EPISODE 3.04

"Nothing Left Behind"

As the adults race to destroy all clues to the location of Alpha Centauri, the Robinson kids receive an ominous message from SAR.

EPISODE CAST

Toby Stephens	...	John Robinson
Molly Parker	...	Maureen Robinson
Maxwell Jenkins	...	Will Robinson
Taylor Russell	...	Judy Robinson
Mina Sundwall	...	Penny Robinson
Ignacio Serricchio	...	Don West
Brian Steele	...	The Robot
Parker Posey	...	June Harris / Dr. Smith
Russell Hornsby	...	Grant Kelly
Ajay Friese	...	Vijay Dhar
Raza Jaffrey	...	Victor Dhar
Charles Vandervaart	...	Liam Tufeld
Nevis Unipan	...	Samantha
Tattiawna Jones	...	Ava
Amelia Burstyn	...	Diane
Rob LaBelle	...	Mr. Jackson
Yukari Komatsu	...	Naoko Watanabe
Viv Leacock	...	Reese
Rowan Schlosberg	...	Connor
Aria DeMaris	...	Izabel Azevedo
Alison Araya	...	Aubrey Azevedo
Zya Acala	...	Elise
William Budijanto	...	Another Kid

1

00:00:06 --> 00:00:08
[opening theme music playing]

2

00:01:20 --> 00:01:22
[Grant] What the hell happened down there?

3

00:01:22 --> 00:01:26
At first, we thought maybe impact
from one of those meteors, but...

4

00:01:27 --> 00:01:30
no meteor would be large enough
to create that kind of destruction.

5

00:01:30 --> 00:01:31
Agreed.

6

00:01:32 --> 00:01:33
Then what did?

7

00:01:38 --> 00:01:40
Okay, everyone, I don't wanna stay here
longer than we need to.

8

00:01:40 --> 00:01:42
-Will, make sure the robot's ready.
-Yeah.

9

00:01:43 --> 00:01:45
Penny, can you check on the kids, please?

10

00:01:45 --> 00:01:47
Wait, hold on.

11

00:01:47 --> 00:01:50
Sorry, Will has one job,

and I have 97 jobs?

12

00:01:50 --> 00:01:52

-You're better with the kids than he is.

-Hey!

13

00:01:53 --> 00:01:55

Sorry, it's just
they're a little intimidated by you.

14

00:01:56 --> 00:01:58

-Really? Have they met Will?

-[scoffs]

15

00:01:58 --> 00:02:00

Yes, well, Will has a robot.

16

00:02:01 --> 00:02:03

Uh, well, Penny has a strong boyfriend.

17

00:02:03 --> 00:02:06

And which one of your boyfriends
is the strong one again? [chuckles]

18

00:02:06 --> 00:02:10

-Okay, I don't care for either of you.

-Next stop, Alpha Centauri.

19

00:02:10 --> 00:02:12

[children chattering]

20

00:02:18 --> 00:02:20

It was once the greatest ship ever built.

21

00:02:22 --> 00:02:24

Never even had a chance
to complete her mission.

22

00:02:24 --> 00:02:25

[Judy] Mmm.

23

00:02:27 --> 00:02:29

Well, she kept you and your crew alive.

24

00:02:31 --> 00:02:34

Life's not just about survival.

It's about making a difference.

25

00:02:35 --> 00:02:38

So when you're all done, you can say,

26

00:02:39 --> 00:02:40

"I did that."

27

00:02:42 --> 00:02:45

-Look, about what happened earlier--

-[Grant] Happened. Past tense.

28

00:02:46 --> 00:02:48

No need to dwell on it.

29

00:02:50 --> 00:02:51

Let's just move on.

30

00:02:55 --> 00:02:56

[bleeping]

31

00:02:57 --> 00:02:57

Understood.

32

00:03:03 --> 00:03:05

Yeah, that looks good. Okay.

33

00:03:05 --> 00:03:07
[adventurous music playing]

34

00:03:22 --> 00:03:24
I thought we said
no loose items during flight.

35

00:03:25 --> 00:03:29
Sorry. It's just... my mom says
if you ever get nervous,

36

00:03:29 --> 00:03:31
just stay focused on the goal.

37

00:03:33 --> 00:03:37
Well, then we're just going to have to do
a better job of tucking that in.

38

00:03:44 --> 00:03:47
When I was in the ruins,
I recorded these sounds.

39

00:03:48 --> 00:03:50
[alien screeching]

40

00:03:51 --> 00:03:54
I think it might be some kind of language,

41

00:03:54 --> 00:03:56
made by whoever built you.

42

00:03:57 --> 00:03:58
Do you know what it's saying?

43

00:04:01 --> 00:04:02
[alien screeching]

44

00:04:02 --> 00:04:03
[turns recording off]

45

00:04:04 --> 00:04:08
Look, I know you don't remember much
about the way you were before, but...

46

00:04:10 --> 00:04:13
do you understand what I mean
when I talk about programming?

47

00:04:13 --> 00:04:17
It's the way we tell a machine,
like a computer, what we want it to do.

48

00:04:20 --> 00:04:22
[Robot] Yes, Will Robinson.

49

00:04:22 --> 00:04:27
So, what if these sounds
are how they controlled the robots?

50

00:04:27 --> 00:04:29
And if so, maybe one could even stop them.

51

00:04:29 --> 00:04:32
-Or at least slow them down--
-[Penny] Hey, lazy butts.

52

00:04:32 --> 00:04:34
I would like to point out
that my 97 things are done,

53

00:04:34 --> 00:04:37
and your one thing
still hasn't turned on the map.

54

00:04:37 --> 00:04:38

Sorry.

55

00:04:38 --> 00:04:39

Go ahead.

56

00:04:40 --> 00:04:43

We'll have time to finish working
on this problem on Alpha Centauri.

57

00:04:48 --> 00:04:49

What's the problem?

58

00:04:50 --> 00:04:52

Oh, nothing. It's a robot thing.

59

00:04:52 --> 00:04:54

Don't pull the robot card on me.

60

00:04:54 --> 00:04:56

I'm not.

Since when did you get to be so nosy?

61

00:04:56 --> 00:04:59

-First of all, I've always been nosy.

-[whirring]

62

00:04:59 --> 00:05:01

-Second of all--

-Hold on.

63

00:05:01 --> 00:05:03

[low humming]

64

00:05:08 --> 00:05:10

What? What is he doing?

65

00:05:11 --> 00:05:14

[Will] His lights are... turning on.

66

00:05:17 --> 00:05:18

Like in the ruins.

67

00:05:19 --> 00:05:21

Is he connecting to Scarecrow?

68

00:05:22 --> 00:05:23

Mom?

69

00:05:24 --> 00:05:26

Dad, are you there?

70

00:05:27 --> 00:05:29

-[metal creaking]
-[electricity buzzing]

71

00:05:36 --> 00:05:37

[Penny] Hello?

72

00:05:38 --> 00:05:39

Why isn't anybody answering?

73

00:05:44 --> 00:05:46

[rumbling and whirring]

74

00:05:52 --> 00:05:54

[sighs] Hey. What's taking so long?

75

00:05:59 --> 00:06:02

That's not Alpha Centauri, is it?

76

00:06:03 --> 00:06:05
No, it's not.

77

00:06:07 --> 00:06:09
-[roaring]
-[children gasp]

78

00:06:11 --> 00:06:13
[Will] Robot, what are you doing?

79

00:06:13 --> 00:06:16
Will, tell the robot to stop.
That's not where we wanna go.

80

00:06:16 --> 00:06:19
Wait. Those are Jupiters.
That's our parents.

81

00:06:22 --> 00:06:24
[rumbling]

82

00:06:34 --> 00:06:36
[creaking]

83

00:06:36 --> 00:06:37
[whirring]

84

00:06:40 --> 00:06:41
[Robot, distorted] Danger.

85

00:06:42 --> 00:06:43
Family.

86

00:06:44 --> 00:06:47
Why would Mom and Dad wanna show us this?

87
00:06:47 --> 00:06:48
They're not.

88
00:06:50 --> 00:06:51
SAR is.

89
00:06:52 --> 00:06:53
[SAR hissing]

90
00:06:56 --> 00:06:57
Hey. Hey.

91
00:06:58 --> 00:07:00
-[panting] Hey.
-[low whooshing]

92
00:07:08 --> 00:07:09
[humming]

93
00:07:09 --> 00:07:10
[power fades]

94
00:07:22 --> 00:07:23
Scarecrow's gone,

95
00:07:25 --> 00:07:26
isn't he?

96
00:07:29 --> 00:07:31
[whispers] I'm so sorry.

97
00:07:44 --> 00:07:45
[sighs]

98
00:07:46 --> 00:07:49

Can someone please explain to me
what just happened?

99

00:07:50 --> 00:07:52
[automated voice] Incoming enemy hostiles.

100

00:07:52 --> 00:07:55
I thought we'd be safe in the suns.
What changed?

101

00:07:55 --> 00:07:56
[Maureen] Scarecrow.

102

00:07:58 --> 00:08:01
The robot that helped our children escape

103

00:08:01 --> 00:08:04
was trying to help us, too,
when he was captured.

104

00:08:04 --> 00:08:06
Which means the robots know
everything that Scarecrow knew,

105

00:08:07 --> 00:08:08
which includes our location.

106

00:08:08 --> 00:08:11
-[Naoko] Did he know where our kids are?
-We're assuming no.

107

00:08:11 --> 00:08:12
[Naoko] Why's that?

108

00:08:12 --> 00:08:14
If he did, those ships
wouldn't be headed for us.

109

00:08:14 --> 00:08:16
How far out are they?

110

00:08:16 --> 00:08:17
-Thirty minutes.
-[Victor] Thirty minutes...

111

00:08:18 --> 00:08:20
West, how long will it take your crew
to decouple the Jupiters?

112

00:08:21 --> 00:08:23
I feel like you want me to say
less than 30 minutes.

113

00:08:23 --> 00:08:25
[Izabel] Even if our Jupiters were
operating at full capacity,

114

00:08:26 --> 00:08:28
which they're not,
we can't outrun those ships.

115

00:08:29 --> 00:08:30
[Naoko] They'll pick us off one by one.

116

00:08:31 --> 00:08:34
-[Radoo] Let's talk alternatives.
-[Victor] If we can't outrun them,

117

00:08:34 --> 00:08:36
we find a way to take them out,
like we did on the Resolute.

118

00:08:39 --> 00:08:41
Problem is we're not on the Resolute.

119

00:08:42 --> 00:08:44

There are no places to hide here.

120

00:08:46 --> 00:08:49

No EMFs to slow them down.
No weapons to defend ourselves with.

121

00:08:50 --> 00:08:53

The last time we faced the robots,
we threw everything we had at them,

122

00:08:53 --> 00:08:55

including the Resolute,
and they still found us.

123

00:08:56 --> 00:08:59

-Then we have to think outside the box.
-We can't save ourselves.

124

00:09:01 --> 00:09:03

[breathes deeply]

125

00:09:06 --> 00:09:10

The faster we accept that, the faster
we can focus on the people we can save.

126

00:09:12 --> 00:09:13

Our kids.

127

00:09:19 --> 00:09:22

When SAR gets here,
he's gonna tear the Jupiters apart

128

00:09:22 --> 00:09:24

to try and find the location
of Alpha Centauri,

129

00:09:24 --> 00:09:27

where our kids are headed with his engine.

130

00:09:27 --> 00:09:32

Anything that might be a clue,
hardware, software, maps, even photos,

131

00:09:32 --> 00:09:34

all of it has to be destroyed.

132

00:09:35 --> 00:09:38

We'll make teams, disconnect
the shredders from the 3D printers,

133

00:09:38 --> 00:09:42

and disable fire safety systems
so that we can do burns in the garage.

134

00:09:42 --> 00:09:43

On it.

135

00:09:43 --> 00:09:45

And wipe the flight data
from the ship's hard drives.

136

00:09:46 --> 00:09:47

[Don] I can help with that.

137

00:09:47 --> 00:09:49

I've got a few degaussers.

138

00:09:50 --> 00:09:51

Why would you have those?

139

00:09:51 --> 00:09:55

Let's just say that in my previous life,
I had to cover my tracks once.

140

00:09:55 --> 00:09:57
And by once, I mean 24 times.

141

00:09:57 --> 00:09:59
Which is a good thing,

142

00:09:59 --> 00:10:02
'cause if we leave any scraps behind,

143

00:10:03 --> 00:10:04
all the sacrifices that we made,

144

00:10:05 --> 00:10:09
all the lives that have been lost,
will have been for nothing.

145

00:10:10 --> 00:10:12
Our children's lives depend on us.

146

00:10:14 --> 00:10:15
Let's get started.

147

00:10:20 --> 00:10:21
[grunts]

148

00:10:23 --> 00:10:24
[woman] All this has to go!

149

00:10:24 --> 00:10:26
-[man] Clear.
-[woman] Right.

150

00:10:27 --> 00:10:29

[indistinct chatter]

151

00:10:35 --> 00:10:37
-You're a teacher, right?
-Yes. Biology.

152

00:10:37 --> 00:10:39
We need your lesson plans,
lecture notes, all of it.

153

00:10:39 --> 00:10:40
Seriously?

154

00:10:40 --> 00:10:44
Information about the natural resources
on Alpha Centauri goes in the bag.

155

00:10:52 --> 00:10:54
[hammering]

156

00:10:56 --> 00:10:58
Just don't stop until you get
a solid green light.

157

00:10:58 --> 00:11:01
-Hurry. Here, go with him.
-[man 1] Where's that bag?

158

00:11:01 --> 00:11:03
-[man 2] Get this shredded.
-I always wondered

159

00:11:03 --> 00:11:05
how you managed to get your goods
past the allotment system.

160

00:11:05 --> 00:11:08

I also wondered why the allotment system
was constantly malfunctioning.

161

00:11:09 --> 00:11:11

Stay focused.

Stop thinking about the past.

162

00:11:12 --> 00:11:14

[woman] Welcome to Alpha Centauri.

163

00:11:14 --> 00:11:16

-[stirring music playing]

-Welcome to your new life.

164

00:11:16 --> 00:11:21

It's been a long journey for you,
almost 26 trillion miles.

165

00:11:21 --> 00:11:22

But you are home now.

166

00:11:22 --> 00:11:24

I wish to hell we were.

167

00:11:25 --> 00:11:27

-[chuckles]

-[woman] You've joined a community

168

00:11:27 --> 00:11:29

of the best and brightest
Earth has to offer,

169

00:11:30 --> 00:11:32

-dedicated to building..

-[sighs]

170

00:11:32 --> 00:11:33

At least we know now.

171

00:11:35 --> 00:11:37

-What do you mean?

-About the kids.

172

00:11:38 --> 00:11:42

You said the hardest part
was the not knowing. We know now.

173

00:11:42 --> 00:11:43

They're okay.

174

00:11:45 --> 00:11:47

-They're gonna make it there.

-[sighs]

175

00:11:49 --> 00:11:50

[John] Even if we aren't.

176

00:11:51 --> 00:11:52

[beeping]

177

00:11:53 --> 00:11:55

[breathes deeply]

178

00:11:56 --> 00:11:58

[Vijay] I think everybody's
pretty spooked.

179

00:11:58 --> 00:12:00

[Judy] That's exactly what SAR wants.

180

00:12:01 --> 00:12:03

We don't know what he wants.

181

00:12:03 --> 00:12:05
[Judy] Yes, we do. He wants the engine.

182
00:12:05 --> 00:12:09
He knows that if he threatens our parents,
then we'll go there and give it to him.

183
00:12:09 --> 00:12:11
What if he's after more
than just our engine?

184
00:12:12 --> 00:12:14
He could be after a ham sandwich,
for all I care.

185
00:12:14 --> 00:12:16
He's gonna kill our parents.
We can't let that happen.

186
00:12:16 --> 00:12:19
Hold on. We have to think things through.

187
00:12:19 --> 00:12:20
No, Vijay's right.

188
00:12:21 --> 00:12:22
He is?

189
00:12:22 --> 00:12:25
Sorry, I think that's
the first time you've ever said that.

190
00:12:25 --> 00:12:29
Guys, SAR didn't just make a threat.
He just made a mistake.

191
00:12:29 --> 00:12:32

He just showed us where our parents are.
Their exact coordinates.

192

00:12:32 --> 00:12:36

-So we can go get them. Use the robot--
-It's not a mistake, Penny. It's a trap.

193

00:12:38 --> 00:12:41

I was given direct orders to take us
to Alpha Centauri from our parents.

194

00:12:41 --> 00:12:43

From everyone's parents.

195

00:12:43 --> 00:12:46

People who put their trust in me
to get us there.

196

00:12:46 --> 00:12:49

-They would want us to at least try.
-No. They wanted one thing.

197

00:12:49 --> 00:12:51

For us to get to the colony safely.

198

00:12:51 --> 00:12:53

What about what we want?

199

00:12:54 --> 00:12:56

I wanna save my parents.

200

00:13:00 --> 00:13:01

[sighs]

201

00:13:02 --> 00:13:03

Noah...

202
00:13:05 --> 00:13:06
everyone,

203
00:13:07 --> 00:13:11
there is a big difference
between wanting to save our parents

204
00:13:11 --> 00:13:13
and actually pulling it off.

205
00:13:13 --> 00:13:15
We lack any element of surprise.

206
00:13:15 --> 00:13:19
SAR knows that we're coming.
And the second we get there, he's gonna...

207
00:13:20 --> 00:13:23
he's gonna send
everything he's got after us.

208
00:13:35 --> 00:13:37
I still want to try.

209
00:13:39 --> 00:13:40
[girl] Yeah.

210
00:13:41 --> 00:13:43
[children murmuring]

211
00:13:43 --> 00:13:44
Me too.

212
00:13:46 --> 00:13:48
[inspiring music playing]

213

00:13:59 --> 00:14:02
[music intensifies]

214

00:14:22 --> 00:14:24
[sighs]

215

00:14:25 --> 00:14:26
[door opens]

216

00:14:32 --> 00:14:34
-Hey.
-Hey.

217

00:14:41 --> 00:14:41
You need anything?

218

00:14:46 --> 00:14:47
Yeah. Actually, I do.

219

00:14:48 --> 00:14:52
There's no way that we can outrun SAR.
The Jupiter's not fast enough.

220

00:14:52 --> 00:14:57
Our technology versus theirs. Our one ship
versus how many of theirs? It--

221

00:14:57 --> 00:15:00
I just don't see how it's possible.

222

00:15:00 --> 00:15:01
You're right.

223

00:15:02 --> 00:15:06
Not even the best pilot or computer
can do what you're asking.

224
00:15:06 --> 00:15:07
Hey.

225
00:15:09 --> 00:15:10
You okay?

226
00:15:14 --> 00:15:16
[Grant] But there's one thing
my mother would tell me

227
00:15:16 --> 00:15:19
when the bullies
would chase me after school.

228
00:15:19 --> 00:15:24
"If you're not faster than them,
then you damn well better be smarter."

229
00:15:25 --> 00:15:26
And from what I've seen,

230
00:15:27 --> 00:15:29
you've got a lot of smart people
on this ship.

231
00:15:30 --> 00:15:34
[Penny] I know a part of you thinks
you need to be the one to solve this,

232
00:15:34 --> 00:15:35
but you don't.

233
00:15:37 --> 00:15:39
Okay? You're not alone.

234

00:15:40 --> 00:15:42
You're the captain.

235
00:15:43 --> 00:15:44
You.

236
00:15:44 --> 00:15:47
This isn't a democracy.
Votes don't matter.

237
00:15:47 --> 00:15:50
Who raises their hand, how many...
Doesn't matter.

238
00:15:52 --> 00:15:53
It's your call.

239
00:15:54 --> 00:15:57
And whatever that call is, either way...

240
00:15:58 --> 00:16:00
I believe it will be the right one.

241
00:16:02 --> 00:16:03
[Judy] Every problem
has a solution, right?

242
00:16:05 --> 00:16:08
Look, there's a little bit of Mom
in all of us,

243
00:16:08 --> 00:16:10
which means, if there is a solution here,

244
00:16:10 --> 00:16:13
a way to save them,
the three of us can find it.

245
00:16:16 --> 00:16:17
Who wants to start?

246
00:16:19 --> 00:16:21
[Will sighs]

247
00:16:27 --> 00:16:28
Judy...

248
00:16:32 --> 00:16:34
I think I know what to do.

249
00:16:36 --> 00:16:37
[bustle of voices]

250
00:16:38 --> 00:16:40
[woman] ...with everything coming out of...

251
00:16:42 --> 00:16:44
Okay, is that everything?

252
00:16:45 --> 00:16:49
Not everything. I--
I know every-- every page, every word.

253
00:16:49 --> 00:16:51
Nothing in here could lead them
to Alpha Centauri.

254
00:16:51 --> 00:16:54
-Maureen--
-What is in here is us.

255
00:16:54 --> 00:16:55
It's our family, and...

256

00:16:58 --> 00:16:59
if this is where it ends, I...

257

00:17:06 --> 00:17:07
It's okay.

258

00:17:10 --> 00:17:12
[tense music playing]

259

00:17:17 --> 00:17:18
Hey, last call.

260

00:17:18 --> 00:17:19
Hey. Here you are.

261

00:17:21 --> 00:17:22
Hey.

262

00:17:23 --> 00:17:24
Thank you.

263

00:17:24 --> 00:17:27
No. Thank you. 'Cause of you and Maureen,
my kids are gonna be safe.

264

00:17:27 --> 00:17:29
No, it's 'cause of all of us.

265

00:17:29 --> 00:17:31
[automated voice] T-minus ten minutes
until arrival.

266

00:17:34 --> 00:17:35
Better get moving.

267

00:17:35 --> 00:17:37
[accelerating music playing]

268

00:17:38 --> 00:17:41
-[bleeps]
-J2, all clear. J6, prepare for pickup.

269

00:17:46 --> 00:17:49
Jupiter 30,
I'm headed to you with a junk trunk.

270

00:17:54 --> 00:17:56
-This it?
-Every last one.

271

00:17:56 --> 00:17:56
Okay.

272

00:18:00 --> 00:18:01
This is the rest!

273

00:18:03 --> 00:18:03
[Don] Come on.

274

00:18:05 --> 00:18:07
Come on! You piece of junk!

275

00:18:08 --> 00:18:09
God--

276

00:18:10 --> 00:18:11
Guess we're goin' old school.

277

00:18:13 --> 00:18:14
Okay. Oh!

278

00:18:15 --> 00:18:19
Good form! You know,
after your promotion, I was worried

279

00:18:19 --> 00:18:21
-you'd forgotten how to do the work!
-[roars]

280

00:18:21 --> 00:18:23
Okay! Don! Don, Don, Don!

281

00:18:23 --> 00:18:26
Hey, hey, hey!
We're doing the right thing!

282

00:18:26 --> 00:18:29
Those robots aren't gonna find
any trace of Alpha Centauri!

283

00:18:29 --> 00:18:30
And neither are we!

284

00:18:32 --> 00:18:35
Everything we've done.
Every crazy plan we tried.

285

00:18:39 --> 00:18:43
What was the point of giving yourself hope
for a future you're never gonna have?

286

00:18:44 --> 00:18:46
[sighs] Hope was the point, Don.

287

00:18:52 --> 00:18:55
[automated voice]
T-minus five minutes until arrival.

288
00:19:06 --> 00:19:07
Hey.

289
00:19:07 --> 00:19:08
Everything's ready.

290
00:19:09 --> 00:19:10
Okay. Be right there.

291
00:19:11 --> 00:19:14
Will, it's a good plan.

292
00:19:17 --> 00:19:18
Yeah.

293
00:19:20 --> 00:19:21
It is.

294
00:19:24 --> 00:19:25
Okay.

295
00:19:31 --> 00:19:32
[bleeps]

296
00:19:44 --> 00:19:46
[recorder bleeps]

297
00:19:48 --> 00:19:51
This is Will Robinson
of the 24th Colonist Group.

298
00:19:52 --> 00:19:53
And...

299
00:19:56 --> 00:19:58

if you're watching this recording..

300

00:20:00 --> 00:20:01

[sighs]

301

00:20:02 --> 00:20:04

...this is my final transmission.

302

00:20:05 --> 00:20:07

[dramatic music playing]

303

00:20:11 --> 00:20:13

[John] Okay, that's 100% burn.

304

00:20:13 --> 00:20:15

Four Chariots full, top to bottom.
Nothing but ash.

305

00:20:15 --> 00:20:17

Hardware's ghosted and shredded.

306

00:20:17 --> 00:20:19

[Victor] All the Jupiters swept clean.

307

00:20:19 --> 00:20:22

So... that's everything.

308

00:20:23 --> 00:20:24

It seems so.

309

00:20:26 --> 00:20:28

I'm happy our children
are out there together.

310

00:20:29 --> 00:20:31

Vijay will be a better man because of it.

311
00:20:32 --> 00:20:33
He's already a good man.

312
00:20:40 --> 00:20:41
[Radoo] Excuse me.

313
00:20:43 --> 00:20:44
The first one.

314
00:20:45 --> 00:20:46
[inhales] It's here.

315
00:20:48 --> 00:20:50
[dramatic music playing]

316
00:20:57 --> 00:20:58
It's been an honor.

317
00:21:04 --> 00:21:05
[exhales]

318
00:21:06 --> 00:21:08
[epic music playing]

319
00:21:22 --> 00:21:23
[rapid beeping]

320
00:21:23 --> 00:21:28
Wait, we're picking up an energy spike
at the edge of the solar benchmark.

321
00:21:28 --> 00:21:29
An energy spike?

322

00:21:30 --> 00:21:32
[Radoo] Incoming spacecraft
bearing three-three-zero.

323
00:21:34 --> 00:21:35
It's a transport Jupiter.

324
00:21:36 --> 00:21:38
[dramatic music playing]

325
00:21:44 --> 00:21:46
-It's the kids.
-No.

326
00:21:46 --> 00:21:49
-What the hell are they doing here?
-No. No!

327
00:21:51 --> 00:21:53
[SAR] Will Robinson.

328
00:21:54 --> 00:21:55
[growls]

329
00:21:55 --> 00:21:57
They're gonna get themselves killed.

330
00:21:59 --> 00:22:02
Any ship ready to fly, we need you
to divert SAR away from the transport.

331
00:22:02 --> 00:22:04
-Now!
-Don West.

332
00:22:04 --> 00:22:06
-Already on it.

-Get ready to launch on my count.

333

00:22:06 --> 00:22:08
[Judy] Belay that order.

334

00:22:09 --> 00:22:12
-Judy.
-Judy, what the hell are you doing?

335

00:22:13 --> 00:22:14
Are you crazy?

336

00:22:14 --> 00:22:17
Maybe, but crazy tends
to run in the family.

337

00:22:17 --> 00:22:20
Wait, the frequency you're on,
that's not the Jupiter.

338

00:22:20 --> 00:22:22
If they're not on the Jupiter,
where are they?

339

00:22:26 --> 00:22:28
That's impossible.

340

00:22:28 --> 00:22:29
[suspenseful music playing]

341

00:22:34 --> 00:22:36
This is Judy Robinson,
on board the Fortuna,

342

00:22:37 --> 00:22:38
hailing all Jupiters.

343

00:22:38 --> 00:22:42

We are here to assist you.
I repeat. We are here to assist you.

344

00:22:43 --> 00:22:44

They came through the Rift together.

345

00:22:46 --> 00:22:47

The Jupiter was a decoy.

346

00:22:49 --> 00:22:52

The Fortuna's been gone 19 years.

347

00:22:53 --> 00:22:55

What the hell is it doing way out here?

348

00:22:55 --> 00:22:56

[Penny] Rescuing you.

349

00:22:56 --> 00:22:57

You're welcome.

350

00:23:07 --> 00:23:10

Engaging RCS. Beginning deceleration.

351

00:23:11 --> 00:23:12

Copy. On your mark.

352

00:23:13 --> 00:23:14

[bleeping and whirring]

353

00:23:14 --> 00:23:16

Prepare for docking at Jupiter 2.

354

00:23:22 --> 00:23:24

[orchestral music playing]

355

00:23:34 --> 00:23:36
[excited chatter]

356

00:23:36 --> 00:23:37
Oh, come on.

357

00:23:39 --> 00:23:40
Ah, come on!

358

00:23:41 --> 00:23:44
[sighs] Why does this stupid door
take so long?

359

00:23:45 --> 00:23:47
[whooshing]

360

00:23:47 --> 00:23:49
[joyful music playing]

361

00:24:05 --> 00:24:05
Hey.

362

00:24:14 --> 00:24:15
-Oh!
-Mom! Dad!

363

00:24:16 --> 00:24:17
Oh!

364

00:24:18 --> 00:24:20
-[Penny laughing]
-For real this time.

365

00:24:20 --> 00:24:24

[Judy] Dad, I know...
Look, I know you gave me an order...

366

00:24:24 --> 00:24:29

No, no, Judy, I gave you command.
What you did with it was always up to you.

367

00:24:30 --> 00:24:31

[Maureen sobbing]

368

00:24:33 --> 00:24:34

Penny.

369

00:24:35 --> 00:24:36

-Mom.

-Oh, baby.

370

00:24:38 --> 00:24:39

Hey.

371

00:24:40 --> 00:24:41

Where's Will?

372

00:24:44 --> 00:24:45

Who's flying the Jupiter?

373

00:24:46 --> 00:24:48

[thrilling music playing]

374

00:24:54 --> 00:24:56

[instruments beeping]

375

00:25:06 --> 00:25:09

-All clear. Everyone's off the ship.

-[door closes]

376

00:25:09 --> 00:25:10
[Maureen] Will!

377
00:25:11 --> 00:25:14
-[John] Will!
-[Maureen] Look at you! You've got so big!

378
00:25:17 --> 00:25:20
Okay, I need everyone
to super-triple pinkie promise

379
00:25:20 --> 00:25:22
that we are never gonna separate again.

380
00:25:22 --> 00:25:24
-Okay? I'm serious. Promise.
-[Maureen] Okay.

381
00:25:24 --> 00:25:25
-Promise.
-[John] I promise.

382
00:25:32 --> 00:25:35
That decoy's not gonna last for long.
Everybody find their family.

383
00:25:35 --> 00:25:38
Head back to your Jupiter.
We don't have much time.

384
00:25:38 --> 00:25:40
[Don] Do what your captain says.
And listen carefully.

385
00:25:40 --> 00:25:43
We've assigned transports to anyone
who doesn't have their own Jupiter.

386

00:25:44 --> 00:25:46

So A through I, you're with the Azevedos.

387

00:25:46 --> 00:25:48

J through Q, you're with the Dhars.

388

00:25:48 --> 00:25:50

The rest of you with the Watanabes.

389

00:25:51 --> 00:25:53

Wow. Nice suit.

390

00:25:54 --> 00:25:56

Okay, I leave for a year,
and you're management?

391

00:25:56 --> 00:25:58

Please. Captain Robinson?

392

00:25:59 --> 00:26:01

Or is it Dr. Robinson still?

393

00:26:01 --> 00:26:04

Do I call you Captain Dr. Robinson?
Dr. Captain Robinson?

394

00:26:04 --> 00:26:05

Just Judy.

395

00:26:06 --> 00:26:07

I can do that.

396

00:26:12 --> 00:26:13

-Okay.

-Let's go.

397

00:26:14 --> 00:26:15

Let's get to work, everybody. Come on.

398

00:26:16 --> 00:26:19

[sighs] Judy, I don't understand.
How did you find the Fortuna?

399

00:26:19 --> 00:26:21

How did you learn how to--

400

00:26:22 --> 00:26:23

[man] ...gotten so big..

401

00:26:24 --> 00:26:25

Grant.

402

00:26:29 --> 00:26:31

How are you here?

403

00:26:31 --> 00:26:33

I'm still trying
to figure that out myself.

404

00:26:33 --> 00:26:36

When we lost communication,
everyone assumed the worst.

405

00:26:36 --> 00:26:39

And I-- I mean,
there was no way to know, but I--

406

00:26:40 --> 00:26:43

What? How did you find our kids?

407

00:26:44 --> 00:26:45

They found me.

408

00:26:45 --> 00:26:48
[Radoo] Attention. The alien ship
has reached the transport.

409

00:26:48 --> 00:26:49
-I--
-[Victor] All right.

410

00:26:49 --> 00:26:51
We need to detach as soon as we're ready.

411

00:26:51 --> 00:26:54
-See you all on the Alpha Centauri.
-I-- I'm sorry. I--

412

00:26:55 --> 00:26:56
Of course.

413

00:26:57 --> 00:27:01
Penny? The drives have been scraped,
so we need to boot comms manually.

414

00:27:01 --> 00:27:02
Okay.

415

00:27:02 --> 00:27:03
-[John] Don.
-Yeah.

416

00:27:03 --> 00:27:05
-We need to uncouple from the base now.
-On it.

417

00:27:05 --> 00:27:08
-Where's Robot?
-[Will] He's still on the Fortuna.

418

00:27:08 --> 00:27:11

No time to transfer the engine.
Tell him to open the Rift from there.

419

00:27:11 --> 00:27:13

-[John] And hold it until we get through.
-What?

420

00:27:13 --> 00:27:14

I-- I just missed this.

421

00:27:27 --> 00:27:29

[Will] This one stays with us.

422

00:27:29 --> 00:27:30

[man] Where do you want it?

423

00:27:30 --> 00:27:32

You can put it in the med bay. Thanks.

424

00:27:32 --> 00:27:33

[man] You got it.

425

00:27:37 --> 00:27:40

Stop. Wait.

I need to tell you what's really going on.

426

00:27:41 --> 00:27:44

You and I aren't going with everyone else.
We're staying here.

427

00:27:45 --> 00:27:47

-[Robot] Family.

-[Will] We're not going with our family.

428

00:27:48 --> 00:27:51
Once everyone gets through,
you need to close the Rift behind them.

429
00:27:51 --> 00:27:53
[Robot] Danger, Will Robinson.

430
00:27:54 --> 00:27:55
[Will] I know, but only for us.

431
00:27:56 --> 00:27:59
When everyone gets to Alpha Centauri,
they won't have an engine.

432
00:28:00 --> 00:28:02
Or me, which means they'll be safe.

433
00:28:04 --> 00:28:08
Then SAR will have everything he wants,
right here, waiting for him.

434
00:28:09 --> 00:28:10
Then you and I...

435
00:28:13 --> 00:28:13
together...

436
00:28:15 --> 00:28:17
can try to put an end to this.

437
00:28:21 --> 00:28:22
[rumbling]

438
00:28:22 --> 00:28:24
[foreboding music playing]

439

00:28:34 --> 00:28:35
[rapid beeping]

440
00:28:38 --> 00:28:39
[growls]

441
00:28:51 --> 00:28:52
[steady beeping]

442
00:29:00 --> 00:29:01
[snoring]

443
00:29:02 --> 00:29:04
[Will] Hey! Hey. Hey, wake up.

444
00:29:04 --> 00:29:06
Are we on Alpha Centauri?

445
00:29:07 --> 00:29:08
[sighs]

446
00:29:09 --> 00:29:11
Oh, you've got to be kidding me.

447
00:29:11 --> 00:29:13
We had a chance to save our parents.
We took a vote.

448
00:29:13 --> 00:29:16
[sighs] That's funny.
I don't remember getting a vote.

449
00:29:16 --> 00:29:19
I don't remember you being
a ten to 16-year-old kid,

450

00:29:19 --> 00:29:20
but you ended up on our Jupiter.

451
00:29:20 --> 00:29:21
Fair point.

452
00:29:22 --> 00:29:24
Look, you'll still get to the colony.

453
00:29:24 --> 00:29:26
-[sighs]
-Right now, I need your help.

454
00:29:26 --> 00:29:28
-[groans]
-I woke you up.

455
00:29:29 --> 00:29:32
I held up my end of the deal.
Now it's your turn.

456
00:29:32 --> 00:29:33
[groans] Ugh.

457
00:29:33 --> 00:29:35
[dramatic music playing]

458
00:29:41 --> 00:29:42
[gasping]

459
00:29:46 --> 00:29:48
Okay, that's everyone. We're up.

460
00:29:49 --> 00:29:51
[panting]

461

00:29:58 --> 00:30:01
Do we have to sit at the kids' table,
or can we be with the grown-ups this time?

462
00:30:06 --> 00:30:07
Which seat's mine?

463
00:30:07 --> 00:30:11
-I thought you were supposed to be dead.
-I was supposed to be a lot of things.

464
00:30:11 --> 00:30:13
None of those worked out either.

465
00:30:13 --> 00:30:15
I saw your shattered helmet.

466
00:30:15 --> 00:30:17
I-- How did you get--

467
00:30:17 --> 00:30:20
[Penny] She stowed away on our Jupiter.
She's been with us the whole time.

468
00:30:21 --> 00:30:23
[Smith] I helped take care of the kids,
Maureen.

469
00:30:23 --> 00:30:26
[Penny] It's true.
She's like a less drunk Miss Hannigan.

470
00:30:26 --> 00:30:28
[breathes deeply]

471
00:30:28 --> 00:30:29
Okay, buckle up!

472

00:30:29 --> 00:30:30

-We need--

-Maureen!

473

00:30:33 --> 00:30:37

I actually owe my survival to you.

474

00:30:38 --> 00:30:41

If you hadn't built this
nifty little compartment over here,

475

00:30:41 --> 00:30:43

I-- I never would have made it.

476

00:30:43 --> 00:30:47

Sure, it's a little cramped,
but as Penny can attest...

477

00:30:50 --> 00:30:52

I'm really good
at squeezing into tight spaces.

478

00:30:52 --> 00:30:54

I'm surprisingly...

479

00:30:55 --> 00:30:56

bendy.

480

00:30:56 --> 00:30:57

Penny, grab your brother.

481

00:30:57 --> 00:31:00

I think he's still on the Fortuna
with the robot.

482

00:31:00 --> 00:31:01
[Maureen] Get him. We're launching now.

483
00:31:04 --> 00:31:06
[clattering and rumbling]

484
00:31:06 --> 00:31:08
[cries out] What is that?

485
00:31:10 --> 00:31:12
[metal creaking]

486
00:31:15 --> 00:31:16
Reinforcements.

487
00:31:19 --> 00:31:21
No. No! [pants]

488
00:31:21 --> 00:31:24
The Rift is still open.
We can't let them through.

489
00:31:25 --> 00:31:26
[bleeping]

490
00:31:27 --> 00:31:28
[automated voice] Audio connected.

491
00:31:30 --> 00:31:31
[alien screeching on recording]

492
00:31:31 --> 00:31:34
-[screeching plays over speakers]
-Is that sound coming from them?

493
00:31:38 --> 00:31:40

[alien roaring and groaning]

494

00:31:44 --> 00:31:46
[roaring and screeching]

495

00:31:49 --> 00:31:51
[roaring and screeching continue]

496

00:32:01 --> 00:32:03
[yelps and groans]

497

00:32:03 --> 00:32:05
[exhales]

498

00:32:06 --> 00:32:09
-[John] Will! Are you okay?
-[gasping]

499

00:32:09 --> 00:32:11
-Come on! We gotta go now! Come on!
-[yells]

500

00:32:11 --> 00:32:13
[Will panting]

501

00:32:14 --> 00:32:18
Robot, let's go.
And close the Rift when we're through.

502

00:32:19 --> 00:32:20
[chicken clucking]

503

00:32:21 --> 00:32:23
Hi. It's nice of you to join us.

504

00:32:23 --> 00:32:24

-[shushing]
-[clucking]

505
00:32:25 --> 00:32:26
[fastens buckle]

506
00:32:28 --> 00:32:29
-[engine whining]
-[gasps]

507
00:32:35 --> 00:32:37
[rumbling]

508
00:32:41 --> 00:32:43
[alarm blaring]

509
00:32:43 --> 00:32:45
I think someone's crashing our party.

510
00:32:50 --> 00:32:51
[loud whirring]

511
00:32:52 --> 00:32:53
It's SAR.

512
00:32:54 --> 00:32:57
John, he can't go to the colony
if we don't.

513
00:32:57 --> 00:32:58
Right.

514
00:32:58 --> 00:33:01
-Robot, send us somewhere else!
-Wait! What?

515

00:33:02 --> 00:33:03
[John] Anywhere else! Now!

516
00:33:06 --> 00:33:08
[all screaming and gasping]

517
00:33:15 --> 00:33:16
[screams]

518
00:33:17 --> 00:33:19
-[powering down]
-We've lost power!

519
00:33:19 --> 00:33:20
Hold on, everyone!

520
00:33:23 --> 00:33:25
[thrilling music playing]

521
00:33:34 --> 00:33:35
Alpha Centauri.

522
00:33:37 --> 00:33:39
[gasps] We made it!

523
00:33:40 --> 00:33:41
All pilots report in.

524
00:33:41 --> 00:33:44
As soon as you're accounted for,
head for the colony.

525
00:33:44 --> 00:33:46
-Hail Alpha Centauri.
-[cheering]

526

00:33:46 --> 00:33:48
-Tell 'em we're coming.
-[pilot 1] Jupiter 12.

527
00:33:48 --> 00:33:50
-[pilot 2] Jupiter 16. Ready.
-[pilot 3] Jupiter 5.

528
00:33:50 --> 00:33:52
-Jupiter 33.
-Jupiter 9. Ready.

529
00:33:52 --> 00:33:53
Jupiter 7. We copy.

530
00:33:53 --> 00:33:55
Sir, it-- it looks like we're one short.

531
00:33:56 --> 00:33:57
Who?

532
00:33:58 --> 00:33:59
The Jupiter 2.

533
00:34:04 --> 00:34:06
[gasping] Where are they?

534
00:34:06 --> 00:34:08
[wind howling]

535
00:34:08 --> 00:34:10
[engines roaring]

536
00:34:18 --> 00:34:20
[whooshing]

537

00:34:24 --> 00:34:26
I can't power cycle!

538

00:34:26 --> 00:34:29
All the systems are dead.
Ignition, navigation, everything.

539

00:34:29 --> 00:34:30
What do we do?

540

00:34:31 --> 00:34:32
[panting] We're gonna have to eject.

541

00:34:32 --> 00:34:34
You've got to be kidding!

542

00:34:35 --> 00:34:36
[gasping]

543

00:34:36 --> 00:34:37
John, we'll lose the ship.

544

00:34:37 --> 00:34:40
We could lose more than that.
We're bailing! Now!

545

00:34:41 --> 00:34:42
-Okay.
-Dad!

546

00:34:43 --> 00:34:45
You'll all be fine.
Just remember your training.

547

00:34:46 --> 00:34:47
-Will, you good?
-Yeah!

548

00:34:49 --> 00:34:52
Okay, on my count. Three...

549

00:34:54 --> 00:34:55
Two...

550

00:34:56 --> 00:34:57
One! [yells]

551

00:34:57 --> 00:34:58
[grunts]

552

00:35:02 --> 00:35:04
[engines screeching]

553

00:35:13 --> 00:35:15
[grunts] Okay, Judy?

554

00:35:16 --> 00:35:19
[panting] My ejector's jammed!

555

00:35:19 --> 00:35:20
Mine too.

556

00:35:22 --> 00:35:23
[Judy grunting]

557

00:35:23 --> 00:35:25
[panicked gasping]

558

00:35:28 --> 00:35:29
Judy! [grunts]

559
00:35:29 --> 00:35:30
I'm here!

560
00:35:31 --> 00:35:32
-[gasps]
-Judy!

561
00:35:38 --> 00:35:39
Mom!

562
00:35:40 --> 00:35:42
[closing theme music playing]
