EPISODE 3.02

"Contact"

While Judy sets out to find Grant Kelly, Penny and Will explore a mysterious tunnel. Light years away, Maureen, John and Don hunt for SAR's remains.

EPISODE CAST

Toby Stephens	...	John Robinson
Molly Parker	...	Maureen Robinson
Maxwell Jenkins	...	Will Robinson
Taylor Russell	...	Judy Robinson
Mina Sundwall	...	Penny Robinson
Ignacio Serricchio	...	Don West
Brian Steele	...	The Robot
Parker Posey	...	June Harris / Dr. Smith
Russell Hornsby	...	Grant Kelly
Charles Vandervaart	...	Liam Tufeld
Chloe Grace Estrin	...	Pigtails
Martin Lo Rimorin	...	Shen Bo
Zehra Fazal	...	Jupiter / Resolute Computer (voice)

1
00:00:08 --> 00:00:10
[panting]

2
00:00:13 --> 00:00:14
[grunting]

3
00:00:15 --> 00:00:17
[steady bleeping]

4
00:00:31 --> 00:00:33
Hello, Commander Kelly. I'm your daughter.

5
00:00:35 --> 00:00:37
Hello, Grant, I'm your daughter.

6
00:00:40 --> 00:00:42
Hello, I'm your... daughter.

7
00:00:48 --> 00:00:50
[bleeping speeding up]

8
00:00:52 --> 00:00:54
[epic music playing]

9
00:01:03 --> 00:01:05
[hissing]

10
00:01:05 --> 00:01:07
[panting]

11
00:01:15 --> 00:01:17
[automated voice]
Cabin pressure equalized.

12
00:01:19 --> 00:01:21

[pulsating beeps]

13

00:01:30 --> 00:01:31

[Judy sighs]

14

00:01:45 --> 00:01:45

[gasps]

15

00:01:47 --> 00:01:49

[whispers] Okay. Wake...

16

00:01:52 --> 00:01:53

[beeps]

17

00:01:54 --> 00:01:56

[automated voice] Fortuna
wake sequence initiated.

18

00:01:56 --> 00:01:58

-[alarm blares]

-[beeping and whirring]

19

00:01:59 --> 00:02:01

Wake sequence malfunction.

20

00:02:01 --> 00:02:03

No! No, no, no, no, no!

21

00:02:04 --> 00:02:06

Heart rate decreasing.

22

00:02:07 --> 00:02:08

[flatlining]

23

00:02:08 --> 00:02:10

Blood oxygen levels falling.

24
00:02:11 --> 00:02:12
[panting]

25
00:02:14 --> 00:02:16
[automated voice]
Pulmonary response suboptimal.

26
00:02:19 --> 00:02:20
Okay.

27
00:02:22 --> 00:02:22
Defibrillator.

28
00:02:24 --> 00:02:26
Where's the defibrillator?

29
00:02:26 --> 00:02:28
[panting]

30
00:02:29 --> 00:02:30
Okay. Find a solution.

31
00:02:30 --> 00:02:32
[automated voice] Cortisol spiking.

32
00:02:32 --> 00:02:34
Okay, okay. Okay..

33
00:02:38 --> 00:02:40
[automated voice]
Capillary response declining.

34
00:02:40 --> 00:02:42
[thrilling music playing]

35
00:02:55 --> 00:02:56
I got you.

36
00:02:56 --> 00:02:58
-[power whirrs]
-[grunts]

37
00:02:59 --> 00:03:01
[Judy panting]

38
00:03:03 --> 00:03:05
[Grant grunting softly]

39
00:03:07 --> 00:03:08
Come on.

40
00:03:09 --> 00:03:11
[automated voice] Vital signs stabilizing.

41
00:03:12 --> 00:03:13
[exhales]

42
00:03:13 --> 00:03:14
Hi.

43
00:03:15 --> 00:03:16
Who are you?

44
00:03:16 --> 00:03:17
Oh, I'm...

45
00:03:18 --> 00:03:19
Um...

46
00:03:19 --> 00:03:20

Mr. Kelly, I'm...

47

00:03:23 --> 00:03:25

I'm an astronaut.

48

00:03:27 --> 00:03:29

[opening theme music playing]

49

00:04:36 --> 00:04:38

[adventurous music playing]

50

00:04:42 --> 00:04:44

[rumbling]

51

00:04:53 --> 00:04:55

Okay, I signed up to help,

52

00:04:55 --> 00:04:58

but I feel like I should know
what I signed up for,

53

00:04:58 --> 00:05:01

because I'm pretty sure
I need to write a report about all this.

54

00:05:01 --> 00:05:03

So, if you guys want me
to make you look good--

55

00:05:03 --> 00:05:07

You'd rather stay on a ring of Jupiters
with a resting temperature of 106 degrees?

56

00:05:07 --> 00:05:10

John Robinson. One demerit.
Problem with authority.

57

00:05:10 --> 00:05:12

The only way we can get to Alpha Centauri

58

00:05:12 --> 00:05:14

is with an alien engine
and a robot to operate it.

59

00:05:14 --> 00:05:16

And currently, we have neither,

60

00:05:16 --> 00:05:19

because the danger of acquiring one
is insurmountable.

61

00:05:19 --> 00:05:22

Let me guess.
You found a way to make it mountable.

62

00:05:24 --> 00:05:26

-That sounded dirtier than I wanted.
-So, new plan.

63

00:05:26 --> 00:05:29

Instead of taking the risk
of capturing a live robot,

64

00:05:29 --> 00:05:31

we're gonna use the parts
of a destroyed one and reboot it.

65

00:05:32 --> 00:05:35

Are you talking about the robots
that blew up in the Resolute?

66

00:05:35 --> 00:05:39

How can we possibly find
every single part of one specific robot?

67

00:05:39 --> 00:05:43
Every part we need
is in one place on this planet,

68

00:05:43 --> 00:05:46
outside a cave, under a tarp,

69

00:05:46 --> 00:05:48
right where Adler and I left it.

70

00:05:49 --> 00:05:51
[rumbling]

71

00:05:51 --> 00:05:54
It's the one that Will called SAR,
for Second Alien Robot.

72

00:05:55 --> 00:05:58
Only your son would name something
that was trying to kill him.

73

00:05:59 --> 00:06:02
Okay, best case scenario,

74

00:06:02 --> 00:06:05
which I know isn't a thing with you guys,
but let's say it was.

75

00:06:05 --> 00:06:08
Even if this works,
we still need an engine.

76

00:06:09 --> 00:06:11
I think the fact
that we've got a robot of our own

77

00:06:11 --> 00:06:13
will make it
a heck of a lot easier, don't you?

78

00:06:14 --> 00:06:16
The storm will give us some cover.

79

00:06:16 --> 00:06:19
-But we're gonna have to be quick.
-Uh-huh. Uh-huh.

80

00:06:19 --> 00:06:21
What if we put it back together

81

00:06:21 --> 00:06:24
and, I don't know,
it decides it doesn't wanna help us?

82

00:06:26 --> 00:06:28
Then we don't give it a choice.

83

00:06:30 --> 00:06:32
[dramatic music playing]

84

00:06:37 --> 00:06:40
[girl] ...pretty sure he came back here,
I mean...

85

00:06:40 --> 00:06:43
Hey, you, pigtails, load those carefully.

86

00:06:43 --> 00:06:44
Oui, madame.

87

00:06:44 --> 00:06:48
Make sure your little friends know

that if anything of mine gets broken,

88

00:06:48 --> 00:06:50

-I will be handing out detention.

-[scoffs]

89

00:06:50 --> 00:06:53

Is detention really a threat
when you're stranded on an alien planet?

90

00:06:53 --> 00:06:54

The power of words.

91

00:06:55 --> 00:06:58

You're not the only one
who's afraid of danger, Will Robinson.

92

00:06:58 --> 00:07:01

It's nice to see you back at work,
by the way.

93

00:07:01 --> 00:07:04

Speaking of which, I notice
you came down the wall one sister short.

94

00:07:04 --> 00:07:08

-Judy will be back soon.

-Yeah, but with how many passengers?

95

00:07:08 --> 00:07:11

I'm just curious,
since she's very particular about her math

96

00:07:11 --> 00:07:14

and how much air we'll have
in our Jupiter.

97

00:07:14 --> 00:07:17
Adding an extra adult astronaut
might complicate things.

98
00:07:18 --> 00:07:20
Let's focus on getting the ship
ready to leave

99
00:07:20 --> 00:07:22
before we worry about who's on board.

100
00:07:24 --> 00:07:26
Is there anything I can do to help?

101
00:07:29 --> 00:07:30
Um...

102
00:07:31 --> 00:07:31
[sighs]

103
00:07:32 --> 00:07:35
-You can let me know if you see Robot.
-He's missing?

104
00:07:35 --> 00:07:37
He wanders off sometimes. Just...

105
00:07:38 --> 00:07:42
-[sighs] ...not usually for this long.
-How long has he been gone for?

106
00:07:42 --> 00:07:44
-Since last night.
-You think something's happened to him?

107
00:07:45 --> 00:07:47
He's a seven-foot-tall, 400-pound robot.

108

00:07:47 --> 00:07:50
There's probably not much here
that can hurt him.

109

00:07:50 --> 00:07:52
Well, maybe not here, where we've settled.

110

00:07:53 --> 00:07:57
But there's a whole planet
we haven't explored. [exhales]

111

00:07:58 --> 00:07:59
If he's wandered off far,

112

00:08:01 --> 00:08:03
who knows what's out there?

113

00:08:03 --> 00:08:07
[Liam] Are you sure this missing Robot
story isn't just some elaborate ruse

114

00:08:07 --> 00:08:09
to get me alone and far away from camp?

115

00:08:09 --> 00:08:12
Are you inferring I have to trick you
into spending time with me?

116

00:08:12 --> 00:08:15
No, it's just...
we've been looking for a long time.

117

00:08:15 --> 00:08:18
He's kind of the most important person
on the planet.

118

00:08:18 --> 00:08:19
More important than me?

119

00:08:19 --> 00:08:21
Unless you can open up a rift in space,

120

00:08:21 --> 00:08:24
I'm gonna say, yeah,
Robot's more important than you.

121

00:08:25 --> 00:08:27
Okay, um... serious question.

122

00:08:28 --> 00:08:32
I know we're getting out of here soon, but
aren't you gonna miss this place a little?

123

00:08:33 --> 00:08:37
No rules? Things will just be different
when we get back to Alpha Centauri,

124

00:08:38 --> 00:08:39
and everything's back to normal.

125

00:08:40 --> 00:08:43
Just because we get back to Alpha Centauri
doesn't mean it'll be normal.

126

00:08:43 --> 00:08:47
Okay? There's nothing normal
about 97 kids without their parents.

127

00:08:47 --> 00:08:48
Yeah.

128

00:08:50 --> 00:08:51

Sorry. I, um...

129

00:08:52 --> 00:08:53

[sighs]

130

00:08:54 --> 00:08:56

When we separated,

131

00:08:56 --> 00:08:58

I thought it was just gonna be
a few months

132

00:08:58 --> 00:09:01

'cause my mom
always has an answer to everything,

133

00:09:01 --> 00:09:03

but it's been a year.

134

00:09:05 --> 00:09:07

So I don't know if they're, um...

135

00:09:08 --> 00:09:12

Hey. I know there's nothing I can do
to make those questions go away,

136

00:09:14 --> 00:09:16

but, um, maybe I can
take your mind off them.

137

00:09:21 --> 00:09:23

[crackling]

138

00:09:24 --> 00:09:25

-[laughs]

-What?

139
00:09:25 --> 00:09:26
-Your--
-What?

140
00:09:26 --> 00:09:29
-...hair is, uh...
-[gasps]

141
00:09:30 --> 00:09:32
-Wh--
-[chuckles] What?

142
00:09:34 --> 00:09:35
[Penny] Will!

143
00:09:36 --> 00:09:37
Will!

144
00:09:38 --> 00:09:40
How did they decide who gets to go?

145
00:09:40 --> 00:09:42
Was there a-- a lottery or a--

146
00:09:42 --> 00:09:47
Uh... sort of, but you had to take
a series of tests in order to qualify.

147
00:09:48 --> 00:09:52
So, now thousands of people
are living on Alpha Centauri.

148
00:09:55 --> 00:09:56
And you're a captain.

149
00:09:58 --> 00:10:00

-I'm sorry. It's just that you're--
-Young.

150
00:10:00 --> 00:10:02
-Very.
-Well, since you're gonna meet them,

151
00:10:02 --> 00:10:05
you should know
that my crew is mostly children.

152
00:10:05 --> 00:10:06
Children?

153
00:10:07 --> 00:10:09
Yep, 97 of them.

154
00:10:10 --> 00:10:12
Why would you bring children
on a rescue mission?

155
00:10:15 --> 00:10:16
Oh.

156
00:10:16 --> 00:10:19
You weren't actually
looking for us, were you?

157
00:10:20 --> 00:10:23
Our Colonist Group
ran into a little bit of trouble.

158
00:10:23 --> 00:10:25
It's complicated, but...

159
00:10:26 --> 00:10:28
rest assured,

160

00:10:28 --> 00:10:31
we are more than capable enough
to handle this.

161

00:10:31 --> 00:10:33
If you knew everything we'd been through--

162

00:10:33 --> 00:10:34
Look, Robinson,

163

00:10:35 --> 00:10:37
in the last 30 minutes,
I learned that I lost my crewmate,

164

00:10:37 --> 00:10:40
my ship, damn near 20 years of my life.

165

00:10:41 --> 00:10:46
Maybe we should just cool it
on any other... news for a bit.

166

00:10:48 --> 00:10:50
Yeah. Yeah, I agree.

167

00:10:50 --> 00:10:51
I-- I...

168

00:10:53 --> 00:10:56
Let's just focus
on getting you back on your feet.

169

00:11:01 --> 00:11:03
One thing I am curious about, though.

170

00:11:04 --> 00:11:07

If you weren't trying to find me,
how is it you know so much about me?

171

00:11:07 --> 00:11:11

Um... You're...

You're pretty famous back on Earth.

172

00:11:12 --> 00:11:16

In fact, when I was in school,
I-- I did a little report on you.

173

00:11:17 --> 00:11:18

Is that right?

174

00:11:20 --> 00:11:22

I always wondered
what it would be like to meet you.

175

00:11:26 --> 00:11:29

Well, I can't wait to see your ship.

176

00:11:30 --> 00:11:33

NASA must have made
some pretty impressive advances

177

00:11:33 --> 00:11:35

to get you to travel this far, this fast.

178

00:11:36 --> 00:11:39

-Mm. We've had a little bit of help.
-From who?

179

00:11:39 --> 00:11:41

Russians? Chinese?

180

00:11:42 --> 00:11:43

A robot.

181
00:11:46 --> 00:11:47
Okay.

182
00:11:48 --> 00:11:50
On the count of three. Ready?

183
00:11:50 --> 00:11:51
Yeah.

184
00:11:52 --> 00:11:56
One, two, three.

185
00:11:56 --> 00:11:58
[crackling]

186
00:11:59 --> 00:12:01
Oh! Just like on the Resolute.

187
00:12:01 --> 00:12:05
Yeah, but we're not on the Resolute,
so why is it happening here?

188
00:12:05 --> 00:12:07
[panting] You know, your mother and I--

189
00:12:09 --> 00:12:11
once experienced the same phenomenon.

190
00:12:11 --> 00:12:12
You followed me here?

191
00:12:12 --> 00:12:15
Honestly, if I'd known it'd been this far,
I wouldn't have.

192

00:12:15 --> 00:12:19
but it's a good thing I did,
because I know what this hair thing means.

193

00:12:19 --> 00:12:23
Somewhere on the other side
of that wall is...

194

00:12:23 --> 00:12:26
-...alien technology.
-Alien technology. We know.

195

00:12:27 --> 00:12:28
[Penny] That's not possible.

196

00:12:28 --> 00:12:30
We would have seen a sign,

197

00:12:30 --> 00:12:32
or the robot
would have said something, or--

198

00:12:34 --> 00:12:35
What is that?

199

00:12:37 --> 00:12:40
[Will] Some kind of... tunnel.

200

00:12:41 --> 00:12:43
Cool. Yeah.

201

00:12:43 --> 00:12:46
So I agree with whoever suggested
we just cover this up

202

00:12:46 --> 00:12:48

and pretend we were never here.

203

00:12:48 --> 00:12:50

-No one suggested that, Penny.

-Well, they should have.

204

00:12:51 --> 00:12:55

Do either of you think it's a coincidence
we found this the day Robot goes missing?

205

00:12:56 --> 00:12:58

There's only one way to know for sure.

206

00:13:01 --> 00:13:02

Someone has to go in.

207

00:13:04 --> 00:13:08

You really think it's a good idea
to bring a robot back from the dead?

208

00:13:08 --> 00:13:09

Haven't you guys read Pet Sematary?

209

00:13:09 --> 00:13:12

[Maureen] This is as far as we can go
on the Chariot.

210

00:13:12 --> 00:13:14

We're gonna have to travel
the rest by foot.

211

00:13:14 --> 00:13:16

Okay, Don, that's us. Let's gear up.

212

00:13:16 --> 00:13:19

Can I just suggest, once again,
my original plan,

213

00:13:19 --> 00:13:22
which is me staying here
and Maureen can go out with you? You--

214

00:13:22 --> 00:13:25
Maureen's the only one
who knows what we're lookin' for.

215

00:13:25 --> 00:13:27
We'll be pretty much blind out there.

216

00:13:27 --> 00:13:30
She'll be monitoring
both our cameras from in here.

217

00:13:30 --> 00:13:32
Okay, but if we end up
with a robot zombie on our hands,

218

00:13:32 --> 00:13:35
I want it on the record
that it was Admiral Don West--

219

00:13:35 --> 00:13:36
You're not an admiral, Don.

220

00:13:36 --> 00:13:39
-Brigadier Don West--
-No.

221

00:13:39 --> 00:13:41
-Ready?
-Sure! So excited.

222

00:13:44 --> 00:13:46
[wind howling]

223

00:13:53 --> 00:13:57

[Don] I'll find us a spot in the shade,
set up a picnic. It'll be great.

224

00:13:57 --> 00:14:00

Did you bring the pomegranate juice,
or was that my responsibility?

225

00:14:00 --> 00:14:03

I never remember,
'cause I did mango last time.

226

00:14:03 --> 00:14:04

Well, see you both soon.

227

00:14:06 --> 00:14:07

[thumping]

228

00:14:11 --> 00:14:14

Okay, I'm reading you both.
Keep straight ahead.

229

00:14:14 --> 00:14:17

[John] Yeah,
ground's a little unsteady here.

230

00:14:17 --> 00:14:20

-Don, watch your feet.
-[Don] I can't even see my feet.

231

00:14:21 --> 00:14:24

-[creaking]
-Fade 20 degrees to your right.

232

00:14:24 --> 00:14:26

[John] Right 20.

233

00:14:26 --> 00:14:28
Don? Don, you're a little loose.
Tighten up.

234

00:14:28 --> 00:14:32
[Don, breaking up] This is disorienting.
Is John to my left or my right?

235

00:14:32 --> 00:14:33
Left.

236

00:14:33 --> 00:14:35
[John] Don, just look for my light.

237

00:14:35 --> 00:14:37
-[Don] Okay--
-[static crackling]

238

00:14:39 --> 00:14:39
Don?

239

00:14:42 --> 00:14:44
His picture cut out.

240

00:14:44 --> 00:14:44
Don!

241

00:14:46 --> 00:14:47
[John] Can you hear him?

242

00:14:49 --> 00:14:50
His audio cut out too.

243

00:14:51 --> 00:14:53
-[John, breaking up] Don?

-[static crackling]

244

00:14:53 --> 00:14:55

Don? I-- I barely--

245

00:14:58 --> 00:15:01

Wait, I think I see something out there.

246

00:15:01 --> 00:15:03

John. John, be careful.

247

00:15:03 --> 00:15:04

Don?

248

00:15:07 --> 00:15:08

-Wait.

-[creaking]

249

00:15:09 --> 00:15:10

I don't like this.

250

00:15:10 --> 00:15:12

[creaking continues]

251

00:15:13 --> 00:15:15

I-- I think I'm gonna--

252

00:15:15 --> 00:15:16

[yells]

253

00:15:16 --> 00:15:18

-John!

-[static fizzing]

254

00:15:18 --> 00:15:20

[grunting]

255

00:15:20 --> 00:15:23
-Oops! Sorry about that.
-Oh-- Oh, God.

256

00:15:23 --> 00:15:26
[Don] What's goin' on?
There's nobody answering me.

257

00:15:26 --> 00:15:28
[John] Hey, I thought we lost ya.

258

00:15:28 --> 00:15:29
[Maureen] Okay.

259

00:15:30 --> 00:15:31
John, wait.

260

00:15:31 --> 00:15:33
-Turn back to your left.
-Yeah.

261

00:15:35 --> 00:15:36
There! Right ahead of you.

262

00:15:37 --> 00:15:39
[John] Yeah. Yeah, I got it. I see it.

263

00:15:40 --> 00:15:41
[creaking]

264

00:15:41 --> 00:15:44
There's, uh... there's nothing here.

265

00:15:45 --> 00:15:48
Just keep digging. Maybe--

Maybe it's been buried by all the..

266

00:15:48 --> 00:15:50
[John] Uh, there's nothing.
It's just solid--

267

00:15:50 --> 00:15:51
[static buzzing]

268

00:15:52 --> 00:15:56
If SAR's not here, where the hell is it?

269

00:15:56 --> 00:15:57
[static buzzing]

270

00:16:00 --> 00:16:03
[Penny] Sure it's a good idea to have both
acting cocaptains here at the same time?

271

00:16:03 --> 00:16:06
[Will] This is exactly the kind of thing
captains are supposed to do.

272

00:16:07 --> 00:16:08
[Penny] Really?

273

00:16:08 --> 00:16:11
I thought it was more about
ordering people around and pointing.

274

00:16:12 --> 00:16:13
Just relax.

275

00:16:15 --> 00:16:18
[Penny sighs] Feels like
we're walking in poo.

276

00:16:19 --> 00:16:21

It's just mud built up on the ground.

277

00:16:21 --> 00:16:22

We're gonna be fine.

278

00:16:22 --> 00:16:26

I'd like to take a second to remind you
the last time I was stuck in a tunnel,

279

00:16:26 --> 00:16:29

I was drooled on by a bat monster
that wanted to eat my face.

280

00:16:30 --> 00:16:31

[sighs]

281

00:16:32 --> 00:16:33

Smith?

282

00:16:36 --> 00:16:38

Smith, are you still there?

283

00:16:38 --> 00:16:39

[Smith] Of course!

284

00:16:39 --> 00:16:42

-You sure we're doing this right?
-[Smith] Absolutely!

285

00:16:42 --> 00:16:44

In the Girl Scouts,

286

00:16:44 --> 00:16:47

this is how we kept track of each other
on nature hikes.

287

00:16:47 --> 00:16:50
Once you're out of earshot,
if anything goes wrong,

288

00:16:50 --> 00:16:53
just tug on the line,
and I'll know you need help.

289

00:16:53 --> 00:16:55
You were in the Girl Scouts?

290

00:16:55 --> 00:16:57
Is that so hard to believe?

291

00:16:57 --> 00:17:00
Okay, then answer me this.

292

00:17:00 --> 00:17:03
Do you have any Thin Mints?

293

00:17:03 --> 00:17:05
-[Will] Penny!
-What?

294

00:17:05 --> 00:17:07
You know cookies help me when I'm nervous.

295

00:17:07 --> 00:17:08
Just come on.

296

00:17:10 --> 00:17:13
[Smith] Just keep going.
I'll be here the whole time.

297

00:17:14 --> 00:17:16

[mysterious music playing]

298

00:17:29 --> 00:17:30

[Will] Robot?

299

00:17:31 --> 00:17:32

Are you here?

300

00:17:44 --> 00:17:45

Whoa.

301

00:17:45 --> 00:17:46

[Penny] What?

302

00:17:53 --> 00:17:54

[Will] Footprints.

303

00:17:55 --> 00:17:56

Yeah.

304

00:17:57 --> 00:18:00

[Will] It-- It looks like
they could belong to an alien robot.

305

00:18:03 --> 00:18:05

Okay, uh... Yeah, so that's my cue.

306

00:18:05 --> 00:18:08

I just think that
we should get out of here.

307

00:18:08 --> 00:18:10

-[grinding]

-[Will] Whoa!

308

00:18:12 --> 00:18:13

Penny! Will!

309

00:18:14 --> 00:18:15
[Penny] No, no, no.

310

00:18:15 --> 00:18:17
-[Will] What happened?
-I don't know.

311

00:18:17 --> 00:18:20
I just hit, like, a button
or a switch or something.

312

00:18:20 --> 00:18:22
I don't know, maybe if I hit it again?

313

00:18:23 --> 00:18:24
[gasps]

314

00:18:25 --> 00:18:27
Um... Smith!

315

00:18:28 --> 00:18:29
Smith, help!

316

00:18:30 --> 00:18:31
It's okay, right?

317

00:18:31 --> 00:18:34
Smith is outside, and she knows
where we are, and she can help us.

318

00:18:34 --> 00:18:36
Yeah. Yeah.

319

00:18:36 --> 00:18:38

-Yeah. Of course she will.
-[sighs]

320
00:18:40 --> 00:18:41
[exhales]

321
00:18:41 --> 00:18:44
-Will, these prints look really fresh.
-[Will] I don't know.

322
00:18:45 --> 00:18:48
It's a cold, damp room.
No light, little airflow.

323
00:18:49 --> 00:18:51
It's the perfect conditions
for preservation.

324
00:18:51 --> 00:18:54
-Wh-- which means what?
-Which means they could be old.

325
00:18:54 --> 00:18:58
Buzz Aldrin's boot prints are still on
the moon because there's no atmosphere--

326
00:18:58 --> 00:19:00
I appreciate
you're using history and science

327
00:19:00 --> 00:19:04
to try and bore me into submission, but...

328
00:19:05 --> 00:19:08
[sighs] Listen, Will,
I saw the robots on the Resolute.

329

00:19:09 --> 00:19:10
They know your name.

330
00:19:11 --> 00:19:13
So if they're here somewhere,
you're in serious danger,

331
00:19:13 --> 00:19:15
and we both know that.

332
00:19:15 --> 00:19:17
So, please, just be honest with me.
Could these be recent?

333
00:19:23 --> 00:19:24
Yeah.

334
00:19:25 --> 00:19:26
Yeah, it's-- it's possible.

335
00:19:32 --> 00:19:35
Uh... believe it or not,
back in the day, this was cool.

336
00:19:35 --> 00:19:37
-No, some people still think they are.
-Hmm.

337
00:19:37 --> 00:19:41
[chuckles] My little brother wore one on
our last Halloween before we left Earth.

338
00:19:42 --> 00:19:44
-Where you going?
-Come this way.

339
00:19:45 --> 00:19:48

If the crew's wake systems
were compromised like mine,

340

00:19:48 --> 00:19:49
we can't risk triggering them.

341

00:19:49 --> 00:19:53
And it's not like we can
walk the pods back to your camp, so--

342

00:19:54 --> 00:19:56
[Judy] Seriously?
This has been on ice for 20 years.

343

00:19:56 --> 00:19:58
[chuckles] Yeah, well, so have I.

344

00:19:58 --> 00:20:01
Right, which is why I wouldn't strap
800 pounds to your back

345

00:20:01 --> 00:20:03
and ride you across a meteor minefield.

346

00:20:03 --> 00:20:05
Odd metaphor, but okay.

347

00:20:09 --> 00:20:10
Here's the thing.

348

00:20:11 --> 00:20:14
You said the launch window off this planet
won't hold for much longer.

349

00:20:14 --> 00:20:16
So the question is,

350

00:20:16 --> 00:20:19
do you wanna walk back,
or do you wanna ride?

351

00:20:20 --> 00:20:22
[dramatic music playing]

352

00:20:26 --> 00:20:27
[whirring]

353

00:20:28 --> 00:20:29
[Grant grunts]

354

00:20:32 --> 00:20:33
[grunts]

355

00:20:35 --> 00:20:36
[machine stops]

356

00:20:37 --> 00:20:41
-Is everything all right?
-Oh, yeah. Sorry.

357

00:20:42 --> 00:20:46
Shen. He and Faith, the woman
you saw on the Fortuna, they were...

358

00:20:47 --> 00:20:50
You know, when you train
for a deep-space mission like ours,

359

00:20:50 --> 00:20:52
people can get close.

360

00:20:55 --> 00:20:58
-Can I ask you a question?

-Yep.

361

00:20:58 --> 00:21:00

When you made the decision to leave Earth,

362

00:21:01 --> 00:21:05

was there... was there anything
that was hard to leave behind?

363

00:21:06 --> 00:21:08

You know, anything that you miss?

364

00:21:08 --> 00:21:11

Part of the job was teaching yourself
not to miss anything.

365

00:21:11 --> 00:21:12

[engine powering up]

366

00:21:12 --> 00:21:15

It was the farthest space travel
anyone had ever attempted.

367

00:21:15 --> 00:21:19

For our mental health, we had to commit
to leaving everything and everyone behind.

368

00:21:19 --> 00:21:21

[laughs]

369

00:21:21 --> 00:21:23

Okay, that's not totally true.

370

00:21:24 --> 00:21:27

There was something from back home
I thought about all the time..

371

00:21:29 --> 00:21:32
the rocky road ice cream
at McConnell's in Pasadena.

372

00:21:32 --> 00:21:34
[chuckles]

373

00:21:37 --> 00:21:40
-The one across from the bookstore.
-You know it?

374

00:21:40 --> 00:21:42
Yeah, my mom
used to take us there all the time.

375

00:21:45 --> 00:21:48
-Rocky road was actually also my favorite.
-Hmm.

376

00:21:49 --> 00:21:50
Small world.

377

00:21:50 --> 00:21:52
[sighs] Yeah.

378

00:21:53 --> 00:21:55
Better get movin' before the meteors do.

379

00:21:55 --> 00:21:57
[adventurous music playing]

380

00:21:59 --> 00:22:02
[automated voice] Alert.
Depressurizing cabin.

381

00:22:02 --> 00:22:04

[whirring]

382

00:22:08 --> 00:22:10
[engines powering up]

383

00:22:12 --> 00:22:13
[sighs]

384

00:22:16 --> 00:22:18
I thought these suits
are supposed to be airtight.

385

00:22:18 --> 00:22:21
I got sand in places where it's not
supposed to be without my permission.

386

00:22:21 --> 00:22:24
It's okay.
We'll go back, get reinforcements.

387

00:22:24 --> 00:22:28
We'll get enough people and equipment
to capture one of those robots.

388

00:22:28 --> 00:22:31
I'm not worried about that right now.
I am worried about our son.

389

00:22:31 --> 00:22:35
I'm worried about all our kids,
but right now, we need to focus on how--

390

00:22:35 --> 00:22:39
John, you weren't there in that cave.
That robot, it-- it wanted Will.

391

00:22:40 --> 00:22:42

It was-- it was like it was personal.

392

00:22:44 --> 00:22:47

If SAR is back,
he'll find a way to get to Will.

393

00:22:50 --> 00:22:51

[Will gasps]

394

00:22:52 --> 00:22:53

-[sighs]
-[thumping]

395

00:23:03 --> 00:23:04

[sighs]

396

00:23:04 --> 00:23:05

[sighs]

397

00:23:07 --> 00:23:10

-Will, what is it?
-Something strange.

398

00:23:11 --> 00:23:14

I actually don't think
these were made by the robots.

399

00:23:14 --> 00:23:15

What do you mean?

400

00:23:15 --> 00:23:19

These prints have chitinous striations
and textured joints.

401

00:23:19 --> 00:23:23

They're shaped like the alien robots,
but-- but they weren't made by metal.

402

00:23:24 --> 00:23:25

They're organic.

403

00:23:26 --> 00:23:28

Then, if the robots didn't make those,
who did?

404

00:23:30 --> 00:23:33

[echoing] Penny? Will?

405

00:23:37 --> 00:23:42

If you want me to stay out here
where it's safe, just say nothing!

406

00:23:46 --> 00:23:47

Smith!

407

00:23:48 --> 00:23:49

[pants]

408

00:23:50 --> 00:23:53

I mean, we just walked into a dark tunnel,
with no idea what was inside.

409

00:23:53 --> 00:23:56

How stupid do we have to be? [sighs]

410

00:23:57 --> 00:23:59

[panting]

411

00:24:00 --> 00:24:03

Sometimes you have
to walk into dark places.

412

00:24:05 --> 00:24:07

-[Penny groans]
-Sometimes you don't have a choice.

413
00:24:07 --> 00:24:08
There's always a choice.

414
00:24:08 --> 00:24:11
Not if it's the only way
to protect the people you love.

415
00:24:12 --> 00:24:15
-That's what Mom and Dad would do.
-[Penny sighs]

416
00:24:15 --> 00:24:17
Will, Mom and Dad aren't here, okay?

417
00:24:18 --> 00:24:21
And neither is Don, and neither is Judy.

418
00:24:21 --> 00:24:24
She's on the surface,
and I don't even know if she's okay.

419
00:24:24 --> 00:24:25
We don't even know...

420
00:24:26 --> 00:24:28
And me saying this right now
is reminding me

421
00:24:28 --> 00:24:32
that I'm a really crappy older sister
because I'm supposed to be comforting you.

422
00:24:32 --> 00:24:34
[breathes deeply]

423

00:24:36 --> 00:24:37
[sighs]

424

00:24:39 --> 00:24:40
Why aren't you scared?

425

00:24:41 --> 00:24:43
Who says I'm not?

426

00:24:43 --> 00:24:45
Then why don't you ever talk about it?

427

00:24:46 --> 00:24:49
-[loud metallic thumping]
-[gasping, panting]

428

00:24:50 --> 00:24:52
Oh, Will, what is that?

429

00:24:52 --> 00:24:54
[thumping continues]

430

00:25:00 --> 00:25:01
Sorry I'm late.

431

00:25:01 --> 00:25:04
-[sighs]
-No way was I coming in here unarmed.

432

00:25:04 --> 00:25:05
[gasping]

433

00:25:07 --> 00:25:08
Robot!

434

00:25:10 --> 00:25:11
Are you okay? Where'd you go?

435

00:25:11 --> 00:25:14
Really? Isn't he the one
who's supposed to be rescuing you?

436

00:25:16 --> 00:25:19
I think he wants us to follow him. Why?

437

00:25:20 --> 00:25:21
[Robot] Danger, family.

438

00:25:22 --> 00:25:24
[dramatic music playing]

439

00:25:35 --> 00:25:38
[Grant] So, you've been gone
for almost two years now.

440

00:25:39 --> 00:25:41
Any idea what's goin' on back on Earth?

441

00:25:41 --> 00:25:43
Maybe a way to contact someone back home?

442

00:25:43 --> 00:25:45
No. Unfortunately, no.

443

00:25:46 --> 00:25:47
Why?

444

00:25:47 --> 00:25:48
My mom,

445

00:25:48 --> 00:25:50
she'd be almost 80 by now.

446
00:25:50 --> 00:25:53
She was always worried
about me going into space. [chuckles]

447
00:25:53 --> 00:25:55
Can't wait for that big "told you so."

448
00:25:58 --> 00:26:00
What about your parents?

449
00:26:00 --> 00:26:02
Um, my parents are in space.
They're headed to the colony.

450
00:26:02 --> 00:26:04
-[explosion]
-At least, I think--

451
00:26:04 --> 00:26:06
-Whoa! Feel that?
-[gasps]

452
00:26:06 --> 00:26:08
-Yeah.
-Felt like it's somewhere close.

453
00:26:08 --> 00:26:10
I could almost feel it in my stomach.

454
00:26:10 --> 00:26:11
-[Judy yelps]
-[wind howling]

455
00:26:11 --> 00:26:13

-[crashing]
-[Grant yelling]

456
00:26:14 --> 00:26:16
-[Judy] No!
-What are you doing?

457
00:26:16 --> 00:26:18
One of the pods got loose.

458
00:26:19 --> 00:26:21
[panting] Just keep moving. I got this.

459
00:26:21 --> 00:26:23
-[Grant] Be careful.
-[Judy grunts]

460
00:26:24 --> 00:26:26
[explosions]

461
00:26:31 --> 00:26:33
-[Judy yelps]
-[Grant shouts]

462
00:26:34 --> 00:26:37
-How you doin' back there?
-[sighs] Just keep driving.

463
00:26:41 --> 00:26:42
[grunts]

464
00:26:43 --> 00:26:44
Whoa! [grunts]

465
00:26:44 --> 00:26:46
[Judy screams]

466
00:26:47 --> 00:26:49
[grunting, panting]

467
00:26:50 --> 00:26:51
Hold on! I got you!

468
00:26:51 --> 00:26:53
-[grunts]
-[Judy gasps]

469
00:26:53 --> 00:26:54
[screams]

470
00:26:54 --> 00:26:56
[meteors exploding]

471
00:26:58 --> 00:26:59
[grunts and yells]

472
00:26:59 --> 00:27:00
[panting]

473
00:27:04 --> 00:27:06
[panting] Judy!

474
00:27:06 --> 00:27:09
[panting] I know.

475
00:27:09 --> 00:27:11
[dramatic music playing]

476
00:27:13 --> 00:27:14
[grunts]

477
00:27:19 --> 00:27:22

-You need to buckle up now!
-[Judy shrieks]

478
00:27:22 --> 00:27:23
[Grant yells]

479
00:27:25 --> 00:27:27
-[Grant yells]
-[Judy shrieks]

480
00:27:30 --> 00:27:32
[intense rumbling, debris falling]

481
00:27:34 --> 00:27:36
[rumbling subsides]

482
00:27:37 --> 00:27:39
-[wind whistling]
-[Judy pants]

483
00:27:39 --> 00:27:42
-Where did you learn to drive like that?
-Actually, my mom.

484
00:27:43 --> 00:27:46
-Where'd you learn to be so brave?
-I guess...

485
00:27:48 --> 00:27:49
[sighs]

486
00:27:49 --> 00:27:50
...my dad.

487
00:27:53 --> 00:27:55
The sandstorm's starting to die down.

488

00:27:55 --> 00:27:58

Its kinetic energy
won't be masking us much longer.

489

00:27:58 --> 00:28:00

Hey, Don, let's start powering down

490

00:28:00 --> 00:28:03

in case any of those robots
are patrolling the area.

491

00:28:03 --> 00:28:06

Listen, the most important thing
we can do right now

492

00:28:06 --> 00:28:08

is find out if SAR is functional again.

493

00:28:08 --> 00:28:11

Well, even if he is,
even if he's here on this planet,

494

00:28:11 --> 00:28:14

it doesn't matter because Will isn't,
which means he's safe.

495

00:28:14 --> 00:28:16

-All the kids are.

-Are they?

496

00:28:16 --> 00:28:20

I mean, I know we've spent the last year
telling ourselves that they are, but...

497

00:28:21 --> 00:28:22

what if they're not?

498
00:28:23 --> 00:28:24
Hey.

499
00:28:26 --> 00:28:29
It's-- it's the not knowing.
It's the hardest part.

500
00:28:30 --> 00:28:33
Hey, guys. Were these marks here before?

501
00:28:34 --> 00:28:36
[mysterious music playing]

502
00:28:39 --> 00:28:41
[thumping]

503
00:28:42 --> 00:28:43
[clanging]

504
00:28:44 --> 00:28:47
-There's something on the ship.
-[metal clanking]

505
00:28:50 --> 00:28:51
[sighing]

506
00:28:51 --> 00:28:53
[breathing shakily]

507
00:28:55 --> 00:28:56
-[thumping]
-[gasps]

508
00:28:58 --> 00:28:59
[thumping]

509
00:28:59 --> 00:29:01
[rattling]

510
00:29:08 --> 00:29:09
[metal creaking]

511
00:29:11 --> 00:29:12
[gasps]

512
00:29:14 --> 00:29:16
[Smith] What is he looking for?

513
00:29:16 --> 00:29:18
[Will] I don't think
he's looking for anything.

514
00:29:19 --> 00:29:21
I think he wants to show us something.

515
00:29:22 --> 00:29:24
[Penny] Well, I really hope
it's the way out.

516
00:29:26 --> 00:29:29
[ethereal music playing]

517
00:29:38 --> 00:29:39
Incredible.

518
00:29:41 --> 00:29:42
Is this where you're from?

519
00:29:46 --> 00:29:48
He looks like he's trying to remember.

520

00:29:50 --> 00:29:52
Do you think whoever made this place

521
00:29:53 --> 00:29:54
made you?

522
00:29:56 --> 00:29:58
[Robot] Yes, Will Robinson.

523
00:29:59 --> 00:30:02
More importantly, are they still here?

524
00:30:04 --> 00:30:05
[Robot] No.

525
00:30:05 --> 00:30:07
Does that make you sad?

526
00:30:08 --> 00:30:11
Just because someone made you,
doesn't mean you're sad when they're gone.

527
00:30:12 --> 00:30:13
Sometimes, you're better off without them.

528
00:30:14 --> 00:30:17
Not everyone can have parents
like John and Maureen Robinson.

529
00:30:20 --> 00:30:25
Yeah, maybe robots and humans
aren't so different after all.

530
00:30:25 --> 00:30:28
Both only as good
as the ones who programmed us.

531

00:30:29 --> 00:30:32

But we can break our programming.
I mean, look at Robot.

532

00:30:34 --> 00:30:35

Look at you.

533

00:30:36 --> 00:30:38

That's sweet, but at the end of the day,

534

00:30:39 --> 00:30:40

I fear we are...

535

00:30:41 --> 00:30:43

who we were built to be.

536

00:30:48 --> 00:30:50

Hey. Hey, where you going?

537

00:30:51 --> 00:30:53

[Robot] Help family.

538

00:30:55 --> 00:30:58

[Penny] Uh... our family or his?

539

00:30:59 --> 00:31:01

[crashing]

540

00:31:02 --> 00:31:04

[rattling]

541

00:31:05 --> 00:31:06

[hissing]

542

00:31:07 --> 00:31:09

[thumping]

543

00:31:13 --> 00:31:16
-[softly] What are you doing?
-You said we needed a robot.

544

00:31:16 --> 00:31:19
Yeah. To be fair,
she says a lot of crazy things.

545

00:31:19 --> 00:31:23
Your plan can still work.
All the parts are in one place.

546

00:31:23 --> 00:31:26
Only difference is,
that place is on our ship.

547

00:31:27 --> 00:31:29
That's not the only difference.

548

00:31:30 --> 00:31:33
This robot is alive
and could kill you, John.

549

00:31:34 --> 00:31:35
Yeah, it's also alone.

550

00:31:36 --> 00:31:39
If we were ever gonna get a chance
of capturing one of 'em alive,

551

00:31:39 --> 00:31:42
of ever seeing our kids again, this is it.

552

00:31:42 --> 00:31:44
[accelerating music playing]

553

00:31:56 --> 00:31:56
[Smith] Wow.

554

00:31:57 --> 00:31:59
Why'd you bring us here?

555

00:32:00 --> 00:32:01
[Robot] Danger, family.

556

00:32:02 --> 00:32:05
You keep saying that,
but we don't know what you mean.

557

00:32:06 --> 00:32:07
Danger from what?

558

00:32:09 --> 00:32:10
[snarling]

559

00:32:11 --> 00:32:13
[chittering]

560

00:32:16 --> 00:32:17
[chittering]

561

00:32:17 --> 00:32:19
[rattling]

562

00:32:19 --> 00:32:21
[suspenseful music playing]

563

00:32:36 --> 00:32:38
-[clunks]
-Shh!

564

00:32:53 --> 00:32:54
[electronic whirring]

565

00:32:58 --> 00:32:59
[thumping]

566

00:33:00 --> 00:33:02
[thumping]

567

00:33:04 --> 00:33:06
-[thumping]
-[metal creaking]

568

00:33:07 --> 00:33:08
[electronic whirring]

569

00:33:12 --> 00:33:13
The Danger System.

570

00:33:22 --> 00:33:23
[whooshing]

571

00:33:25 --> 00:33:26
Is that the Jupiter 2?

572

00:33:28 --> 00:33:30
Our parents. Is that who's in danger?

573

00:33:30 --> 00:33:32
[chittering]

574

00:33:34 --> 00:33:36
[screeches]

575

00:33:36 --> 00:33:38

Are you looking for my son?

576

00:33:38 --> 00:33:40
[whooshing]

577

00:33:43 --> 00:33:46
Who is that? What is that?

578

00:33:47 --> 00:33:48
[Robot] Danger.

579

00:33:48 --> 00:33:50
Why would you show us this
if we can't help?

580

00:33:51 --> 00:33:53
[thumping]

581

00:33:55 --> 00:33:56
Come on.

582

00:33:59 --> 00:34:02
-[Robot] Help family, Will Robinson.
-I don't know how!

583

00:34:04 --> 00:34:06
[electronic screeching]

584

00:34:07 --> 00:34:08
[yelps]

585

00:34:09 --> 00:34:11
-[electricity crackling]
-[whirring]

586

00:34:11 --> 00:34:13

-We have to do something!
-I-- I'm trying!

587

00:34:16 --> 00:34:17
[Robot] Help family.

588

00:34:17 --> 00:34:18
Mom!

589

00:34:19 --> 00:34:20
Dad! Mom!

590

00:34:21 --> 00:34:22
[Will] Dad!

591

00:34:23 --> 00:34:24
-John, wait!
-No, this is our one shot!

592

00:34:24 --> 00:34:25
-[Will] Mom!
-Will!

593

00:34:26 --> 00:34:28
[Maureen, echoing] Will?

594

00:34:28 --> 00:34:30
[Penny] What's happening?

595

00:34:34 --> 00:34:37
[snarling]

596

00:34:37 --> 00:34:38
Scarecrow.

597

00:34:40 --> 00:34:42

John, stand down. I--

598

00:34:43 --> 00:34:44
I-- I think it's okay.

599

00:34:45 --> 00:34:46
[Will] Mom? Mom, is that you?

600

00:34:49 --> 00:34:51
This is some kind of trick.

601

00:34:51 --> 00:34:52
Dad! Dad, I can hear you too!

602

00:34:53 --> 00:34:54
[John] Will?

603

00:34:55 --> 00:34:59
Will, I-- I don't know what's happening,
but we're talking to you through a robot.

604

00:34:59 --> 00:35:02
I think it's Scarecrow.

605

00:35:02 --> 00:35:04
Will, did you send him to us?

606

00:35:06 --> 00:35:07
No.

607

00:35:08 --> 00:35:09
Robot did.

608

00:35:09 --> 00:35:12
We were about to defend ourselves.

609

00:35:12 --> 00:35:14
-If you hadn't stopped us--
-That's what danger was.

610

00:35:15 --> 00:35:17
They didn't understand
that you were trying to help.

611

00:35:17 --> 00:35:19
Penny-- Penny, is that you?

612

00:35:19 --> 00:35:22
-Yeah. Mom. Yeah. Hi, it's me.
-[Maureen] Oh, my God!

613

00:35:22 --> 00:35:23
We miss you so much!

614

00:35:23 --> 00:35:24
I miss you too.

615

00:35:24 --> 00:35:26
Guess what. I read your book.

616

00:35:26 --> 00:35:29
Uh, four, five times already, and..

617

00:35:30 --> 00:35:33
Oh, all I've wanted every day

618

00:35:33 --> 00:35:38
is just to tell you how brilliant it is
and how brilliant you are. [chuckles]

619

00:35:39 --> 00:35:40
[gasps]

620

00:35:41 --> 00:35:44
[uplifting music playing]

621

00:35:57 --> 00:35:58
[gasps]

622

00:36:11 --> 00:36:12
[sighs]

623

00:36:13 --> 00:36:17
Penn, Will,
it's so good to hear your voices.

624

00:36:17 --> 00:36:18
How's Jude?

625

00:36:18 --> 00:36:19
She's fine.

626

00:36:20 --> 00:36:21
Is she with you?

627

00:36:22 --> 00:36:23
Uh...

628

00:36:23 --> 00:36:25
No. No, she's...

629

00:36:27 --> 00:36:29
-she's busy.
-Uh, busy captaining.

630

00:36:30 --> 00:36:32
You know, heavy is the head
that wears, um...

631

00:36:33 --> 00:36:35
whatever captains wear.

632

00:36:36 --> 00:36:37
How's Alpha Centauri?

633

00:36:38 --> 00:36:40
Well, don't freak out,

634

00:36:40 --> 00:36:42
but we're not quite there yet.

635

00:36:42 --> 00:36:45
-What?
-No, we're fine. We're fine. We just...

636

00:36:45 --> 00:36:46
we just got a bit sidetracked.

637

00:36:46 --> 00:36:47
What? For a year?

638

00:36:47 --> 00:36:50
It's fine. I was sidetracked
for most of my 20s. [laughs]

639

00:36:51 --> 00:36:54
We had to repair one of our thrusters,
but we should be there in a couple days.

640

00:36:55 --> 00:36:56
[Penny] What about you guys?

641

00:36:57 --> 00:36:59
-We, uh...

-[sighs]

642

00:37:00 --> 00:37:02

We need two things
to get to Alpha Centauri,

643

00:37:02 --> 00:37:04

and now we have one of them.

644

00:37:04 --> 00:37:07

Well, he's on our ship.
I don't know whether we have him.

645

00:37:07 --> 00:37:08

[Robot] Help friend.

646

00:37:08 --> 00:37:09

Help family.

647

00:37:09 --> 00:37:12

I think Robot's saying
you can help each other.

648

00:37:12 --> 00:37:13

Will, you're breaking up.

649

00:37:13 --> 00:37:15

-Same here.

-[Maureen] Will, I need you to listen.

650

00:37:15 --> 00:37:17

When you get to Alpha Centauri,

651

00:37:17 --> 00:37:20

you need to turn that engine off
so no one can find you.

652

00:37:20 --> 00:37:22

-Okay?

-That was always the plan.

653

00:37:22 --> 00:37:25

I know. I know, but now it is--
it is more important than ever.

654

00:37:26 --> 00:37:28

SAR might be alive.

655

00:37:29 --> 00:37:30

[static buzzing]

656

00:37:31 --> 00:37:33

Mom? Mom?

657

00:37:33 --> 00:37:36

Mom, can you hear me? I love you--

658

00:37:37 --> 00:37:38

[power fading]

659

00:37:40 --> 00:37:42

[Maureen] They're okay. They're okay!

660

00:37:45 --> 00:37:45

They are.

661

00:37:47 --> 00:37:48

They are.

662

00:37:48 --> 00:37:50

[laughs] Oh, man!

663

00:37:51 --> 00:37:54
So, what do we do about this guy?

664
00:37:55 --> 00:37:56
We get to work.

665
00:38:00 --> 00:38:02
I thought you said
getting across the surface

666
00:38:03 --> 00:38:03
was the hard part.

667
00:38:04 --> 00:38:05
[Judy] Yeah, it was.

668
00:38:06 --> 00:38:09
[Grant] We're a two-mile vertical drop
from your camp.

669
00:38:09 --> 00:38:11
Unless you have
one hell of an airbag there,

670
00:38:11 --> 00:38:14
-this is officially the hard part.
-Don't worry.

671
00:38:14 --> 00:38:16
Every problem has a solution.

672
00:38:17 --> 00:38:18
Wait, what did you just say?

673
00:38:19 --> 00:38:23
Nothing. It's just...
something my mom always says.

674

00:38:24 --> 00:38:28
[laughs] I used to know a woman
who used that phrase a lot too.

675

00:38:31 --> 00:38:33
There's something I have to tell you.

676

00:38:34 --> 00:38:37
I know you said that-- that maybe
you don't want any more news today,

677

00:38:37 --> 00:38:41
but I think you deserve to know
the reason why I chose you

678

00:38:41 --> 00:38:43
to do my report on back in school.

679

00:38:45 --> 00:38:49
The assignment was to talk about
somebody that was a hero to us,

680

00:38:50 --> 00:38:53
and I couldn't decide between two people.

681

00:38:53 --> 00:38:56
One was my father, a Navy SEAL

682

00:38:56 --> 00:39:02
and probably the bravest and best dad
that I could ever ask for,

683

00:39:02 --> 00:39:06
and... and the second was
someone that I never met

684

00:39:07 --> 00:39:10
but was kind of always a part of my life.

685

00:39:10 --> 00:39:13
His mother would come over
every Thanksgiving, and...

686

00:39:15 --> 00:39:17
she was there that day

687

00:39:17 --> 00:39:19
that I gave that report.

688

00:39:20 --> 00:39:22
My mom worked with him at NASA,

689

00:39:24 --> 00:39:27
and... when she would talk about him,

690

00:39:27 --> 00:39:32
she would say that...
that he gave his life to space.

691

00:39:32 --> 00:39:36
But... that he gave her life something more.

692

00:39:39 --> 00:39:41
He gave her me.

693

00:39:44 --> 00:39:46
And he never knew that I existed,

694

00:39:47 --> 00:39:52
and... I never referred to him as my father

695

00:39:52 --> 00:39:56
because, well, that job was already taken,

696

00:39:56 --> 00:39:59
but I always wondered what he would say
if he got to hear this story.

697

00:40:01 --> 00:40:02
[sighs]

698

00:40:07 --> 00:40:08
[sighs]

699

00:40:08 --> 00:40:09
I think...

700

00:40:10 --> 00:40:12
he would start by saying,
"Nice to meet you."

701

00:40:12 --> 00:40:13
[sighs]

702

00:40:13 --> 00:40:15
[uplifting music playing]

703

00:40:21 --> 00:40:22
Nice to meet you too.

704

00:40:34 --> 00:40:37
Come on! We have to go back to camp,
tell everyone the good news.

705

00:40:37 --> 00:40:39
Okay, I'll be right there.

706

00:40:47 --> 00:40:48

[Will sighs]

707

00:40:49 --> 00:40:53

I noticed you didn't mention
to your parents that I was still alive.

708

00:40:53 --> 00:40:56

No offense, but there were
more important things to talk about.

709

00:40:58 --> 00:41:02

I have another theory.
I think you were being a protector.

710

00:41:03 --> 00:41:06

Protecting me from getting in trouble
for being a stowaway

711

00:41:06 --> 00:41:08

and protecting your parents

712

00:41:08 --> 00:41:11

so they wouldn't worry about the fact
that you were alone with me.

713

00:41:11 --> 00:41:13

Interesting theory.

714

00:41:13 --> 00:41:15

You're a good person, Will Robinson.

715

00:41:15 --> 00:41:20

Even being on your own this past year,
the values your parents instilled in you,

716

00:41:21 --> 00:41:23

your original programming,

717

00:41:24 --> 00:41:26
it stuck with you.

718

00:41:29 --> 00:41:31
I guess it's a good thing
we didn't take off sooner.

719

00:41:32 --> 00:41:33
What do you mean?

720

00:41:33 --> 00:41:36
Well, if we hadn't been stranded here
for so long,

721

00:41:36 --> 00:41:38
we never would have found this place,

722

00:41:38 --> 00:41:41
and you never would have connected
with your parents.

723

00:41:42 --> 00:41:45
Sometimes, things work out for the best.

724

00:41:51 --> 00:41:52
[Will sighs]

725

00:41:53 --> 00:41:58
So, finding Scarecrow to help my parents,

726

00:42:00 --> 00:42:02
was that your way of saying sorry?

727

00:42:05 --> 00:42:06

Well, either way,

728

00:42:08 --> 00:42:09
thank you.

729

00:42:11 --> 00:42:12
What's out there?

730

00:42:24 --> 00:42:27
[dramatic music playing]

731

00:42:39 --> 00:42:40
The other robots,

732

00:42:42 --> 00:42:44
do they know what happened to this place?

733

00:42:46 --> 00:42:48
That whoever made them is...

734

00:42:50 --> 00:42:51
extinct?

735

00:42:52 --> 00:42:54
[Robot] No, Will Robinson.

736

00:42:56 --> 00:42:57
Then that's how we end this.

737

00:42:59 --> 00:43:02
When the robots attacked us,
it's not what they wanted to do.

738

00:43:02 --> 00:43:04
It's what they were programmed to do.

739

00:43:05 --> 00:43:09

Those orders, their original programming,

740

00:43:09 --> 00:43:10

it's obsolete now.

741

00:43:13 --> 00:43:15

We have to find a way to prove it to them.

742

00:43:16 --> 00:43:18

[Robot] Danger, Will Robinson.

743

00:43:20 --> 00:43:21

You're thinking about SAR.

744

00:43:27 --> 00:43:28

Do you think he'll remember me?

745

00:43:29 --> 00:43:31

[dramatic music playing]

746

00:43:36 --> 00:43:37

[electronic whirring]

747

00:43:37 --> 00:43:39

[thumping]

748

00:43:43 --> 00:43:44

[clanking]

749

00:43:52 --> 00:43:53

[hissing]

750

00:44:02 --> 00:44:04

[powering up]

751

00:44:09 --> 00:44:12
[SAR] Find Will Robinson.

752

00:44:14 --> 00:44:16
[closing theme music playing]
