EPISODE 3.08

"Trust"

As the battle for Alpha Centauri unfolds, the Robinsons and their friends risk everything to restore peace and pave the way for a better future.

EPISODE CAST

Toby Stephens	...	John Robinson
Molly Parker	...	Maureen Robinson
Maxwell Jenkins	...	Will Robinson
Taylor Russell	...	Judy Robinson
Mina Sundwall	...	Penny Robinson
Ignacio Serricchio	...	Don West
Brian Steele	...	The Robot
Parker Posey	...	June Harris / Dr. Smith
Russell Hornsby	...	Grant Kelly
Ajay Friese	...	Vijay Dhar
Charles Vandervaart	...	Liam Tufeld
Tattiawna Jones	...	Ava
Karen LeBlanc	...	Chancellor
Nevis Unipan	...	Samantha
Shaun Parkes	...	Captain Radic
Thomas Wayne Hum	...	Inexperienced Roughneck
Zya Acala	...	Elise
Zehra Fazal	...	Jupiter / Resolute Computer (voice)

1
00:00:07 --> 00:00:09
[alarm blaring]

2
00:00:10 --> 00:00:12
[gasps]

3
00:00:12 --> 00:00:15
-Those are civil defense alarms!
-Settle down.

4
00:00:15 --> 00:00:16
Are we being attacked by robots?

5
00:00:16 --> 00:00:19
Sorry, I don't have any information now.
Let's not overtax your new heart.

6
00:00:20 --> 00:00:21
We're being attacked by robots.

7
00:00:21 --> 00:00:24
He beat up three of them,
but not before they broke into the dam,

8
00:00:24 --> 00:00:26
which turned off the shields,
which turned on the sirens.

9
00:00:26 --> 00:00:27
So what are we gonna do?

10
00:00:27 --> 00:00:30
"We"? No. Your condition is stable
as long as you stay in bed.

11
00:00:30 --> 00:00:32

[groans] It's fine.

12

00:00:32 --> 00:00:35

I mean it. If you overexert yourself,
you can suffer allograft rejection.

13

00:00:35 --> 00:00:38

I know. And then my heart will fail.

14

00:00:38 --> 00:00:40

-And then you'll die.
-So let's not do that.

15

00:00:45 --> 00:00:48

Yeah... Yeah.

16

00:00:49 --> 00:00:51

We both have mechanical hearts now.

17

00:00:52 --> 00:00:54

[whirring]

18

00:00:54 --> 00:00:56

We're gonna make it through this.

19

00:01:01 --> 00:01:03

[woman] Time to contact, 98 minutes.

20

00:01:03 --> 00:01:05

[Chancellor] We need that shield back up.

21

00:01:05 --> 00:01:07

Our teams are assessing
the situation at the dam.

22

00:01:07 --> 00:01:11

-They're drawing up recommendations.
-I was there. Here's my recommendation.

23

00:01:11 --> 00:01:13
Those turbines are toast.

24

00:01:13 --> 00:01:15
We don't have enough time
to get 'em repaired.

25

00:01:15 --> 00:01:16
Who are you?

26

00:01:16 --> 00:01:18
I'm an expert on things
that can't get repaired.

27

00:01:19 --> 00:01:21
-I don't think that came out right.
-What are we supposed to do?

28

00:01:22 --> 00:01:25
To start, we need 200 million watts
previously produced by the dam.

29

00:01:25 --> 00:01:28
-Those turbines are irreplaceable.
-Turbines are just things that spin.

30

00:01:28 --> 00:01:30
Anything that spins can generate energy.

31

00:01:30 --> 00:01:32
Like a Jupiter's takeoff
and landing engine.

32

00:01:32 --> 00:01:36

Yes, exactly!
We get a bunch of tiny spinning things

33

00:01:36 --> 00:01:39
to add up to the three
giant, irreplaceable ones.

34

00:01:39 --> 00:01:43
To pull this off, we need every Jupiter
on the colony to fly here immediately.

35

00:01:43 --> 00:01:46
-You'll plug them all into the city?
-[Maureen] Yes.

36

00:01:46 --> 00:01:47
The grid will overheat instantly.

37

00:01:47 --> 00:01:49
Not if you cool the cables
with liquid helium.

38

00:01:50 --> 00:01:51
Uh-- You have enough.
I've already checked.

39

00:01:51 --> 00:01:55
What if your plan doesn't work?
Will the Jupiters still be flightworthy?

40

00:01:57 --> 00:02:00
No. Once you jury-rig the engines,
the ships are grounded.

41

00:02:00 --> 00:02:01
There's no going back.

42

00:02:03 --> 00:02:07
So the alien robots, you still have
one of their engines, correct?

43
00:02:07 --> 00:02:11
Yes. We have one on the Jupiter 2.
Why do you ask?

44
00:02:11 --> 00:02:12
I can't gamble on this.

45
00:02:12 --> 00:02:16
As far as I can tell, that alien
technology is the only chance we have.

46
00:02:16 --> 00:02:18
There are other Alpha Centauris out there.

47
00:02:18 --> 00:02:21
Madam Chancellor,
these robots are relentless.

48
00:02:21 --> 00:02:23
Wherever we go, they will find us.

49
00:02:24 --> 00:02:26
We can't use their engine again.

50
00:02:26 --> 00:02:29
That's what got us
in this mess in the first place.

51
00:02:29 --> 00:02:33
To win, we need to use our own tools,
things that make us different from them.

52
00:02:33 --> 00:02:34

Our smarts,

53

00:02:35 --> 00:02:37
our resourcefulness,

54

00:02:37 --> 00:02:38
and our courage.

55

00:02:39 --> 00:02:40
That's how we beat them.

56

00:02:42 --> 00:02:44
[epic music playing]

57

00:02:53 --> 00:02:56
[Ava] Jupiter 17, tighten your approach!

58

00:02:56 --> 00:02:59
We're all gonna have to get cozy here,
so don't worry about your paint job!

59

00:03:00 --> 00:03:04
Don't wait for them to land!
Keep those cables running!

60

00:03:05 --> 00:03:07
Hey. I heard you need extra hands.

61

00:03:07 --> 00:03:09
Uh, yeah, sure.

62

00:03:10 --> 00:03:12
-You got enough slack?
-I'm good.

63

00:03:13 --> 00:03:14

All right.

64

00:03:14 --> 00:03:17
[indistinct chatter]

65

00:03:18 --> 00:03:18
[grunting]

66

00:03:19 --> 00:03:22
So, uh, John, uh...

67

00:03:23 --> 00:03:26
[man] All nonessential personnel,
please report to evacuation stations.

68

00:03:26 --> 00:03:28
The kids will be leaving soon.

69

00:03:29 --> 00:03:30
[man] Robinson, help out!

70

00:03:30 --> 00:03:32
Yeah, I'm coming.

71

00:03:33 --> 00:03:34
I'll be back.

72

00:03:35 --> 00:03:38
[dramatic music playing]

73

00:03:43 --> 00:03:45
[whirring]

74

00:03:57 --> 00:04:01
[man on PA] The first convoy of children
and medical evacuees is leaving now.

75

00:04:01 --> 00:04:03
[woman] Come on. Right this way.

76

00:04:04 --> 00:04:05
It's all clear.

77

00:04:05 --> 00:04:07
Are you looking for your evacuation group?

78

00:04:07 --> 00:04:09
I know exactly where I'm going.

79

00:04:11 --> 00:04:13
[indistinct chatter]

80

00:04:14 --> 00:04:18
[woman on PA] Kendall Lambert
is cleared to travel with evac group 4.

81

00:04:18 --> 00:04:20
[man speaking indistinctly]

82

00:04:22 --> 00:04:24
Time to contact, 20 minutes.

83

00:04:24 --> 00:04:26
How close are we
to getting that shield up?

84

00:04:26 --> 00:04:29
It's tight, but at the rate the Jupiters
are being plugged in, we're on pace.

85

00:04:29 --> 00:04:30
Good.

86

00:04:31 --> 00:04:33
[Smith] Maureen, hey,
do you have a minute?

87

00:04:33 --> 00:04:34
Not really.

88

00:04:35 --> 00:04:38
I-- I just wanna know our odds.

89

00:04:39 --> 00:04:41
Everyone's working hard to increase them.

90

00:04:42 --> 00:04:43
Goodbye, Smith.

91

00:04:43 --> 00:04:46
[Smith] Wait, wait, wait. Maureen,
you're the only person who can help me.

92

00:04:47 --> 00:04:48
[sighs]

93

00:04:48 --> 00:04:50
Are we gonna make it or not?

94

00:04:55 --> 00:04:59
When I was a little girl, I used to spend
nights looking up at the stars.

95

00:05:00 --> 00:05:04
I knew there was some other world
out there waiting for me.

96

00:05:04 --> 00:05:07

Getting there seemed impossible,

97

00:05:07 --> 00:05:08
but here I am.

98

00:05:09 --> 00:05:13
Our odds are worse than usual,
but we are going to make it,

99

00:05:14 --> 00:05:15
because we have to.

100

00:05:16 --> 00:05:18
Thanks, Maureen.
That's all I need to know.

101

00:05:34 --> 00:05:37
From your perspective,
this must seem pretty bad,

102

00:05:37 --> 00:05:41
but you have to understand the situation.

103

00:05:41 --> 00:05:43
If we're gonna believe Maureen Robinson,

104

00:05:45 --> 00:05:49
then the sun is gonna rise
on a quiet patch of land that's all mine.

105

00:05:55 --> 00:05:57
This is my only chance of getting that.

106

00:06:02 --> 00:06:04
[Robot] Help Dr. Smith.

107

00:06:04 --> 00:06:06
[Smith] Help who?

108
00:06:06 --> 00:06:08
And don't say family. I don't have one.

109
00:06:08 --> 00:06:11
So whoever you want me to help,
the answer is no.

110
00:06:12 --> 00:06:14
[Robot] Help Dr. Smith.

111
00:06:15 --> 00:06:16
[ethereal music playing]

112
00:06:21 --> 00:06:22
[accelerating music playing]

113
00:06:23 --> 00:06:25
[power tools whirring]

114
00:06:29 --> 00:06:30
[tool clanking]

115
00:06:38 --> 00:06:41
They'll be okay. Judy's with them.

116
00:06:45 --> 00:06:47
[dramatic music playing]

117
00:06:56 --> 00:06:56
[beeps]

118
00:06:56 --> 00:07:00
This is Judy Robinson.

Just checking on Will's status.

119

00:07:00 --> 00:07:03

His condition is unchanged.
Holding steady.

120

00:07:10 --> 00:07:11

[sighs]

121

00:07:15 --> 00:07:17

Does anyone have any idea
where they're sending us?

122

00:07:17 --> 00:07:20

I heard we're headed to a copper mine.

123

00:07:20 --> 00:07:24

It's also where the first colonists buried
their MMRTGs when they got green energy.

124

00:07:24 --> 00:07:27

So they're hiding us
with the nuclear waste?

125

00:07:28 --> 00:07:30

Maybe it won't be so bad.
How nuclear is the waste?

126

00:07:31 --> 00:07:34

We shouldn't be evacuating.
We should be pitching in.

127

00:07:35 --> 00:07:38

I feel like the powers that be
don't recognize how excellent we are.

128

00:07:38 --> 00:07:39

I agree.

129

00:07:41 --> 00:07:44
I mean, didn't we save all our parents?

130

00:07:44 --> 00:07:45
We did.

131

00:07:45 --> 00:07:47
And then we ran away from robots.

132

00:07:48 --> 00:07:50
We're good at running away.

133

00:07:53 --> 00:07:55
[deep rumbling]

134

00:07:56 --> 00:07:58
[intense humming and whirring]

135

00:08:03 --> 00:08:05
[Don] The last wave of Jupiters
is landing now.

136

00:08:05 --> 00:08:08
[Maureen] Great, Don.
Get them plugged in as fast as you can.

137

00:08:17 --> 00:08:20
-[man] Ready!
-[Don] Stop, stop, stop, stop! Stop!

138

00:08:20 --> 00:08:24
No! You never, ever
plug the in into the out!

139

00:08:24 --> 00:08:26
You're gonna draw all the power
back to the Jupiter!

140
00:08:26 --> 00:08:28
You'll turn it into a giant bug zapper

141
00:08:28 --> 00:08:30
and then you're gonna
fry everyone touching it!

142
00:08:31 --> 00:08:32
What were you thinking?

143
00:08:35 --> 00:08:38
Well, good job, really.
Thank you. Proud of you.

144
00:08:43 --> 00:08:45
[power humming]

145
00:08:46 --> 00:08:47
[man] We've achieved minimum power.

146
00:08:48 --> 00:08:49
Activating shields.

147
00:08:49 --> 00:08:53
-EMF towers coming online now.
-Okay, that's a start.

148
00:08:54 --> 00:08:57
But we won't have total coverage
until every Jupiter is plugged in.

149
00:09:01 --> 00:09:03
[man] Shield coverage at 65%.

150

00:09:04 --> 00:09:06
[woman] Incoming target
is maintaining course.

151

00:09:08 --> 00:09:09
They're not pulling up?

152

00:09:09 --> 00:09:11
They're accelerating.
3,000 kilometers per hour.

153

00:09:11 --> 00:09:15
4,000. 6,000. 9,000.

154

00:09:15 --> 00:09:17
They must have detected
our shield coming up.

155

00:09:17 --> 00:09:19
They're trying to squeeze through.

156

00:09:19 --> 00:09:21
[man] Shield coverage at 85% and climbing.

157

00:09:23 --> 00:09:25
I'm plugging the last one in now.

158

00:09:25 --> 00:09:28
-Please tell me it's enough.
-[Maureen] It's gonna be close.

159

00:09:29 --> 00:09:31
[man] Shield coverage at 90%.

160

00:09:31 --> 00:09:33

Recalculating time to contact.

161
00:09:33 --> 00:09:34
[buzzing]

162
00:09:35 --> 00:09:35
Ten seconds.

163
00:09:36 --> 00:09:38
Nine, eight,

164
00:09:39 --> 00:09:41
seven, six,

165
00:09:42 --> 00:09:43
five...

166
00:09:46 --> 00:09:48
...two, one.

167
00:09:57 --> 00:09:58
[whirring]

168
00:09:58 --> 00:10:00
Shields are up. Did they make it through?

169
00:10:01 --> 00:10:03
Operations to convoy. What's your status?

170
00:10:03 --> 00:10:05
[screeching interference]

171
00:10:06 --> 00:10:08
What is that sound?

172

00:10:08 --> 00:10:10
It means our radios are useless now

173
00:10:11 --> 00:10:13
because the robots are here.

174
00:10:21 --> 00:10:22
[gasping]

175
00:10:22 --> 00:10:23
[groans, gasps]

176
00:10:24 --> 00:10:26
[doctor] Will, are you okay?

177
00:10:26 --> 00:10:27
-Yeah.
-[girl screams]

178
00:10:27 --> 00:10:30
[doctor] I need to go to see if anyone
needs help. There may be injuries.

179
00:10:30 --> 00:10:32
Stay inside the Chariot.
You'll be safe in here.

180
00:10:33 --> 00:10:34
[screaming and yelling]

181
00:10:46 --> 00:10:47
[whirring]

182
00:10:50 --> 00:10:52
[people screaming]

183

00:10:52 --> 00:10:54
Anyone see where our driver went?

184
00:10:54 --> 00:10:56
[indistinct yelling]

185
00:10:57 --> 00:10:58
Isn't that him?

186
00:11:00 --> 00:11:02
-Why is everybody running?
-They're coming!

187
00:11:03 --> 00:11:06
-We need to get out of here.
-Agreed.

188
00:11:06 --> 00:11:07
[colonists yelling]

189
00:11:07 --> 00:11:09
-Come on.
-Come on. Come on!

190
00:11:12 --> 00:11:14
[grunts]

191
00:11:15 --> 00:11:17
-[indistinct yelling]
-[panting]

192
00:11:30 --> 00:11:31
What's that new face mean?

193
00:11:38 --> 00:11:39
You want the engine.

194

00:11:39 --> 00:11:43

Of course you want the engine.
You always want the engine. But why now?

195

00:11:45 --> 00:11:47

[foreboding music playing]

196

00:11:51 --> 00:11:54

It seems like we'd be on Alpha Centauri
in time for dinner if you switched it on.

197

00:11:55 --> 00:11:56

[Robot] Danger.

198

00:11:58 --> 00:12:01

No meteor would be large enough
to create that kind of destruction.

199

00:12:01 --> 00:12:02

Agreed.

200

00:12:03 --> 00:12:04

Then what did?

201

00:12:07 --> 00:12:09

[SAR] I killed them.

202

00:12:10 --> 00:12:12

[panting]

203

00:12:12 --> 00:12:13

[colonists screaming]

204

00:12:14 --> 00:12:17

Somebody! Somebody help, please!

205
00:12:18 --> 00:12:19
We need to keep the engine away from them!

206
00:12:21 --> 00:12:22
Stop, please!

207
00:12:22 --> 00:12:25
[indistinct yelling]

208
00:12:32 --> 00:12:33
[grunts]

209
00:12:33 --> 00:12:36
[automated voice] Warning,
please reinsert IV.

210
00:12:36 --> 00:12:37
[beeping]

211
00:12:37 --> 00:12:40
-[grunts]
-Warning, status compromised.

212
00:12:40 --> 00:12:43
-Warning, risking critical heart failure.
-[grunts, pants]

213
00:12:44 --> 00:12:48
Please return to the bed.
Please return to the bed.

214
00:12:48 --> 00:12:50
Please return to the bed.

215
00:12:50 --> 00:12:52
[indistinct yelling]

216
00:12:54 --> 00:12:54
Will!

217
00:12:55 --> 00:12:58
Excuse me! Excuse me!

218
00:13:00 --> 00:13:02
[panting]

219
00:13:09 --> 00:13:10
[groans]

220
00:13:12 --> 00:13:16
Will? Will! Oh my God.
You shouldn't be out here.

221
00:13:18 --> 00:13:20
-It's the robot engines.
-I'm gonna get you out--

222
00:13:20 --> 00:13:21
They can use them as weapons.

223
00:13:22 --> 00:13:23
What are you talking about?

224
00:13:24 --> 00:13:26
Their engines rip holes in space.

225
00:13:26 --> 00:13:28
Know what it would do
if it was sitting on a planet?

226
00:13:29 --> 00:13:31
-I have no idea.

-You've already seen it.

227

00:13:31 --> 00:13:33
The planet we were stranded on,

228

00:13:33 --> 00:13:36
the one with all the meteors
and the giant missing piece.

229

00:13:36 --> 00:13:38
You mean the one where
the guys before us went extinct?

230

00:13:38 --> 00:13:41
You have to keep that engine
away from them.

231

00:13:42 --> 00:13:44
Okay, um, I'm gonna get Judy.

232

00:13:44 --> 00:13:46
No! There's no time.

233

00:13:47 --> 00:13:48
It's gotta be you.

234

00:13:48 --> 00:13:49
Will, I can't.

235

00:13:49 --> 00:13:50
Penny.

236

00:13:51 --> 00:13:52
[grunts]

237

00:13:52 --> 00:13:54

Hey. Listen to me.

238

00:13:56 --> 00:13:58

I know you better than you know yourself.

239

00:13:59 --> 00:14:02

You're smart, brave,
and you're stronger than you think.

240

00:14:04 --> 00:14:05

You can do this.

241

00:14:07 --> 00:14:08

[chuckles]

242

00:14:11 --> 00:14:12

[sighs]

243

00:14:13 --> 00:14:14

Okay.

244

00:14:14 --> 00:14:15

Okay, fine.

245

00:14:16 --> 00:14:19

Just you stay here..

246

00:14:20 --> 00:14:22

and don't get any worse.

247

00:14:23 --> 00:14:25

[uplifting music playing]

248

00:14:35 --> 00:14:37

[dramatic music playing]

249

00:14:47 --> 00:14:49
[Penny] Just going out
for a little stroll.

250

00:14:50 --> 00:14:51
[sighs]

251

00:14:51 --> 00:14:53
Just another day on Alpha Centauri.

252

00:14:54 --> 00:14:56
-[robot whirring]
-[Penny sighs]

253

00:14:56 --> 00:14:59
The sun is shining,
just like in the brochure,

254

00:14:59 --> 00:15:03
and definitely not surrounded by smoke.

255

00:15:03 --> 00:15:05
[robot whirring]

256

00:15:06 --> 00:15:08
No burning spaceship wreckage.

257

00:15:10 --> 00:15:12
Definitely no robots.

258

00:15:18 --> 00:15:22
I have invested so much time
and energy in two years

259

00:15:22 --> 00:15:24
trying not to touch alien objects,

260
00:15:25 --> 00:15:26
yet here I am.

261
00:15:28 --> 00:15:30
[sighs]

262
00:15:31 --> 00:15:32
[grunts]

263
00:15:34 --> 00:15:36
[thumping and whirring]

264
00:15:36 --> 00:15:36
[gasps]

265
00:15:37 --> 00:15:39
-[Judy] Penny?
-Oh, thank God you're here.

266
00:15:39 --> 00:15:40
I'm trying to help injured people,

267
00:15:40 --> 00:15:43
and I see you wandering
through a disaster area.

268
00:15:43 --> 00:15:46
We need to keep this far away from them.
The robots can use it as a bomb.

269
00:15:46 --> 00:15:50
Like, a big one.
I guess it can rip holes in space.

270
00:15:50 --> 00:15:51

Okay. Quit explaining. Let's do it.

271

00:15:52 --> 00:15:53
[Judy grunts, pants]

272

00:15:54 --> 00:15:56
-Come on, grab the other side.
-[Penny] Okay.

273

00:15:56 --> 00:15:57
[grunts]

274

00:15:57 --> 00:15:59
-[panting]
-[Judy] Okay..

275

00:16:01 --> 00:16:03
[low rumbling]

276

00:16:04 --> 00:16:06
-[growls]
-Whoa! [grunts]

277

00:16:07 --> 00:16:10
Don't worry. It's stuck under there.
Let's keep going.

278

00:16:10 --> 00:16:11
[grunting]

279

00:16:14 --> 00:16:15
Penny!

280

00:16:15 --> 00:16:17
-[panting]
-[robot whirring]

281
00:16:18 --> 00:16:19
[gasps] Penny, come on!

282
00:16:19 --> 00:16:20
[grunts]

283
00:16:20 --> 00:16:23
-[gasping]
-[Judy] What are you doing?

284
00:16:24 --> 00:16:26
[Judy grunting]

285
00:16:26 --> 00:16:28
[trilling softly]

286
00:16:29 --> 00:16:31
[clanking and whirring]

287
00:16:32 --> 00:16:33
[Judy] Penny!

288
00:16:35 --> 00:16:36
[Penny] You're dying, aren't you?

289
00:16:38 --> 00:16:40
[Judy grunting, panting]

290
00:16:42 --> 00:16:44
-Penny, come on!
-Okay, I'm coming.

291
00:16:48 --> 00:16:50
Penny, there's no time. Just leave it!

292

00:16:53 --> 00:16:56
Okay, I'm not gonna hurt you,
so watch it with the claws.

293
00:16:57 --> 00:16:59
[grunting]

294
00:17:00 --> 00:17:02
[whirring]

295
00:17:06 --> 00:17:07
[grunts]

296
00:17:12 --> 00:17:13
I'm Penny Robinson, by the way.

297
00:17:14 --> 00:17:17
[chittering]

298
00:17:17 --> 00:17:18
[Penny] Uh...

299
00:17:20 --> 00:17:22
And I don't want any trouble.

300
00:17:25 --> 00:17:28
[shuddering] So this is how the book ends.

301
00:17:50 --> 00:17:51
[Liam] Penny!

302
00:17:51 --> 00:17:52
[Vijay] You said she was right behind you.

303
00:17:53 --> 00:17:54
[Samantha] Look.

304

00:17:58 --> 00:18:01
Hi, do you have a name?

305

00:18:01 --> 00:18:03
Robot-- Robot's already taken.

306

00:18:05 --> 00:18:06
Can I call you Sally?

307

00:18:08 --> 00:18:09
You look like a Sally.

308

00:18:11 --> 00:18:12
[Vijay] Penny?

309

00:18:13 --> 00:18:16
Penny. What did you do?

310

00:18:17 --> 00:18:18
I helped her.

311

00:18:18 --> 00:18:20
That's it?

312

00:18:20 --> 00:18:23
When I saw her struggling,
I thought about how when I need help,

313

00:18:23 --> 00:18:26
I have my family, and I have my friends,

314

00:18:27 --> 00:18:29
but she didn't have anybody.

315

00:18:30 --> 00:18:31
None of them do.

316
00:18:34 --> 00:18:35
[whirring softly]

317
00:18:47 --> 00:18:48
Oh.

318
00:18:50 --> 00:18:52
Come on. We gotta help them too.

319
00:18:53 --> 00:18:55
[Judy grunting, panting]

320
00:19:02 --> 00:19:04
[whirring]

321
00:19:15 --> 00:19:16
I won't make this easy for you.

322
00:19:23 --> 00:19:25
[dramatic music playing]

323
00:19:42 --> 00:19:44
I don't have the words for this.

324
00:19:45 --> 00:19:47
That's okay. That's my department.

325
00:20:00 --> 00:20:01
This changes everything.

326
00:20:04 --> 00:20:06
[Robot] Help Will Robinson.

327
00:20:15 --> 00:20:16
[Vijay] Hey.

328
00:20:17 --> 00:20:19
I need to tell you something.

329
00:20:20 --> 00:20:21
What?

330
00:20:23 --> 00:20:24
I told you so. [chuckles]

331
00:20:28 --> 00:20:30
[romantic music playing]

332
00:20:38 --> 00:20:39
[Penny] You've gotten better at it.

333
00:20:43 --> 00:20:45
[Sally] Trouble, Penny Robinson.

334
00:20:46 --> 00:20:47
You're saying I'm trouble?

335
00:20:48 --> 00:20:49
[Sally] Trouble.

336
00:20:50 --> 00:20:54
Oh, in trouble.
We're gonna work on prepositions.

337
00:20:56 --> 00:20:58
[Penny gasps]

338
00:21:00 --> 00:21:02

[growling]

339

00:21:03 --> 00:21:05
We need to keep this engine
away from them.

340

00:21:10 --> 00:21:12
But you already knew that.

341

00:21:15 --> 00:21:17
Be careful, Sally.

342

00:21:18 --> 00:21:21
[dramatic music playing]

343

00:21:45 --> 00:21:46
[shivering]

344

00:21:54 --> 00:21:56
[gasps]

345

00:21:57 --> 00:21:59
[exciting music playing]

346

00:22:10 --> 00:22:11
Oh...

347

00:22:16 --> 00:22:18
[sighs] Hey.

348

00:22:21 --> 00:22:22
[grunts]

349

00:22:24 --> 00:22:25
Yeah, I know.

350
00:22:27 --> 00:22:30
It's bad, but... had a lot of work to do.

351
00:22:30 --> 00:22:32
Yes, Will Robinson.

352
00:22:32 --> 00:22:33
[Will sighs]

353
00:22:36 --> 00:22:38
[groans]

354
00:22:40 --> 00:22:43
[grunts] So, who's flying the ship?

355
00:22:44 --> 00:22:46
[clicking]

356
00:22:49 --> 00:22:50
Buckle up.

357
00:22:52 --> 00:22:53
You sure about this?

358
00:22:53 --> 00:22:56
I'm perfectly capable
of piloting this Jupiter...

359
00:22:58 --> 00:23:00
assuming the flight manuals I read
were up-to-date.

360
00:23:01 --> 00:23:02
[engines powering up]

361

00:23:03 --> 00:23:04
[grunts]

362
00:23:04 --> 00:23:06
[epic music playing]

363
00:23:08 --> 00:23:09
[grunting]

364
00:23:14 --> 00:23:14
[sighs]

365
00:23:15 --> 00:23:18
Jupiter 2 to Penny and Judy Robinson.

366
00:23:19 --> 00:23:21
We're coming to get you
and that engine out.

367
00:23:21 --> 00:23:22
We are?

368
00:23:23 --> 00:23:24
[explosion]

369
00:23:24 --> 00:23:27
[Will] We're on our way.
I just need you to send me your location.

370
00:23:28 --> 00:23:30
Negative, Jupiter 2. Do not approach.
You'll be shot out of the sky.

371
00:23:30 --> 00:23:32
[rumbling]

372

00:23:34 --> 00:23:35

What's your status?

373

00:23:35 --> 00:23:39

We're cut off from the convoy,
but we're okay where we are.

374

00:23:39 --> 00:23:42

-Will, shouldn't you be in an ambulance?
-[Will] I'm fine.

375

00:23:42 --> 00:23:44

My heart's indestructible now.

376

00:23:45 --> 00:23:47

By the way, you gave me an idea.

377

00:23:49 --> 00:23:50

A big one.

378

00:23:51 --> 00:23:52

Do Mom and Dad know?

379

00:23:54 --> 00:23:55

Systems back online.

380

00:23:55 --> 00:23:59

Okay. Switch to the satellite view.
Show us the road out of town.

381

00:23:59 --> 00:24:01

[woman] Affirmative.
Getting it on the display.

382

00:24:04 --> 00:24:06

[Chancellor] Are those robots...
on the ground?

383

00:24:08 --> 00:24:09
They're fighting each other.

384

00:24:09 --> 00:24:11
That's good news, right?

385

00:24:11 --> 00:24:13
Jupiter 2 to operations.
This is Will Robinson.

386

00:24:14 --> 00:24:15
-Will?
-Will?

387

00:24:15 --> 00:24:17
Who's piloting the ship?

388

00:24:17 --> 00:24:18
I am, Maureen.

389

00:24:18 --> 00:24:19
Smith?

390

00:24:19 --> 00:24:22
Why is everyone making
such a big deal out of this?

391

00:24:22 --> 00:24:23
-[John] Will..
-Listen.

392

00:24:23 --> 00:24:24
There's not much time.

393

00:24:24 --> 00:24:26

Penny and Judy
have the engine from SAR's ship.

394

00:24:27 --> 00:24:30
It has to be kept from him,
no matter what.

395

00:24:30 --> 00:24:31
It could destroy the planet.

396

00:24:31 --> 00:24:35
-Yeah. We can do that.
-No, you can't go off alone again!

397

00:24:35 --> 00:24:36
I'm not alone this time, Mom.

398

00:24:38 --> 00:24:39
[whirring softly]

399

00:24:41 --> 00:24:43
I think I finally know
how to end this war.

400

00:24:45 --> 00:24:46
SAR was wrong...

401

00:24:48 --> 00:24:49
and so was I.

402

00:24:49 --> 00:24:53
Robot and I aren't a fluke.
Penny just proved that.

403

00:24:53 --> 00:24:55
Every robot can be free.

404
00:24:56 --> 00:24:58
Someone just has to make them see that.

405
00:24:59 --> 00:25:00
Just...

406
00:25:02 --> 00:25:04
Just hold on till Robot gets back.

407
00:25:05 --> 00:25:07
-Robot?
-What about you?

408
00:25:11 --> 00:25:12
Fingers crossed.

409
00:25:12 --> 00:25:13
-[beeps]
-[John] Will?

410
00:25:13 --> 00:25:15
-No!
-Will?

411
00:25:15 --> 00:25:19
John, his heart can't take the strain.

412
00:25:19 --> 00:25:23
Hey. He told us to hold on,
so that's what we're gonna do.

413
00:25:24 --> 00:25:26
But first things first.

414
00:25:26 --> 00:25:28
Let's get our kids out of there. Come on.

415

00:25:32 --> 00:25:35
So, where are we going?

416

00:25:40 --> 00:25:42
[accelerating music playing]

417

00:25:47 --> 00:25:49
-[panting]
-[explosions]

418

00:25:49 --> 00:25:51
[robots whirring]

419

00:25:56 --> 00:26:00
Okay. Okay. I think we're losing.

420

00:26:00 --> 00:26:02
I know.

421

00:26:02 --> 00:26:04
[John] Judy, Penny, if you can hear us,

422

00:26:04 --> 00:26:06
we're coming to get you and the engine
out of there.

423

00:26:06 --> 00:26:08
Meet us at the main road.

424

00:26:08 --> 00:26:10
Our ride's here!
All right, keep your heads down.

425

00:26:32 --> 00:26:35
[whirring]

426

00:26:35 --> 00:26:36
[Judy panting]

427

00:26:36 --> 00:26:38
-Dad! Okay. Okay.
-[John] Come on. Hurry!

428

00:26:38 --> 00:26:40
-[Penny] Here you go.
-[Maureen] Quick!

429

00:26:40 --> 00:26:42
-[Judy] Let's go.
-[Penny] Okay. I'm in.

430

00:26:42 --> 00:26:44
-[John] You okay?
-[Maureen] Come on. Let's go.

431

00:26:50 --> 00:26:53
[sighs] We're gonna need to find someplace
to put that thing.

432

00:26:53 --> 00:26:55
Somewhere the robots can't get to it.

433

00:26:55 --> 00:26:57
[explosions]

434

00:26:58 --> 00:27:01
So, when we were plugging all the Jupiters
into the city grid,

435

00:27:01 --> 00:27:05
you know that one thing that
you're never, ever, ever supposed to do?

436
00:27:05 --> 00:27:07
You mean plugging the in in the out?

437
00:27:08 --> 00:27:09
We're doing it.

438
00:27:12 --> 00:27:13
Yeah.

439
00:27:15 --> 00:27:16
[whirrs]

440
00:27:17 --> 00:27:19
[snarls]

441
00:27:27 --> 00:27:29
[adventurous music playing]

442
00:27:43 --> 00:27:44
[grunting]

443
00:27:47 --> 00:27:49
You really should be lying down.

444
00:27:49 --> 00:27:50
Same difference.

445
00:27:55 --> 00:27:57
[Smith] What is this place?

446
00:27:58 --> 00:27:59
[Robot] Home.

447
00:27:59 --> 00:28:02

Is anyone else worried
there might be a lot of robots here?

448

00:28:02 --> 00:28:04
There better be.

449

00:28:05 --> 00:28:06
[panting]

450

00:28:09 --> 00:28:10
You're one of them.

451

00:28:12 --> 00:28:13
They'll listen to you.

452

00:28:14 --> 00:28:16
[whirring softly]

453

00:28:20 --> 00:28:21
[inhales sharply]

454

00:28:23 --> 00:28:25
I knew you wouldn't come here without me.

455

00:28:28 --> 00:28:29
[sighs]

456

00:28:30 --> 00:28:33
But now you have to finish this.

457

00:28:36 --> 00:28:37
Tell them everything.

458

00:28:48 --> 00:28:49
[sighs]

459

00:28:58 --> 00:29:00

[Maureen] Since that engine is shut off,
the robots can't sense it,

460

00:29:01 --> 00:29:03

so they're searching Jupiter to Jupiter.

461

00:29:03 --> 00:29:05

The J65. That's us.

462

00:29:06 --> 00:29:08

That's Don.

463

00:29:10 --> 00:29:11

And that's them.

464

00:29:11 --> 00:29:14

[Don] Maureen, we're in.
Sealing the door now.

465

00:29:20 --> 00:29:21

You have trouble finding it?

466

00:29:21 --> 00:29:23

It was in the scrapyard
scheduled for recycling.

467

00:29:23 --> 00:29:27

Yeah, the powers that be had it towed
because it wasn't street-legal anymore.

468

00:29:27 --> 00:29:29

Still got a few miles left in it.
I can relate.

469

00:29:29 --> 00:29:31

-Let's hope we don't need it.

-[Don] Okay, everybody.

470

00:29:32 --> 00:29:36

I'm at the substation.

I hope you guys are nice and snug inside.

471

00:29:36 --> 00:29:38

[Maureen] We're good, Don. We're ready.

472

00:29:39 --> 00:29:41

Okay, in into the out.

473

00:29:42 --> 00:29:43

At the count of one.

474

00:29:45 --> 00:29:45

[groans]

475

00:29:46 --> 00:29:48

Hey, Don, we're not electrified yet.

476

00:29:48 --> 00:29:50

-What's happening?

-[groans]

477

00:29:51 --> 00:29:52

Slight hiccup. [groans]

478

00:29:53 --> 00:29:55

Is that a hiccup you can fix?

479

00:29:57 --> 00:30:00

No problem.

I just have to resolder the capacitor.

480

00:30:03 --> 00:30:04
Where is it?

481

00:30:05 --> 00:30:06
Oh!

482

00:30:07 --> 00:30:08
Oh, no, no, no, no!

483

00:30:09 --> 00:30:12
No! Why would anyone put a grate here?

484

00:30:12 --> 00:30:14
Gah! [pants]

485

00:30:23 --> 00:30:25
They're getting close.

486

00:30:26 --> 00:30:27
Come on, Don.

487

00:30:27 --> 00:30:30
You're not gonna let your family die
'cause you can't connect a wire.

488

00:30:31 --> 00:30:34
[Penny] Uh, they're all over the Jupiter
right next to us.

489

00:30:34 --> 00:30:37
Don, if you have any tricks
up your sleeve, now is the time.

490

00:30:39 --> 00:30:39
Oh!

491

00:30:41 --> 00:30:42
[laughs]

492
00:30:42 --> 00:30:45
Mmm! Oh, once a roughneck,
always a roughneck!

493
00:30:45 --> 00:30:47
[thumping]

494
00:30:50 --> 00:30:52
[whirring]

495
00:30:53 --> 00:30:55
[thumping]

496
00:31:01 --> 00:31:03
-Now!
-[electricity crackling]

497
00:31:03 --> 00:31:04
[screeching]

498
00:31:09 --> 00:31:11
[gasping]

499
00:31:13 --> 00:31:15
[Maureen] Thanks, Don!
We're good, for now.

500
00:31:18 --> 00:31:20
[Don sighs] Oh, great.

501
00:31:20 --> 00:31:23
They're not gonna just give up
because their buddies got zapped.

502

00:31:24 --> 00:31:25
Don, you did what you could.

503

00:31:25 --> 00:31:27
Now try and find some cover. Stay safe.

504

00:31:27 --> 00:31:29
See you on the other side.

505

00:31:29 --> 00:31:31
Okay, let's settle in.

506

00:31:32 --> 00:31:33
The electrical field will hold

507

00:31:33 --> 00:31:35
until the fuel
powering the Jupiters runs out.

508

00:31:36 --> 00:31:37
How long will that be?

509

00:31:37 --> 00:31:39
Till Will gets back.

510

00:31:48 --> 00:31:51
[Smith, echoing] Will... stay awake.

511

00:31:51 --> 00:31:53
[Will gasping]

512

00:31:53 --> 00:31:55
[whimpering]

513

00:31:55 --> 00:32:00

[Smith] We're here,
but they don't seem too happy to see him.

514

00:32:05 --> 00:32:07
The robot's drawing pictures.

515

00:32:15 --> 00:32:17
It's the story of the two of you.

516

00:32:18 --> 00:32:20
How you met.

517

00:32:20 --> 00:32:22
How you changed him.

518

00:32:37 --> 00:32:39
Will, he's drawing something new.

519

00:32:40 --> 00:32:43
I think it's a picture of your sister
doing what you did.

520

00:32:43 --> 00:32:45
Bonding with the robot.

521

00:32:54 --> 00:32:56
They're not listening.

522

00:32:57 --> 00:32:58
They're leaving.

523

00:33:13 --> 00:33:14
[whirring]

524

00:33:32 --> 00:33:34
[gasping] Is there anything you can do?

525
00:33:45 --> 00:33:47
[thunder crashing]

526
00:33:53 --> 00:33:55
[thrilling music playing]

527
00:33:59 --> 00:34:01
[thunder rumbling]

528
00:34:29 --> 00:34:31
[Robot] Trust, Will Robinson.

529
00:34:36 --> 00:34:38
[dramatic music playing]

530
00:34:40 --> 00:34:42
[lightning zapping]

531
00:35:06 --> 00:35:07
[Will gasping]

532
00:35:20 --> 00:35:21
No.

533
00:35:25 --> 00:35:26
No.

534
00:35:28 --> 00:35:29
No.

535
00:35:33 --> 00:35:34
No. [gasps]

536
00:35:49 --> 00:35:50

What did you do?

537

00:35:52 --> 00:35:54

-[Smith gasps]

-[footsteps approaching]

538

00:36:01 --> 00:36:04

Why did he do that?

He shouldn't have done that!

539

00:36:04 --> 00:36:05

[Smith] You know why.

540

00:36:07 --> 00:36:09

[wind whistling]

541

00:36:11 --> 00:36:12

Let's get you back to the ship.

542

00:36:16 --> 00:36:18

I can still feel him.

543

00:36:19 --> 00:36:20

[Smith] He's gone.

544

00:36:22 --> 00:36:22

I'm sorry.

545

00:36:23 --> 00:36:24

Let's go.

546

00:36:38 --> 00:36:39

[steady beeping]

547

00:36:42 --> 00:36:44

The last thing he said to me...

548

00:36:46 --> 00:36:47
was "trust."

549

00:36:48 --> 00:36:52
Maybe he was trusting us
to go on... without him.

550

00:36:56 --> 00:37:01
According to this, I'm...
I'm completely healed.

551

00:37:03 --> 00:37:05
[heart beating]

552

00:37:06 --> 00:37:08
That's a piece of Robot.

553

00:37:09 --> 00:37:12
I think he put that there
when he put his hand on your heart.

554

00:37:14 --> 00:37:16
He saved me.

555

00:37:17 --> 00:37:18
He saved me too.

556

00:37:18 --> 00:37:20
[gasps] How?

557

00:37:21 --> 00:37:22
Back in the med facility,

558

00:37:22 --> 00:37:26
I was about to do something

you can't... ever come back from.

559

00:37:27 --> 00:37:31
I didn't think I had a choice,
but the robot gave me one.

560

00:37:32 --> 00:37:34
I thought he was asking for help,

561

00:37:35 --> 00:37:37
but he was there to help me.

562

00:37:38 --> 00:37:40
He knew what I needed.

563

00:37:40 --> 00:37:43
He's always seemed to know
what we both needed.

564

00:37:46 --> 00:37:48
[alien humming]

565

00:37:48 --> 00:37:50
[rumbling and whirring]

566

00:37:53 --> 00:37:55
[Smith panting]

567

00:37:55 --> 00:37:57
[multiple robots whirring]

568

00:37:59 --> 00:38:01
[warbling]

569

00:38:01 --> 00:38:03
[Smith] Is that sound coming from them?

570

00:38:04 --> 00:38:06
-[warbling continues]
-It's a command.

571

00:38:08 --> 00:38:09
To do what?

572

00:38:09 --> 00:38:11
[foreboding music playing]

573

00:38:13 --> 00:38:15
[roaring]

574

00:38:20 --> 00:38:22
[snarling]

575

00:38:25 --> 00:38:28
[automated voice]
Primary fuel reservoir depleted.

576

00:38:28 --> 00:38:30
Switching to reserve fuel supply.

577

00:38:30 --> 00:38:33
Reserve fuel level at 10%.

578

00:38:37 --> 00:38:40
Reserve fuel level at 9%.

579

00:38:43 --> 00:38:47
I heard that, among your various skills
of soldiering and growing corn,

580

00:38:47 --> 00:38:51
that you worked on

second-grade research projects.

581

00:38:53 --> 00:38:54

Judy tell you that?

582

00:38:54 --> 00:38:57

Everyone thought I was gone,
but you kept me alive for her.

583

00:38:59 --> 00:39:02

-A lot of guys wouldn't have done that.
-You were a fallen hero.

584

00:39:03 --> 00:39:05

The most decorated astronaut in history.

585

00:39:07 --> 00:39:10

Sitting at the kitchen table

586

00:39:10 --> 00:39:14

writing your résumé
on a big piece of cardboard

587

00:39:14 --> 00:39:17

with markers
that smelled like strawberries.

588

00:39:18 --> 00:39:20

First man to Mars.

589

00:39:20 --> 00:39:21

[whirring]

590

00:39:22 --> 00:39:25

First man to... leave the solar system.

591

00:39:32 --> 00:39:34
First in a lot of things.

592
00:39:35 --> 00:39:36
I had some big shoes to fill.

593
00:39:38 --> 00:39:40
Markers that smelled
like strawberries, huh?

594
00:39:41 --> 00:39:42
Sounds nice.

595
00:39:42 --> 00:39:43
It was.

596
00:39:44 --> 00:39:48
All those firsts don't seem like much
compared to what I missed.

597
00:39:48 --> 00:39:50
Took me a while to figure that out too.

598
00:39:51 --> 00:39:54
[automated voice]
Reserve fuel level critical.

599
00:39:54 --> 00:39:55
We're out of fuel.

600
00:39:57 --> 00:39:59
-[lights flickering]
-[power fading]

601
00:40:01 --> 00:40:02
[robots whirring and thumping]

602
00:40:10 --> 00:40:11
[growling]

603
00:40:12 --> 00:40:13
[Maureen] Go!

604
00:40:16 --> 00:40:18
[screeching]

605
00:40:20 --> 00:40:22
[John] Come on, hurry. Kids, get in.

606
00:40:23 --> 00:40:25
-You know the plan?
-[Grant] Yeah, we're ready.

607
00:40:25 --> 00:40:27
[both grunt]

608
00:40:27 --> 00:40:28
Take care of our kids.

609
00:40:30 --> 00:40:31
Be careful!

610
00:40:34 --> 00:40:36
[accelerating music playing]

611
00:40:37 --> 00:40:39
[roaring]

612
00:40:46 --> 00:40:48
-[John yells]
-You drive!

613

00:40:49 --> 00:40:50
[panting]

614
00:40:51 --> 00:40:53
[screeching]

615
00:41:05 --> 00:41:06
[both gasp]

616
00:41:10 --> 00:41:11
Hey. Uh...

617
00:41:12 --> 00:41:15
I saw there's, uh,
an Italian restaurant near the park.

618
00:41:18 --> 00:41:19
-Really?
-Yeah.

619
00:41:20 --> 00:41:22
You think they make decent gnocchi?

620
00:41:25 --> 00:41:28
How about when this is all over,
we could find out?

621
00:41:29 --> 00:41:30
Just you and me.

622
00:41:32 --> 00:41:33
I would love that.

623
00:41:35 --> 00:41:37
[explosion]

624

00:41:47 --> 00:41:49
[plaintive music playing]

625
00:42:12 --> 00:42:13
John.

626
00:42:15 --> 00:42:16
John!

627
00:42:18 --> 00:42:19
[yelps]

628
00:42:20 --> 00:42:21
[gasps]

629
00:42:22 --> 00:42:23
Oh!

630
00:42:25 --> 00:42:26
[huffs, inhales]

631
00:42:27 --> 00:42:28
[exhales]

632
00:42:32 --> 00:42:35
Someday, I'm gonna see you up close.

633
00:42:47 --> 00:42:50
It looks different
from up here, doesn't it?

634
00:42:51 --> 00:42:52
Yeah.

635
00:42:58 --> 00:43:03
When I was your age,

I used to dream about being up here.

636

00:43:04 --> 00:43:06

But it's even better than I imagined.

637

00:43:07 --> 00:43:09

-Yeah?

-Yeah.

638

00:43:11 --> 00:43:15

'Cause it's with you
and your sisters and your dad.

639

00:43:20 --> 00:43:22

[yells]

640

00:43:23 --> 00:43:24

[grunts]

641

00:43:26 --> 00:43:27

Ow.

642

00:43:29 --> 00:43:30

[grunting]

643

00:43:52 --> 00:43:52

Hey!

644

00:43:55 --> 00:43:56

You know Will Robinson?

645

00:43:57 --> 00:43:59

I'm his mother.

646

00:44:11 --> 00:44:12

You're next.

647
00:44:14 --> 00:44:15
[yells]

648
00:44:19 --> 00:44:20
[groans]

649
00:44:21 --> 00:44:22
-[Maureen grunts]
-[groans]

650
00:44:30 --> 00:44:31
[bleeping]

651
00:44:32 --> 00:44:34
[John] It's from Will.

652
00:44:34 --> 00:44:36
[engines humming]

653
00:44:37 --> 00:44:38
[gasps]

654
00:44:38 --> 00:44:40
-[engines humming]
-I know those engines.

655
00:44:46 --> 00:44:48
[dramatic music playing]

656
00:44:59 --> 00:45:00
[sighs]

657
00:45:02 --> 00:45:03
[sighs]

658
00:45:03 --> 00:45:04
[SAR whirring]

659
00:45:04 --> 00:45:07
Will Robinson.

660
00:45:14 --> 00:45:16
[whirring command playing]

661
00:45:17 --> 00:45:19
[command repeating]

662
00:45:22 --> 00:45:24
[command repeating]

663
00:45:24 --> 00:45:26
[SAR howling]

664
00:45:28 --> 00:45:30
[command repeating]

665
00:45:30 --> 00:45:32
[SAR groaning]

666
00:45:32 --> 00:45:33
[thrilling music playing]

667
00:45:42 --> 00:45:45
[screeching]

668
00:45:52 --> 00:45:54
You need to turn it off.

669
00:45:55 --> 00:45:56
[SAR] No.

670

00:45:58 --> 00:46:00
Turn it off now!

671

00:46:00 --> 00:46:02
[SAR] Kill masters.

672

00:46:02 --> 00:46:04
Kill heart.

673

00:46:08 --> 00:46:09
He's gonna take us down with him.

674

00:46:17 --> 00:46:18
Will!

675

00:46:21 --> 00:46:22
Will, no!

676

00:46:23 --> 00:46:25
[exhales]

677

00:46:25 --> 00:46:28
Trust, Will Robinson.

678

00:46:32 --> 00:46:34
He knew you'd go for my heart again.

679

00:46:44 --> 00:46:45
And I trust him.

680

00:46:47 --> 00:46:49
[screeches]

681

00:46:54 --> 00:46:55

[Will] I'm okay.

682

00:47:13 --> 00:47:14
Robot?

683

00:47:14 --> 00:47:15
[humming]

684

00:47:15 --> 00:47:17
Robot, is that you?

685

00:47:17 --> 00:47:19
[dramatic music playing]

686

00:47:29 --> 00:47:31
[power fading]

687

00:47:32 --> 00:47:34
[epic music playing]

688

00:47:37 --> 00:47:39
[Robot] Safe, family.

689

00:47:40 --> 00:47:41
[sighs]

690

00:47:44 --> 00:47:45
[exhales]

691

00:47:49 --> 00:47:50
[gasps]

692

00:48:05 --> 00:48:08
So less than 24 hours
after the Robinsons get here,

693

00:48:08 --> 00:48:10
Alpha Centauri is trashed.

694

00:48:11 --> 00:48:14
I'm not saying there's a connection,
but it doesn't look good.

695

00:48:15 --> 00:48:16
[laughing]

696

00:48:16 --> 00:48:22
I... see it as an opportunity
to build it better a second time.

697

00:48:24 --> 00:48:26
That's gonna be one hell of a to-do list.

698

00:48:27 --> 00:48:29
[epic music continues]

699

00:48:37 --> 00:48:38
[Don] I could use a hug about now.

700

00:48:38 --> 00:48:40
-[Penny laughs]
-[Don] Anyone?

701

00:48:46 --> 00:48:48
[Penny] I guess it's my job
to write the epilogue.

702

00:48:49 --> 00:48:51
That's fine. As jobs go, it's pretty easy.

703

00:48:51 --> 00:48:54
I just sit in a chair

and scribble on a piece of paper

704

00:48:54 --> 00:48:56
while Mom's in orbit

705

00:48:56 --> 00:48:59
building another spaceship
to replace the Resolute.

706

00:49:00 --> 00:49:05
She's assisted by super-advanced beings
whose technology still seems like magic.

707

00:49:05 --> 00:49:06
[Maureen] Well...

708

00:49:09 --> 00:49:10
[Penny] And also Don.

709

00:49:10 --> 00:49:12
-Yeah. Yeah, yeah, yeah. But if--
-Right there.

710

00:49:12 --> 00:49:14
Yes, I know. But if we move stuff...

711

00:49:14 --> 00:49:16
Just take this. Here you go. Heads up.

712

00:49:16 --> 00:49:18
[laughing]

713

00:49:19 --> 00:49:20
[sighs]

714

00:49:21 --> 00:49:23

[Penny] Once the robots were freed
from their old programming,

715

00:49:23 --> 00:49:25
they could do whatever they wanted.

716

00:49:25 --> 00:49:29
Most left and didn't feel the need
to tell us where they were going.

717

00:49:29 --> 00:49:33
Now they're writing their own commands,
they're all different. Just like we are.

718

00:49:33 --> 00:49:34
[gentle whirring]

719

00:49:37 --> 00:49:41
For her part, once she was reassembled,
again, Sally left almost immediately.

720

00:49:42 --> 00:49:46
I was disappointed at first,
then I realized she's just a girl

721

00:49:46 --> 00:49:49
who's not afraid
to go find her place in the universe.

722

00:49:50 --> 00:49:52
I like to think she got that from me.

723

00:49:55 --> 00:49:57
I've never seen Dad this relaxed.

724

00:49:59 --> 00:50:03
They say that, more than anyone else,

soldiers appreciate the value of peace.

725

00:50:06 --> 00:50:08
Judy hasn't slowed down,

726

00:50:08 --> 00:50:11
but I think she finally realized
that she has nothing to prove to anyone.

727

00:50:13 --> 00:50:18
I haven't seen Dr. Smith for a while,
which makes me nervous.

728

00:50:18 --> 00:50:19
[knocking on door]

729

00:50:20 --> 00:50:22
[steady beeping]

730

00:50:28 --> 00:50:30
You're looking better.

731

00:50:31 --> 00:50:32
You may have got rid of the evidence,

732

00:50:32 --> 00:50:35
but I still know what you did
and who you really are.

733

00:50:40 --> 00:50:41
[scoffs]

734

00:50:42 --> 00:50:45
You think I'll fall for
the same trick twice?

735

00:50:45 --> 00:50:46
It's not a trick.

736

00:50:48 --> 00:50:49
It's a confession.

737

00:50:55 --> 00:50:57
[man] Prisoner 002, you have a visitor.

738

00:50:59 --> 00:51:00
Hmm.

739

00:51:04 --> 00:51:06
Did you bake me a cake with a file in it?

740

00:51:07 --> 00:51:08
I don't bake.

741

00:51:09 --> 00:51:11
And you don't need a file.

742

00:51:11 --> 00:51:13
[breathes deeply]

743

00:51:13 --> 00:51:17
When I was reviewing the passenger list
for Solidarity's maiden voyage from Earth,

744

00:51:17 --> 00:51:22
I came across the name... Jessica Harris,

745

00:51:22 --> 00:51:24
authorized by Dr. Zoe Smith.

746

00:51:26 --> 00:51:27
Who is she?

747

00:51:27 --> 00:51:28
My sister..

748

00:51:30 --> 00:51:31
technically.

749

00:51:32 --> 00:51:34
She's disowned me.

750

00:51:36 --> 00:51:38
Then she doesn't know who you really are.

751

00:51:39 --> 00:51:41
I'm not sure I know
who I am at this point.

752

00:51:43 --> 00:51:44
I do.

753

00:51:46 --> 00:51:47
When you get out of here,

754

00:51:48 --> 00:51:50
look me up.

755

00:51:57 --> 00:52:00
[Judy] Mom! Come on!
Dinner's gonna get cold!

756

00:52:09 --> 00:52:10
[Grant] We'll see how it turned out.

757

00:52:10 --> 00:52:13
The recipe didn't account for hybrid corn,
so I had to improvise.

758

00:52:14 --> 00:52:14
Of course you did.

759

00:52:14 --> 00:52:17
Sorry we're late.
Debbie got into a fight with a goat.

760

00:52:17 --> 00:52:19
[laughter]

761

00:52:19 --> 00:52:20
[Penny] Wow!

762

00:52:20 --> 00:52:24
Everything smells amazing! That's
the first time I've said that in a while.

763

00:52:24 --> 00:52:27
Yeah. Civilization is nice, right?

764

00:52:27 --> 00:52:30
We're not even planning
to leave this galaxy.

765

00:52:30 --> 00:52:33
-Did you okay this?
-It's the first I've heard of it.

766

00:52:33 --> 00:52:36
I've already logged
over a hundred hours of flight time, and..

767

00:52:38 --> 00:52:39
and this time I won't be alone.

768

00:52:40 --> 00:52:43
[Robot] Trust Will Robinson.

769
00:52:46 --> 00:52:47
[sighs]

770
00:52:49 --> 00:52:52
Okay, just be home by Christmas.

771
00:52:52 --> 00:52:53
We will be. Don't worry.

772
00:52:54 --> 00:52:56
-I promise!
-[Debbie clucking]

773
00:52:56 --> 00:52:58
[chuckling] Guys, I promise.

774
00:52:58 --> 00:52:59
[sighing] Okay.

775
00:53:01 --> 00:53:03
All right. I'm starving.

776
00:53:03 --> 00:53:05
Don't you wanna say grace?

777
00:53:05 --> 00:53:07
-[Don] Can we start?
-[John] Yeah.

778
00:53:08 --> 00:53:09
[laughter and chatter]

779
00:53:13 --> 00:53:14

Thank you.

780

00:53:14 --> 00:53:15

Pass it down.

781

00:53:15 --> 00:53:16

[Don] Oh yeah. Is this for me?

782

00:53:17 --> 00:53:18

It's easier to do it that way.

783

00:53:21 --> 00:53:24

Hey! Slow down! Slow down!

784

00:53:30 --> 00:53:33

[Penny] Will said, "Don't worry.
I promise I'll be home for Christmas."

785

00:53:34 --> 00:53:37

But we all know things don't always
work out the way we plan.

786

00:53:41 --> 00:53:43

The end.

787

00:53:56 --> 00:53:57

Of chapter one.

788

00:54:03 --> 00:54:08

[sighs] This is Will Robinson of the first
Human-Robot Exploratory Group.

789

00:54:10 --> 00:54:12

I don't know exactly
where we are right now...

790

00:54:15 --> 00:54:17
but it's beautiful.

791
00:54:19 --> 00:54:21
[epic music playing]

792
00:54:36 --> 00:54:38
[closing theme music playing]
