EPISODE 3.05

"Stuck"

After crashing on a boggy planet, Maureen and Judy contend with a massive salivating creature, while John and Penny work to free the trapped Robot.

EPISODE CAST

Molly Parker	...	Maureen Robinson
Toby Stephens	...	John Robinson
Maxwell Jenkins	...	Will Robinson
Taylor Russell	...	Judy Robinson
Mina Sundwall	...	Penny Robinson
Ignacio Serricchio	...	Don West
Brian Steele	...	The Robot
Parker Posey	...	June Harris / Dr. Smith
Colleen Winton	...	Mrs. Kelly
Aiyanna Miorin	...	Young Judy

1

00:00:06 --> 00:00:08
[opening theme music playing]

2

00:01:13 --> 00:01:15
[crickets chirping]

3

00:01:36 --> 00:01:39
[woman] Cows aren't gonna
feed themselves, Maureen!

4

00:01:44 --> 00:01:47
Someday I'm gonna see you up close.

5

00:01:50 --> 00:01:52
[woman] Don't make me ask twice!

6

00:01:53 --> 00:01:54
Maureen!

7

00:01:54 --> 00:01:55
[Judy, echoing] Mom?

8

00:01:56 --> 00:01:57
Mom?

9

00:01:58 --> 00:02:01
Do you remember what happened?
I need you to tell me.

10

00:02:01 --> 00:02:03
[Maureen, echoing]
SAR followed us into the Rift.

11

00:02:03 --> 00:02:06
We lost power, and everyone ejected.

12

00:02:06 --> 00:02:08

At least, everyone was... supposed to.

13

00:02:08 --> 00:02:10

All right. No slurred speech.

14

00:02:10 --> 00:02:14

Your memory, your concentration is good.
That rules out contusion or DAI.

15

00:02:15 --> 00:02:18

[panting] I'm gonna try
to contact the others.

16

00:02:18 --> 00:02:19

No!

17

00:02:21 --> 00:02:22

Turn that off.

18

00:02:23 --> 00:02:24

[John grunts]

19

00:02:25 --> 00:02:26

They can track us?

20

00:02:26 --> 00:02:28

Anything electronic draws them like flies.

21

00:02:28 --> 00:02:30

-[splashing]
-[John sighs]

22

00:02:30 --> 00:02:33

Wait here.
I'm gonna see if I can spot the others.

23

00:02:33 --> 00:02:35
[chicken clucking]

24

00:02:35 --> 00:02:38
-[bleeping]
-Hold still. Hold still.

25

00:02:38 --> 00:02:39
-[exhales]
-[clucking]

26

00:02:43 --> 00:02:44
I got you. All right.

27

00:02:44 --> 00:02:46
[grunts]

28

00:02:46 --> 00:02:47
There you go.

29

00:02:47 --> 00:02:49
[sighs]

30

00:02:49 --> 00:02:51
[steady beeping]

31

00:02:51 --> 00:02:52
[grunts]

32

00:02:53 --> 00:02:55
-[pants]
-[powering down]

33

00:02:55 --> 00:02:58
Make sure to pull the batteries out

of your wrist device too.

34

00:02:58 --> 00:03:00

-[Smith] What?

-[Will] Pull your batteries out!

35

00:03:01 --> 00:03:02

[Smith] Ah! Right.

36

00:03:04 --> 00:03:07

Do you think SAR and his friends
survived the crash?

37

00:03:07 --> 00:03:09

[Will] Hey, is my wrist device down there?

38

00:03:12 --> 00:03:14

Yeah, I see it. [grunts]

39

00:03:14 --> 00:03:16

-Make sure it's off.

-Oh, it's off.

40

00:03:23 --> 00:03:24

To answer your question...

41

00:03:26 --> 00:03:27

Yeah.

42

00:03:28 --> 00:03:29

They survived.

43

00:03:30 --> 00:03:32

[insects buzzing]

44

00:03:33 --> 00:03:35

[footsteps squelching]

45

00:03:46 --> 00:03:48
[whirring speech]

46

00:03:48 --> 00:03:50
[growling]

47

00:03:51 --> 00:03:53
[bubbling]

48

00:03:59 --> 00:04:02
[Judy sighs] PSA looks good.

49

00:04:02 --> 00:04:06
At least from what I can tell
without actually turning it on.

50

00:04:06 --> 00:04:10
Let's try to get the ship prepped
by the time the others get back.

51

00:04:10 --> 00:04:12
[breathes deeply]

52

00:04:13 --> 00:04:14
Shouldn't be a problem.

53

00:04:14 --> 00:04:18
[Maureen] Of all the people to crash with,
I'm glad I crashed with you.

54

00:04:18 --> 00:04:19
Don't tell Penny.

55

00:04:19 --> 00:04:20

Or Will.

56

00:04:21 --> 00:04:22

Or your father.

57

00:04:23 --> 00:04:24

Yeah.

58

00:04:24 --> 00:04:27

-I'm gonna go check on the fuel tanks.

-Okay.

59

00:04:30 --> 00:04:32

-Judy?

-Yeah?

60

00:04:34 --> 00:04:36

I think the seat rockets are still armed.

61

00:04:36 --> 00:04:37

What?

62

00:04:40 --> 00:04:42

Okay. It's okay. Um...

63

00:04:45 --> 00:04:47

[creaking and jingling]

64

00:04:47 --> 00:04:50

[pants] Okay, talk me through
what I'm supposed to look at.

65

00:04:53 --> 00:04:54

Are the clamps engaged?

66

00:04:55 --> 00:04:56

No.

67

00:04:57 --> 00:04:59

Is the propellant canister intact?

68

00:05:00 --> 00:05:03

-[Judy] It's cracked.

-So I'm basically sitting on a land mine.

69

00:05:05 --> 00:05:07

[sighs] That's not good.

70

00:05:08 --> 00:05:09

[sighs deeply]

71

00:05:10 --> 00:05:13

Okay, um... the sensors
are triggered by weight,

72

00:05:14 --> 00:05:16

so as long as I stay seated,
they won't go off.

73

00:05:18 --> 00:05:19

But if I move, I'm dead.

74

00:05:20 --> 00:05:23

And so are you.
It'll spray shrapnel everywhere.

75

00:05:23 --> 00:05:25

The rocket's triggered
by the catapult booster?

76

00:05:25 --> 00:05:28

Yes, but you can't safely disconnect it
when it's armed.

77

00:05:28 --> 00:05:31
Okay, I could spray liquid helium
in the gap and freeze it.

78

00:05:31 --> 00:05:33
That would only delay it
for a couple of seconds,

79

00:05:33 --> 00:05:35
which isn't enough time
for us to get clear.

80

00:05:35 --> 00:05:38
[sighs] There isn't any other way
to disarm the system?

81

00:05:38 --> 00:05:39
I'm sure there is. I just--

82

00:05:41 --> 00:05:43
I don't know what it is right now.

83

00:05:46 --> 00:05:47
[sighs]

84

00:05:49 --> 00:05:50
[woman] You look exhausted.

85

00:05:50 --> 00:05:52
-Oh, thanks, Mom.
-[baby crying]

86

00:05:53 --> 00:05:55
Oh!

87

00:05:58 --> 00:06:01
Aren't you just the sweetest thing?

88
00:06:02 --> 00:06:03
[chuckles]

89
00:06:03 --> 00:06:05
Nice to meet you, Judy.

90
00:06:05 --> 00:06:07
[baby Judy crying]

91
00:06:08 --> 00:06:09
[chuckles] Yeah!

92
00:06:14 --> 00:06:16
[baby Judy continues crying]

93
00:06:18 --> 00:06:19
I know you're down about your job.

94
00:06:21 --> 00:06:25
I was gonna be an astronaut.
It's more than just a job.

95
00:06:25 --> 00:06:27
-Life throws curveballs.
-[sighs]

96
00:06:32 --> 00:06:35
I didn't even get through the first round
of training before I had to bow out.

97
00:06:36 --> 00:06:39
Well, you're home now, where you belong.

98

00:06:39 --> 00:06:40
I'm not staying here.

99

00:06:41 --> 00:06:47
Oh, maybe you can put that engineering
degree to work fixing the harvester.

100

00:06:48 --> 00:06:49
[sighs]

101

00:06:49 --> 00:06:51
[baby Judy cooing]

102

00:06:53 --> 00:06:55
How did you do that?

103

00:06:56 --> 00:06:59
[chuckles softly] Finally,
something I know that you don't.

104

00:07:01 --> 00:07:02
[Maureen sighs]

105

00:07:05 --> 00:07:07
-Try out the rocker.
-[pats chair]

106

00:07:07 --> 00:07:08
Come on.

107

00:07:13 --> 00:07:14
[Maureen sighs]

108

00:07:17 --> 00:07:18
[shushing]

109

00:07:20 --> 00:07:21
[baby Judy cooing]

110

00:07:23 --> 00:07:25
Babies don't stay babies forever.

111

00:07:28 --> 00:07:30
There's a lot of outer space up there.

112

00:07:30 --> 00:07:32
We're not about to run out.

113

00:07:33 --> 00:07:35
There will be other missions.

114

00:07:36 --> 00:07:39
No. I'm not gonna risk orphaning Judy.

115

00:07:40 --> 00:07:42
[Mom] That's very sensible of you.

116

00:07:42 --> 00:07:45
[footsteps treading]

117

00:07:54 --> 00:07:56
I don't know how to do this yet.

118

00:07:58 --> 00:07:59
But I'm pretty smart.

119

00:08:01 --> 00:08:03
And you will be too.

120

00:08:07 --> 00:08:08
We'll figure it out.

121

00:08:15 --> 00:08:17
It's okay. We'll figure it out.

122

00:08:19 --> 00:08:21
[panting]

123

00:08:23 --> 00:08:25
-[Penny] Did you find where everyone is?
-[huffs]

124

00:08:26 --> 00:08:28
Jupiter's 20 kilometers to the south.

125

00:08:29 --> 00:08:31
Looks to be in pretty good shape.

126

00:08:31 --> 00:08:32
I saw a parachute stuck in the tree,

127

00:08:32 --> 00:08:35
so we know where
at least one of them came down.

128

00:08:35 --> 00:08:36
Just one?

129

00:08:38 --> 00:08:39
Just the one I saw.

130

00:08:41 --> 00:08:45
[sighs] The Fortuna's closest,
so, uh... we'll head there first.

131

00:08:45 --> 00:08:47
Get the robot and the engine.

132

00:08:47 --> 00:08:49
Did you see any sign of SAR?

133

00:08:52 --> 00:08:54
That's not something
you need to worry about.

134

00:08:56 --> 00:08:57
-Dad?
-Yeah.

135

00:08:59 --> 00:09:00
I'm glad you're here.

136

00:09:02 --> 00:09:03
[chuckles]

137

00:09:09 --> 00:09:12
Hey, leave the helmet and the hard pack.
We need to move fast.

138

00:09:16 --> 00:09:18
[squelching]

139

00:09:20 --> 00:09:21
-[fluttering]
-Oh!

140

00:09:21 --> 00:09:23
-[chicken clucking]
-Debbie? Deb--

141

00:09:24 --> 00:09:26
This is what I get for clipping your tag.

142

00:09:26 --> 00:09:29

You get a little taste of freedom,
first thing you do is abuse it.

143

00:09:30 --> 00:09:32

-What are you eating?

-[clucking busily]

144

00:09:33 --> 00:09:35

Do not eat that! [grunts in disgust]

145

00:09:36 --> 00:09:38

Ugh! That's gross.

146

00:09:39 --> 00:09:42

You peck my cheek with that mouth.

You are making poor choices.

147

00:09:42 --> 00:09:44

-[squelching]

-What the--

148

00:09:45 --> 00:09:46

Oh!

149

00:09:48 --> 00:09:49

Get off me. Get off me!

150

00:09:49 --> 00:09:51

-[groans]

-[clucking]

151

00:09:52 --> 00:09:56

-[gurgling]

-What the-- No! Hey, my boot!

152

00:09:57 --> 00:09:59

Aah! No!

153

00:09:59 --> 00:10:00
[clucking]

154

00:10:00 --> 00:10:03
{\an8}Debbie! No, no, no, no!
Do not go near those things.

155

00:10:03 --> 00:10:05
{\an8}Do you hear me? Bad chicken!

156

00:10:05 --> 00:10:07
[bubbling]

157

00:10:11 --> 00:10:12
[sighs]

158

00:10:16 --> 00:10:19
Okay, so I didn't get to the fuel tanks,
but I found the helium, so--

159

00:10:19 --> 00:10:21
-[yelps]
-[rumbling]

160

00:10:21 --> 00:10:22
[Maureen] What's happening?

161

00:10:22 --> 00:10:24
-[metal groaning]
-[Judy gasps] We're sinking.

162

00:10:26 --> 00:10:29
[Maureen] Look. The ejection hatch.
Something's leaking.

163

00:10:29 --> 00:10:31
[gurgling rumble]

164
00:10:32 --> 00:10:35
-[panting]
-What is it?

165
00:10:36 --> 00:10:38
[squelching]

166
00:10:45 --> 00:10:46
It's saliva.

167
00:10:46 --> 00:10:48
[low growling]

168
00:10:53 --> 00:10:54
[Maureen] We're not sinking.

169
00:10:55 --> 00:10:56
We're being swallowed.

170
00:10:56 --> 00:10:58
[low growling]

171
00:11:09 --> 00:11:11
[suspenseful music playing]

172
00:11:14 --> 00:11:17
Your robot brought us
to the worst place yet.

173
00:11:17 --> 00:11:20
You only call him "my robot"
when you're unhappy with him.

174

00:11:20 --> 00:11:23
Usually, you're trying to remind everyone
how you used to be so close.

175
00:11:23 --> 00:11:25
We still are, in our own way.

176
00:11:25 --> 00:11:27
-[birds calling]
-[grunts]

177
00:11:30 --> 00:11:32
[grunts and gasps]

178
00:11:32 --> 00:11:36
Whatever is in that backpack,
it's not worth it.

179
00:11:36 --> 00:11:37
[panting]

180
00:11:41 --> 00:11:42
[Will grunting]

181
00:11:44 --> 00:11:46
Is that a skull?

182
00:11:47 --> 00:11:50
[grunts] I found it in the alien city.

183
00:11:50 --> 00:11:52
-[panting]
-That's a horrible souvenir.

184
00:11:52 --> 00:11:53
I need it for my plan.

185

00:11:55 --> 00:11:58
Why do I feel like your plan
is going to get me killed?

186

00:12:00 --> 00:12:01
No one's gonna get killed.

187

00:12:02 --> 00:12:03
-[branch cracking]
-[Will gasps]

188

00:12:03 --> 00:12:07
{\an8}-[Don] Debbie! Debbie! Stop! Stop! Stop!
-[clucking]

189

00:12:09 --> 00:12:11
Stop! Debbie, come here!

190

00:12:11 --> 00:12:13
I raised you better than this!

191

00:12:13 --> 00:12:15
[panting and grunting]

192

00:12:18 --> 00:12:21
As your parent-slash-guardian,

193

00:12:21 --> 00:12:23
I am ordering you--

194

00:12:23 --> 00:12:24
[grunts]

195

00:12:24 --> 00:12:27
-[bubbling]
-You're gonna get us killed!

196

00:12:29 --> 00:12:34
I swear, if we make it out of here alive,
you are grounded, young lady!

197

00:12:34 --> 00:12:35
[clucking]

198

00:12:43 --> 00:12:45
Daddy loves you. [laughs bitterly]

199

00:12:45 --> 00:12:49
I got worms. You know, for you to eat.

200

00:12:49 --> 00:12:50
[Debbie clucking]

201

00:12:50 --> 00:12:52
[pools bubbling]

202

00:12:55 --> 00:12:56
Debra Abigail West,

203

00:12:57 --> 00:12:59
I'm gonna count to three.

204

00:12:59 --> 00:12:59
One,

205

00:13:00 --> 00:13:01
two,

206

00:13:03 --> 00:13:04
two and a quarter,

207

00:13:05 --> 00:13:06
two and a half...

208
00:13:07 --> 00:13:09
[footsteps thudding]

209
00:13:10 --> 00:13:12
[footsteps squelching]

210
00:13:21 --> 00:13:26
[whirring, hissing]

211
00:13:30 --> 00:13:32
I'm sorry for the bad things I've done
and the people I've hurt.

212
00:13:35 --> 00:13:37
[whirring and crackling]

213
00:13:44 --> 00:13:45
What are you doing?

214
00:13:49 --> 00:13:51
Come on!

215
00:13:51 --> 00:13:52
[yells]

216
00:13:59 --> 00:14:02
[Penny] I didn't think it would be
in so many pieces. [sighs]

217
00:14:03 --> 00:14:04
Robot?

218
00:14:07 --> 00:14:08

Robot? Are you here?

219

00:14:11 --> 00:14:12
[birds calling]

220

00:14:12 --> 00:14:14
Robot, it's Penny Robinson.

221

00:14:14 --> 00:14:17
As opposed to
all the other Pennys you know.

222

00:14:17 --> 00:14:19
[metal creaking]

223

00:14:23 --> 00:14:26
[John] The primary
electrical bus has been severed,

224

00:14:27 --> 00:14:29
which means the ship's dark,
which is good.

225

00:14:29 --> 00:14:31
The robots won't be able to detect us.

226

00:14:31 --> 00:14:33
[Penny] You're using your caveat voice.

227

00:14:34 --> 00:14:39
All it takes is two live wires to touch,
and they'll know we're here.

228

00:14:42 --> 00:14:43
[Penny] Okay, um...

229

00:14:44 --> 00:14:46
I won't touch any wires, then.

230
00:14:47 --> 00:14:48
[sighs]

231
00:14:50 --> 00:14:51
Robot?

232
00:14:52 --> 00:14:54
[metal creaking]

233
00:15:00 --> 00:15:01
Robot?

234
00:15:04 --> 00:15:05
[creaking continues]

235
00:15:09 --> 00:15:10
Where are you?

236
00:15:12 --> 00:15:14
We really need to get out of here.

237
00:15:15 --> 00:15:16
-[metal clanking, creaking]
-Watch it!

238
00:15:18 --> 00:15:20
[both panting]

239
00:15:21 --> 00:15:23
I didn't touch any wires.

240
00:15:25 --> 00:15:27
-[low grinding]

-[distant crash]

241

00:15:28 --> 00:15:29
Did you just hear that?

242

00:15:29 --> 00:15:31
[fluttering]

243

00:15:32 --> 00:15:33
Okay.

244

00:15:34 --> 00:15:35
Hi.

245

00:15:35 --> 00:15:36
[panting]

246

00:15:36 --> 00:15:38
-Are you okay?
-[Robot] Help.

247

00:15:39 --> 00:15:41
[low whirring]

248

00:15:42 --> 00:15:44
[sighs] We need to find something
to cut through this.

249

00:15:46 --> 00:15:47
[grunts]

250

00:15:48 --> 00:15:50
[Robot whirring]

251

00:15:50 --> 00:15:51
[Penny panting] Hi.

252

00:15:51 --> 00:15:53
[whirrs unhappily]

253

00:15:54 --> 00:15:56
This is a lot like
when you first met Will, right?

254

00:15:58 --> 00:16:01
You know, minus the... tree and the fire.

255

00:16:01 --> 00:16:04
And the fact that you were
a scary four-armed monster at the time.

256

00:16:05 --> 00:16:06
[sighs]

257

00:16:09 --> 00:16:11
You know, you're lucky
that you met Will and not me.

258

00:16:11 --> 00:16:14
I-- I would never have been able
to do what he did.

259

00:16:17 --> 00:16:19
How did he save you, anyway?

260

00:16:20 --> 00:16:23
Considering how he went on and on
about his robot, he never told me.

261

00:16:33 --> 00:16:34
Something on his belt?

262

00:16:36 --> 00:16:37
[panting]

263
00:16:38 --> 00:16:42
Obviously, I can't turn it on,
but if I can jury-rig the blade somehow...

264
00:16:43 --> 00:16:44
[whirrs]

265
00:16:44 --> 00:16:45
[sighs]

266
00:16:46 --> 00:16:48
Why didn't I think of that?

267
00:16:50 --> 00:16:51
Good job.

268
00:16:52 --> 00:16:54
-Thank you.
-[whirring softly]

269
00:16:55 --> 00:16:56
What is it?

270
00:17:06 --> 00:17:07
[buzzing]

271
00:17:08 --> 00:17:10
[screeching]

272
00:17:13 --> 00:17:15
[low rumbling]

273
00:17:17 --> 00:17:19

[loud squelching]

274

00:17:19 --> 00:17:21

-[Judy] Now what?

-Are the fuel lines pressurized?

275

00:17:21 --> 00:17:23

[creature groaning]

276

00:17:23 --> 00:17:26

-Yeah, looks like it.

-Okay. If we release them all at once,

277

00:17:26 --> 00:17:30

it should make this thing feel like
it's being punched in the throat.

278

00:17:30 --> 00:17:31

Which will make it throw us up.

279

00:17:31 --> 00:17:33

Yeah, but the trick is
to reach maximum pressure

280

00:17:33 --> 00:17:37

without going into the red and triggering
the emergency bleed-off valve.

281

00:17:37 --> 00:17:42

Okay, so if I wanna get close to the red,
I'm gonna need a pressure gauge.

282

00:17:42 --> 00:17:45

No! All the ones we have are electronic.
You have to do it by feel.

283

00:17:45 --> 00:17:46

-By feel?

-Yeah.

284

00:17:46 --> 00:17:47
[creaking and thumping]

285

00:17:47 --> 00:17:50
Hey. You're Judy Robinson.
You can do anything.

286

00:17:53 --> 00:17:55
Um... Okay, I need a benchmark.

287

00:17:55 --> 00:17:58
Um... Well, uh...
you should feel the vibration.

288

00:17:59 --> 00:18:02
It should feel
a bit like a-- a purring cat.

289

00:18:02 --> 00:18:04
Okay, a cat? You never let us have a cat.

290

00:18:04 --> 00:18:06
[Maureen] Will was allergic.

291

00:18:07 --> 00:18:10
Um, if-- if it starts to feel like
a washing machine,

292

00:18:10 --> 00:18:11
then you've gone too far.

293

00:18:11 --> 00:18:13
We did have a washing machine.

294
00:18:13 --> 00:18:15
[creature gurgling]

295
00:18:16 --> 00:18:17
Okay. Opening line one.

296
00:18:17 --> 00:18:18
[hissing]

297
00:18:18 --> 00:18:20
-Cat?
-Yeah.

298
00:18:20 --> 00:18:21
[motor humming]

299
00:18:23 --> 00:18:24
Opening line two.

300
00:18:25 --> 00:18:27
-[hissing]
-Still cat?

301
00:18:27 --> 00:18:28
[Judy] I think so.

302
00:18:29 --> 00:18:32
Okay, both lines open.
Flushing the fuel tank now.

303
00:18:32 --> 00:18:33
[motor running]

304
00:18:33 --> 00:18:35
[motor chugging]

305
00:18:36 --> 00:18:37
[clanking]

306
00:18:37 --> 00:18:39
[hissing and clanking]

307
00:18:39 --> 00:18:41
-[loud groan]
-[motor stops]

308
00:18:42 --> 00:18:43
[sighs]

309
00:18:45 --> 00:18:48
You pushed it too far.
All the pressure bled off.

310
00:18:49 --> 00:18:51
So much easier if I could do this myself.

311
00:18:51 --> 00:18:53
-I'll try again.
-There's no more fuel left in the lines.

312
00:18:53 --> 00:18:56
I-- Sorry. I just-- [clicks tongue]

313
00:18:56 --> 00:18:59
[sighs] It's making me crazy
being stuck in this chair.

314
00:19:04 --> 00:19:07
"Oh, the places you'll go."

315
00:19:08 --> 00:19:09
[baby Judy cooing]

316

00:19:09 --> 00:19:11
"You'll be on your way up."

317

00:19:13 --> 00:19:14
"You'll be seeing great sights."

318

00:19:15 --> 00:19:19
"And you'll join the high fliers
who soar to the high heights."

319

00:19:20 --> 00:19:21
[baby Judy cooing]

320

00:19:21 --> 00:19:23
[crickets chirping]

321

00:19:24 --> 00:19:26
[gentle music playing]

322

00:19:44 --> 00:19:47
[shakily] "You won't lag behind
because you'll have the speed."

323

00:19:49 --> 00:19:52
"You'll pass the whole gang,
and soon you'll take the lead."

324

00:19:52 --> 00:19:53
[inhales deeply]

325

00:19:55 --> 00:19:57
[metal creaking]

326

00:19:57 --> 00:19:59
[crashing and rattling]

327
00:20:01 --> 00:20:02
Go check it out.

328
00:20:05 --> 00:20:07
[sighs]

329
00:20:07 --> 00:20:08
[crashing]

330
00:20:10 --> 00:20:12
[creaking and rumbling]

331
00:20:12 --> 00:20:14
[creature slurping]

332
00:20:15 --> 00:20:17
[Judy] Looks like
we're about halfway swallowed.

333
00:20:18 --> 00:20:20
So the rear airlock's still clear?

334
00:20:20 --> 00:20:21
For now.

335
00:20:21 --> 00:20:22
Good.

336
00:20:24 --> 00:20:26
[Judy] I'm not abandoning you here
to be digested.

337
00:20:26 --> 00:20:28
There has to be a way
to get the ship out of here.

338

00:20:30 --> 00:20:34
I'm just saying that...
I might not be able to go.

339

00:20:36 --> 00:20:38
[gurgling and rumbling]

340

00:20:40 --> 00:20:41
Judy?

341

00:20:42 --> 00:20:43
[Will grunting]

342

00:20:45 --> 00:20:48
[Smith] Whatever it is you're planning,
it's very impressive.

343

00:20:48 --> 00:20:50
-[groans]
-I mean, it involves a skull.

344

00:20:50 --> 00:20:53
But what if something goes wrong?

345

00:20:53 --> 00:20:55
Then Robot will protect me.

346

00:20:55 --> 00:20:57
[Smith] What if something happens to him?

347

00:20:58 --> 00:21:02
We can't leave this place
or reach Alpha Centauri without him.

348

00:21:02 --> 00:21:03

I know that.

349

00:21:03 --> 00:21:06

Look, I'm not saying
don't have your showdown with SAR.

350

00:21:06 --> 00:21:09

I'm just saying that
if you really wanna help your parents,

351

00:21:09 --> 00:21:11

then take care of them first.

352

00:21:12 --> 00:21:16

Besides, don't you wanna see
what it's like on Alpha Centauri?

353

00:21:19 --> 00:21:21

What do you think
is waiting for you on the colony?

354

00:21:21 --> 00:21:25

Do you really think all your problems
are just gonna... go away?

355

00:21:25 --> 00:21:26

You know what my problem is?

356

00:21:28 --> 00:21:29

People.

357

00:21:31 --> 00:21:33

They don't bring out the best in me.

358

00:21:34 --> 00:21:36

On Alpha Centauri,

359

00:21:37 --> 00:21:40
I imagine there's a place
far away from everyone

360

00:21:40 --> 00:21:44
with a magnificent view
you could see for miles.

361

00:21:45 --> 00:21:47
Your parents deserve that too.

362

00:21:49 --> 00:21:52
Even your sisters, more or less.

363

00:21:54 --> 00:21:56
But nobody more than you.

364

00:21:59 --> 00:22:01
[accelerating music playing]

365

00:22:07 --> 00:22:08
Do you need to take a break?

366

00:22:09 --> 00:22:13
Just when I've achieved total numbness
in my arms? Not on your life.

367

00:22:14 --> 00:22:15
[screeching]

368

00:22:18 --> 00:22:19
[power humming]

369

00:22:20 --> 00:22:21
[Robot] Danger.

370
00:22:21 --> 00:22:23
[ominous music playing]

371
00:22:26 --> 00:22:27
[alarm blaring]

372
00:22:27 --> 00:22:29
[automated voice] Attention.
Emergency power.

373
00:22:29 --> 00:22:30
[John] Fudge!

374
00:22:30 --> 00:22:32
[power building]

375
00:22:33 --> 00:22:35
-Damn it!
-[electricity crackling]

376
00:22:37 --> 00:22:40
Tell me when it's off. [yells]

377
00:22:41 --> 00:22:42
-It's still going.
-Now?

378
00:22:42 --> 00:22:43
-No.
-[yells]

379
00:22:45 --> 00:22:46
[grunts]

380
00:22:47 --> 00:22:50
[panting]

381

00:22:50 --> 00:22:52

-[John yells] Now?

-[Penny] Not yet.

382

00:22:52 --> 00:22:54

[John groaning] How about now?

383

00:22:57 --> 00:22:59

-[Penny] What the...

-[John yells]

384

00:22:59 --> 00:23:01

-[electricity crackling]

-[powering down]

385

00:23:01 --> 00:23:03

That's it. They're all off.

386

00:23:04 --> 00:23:09

I, um... I just saw a really weird recording
on the monitor, like an old recording.

387

00:23:09 --> 00:23:10

[panting] Yeah?

388

00:23:11 --> 00:23:16

[grunts] Got the hard drive.

We'll watch it later. Come on.

389

00:23:16 --> 00:23:18

How long do we have before they get here?

390

00:23:18 --> 00:23:21

Given their probable initial
search pattern and rate of movement,

391

00:23:21 --> 00:23:23
I'd say 10 to 15 minutes.

392

00:23:23 --> 00:23:27
Really? I thought Mom was the only one
who did complicated math in her head.

393

00:23:27 --> 00:23:29
It's the kind of math
I used to do for a living.

394

00:23:30 --> 00:23:32
[rumbling]

395

00:23:35 --> 00:23:37
[metal groaning]

396

00:23:38 --> 00:23:40
[panting] I think I found the solution.

397

00:23:40 --> 00:23:43
There's a high percentage
of hydroquinone in the saliva.

398

00:23:43 --> 00:23:44
Tell me more.

399

00:23:44 --> 00:23:47
I think this thing is like a snake.
It swallows its prey whole.

400

00:23:47 --> 00:23:49
In this case, the Jupiter.

401

00:23:51 --> 00:23:54
Okay, in one of my premed electives,

I studied the bombardier beetle.

402

00:23:54 --> 00:23:57

If swallowed by a snake, it would release
chemical compounds from its legs,

403

00:23:57 --> 00:24:00

creating a reaction
inside the predator's belly.

404

00:24:00 --> 00:24:04

If one of the compounds is, I'm guessing,
hydroquinone, then what's the other one?

405

00:24:04 --> 00:24:08

Simple hydrogen peroxide.
And I have liters of it in the med bay.

406

00:24:08 --> 00:24:10

When mixed together, it induces vomiting.

407

00:24:10 --> 00:24:13

In a snake, on Earth.

408

00:24:13 --> 00:24:16

-We're inside God only knows what.
-Well, isn't everything made of stardust?

409

00:24:18 --> 00:24:19

I'm gonna go get the supplies.

410

00:24:22 --> 00:24:24

-[Maureen] Did you find it yet?
-[young Judy] Almost.

411

00:24:25 --> 00:24:27

[dog barking in distance]

412

00:24:28 --> 00:24:30
Penny says you wanna be a doctor
when you grow up.

413

00:24:31 --> 00:24:34
Penny doesn't know
what she's talking about. She's six.

414

00:24:35 --> 00:24:36
[Maureen] Hmm.

415

00:24:37 --> 00:24:39
Medicine's a noble profession.

416

00:24:42 --> 00:24:43
[young Judy] Found it.

417

00:24:43 --> 00:24:46
-How many moons can you see?
-[young Judy] Io...

418

00:24:47 --> 00:24:50
Europa, Ganymede, and...

419

00:24:58 --> 00:24:59
You know it.

420

00:25:04 --> 00:25:05
Callisto.

421

00:25:05 --> 00:25:06
Perfect!

422

00:25:10 --> 00:25:12
You know, you can be a doctor in space.

423

00:25:13 --> 00:25:14
If that's what you want.

424

00:25:16 --> 00:25:20
Because you are Judy Robinson,
and you can do anything. [echoing]

425

00:25:22 --> 00:25:25
You're Judy Robinson.
You can do this. You can do anything.

426

00:25:26 --> 00:25:28
[sighs]

427

00:25:33 --> 00:25:36
[panting]

428

00:25:46 --> 00:25:48
[whimpering, gasping]

429

00:26:02 --> 00:26:05
I have something really important
that I have to ask you about.

430

00:26:06 --> 00:26:07
Okay.

431

00:26:09 --> 00:26:11
It's about Vijay and Liam.

432

00:26:12 --> 00:26:14
-Who?
-Dad? Really?

433

00:26:15 --> 00:26:17

Vijay? Victor's son.

434

00:26:18 --> 00:26:20

Oh, yeah, right. And Liam?

435

00:26:20 --> 00:26:24

You don't know him, but we were
all shipwrecked together for a year..

436

00:26:24 --> 00:26:26

You wanna do this now?

437

00:26:26 --> 00:26:28

Dad, this is important to me.

438

00:26:31 --> 00:26:32

All right. I'm listening.

439

00:26:34 --> 00:26:38

So, I'm kind of torn between the two,

440

00:26:39 --> 00:26:41

and I'm trying to figure out
which one is right for me.

441

00:26:44 --> 00:26:47

Right for what? To be your boyfriend?

442

00:26:48 --> 00:26:51

I mean, no one uses that term anymore.
But basically, yeah.

443

00:26:56 --> 00:26:57

You know, Vijay..

444

00:26:57 --> 00:26:58

[sighs]

445

00:26:58 --> 00:27:01
...just has the biggest heart.

446

00:27:02 --> 00:27:04
You know, he cares about everyone.

447

00:27:06 --> 00:27:10
Well, you know,
that, uh, quality's hard to find.

448

00:27:10 --> 00:27:16
Yeah, but then again, Liam,
there's something really strong about him.

449

00:27:16 --> 00:27:21
You know, like-- like he could catch me
if I fell off a cliff. Actually, he did.

450

00:27:22 --> 00:27:23
Well, yeah,

451

00:27:24 --> 00:27:28
that, uh...
that kind of trust is hard to find.

452

00:27:28 --> 00:27:29
So, uh...

453

00:27:31 --> 00:27:32
maybe he's your guy.

454

00:27:32 --> 00:27:33
Yeah.

455

00:27:37 --> 00:27:38
[laughs wheezily]

456
00:27:42 --> 00:27:44
I know what you're doing.

457
00:27:44 --> 00:27:45
What do you mean?

458
00:27:46 --> 00:27:50
[sighs] You're playing Go Fish
while our spaceship crashes.

459
00:27:51 --> 00:27:54
You're keeping my mind occupied
like I used to do when you were scared.

460
00:27:56 --> 00:27:57
Like I am now.

461
00:27:59 --> 00:28:02
Well, when I'm with you, I'm never scared.

462
00:28:04 --> 00:28:05
[sawing]

463
00:28:08 --> 00:28:10
[sawing faster]

464
00:28:10 --> 00:28:12
[Penny and John grunt]

465
00:28:14 --> 00:28:18
I estimate we've used 9 to 14
of our 10 to 15 minutes.

466

00:28:18 --> 00:28:21
We better get moving. Now.

467
00:28:23 --> 00:28:25
[growling]

468
00:28:26 --> 00:28:28
[squelching]

469
00:28:33 --> 00:28:34
[grunts]

470
00:28:34 --> 00:28:37
[Maureen] So how fast
will that make this thing throw us up?

471
00:28:37 --> 00:28:40
Pretty fast. If I could just...

472
00:28:41 --> 00:28:42
[exhales]

473
00:28:42 --> 00:28:43
[grunts]

474
00:28:44 --> 00:28:45
Everything okay?

475
00:28:45 --> 00:28:46
It's nothing.

476
00:28:47 --> 00:28:50
[sighs] Yeah, the skin
is just really tough.

477
00:28:51 --> 00:28:53

[grunts and groans]

478

00:28:54 --> 00:28:56

Did you hurt yourself in the crash?

479

00:28:56 --> 00:28:57

Yeah, I fractured my shoulder.

480

00:28:58 --> 00:29:00

-Judy!

-[stabbing]

481

00:29:00 --> 00:29:01

Why didn't you tell me?

482

00:29:01 --> 00:29:02

Because I'm handling it.

483

00:29:03 --> 00:29:05

Since when do you keep things from me?

484

00:29:05 --> 00:29:09

All the time, since I'm the daughter
that you don't have to worry about.

485

00:29:09 --> 00:29:12

-Well, I-- I worry about you!

-[grunts] Why would you?

486

00:29:13 --> 00:29:16

I'm the one you'd wanna be stuck with...
in an emergency.

487

00:29:16 --> 00:29:17

[panting]

488

00:29:17 --> 00:29:19
I'm the... perfect child!

489
00:29:19 --> 00:29:22
[pants, groans]

490
00:29:23 --> 00:29:26
I-- I never expected you to be perfect.

491
00:29:26 --> 00:29:28
Really? You didn't?

492
00:29:29 --> 00:29:33
Well, I... I wanted you
to live up to your potential.

493
00:29:33 --> 00:29:36
Well, I was just trying to live up to you.

494
00:29:37 --> 00:29:38
Judy.

495
00:29:39 --> 00:29:42
You know why I didn't know
why it was so hard for me?

496
00:29:43 --> 00:29:47
Because I was trying to live up to a dream
that I didn't understand.

497
00:29:50 --> 00:29:51
[sighs]

498
00:29:51 --> 00:29:57
You wanted to be an astronaut,
Mom, and I... I took that from you.

499
00:30:03 --> 00:30:04
[smacks lips]

500
00:30:04 --> 00:30:05
I didn't realize.

501
00:30:07 --> 00:30:08
I know.

502
00:30:11 --> 00:30:13
-[creature rumbling]
-[metal creaking]

503
00:30:14 --> 00:30:15
[creature gurgling]

504
00:30:15 --> 00:30:19
You have to get out of here.
Go out the back airlock now.

505
00:30:19 --> 00:30:22
No, we're doing this together.
You didn't leave me. I'm not leaving you.

506
00:30:23 --> 00:30:24
We're doing this together.

507
00:30:27 --> 00:30:29
[sighs] It's too small.

508
00:30:33 --> 00:30:34
[grunts]

509
00:30:36 --> 00:30:37
[grunts]

510
00:30:37 --> 00:30:38
[sighs]

511
00:30:40 --> 00:30:41
[exhales]

512
00:30:42 --> 00:30:44
This box kept Penny and Smith alive
in space.

513
00:30:44 --> 00:30:46
-It should protect us from the shrapnel.
-Right.

514
00:30:47 --> 00:30:49
We need something
to make this thing throw us up,

515
00:30:49 --> 00:30:51
{\an8}so this chair's thrust
should do the trick.

516
00:30:58 --> 00:30:59
[inhales deeply]

517
00:31:00 --> 00:31:01
[sighs]

518
00:31:03 --> 00:31:04
Are you sure?

519
00:31:05 --> 00:31:08
I'm the daughter of Maureen Robinson.
I'm sure. On three.

520
00:31:10 --> 00:31:12

One, two, three.

521
00:31:12 --> 00:31:13
[both yell]

522
00:31:15 --> 00:31:17
[shrieks and groans]

523
00:31:18 --> 00:31:20
[bellowing]

524
00:31:26 --> 00:31:28
[creaking]

525
00:31:36 --> 00:31:37
[Judy sighs]

526
00:31:37 --> 00:31:39
[gentle music playing]

527
00:31:43 --> 00:31:44
[whimpers]

528
00:31:45 --> 00:31:47
[breathing heavily]

529
00:31:49 --> 00:31:51
You know, this is how it all began.

530
00:31:52 --> 00:31:53
Just you and me.

531
00:31:57 --> 00:31:58
[Judy sighing]

532

00:31:59 --> 00:32:01
[breathing heavily]

533

00:32:08 --> 00:32:08
Hmm.

534

00:32:13 --> 00:32:16
I never checked on the fuel tanks.
I should probably do that.

535

00:32:20 --> 00:32:21
[kisses]

536

00:32:21 --> 00:32:23
[softly] Why don't you rest for a minute?

537

00:32:24 --> 00:32:26
I'm gonna get you a sling
from the med bay.

538

00:32:28 --> 00:32:29
Thanks, Mom.

539

00:32:30 --> 00:32:31
[kisses]

540

00:32:32 --> 00:32:33
[Maureen sighs]

541

00:32:36 --> 00:32:38
[adventurous music playing]

542

00:32:43 --> 00:32:45
Ugh! Will, let's go.

543

00:32:46 --> 00:32:47

[groans]

544

00:32:48 --> 00:32:50
Come on! Forget about the skull.

545

00:32:50 --> 00:32:51
I'm almost there.

546

00:32:51 --> 00:32:53
[rustling]

547

00:32:53 --> 00:32:55
Did you hear that? Something's coming.

548

00:32:57 --> 00:32:58
[grunts]

549

00:32:59 --> 00:33:01
-[crashing]
-[panting]

550

00:33:02 --> 00:33:04
[footsteps thudding]

551

00:33:05 --> 00:33:07
[Smith] Will, hurry!
We gotta get out of here!

552

00:33:08 --> 00:33:10
[Will grunts] I got it.

553

00:33:10 --> 00:33:12
No! [pants]

554

00:33:12 --> 00:33:14
[dramatic music playing]

555
00:33:18 --> 00:33:19
Robot!

556
00:33:21 --> 00:33:22
Yeah!

557
00:33:23 --> 00:33:24
[laughs]

558
00:33:24 --> 00:33:28
[gasps] Ah! I guess I'm not the only one
who likes to make a dramatic entrance.

559
00:33:28 --> 00:33:29
[John] Hey, Will!

560
00:33:30 --> 00:33:32
-[Will] Hey.
-You need a hand getting down?

561
00:33:32 --> 00:33:34
No, I think I'm okay.

562
00:33:35 --> 00:33:36
[grunts]

563
00:33:36 --> 00:33:37
Thanks.

564
00:33:38 --> 00:33:39
Hey.

565
00:33:40 --> 00:33:41
Did you get hurt?

566

00:33:41 --> 00:33:44

Oh, actually,
he needed a little bit of surgery.

567

00:33:44 --> 00:33:46

It was pretty medieval. Lots of sawing.

568

00:33:46 --> 00:33:48

Are we really gonna stand here
catching up with each other?

569

00:33:48 --> 00:33:50

What about SAR and his friends?

570

00:33:50 --> 00:33:52

We managed to lose him for now.

571

00:33:53 --> 00:33:55

[sighs] Let's go find
the rest of the family.

572

00:34:00 --> 00:34:02

[solemn music playing]

573

00:34:08 --> 00:34:10

-[John] Will. Come on.
-Coming, Dad.

574

00:34:11 --> 00:34:13

Yeah. Hey.

575

00:34:13 --> 00:34:15

[sighs]

576

00:34:15 --> 00:34:16

[clucking]

577
00:34:19 --> 00:34:21
[pecking]

578
00:34:24 --> 00:34:26
I guess you scared him away.

579
00:34:29 --> 00:34:32
-Let's get out of here.
-[clucking]

580
00:34:32 --> 00:34:34
This time, I'm carrying you.

581
00:34:40 --> 00:34:42
[whirring]

582
00:34:46 --> 00:34:48
[dramatic music playing]

583
00:34:53 --> 00:34:55
[growling]

584
00:34:57 --> 00:34:59
[closing theme music playing]
