EPISODE 1.07

"Pressurized"

While Dr. Smith moves ahead with a secret project, seismic activity wreaks havoc across the planet and leaves two teams facing impossible choices.

MAIN EPISODE CAST

Molly Parker	...	Maureen Robinson
Toby Stephens	...	John Robinson
Maxwell Jenkins	...	Will Robinson
Taylor Russell	...	Judy Robinson
Mina Sundwall	...	Penny Robinson
Ignacio Serricchio	...	Don West
Parker Posey	...	June Harris / Dr. Smith
Brian Steele	...	The Robot
Raza Jaffrey	...	Victor Dhar
Ajay Friese	...	Vijay Dhar
Kiki Sukezane	...	Aiko Watanabe
Iain Belcher	...	Evan
Amelia Burstyn	...	Diane
Adam Greydon Reid	...	Peter Beckert
Veenu Sandhu	...	Prisha Dhar

1
00:00:06,172 --> 00:00:08,967
[instrumental theme music playing]

2
00:01:28,505 --> 00:01:29,672
Unbelievable.

3
00:01:32,425 --> 00:01:33,510
I should have known.

4
00:01:33,593 --> 00:01:36,346
She played me even before we crashed here.

5
00:01:36,805 --> 00:01:38,598
I fell for it like a sucker.

6
00:01:40,391 --> 00:01:42,060
I blame my innate sense of compassion.

7
00:01:43,019 --> 00:01:45,396
You tried to profit off of our survival.

8
00:01:46,189 --> 00:01:47,357
Nothing illegal about that.

9
00:01:47,440 --> 00:01:48,817
You also smuggle booze.

10
00:01:48,900 --> 00:01:50,652
How did this become about me?

11
00:01:51,611 --> 00:01:55,865
Look, the point is I use my own name.
I didn't steal it off some guy.

12
00:01:57,283 --> 00:01:59,953
Wonder what happened to him.
The real Dr. Smith.

13
00:02:00,620 --> 00:02:01,955
[distant rumbling]

14

00:02:03,164 --> 00:02:06,417
Anyone else feel that?
It was a tremor, I think.

15

00:02:06,835 --> 00:02:07,710
I'm calling home.

16

00:02:08,086 --> 00:02:09,546
[grunts] Hold on.

17

00:02:10,839 --> 00:02:12,257
No one's listening to me.

18

00:02:12,340 --> 00:02:14,884
Here's my expert opinion on someone
who's been busted once or twice.

19

00:02:15,844 --> 00:02:19,639
A person like fake Dr. Smith
needs to be confronted face-to-face.

20

00:02:19,722 --> 00:02:21,975
You look her in the eye
and you dare her to lie again.

21

00:02:23,351 --> 00:02:24,936
No. What did I just say?

22

00:02:25,603 --> 00:02:27,856
C-11 to Jupiter 2. Is anybody there?

23

00:02:32,861 --> 00:02:35,280
C-11 to Jupiter 2. Are you there, Mom?

24

00:02:38,074 --> 00:02:40,743
[Smith over radio] Jupiter 2 to C-11.
Hello, Judy.

25

00:02:40,827 --> 00:02:41,786
[mouthing]

26

00:02:44,330 --> 00:02:46,207
[mouthing]

27

00:02:48,585 --> 00:02:49,794
It's Dr. Smith.

28

00:02:51,087 --> 00:02:53,423
Yeah, I know who you are.

29

00:02:56,217 --> 00:02:57,427
Is everything all right?

30

00:02:59,137 --> 00:03:01,556
We're great.
Can you put my mom on, please?

31

00:03:05,351 --> 00:03:08,479
Her door's closed.
Would you like me to leave her a message?

32

00:03:09,439 --> 00:03:11,024
No, I'll tell her myself. Thank you.

33

00:03:13,776 --> 00:03:15,486
Could you be more suspicious?

34

00:03:15,570 --> 00:03:17,697
She's been staying in our Jupiter,
eating at our table.

35

00:03:17,780 --> 00:03:19,073
I even loaned her moisturizer.

36

00:03:21,826 --> 00:03:24,203
-Really? You think that's funny?
-[chuckles] Well...

37

00:03:24,287 --> 00:03:26,998
-What if she tries something?
-Relax.

38

00:03:28,166 --> 00:03:31,836

Your mom can handle
any version of Dr. Smith.

39

00:03:33,880 --> 00:03:36,966
I take full responsibility
for what happened.

40

00:03:37,550 --> 00:03:39,302
I should've read the signs.

41

00:03:39,886 --> 00:03:41,679
Angela was in such despair.

42

00:03:41,888 --> 00:03:44,515
She kept reliving the attack
over and over again.

43

00:03:44,599 --> 00:03:45,934
She was so helpless.

44

00:03:46,017 --> 00:03:48,937
Couldn't have known she'd have the means
to act on her feelings.

45

00:03:58,363 --> 00:04:02,533
R-3940. That's our watermark.

46

00:04:04,244 --> 00:04:07,121
This gun wasn't smuggled here from Earth.
It was made on our printer.

47

00:04:07,830 --> 00:04:08,957
By who?

48

00:04:11,876 --> 00:04:13,211
I told you it wasn't me.

49

00:04:13,294 --> 00:04:15,088
[Will] The robot printed the gun.

50

00:04:16,673 --> 00:04:19,259
What? Why would he do that?

51

00:04:19,759 --> 00:04:20,718

For me.

52

00:04:22,136 --> 00:04:25,556

I was scared, and I guess he thought
it was what I wanted.

53

00:04:25,640 --> 00:04:26,724

You knew about this?

54

00:04:26,808 --> 00:04:29,686

I'm sorry. I... I didn't want it.

55

00:04:32,397 --> 00:04:33,439

So I hid it.

56

00:04:34,107 --> 00:04:35,400

Where?

57

00:04:40,738 --> 00:04:43,449

[sighs]

At least now we know where she got it.

58

00:04:44,200 --> 00:04:47,370

Someone found it, but it wasn't her.
She wasn't working on the light tower.

59

00:04:47,453 --> 00:04:48,538

She was still laid up.

60

00:04:48,621 --> 00:04:50,623

That just leaves everyone else.

61

00:04:51,124 --> 00:04:53,543

The whole camp came aboard
at one time or another.

62

00:04:55,545 --> 00:04:58,840

Hey, why don't you go get a snack?

63

00:05:06,681 --> 00:05:11,936
Why would someone give Angela a gun?
It shows particularly poor judgment.

64

00:05:12,020 --> 00:05:15,398
To give a troubled woman a weapon,
when it was clear what she would do.

65

00:05:16,357 --> 00:05:17,400
Uh, I...

66

00:05:17,483 --> 00:05:21,988
I thought it was strange that...
that he was lingering around the quarters

67

00:05:22,071 --> 00:05:24,324
when there was so much work
to be done elsewhere.

68

00:05:24,615 --> 00:05:26,534
-Who?
-Victor.

69

00:05:27,452 --> 00:05:30,538
He wasn't exactly a fan of the robot
at the meeting.

70

00:05:30,621 --> 00:05:31,497
I don't know.

71

00:05:33,541 --> 00:05:36,377
Victor Dhar is a lot of things,
but I... [sighs]

72

00:05:36,461 --> 00:05:39,339
You'd be surprised what a man will do
to protect his family.

73

00:05:43,384 --> 00:05:45,136
If we're gonna find out
who gave Angela the gun,

74

00:05:45,219 --> 00:05:46,637

we need to go and talk to her.

75

00:05:47,388 --> 00:05:49,724
Just please be gentle with her.

76

00:05:51,184 --> 00:05:52,935
Angela is in a fragile place.

77

00:05:54,729 --> 00:05:57,774
She wasn't too fragile
to put three bullet holes in my ship.

78

00:06:00,693 --> 00:06:02,028
[John sighs]

79

00:06:10,411 --> 00:06:11,788
Okay. [sighs]

80

00:06:14,874 --> 00:06:15,833
No sneaking off.

81

00:06:16,793 --> 00:06:19,253
Really? 'Cause it's kind of, like,
my thing.

82

00:06:19,754 --> 00:06:20,963
I'm serious.

83

00:06:21,547 --> 00:06:24,425
I don't need to tell you that
your brother's going through a hard time.

84

00:06:30,640 --> 00:06:33,309
[sighs] And yet you told me anyway.

85

00:06:57,708 --> 00:06:58,668
[grunts]

86

00:07:00,545 --> 00:07:03,089
-We should switch.
-No, I'm fine.

87
00:07:04,674 --> 00:07:06,384
You probably have a concussion, too.

88
00:07:06,759 --> 00:07:09,345
[sighs] I've had plenty of concussions.

89
00:07:10,638 --> 00:07:11,848
[Maureen sighs]

90
00:07:19,188 --> 00:07:20,982
I'm fine, really.

91
00:07:22,024 --> 00:07:25,111
I'm not arguing.
Would you like me to argue?

92
00:07:27,113 --> 00:07:28,156
[John sighs]

93
00:07:30,783 --> 00:07:32,910
[low rumbling]

94
00:07:35,079 --> 00:07:36,289
[rumbling continues]

95
00:07:37,206 --> 00:07:38,458
What was that?

96
00:07:38,916 --> 00:07:40,042
I don't know.

97
00:07:43,588 --> 00:07:45,214
-Look out!
-[grunts]

98
00:07:48,426 --> 00:07:49,969
-John!
-Hold on.

99
00:07:50,803 --> 00:07:52,013
[gasps]

100
00:07:56,434 --> 00:07:57,393
[Maureen gasps]

101
00:07:57,477 --> 00:07:58,478
Go, go, go!

102
00:07:59,353 --> 00:08:00,271
[John grunts]

103
00:08:04,609 --> 00:08:05,943
[both grunt]

104
00:08:07,195 --> 00:08:08,905
[screaming]

105
00:08:18,581 --> 00:08:21,959
-[Maureen gasping]
-[grunting]

106
00:08:25,171 --> 00:08:28,883
[panting] You remember when I mentioned
increased seismic activity?

107
00:08:29,467 --> 00:08:31,385
I do now. [laughs]

108
00:08:32,178 --> 00:08:33,262
[sighs]

109
00:08:34,722 --> 00:08:36,098
[both sigh]

110
00:08:37,225 --> 00:08:39,560
Okay, let's get out of here.

111
00:08:39,644 --> 00:08:41,437
[wheels whirring]

112
00:08:43,231 --> 00:08:44,232
[grunts softly]

113
00:08:44,315 --> 00:08:46,400
-What's wrong?
-[Chariot creaking]

114
00:08:49,403 --> 00:08:50,571
[John grunts]

115
00:08:58,663 --> 00:08:59,539
[John grunts]

116
00:09:00,790 --> 00:09:01,916
[Maureen groans]

117
00:09:03,042 --> 00:09:03,960
Ugh.

118
00:09:04,544 --> 00:09:05,586
Tar.

119
00:09:07,255 --> 00:09:08,714
Tar pit, actually.

120
00:09:11,217 --> 00:09:15,388
-[Maureen] Think we can walk on this?
-I wouldn't. [grunts]

121
00:09:16,389 --> 00:09:17,390
[John groans]

122
00:09:27,567 --> 00:09:28,651
We'll be fine.

123
00:09:29,193 --> 00:09:32,947
I mean, this is hardly the worst situation
we've ever been in, right?

124
00:09:36,158 --> 00:09:37,201
[sighs]

125
00:09:47,336 --> 00:09:49,380

Well, we're not going back this way.

126

00:09:50,840 --> 00:09:52,675
There's only one way we can go.

127

00:10:01,892 --> 00:10:04,103
It's remarkably predictable.

128

00:10:04,854 --> 00:10:06,397
It's better than Old Faithful.

129

00:10:06,480 --> 00:10:08,190
[Don] So, intervals between eruptions

130

00:10:08,274 --> 00:10:11,068
gives us three minutes and 27 seconds
to get across.

131

00:10:11,736 --> 00:10:13,779
Top speed of the Chariot is... [sighs]

132

00:10:13,988 --> 00:10:17,074
We can't go at top speed.
We're lugging 3,000 gallons of fuel

133

00:10:17,158 --> 00:10:20,119
which weighs, conservatively,
9,000 pounds.

134

00:10:20,202 --> 00:10:23,080
That'll be what, 35 miles an hour
to go how far?

135

00:10:25,916 --> 00:10:27,293
1.78 miles.

136

00:10:27,877 --> 00:10:29,295
1.78 miles.

137

00:10:30,671 --> 00:10:31,839
We don't have a choice.

138
00:10:34,258 --> 00:10:35,676
[man] It's gonna be tight.

139
00:11:07,124 --> 00:11:09,460
The second they stop, we drive like hell.

140
00:11:25,184 --> 00:11:26,018
Now!

141
00:11:37,029 --> 00:11:38,030
[timer beeps]

142
00:11:53,796 --> 00:11:55,089
Three minutes left.

143
00:11:58,843 --> 00:12:00,010
Come on, baby.

144
00:12:00,094 --> 00:12:03,597
Please, if anything breaks, I'll fix it,
but get us across the finish line, okay?

145
00:12:09,770 --> 00:12:11,522
This is as fast as we can go.

146
00:12:11,605 --> 00:12:13,441
It's more than enough. We're on pace.

147
00:12:14,191 --> 00:12:16,110
[Aiko] Two minutes, 45 seconds.

148
00:12:18,404 --> 00:12:20,656
[metal clanging, screeching]

149
00:12:23,033 --> 00:12:25,703
-[metal screeching continues]
-What is it?

150
00:12:27,621 --> 00:12:29,165
My brakes are seizing up.

151
00:12:30,624 --> 00:12:31,917
Why are they slowing down?

152
00:12:38,174 --> 00:12:41,010
Hey, your control cable's loose.
I can see it from here.

153
00:12:41,635 --> 00:12:43,137
Two minutes, 30 seconds.

154
00:12:43,220 --> 00:12:45,389
-I can't maintain this speed.
-You have to.

155
00:12:47,933 --> 00:12:49,852
-I'm on it.
-Where are you going?

156
00:12:50,269 --> 00:12:52,480
The roof. Just keep driving.

157
00:12:56,358 --> 00:12:57,193
Good luck.

158
00:13:02,740 --> 00:13:04,658
-Hold it steady.
-Yeah.

159
00:13:11,916 --> 00:13:12,833
[grunts]

160
00:13:13,292 --> 00:13:15,503
-Evan, be careful, please.
-Two minutes.

161
00:13:15,586 --> 00:13:18,506
Dude, I'm a surfer.

162
00:13:19,048 --> 00:13:20,049
[grunts]

163

00:13:22,218 --> 00:13:23,385
Was a surfer.

164

00:13:24,720 --> 00:13:26,889
Come on. Come on, Evan.

165

00:13:26,972 --> 00:13:29,391
-[Peter] He better make this quick.
-Come on. Come on, Evan.

166

00:13:29,475 --> 00:13:30,935
One minute, 30 seconds.

167

00:13:31,018 --> 00:13:32,394
[grunts]

168

00:13:37,149 --> 00:13:40,402
Evan... Okay.
Careful, careful, careful, please.

169

00:13:42,821 --> 00:13:44,198
Come on, Evan.

170

00:13:45,407 --> 00:13:47,076
Dude's got big marbles,
I'll give him that.

171

Hmm? What?

346
00:25:16,348 --> 00:25:17,557
It's out there.

347
00:25:18,475 --> 00:25:19,976
On the shore.

348
00:25:20,060 --> 00:25:22,729
You sheared it off
when you off-roaded backwards

349
00:25:22,812 --> 00:25:23,939
through the forest.

350

00:25:26,775 --> 00:25:27,859
Very impressively.

351
00:25:28,818 --> 00:25:30,654
-I thought so.
-[chuckles]

352
00:25:34,991 --> 00:25:36,368
You got some flex?

353
00:25:50,840 --> 00:25:52,509
Of all the times for Penny to agree

354
00:25:52,592 --> 00:25:54,427
to stay in the Jupiter
and not come looking for us.

355
00:25:54,511 --> 00:25:58,473
Yeah. When we get back,
gonna have to have a serious talk

356
00:25:58,557 --> 00:26:02,519
about the importance of knowing
when not to obey your parents.

357
00:26:09,901 --> 00:26:12,237
Pass it up to me, okay?

358
00:26:14,155 --> 00:26:14,990
[grunts]

359
00:26:17,951 --> 00:26:19,494
Well, we're still sinking.

360
00:26:21,162 --> 00:26:23,582
[grunting]

361
00:26:29,087 --> 00:26:30,171
[Maureen] Here.

362
00:26:31,214 --> 00:26:32,173
[John] Thanks.

363
00:26:33,008 --> 00:26:34,718
[John sighs, grunts]

364
00:26:56,364 --> 00:26:57,532
Damn.

365
00:26:57,699 --> 00:27:00,452
[Maureen scoffs]
Weren't you a Navy SEAL?

366
00:27:00,535 --> 00:27:02,996
Didn't you guys practice
these sort of things?

367
00:27:03,330 --> 00:27:05,707
Uh, just you watch.

368
00:27:05,790 --> 00:27:07,042
Just warming up.

369
00:27:08,168 --> 00:27:09,336
[creaking]

370
00:27:12,672 --> 00:27:14,132
-Okay.
-John.

371
00:27:14,215 --> 00:27:15,300
You watching?

372
00:27:16,134 --> 00:27:17,093
John.

373
00:27:20,096 --> 00:27:21,348
John!

374
00:27:21,973 --> 00:27:24,017
[grunts] Got it!

375
00:27:24,100 --> 00:27:26,227

[creaking]

376

00:27:26,311 --> 00:27:28,313

-John, get in.

-What?

377

00:27:28,396 --> 00:27:29,981

It's too late. Get in.

378

00:27:31,858 --> 00:27:33,401

-Damn.

-Come on.

379

00:27:33,485 --> 00:27:34,819

Damn it.

380

00:27:51,461 --> 00:27:53,797

[machine beeps steadily]

381

00:27:53,880 --> 00:27:55,173

[Judy whispers] Okay.

382

00:28:00,970 --> 00:28:02,514

How much fuel did we lose?

383

00:28:04,099 --> 00:28:06,768

I don't know. It doesn't matter.

384

00:28:10,230 --> 00:28:13,024

Is it too soon to ask
if I'll ever walk again?

385

00:28:15,068 --> 00:28:18,488

As soon we get back,
I'll be able to properly examine you.

386

00:28:22,909 --> 00:28:24,160

It's okay.

387

00:28:24,953 --> 00:28:27,455

I know an engineer
who designs prosthetics.

388

00:28:28,748 --> 00:28:30,792
She could print me
a bitchin' pair of legs.

389

00:28:34,087 --> 00:28:35,588
Well, you can teach me to surf.

390

00:28:49,060 --> 00:28:50,186
You saved his life.

391

00:28:52,605 --> 00:28:54,607
All I did was hit the gas pedal.

392

00:28:57,152 --> 00:28:58,862
I'm sorry about your money.

393

00:29:00,947 --> 00:29:02,532
[sniffs] Me, too.

394

00:29:15,795 --> 00:29:18,256
Do we have enough fuel
to get us off the planet?

395

00:29:19,799 --> 00:29:20,800
Not everyone.

396

00:29:46,326 --> 00:29:48,661
So, what can I do to help?

397

00:29:51,122 --> 00:29:52,999
You hate building models.

398

00:29:53,082 --> 00:29:57,253
Yeah, 'cause it's boring and tedious.
I'm willing to give it a try.

399

00:29:58,379 --> 00:30:04,719
Okay. Um, "Release the main L body panel
from parts sheet A.

400

00:30:04,803 --> 00:30:08,932
Fold a crease in each
of the six vertical hinges in the part."

401
00:30:10,391 --> 00:30:12,227
Okay, well, no wonder
it's taking you so long.

402
00:30:12,310 --> 00:30:14,103
You're putting the wrong pieces together.

403
00:30:29,160 --> 00:30:31,162
[Will] Wanted to make something
to remember him by.

404
00:30:35,416 --> 00:30:37,293
It's okay to miss him.

405
00:30:38,962 --> 00:30:40,713
He was my friend, too.

406
00:30:47,595 --> 00:30:48,680
[sighs]

407
00:30:49,430 --> 00:30:52,058
So, are we just making this up
as we go along,

408
00:30:52,141 --> 00:30:53,726
or is there a method to this madness?

409
00:30:56,688 --> 00:30:58,231
Yeah. Yeah, um...

410
00:30:59,607 --> 00:31:01,526
Thought we could use these as his hands.

411
00:31:01,609 --> 00:31:06,573
Yes, I like that.
But we need something big.

412
00:31:06,656 --> 00:31:08,116

[Will] Maybe this?

413

00:31:18,543 --> 00:31:20,503
Come on, fuse together.

414

00:31:23,214 --> 00:31:24,340
[sighs]

415

00:31:25,633 --> 00:31:29,762
[scoffs] This is exactly what Will did,
so why aren't you working?

416

00:31:30,430 --> 00:31:31,848
[sighs]

417

00:31:36,895 --> 00:31:38,521
What else do you need from me?

418

00:31:38,605 --> 00:31:39,731
[voice echoes]

419

00:31:47,572 --> 00:31:50,950
-Is this gonna work?
-In principle.

420

00:31:51,910 --> 00:31:55,622
The line you threw to the tree
is conductive.

421

00:31:56,497 --> 00:31:58,374
Oh, God, this heat.

422

00:31:59,626 --> 00:32:01,252
So, it should act as an antenna

423

00:32:01,336 --> 00:32:05,798
if we can make an unbroken connection
for the signal.

424

00:32:07,717 --> 00:32:08,801
[grunts]

425
00:32:15,767 --> 00:32:17,310
[radio static]

426
00:32:18,645 --> 00:32:22,815
[switching channels, static]

427
00:32:27,153 --> 00:32:29,489
[sighs] I'll admit it's ad hoc.

428
00:32:30,657 --> 00:32:31,824
[grunts]

429
00:32:33,034 --> 00:32:35,828
-You know what this reminds me of?
-What?

430
00:32:35,912 --> 00:32:38,539
That apartment we had in Glendale
with the broken AC.

431
00:32:38,623 --> 00:32:41,584
-[chuckles] That was hotter.
-Yeah.

432
00:32:41,668 --> 00:32:44,170
-And somehow smellier.
-[both chuckle]

433
00:32:44,253 --> 00:32:46,422
-[button beeps]
-How many weekends did we spend

434
00:32:46,506 --> 00:32:49,217
wandering around that mall
just trying to keep cool?

435
00:32:49,300 --> 00:32:52,095
[chuckles] I never ate so many
Wetzel's Pretzels in all my life.

436
00:32:54,889 --> 00:32:58,768
Hey, you have a Ph.D in Engineering.

Why did you never fix the AC?

437

00:32:59,644 --> 00:33:02,939

Kids liked the pretzels.

We were having fun.

438

00:33:04,983 --> 00:33:06,150

Huh.

439

00:33:16,369 --> 00:33:17,662

You know, when...

440

00:33:19,330 --> 00:33:21,833

when everything went sideways and...

441

00:33:22,834 --> 00:33:25,753

and I went and re-upped...

442

00:33:28,047 --> 00:33:30,383

-You don't have to.

-I thought it was the right thing to do.

443

00:33:30,466 --> 00:33:32,468

Yeah, well, you made that clear

at the time.

444

00:33:32,552 --> 00:33:33,803

Well, I was wrong.

445

00:33:37,890 --> 00:33:38,891

I regret it.

446

00:33:40,727 --> 00:33:41,602

[John sighs]

447

00:33:41,686 --> 00:33:42,687

You know...

448

00:33:44,439 --> 00:33:46,024

some things you learn over time

449

00:33:46,107 --> 00:33:49,694
and some things,
you have to be kicked in the face.

450
00:33:53,239 --> 00:33:57,118
And when you called and you told me
that you were taking the kids...

451
00:33:58,995 --> 00:34:00,496
to start a new life...

452
00:34:06,544 --> 00:34:07,712
that's when I knew.

453
00:34:13,342 --> 00:34:14,218
Hey.

454
00:34:16,429 --> 00:34:18,514
Hey, I'm sorry. Did I say something wrong?

455
00:34:27,940 --> 00:34:31,527
I wanted to go to space so bad,

456
00:34:31,611 --> 00:34:36,532
and I couldn't imagine us staying on Earth
the way it was.

457
00:34:39,535 --> 00:34:42,663
He tried so hard,
but he... he couldn't do it.

458
00:34:44,457 --> 00:34:45,333
Will?

459
00:34:47,376 --> 00:34:48,878
He failed the test.

460
00:34:52,298 --> 00:34:53,716
I don't understand.

461
00:34:56,135 --> 00:34:58,930
I cheated to get him on the Resolute.

462
00:35:01,182 --> 00:35:04,310
If it wasn't for me,
none of us would be stranded here.

463
00:35:05,853 --> 00:35:06,854
Hey.

464
00:35:10,608 --> 00:35:12,860
You wanted a better life for our kids.

465
00:35:15,154 --> 00:35:18,282
You did what any mother
would've wanted to do,

466
00:35:18,366 --> 00:35:19,992
but only you could do.

467
00:35:45,852 --> 00:35:49,814
Middle of three boys, huh?
Must've been pretty wild in your house.

468
00:35:49,897 --> 00:35:50,857
Yeah.

469
00:35:51,524 --> 00:35:53,359
Fridge was always bare.

470
00:35:54,402 --> 00:35:57,655
And wrestling matches for the remote.
The usual.

471
00:35:58,281 --> 00:36:00,032
Are you close to your siblings?

472
00:36:01,117 --> 00:36:02,577
Yeah, we're pretty tight.

473
00:36:06,789 --> 00:36:11,335
Phil, he's already at the colony
with his horrible wife.

474
00:36:13,129 --> 00:36:16,007
My big brother Kai
is stuck here with me.

475
00:36:21,220 --> 00:36:22,430
[breathing heavily]

476
00:36:23,514 --> 00:36:26,976
Can you turn down the air?
It's kind of cold in here.

477
00:36:27,643 --> 00:36:29,145
[Evan gasps]

478
00:36:29,228 --> 00:36:31,981
-I didn't turn on the air.
-[rapid beeping]

479
00:36:34,525 --> 00:36:36,986
All right, he's going into shock.
I need a blanket.

480
00:36:50,166 --> 00:36:51,125
[Judy whispers] Okay.

481
00:36:51,209 --> 00:36:53,211
[rapid beeping continues]

482
00:36:55,338 --> 00:36:57,465
Okay. Okay.

483
00:36:58,799 --> 00:36:59,634
Okay.

484
00:37:02,011 --> 00:37:03,471
No, no, no, no, no, no, no, no.

485
00:37:04,764 --> 00:37:07,016
-Okay.
-[device charging]

486

00:37:14,732 --> 00:37:16,651
Come on. Come on. Come on. Come on.

487
00:37:18,778 --> 00:37:19,904
Come on, Evan. Come on, Evan.

488
00:37:20,821 --> 00:37:22,156
[flatline tone]

489
00:37:22,698 --> 00:37:24,909
No, no, no, no, no, no. Evan.

490
00:37:24,992 --> 00:37:26,535
All right. All right. All right.

491
00:37:26,619 --> 00:37:29,455
[panting]

492
00:38:10,079 --> 00:38:11,455
[Don over radio] Victor, come in.

493
00:38:17,962 --> 00:38:19,130
What is it?

494
00:38:26,512 --> 00:38:27,722
Evan's dead.

495
00:38:36,689 --> 00:38:37,732
[sighs]

496
00:38:42,320 --> 00:38:44,864
We sacrificed the fuel for nothing.

497
00:39:10,556 --> 00:39:12,350
[John sighs] Oh, great.

498
00:39:12,433 --> 00:39:14,310
[Maureen] Okay. [grunts]

499
00:39:17,897 --> 00:39:23,569
I'll, uh, just find another power source

to hook the radio up to.

500
00:39:26,572 --> 00:39:27,406
[Maureen grunts]

501
00:39:35,706 --> 00:39:36,540
Maureen.

502
00:39:38,667 --> 00:39:39,668
Maureen.

503
00:39:41,253 --> 00:39:42,171
So?

504
00:39:45,549 --> 00:39:48,260
If it can handle space,
it can handle a little tar.

505
00:39:49,887 --> 00:39:52,473
-There's only one of them.
-Yeah.

506
00:39:54,100 --> 00:39:55,267
[sighs]

507
00:39:55,351 --> 00:39:57,853
I am fixing the radio.
Stop distracting me.

508
00:39:57,937 --> 00:39:59,397
Maureen, listen to me.

509
00:39:59,855 --> 00:40:02,233
How long have we been
rebreathing this air?

510
00:40:02,316 --> 00:40:04,819
I mean, soon there's gonna be
too much carbon dioxide,

511
00:40:04,902 --> 00:40:07,655
and then we'll pass out.

And if we pass out, we die.

512

00:40:07,738 --> 00:40:10,616

-John.

-I'll open the hatch and you can get out.

513

00:40:10,699 --> 00:40:13,911

If you open the hatch,
the Chariot will fill with tar.

514

00:40:13,994 --> 00:40:15,413

You won't survive.

515

00:40:15,746 --> 00:40:16,914

But you will.

516

00:40:18,749 --> 00:40:21,252

-I'm not doing it.

-Yeah, you are.

517

00:40:23,045 --> 00:40:26,215

I'm not giving up. Since when are you?

518

00:40:26,507 --> 00:40:30,636

This isn't giving up.
This is saving your life.

519

00:40:32,888 --> 00:40:33,806

No.

520

00:40:34,723 --> 00:40:35,766

Maureen.

521

00:40:37,226 --> 00:40:39,061

You put this suit on.

522

00:40:39,145 --> 00:40:40,896

You go get our kids.

523

00:40:41,647 --> 00:40:43,357

And you get 'em off this planet.

524

00:40:45,651 --> 00:40:46,735
All right?

525

00:40:49,655 --> 00:40:50,656
All right?

526

00:41:37,203 --> 00:41:40,206
[sighs] Okay. Now, when I open the hatch,

527

00:41:40,289 --> 00:41:42,333
you're gonna be hit by a ton of weight
from the tar.

528

00:41:42,416 --> 00:41:45,669
I'll get underneath you
and do the best I can to help you out.

529

00:41:45,753 --> 00:41:47,588
[breathing heavily]

530

00:41:48,380 --> 00:41:51,258
[sobs] I don't think I can do it.

531

00:41:51,342 --> 00:41:54,053
Hey. Yes, you can.

532

00:41:54,637 --> 00:41:55,638
Yes, you can.

533

00:41:57,056 --> 00:42:00,643
You are the strongest,
most fearless person I know.

534

00:42:02,645 --> 00:42:05,898
I wish I hadn't spent so much time
being angry at you.

535

00:42:05,981 --> 00:42:07,191
[breathing heavily]

536

00:42:07,274 --> 00:42:10,277

I wish we could walk around that mall
one last time.

537

00:42:12,154 --> 00:42:13,155
Maureen...

538

00:42:13,864 --> 00:42:14,990
[sobs] Don't.

539

00:42:15,074 --> 00:42:16,075
I love you.

540

00:42:19,828 --> 00:42:21,789
Let's do it. It's time.

541

00:42:23,749 --> 00:42:26,418
-Put this on. Come on.
-[breathing deeply]

542

00:42:26,502 --> 00:42:28,796
-[grunts]
-[gasps, sniffles]

543

00:42:28,879 --> 00:42:30,214
-[gasping]
-Here, let me help you.

544

00:42:30,297 --> 00:42:31,632
[Maureen whimpering]

545

00:42:37,346 --> 00:42:39,098
Okay, listen.

546

00:42:41,225 --> 00:42:44,728
When I open the hatch,
you go like there's fire under your ass.

547

00:42:44,812 --> 00:42:46,981
And you don't look back. Okay?

548

00:42:47,064 --> 00:42:48,274
Come on. Come on.

549
00:42:58,158 --> 00:43:00,035
Wait, stop. Stop.

550
00:43:01,370 --> 00:43:02,705
-What is it?
-Take this off.

551
00:43:06,375 --> 00:43:07,209
What?

552
00:43:07,293 --> 00:43:09,044
The Chariot's airtight. [panting]

553
00:43:09,128 --> 00:43:12,590
If we can create enough pressure in here,
we could displace the tar.

554
00:43:13,048 --> 00:43:16,093
-Displace it with what?
-The helium. From the HAB.

555
00:43:16,760 --> 00:43:18,596
[Maureen breathing heavily]

556
00:43:20,514 --> 00:43:22,933
[John] I don't understand.
This will get us up to the surface,

557
00:43:23,017 --> 00:43:25,102
but we're still stuck
in the middle of a pit.

558
00:43:25,185 --> 00:43:26,812
You remember when Penny was two

559
00:43:26,895 --> 00:43:29,148
and we bought her that...
that play tunnel...

560
00:43:29,231 --> 00:43:31,692
-Yeah. Uh-huh.

-...that she could crawl around in?

561

00:43:31,775 --> 00:43:33,360

That's what we're gonna do
with the balloon.

562

00:43:33,736 --> 00:43:35,362

Our body weight will carry us down.

563

00:43:35,446 --> 00:43:37,573

We can crawl along the bottom
until we reach the shore.

564

00:43:37,656 --> 00:43:39,325

Can't believe I didn't think of it before.

565

00:43:39,408 --> 00:43:41,452

Yeah, because it was, like, so obvious.

566

00:43:48,584 --> 00:43:50,753

[helium whooshing]

567

00:43:51,378 --> 00:43:52,588

[John grunts]

568

00:45:40,279 --> 00:45:41,905

[high-pitched] I love you, too.

569

00:45:41,989 --> 00:45:43,866

[high-pitched giggling]

570

00:46:15,439 --> 00:46:17,065

I'll take the tanker back to my Jupiter.

571

00:46:17,149 --> 00:46:19,526

We can reconvene in the morning
and go over options.

572

00:46:20,319 --> 00:46:21,653

Copy.

573

00:46:34,374 --> 00:46:36,251
I really thought I could save him.

574

00:46:36,919 --> 00:46:39,463
You did everything you could,
Dr. Robinson.

575

00:46:46,470 --> 00:46:49,056
I have to go tell his brother
what happened to him.

576

00:46:49,973 --> 00:46:51,058
I'll drive you.

577

00:46:58,690 --> 00:46:59,733
[sighs]

578

00:47:12,996 --> 00:47:14,957
I knew you'd make it back safely.

579

00:47:15,040 --> 00:47:16,917
I'm so glad to see you.

580

00:47:24,967 --> 00:47:25,884
Victor?

581

00:47:28,345 --> 00:47:31,181
Everything's going to be okay. I promise.

582

00:47:36,603 --> 00:47:37,938
We had it, son.

583

00:47:39,940 --> 00:47:41,191
More than enough.

584

00:47:41,275 --> 00:47:42,276
What happened?

585

00:47:44,236 --> 00:47:46,863
There was an accident. We lost it all.

586

00:47:49,116 --> 00:47:50,284
Almost all.

587
00:47:53,537 --> 00:47:55,956
We're just gonna have to stay here
a little longer now.

588
00:47:56,331 --> 00:47:57,749
How... How much longer?

589
00:47:58,375 --> 00:48:02,337
I don't know.
We're stuck here until we figure it out.

590
00:48:06,842 --> 00:48:08,802
There's something I need to tell you.

591
00:48:15,851 --> 00:48:18,312
Okay. Check it out.

592
00:48:19,313 --> 00:48:20,355
Mini Will.

593
00:48:21,189 --> 00:48:23,525
-Is that supposed to be me?
-Well...

594
00:48:25,694 --> 00:48:28,488
-Cannibal. [laughs]
-[chuckles]

595
00:48:28,614 --> 00:48:30,198
But it's so good.

596
00:48:30,282 --> 00:48:31,408
[Will chuckles]

597
00:48:31,491 --> 00:48:33,744
Would you honestly eat your own brother?

598
00:48:33,827 --> 00:48:36,455
[Penny] Yes.

I think if the situation called for it.

599

00:48:37,080 --> 00:48:39,374
[Will] I mean,
we're not out of MREs or anything.

600

00:48:42,252 --> 00:48:45,172
This is Will Robinson
of the 24th Colonist Group.

601

00:48:46,089 --> 00:48:51,762
I'm making a record of this
because it seems I'm the first human

602

00:48:52,346 --> 00:48:55,390
to discover evidence
of an alien intelligence.

603

00:48:58,936 --> 00:49:00,812
It appears it crashed when we did.

604

00:49:01,396 --> 00:49:04,191
Why? I don't know why.

605

00:49:04,274 --> 00:49:06,276
[voice rewinds, distorted]

606

00:49:06,902 --> 00:49:08,528
It appears it crashed when we did.

607

00:49:09,488 --> 00:49:12,658
-Why? I don't know why.
-[screeching sound]

608

00:49:12,741 --> 00:49:15,327
I don't even know why we crashed.

609

00:49:17,996 --> 00:49:19,665
[screeching continues]

610

00:49:55,867 --> 00:49:58,412
Did she tell you how long we have

before the planet dies?

611
00:50:01,331 --> 00:50:02,374
No.

612
00:50:12,092 --> 00:50:13,093
Vijay...

613
00:50:15,470 --> 00:50:17,180
Get the Jupiter ready.

614
00:50:18,807 --> 00:50:20,934
We're getting off this damn planet.

615
00:50:28,400 --> 00:50:30,318
[dramatic music playing]
