1

00:00:06,214 --> 00:00:09,050
[instrumental theme music playing]

2

00:01:20,371 --> 00:01:22,040
You didn't have to, you know...

3

00:01:23,500 --> 00:01:27,504
-I know. I just thought--
-Since you were leaving.

4

00:01:28,546 --> 00:01:32,425
Is it wrong to want to say goodbye
to my sister?

5

00:01:34,761 --> 00:01:36,805
You know I'd bring you if I could.

6

00:01:36,888 --> 00:01:39,766
Let's not ruin things
with a bunch of lies, Jess.

7

00:01:40,016 --> 00:01:42,143
-I'm just trying--
-To apologize?

8

00:01:43,394 --> 00:01:47,315
Why would I apologize
for being a productive member of society?

9

00:01:47,398 --> 00:01:48,566
Oh, there's the girl I know.

10

00:01:48,650 --> 00:01:52,153
At some point, you have to
take responsibility for your choices.

11

00:01:52,237 --> 00:01:55,115
Coming from someone
who's never had to make any.

12

00:01:55,698 --> 00:01:57,450
-[Jess] That's not fair.

-Ah.

13

00:01:57,575 --> 00:01:59,744
Your college wasn't paid for?

14

00:02:00,829 --> 00:02:02,539
Dad didn't leave you the business?

15

00:02:02,622 --> 00:02:04,666
What? And he should have left it to you?

16

00:02:05,125 --> 00:02:06,918
You're a criminal, June.

17

00:02:08,378 --> 00:02:09,629
I've made mistakes.

18

00:02:09,712 --> 00:02:12,048
And I'm glad you recognize that.

19

00:02:13,383 --> 00:02:18,138
But they don't want mistakes
in the new world.

20

00:02:18,221 --> 00:02:20,306
Well, thanks for the meal.
Have a nice flight.

21

00:02:20,390 --> 00:02:21,558
Oh. Wait.

22

00:02:23,017 --> 00:02:28,314
I didn't ask you here to fight. I just...
I just wanted to give you these.

23

00:02:29,816 --> 00:02:32,819
My house. My car.

24

00:02:34,154 --> 00:02:35,738
I'm not gonna need them anymore, so...

25

00:02:36,156 --> 00:02:37,657
I don't deserve this.

26

00:02:37,740 --> 00:02:40,827
No, no. Start fresh.

27

00:02:41,578 --> 00:02:44,622
Be a better version of yourself.

28

00:02:45,456 --> 00:02:46,416
[scoffs]

29

00:02:47,500 --> 00:02:49,586
-I could live here?
-[chuckles]

30

00:02:50,211 --> 00:02:51,045
Yes.

31

00:02:51,129 --> 00:02:52,463
I could drive your car?

32

00:02:55,216 --> 00:02:57,719
-Wear your clothes?
-If you'd like.

33

00:03:00,013 --> 00:03:04,267
So I could just... I could just be you?

34

00:03:19,199 --> 00:03:20,450
[exhales]

35

00:03:28,958 --> 00:03:29,834
[gasps softly]

36

00:04:41,739 --> 00:04:43,324
[thunder rumbles]

37

00:04:43,992 --> 00:04:46,244
[wind howling]

38

00:04:53,418 --> 00:04:55,503
[indistinct chatter]

39

00:04:57,213 --> 00:04:58,047
[Maureen] Yeah.

40

00:04:59,424 --> 00:05:02,593
I was looking at it...
I was looking for anything to orient us.

41

00:05:02,969 --> 00:05:06,347
Anything familiar,
a planet or a constellation.

42

00:05:07,140 --> 00:05:10,935
But there was nothing, nothing--
There was nothing I recognized at all.

43

00:05:11,019 --> 00:05:12,812
[Judy] Okay. I don't understand.

44

00:05:12,895 --> 00:05:15,148
Exactly how lost are we talking about?

45

00:05:15,440 --> 00:05:17,567
Yeah, "Can't find your car
in the parking lot" lost?

46

00:05:17,650 --> 00:05:23,114
Well, if this is Earth
and this is Alpha Centauri,

47

00:05:23,948 --> 00:05:29,037
we are, metaphorically, maybe,
a 600-year drive away.

48

00:05:29,746 --> 00:05:30,580
Maybe.

49

00:05:31,664 --> 00:05:34,000
Okay, so, not metaphorically...

50

00:05:34,292 --> 00:05:36,836
Trillions of light years. It's, uh...

51

00:05:38,963 --> 00:05:41,049
Look, if we got here, we can get back.

52

00:05:42,383 --> 00:05:45,678
So... how do we get back?

53

00:05:49,640 --> 00:05:52,935
Honestly, unless the Resolute is intact
and can find us,

54

00:05:53,019 --> 00:05:54,228
we might be stuck here.

55

00:05:57,607 --> 00:06:01,069
Which is why I need everyone
working on the problem.

56

00:06:01,152 --> 00:06:02,278
-[John] Maureen.
-Okay?

57

00:06:02,361 --> 00:06:03,905
We need to get comms operational.

58

00:06:03,988 --> 00:06:05,990
Can't do that until we get the ship
out of the ice.

59

00:06:06,074 --> 00:06:07,533
-Judy, you need to get--
-Maureen.

60

00:06:07,617 --> 00:06:08,576
What?

61

00:06:09,285 --> 00:06:11,454
-I think we should take a breather.
-[Maureen] What?

62

00:06:11,537 --> 00:06:13,956
[John] With the storm outside,
there's nothing we can do,

63

00:06:14,040 --> 00:06:18,086
and I think we'd all think a lot clearer
after some rest.

64

00:06:21,255 --> 00:06:24,550
-I am kind of tired.
-Yeah. I think we all are.

65

00:06:28,846 --> 00:06:31,891
Just an hour, Mom. Then I'll be ready.

66

00:06:32,600 --> 00:06:33,726
Okay.

67

00:06:35,061 --> 00:06:38,981
Okay. I will wake everybody up
after the storm.

68

00:06:39,065 --> 00:06:40,108
Thanks, Mom.

69

00:06:41,359 --> 00:06:43,528
[storm rumbling, ice crackling outside]

70

00:06:51,702 --> 00:06:53,454
[sighs]

71

00:07:00,586 --> 00:07:03,548
-Oh, no, Doctor, don't. I've got it.
-Oh, please. Let me.

72

00:07:04,549 --> 00:07:05,800
Thank you.

73

00:07:06,884 --> 00:07:07,885
[Smith sighs]

74

00:07:08,678 --> 00:07:10,471

Um, your family...

75

00:07:11,556 --> 00:07:15,810
Unfortunately, I...
I had to leave them behind.

76

00:07:17,895 --> 00:07:18,771
Oh.

77

00:07:19,313 --> 00:07:20,606
No, it's okay.

78

00:07:21,441 --> 00:07:25,027
No husband, no kids.
Makes it a little easier.

79

00:07:26,779 --> 00:07:28,364
You're welcome to stay with us until...

80

00:07:30,074 --> 00:07:31,075
[chuckles nervously]

81

00:07:31,784 --> 00:07:32,869
[stammers]

82

00:07:32,952 --> 00:07:35,663
Let me show you
where you can store your stuff.

83

00:07:38,082 --> 00:07:40,751
Doctor, engineer, soldier.

84

00:07:41,711 --> 00:07:44,422
Sounds like I was rescued
by the right family.

85

00:07:45,089 --> 00:07:46,924
I wouldn't say we're...

86

00:07:48,217 --> 00:07:50,428
-It's complicated.
-Most families are.

87

00:07:51,512 --> 00:07:52,680
[beeping]

88

00:07:52,763 --> 00:07:54,849
-I'm a psychologist.
-Oh.

89

00:07:54,974 --> 00:07:57,560
I actually specialize in family therapy.

90

00:07:58,603 --> 00:07:59,812
You've come to the right place.

91

00:07:59,896 --> 00:08:03,858
Seriously, if there's anything I could do
to repay you somehow...

92

00:08:03,941 --> 00:08:06,027
Don't worry, we'll put you to work.

93

00:08:06,694 --> 00:08:09,405
Um, so, you can store your stuff in there.

94

00:08:09,572 --> 00:08:13,659
I'm sorry we don't have extra bunks,
but there's, uh, blankets.

95

00:08:13,743 --> 00:08:14,869
Please. I'll manage.

96

00:08:14,952 --> 00:08:17,079
Okay. See you in a bit.

97

00:08:17,163 --> 00:08:18,831
See you. Good night.

98

00:08:46,984 --> 00:08:48,861
[ice crackling against hull]

99

00:08:51,155 --> 00:08:51,989

[sobbing]

100

00:08:53,741 --> 00:08:54,951
[exhales]

101

00:08:58,496 --> 00:08:59,830
[buttons beep]

102

00:08:59,914 --> 00:09:02,124
[treadmill whirring]

103

00:09:03,417 --> 00:09:05,670
[John] It's fine.
It's just the ice shifting.

104

00:09:09,465 --> 00:09:11,133
I thought you needed the rest.

105

00:09:11,217 --> 00:09:13,636
[sighs] I needed to relax.
There's a difference.

106

00:09:19,350 --> 00:09:20,977
-[beeps]
-[treadmill powers down]

107

00:09:22,019 --> 00:09:23,604
Hey, hon. Look...

108

00:09:24,355 --> 00:09:27,775
what you went through out there
in the ice...

109

00:09:28,359 --> 00:09:30,361
I know what that kind of fear
can do to your body.

110

00:09:30,444 --> 00:09:33,406
More importantly,
what it can do to your mind.

111

00:09:33,739 --> 00:09:35,866

-So, if there's anything you need to--
-[beeps]

112
00:09:35,950 --> 00:09:36,909
I'm fine, Dad.

113
00:09:37,493 --> 00:09:39,245
[treadmill whirring]

114
00:09:43,874 --> 00:09:44,750
Okay.

115
00:09:46,294 --> 00:09:47,670
You do what you have to do.

116
00:09:55,970 --> 00:09:58,347
-[beeps]
-[treadmill stops]

117
00:09:59,056 --> 00:10:01,559
[panting]

118
00:10:15,698 --> 00:10:18,159
[wind howling]

119
00:11:38,239 --> 00:11:40,616
[ice crackles against hull]

120
00:11:47,832 --> 00:11:50,793
[slithering, low howling]

121
00:12:03,889 --> 00:12:04,723
[screaming]

122
00:12:04,807 --> 00:12:06,934
[gasping]

123
00:12:27,872 --> 00:12:28,998
You okay?

124
00:12:29,540 --> 00:12:31,750

[gulps] Yeah.

125

00:12:33,461 --> 00:12:34,336
Bad dream?

126

00:12:37,047 --> 00:12:38,048
[Will] Sort of.

127

00:12:39,633 --> 00:12:44,388
Don't tell anyone, but I still get them
from time to time.

128

00:12:45,723 --> 00:12:50,895
And when I do,
it helps to say what they were out loud.

129

00:12:57,693 --> 00:13:01,113
It was nothing. Really. I'm fine.

130

00:13:01,197 --> 00:13:02,573
[heavy footsteps]

131

00:13:14,502 --> 00:13:16,378
[whispers] I thought you said
it wasn't dangerous.

132

00:13:22,760 --> 00:13:23,886
I'm gonna go back to bed.

133

00:13:25,346 --> 00:13:26,222
Sorry.

134

00:13:29,600 --> 00:13:32,311
Please don't mention anything to my dad.

135

00:13:32,394 --> 00:13:33,687
-Oh.
-About my nightmare.

136

00:13:34,355 --> 00:13:36,440
I'm good at keeping secrets.

137
00:13:43,739 --> 00:13:44,740
[loud rumbling]

138
00:13:48,827 --> 00:13:50,579
-[Maureen shouting] Will?
-In here, Mom!

139
00:13:51,330 --> 00:13:53,332
-Hey, is everyone okay?
-[Smith] Uh...

140
00:13:53,749 --> 00:13:54,708
[Judy] What happened?

141
00:13:54,792 --> 00:13:57,753
[Smith] I don't know.
It was like something just hit us.

142
00:13:57,836 --> 00:13:59,880
It's the glacier. It's breaking apart.

143
00:13:59,964 --> 00:14:01,924
-When the girls used the blast jets--
-Wasn't me.

144
00:14:02,007 --> 00:14:04,218
Yeah. It wasn't her who totally saved
everybody's life.

145
00:14:04,301 --> 00:14:05,135
[scoffs]

146
00:14:05,219 --> 00:14:09,306
If we don't get the Jupiter out of here,
the whole thing's gonna collapse on us.

147
00:14:11,892 --> 00:14:13,978
The storm's over. It's all clear up there.

148
00:14:14,061 --> 00:14:17,231
Okay. Judy, pre-flight checklist.
Start with the thrusters.

149
00:14:17,314 --> 00:14:20,067
Penny, as we get closer to the surface,
I want you on the radio.

150
00:14:20,150 --> 00:14:22,653
Soon as we get the signal, we broadcast.
See if the Resolute--

151
00:14:22,736 --> 00:14:24,071
-[John] Maureen.
-What?

152
00:14:24,446 --> 00:14:25,865
We got a problem with the engines.

153
00:14:26,657 --> 00:14:27,575
What kind of problem?

154
00:14:28,325 --> 00:14:29,577
We don't have any.

155
00:14:36,584 --> 00:14:39,295
-[John sighs]
-It's heavy particulate from the storm.

156
00:14:39,378 --> 00:14:40,504
[Maureen scoffs]

157
00:14:41,297 --> 00:14:44,383
It's blocking the air flow
to the ventilation shafts.

158
00:14:49,471 --> 00:14:52,016
We're not going anywhere
until we clear this out.

159
00:14:54,768 --> 00:14:58,606
-I'll get Judy to come down and start--
-Wait, you think she's ready?

160
00:14:58,689 --> 00:14:59,899

What do you mean, ready?

161

00:14:59,982 --> 00:15:02,401

After what happened,
you're not worried about her?

162

00:15:02,484 --> 00:15:04,820

I'm worried about a lot of things,
Judy's not one of them.

163

00:15:04,904 --> 00:15:06,363

She'll pull through. She always does.

164

00:15:06,447 --> 00:15:09,909

Well, maybe she'll pull through faster
if we let her sit this out.

165

00:15:10,451 --> 00:15:11,785

You know, give her time--

166

00:15:11,869 --> 00:15:14,914

We don't have time, John.
This part of the glacier is--

167

00:15:14,997 --> 00:15:17,082

Unstable. Yeah, I know.

168

00:15:18,042 --> 00:15:18,959

339

00:27:37,405 --> 00:27:39,908
-What is it?
-And why does it smell so bad?

340

00:27:39,991 --> 00:27:43,662
No idea, but it probably came in through
one of the puncture holes from the crash.

341

00:27:43,745 --> 00:27:45,955
-Think it's been hiding the whole time?
-Yeah.

342

00:27:46,039 --> 00:27:48,541
Smells like it's been hiding
in someone's butthole.

343
00:27:52,337 --> 00:27:54,297
I've never seen anything like it.

344
00:27:58,259 --> 00:27:59,427
[grunts]

345
00:28:02,680 --> 00:28:04,891
Wait, where's Will?

346
00:28:04,974 --> 00:28:07,852
It's okay. He's safe.
The robot locked him in the closet.

347
00:28:08,269 --> 00:28:09,270
Okay.

348
00:28:10,271 --> 00:28:12,440
-Why?
-Why does he do anything?

349
00:28:13,942 --> 00:28:15,944
I think that smell is fuel.

350
00:28:16,027 --> 00:28:18,738
Makes sense.
I found it in the water next to the tank.

351
00:28:18,822 --> 00:28:19,656
[loud beep]

352
00:28:19,739 --> 00:28:21,991
[automated voice] Warning.
Fuel level at 52%.

353
00:28:22,075 --> 00:28:23,785
Fuel's dropping. Faster now.

354
00:28:37,257 --> 00:28:40,677

And I'm never having unagi again.

355

00:28:42,887 --> 00:28:43,930
[sniffs]

356

00:28:44,013 --> 00:28:46,933
Our fuel isn't leaking. It's being eaten.

357

00:28:47,976 --> 00:28:49,936
Our fuel is a methane hybrid.

358

00:28:50,895 --> 00:28:54,482
One of the compounds must be similar
to its food source on the planet.

359

00:28:54,816 --> 00:28:56,943
Any ideas how we get out of this one?

360

00:28:58,403 --> 00:28:59,988
I need a bigger whiteboard.

361

00:29:01,030 --> 00:29:02,532
Are those our fuel tanks?

362

00:29:02,615 --> 00:29:04,701
Is anyone else
never sleeping in here again?

363

00:29:05,785 --> 00:29:06,828
Is it just me?

364

00:29:06,911 --> 00:29:08,830
The Jupiters were built
with two fuel tanks:

365

00:29:08,913 --> 00:29:13,001
the primary and the reserve.
So far, our reserves are untouched.

366

00:29:13,501 --> 00:29:16,171
If it stays that way,
we'll have enough to get out of the ice.

367

00:29:16,254 --> 00:29:19,048
So we need to trap those things
and keep 'em out of the other tank.

368

00:29:19,132 --> 00:29:22,635
Yes, but the emergency settings
will open the reserve tank

369

00:29:22,719 --> 00:29:25,180
when the primary gets too low,
and the only way to stop that

370

00:29:25,263 --> 00:29:27,807
is to turn it off manually at the source.

371

00:29:29,768 --> 00:29:33,021
So, um, we have to go down
where the eels are?

372

00:29:33,104 --> 00:29:37,317
At the rate these things are going,
we have about 15 minutes before we're dry.

373

00:29:37,901 --> 00:29:39,152
I'll handle the tank.

374

00:29:40,445 --> 00:29:42,113
You just get us ready to fly.

375

00:29:50,121 --> 00:29:51,456
Hey, Dad?

376

00:29:52,665 --> 00:29:53,958
-Yeah?
-I can help.

377

00:29:54,751 --> 00:29:56,878
Oh, it's okay. You sit this one out.

378

00:29:56,961 --> 00:29:59,964
No, seriously, I'm... I can handle it.

379
00:30:00,048 --> 00:30:02,342
I believe you, I do.

380
00:30:04,969 --> 00:30:06,429
I want you to believe it, too.

381
00:30:13,311 --> 00:30:15,772
[ice crackling against hull]

382
00:30:16,981 --> 00:30:19,692
-[breathing heavily]
-[ship creaking]

383
00:30:22,237 --> 00:30:23,530
I need to get in there.

384
00:30:24,447 --> 00:30:26,074
[robot] Danger, Will Robinson.

385
00:30:26,157 --> 00:30:29,369
I know it's dangerous.
It's gonna get a lot more dangerous

386
00:30:29,452 --> 00:30:31,412
if I can't get in there
to get a torque wrench.

387
00:30:37,293 --> 00:30:41,256
Will, can you tell your robot
to open the damn door?

388
00:30:41,339 --> 00:30:43,174
I've been trying. He won't listen.

389
00:30:48,972 --> 00:30:50,265
[sighs] Judy.

390
00:30:50,974 --> 00:30:51,808
[Judy] Yeah?

391

00:30:51,891 --> 00:30:55,687
Judy, I need you to print me
a torque wrench, 11/16".

392

00:30:56,271 --> 00:30:58,064
-[Judy] That's gonna take--
-I know.

393

00:30:59,691 --> 00:31:04,404
-Mom said we've only got--
-I know. Can you just do the best you can?

394

00:31:06,322 --> 00:31:08,074
-What are you gonna do?
-[sighs]

395

00:31:10,451 --> 00:31:12,245
I'm gonna buy us some more time.

396

00:31:16,457 --> 00:31:17,625
[Will] I just...

397

00:31:20,003 --> 00:31:21,546
I don't understand.

398

00:31:21,629 --> 00:31:24,507
It's okay. It's not your fault.

399

00:31:24,924 --> 00:31:27,051
He usually does what I want him to do.

400

00:31:31,472 --> 00:31:32,390
Really?

401

00:31:33,975 --> 00:31:35,518
Why do you think that is?

402

00:31:35,602 --> 00:31:39,606
I don't know.
Maybe it's his way of saying thank you.

403

00:31:41,190 --> 00:31:42,108

For what?

404

00:31:43,693 --> 00:31:44,736
For saving his life.

405

00:31:48,531 --> 00:31:50,533
And now it's like we're connected.

406

00:31:51,242 --> 00:31:54,537
Like he just knows what I want him to do.

407

00:31:55,997 --> 00:31:57,290
Until now.

408

00:32:10,053 --> 00:32:13,681
Maybe he's not listening to your voice...

409

00:32:15,767 --> 00:32:19,854
because he's listening to what's inside.

410

00:32:21,189 --> 00:32:22,440
What do you mean?

411

00:32:25,276 --> 00:32:31,741
Every day, we have these little battles
going on inside of us,

412

00:32:33,868 --> 00:32:36,329
between what we want to do...

413

00:32:38,081 --> 00:32:40,541
and what we need to do. And...

414

00:32:43,711 --> 00:32:46,172
sometimes they can be
very different things.

415

00:33:00,561 --> 00:33:03,272
[automated voice]
Level three access confirmed.

416

00:33:04,232 --> 00:33:08,444
Level three access confirmed.
Level three access confirmed.

417
00:33:08,528 --> 00:33:09,529
Morning.

418
00:33:10,780 --> 00:33:11,864
[Smith] Good morning.

419
00:33:13,866 --> 00:33:16,411
[automated voice]
Level three access confirmed.

420
00:33:16,494 --> 00:33:18,246
Level three access confirmed.

421
00:33:24,002 --> 00:33:26,462
Level three access confirmed.

422
00:33:27,588 --> 00:33:28,798
Excuse me, miss?

423
00:33:28,881 --> 00:33:31,342
[automated voice]
Level three access confirmed.

424
00:33:32,385 --> 00:33:35,096
Hey, Jessica Harris,
I've been looking for you.

425
00:33:37,223 --> 00:33:39,809
Hey, come on, why aren't you stopping?

426
00:33:40,977 --> 00:33:42,395
I'm sorry, I...

427
00:33:42,478 --> 00:33:44,105
No, I'm sorry.

428
00:33:44,188 --> 00:33:46,524
I just haven't been able

to get away from Holly lately.

429

00:33:46,607 --> 00:33:49,110

At this point,

I don't even care if she finds out.

430

00:33:50,111 --> 00:33:51,487

I just need to be with you.

431

00:33:59,412 --> 00:34:02,123

Jesus, Jess.

I thought you'd been avoiding me.

432

00:34:02,206 --> 00:34:04,876

-Can we go somewhere?

-I don't want anyone to see us.

433

00:34:06,627 --> 00:34:07,795

Wait a minute.

434

00:34:08,296 --> 00:34:09,922

[gasping]

435

00:34:10,757 --> 00:34:12,842

-Who the hell are you?

-Let's make a deal.

436

00:34:14,343 --> 00:34:16,095

You don't tell anyone about me,

437

00:34:16,179 --> 00:34:18,931

and I won't tell your wife
about your bad taste in women.

438

00:34:20,683 --> 00:34:22,101

-[grunts]

-[beeps]

439

00:34:22,560 --> 00:34:24,145

[automated voice] Access granted.

440

00:34:25,063 --> 00:34:27,315

-[man grunts]
-Stand clear.

441
00:34:28,316 --> 00:34:29,650
[shrieks]

442
00:34:29,734 --> 00:34:32,487
-Air lock releasing in ten seconds.
-[man] You don't wanna do this.

443
00:34:32,570 --> 00:34:33,988
[automated voice] Press to override.

444
00:34:34,072 --> 00:34:35,698
-Nine, eight...
-Press the button.

445
00:34:35,782 --> 00:34:37,909
-You don't want to do this to me.
-...seven, six,

446
00:34:37,992 --> 00:34:40,870
-five, four, three...
-Just press the override button.

447
00:34:40,953 --> 00:34:42,872
-...two, one.
-Please, override it!

448
00:34:43,748 --> 00:34:45,750
-[air lock releasing]
-[man screams, stops]

449
00:34:47,752 --> 00:34:48,753
[Smith gasps]

450
00:35:01,849 --> 00:35:05,186
[wind howling]

451
00:35:05,269 --> 00:35:07,271
[ship creaking]

452

00:35:10,608 --> 00:35:12,026
[Maureen] Salt for the eels.

453

00:35:12,610 --> 00:35:15,655
Clever. Sixth grade biology?

454

00:35:15,738 --> 00:35:17,573
[Penny] Close. Fifth grade.

455

00:35:17,657 --> 00:35:19,408
It was actually Jimmy Sewerth's backyard.

456

00:35:19,492 --> 00:35:23,621
You told me I couldn't play with him
because anyone who tortures worms

457

00:35:23,704 --> 00:35:25,498
is destined to be a future serial killer.

458

00:35:25,581 --> 00:35:28,417
Right. Well, Jimmy's not going
to Alpha Centauri, is he?

459

00:35:31,921 --> 00:35:36,342
Your dad thinks I expect too much
of you kids sometimes. Do you?

460

00:35:38,136 --> 00:35:40,304
Um... no.

461

00:35:40,888 --> 00:35:43,266
[stammers]
I don't think you expect too much from us.

462

00:35:43,349 --> 00:35:47,395
I just think maybe, sometimes,
you expect too little from Dad.

463

00:35:49,063 --> 00:35:52,066
[grunts] Hey, Judy. How's it going?

464

00:35:52,733 --> 00:35:54,819

Every time you ask, it goes faster.

465

00:35:54,902 --> 00:35:56,529
Okay, so not yet. [coughs]

466

00:35:58,406 --> 00:35:59,323
Are you okay?

467

00:35:59,407 --> 00:36:01,784
[grunts] Yeah, yeah. I'm fine.

468

00:36:04,829 --> 00:36:05,997
[exclaiming]

469

00:36:15,006 --> 00:36:16,007
Hey, Maureen.

470

00:36:16,090 --> 00:36:17,800
How are the engines coming along?

471

00:36:20,261 --> 00:36:22,180
-One down, one to go.
-Great.

472

00:36:22,263 --> 00:36:25,183
[grunting] Oh!

473

00:36:25,558 --> 00:36:27,768
I think some of these pieces
are still back in the hub.

474

00:36:27,852 --> 00:36:30,646
-Do you want me to get them?
-Yeah. But be careful.

475

00:36:31,230 --> 00:36:32,315
Mmm-hmm.

476

00:36:34,650 --> 00:36:36,444
What... What are you doing?

477

00:36:37,153 --> 00:36:38,571
I'm being careful.

478
00:36:38,654 --> 00:36:39,655
[shouts]

479
00:36:49,248 --> 00:36:52,210
[panting]

480
00:36:52,668 --> 00:36:53,669
[exhales]

481
00:36:59,926 --> 00:37:01,761
What are you looking at?

482
00:37:01,844 --> 00:37:04,847
-[ice crackling against hull]
-[ship creaking]

483
00:37:08,059 --> 00:37:09,018
[loud rumbling]

484
00:37:11,395 --> 00:37:12,521
[gasps]

485
00:37:13,397 --> 00:37:14,774
[grunting]

486
00:37:22,156 --> 00:37:23,950
[gasping]

487
00:37:24,867 --> 00:37:26,744
[automated voice] Surface unstable.

488
00:37:27,286 --> 00:37:28,287
[Maureen] Hey.

489
00:37:28,371 --> 00:37:30,414
-Hey! You okay?
-Yeah. You?

490

00:37:30,498 --> 00:37:33,376
[scoffs] Sure. Judy, you okay?

491
00:37:33,960 --> 00:37:35,586
[panting]

492
00:37:36,712 --> 00:37:37,588
Yeah.

493
00:37:39,715 --> 00:37:41,217
But the torque wrench, it didn't print.

494
00:37:41,300 --> 00:37:42,635
[automated voice] Auxiliary tank released.

495
00:37:42,718 --> 00:37:44,011
[John] Don't worry. It's okay.

496
00:37:44,095 --> 00:37:46,722
-John...
-Judy, hold a sec.

497
00:37:47,473 --> 00:37:50,601
When the Jupiter's weight shifted,
it must've exposed the fuel sensor

498
00:37:50,685 --> 00:37:53,187
and released the reserves
into the main tank.

499
00:37:53,396 --> 00:37:57,066
[sighs] That's all the fuel we have left.
Now they got it.

500
00:37:57,733 --> 00:37:59,610
We can't wait. We gotta launch right now.

501
00:37:59,694 --> 00:38:02,113
The last thruster's almost done.
I just have to secure it.

502
00:38:02,196 --> 00:38:03,739

-So...
-Five minutes, tops.

503
00:38:03,823 --> 00:38:05,283
[Penny, faint] Dad!

504
00:38:05,950 --> 00:38:06,784
Penny?

505
00:38:06,867 --> 00:38:07,910
[Penny] Dad, help!

506
00:38:07,994 --> 00:38:09,245
-[Maureen] Penny!
-Something's wrong.

507
00:38:09,328 --> 00:38:11,080
Whatever it is,
I'm sure your family will--

508
00:38:11,163 --> 00:38:12,665
-They need me!
-[Maureen] Where are you?

509
00:38:12,748 --> 00:38:15,042
-[Will] Do something! Please!
-[John] Penny!

510
00:38:15,418 --> 00:38:17,003
Why won't you listen to me?

511
00:38:18,087 --> 00:38:21,048
Please, help them.

512
00:38:21,132 --> 00:38:22,758
[John, distant] Penny, where are you?

513
00:38:23,634 --> 00:38:26,595
I don't understand.
Why won't he listen to me?

514
00:38:26,679 --> 00:38:28,180

Shh. Deep breaths.

515

00:38:28,764 --> 00:38:30,433
Fear is a powerful emotion, Will.

516

00:38:31,726 --> 00:38:34,312
If you and that machine
are as connected as you say,

517

00:38:34,395 --> 00:38:35,688
he can sense that fear in you.

518

00:38:37,648 --> 00:38:38,649
It's okay to be afraid.

519

00:38:39,900 --> 00:38:41,402
To want to save yourself.

520

00:38:43,029 --> 00:38:45,656
No, it's not.

521

00:38:46,282 --> 00:38:49,160
Self-preservation is nothing
to be ashamed of.

522

00:38:50,119 --> 00:38:51,829
It's how we learn to survive.

523

00:38:51,912 --> 00:38:53,706
[rumbling]

524

00:38:56,584 --> 00:38:59,295
[gasping]

525

00:39:00,129 --> 00:39:01,130
Help.

526

00:39:02,298 --> 00:39:04,633
[gasping] Mom.

527

00:39:06,344 --> 00:39:07,428

Dad!

528

00:39:08,304 --> 00:39:09,221

Dad.

529

00:39:12,266 --> 00:39:13,768

Hey, sweetie. You okay?

530

00:39:13,851 --> 00:39:14,685

Been better.

531

00:39:14,769 --> 00:39:16,979

Yeah, that's going around.

532

00:39:17,063 --> 00:39:19,440

They're all around me. I can't move.

533

00:39:20,274 --> 00:39:21,442

[screams] Oh, my God!

534

00:39:21,525 --> 00:39:23,694

-Hey! Hey!

-No!

535

00:39:23,778 --> 00:39:24,695

It's on my leg!

536

00:39:24,779 --> 00:39:29,784

-[screaming] No! It hurts, Dad.

-Sweetie, it's okay.

537

00:39:29,867 --> 00:39:32,870

They're not after you,
they're after the fuel.

538

00:39:32,953 --> 00:39:35,081

But the fuel is... It's all over me!

539

00:39:36,415 --> 00:39:39,126

Sweetie, it's gonna be okay.

540

00:39:39,210 --> 00:39:40,628
[Penny] How do you know?

541
00:39:41,337 --> 00:39:42,963
Daddy?

542
00:39:44,507 --> 00:39:47,385
-Daddy? Daddy, no!
-Go! Go!

543
00:39:48,969 --> 00:39:52,681
Go to the hub. Come on! Come on!

544
00:39:55,726 --> 00:39:58,896
-[panting] Are we gonna die in here?
-No.

545
00:39:59,980 --> 00:40:02,274
-Are you sure?
-'Course I'm sure.

546
00:40:03,192 --> 00:40:06,612
You and me, we're survivors, aren't we?

547
00:40:06,695 --> 00:40:10,741
[automated voice] Warning.
Fuel level at 45%. No reserves.

548
00:40:11,367 --> 00:40:13,327
[sighs] Here's what I think.

549
00:40:14,620 --> 00:40:18,457
Your family, they risked their lives
out there in the storm to save me.

550
00:40:19,625 --> 00:40:22,002
So I think it's time I risked my life
to save them.

551
00:40:22,086 --> 00:40:25,798
I don't understand. We're in here.
How are you gonna get out there?

552

00:40:25,881 --> 00:40:30,094

Your robot! Think about it.

He only cares about putting you in danger.

553

00:40:30,177 --> 00:40:31,971

He could care less what happens to me.

554

00:40:32,054 --> 00:40:33,764

But I care what happens to you.

555

00:40:36,016 --> 00:40:36,934

[chuckles]

556

00:40:43,941 --> 00:40:46,694

I appreciate that, Will. I really do.

557

00:40:47,653 --> 00:40:51,323

But one thing you'll learn about me...

I can handle myself.

558

00:40:54,493 --> 00:40:57,496

Come on, tell him.

559

00:40:59,290 --> 00:41:01,542

Robot, I'm gonna need you to listen.

560

00:41:02,126 --> 00:41:04,753

[printer whirs, dings]

561

00:41:07,339 --> 00:41:08,507

[gasping]

562

00:41:10,843 --> 00:41:13,471

[gasping]

563

00:41:23,105 --> 00:41:24,565

[exclaiming]

564

00:41:30,404 --> 00:41:31,238

Okay.

565
00:41:46,295 --> 00:41:47,671
[yells]

566
00:41:48,881 --> 00:41:50,966
[panting]

567
00:41:53,427 --> 00:41:55,679
[chuckling]

568
00:41:58,766 --> 00:42:01,185
Okay! Okay!

569
00:42:02,353 --> 00:42:05,231
-My mom and dad, make sure they're--
-[Smith] I will.

570
00:42:05,314 --> 00:42:06,565
-[Will] And my sisters--
-Don't worry.

571
00:42:08,025 --> 00:42:09,193
I got this.

572
00:42:19,370 --> 00:42:23,165
[automated voice] Warning.
Fuel level at 30%. No reserves.

573
00:42:24,667 --> 00:42:26,752
[ice crackling]

574
00:42:37,096 --> 00:42:41,308
Warning. Fuel level at 25%. No reserves.

575
00:42:45,062 --> 00:42:46,939
[automated voice] Ejection initiated.

576
00:42:47,022 --> 00:42:49,733
This operation will compromise
the structural integrity

577
00:42:49,817 --> 00:42:51,986

of your residential transport vehicle.

578

00:42:52,486 --> 00:42:55,197
Further aerial navigation
will be eliminated.

579

00:42:56,156 --> 00:43:01,161
29, 28, 27, 26...

580

00:43:07,209 --> 00:43:08,335
Oh, come on.

581

00:43:15,467 --> 00:43:16,427
Oh, no.

582

00:43:17,720 --> 00:43:19,054
Come on!

583

00:43:21,015 --> 00:43:22,099
[grunts]

584

00:43:23,684 --> 00:43:25,144
Oh! Come on!

585

00:43:26,186 --> 00:43:28,647
[both grunting]

586

00:43:28,731 --> 00:43:29,815
[gasps]

587

00:43:30,482 --> 00:43:33,152
Oh, thank God! [exhales]

588

00:43:33,611 --> 00:43:34,945
Oh, thank you.

589

00:43:36,864 --> 00:43:38,198
Okay, okay.

590

00:43:38,282 --> 00:43:40,618
We're good. Let's go.

591
00:43:41,493 --> 00:43:42,661
You look terrible.

592
00:43:42,745 --> 00:43:44,038
Thanks. You, too.

593
00:43:45,372 --> 00:43:46,206
Okay.

594
00:43:47,541 --> 00:43:50,836
-Where the heck have you been?
-Figuring out how to save your ass.

595
00:43:50,919 --> 00:43:53,339
[chuckles] And she's back.

596
00:43:53,422 --> 00:43:56,258
[automated voice]
Warning. Fuel level at 15%.

597
00:43:56,342 --> 00:43:58,552
That's okay.
15% should be enough to get us out.

598
00:43:58,636 --> 00:44:02,348
-But what about those things?
-They should just burn up on ignition.

599
00:44:03,182 --> 00:44:04,600
Everyone hold tight.

600
00:44:06,518 --> 00:44:08,812
-[grunts]
-[engine powering down]

601
00:44:12,066 --> 00:44:14,234
-[Maureen] You've gotta be kidding me.
-What's wrong?

602
00:44:14,318 --> 00:44:17,571
-Nothing. We should be--

-[automated voice] Warning. Fuel at 10%.

603

00:44:17,655 --> 00:44:19,281

-No reserves.

-Everything checks out.

604

00:44:20,074 --> 00:44:22,785

[Penny gasps] We're gonna get crushed.

What do we do?

605

00:44:25,329 --> 00:44:27,122

-Dump the fuel.

-What?

606

00:44:27,206 --> 00:44:29,667

-Dump the fuel.

-We can't, we need--

607

00:44:29,750 --> 00:44:33,879

If those things are still in the tank,
they might be clogging the intake valve,

608

00:44:33,962 --> 00:44:36,048

which means

whatever fuel is left down there

609

00:44:36,131 --> 00:44:37,758

can't get into the combustion chamber.

610

00:44:37,841 --> 00:44:40,219

Ever drink fresh lemonade
and get a seed stuck in your straw?

611

00:44:40,302 --> 00:44:41,970

[stammers] I know, Judy, it's just--

612

00:44:42,054 --> 00:44:45,432

[automated voice] Warning.

Fuel level at 8%. No reserves.

613

00:44:45,516 --> 00:44:46,392

[Judy] Trust me.

614
00:44:47,393 --> 00:44:50,229
There's still enough fuel in the lines
to get us out.

615
00:44:51,814 --> 00:44:52,898
Do it.

616
00:44:55,567 --> 00:44:59,613
[automated voice]
Fuel ejection system... activated.

617
00:45:04,201 --> 00:45:06,662
Maureen, does this thing run on fumes?

618
00:45:07,746 --> 00:45:09,123
I sure as hell hope so.

619
00:45:44,408 --> 00:45:45,242
[Penny] Dad?

620
00:45:45,534 --> 00:45:47,119
[Judy] Dad, watch out!

621
00:45:50,747 --> 00:45:51,957
[grunts]

622
00:46:09,099 --> 00:46:10,100
[Penny exclaims]

623
00:46:23,071 --> 00:46:25,073
[engines sputtering]

624
00:46:26,033 --> 00:46:28,535
-John...
-It's okay, I got this.

625
00:46:28,619 --> 00:46:30,537
[warning alarm beeping]

626
00:46:35,042 --> 00:46:36,335
John?

627
00:46:36,418 --> 00:46:38,253
-[Penny] Dad?
-Brace yourselves.

628
00:46:43,967 --> 00:46:47,137
-[all yelping]
-[John grunting]

629
00:46:47,387 --> 00:46:48,514
[Maureen] You okay?

630
00:46:48,597 --> 00:46:50,265
[all panting]

631
00:46:53,560 --> 00:46:56,939
Does anybody have a mop?
I may have barfed a little.

632
00:46:57,022 --> 00:46:58,565
[laughs]

633
00:47:02,361 --> 00:47:03,654
[Maureen] It's beautiful.

634
00:47:09,576 --> 00:47:11,537
Nice bit of flying you did.

635
00:47:12,746 --> 00:47:14,039
It's a good crew.

636
00:47:18,460 --> 00:47:20,295
[Penny] We've got comms. They're live!

637
00:47:20,379 --> 00:47:23,465
-[man] This is Mark on Jupiter 22...
-[Maureen] There are other survivors.

638
00:47:23,549 --> 00:47:26,218
-[man 2] We have established...
-[Maureen laughs] We're not alone.

639
00:47:26,301 --> 00:47:28,136
-[Mark] Standby.
-[Maureen laughs]

640
00:47:28,637 --> 00:47:34,476
-[radio chatter continues]
-Wait a sec. Will. Will. Will!

641
00:47:48,699 --> 00:47:49,825
Will?

642
00:47:53,620 --> 00:47:54,621
Mom!

643
00:48:02,212 --> 00:48:04,381
I'm so sorry I wasn't there to help.

644
00:48:05,257 --> 00:48:06,550
It's okay, sweetie.

645
00:48:07,134 --> 00:48:08,969
You would've if you could've.

646
00:48:36,330 --> 00:48:39,499
[Penny] Guys! Guys, come here! Quick!

647
00:48:39,583 --> 00:48:41,251
-What?
-[radio beeps]

648
00:48:41,335 --> 00:48:45,714
[man] This is Captain Radic broadcasting
from the Resolute.

649
00:48:46,089 --> 00:48:49,718
We've taken on heavy damage,
but are still operational.

650
00:48:50,302 --> 00:48:53,055
Life support systems have been stabilized.

651

00:48:53,138 --> 00:48:55,641
Navigational capabilities
are being assessed.

652

00:48:55,724 --> 00:48:57,935
Wounded are being tended to.

653

00:48:58,685 --> 00:49:02,731
Most importantly, we believe, in time,
we'll be able to get back on course

654

00:49:02,814 --> 00:49:05,067
-toward our new home on Alpha Centauri.
-[screams]

655

00:49:05,150 --> 00:49:07,361
Thank you, thank you, thank you,
thank you!

656

00:49:07,861 --> 00:49:09,279
[laughing]

657

00:49:09,363 --> 00:49:12,366
-[Radic continues indistinctly on radio]
-[Judy] Mom, Mom, Mom!

658

00:49:13,909 --> 00:49:15,369
I know, baby.

659

00:49:17,579 --> 00:49:20,207
[Radic] And for those of you
who are unable to return,

660

00:49:20,290 --> 00:49:23,001
know that as soon as repairs
are completed,

661

00:49:23,543 --> 00:49:25,170
we will find you.

662

00:49:29,257 --> 00:49:32,803
Did you really think we wouldn't find you?
Do you think you're the first person

663
00:49:32,886 --> 00:49:35,931
who thought they could fake their way
into a new life?

664
00:49:36,807 --> 00:49:39,434
June Harris. Quite a career.

665
00:49:39,810 --> 00:49:43,230
Breaking and entering.
Possession of stolen goods.

666
00:49:43,313 --> 00:49:44,481
Identity theft.

667
00:49:44,564 --> 00:49:48,151
Now it seems you've graduated
to the big time.

668
00:49:48,235 --> 00:49:53,490
We have you on camera
taking that man's life.

669
00:49:53,573 --> 00:49:57,494
I was defending myself.
It wasn't my fault.

670
00:49:57,577 --> 00:49:59,579
You don't actually believe that, do you?

671
00:50:00,789 --> 00:50:05,001
Well, Miss Harris, I have some good news
and some bad news.

672
00:50:05,627 --> 00:50:09,715
The good news, we haven't set up
a system of justice yet.

673
00:50:10,173 --> 00:50:12,300
No courts. No jail.

674
00:50:13,009 --> 00:50:14,302

Bad news?

675

00:50:14,720 --> 00:50:16,930
We haven't set up a system of justice yet,

676

00:50:17,013 --> 00:50:20,600
which means I can do
whatever the hell I want to you.

677

00:50:20,684 --> 00:50:21,727
[door opens]

678

00:50:22,728 --> 00:50:25,355
-[man] Sir, we've had a breach.
-What kind of a breach?

679

00:50:25,439 --> 00:50:27,899
I don't know. They're asking for you
in the control room.

680

00:50:30,193 --> 00:50:33,321
Sit tight. We are not done.
Not even close.

681

00:50:34,156 --> 00:50:36,950
-[door closes]
-[alarm blaring]

682

00:50:37,534 --> 00:50:40,078
-[explosions in distance]
-[people screaming faintly]

683

00:50:44,499 --> 00:50:47,377
[thudding mechanical footsteps]

684

00:51:46,353 --> 00:51:47,437
What is it?

685

00:51:53,235 --> 00:51:54,569
What are you doing with that?

686

00:51:56,780 --> 00:51:57,656

I don't want it.

687

00:52:01,326 --> 00:52:04,663
Wait. Did you make it?

688

00:52:05,705 --> 00:52:07,374
With our printer?

689

00:52:08,834 --> 00:52:09,668
Why?

690

00:52:09,751 --> 00:52:12,587
[robot] Danger, Will Robinson.

691

00:52:12,671 --> 00:52:14,798
Danger? From what?

692

00:52:18,426 --> 00:52:19,845
That was just a bad dream.

693

00:52:20,887 --> 00:52:24,474
Look...
I know you don't want to hurt me...

694

00:52:26,810 --> 00:52:30,355
but if we're gonna be friends,
you can't hurt anybody.

695

00:52:31,356 --> 00:52:32,399
Ever.

696

00:52:34,192 --> 00:52:35,360
Do you understand?

697

00:52:39,656 --> 00:52:40,657
Good.

698

00:53:16,484 --> 00:53:18,403
[dramatic music playing]
