00:22:23

Oh, how nice.

338

00:22:24 --> 00:22:27

Did you talk to Victor
about the shift rotation thing?

339

00:22:27 --> 00:22:29

He said it was my call.

340

00:22:29 --> 00:22:31

Okay, good. We're back to twos.

341

00:22:31 --> 00:22:35

Uh, not exactly. We're gonna stick
to the four-hour space walks.

342

00:22:35 --> 00:22:38

-What?

-We gotta keep pushing.

343

00:22:38 --> 00:22:41

If we bring the temperature below 90,
we're all gonna be much happier.

344

00:22:42 --> 00:22:43

Ava, come on.

345

00:22:43 --> 00:22:44

Just--

346

00:22:44 --> 00:22:46

I'm just doing-- I'm just...

347

00:22:48 --> 00:22:51

What are you looking at?
You got somethin' to say?

348

00:22:52 --> 00:22:53

Maureen! Hey.

349

00:22:54 --> 00:22:55

Nobody likes me.

350

00:22:56 --> 00:22:58

Nobody liked me either.

351

00:22:58 --> 00:23:00

[breathes deeply] I need you
to sign off on my work.

352

00:23:02 --> 00:23:05

No cracks in the bead. A straight joint.

353

00:23:05 --> 00:23:08

-Well done. For grunt work.
-I'm good at it.

354

00:23:08 --> 00:23:12
Well, Einstein was good at the violin.
Nobody bought his album.

355
00:23:13 --> 00:23:14
I'm needed here.

356
00:23:14 --> 00:23:18
We're deep in enemy territory,
and you think this is where you're needed?

357
00:23:18 --> 00:23:20
Are you gonna sign off on my work?

358
00:23:23 --> 00:23:24
[Don sighs]

359
00:23:27 --> 00:23:27
John's back.

360
00:23:31 --> 00:23:32
Thanks for letting me know.

361
00:23:43 --> 00:23:45
[metal creaking]

362
00:23:47 --> 00:23:49
J2. This is yours, right?

363
00:23:49 --> 00:23:50
[John] Yeah.

364
00:23:50 --> 00:23:53
We're reorganizing G section
to accommodate the TCS.

365

00:23:53 --> 00:23:57
We need you to clear out these cabins,
or the work can't proceed.

366
00:23:59 --> 00:23:59
Okay.

367
00:24:10 --> 00:24:11
[sighs]

368
00:24:14 --> 00:24:15
Maureen?

369
00:24:27 --> 00:24:29
[sighs]

370
00:24:29 --> 00:24:30
[sniffles]

371
00:24:30 --> 00:24:32
[solemn music playing]

372
00:24:59 --> 00:25:02
[Judy] Okay, Dad.
I know what you wanna hear.

373
00:25:02 --> 00:25:04
I'll be as careful as I can be.

374
00:25:04 --> 00:25:06
I'll accept the unexpected.

375
00:25:06 --> 00:25:10
When things go wrong,
I won't stand around and complain.

376

00:25:10 --> 00:25:12
I'll assess my options and move forward...

377
00:25:13 --> 00:25:14
or, in this case, up.

378
00:25:16 --> 00:25:17
And, as always,

379
00:25:17 --> 00:25:21
I'm guided by the knowledge
that everything I'm doing,

380
00:25:21 --> 00:25:25
I'm doing for the well-being
of the 97 children in my care.

381
00:25:30 --> 00:25:32
[adventurous music playing]

382
00:25:52 --> 00:25:54
[wind whistling]

383
00:25:55 --> 00:25:56
[grunts]

384
00:25:56 --> 00:25:58
[music continues]

385
00:26:17 --> 00:26:19
[panting]

386
00:26:19 --> 00:26:22
Judy, did you hammer in an anchor
that didn't stick?

387

00:26:22 --> 00:26:22
No, why?

388
00:26:25 --> 00:26:27
-[laughs]
-[squeaks]

389
00:26:30 --> 00:26:32
[grunting]

390
00:26:34 --> 00:26:35
[Vijay] Hey, what is that?

391
00:26:38 --> 00:26:40
-Is it weird that I think it's kinda cute?
-No.

392
00:26:40 --> 00:26:41
Yeah!

393
00:26:45 --> 00:26:46
[grunts]

394
00:26:46 --> 00:26:50
Let's keep moving.
We have to reach 1,500 meters before dark.

395
00:26:50 --> 00:26:52
[dramatic music playing]

396
00:27:16 --> 00:27:17
[sighs]

397
00:27:18 --> 00:27:20
Will's not the same as he was.

398

00:27:22 --> 00:27:24
And I'm not just talking about his haircut

399
00:27:24 --> 00:27:27
or the irritating fact
that he's taller than me now.

400
00:27:28 --> 00:27:29
He's hiding something.

401
00:27:36 --> 00:27:39
If you know something, tell me.

402
00:27:40 --> 00:27:41
For all our sakes.

403
00:27:51 --> 00:27:53
[wind whistling]

404
00:27:56 --> 00:27:58
[loud growling and whooshing]

405
00:28:00 --> 00:28:02
-[rain pattering on tent]
-[wind whistling]

406
00:28:07 --> 00:28:08
[exhales]

407
00:28:14 --> 00:28:16
-[Will sighs]
-You okay?

408
00:28:17 --> 00:28:19
Uh... Had a nightmare.

409

00:28:19 --> 00:28:21
[Vijay] Ugh. Yeah, tell me about it.

410
00:28:22 --> 00:28:24
This has been a nightmare for me too.

411
00:28:25 --> 00:28:27
[snoring]

412
00:28:30 --> 00:28:32
Does she ever talk to you about me?

413
00:28:34 --> 00:28:37
Penny and I
haven't really been talking much.

414
00:28:39 --> 00:28:41
[whispers] I miss the way
things used to be.

415
00:28:43 --> 00:28:44
Me too.

416
00:28:53 --> 00:28:54
Hey.

417
00:28:56 --> 00:28:58
Can I fix you somethin' to eat?

418
00:28:58 --> 00:29:00
[chuckles] "Something's" right.

419
00:29:01 --> 00:29:05
There are a lot of smart people here.
Still, nobody knows what's in those.

420

00:29:07 --> 00:29:09
-[sighs]
-I'll take that as a no.

421
00:29:12 --> 00:29:14
I heard it was rough down there.

422
00:29:17 --> 00:29:18
It was what it was.

423
00:29:21 --> 00:29:22
How were things up here?

424
00:29:24 --> 00:29:25
Busy.

425
00:29:26 --> 00:29:28
We just gotta complete
those TCS coolant loops.

426
00:29:29 --> 00:29:32
-[sighs]
-Yeah, about that. Um...

427
00:29:34 --> 00:29:36
They need us to clear out the kids' rooms.

428
00:29:40 --> 00:29:43
I gotta get some sleep.
I have another shift in six hours.

429
00:29:43 --> 00:29:46
-Skip your shift.
-I can't. There's too tight a schedule.

430
00:29:46 --> 00:29:49
There are things

we need to take care of right here.

431

00:29:50 --> 00:29:51
I'm not stopping you.

432

00:29:53 --> 00:29:55
[sighs] Maureen, what are you doing?

433

00:29:57 --> 00:30:00
I'm doing what I always do,
keeping everything running.

434

00:30:00 --> 00:30:01
We're in this together.

435

00:30:02 --> 00:30:03
You're my wife.

436

00:30:03 --> 00:30:05
Yeah, and I used to be a mother.

437

00:30:07 --> 00:30:09
Look at us, John. We have nothing.

438

00:30:10 --> 00:30:11
You have me.

439

00:30:14 --> 00:30:15
Sorry.

440

00:30:22 --> 00:30:24
[wind whistling]

441

00:30:31 --> 00:30:32
[Will grunts]

442
00:30:32 --> 00:30:33
[Penny] Okay.

443
00:30:33 --> 00:30:36
-[grunting]
-[Liam] Nice, Penny.

444
00:30:37 --> 00:30:39
[Penny] Okay. Okay.

445
00:30:39 --> 00:30:41
-And right foot down on that spur.
-Okay.

446
00:30:41 --> 00:30:42
[panting]

447
00:30:44 --> 00:30:45
[sighs] Oh...

448
00:30:45 --> 00:30:47
Okay, thanks. Oh...

449
00:30:47 --> 00:30:51
-[Liam] You got it!
-[Penny] Of course I do. [pants]

450
00:30:52 --> 00:30:54
-[Liam] Left hand here.
-Yeah, thanks. I got it too.

451
00:30:55 --> 00:30:56
[panting]

452
00:30:59 --> 00:31:01
-[grunts]

-[rubble falling]

453

00:31:02 --> 00:31:03

Here, man.

454

00:31:04 --> 00:31:06

You're distracting me. Stop.

455

00:31:08 --> 00:31:10

-[Liam grunts]

-[Vijay screams]

456

00:31:10 --> 00:31:12

[Liam] No! [yells and grunts]

457

00:31:13 --> 00:31:15

-Will!

-Will. Will! Let me down.

458

00:31:15 --> 00:31:17

Okay.

459

00:31:19 --> 00:31:20

[Vijay grunting] No. No.

460

00:31:20 --> 00:31:23

Vijay! Vijay, are you okay?

461

00:31:23 --> 00:31:24

[Judy panting]

462

00:31:26 --> 00:31:28

I'm fine. I--

463

00:31:28 --> 00:31:30

[groans] Think I might've hurt my wrist.

464

00:31:31 --> 00:31:33

-How does that feel?

-It's okay.

465

00:31:33 --> 00:31:35

-[Judy] What about that?

-No, that hurts.

466

00:31:35 --> 00:31:38

Okay, it's starting to swell.

I think it's fractured.

467

00:31:38 --> 00:31:41

Let's focus on my other
perfectly non-fractured wrist.

468

00:31:41 --> 00:31:44

Hey, don't feel bad.

What we're doing isn't easy.

469

00:31:44 --> 00:31:46

Liam, can you come down here
and bring the med kit?

470

00:31:46 --> 00:31:47

[Liam] Yeah, on my way.

471

00:31:47 --> 00:31:49

He's gonna bring you back to camp, okay?

472

00:31:51 --> 00:31:54

This is what I was worried
was gonna happen.

473

00:31:54 --> 00:31:55

[sighs]

474
00:31:56 --> 00:31:57
[panting]

475
00:32:05 --> 00:32:06
[woman] Yeah, for sure...

476
00:32:16 --> 00:32:19
[sighs, chuckles]

477
00:32:26 --> 00:32:28
Will Robinson!

478
00:32:29 --> 00:32:32
You're not such a hero after all.

479
00:32:34 --> 00:32:36
[wind whooshing]

480
00:32:50 --> 00:32:52
[Penny] Whoa!

481
00:32:52 --> 00:32:56
These updrafts are crazy.
Could they actually blow us away?

482
00:32:57 --> 00:32:58
Pretty definitely.

483
00:33:01 --> 00:33:02
[Penny] Wow, look!

484
00:33:03 --> 00:33:05
[epic music playing]

485

00:33:16 --> 00:33:18
It's been a while since it's been just us.

486
00:33:25 --> 00:33:27
Just get what we came here for, okay?

487
00:33:30 --> 00:33:31
[sighs] Yeah.

488
00:33:39 --> 00:33:41
[pulsating beeps]

489
00:33:50 --> 00:33:52
[wind whistling]

490
00:34:00 --> 00:34:01
[sighs]

491
00:34:06 --> 00:34:08
Penny, what are you looking for?

492
00:34:10 --> 00:34:11
What is this?

493
00:34:12 --> 00:34:15
That's a high-powered
radio signal receiver...

494
00:34:17 --> 00:34:18
because... [sighs]

495
00:34:18 --> 00:34:24
we might be high enough to catch
a signal from the Fortuna lander, right?

496
00:34:28 --> 00:34:29

You're looking for Grant Kelly.

497

00:34:29 --> 00:34:33

I've been trying to raise the missing
Fortuna crew ever since we got here.

498

00:34:33 --> 00:34:35

What were you gonna do
if you got a signal?

499

00:34:35 --> 00:34:37

-[Judy] Well, there isn't.
-Might be if we go higher up.

500

00:34:42 --> 00:34:44

Are you coming down with us or not?

501

00:34:44 --> 00:34:47

We have all the titanium.
The descent's already anchored.

502

00:34:47 --> 00:34:49

You're gonna leave us here two miles up?

503

00:34:49 --> 00:34:53

I've never been this close before.
You can't understand that?

504

00:34:53 --> 00:34:56

I understand you made us leave our family
and now you are looking for a new one.

505

00:34:59 --> 00:35:00

[sighs]

506

00:35:00 --> 00:35:02

[scrabbling]

507

00:35:03 --> 00:35:05
Hey, what's that sound?

508

00:35:05 --> 00:35:06
It's just wind.

509

00:35:06 --> 00:35:08
No. There's something else.

510

00:35:09 --> 00:35:11
[scrabbling continues]

511

00:35:11 --> 00:35:13
[ominous music playing]

512

00:35:13 --> 00:35:14
What are those?

513

00:35:17 --> 00:35:18
[Penny] Oh, my God!

514

00:35:19 --> 00:35:21
[dramatic music playing]

515

00:35:21 --> 00:35:22
[rumbling]

516

00:35:25 --> 00:35:27
[all screaming]

517

00:35:30 --> 00:35:32
-[Penny] What just happened?
-[Judy] Quick, helmets on!

518

00:35:32 --> 00:35:35
[all grunting]

519

00:35:37 --> 00:35:38
[wind gusting]

520

00:35:38 --> 00:35:40
[rumbling]

521

00:35:40 --> 00:35:41
[Penny] What...

522

00:35:43 --> 00:35:45
[Judy] Hey, be careful of the updraft.

523

00:35:47 --> 00:35:50
[Will] I think we have bigger problems
than the updraft.

524

00:35:55 --> 00:35:58
It's those bugs! They're eating the pillar
out from under us!

525

00:35:58 --> 00:36:01
They're like rock termites!
You still think they're cute?

526

00:36:01 --> 00:36:02
[scoffs]

527

00:36:03 --> 00:36:05
Okay, so how do we get down from here?

528

00:36:05 --> 00:36:06
[Judy] We can't go down.

529

00:36:06 --> 00:36:08

-We have to go up.

-[both] What?

530

00:36:08 --> 00:36:10

We can't leave without that titanium.

531

00:36:11 --> 00:36:13

Will? Seems like a geology problem.

532

00:36:13 --> 00:36:15

Creatures that eat rocks aren't geology.

533

00:36:16 --> 00:36:19

-What would Mom and Dad do?

-Well, it's just us.

534

00:36:19 --> 00:36:23

Come on, Mr. Magnesium. Let's make this a story we wanna tell around a campfire.

535

00:36:27 --> 00:36:29

[rumbling]

536

00:36:29 --> 00:36:31

[wind gusting violently]

537

00:36:31 --> 00:36:33

[gasping]

538

00:36:33 --> 00:36:34

We'll fly!

539

00:36:35 --> 00:36:37

That's a terrible story.

540

00:36:37 --> 00:36:39
No. No, that's it.
We can ride the updraft, right?

541
00:36:39 --> 00:36:41
Yeah. Let's test it.

542
00:36:41 --> 00:36:42
Okay.

543
00:36:44 --> 00:36:45
[Will grunts]

544
00:36:50 --> 00:36:51
See? It worked.

545
00:36:52 --> 00:36:54
Are we watching the same test?

546
00:36:54 --> 00:36:57
-We need to control our ascent.
-What?

547
00:36:58 --> 00:36:59
[Judy] Okay.

548
00:36:59 --> 00:37:01
[thrilling music playing]

549
00:37:15 --> 00:37:17
[dramatic music playing]

550
00:37:19 --> 00:37:21
[rumbling]

551
00:37:23 --> 00:37:25

So, am I just supposed
to jump over the edge?

552

00:37:25 --> 00:37:29

No, everybody jumps over the edge
together. Hold my hand.

553

00:37:36 --> 00:37:38

Keep your eyes on me. I'll get us there.

554

00:37:38 --> 00:37:39

On three.

555

00:37:41 --> 00:37:43

One, two,

556

00:37:45 --> 00:37:46

three!

557

00:37:46 --> 00:37:47

[all yelp]

558

00:37:49 --> 00:37:50

[Judy] Whoa!

559

00:37:55 --> 00:37:56

Okay! We're flying!

560

00:37:58 --> 00:37:59

[dramatic music playing]

561

00:37:59 --> 00:38:01

[rumbling]

562

00:38:08 --> 00:38:09

[Judy laughing]

563

00:38:09 --> 00:38:10
[Will] It's working!

564

00:38:13 --> 00:38:15
When I say go, release. All right?

565

00:38:16 --> 00:38:17
Okay.

566

00:38:18 --> 00:38:19
Ready?

567

00:38:19 --> 00:38:21
And release!

568

00:38:21 --> 00:38:22
[all yelling]

569

00:38:24 --> 00:38:26
[all groaning]

570

00:38:27 --> 00:38:29
[panting]

571

00:38:30 --> 00:38:32
-Will? Will, are you all right?
-[groaning]

572

00:38:33 --> 00:38:34
Hey, you all right?

573

00:38:35 --> 00:38:36
Yeah. [grunts]

574

00:38:37 --> 00:38:39
Penny? Hey. Hey.

575

00:38:39 --> 00:38:40
-Hey, are you hurt?
-[exhales]

576

00:38:41 --> 00:38:43
Are you hurt? Penny?

577

00:38:48 --> 00:38:51
Hey. Are you hurt? Are you hurt?

578

00:38:53 --> 00:38:54
Oh! [panting]

579

00:38:54 --> 00:38:56
[gentle music playing]

580

00:39:00 --> 00:39:01
[Judy] It's okay.

581

00:39:02 --> 00:39:03
[sighs]

582

00:39:11 --> 00:39:12
It's okay.

583

00:39:13 --> 00:39:16
Hey, we got the titanium.
We can head back down,

584

00:39:16 --> 00:39:18
-All right?
-No, hold on. Wait.

585

00:39:23 --> 00:39:26
[pants] I grabbed this before it fell.

586
00:39:29 --> 00:39:30
No.

587
00:39:30 --> 00:39:32
I'm responsible for you two

588
00:39:32 --> 00:39:35
and almost a hundred other kids
back at camp.

589
00:39:36 --> 00:39:38
-Dad would not want--
-[Penny] Dad's not here right now.

590
00:39:39 --> 00:39:41
Okay? I really wish he was, but he's not.

591
00:39:43 --> 00:39:47
And for the last year, I have been so mad

592
00:39:48 --> 00:39:51
because I blamed you
for being the reason that we had to leave.

593
00:39:53 --> 00:39:56
And I didn't realize
that you were just looking out for me.

594
00:40:00 --> 00:40:02
And nobody looks out for me
the way that you do.

595
00:40:06 --> 00:40:07
That's what family does.

596

00:40:11 --> 00:40:13
[sighs] So go find Grant Kelly.

597

00:40:14 --> 00:40:14
[sighs]

598

00:40:17 --> 00:40:19
Can you fix the engine now?

599

00:40:19 --> 00:40:20
Yeah.

600

00:40:21 --> 00:40:23
We'll keep the camp from burning down
until you get back.

601

00:40:29 --> 00:40:30
[pants]

602

00:40:32 --> 00:40:34
[equipment clinking]

603

00:40:39 --> 00:40:41
[adventurous music playing]

604

00:40:54 --> 00:40:55
[Will] Here you go.

605

00:40:56 --> 00:40:58
Uh, take this to the forge, okay?

606

00:41:01 --> 00:41:05
This is acting captain's log, day 352.

607

00:41:05 --> 00:41:07
Um, acting cocaptain.

608
00:41:07 --> 00:41:10
Hey, you're ruining the recording.
I'm gonna have to start over.

609
00:41:10 --> 00:41:12
If you can't be accurate,
you should start over.

610
00:41:14 --> 00:41:15
The titanium's been acquired.

611
00:41:15 --> 00:41:17
Repairs to the Jupiter
can now be completed.

612
00:41:17 --> 00:41:20
You'd be really proud.
We did it all ourselves.

613
00:41:20 --> 00:41:22
Also, we flew off a cliff.

614
00:41:22 --> 00:41:23
-No, don't...
-[giggles]

615
00:41:23 --> 00:41:25
Now I'm gonna have to erase that part.

616
00:41:25 --> 00:41:27
Acting Cocaptain Penny Robinson
signing off.

617
00:41:28 --> 00:41:28

[scoffs]

618

00:41:34 --> 00:41:37
You didn't have to make that climb,
but then you know that.

619

00:41:38 --> 00:41:42
-What are you talking about?
-I've cooked a few books in my day, okay?

620

00:41:42 --> 00:41:45
If you really wanna be an effective thief,
learn accounting,

621

00:41:46 --> 00:41:48
but if you wanna catch a thief..

622

00:41:52 --> 00:41:56
You see, there's a tremendous amount
of titanium ore that somehow disappeared.

623

00:41:56 --> 00:41:58
I'm annoyed I didn't catch it sooner,

624
